Legion Sponsoring Thanksgiving Dance Tonight (Wednesday)

Tonight's the night. The night of the American Legion annual Thanksgiving Eve Dance. The dance will start at 9 p. m. and will last four full hours. Bobby Burns and his orchestra, featuring Jeannie Carroll as vocalist, will furnish the music. As will be remembered this orchestra is versatile enough to play any type of dance music, stated William S. Greene, chairman of the Legion dance committee.

Everyone is welcome to come early and stay late, he added.

Soil Conservation Meeting Draws Large Crowd

Soil conservation was the topic for discussion in Clarendon last Friday at the Mulkey Theatre. H. M. Breedlove, county agent and chairman of the meeting, stated that four hundred farmers, ranchers and businessmen attended the meeting.

The soil conservation meeting was sponsored by the Second National Bank of Houston and the Burlington Lines. Mr. R. E. Drennan, president of the Chamber of Commerce welcomed the group to Clarendon in the opening address. He then turned the program over to H. M. Breedlove who recognized out of county groups attending the meeting and also introduced the various agencies in the county working on soil conservation.

Mr. J. R. Porter, chairman of the Donley County soil conservation district, gave a talk on the progress of the district in the county. Mr. Roy Jewell, chairman of the Donley County Agriculture Conservation Association, gave a talk on the money being spent by that organization for soil conservation practices.

Breedlove then introduced Wright Armstrong, vice president of the Burlington Lines, who introduced all officials of the Burlington Lines and the Second National Bank of Houston attending the meeting.

Mr. H. M. Bell, zone conservationist, for the soil conservation service gave a discussion of grasses and their relation to man and stated that grasses must be given a chance to grow in order to graze cattle. Mr. Donahue, agronomist for the Texas A&M College Extension Service, gave an interesting talk on the relation of man to soils.

The program was highlighted by the final talk by Dooley Dawson, vice president of the Second National Bank of Houston. Mr. Dawson gave figures showing that Texas rated very low in the United States in average production per acre. Mr. Dawson called on all farmers and ranchers to conserve and build up their soil because with increased population in the United States it would not be many years before we could not support our selves. It takes 2 1/2 acres of good land to support one person for a year and if the future generations are to have a good living then we must take care of our land to give it to them in at least as good a shape as we received it.

The Burlington Lines was host to some forty farmers, ranchers and businessmen for a luncheon on their private car during the noon hour. Every one enjoyed making friends with the men sponsoring the program and swapping ideas on the agriculture outlook for the next few years.

Mr. Carman Rhode, local soil conservationist for the SCS, and H. M. Breedlove, county agent, express their appreciation to everyone for their fine cooperation in making this meeting a success.

WORST BLOW IN YEARS EXPERIENCED HERE LAST THURSDAY

One of the hardest straight blowing winds to be registered here in recent years was experienced here last Thursday and Thursday night with the wind velocity reaching 75 miles per hour in gusts.

Everything that wasn't anchored down pretty good was blown along with the wind and a number of people are still looking for their garbage cans, etc. Some roof damage to buildings and houses was reported and the old Watson & Antrobus building behind the Donley Hotel was minus its front porch. The porch was not satisfied with moving positions, and cut several power lines which caused a delay in service in the southeast part of town.

Considerable damage to crops was reported but most or around 80 percent of the cotton and row crops had already been gathered. Some damage was reported in regard to the wheat crop, but the extent of actual damage will be forthcoming due to the possibility that some acreage may go ahead and sprout again.

ALL DISTRICT FOOTBALL TEAM NAMED

Coaches and school officials of District 3A met at McLean Monday night and selected the all district football team comprised of players from this conference.

Lefors placed four players; Shamrock two players; McLean two players; Wellington two and Clarendon one. Memphis failed to place any players on the first team.

The first team ends were Joe Pafford of Lefors and Wayne Martin of Shamrock; Tackles, Jimmie Brock of Wellington and Ed Briggs of Shamrock; Guards, Tommy Jinks and Ike Doom, both of Lefors; center, Jack Brooks of McLean, the four backfield players were Freddie Newsome of Lefors, Johnnie Griffith of McLean, Gene Bulman of Clarendon and Kenneth Strickland of Wellington.

Tommy Heatherly received an end position on the second all-district team and Jimmie Jenkins, Wayburn Wilson and Gene White all received honorable mention.

FARM NEWS

Good news this week for all the farmers in Donley County. We have received notice of the amount of money we will have for 1949. The amount totals \$61,200.00 That is compared with the \$35,000.00 we had at the beginning of 1948. Maybe we will be able to give the farmers some of the old time assistance, like they are used to.

It is probably not necessary to mention that the Holiday Magazine has been featuring the State of Texas in a series of publications but this month they have come very close to us in a feature of The Texas Panhandle. In this article, written by a good friend of all the Panhandle, Lewis Nordyke, Clarendon has a good mention. Also on page 141 under the topic "Soil In The Sky" is a short but very expressive History of the County AAA offices that are found and used so much over the Panhandle. Another article that deserves honorable mention is the one entitled "Farmer Stiles" by Robert Easton. This article is much more typical than one might think and does an excellent job of showing the hazards of soil erosion and land depletion.

All Star Football Game At Memphis Thursday

You will have an opportunity to see a real football game close to home this Thanksgiving as the local All-Stars will meet the Memphis All-Stars at Cyclone stadium in Memphis Thursday afternoon at 2:30 p. m. The admission price of the game will be 75c for adults and 50c for student tickets. Tickets for the game are on sale at all drug stores here.

If you saw the all-star game last year you know kinda what to expect, for that was real entertainment and a first class game. There will be plenty of action in the game this time as approximately 30 players will be suited out to defend the traditional honor which Clarendon will have at stake.

The probable starting line-up for Clarendon starting at right end: Bud Hermesmeier, Jr. Pointer, Beryl Clinton, Billy Jack Jordan, Billy Roy Blackman, Wayne Lowe, Jr. Spier. In the backfield will be: Basil Smith as quarterback, George Bulman and Sidney Harp at the half positions and J. F. White in the fullback slot.

If you want to see a bruising fast game just make your plans to go down Thanksgiving afternoon and boost these boys all you can.

Dinner guests in the J. A. Warren home Sunday were Mr. and Mrs. Wayne J. Tiller, Frank Mace, Mrs. Harry Moore, Mrs. Russell Cook, Tine Mace and Mrs. C. Griffin, all of Amarillo, and Barney Roberts.

Last Rites Held Tuesday For W. B. Haile

Funeral services were held Tuesday afternoon at the First Baptist church here for W. B. Haile, long time Clarendon resident who passed away in an Amarillo hospital Saturday morning after an illness of about five months. Rev. Mathew Doyle, pastor of the Haile Baptist church officiated, assisted by Rev. L. A. Sartain.

Mr. Haile, age 78 years, was a resident of Clarendon from 1919 until 1940 at which time he moved back to his ranch in Hutchinson County where he lived until about three years ago at which time he moved to Amarillo. His many friends here will always remember him as an unselfish man who was the friend of everyone.

He was born in 1870 at Dexter, in Grayson County. His father was a farmer-rancher and a Baptist preacher. He was reared near Throckmorton.

When he was 16 years old, Mr. Haile went to work for the famous YOU ranch in Dickens County. He moved to the Panhandle with the YOU herd, settling in Collingsworth County.

Following the practice of the day, he went from ranch to ranch as a hand. He worked a time for the Spur Ranch, the Yellow House division of XIT, and the Turkey Track.

In the early 1890's he freighted between Amarillo and Hale Center, driving a slow oxen team. He returned to the YOU's.

During his life as a cowboy, Mr. (See LAST RITES, Page Eight)

BUILDING OF MULBERRY CREEK BRIDGE RESUMED

Work was resumed this past week, following several months' delay, on construction of the \$115,000 bridge over Mulberry Creek, near the junction of State Highways 256 and 70, near Brice, in the west side of Hall County.

Bell, Baker & Braden, contractors of Amarillo announced they now have the steel needed for completion of the bridge.

Highway boosters from Silverton, Turkey, Matador and Clarendon met in Memphis last Thursday with chamber of commerce officials to centralize efforts to get Highway 256 built across to Silverton, filling the last gap in an east-west highway across from Oklahoma to New Mexico to relieve traffic on Highway 66.

LEADER PUBLISHED ON WEDNESDAY THIS WEEK

The Leader is being published a day early this week so that the Leader staff may have the opportunity of joining their neighbors in observance of Thanksgiving Day.

We want to thank our advertisers and others for turning in their ad copy and news items early in order to make it possible to publish a day early.

We wish each and every one a most enjoyable Thanksgiving with all the trimmings—which naturally includes having all the kids home, or the kids being able to go home — and a big festive meal.

Your Leader will be published at the regular time next week, on Thursday.

Geo. B. Bagby will leave Friday for Dallas to attend the SMU-TCU football game.

SENATOR MOFFITT TO SPEAK AT FARM BUREAU MEETING

Mr. Holly Wood, President of the Donley County Farm Bureau, announced this week that the Donley County Farm Bureau will sponsor a Chili Supper and program at the Lelia Lake School house, Friday, Dec. 10th. Mr. Wood stated that the main purpose of the meeting is to elect the officers for the Farm Bureau for 1949.

The main attraction of the program will be a talk by the Honorable George Moffitt, Senator from Chillicothe, Texas. The subject chosen by Mr. Moffitt is not known, but Mr. Wood indicated that it would probably be an explanation of the Future of Agriculture.

The Chili supper is free to all who wish to attend. All Farm Bureau Members and all who would like to be members are urged to attend this meeting. Mr. Wood pointed out that there is still time to pay your dues and join the Farm Bureau.

NOTICE TO RESIDENTS OF CLARENDON AND SURROUNDING AREA

Last Wednesday night, November 17, several electric street lights were shot out apparently by some boys with a 22 caliber gun driving a late model maroon 4 door plymouth car. We suggest that all parents in Donley County who have a car that could possibly fit this description to check and find out where their car was and who was in it and what they were doing about 10 p. m. Wednesday night. There is a heavy fine for breaking city lights regardless of how it is done unless accidental. It is also against the law to shoot a gun on any public street. Violent pranks of destruction like this might become a habit. Let us as parents check thoroughly on this incident and continue doing so in order that our children may not become habitual law breakers.

We would like for any man, woman, boy or girl who sees anything of this kind going on to call City Marshall R. T. Brown, Charlie Lowry or any member of the City Commission and report the incident.

Signed
Cap Morris
Mayor, City of Clarendon

IT IS TIME FOR THOSE SANTA LETTERS

All of you youngsters who are anticipating a grand and glorious Christmas should sit down right now and write that letter to Santa, telling him all the nice things you want and what a good little boy or girl you have been for the past year. Just address your letters to Santa Claus in care of the Donley County Leader and they must be received by our office here not later than December 9th, and it will be much better if you can mail them right away.

UNION THANKSGIVING SERVICE TONIGHT (WEDNESDAY)

The annual Union Thanksgiving service held each year in Clarendon is slated for 7:30 p. m. tonight (Wednesday) at the First Methodist Church. Rev. Paul Wright, pastor of the First Presbyterian Church will deliver the Thanksgiving message, and other pastors of the city will participate in the service.

Mr. and Mrs. Gilbert Bryan spent the weekend visiting her sister, Mrs. W. E. Burton and Mrs. Ella Bryan, Mr. Bryan's mother, at Hobart, Okla.

This dollar day event being sponsored each first Wednesday of every month by the local Chamber of Commerce, is gaining momentum on every occasion. This next week it looks bigger and better than ever with practically all merchants up and down the business section offering exceptional bargains and a much wider variety. Look through this issue of the Leader at the number of bargains listed and save money by coming to town on Wednesday, December 1st to do your shopping. And remember too, that Wednesday will also be appreciation day and you certainly don't want to miss the big surprise of the day.

Local Teachers To Attend State Convention

Nine teachers from Clarendon will join nearly 15,000 fellow educators for the seventieth annual convention of the Texas State Teachers Association at Dallas, November 25, 26, 27th. Nationally-known school authorities will speak at the three general sessions of the convention and at a number of the sectional meetings.

A total of fifty-three sectional sessions and twenty-three breakfasts, luncheons and dinners have been arranged. The special meetings will consider every phase of education of interest to Texas teachers.

The principal speakers at the main convention meetings include Dr. Frank P. Graham, president of the University of North Carolina, and a pioneer in atomic research; Dr. Willard E. Goslin, Pasadena, Calif., president of the American Association of School Administrators; Bruce Findlay, assistant superintendent of the Los Angeles, Calif. schools; and Lew Parmenter of the National School Service Institute, Chicago.

Joe C. Humphrey, principal of the Abilene High School, will be elected president of the association for 1949. He is unopposed, as is Miss Waurine Walker of Waco for the office of the first vice president. Miss Walker is now president of the Texas Classroom Teachers Association.

Those to attend from here will be Miss Ruth Richerson, County school superintendent; Mr. and Mrs. O. D. Lowry, Mrs. Marguerite Goodner, Misses Loyd Richerson, Vergie Strawn, Lucile Polk, Elizabeth Stevens and Edgar M. Mongole.

ATTEND SHRINERS FALL CEREMONY

Among those attending the Shriners Fall Ceremonial in Amarillo Monday were Mr. and Mrs. Joe Jones, Mr. and Mrs. George Thompson, Mr. and Mrs. Homer Estlack, Mr. and Mrs. Maurice Lane, Johnnie Leathers and Frank Whitlock. Thompson and Estlack were candidates for the Shriners degree.

QUARTERBACKERS RECEIVE MEMBERSHIP CARDS

Coach Beryl Clinton said yesterday that the presentation of membership cards to members of the Quarterback Club climaxed the business meeting of the new organization Monday night.

A half-hour basketball film called "Practice Makes Champs" was shown to a good group of members to be followed by a practice session of Clinton's college team for the entertainment of the club. Coffee and doughnuts were served to all present.

Thanksgiving

WHAT IT MEANS

We call to mind an old country preacher who, back in our boyhood, helped straighten us out on Thanksgiving.

"Most people," he said, "think they're thankful when they are complacent and satisfied. That is often the trouble with counting our blessings. We end up being smug. Thanksgiving Day is a mockery if we just spend it admiring the family sterling and bone china and gorging ourselves until we stagger. Thanksgiving is no time to reflect with quiet self-satisfaction upon our material possessions and our appetites.

"No, life is insecure at best and the last Thursday in November is as good a time as any to remember that we still have a chance to help a distressed neighbor, to enjoy the blessings of useful work, to give a friendly word to the passerby, to take happiness in a baby's smile or a mother's soothing presence, to remember that life is a journey, not a goal, and from the depths of our hearts to give thanks that we can be of service to others—for service is the rent we pay for the space we occupy on earth."

CITY-COUNTY LIBRARY NOTES
By May L. Prewitt

The Library has been quite fortunate the past week. The cooperation of the 1926 Book Club with their cash gift enabled the observation of Children's Book Week by a table display of eleven very

attractive books published by the Children's Press. These books are colorfully illustrated in a style that appeals to little people. These young patrons select their copies with so much thought and leisure, that one would judge they were to read them rather than listen to them read aloud. Of course, many do read their chosen editions, but the preschool children are amusing when they state, "I've read that."

Several copies of Zane Grey's and Grace Livingston Hill's books have been recently purchased—some for replacement, and other copies that had not been stocked, or at least were not in Mrs. Burton's file case list. Most of them are reprint editions. The teen age boys and girls enjoy these. Then we have Loyd Douglas' "Big Fisherman" and "The Plague and I" by Betty McDonald. Most of the adult readers

PHILADELPHIA, PA.—General Dwight D. Eisenhower, once a newspaperboy receives a plaque from the hands of Joseph Heron, member of the Philadelphia Evening Bulletin Treasury Newspaperboys' Thrift Club. The Club, largest in the nation comprising 5,000 carriers who are putting part of their earnings regularly into United States Savings Stamps and Bonds, was host to the General at a Newspaperboy Day rally, the idea being to set up an annual award for an outstanding American with a newspaperboy background. Actually the carriers rightly felt the General was honoring them and all newspaperboys in the country in participating in the big rally here and paying public tribute to newspaper boys.

It contains some recent publications on its shelves, and any current magazines shall be appreciated. This week we received a new Look, Ladies Home Journal, Holiday, Colliers, and several others. Also quite a few publications of October issues. These magazines can be used by several families and stay intact. We have all three of the Texas Holiday issues. Some necessities have been assets to the Library too—a pencil

Overcoats For UNITED GAS Pipe Lines . . .

A heavy protective coating is normally applied to every foot of new pipe line laid by United Gas. That's because pipe is of steel and must be protected against rust. A typical coating consists of primer, enamel and spiral-wrapped covering, although certain conditions make it necessary to supplement the covering with other types of protection. More than 6,000 miles of main United Gas transmission lines, providing natural gas to 354 cities and towns in the Gulf South, are thus guarded against leaks caused by the ravages of rust.

This is one of many functions of the United Gas organization . . . all of which have the ultimate purpose of assuring a more dependable supply of natural gas to our customers.

A mechanical cleaning machine brushes dust from the outside of the pipe line, then applies a coat of primer.

A second machine applies a thick coat of enamel—the principal insulation—and one or more wrappings of material to protect the enamel. When cool, the enamel provides a hard surface resistant to acids, moisture or electrolytic action of the soil.

An electronic detector finds the tiniest of flaws in the covering, and these spots are coated by hand.

Health Notes

AUSTIN—With the advent of cold weather each year in this State, several deaths are usually reported, resulting from asphyxiation by gas fumes in improperly ventilated homes or sleeping quarters.

Dr. Geo. W. Cox, State Health Officer, has issued a warning in this respect, emphasizing that it is never safe to sleep in a tightly closed room with a gas fire burning. Even if there are no gas leaks, the air soon becomes vitiated and unfit to breathe.

"When occupying a room in which gas is burning, be sure always to have at least one window or door open, to admit fresh air," Dr. Cox said. "If the weather is

too cold to permit leaving an open window in the room occupied, then play safe by opening a door into an adjoining room, where a window can be opened."

Dr. Cox said he was prompted to issue this warning early in the season because of the fact that thousands of new residents in the State have come from districts where they have been used to burning coal, wood or oil, and they do not know the dangers of gas fumes in improperly ventilated homes.

"Occupying a room heated by an open gas flame, and at the same time keeping the room tightly closed, may prove disastrous the very first time it is tried," Dr. Cox said. "It is better not to risk it even one time. Always be sure that your room has plenty of fresh air, but make

Let 'er blow...

The one thing that won't help you through the winter is a lot of talk. So we'll make it brief:
Change now to winter-grade Conoco Nth Motor Oil for faster starts, peak winter engine performance and the full-time protection of OIL-PLATING.
Faster starts: Winter-grade Nth is specially refined to lubricate your engine even when the temperature plunges. It's free-flowing.

Peak winter performance: When you drain out that thick, dirty summer oil, you say goodbye to balky engine response. Winter-grade Nth puts June under the hood!
Full-time protection: A special added ingredient fastens an extra protective film of lubricant to metal surfaces... OIL-PLATES every working part... cuts down "dry" friction starts and general engine wear.
Let winter blow...

Texans Girded For Statewide Drive Against Polio

GONZALES—Texans from the Rio Grande to the Panhandle this week girded for a statewide drive to strike back against poliomyelitis which thus far in 1948 has stricken more than 1,600 persons in more than 150 counties.

Gov. Beauford H. Jester proclaimed the period from Thanksgiving Day to Christmas as Gonzales Warm Springs Foundation Month as a statewide organization,

headed by Dana X. Bible, University of Texas, director of athletics, swung into action to secure financial support for the institution which cares for young children stricken by polio and other crippling diseases.

Chairmen in key counties throughout Texas are assisting Mr. Bible in bringing the story of the Gonzales Warm Springs Foundation to the people of the state, says Ross Boothe, president of the foundation.

Equipped to care for 110 crippled children, the Gonzales Warm Springs Foundation uses the water from warm natural springs and modern medical facilities and trained technicians to assist those who have been crippled to regain their health. It is supported largely by the contributions of Texas citizens, says Boothe, and any child suffering from a crippling disease may obtain admission and treatment, he declared. A number of statewide organi-

zations are cooperating in the statewide campaign for financial support, Boothe reported.

More than 500 persons have received treatment at Gonzales Warm Springs Foundation since the institution started receiving patients in 1941.

Recent surveys at the Naval Training Centers at San Diego, Calif., and Great Lakes, Ill., show that 98.6 percent of all Navy recruits are under 21 years of age.

HODNETT-BULMAN

Miss Billie Hodnett, daughter of Mr. and Mrs. Earl Hodnett of Martin community became the bride of George Bulman Jr., son of Mr. and Mrs. George Bulman of the same community in a simple single ring ceremony Saturday at 3 o'clock in the Baptist parsonage.

Mr. and Mrs. Bill Land were their only attendants.

The bride was dressed in a bluish gray tailored suit much the same color as the groom's suit. Her accessories were black and she wore a corsage of red roses.

Both the bride and groom were graduated from Clarendon High School and are now attending Clarendon Jr. College.

They will be at home in Clarendon where they will continue their work and school work.

KAPPA SUB-DEB PRESENTATION DANCE

The Kappa Sub-Deb Club held its annual presentation dance at the residence of Mr. and Mrs. Frank J. Hommel, Friday evening, November 19, 1948.

New members presented to the club and their escorts were: Miss Shirley Brumley, Tommy Selmon, Miss Jo Ann Ritter, Fred Molesworth, Miss Fanchon Allred, Jack Trussell, Miss Jo Anne Sibley, Billy Carl Pittman, Miss Mary Edna Elmore, Ray Morris, Miss Nancy Bennett, Dick Kennedy, Miss Alice McCrary, Weldon Day, Miss Nell Bentley, Douglas Wadsworth.

The spacious colonial home represented a night club, and was christened "Deb-Ette Night Club." The entertainment rooms were decorated profusely with top hats, canes, and large red balloons imprinted with "Deb-Ette Night Club." Evergreen and red lights were entwined in the railings of the stairway.

Upon arrival, the guests checked their wraps with Miss Doris Louise Smith at the "Check Room," and were given identification tags.

At nine o'clock, attention was turned to the presentation ceremony. The new members were presented by the club president, Miss Mae Morris, as they de-

scended the stairway landing through an archway decorated with fall flowers. Each new member was greeted and welcomed by her "big sister" who presented her with the Federated Sub-Deb pin and a nosegay of white feathers fashioned as a fan and accentuated by the club flower.

Vocalists during the evening were Miss Lois Hommel, Misses Pat Pittman and Jane Johnson, and Gene Bryan.

Refreshments were served in the dining room at small tables in typical night club fashion. Table "Reserve" signs, place mats imprinted with "Deb-Ette Night Club," menu cards and napkins, carried out the motif. Cocktail matches and miniature glass top hats were at each place for favors. Serving girls were: Misses Betty Thompson, Shirley Morris, June Star Allred, Doris Knorpp. They wore short length black dresses with organdy tea-aprons. Others assisting in the dining room and acting as hostesses were Misses Doris Wallace, Jean Ballew, and the club sponsor, Mrs. Rufus White.

The following Kappa Sub-Deb members and escorts attending were: Miss Sybil Head, Jerry Lagrone, Miss Mae Morris, Dwayne Hudson, Miss Juanita Carpenter, Sydney Harp, Miss Layma Tatum, Jimmy Jenkins, Miss Louva Hunt, June Day, Miss Portia Hay, Gene Bryan, Miss Jane Johnson, Lynn Leathers, Miss Pat Pittman, Billy Jack Jordan, Miss Patsy Blair, John Miller Morris, Miss Doris Wallace, Ralph Nichols, Miss Jean Ballew, David Du Vall, Miss Anne Thompson, Chauncey Hommel, Miss Lois Hommel, James Moore, Mr. and Mrs. Arvis Davis, Mr. and Mrs. George Hunsaker, Mr. and Mrs. Rufus White, and approximately 115 guests.

Mr. and Mrs. R. E. Anderson announce the arrival of a daughter on November 22nd at a Memorial hospital. She weighed 6 lbs., 14 oz. and was named Janice Karol.

Mr. and Mrs. Wayne J. Tiller and children of Muleshoe visited in the J. A. Warren home the past week.

THE ONE WHO ISN'T THANKFUL

CLARENDON H. D. CLUB

Mrs. D. F. Wadsworth was hostess to the club ladies Friday afternoon when she entertained them in her home. Lovely chrysanthemums and pot flowers were used for decorations. Mrs. Payne read the Club Collect. The roll call was answered with "what I am most thankful for today."

After a short business session at which time Mrs. Anderson, president, presided, plans were made and discussed for the club annual Xmas dinner and party. Mrs. Watson had charge of a Thanksgiving program, the club assisting.

At the social hour, Mrs. Wadsworth, assisted by Mesdames Green and Payne, served a delicious refreshment with Thanksgiving napkins to Mesdames Claude Darden, O. C. Watson, G. A. Anderson, William Payne, M. C. Rampey, A. L. Chase, Geo. Green, J. C. Estlack, and hostess, Mrs. Wadsworth.

The club will meet Dec. 17th for Xmas dinner and party at the home of Mrs. J. C. Estlack.

CUE AND CURTAIN CLUB

On Monday evening, Nov. 22, 1948, the hostess to the Cue and Curtain Club was Mary Ann Landers.

During the business session plans were made for Guest Day. Mrs. Johnson read the casts for two plays the club plans to present later in the season.

The program consisted of a very interesting exhibit of Lighting. Also Patsy Blair gave a cutting from the drama "Dark Victory."

Delicious refreshments of cakes and sandwiches were served by the hostess and her mother to the following members: Mae Morris, Wilson Lane, Mary Ann Landers, Ladelle Cox, Tommy Gattis, Jane Johnson, Doris Jean Wallace, Joane Swink, Patsy Blair, Miller Morris, Bill Porter, Darrel Proctor, Mary Edna Elmore, Ramona Rhea, Dorris Knorpp, Patricia Estlack, Sandra Shelton, Sam Patterson, Inelle Cox and Mrs. Jolly Johnson.

SHIRLEY BRUMLEY HONORED WITH DANCE

The home of Mr. and Mrs. Rolle Brumley was the center of entertainment on Monday eve, Nov. 22nd for the teen-agers. The occasion was a dance honoring Shirley on her sixteenth birthday. The rooms for dancing were made festive with the glow from the open fireplace, and with decorations of autumn leaves, berries, and colors in keeping with the harvest season. The guests also carried out the harvest theme in their dress. The girls came in their aprons and the boys blue jeans. The guests were members of the Kappa Sub-Deb Club and their dates, and other friends. Coffee, cakes, doughnuts and apples were served during the evening.

BRONCHO MOTHERS CLUB

The Broncho Mothers Club met in the home of Mrs. Regan Bain Monday, Nov. 15, with twelve members present. The president, Mrs. Clifford, presided over the business, during which plans were discussed and different committees appointed for the Football Boys Banquet. During the business it was voted for each member to pay dues of \$1.00. All mothers are requested to pay her dues to the treasurer, Mrs. Regan Bain.

Refreshments of cake and coffee were served.

GOODNIGHT 4-H CLUB

The 4-H Club of Goodnight met on Friday, Nov. 19, 1948, at the home of Mrs. L. S. Newberry, with Mrs. Austin, who gave a roll demonstration. Refreshments were served to the 20 members present. Irene Moss, reporter

Thanksgiving

ANOTHER YEAR

To Be Thankful

IN MANY WAYS

Thanksgiving Day is our country's public recognition of the power and providence of God. It is peculiarly an American institution, which has no counterpart in other lands.

On this day the people of our country, led by the government itself, expresses their humble and heartfelt thanks to God for His protecting care and the abundance of His provisions for our comfort and welfare.

The day itself is a wholesome influence in American life. It means a great deal when the people of a great nation lay aside their material concerns & gather in family groups to express gratitude for divine providence.

The Thanksgiving dinner may be a feast of delicacies or an unpretentious meal of simple fare. But those who partake of it should do so with thankful hearts and understanding minds.

At this time we also wish to express our gratitude for your patronage and goodwill; and again extend you a hearty welcome to our store.

CLIFFORD & RAY

From an Arabian Proverb: He who knows not, and knows not he knows not—he is a fool—shun him; He who knows not, and knows he knows not—he is a child—teach him.

From the scrap book of a reader, as was the above:

She laid the still white form where others had gone before. No sound, no cry from her: A deathly silence hung over the place, foreboding and indistinct.

If there's one thing I can fully appreciate It's going to bed early and getting up late. And if there's anything I could enjoy anymore 'Twould be a good supper the evening before.

If there is anyone that can write a worse poem than the above, please send me a copy of it. Anyway, I don't believe anyone can.

Thanks to everyone that has told me that they enjoyed our little column. Send a letter to us once in awhile, in care of the Editors. Kinda keeps us from getting discouraged.

Eighty-five per cent of new Navy recruits are unmarried and not engaged to be married, and about one-third of them give financial aid to a dependent.

It cost 251 million dollars for maintenance of the entire Navy in 1935; in 1945 the Navy's food bill alone was over 670 millions.

Veterans News

Job openings for qualified clerk-stenographers with the Veterans Administration in Washington, D. C. still exist, VA has reported.
Entrance salary for these positions is \$2,498 per year with good chances for quick promotion. Travel to Washington for those accepted will be paid by the Government.
Employment may be obtained through any regional office, hospital or Center of the Veterans Administration in Texas, Louisiana and Mississippi.

Leading chest specialists of Texas, Louisiana and Mississippi met this week in Bandera, Texas for a three-day exchange of experiences in the treatment of tuberculosis and other chest diseases.
The conference was sponsored by the Dallas Branch Office of the Veterans Administration.
Dr. Lee D. Cady, VA's Southwestern Medical Director, predicted that the Bandera conference and others next year will result in more uniform and improved treatment of tuberculosis throughout the tri-state area.
A series of cases from VA, state and county tuberculosis hospitals were discussed by the doctors.

OUR BLESSINGS ARE MANY ON THIS THANKSGIVING DAY!

To the Pilgrim relations who prepared that first Thanksgiving dinner, a modern store would be a revelation! Foods from all over the world... cooking aids that they never dreamed of... linens and china and glassware, the likes of which kings of their day could not afford! And to the Pilgrim fathers that vast financial structure that has made this progress possible... factories, railroads, mines and mills... would prove equally astounding! We are proud to have played a part in the building of that progress... grateful to be able to serve each and every American in a constant endeavor to further the ideals and principles of democracy that keep this progress secure!

(Continued from Front Page)

Haile eyed independence and a place of his own. In the late 1890's he made a trip up into Hutchinson County and inspected the ground. The first night he spent in the county he bunked with famed old Billy Dixon, who in earlier years had been government scout, trader and hunter.

In 1899, Mr. Haile returned to the vicinity of Billy Dixon's old location in Hutchinson County. On Dec. 25, 1899, he filed a claim for his first section of land.

He arrived at his filing site fully equipped with a wagon-load of lumber — sufficient to build a house. It seems that on his way he had encountered a store-owner who took people at face-value.

And he advanced credit to Mr. Haile, even though he had never seen him before.

A year later, Mr. Haile returned to Collingsworth County and married Miss Minnie V. Fisher. Mrs. Haile died about 11 years after the marriage. In 1913 he married Mrs. Irene Fry.

Mr. Haile was quickly accepted as a leader by the other settlers who came into the area. And when there was sufficient number, it was decided to organize the county.

April 21, 1901, was an auspicious day for the Haile family. Hutchinson County was formally organized; Mr. Haile was named as interim county judge and the oldest child of the family was born.

Mr. Haile grew in stature as the years rolled away. He was named commissioner of the county; he served long years as trustee on the county school board.

In 1919, Mr. and Mrs. Haile left their Hutchinson ranch and moved to Clarendon. Nine children were to be educated. Clarendon, with a fine public school system and Clarendon College was an ideal choice.

Mr. Haile leased his ranch, but did not get away from the soil. He took an active part in Clarendon's civic life, serving a time as city commissioner. He also ran a farm close to town.

At one time, he was in the trucking business at Clarendon. Finally all nine of the children had gone through Clarendon College. In 1940, Mr. and Mrs. Haile moved back to the ranch. They lived there six years and then moved to Amarillo.

Mr. Haile was a man who believed in youth. And he constantly was giving some youngster a helping hand.

None of his relatives has any idea of the number of young people he aided in attending Clarendon College.

He was a staunch supporter of the Baptist congregation wherever he lived. And to give the rural people near his ranch a convenient place to worship, he built Haile Baptist Church in the late 1930's. The church is located on a corner of his ranch property, 5 miles east of Borger.

Pallbearers were Paul Kemp, E. L. Byars, J. M. McCaslin, H. L. McElvany, R. L. Harland, H. H. Boker, Joe Goldston, and J. D. Swift. Honorary pallbearers included W. H. Patrick, J. F. Blocker, Crockett Taylor, Sam Lowe, C. T. McMurtry, F. L. Bourland, R. L. Pond, Buster Caldwell, C. E. Perry, Mel Armstrong, R. L. Meadows, W. J. Lewis, Glenn Coffee and W. B. Holtzclaw.

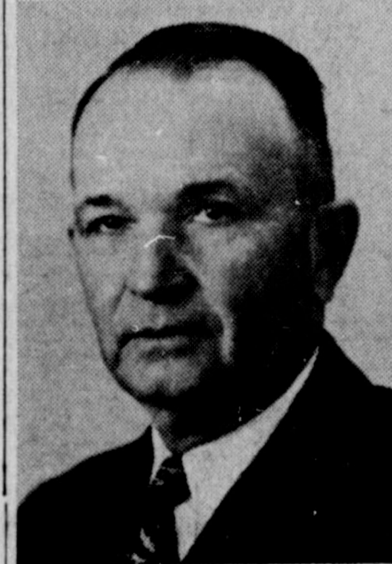

Surviving relatives include the widow; four sons, William C. Haile, Corona, Calif.; J. B. Haile, Midland; Meade Haile, San Angelo; and Byrum Haile, Yocama, Wash.; three daughters, Mrs. Monroe Herring, Rogers, Ark.; Mrs. Clyde Holtzclaw, Amarillo; and Mrs. Clyde Martin, Clarendon; two step-daughters, Mrs. Buel Gray, Skellytown, and Mrs. Paul Russ, Panhandle; 12 grand children and three great-grand-children.

He also is survived by five brothers, J. W. Haile, Selma, Cal.; C. C. Haile, Afton, Texas; L. J. Haile, Dumas; L. B. Haile, Strat-

ford, and S. B. Haile, Amarillo; and two sisters, Mrs. W. P. Sampson, Roaring Springs and Mrs. Pearl Hodges, Baird.

S. W. LOWE APPOINTED CONTINENTAL AGENT AT CLARENDON

S. W. Lowe has been appointed Continental Oil Company agent at Clarendon, Texas, according to

S. W. LOWE

a recent announcement by S. J. Larson, division manager, Albuquerque.

A native of Arkansas, Lowe received his advanced education at John Tarleton College and Hardin Simmons University.

Lowe served as county judge of Donley County from 1933 to 1939 when he went into farming for himself. Discontinuing farming in 1941, Lowe became an agent for another oil company in Fort Worth and remained in this work until November of this year.

Mr. and Mrs. Ralph Andis of Amarillo were guests of Mr. and Mrs. Ralph Keys Sunday.

Mrs. Victor Smith is at home from the hospital at Amarillo where she had an operation two weeks ago. She is improving.

office this morning and informed us that a good many farmers are unhappy with the seed they bought this last year. Mr. Minick states that there are several farmers who bought Certified seed and thought they were getting good seed which turned out to be another kind altogether. The most common complaint seems to be against sixty day maize which is definitely not sixty day maize seed. This bears out what Don Tomlinson told us the other day about his sixty day maize that had been planted ninety days when the frost came and had not matured at that time.

Mr. and Mrs. Jim Christian and son Clark of Crowell visited in the Joe Ray home Sunday.

A Common Paper for Common People

It Is High Time For Texas to Have Secret Ballot

MANY TEXANS are under the impression that this state already has a secret ballot, but they are mistaken. The ballot is secret only in counties that have voting machines. Where paper ballots are used it is possible for those who conduct the election to check up and see how each person has voted.

The League of Women Voters of Texas says that Texas is one of the two only states that have not adopted a secret ballot. In 38 states, each ballot is perforated so that, although the names of the persons voting can be recorded, the votes themselves are dropped into the slot without either name or number for identification.

Surely, the way each citizen votes is strictly his own business. It is necessary only to have a correct list of voters to insure that all who cast ballots are properly qualified. The League of Women Voters has been for a long time demanding passage of a secret ballot law. Favorable action by the legislature is overdue.—The Daily Times Herald, Dallas, Oct. 20, 1948.

Each fighting man in the Navy consumes over a ton of food yearly; each ton requires 60 cubic feet of shipping space, about ten times the storage space of a standard home refrigerator.

COLONEL'S TWIN DAUGHTERS ARRIVE BY AIR
NEW YORK, N. Y.—The Kelso twins, Penny (right) and Pam, arrived from Frankfurt, Germany by air. They were born in Bremerhaven, Germany ten months ago, and are on their way to their home in Waterloo, Iowa, accompanied by their mother. Lt. Col. Kelso, stationed in Mannheim, will follow later.

TWO STUDENTS FROM DONLEY ENROLLED IN WAYLAND COLLEGE

PLAINVIEW — Two students from Donley County are among the 541 enrolled at Wayland College, President J. W. Bill Marshall announced today.

They are Mrs. Viola Hitt, and L. McKee.

Mrs. Hitt, daughter of Mr. and Mrs. C. C. Hearn, is a freshman majoring in Religious Education and is preparing to be a religious worker. She is a member of the M.W.A. McKee, son of Mr. and Mrs. Ray McKee, is a junior majoring in speech and is planning to be a minister.

The Wayland student body of 541 numbers about 30 more than were enrolled here at the same time last year, the registrar's office stated. There has also been an increase in the faculty and staff, from 28 last year to 51 this year.

Improvements on the campus include a new science building, with plans nearing completion for the erection of a new dormitory for girls to match the new dorm for boys, McDonald Hall.

Former Naval Reserve officers, now transferred to the regular Navy, are required to attend General Line schools at either Monterey, Calif., or Newport, R. I., where 44 weeks of training brings their service education up to a stage theoretically equaling that of U. S. Naval Academy graduates.

First Prize Winners for Best Story Why U. S. Farmers Should Buy More Savings Bonds Now

GIDDINGS, TEXAS—When the American Farm Bureau Federation, through its publication, asked the country's farmers to tell why they are investing part of their crop income in United States Savings Bonds, F. B. Curry, shown above with his wife, Mary, and four-year-old daughter, Carolyn Sue, responded with a simple human interest narrative, the key theme of which was: "Don't feed inflation. Save for your future by building a financial reserve in the form of U. S. Savings Bonds." His story won him the first award of \$500 in savings bonds. Pride of the Curry family in their ownership of shares in their government is reflected in this scene as Papa Curry exhibits the \$500 in bonds to Mama Curry and daughter.

The average person forms an opinion by adding to a small measure of information a dash of prejudice, shaking well with imagination and a large quantity of emotion.

Fifteen Million Dollar Expansion Plan Voted For SMU

DALLAS — A \$15,000,000 expansion plan for Southern Methodist University was voted November 9 by the SMU Board of Trustees at its annual fall meeting.

University endowment will be increased by \$10,000,000, Dr. Umphrey Lee, president of SMU, said, to provide funds for scholarships and special professorships.

The other \$5,000,000 will go into plant expansion, including the construction of an additional girls' dormitory and a building for the planned Law School quadrangle of SMU.

The \$15,000,000 fund drive was proposed by a newly-organized planning and development committee of the board of trustees.

Dr. Lee said the committee's recommendations are the result of a detailed study of the future needs of SMU. No time limit has been set on raising the required funds.

Reporting to the 51 members of the board, Dr. Lee said that SMU's assets have increased 300 per cent, including construction now in progress, over what they were in 1935—from \$6,000,000 to \$18,000,000.

Since 1940, he added, approximately \$1,000,000 a year has been added to the assets of SMU.

Dr. Lee said the endowment fund increase would be spread

There are a number of important deadline dates on GI Bill benefits which World War II veterans should keep in mind, Veterans Administration officials point out.

GI education and training benefits have two deadlines, one to enter training and another to complete training. Education or training must be started within four years after discharge or by July 25, 1951, whichever is later. As a general rule, education or training must be completed not

later than July 25, 1956. The exceptions from the general rule are veterans who enlisted or reenlisted before October 6, 1946. These men figure deadlines on GI Bill benefits from the date of their discharges and may start and complete their training later than other veterans.

Veterans may apply for guaranteed or insured GI loans for the use of buying or building homes, farms or business up until July 25, 1957.

Veterans who were discharged on or before July 25, 1947, can apply for readjustment allowances until two years after their date of discharge. However, no readjustment allowances are payable after July 25, 1952.

There is no deadline on the time a veteran has to apply for medical care or hospitalization. He may do this any time during his life. The same holds for filing a claim for disability compensation or pension.

Private dentists handled 90 percent of the treatments completed during the past fiscal year ending June 30, 1948, under the federal program to treat eligible veterans for service-connected

dental conditions, VA reports.

More than 600,000 cases were treated by private dentists under the "home town" dental program

and about 53,000 in VA clinics. Private dentists examined 420,000 veterans and VA staff dentists 280,000.

Thanks to many people for many things

THIS IS THE SEASON OF THANKSGIVING . . .

And there is much for which we can all be thankful in this great country of ours.

Certainly we are thankful for a bountiful harvest of grain and corn, for a high level of production and employment, for a standard of living that is the envy of the world.

Most of all, perhaps, we are grateful for our American heritage . . . freedom of opportunity, freedom of choice, freedom to think and worship according to our own beliefs.

We Feel as a Chevrolet dealer it is an appropriate time to convey our sincere appreciation to the people of this community for their loyalty, patience and understanding.

For Despite Chevrolet's production of more cars and trucks during 1948 than any other manufacturer there is still a long "waiting list" for America's most-wanted cars and trucks.

Chevrolet is doing everything within its power to maintain and increase production. Meantime, we would like to express our thanks . . .

Thanks to Buyers and Prospective Buyers of New Chevrolets for your generous recognition of the honest value built into this first-choice car in the low-priced field. More people have bought Chevrolet cars and

trucks, during the eighteen-year period from 1931 to date, than have bought the cars and trucks of any other manufacturer.

Thanks to Those Who Are Waiting for Orders to be Filled for your patience and understanding. You can be sure we are doing our best to treat all customers fairly . . . doing our best to speed the day when we can give you the good news, "Your waiting days are over!"

Thanks to Service Customers for the opportunity to keep your present cars in safe driving condition. We have tried to serve you well, and appreciate your patronage.

Thanks to all whose friendship and favor have helped maintain Chevrolet's leadership . . .

Thanks for your patronage which has made

Silent Guest Plan Month In Texas

On Thanksgiving Day the American Silent Guest Plan for relief to distressed Europe will be inaugurated over the nation for a second consecutive year, Governor Beauford R. Jester has announced.

The Governor has proclaimed the month November 25 to December 25 as Silent Guest Plan month in Texas.

Last year's drive netted more than \$1,400 for Texas' share of the aid to Europe's poverty-stricken people — war orphans, widows and old folks. The Governor expressed confidence that

donations in 1948 will exceed those collected last year.

As projected through the nation, this plan calls for each American family to invite a "Silent Guest" to eat at his table for one month, sharing in a Thanksgiving and a Christmas dinner.

Mindful of the fact that it would cost a family approximately \$30 to feed a guest for one month, the Governor has suggested that those families with limited incomes may "share" a Thanksgiving meal, or that and a Christmas dinner.

After calculating the cost for feeding this extra person, the family may mail a check or money order, covering that sum, to the Governor's office in Austin. The collections will be forwarded then to Committee headquarters for purchase of food packages from the non-profit, government-approved organization, CARE, for delivery to needy families in Europe, Governor Jester said.

CARE, the Cooperative for American Remittances to Europe, Inc., was chosen by the American Silent Guest Committee last year to handle the funds because it represents all of the major religious and nationality groups, and

Continental Bus System, one of the nation's largest highway passenger carriers, and ACF-Brill Motors, Philadelphia, have begun production on this sleek looking luxury coach with delivery of pilot model due in January, 1949. Coach will seat 35 passengers with a two-deck floor arrangement, and will include lounge facilities, sliding observation seats and a brilliant modernistic interior and exterior color design.

is the only organization of its kind so comprehensive in scope.

Health Notes

AUSTIN—Rheumatic heart disease, a crippling and killer of children, is one of the leading causes of death and disability among children and young adults in the age group 10 to 25 years.

No vaccine such as those that prevent typhoid, diphtheria, smallpox and whooping cough has as yet been developed for its prevention and control, but we do know some of the danger signals and with a physician's early diagnosis, some of the damaging results of this disease may be prevented.

Quoting Dr. Geo. W. Cox, State Health Officer, "in general, the early symptoms of rheumatic fever are pain and swelling in the joints of the knees, ankles, elbows or wrists. The pain is felt usually in one of these joints and spreads to the others. Often a child gets irritable and cross without any apparent cause; he may cry easily and develop habits indicating nervousness. These symptoms may mean the beginning of an attack of rheumatic fever, and a physician

should be consulted immediately." Predisposing causes to this disease, which include frequent chilling, damp or overcrowded living quarters, poor diet, colds, an attack of scarlet fever or other infectious caused by certain streptococcus germs, should be carefully avoided.

Protection against these predisposing causes may mean protection against rheumatic heart disease, and these safeguards should be observed; have children examined by a physician at least once a year; see that they

have a well balanced and nourishing diet; make certain that they get sufficient rest, and see to it that they are dressed according to the temperature of the room or the playground. Consult a physician at once if symptoms indicate that this disease may be present, and if the doctor prescribes complete bed rest, his advice should be followed exactly as given.

Food requirements of the Navy in 1941 were 1,000,000,000 (B) pounds; in 1945 they had risen to 5,700,000,000 (B) pounds.

From where I sit ... by Joe Marsh

Television on the Farm

Buck Childs' home has become mighty popular ever since he got that television set—one of the few sets in our town, outside of Andy's Garden Tavern.

Not only do the kids stay home nights, but the neighbors drop in to see whatever's being telecast. And Buck and the missus always make them welcome, with a mellow glass of beer or ale (with cider and cookies for the youngsters).

While I guess everyone admits that television still has far to go, it's not hard to see that it will some

day be as much a part of American home and farm life as the temperate glass of beer that Buck serves, and the hospitality that goes with it.

And from where I sit, anything that adds to gracious living in America—brings folks together for temperate, quiet entertainment—is a boon to this home-loving land of ours. (We're thinking of buying a television set ourselves!)
