Local Post Office Site Of Draft Registration

It was announced Wednesday afternoon that J. C. Estlack, local postmaster, had been appointed to handle the Selective Service registration of Donley County eligibles beginning here Monday, August 30th at the local Post Office. Registration hours will be between 8 a. m. and 5 p. m. The registration will include all men between eighteen and twenty-six years of age. Gov. Beauford H. Jester has proclaimed August 30 through Sept. 18 as initial registration period.

- Specific days on which men will register in the different age groups, as set forth in Governor Jester's proclamation, are:
1. Persons born in 1922 after August 30, 1922, will register Monday, Aug. 30.
 2. Persons born in 1923 will register Tuesday, Aug. 31, or Wednesday, Sept. 1.
 3. Persons born in 1924 will register Thursday, Sept. 2 or Friday, Sept. 3.
 4. Persons born in 1925 will register Saturday, Sept. 4 or Tuesday, Sept. 7.
 5. Persons born in 1926 will register Wednesday, Sept. 8, or Thursday, Sept. 9.
 6. Persons born in 1927 will register Friday, Sept. 10, or Saturday, Sept. 11.
 7. Persons born in 1928 will register Monday, Sept. 13, or Tuesday, Sept. 14.
 8. Persons born in 1929 will register Wednesday, Sept. 15, or Thursday, Sept. 16.
 9. Persons born in 1930 before Sept. 19, 1930, will register Friday, Sept. 17 or Saturday, Sept. 18.
 10. Persons born on or after Sept. 19, 1930, will register the day they are 18 years of age, or five days after.

BERT BARNES RETURNS AFTER TWO MONTH TRIP ABROAD

Bert Barnes, winner of an essay contest some months ago, returned to Clarendon Saturday night after spending almost two months in a tour of European countries, the tour being first prize of the contest. It was sponsored by a Houston shipping concern.

Bert embarked on his trip June 20, destination New York, from where he was to catch a boat for Europe. On June 25th, after necessary preparations had been made and passage obtained, he was on his way to England. His boat landed at Plymouth, England a few days later. There, to prove that this is a small world, Bert, by a strange coincidence, ran into a classmate he knew at Albuquerque, N. Mexico when he was in school there. "That," said Barnes, "was the only person I met on the trip that I knew."

After spending several days seeing the sights in England, Bert proceeded on to Paris, France. In Paris, he joined a pre-arranged American tour that was scheduled to travel Europe in a motor bus. Eighteen Americans, Bert said, were on the bus, plus a French driver and an English woman. The tour took the group from France into Italy, Switzerland, back into France, Luxembourg, and Belgium. Bert brought out the fact that the day they were to see the city of Rome, Gogliatto, the communist leader, was shot. Due to the uprising that the event brought about, the tourists were compelled to remain in the shelter of their hotel all that day. They were unable to see much of Rome until they passed through the city for a second time on the return trip from Naples.

Barnes left the tour in Brussels, Belgium. He proceeded on his own, he said, to Holland. He visited the Hague, Rotterdam, and Amsterdam before he had to set sail for the United States. He ar-

SCHOOL CAFETERIA PRICES UP DUE TO RISING FOOD COSTS

O. D. Lowry, principal of the Jr. High School, announced Tuesday that there would be an increase in lunches at the school cafeteria this year over last year's prices made necessary because of steadily soaring food prices.

Cost of the meal will vary with the grade of the pupil. Pupils in the first through the fourth grades will pay 25c for lunches; the fifth grade through Jr. High school will pay 30c; high school, college students and faculty members will pay 40c per meal.

The cafeteria has been remodeled throughout. New tables have been added, and facilities greatly improved over last year, the principal asserted.

"We have one of the nicest and best equipped cafeterias in the country," Mr. Lowry said.

The cafeteria will serve its first meal the second day of school.

CHICKEN BARBECUE AT MARTIN SCHOOL FRIDAY

The annual chicken barbecue at the Martin school is slated for tomorrow evening, Friday August 27th. For chicken at its best and fun for young and old alike, everybody is invited to attend the feast and get-together.

The committee in charge of the barbecuing announced that each person must bring his 1/2 chicken to the school house not later than 3 p. m. tomorrow, so that it may be barbecued and ready to go when the supper gets underway in the evening. Families are also notified to bring a basket lunch containing anything that might go good with the barbecued chicken to make the barbecue plenty for everybody.

Second Primary Election This Saturday

The second primary or run-off election comes up this Saturday and a good majority of county voters will probably go to the polls and vote as there is quite a bit of interest in the Senatorial race between Coke Stevenson and Lyndon Johnson, and also in the three county commissioners' races.

Those to be voted on in the commissioner races are: Richard (Dick) Cannon and Floyd Crofford in Precinct 1; J. R. Bulls and Cecil Thomas in Precinct No. 2 and F. M. Murray and Henry Moore in Precinct 3.

Do your duty as a citizen and go vote. Even if there are only a few races to decide, your vote could easily mean the election or defeat of your favorite candidate. Voting places will be the same as in the first primary, and the polls open at 8 a. m. and close at 7 p. m.

DOVE SEASON TO OPEN WEDNESDAY, SEPT. 1

A large number of hunters in this area will be oiling up their shot guns this weekend in preparation for the dove season which opens Wednesday, Sept. 1st, and continues through October 15th. The daily bag limit is 10 with possession limit 10 birds.

This open season includes only Mourning doves and not the speckled kind which is more commonly referred to as Quail, the state game warden for this district announced. "Be a real sportsman and leave the quail alone until the season opens as there will be more shooting then, and also the possibility of avoiding a heavy fine in case you are caught," he stated, and added further that in the past few years more quail have been killed during dove season than the regular quail season and a greater effort will be made this year to pick up all violators.

LIVING QUARTERS READY FOR MEXICAN LABORERS AT SMITH GIN

Two 100 ft. x 20 ft. barracks buildings are now ready at the Smith Gin Co. to accommodate approximately 250 Mexican farm laborers who will be arriving here between Sept. 1 and 15th to gather cotton and other crops this fall. Bert Smith, local Gin owner, had the foresight to see what a venture of this type would mean to farmers in this area, especially with a bumper crop in sight and the usual labor shortage which has been experienced here the past few years.

Mr. Smith stated that the buildings were completed with bathroom facilities and utilities ready for the laborers to move into and go right to work. This housing set-up is exactly what had been needed here as so many of the vacant houses out on the farms had been sold and torn down during the high price period.

Improvement Seen In Broncho Squad As Season Nears

Coaches Clinton and Jones are well pleased with the progress shown by the entire group of boys who have reported for the Broncho squad. Both the coaches and the boys have really put in some hard hours of work and most likely it will pay off with dividends when they start their regular season play.

Everyone will have an opportunity to see them in action within a short time as their first game with Kress comes up one week from tomorrow, Friday, Sept. 3rd., so make your plans ahead of time to see the game and back the Bronchos from the start to finish.

Mr. and Mrs. Howard Williams are visiting in the home of her parents, Mr. and Mrs. F. A. White.

Local Schools To Open Fall Term Monday, Aug. 30

Vacation time is over and local youths will be turning their thoughts toward another nine months of learning when all local schools will open their doors for the fall term at 9 a. m. Monday morning August 30th.

The first thing on the program for those in Senior High and Junior College will be a general meeting in the auditorium at 9 a. m. It is very essential that all students be present for this meeting as instructions for enrolling will be given at this time.

The junior high students will meet in the Jr. High auditorium at 9 a. m. for instructions, and the Elizabeth Stevens school students will report to their respective teachers at 9 a. m. also.

The North Ward school students will meet their teachers in their respective rooms at 9 a. m.

A new Chevrolet school bus has been purchased for the Junior College and will make its usual run including Lakeview, Memphis, Hedley, Lelia Lake and all points along the route bringing college students to Clarendon. The bus has seating capacity for 48 students and it is expected to be pretty well filled this year as some twenty students rode the bus regularly last year to take advantage of the college facilities here which is much more practical for students living in this area.

All parents with youngsters starting school for the first time are again reminded that each child must have his birth certificate and proof of smallpox vaccination before he can enter school. The teachers for the 1948-49 school term are as follows:

High School and College
H. T. Burton, Superintendent and President; Government in College; R. E. Drennan, Principal and Dean; Education and General Science in College; Mrs. M. C. Goodner, English, College and H. BAND PARENTS TO MEET FRIDAY NIGHT

A special meeting of the Band Parents organization has been called for 8 p. m. Monday night August 30th. All parents are urged to be present as the program for the football season and other activities will be outlined. The meeting will be held at the Band Room in the Gym building.

CORRECTION

Last week the Leader stated that Rev. J. W. Reynolds would conduct a revival at Lelia Lake. This was an error. Rev. Reynolds will conduct the revival at the Chamberlain School House, beginning August 27th, and will continue for a week. Everyone is cordially invited to attend. Texts for Rev. Reynolds' sermons will be found in a special ad on another page of the Leader.

Boy's Ranch To Stage Big Rodeo Sept. 5th

There's a big Rodeo heading your way, Pardner, and it's going to be a good one. September 5th is the day - - BOY'S RANCH is the place. This is their annual rodeo, and if it turns out to be anything like the one they had last year, it will be a rip snorter. John Snider will be on hand to dish out the chuck. And when John Bar-B-Q's a steer, and rustles up the trimming, you have grub that can't be beat. The whole shootin' match, the Rodeo and Bar-B-Q will set you back just a buck sixty-five, and it's worth every bit. The Boy's Ranch kids have been training and practicing for three months under the former world's champion trick roper and rider, Leonard Stroud, and Leonard usually turns out a pretty fancy bunch of ropers and riders. The boys will provide all the entertainment. So just put a red circle around September 5th.

That's the day of the Rodeo and Bar-B-Q at Boy's Ranch. A special air-conditioned train will leave Amarillo for the ranch, and a bus will take every one to the shin-dig from the train. The train will return to Amarillo after the Rodeo. The chutes open at 2:30 and after the ropin', ridin', and what-have-you, John Snider starts dishing out the chow. It's going to be big and you're sure to have a swell time. The date? - - September 5th - - The place? - - BOY'S RANCH. What's going on? - - A Rodeo, Pardner, a rodeo, and you're invited.

LARGE GROUP ATTENDS SOIL CONSERVATION TOUR

A tour of the demonstrations in the Donley County soil conservation district was held in Donley County Tuesday, August 24th, according to an announcement by county agent H. M. Breedlove.

Eighty farmers and ranchers gathered at the county agent's office at 8:30 in the morning and visited demonstrations of spraying from an airplane on the Claud Moore farm, grass plantings on the Charlie Bairfield ranch, grass-planting on the Guy Sibley farm, terracing demonstration on the Ozier farm and a result demonstration on spraying of weeds in grasses on the Slayton Mahaffey farm.

Breedlove said that the group was accompanied by Mr. Quentin Williams, district conservationist of the soil conservation service who made a talk at each stop. Mr. Rascoe of the Amarillo Globe News was a visitor and also Uncle Jay (Johnny Linn) of KGNC, Amarillo. Mr. J. R. Porter, chairman of the board of supervisors and Charlie Bairfield, secretary of the board also went with the

COUPLES VACATION IN SCENIC NEW MEXICO

Each season the Mora Taos area of New Mexico has a fascination for Mr. and Mrs. Johnnie L. Beard. The past several days was spent in that section, Raton and Capulin was kodaked from all angles. They were accompanied by Mr. and Mrs. Cal Merchant Jr. One thing they did that all tourists are supposed to do, and that is to bring back an ocean of kodak scenes. The pictures are worth a lot to revive pleasant memories in the years to come, it is said.

Carl Dean Shepherd Killed In Tractor Crash Sunday

Funeral services for Carl Dean "Babe" Shepherd, 22 years old, of Memphis were conducted at the First Methodist Church Tuesday at 10 o'clock. Young Shepherd died Sunday night as a result of injuries received Sunday afternoon when the tractor on which he was riding, towed behind a pickup, overturned about 4 miles south of Clarendon.

Rev. Milton Evans and Rev. C. C. Armstrong officiated at the rites. Burial was in Citizens Cemetery here at Clarendon under direction of Womack Funeral Home.

When the tractor overturned, young Shepherd was pinned beneath it and was dragged for a short distance before the driver of the tow truck, Clayton Bownds, realized what had taken place. He received several internal injuries and his head and chest were crushed. He was rushed to Goodall Hospital at Memphis, where he died a few hours later.

Survivors include his mother, Mrs. W. E. Shepherd, Memphis; three sisters, Miss Clyde Shepherd, Memphis, Mrs. Robbie McBrayer, Dumas, and Mrs. Margaret Lemons, Clarendon; and three brothers, W. E. Shepherd, J. V. Shepherd, and Scott Shepherd, all of Memphis.

Pallbearers were Clayton Bownds, J. H. Barbee, Jr., R. S. Wansley, Elwyn Pate, Robert Hanvy, Jr., Darrel Johnson, Jack Moreman, and John Smith.

Visitors in the W. H. Strawn home Sunday were Mr. and Mrs. Clarence Grimes and Mr. and Mrs. Lockett of Vernon, Mr. and Mrs. P. G. McElroy and Mr. and Mrs. Rondell McElroy and daughter of Pampa.

The clean-up drive held August 13th was a great success, but upon a more thorough investigation by committees in each section of the town, there was much to be done before the job could be called finished.

"Time was just too short for us to really get around to every place and a number of people were away from home, etc., so we thought the only thing to do was to complete the job right now while it would do the most good," J. W. Murphy, chairman of the committee, stated early in the week while completing plans for the continued drive which without a doubt will contribute materially against an outbreak of polio in our little city.

The drive will be conducted in the same manner as the previous drive. A mass meeting of all citizens will be called for Friday morning at 7 a. m. at the court house lawn and this certainly includes all volunteers with trucks and also those to man the trucks in hauling off the trash and rubbish. All business firms (100%) are asked to close their doors again until the noon hour and get out and help with the drive by doing whatever they can around their own home or with the volunteer crews.

In the previous drive many people were of the opinion that the committees and the volunteers would come by and do the cleaning up as well as hauling the trash away. This was certainly a misinterpretation of the full meaning of the drive as each person is urged to clean up his OWN premises and have it piled up in the alley so the men can get to it easy and haul it off to the dump ground.

There are lots of places over town that were not cleaned up at all and a number of others that were skimmed over the top. It is the desire of the committeemen and the city officials that nothing be missed in this drive Friday morning August 27th.

J. W. Murphy has been named committeeman in charge of the entire drive and R. E. Drennan has taken Mr. Murphy's place on the West side committee. Ralph Decker has taken Johnnie Johnson's place on the East side committee.

It was pointed out by the committee that anyone whose trash was missed in the first drive or that had a collection already for this drive Friday morning to be at the court house at 7 a. m. and report to Mr. Murphy and it surely would be taken care of within a very short time.

Polio is spreading throughout this entire area of Texas. Donley County has been very fortunate to date, but more cases are being reported closer to this area each day, so let's all get in there and do all we can—at home or with the volunteers. Let's keep polio away if at all possible—cleaning up will help.

FORMER RESIDENTS VISIT RELATIVES HERE

From San Antonio Friday came Mr. and Mrs. Guy Pierce and children, Joy and Coy. Guy, former sheriff of this county for some ten or more years, has been a guard at the San Antonio post office for several years.

With only three days of vacation, the stay was very limited. They were met at the home of Mr. and Mrs. Glenn Adkins by a number of friends and relatives where the Pierce family remained over night, returning home Saturday.

Guests of the Adkins home Friday night for a big feed included Mr. and Mrs. Jack Peabody, De Armon; Mr. and Mrs. Murrel Peabody, Memphis; Mr. and Mrs. Clate Peabody, McLean. Mr. S. A. Pierce of Clarendon was present and made up for all those unable to attend.

Weekly SURPLUS NEWS WAA

All available surplus government buildings in West Texas will be released for emergency grain storage use in answer to requests to the War Assets Administration by a number of congressmen and farm organizations representing six midwestern and southwestern states, it was disclosed today by Colonel Karl E. Wallace, regional WAA director at Grand Prairie, Texas.

In a move to make immediately available urgently needed storage space for grain sorghum and other products threatened with spoilage because of lack of warehousing facilities in the area, the War Assets Administration has designated the Grand Prairie office as focal point for throwing open surplus government facilities. The Denver and Kansas City WAA offices will relay storage requests from states in their regions.

The action followed wires sent to Jess Larson, War Assets Administrator, by Congressman Geo. Mahon in behalf of his district and those of five other congressmen. Similar requests have been received by WAA in the last few days from Walter Hammond,

head of the Texas Farm Bureau Federation, and from other farm cooperatives, all indicating that the storage situation is critical.

"All suitable buildings not yet sold nor classed by the military as contaminated will be made available to ease this situation," Colonel Wallace said. He added that the program called for utilization of surplus facilities by organized agricultural cooperatives and bonded grain warehousemen.

Structures to be used include the greater portion of the sprawling Panhandle Ordnance Works near Amarillo. Negotiations with WAA for transferring this installation to Texas Tech college are now in progress, but Texas Tech will cooperate in allocating maximum space, it was indicated.

The WAA will also release available portions of the South Plains Airfield, Lubbock. As they are needed, facilities in Oklahoma, Kansas, Nebraska, New Mexico and Colorado will be designated for emergency storage purposes.

Mr. D. W. Williams, vice president for agriculture of Texas A&M college declared that the Bluebonnet Ordnance Works, which the college recently acquired from WAA, would be made available. Producers needing warehousing space, he said, should contact Mr. H. O. Hill, director of the Bluebonnet plant or Mr. J. D. Prewit of the extension service at College Station, Texas.

THE TEMPLE OF TRUTH
By the Apostle

Now that it is out of the headlines, wonder if that old gal succeeded in selling herself for ten thousand dollars.

A man born smart always knows what to do until it happens to him.

After the primary, we will be right back to where we started trying to keep money coming in, and hair and teeth from coming out.

Most any one can read a road map, but very few can refold it again.

The first victim of the housing shortage was the old lady who lived in her shoe.

It takes a chemist these days to determine which side of your bread is buttered. The "oleo" boys have some formula themselves.

Virtues are learned at mother's knee, we are told. Vices are learned at some other joints.

OUR WEAKLY POME.
What the political world needs is more kindness; More love, and less sorrow and strife; More sugar and honey and more candy— Less vinegar mixed in the strife.

In closing, we wonder why we ever dared to stop with Gov. Coke Stevenson at his Kimball county ranch some years ago. He appeared at ease. So was I. We talked of many things. I never knew then just what he was despite what his political enemies say of him now. I found him to be a swell fellow. I learned that when

I found out by accident at Austin that he was helping poor boys and girls through the University with out charge or hope of reward. He found them jobs that suited their needs. He was "Uncle Coke" to a large number who are no doubt for him now good and strong. It is a shame that a good man's name is dragged in the mud simply because he aspires to a higher office. I don't think there is one mean or dishonest trait in Coke Stevenson. He was the only governor from Jan. 1933 to August 4, 1941 to have a surplus in the state treasury. Gov. Coke Stevenson saw a deficit of \$30,449,341.11 fade away and become a cash balance of \$36,953,791.50 making an increase for the people of Texas of \$67,403,134.61 during his administration. No other governor ever has done so well. He sponsored laws that helped the aged with more pension money; school teachers with more salaries; more farm-to-market roads; saw that the state ad-valorem tax rate was reduced from 58 cents a hundred valuation to 37 cents. For that and many other reasons, the Old Apostle is for Coke Stevenson for United States senator.

Miss Kathleen Grady Becomes Bride of Johnny Cardinal

The home of Mr. and Mrs. Glenn Hoggatt was the scene Saturday afternoon, August 21, for the impressive nuptial vows which united in marriage Miss Kathleen Grady, daughter of Mr. and Mrs. Ralph Grady of Clarendon and Johnny Cardinal, son of Mr. T. J. Cardinal of Floydada.

Setting for the double-ring ceremony, which was solemnized at 5:30 o'clock by the Rev. Dr. Stanley W. Hayne, was a background of fern, white gladioli, blue asters, and candelabra holding white tapers.

Rev. Bolton, violinist, played "I Love You Truly", "The Lord's Prayer," and traditional wedding marches.

For her wedding dress, the bride wore a street length, powder blue crepe, princess style dress with white accessories and carried a bouquet of white roses. She wore a gold cross, which was a gift from the groom.

Miss Melba Ruth Grady, sister of the bride who served as maid of honor, wore a pale pink dress with white accessories. Around her head, she wore a coronet of split carnations and rose buds.

Eddie Wayne Connor of Floydada served as best man.

The wedding was attended by members of the immediate family and close friends of the young couple.

For her daughter's marriage, Mrs. Grady chose a grey gaberdine dress with black accessories and a corsage of red gladioli. Mrs. S. L. West, sister of the groom wore a black dress with black accessories and a corsage of gardenias.

A reception was held immediately following the ceremony. From a lace covered serving table Miss Ruth Patman poured punch and Miss Joan Byars of Canyon served the three tiered wedding cake which carried out the bride's colors of blue and white, topped by a miniature bride and groom.

Mr. and Mrs. Cardinal left immediately following the reception for a wedding trip. The bride wore for her going away dress, an aqua gaberdine suit with brown accessories and a corsage of white roses.

Mrs. Cardinal is a graduate of Clarendon High School, attended Clarendon Jr. College and West Texas State College at Canyon. The groom graduated from Floydada High School, served 3 years in the Navy and at present is attending W. T. S. C. where he is a member of the Buffalo football team.

After Sept. 1, the couple will be at home in Canyon.

READ—HUDSON

Miss Nita Read, daughter of Mr. and Mrs. J. W. Read, Sr., of Happy, Texas, became the bride of Bob Hudson, Rd 3, U. S. Navy, son of Mr. and Mrs. N. C. Hudson of Happy, Thursday evening, July 29, at 8:00 o'clock in the Parsonage of the First Baptist Church at Happy. Rev. A. L. Shaw performed the double-ring ceremony.

The bride wore a navy blue crepe dress with white accessories, and carried a white Bible. Her corsage was of white rosebuds trimmed with gold ribbon and tiny gold bells. She also wore matching bells on her shoes.

For something old, the bride wore her grandmother's wedding band. For something blue, she carried a souvenir handkerchief from Hawaii, and for something borrowed, she wore a matching Cameo necklace and earrings.

Mrs. Vera Gouge, sister of the bride, was matron of honor. The groom's brother-in-law, J. B. Sexton, was best man.

The bride's parents held a reception following the ceremony at their cafe. A two tiered wedding cake and ice cream was served.

The couple are visiting the family and relatives until the groom has to return to his ship.

Mr. and Mrs. N. C. Hudson and Mr. and Mrs. Bob Hudson, all of Happy visited Mrs. Jim Heckman and Mrs. M. M. McCracken here last weekend.

SMITH—ADAMS

Mrs. Della Smith announces the marriage of her daughter Frankie Smith to Mr. Virgle Lee Adams, son of Mr. and Mrs. W. V. Adams of Clarendon.

The couple were married at the home of the Justice of the Peace in Clarendon. The bride wore black with grey and white accessories. They will be at home with the groom's parents for the time being.

MR. AND MRS. JOHNNY CARDINAL

Miss Margaret Quebe Bride-Elect Of J. E. Thompson

AUSTIN—The engagement of Miss Margaret Quebe to Jimmy Eugene Thompson has been announced by the bride-elect's parents, Mr. and Mrs. Fred C. Quebe of McGregor.

A double-ring ceremony has been planned for Sept. 25 at the Zion's Lutheran Church in McGregor.

Miss Quebe attended Mary Hardin-Baylor College, and received a bachelor of science degree from North Texas State College where she was a member of Pi Omega Pi and the Mary Arden Club. She is now secretary at the University of Texas Law School and a member of Gamma Phi Chapter of Beta Sigma Phi in Austin.

The bridegroom-to-be is the son of Mrs. Margaret V. Thompson of Clarendon. He received bachelor of arts and bachelor of laws degrees from the University of Texas where he was a member of Phi Delta Phi, Chancellors, Order of the Coif and Tejas Club. He served three years in the armed forces and is now briefing attorney for the Texas Supreme Court.

Mr. and Mrs. Troy (Skeet) Wiley announce the birth of a 6 lb. baby boy August 20th and his name is Carl Wayne. Mrs. Wiley and son are doing nicely at St. Anthony Hospital at Amarillo.

Mr. and Mrs. Rex Jones of Dallas spent the weekend with her parents, Mr. and Mrs. John Blocker, Sr. Mrs. Jones remained to be with her father who is quite ill at the Goodall Hospital at Memphis.

CLARENDON H. D. CLUB

Mrs. Claude Darden entertained this club in her home Friday with a covered dish luncheon. The luncheon was served at the noon hour. A quilt was pieced for the club and another quilt was started. The meeting was opened at the usual hour. The president, Mrs. Anderson, presided. After the business meeting, Mrs. O. C. Watson had charge of a program which was enjoyed. Mrs. Joe Terry invited the club members and their families to a 7 p. m. yard picnic. The club adjourned to meet Sept. 17 at the home of Mrs. Geo. Green.

Those present for the day were guests, Mrs. Joe Ray, Mrs. Hearn, and Barbara Estlack; members, Mesdames Lena Antrobus, G. A. Anderson, Clyde Butler, A. L. Chase, J. C. Estlack, H. B. Hill, Henry Williams, Bryson, A. W. Simpson, M. C. Rampy, Joe Terry. Mrs. William Payne and Mrs. Watson came in the afternoon.

GARDEN CLUB

At a recent meeting of the Garden Club in the home of Mrs. Ed Speed, with Mrs. Stevenson and Mrs. Rayburn Smith co-hostesses, election of officers for the year 1949 was held. The present officers were re-elected. The members voted ten dollars for the year. Colored slides of gardens in San Antonio, Mt. Vernon and Colorado mountain scenes from the Edwin Eanes collection will be

shown. Each member is entitled to bring two guests.

Mrs. Phelan gave an interesting and informative talk on the planting, propagation and caring for phlox. A discussion was held about the newer varieties; among the finest are the following: best reds, San Antonio, Africa and Leo Schlageter, Lillian an excellent pink—Salmon Glow is unsurpassed for color and beauty and length of bloom. Marie Louise tops the list of whites. Daily Sketch, Prime Minister and Comet Zeppelin, the best known of the bi-colors. Phlox may be propagated by division which is best done in spring, also by means of cuttings 6 to 8 inches in length. Cuttings may be made early in the growing season or late August and placed in moist sand or a mixture of sand and fine peat.

Refreshments of cake and ice cream were served to twenty members and two guests, Mrs. Hayne of Memphis, Tenn., and Mrs. Sallie Mims of Burkburnett, Texas.

MISS HELEN PORTER HONORED WITH SHOWER

A kitchen shower was given in honor of Miss Helen Porter, bride-elect of Mr. Bill Lowe, by Mrs. Raymond G. Johnson and Mrs. Burrell Rhea at the home of Mrs. Ralph Keys Friday afternoon.

After presents were presented to the bride, the guests were invited into the dining room where Mrs. Johnson served a sandwich

loaf which was placed on a tray surrounded by mint. At the other end was a matching tray of open face sandwiches of yellow and green. Cokes and potato chips were also served. In the center of the table was a silver bowl of yellow daisies. Lilac dahlias were placed on the coffee table.

Guests were: Mesdames Lowell Stuckman of Lafayette, Ind., Pat Bagwell of Claude, Max Rhea of Lubbock, Bill G. Thornberry, Harice Green, Carl B. Murrin, Jr., Claude Hearn, the honoree, Miss Helen Porter, and the hostesses.

BIRTHDAY PARTY

Harlene Smith celebrated her 11th birthday Friday with a birthday party. Various games were played, also swimming. After the gifts were opened, a dainty refreshment was served the following guests: Tommy Lane, Allen Homer Estlack, Geo. Thompson, Lloyd Martin, Billy Eden, Mike Thornberry, Harold Stogner, Donald Smith, Bertha Mae Reid, Evelyn Wood, Jackie Estlack, Lenore Horton, Marian Martin, Joyce Crutchfield, Judy Thompson, Loraine Martin, Connie Lu Beard and the honoree, Harlene Smith. Others present were Mrs. Huffman, Mrs. Clint Martin, Mrs. Geo. Thompson, Jesse Davis, Mrs. Johnny Beard Jr., Mrs. Bert Smith Jr., and Mrs. Bert Smith, Sr.

Mr. and Mrs. Strawn and Joan spent Wednesday in Amarillo attending a family reunion.

Eight Amendments Listed For Election In November

Eight Texas constitutional amendments, including a change in voting districts, took their place on the November general election ballot Thursday.

Secretary of State Paul Brown picked numbers out of a straw hat to line up the amendments. The law requires this public drawing on the theory that amendments listed first have the best chance of adoption when voters are not familiar with the issues.

Hottest issue is a proposed change in voting districts. It will be second on the ballot. This amendment grows out of the failure of the Legislature to reapportion legislative districts on the basis of population since 1921. The Constitution now says the Legislature shall do so after the United States census every ten years. But it does not compel the action.

Since the last apportionment, the population in some areas of the state, particularly in the Panhandle, the Valley and parts of East Texas, has increased greatly. The proposed amendment would provide a board to apportion the state into senatorial and representative districts if the Legislature fails to do so.

The proposed amendments will be in this order and will call for these things:

1. Permit counties to provide insurance for employees. That insurance is not authorized at present because public money can not be spent for private individuals.
2. Provide a board to apportion senatorial and representative districts if the Legislature fails to do so.
3. Permit changes in community property that would in effect prevent both husband and wife being taxed for inheritance.
4. Clarify succession to the office of Governor. The recent row over the Governor's office in Georgia prompted this amendment.
5. Increase the tax exemption on all residence homesteads to \$3,000 if another amendment which is No. 7 on the ballot is adopted.
6. Put all peace officers on a salary basis. Some are now paid by fees.
7. Prevent the state from levying ad valorem taxes for general revenue purposes after Jan. 1 and permit counties to levy them for two purposes — farm-to-market roads and flood control. School taxes levied on an ad valorem basis would still be within the state's jurisdiction.
8. Provide retirement and compensation for judges and commissioners of appellate, district and criminal district courts.

A survey recently completed shows that since 1876 approximately 1,929 amendments to the Constitution have been proposed in the House and Senate. Up to 1945, 170 of these had been submitted to the people and 94 had been adopted.

Mr. and Mrs. Kenneth Lyle of Clovis, N. Mex. visited his parents, Mr. and Mrs. Frank Lyle, here this week.

Mr. and Mrs. John Harlan of Amarillo visited in the Harlan home here over the weekend.

Mrs. F. G. Patching is visiting her daughter, Mrs. C. L. Cregg at Plainview. Miss Eva Patching left for Amarillo Sunday to teach school there.

W. H. Strawn received a message from Ft. Worth last Thursday informing him of the death of his brother, Jess Strawn.

A sister-in-law of Mr. W. H. Strawn passed away in Amarillo Thursday. Mr. and Mrs. Strawn attended the funeral Saturday.

Mrs. Ruth Strawn of Los Angeles, Calif. spent from Wednesday until Tuesday in the home of her parents.

Mr. and Mrs. Hugh Phelps of Culver City, Calif. visited relatives and friends here last week.

Mrs. Nelson Anderson was brought home from the hospital at Groom Wednesday. She is doing nicely at this time.

Delighting in an afternoon picnic snack on the lawn of the Texas Scottish Rite Hospital for Crippled Children in Dallas, these young patients enjoy recreation and companionship while undergoing corrective treatment. Pictured left to right are: Clara Bryan, Midland; Wanda Williams, Eustace; Marguerite Clark, Fort Worth; Melva Sue Bonner, Tyler; and Anna Beth Goodwin, Dallas. Three of these girls are recovering from the devastating effects of polio at the Scottish Rite Hospital, the remedial center of Texas for that dread disease. The facilities of the hospital, which are provided by gifts and bequests, are made available at no cost to those for whom treatment would otherwise be unobtainable.

Health Notes

AUSTIN—The Texas State Department of Health cannot maintain daily inspection of all eating places and the public is urged by Dr. Geo. W. Cox, State Health Officer to insist on the proper sanitation of the establishment where they eat. If the public is careless in this respect the incentive to maintain clean food service will be lessened and operators will only maintain the level the public is willing to accept. He urged that the public patronize "eating establishments which measure up to a high standard of cleanliness." The State Health Department is making every effort to improve sanitation of eating places. Dr. Cox said, and there is "no excuse for cafe owners not taking advantage of the food handlers schools which are being offered all over the state." He added that there are laws, rules and regulations which require the use of approved equipment and methods in such establishments. "The public should be aware

He urged milk appraisal by the patrons also. Texas law requires that a milk bottle cap state the grade of milk, and whether it is raw or pasteurized. "Insist on having the milk served in its original container, with a cover-

SS CLASS ENJOYS TRIP TO MEXICO AND COLORADO

The Thirteeners, members of an intermediate Sunday School class of the Baptist church here, were royally entertained the past week end when their teacher, Wallace Raney, took them on their third trip of the year. They left here early last Thursday morning and did plenty sight-seeing before the sun went down. They visited Raton, Trinidad, Cimmaron, Taos, Santa Fe and

other points in between, and the boys reported a wonderful trip all the way around. Members of the class making the trip were Jack Clifford, Delbert Robertson, Joe Tom Naylor and Gordon Moore. Marvin Rampy, educational director and choir leader of the church, went along to help the boys enjoy the trip just that much more.

Mr. Raney is welcoming any and all 13 year old boys to join his class.

Looking through my mail for the week, I seem to be at peace with the world; not one insulting letter all week. Is it a good sign, or not?

A card from Al Gerner, of Lelia Lake, guessing that "Coke" will get a comfortable 53.7% at the polls tomorrow. Some of my friends disagree with this guess. Anyway, Saturday is the day for us to vote for the man we think is the best. The Farmer-Stockman sends me a card from Mr. Chamberlain, and he says some nice things about us; thanks. A nice card from Bryan and Lorene; they claim that at least, Colorado has more and larger rocks than South Dakota; I give up.

Mama has been feeding me some kind of a concoction called a Lazy Daisy cake, and although it tasted good I thought by the name that it was just something thrown together on the "spur of the moment", and never had given it my full approval. Anyway, I apologize. Last week Mama, "on the spur of the moment", had to take something to her club meeting, so she stirred up one of these Lazy Daisy cakes. Everyone bragged on the cake and on Mama's cooking, and when I came by late in the afternoon to help clean up the dishes

the whole club insisted that I give the recipe in this week's column. Some of the women even went so far as to say that: the recipe would probably be the best thing that had ever been in the column. How do you reckon they meant that? Anyway, in as much, as the cake is good, I am just not going to feel insulted. And word for word, as near as I can read cook lingo, is the instructions:

Heat 1 cup milk and 1/4 cup butter to boiling point. Sift together 1 cup sugar, 1 cup flour, and 1 teaspoon baking powder. Combine this dry mixture with the hot milk and butter mixture by beating. Add 1 egg and 1 teaspoon vanilla, continue beating two minutes. Pour into greased and floured loaf pan and bake 25 minutes at 350 degrees. When cake has baked remove from oven and cover with the following mixture: 1 cup brown sugar, 1 cup coconut, and 5 tablespoons of cream. Return to oven and let icing brown.

Not long ago, some of my friends suggested that I add a new service; that of printing the names of men that were expecting to be fathers soon. I was talking it over with another friend, in a few days and he didn't seem to like the idea and was all excited and embarrassed about the plan. If he could know how I felt just a little later when I learned that he was eligible at the time to be on the list. Anyway, I gave that one up, and I hope my cake recipe department turns out alright.

Let's all vote for one or the other in the Senate race Saturday. Next to the office of President, it is probably the most important.

JUDGE LUTHER GRIBBLE TO PUT TO TEST THE NEW PRE-TRIAL PROCEDURE

Judge Luther Gribble, presiding judge of the Ninth Administrative Judicial District, will put to test the new pre-trial procedure in a hearing to be held in Clarendon, Texas, on August 26. The pre-trial procedure is coming into wide use throughout the entire United States and is hailed one of the greatest advances in expediting trial of lawsuits. The attorneys representing the parties to a lawsuit have an opportunity to agree on the undisputed facts to be presented in the trial of the case and have the court rule on the law involved.

Without infringing on the individual's rights, pre-trial cuts out most of the red tape and endless delays sometimes encountered in trials under the old procedure.

Judge Gribble said, "The pre-trial conference is a notable improvement in court procedure and I hope that in the future it will be more consistently used throughout this area."

LOCAL DOCTOR ON QUICK TRIP TO WASHINGTON

Dr. and Mrs. J. Gordon Stewart left Sunday by plane to spend several days in the nation's capitol city.

They will visit other points in that section before returning within about ten days.

Visiting in the W. A. Knight home during the past week were their three daughters and families: Mr. and Mrs. Bruce Odewalt and Linda of Mapleton, Illinois enroute to Ft. Worth and Tyler, and Mr. and Mrs. Kenneth Bell and Vicki of Borger, Mr. and Mrs. Chas. Chelf and Anita of Borger, formerly of Tyler.

Miss Mantie Graves and Mrs. Roy Beverly visited Mrs. J. A. Wheat at Seymour over the weekend.

Dean Wadsworth of Lubbock and Mr. and Mrs. E. E. Kersey of Amarillo were weekend guests in the home of Mr. and Mrs. D. F. Wadsworth.

NEAR 400 X-RAYED BY PORTABLE UNIT

Almost 400 persons were X-rayed by the State Health Department's portable X-ray Unit for Tuberculosis over the weekend. In comparison with the population of Donley County, this figure is decidedly small, in fact shameful. Despite all the publicity given the matter, and considering the fact that it was absolutely a free service involving not more than two minutes of any one person's time, only this small number chose to take advantage of the opportunity. It is plainly obvious that many do not appreciate or don't realize what such an extensive undertaking costs the state and its taxpayers, or they would be more prompt in responding to such a program.

The director of the unit stated that everyone X-rayed will receive word from his or her X-ray within ten days or two weeks. If the X-ray shows no sign of TB, a

report to that effect will be sent directly to the individual; if TB is discovered, the report will be mailed to the person's doctor as named on the card filled out at time of X-ray.

Mrs. Wade Hilliard and children Don and Ella Jean and Max of Ft. Worth spent the weekend visiting her mother, Mrs. R. M. Morris and brother, Marshall.

Mr. John Blocker who is in the Goodall Hospital at Memphis, is recovering from a heart attack. No visitors are allowed at the present time.

Mrs. Weldon Warren left for Vernon Wednesday to be with her mother, Mrs. Monty Garrison, who is ill.

Mr. and Mrs. Otto Wadsworth and daughters Norma Lee and Jean of Wichita Falls visited his aunt, Mr. and Mrs. J. C. Estlack and family, Sunday.

AS SCHOOL STARTS A SALUTE

TO THE TEACHERS—TO THE PUPILS—TO THE PARENTS

TO THE TEACHERS—MEN AND WOMEN TO WHOM WE ENTRUST SO MUCH OF THE CULTURAL, INTELLECTUAL AND SOCIAL DEVELOPMENT OF OUR YOUTH. THE SERVICE THEY RENDER TO THEIR INDIVIDUAL COMMUNITIES AND THE NATION AS A WHOLE CAN NEVER BE MEASURED.

TO THE PUPILS—THE CITIZENRY OF TOMORROW—THE PEOPLE WHO WILL CONTINUE THE STORY OF AMERICA'S PROGRESS. THROUGH LEARNING, THEY PREPARE THEMSELVES FOR THE PART THEY WILL TAKE IN THE FUTURE BUILDING OF OUR COUNTRY.

TO THE PARENTS—FATHERS AND MOTHERS WHO WANT THEIR CHILDREN TO HAVE EVERY OPPORTUNITY, SEEING THEM THROUGH ELEMENTARY SCHOOLS, PROVIDING FOR THEIR HIGHER EDUCATION THROUGH THRIFT AND EVEN SACRIFICE, THE PARENTS EQUIP THEIR CHILDREN FOR FULLER AND MORE USEFUL LIVES.

Marcie Clifton, secretary-director of the event. They have come from all over Texas, Oklahoma, and Louisiana.

Entries as guest callers have come from Ray Watson of Hobbs, N. M. and Bert Lowry of Wichita Falls. Guest callers in Amarillo, Shreveport, El Paso, Houston and Oklahoma City, cities in which square dancing holds more than usual interest, have also been invited to attend, Mrs. Clifton said. Raymond Smith will be master of ceremonies for the square dance.

The Southwest's best old fiddlers have been invited to enter the Old Fiddlers' Contest, which will be held in the State Fair Park Picnic Pavilion as a warm-up for the square dance. E. O. Rogers, who is well-known in Old Fiddler circles, will be in charge of the contest.

This square dancing on a mammoth order will be the first event ever held in the new Automobile, Aviation, and Recreation Building. It has 84,000 square feet of space which will be ample room for the 8,000 dancers and a considerable number of spectators.

BOY'S RANCH PLANS RODEO

Sunday, September 5th, is Rodeo Day at BOY'S RANCH, Old Tascosa. It's the day of their Third Annual Rodeo and Barbecue. Naturally, all the boys are looking forward to a good time and plenty of good Barbecue, but it really means more than that to them. It means a chance to show off the ranch to the visitors, and also to show off themselves and their riding and roping abilities. This is an opportunity for the boys to show everyone what they're doing, and what they can do.

Every boy at the ranch, from the youngest to the oldest, looks forward to, and works for this day all year long. For the past

two or three months, the older boys have been training and practicing hard under the very able instructions of the former World's Champion trick roper and trick rider, Leonard Stroud. Leonard coached the boys last year, and he turned out some pretty fancy ropers and riders.

The Rodeo this year, promises to be bigger and better than ever before. Participants in the Rodeo will be strictly the Ranch boys, and John Snider will be in charge of the show.

Tickets for the Rodeo and Bar-

becue are \$1.75 a person. For those who take the special train from Amarillo, the tickets are \$3.75, and that includes round-trip fare. The special train will leave Amarillo at 10:30 a. m. and will take everyone directly to the BOY'S RANCH station. From there, buses will complete the short trip to the ranch. The serving of the Barbecue starts at 12:00 noon and will continue until 2:00. The Rodeo starts promptly at 3:00.

The Amarillo Kiwanis Club has arranged for thirty-six children

from the Presbyterian Children's Home to be guests of the ranch. That should be a rare treat for these kids.

Remember to make a special date for Sunday, Sept. 5th, for the Third Annual Rodeo and Barbecue at BOY'S RANCH. There'll be plenty of fun and plenty of food for everyone, and Pardon: You're invited.

Veterans' News

Veterans carrying National Service Life Insurance term policies will be able to renew them for an additional five years upon expiration of the present term period, Veterans Administration announced.

G-I term insurance taken out by veterans before January 1, 1946, carries a term period of eight years from date of issue. Policies issued after that date are for a five-year term.

Those who renew their term insurance when it becomes necessary will pay a higher rate than before, based on their age at the time of renewal.

The majority of veterans attending colleges and universities full-time under the G-I Bill will be able to work part-time without having their subsistence allowances reduced, Veterans Administration said.

No reduction in subsistence will be made as long as income from productive labor and subsistence allowance do not exceed these monthly "ceilings" established by Public Law 512 last spring: (1) \$210 for a veteran without dependents; (2) \$270 for a veteran with one dependent; or, (3) \$290 for a veteran with more than one dependent.

This does not mean that there is a limit on what a veteran may earn while attending college full-time. It does mean that a veteran-student may receive his full subsistence allowance if his monthly earnings are not more than \$135 if he has no dependents, \$165 if he has one dependent, and \$170 if he has more than one dependent. For full-time training in colleges or universities, a veteran may receive \$75 a month subsistence if he has no dependents, \$105 a month if he has one dependent, and \$120 a month if he has more than one dependent.

Mrs. Virgil Littlefield spent Sunday afternoon with Mrs. Eva Hunt.

"World's Largest Square Dance" To Be Staged at State Fair

DALLAS—Approximately 8,000 people are expected to participate in the "world's largest square

dance" to be staged at State Fair Park on Labor Day, Sept. 6, in the new \$800,000 Automobile, Aviation, and Recreation Building.

Mounting enthusiasm has been shown in the event by hundreds of inquiries and entries which have flooded the office of Mrs.

Only the Servel GAS Refrigerator

STAYS SILENT... LASTS LONGER

GIVES YOU A TEN-YEAR GUARANTEE

IS TEXAS' BIG FAVORITE...

MORE AND MORE TEXANS want the Gas Refrigerator! This modern refrigerator stays silent, lasts longer because it has no moving parts in its freezing system.

There's no motor to wear! No machinery to get noisy! And that's why your new Servel comes with a ten-year guarantee of noise-free, worry-free performance. (Actually, 18 and 20 years' satisfaction is not unusual—say many of Servel's 2,000,000 happy owners.) In the Gas Refrigerator just a tiny gas flame does the work. And Servel operates anywhere—on any kind of gas.

Come see the new models now on display. You'll find every new convenience you want—a big frozen food compartment, lots of ice cubes, moist cold and dry cold for fresh foods. It's first come, first served for Texas' big favorite—the Servel Gas Refrigerator.

LIBRARY NOTES**
By May L. Prewitt

Vacation days are nearing their termination, and most of the Juvenile membership cards were for the summer period. Their reading will be of a slightly different nature when school opens. The last bulletin from the Library of Congress featured the 50th anniversary of the annexation of Hawaii. The first book of Hawaii—"The Alphabet" (Honolulu, Sept. 1822, second edition) was exhibited with Capt. Cooke's, "A Voyage to the Pacific Ocean" written by James King, London 1784. The history of Hawaii previous to this is lost in native legend. Our Cocounty-City Library is featuring some new editions this week. First was added fifteen light fiction—Maysie Grey's, Duffield, Rubye Ayers, etc. These came from a shop of used books from a Dallas library. Last to ar-

rive were real treasures, as follows: "Paris Mitchell of King's Row" by Henry and Katherine Bellmann. This is a sequel to "King's Row." Henry Bellaman died before the manuscript was completed, and his wife has made the completion. It is the story of the deep responsibility Dr. Parris Mitchell has for his people, and their effect upon his subsequent happiness. The result is a turbulent and exciting novel which readers of "King's Row" will not wish to miss. "Eagle In the Sky" by F. Van Wyck Mason was a greatly appreciated gift this week. It deals with events, places, and people during the final years of the war for Independence. This book has been a top seller several months and has been "wished for often." We have his "Thru Harbours" and "Stars On the Sea." "Petticoat Surgeon" by Dr. Bertha Van Hoosen is the life story of one of the most remarkable women living today. A woman who has risen to the heights of the medical profession

despite every sort of obstacle. You must read this book and appreciate Dr. Bertha Van Hoosen's contribution to the medical profession. She is now 85. This book was also a gift to the Library. Two other books were ordered as gifts and have been placed here for your enjoyment. Hurlbut's "Story of the Bible" consists of 168 stories, forming a continuous narrative of the Holy Scripture from Genesis to Revelations. There are some interesting illustrations too. This same donor placed "Human Destiny" by LeComte du Nouy on our shelves. Some one has stated, "This is a book of such fundamental grasp and insight as cannot be expected to appear more than once or twice in a century." This book has been sought by several of our patrons the past few months, and my gratitude to these generous and thoughtful donors cannot be stated in mere words. The results of their generosity will have far reaching results. Another friend gave a box of used books, western, fiction, mystery, etc. They too, will be an asset as they are by popular writers that the majority of our readers enjoy. Other books will be listed next week that were recently given to the Library.

WTCC Proposes Enabling Act

ABILENE — Additional revenues for cities and counties in West Texas would be made available if the next session of the Texas legislature passes an enabling act proposed by the Soil Conservation Commission of the West Texas Chamber of Commerce. The act will be prepared on the assumption that HJR 24 will be passed as a constitutional amendment at the general election in November.

It provides for repeal of the present 30 cent ad valorem state tax and making it possible for the counties to levy the same amount within the county for farm-to-market road and flood control purposes.

Under the program adopted by the WTCC group, the enabling act will contain provisions which will make a part of this money available to the municipalities for flood control and water improvement projects. The remainder would be divided equally between flood control and farm-to-market road work in the county. The committee is working on the assumption that flood control means keeping excess waters out

of the streams and on the land, and therefore soil conservation work can be carried out with these funds.

The bill also will provide that soil conservation work can be carried on within the county in supplementation to and in cooperation with existing services, such as the Soil Conservation Service, Soil Conservation districts and the extension service. FM road work would be carried out in cooperation with the State Highway Department.

The group is headed by Charles C. Thompson, Colorado City banker and land owner; Sterling Williams, Scurry county state legislator and land owner; W. R. Cusenbary, Sutton County rancher; J. G. Nisbett, Moore county business man and farmer, and W. R. Humphrey, Fort Worth editor and active soil conservation proponent.

In a broad declaration of principles the group favored a division of funds, which would be made available by a countywide vote, to permit the municipalities of a county to receive one-third of the revenue received within the city limits, based on county valuation, for its flood control work. This would afford a new source

of revenue for a municipality, which is not now available.

It was pointed out that with the passage of HJR 24 as a constitutional amendment, it will be necessary for the legislature to pass an enabling act which will permit the counties to levy the 30 cent tax. Each county then will be required to authorize this passage by its vote, before the law can be put into effect.

This enabling act will be sponsored by the WTCC and will be offered in the legislature by Sterling Williams, according to General Manager D. A. Bandede.

"At our re-erendum meeting last November, this committee was set up with this definite program and it has now been activated," Bandede said.

SOCIAL SECURITY INFORMATION

Full names, not nicknames, should appear on social security returns. J. R. Sanderson, manager of the Amarillo social security office said today. Employers should insist on seeing new workers' social security cards and copy the name and number from them. Nicknames are convenient among friends, but they lead to confusion in keeping social security records, continued Sanderson.

Many times employees when going to work give their employers their nicknames or an abbreviation of their real names. When this incorrect name is reported on social security returns, the social security office has to make a check because its file shows the correct, legal name of the wage earner and the social security account number assigned to that name.

The result is that thousands of letters per year are mailed out to employers asking the names of workers as they appear on their social security cards. Identification is completed in most cases by correspondence. In others,

personal visits are needed to effect identification. Despite all efforts, a small percentage are never identified. This means smaller social security benefits for those whose accounts are not completed.

Demand Red Arrow QUALITY MINERAL OIL

EXTRA HEAVY MINERAL OIL

EXTRA HEAVY HIGHLY REFINED TASTELESS

ASK YOUR DRUGGIST

Going away for the holiday?

To make sure yours will be a carefree holiday, let your Conoco Mileage Merchant check and service your car. Above all, be sure he drains out contaminated old oil and refills with fresh, clean Conoco Nth Motor Oil.

That's the surest way we know to leave worry behind. Because the moment Nth Oil (Patented) enters your engine, an extra, added film of lubricant fastens itself so closely to metal that cylinder walls are actually OIL-PLATED! Because OIL-PLATING stays up... won't all drain down, even overnight, you're extra-protected against destructive "dry" friction, against metal-eating combustion acids, against power-choking sludge and carbon due to wear.

For an extra-happy holiday...

Make a date to OIL-PLATE!
