## March of Dimes Dance To Be Held Friday Night

Charlie Murphy, dance chairman for the March of Dimes drive, announced the first of the week that the weather forecasters had given the committee encouragement in regard to fair weather and definite plans were made to hold the annual March of Dimes dance this Friday night. The dance date was first set for January 28 but had to be postponed due to the severe snow storm at that time.

The West Texas Collegians of Canyon will play for the dance as first planned and according to previous engagements here, this band is very capable and will play old and new tunes you love to hear and dance to. The dance will be held at the Clarendon Opera House beginning at 9 p.m.

Mr. Murphy added, "We are urging everyone who likes to dance or who likes to listen to good dance music to come out and help us make this last program of the drive a great success." Mr. Murphy said: "You can get real enjoyment and be helping a deserving cause at the same time."

Mrs. Johnnie Blocker Jr., chairman of the Polio Drive in Donley County, has reported that only about half of the March of Dimes goal had been reached and your donations will still be gladly accepted or your presence at the dance will be appreciated.

Mr. and Mrs. B. R. Flowers of Hereford spent the week end with their daughter and family, Mr. and Mrs. G. W. Bradshaw.

## Mrs. Cap Morris Elected Chairman Of Youth Project

At a meeting of approximately two hundred townspeople and youths at the college auditorium Monday afternoon, Mrs. Cap Morris was elected general chairman of the youth center organization. This is an organization to help our young people with the youth center which is located northwest of the Lions Club Hall.

A finance committee, furnishings committee and constitution and By-Laws committee, composed of both adults and youths was appointed so that actual work on the new organization could begin.

Mrs. M. C. Goodner made the first contribution of \$25 to the finance committee in memory of her son, Tommie Goodner. Other citizens of the county will be given an opportunity to help in whatever manner they wish.

Mrs. Morris reported that all civic clubs of the town are behind the movement and stressed that this youth center was for all young people in the county and not just for the youth of Clarendon.

The next meeting has been called for next Monday afternoon at 2 p. m. at the College auditorium and every parent or person interested in the movement is urged to come, especially representatives of each civic club.

## CITY STREET WORK APPRECIATED

It has been quite a problem for the city to even start to keep up with the street work which has been necessitated by the heavy moisture but they have kept all available machinery operating from early to late in order to make as many roads passable as possible. Main traveled streets have been worked first and all others will be bladed just as soon as possible one city official stated.

## WILL SELL REGISTERED HEREFORD BULL

Bill Porter, Donley county 4-H Club boy, will sell his registered Hereford bull on the 25th of this month at the Donley County Fat Stock Show, H. M. Breedlove, county agent, says the bull is a good calf and will be a year old the middle of April. The calf is out of the J. R. Porter registered cattle and with the sale of the bull goes the registration papers to the buyer. Bids have already been left on the bull and any one interested can contact Bill Porter or Breedlove and they will be glad to show the bull.

The final sale will be at the Donley County Fat Stock Show. Bill is selling his bull and plans to put the proceeds in his 4-H Club beef cattle feeding program next year. The bull is gentle and not full fed, but in good range shape just like the rancher likes to buy them.

H. A. Hodges was in Okla. City Monday attending a Ford Tractor Dealers meeting.

## Indian Chiefs Want Tribal Lands Restored

WASHINGTON, D. C.—Wearing full Indian dress, chiefs of the Sanpoil and Moses Columbia Indian tribes, at Colville, Wash., appeared before a House Public Lands subcommittee on Indian affairs to testify on a bill which would restore to tribal ownership certain lands upon the Colville Reservation.

Left to right are Chief Peter Dan Moses, 84, of the Moses Columbia Tribe; Subcommittee Chairman Toby (CQ) Morris, (D) of Okla.; Chief Jim James, 71, of the Sanpoil Tribe, and Rep. Walt Horan, (R) of Wash., checking map of territory in question.

## Donley Fat Stock Show To Feature Premium Animals

The Donley County Fat Stock Show to be held in Clarendon on February 25th at the new show barns on the Brice highway will be a big affair for the 4-H and FFA boys of Donley County. The show will have about fifty head of fat livestock, including beef calves, swine and lambs. The show will be judged by Mr. L. M. Hargrave of Texas Tech College.

H. M. Breedlove, county agent and manager of the shows, says that all livestock will be in the barns by nine o'clock in the morning and will remain in place until five o'clock in the afternoon when they will be loaded out for the Amarillo fat stock show.

## \$161,000,000.00 SECRET RADAR AIR DEFENSE PLAN

WASHINGTON, D. C.—The Air Force has laid before Congress a joint U. S.-Canadian plan to build Radar picket stations in continental U. S. and Alaska to give warning of approaching enemy attack. The aircraft control and warning system with stations at secret points within the defense areas shown on above chart would cost \$161,000,000.00.

## TWO ANNOUNCE FOR MAYOR THIS WEEK

According to Mrs. Mae Shaver, City Secretary, two candidates have announced for the office of Mayor of our fair little city. The first to file was Joe F. Jones who was followed closely by Major B. Hudson. Mr. Jones is connected with the local Airport and Mr. Hudson is one of the owners of Hudson Bros. Machinery Co.

It has been understood that our present Mayor, Cap Morris, will not seek re-election to the office. The deadline for the filing date is 30 days before election date which is April 5th.

In the city election a Mayor is elected one year and two commissioners are elected on the alternate year. Present commissioners are B. N. Head and Chas. Speed.

## AVIATION CLUB DANCE SATURDAY NIGHT

It was announced yesterday that the Donley County Aviation club would hold their annual monthly dance this Saturday night at the airport beginning at 8:30 p. m. Those in charge stated that the weatherman was forecasting in their favor this time and a good solid road is in prospect. The last dance was almost rained out although a few were able to reach the airport and get back to town without getting stuck very many times.

A good variety of recordings of old and modern tunes have been obtained and an enjoyable time is assured for those who wish to attend. The public is invited to come. Hot coffee and cokes will be available.

## BAND PARENTS MEETING

Notice has been made that a meeting of the Band Parents organization will be held Monday evening February 21st at 7:30 in the band room. All members are urged to be present.

## PANHANDLE BAPTIST ASSOCIATIONAL WORKER'S CONFERENCE FEB. 22

The Worker's Conference of the Panhandle Baptist Association will meet with the First Baptist Church Tuesday, Feb. 22 beginning at 10:00 a. m. The theme of the program is "The Christian Life". Some of the speakers are: Rev. C. W. Lisenbee, Hedley; Rev. C. R. Tension, Memphis; Rev. P. A. Powell, Turkey and Rev. Rufus Strickland, Martin. Lunch will be served at the church at noon.

"We welcome all our friends in Clarendon," stated Rev. L. A. Sartain, local pastor.

## Clarendon Well Represented At Hardware & Implement Convention At Amarillo

Clarendon was well represented at the Tri-State Hardware and Implement Association convention held at Amarillo Monday and Tuesday. Sam Hergert of Perryton was moved into the president's position, G. Thompson of Hobbs was moved up to Vice-President and Homer Estlack, local Allis-Chalmers dealer, was elected to fill the vacancy on the board of directors. Other directors who move up one notch are E. C. Armstrong, Clovis; R. P. Isaacs, Clayton, N. M.; L. A. French, Quanah; E. W. Brasch, Levelland, and Julius W. Cox of Boise City, Okla. C. L. Thompson, Carl Harrison, and A. S. Meinecke of Lubbock are on the Advisory Board.

Practically every hardware and implement firm in Clarendon was represented at the meeting. Those attending were Mr. and Mrs. George Thompson, L. E. Thompson, Mr. and Mrs. Homer Estlack, Mr. and Mrs. O. C. Watson and George, Barcus Antrobus, Mrs. Lena Antrobus, Carl Bennett Jr., Major and Clyde Hudson, Ray J. Noblitt and Beecher Bristow.

## Boxing Event With Wellington Tonite

### NEW LICENSE PLATES GOING SLOW

The new 1949 vehicle license plates must not be quite so popular according to the number of sales so far this year. The tax office personnel are beginning to think about the situation considerably as they can foresee a mad rush on down the line unless more consistent buying appears right away. They wish to remind all vehicle owners to bring your old receipt and certificate of title as you will need them both to get your new tags. They are also reminding that a number of vehicles in the county are still carrying out of state tags which have run beyond their time limit and new tags should be purchased right away before the law steps in.

It is permissible to purchase your new tags and put them on right away if you desire.

It will be a big night tonight for local boxing fans as one of the best invitation meets of the season is slated here with the locals meeting the pugilists from Wellington. The boxing will start at 8 p. m. sharp at the local gym.

Ticket sales for the 15 or more bouts have been going good according to a statement from Charlie Murphy who has been in charge of the ticket sales. "We still have quite a few good seats left, so if you don't have yours, just come on up and you will find a seat where you can enjoy the bouts."

It has been reported that John Lee, Wellington coach, plans to bring over his best material with a good number of boys being in the heavier weight bracket. Coach Clinton reports that the local boxers are in good condition and are anxious to mix it up with the Wellington boys all the way through.

There have been exceptionally good fights in previous meetings of these two teams and the same is expected for tonight. Don't forget the time is 8 p. m. and be sure to buy you a coke and some pop corn to help steady your nerves.

## Lions Raising Money To Buy Eye Machine

This past week a large number of letters were mailed out by the local Lions Club in quest of contributions to purchase a Tachistoscope machine for use in the schools of the county in testing the eyes of pupils to determine if they are seeing properly. If you failed to receive one of the letters that were mailed and would like to contribute to this worthy project just mail your check to the Sight Conservation Committee, Clarendon Lions Club.

A great many schools over the country are now using this type machine and having wonderful results from it. When it has been determined that a child's eyes are defective, the case will be called to the attention of parents, so they can go to an Oculist of their choice for glasses if needed. In case parents are unable to buy glasses, then the Lions Club will bear the expense of getting them fitted with proper lenses. To do this and buy this machine, will take a lot of money and it is the feeling of the Lions Club that many of you throughout the county would like to have a part in this worthy undertaking.

The committee is asking that if you haven't already mailed in your check or bill to do so right away so this machine may be put into operation soon.

## Rites Today For Pioneer Resident

Funeral services will be held at 3 p. m. this afternoon (Thursday) for Carlisle Risley at the Murphy-Spicer Funeral Chapel with Rev. L. A. Sartain officiating.

Mr. Risley, age 91, died in an Amarillo hospital Tuesday night following a quite lengthy illness. He had been a resident of Donley County for the past 42 years and was a mail carrier here for a number of years. He had been a member of the Baptist church since 1897. Mrs. Risley preceded him in death in April, 1946.

Survivors include three daughters, Mrs. Mary Parker, Los Angeles; Mrs. Opal McCracken, Amarillo; Mrs. Georgiana Stanford, Clarendon; three sons, J. E. Risley, Whitright, Texas; Charlie Risley, Albuquerque and A. F. Risley, Clarendon. Also twenty-two grand children and twenty-five great grand children.

Pallbearers will be Ned Scaff, Bill Rowe, J. W. Rhodes, Bill Johnson, Chas. Oakley and W. O. Butler.

Burial will be in Citizens Cemetery with the Murphy-Spicer Funeral Home in charge of arrangements.

**M. M. McCULLY RECEIVES APPOINTMENT**

Secretary of Labor Maurice J. Tobin today announced the appointment of M. M. McCully of Clarendon as a volunteer Veterans' Reemployment Rights Committeeman with the Bureau of Veterans' Reemployment Rights under the Selective Service Act of 1948.

Mr. McCully has served as a volunteer Committeeman under the Selective Training and Service Act of 1940 in this area for the past 1 1/2 years. Mr. McCully's duties as a volunteer Committeeman will be to assist the returning veterans in securing a proper reinstatement to their pre-service positions, upon request to advise employers of their responsibilities under the law, and to advise employer, labor, veteran, or other interested groups of the reemployment provisions of the Selective Service Act of 1948.

Mr. McCully will continue to serve veterans of World War II who are seeking their reemployment rights under the Act of 1940. Commenting on this ap-

pointment Secretary Tobin paid high tribute to the thousands of volunteer committeemen thruout the country who have been of inestimable assistance to returning servicemen in securing their proper restoration to their former positions.

**DIVIDENDS PAID ON NFLA STOCK**

The Donley County National Farm Loan Association this week mailed checks, representing a 10% dividend on their capital stock, to all members on record as of November 30, 1948; according to a statement by Mr. Rayburn L. Smith, Secretary-Treasurer of the organization.

Since March 1944, the total dividends received by Donley County farmers and ranchers as members of this co-operative credit agency amount to \$14,911.50. Mr. Smith explained that the interest rate on a Federal Land Bank Loan is 4%, but this distribution of earnings brought the average cost to only 3 1/2% on all loans in Donley County in 1948.

The desirability of obtaining funds to purchase farms, or for improvements and many other agricultural purposes through this home owned and operated association is attested to by many farmers and ranchers who have acquired debt free homes the Federal Loan way.

For details of this loan service, Mr. Smith solicits interviews at the N.F.L.A. office which is open six days each week in the Mulkey Theatre building in Clarendon, Texas.

Dewey Herndon of Oklahoma was in Clarendon Saturday seeing friends and attending to business.

Mr. and Mrs. Geo. Thompson spent the week end in Amarillo and attended the Hardware Convention Monday and Tuesday.

**Good Soil Practices Mean Less Blowing**

FORT WORTH—Good soil moisture has given western Texas and Oklahoma temporary rest from wind erosion although large acre-

ages are still without enough cover to prevent blowing when the soil's surface dries. Regional Soil Conservation Service Director Louis P. Merrill pointed out that the principal benefit from the recent rains and

snow is that farmers now can produce a crop that, with a good cropping pattern and properly managed stubble, will help to prevent blowing on a large scale next year.

Mid-January reports from soil conservation field men in Oklahoma and Texas show 4,612,934 acres in the two states without good enough plant cover to prevent blowing when the soil's surface dries. Of this, 3,119,853 acres are in Texas. Merrill explained that this two-state figure, which represents the main blow hazard in the United States, can be cut sharply as farmers and ranchers take advantage of the opportunity to get and keep good plant cover on their lands.

"Farmers and ranchers who are cooperating with their soil conservation districts already know the measures they need to take to prevent wind erosion next year," Merrill said. "The others can use a few basic practices and aid greatly in reducing the erosion hazard. The supervising boards of soil conservation districts can make good use of this opportunity to get general cooperation among landowners and land operators to cut down next year's blowing. It's a job that must be done a year ahead."

The immediate value of recent rains and snow, Merrill explained, is that farmers are able to list and chisel their lands to offer a cloddy or furrowed surface against possible soil movement. The moisture means in most areas that farmers can prepare their land for spring planting with the assurance that they will be able to get a crop up.

The rain and snow of course will give new impetus to young stands of small grain and in some areas already have assured good soil cover, Merrill said.

Grasslands have suffered greatly from drouth and the new moisture will mean good early growth where the more desirable plants

are still in good condition and some cover from winter weeds and grasses.

Grass seeding on damaged lands now can be carried on with moisture present to insure germination. A better than usual supply of grass seed will help to speed up this part of the soil conservation program.

On the deep sandy soils a dead cover of sorghum or sudan in which to seed grass is needed. These crops can now be planted to give cover for seeding the grass in the spring of 1950.

In row crop areas soil conservationists are recommending a field strip type of farming which, when the winds blow next fall, will lessen damage from wind erosion. In peanuts and cotton producing areas such a pattern would include strips of sorghum with stalks left high, to protect fields of cotton and peanuts.

Merrill said that reports from field representatives of the Soil Conservation Service show that many soil conservation districts are working hard on campaigns to protect land in their districts next year. Some of these boards are conducting tours to show farmers the value of field strips and residue management practices. They are carrying on information programs through newspapers and radio channels to urge farmers to apply preventive measures.

Reports show that little or no damage has occurred this year on land where stubble and other crop residue had been left on the surface. Merrill pointed out that experiences of the last two years have impressed upon many farmers the value of crop residue management, strip cropping, crop rotations, cover crops and other good soil practices.

"We in the Soil Conservation Service feel much encouraged by the evidence of interest on the part of many farmers who previously had felt they could get along without some of the practices soil conservation districts

and SCS were recommending" Merrill said. "I am convinced that wind erosion will not be as widespread even if we do have another dry summer and fall. Farmers are learning that they must leave crop residue on their land until they have enough soil moisture to get another crop up."

**OLD PATHS**  
By **DOYLE WILLIAMS**  
Minister  
Church  
of Christ

The subject matter of this cohesion of Articles, Spiritual success in this world, and happiness in the world to come, will be the consideration of the word of God, from the beginning of the creation to the present. To say anything strictly new would be impossible; nor would we presume our knowledge sublime to that of the maxims of the wise and best. Therefore the best that any one can do, is compile such thoughts and testimony, as has originated in the mind of God; and offer them in the words of the poet:

"We have gathered poses from only God's flowers, nothing but the threads that binds them is ours."

God ordained in life a path, A Royal path. Alas! that so many not urged to seek life's prizes, fail to find them. It is hoped these articles will be a counselor to those who have become indifferent to life's purposes; a comfort to those who have long traveled this path; and will serve to awaken the slumbering genius within the youth, stimulate and impel them to noble thoughts and actions, and lead them on to a beautiful life here, and an eternity of happiness. The writer will consider himself paid. Yea! fourfold. We point to two ways in life.

and if the young man and maiden, will consider these two ways soberly and earnestly, before moving onward, and choose the one that God tells them that leads to honor, success, and happiness, they have wisely chosen, "God's Path of Life." The other way is too well known to need description. It is a sad thing, after a lapse of years; to find ourselves amid ruined hopes; to sit down with folded hands and say, "thus far life has been a failure."

Yet, to many this is the wretched summing up. After a score of years with reason at the helm, without God. Alas! so few who start wrong, ever succeed in finding the true path of life to God, but only find it a burdensome mill stone about the neck. Dear

reader, God given life is a "beautiful path," and to you it shall be a millstone about your neck, or a diadem on your brow. Decide at once upon that noble path that leads to God, then take it up bravely, bear it joyfully, lay it down triumphantly. O! where is the man upon serious thought, that will refuse to subject himself to God. (Adv.)

STYLELINE DE LUXE  
4-DOOR SEDAN

**The most Beautiful BUY for Styling**

Millions of people all across America—and undoubtedly your friends and neighbors, too—are hailing the "luxury look" of Chevrolet for '49. It's the beauty-leader, all right—inside, outside, and from every point of view! For the bodies are by Fisher—*finest of all car bodies*—found only on Chevrolet and higher-priced cars.

**The most Beautiful BUY for Comfort**

You'll enjoy a new and finer kind of comfort in this car. The perfectly relaxed comfort of "Five-Foot Seats" plus extra-generous head, leg and elbowroom. Moreover, it's a "car that breathes" for an advanced heating and ventilating system inhales outside air and exhales stale air.  
\*(Heater and defroster units optional at extra cost.)

**The most Beautiful BUY for Driving and Riding Ease—with new Center-Point Design**

What a thrilling experience will be yours when you take your first ride in Chevrolet for '49! New Center-Point Design—including Center-Point Steering, Center-Point Seating, Lower Center of Gravity and Center-Point Rear Suspension—provides driving and riding results heretofore available only to owners of more costly cars. Here is another "first" for Chevrolet—another vital contribution to low-cost motoring—another treat for Chevrolet owners! Remember—only new Center-Point Design can give these finer motoring results; and only the new Chevrolet offers Center-Point Design at lowest cost.

**The most Beautiful BUY for Performance**

For real thrills and thrif—*for the finest balance of performance and economy*—owner after owner will tell you there's nothing like a Chevrolet! Its world's champion Valve-in-Head engine—now setting a trend for high-priced cars, but remaining exclusive to Chevrolet in its field—holds all records for miles served, owners satisfied, and years tested and proved.

**The most Beautiful BUY for Safety**

To buy one of these brilliant new Chevrolets for '49 is to give your family *fivefold* safety protection found in no other low-priced car: (1) New Certi-Safe Hydraulic Brakes; (2) Extra-Strong Fisher Unisteel Body Construction; (3) New Panoramic Visibility; (4) Safety Plate Glass in windshield and all windows, and (5) the super-steady, super-safe Unitized Knee-Action Ride.

**Bascom Giles Finds 'Steady Customer'**

AUSTIN—Land Commissioner, Bascom Giles, has found a 'steady customer' for a small tract of school land in Pecos County.

The Commissioner has received payment from an oil company covering rental on the tract for the next one hundred years, making the present lease effective until the year 2049.

The tract, less than two acres

in size, is one of the smallest in the School Land Board's records. However, it has paid off in man-sized hunks — \$20,000.00 to the Permanent School Fund in cash bonuses and \$217,398.00 in royalties.

The 100-year rental payment is without precedent, Giles stated.

However, added the Commissioner, the lease may be forfeited unless production is maintained and unless all regulations of the School Land Board are conformed with.

For six sun treatments, one penny can help you preserve that Summer tan!

For a penny (one-tenth of a dime, you know) You can have a full evening of radiol!

For hungry families that must be fed, One penny will toast two loaves of bread!

This is penny wisdom that never varies, whether it's told in poetry, prose or pictures. It's the story of living the electric way—easily, comfortably, healthfully. Though electric service is just about the smallest item in your family budget, what else offers such great living at so little cost?

**Seven in One**

Here's the new mannequin, which Lange, Inc., says is revolutionary because into her construction went exact reproductions of the best features from each of seven of America's most beautiful women. Three of those seven are shown with the mannequin. Right is Jo (Hips) Cagle, whose hips were copied in the "Lange Girl" mannequin. On the left stands Wendy Russell, whose bone structure was copied for the real-life "Lange Girl." And the most kissable lips in the USA (says Lange) were copied from glamorous Elaine Basset, inset above. Elaine is a former actress and now a much sought-after New York model. As to the mannequin's other features, she has Greta Garbo's eyes; Lana Turner's bust; Constance Bennett's waistline, and Arline Dahl's legs.

**CIVIL SERVICE EXAMS FOR CLARENDON POSTOFFICE**

Examinations are announced throughout the State of Texas for positions of Substitute Clerk and Clerk-Carrier for various Post Offices where employees do not have civil service status or where vacancies exist. Mr. L. N. Cox, Secretary, Board of Civil Service

Examiners, Post Office, Clarendon, Texas, states that he will hold examinations for the following post offices:

**CLARENDON, TEXAS**  
The examinations for the above post offices will be held at County Court House on March 17, 1949, commencing at 8:30 a. m. Applicants to be examined for each of these offices must actually reside within the delivery of the post office at which they desire employment or be bona fide patrons of that office. Persons employed in a post office are considered patrons of that office. Employees in post offices who do not have civil service status should apply for these examinations if they wish to qualify for permanent employment. Applications and further information can be secured from the Post Office at each of the offices for which the examination is being called.

**Youngsters Write Personal Ideas Of Own Responsibility In Future of America**

In order to encourage clear thinking and a responsibility toward the future, each student in one section of six grade history of the Clarendon grade school wrote a paragraph expressing his idea of his own responsibility. These three were selected from the group.

I have a personal obligation in the future of America: to become a good citizen by continuing to build and keep America strong and free, just as brave men and women have made it.  
Gaye Salmon

I have a personal obligation in the future of America. It is to be a good citizen: to do the best with what I have; not to feel that I am better than other people of a different race; to be clean in thought and deed; to be honest and truthful; to obey the laws of my country; and to believe in God. We should feel a great responsibility, for what we do today will shape the world of tomorrow.  
Rebecca King

I have a personal obligation in the future of America. My duty now is to learn as much as I can in the trade of my choice, so I can make my contribution in later life. I know that after a few years my generation will no longer be the future of America, but the present. We will be helping sons and daughters to make a better America. The man is wrong who says he can't help to make America better. Life isn't like that. Every person must make some contribution, no matter how small. I'll try to do my part by contributing to the best of my ability.

THE TEMPLE OF TRUTH

By the Apostle
ADVICE. The only way to fight a woman honorably is with your hat. Just grab it and run.

DEFINITION. Haston Yazzie says that a low brow person is one who likes risque stories, girl shows and good times. A high brow is just a low brow who won't admit it.

AMBITION. A diamond is a woman's idea

of a stepping stone to success.
FACTUAL. Temptation is something which, when resisted, gives happiness and which, when yielded to, gives even greater unhappiness.

QUERY. With all these smart scientists climbing into the lime light, why can't some one of them cross kangaroos with raccoons and breed out fur coats with pockets?

INDEFINITE. Opportunity doesn't knock these days. It rings a phone and asks a silly question.

IGNORANCE. A freight agent in a far eastern town where they have dude ranches spring up over night, received a shipment on which was a donkey described on the waybill as "one burro." After checking his goods carefully, the agent made this report: "Short one bureau; over, one jackass."

MODERN STUFF. Be they ever so humble, nobody stays home.

PROLIFIC. In the relief days down in ole Alabama the relief worked asked a colored woman how many children she had and their ages. "Ah doan zactly know", she replied, "but ah's got one lap chile, one flo creeper, one porch chile and one yahd yungen!"

This town-tailored suit, with its white pique lapels and bone buttons all in a row scored a bull's eye on Cosmopolitan magazine's Male-vested fashions jurors. Mickey Rooney, Jean Sablon, Steve Hanngan and Peter Lind Hayes agreed that they liked the "expensive look" of its "restrained" silhouette. Of Pacific Mills Verdona crepe, with slim, eight gore skirt, the suit is tailored by Handmacher and is available in navy, black, grey, spring green or five other colors at about \$65.

**LES BEAUX ARTS CLUB**

The Les Beaux Arts Club met at the home of Mrs. Taylor on February 4th. Meeting was called to order by president. Business meeting was held and correspondence read.

Mrs. Paul C. Laird was elected to membership in club. Members enjoyed a very interesting program on Design in Jewelry.

Mrs. C. T. McMurtry brought current events on pictures found after World War II in old salt mines and other places. Mrs. Hardin gave a very interesting paper on Style Trends in Jewelry. Mrs. Benson talked on Navajo Silver Smith, displaying Indian jewelry of various types.

Meeting adjourned and a salad plate was served to 19 members and one guest, Mrs. Tom Murphy.

**OXNER WARREN CIRCLE**

The Oxner Warren Circle met Friday afternoon instead of Wednesday with Mrs. L. L. Wood. The meeting was opened by singing "Close to Thee." Mrs. J. R. Cox brought an interesting devotional. Business was conducted by chairman, Mrs. Lola Barns. Mrs. Doshier read the minutes in the absence of Miss Lee Patten.

Delicious refreshments were served to Mrs. J. R. Cox, Mrs. R. W. Moore, Mrs. T. W. Williams, Mrs. Lola Barns, Mrs. Genoah Doshier, Mrs. Sibley, Mrs. Vinson, Mrs. Rattan, Mrs. A. P. Todd and Mrs. Wood.

**KILL KARE KNEEDLE KLUB**

This needle club met with Mrs. J. R. Bartlett Thursday afternoon. Pot plants were used for decorations. Fancy needle work and pleasant conversation were enjoyed until the hostess served a lovely refreshment plate to guest, Mrs. Milt Mosley of Hedley and members, Mesdames H. C. Famous American cities were discussed Friday at the regular meeting of the Pathfinder Club. Mrs. Pete Kunz, leader of the program, discussed Boston. Mrs. J. H. Howze gave interesting facts about San Francisco; Mrs. Frank Phelan Jr. gave Salt Lake City; Mrs. Simmons Powell discussed New Orleans and Mrs. Pat Slavin gave facts on San Antonio.

Refreshments of coffee and heart shaped cakes were served from a table with a Valentine centerpiece of iris and tulips.

**CUE AND CURTAIN CLUB**

The Cue and Curtain Club met with Sandra Shelton Monday evening for a Valentine party.

The fun for the evening began when each guest was greeted at the door and given a piece of a red heart. He was instructed to take it to the playroom in the basement and find the remaining portion of his heart. The couple whose hearts matched were partners for the other clever Valentine games that followed.

The Valentine motif was used in decorating the playroom and on the refreshments. Approximately twenty members were present.

**1926 BOOK CLUB**

The 1926 Book Club met at the Clubroom Tuesday afternoon. Mrs. Bill Greene, Jr. and Mrs. J. R. Porter served as hostesses.

Mrs. M. R. Allensworth gave an interesting review of "Dinner at

**Do You Want Dictatorship Over Public Health?**

NO one likes dictatorship or monopoly.

But that is exactly what the State Medical Association is trying to establish in Austin at our State Capitol.

It would be a dictatorship over public health more absolute than anything conceived by Hitler or Mussolini.

The bill that would bring about this dictatorship is Senate Bill 63, the so-called Basic Science Bill.

It would give the State Medical Association a death grip on the healing arts.

IF this bill passes you will no longer be able to go to a chiropractor in Texas, or to a naturopath, because there would be none. Eventually, it is probable you would be unable to go to any type of doctor, except a member of the State Medical Association—the dictatorship would be that strong.

You wouldn't think this could happen in Texas. But it will unless you **EXPRESS YOUR OPPOSITION TO S. B. 63** by writing to your representative and senator. (Adv. sponsored by the Committee for Health Freedom of Texas, W. Early Jackson, of Austin, Chairman, and paid for by Dr. M. H. Henexson of Clarendon.)

### Memphis Wins 2A Basketball Tournament

The district 2A Basketball tournament came to a close Saturday night when Memphis and Shamrock battled for the district crown. Memphis had previously won all of her games in the double round robin in the conference play but had to win the single round robin in the tournament in order to be the undisputed champion. The Cyclones did not have the trouble they had expected with the Irishmen; as a matter of fact the game was considerably one sided as Memphis won 29-22. The Cyclone second stringers played the last quarter.

The second round of the tournament that started Friday afternoon saw Shamrock and Wellington in a slow opener. Shamrock held a wide lead throughout the game to win 47-23. Scott McCall gave all of his ten boys a chance to play.

The following game proved to be even less exciting when Memphis overpowered the Lefors Pirates 46-19. Memphis took an early lead in the first quarter 19-3 and maintained a heavy lead throughout the game. Rasco, Memphis all district center, tallied 12 points for the Cyclones.

Friday night McLean and Wellington had a terrific battle from the start. The game was closer than the score indicated. The third quarter score showed 24-18 for McLean, and in the last few minutes of the game McLean's Johnny Haynes hit the basket three times to bring the Tigers out in front 39-26.

The closing game Friday night saw Shamrock beat the Clarendon Bronchos 42-24. The Bronchos played a good game the first half but let the Irishmen overpower them in the last half. The half time score was 19-11 for the Irish. Jenkins was high point man with 10 and Buice from Shamrock hit 19 points.

The Saturday night crowd was well pleased when they saw three excellent teams emerge victorious. In the first game Wellington took Lefors 27-13. The first quarter score was 2-2. Lefors played the Skyrocket a good game but the high pointer McCutcheon from Wellington was

too much for the Pirates when he tallied 7 points in the last quarter.

The most exciting game of the tournament was the game between Clarendon and McLean. The Bronchos led all through the game until the final whistle. One second before the game ended the Bronchos had the Tigers 37-36; Wilson Lane fouled Johnny Griffith and had Griffith made the free shot the score would have read 37-37 and a three minute overtime would have been allowed. Nevertheless the Bronchos played an excellent game and well deserved the victory. Bulman was high point man for Clarendon with 14 points.

The championship trophy was presented to the team from Memphis and to the consolation team from Shamrock by Dean R. E. Drennan. Ten gold miniature basketballs were given to each of the boys on the Cyclone team. The All-Tournament team consisting of Rasco, Morrison, Green from Memphis; Buice, Skaags, Martin from Shamrock; Jenkins, Clarendon; Watson and Kramer from McLean and Melton from Wellington each received a gold miniature basketball.

### The Lion's Roar

By O. D. Lowry

The Lions Club held its regular meeting in the club hall Tuesday, February 14. Eighty-five percent of the membership was present for this meeting. Guy Brown of the Chrysler Company was a guest. Minutes of the Board of Directors meeting were read and approved.

Lion Jim Patman made a brief talk with reference to the letters that have been mailed concerning the purchase of an eye-testing machine. The purpose of this machine is to determine whether or not the child is seeing properly. If glasses are needed the parent will be requested to consult the family physician. It is the desire of the club that all persons support this worthy cause. The machine will be available to all schools in the county.

Lion Drennan announced that Lion Max Jones would bring the Feb. 22 program. This is to be an out of town program, so Lions we need your presence.

The program consisted of a talk by Lion Burton on the history of Clarendon Junior College and the advantages of attending a junior college. Thanks to Lion Burton for this fine talk.

### PLOWIN' Out the CORNERS by Uncle Zeb

Brother Ford Ellis tells this one on the old Camp Meeting days, and of the days when the singing was led by different ones in the congregation; some people being able to lead one song, and some another. Anyway, it seems one night they had a mix-up; one Sister up front began with "Will There Be Any Stars In My Crown?", another sister broke in with "No Not One", and then from away back in the last rows came "That Will Be Glory For Me." I love to hear Bro. Ellis talk about the things that he believes, and the Joys of His Salvation. I am glad that his path comes close to mine once in awhile.

A good book, well worth reading, "Root Out of Dry Ground." Fiction maybe, but so close to real life.

One of my Readers heard this on the radio: if you want a short winter make a note to come due in the spring.

People with a conscience just as well do right to begin with; they will have to later, and it will save a lot of feeling guilty.

Most mules shy away from a bride, and most of us men from a collection plate.

Heard one loving Grandpa say: "The grand-baby's doin' alright, He sleeps like a log all day, And cries like the dickens all night."

May have a surprise for the members of the Ain't Smoking Right Now Society, next week. Please send me in the names of all the Still-Faithfuls. It is very important.

I am afraid of Socialized Medicine; about half of the taxes raised to pay for it will go to the fat bureaucrats that promote it, if it runs true to other bureaus. Anyway, I would hate to have just anybody probing around among my inner-most secrets.

Uncle Fudge tells me that we can stand about so many cigarettes in a life time. In other words, if we smoke one package per day, we can keep on smoking twice as long as we could smoking two packs per day.

**New Dodge Cars To Be Displayed Here Friday, Feb. 25th**

Johannie Blocker has returned from Oklahoma City where he attended a dealer preview of the completely new-styled Dodge cars, the first models of which will be displayed in Clarendon on Friday, February 25th.

Although detailed information of the appearance and many engineering and mechanical improvements introduced in the new Dodge cannot be revealed prior to the public showing, there are certain general facts concerning the comfort-engineering story behind the new Dodge styling that can be disclosed at this time.

The primary considerations that influenced the design of the new Dodge were Army statistics which showed that the G.I.'s of World War II were taller, bigger, and more active than their predecessors of World War I. As a result, it was apparent that more passenger room, not less, was required in the modern automobile to comfortably accommodate our physically larger generation.

The challenge to Dodge engineers was to design a car with more interior space and still reduce exterior dimensions to eliminate difficulties of handling in traffic, parking and garaging.

To learn how Dodge succeeded in meeting this challenge and at the same time produced a car with an entirely new and distinctive styling, the Donley Motor Company cordially invites everybody to its gala open house on February 25th. Location of the Donley Motor Company is in the International Harvester building.

**MORE MOISTURE RECORDED PAST WEEK**

Another .24 inch of moisture has been added to our years total bringing the grand total for the first 48 days of this year to 4.65 inches. Everything was about to settle down from the big thaw

when this additional .24 inch dropped in and we had plenty of mud again and roads all over the county were almost impassable.

**Donley County Farm News**

Potatoes for livestock feed are becoming very popular. Over 6400 sacks of potatoes have been sold through this office within the last two weeks for the feeding of cattle and hogs. Every producer who has bought potatoes seems well pleased with the feeding results, and some of them have already come back to order more.

Mr. Breedlove has been holding meetings in various places over the County to explain and discuss the 1949 Agricultural Conservation Program. The meetings have certainly been a success. It seems that the farmers are more concerned with the farm program and its future than they have been for a good many years. The farm program is for the use of the farmers and it has been noted in different meetings that the older farmers who remember more clearly what happened during the 1930's are definitely interested in the program.

The farmers in Donley County have been very cooperative in turning in their cotton acreage and production records for the last few years. We feel that the majority of the farmers realize the importance of getting this done. Several have said that it is to their advantage to do this job just as soon as possible.

We have been notified by our State Office that the 1949 Cotton acreage will have to be measured. Because of this fact we are asking everyone who has borrowed a chain from this office to return the chain if you are through with it. We are going to need every chain available for this job.

J. B. Lane is thoroughly convinced that it pays to fertilize cotton crops. J. B. used commercial fertilizer on his 1948 cotton crop and the production more than doubled the 1947 production.

**ATTEND FUNERAL OF W. A. LAND HERE**

Out of town relatives and friends attending the funeral of Mr. W. A. Land here last week were Mr. and Mrs. Marvin Land and Tommy of Tucumcari, N. M.; Mr. and Mrs. Roy Land, Mr. and Mrs. Ray Worth, J. R. Land of Amarillo; Mr. and Mrs. Bill Land and Billy Jack of Carlsbad, N. M.; Mr. and Mrs. Odos Massey and Dorothy of Tucumcari, N. M.; Mr. and Mrs. Byron Baldwin of Memphis, Texas; Mrs. Adrian Madison Mrs. Kate Bush, Mrs. Louise Casey, Mr. and Mrs. Clarence Whitlock, Mr. and Mrs. Lawrence Whitlock and Larry, Price Whitlock, Mrs. Bessie Bryan, Mrs. J. W. Timmons; all of Amarillo; Mrs. Thos. O. Kirby, Jericho; Mrs. I. S. Mullins, Mrs. Joan Gerner of Borger; Mr. and Mrs. Bruce Riley, Tulia; Mrs. Bert Tollman, Horatio, Ark.; Mrs. Jo Beach, Hedley; Mr. and Mrs. M. G. Cottingham, Lelia Lake; Mr. and Mrs. Hilburn Gattis, Brice, and Mrs. Horton Leathers, Lelia Lake.

Mr. and Mrs. Ben Tom Prewitt have placed a book, "Rawhide Rowlin's Stories" written and illustrated by Charles M. Russell, in the Library in memory of Mr. W. A. Land. These pioneer stories can be used by many others in an enjoyable way, and there is a small memorial plaque in the front stating it was placed there in Mr. Land's memory.

**MAJOR B. HUDSON ANNOUNCES FOR MAYOR**

After being asked by a number of my friends, I have finally consented to file my name for the office of Mayor of the City of Clarendon. I have not obligated myself to any one in the way of promises or favors. The only obligation I am making, should I be elected to this office, is to fulfill the duties of the office to the best of my ability and knowledge, and to try and plan to use the taxpayers money where it will be most beneficial to the taxpayers, for after all it is the taxpayers money.

I came to this county 40 years ago and have lived in Clarendon for the past 27 years and was Public Weigher of Precinct No. 2 from 1935 through 1939. If I can be of any service to the citizens of this city in this way I will be glad to do so.

Very truly yours,  
Major B. Hudson.

Donley County Leader, \$2.50 year

**Hospital To Be Opened**

There will be a meeting of the Donley County Hospital Board on Wednesday, February 23, 10 a. m. at the County Judge's Office for the purpose of hiring a hospital staff consisting of the following: business manager, registered nurse, four nurses' aides, cook, and a janitor.

If you have had experience in any of these jobs and would like to work, the Hospital Board extends you an invitation to meet with them on Wednesday.

Mr. and Mrs. J. G. McNear and family, Mr. and Mrs. W. M. Cross and family and Mr. and Mrs. Bill Todd visited their parents, Mr. and Mrs. D. T. Smallwood at Brice Sunday which was Mr. Smallwood's birthday.

Mr. and Mrs. Homer Estlack attended the Hardware Convention at Amarillo Monday and Tues.

**JOE JONES ANNOUNCES CANDIDACY FOR MAYOR**

In announcing my candidacy for the office of Mayor of the City of Clarendon, I wish to state that I have been a resident of Clarendon since 1942, three years of that time serving with the Army Air Corps, and since that time I have been connected with the local airport.

In asking for your vote and support I wish to add that I have no commitments with any group and do not intend to have. If it is your desire to elect me as your mayor, I feel that it will be the privilege of each citizen to have equal representation in all civic affairs. I will endeavor to make you a good mayor if elected to the office.

JOE JONES

Mr. and Mrs. O. C. Watson and George and Mrs. Lena Antrobus attended the Hardware Convention at Amarillo Monday and Tuesday.
