Outlook Promising In Regard To Hi-way 70

W. S. Whaley, local chamber of commerce manager stated this week that he was confident of a favorable response in regard to the hearing before the Highway Commission last Thursday in connection with the unfinished section of highway 70 leading toward Turkey, and 256 leading to Silvertown.

Mr. Whaley joined a group from Hall County and Briscoe County for the meeting. This particular hearing was No. 1 on the docket and dealt with the strip of road starting at Mulberry creek bridge to 5 miles southwest of Prairiedog town fork of Red river bridge. Last stated point will be in the vicinity of a Y which will turn left to Turkey and right to Silvertown when authorized and completed.

Judge M. O. Goodpasture of Memphis presented the case. Others attending the hearing were Clifford Farmer, manager of the Memphis Chamber of Commerce; Judge Coffee, Commissioners Burson and Steele of Silvertown and Commissioner Hamilton of Quitaque.

W. E. Harmon Buried At Panhandle

Funeral services were held Wednesday afternoon at the First Christian Church for William Edward Harmon with Rev. Thomas Gray officiating, assisted by Rev. James Todd.

Mr. Harmon, age 87 years, passed away at his home west of Clarendon Monday night. He had been a resident of Panhandle, Texas for thirty years prior to moving to Clarendon four years ago.

Survivors include his widow, Mrs. Helen Harmon; three sons, R. P. of Clarendon, R. E. of Amarillo and W. R. of San Angelo; also 12 grand children and 6 great grandchildren.

Pallbearers were Alvin Landers, G. W. Bradshaw, Pink Rogers, Roy Clappitt, Kelly Neighbors and Forrest McCracken.

Burial was in the Cemetery at Panhandle with funeral arrangements under the direction of the Murphy-Spicer Funeral Home.

North Atlantic Pact Hearings Open

WASHINGTON, D. C.—Secretary of State Dean Acheson appears before the Senate Foreign Relations Committee as the first witness at open hearings on the North Atlantic Pact. Left to right are: Acheson; Sen. H. Alexander Smith (R.N.J.); Sen. Alexander Wiley (R. Wis.); Sen. Arthur H. Vandenberg (R. Mich.); and Sen. Tom Connally (D. Tex.) chairman.

Urge Government To Resign

MUNICH—Germans raise their arms in a scene reminiscent of the Nazi heyday, to signify approval of a resolution asking the Bavarian government to resign, during a rally of 25,000 persons on the Koenigsplatz in Munich. Alfred Loritz, head of the "Economic Reconstruction Party," made the principal address, charging the German State was badly administered.

LOCAL MEN ATTEND BROWNWOOD MEETING

Judge W. J. Williams and Richard Cannon, Commissioner of Precinct No. 1, spent the latter part of last week in Brownwood attending a meeting of the West Texas County Judges and Commissioners Association. There was a record attendance as approximately 350 delegates and visitors were registered. The meeting was held at Hotel Brownwood. A number of things vital to local self government were discussed and resolutions passed outlining the attitude of the Association.

HOLLAND BROS. NEW SHAMROCK DISTRIBUTORS

It was announced this week that Holland Bros. have acquired the distributorship here of Shamrock products which consists of the wholesale of all oil products commonly used here and featured by the Shamrock Oil and Gas Company of Amarillo.

Mr. Joe and Lee Holland, owners of the business, stated that they were happy to represent the Shamrock company here and invite their friends to become better acquainted with the products of this company as this is the first outright Shamrock wholesale dealership that has been opened in Clarendon.

O. W. ELLIOTT BUYS INTEREST IN GAS SYSTEM AT LAS VEGAS

It was understood this week that O. W. Elliott, manager of the City Gas Company here for the past several years, has purchased an interest in the Las Vegas, N.M. Gas system and left Monday of this week to take over management of the newly acquired business. Mrs. Elliott will join him at a later date.

D. I. Barnett, owner of the City Gas Company here is away from his office in Amarillo but it has been understood that Mr. Henry Tatum would be the new manager here to succeed Mr. Elliott. Mr. Tatum has been with the company here for several years and is well acquainted with the entire system and the needs of Clarendon as far as Natural Gas is concerned.

Junior-Senior Play To Be Held May 6th At Lelia Lake School

Mystery stories are always a favorite because of the firm clutch they have upon the public fancy due to the underlying psychological laws that operate in these stories and plays. First, there is the element of shock and surprise—such as when an arm reaches out mysteriously from a panel or when a body falls into the room with a sickening thud from behind closed curtains. Second, there is a challenge to the observer to unravel the puzzle of the supernatural in human nature.

In "GHOSTLY FINGERS," the mystery play to be presented by the Junior and Senior classes of Lelia Lake High School, on Friday evening, May 6th, 8:00 o'clock at Lelia Lake School Auditorium, presents enough thrills and shocks and surprises to satisfy the most blasé mystery addict and reserves as well a breath-taking surprise for its climax. If you love mystery plays—and who doesn't—don't fail to attend "Ghostly Fingers."

The Cast: Mrs. Kate Pike, Juandell Brown; Mrs. Green, Josephine Mills; Hattie Gaunt, Billie Jean Pool; Eustace Scudder, James Stavenhagen; Mary Arnold, Adell Fox; Victor Elliott, Aubrey Ramsey; Myra Griggs, Mattalaine Bowling; Joe Griggs, Billy White; Lucy, Katherine Usrey; Denny Neill, Billy Hill; Louie T. J. Carter; Phil, B. L. Harvill.

C. J. Minick Wins Contest

C. J. Minick was selected as the farmer doing the best job in reclaiming an eroded farm in the 1949 "Save the Soil and Save Texas" Awards program for Region I which covers the Panhandle of Texas. This is an annual contest sponsored by the Fort Worth Press for outstanding work in the field of conservation.

C. J. Minick, owner of land north of Hedley, was nominated by the local Board of Supervisors of the Donley County Soil Conservation District to be the farmer to enter this contest from this District. A report including pictures was entered in the contest by the local Board of Supervisors and Minick was chosen as the farmer doing the best job of reclaiming a farm in the Panhandle of Texas. Minick along with other winners will be honored at a banquet to be held in Amarillo on May 30.

Austrian Winter Peas have been used by Minick with good success in building up the fertility and in increasing the yields on his land. Minick has also been very influential in stimulating interest among other farmers in this area in using Austrian Winter Peas for soil improvement.

LOCAL FOLKS SEE BUFFALO RIDDEN IN PARADE

Ripley will get it soon, but it remained for a Spearman rancher to ride a saddled female buffalo in the parade in Spearman last week. The rancher is a Mr. Brillhart. With him on the back of the buffalo, aged 3 and named by his children "Sioux City," was his boy of four years riding behind the saddle.

The children ride the buffalo, hitch it to a cart and play with it at will. This is said to be the only docile animal of this breed in captivity.

Mr. and Mrs. W. J. Mathis, prominent citizens of Clarendon saw the parade, and are ready to relate all of the details of the grand parade and big show in general.

BROTHER OF LOCAL MEN BURIED HERE TODAY

Graveside services were held this afternoon for E. W. Ballew with Rev. M. C. Euthbertson of Amarillo officiating.

Mr. Ballew, age 63, died Tuesday afternoon at Amarillo. He was a former Clarendon resident and a long time resident of Amarillo.

Survivors include three brothers, E. S. Ballew and D. G. Ballew of Clarendon and Fred Ballew of Amarillo; one sister, Mrs. C. F. Gilliam.

Burial was in Citizens Cemetery.

Notes from --- CITY HALL

As soon as streets can be re-marked plainer, there will be a 10 minute parking time in front of the post office.

Mr. Whaley, representing the Chamber of Commerce, and Lee Bell as Director of West Texas Chamber of Commerce, and Mayor Joe F. Jones, representing the City of Clarendon, flew to Austin to attend the hearing before the Texas Railroad Commission April 29th, in regard to stopping the Zephyr trains. The railroads were ordered to continue stopping the trains until a final ruling is decided on.

Summer water rates are in effect beginning with May 1st as follows:

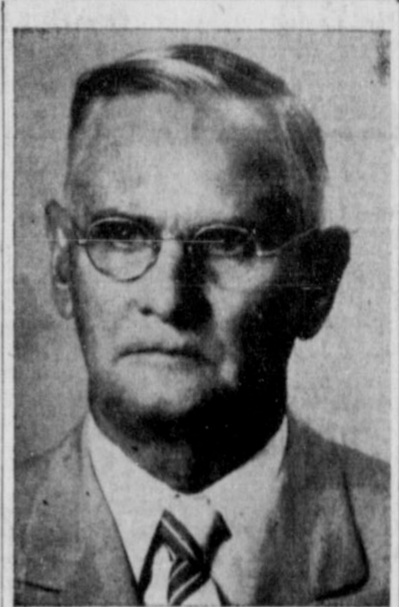

3000 gallons minimum rate \$1.50; next 25,000 gallons at 20c per 1,000 gallons; next 52,000 gallons at 15c per 1,000 gallons; all excess of 80,000 gallons at 12½c per 1,000 gallons.

The Mayor advises that all persons check their light meters to see that their fuses are good and that no metal is behind the fuse, as we want to keep our good fire record, and have recently had a fire caused from metal behind the fuses. No insurance will be paid on property where fire is caused from metal behind fuse, so protect your own property and the City fire insurance rate.

The City is purchasing a new power lawn mower for the City Park, and hope to keep the park in good condition for the pleasure of the people this summer. Please help keep the Park clean and the equipment protected. We are proud of our Park and hope it is used by every one.

The City will soon send out cards to the citizens asking whether or not they are in favor of the City putting on a regular trash and garbage collector for the residences as well as the business district. Residential collections will cost about 75c per month, and the Commission will decide what action to take after they have heard from the people.

Mr. and Mrs. Roland Aycock and son Doug, Ladd Aycock, Mrs. Thompson Wright and daughter Annella of Mexia were guests in the C. A. Wright home last week.

TOM F. CONNALLY

Tom F. Connally Dies Wed. Night

Funeral services were pending at press time for Tom F. Connally, prominent citizen and former Clarendon Mayor, who passed away in his sleep at the home of his daughter, Mrs. Horace Westmoreland, Amarillo, Wednesday night.

Mr. Connally had attended a grain meeting in Amarillo yesterday and decided to spend the night. Mr. and Mrs. Westmoreland were away from home and came in and found him dead about midnight.

Mr. Connally, who has been engaged in the wholesale grain business for many years, had been a resident of Clarendon for the past 41 years. He was born at McGregor, Texas. He was a member of the First Methodist Church and held the office of Mayor of Clarendon several different times.

Survivors include his wife, Mrs. Tom F. Connally, two sons, Tom C. Connally of Amarillo and Fred C. Connally of Clarendon; one daughter, Mrs. Horace E. Westmoreland of Amarillo; one brother, Clarence Connally of Waco, Texas; also four grand children and five great grandchildren.

Although funeral arrangements were not complete, it was reported that services would probably be held some time Friday.

The Murphy-Spicer Funeral Home will be in charge of funeral arrangements.

The railroad commission ordered the Fort Worth & Denver City Railroad Saturday to hold off its proposed "Whistle Stop" schedule for Clarendon and seven other West Texas towns. The commission blew the warning whistle just in time as the schedule would have gone into effect last Sunday, May 1st.

The new Whistle Stop schedule was protested at an all-day commission hearing at Austin last Friday. Mayor Joe Jones and Lee Bell and Chamber of Commerce manager W. S. Whaley were on hand at Austin to join a group from Electra in the protest.

Saturday's order, signed by Commissioners Olin Culberson and Ernest Thompson, said:

"In connection with the proposed new schedule of the Fort Worth and Denver City Railroad which contemplates conditional stops at Electra, Clarendon and other stations, you will not put your schedule in effect until the record of the hearing held Friday is transcribed and presented to the railroad commission in regular procedure."

Funeral Services Held Wednesday For Mrs. M. S. Parsons

Funeral services were held Wednesday afternoon at the First Methodist Church for Mrs. Helen Miller Parsons with Dr. S. W. Hayne officiating, assisted by Dr. E. D. Landreth.

Mrs. Parsons, age 79 years, passed away at her home here Tuesday afternoon after a quite lengthy illness. She had been a resident of Clarendon for the past 33 years, moving here from Weatherford, Texas. Mrs. Parsons was a member of the First Methodist Church and was an active worker in that organization until stricken with ill health.

Survivors include her husband, M. S. Parsons; one son, Homer Parsons and one daughter, Mrs. Carl Bennett and one grandson, Charlie Bennett.

Pallbearers were J. R. Bulls, Bill Ray, G. L. Green, A. W. Simpson, V. W. Carpenter and Barcus Antrobus.

Burial was in Citizens Cemetery with the Murphy-Spicer Funeral Home in charge of funeral arrangements.

Mr. and Mrs. Bill Hodel of Lockney were guests in the C. A. Wright home last week.

CITY-COUNTY LIBRARY NOTES
 By May L. Prewitt

The Library has been very fortunate this week, as a number of new books have been received by

purchaser and gift. If it were not for the generosity of these Library friends our shelves would be sadly depleted. The list includes several romances by popular writers. Among these are Grace Livingston Hill's "Girl of the Woods," Bristow, "Tomorrow Is Forever," Thomson, "Time Is

a Gentleman," and several others of this type. Then "Unvanquished" by Howard Fast is a distinguished and powerful novel about a great man and a great army—George Washington. These biographies told with romance attached are more conducive to readers.

There are several books that will interest second and third graders. They are four of the Curly Top Series: "The Curly Tops at Cherry Farm," "The Curly Tops at Uncle Frank's Ranch," "The Curly Tops On Star Island," and "The Curly Tops Snowed In." We also have a shipment of the Green Meadow series. In this list we possess: "Old Granny Fox," "Browner eTh Hound," and "Mrs. Pete Rabbit." The copies of Jack & Jill, and Children's Activities that were donated last week are quite a feast to a part of my children readers. To those completing the first grade—well, I'm sorry for we have such few books on their reading level—but I've made numerous attempts to discover books that these wee folks can read themselves. The shipments are books they can enjoy hearing read aloud.

If you gardeners desire a peek into our books on the garden shelf, several are worth your time. However, theory is more of a winter pastime as the growing season demands energy to fight various plant enemies and

HIGH & LOW BLOOD PRESSURE successfully treated in your home without an examination with Boaz Tablets. Inquire REXALL DRUG Clarendon, Texas

to keep the water supply going. The reference books—"Britannica Junior" have been very useful to those who read and study here. This was a purchase I hesitated to make.

If any of the mothers do not take Parents' it is received regularly here. So is Holiday. The last issue on Horses is worth your time—so don't fail to see these when you are at leisure. Quite a few friends have given donations for a year's subscription to a good magazine. Others bring their finished copies so promptly that they are as satisfactory as those on the mailing list.

tags indicating the sale, are sent into the Association's headquarters for tabulation. While the local man won a quarterly award he is still in line for the awards to be made each quarter and for the national prizes at the end of the year's campaign. The tags are cumulative from quarter to quarter, toward the annual prizes which include two Super Buick Sedans.
 "Actually the competition of points was very close", Mr. Gorman said. "Fifty points sometimes made the difference between award categories and some contestants missed being one of the ten winners in his section by the narrowest of margins. Points were given for different size gas water heaters sold."
 Walter Dixon of Winters, Texas spent Friday in the LaGrone home.

PATHFINDER CLUB TEA AND PROGRAM THURSDAY NIGHT

The Pathfinder Club presented Charles Thomas of Pampa, in a miscellaneous program Thursday evening at the Methodist church.

Mr. Thomas is a representative of the Lucius Pryor Concert Service and received his training in New York, and the summer theatres held in Connecticut each year.

The social hour beginning at 7:30 was held in Fellowship Hall. In the receiving line were Mrs. C. T. McMurtry, Mrs. O. W. Elliott, Mrs. O. D. Lowry, and Mrs. S. W. Payne. Mrs. J. T. Patman registered the guests.

The serving table was draped with a Chinese yellow cloth and centered with a ming tree, in Chinese red, flanked by Chinese figurines.

Mrs. Carl Allmond and Mrs. Frank Phelan, Jr. who poured, were dressed in Chinese costumes. Some 200 guests registered.

KIL KARE KNEEDLE KLUB

Misses Ida and Etta Harned entertained the club members of this club at their home Thursday afternoon. The beautiful old fashion yellow roses were used to decorate the guest rooms. A delicious refreshment of ice cream and cake was served after a few hours of needle work and pleasant conversation had been enjoyed.

Members present were Mesdames H. C. Brunley, S. W. Lowe, Gene Noland, Grover Heath, R. R. Dawkins, Eva Driffin, Frank Whitlock, J. R. Bartlett, and Misses Ida and Etta Harned.

SPRING STYLE SHOW

By Reba Wade

The Clarendon Home Economics girls had a style review Wednesday afternoon, April 27. They modeled dresses they had made in class. Miss Loyd Richerson is the home economics teacher. The following girls modeled their dresses: Mary Edna Elmore, Clara Hahn, Jeanetta Hewett, Marjorie Hill, Eloise Hinton, Jo Ann Sibbey, Josephine Spier, Jeannie Wilson, Millie Allen, Fanchon Allred, Nancy Bennett, Nell Bentley, Alice McCrary, Mary Lou Barker, Dorothy Davis, Wanda Elliott, Georgia Lee Endsley, Drucilla Foster, Patsy Jean Jackson, Ina Morrow, Ro Nell Nichols, Bonita Polk, Ethel Swint, La Vell Gibson, Dorris Knorpp, Jo Ann Ritter, Doris Smith, Jeanette Stogner, Annie Talley, Bonnie Allen, Evalyn Barker and Dorothy Brock.

Miss Jan Johnson was the announcer. Elba Jean Ballew, La Vern Morris, Jo Ritter, Mary Jo Hester, Juanelle Davis, Doris Tims, and Frankye Wilson sang "Alice Blue Gown" before and after the dresses were modeled. Tommy Murphy and Ed Sawyer gave a stunt after the style review.

The stage was decorated with bridal wreath and iris. A mirror was in the center of the stage.

The home economics girls entertained their mothers with a tea. Lovely refreshments of punch and cookies were served to one hundred and twenty ladies.

GARDEN CLUB

The Garden Club will meet with Mrs. Frank White Jr. at her home Tuesday afternoon at 3:30.

CLARENDON JUNIORS HONOR SENIORS

By Reba Wade

The beautifully decorated Lions Club was the scene for the annual Junior-Senior banquet and dance Friday, April 29. The festivity began at seven-thirty when a delicious dinner of tomato cocktail, baked ham, candied potatoes, french beans, harvard beets, celery, olives, hot rolls, butter, pear salad, pecan roll and iced tea was served to one hundred and twenty guests.

Immediately after the banquet an enjoyable program was presented by students of the Junior and Senior classes and a few teachers. Mr. Drennan gave the invocation followed by the Junior welcome given by Jimmy Jenkins, toastmaster. Elba Jean Ballew presented "Spring is Here" in which she gave some worthwhile suggestions to the Seniors.

Mae Morris, a senior, answered Elba Jean's address with "Welcome Spring." The Clarendon Girls Sextette rendered two very appropriate songs. Mr. Burton, Superintendent of the Clarendon schools, gave the Seniors a talk on choosing their career. The last number on the program was a lovely piano solo by Lois Marie Hommel. Mr. Drennan gave the benediction.

While the floor was being cleared for dancing, the Juniors had a surprise contest for the Seniors. The Seniors' baby pictures had been mounted on a bulletin board to be judged for the four prettiest babies. The judges were Mr. R. E. Drennan, Mr. Max Jones, and Mr. Beryl Clinton. The decisions were hard, but the winners were as follows: First prize, a baby rattle, went to Miss Ira Jean Estlack; second prize, a toy car, went to Bob Clifford; third prize, a ship, went to Buster Bain, and fourth prize, a balloon, went to Miss LaDelle Cox.

The music for the dance was furnished by F. G. Crofford and Roy Lee Brown. Everyone enjoyed the dance very much; the college students were invited.

The flower garden theme was carried out in the decorations. Trellises of lovely flowers were all around the room. Stars hung from each window, and a moon was centered just over the head table. The color scheme for the decorations was pink and white. The center piece for the head table was a miniature girl in cap and gown. She had pink rosebuds all around her feet. A bouquet of pink and blue bridal wreath was on either end of the head table. A lattice work of pink roses made the background for it.

The sponsors for the Junior class who gave the banquet are Mrs. Goodner, Miss Richerson, and Mr. Seay.

EIGHT FOOT LIGHTS CLUB

The Eight Foot Lights Club met Tuesday evening, April 26th in the home of Tommy Lane.

The meeting was opened by the president, Tommy Lane. During the business meeting it was voted to send Patricia Spurgeon, a member who is ill, a gift. An interesting program was given by Jeanie McAnear.

Lovely refreshments of open face sandwiches and strawberry short cake with ice tea were served by the hosts, Tommy Lane, Wilson Lane and Mrs. Johnson to the following members: Gene Elmore, Joyce Edgings, Tommy Lane, Patsy Schull, Jeanie McAnear and their teacher Mrs. Jolly Johnson.

MOTHERS CLUB NOTICE

Members of the Mothers Club will be guests of Mrs. Millard Word at her ranch home Tuesday for a covered dish luncheon and book review. Members and guests will please gather at the club room at 11 o'clock Tuesday A. M. In the event of rain, making the road impassable, the meeting will be postponed until the following Tuesday.

1926 BOOK CLUB

The 1926 Book Club met Tuesday afternoon in the Club Rooms. Mrs. W. C. Thornberry was in charge of the program. She gave an interesting paper on "The History of Music in Texas." Mrs. C. M. Lowry read some charming poems, all written by Texas poets. She was followed by Lois Marie Hommel who played "Concerto in Jazz" by Phillips. Mrs. Rolle Brunley and Mrs. Howze sang a duet, accompanied by Mrs. Millard Word. Next came a program of original compositions of Mrs. Word.

Mrs. Ballew and Mrs. Landers, the hostesses, served delightful refreshments.

The next meeting will be the President's dinner. It will be held in two weeks.

WIN ONE S. S. CLASS

The Win One S. S. Class met in regular social Monday afternoon with Mrs. Hayne as hostess. The entertaining rooms were made beautiful with flowers.

The business meeting was in charge of the president, Mrs. Chas. McMurtry. Reports from all chairmen were good. Mrs. Cook gave the devotional, having all members to take part by giving a verse from the Bible. A refreshment plate of small iced pink cakes, ice cream and roasted nuts were served by the hostess.

Members present were Mesdames Benson, Bartlett, Powell, Green, Patman, Chas. McMurtry, John Blocker, Walter Taylor, Jim McMurtry, Morris, Bourland, Weatherly, R. Y. King, Connally, Payne, Porter, Rhodes, John Goldston and hostess, Mrs. Hayne.

ENTERTAIN COUSINS

Mrs. C. C. LaGrone, Mrs. D. T. Smallwood and Miss Ivy Davis entertained with a supper in honor of their cousins, Mr. and Mrs. Walter Dixon of Winters, Texas, Friday night in the C. C. LaGrone home.

Those present to enjoy the wonderful meal and pleasant visiting were the honorees, Mr. and Mrs. Walter Dixon, Winters, Texas, Mr. and Mrs. Bill Todd, Mr. and Mrs. J. G. McAnear and family, Mr. and Mrs. D. T. Small-

wood, Brice; Mr. and Mrs. Fred Lynn and baby of Lubbock; Mr. and Mrs. H. L. Riley, Mr. and Mrs. Wayne Ewing of Phillips; Mrs. Brack LaGrone, Miss Ivy Davis and Mr. and Mrs. C. C. LaGrone and family.

GOLDSTON QUILTING CLUB

Our Club met April 28th with Nina Dale. Members present were Blanche Gray, Ruth Littlefield, Frances Ford, Mazie Eichelberger, Nora and Edith Jackson, Carolyn McBrayer, Lela Hinton, Sadie Hudson, Ola McBrayer, Edna Hudson, Nora Smith, and the hostess, Nina Dale.

A delicious covered dish luncheon was enjoyed at the noon hour. Two quilts were finished. Edna Hudson will be hostess May 12th. Edna Hudson and Joy Robertson received polyanthuses. Some are failing to keep up to date with their polyanthuses. Let's all check our lists.

SOCIETY AND LOCAL NEWS ITEMS NEEDED MUCH EARLIER

Again we would like to remind everyone that the Leader wants every piece of news pertaining to our own community in any way, and don't want to miss printing any item whether it is a small personal, society item or front page article, but we do need the copy or information for such news items at the earliest possible time after the item is created.

When you have visitors over the week end or a party during the week end please let us have the write-up or information on Monday or the earliest time following the happening as we don't want to leave anything out, and during the past few weeks a large portion of local news has come in on late Tuesday afternoon or Wednesday. This makes it very difficult for us to get it set up when so much comes in at one

time along with all advertising copy that must be set also on those days. Club meetings, parties and the like, happening on Thursday, Friday or Saturday, should be handed to us sometime Monday. This gives us more time in handling items which are created the fore part of the week.

Please let us have your copy early and be sure to turn in every happening, for we want our readers to have the best paper possible. If something doesn't appear that you think should have been in the paper, it is only because we have not been informed as it would be there otherwise. Thanks for all the cooperation you have given us in the past—and in the future.

The Leader Force.

Mrs. Lola Barns, Ned and Anna Lynn Barns of Wichita Falls spent Saturday night and Sunday with her daughter, Mrs. Don Martin and family at Amarillo.

Health Notes

AUSTIN—Countless thousands of lives are lost annually throughout the nation, from diseases that are transmitted by the common housefly. Dysentery, Diarrhea, typhoid fever, tuberculosis and many other disabling and even fatal diseases are spread by flies, and the control of houseflies becomes of great importance when considered in the light of public health.

Dr. Geo. W. Cox, State Health Officer, says that in order to protect our families we should make sure our homes are fly-proof through proper screening, and then concentrate on eliminating filth, garbage, and other breeding places for flies.

"See that your windows, doors, and porches are screened so that the stray fly from some careless neighbor cannot molest your family", Dr. Cox said, "and make sure that your grocer observes proper sanitation standards and keeps your meat, food and vegetable supplies screened from flies. Then direct your efforts to eliminating all fly breeding places such as open garbage pails, open privies and other filth that offers the fly proper warmth, moisture and food. Flies thrive on filth, and inasmuch as one female housefly will lay from 600 to 1000 eggs per season, it can easily be seen that one breeding place left available in a community, can be responsible for a tremendous horde of flies."

Dr. Cox recommended organized community efforts as being effective in ridding a community of flies, and emphasized that no matter how clean one family's home and premises are, they are still not safe if another home down the street leaves exposed filth where flies can breed.

Mr. Bob Couch fell Saturday in Wellington and broke his hip. He was operated on Tuesday in Pampa hospital. He is doing very nicely.

Greenbelt Electric Cooperative, Inc. To Show Educational Films Next Week

The Greenbelt Electric Cooperative, Inc., of Wellington, Texas serves some 2250 members in the following Texas Counties: Armstrong, Donley, Collingsworth, Gray, and Wheeler, Harmon County in Oklahoma, just east of Wellington is also served with electricity through this organization. The Extension Service of Texas is placing a great deal of emphasis this year on the Annual 4-H Better Methods Electric Contest. Hall County in Texas was one of the 25 Counties in the United States to receive recognition for participation in the 1948 National Contest. Achievement awards are given each year for County, State and National participation. There are six \$300.00 scholarships for the 1949 National winners. Tommy Dale Mullins, Route 2, Portales, New Mexico, earned a scholarship last year for her project in better laundering methods. She saved twenty-seven days, twenty-one miles of walking and four tons of lifting in a year's time.

One of the numerous services offered particularly to organized home economics and agricultural groups as well as R.E.A. members, by the Greenbelt organization is educational films; these films are prepared primarily to teach the audience viewing them,

how very valuable and versatile electricity can be. It performs equally well both in the home and on the farm. It saves both time and energy and enables the homemaker and the farmer to do any task more efficiently. Over 65% of the farms in the United States now have electricity, according to statistics; however, only a very small proportion could be considered "Electrified Farms."

The entire week of May 9-14, and into the third week of May, promises to be a very full one for Miss Gladys Wright, Home Economist, with the Greenbelt R.E.A. in Wellington. A variety of educational films have been chosen to be shown during this ten day period. "Bob Marshall Comes Home," is the story of a navy veteran with an electrical rating, comes home to a farm operated without electricity. He is instrumental in getting R.E.A. to his farm and to his neighbors that live in the same valley. "Freezing Fruits and Vegetables", deals with the actual selection, preparation and freezing of these items. "Singing Wires", compares the homes of a 4-H Club girl and boy; showing the girls home completely electrified and the boys home having the old fashioned pump and how he has to heat water on the stove. A list of six or more films will be on hand for all showings except in Claude and Goodnight. "Singing Wires", and "How to Get the Most Out of Your Refrigerator", will be

shown in those two places.

1. Monday morning, May 9 at 9:15—Claude High School Auditorium.
2. Monday afternoon, May 9 at 2:15—Goodnight High School.
3. Tuesday morning, May 10—Miss Wright will serve as a judge in the Collingsworth County 4-H Club Dress Revue.
4. Tuesday afternoon, May 10 at 3:30, approximately, Wellington High School Auditorium, the 4-H Contestants will see a picture show.
5. Wednesday afternoon, May 11 at 1:00 o'clock, Hedley High School Auditorium.
6. Thursday afternoon, May 12 at 1:00 o'clock, Lelia Lake High School Auditorium.
7. Friday afternoon, May 13 at 1:00 o'clock, Home Ec. Department, Clarendon College Gym.

8. Saturday, May 14 at approximately 4:00 o'clock, following the Wheeler County 4-H Club Dress Revue at the Court House.

9. Tuesday morning, May 17 at 8:30, Quail High School Auditorium.

Miss Wright states that the public is cordially invited to attend the showing of any or all of the various locations as listed above. It is the desire of Greenbelt Electric Cooperative to serve as many people in each community as is possible. One date is still open to some other community in the Cooperative area for a film showing; it is Wednesday, May 18. The showing could be arranged for either morning or afternoon that day. Should some school or organization desire it, please write or call Miss Wright at 119 in Wellington.

4-H Club Calves Best In Years

Donley County 4-H Club Boys are getting their calves on feed for the 1950 shows and County Agent H. M. Breedlove says that the calves going on feed this year are the best bunch of calves he has helped the club boys put on feed since he has been county agent. Thirteen calves are on feed at this time and more will go on feed in the coming week.

Boys with calves on feed at this time are Chauncey Hommel, 2 calves bred on his fathers ranch; Don Thornberry, 2 calves, bred by R. T. Alexander & Son of Canadian, Texas; Truett and Robert Koen, 2 calves, bred by W. O. Culbertson & Son of Bueyeros, New Mexico; Ronald Thomas, 2 calves, one of them bred by Emmett Lefors of Pampa and the other by the JA Ranch; J. W. Simmons of the Whitefish community has two calves, one raised by his father and the other by Evan Sitter of McLean, Texas; Harold McDonald, 2 calves, bred by Johnnie Burson of Silverton, Texas and Jack Clifford, one calf bred by the JA Ranch. Breedlove stated that all calves would be on feed by the middle of this month and more calves are going on feed all the time.

If any boys want to feed beef calves, either dry lot or on nurse cows, they should contact Breedlove at once.

Mr. and Mrs. John Stewart of Pampa were shopping in Clarendon Saturday.

We have been very busy this week. This office looks like a bargain basement there are so many people in here every day. At the present time Communities A, B, D, F, and H have been in the office. Communities C, E, and G have their day next week. We are quite proud of the fellows and the way they have co-operated with us. It takes a lot of thinking to remember what you had planted in 1945, 1946, 1947, 1948 and what you intend to plant in 1949. If you have not yet been called to the office, please be thinking about these things, and when you do get your form, fill it out and bring it back to the office, if you do have it filled out when you come to the office it saves so much time. If this is the first year you have been on the place, get your neighbor to help you with your form. He may know what has been planted on the place the last few years.

C. P. Hamilton and Frank R. Crisp were in the office on Monday and Tuesday of this week. They were helping the producers from Community H with their cotton allotment records. Frank Davis, Frank Jones, and Tommy Bain were also in from Community F. Don Tomlinson and Oscar Wilkinson were in last week from Community D.

Doug Lowe, our Field Officer, reports that he is nearly caught up with his work out in the field. Since our terrace funds have run short we haven't had so much work to do out in the field. Those producers having recently completed some terrace work are:

Each year the average farmer spends 965 hours on the seat of his tractor. Plan now to make them "easy chair" hours on your farm... with the bounces and bumps, jolting and jarring of field work gone.

This new "Velvet Ride" Seat was specially developed for Massey-Harris. It is just one of many reasons why more and more farmers are powering their farms with Massey-Harris Tractors. Come in and let us tell you all about it.

By O. D. Lowry

The Lions Club held its regular meeting in the club hall Tuesday May 3rd. Percentage of attendance was 74. Guests included Lions Bob Ayers and W. Wise of the Memphis Club. Lion Ayers announced a program to be presented by the Memphis Club.

Lion Fry announced that the Youth Center committee needed some additional financial aid and asked that those who had not had a part in the project to please make their contribution.

Lion Lane of the nominating committee gave the following report:

President, J. R. Porter; 1st Vice President, O. D. Lowry; 2nd Vice, W. Carroll Knorrpp; 3rd Vice, W. A. Riney, J. W. Murphy, A. R. Henson; Secy., Frank Phelan Jr.; Treas., R. L. Smith; Lion Tamer, B. DuLaney; Tail Twister, Carl M. Bennett; Directors, Chester Vaughn, Geo. Schollenbarger.

Lion Seay had charge of the program which consisted of a brief talk by John Pound of the Boy Scout regional office and talks by Vernon Goldston, Dewey Thanks to Lion Seay for this fine

program. The Boss Lion announced that the Directors would meet next Monday night at 7:30.

TWO TRUCKS COLLIDE ON RED RIVER BRIDGE

Two large trucks which collided on the Red River bridge late Wednesday afternoon tied up traffic for approximately three hours before the wreckage could be cleared. Officers reported that a cattle truck owned by Bob Head and occupied by Brack LaGrone, driver, and R. A. Beverly was almost off the bridge on the east end when a big heavy oil truck loaded with pipe couldn't stop and collided head-on into Bob Head's truck, knocking it back onto the bridge. Considerable damage was done to both vehicles but all occupants of the trucks were only shaken up.

Gordon Lane from Dallas visited his parents, Mr. and Mrs. Cap Lane Wednesday.

Mr. and Mrs. Clyde Hudson and Mr. and Mrs. W. A. Grant spent the week end with Mr. and Mrs. V. W. Grant of Kansas City. They returned home Monday afternoon.

A Common Paper for Common People

PLOWIN' Out the CORNERS in Uncle Zeb

Seems like I am having a little trouble making it in time for publication with the Donley County Leader. Guess it is this "Whistle Stop" business. They have to haul my letter more than thirty miles before they will take it aboard. Reckin that is what's wrong? Anyway, I don't blame folks for not wanting to be "Whistle Stops." Maybe when times get hard again, they will appreciate my three cents a little more.

Mr. R. F. Wilt sent me a cute Ain't Smoking poem for my scrap book. Thanks for thinking about us, and the first verse of the poem goes like this:
I'm just a friendly cigarette,
Why be afraid of me?
Why, all the advertisers say
I'm harmless as can be.
They tell you I'm your best, best friend
(I like that copping lie)
They say you'll walk a mile for me,
Because I satisfy.

Read this last week: "Nothing is born afraid, only becomes that way."
"A loaded truck makes less noise than an empty one," Uncle Count.

"Peace of mind comes from

within, can never be found outside." Mama quotes this to me from somewhere.

Mama and I really enjoyed being guests of the North Armstrong Club the other afternoon. I was somewhat "burned up" while Mrs. Fields was wasting all those glorious beautiful words introducing that substitute for a salesman, (couldn't even sell my "Ole Caterpillar"), that mere shadow of his former self (can't even eat no more lemon pie) Johnnie (better known as Uncle Jay) Linn. Anyway, it was fun, and this Club has a reputation for doing so many nice things in the way of adding interest to our community life.

Who said this:
"All men are silly to Me and Thee,
And sometimes Thee seems silly to Me."

I fyuu have children who idolize Movie Stars, tear page 43 out of last week's Look Magazine before you let them look at it - - - Such advertising should be restricted to wet territory.

A good picture for small children to see: So Dear To My Heart. I didn't notice even one drunken scene in the whole picture.

Certain types of advertising which tend to convince even children that beer or liquor, "Belong In The Home" should be banned from the newspaper or radios. Maybe it would be alright to advertise that one "Joy-juice" was better than someone else's "Embalming Fluid," but to try to show that children's Movie idols keep their brand in their home is going too far.

The following Mothers Day poem was written by Mrs. Viola Sarver of Roncevorte, W. Va., in honor of her mother, Mrs. John Jasper. Most of us remember Viola, and most of us know and love Mrs. Jasper. Mrs. Jasper is the daughter of the quiltingest, and the knittingest, and the crochetingest, and just about the grandest old lady around here, Aunt Susie Bagwell. Anyway, here is the poem:

MY MOTHER
Upon this earth God placed one mortal
Sweeter than any other;
She's kinder, more precious, more lovable;
Dear Friends, she is my Mother.
No one could ever take her place
In spite of wealth or fame.
Without the helping hand of mother
Life just wouldn't be the same.
Throughout the days of my childhood
I was watched with loving care;
My mother was my guardian angel
Herself she'd never spare.
She sees me through my hours of need
When all my hopes depart.
She's the only one who can restore
Faith to my broken heart.
Now she's grown old in years
But she's lovelier than any other.
She has a loveliness I can't describe
Because she is my mother.

When the day of parting comes
And from grief I'll have to suffer
God will welcome the sweetest angel
For He will have my Mother.
It takes a lot of courage to say
Mother I Love You. We still are afraid
we will sound like we did when we were a child; yet, most

of us would so like to be that child again and I doubt if there is a girl anywhere that would rather hear us say I Love You as much as would Our Mother.

Texas Dairymen In Muddled Confusion On Use of DDT

COLLEGE STATION—Texas dairymen seem to be over-alarmed about the recent reports on the use of DDT, says James A. Deer, assistant extension entomologist of Texas A&M College. So, let's get straightened out on the DDT situation right now. No body has died from effects of DDT in milk. In fact, there aren't even any recorded cases of sickness caused by milk produced from DDT-sprayed dairy cows. When cows are sprayed—or when DDT is used to spray dairy barns—small quantities can sometimes be detected in the milk supply. It hasn't hurt anybody so far, but the food specialists feel that such an important food item as milk should be free of any trace of this material. So the recommendation against the use of DDT is merely a precautionary measure, says Deer.

That's why methoxychlor or pyrethrum insecticides have been recommended in place of the DDT for insect control both on the cattle and in the dairy barns as well. And the warning about feeding DDT sprayed forage to dairy cattle or animals being finished for slaughter still holds. It isn't a good practice, says Deer, since traces of the insecticide may show up in the finished product. Don't give up the DDT altogether though, the entomologist continues. It's still recommended for livestock other than dairy animals and many crop pests as well.

If there's still any doubt about what insecticide to use, see your county agent, advises Deer.

March Retail Sales Above February

AUSTIN—Texas retail sales for March climbed 21 per cent above February to an estimated \$434 million, preliminary tabulations made by the University of Texas Bureau of Business Research showed.

Shoe stores, increasing 39 per cent, and lumber and building material dealers, 35 per cent, headed the list for largest advances over the previous month. Gaining impetus from the approaching Easter, March sales of women's specialty shops went up 28 per cent over the preceding month. General merchandise sales followed with a 27-per-cent rise for the same period. Other monthly increases over February were men's and boys' clothing stores, 23 per cent; department stores, 23 per cent; and filling stations, 20 per cent.

Rising 24 per cent over February, March sales of durable goods stores outranked nondurable goods stores which registered an 18-per-cent increase. Retail sales throughout Texas fell 2 per cent in March below March 1949. Durable goods store sales presented a healthier business picture, with a 7 per cent advance over the 12-month period, than non-durable goods store sales, which slid 10 per cent in March below a year ago.

Motor vehicle and farm implement dealers turned in increases of 21 and 10 per cent, respectively, over March a year ago, while sales of other durable goods stores decreased. Jewelry store and lumber and building material dealers' sales dropped 15 per cent; hardware stores, 8 per cent; and furniture stores, 7 per cent.

March sales were from 1 to 25 per cent under a year earlier in all types of nondurable goods stores. Florists' sales declined 25 per cent; family clothing stores, 22 per cent; shoe stores and men's and boys' clothing stores, 19 per cent; and department stores, 14 per cent.

'Food For Hungry Minds' Is Being Added By CARE

NEW YORK—"Food for hungry minds" is being added by CARE, the Cooperative for American Remittances to Europe, Inc., to its continuing program of aid to war-torn overseas countries. May 15 has been set as the date on which CARE, which has already delivered upwards of 200 million pounds of life-giving food to 16 overseas countries, will expand its government-approved, non-profit service to include new scientific and technical books for war-wrecked libraries in Europe and Asia.

The "Food for the Mind" program is being undertaken with the full cooperation of the Library of Congress, the American Library Association, the U. S. Book Exchange and the United Nations Education, Scientific and Cultural Organization (UNESCO). In addition the project has found the unqualified approval of the State Department's Advisory Committee on Voluntary Foreign Aid.

"Millions of books have been confiscated and hundreds of libraries destroyed in Europe and Asia," said CARE Executive Director Paul Comly French in announcing the program. For almost a decade, American-published scientific and technical books have been unavailable to the rest of the world. CARE is responding to the challenge presented by this dearth of educational material throughout the world.

The program will involve only new books. No solicitation of used books will be made. CARE will purchase the books requested by

European libraries and institutions, and through special arrangements with publishers, all costs of the program will be covered within the standard retail cost of the books shipped.

Individuals or groups may contribute funds for the CARE book program in any amount. All such contributions are tax-exempt. Donors of sums over \$10 may designate the country and category of books they would like sent. The donor will receive the usual CARE receipt signed by the recipient of the books. Donations under \$10 will be put in the general book relief fund, and the donor will receive a CARE acknowledgment, but not a signed receipt.

Countries to which CARE is offering the new book program include: Austria, Belgium, Czechoslovakia, Finland, Italy, France, Greece, Korea, Japan, the Netherlands, Norway, Poland, Great Britain, the American, British and French Zones of Germany, and all of Berlin. Negotiations with the appropriate government officials are now in progress.

General categories which will be served by the CARE book program include: health and welfare; nursing; medicine; dentistry; agricultural science; veterinary science; and English language instruction. In applied science, books will be supplied in the fields of biology; chemistry; engineering; geology; library administration; mathematics; physics; physiology; psychology; sociology; and statistics.

Contributions toward the book program are now being received and they may be sent to CARE's headquarters at 50 Broad Street, New York 4, or to CARE offices in major cities

There Is Still Public Land For Sale In Texas

AUSTIN—State Land Commissioner, Bascom Giles, states there is still public land for sale in Texas.

However, not much of it, as Texans measure land. Less than one per cent of the once colossal public domain is available to high bidders as the unsold acreage has dwindled to a total of 1,025,875.70 acres. (The total acreage of the state is 172,687,000.)

The unsold land includes 700.30 acres in Donley County. Not all of the million acres can be purchased, Giles explains. The domain is administered by the School Land Board, of which Giles is chairman.

"No school lands within five miles of oil or gas production can be sold," Giles points out.

When there is sufficient demand, the School Land Board authorizes the sale of specified tracts. A public sale is advertised and information about the tracts supplied by the General Land Office upon request.

Sale is by sealed bids. The high bidder, if conforming with all regulations, is the new owner.

The terms are 20 per cent down with 40 years to retire the balance at five per cent interest. The Permanent School Fund retains one-sixteenth free royalty in all oil production and one-eighth free royalty in sulphur production.

May is the month when hens usually are at their peak of production and when, because of big supplies, egg prices are lowest for the year.

A Change is in Order...

Change to OIL-PLATING!

Like New!
... Keep your car in showroom shape. OIL-PLATE the engine with Conoco Nth Motor Oil. It protects against wear... preserves that power. An additive, exclusive in Conoco Nth, fastens an extra shield of lubricant right to cylinder walls. That's pep-preserving OIL-PLATING!

Holds Fast!... OIL-PLATING holds fast to metal parts. It can't all drain down, not even overnight! Already lubricated at the touch of the starter.

Holds Up Longer!... Conoco Nth is tough, because it's made from top-quality paraffin-base crude oil. It stands up under hard driving in searing summer heat.

Holds Down Cost!... An OIL-PLATED engine means fewer repair bills. An OIL-PLATED engine means fewer quarts between drains. An OIL-PLATED engine purrs for years and years.

Why are more and more families choosing the Servel GAS Refrigerator?

IT'S GUARANTEED FOR TEN YEARS!

Only Servel

STAYS SILENT, LASTS LONGER

Talk to folks who've had experience. They'll tell you, "The Gas Refrigerator is your big refrigerator value! It guarantees silent, dependable performance for ten full years!"

How can this be? Servel is different. There's not a single moving part in its freezing system to cause noise or wear. A tiny gas flame does the work. So Servel stays silent, lasts longer. Thousands of Servel's over 2,500,000 owners report theirs still on the job after 15, 18 and 20 years.

See the new Gas Refrigerator models today. You'll find every new convenience. And remember—you're sure of long-lasting noise-free, trouble-free performance with Servel!

- You enjoy all these modern features
- Big frozen food compartment
- Plenty of ice cubes—trigger release trays
- Moist and dry cold for fresh foods
- Flexible interior—plastic-coated shelves
- Large dew-action vegetable fresheners

Minister Church of Christ

The faith on which people were received in the time of the Apostles. Turn your attention to Philip and the Ethiopian officer as they ride in the chariot. Philip is busily engaged in preaching to the officer. What is he preaching? The sacred historian says "He preached to him Jesus." That is certainly a brief history of what he was preaching, but equally plain. It is certainly what might be expected, that the officer believed what was preached. What did he believe then? The sacred writer says "As they went on their way, they came to a certain water." Water is not the theme now: faith is the theme. What did the officer believe? This is the matter in hand. The officer said, "See; here is water! what doth hinder me to be immersed?" And Philip answered, "If you believe with all your heart, you may." And he said, "I believe that Jesus is the Christ, the Son of God." Acts 8: 36, 37, 38. On this belief the evangelist received and immersed him; and on this belief all the first converts were received and immersed.

On pentecost, on hearing one Gospel discourse, three thousand believed and became Christians in one day. Nor did they join Church without believing, or knowing what they were doing. They learned what to believe on hearing one discourse, and believed it. They believed what was preached—that God had raised Jesus from the dead—that he was divine, and they willingly bowed their souls to him, and took him for their leader; gladly and implicitly received all he taught, and did all he commanded. On becoming his disciples, they placed themselves under him, as his pupils, students, learners, to be taught by him, and guided to the everlasting city of God.

THE DONLEY COUNTY LEADER

The time has now come when this belief is thought not sufficient; that a man must believe something more than this; that if he knows nothing but Christ and him crucified, he falls vastly short, much below the standard of our times. The accusers: treat those that believe on him, and those that have that belief, as unworthy of regard and fellowship. Talk to them about uniting on him, following him, believing all he taught, receiving it into good and honest hearts, obeying him implicitly in all things, and hoping for all he promised, and they stand and look on you with amazement, and call you narrow and deluded. Texans Take Lead In Cancer Drive

HOUSTON—Texans are taking a leading part in the 1949 educational and fund-raising drive of the American Cancer Society, Clark Sudduth, state campaign director, has announced.

State campaign chairman is Karl Hohlitzelle of Dallas, well-known philanthropist. Frank C. Smith of Houston is president of the Texas Division of the Society, Tom Braniff of Dallas chairman of its board, and Dr. E. W. Bertner of Houston executive committee chairman.

National vice-chairman of the 1949 drive is Mrs. Oveta Culp Hobby wartime WAC commander and wife of Former Gov. W. P. Hobby, who was the 1948 state

campaign chairman.
In the nation's capitol, Congressman Lindley Beckworth, Democrat, Texas, is one of a group of senators and representatives pledging support to the campaign. He is a member of the Congressional Cancer Campaign Committee.

for Cooperatives lent more than 28 million dollars to 173 farmers cooperatives serving 114 thousand farm and ranch families. These associations are set up to perform a variety of off-the-farm services which only a few farmers can provide for themselves.

For example, says Jaynes, farmers use their cooperatives to gin their cotton, handle and market grain, rice, fruit, vegetables, livestock, poultry and dairy products, to crush and market cottonseed, manufacture feed and buy supplies needed on the modern mechanized farm.

Last Year's Business Good For Farm Cooperatives

COLLEGE STATION — Last year farm business was good as far as the farm cooperatives were concerned. So good, in fact, that 53 Texas farm cooperatives paid back their loans in full to the Houston Bank for Cooperatives.

Many others made pretty good-sized payments to reduce their debts to the bank, says M. C. Jaynes, extension specialist in organization and marketing of Texas A&M College.

During 1948, the Houston Bank

Instruments used by Navy scientists to measure infrared sun rays were so delicate and complex it took a year to install them in an airplane.

The NEW 54 COTTON PLANTING SEED NOW AVAILABLE
The NEW Paymaster "54" is now available for the 1949 planting season—ready for farmers who want more profit from Cotton. This quick-maturing, high-yielding, better-staple-producing planting seed answers the demand for a variety that is tested and proved for West Texas growers. It is the result of scientific selection and painstaking experiments to develop a seed that will produce more money per acre planted.
Here's why the NEW Paymaster "54" is a money-making Cotton . . .
• **EARLY MATURITY**
Of 25 varieties tested recently . . . "54" was first in percentage of crop harvested in a four-month period.
• **HIGH YIELD**
In this same test, "54" was third among all varieties in yield per acre.
• **BETTER STAPLE**
"54" ran 1 1/16" to 1 inch throughout West Texas, assuring a better price.
• **TESTED FOR DRY LAND**
"54" has been proved successful for dry land farming as well as for irrigated Plains areas.
Be among those profit-minded farmers who demand a money-making Cotton planting seed—the NEW "54"; order your supply of the improved, state-registered "54" NOW.
IT PAYS TO PLANT PAYMASTER "54"
Sold through your ginmer, your seed dealer, all branches of the Western Cottonoil Co., and at Lockview Farm, Plainview, Texas.
