CLARENDON, DONLEY COUNTY, TEXAS, AUGUST 26, 1954

A Common Paper for Common People

Rains Increase Prospects For Money Crop Here

Rains falling on this area the past week end have been termed by local farmers as the difference between a get-by crop and a money crop. It has increased crop possibilities measurably and the best money crop since 1949 is now in prospect, barring insect infestation and other unforeseen calamities. Traveling people coming through Clarendon make the remark quite frequently that Donley County is just like an Oasis, that crops look better here than any other dry-farming area around in many miles.

The cotton crop has been less worry as it can stand the heat and drouth and still come through with some kind of a crop. Right now, numerous farmers report one-half to a bale per acre in prospect. The feed crop looks especially good to local farmers and ranchers as feed has been short for several years, and if everything goes well, Donley County will produce one of the largest and best paying feed crops in years. This will aid the stock raising business considerably.

Some parts of the County received more rain than others but all of the County received beneficial amounts. The extreme west side of the county received the heaviest amount which totaled out around five inches. Over two inches was reported at Ben Lovell's Station at Ashtola. Sam Dale reported 1.85 at Goldston, D. E. Koen reported 1.50 in the Chamberlain-Hudgins area with Willard Knox reporting the least amount 1.05 for Lelia Lake. The Lelia Lake area has caught the short end of the moisture all along. Here in town Joe Goldston reported a total of 2.19, and the Hedley area was reported to have received around two inches also.

Another thing that makes this moisture spell worth more is the fact that it has rained over a large territory including all of the eastern part of New Mexico, El Paso to the southwest and the Oklahoma Panhandle to the north. Cool nights are helping conditions also. More moisture is forecast for the week end.

Martin Community Chicken Barbecue Postponed

The Martin Community Chicken Barbecue has been postponed until Friday, September 3rd because of various Revival meetings in progress.

Mr. and Mrs. Bill Todd and Dwight, Ronnie and Freddie McAnear left Monday morning for a vacation at Platoro, Colo.

Notice To Parents of School Beginners

The officials of the Clarendon Public Schools wish to welcome new students, and especially students six years old, who are entering public school for the first time. We want to help the beginner to adjust to school routine, and to enjoy educational advancement, stated Supt. H. W. Truitt.

"We would like to encourage the parents of beginning students to have their child vaccinated for small pox before enrollment," he added.

He explained further that "It will be to the child's advantage for every parent to accompany the student to school the first day. We are asking the parent of beginning students to present the birth certificate of the child on enrollment day. This will enable the teacher to have the correct data on school records. Correct school records are very important. The industrial world refers to the school for verification of birth dates, personal data, and school achievement. Therefore it is important that school records be correct. It is the desire of school officials to have correct records; parents presenting the birth certificate of beginning students will help us achieve this aim," added Mr. Truitt.

"The school is an organization of the community and every parent is a part of this organization. Parents are requested to visit the schools at all times," Mr. Truitt emphasized.

Dusters Status Undetermined At Present

A committee representing the Clarendon Dusters will attend a meeting in Amarillo tonight to find out the actual status of the local team in the Caprock League standing. The Dusters were scheduled to play Pierce Street of Amarillo here last Sunday but the Amarillo team failed to show up as a number of their players were in Kansas on another mission. The local committee will find out tonight whether the game will be forfeited to Clarendon or whether the game will be played this coming Sunday. If the game is forfeited, it will automatically put Clarendon and Groom into 3rd and 4th place which will give them an opportunity to participate in the League play-off.

Donley County Leader, \$2.50 year

Red River Bridge Contract Let To Lubbock Firm

Carroll Hudson, resident engineer for the State Highway Department, announced this week that the contract for rebuilding the bridge over Salt Fork of Red River five miles north of town was let last week to Henry Stafford General Contractor of Lubbock. The contract was in excess of \$93,000.

Mr. Hudson stated that a work order would be issued and that actual construction will possibly start between the 15th and the end of September. Hudson will be the engineer in charge of construction.

Weather conditions will play a big part in the time it will take to build the bridge and it will take several months to complete it. The crossing below the bridge site is being kept in as good condition as the rains will permit with difficulty being encountered only when the river gets on a rise. It was flowing five to seven feet deep Sunday morning and again during Sunday night following the heavy downpour in the Goodnight area.

Formal Opening of New Shamrock Station Sept. 3 & 4

Announcement is being made in this issue of the Leader of the formal opening of the new Shamrock Service Station located on Highway 287 in East Clarendon. This new modern station will be operated by Lawrence Neece who has previously handled Shamrock products along with his Massey-Harris Tractor business which is located next door to the new station.

Mr. Neece has been a resident of Clarendon since 1939. He reported that further announcement concerning their formal opening would appear in the Leader next week.

Brotherhood To Meet Tuesday Evening

James Smith, president of the Associational Brotherhood, announced this week that the Brotherhood would meet Tuesday evening, August 31st at 7:30, at the Memphis First Baptist Church. A good speaker will be on hand for this meeting and everyone is reminded to be present, Smith stated.

Governor's Race Will Draw Voters To Polls Saturday

Bronchos To Have Six Home Games

Coach Ray Moore released the official Broncho Football schedule this week covering all non-conference and conference games of which six games will be played on the local field. The first three games will be non-conference and there will be an open date the week before the Broncs start their seven game conference battle. The schedule is as follows:

- Sept. 10—Groom, here
- Sept. 17—Claude, here
- Sept. 23—Pampa "B", there
- Oct. 1—Open
- Oct. 8—Panhandle, there
- Oct. 15—White Deer, here
- Oct. 22—Gruver, here
- Oct. 29—Memphis, here
- Nov. 5—McLean, here
- Nov. 12—Canadian, there
- Nov. 19—Lefors, here

REPORT OF LIONS GREETER COMMITTEE

Sid Stewart, chairman of the Lions Greeter Committee, reports the following new Clarendon residents:

Mr. and Mrs. John Hon who are making their home in the John Rhea house south of Jr. High. They have four children: Jane, 8 years; Judy, 7, Jackie, 4, and John H. Hon II, age 2. They are members of the First Christian Church and Mr. Hon is employed as a mechanic at the AAA Motor Co. They moved to Clarendon from Hereford.

Bronchos Begin Football Training This Week

Twenty-seven prospects reported the first of this week for football training and prospects are already looking good for a highly competitive team this year, coach Ray Moore reported Tuesday. Several other first squad contenders are expected to show up between now and the opening of school, he added.

The Broncs will have fifteen lettermen back this year and their experience will mean a lot in building a strong team. We have more depth in the backfield than in the line but we have several prospects that should help that condition before long, Moore stated.

He pointed out that getting this group in shape for their first game Sept. 10th, would require all their efforts and that the younger group (future Broncs) would not be asked to report for practice until the beginning of school at which time the coaches will have extra help to work with this group. Moore stated that he wanted every boy interested in playing football to contact either himself or coach Spann. A total of around fifty boys is expected to be in training the first week of school, he added.

The Broncs are working out at 7 o'clock each evening and those living in town are reporting for another session at 8 each morning.

The returning lettermen are: Ronnie Martin, Don Landers, Max Johnson, Bill Noblet, Bobby Johnson, Bobby Wilson, Bill Hill, Delma Graham, Howard Hensley, Bobby Philley, Glenn Wallace, Frank White, Doyle Hall, Billy Mac Hicks and Bobby Cospier. Other squadmen reporting which will probably see lots of action this year are: Claude DeBord, Jimmy Philley, Robert Mills, John Payne, Montye Smith, James Graham, Kenneth Evans, Billy Joe Percival, Donovan Houdashell, Basil Bannister, Kenneth Webb and Chester Mann.

School Enrollment Schedule Announced

Supt. H. W. Truitt announced this week the schedule below for the opening of school which is slated for September 7th, the day following labor day.

All High School students will register in the Study Hall which is room 11. The Seniors will register from 9 to 10:30 a. m.; Juniors from 10:30 to 12:00; Sophomores from 1 to 2:30 p. m. and the Freshmen from 2:30 to 4 p. m. All students are reminded to come prepared to pay their library fee of \$1 and locker fee of \$1.

College students will register from 9 a. m. to 3 p. m. in the Library.

All grade school and Jr. High School students will report at 9 a. m., Sept. 7th and all these students will be in school until 2:30 with the exception of First graders. These students will all report to their respective rooms.

All school buses will run as per schedule Tuesday, Sept. 7th.

Invitation Extended Prospective College Students

"We extend a special invitation to every serious minded citizen to consider our college and join us. We are very interested in having a number of Clarendon adults enter college here this fall. Every effort will be made to effect a schedule of classes for your convenience. Why not make plans to be with us September 7th?" stated H. W. Truitt, President.

A college education is indispensable to a fully rounded life in the world today. A college is more than a schoolhouse. It is a gathering place for intellectual enthusiasm and a preparation and practice ground for social action.

College life is one of the happiest, richest adventures that ever comes to a human being. To work and play in a joyous atmosphere of youth and enthusiasm; to find virile meaning in the challenge of the life of today; to interpret the progress of man through 10,000 years of achievement; to live and work and play and study and think in an academic environment invigorated by youth—it is to all this we invite you, Mr. Truitt added.

Band Prospects Looking Good

J. H. Gain, band instructor, announced this week that band practice sessions, which started Monday morning, were progressing nicely and that he expected to have between 40 and 50 in the High School band this year. Sessions from 8 to 10 each morning between now and the opening of school will be spent on learning new music and practice. All youngsters wishing to be in the High School band should contact Mr. Gain for all particulars.

DONLEY FARM BUREAU CHICKEN BARBECUE THIS EVENING

Henry Moore, President of the Donley County Farm Bureau, says to remember that this Thursday (today) August 26th is the big Farm Bureau Chicken Barbecue at Lelia Lake. It will take place at seven o'clock in the evening. A good program is planned with the Queen Contest, and Cotton John of KGNC as the speaker. Remember the big barbecue and be present.

Mrs. A. J. Emmons is able to be home from a Memphis hospital after undergoing major surgery. She is reported to be doing fine.

The second primary (run-off) election will be held throughout the state of Texas this Saturday, August 28th at which time Texas voters will select a governor to guide the affairs of the state the next two years. There has been plenty of fireworks in the camps of both Governor Allan Shivers and Ralph Yarborough since the first primary election and every available political skeleton has been dug out of every closet.

Governor Shivers led Yarborough in Donley County in the first primary and all indications point to Shivers carrying the county by a larger margin in Saturday's election. Yarborough seemed to hit his peak strength a week after the first election but reports coming in indicate a steady decline in most areas.

Other state races listed on the ballot are: For Associate Justice of Supreme Court (Place 1) with Few Brewster and Alfred M. Scott as the two candidates. One candidate is listed for Judge of Court of Criminal Appeals but he is unopposed as the other candidate withdrew from the race.

In county politics, only one contested race is listed on the ballot as this is for Commissioner of Precinct No. 4. The runoff is between Jess Finley and George Preston. Finley needed only one vote in the first primary to give him a majority over the other two candidates in the race. Mrs. Helen Churchman reported yesterday that 49 absentee ballots had been cast by the deadline for absentee voting Tuesday evening. This is a good indication that a big vote will be cast here in the county.

W. M. Patman, county chairman, reported that all voting places would call or bring election results to the Patman Tailor Shop Saturday night and that a regular election board would not be posted this time. Those desiring information as to the voting here in the county can check by

his business place. If you are a qualified voter, be sure and go to your respective voting place Saturday and cast your ballot. Your vote may be the deciding vote in any race. Polls will open at 8 a. m. and close at 7 p. m.

Rains Increase Cotton Insect Danger

The rains this week have increased the danger of cotton insects says County Agent H. M. Breedlove. Farmers are urged to keep a daily watch of their cotton fields and at the very first sign of insects to start spraying. Breedlove says that every day when the cotton is inspected to look around the shuck of the bolls for a small worm about the size of a hair; this is the boll worm and then is the time to spray before he starts into the boll. When the boll worm gets in the boll then the poison will not reach him.

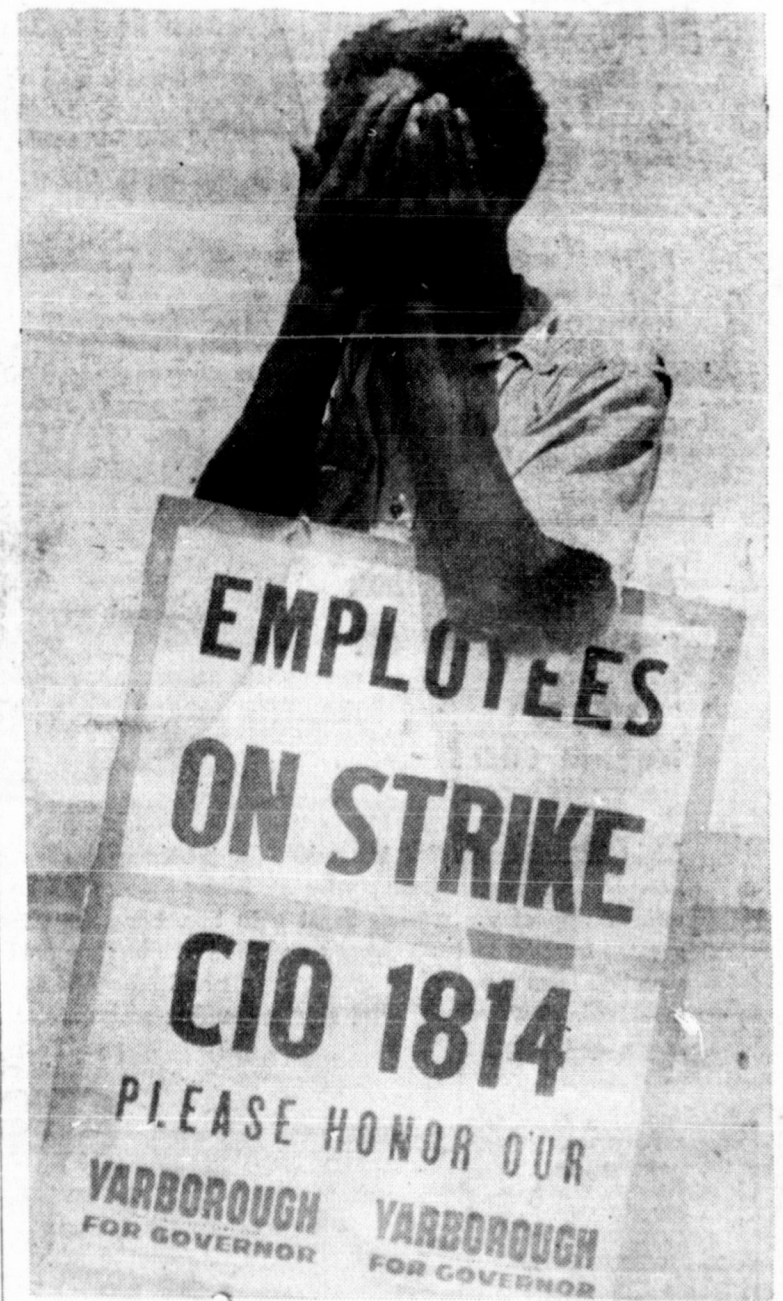

Farmers in some parts of the county have already started a spray program and this is especially true in irrigated cotton. The boll worm has only made his appearance in a few fields so far, but a constant watch must be kept because the hatch and the damage can be done in a very short time.

The poisons being used are 2-1 mix of Toxaphene and DDT at the rate of two quarts per acre as a spray and 3-5-40 dust at the rate of about ten pounds per acre.

Breedlove says that this is just a warning to every one that conditions are good for an insect hatch and the fields should be watched very closely. Anyone needing information should contact the county agent for help. Poison is available in the county and can be purchased at once.

MC CARTHY COMMITTEE . . . Vice-president Nixon meets with 6-man senate committee appointed to consider censure of Sen. McCarthy of Wisconsin. Seated, Sen. Arthur Watkins (R) Utah; Nixon, Sen. Edwin C. Johnson (D) Colo.; standing, Sen. Francis Case (R) S. D.; Sen. Frank Carlson (R) Kan.; Sen. John Stennis (D) Miss.; and Sen. Sam Ervin, Jr. (D) N. C.

HIDDEN FACE—This old negro, who is paid a pittance to picket one of the small businesses in Port Arthur, hides his face from the cameraman. But the sign he carries tells the story: "CIO and Yarborough."

Nuptial Vows Repeat In Double-Ring Ceremony

Miss Loretta Alice Hicks, daughter of Mr. and Mrs. Olace Hicks, became the bride of William Dennis Harrison, son of Mr. and Mrs. H. A. Harrison, Sr., in a double-ring ceremony, Saturday evening, August 14, at the First Baptist Church, Clarendon, Texas. Rev. J. E. Byers, pastor, read the service.

Harold Clampitt, organist, played a nuptial prelude while guests assembled, and accompanied Bob Harthcock as he sang "Because" and "Wedding Prayer." The traditional marches were used for the processional and recessional.

An arch decorated with pink gladioli and greenery centered the altar. Candelabra holding blue candles and baskets of pink gladioli backed by palms completed the setting. Pews along the bridal aisle were marked with blue satin bows.

Miss Betty Richards attended the bride as maid of honor. Bridesmaids were Misses Carolyn Thomas and Joyce Crutchfield. Little Misses Lanita Fedric, cousin of the bride, and Carolyn Harrison, niece of the groom, were flower girls. Attendants wore identically styled ballerina length dresses of nylon net over taffeta. Miss Richards' dress was blue and she carried a pink meline basket filled with white

daisy chrysanthemums. Miss Thomas and Miss Crutchfield wore pink and carried blue meline baskets filled with white daisy chrysanthemums. Flower girls' dresses were pink and blue. Their white meline baskets were filled with rose petals.

Tommy Blasingame was best man. Jerry Mears and Truett Koen were groomsmen and ushers.

Given in marriage by her father, the bride wore a ballerina length gown of Chantilly lace over satin. Her veil of nylon tulle fell from a tiara of heirloom seed pearls. She carried a white Bible topped with pink rosebuds and small white Calla glads, Lily of the Valley being secured in the lovers knots. She carried out the traditions of something old, something new, something borrowed, and something blue. Her wedding gown was new; she carried a hand-made linen handkerchief belonging to her maternal grandmother, brought from Luxembourg, Germany after World War I by her grandfather, for something old and borrowed; she wore a blue garter. Her only jewelry was a single strand of pearls, a gift from the bride-groom.

Mrs. Hicks, mother of the bride, wore a gray tie-silk sheath dress with red accessories and a corsage of red Gladettes. Mrs. Harrison, the bridegroom's mother, wore a dress of navy blue eyelet with navy accessories and a white gladdette corsage.

Following the ceremony, the bridal party was feted at a reception in the Church parlor. Decorations were in the bride's chosen colors of pink and blue. Laid with a lace cloth over pink, the serving table was centered with pink candles in silver holders and pink roses in a silver footed crystal bowl. Mrs. S. M. Fedric and Mrs. Basil Smith served the cake and

MR. and MRS. DENNIS HARRISON

Mrs. J. D. Jones presided at the punch bowl. Mrs. H. A. Harrison, Jr. secured names for the guest registrar.

For the wedding trip to Carlsbad, N. Mex. the bride traveled in a blue and white rayon taffeta dress with white accessories. Her corsage was of pink rosebuds taken from her bridal bouquet.

The couple are at home at the Harrison Dairy, seven miles southeast of Clarendon. Both will resume their studies next month.

GARDEN CLUB

Mrs. Carroll Knorpp and Mrs. W. W. Taylor were hostesses to the Garden Club Thursday morning in the home of Mrs. Knorpp. Refreshments of coffee, fruit, doughnuts and cinnamon rolls were served from a beautifully decorated table, featuring pink

and lilac asters.

During the business session the Club elected the following officers for the ensuing year:

President, Mrs. M. C. Rampy; Vice-Pres., Mrs. Jim McMurtry; Treasurer, Mrs. Bill Greene Sr.; Secretary, Mrs. Lee Holland; Reporter, Mrs. O. C. Watson.

Mrs. Potts as leader of the program presented an attendance prize—a package of tulip bulbs to Miss Edgar Mae Mongole. For the program Mrs. Joe Goldston gave "The Flower Show" from the book, Helen Gould was my mother-in-law.

Seventeen members and the following guests were present: Misses Mable and Edgar Mae Mongole, Mrs. H. D. Bell and Mrs. Mercer, of Ft. Worth.

—Reporter.

Pittman - Johnson Vows Read Sunday

Nuptial vows were solemnized Sunday afternoon, August 15, for Ola Jean Pittman, daughter of Mr. and Mrs. Carl M. Pittman of Clarendon, Texas, and Roy Gratin Johnson, son of Mr. and Mrs. Oscar Johnson of Pampa, Texas. The double-ring service was read by Jack Cox, minister of Washington Avenue Christian Church, in the Church parlor, Amarillo, Texas.

An arch entwined with greenery and pink crepe myrtle and flanked by candelabra fronted with green foliage formed the setting. Arrangements of garden flowers ornamented the room, and an arrangement of pink carnations and gladioli centered the table where guests registered.

Mrs. L. B. Summers, pianist, played a prelude while guests assembled. Miss Vivian Newberry of Goodnight, Texas sang "Because" by D'Hardelot. The traditional processional and recessional wedding marches were used. As a soft musical background, Mrs. Summers played "I Love You Truly" while vows were being exchanged.

Keith Pittman, brother of the bride, lighted the candles. Miss Karla Sue Jordan, niece of the bride, was flower girl.

Attending the bride as matron of honor, Mrs. Richard Salmon wore a brown dress complemented by white accessories and a corsage of yellow rosebuds.

Richard Salmon was the groom's best man.

Given in marriage by her father, the bride was attired in a navy blue faille, two-piece dress with white collar and cuffs. She wore navy accessories and carried her nephew's white Bible topped with a bouquet of white split carnations. For something old and borrowed, she wore a pearl necklace; something new was her wedding dress; and she wore a penny in her shoe.

Mrs. Pittman, mother of the bride, wore an orchid linen dress with white accessories, and a corsage of white carnations.

Following the ceremony, the bridal party was feted at a reception in the home of the bride's sister, Mrs. B. J. Jordan. Miss

Judy Pittman, sister of the bride, registered the guests. Miss Vivian Newberry served the three tiered wedding cake from an antique cake plate which was a wedding gift to the bride's grandmother. Mrs. Chet Rodney presided at the punch bowl.

RECENT BRIDE HONOREE AT SHOWER

Mrs. Roy Johnson, the former Jean Pittman, was honoree at a bridal shower, Saturday afternoon, August 21, at 3:00 o'clock at the First Christian Church. The entertainment was given by ladies of the church with Mrs. Pete Borden and Glenda and Mrs. Bob Allen and Mrs. David Spivey acting hostesses.

Guests were received by Mrs. Allen while Mrs. Borden presided at the guest book.

After the honoree opened the many lovely gifts, games were played throughout the afternoon.

Refreshments of punch, cookies and salted nuts were served from a table laid with a lace cloth and centered with a bud vase filled with pink and white roses. Mrs. David Spivey and Miss Glenda Borden alternated at the crystal service.

Twenty-five guests registered and a number who were unable to attend sent gifts.

KITCHEN SHOWER

Miss Jean Pittman, bride-elect of Roy Gratin Johnson, was honored recently at a Kitchen Shower given by her sister, Mrs. B. J. Jordan, 4319 Hayden, Amarillo, Texas. Miss Pittman is the daughter of Mr. and Mrs. Carl M. Pittman, Clarendon, Texas.

Many lovely and useful kitchen gifts were received from friends who attended High School with the bride-elect.

Those attending the courtesy included: Misses Beverly O'Neal and Willetta Riney; Mesdames Wanda Nell Johnson, Doris Hays, Betty Ann White, Doris Salmon, Betty McWhirter, Jane Bowers, Ruby Deputy, Roberta Pittman and the hostess, Pat Jordan.

Sending gifts were: Misses Mary Lou Fitzgerald and Jean Wood; Mesdames Skipper, Allie Craig, and Bertie Speed.

FAMILY REUNION HELD

A family reunion was held in the home of Mr. and Mrs. A. O. Hefner, Sunday, August 15. All of their children with the exception of one daughter were present. Attending were Mr. and Mrs. Verna Lusk, Bobby and Mike of Richmond, Calif., Mr. and Mrs. Ray Hefner and Patsy and Mr. and Mrs. Lloyd Hefner of Amarillo; also Mrs. Hefner's brother and wife, Mr. and Mrs. B. M. Wood and Charles of Pampa.

The pleasure of the day was added to by the arrival of Mr. Lusk's mother, brother and wife, and a friend from Mineral Wells, Texas who visited Sunday afternoon.

Monday afternoon, Mr. and Mrs. A. O. Hefner and Mr. and Mrs. Verna Lusk and boys visited the old Hefner home place, the Eanes family, and the Naylor sisters. The Lusks left Wednesday, August 18, for Amarillo, returning to California by train.

NEEDLE CLUB

The Needle Club met Thursday in the home of Mrs. Henry Mann as hostess.

The evening was spent visiting, tating and crocheting. Mrs. Henry Mann received pollyanna gift.

Refreshments were served to Mrs. Ross Darby, Mrs. Amel Carter, Mrs. Gilbert Mann, Mrs. Oren Hott, Mrs. Carl Barker, Mrs. Harvey Shaw and hostess Mrs. Henry Mann.

Next meeting will be Sept. 9th in the home of Mrs. Gilbert Mann as hostess. —Reporter.

FAMILY REUNION

The W. H. Strawn family enjoyed a family reunion Sunday at Canyon in the home of Mr. and Mrs. A. S. Hamblen. Present for the occasion were the hosts, Mr. and Mrs. Hamblen and their two sons Beryl and Guy, and their daughter and family, Mrs. John Scoggin, Bill and Sussie of Amarillo, Mrs. Curry, Jim and Janie of Clovis, N. M., Wesley Strawn, Sacramento, Calif., and Mr. and Mrs. W. H. Strawn.

Mr. Davis of Atlanta, Ga. visited Mr. and Mrs. W. H. Strawn Tuesday on his way to Oakland, Calif., where he was to fly to Korea for service.

Mr. and Mrs. Chas. Deyle are the proud parents of a girl born August 18th at a Memphis hospital. She weighed 8 lbs. and was named Becky Ann.

Blue-Ribbon Program Announced For 1954 State Fair of Texas

A blue-ribbon program has been announced for the 1954 State Fair of Texas, Oct. 9-24, which brilliantly demonstrates why the giant exposition is the world champion of all state fairs.

The lineup of major attractions, features, exhibits, and events includes:

Entertainment—"The Kink and I," Broadway hit musical; "Ice Cycles of 1955," featuring the story of Snow White; "Aladdin and His Wonderful Lamp," free show for children; "Dancing Waters," spectacular aquatic ballet; the Joie Chitwood Daredevils, in death-defying stunts; and the Magnolia Sky Revue to be presented twice daily.

Exhibits—The new air-conditioned Women's Building, a show-window for fashions and home-making skills; "House Beautiful Pacesetter House," all-electric three-bedroom home; the Electric Show, commemorating the 75th Anniversary of Light; the Automobile Show, one of the nation's largest; "Research for Texas Agriculture," a new type of farm show; the Antique Auto Show, nostalgic collection of rare old cars; plus farm implements,

household appliances, exotic and beautiful birds, and literally thousands of other free exhibits.

Livestock—Beef and dairy cattle, swine, sheep and goats, Palomino and Quarter horses and Shetland ponies, chickens and turkeys, presented in more than a thousand different judging events during the Pan-American Livestock Exposition, the Junior Livestock Show and the Poultry Show.

Football—Seven big games, including the Texas-Oklahoma battle in the Cotton Bowl, Saturday, Oct. 9; Wiley vs. Prairie View A&M, Monday, Oct. 18; SMU vs. Kansas, Saturday, Oct. 23, and four out-standing high school games.

The Midway—America's biggest, brightest, gayest fun zone, featuring dozens of shows and amusement devices, introducing the breathtaking new European thrill ride "Flying Cars," plus the fabulous "Sky Wheels."

Special Events—More than 200 days and events including Mexico Day, Oct. 11, Dallas Day Oct. 12, Public School Centennial Day, Oct. 13, Crippled Children's Day Oct. 14, Elementary School Day Oct. 15, Rural Youth Day Oct. 16, Negro Achievement Day Oct. 18, East Texas Day and Garden Club Day Oct. 19, High School Day Oct. 22, Religious Festival Oct.

24. Free fireworks will be presented Oct. 12, 13, 15, 17 and 19.

John Thomas is the name given the young man who arrived August 7 to make his home with Mr. and Mrs. Ray Moore. John weighed 7 lbs. 7 oz. He and his mother are now at home.

Mrs. Buel Sanford was moved home Thursday from an Amarillo Hospital.

Mrs. Mae Hayes returned home Tuesday after a visit in Amarillo the first of the week.

Mr. and Mrs. W. H. Strawn were in Amarillo Friday to meet their son Howard who came home for a week end visit.

The Thousand Islands are in the St. Lawrence River.

Mr. and Mrs. H. A. Graham and Betty visited Mr. and Mrs. Bert Eddleman and family Sunday afternoon.

GABIE BETTS BURTON LIBRARY NOTES
By May L. Prewitt

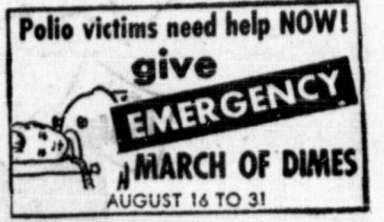

Recently we enjoyed a visit by Mr. B. Peace from the State Library. I believe he is with the Extension Division. This place is so busy one can't talk to any one without several interruptions. His outstanding suggestion was to rid our shelves of useless books and worn ones. We can likely follow a part of his advise, but we can't replace the worn editions. Perhaps seventy-five books in the Junior section have been badly worn this summer.

Charles Percival and Jane Lowe have been very thoughtful in regard to helping here. They read their books and then donate

them here, where their usefulness can be extended. They give clean funny books when they complete their copies.

There is a shipment of light romance here, but I don't think I can write them up before school opens, as the children demand attention in selecting their books. Reading and swimming are the only amusements for children these hot days.

Donley County Leader, \$2.50 year

ASHTOLA NEWS

Mrs. Doyce Graham

It is good to be home again, but it was nice being sick when every one was so wonderful. I want to say a sincere "thank you" to you all. For the flowers in my hospital room, for the food you sent to me and my family, for your friendly visits and interest, for the lovely little gifts, for all the cards and letters - - also to Mrs. Ben Lovell for writing my news items, for every kind remembrance, thank you from the bottom of my heart.

The Needle Club sponsored their annual chicken barbecue 19th. Our husbands barbecued the chickens doing a good job. Over 100 members and guests attended.

ALLAN SHIVERS FOR GOVERNOR OF TEXAS

PLATFORM WITH SOLID FOUNDATION — Reprinted by permission of the Dallas News

FARM NEWS

from the County ASC Committee

1954 WHEAT LOANS:

To date there have been 95 wheat loans made in Donley County compared with 28 in 1953. The total bushels of wheat being put in the loan is 23,931.64 totaling a principal amount of \$58,701.02. The maturity date on all wheat loans is March 31, 1955. PENALTY RATE FOR

UPLAND COTTON:

The 1954 marketing quota penalty rate for Upland lint cotton is 17.5 cents per pound.

WHEAT USED FOR GREEN MANURE, PASTURED OFF, OR CUT FOR HAY OR SILAGE IN 1955:

The 1955 Wheat Allotment Program provides that producers in all counties may seed wheat in excess of the farm wheat acreage allotment, provided such acreage above the allotment is not permitted to reach maturity. Any acreage of wheat in excess of the al-

lotment must be while still green turned under for green manure, pastured off, or cut for hay or silage, but not later than the date established by the State ASC Committee, if the producer desires to comply with the wheat allotment provisions. Any wheat, whether seeded or volunteer which is allowed to mature will be classified as wheat acreage in determining compliance with the wheat allotment provisions. Prior approval from the County ASC Committee for planting in excess of the wheat acreage allotment is

not required before seeding time. **COTTON MEASUREMENT:** Cotton measurement has been completed in the fields. Office work will be completed and notices of measured acreage mailed to producers as soon as possible.

VACATION IN GRAND CANYON

Mr. and Mrs. C. L. Benson, Jr. and daughters returned Monday from a vacation spent in Arizona and New Mexico. Among the pleasure resorts visited were the Painted Desert, the Petrified Forest, and the Grand Canyon where they took a plane trip over the canyon. Enroute home they visited Santa Fe and attended the races at Raton, N. Mex.

Robert Naylor moved Monday to Hereford, Texas where he will instruct classes in Science in the Hereford High School. Enrollment will start Thursday with actual class work beginning the following Monday.

Billy Carl Pittman arrived home Saturday to spend the coming three weeks. Bill is a student at the University of Texas. He will leave about Sept. 15th to resume his school work.

Mr. and Mrs. Grant Goode and family of Azle, Texas visited during the week end with his mother, Mrs. Stella Goode and Mrs. Hinkle.

Mrs. J. D. Wood and Evelyn visited Thursday afternoon with Mrs. Buck Roberts and Mrs. Gene Davis of Amarillo.

Among those to spend the week end at Raton were Mr. and Mrs. Arvis Davis and Mr. and Mrs. Bob Parker of Amarillo.

PARISHONERS MAKE PILGRIMAGE TO LOCAL SHRINE

The second pilgrimage of the Marian Year to the Shrine to Our Lady of the Panhandle occurred Sunday when 36 parishoners of St. John's Altar Society of Borger made the trip here for Mass. Father L. Connaughton of the Groom Parish offered the Mass on the special Feast Day of the Immaculate Heart of Mary.

Those making the journey included Misses Lucille LaPointe and Judy Mangan; Mesdames Alden Yelmgren, Harvey LaPointe, P. M. Carroll, Jr., P. M. Carroll, Louis Zaversnick, Robert Ezell, Jos. Poe, Jim Wolf, Miller Maddox, David Poundstone, J. D. Mangan, Jack and Mary Helen; Mr. and Mrs. John Gohman and Johnny; Mr. and Mrs. Jerry Blinke, Helen and Jeralyn; Mr. and Mrs. Clefford Corbett and Carrol Ann, Mr. and Mrs. Dan Mangan; Mr. and Mrs. Walter Kale, Helen and Joe and Mr. and Mrs. Frank Sissons and three young boys.

VACATION IN KENTUCKY

John Payne and Bill Bradshaw returned home Sunday morning after a visit with the Payne relatives in Kentucky and St. Louis. They report a most enjoyable time. Cliff Stogner accompanied them as far as St. Louis where they attended three league baseball games.

Along with the many interesting spots visited was Kentucky Lake where the boys fished. One of the highlights of the trip was a tour thru an Atomic plant at Paducah, Kentucky.

Mrs. Anna Neal of La Grange, Ill. is visiting her sister Mrs. Lena Dilli.

JOE TOM NAYLOR TO FILL PULPIT SUNDAY AT CALVARY BAPTIST

The Leader has been asked to remind members and friends that Bro. Joe Tom Naylor will fill the pulpit this Sunday, August 29th at the Calvary Baptist Church. The pastor, Rev. Ernest Phillips, is holding a meeting in New Mex.

The membership and friends of this young preacher are urged to come out and hear him. Visitors are always welcome.

Mr. and Mrs. Wayne Ewing and girls of Borger, and Mr. and Mrs. C. C. LaGrone and family of Amarillo spent the week end with relatives and attended revival services at the Sardis Baptist Church.

ATTEND GRADUATION EXERCISES

Mr. and Mrs. Otis Naylor attended WTSC graduation exercises in Canyon Friday evening where their son, Robert, received his Masters Degree. Others attending with the Naylors were Mrs. Dick Chunn, Mrs. Slaton Mahaffey, also Mrs. Mary Clayton and Mr. and Mrs. Ray Norman of Amarillo. The impressive service was held in the WTSC stadium.

Mrs. Roy Crutchfield and girls were in Amarillo Monday to be with a nephew, Jesse Usrey. Jesse, son of Mr. and Mrs. Dorman Usrey of Amarillo, underwent surgery at St. Anthony's Hospital and is doing as well as could be expected at this time.

TEXANS ...

Do You Doubt It Now?

PARR AGAINST GOV. SHIVERS

Best Special to The News

SAN DIEGO, Texas.—George B. Parr, the Duval County political power, said Ralph W. Yarborough would get his vote for Governor.

Parr interrupted a coffee-cup cafe conference with Roy Har- rington of Austin, secretary-treasurer of the CIO State Council, to say that he was not particularly for Yarborough.

"It's just that I'm against Allan Shivers," said the political boss.

Parr said that on Wednesday night he went to Fair- rington to hear Yarborough make a campaign speech. Parr said he sat in the bleachers at the school stadium where Yar- borough spoke and did not speak personally to the candi- date. Some Parr-backed local officials sat on the platform with Yarborough.

"We haven't talked since be- fore he announced," said Parr.

Here is conclusive proof of the link between Parr, Yarborough and C.I.O.

This news story, appearing in the Dallas Morning News on Sunday, August 22, 1954, will convince all TRUE TEXANS that there is a conspiracy by the Parr-Yarborough-CIO Machine to TAKE OVER TEXAS.

Remember the CIO-PARR link has been repeatedly denied by Ralph Yarborough.

Help Hold Texas for Texans!

CLARENDON, TEXAS

Anyway, guess we have said enough already about our trip to the fishing country of cool colorful Colorado. But we could hardly forget about it without bringing just a bit of criticism about a few things that might be wrong. One thing that stands out like a sore toe in almost every little town are the bars; some of them carry the sign Wet Goods. We had never seen this sign used on a package store but suppose the folks knew what was inside right off. Most small towns had from six to a dozen bars; maybe two

grocery stores, and sometimes one Catholic church and one Protestant, all varieties together. So to help build a better Colorado to match the mountains, the cool water and the fish along with all the other blessings of nature that God so richly endowed them with we would suggest adding a few more churches, and a few less bars — a few more Southern Democrats to keep things on the up and up—And a little stronger catch wall on the falling off side of some of their mountain roads —Anyhow, it is a good place to go to "Cool off" from the heat, but it is still the best thrill of all to get back home to "Our Home", and to our own church, and to our own community. By comparison we can see so many things that we have to be thankful for right here at home.

Uncle Bob writes and suggests that on some future occasion that we have a new picture made for this column substituting the

wheat straw with a long black cigar. We appreciate the suggestion but doubt if it would work out. If we got that close to a big black cigar we might get the habit again and we could never again buy enough chewing gum to last through the quitting stage.

This week we have been doing our daily Bible reading from the Book of Proverbs. Like the book of Psalms we should go back and over and over again read these two books. Each individual verse or proverb can be a thought for a whole day. And no matter how many times we have read and even memorized them, each new time over brings new blessings and good advice. Take for instance;

"A soft answer turneth away wrath, but grievous words stir up anger."

"Better is a dinner of herbs where love is, than a stalled ox with hatred therewith."

"There is a way which seemeth right unto man, but the end thereof are the ways of death."

As we read on and on we see that through the ages man has said all manner of wise sayings but in the Book of Proverbs we find the foundation of just about every wise thing that has ever been said by man.

Bro. O'Brien, pastor of the First Baptist Church of Big Spring, Texas says that "An optimist is a person who would eat slaw in a dark room. A pessimist is one that had already eaten it."

The X-ray was so named because it's discoverer was uncertain of the nature of the rays, and used "X" as a symbol.

August 12, 1954

PIGEONS FOR BREAKFAST

As I was leaving the house for work this morning I heard quite a commotion and looked around to see Jean and the children waving me to come back. I went back in and was advised that we had an uninvited guest for breakfast. I went out at the breakfast table and there sat a live pigeon in the center of the table. Jean told me that they were very peacefully eating when the feathered personage descended and landed smack in the center of the table. No one seemed to know where he came from or how. Time was too short for me to cross examine any of the children, but I hope to have the mystery solved by the time you get this letter. It sometimes takes quite a bit of discussion with the children to get all the facts assembled and properly documented and coordinated, but we usually come up with a pretty clear picture as an end result. None of them have yet pleaded the Fifth Amendment on me.

After a short but fast chase, the pigeon gave up, and I gave it to the children.

Speaking of the Fifth Amendment, it occurred to me the other day that if as much attention was paid to the Fifth Commandment as paid to the Fifth Amendment, we would certainly have less juvenile delinquency, much less adult crime and conspiracy and a better world in which to live.

WATER

The New Water Resources Subcommittee of the House Interior Committee commenced its work. We have had two meetings to date. One of these was with the representatives of the departments of the executive branch, representatives of the Hoover Commission, and the Army Engineers. Everyone seems to understand that we have water problems, but very little seems to have been done about it. Few people realize that the creation and the use of mechanical devices by man has brought about demands for water far in excess of the wildest anticipation of those who were running this country

at the turn of the century. For instance, industry uses more water than agriculture. Estimates are that in 1975 industry will probably be using two-thirds of all the sweet water available in this country. The East is beginning to realize this as it sees many of its industries moving to the South. Water can certainly be counted as one of the determining factors in many of these moves. We in the Panhandle of Texas have long realized the need for water for industrial uses. If we could provide an ample water supply in our section, the industrial potentialities would be limitless.

Dr. A. L. Miller, Chairman of the Committee on Interior and Insular Affairs, gave a statement recently at one of our meetings, pointing out the fact that the refining of one barrel of oil requires 770 gallons of water; 70,000 gallons of water is required for one ton of sulphate pulp; 110,000 gallons of water is required to produce one ton of rolled steel; that 300 billion gallons of water passes New Orleans in the Mississippi River every day; 319 million acre feet of stream runoff occurs annually in the United States. Somewhere between 15 and 20 percent, or 78 million acre feet of this water is developed and put to use. This means that we are wasting approximately 85% of our greatest natural resource.

Stop Taking Harsh Drugs for Constipation

Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

When you are temporarily constipated, get *sure* but *gentle* relief—without salts, without harsh drugs. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. The extract of Senna in Dr. Caldwell's is one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief of temporary constipation for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's. Money back if not satisfied. Mail bottle to Box 280, New York 18, N. Y.

BENEFITS FOR AMERICAN PRISONERS OF WAR IN KOREA

The bill providing additional compensation benefits to more than 8500 American prisoners of war in Korea, including several hundred military and civilian personnel not yet released by their communist captors, as well as certain survivors of deceased military and civilian prisoners, will probably be law by the time you read this letter. This is legislation that was passed in accordance with the recommendations of President Eisenhower under Re-organization Plan No. 1. The plan established the Foreign

Claims Settlement Commission, which will have charge of the benefits and compensation to be paid under H. R. 9390. Those not presently detained or interned by the enemy will have one year from the date of enactment of this law within which to file their claim for benefits. If you know of anyone who could qualify under this law and who may not know about it, please tell them so that they will not run the risk of losing their claims. These claims should be filed as quickly as possible because a large backlog will soon accumulate, and the earlier ones to be filed will of course be the earlier ones to be paid.

EAT BETTER AND SAVE

The best way to eat better and save at the same time is to use a Home Freezer or one of our Lockers.

You get a 3-way bonus in the car that's soaring to new success

WHAT has happened in the automobile business this year is something that you should take to heart—as a personal benefit to yourself, and as a sure way to pick a winner.

It is simply this: Buick has moved into the charmed circle of America's three top sales leaders—a circle once dominated *only* by the so-called "low-price three."

In plainer words—Buick today is outselling *all* other cars in America except *two* of these so-called "low-price three." And this has come about because of Buick's advanced year-ahead styling, great V8 power, big-car room and comfort—all for prices starting right close to the lowest. So *you* reap a worth-while 3-way benefit.

1. You get the look of tomorrow—today

In Buick today you get the modern styling other cars will reach in the future. For here you get true year-ahead beauty—long, low glamor lines, sports-car grace, and that spectacular new panoramic windshield that most other cars won't have till 1955.

2. You get the bigger allowance of our volume business

The tremendous sales volume that has brought Buick into the leadership circle of the "Big Three" means that we can offer you a higher trade-in allowance on your present car when you buy a new Buick. That's the simple reason why we can make you a better deal right now.

3. You get more resale dollars when you trade

With Buick so advanced in style this year it's a sure thing Buick will stay in style for years to come, as other cars catch up. So the new Buick you buy today brings you a higher resale price at trade-in time later. Drop in—see and drive this tomorrow-styled Buick—and get in on Buick's big 3-way bonus right now.

Now's the time to make your buy because—

Buick Sales are Soaring!

Night 65

By VERN SANFORD
Texas Press Association

AUSTIN—Charges and counter-charges flew fast as the race for governor rounded the turn for the final lap.

Judge Ralph W. Yarborough, quick to accuse Allan Shivers of misdeeds, found fault with state printing contracts awarded to the Times Publishing Company of Mission because Shivers had been a stockholder in the company in 1946.

From Attorney General John Ben Shepperd came the retort that "I have investigated the whole transaction and there is nothing wrong with it." The contracts, Shepperd said, amounted to only about one per cent of the state's printing business and it went to the Mission firm on the basis of low bids.

Another Yarborough charge was that Shivers had withdrawn the Rangers from politically-hot Duval County.

This statement, said Ranger Captain Alfred Y. Allee, was "utterly untrue." Captain Allee testified that the Rangers are still in Duval County.

And Colonel Homer Garrison, director of the Texas Department of Public Safety, asserted that no request had been made to pull the law officials out of George

Parr's domain. Yarborough's political promises, came in for attack. When he pledged himself, if elected, to support a Galveston project—a \$5 million bridge across San Luis Pass—a statement came from John S. Redditt of Lufkin.

Redditt, former chairman of the state highway commission, former state senator, and former president of the Texas Good Roads Association, said: "In all my experience the Texas Highway Department has operated without this kind of political interference from the governor, the Legislature, or any other source. This policy has given Texas as the nation's finest roads per dollar expended."

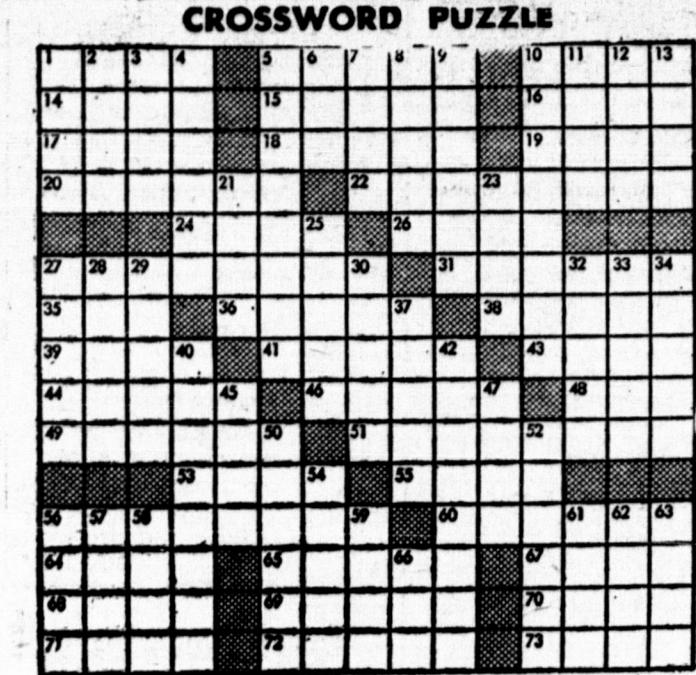

Yarborough Campaign

Otherwise, in his campaign speeches, Yarborough: Promised to build 40 new dams in South Texas.

Charged that a "vast army of state employees" had been forced to leave their jobs and campaign for Shivers.

Proposed the creation of a new Texas water board and advocated the investment by the state of \$400 million in water conservation projects.

Charged that Shivers spent \$2 million in his first primary campaign.

Road Bids
Bids for construction on 288 miles of state roads were scheduled to be opened by the State Highway Department Tuesday and Wednesday with estimations running around \$9 million. Bids were to cover some 182 miles of farm roads and 106 miles of state and federal highways. A large portion of the total cost will go for expressway construction in Austin and Dallas.

The Amarillo social security manager stated that a pamphlet explaining the eligibility requirements and other social security questions is available upon request at any social security office. Request for Pamphlet No. 35 should be addressed to the Social Security Field Office, Amarillo, Texas. Persons approaching 65 who have any doubt about their ability to meet the employment requirements are urged to obtain a copy.

Lieutenant Andrew Summers Rowan is the man who carried the famed Message to Garcia, the Cuban revolutionist, during the Spanish-American War. A Shoshone Indian girl named Sacajawea, which means "Bird Woman," guided the Lewis and Clark Expedition through the Northwest.

and SOCIAL SECURITY

How much covered employment or self-employment income will YOU need in order to be eligible for social security benefits when you reach 65? According to John R. Sanderson, manager of the Amarillo social security office, there is better than an even chance that your answer—if you have one—will be wrong. Why? Mr. Sanderson explains it this way: Since thousands of older workers have already qualified for benefits with as little as a year and one-half of covered earnings, many people have assumed that any person can do the same. Actually that is true only where the individual was already 65 or attained that age before July 1, 1954.

Anyone reaching 65 after June 30th of this year will need two more quarters of covered employment or self-employment for every additional year up to the time he reaches 65. Thus, a person who will be 65 three years from now will need 6 more quarters in addition to the 7 required now, or a total of 13. The maximum coverage requirement is 40 quarters and the minimum is 6.

Vote for Ralph Yarborough

Donley County Democratic Convention voted down endorsement of present Governor.

Vote with Majority for Yarborough for Governor

Any Yarborough supporter wishing ride to voting places on election day, phone No. 67 and a car will call for you.

(Paid for by Donley County Supporters of Yarborough for Governor)

Shivers:
Rapped Yarborough for being "the only man I know of in Texas who has cast doubt on Texas' tidelands claim to the 10 1/2 mile limit." Charged that Yarborough misled Negro voters in the first primary by announcing that he was for segregation and then later stating his opposition to the U. S. Supreme Court's segregation decision.

Told Port Arthur listeners in a public rally that people who represent Communist-dominated unions and opposed the present state law outlawing the Communist Party are supporting Yarborough.

Received praise from B. A. Stufflebeme, Grand Prairie member of the State Prison Board, for cooperating to make the system "one of the best."

Big Vote Anticipated
Absentee balloting reports from over the state indicate a good possibility of the August 28th Democratic run-off primary bringing a heavier turn-out than did the first primary, according to various county clerks.

In Travis County absentee ballots were coming in at a rate approximately five times that of the July primary, according to County Clerk Emilie Limberg.

New Bridge
Texas Governor Allan Shivers will be the chief speaker at August 21 ceremonies opening the \$2.5 million surfside highway bridge at Brazosport.

The bridge is the only fixed span over the Intracoastal Waterway. It has a 78-foot vertical and 201-foot horizontal clearance for water traffic.

WARNING!

TEXAS FARMERS-RANCHERS WARNED OF CIO LABOR PLANS

AUSTIN, Tex., Farmers and ranchers of Texas were warned this week that the CIO plans to organize the farm workers of Texas if its candidate wins the Governor's race.

This warning came from Governor Allan Shivers who charged that the backers of his opponents "want to turn the state government over to the same bunch that is trying to wreck Port Arthur."

"One of the first things they would do is put one of their red-hot organizers from Port Arthur in as labor commissioner. Then every time a farmer or rancher wanted to hire someone he would have to go through the CIO."

Governor Shivers said there was no doubt in his mind that the aim of the CIO after the job of organizing industry in Port Arthur and along the Gulf Coast is finished is to begin organizing farm labor in all parts of Texas.

"You can imagine what will happen when the CIO starts dictating how many laborers are needed to plow ten acres of land, refusing to allow a man to work more than thirty-five hours a week during the harvesting season and telling how much a farmer can charge for his crop," he said.

The Shivers administration, the Governor said, has worked hard to help preserve and protect the rights of the working man.

"But as long as I am Governor, the professional labor bosses who have been sent to Texas from the East—specifically those in the CIO and its Political Action Committee—are not going to run our State Government," Shivers promised.

Shivers said the average working man in Texas appreciated good government and that they were not going to let CIO bosses and professional organizers from the East do their thinking—and voting—for them.

A VOTE FOR ALLAN SHIVERS IS A VOTE FOR TEXAS

TEXAS COMES FIRST WITH ALLAN SHIVERS

Gas savings! Repair savings! Longer life!

90 acres less "piston rub"

... than "the other" leading truck, in every 10,000 miles of truck travel

Ford F-100 Pickup, GVW 4,800 lbs.

New Ford Low-Friction V-8 develops up to 16% more power... has 21% shorter piston strokes and 21% slower piston speed!

In every truck engine, there's the rub, rub, rub of piston rings against cylinder walls as pistons stroke up and down. "Piston Rub" means friction... friction that wears out your engine and cuts its usable power.

Ford reduces "Piston Rub" by shortening piston stroke. In the 130-h.p. Power King V-8, for instance, the piston stroke is 21% shorter than that of the other leading make. And, in 10,000 miles of truck travel, the Ford V-8 has the

equivalent of 90 acres less "piston rub" per cylinder!

It stands to reason that Ford's reduction of "piston rub" and friction will mean gas savings, repair savings, and longer engine life.

Only Ford Trucks give you modern high-compression, Low-Friction, overhead-valve, deep-block engines in any size truck you choose. For complete details, see your Ford Dealer now!

Then, come in, and have a heart-to-heart talk! We really enjoy helping you with Auto Loans, or any type of loan for a worthwhile purpose. Drop in and discuss it with us today!

FARM LEGISLATION:

By a narrow margin the Senate voted down the farm price support bill reported by the Agriculture Committee and instead passed the "flexible" support bill favored by the Administration. The committee bill, which I favored, would have maintained price supports on basic crops at 90 per cent of parity. The Administration proposal, which I voted against, sets these supports on a "sliding scale" of between 82½ per cent and 90 per cent of parity. To my way of thinking, the legislation simply means that when the farmer does not need help, he will be guaranteed 90 per cent of a fair price. When the farmer does need help, his income

will be lowered to 82½ per cent of a fair price.

DANGEROUS THEORY:

There is a basic assumption behind this "flexible" price support theory with which I cannot agree. It is the assumption that there are economic problems which can be solved by lowering the income of one segment of our population.

This seems to me a fallacious theory. I do not believe that lower incomes for Texas farmers will promote prosperity for residents of Texas cities any more than I believe that a low income for industrial workers promotes farm prosperity.

I believe firmly that prosperous farmers mean prosperous factory workers just as prosperous workers mean prosperous farmers. I believe also that prosperity in the fields and in the factories promotes the prosperity of business.

BLOW AT UNITY:

It is unfortunate that the campaign waged by the Department of Agriculture on behalf of its farm program has been of such a nature as to divide the American people. It has turned—or sought to turn—city folks against country folks.

Farmers have been pictured as bloated plutocrats, driving into the city in their gold-plated Cadillacs to pick the pockets of the consumer. In the minds of many, the farmer has become a profiteer—a man who sells and sells at fantastic, exorbitant prices.

That is a result of the work of the high-powered press agents in selling the theory of "flexible" farm price supports.

NOT A TRUE PICTURE:

We know in Texas that this is not a true picture of the farmer.

We know that our farmers have been hard hit by drouth—by insect depredations—by falling prices. Everywhere you go in Texas, you find farmers deeply uneasy about the future—many of them convinced that the Agriculture Department has become their enemy instead of their friend.

The uncertainty with which they regard the future is certainly understandable.

SUMMING UP:

It is my considered opinion, based on what I consider convincing evidence, that flexible price supports will not solve the problem of farm surpluses—will not mean lower consumer prices—will not mean prosperity.

I believe their immediate effect will be to lower farm income by taking away the floor upon which agriculture relies to prevent disaster and hardship. I believe their long-range effect will be to set a dangerous precedent which could be harmful to our entire national economy.

That is why I voted against the Administration bill.

FOOD DOLLAR:

When the American housewife spends a dollar for food produced in this country, 56 cents goes for processing, marketing, and transportation charges. The farmer receives 44 cents, approximately 30 cents of which goes to buy tractors, trucks, plows, gasoline, and other supplies required for the modern farmer.

In other words, the farmer and his family have about 14 cents out of each consumer dollar for domestically produced food for their cost and investment.

The farmer's share of the consumer dollar has dropped in recent years and months with the decline in farm prices. Retail food prices have remained at about the peak levels of 1952.

WORK TO DO:

Eddie Mayotte of Elgin, Ill.; Larry Cantwell of Shamrock, Tex.; and Joe Smith of Littlefield, Tex., clean and polish their saddles in preparation for the 10th Annual Boy's Ranch Rodeo to be held at Boys' Ranch on Labor Day. All 200 Ranchers will participate in the big event.

As this is written, a number of important pieces of legislation are awaiting action by the Senate before adjournment. I am anxious to get home to Texas, of course, but I believe any bill affecting the lives of American people should receive just as careful consideration during the closing days of a session of Congress as at any other time.

My aim is to do the best job I can of representing the people of Texas in the Senate. I do not feel that a good job can be done too hastily. The last-minute rush must not be allowed to result in sloppy and ill-considered legislation.

Boys' Ranch Rodeo Slated For Labor Day

Labor Day, September 6th, will mark the date of the 10th Annual Boys Ranch Rodeo. This rodeo is one of the high spots of the year in this area because it is the only rodeo of its kind in the world.

Scheduled to take place in the rodeo arena at Boys Ranch, the Rough-riders annual show promises to be fast, fancy and furious. One performance, at 2:30 p. m., will show the boys in bronc, steer and calf riding, trick and fancy roping, trick riding and many other events that guarantee plenty of action.

Featured attractions for the rodeo at Boys Ranch will be the noted All-Girl Mounted Square Dance Team and the world-famous rodeo clown, Hoyt Hefner. All other events will be handled by the boys themselves.

Tickets will be available at the entrance to the Ranch on the Day of the rodeo. Admission for adults will be \$1.25 and children's tickets will be 75 cents. The bridge

across the Canadian River will be open for traffic, eliminating the necessity of fording the river.

The boys plan on playing to a capacity crowd and hope to see all their friends in this area at the 10th Annual Boys' Ranch Rodeo, Labor Day, September 6th, at Boys' Ranch, 2:30 p. m.

The balloon tire was developed and perfected by the Firestone Tire and Rubber Company in 1923.

England's Cliffs of Dover are former by the uplifting of countless shells of minute animals.
