Clarendon Lions Club Will Observe 32nd Anniversary October 5th

Members of the Clarendon Lions Club and their ladies will celebrate the 32nd anniversary of the local club here Tuesday evening, October 5th at 8 o'clock in Lions Club Hall.

The principal speaker for the occasion will be Delbert Downing, manager of the Midland Chamber of Commerce. He is one of West Texas' most sought after speakers, and has addressed hundreds of meetings of all kinds during the past several years, including two previous engagements here in Clarendon. "A little Lincoln, some Will Rogers, lots of humor and plenty of good common sense," all are noticeable in his messages. He is an adviser and father-confessor to more people perhaps than anyone else in Midland. If you haven't obtained your tickets to this banquet yet, be sure to contact Rayburn Smith right away, as you surely will want to see and hear Delbert Downing here Tuesday night.

Other dignitaries to be present for the occasion will be: Dist. Governor Jim Ed Waller of Plainview, Dist. Secretary Tut Taw-water of Plainview; Deputy Dist. Gov. Billy Hunter, Amarillo; Zone chairman, B. O. Bentley, White Deer, and International Counsellor Boyd Meador of McLean. Others invited to the occasion are E. H. Thornton Jr., chm. State Highway Commission; Robert J. Potts and Marshall Formby, members State Highway Commission, and D. C. Greer, State Highway Engineer.

Boss Lion, Mike McCully is anticipating a big crowd out for this 32nd anniversary event. "I know that everyone who has heard Mr. Downing speak here before will be looking forward to hearing him again Tuesday evening," McCully stated.

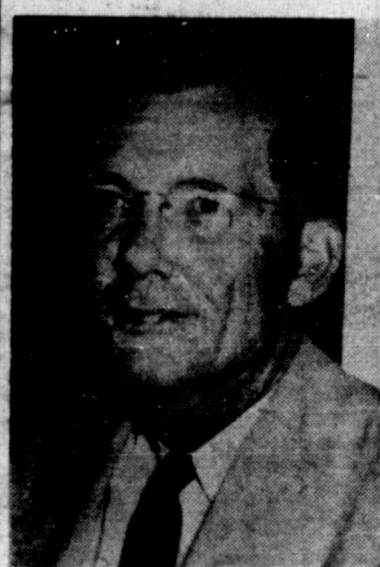

First Christian Church Announces Series Of Evangelistic Meetings

Robert W. Marshall, minister of First Christian Church in Clarendon, last Sunday announced the beginning of an evangelistic campaign that will be conducted by The Church in homes in Clarendon and Donley County. These home meetings will start this week and will be held each week day evening except Wednesday.

Members and friends of The Church will invite neighbors and friends into their homes where they will meet with Mr. Marshall, minister of The Church who will conduct full preaching services. There is so much confusion and misunderstanding about Christianity, today, that we are going to do all in our power to acquaint people with the truth, Mr. Marshall said.

MOOSE LODGE MEETING TIME CHANGED

The Clarendon Moose Lodge No. 1690 has changed its meeting time from Friday to Monday night of each week. This change was made so there would be no conflict with football games and other activities. The meeting time is 7:30 p. m. at the Clarendon Hotel. All members of the lodge are urged to be present next Monday evening as several important issues will be taken up at that time.

DELBERT DOWNING

Bronchos Defeat Pampa B. 20-6

The Clarendon Bronchos gave the Pampa B squad, a team that outweighed them several pounds to the man, a good drubbing at Pampa last Thursday evening with the final score 20-6.

The Bronchos opened the doors to their scoring department in the first quarter when Max Johnson went over left guard for 32 yards carrying down to the Pampa 10, and Bobby Philley skirted right end for the remaining distance on the next play for the 6 points. The next counter came in the second after Max had carried for 31 yards on two occasions down to the 11 yard line, and four plays later Bobby Johnson carried over from the 1 yard line. The Pampa goal line was crossed a short time later when Bill Noblet went all the way from the Bronco 38 yard line only to have the play nullified and receive a 5 yard penalty in its place.

A short time after play was resumed in the second half, a fumble on a punt play found the ball rambling around behind the Pampa goal line and Pampa was lucky enough to recover but the fumble cost them another 2 points.

The Pampa squad came back with new vigor in the fourth period to score their only six points of the game. The final Bronco tally came a few moments later when Max Johnson broke loose and sprinted 52 yards to the 12 yard line and Bill Noblet skirted left end from the 12 and the 6 points.

The Bronco line was doing a fine job all through the game. They showed they had the right kind of stuff when they held that big Pampa line allowing very little yardage and opened nice holes between the big boys for the Bronco backfield to move through.

The Bronchos have an open date this Friday night and will spend their efforts in preparation for their first conference encounter with Panhandle there, Oct. 8th.

Services Monday For Mrs. Kate Lamberson

Funeral services were held Monday afternoon at the North Amarillo Church of Christ for Mrs. Kate E. Lamberson with burial in Rowe Cemetery, Hedley.

Mrs. Lamberson, age 63, died in an Amarillo hospital Sunday morning.

Survivors include three daughters, Mrs. I. M. Caldwell, Mrs. Carl Adkins and Mrs. Ed Dishman; one son Rex A. Lamberson; two brothers, three sisters, eight grandchildren and three great-grandchildren.

REBEKAH LODGE POT LUCK SUPPER OCT. 5th

The Rebekah Lodge is sponsoring another of their famous Pot Luck suppers at the lodge hall next Tuesday evening, Oct. 5th, from 6 to 7:15. The charge per plate will be 50c and the public is invited.

Highway Meeting Held In Wellington

A meeting of representatives from towns along the proposed U. S. Highway 368 met in Wellington September 23, to discuss the designation of this road and to pay tribute to Mr. L. M. Tittle and Mr. W. S. Whaley. Mr. Tittle is from Mangum, Oklahoma and is a member of the Oklahoma Highway Commission. Mr. Whaley lives in Fort Worth and is the man who originated the idea of such a designated highway while acting as manager of the Clarendon Chamber of Commerce. It is largely through the efforts of these two men that such a dream is becoming a reality.

Towns represented at this meeting from Oklahoma were Mangum, Mt. View, Gotebo, Frederick, and Hobart. Texas had delegates from Clarendon, Wellington, and Hedley. Those attending from here were C. G. Speed, Odos Caraway, Fletcher Curry, J. G. McAnear, Frank White Jr., Frank Phelan, Jr., Pete Kunz, Cap Morris, Rayburn Smith, R. E. Drennan, Mike McCully, Maurice Lane, Carroll Knorpp and George Weatherall.

A. W. SIMPSON'S HOME FROM 7,400 MILE TRIP

Mr. and Mrs. A. W. Simpson returned home last Wednesday evening from a 7,400 mile trip which carried them through fifteen states and a part of Canada. They departed from Clarendon August 28th.

Their route included points of interest in Colorado, Utah and Washington. They visited the Grand Coulee Dam which was one of the most outstanding sights along the trip. They visited Mr. Simpson's brother, W. E. Simpson at Bremerton and it had been 38 years since they had seen each other. While in this vicinity they visited Victoria and Vancouver, B. C.

After leaving Washington, they journeyed across the northern states thru Minnesota to Savannah, Ill., where they visited their grandson, Mr. and Mrs. Gordon Simpson and their son, Mr. and Mrs. Harrison Simpson at Wilmington, Ill. On their way home they also visited a sister, Mr. and Mrs. A. W. Phillips at Topeka, Kansas. "We saw lots of beautiful country and wonderful sights but it is always good to get back home," Simpson reported.

CHAMBERLAIN INSURANCE HAS NEW SIGN

The Kelly Chamberlain Insurance building is wearing a new look this week in the form of a new sign which covers the entire width of the upper front portion of the building. It is of the modern "Twinkle or Oscillating" design, and is 40 feet long and the lettering is 24 inches high. The 788 colored bulbs form the lettering and make it very attractive at night. The bulbs make an excellent target for a hail storm but Mr. Chamberlain said the sign was covered by insurance. Anyway, it's a nice addition to the appearance of our downtown business district, especially to the motorist passing thru Clarendon.

METHODIST LADIES TO HOLD RUMMAGE SALE SATURDAY

It has been announced that the Women of the Methodist Church will hold a rummage sale Saturday, October 2nd at the Bennett Implement Co.

MORE VALUE FOR YOUR DOLLAR IN CLARENDON—DOLLAR DAYS, OCTOBER 1st, 2nd & 4th

There's very little need to tell you how much you can save by shopping with local merchants this week end, for if you read the list of specials offered for Dollar Days, Friday, Saturday and Monday in this issue of the Leader, you can readily see it's the time to buy and save.

As each Dollar Day event

THE OLD STONE FORT—At this fort in 1813 was distributed the first newspaper known to have been published in Texas—The Gaceta de Texas. Public services commemorating this newspaper will be held at the fort on Saturday, October 2—during National Newspaper Week. A bronze plaque will be erected in tribute to the newspaper by Sigma Delta Chi, professional journalistic fraternity, and the Texas Press Association. The Old Stone Fort is located on the campus of Stephen F. Austin College in Nacogdoches.

Area I FHA Council Meeting Held

The Executive Council of Area I of Future Homemakers met at Plainview Saturday with a near perfect attendance, one member being absent due to illness. Melba Harper, Area President, of Anton, Texas, presided.

Fourteen goals were set up by the Council to be stressed this year. Plans were also made for the publication of "The Rambler"—Area FHA newspaper. Members were asked to be thinking of themes and speakers for the Area meeting to be held in March in Amarillo, and reports were given on the Southern Regional meeting held in Florida in July.

Esther Sorensen, Area Supervisor; the Area Mother, Mrs. Harper of Anton; officer sponsors, and members of the Council were in attendance. A buffet luncheon was served the group by the Plainview High School FHA Chapters at the noon hour.

Attending from Clarendon were Miss June Christian, Homemaking Instructor in Clarendon High School and local FHA sponsor; Jackie Estlack, Parliamentarian for Area I; and Mrs. G. W. Estlack.

Colts Tie Kittens 6-6 In First Game

The Clarendon Jr. High Colts and the Canadian Kittens played to a 6-6 tie here last Thursday night but the Colts out-scored the visitors on first downs to take a technical win over the Kittens. The Colts made four first downs to Canadian's one.

The first score of the game came in the first quarter when the Kittens took possession of the ball for the first time on the 40 yard line and scored on their first play with Don Anderson making the long run.

Both teams were pretty evenly matched with the Kittens dominating the first quarter and the Colts the remaining three quarters. The Colts scored a touchdown in the third quarter that was cancelled by a clipping penalty. They came back in the fourth quarter with their only tally to count when Swinney tossed to Johnson in the end zone.

The Colts next game will be with Lakeview at Lakeview on Thursday, Oct. 7th.

1955-CROP WHEAT MINIMUM AVERAGE SUPPORT PRICE WILL BE \$2.06 PER BUSHEL

The U. S. Department of Agriculture September 15 announced that the national average support level for the 1955 wheat crop will be not less than \$2.06 per bushel, which is 82 1/2 per cent of the current parity price for wheat. Support rates for wheat produced in the commercial area will reflect the full national support level. In the newly designated 12-state non-commercial wheat area, wheat will be supported on the basis of 75 per cent of the full support level. The support rate announced at this time will not be reduced but will be increased if the wheat parity price as of July 1, 1955 (the beginning of the marketing year) is higher than the parity price of \$2.06 per bushel used to determine the minimum support price announced September 15. The national average support level for 1954 crop wheat is \$2.24 per bushel.

PROGRAM EASED FOR SMALL WHEAT GROWER

Farmers who have wheat acreage allotments of less than 15 acres may plant as much as 15 acres of wheat in 1955 and have their other crops eligible for price support. Mr. Springer, Chairman of the County Agricultural Stabilization and Conservation Committee said September 15. However, exceeding the farm wheat acreage allotment will make the wheat from the farm ineligible for price support. This means, he explains, that farmers with small wheat acreage allotments can produce 15 acres of wheat and have their other crops, including such allotment crops as corn, tobacco, cotton, and peanuts, eligible for price support. However, farmers with a wheat allotment of less than 15 acres who want their other crops eligible for price support must comply with all other crop acreage allotments and stay within the 1952-53 average acreage of vegetables, potatoes, and sweet potatoes (for the fresh market or processing) and dry edible beans on the farm to have any of the crops eligible for price support.

Mr. Springer also reminds farmers that farms with a wheat acreage of 15 acres or less are exempt from wheat marketing quota penalties.

COTTON PICKERS NEEDED AT HEDLEY

With the biggest and best cotton crop in over four years, Hedley ranchers are finding it difficult to obtain boll pullers for the harvesting. Listings of work, housing, etc., are kept at both Hedley Gins and pickers are urged to contact them or anyone downtown Hedley. At least 500 will be needed within the next 10 days.

Broncho B Squad To Play Memphis B Team Here Tonight—7:30

Brotherhood Roundup Oct. 7

The men of the First Baptist Church will stage their first annual Brotherhood Roundup on Thursday night, Oct. 7th at 7:45 P. M. at the First Baptist Church.

"We have a top notch program lined up," stated George Watson, program chairman, "which includes some quartet and group singing topped off by a talk by Morris Cobb prominent young attorney and Baptist layman of Amarillo."

There is also a good feed in store, according to Billy Goodman in charge of the chow. All Baptist men are urged to make as many contacts as possible before that time. One hundred (100) men is the goal for this roundup.

Lelia Lake Talent Show Friday Nite

The Athletic Department of the Lelia Lake school is sponsoring a Talent Show and boxing matches at the Lelia Lake school building this Friday evening at 7:30. Admission will be 25 and 50 cents.

Participants from Hedley, Lelia Lake, Quail, Ashtola and Clarendon have already made it known they will be present for the talent show and other localities probably will be represented.

In addition to the talent show there will be five or six boxing matches which promise to be of top calibre for sport fans. If you want to enjoy lots of entertainment, the folks at the Lelia Lake school will help you fulfill this desire Friday evening, Oct. 2nd.

Services Held Tues. For Herb Davis

Funeral services were held Tuesday afternoon at the Goodnight Baptist Church for Joseph Herbert Davis, prominent farmer-cattleman who died Sunday afternoon in an Amarillo hospital.

Mr. Davis, 67, moved to this area from Oklahoma in 1907. He was a member of the Goodnight Baptist Church.

Survivors include the wife, Mrs. Zilpha Davis; one son, Milton Davis of Claude; a grandson, Jerry Davis of Claude; four sisters, Mrs. J. J. Ray, Mrs. Joe Chambers, Mrs. L. H. Ellis and Mrs. Charles Gilbert, all of Amarillo.

Pallbearers were D. L. Vaughan, Bert Eddleman, Jim Tidwell, Roy Lee Brown, Henry McGee and Otto Beach.

Burial was in Citizens Cemetery, Clarendon.

POLIO EMERGENCY DRIVE NETS \$266.78

Walter B. Knorpp, Polio Chairman for Donley County, announced yesterday that a total of \$266.78 had come in for the Emergency Polio fund in Donley County. This amount was raised thru voluntary contribution and the majority was dropped in the containers placed in the various business places.

A first class ball game is in store for local fans this week end although the regular Broncho squad is idle this week. The Bronco B squad will tangle with the Memphis B team here tonight at 7:30 and this promises to be a thrilling game, for any time Memphis and Clarendon get together it is well understood that both teams will be doing their best to win. Assistant Coach Joe Spann and the B squad believe they have what it will take to defeat the Memphis eleven. Coach Spann guides the affairs of the B team, which will make up the future Bronchos, and this will give local fans an opportunity to see sorta what's in store for down the line. The B squad has six games scheduled for the season so far and this will give them much needed experience. Come out and watch them perform tonight and let them know you are behind them. It takes team spirit plus fan support to make a ball club and now is the time to get started. The price of admission for this game will be 25 and 50 cents.

The starting lineup for the game had not been decided at the last report but the B string is composed of the following: Adams, Alderson, Anderson, Behrens, Chas. Cosper, Carter, Carl Evans, Doyce Graham, James Graham, Gerald Hill, Hudson, Owen, Johnson, Knorpp, Mann, Payne, Jimmy Philley, Swearing, Taylor, Vallance, Self, East-lack, Robt. Mills, Donald Mills, J. D. Johnson, Eaten and Edens.

It has been announced that the Band Parents stand will be open for this game and they will have sandwiches, coffee and drinks for sale.

Services Pending For Wreck Victim

Funeral services are pending at this time with the Murphy Funeral Home for Joe Willard Boss, local Mattress Factory owner, who died from injuries in a truck collision near Gunnison, Colo., Saturday about 12:30 p. m. His wife was reported in a critical condition in a Salida, Colo. hospital and had not gained consciousness at last report.

It was reported the accident occurred about four miles west of Gunnison when a big truck-trailer jack-knifed and landed on top of the Boss pickup. Mr. Boss lived only an hour after the accident occurred. Mr. and Mrs. Boss were on their way home after working in the apple harvest.

Mr. Boss' body arrived in Clarendon early Wednesday morning but funeral arrangements are pending the condition of Mrs. Boss.

Mr. Boss, age 65, had been a resident of Clarendon since 1926, moving here from Hall County.

Survivors include his wife, Mrs. Katie Boss; two brothers, Sam J. Boss, Mayfield, Okla. and Edward Boss of Calif.; also 2 nieces and two nephews.

Hedley Festival Group To Be Here Monday

A motor caravan advertising the Hedley Cotton Festival will be in Clarendon at 4:15 Monday, October 4th. They made a brief stop here on the way to Amarillo the first day of the Tri-State Fair but they promise a full 20 minute stop-over here next Monday. Their plans also call for a stop at Lelia Lake at 4:55 Monday afternoon.

According to the last report from Clifford Johnson, publicity chairman, a mighty long parade on Saturday, October 9th at 1 p. m. is in prospect with 26 floats, 4 bands and two drum and bugle corps already signed up for sure and more additions are expected.

The dates for the Hedley Cotton Festival is October 8th and 9th, so make your plans now to help our neighbor make this their biggest and best festival ever.

Stop Taking
Harsh Drugs for
Constipation

Avoid Intestinal Upset! Get Relief This
Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

When you are temporarily constipated, get sure but gentle relief—without salts, without harsh drugs. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. The extract of Senna in Dr. Caldwell's is one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief of temporary constipation for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's. Money back if not satisfied. Mail bottle to Box 280, New York 18, N. Y.

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

There are four new books for our readers this week. The adults can enjoy "American Captain" by Edison Marshall. A story of the adventures of Homer Whitman, American Sailor, young when the last century was young. It has been stated that none of Edison Marshall's previous books; not even "Yankee Pasha" or "Caravan to Xanadu", has such panoramic sweep, or tells such a dynamic tale.

"Eight Weeks to Live" which is the last chapter in the "Life of Senator Robert Taft" tells his story those few weeks. No character could be more admirable, and if you have not read it in the Reader's Digest or this small book, please read it. This small volume of exceptional merit was given by Nettie Sims in memory of Mrs. John Endsley.

"Sea Star Orphan of Chinco-tague" by Marguerite Henry is a horse story for boys or girls that is a charming story, beautifully illustrated and interestingly told. We have several of her books on

A V-8 today...

While competition makes the mad scramble to give you V-8 power... sometime later on... Ford offers you the most modern V-8 in the industry today! And the Low-Friction design of Ford's 130 h.p. Y-block V-8 assures you lots more "Go" from your gas.

A Ball-Joint ride today...

Macadam... rutty... even "wash-board" back roads will seem much smoother in today's Ford! That's because, whether up or down, right or left, Ford's front wheels move about ball joints... the most advanced suspension in twenty years. Ball-Joint Front Suspension has made steering and handling a literal "breeze."

Up-to-date style today...

One of Ford's 14 distinctive body styles is going to say "you." And which ever model you finally decide on, you can be sure you're getting styling at its most "up-to-date" when you buy Ford.

Everything in and about today's Ford is the latest in taste. And, unlike today's other low-priced cars, it's the kind of taste that will still be in style years from now.

Miss Irene Moss Becomes Bride of Harold Gerner In Church Service

On the evening of September 24th, at 8:00 p.m., Miss Elizabeth Irene Moss, daughter of Mr. and Mrs. C. F. Moss, Clarendon, Texas, became the bride of John Harold Gerner, son of Mrs. Edward Gerner of Lelia Lake. The single-ring ceremony was read in the Calvary Baptist Church, Clarendon, Texas, with Rev. E. O. Phillips, pastor, officiating.

Vows were exchanged before an archway entwined with Salal and topped with wedding bells. Pink tapers in branched candelabra were flanked by floor baskets of white gladioli and pink asters marked with large pink satin ribbon. Ferns and palms completed the decoration.

Mrs. Dee Williams, pianist, played a nuptial prelude including "Always," "Believe Me If All Those Endearing Young Charms" by Moore; "I Love You Truly" by Carrie Jacobs-Bond; "I Love Thee" by Grieg; "Because" by D'Hardelot; "Traumerei" and "Romance" by Schumann; "Calm As The Night" by Bohn; "O' Promise Me" by DeKoven; and the traditional wedding marches.

Miss Sue Talley attended the bride as maid of honor. She wore a yellow linen dress complemented with brown and pink accessories, and carried a basket filled with pink carnations.

Billy Ray Alexander of Samnorwood attended the groom as best man. Ushers were Earl Shields and Gavin Webb of Lelia Lake.

Escorted to the altar and given in marriage by her father, C. F. Moss, the bride was lovely in a waltz length dress of teal blue

Florentine Faille. She wore a small shell hat in velvet and black velvet accessories. Her dress featured an empire waistline, three-quarter length sleeves and low neckline. The full skirt worn over crinoline was pleated onto a long torso. She carried a nosegay of white and pink carnations with french carnations secured in the love knots of the white satin streamers. All of the traditions of something old, new, borrowed, blue and a six pence in her shoe were carried out for luck.

Mrs. Moss, mother of the bride, wore an aqua linen dress complemented by black accessories and a corsage of white carnations. Mrs. Gerner, mother of the groom, chose a two piece dress of black faille with black accessories. She, too, wore a corsage of white carnations.

Immediately following the ceremony, a reception was held at the home of the bride's parents. The table was covered with an ecru lace cloth over pink. The center of the table was accented with pink tapers in crystal candelabra. Mrs. Bill Gerner served the tiered wedding cake and Mrs. Max Barclay of Amarillo ladeled punch. Miss Joan Hermesmyer of Jericho secured names for the bride's book.

Mrs. Gerner was graduated from Clarendon High School and attended Clarendon Junior College. The groom graduated from Lelia Lake High School. The couple will be at home in Clarendon where Mrs. Gerner will attend College and Mr. Gerner is co-owner and operator of Gerner Bros. Sinclair Service Station.

Mrs. Frank Elmore returned to her home at Quana Sunday after spending the larger portion of the summer in the Fontayne Elmore home.

Bacon - Barns Nuptials Read

Charlene Bacon, daughter of Mr. and Mrs. C. B. Mitchell, 232 Savage Avenue, Raton, N. M. was married Sunday afternoon, September 19th to Bert B. Barns of Albuquerque, son of Mrs. Lola Barns, Clarendon, Texas.

The double ring ceremony was performed in front of a bank of yellow and white chrysanthemums in the First Baptist Church at Raton by the Rev. Truitt Stovall. Preceding the ceremony Mrs. W. W. Pirnie played several piano solos including "I Love You Truly," "Always," and "Oh, Promise Me," and accompanied Miss Jackie Stovall as she sang "Because" and "The Lord's Prayer."

The bride, given in marriage by her father, wore a gown of white nylon tulle with an overskirt of embroidered nylon styled with a close-fitting bodice and off the shoulder neckline. Her contour halo veil of nylon tulle fell from an half circle of lilies-of-the-valley. She wore pearls and carried a bouquet of white pom-poms on her white Rainbow Bible.

Miss Donna Combest, cousin of the bride was Maid of Honor and wore a full length turquoise nylon gown with matching stole. Bridesmaids were Miss Marvel Atchison and Miss Joan Fessler who wore gowns of yellow nylon styled to match the Maid of Honor.

Harry W. Bygel, Jr. of Albuquerque served as best man to the groom. Ushers were Airman Ned Barns of Shreveport and W. H. Kolb of Raton, brother and brother-in-law of the groom.

The bride's mother wore a turquoise crepe dressmaker suit with black accessories and a white pom-pom corsage. Mrs. Barns, the groom's mother, wore a dark two piece dress with matching accessories and a white corsage.

The reception was held immediately following the ceremony in Fellowship Hall of the church. The hall was appropriately decorated in the bride's chosen colors of turquoise and yellow. Mrs. Jay Ellis and Miss Nancy Woodhouse presided at the punch bowl

and Miss Albera Tomasco served the cake while Miss Combest attended the guest book. Flower arrangements were by Mrs. Ida Mae Ashley and Miss Minta McAninch was in charge of table decorations.

Out of town guests attending the wedding were Lola Furman, Sharon Furman, Lanny Furman, Mr. and Mrs. Harry W. Bygel, Mr. and Mrs. R. B. Salter, Mr. and Mrs. Harry W. Bygel Jr., Wayne Reynolds, Bill Scheutz (Albuquerque); Mr. and Mrs. Joe A. Barns, C. J. Lurer, Mr. and Mrs. Wesley Moore, Mr. and Mrs. Sam Mitchell, Mrs. Pearl Capp, Mrs. Fiesta V. Markham, Barbara Martin, Mr. and Mrs. Harry Martin, Mrs. Nettie Bacon, Mrs. Gene Leatherman, Anna Leatherman, Dale Leatherman, Vera Leurer, Mrs. Allie McQuary, Leonard Brown, Mrs. Jay Ellis.

For her going away ensemble the bride chose a turquoise suit, with pink blouse and dark accessories. After a short wedding trip in northern New Mexico the couple will reside at 4121 Mesa Verde NE, Albuquerque until their home is completed at 2800 Alvarado Drive NE.

O'Neal - Shepperd Nuptials Read

In an informal double-ring ceremony September 18, at the Clarendon Church of Christ, Miss Beverly Ruth O'Neal, daughter of Mr. and Mrs. Boots O'Neal of Clarendon, Texas, became the bride of Clyde Shepperd, son of Mr. and Mrs. R. C. Shepperd of Channing, Texas. Bert Wells, Minister, officiated.

Vows were read beneath an archway decorated with pink gladioli and topped with white wedding bells tied with pink satin streamers. Flanking the archway were candelabra with white tapers and floor baskets of pink gladioli. In the background were arrangements of palms and ferns.

Miss Sue Shepperd, sister of the groom, attended the bride as maid of honor. She wore a navy blue dress accented by a corsage of pink carnations.

Wes O'Neal, brother of the bride, was best man.

For her wedding, the bride chose a navy blue dress styled with a bouffant skirt and fitted bodice featuring a princess collar and three-quarter length sleeves. She wore navy accessories and a corsage of white carnations and white sweetheart roses.

Members of both families and close friends attended.

The couple will be at home in Channing where the groom is employed by a gravel-construction company. —Reporter.

M-SYSTEM ADDS NEW VEGETABLE CASES

Among numerous additions of equipment and fixtures during the past several months, the M-System Grocery has installed two new refrigerated vegetable cases along the northeast corner of their establishment this past week. Dick Vallance, manager of the store, announced that they were of the newest design to keep fresh fruits and vegetables at their best.

Bennie Darnell, son of Mr. and Mrs. Pete Darnell, who received a serious injury to his left hand Sept. 16 at Amarillo, has been moved to an Albuquerque hospital and was scheduled to undergo further surgery on his hand.

Mr. and Mrs. Albert Graves of Kansas City visited recently in the home of Miss Mantie Graves and Mr. and Mrs. J. T. Patman.

Mr. and Mrs. A. L. Wood announce the arrival of a girl born Sept. 22nd at a Memphis hospital. She weighed 7½ lbs. and was named Cheryl Ann. The grandparents are Mr. and Mrs. L. L. Wood and Mr. J. T. Pearson.

Mr. and Mrs. L. L. Wood were in Dallas the past week for medical care, returning home Wed.

VACATION IN EAST

Mr. and Mrs. Redell Henson, Sharon and Wes returned home Friday after a vacation spent in Washington, D. C. and Norfolk, Virginia. In Norfolk, they visited with Mr. Henson's brother, RM/3 Floyd Henson at the Naval Base there. They returned home by way of Kentucky and St. Louis, Missouri reporting a wonderful trip.

Rev. and Mrs. James L. Gilbert of Morgan, Texas, are the proud parents of a boy, born Sept. 21. He weighed 10 lbs. and was named Daniel Eugene. Rev. Gilbert is a former pastor of the United Pentecostal Church here.

Deborah Lynn is the name given to the little girl who came September 24th to make her home with Mr. and Mrs. Alfred Shields of Dalhart. Deborah weighed 6 lbs.

Mr. and Mrs. Lewis Wood of Amarillo visited his parents, Mr. and Mrs. L. L. Wood Sunday.

PLOWIN' Out the CORNERS

Uncle Zeb

One of our readers from way up in Oberlin, Kans., Dorothy Johnson, sends us the following: It is called—

WHAT ABOUT YOU?

A lot of church members are like wheelbarrows, not good unless pushed.

Some are like canoes; they need to be paddled.

Some are like kites — if you don't keep string on them they'll fly away.

Some are like kittens—they are more contented when petted.

Some are like footballs — you can't tell which way they will bounce next.

Some are like balloons—full of wind and ready to blow up.

Some are like trailers — they have to be pulled.

Some are like lights—they keep going off and on.

Some are like the North Star—there when you need them, dependable, ever loyal and a guide to others.

We are afraid we would fail terribly should we give ourselves a score on the above. Anyway, thanks Miss Dorothy for sending us so many good clippings in the past. She is an ex-school teacher who ran head on into an awful round with that crippling arthritis some years back and has had to give up her profession. If you would like to drop her a card you could do so at 307 N. East St., Oberlin, Kansas. Another that she included:

"You are not what you think you are, but what you think, you are."

"You need three things for burning leaves; A rake, a match, and by your side (To make the ceremony true)

A child to watch you all wide-eyed."

"Every little word you say To help another on life's way Ar any kindly deed you do Returns a thousand fold to you."

"When we have responsibility on our shoulders there is usually not so much room for chips."

"Hitting the ceiling is not the best way to go up in the world."

Someone has said that: "The greatest undeveloped territory in the world is underneath our hats."

"It doesn't do to do much talking When you're mad enough to choke,

For the word that hits the hardest Is the one that's never spoke.

Let the other fellow do the talking

"Till the storm has rolled away, Then he'll do a lot of thinking 'Bout the things you didn't say."

A rich man said to his pastor, "Why is it that everybody is always calling me miserly when everyone knows that I have made provision to leave everything that I have to charity when I die."

"Well," replied the pastor, "Let me tell you a story about a pig and a cow. The pig was lamenting his lack of popularity. He complained to the cow that people were always talking about her gentleness and kind eyes. He admitted that the cow gave milk and cream but maintained that

the pigs gave more. He asserted that pigs gave bacon and hams and bristles and that people even pickled their feet. He demanded a reason for such a lack of appreciation. The cow thought a while and said, "Maybe it's because I give while I'm still living."

Smith Harred asks for another membership card in the Aint Smoking Right Now Society. He hopes this card has more helping power than the last one we gave him as it lasted only nine months and he then broke over and started smoking. Glad to replace the membership card over and over but For Goodness sake Smith, Don't Stump Your Toe, No MO'.

ASHTOLA NEWS

Mrs. Doyce Graham

Charles Thompson was honored with a birthday party Sunday afternoon in the home of his grandparents, Mr. and Mrs. C. B. Harp. His teachers and several friends came to share the happy occasion. Ice cream and cake were served.

Want to make the Beautiful Buy?

You can't beat success in an automobile for proof of value. So take a look at the national sales figures and you find this fact: Buick today is outselling all other cars in America—regardless of price class—except two of the so-called "low-price three." And when you look at the "tomorrow" styling of this glamorous beauty—when you try it for V8 power, for room, for comfort, for ride—and when you check its low delivered price—you have all the reasons for Buick's soaring success.

Want to get the Top Allowance on your present car?

The more cars we sell, the better deal we can make with you. So with our tremendous volume right now, we can offer you more money as an allowance on your present car when you trade it in for a new Buick. That means we're passing our success on to you where it counts—in the fewer dollars you pay for this dazzling new Buick.

Want to be sure of a High Resale Value?

You can see for yourself that Buick today is graced with modern beauty—year-ahead styling that's bound to stay fresh and new-looking for years to come. It's what the other cars will come to in the future—even to that broad panoramic windshield that's on every new Buick today. So you can be sure that you'll trade high later when you're ready to resell the Buick you buy right now. Come in—this very week—and make the buy of the year in Buick. You'll find you're way ahead now—and at trade-in time well in the future.

Now's the time to make your buy because—

Buick Sales are Soaring!

THE LION'S TALE

By Carl Allmond

We didn't make the "dead-line" last week, due to mother-in-law trouble; she wanted to see the Ice Show, so up we went. Just wonder if any of you close observers noticed the spot about the size of a quarter on Sonja Henie's left limb, about twelve and three quarter inches from her knee . . . It was a good show, and we tried not to miss any of the details.

Mrs. R. S. Greene, Memphis and the Panhandle's own (playwright), presented two of her original skits last Tuesday. We appreciate her coming up to give our program and thanks to Mrs. Dick Shelton.

Well it has happened — Butch Lane, attendance chairman, announced Tuesday that the Club has purchased a goose, instead of a goat, to be shuttled among the absentees. The names of the absentees will be placed in a pot, and the unlucky Lion will be goose-tender for a week. If the goose loses weight during that time, the "custodian" will have to keep him another week. Ole Drennan doesn't know the facts of life — it was proved Tuesday, when announced that we wouldn't have the goat. He threw up both hands and shouted for joy. We hope Drennan has to keep the goose on his back porch; he'll learn!

Evidently the word got around before Tuesday, as we had only nine absent. They'll "make up" before next Tuesday. Henry Tatum was there Tuesday for the first time in almost a year. We predict he also will be regular from now on. John Head wanted to know what would happen if the goose died. Just a dollar a pound, John—that would be pretty high eating.

Ticket sales for our 32nd Anniversary banquet will close Saturday noon, Oct. 2nd. Don't fail to get your tickets; we want you to come help us celebrate, and hear a good speaker. We have been fortunate in that we have heard Delbert Downing on three

occasions, and are looking forward to hearing him again. There won't be a dull moment! Our District Governor will be honored at this event, and it will also be his official visit.

Clarendon has two brand new signs; The Donley Hotel and Kelly Chamberlain Insurance. Kelly almost wore out two cars riding up and down the highway, looking at his sign. We don't blame him — we drive around every night, just to admire these two eye-catchers.

If Bill Lowe and Butch Lane had any melody, they would be tops for a duet—they have plenty of volume. Maybe they want to sing a duet. We think we could stand it.

Lion Scales was up from Hedley to promote the Cotton Festival on Oct. 8th & 9th. He brought some good "promoters" with him. Something about Hedley — they come up every year or so with a new crop of good looking girls, who are real entertainers. Scales was in charge of the program, and introduced Misses Sandie Youree, Mickey Wynn and Jane White who sang two numbers; Miss Houdashell was at the piano. The least we could do to show our appreciation to Hedley would be to attend the Cotton Festival.

SUPT. TRUITT HOME FROM HOSPITAL

Friends of Supt. H. W. Truitt will be happy to learn that he was able to return to his home here Monday evening from the Pampa hospital where he has been a patient for the past two weeks following an auto accident. He is reported improving nicely, but it is understood that he will be compelled to take it easy for quite some time yet before resuming his active duties with the school.

Dr. and Mrs. Charles M. Rose of Wichita, Kansas visited a few days last week with Miss Anna Moores and Mr. and Mrs. Emmet Simmons.

GREENBELT MUNICIPAL AND INDUSTRIAL WATER AUTHORITY

Questions & Answers

(Continued from last week)

QUESTION: What will be the security pledged to the payment of these bonds?

ANSWER:

This is a natural and logical question for its answer you can determine just what the cost will be to your city and its citizens. The answer is that there are definite fixed annual requirements for principal and interest which must be paid as it becomes due. Therefore, since the income to the Authority must come primarily from the cities, there must be fixed agreements with the cities. Each city will be expected to enter into a long term contract to purchase a minimum amount of water from the Authority. It has been estimated that the present daily usage of water in the various cities is 100 gallons per day per capita so the plan is that the initial contract with each city shall be placed at a minimum of 100 gallons per day per capita and the minimum price is to be 25c per thousand gallons. As an illustration, the following is a preliminary estimate of the anticipated annual payments required from each city having membership in the Authority for water delivered into the tank:

Name of City	Annual Payment
Clarendon	\$ 34,644
Hedley	9,292
Memphis	75,692
Wellington	61,680
Childress	125,616
Paducah	35,232
Quanah	58,092
McLean	23,652
Shamrock	58,711

QUESTION:

Will it be possible to lower this charge of 25c per thousand gallons when any city uses more water than called for in its minimum purchase contracts?

ANSWER:

Yes. This price will be flexible and subject to reduction as increased water sales are made. As an example, if a contract with a city is made whereby the Authority agrees to sell and the City agrees to purchase a minimum of 500,000 gallons of water daily, the dollar price accruing from this contract at 25c per thousand gallons will be \$125.00 daily. This becomes a fixed requirement which can be reduced when the income from the over-all sale of water by the Authority becomes sufficient that the price can be lowered by the Board of Directors. This project being entirely new, it is necessary to make a fixed minimum dollar amount in order to provide security for payment of the debt service on the bonds. However, in order to encourage initiative and aggressiveness by each member city of the Authority, it is contemplated that when each city finds a market for an amount of water above its

fixed minimum, that the price to the city for this additional water should be reduced to probably as low as 10c per thousand gallons, according to quantity of water used. In other words, the more water each city can use, the cheaper will be the gallonage price, thus giving encouragement for water sales to industry.

QUESTION: Does the Authority have any immediate prospects for sale of industrial water?

ANSWER:

Yes, the Authority has an immediate prospective customer for about one million gallons per day, year-round, with possible increases in succeeding ten-year periods. There are also some other industries in the area which should be good for a purchase of substantial amounts of water.

QUESTION: What has been the history of water sales by similar projects which have heretofore been constructed?

ANSWER:

Such projects usually follow the pattern that nearing the completion of the project, or as soon as it is assured that the project is financed, construction contracts are let, there come unexpected demands for water. It seems likely that such will be the case in this instance; especially after this lake of 100,000 acre feet of water is actually visible.

QUESTION: What will be the size of the pipe line to be used in transporting this water to the various cities?

ANSWER:

The engineers plan to provide a pipe line of sufficient size that will be capable of delivering twice as much water as the present maximum summertime use in each city.

QUESTION:

Will there be enough income from water sales from the beginning of operations to pay the debt service on the bonds to be issued?

ANSWER:

There will not be sufficient income from water sales at the beginning of operations to pay the debt service on the bonds and the reserves necessary to be established.

QUESTION: Since there will not be enough net income from the sale of water at the beginning of operations to establish reserves and meet debt service requirements, how will this deficit be provided?

ANSWER:

By a supplemental tax levy to be made by the Authority in each member city of the Authority.

QUESTION:

Will this tax be levied by each city?

ANSWER:

No tax will be levied by any city, so it will not be charged to the taxing power of any city.

QUESTION:

Does the Authority itself have the power to levy a tax for the discharge of indebtedness and so, how much can the Authority

levy?

ANSWER:

The law gives the Authority the power to levy whatever amount of tax might be needed as determined by the Board of Directors. This power is established in order to be prepared to meet any possible future disaster requirement either temporary or permanent, to protect the interests of the property-owners within the boundaries of the Authority. In this instance, it is anticipated that a tax of approximately 30c on the one hundred dollar valuation will be required to obtain approval of the Attorney General and give marketability to the bonds.

QUESTION:

How long will this tax have to be levied?

ANSWER:

This tax levy will be required until income from water sales has become sufficient to meet average annual debt service requirements and establish a reserve fund in an amount equal to eighteen months' principal and interest requirements on the bonded indebtedness.

QUESTION:

Can a tax be levied without a vote of the taxpayers in the boundaries of the Authority?

ANSWER:

No tax can be levied without a vote of the majority of the property-owning taxpayers; this taxing power authority will be voted upon when the bond election is held.

QUESTION:

What is the next procedure in the creation of this Authority?

ANSWER:

The next procedure necessary to preserve the water rights granted to this Authority and to complete its legal status is to call what is known as a confirmation election in each member city of the Authority to vote upon the question of whether they do or do not wish to become a member of the Authority. Each city thereby gives expression to its acceptance or rejection of such membership.

ship.

QUESTION:

Does this confirmation election have anything to do with the voting of bonds or water purchase agreements?

ANSWER:

It does not, but if a city votes to become a member of the Authority it then becomes a fixed part of the Authority unit and will be bound by a majority vote of the taxpayers within the Authority; however, such city does have the right to withdraw from the Authority by a petition from such city, filed with the Secretary of the Authority before the election on bonds has been called. If any city should not desire to participate in the confirmation election, the Secretary of the Authority should be officially notified before the election is called.

QUESTION:

Who has a right to vote in the confirmation or other elections of the Authority?

ANSWER:

Property owners only, who have paid their poll tax, have the right to vote in these elections.

QUESTION:

When will the election for confirmation of the Authority be held?

ANSWER:

The date of this election has not been set. It will not be held until there is a good general understanding of this program, what it means to the area served, what responsibilities it imposes. It is a major project. The water will not become cheap until this abundant supply of water finds more sales than are available right at this moment. Water is a priceless asset where there is little available. The lake should be there a long time. According to history of such projects, water sales should increase from year to year and when the bonds are paid, the water should be very cheap. Western people are aggressive and courageous, and teamwork in this Greenbelt District could bring much industry, furnishing payrolls to

bridge over the difficult years.

QUESTION:

How are the Board of Directors to be named?

ANSWER:

The governing body of each city in the District will appoint one property owning taxpayer who does not hold any other public office as a member of the Board of Directors. The Directors will serve on a rotation basis, with each town having one member on the Board of Directors at all times.

QUESTION: What cities now have definite membership in the Authority?

ANSWER:

Clarendon, Hedley, Memphis, Wellington, Childress, Paducah, Quanah.

QUESTION:

Are the above named cities the only ones in which confirmation election is to be held?

ANSWER:

Yes, these are the only cities named in the legislative act. The cities of Shamrock and McLean have indicated an interest in the project so estimates have been made upon their possible participation.

QUESTION:

How can Shamrock and McLean or any other city become members of the Authority?

ANSWER:

By a petition of property owners, and when approved by the Authority an election must be held in the city which has indicated a desire to participate as a member of the Authority, thus sharing the same benefits and liabilities as the original members.
