College Bulldogs Play West Texas Freshmen Here Tuesday Night

The next home game on the schedule of the CJC Bulldogs will be next Tuesday night, Dec. 17, against the West Texas State Freshmen. Game time will be at 8:00 o'clock.

At present the Bulldogs are getting off to a good start with four wins and only one defeat. They have defeated Midwestern University B team, Sayre, Okla., Junior College, Dodge City, Kansas, and Wayland College Freshmen. The lone defeat was at the hands of the Texas Tech Freshmen.

The Bulldogs are participating in the McMurry College Tournament at Abilene this week-end.

Christmas Program At Baptist Church

The First Baptist Church will present its Christmas music program Sunday night December 15 at the church at 7:30. Harry M. Skaggs, music and education minister will be the conductor. Rev. W. F. Vanderburg will be the narrator.

This program will consist of a combination of four choirs, the adult choir, the chapel choir consisting of young people, the carol choir, consisting of juniors and the celestial choir, consisting of beginner boys and girls. The general theme of the program will be "The Story of Jesus".

TO PRESENT STUDENTS IN MUSIC RECITAL

Mrs. Page Harmon will present a group of her students in a Music Recital Sunday afternoon at 2:30 o'clock in the College Auditorium.

Those taking part are: Lanita and Cheryl Fedric, Mike Spier, Carol and Frey Chamberlain, Helen Bennett, Annis, Sarah Nell and Donna Gail Windom, Janet Cosper, Kay and Polly Pfeiffer, Elaine Tolleson, Marilyn and Karilyn Noble, Judy Hon, Beth Johnson, Lenda Self, Georgia Bell Harmon and Judy Pittman. Ushers will be Marsha Franklin and Roselee Welch.

An invitation is extended to the public to attend.

Mrs. Joe Dilli will leave Saturday for her home in Farmington, N. Mex. She has been visiting since the Thanksgiving holidays with her parents, Mr. and Mrs. L. N. Cox, and with other relatives and friends. Mr. Dilli has been attending a training school for Schlumberger at Houston.

Local F. F. A. Youths Plan Large Entries At Ft. Worth And Houston

Forty-four members of the Clarendon F.F.A. Chapter made entries this week in the 1958 Fort Worth and Houston Fat Stock Shows. 160 head of swine, ten steers, and two lambs were entered in the show at Fort Worth. 130 head of swine, 14 steers, and three lambs were entered in the Houston Show. The local group has the largest project feeding program underway that it has ever engaged in. J. R. Gillham, chapter adviser, stated that he expected over 200 head of barrows to be shown in the county show in addition to 15 steers and a number of both mutton and fine wool lambs.

The chapter farm is a scene of activity each day with over 20 town boys carrying on swine feeding projects at that location. The farm which was made possible through the cooperation of the city, county, and school officials has been a big boost to the local Vocational Agriculture feeding program.

Santa Claus To Visit P.T.A. Dec. 19th

The Parent-Teacher association will have their Christmas program on Thursday, Dec. 19 in the Jr. High Auditorium at 7 p. m. There will be a Christmas tree trimmed with gratis decorations from each child in school. The decorations are to be given to the children's home room teachers not later than Wednesday, Dec. 18th, and will be stored following the program to be used year after year. Parents please remember to bring a small gift for your child as Santa will be present to give them away and to say 'Hello' to all. A musical program will be presented by Mrs. Joe Pfeiffer.

If there's snow on the ground it will make the P.T.A. party complete as the weather certainly didn't keep the Thanksgiving Festival from being a wonderful success. The first grade rooms presented their play "Ferdinand the Bull" to a full house. The booths had to close early due to booming business and the rides and cake walks were enjoyed thoroughly. Financially the venture was quite a success.

Be sure to give your child a decoration for the tree and remember to bring gifts for your children and come, make our Christmas party a wonderful time. We'll be looking for you. Merry Christmas! and till next time, Happy New Year!

—Reporter.

1958 Broncho Football Schedule Completed

The 1958 football schedule for the Clarendon High School Broncos has been completed. The Broncos will play six conference games next year as White Deer and Panhandle have been added to District 2-A. Non-conference games have been scheduled with Stinnett, Spearman, Gruver and Turkey. Both Stinnett and Gruver have been competing in District 1-A for the past several years and Spearman, going from Class B to Class A, will be in District 1-A next year.

Missing from the 1958 schedule will be Wellington, Shamrock and Perryton. A date could not be worked out with Wellington and Shamrock, and Perryton was dropped. The complete schedule follows:

Sept. 5—Stinnett, here
 Sept. 12—Spearman, here
 Sept. 19—Gruver, here
 Sept. 26—Turkey, here
 Oct. 3—Panhandle, here
 Oct. 10—Memphis, here
 Oct. 17—White Deer, here
 Oct. 24—Lefors, here
 Oct. 31—Open
 Nov. 7—Canadian, here
 Nov. 14—McLean, here

World Clothing Drive Successful Here

The drive for used clothing, shoes and bedding, carried on here during the week of Dec. 2-6, has been highly successful, according to announcements by Supt. W. W. Pinkerton.

Approximately 140 pounds of clothing was brought in by students. The clothing will be sent to the World Clothing Headquarters at St. Louis, Missouri, to be distributed to orphans homes throughout the United States and some foreign countries.

The drive here was handled by Mrs. Velma Bourland, Home-making teacher, and the F.H.A. girls. Captains of the clothing committees were Beth Lambert, Robbie Johnson, Barbara Kooztz, and Georgia Bell Harmon.

Superintendent Pinkerton wishes to express his thanks for everything that was contributed and assures the donors that their gifts will be greatly appreciated.

Country Club Xmas Dance Dec. 19th

The Mellow-Aires will play for a dance for members of the Clarendon Country Club and their guests on Thursday, December 19th. The dance will be held at the American Legion Hall from 9 p. m. until 1 a. m.

Club members are urged to invite their guests and attend this holiday dance.

Harvest Carnival At Lelia Lake Dec. 17

Supt. J. H. Spires has announced that a Harvest Carnival will be featured at the Lelia Lake school Tuesday night, Dec. 17th.

The lunch room will open at 6 p. m. to serve chili, pie, coffee and sandwiches and a Christmas program will be presented at 7:30. Concession stands and games will follow. The fund will be used to buy playground equipment and other supplies for the school.

Everyone is invited to come and enjoy the good eats and the fine program and the fun that will follow, Supt. Spires concluded.

Christmas Musical To Be Presented

The public is invited to attend the annual Christmas program presented by the Public School Music Department and the College Music Department under the direction of Mrs. Velma Weaver, at the College gymnasium Friday evening, December 13, beginning at 7:30.

Included in the program will be the children of the third, fourth, and fifth grades, a trio of college boys, and soloists from the college group. Soloists will be Lynn Bourland and Pete White. The Trio will be composed of W. T. Elliott, Troy Chitty, and Frank Hill. Featured in a double bout will be Cheryl Fedric, Beth Bourland, Ray Pinkerton and Mel Ryan.

The Nativity scene will be portrayed with Chirley Clifford and Beth Finch as narrators. The children's chorus will sing Christmas carols.

There will be no admission charge. The public is invited to attend Friday evening, December 13, at 7:30 p. m.

23 Students Make Honor Roll

High School Principal Kenneth Vaughan has announced that a total of 23 students made the high school honor roll the second six weeks period. Making the honor this time were three seniors, four juniors, four sophomores, and twelve freshmen. In order to be selected for this honor, a student must compile an average grade of 90 or above and must not have any grade below 80. Three students tied this time for the highest grade average. Sharon Smith, Oveta Garman and Judy Thompson all compiled an average of 95.8. Each of these three high honor students carry five subjects. The complete honor roll follows:

Seniors include Clifford Beard, Beth Gillham and Keith Hudson. Juniors are Milton Mann, Linda Self, Paula Vanderburg, and Carol Wood. Sophomores are Connie McMurtry, Sandra Pinkerton, Sharon Smith and Shirley Wiedman. Freshmen are Phillip Abel, Barbara Gambill, Oveta Garman, Pauline Gilean, Rita Hubbard, Sherry Montgomery, Martha Risley, Wanda Ryan, Janie Smith, Howard Talley, Judy Thompson, and Ronnie Tyra.

Band Concert Slated For This Thursday Night

The Clarendon High School Band and the Girls Chorus, under the direction of Mr. Willard Edgett, will present a Christmas Concert Thursday, Dec. 12, at 7:30 P. M. in the High School and College Auditorium. Admission is free.

This is the first public concert given by the band and chorus, and all interested people are urged to attend.

The band will present the following numbers: American Patrol, Adagio Cantabile, Norwegian Folk Song Suite, The Farmer's Largo, American Cowboy Overture, Three Melodies from the Magic Flute, Little Norwegian Suite, Chapel Shrine Selections from the Messiah, The Christmas Story and the Star Spangled Banner.

The Girls Chorus will present the following numbers: The Very First Christmas Day, Be Thou Our Guide, Teach Me O Lord, Now the Day is Over, Song of the Angels, and Rock A Ma Soul. The Chorus will also perform with the band on the Christmas Story.

HOSPITAL NOTES

Patients as of Wednesday, December 11th:
 E. M. Kennedy, Lee Ellen Bell, Jewell Goodwin, A. G. Gregory, Pearl Terry.

Dismissals:
 Dwight Bennett, Richard Blanton, Gary Corman, Stevie Ellis, Ray Huskey and Mrs. May Kennedy.

BROTHER DIES IN CALIFORNIA
 Mrs. H. C. Smith received word Wednesday morning that her brother, Oliver Scott passed away at Santa Anna, California Tuesday night. Mr. Scott is a former resident of Donley County.

Donley County Gins Still Swamped As Harvest Continues

The five gins serving Clarendon, Lelia Lake and Hedley are still swamped with unginced cotton and are running full blast in an effort to catch up. Some of the gins had to shut down during the high wind but pulling operations were slowed at the same time which evened up the situation pretty well.

According to a tabulation of the two local gins and the Lelia Lake gin Wednesday morning and the Hedley Gins Monday morning, a total of 5,805 bales had been ginned or weighed in so far from the current crop. According to informants, the cotton harvest is well past the midway mark with a number of smaller farmers finished, leaving mostly farmers with large acreage and irrigated cotton.

Couple To Mark Their Fiftieth Wedding Anniversary

Mr. and Mrs. Geo. L. Green will celebrate their Golden Wedding Anniversary December 15th. Mr. and Mrs. Green have lived in Clarendon since 1919. They were both born and attended school in Ferris, Ellis County, Texas; and were married in Mineral Wells, Texas December 19, 1907.

Mr. Green served 40 years with four different express companies: The Old Wells Fargo Express Company, The United States Express Company, The American Express Company and the Railway Express Agency, Inc. He served as Clerk and Messenger on the Frisco Railroad Lines, The Kansas City Southern Railroad Lines and the Santa Fe Railroad lines in Oklahoma, Louisiana, Arkansas, and Texas. He was The Railway Express Agent in Clarendon from April, 1919 until his retirement in December 1951, 33 years.

The greens have four children: William E. Green of Trinidad, Texas; Robert L. Green of Temple, Texas; Mrs. Lodi Bentley of Amarillo, Texas; and Miss Helen Louise Green of Dallas, Texas, and seven grandchildren.

The children, along with their families will honor the couple with an open house on Sunday, December 15th at the family home in Clarendon from 3 to 6 P. M. and would like for all their friends and acquaintances to accept this as an invitation to attend.

Mr. and Mrs. Green are requesting no gifts.

Mrs. John Butler Dies At Claude

Funeral services were held Tuesday afternoon in the Claude Methodist Church for Mrs. Stella I. Butler with Rev. Cecil Hardaway, pastor, in charge. Burial was in the Claude Cemetery.

Mrs. Butler, 57, died Sunday morning in an Amarillo hospital. She had been a resident of Claude 20 years where she and her husband, John W. Butler, operated the Gem Theatre.

Survivors include her husband John W. Butler of Claude; a son, Donald H. Butler of Miami, Fla.; a grandson, John Thomas Butler of Claude; her father Austin Rhoades of Clarendon; a brother, Hubert Rhoades of Clarendon; also two sisters, Mrs. Jennie Mae Daniels of Lubbock and Mrs. Eula Bond of Ropesville; three half-sisters, Mrs. Helen Mauldin and Mrs. Ila Kay Green, both of Borger, Mrs. Eileen Brown of Amarillo; and a half-brother, Loren Rhoades of Amarillo.

Children And TB

In spite of the brace for spinal tuberculosis, Gary enjoys a bedside visit from Judy, another TB patient, and little Andrew, blinded by tuberculous meningitis. Children may catch TB from adults who have unsuspected TB. Chest X-ray campaigns to find unknown cases of TB are supported by funds raised in the Christmas Seal Sale now being carried on by the 3,000 tuberculosis associations in the United States.

Clarendon F.F.A. Wins High Placings At International Livestock Show

Four members of the Clarendon F.F.A. Chapter accompanied by their adviser J. R. Gillham, spent last week at Chicago where they participated in the International Livestock Exposition. Carl Talley, Milton Mann, Sammy Wells, and Bobby Longan made the trip and exhibited eleven head of Duroc, Poland, Chester, Hampshire, and Berkshire barrows in the show. Two breed championships, one reserve championship, and money placings on all barrows exhibited were won by the local youths. The four boys will make up the livestock judging team for the local chapter this year and they spent a portion of their time at the International Show watching the exhibition of the steers, breeding cattle and sheep, and fat lambs in addition to the swine show. The group were impressed with the steer show, but disappointed with the swine show and report it was only a portion as large as a number of the shows in which they participate in the southwest.

The group visited points of interest, among which were the Marshall Field Museum, throughout their entire stay. They enjoyed the trip and feel that they learned a lot that will help them in their Vocational Agriculture work as well as working with livestock in general.

Christmas Pageant At Episcopal Church

Children and young people of St. John the Baptist Episcopal Church will present the annual Christmas pageant Tuesday, December 17, in the church at 6:30 p. m.

The public is invited. Larry Neece will read the service. In the choir will be Jackie Bell, Ann Slavin and Karen Knopp.

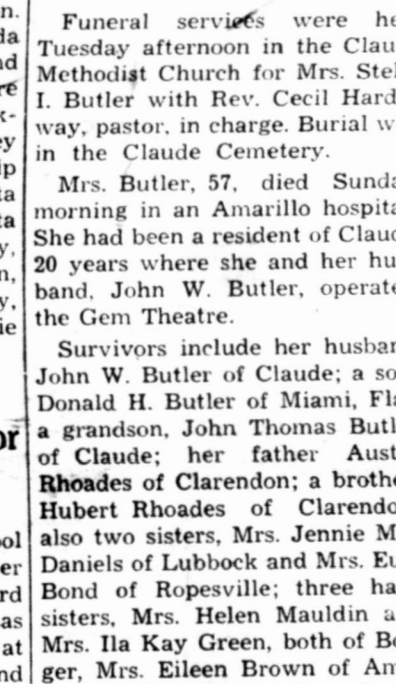

Emily Meredith Neece will take the part of Mary. Kenneth Price will be Joseph. The angel choir will include Cheryl Hardin, Cathy Craft, Kitty Cooke, Melissa Cooke, Irene Foxhall and Carol Foxhall.

Shepherds will be Pat Slavin, Todd Knopp and Willie Craft. The three Wise Men will be Charlie Slavin, David Hardin and Lewis Foxhall.

Soloists will be David Hardin and Kitty Cooke. Organist is Mrs. Billy Cooke.

The public is invited to an open house in the Mission Hall immediately after the program. Sandwiches, cookies, cocoa and coffee will be served.

Baptist Loan Agency Gift To Convention

Bro. Van, pastor of the local First Baptist Church, attended the executive board of the Baptist General Convention of Texas last week of which he is a member. He gave the following report of the business transacted there. The church Loan Corp. of the Baptist General Convention of Texas will be given as a gift to the Southern Baptist Convention.

The executive board of the BGCT voted for the transfer resolution this week with the provision that the SBC must continue to operate it "in keeping with the original plans for the organization."

The corporation has lent nearly two million dollars since it was created in 1952 to help struggling Baptist churches in the 16 states in the north and northwest sections of the United States. The loans went to 120 churches.

A survey into every phase of Texas Baptist work was authorized by the executive board. A Chicago consultant firm will make the survey.

More than \$1,500,000 also was appropriated in state mission funds to BGCT agencies and departments.

Dr. Carl Bates, Amarillo pastor, was named chairman of the 191 member executive board. Dr. L. L. Morris of Midland was named vice-chairman and Dr. R. A. Springer, BGCT treasurer, was named secretary.

Dr. Foy Valentine of Dallas told the executive board that Texas prison officials have declined to stop presenting the annual Huntsville Rodeo on Sundays. The annual BGCT in Corpus Christi approved a resolution last year asking that the Sunday rodeos be stopped.

Hardin-Simmons University, of Abilene, was given a go ahead on a \$1,500,000 campaign to finance a chapel-auditorium-student union building to replace one destroyed by fire Nov. 25.

Henrick Hospital, Abilene, also a Baptist property, was given permission to borrow \$350,000 from the Housing and Home Finance Agency to build a dormitory for nurses.

Salaries of the Dallas administrative staff were raised from \$300 to \$1,000 per year. The larg-

est raise went to Dr. Forrest C. Feezor, executive secy., whose salary was boosted to \$13,500.

Business is like oil, it won't mix with anything but business.

William Howard Taft was the first U. S. president to receive a salary of \$75,000 a year.

People get the most kick out of life who do the least kicking.

HEDLEY NEWS

Mrs. Paul Duncan

Harvest is almost over since the weather has permitted. Work has progressed rapidly. Grain harvest in our community is over. Several cars of grain were shipped out by Kimbell Grain Elevator. Cotton pullers have run early and late. Much cotton has been gathered; still some cotton in fields; gins run night and day; still the yards are covered with cotton trailers. To date, Monday noon West Texas Gin reports 1174 bales ginned. Paymaster ginned 937.

Progress still showing on Baptist church. The brick walls are looking good. Not only the Baptist but all Hedley should be proud of this beautiful building.

Visiting in the M. W. Mosley home Sunday afternoon were Mesdames Rachel Moore, Cora Luttrell and grandchildren, Louise Nelson of Amarillo and Ruby Bromley of Clarendon.

Mr. and Mrs. Preton Gilbert enjoyed a visit from their sons W. P. Gilbert and family of Panhandle and Richard Gilbreth and family of Santa Fe, N. Mex.

Mr. and Mrs. Chas. Peters of Memphis visited Mr. and Mrs. Malcolm Glass Sunday.

Mr. and Mrs. Jiggs Mosley and children of Dumas spent week end with their grandparents, Mr. and Mrs. M. W. Mosley.

Ella Kirkpatrick of Amarillo spent the week end with her brother the Herman Kirkpatricks.

Mr. and Mrs. Paul Duncan visited Mr. and Mrs. C. C. Carter in Lelia Lake Sunday afternoon.

Mrs. W. I. Rains spent first of week in Amarillo visiting relatives.

Mrs. John Tate is visiting her sister in Riverside, Calif.

Mr. and Mrs. Walter DeBord went to Dallas last week for Mrs. DeBord to have medical checkup. Glad to hear a good report from checkup.

Mr. and Mrs. Bob Shannon and daughter Jean, Mr. and Mrs. Jess Shannon of Hillsburg, Calif. are visiting his sister and family, the Woodrow Farris.

Mrs. Pat Jones and son of Lubbeck spent the past week with her grandparents, Mr. and Mrs. Potts.

Mrs. Kenneth Whisenant and children Patty and Ricky of Abilene are visiting her parents, Mr. and Mrs. Bill Scales.

Mr. and Mrs. Graham Brinson and Mrs. Kenneth Brinson attended the funeral of Wayne Sibley in Amarillo Monday. He was the grandson of Rev. and Mrs. Spencer Sibley former Hedleyans. Mrs. Sibley will be remembered as Lena Mae Brinson. Hedley friends extend sympathy to the family.

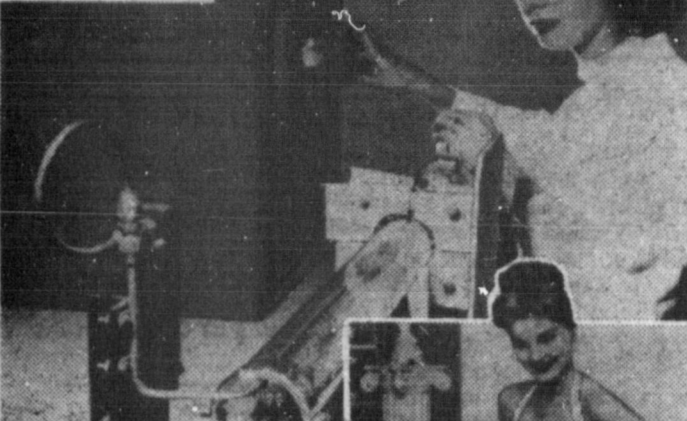

Everett Mann of Los Angeles, Calif. is visiting his mother, Mrs. R. E. Mann and sisters Mesdames Myrtella Deahl and the Ray Moremans.

Mr. and Mrs. James Potts and baby were in Okla. City last week for James Jr. to see his Dr's after a major eye operation several weeks back. They found the little son doing fine.

Coach and Mrs. Chas. Neal Johnson of Matador are the proud parents of a little daughter, born

Smith-Self Wedding

Nuptial vows were repeated recently by Marilee Smith, daughter of Mr. and Mrs. Lee Smith, and Winfred Self, son of Mr. and Mrs. George Self of Clarendon, in the First Baptist Church of Lelia Lake.

The Rev. Clifford Jester of Springlake, Texas read the double ring service. An arch of greenery flanked by baskets of white gladioli and backed by candelabra, centered the altar.

Mrs. Billie Christal, pianist, played traditional wedding selections and accompanied Miss Glenda Kooztz, who sang "Bless This House," and "O' Perfect Love."

Given in marriage by her father, the bride was attired in a waltz length dress of slipper satin, styled with an Empire waist and bouffant skirt. She carried a white Bible topped with pink rosebuds.

Miss Linda Self and Miss Norma Self, sisters of the bridegroom, were bridesmaids, and Mrs. Shirley Bentley was matron of honor. They wore dresses of aqua and pink cotton satin, fashioned similar to the bride's gown.

Donna Tomlinson was flower girl and Jerry Kooztz was ring bearer. Candelights were Maudena Self and Cleta Kooztz.

Claude Porter of Amarillo was best man, and ushers were Jerry Davis and Duane Garman, both of Clarendon.

Following the ceremony, the couple was honored with a recep-

tion in the home of the bride's grandparents, Mr. and Mrs. D. M. Cook.

For the wedding trip, the bride traveled in a black faille dress with black and white accessories. The couple is at home in Lelia Lake.

Both the bride and bridegroom are students at Clarendon Junior College.

F. H. A. NEWS

"Christmas Magic" was illustrated in a very clever manner at the December 9th meeting of the Clarendon Chapter of the Future Homemakers of America. Connie McMurtry and Sharon Smith showed how easy it is to make your home gay for the holiday season by using materials we have at hand. Sharon showed how easy the bows could be made for Christmas gifts. Connie illustrated how to wrap gifts for men and women.

In the business meeting it was announced that the F.F.A. and F.H.A. Christmas party would be December 16. The F.H.A. Christmas party date is yet to be determined.

Cokes were served to 51 members by these hostesses: Sharon Smith, Connie McMurtry, Paula Vanderburg, Lee Ellen Bell, Judy Thompson, Shirley Wiedman, Jackie McClellan, and Shirley Holman. Reporter Betsy Chamberlain.

BRONCHO MOTHERS ELECT OFFICERS

At a recent meeting of the Broncho Mothers in the home of Mrs. G. W. Bradshaw, officers were elected for the coming year. They were: President, Mrs. G. W. Bradshaw; Vice-President, Mrs. A. C. Carter; Secretary, Mrs. Paul Schull; and Treasurer, Mrs. P. C. Messer.

LES BEAUX ARTS CLUB

Les Beaux Arts Club met December 4, 1957 in the home of Mrs. J. W. Evans. The rooms were decorated with holly and red bows in the Christmas spirit.

The club welcomed to its midst Mrs. Dick Cooke, a new member. Another new member, Mrs. J. W. Jones was unable to be present.

The program of the afternoon was women in Literature, Editing, and Illustration. Mrs. Lewis Foxhall spoke on women who write articles for adult reading.

She gave short life histories of four of today's well-known writers, Rebecca West, Nora Waln, Daphne du Maurier, and Louisa Grace Erdman. Mrs. Foxhall described vividly each woman's style of writing and gave an insight into her personality. Of special interest to the listeners was the story of Nora Waln, a personal friend of the Foxhalls who has visited them once in Clarendon. She lived in China for many years and in World War II was a front-line correspondent with Gen. Patton and was also in Korea. An active, vibrant woman, Mrs. Waln feels great concern for the children of war-torn countries. During World War II she kept 40 children in her home and now gives the proceeds from her lectures to war orphans.

Mrs. C. T. McMurtry, spoke on women who write and illustrate children's books. She had several books for the members to inspect. She also read a jingle she had written on American children's reading habits.

The serving table was decorated with red Christmas candles, and had favors of holly corsages. Mrs. Tommie Saye, president, poured coffee and Mrs. Forrest Sawyer, vice president served the open-faced chicken salad sandwiches. A delicious fruitcake was also served. Hostesses were Miss Katherine Ross and Mrs. John Bass.

Three guests were present, Mrs. John Brown of Colorado City, Mrs. Heckle Stark, and Mrs. Van Kennedy. Members present were: Mmes. C. T. McMurtry, Forrest Sawyer, W. G. Word, George Benson, J. D. Swift, Frank Bourland, Emmitt Simmons, Dick Cooke, W. C. Thornberry, Tommie Saye, Lewis Foxhall, Homer Glascoe, W. K. Hardin, Miss Anna Moores,

and Miss Mary Howren.

—Reporter.

BETA SIGMA PHI-MU GAMMA

Mu Gamma Chapter of Beta Sigma Phi met the evening of December 3 in the home of Jo Jinks. Hostesses were Jo Jinks and Betty Leathers.

The program, "History of Dress," was presented by Frieda Gray and Pat Cornelius. The raffle was won by Frankie Henson.

Members present were Francis Long, Jo Ann Davis, Jo Ellen Phieffer, Melba Ruth Vaughan, Nancy Shelton, Catherine Cain, Edna Smith, Annesse Bennett, Jane Bownds, Pat Cornelius, Frieda Gray, Frankie Henson, Ann Hommel, Ruth Hudson, Jo Jinks, Betty Leathers, Juanita Phelps, Lois Schollenberger, and Evelyn Yeates.

MOTHERS STUDY CLUB

Mothers Study Club met December 10 at Patching, Club House. The house was called to order by the president; roll call and the Parents Prayer were read by Wanda Moore. A treasurer's report was given by Doris Salmon. Old business was discussed and plans for the Christmas party were completed. One new member, Beth Cockerham was voted in. Meeting was adjourned.

Refreshments of Cokes, coffee and pecan pie were served to the following members: Joan Kidd, Patsy Robertson, Doris Ward, Janie Hill, Bernice Owens, Norma Putman, Doris Salmon, Melba Edwards, Rava McKinney, Wanda Moore, and the hostesses Jo Ann Edens and Cherry Shadle.

CHAMBERLAIN COMMUNITY

The Chamberlain Community will have their annual Christmas party Friday night December 20th. Instead of a gift exchange there will be a shower for the Center. Each family is asked to bring a small gift that can be used at the center such as cup-towels, soap, etc. or if you like, put 50 cents on the tree to help buy a larger item, such as a broom.

Hostesses for the occasion will be: Mrs. J. D. Jones Jr. and Mrs. Dennis Harrison.

—Reporter.

Annual Football Banquet Honors Bronchos And Guests

The annual football banquet for the High School Bronchos and their guests was held Monday evening, December 9, at Lions Club Hall with the Broncho Mothers hostesses.

The hall was decorated to carry out the school colors of maroon and white. White carnations and maroon leaves were arranged around a goal post to form the centerpiece for the tables. White candles, miniature footballs and here and there a dish of Christmas candy added to the table decor. The walls were decorated with bronchos surrounded with megaphones. The name of a football player appeared on each. These were taken home as a souvenir. The screen at the back of the hall was covered with white with maroon CHS lettering. Mounted on top of the screen was a very life like broncho drawn by Jimmie Carter.

Master of ceremonies was Keith Hudson. Rev. W. F. Vanderburg pronounced the Invocation. John Morrow gave the Welcome address and Willard Hudson gave the Response.

Dinner consisted of Jello salad, ham, green beans, candied yams, rolls, butter, cake, coffee and tea.

Following the meal, Coach Jinks showed a film of the Pan-handle game, also a film of the future Broncho squad and the Berger "B" squad.

Attending were members of the Broncho squad, their fathers, the football queen, Miss Glenda Wilson and her attendants, Misses Phyllis Hill and Paula Vanderburg, also Rev. W. F. Vanderburg, Mr. and Mrs. W. W. Pinkerton, Mr. and Mrs. Kenneth Vaughan, Mr. R. E. Drennan, Mr. and Mrs. Tom Jinks, Mr. and Mrs. Roy Young, Mr. and Mrs. J. R. Williams, Mr. Billy Jack Land, and Mrs. Bourland.

Mrs. Behrens, president of the Broncho Mothers, takes this means of expressing her thanks to all Broncho mothers for their support and cooperation this year.

and members of the Lions Club for the use of the hall.

GAMMA KAPPAS MEET IN CHILDRRESS

The Gamma Kappa Chapter of the Delta Kappa Gamma Society for Women Teachers met in the Childrens First Methodist Church at 2:00 P. M. Saturday, December 7, 1957, with Childress members as hostesses.

The Christmas theme was carried out in the decorations and the program. Miss Nellie Agnes Kenney of Childress told an inspirational Christmas story. There was an exchange of Christmas gifts.

Three teachers were initiated into the society in an impressive ceremony. They were Miss Gladys Burnham and Mrs. Velma Bourland of Clarendon, and Mrs. Marjorie Bain of Turkey. Mesdames Lucille Naylor, Claudine Todd, Willie Glenn White, Velma Bourland, Hazel Brandon, Charlotte Word, Velma Weaver, and Misses Mary Howren, Inez Blankenship, Edgar Mae Mongole, Ruth Richerson and Gladys Burnham attended from Clarendon.

ASHTOLA NEEDLE CLUB

House called to order by President Ismanell Gray. Prayer by Belle Jones. The following officers were elected for the coming year:

Ismanell Gray, President; Modena Hill, Vice-President; Martha Hill, Sec.-Treas.; Ruby White, assistant Sec.-Treas.; Johnnie Poovey, Reporter; Viola Graham, assistant Reporter; Belle Jones, Club Mother.

Modena Hill had charge of the Christmas bazaar which netted the club \$21.05. Several Dolly Dozits were sold.

Vena Hudson called for an Achievement report of each member. Several reported, while several members had failed to keep a record of their achievements, while others were absent.

The hostess Vena Hudson served delicious refreshments to one visitor, Mrs. Hinders and 20 members and several children.

The club achievement record is as follows: 5,208 containers were canned, frozen and preserved; 560 chickens, 12 hogs and 13 beaves were put in lockers; 18

quills pieced and quilted; 1265 chickens raised; 153 garments made; 24 gardens raised; 6 rooms refinished; 3 chairs upholstered; 773 pieces of ceramics made.

The club donated \$5 each to polio, Heart, Red Cross and Cancer fund and \$10 to boys, also one quilt. They quilted 3 quilts and pieced 5. They received \$43 from two bake sales and \$21 from the bazaar.

Many of the women help with the crops in the summer, hauled all of the grain this fall and are now hauling cotton. Several are in school and one received her masters degree this summer.

Two new babies have been added to our club families.

—Reporter.

CHAMBERLAIN CLUB

The Chamberlain Club met at the Community Center December 5th, with Neida Jones as hostess. A very pleasant afternoon was enjoyed by all present. After a short program, plans were made for the Christmas party, which will be Dec. 20. We planned to have a club house shower instead of an individual gift exchange. The next meeting of the club will be Jan. 2, 1958 with Vivian Allen as hostess.

Those present were Corrine Harrison, Laura Ivey, Velma Heathington, Willie Hott, Ethel Mann, Loretta Harrison, Mary Mann, Tommie Hodnett, Karen Jones and hostess, Neida Jones.

—Reporter.

MIDWAY CLUB

The Midway Club met Tuesday December 13th with twelve members present. The meeting was held in the home of Mrs. Glen Williams. One quilt was finished.

The next quilting will be in the home of Josie Simmons January 7th. Bring a sack lunch.

There will be a Christmas supper and party at the Club House Saturday night, December 14th, beginning at 6 o'clock.

THE LIONS DEN

The Roar of the Lions
 By the Liontamer

The Tuesday Lions Club luncheon meeting was well attended and a very sociable hour was enjoyed by those present. The highlight of the meeting was the program that was arranged by Lion Drennan for the entertainment. A women's trio composed of Mrs. Faye Pinkerton and her two daughters, Andra and Sandra, rendered three vocal numbers, including "In the Evening by the Moonlight," especially done for the Dean himself, and "Winter Wonderland". All three numbers were splendidly done and well received by the membership. The writer even overheard a chance remark to the effect that we should have more of those kind of programs. In addition to the above numbers, the club was also fortunate to have Mrs. Jo Ellen Pfeiffer appear on the program with a novelty piano number which displayed the versatility of Mrs. Pfeiffer and added much to the enjoyment of the members present. Thanks to Lion Drennan for continuing to bring us excellent programs week after week.

Visitors at this week's meeting of the Club who enjoyed the Fun Fellowship and Food were: David Patterson, who is with the Army stationed at Sierra Vista, Arizona, guest and son-in-law of G. W. Estlack. Gerald Yates, a local resident formerly connected with the State Highway Department, recently turned contractor was a guest of A. R. Henson. And Wayland Newman was host to Jim Moore, a representative of Proctor and Gamble Soap Company.

All early figures and reports regarding the Light Bulb Sale conducted by the Boys and Girls Committee this week indicate a very successful campaign. The writer, serving as chairman of that committee, wishes to spare no words in expressing his gratitude to every Member of the Club, and especially those who did the footwork on Monday afternoon and Monday night for each individual contribution to the success of this campaign. To each of the team captains, Mr. C. A. Pitts, and Mr. Odos Caraway, John Gillham, Maurice Hart, pinchhitting for Basil Smith, Homer Bones, L. L. Wallace and Billy Goodman, extra and special gratitude and thanks for your faithful work and cooperation. Then to JoAnn Bennett, Wilma Moore, and each of Mr. Gillham's FFA boys who came to our rescue to give strength to our Monday night manpower situation a big Thank You!

The Taittister Clyde I. Price Jr. was particularly active during the luncheon meeting; the writer hasn't decided yet whether all the visiting and person to person conferences were just due to his sociable qualities or whether he may be building fences for the oncoming spring political campaigns. I wonder what he will run for? Lion McNear may already have the answer to that one.

SARA T. HUGHES

How Adequate Are Our Facilities For Rehabilitating Juvenile Delinquents?

(Ed. Note: This is the second of a series of articles on the state's growing problem of juvenile delinquency by one of Texas' foremost authorities on the subject, District Judge Sara T. Hughes of Dallas, who has handled more than 25,000 juvenile and family relations cases, along with an even greater number of other civil cases in 22 years on the bench. "Family law is probably

the most important phase of the law," says this internationally known jurist, whose work has been honored in Europe and Asia as well as the United States, and whose name was put in nomination for the vice presidency of the United States in 1952. A discussion of a different aspect of the problem will appear every other week.)

It's up to the people as to whether facilities for handling juvenile delinquents are adequate.

State training schools for young offenders are so crowded at present that trying to rehabilitate these children has become increasingly difficult.

Texas has three training schools—one for boys at Gatesville, one for white girls at Gainesville, and the third for colored girls at Crockett. All are administered by the Texas Youth Council, formerly the Texas Youth Development Council.

Several years ago, the Youth Development Council inaugurated a bold new policy looking towards restoring youthful offenders to a useful life in society.

First of all, the institutions themselves have a different look—the grounds are unfenced, the windows except in the security units without bars.

The youngsters look different, too. Formerly they wore uniforms—today there is a variety of clothes. It used to be that they marched from building to building. Now there are no restrictions as they move around.

Vocational training is provided—for the girls courses in photography, furniture repair and upholstery, home economics, cosmetology, and commercial work; for the boys, plumbing, printing, woodwork, and electric shop.

For recreation there are movies, TV, and radio. In the gym and on the grounds there are ball games, and occasionally there are off-campus activities.

Whips and corporal punishment are banned. Discipline is enforced largely by taking away privileges and furloughs. There is a disciplinary company for boys who get out of line. They are put to hard work and their privileges and recreation taken away. For the girls, depriving them of the privilege of smoking is one of the worst punishments. There is also the possibility of being placed in barred cells for girls who become violent.

The chief handicap to the success of the program of rehabilitation is over-crowding. Gatesville is designed to handle 575 and Gainesville 180, whereas Gatesville now has about 850 and Gainesville 220.

Lack of parole officers to check on those released results in many being returned. In addition, more people are moving to Texas, and the high birth rate during and after World War II is being felt. There are simply more teen-agers than ever before in our population.

The Legislature at its regular session this year did something to relieve the situation but not enough. At Gatesville four dormi-

tories housing 40 students each, a school building, and kitchen and dining room were provided, accommodated. It will simply No more boys, however, will be serve to relieve the present over-crowding. At Gainesville three new dormitories were provided to replace existing ones considered unsafe. Also appropriated was money for a security treatment cottage to replace the present building, which is an extreme fire hazard. Despite the urgency, these facilities will not be ready for use before May 1, 1958.

With our present state facilities for delinquents so inadequate, whose is the responsibility for failure to rehabilitate—the boys' and girls' or ours? Before accusing the youngsters, consider first what we can do to remedy the situation.

My next article: "What You As An Individual Can Do About Our Inadequate Facilities."

Get Cards And Packages In The Mail Now Urges Postmaster

"The mounting volume of Christmas mail makes it more important than ever for everyone to 'Mail Early for Christmas,' Postmaster Ray Moore said this week.

He said the volume of mail in the local post office was running (ahead of) (Well ahead of) the record volume of last Christmas, and the experience gained in that rush causes him to urge local patrons to get the cards and pack-

THIS IS BASKETBALL? It may be fun, but it's also confidence training atop 30-foot poles for student telephone linemen at the Army Signal Training Center, Fort Gordon, Ga.

ages in the mail now.

The Postmaster explained that the Post Office Department is making every effort to move the biggest volume of mail in history on time, but public cooperation will be a big factor. The Department has added extra employees and extra trucks that have been borrowed from other government agencies and is poised for an all-out effort at keeping the mail

moving.

If an even flow of the mail can be achieved, the public will benefit, the Postmaster declared, through better service and less cost.

The postal patron can cooperate in these ways, he explained. Mail early in the month and early in the day. Wrap packages securely with sturdy materials. Address plainly and completely, using zone numbers for addresses in larger cities. Always include your return address. Mail Christmas cards now.

The Postmaster recommended sending cards with first class postage for preferential handling and where forwarding is desired. Christmas cards larger than 9" x 12" or smaller than 2 3/4" x 4" must carry first class postage because they require hand canceling.

ASHTOLA NEWS

Mrs. Doyce Graham

Mrs. Lillie Knox is visiting a few days in Amarillo with Mrs. Bessie Reynolds.

Mr. and Mrs. Van Knox and Mrs. Bessie Reynolds attended the funeral of a relative in Dimmitt Friday.

Mr. and Mrs. J. F. White and children of Phillips spent the week end with their parents here.

Mr. and Mrs. Homer Hardin and Wayne spent the weekend in Dallas with her father, Mr. Nash.

Mrs. Marilyn Simpson spent Thursday afternoon with Mrs.

Annette Hardin and Wayne.

Joe Tom Lovell attended the football game in Amarillo Sat.

Mr. and Mrs. Robert Tolbert and sons attended an auction sale in Amarillo Saturday night.

Mr. and Mrs. Gracie Henson made a business trip to Lubbock last week.

We regret the passing of Mrs. Stella (Rhoades) Butler, sister of Hubert Rhoades. Funeral services were Tuesday in the Methodist Church at Claude. A son, Donald, and her husband, John, and her father, Austin Rhoades are among survivors.

Joe Tom Lovell spent the week end in Dumas with Mr. and Mrs. James R. Lovell and family.

Mr. and Mrs. J. F. Hill, Mr. and Mrs. John Hill and Mr. and Mrs. Billy Hill visited Mr. and Mrs. J. T. Hill Sunday.

Mr. and Mrs. H. S. Mahaffey went to Amarillo Saturday afternoon to meet Mrs. Della Mahaffey and a friend who spent Sunday with them, then went on to her home at Elk City, Okla.

Mr. and Mrs. Charlie Williams visited Mrs. Myrtle Reed Sunday eve.

Jimmy Garland from Alpine, Marion Garland and Barton Graves from Lubbock spent the week end in the A. J. Garland home.

Mr. and Mrs. Harold Graham enjoyed visiting Mrs. W. H. Morrow in Amarillo Tuesday and having lunch with her. She is working in Amarillo and happy in her new home.

Many people could retire comfortably on what their experience has cost them.

FARM NEWS

from the County ASC Committee

1958 SOIL BANK CONSERVATION RESERVE:

Applications for 1958 Conservation Reserve are now being taken in the office. Contracts cover the period of from five to ten years.

SOIL BANK BASE

A Soil Bank base will be established for all farms taking part in the 1958 Acreage Reserve, or the 1958 Conservation Reserve program. This will be the total crop acreage figure for the farm, based primarily on production history for 1956 and 1957. Total harvested acreage in 1958 must be reduced below "this base" by the number of acres placed in the Soil Bank. Farms that already have a "base" established under Conservation Reserve or the 1958 Winter Wheat Acreage Reserve will use it for participation in the 1958 Conservation Reserve or the 1958 Acreage Reserve.

SIGN UP PERIOD FOR 1958 ACREAGE RESERVE

The sign-up period for the 1958 Acreage Reserve will open January 13 and close March 7, 1958.

SOIL BANK REQUIREMENTS

There are several basic regulations that a farmer must abide by in order to be eligible for payment under Conservation Reserve contract. Among them, are: No harvesting of acreage in excess of "permitted acreage", which is the soil bank base, less the land placed in the program. No harvesting or grazing of the land placed in the Conservation Reserve. No unauthorized use of water stored on the Conservation Reserve; Failure to prevent spread of noxious weeds; Failure to establish vegetative cover or other practices agreed to be carried out.

APPROVED COVER CROP FOR CONSERVATION RESERVE

If an approved cover crop is already on the land when it is placed in the Conservation Reserve and it is adequate to afford good protection from wind and water erosion for the period of the contract, the establishment of a new vegetative cover may not be required.

Mrs. J. R. Cowan, Jr. of Valley Mills and Mrs. W. B. Freeman of Wichita Falls were here Tuesday to attend the funeral of Mrs. John Butler at Claude. While here they visited in the Clyde Butler home.

Bulldogs Beat Dodge City And Wayland Freshmen

The fighting Clarendon Junior College Bulldogs won two basketball games last week, beating Dodge City, Kansas, Junior College on Wednesday night, 72-71, and walloping the Wayland College Freshmen Saturday night, 93-76.

The Dodge City game was a real thriller. Layne Cushberry, reserve sophomore guard from Quitaque, hit a field goal with 12 seconds to go to give the Bulldogs a one point lead. The Dodge City boys went down and got another shot with four seconds left but missed and Loyd Stephens took the rebound and held the ball until the final horn sounded.

Steve Jarnagin, sophomore letterman from Silverton, who has been playing sensational ball so far this season, made 30 points to pace the scorers. Dennis Love made 13 points, Bub Eldridge 11, Cushberry 8, Stephens 4, Don Johnson 3, Benny Lesley 2 and Tom McGee 1. The game was close all the way with Dodge City holding a 44 to 41 lead at the half. The Bulldogs dropped behind in the second half and with eight minutes to go were trailing by ten points. Hustle and determination paid off for the Bulldogs as they gradually closed the gap on the taller and more experienced Kansans.

Saturday night, the Bulldogs had little trouble with the Wayland Freshmen and won easily, 93 to 76. The margin probably could have been wider but Coach Travis cleared his bench in the last ten minutes and gave all the Bulldogs a chance to play. Dennis Love, hard working freshman from Tulia, led the Bulldog scoring parade with 29 points followed by Don Johnson, sophomore from Quail, who played the best game of his college career both offensively and defensively with 22 points. Jarnagin made 17 points, Stephens 11, Lesley 5, Eldridge 4, Billy Schneider and Jimmy Adams two each and Layne Cushberry one.

High School Teams Split Games With Estelline Friday Nite

The best the Clarendon High School boys and girls could do was take one of three games with Estelline here last Friday night. The Bronchos easily defeated the Estelline boys, 68 to 51, but the girls hit a cold streak and went down to a 54 to 45 defeat and the boys B team also lost, 33 to 28.

Jerry Behrens paced the Bronchos to their easy victory with 31 points. John Tom Morrow made 12 points and Jimmy Johnson accounted for 10 as the Bronchos jumped into an early lead and were never threatened. Coach Young cleared his bench in the last quarter to give all the reserves a chance to play.

The girls never really got started in their game and lost to a team they had easily defeated earlier in the season. Joa Bennett topped the Clarendon scorers with 23 points.

Estelline's B boys team defeated the Clarendon B's in the first game of the night, 33 to 28. Jerald Hill made 13 points and Sandy Skelton made 8.

Jr. High Teams Split Games

The Jr. High Fillies and Colts continue to make a good record for themselves as the main basketball season gets underway. They met the Lakeview teams Dec. 5th on their home court. The Fillies lost with a close score of 23-28. The Colts were victorious with a score of 21-6. Sandra Webb and Charlene White were high point for the Fillies and Orville Bennett for the Colts.

On Dec. 10th they met the Alanreed teams here. The Fillies were easy victors with a score of 29-13. Sandra Webb led the scoring for her team with 12 points. The Colts were not so successful in their tilt. They lost 17-28. Mahaffey was high point man on the local team. Hill of Alanreed ran up a 13 point score for his team. All the games were well attended and excitement ran high at all the games.

Pvt. Buddy Bobbitt has reported at Fort Dixon, New Jersey after a temporary visit with his parents, Mr. and Mrs. H. G. Bobbitt. Buddy has been based at Ft. Bliss and will soon leave for Europe for a tour of duty.

J. M. Johnston's Honored On 60th Anniversary

Mrs. M. L. Pittman gave a party in the home of Mr. and Mrs. J. M. Johnston December 5th honoring their sixtieth wedding anniversary.

Mr. and Mrs. Johnston were married in Van Zant county, Texas at the community of Elm Grove in 1897. Mr. Johnston was 79 years old the 29th of June and Mrs. Johnston 78 the 26th of August. She was the former Nora Fincham.

They have three daughters, Mrs. Carrie Kimble of Estancia, N. M., Mrs. Lillie Dixon and Mrs. Maggie Woods, both of Amarillo.

Mr. Johnston moved his family west in 1917. He chartered a car and brought their things while Mrs. Johnston, Lillie and Maggie came on the train. Carrie was married and already living here in the Lelia Lake community. They made their first crop down in the Bric community on the Kimberlin place and have made their home in Hall and Donley County since. After his retirement, they moved here to make their home.

Their friends and neighbors presented them with a shower of groceries and other useful gifts.

Those present were Mrs. O. S. Martin, Mrs. Nadine Mullanax, Mrs. U. T. Fowler, Mrs. Tom Crabtree, Mrs. F. C. Paulk, Mrs. Jim Spencer, Mrs. Ned Scaff, Mrs. John Watters, Mrs. J. W. Hampton and Bettie, Mrs. Taylor Morgan, Mrs. Frankye McAnear, Mrs. Belle Smallwood, Mrs. Nora Decker, Mrs. Mildred Hendrix, Miss Winford Hendrix. A number of others sent gifts.

College Bulldogs Enter McMurry Basketball Tournament This Week

Coach Buddy Travis and his Clarendon Junior College Bulldogs, sporting a 4-1 record for the young season, will leave for Abilene Thursday afternoon where they will participate in the McMurry College Tournament beginning Friday morning.

The first opponent for the Bulldogs will be Cisco Junior College at 10:00 o'clock Friday morning. If the Bulldogs win this game they will square off against the John Tarlton College quintet at 10:00 o'clock Saturday morning. Tarlton drew a bye in the first round. If the Bulldogs go to the finals, they will meet the winner between Frank Phillips College, Odessa College, Ranger College and Decatur Baptist College.

Travis will take ten boys to Abilene which include five sophomores and five freshmen. The sophomores are Steve Jarnagin from Silverton, Layne Cushberry from Quitaque, Don Johnson from Quail, and Co-Captains Billy Schneider from Darrouzett and Jimmy Adams from Estelline. The freshmen making the trip are Dennis Love from Tulia, Bub Eldridge from McAadoo, Loyd Stephens from Ron, Oklahoma, Benny Lesley from Borger and Tom McGee from Darrouzett.

Coach Travis has announced that his probable starters will be Jarnagin, Johnson, Love, Eldridge and Stephens. Schneider is ordinarily a starter but is still suffering slightly from a sprained ankle in the Sayre game at Estelline two weeks ago. He missed the Texas Tech Freshman and Dodge City games and only played about two minutes in the Wayland Freshman game last Saturday night. Adams and Cushberry are both first line reserves and always see plenty of action.

SCHOOL CAFETERIA MENU

December 16-20th
MONDAY
Hamburgers on buttered buns, lettuce and onion rings, beans, fruit, milk.
TUESDAY
Ranch style beans with meat, buttered spinach, carrot sticks, apricot pie, hot cornbread, butter, 1/2 pint milk.
WEDNESDAY
Steaks, whipped potatoes, buttered corn, congealed salad, hot rolls, butter, honey, 1/2 pint milk.
THURSDAY
Chili and crackers, cheese, pea salad, orange cake, fruit.
FRIDAY
Baked ham, candied yams, green beans, cranberry salad, bread, butter, 1/2 pint milk.

DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

Ranching and the production of livestock is one of this District's chief sources of income. The article printed below by Odie Curry, Range Conservationist for the Soil Conservation Service,

Soil Conservation Service office. PROPER USE OF RANGELAND

The primary objectives of a range management program are (1) to establish and maintain an adequate ground cover that will prevent excessive loss of water and soil by runoff; (2) to provide a good quality of year-round forage that will insure better condition of livestock and minimize the amount of supplemental feed;

Proper use represents a stocking rate, grazing system, and class of livestock that will produce the greatest total volume of forage, and livestock gain, on a continuous basis. Forage plants make their living by manufacturing their food in green leaves.

Dr. F. J. Crider, with the Nursery Division of the Soil Conservation Service, made some extensive studies in 1954 on the activity of grass roots resulting in clipping the leaves at various levels. His methods and results are given in USDA Technical Bulletin No. 1102 entitled "Root Growth Stoppage Resulting from Defoliation of Grass".

FRED'S ELECTRIC SHOP WIRING - LIGHTING Motor and Appliance Repairing LICENSED & BONDED Located 3 blocks East of Clayenden Hotel Phone 127

reduced more than half without adversely affecting the functioning of the root system and the plant as a whole. They are striking evidence that close grazing or mowing during the growing season is at the expense of stand establishment and maintenance.

Rangeland is limited in production if moisture is lost to runoff and evaporation. Even with very slow rains, there is a limited moisture penetration on bare hardland range sites and drought quickly returns.

Proper use is achieved by keeping livestock in balance with the forage produced. Naturally, there are problems that confront the rancher in obtaining proper use from year to year.

DR. H. R. BECK DENTIST Goldston Bldg. Clarendon, Texas Phone 46

our bare rangeland. This is good. This is nature's way of preparing and conditioning bare land for a better type of vegetation. This weedy vegetation should also be properly used so that a litter cover will be provided. True, it takes rain to grow grass but if our ground is bare we won't get very much.

A planned scheduled range deferment, by pastures, is a practice that goes along with proper use, especially if an increase of the better plants is needed. Usually, the better plants should be used in judging proper use since they are grazed more often.

Yes, it takes leaves to grow roots to produce more leaves. Grass is the ranchers crop. Without proper use of grass we can expect crop failures.

People suffering from neurophobia have an unreasoning fear of cats.

GABIE BETTS BURTON LIBRARY NOTES

By May L. Frewitt

This week Mrs. Lara McDaniel of Fort Worth, Texas sent us the money for a year's subscription to The National Geographic. She and Mr. McDaniel were Clarendon citizens for several years and their boys Edward and Harold were Clarendon students, and were very creditable ones, too.

These SOS calls of mine are far reaching sometimes, but I become almost desperate when the Library cash is scraping bottom and my own can't help out.

A book was given in memory of my husband, Ben Frewitt, this week. The book is "Men Call Him Master", and written by Elwyn Allen Smith. It is a book that will fit into the reading section conveniently. It is gratefully received.

Our Library could not exist without the gifts of nice new books we receive.

"ALMOST, BUT NOT ENOUGH" is our verdict on how close competitive cars have come to matching the Swept-Wing 58. Take style. Other new cars are "almost" as low in inches, but still seem high and boxy in looks. Some of them are "almost" going to fins, but not enough to really make a difference. Then take performance. None of the other 1958 cars have anything to match the sway-free, dip-free, vibration-free ride of Torsion-Aire. (It's standard equipment.) Most of them still don't even have push-button driving! So after you've seen the "almost" cars, come in and drive a Swept-Wing 58. You'll see why we say: They're catching on, but they can't catch up. See Swept-Wing 58 by DODGE at Bartlett Motor Co. Clarendon, Texas

Trinquits and Sidelights FROM Your State CAPITOL

By VERN SANFORD
Texas Press Association
AUSTIN—Both special sessions of the Legislature passed all the bills for which Gov. Price Daniel called them. Mostly, by wide margins.

Even so, final days found everyone at sixes and sevens. House members and Senators wrangled among themselves. Each house sniped at the other. And numerous lawmakers found ways to show they were put out with the governor.

Both houses gave lop-sided approval to the two bills requested by the governor to bolster local control of schools. One allows closing of schools threatened with federal occupation. The other empowers the attorney general to assist local districts in fighting anti-segregation suits.

Then, another bill was proposed to allow county judges to require registration of organizations attempting to interfere with public school operations. Sponsors said it was aimed at the NAACP.

Though there seemed to be no large block of opposition to the measure itself, haggling technicalities stretched out the time table.

Some legislators accused others of deliberately prolonging the session to embarrass the governor. Each day (including weekends) made a \$11,600 bite into the governor's emergency fund. House members said Senators were sticking around to have the last word in their feud with the Insurance Department.

Whatever the cause, it seemed evident that the Texas Legislature can't be turned on and off like a faucet.

HINDSIGHT
Renewal of the contest over tidelands ownership brought criticism of Governor Daniel's role in the federal tidelands law. Sen. Dorsey B. Hardeman of San Angelo said he felt Daniel should have seen to it the 1953 law recognized specifically Texas' claim to lands 10½ miles out.

FAR EASTERN MUD—Artillery maneuvers of the First U. S. Cavalry Division bring a light tanker of an AAA battalion into juxtaposition with an Honest John rocket launcher.

Daniel, then a U. S. Senator, sponsored the federal law. At present a federal suit challenges Texas' claim to land beyond three miles.

Daniel retorted that if Hardeman would read the bill he would find it gives each state title to boundaries "as they existed at the time such state entered the union." Texas Congress fixed the coastal boundary at 10½ miles out, the governor.

Hardeman replied Daniel should have attached a map to the bill. **NOT HAPPY**

Dissatisfaction of a number of Senators with the Insurance Department seems unlikely to simmer down.

Senate investigating committee indicated it is still not through with its inquiry into the Department's delay in action on an unfavorable report on Preferred Life. It recessed after hearing two

assistant state auditors confirm the examiner's finding of irregularities in the company.

Sen. Grady Hazlewood stressed the committee's findings in a speech explaining why the Senate had turned down the Insurance Board's appointment of William A. Harrison as commissioner. He said the Senate felt Harrison had been remiss in not taking immediate action against the company.

Senate finance committee turned critical questions on the three board members for having questioned the Senate's right to pass on Harrison's appointment. Board appeared to ask a bill authorizing the department to reduce the number of examiners and raise salaries.

LAND BUY OKAYED

Legislature moved forward another step the plan for a consolidated state government center in the heart of Austin.

Both houses passed a bill authorizing purchase of two blocks northeast of the Capitol for a Texas Employment Commission Building.

Overall plan is to ring the Capitol on three sides with five new buildings. Included will be the State Courts Building, state office building, Insurance Building, TEC Building and library and archives building. Cost is estimated at \$20,000,000, all to come from various special funds rather than general revenue.

A CHANCE TO SPEAK

Citizens in every county will be given a chance to say what kind of schooling is needed to equip Texas youngsters to live in a space age.

A school study committee set up by the last Legislature plans to ask local county committees to submit ideas. Called the Hale-Aiken Committee, the 24-member panel is made up of legislators and private citizens.

They've promised to heed the wants of interested citizens in the report they're to make to the next

session. Already, there's been a large response.

Suggestions range from a "crash" program in science to cutting new building needs by using facilities 12 months a year.

Broad areas being explored in the study are (1) what to teach and for how long, (2) how to get teachers, (3) how to build buildings and (4) how to pay for it all.

A Queen Consort is the wife of a reigning king.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

FLYING SAUCERS

The recent news stories about the sighting of flying saucers in the Panhandle of Texas has given us quite a bit of publicity all over

the country. Whether it is good or bad is a debatable question. In fact, I have had several visits from people who are interested in flying saucers. Incidentally, there are a number of organizations devoted to the subject of flying saucers. These are private, not government, programs. It is interesting to talk to these people who make a business of studying the different reports about these objects. I expect several of them

have been out in the Panhandle digging into the reported sightings near Friona.

One of these fellows was in the office the other day and told me about the man in Nebraska who reported he had seen one of these ships and had communicated with its occupants. I asked where this man was at the present time, and was told he had been confined in a mental institution. I asked my informant if he was placed there because of his report about the flying saucer. My informant told me the Nebraskan had been placed in the institution not because he reported seeing a flying saucer and communicating with the occupants thereof, but because he had told this story the same identical way a great number of times. This came as quite a surprise to me, because I had always thought people got into trouble for not telling the story the same way each time. According to my informant, this is old-fashioned. According to the new rules, if you tell the story the same way every time, you are possessed of a fixation, according to psychiatrists and, therefore, subject to being confined in the mental institution. This creates quite a problem, because you will have to be fully aware at all times of the rule which is being applied in the particular jurisdiction in which you find yourself. The point is that, if you see a fly-

ing saucer, don't report it until you find out what rule is being applied in that locality. If you stay with your original story you might end up in a mental institution and, on the other hand, if you change any of the facts after you have reported the story several times, you may find yourself in the same place. It might be best to say nothing.

SOIL BANK GRAZING

I have had many requests wanting the Department of Agriculture to permit grazing of wheat acreage before January 1, 1958, that is subject to the 1957 Soil Bank Acreage Reserve Agreement. I have had a thorough discussion of this problem with the Department of Agriculture several times, and they advise me they will not, under any circumstances, authorize the grazing of this wheat land that has been placed in the Soil Bank program unless applications to graze the same have been approved and a penalty of \$6 per acre paid on the present regulation—that is, if a participant in the Soil Bank wants to graze land that has been placed in the 1957 Soil Bank Acreage Reserve Agreement, he may file application to do so. These applications may be obtained at the ASC County Office. The Department advises me that it will require the full payment of \$6 per acre penalty before any grazing is authorized.

ATTACKS ON UNITED STATES

The mail brought an inquiry just the other day from Mrs. Dolly Lynch, a school teacher at Mobeetie, as to the number of attacks on the U. S. mainland during the last war. We have this information from the Library of Congress, and I thought it might be interesting for all of you, as well as Mrs. Lynch, in view of the recent talk about missiles. The report of the Library of Congress is as follows:

"During the last war there is evidence that the mainland of the United States was shelled by enemy submarines only twice. The first occasion was in California (reported on February 23, 1942), and the second in Oregon (Fort Stevens, reported in June, 1942).

There were certain other reports about attacks by balloons and other flying objects, a summary of which (as reported in the New York Times) is given below: On June 1, 1943, U. S. Forestry Service aides reported 3 isolated recent attacks by Japanese on U. S. West Coast.

On June 10, 1943, Lt. Col. J. W. Fraser reported that incendiary bombs had been dropped on Oregon forests in an attempt to start fires in 1942.

On January 1, 1945, a giant balloon, believed to be of Japanese origin, was found in Portland, Oregon.

On January 14, 1945, Attorney General Biddle reported on the evidence of Japanese submarines and planes 'having operated off U. S. West Coast after Pearl Harbor'.

On June 7, 1945, 6th Service Command disclosed that balloons were dropped in Michigan without disclosing date or specific place.

On August 15, 1945, it was reported that 'nearly 230 bomb-laden (Japanese) balloons or remnants (were) recovered by July 30', from Alaska to Mexico, and as far east as Michigan.

The U. S. Navy reported on August 21, 1945, that 13 attempts were made by Japanese submarines to enter Los Angeles harbor. The report also stated that only one U-boat passed Ambrose Lightship, New York harbor during the war."

THE PRESIDENT'S ILLNESS

The shock and concern that engulfed the Capital City at news of the President's illness could be felt even before the cause was known. It was very evident something was wrong, and many people, when they got the news, was heard to remark that they felt something had gone wrong but did not know exactly what it was. It was generally suspected throughout the nation's capital that the whole story was not being told when it was reported the President had suffered a chill. It is pretty hard to fool the American people, and subsequent developments proved they had not been misled by the original soft peddling as to the condition of the President.

At the time this report is being written the President seems to be in good condition; however, defects in the circulatory system can get better or worse momentarily. By the time this letter reaches you, anything might have happened. Let us all hope and pray it is for the better and our President is in excellent health

SCIENCE

The outstanding scientists of this country have had several big days before the Senate Preparedness Subcommittee headed by our Senior Senator, Lyndon Johnson. They have undertaken to explain the position of this country on matters scientific. Other individuals, businessmen and otherwise, have appeared before the Subcommittee and offered their bit. Many excuses have been offered in explanation of why the Russians led us in placing a satellite in orbit. Some blame it on the lack of sufficient funds, which is not an unusual American excuse. Others say we just did not develop the know-how because we did not realize Russia was so far advanced. Others claim it was the result of a simple miscalculation as to when great efforts should be expended on the missile program.

Other reasons were advanced, but these three seem to be the most important. As to the first one, it can be said there was never a country in the history of the world which provided as much money for defense purposes as has the Congress of the United States for the defense of this country. If these funds were wrongfully spent, that is another question, but to say funds were not ample and sufficient is just not true.

As to the second reason, there is some merit. It appears this country has been spending too much time in recent years telling about the things the Russians have not accomplished and too little time finding out what they have accomplished. In other words, we have been trying to rest on our past laurels and refusing to recognize the fact that other people have capabilities the same as us.

As to the third reason, there is little question that a lag in the missile program was permitted pending the development of an atomic warhead small enough in size to be transported by a missile. As the matter now develops, both programs should have been worked on at the same time. It is very good the sputnik has awakened us to some of the failures so they may be corrected without undue delay.

There is one question in this entire controversy which seems to have been completely overlooked. That is, "What was our intelligence doing while the Russians were developing their missiles and their sputnik?" I have yet to see an explanation in answer to this question.

To me, it is most important, because only a few years ago we had the atom bomb and it was our secret. Yet, the Russians,

through their intelligence and espionage system, were able to steal that secret from us. What happened to the Agency headed by Allan Dulles, the brother of our Secretary of State? I speak of the Central Intelligence Agency which is so super-secret. This Agency spends a tremendous amount of money each year on programs and projects so secret the people who furnish the money are not even allowed to know the general purpose for which it is spent. No doubt this is another Agency which will be looked into to come 1958.

The truth about our scientific failure, if it could be so called, goes a lot deeper than many of the reasons which were given to the Senate Preparedness Subcommittee or to any other committee investigating the matter on Capitol Hill. The simple truth is, there has been a failure by our entire country to fully realize and appreciate the need in the fields of science. In many of the schools there is no science course. This may be due to lack of funds for equipment, but usually it is due to the lack of funds with which to pay properly equipped school teachers. In some instances the money is available but there are

no teachers. This is not a mistake or a failure that has occurred within the last few years. It has been going on for a long, long time. It cannot be solved by some fly-by-night cure-all legislation permitting the government to finance some child who has been chosen as having a mind with a scientific turn. The solution of this problem lies at the grass roots of this nation. Proper facilities and teachers must be made available to every school in this nation. The facilities can be readily acquired—the teachers cannot—unless we are willing to recognize them for their true worth and to pay them in accordance with the contribution they are making to this nation and its future.

CLARENDON, TEXAS

Will Writes

FROM THE
STATE REPRESENTATIVE
68th District

SESSION CLOSES
The First and Second Sessions of the 55th Texas Legislature are now over, the members are leaving Austin, and the books are closed. All that remains is to reflect on the matters which were considered and those which were

passed.

TIME WILL TELL
Actually, only time and succeeding events can determine whether these special sessions and the laws they produced are good or bad, effective or ineffective. The Water Bill will have to be judged by future progress on dams and water storage. It may take 10 or 20 years to fully complete a statewide project of so vast a nature.

CRITICISM AND PRAISE
The Lobby Bill has drawn both severe criticism and high praise. Which is right? It is not going to cure all graft and corruption because as long as there are dishonest men in the world, one or two of them will inevitably wind up in politics.

However, it is certainly a step in the right direction. From no lobby control in the past, we at least will have a good registration of all those who practice before the legislature trying to influence legislation. This should be much help to legislators in the future.

WHAT COMES NEXT
There is already some talk and many rumors around the Capitol Building about a Third Special Session for a tax measure. If it is called by the Governor, it will probably not be convened until sometime next year. If we have a tax session, it will make the first two special sessions seem non-controversial. The fight will be bitter over where the taxes will be placed and who will pay the bill. This particular question will be occupying a great deal of my

time during the interim until the next session. Let's hope there will not be a special tax session.

SOCIAL SECURITY INFORMATION

Many farmers are probably asking themselves or others—"How long must I work to qualify for social security benefits." With social security figuring as it does in the future planning of many people, the question is a legitimate one. Actually, for those farmers who reach their 65th birthday before April 1, 1958, they are "insured" under social security if they have as much as two and one-quarter years of credit during 1955, 1956, and 1957. Every farm operator whose net earnings amount to \$400 or more in a year, must report his earnings and pay the social security tax. For this he gets a full year's social security credit. If, on the other hand his net earnings from his farm self-employment are less than \$400 he neither pays the tax nor does he get credit. However, if the farm operator has earnings from any other business, these earnings may be added to his earnings from his farm operation.

For those farmers who will not have reached their 65th birthday before the April first date mentioned above, or for those who have not had as many as two and one-quarter years of covered earnings in 1955, 1956, and 1957, additional periods of credit would be required. The amount of time required is roughly half the time after 1950 or all but one year of the time after 1954, and before attainment of age 65. For example a farmer attaining age 65 in the first half of 1959 would require at least three and one-quarter years of credit.

The social security program for farm operators is not voluntary. Every such farm operator with net earnings of \$400 or more must report to get credits. If he fails to file his returns and pay his tax, the eventual social security benefits will be lower than they should be, or may even result in no benefits being paid. Information concerning a farmer's tax liability should be ob-

tained from the District Director of Internal Revenue. The Amarillo Office of the Social Security Administration will have information available concerning benefits under the program to self-employed farmers.

Curtis M. Watts, Field Representative of the Amarillo Social Security office will be at the courthouse in Clarendon on Monday, December 16th at 9:30 a. m.

STATE OF TEXAS COUNTY OF DONLEY

The Honorable Commissioners' Court of Donley County, Texas, convened in regular recessed session at the Courthouse in Clarendon, Donley County, Texas, at 10:00 A. M., Saturday, November 30, 1957 A. D. and passed the following order:

"The Commissioners' Court of Donley County, Texas, will receive sealed bids at 10:00 A. M., Thursday, December 12, 1957 A. D. in the Courthouse at Clarendon, Texas for the trade of one (1) Caterpillar 9-K Motor Grader equipped with Do-More Attachment for one (1) front-end loader, rubber mounted, 4 wheel drive, and 1 yd. bucket. Donley County reserves the right to reject any and/or all bids."

BY ORDER
COMMISSIONERS' COURT
OF DONLEY COUNTY,
TEXAS

Jack E. Gray, County Judge
& Presiding Officer of the
Commissioners' Court.

Attested
P. C. Messer, County Clerk (44-2c)

ONE FOR THE BOOKS

BAYTOWN, Tex.—A man in a foul temper was hauled into jail in his "birthday suit." Deputy Sheriff J. C. Bickerstaff said he found the man wandering around without his clothes, on Highway 73.

He seemed to be more mad than drunk, Bickerstaff said, but he never could discover the reason for his anger, nor where his clothes were. As a result he was charged with drunkenness and given a cell to hide in.

"It's one for the books," Bickerstaff said, "and it went into mine."

A dead person may vote, legally, if he mails an absentee ballot and then dies before election day.

OPEN THE COKE and START THE FUN!

Hear ye! Holiday good times are coming up with guests a plenty and parties galore. And what's wanted in the refreshment line? Why, plenty of ice-cold Coke, of course. The sparkling pleasure, the bright little lift of Coca-Cola, makes everyone enjoy the party more. The best-loved sparkling drink in all the world... that's Coke!

PARTY IDEAS: Turn "hard sauce" out in gay holiday green next time you serve a fruit cake. Add a little green food coloring to your favorite hard sauce recipe. Ring the fruit cake with generous scoops of this tinted sauce and set out right next to a trayful of ice-cold Coke.

CHEVROLET SETS A NEW STYLE IN STATION WAGONS!

Two new Brookwoods—4-door 6-passenger and 4-door 9-passenger models. Luxuriously appointed.

Meet the year's smartest station wagon set! Chevrolet brings you five new wagons for '58—all long, low and loaded with news. They're more than nine inches longer, dramatically lower. They set a new style with boldly sculptured lines. And these new Chevros are the most practical wagons that ever took to the road. The liftgate is hinged into the roof and raises completely out of the way for easier loading. There's a new easy-opening fail-

gate, too, and room for longer loads. No station wagon built ever carried loads with more ease or passengers with more comfort! Chevrolet's new standard Full Coil suspension cradles you on deep coil springs at every wheel. And you can have a real air ride as an extra-cost option. Stop by your Chevrolet dealer's and look over the smartest, smoothest going station wagons of them all.

Only franchised Chevrolet dealers display this famous trademark. See Your Local Authorized Chevrolet Dealer
