A Common Paper for Common People

**TEXANS MARCH AT ATLANTIC CITY**—These enthusiastic American Legionnaires were among the many Texans who attended the recent American Legion National Encampment in Atlantic City, N. J., and marched in the giant Legion Parade. L to R: Warren Moore of Tyler, Commander of The American Legion of Texas; Mrs. Virginia Bailey of Alpine, President of the Texas Legion's Ladies Auxiliary; Senator Ralph Yarborough; and H. C. Stephenson of Brownsville, Leader of the Brownsville Legion's Championship Drum and Bugle Corps which is seen in the background.

### A. W. Gerner Bitten By Rattlesnake

A. W. Gerner, prominent Lelia Lake farmer, was reported improved at last report, from a rattlesnake bite last Friday at his farm 3 1/2 miles southeast of Lelia Lake. He was brought to Adair Hospital here for treatment and then transferred to Northwest Texas Hospital in Amarillo. Mr. Gerner and H. R. King were walking down a turnrow shortly before noon Friday, counting the rows to be banded, when the 4-foot rattler bit Gerner in the calf of the right leg. King killed the snake and brought Gerner to the hospital. The snake had nine rattles. Mr. Gerner's many friends wish him a speedy recovery.

### T. W. Heatherly Receives Service Pin

T. W. Heatherly received a service pin from General Telephone Company of the Southwest when he completed 30 years with the company on October 1, 1957, according to Roy Brewer, district manager, at Memphis.

Mr. Heatherly, who was born in Gillam, Arkansas, has resided in Clarendon since 1951. Mr. Heatherly is a combination man, and during his telephone career which began in 1927, he has served as a plantman, plant line man, and construction foreman in various company exchanges. He was first employed by Southwest Associated Telephone Company, predecessor of General Telephone Company of the Southwest. Mr. Heatherly is married and has one grown son.

### SCD Supervisor Elected

At an election meeting held at the Hedley School last week, W. P. Doherty of Hedley was re-elected to serve as supervisor from Zone 4 on the Donley County Soil Conservation District Board of Supervisors.

The Donley County Soil Conservation District is divided into five zones, and each year a supervisor is elected by his fellow land owners from one zone to serve for a five year term. These supervisors serve without pay and should be recognized by their fellow residents of the District for their efforts in promoting soil conservation in this District. W. P. Doherty has served on the Board since 1947, during which time he has held the office of vice-chairman and is at present the Board's secretary. Establishing soil and water conservation on this land of ours is a much bigger and more important job than most people realize, and locally organized Soil Conservation Districts is the democratic way of getting the job done.

### SCHOOL CAFETERIA MENU

- October 14 - 18th
- MONDAY: Roast pork, candied sweet potatoes, green salad, apple pie, bread, butter, milk.
- TUESDAY: Mexican baked beans with grated cheese, buttered corn, cabbage, pineapple and marshmallow salad, apple crisp, hot rolls, butter, milk.
- WEDNESDAY: Barbecue weiners, green peas, candied carrots, hot rolls, honey, butter, milk.
- THURSDAY: Fish sticks, buttered spinach, creamed potatoes, jello salad, hot rolls, butter, milk.
- FRIDAY: Cheese sandwiches, potato chips, English pea salad, lettuce, pickles, milk, butter, cake, fruit.

Merl Chenault of Amarillo attended to business in Clarendon Tuesday and was a dinner guest in the home of Mr. and Mrs. E. J. Chenault.

### Fall Pig Show Scheduled For Saturday

Members of the Clarendon, Hedley, and Lelia Lake F.F.A. Chapter will exhibit their swine projects at the Donley County Fair Barn Saturday morning. Seventy-five F.F.A. members are expected to enter 150 head of top barrows in the show. The winners in the recent Tri-State Fair and Heart of Texas Fair will all be entered in the local exhibition.

Tom Neely, Vocational Agriculture Instructor at Monterrey High School of Lubbock, will place the pigs. The boys will compete for \$223 premium money. The judging will start at 9 A. M. and will probably be completed at about 12:30 P. M.

The top 119 head of the barrows will be trucked to Dallas Sunday night to be exhibited at the State Fair of Texas next week. The state fair judging will be held on Wednesday and Thursday of next week.

### Jr. High Colts Defeat McLean 13 to 0

The Jr. High Colts started their season off right last Thursday night by journeying to McLean and bringing home a 13-0 win over the McLean Kittens.

Penalties cost the Colts a lot of yardage in the first period and the game continued scoreless the first half. A pass interception by Dwight McAnear in the third quarter gave the Colts their first taste of pay dirt. On the interception, McAnear sprinted approximately 35 yards for the score and then passed to Billy Spier for the extra point.

Their second tally came in the final period when Eddie Tipton plunged over for the six points. Another pass attempted failed for the extra point.

### Services Held Tuesday For Mrs. Virgil Johnson

Funeral services were held Tuesday afternoon at the Hedley First Methodist Church for Mrs. Arra Christine Johnson with Rev. J. S. Tipton officiating.

Mrs. Johnson, 30, died Monday in Adair Hospital following a lengthy illness. She was a resident of Hedley and had lived in Donley County 20 years. She was a member of the First Baptist Church.

Survivors include her husband Virgil Johnson of Hedley; her parents, Mr. and Mrs. Lester Heathington of Arvin, Calif.; and one sister, Mrs. Inez Pierce of Arvin.

Pallbearers were Virgil McPherson, Ray Moreman, John Stephens, T. W. Bain, F. M. Murray and Hobert Moffitt.

Burial was in Rowe Cemetery, Hedley with the Murphy Funeral Home in charge of arrangements.

### F.F.A. Members Attend State Youth Day At State Fair

A busload of Clarendon F.F.A. members were among the 100,000 F.F.A., 4-H, and F.H.A. members that attended the State Fair last Saturday on the annual Rural Youth Day at the state event. The local group, accompanied by their adviser, J. R. Gillham, left Clarendon following the football game with Wellington and arrived in Dallas early Saturday morning.

The ice-show, livestock exhibits, automobile and other similar exhibits were highlights for the day for the many youths attending the fair.

The fair management provided a free meal for the large group of young people on Saturday and all were given free tickets to enter the fair grounds. The local group returned Sunday afternoon.

### Wellington 'Rockets' Hand Bronchos 13 to 8 Setback

The Clarendon Bronchos failed in their attempt to ground the big Wellington Skyrockets at Broncho stadium last Friday night. The final score was 13 to 8 in a hard fought game. The Skyrockets were sparked by big Jerry Elbert, 200 pound quarterback, who was moved from his regular end position to the quarterback slot for this game. Elbert played a flawless game at his new position and his bruising runs took their toll on the lighter Bronchos.

The Bronchos scored first when they scored a safety in the first quarter. The Skyrockets, by virtue of a 15-yard penalty were backed up to their one-yard line when Elbert attempted to run the ball out, a host of Broncho tacklers brought him to the ground behind the goal line for the two points. The Skyrockets came back and scored on the last play of the first quarter when halfback Joe Wood went over from the five yard line. The attempted pass for the extra point failed and the visitors were ahead 6 to 2. Late in the second quarter the Skyrockets scored again when Elbert returned Carl Evan's punt 70 yards for the touchdown. This time, Jimmy O'Rear, the Wellington fullback ran over the extra point to bring the score to 13 to 2.

The Broncho's only touchdown came with 17 seconds left in the first half. Jerry Behrens, who played his usual good game at quarterback, rolled out around right end on a quarterback-keep play for nine yards and the score. Evan's kick was blocked and the scoring was over for the night.

The Bronchos made a desperate attempt to win the game late in the final period. They got the ball on their own 35 yard line and in five plays carried time to the Wellington 18 but time ran out. The Bronchos fought their heavier opponents, who outweighed them approximately 20 pounds per man on the average, to a standstill from the statistics angle. The Bronchos gained 175 yards rushing and 62 passing for a total of 237 yards. The Skyrockets gained 204 yards rushing and only 13 passing for a total of 217 yards. Each team made 12 first downs. The Bronchos lost 75 yards in penalties while Wellington lost 70.

### Services Held Sunday For N. T. Myers

Funeral services for Norman T. Myers were held Sunday afternoon at Murphy Memorial Chapel with Rev. James McDonald, pastor of the Lelia Lake Methodist Church officiating.

Mr. Myers, 69, died last Thursday in Fort Worth where he had made his home the past several years. He was a long time resident of Donley County prior to moving to Ft. Worth.

Pallbearers were Will Chamberlain, O. D. Roberts, Quinn Aten, D. M. Cook, W. N. Poole and J. L. Butler.

Burial was in I.O.O.F. Cemetery, Clarendon, with the Murphy Funeral Home in charge of arrangements.

### Peggy Tate Gets Call For World BB Tourney

Peggy Tate, a former member of the Clarendon Junior College Comets basketball team, has been selected to participate in the World's Basketball Tournament, scheduled for Rio De Janeiro, Brazil this month.

Players were chosen from Wayland College, Iowa Wesleyan College, Kansas City, Mo., and Nashville, Tenn. These players will represent the United States in the tournament. Miss Tate is a member of the NBC team at Nashville.

LEADER CLASSIFIEDS GET RESULTS

### Bronchos Will Journey To Panhandle Friday Night - Game Time 8:00 P. M.

#### Colts To Play First Home Game Tonight With Canadian

The Clarendon Jr. High Colts will play their first home game of the season here tonight in Broncho Stadium with the Canadian Kittens as their opponents. Game time has been set for 7 p. m. and the admission price will be 50 cents for adults and 25c for students.

Even though most of the Colts are inexperienced, they are working hard and hope to add another win to their record as they defeated McLean last week 13-0. Canadian won the game last year, so the Colts will be trying extra hard to even the score when they meet tonight.

Since the Broncho game is away from home Friday night, a large crowd of football fans are expected out tonight to see the home game opener for the Colts. In fact everyone in this area would really enjoy watching these boys play. These youngsters are future material for the Bronco squad and your support now will mean a lot to these boys.

### Sunday Rain Pushes Moisture Total Over 25 Inches

A soaking 1.41 inch rain Sunday afternoon and night here in town brought our yearly total to 25.82 inches. The rain was general all over the county and some localities probably have 30 inches or more for the year so far.

Although the rain stopped the fall harvest for a few days, it was welcomed by most everyone and especially so if the first killing frost holds off for another three or four weeks. The moisture really brought smiles to farmers who had sowed wheat, rye and other winter crops.

Ben Lovell reported 1.30 from the rain Sunday at Ashtola; Mrs. Hatley reported 1.35 at the Country Club; Willard Knox reported 1.25 at Lelia Lake; Clifford Johnson reported 1.50 at Hedley and the largest amount was reported at Brice where 1.80 fell.

Our monthly moisture totals for the year so far are as follows: January .31; February 1.13; March 2.23; April 6.80; May 8.29; June 1.74; July 4.3; August 2.55; September .93; and October to date is 1.41.

The Clarendon High School Bronchos will go after their second win of the season Friday night when they meet the Panhandle Panthers at Panhandle. The Bronchos, who have played one of the toughest schedules of any Class A team in the area, have only one win and four losses to show for their season's work. They defeated Class AA Shamrock and have lost to last year's state Class A champion Stinnett, strong and still undefeated White Deer, and the two top District 3-AA teams, Perryton and Wellington. All defeats were close games with the exception of the 32 to 7 pasting from Perryton.

Coaches Tom Jinks and Roy Young are still hoping to be able to play a game with their squad in top physical condition. They have yet to play a game without at least one regular being out of the lineup. Last week regular end, Don Taylor was out with an injured leg and Richard Vallance, Keith Hudson and Darrell Lefew have been out from time to time.

Panhandle started slow but has been improving fast the past few weeks. Last Saturday, they spoiled the Lefors Pirates' homecoming by beating them 21 to 12. This week's game between Clarendon and Panhandle should be a toss-up.

Barring further injuries this week, Coach Jinks will start the following boys Friday night: Don Taylor and Jimmy Johnson at ends; Ted Weatherly and Monty Mann at tackles; Keith Hudson and Darrell Lefew at guards; John Richardson at center; Jerry Behrens at quarterback; Richard Vallance and Carl Evans at halfbacks and John Tom Morrow at fullback.

This will be the last non-conference game of the season for the Bronchos. They will play their first District 2-A conference game Friday night, Oct. 18, against the McLean Tigers here.

### HOSPITAL NOTES

Patients as of Wednesday, October 9th:

C. L. McCrary, Mrs. Fred Buntin, Ruby Gilliam.

Dismissals:

W. D. Higgins, Mrs. Kenneth Johnson and baby boy Rex Neal, Mrs. Frank Hommel, Owen Johnson, Rudolph Campbell, A. W. Gerner and Mrs. J. R. Brandon.

Mary Chenault of Lelia Lake visited Tuesday afternoon with Mrs. E. J. Chenault.

**CLOSER TO HEAVEN**—A 600-pound bronze angel is gently lowered into place atop the 16th century church tower of Sacile, Italy, by a U.S. Army "Choctaw" helicopter from the Southern European Task Force. The angel's wooden predecessor was destroyed by quake and wartime bombardment.

**UPENDED AFTER SECTION** was all that remained intact of an unmanned U. S. Navy airship which was cruising more than five miles away when a recent atomic test device was exploded in Nevada. The remains of the forward section are on ground at left. Among the experiments conducted during the current Nevada atomic series, called Operation Plumbbob, are tests of nuclear effects on shelters, doors, vaults and buildings which could serve civilians in time of attack. # Highlights and Sidelights FROM Your State CAPITOL

By VERN SANFORD  
Texas Press Association

AUSTIN—How much will Texas' drought-shocked farm economy be able to come back, thanks to 1957 rains?

U. S. Bureau of Crop Estimates says Texas' 1957 cash income, from all farm and ranch products, may be as much as \$200,000,000 higher than last year.

Actual statistics now are not so rosy. Reports from the University of Texas Bureau of Business Research show cash income, as of July, down 13 per cent from July of last year. Farm income for July is 70 per cent of the 1947-49 average.

"Farm income," says a BBR analyst, "is still the most depressed sector of the Texas economy, although rising prices and a better outlook for crops give some grounds for optimism."

Some attribute the poor cash showing in reports thus far to lateness of crops in areas where continued spring rains delayed planting.

Whatever final statistics show, most farmers and farm observers seem to regard 1957 as the beginning of better things. It rained. And though the rains may have washed out cotton, rotted melons and mildewed grain, it "put a season in the ground."

### LITTLE ROCK REPERCUSSIONS

News from Little Rock, Ark., brought expressions of concern and disapproval from the Texas Capitol.

Gov. Price Daniel, on hearing the President had sent in federal troops to enforce school integration, fired off a telegram to the

White House. Such action, said Daniel, was "reminiscent of the tactics of Reconstruction Days."

"Does this mean you will occupy with troops every nonintegrated school in the South?" the Governor asked. "If so, your action will destroy the public school systems and good will among the races which most of us in the South have labored so hard to preserve."

U. S. Senator Lyndon B. Johnson, who was in the State Capitol at the time, for a Democratic women's gathering, said he was "concerned and disturbed."

"I think there should be no troops from either side patrolling our school campuses," said Johnson.

### NEW LAWS SUGGESTED

Spectators of the ICT investigations are no longer interested in what BenJack Cage did or didn't do. Or in what he says or doesn't say. They are more interested in the effect the ICT matter will have on future insurance regulations.

Cage answered a few general questions for the Senate investigating committee. But he refused to answer 90 others on grounds of possible self incrimination.

However, officials of the State Insurance Department spoke to the committee specifically and without hesitation. Commissioner William A. Harrison suggested

need for possible legislation in four areas:

1. Board authority to determine the competence of management and to pass on management contracts. (Jack Cage Co. had a management contract with ICT.)

2. More board control over financial record keeping by companies.

3. Change in the minimum capital requirements for organizing a company (presumably to require more capital).

### FLU FUREORE FADES

After the shock of the first flare-up, most Texans seemed resigned to living with the Asian flu threat for awhile.

Although cases tripled (to 9,151) in a week, health officials in some areas reported a decline. Some said they felt they were "over the hump."

### SCHOOL PANEL

House Speaker Waggoner Carr added three more to the committee which is to study means for handling Texas' growing school population. They are Mrs. Will Miller of Corsicana, Nat Williams of Lubbock and Stone Wells of Houston.

Appointment of six persons by Governor Daniel will complete the 24-member committee.

### SCHOOL BUS LAW

There still are people who don't observe Texas school bus law, say state officials. Seven were killed

in school bus collisions last year.

Wide publicity on the provisions of the law are urged by Education, Highway and Safety Department officials. Basically, the laws say:

1. A driver meeting or overtaking a school bus that has stopped to load or discharge passengers must stop immediately. He may then proceed cautiously at not more than 10 miles per hour.

2. Law does not apply in city limits or on a divided highway where the bus is on a different roadway from the other vehicle.

would appreciate some romances or good novels, as the evenings are cool and there are some who don't care for TV.

Our magazine shelf is very interesting, but we didn't get our last week's "Life."

Two or three dollar memberships have been gratefully reviewed recently.

### Wardens Find Few Violations

AUSTIN—Opening of the 1957 hunting season went by with a

minimum number of violations, according to the director of law enforcement of the Game & Fish Commission.

"Wardens reported wonderful cooperation from all over the north zone, with the opening of the season," the director said.

He warned, however, wardens will begin to get strict on enforcement of the license regulations. Licenses now are available from all wardens, county clerks, and most sporting goods dealers.

Jefferson Davis was president of the Southern Confederacy.

It wouldn't be so bad to travel fast, if we could always be sure that we were going to stop slow.

It's hard for the rich man to get to Heaven; These words we've heard since birth.

But with taxes being what they are today; How can the poor man stay on earth?

Mrs. Walter Hogg loaned us a little booklet from which we took the following;

And nowadays the doctors, Remove us bit by bit. Until we get so shy on works, We simply have to quit.

We just mailed a membership in the Ain't Smoking Right Now Society to Mr. W. E. Cantrell of Tulla, Texas. He has been quit some four or five years and

should make it now. Too, he's one of our readers.

Back in the olden days man lived for several hundred years, and then came the dark ages and he lost the secret to this longevity. His life span grew pretty short. Then came our age of science and the life span started soaring again. Now look what happened. Science crammed more than 200 horsepower under the hood of our automobiles and our allotted number of days starts slipping again. Man sure has his ups and downs, to say the least.

Speaking of wrecks, someone has said that the reason we didn't have so many back in the horse and buggy days was because the driver wasn't the only one with intelligence.

Did you hear about the dog that was all mixed up; sort of a cocker scandal.

Our candidate for the outstanding pessimist of the year is the fellow who was feeling so low that when he noticed that he had just passed by an undertaking establishment decided to just sit down and wait.

Uncle Fudge said that if he had of listened to what his mother said, he never would have been qualified to have advised his children to listen to what their

mother said. Sounds like the voice of experience speaking.

DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

Farmstead windbreaks are a useful and an attractive conservation practice in the Donley County Soil Conservation District.

Of course, the species of trees or shrubs should be adapted to the particular soil unit on the desired location. Some shrubs that are adapted to our soils are Desert Willow, Russian Mulberry, Russian Olive, Tamarix, Apricot and Vitex.

Deciduous trees such as Chinese Elm, Cottonwood, Honey Locust, and Bois d'Arc are adaptable to our soils. Ever-green trees such as Red Cedar and Western Pine should do a good job. Planting stock can be obtained from the State Nursery through the County agent, and should be ordered from private nurseries.

From two to five rows of trees should be used, with probably three rows giving the best results. The windward row should be a dense shrub. The middle row or rows should be tall growing deciduous and/or ever-green trees. The leeward side should have shrubs or mid-height trees.

The space between rows should be from 10 to 16 feet. Best spacing in the rows is from 8 to 20 feet, depending upon the kind of tree, and spacing between shrubs in the rows should be 3 to 4 feet.

Seed bed preparation is important. Large amounts of straw or plant residue should be on the land to prevent sand blasting of young tree stock. The land should be listed and then re-listed before planting the crop for residue. If confiners are used, it is a good idea to plant a strip of sudan on the windward side and leave it undisturbed.

Additional information and assistance in planning and applying the windbreaks can be obtained through your Soil Conservation District Supervisor or any of the

Soil Conservation Service technicians, assisting the Donley District.

STATE FAIR OF TEXAS

The second big week of the 1957 State Fair of Texas gets underway Saturday, Oct. 12, with the hullabaloo of the big Texas-Oklahoma football game in the Cotton Bowl.

And Sunday evening, Oct. 13, at 7 p. m. in the Cotton Bowl, another big Fair event will take place. It will be the Pat Boone show, starring the youthful singer who has become America's top singing sensation.

Livestock judging over the weekend will include Quarter horses and the Open Cutting Horse Contest.

The Junior Livestock Show will get under way Tuesday, Oct. 15, and will be climaxed by the Junior Auction Sales Friday and Saturday, Oct. 18 and 19.

Judging of Palomino horses and Shetland ponies will begin Thursday, Oct. 17.

Special days at the Fair during the second week will include Achievement Day Monday, Oct. 14, featuring a top Negro college football game between Prairie View and Texas Southern; East Texas Day Tuesday, Oct. 15, with a big free Cotton Bowl show starring Gordon MacRae; High School Day Friday, Oct. 18, and Saturday, Oct. 19, when Southern Methodist will play Rice in an important Southwest Conference

football game in the evening. Daily performances of the Broadway musical, "My Fair Lady," Ice Capades and the Aut Swenson Thrillcade will be presented through the week, along with free performances of the Aztec-Mayan Spectacular and numerous other free attractions.

The Fair runs night, Oct. 20. A total of 67,000 cars were placed in U. S. railroads in together, they wove 572 miles long. on order this year

## TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

### COLD FACTS

A fascinating and concerted program, and one of world-wide scope, commenced on July 1 of this year. I speak of the International Geophysical Year which is a cooperative endeavor to expand man's knowledge of the earth by taking simultaneous observation of natural phenomena in all parts of the world. During the period from July 1, 1957, to December 31, 1958, scientists from 56 nations will study such topics as cosmic rays, geomagnetism, meteorology, ionospheric physics, gravity, seismology, glaciology, aurora and air glow, and others. The data from these observations will be pooled and the results made available to all participants.

Of all the useful and necessary information to be assimilated in the period, some of the most interesting will come from one of the least known parts of the earth—the Antarctic or the South Polar Region. This country's interests lie in several considerations of this region, among them being the establishment of future great circle air routes such as those now in operation over the Arctic Region, and the possible mineral deposits in the Antarctic. In this connection, a Subcommittee of the House Interstate and Foreign Commerce Committee, of which I am a member, recently heard some pertinent testimony by Admiral George J. Dufek, who has succeeded the late, famed explorer, Admiral Richard E. Byrd, as U. S. Antarctic Projects Officer. He currently heads up a program called "Operation Deepfreeze" which began in 1955 with

the establishment of two bases in the Antarctic at McMurdo Sound and Kainan Bay. The second phase of Operation Deepfreeze, the 1956 season, had as its objective the construction of two stations in the interior, one of which is at the geographic South Pole. The United States has established a total of 7 stations on the Antarctic Continent to carry out observations during the International Geophysical Year.

Space will not permit a complete discussion of the interesting data presented by Admiral Dufek, but I thought you might be interested in some cold facts about the Antarctic as outlined by him. Do you know that:

1. Antarctic is the fifth largest continent, embracing 5,100,000 square miles of territory and equaling in size the United States and Mexico together. Having an average altitude of 6,000 feet, it is the world's highest continent.
2. The coldest temperature ever recorded was -100.4° F. at the U. S. South Pole Station last May 12. Formerly it was -93.6° F. at Verkhoyansk (Siberia), in 1920.
3. Fifteen minerals of potential commercial value have already been found in the Antarctic. Although no uranium-bearing ore has yet been discovered, it is felt that because Antarctic is a shield area, such deposits do exist.
4. Due to the earth's centrifugal force, objects weigh more at the Poles than they do at the Equator. This means that 5,000 tons of cargo loaded on a ship in the vicinity of the Equator would actually weigh about 50,000 pounds more at the Poles.
5. There are no polar bears or land animals in the Antarctic. Killer Whales and Leopard Seals are the big villains in waters surrounding Antarctica. As a result, penguins and other seal species find haven on the sea-ice.
6. The Antarctic contains 86 percent of the world's glacial ice supply. It has been estimated that

its melting would raise the surface of the oceans over one hundred feet and completely inundate the seaports of the world as we know them today.

7. Great square-shaped icebergs are sloughed from the ice shelves surrounding Antarctica. One of these tabular bergs, sighted by the icebreaker USS Glacier between the Antarctic Continent and New Zealand on November 12, 1956, was 208 miles long and 60 miles wide, approximately the size of Connecticut.

8. An atmospheric condition known as a "white out" is a frequent Antarctic occurrence and endangers both plane and trail operations. Aviators say it is like flying in a bowl of milk. Loss of horizon and shadows, which give perspective, is caused by reflected light.

9. In spite of its being a land of ice and snow, the Antarctic Continent is the home of a large, active volcano, 13,000 feet high Mount Erebus, which is located in the McMurdo Sound area.

10. The Antarctic Continent is theoretically located at the North Pole, since its south magnetic pole is attracted by the south pole of a magnet. It is a law of physics that like poles repel and unlike poles attract.

11. The intense cold and sterility of Antarctic air preserves food and materials almost indefinitely. For instance, corned beef, canned beans, and sugar cached by the Swedish Explorer, Nordenskjold, provided a most satisfactory meal for the British Falkland Islands Dependencies Survey Party 45 years later. The print on a magazine, too, was as readable as ever.

12. The Antarctic Seas, scientists contend, produce more food per acre than anywhere else in the world, on land or sea. Most of this is in the form of diatoms, microscopic plants on which small shrimps ("red Krill" - Euphausia Superba) feed. Some day

in the future this source of food may be of great value to the human race.

## MARTIN NEWS

Mrs. Raymond Waldrop

Mr. and Mrs. Martin of Memphis visited with Mr. and Mrs. O. L. Hill Thursday.

Mr. and Mrs. Pete Land left Saturday morning for Georgia. They went after a school bus for Clarendon school district.

Beth Waldrop went to Jim Riskey's birthday party Friday evening at the City Park. Mr. and Mrs. Raymond Waldrop, Beth and Mr. and Mrs. W. D. Higgins, Mrs. Hearn and Mrs. Wes Sullivan went to Memphis Friday to see Mrs. Bulman.

William Tolbert spent Saturday visiting with Tommy Waldrop.

Mr. and Mrs. George Bulman Jr. and family are spending a week with Mr. Bulman.

Mr. and Mrs. David Stout went to Follett Saturday to visit Bro. and Mrs. Stout and family.

Mr. and Mrs. Bert Ayers visited Saturday evening with Mr. and Mrs. W. D. Higgins. Mr. and Mrs. B. T. Spear and children were dinner guests of Mr. and Mrs. Raymond Waldrop Sunday.

Mr. and Mrs. T. E. Spear visited Mr. and Mrs. B. T. Spear Thursday.

Mr. and Mrs. Oren Lee Hill and children and Beth Waldrop were dinner guests of Mr. and Mrs. J. T. Hill Sunday.

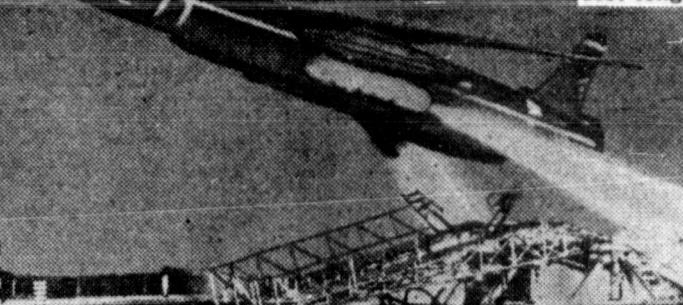

Mr. and Mrs. Stevenson, Mr. and Mrs. H. M. Reid visited one day last week in W. D. Higgins home.

Mr. and Mrs. Dane Perdue and Mr. and Mrs. B. T. Spear went to Memphis Saturday to visit Mrs. Bulman.

Mrs. Talley spent last week visiting with her children.

## People, Spots In The News

**THE SNARK**, first intercontinental missile to go into production for Air Force, takes off in Florida. It's 74 feet long.

**TRASH CASH**—Maureen Lyons, 11, is wide-eyed on learning \$970 she found in New York trash can is hers. No one claimed it.

**THOROUGHbred?**—Acey the pup compares pedigrees with this latest idea in luxury writing tools, Sheaffer's "pedigreed pen." Each of the new blueblooded ballpoints will be registered—along with the purchaser's name. Yes, Rover, they're for the man who has everything.

**90 LIVES** looking for someone to live them. Ten very-alert kittens brightening the kitty corner of a Utica humane society office are ready for the next move, they hope.

visited Mr. and Mrs. Neil Tibbetts in Gainsville last week.

Mr. and Mrs. Horace Cooper have returned home after a months visit in Seattle, Washington with their son Cecil and family. They report a wonderful trip. Visiting Ike Rains Saturday were Mrs. E. W. Bromley and Mrs. Clarke, Bill Bromuey, Mrs. Joe Phiffer and daughter Polly, all of Clarendon and Chas. Rains of Amarillo.

A. R. Butler has been ill in a Memphis hospital several days. He is bale to be home doing nicely.

We extend sympathy to Virgle Johnson and the family of Mrs. Christine Johnson who passed away Monday morning in Adair Hospital after a lengthy illness.

Mrs. Paul Duncan spent the week end in Amarillo.

We had a fine rain Sunday night. Mr. and Mrs. C. C. Cavender spent week end in Amarillo with their children.

Mr. Harry Boatright of Boys Ranch suffered a severe heart attack Saturday morning. He was rushed to a Memphis Hospital. He is still very ill. Last report he was resting. The Boatrights purchased the Leon Reeves home. They were here for week end. Mrs. Boatright was the former Gertrude Noel Todd.

Those to visit in the L. O. Christie home Sunday were Mr. and Mrs. Sug Noble and family, Mr. and Mrs. Duckworth of Amarillo, Mr. and Mrs. Othel Elliott and Mr. and Mrs. Geo. Self and family.

Mr. and Mrs. Raymond Waldrop and Mr. and Mrs. W. D. Higgins went to Lubbock Monday on business.

Mr. and Mrs. Charlie Hearn and family visited in Berger Sun.

Those to attend a brotherhood meeting at Berger Monday evening were Bro. H. O. Walker, Raymond Waldrop, Othel Elliott, Charlie Hearn, B. T. Spear and Dane Perdue.

Mr. and Mrs. Charlie Hearn went to Amarillo Monday on business.

Beth Waldrop spent Monday with Mr. and Mrs. L. L. Waldrop.

## HEDLEY NEWS

Mrs. Paul Duncan

Mr. and Mrs. Clifford Johnson visited Charles Neal Johnson and wife at Matador last week end.

Conrad Berry, his wife and granddaughter of Ft. Worth visited Mr. and Mrs. C. L. Johnson last week end. Mr. Berry is Mrs. Johnson's brother.

Mr. and Mrs. Alva Simmons and others attended the 36 Division meeting at Childress last week end. Several of our citizens are veterans of the 36th division who made such a great showing in World War I.

Mr. and Mrs. W. H. Moffitt and Sandra Moffitt attended the opening on the new Morrow-Thomas Hardware Co. building in Amarillo this week end.

### First Baptist Church

The First Baptist Church of Hedley broke ground Monday, Sept. 30th to build a new sanctuary. Mr. Scott Waddell of Amarillo is the contractor. The building will be constructed of block and brick of a Gothic design. It will be air conditioned and have central heating unit. The seating capacity will be 240 plus choir seating 20. The baptistry will be elevated above the choir. There will be built in a public address system. The interior wood work will be finished in natural color. The walls will be buff on haydite block. Mr. Waddell has asked for 120 working days to complete the building.

### Nazarene Church

A Revival will be held this

week at the Nazarene Church, beginning Oct. 7th through Oct. 13th. The new pastor Rev. James Walker will do the preaching. The public is invited to attend.

Mr. and Mrs. James Kirkland and Jimmie of Amarillo visited their parents, the Kirkland and McPherson family before moving to El Paso where James has been transferred with the West Texas Wholesale Co.

Jack Moreman attended the football game at Lubbock last week end.

Mrs. Fred Lovelace of San Francisco, Calif. visited here last week with her daughter, Mr. and Mrs. Earl Gibbs.

The L. D. Moore family visited in Guthrie, Okla. over the week end.

Mr. and Mrs. John Blankenship visited relatives in Goodnight last week end.

Ike Rains is improving after a few days in Odom Hospital in Memphis.

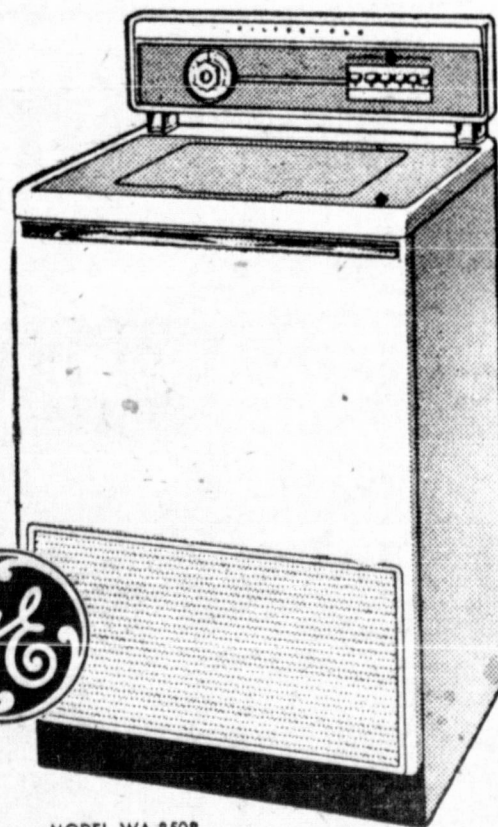

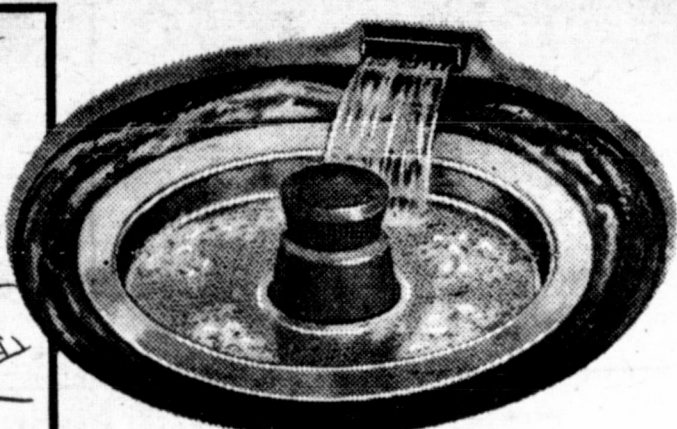

Mr. and Mrs. Jim Hoggard are the parents of a fine boy, born Oct. 1st. He weighed 9 lbs. 3 oz. Congratulations!

Mrs. J. W. McPherson is quite ill in Pampa Hospital. The C. R. Hunsucker family

## NEW 1957 GENERAL ELECTRIC FILTER-FLO' WASHER

Check Them All For Size, Quality and Price - Then Come in and See What You Can Buy At A Price You Won't Believe

<p><b>NO LINT FUZZ ON CLOTHES</b></p> <p>Wash water is circulated and filtered to give you cleaner clothes. Lint is caught in the filter—not on your clothes. Sand and soap scum are automatically removed.</p>	
<p><b>TWO WASH SPEEDS, TWO SPIN SPEEDS</b></p> <p>Your choice of Normal or Slow wash action, Normal or Slow spin speed . . . or any combination you choose for all types of washable fabrics. You simply pre-set your selection.</p>	
<p><b>WATER SAVER FOR SMALL LOADS</b></p> <p>Save over 20 gallons of water when washing a small load. All you do is touch the fingertip selector when the desired water level is reached. Also, your choice of warm or cold water rinse.</p>	
<p><b>BIG CAPACITY</b></p> <p>Washes 10 pounds of regular family wash and up to 12 pounds of special heavy fabrics. Over 50% more clothes capacity than many other automatics.</p>	
<p><b>MATCHING DRYER with AUTOMATIC CONTROL</b></p> <p>Control automatically adjusts drying time and temperature to the individual load. New air system for fast drying at safe, low temperatures. Operates on 115 or 230 volts.</p>	

MODEL WA-850P

New G-E Filter-Flo Washer Cleans and Recleans the Wash Water to Give You Cleaner Clothes

Removes lint, sand and soap scum. And, with the new convenience of two wash speeds and two spin speeds, you can pre-set the controls when you start the washer and let the washer do the work—whether you wash a regular family load or your delicate lingerie. The modern you control panel, mounted on pedestals, has one simple dial that lets you choose washing times from 1 to 15 minutes and special short rinse and spin times. The fingertip selectors, so easy to use, let you choose washing speeds, water temperature and the amount of wash water. Truly a remarkable washer—you should see it today!

## Regional Meeting of Beta Delta Chapter

On Saturday, October 12, Beta Delta Chapter of Delta Kappa Gamma at Panhandle will be hostess chapter to the Regional meeting with Pi Chapter, Canyon; Gamma Theta Chapter, Borger; Gamma Xi, Dumas; and Gamma Kappa Chapter of Childress, Collingsworth, Donley, and Hall Counties serving as participating chapters.

Mrs. John P. Ward, Aspermont, and Mrs. Delila Baird, Rotan are the directors.

Registration is slated to begin at 9:00 A. M. at the Carson County War Memorial Building. The morning session opens with a coffee followed by an Initiation Ceremony under the direction of Beta Delta Chapter.

Pi Chapter, Canyon, will direct a Sing-song immediately preceding the program.

The theme, "Our Goal, An Informed, Participating Membership," will be developed through the use of discussion, skits, etc. by the participating chapters.

Luncheon will be served at 12:30 in the Panhandle School Cafeteria.

## CHAMBERLAIN CLUB

The Chamberlain Club met Oct. 3rd at the Community Center with Mrs. H. A. Harrison, Sr. as hostess. The afternoon was spent in visiting.

Refreshments of cake, jello and coffee were served to Velma Heathington, Nelda Jones, Laura Ivey, Willie Hott, Ethel Mann, Mrs. R. P. Wilson, Loretta Harrison, Karen Jones and Mary Mann.

The next meeting will be Nov. 7th with Nelda Jones as hostess. —Reporter.

## Methodist Men Entertain Local Teachers

The Mens Organization of the First Methodist Church of Clarendon entertained the teachers of the local schools on Monday night of this week. The entertainment consisted of a delicious meal consisting of fried chicken, roast, baked ham, meat balls, potatoes, potato salad, green pea salad, baked beans, hot rolls, various other salads and many other items of food too numerous to mention.

Following the meal a short program was offered. Clyde Hudson, President of the organization, welcomed the teachers and turned the program over to John Gillham, who was program chairman.

School Superintendent W. W. Pinkerton introduced the teachers. Mrs. Pinkerton and Mrs. Velma Weaver sang two songs and Gene Moore contributed two songs to the program.

Rev. Conrad Ryan, Pastor of the Church, closed the program with a short speech in which he expressed his thanks to the teachers for the fine work they are doing in our school system.

## M. Y. F. MEETING

Meeting was held Oct. 6th. John Bob Butler called the meeting to order. Jean Fox led us in prayer.

There were 14 present and we took care of old and new business.

The M.Y.F. would like to remind every one of our paper drive, Friday night, Oct. 6th at 7:00. We would like to get at least a ton of newspapers. If anyone has any old newspapers, please have them ready for us when we have our drive Friday night. —Reporter.

## LES BEAUX ARTS CLUB

Les Beaux Arts met Friday afternoon, October 4, at Patching Club House. Hostesses for the meeting were Mrs. Frank Bourland and Mrs. John Blocker. Lovely arrangements of dahlias decorated the entertaining rooms.

Mrs. Tommie Saye, president, presided. The City Beautiful committee reported plans for work and the planting of flowers in the terraces at the City Park. It was announced that October 18 would be the date of the Guest Day Tea with Dr. Emilio Caballero of the Art Department of West Texas State College, Canyon, the guest speaker for the afternoon. Hostesses for the tea will be Mesdames W. J. Lewis, Jr., C. T. McMurry, Lewis Foxhall, and W. C. Thornberry. The tea will be held at Patching Club House at 4:00 P. M.

The program, "Design For Better Health," was presented by Mrs. W. C. Thornberry who gave an interesting review of the book "Let's Eat Right" by Adele Rogers.

About twenty-five members and several guests attended. —Reporter.

## WIN ONE S. S. CLASS

The Methodist Win One Sunday School Class met on Monday afternoon for their social gathering at the home of Mrs. C. T. McMurry. The meeting was opened with a devotional given by Mrs. Justin Cook, the teacher of the class. This was followed by the business session, during which the new officers for the year took their positions, Mrs. C. C. Powell succeeding Mrs. R. Y. King as president.

Lovely refreshments were served by the hostess to the following: Mesdames Justin Cook, J. T. Patman, C. C. Powell, J. R. Bartlett, Bertha Benson, Wm. Payne, Frank Bourland, Jim McMurry, Eva Rhoads, John Goldston, G. D. Hillis, J. P. Pool, C. R. Cross, Tom Connally, and Misses Emma Sheffield, Mary H. Howren. —Reporter.

Mrs. Robert Davis spent the past week end sight seeing at Taos, Cimarron and Red River, N. M. with Mr. and Mrs. R. C. Rogers and Carol and Mr. and Mrs. Joe Crawford of Amarillo.

## STUDY TIME—DO'S AND DON'TS

The Perfect Picture of Study Two Things Wrong Here

IN YOUR first days back to school, before you learn anything else, learn how to study. These words of wisdom are not only approved by educators, but they will be recognized immediately by all students as having the ring of good, common sense.

There are right and wrong ways to study, as Jeannie Beacham, Hollywood starlet, Chicago beauty queen and recent high school graduate, demonstrates in the pictures.

The picture at the desk shows the proper way to study. The room should be well ventilated and there should be as few distractions as possible. The photograph Jeannie has beside her is played only when she takes a break between study subjects. If the phonograph would be otherwise distracting, it should be removed.

The student's position should not be too comfortable, but it should not be strained. But the lighting is very important according to the Murine Company research service and should not shine directly into the eye or be seen from the corner of the eye. Neither should there be a glare on the page you are reading.

In the picture with the sofa

Jeannie is violating two common-sense rules for studying. The light is very poor—in fact the book is in a shadow—and she is too comfortably ensconced in an easy chair.

Good study demands concentration and it is up to the student to discipline himself. Get the right amount of sleep, don't overeat, consider study as an adventure in learning. It also helps if the student uses the same desk or table in the same place in his home night after night as it will be easy to get set for studying and it will be easier to keep the mind from wandering.

Remember that good study is related closely to doing away with all distractions, and to making study a pleasant habit.

## MOTHERS STUDY CLUB

Club members entertained their husbands with a party at Patching Club House Tuesday evening, October 8. A buffet dinner was served from a table laid with a white linen cloth and centered with a garnished vegetable salad. Guests were seated at quartet tables laid with red and white cloths.

Following the meal, games were played. The door prize was won by James Vick.

Attending were Mr. and Mrs. Richard Salmon, Mr. and Mrs. Delbert Robertson, Mr. and Mrs. Joe Shadle, Mr. and Mrs. Ralph Hill, Mr. and Mrs. Bob Kidd, Mr. and Mrs. Gordon Moore, Mr. and Mrs. L. M. Putman, Jr., Mr. and Mrs. Steve Edens, Mr. and Mrs. James Owens, Mr. and Mrs. James Vick, Melba Edwards, Mr. and Mrs. Wayne Baker, Mr. and Mrs. James McKinney, and Barbara Edens.

Hostesses were Joan Kidd, Norma Putman, and Cherrye Shadle. —Reporter.

## CHAMBERLAIN COMMUNITY CENTER SOCIAL

An enjoyable evening was spent at the Chamberlain Community Center Friday night. The next social will be at the Center the 18th of October. It is a "Come as You Are" Weiner roast. Bring buns and weinies and the hosts Mr. and Mrs. Hott and Mr. and Mrs. Harrison will furnish drinks. —Reporter.

Use Leader Classifieds for Quick Results.

## PARENT - TEACHER REPORT

The executive board of the PTA met to discuss the meetings for the coming year and to make plans for the Halloween Carnival. The meeting was presided over by Mrs. Carroll Hudson, president.

Committee reports were heard and Mrs. Bob Moss, pre-school supervisor chairman, reported that Mr. Lee Bell said that a "Cartoon Carnival" at the Mulkey Theatre would be available to all children at 10c per child during the PTA meeting. Mrs. C. B. Morris will be guest speaker for the coming P.T.A. meeting on Oct. 17th at 3 o'clock in the Jr. High auditorium. Also remember the "Cartoon Carnival" for your child to go to which begins as soon as they get to the theatre. The price is 10c per child. —Reporter.

Rufus White of Ft. Worth visited the week end with his wife, and parents, Mr. and Mrs. F. A. White.

## THE LIONS DEN or The Roar of the Lions

By the Liantamer

Another inspirational Lions Club luncheon meeting was enjoyed by all who attended last Tuesday noon. The meeting was very capably conducted by our first Vice-President, Lion Junior Spier, in the absence of Boss Lion Homer Estlack.  
 Lion Spier opened the meeting by reading a recent letter from our District Governor who was lavish with his praise of the welcome and farewell he received on the occasion of his recent official visit to the Club.  
 Lions Chauncey Hommel, Odos Caraway, Billy Jack Land, and Oliver J. Abel hosted our four guests, Edgar Bryan, F. E. Caraway, Tom Jinks, and Jack Sims respectively.

The Club tentatively agreed on Friday night, October 25th (Homecoming Day) for the annual Pancake supper. The pancake supper is one of the Clubs annual projects which provides funds for community welfare projects, sponsored by the Club. So your participation on this occasion will be one opportunity to become a civic worker in the Lion's Club service program, as well as being the recipient of one of the most gigantic bargains in food purchases during the year.  
 By knowing the date this far in advance you probably have ample time to plan a holiday for your favorite cook and have the whole family celebrate homecoming with a pancake supper at the Lions Den.  
 Lion Drennan presented a program by the Liantamer who called attention of the Club to the Boy Scout finance drive and vocal numbers rendered by a duet composed of Mrs. Weaver and Mrs. Pinkerton, and a solo by Gene Moore.

The musical numbers gained excellent reception placing them high on the totem-pole for the honor of best program of the year.  
 October 22nd is the annual lady's night, 35th Anniversary Celebration, make your plans and report to the secretary the number of guests you expect to entertain on that evening. Get this done not later than next Tuesday night, the 15th.

Gayland Ray is the name given to the baby boy which arrived at the home of Mr. and Mrs. Cecil Short, 2202 Hickory St., Amarillo, October 2nd. He weighed 7 lbs., 10 oz. His grandparents are Mr. and Mrs. Noel Hewett and Mr. and Mrs. John Short of this city.

Mr. and Mrs. O. C. Watson left Thursday for Dallas where they will visit their son, George, and attend the State Fair. While away they will also visit in Ft. Worth and McKinney.

**CARD OF THANKS**  
 We wish to thank our many friends for their many acts of kindness, sympathy and the beautiful floral offering in our recent bereavement. May God's blessings be with each of you always.  
 Mrs. E. P. Turley  
 Mrs. Ethel Crites  
 Earl Myers and family.

## People, Spots In The News

**WATER COLOES**—Brightly striped spinnakers make festival scene as 52 "Lightnings" drive for finish line at race off Milford, Conn.

**FAIR'S FAIREST** is Sandra Lee Heisler, 18, chosen queen of New Jersey state fair.

**AT BAT**—Bill Rigney, New York manager, holds glazed ceramic tile reminder of campaign against unrestricted importation of cheaply-made foreign tile. Rigney's family operates tile company in Oakland, Calif.

**BIG BUG** startles Savannah, Ga. youngster, and puzzles him, too. It's about six inches long, mostly green, with front barbs of bright orange tipped with black, the others all black.

## More Antelope Than Hunters West of Pecos

AUSTIN — All hunters who made application for antelope permits west of the Pecos will get a hunt this year without a drawing. This was indicated this week by the chief clerk of the Game & Fish Commission. He said mail coming in after the closing date of Sept. 1, pointed to an insufficient number of applications to cause a drawing.

On the other hand he predicted a drawing would be necessary in the Panhandle area, where more applications have been made than permits will be issued. Date for this drawing will be announced shortly, he said.

Mr. and Mrs. Wm. Payne returned home Wednesday after spending the past month at San Diego where they have been with a brother, E. T. Payne, who suffered a stroke. He is reported to be improving.

Visitors in the Hinkle home Sunday were Raymond, R. B. and Roy Hinkle and Mr. and Mrs. Jim Hinkle, all of Tahoka, Kansas.

**FROM THE OFFICE OF**  
**LYNDON B. JOHNSON**

**U. S. SENATOR FROM TEXAS**

More than 2300 small business enterprises have gone under in Texas during the last three years, according to Senator Lyndon B. Johnson, and such establishments failed at the rate of 41 per month in the first six months of 1957.

In the Nation, 10,000 small businesses have gone bankrupt so far this year, Senator Johnson stated.

"The national weekly average of business failures has increased

to 272," he said. "That is far above the average of any year since World War II.

"Week after week, the largest percentage of bankruptcies is reported among companies with liabilities of between \$5,000 and \$10,000. These are small firms by any standard of measurement.

"Unless we can halt this trend and reverse it, we are going to be in serious trouble."

Senator Johnson pointed out that the Senate Small Business Committee is holding hearings over the country while Congress is in recess in an effort to develop legislation that will give tax relief to small business. A hearing is scheduled in Dallas in December.

"The President did not send Congress a bill providing tax relief for small business during this year's session," Johnson said. "Members of the majority party in Congress introduced several bills along this line, but the Secretary of the Treasury testified against each of them. The result was no tax relief for small business."

Mrs. V. E. Carter is visiting her son, A. C. Carter and family and Mr. and Mrs. Donald Ballew.

Mr. and Mrs. Kenneth Johnson has a boy named Rex Neal, Wt. 6 lbs. 6 1/4 ozs.

Mr. and Mrs. Glen Robertson and family of Amarillo spent the week end with Mr. and Mrs. Wallace Raney.

Mr. and Mrs. A. C. Carter visited Sunday night with Mr. and Mrs. Garland Moore of Memphis.

Mr. and Mrs. Ira Self visited Mr. and Mrs. Carl Barker Saturday night.

Week end guests of Mr. and Mrs. C. T. Williams were their son, J. R. and family of Lelia Lake, Mr. and Mrs. Clifton Williams of Amarillo, a brother Roy Davis of Houston.

Guests of Mr. and Mrs. J. H. Helton Sunday were Mr. and Mrs. Forest Helton and girls, Mrs. Derral Brogdon and children of Amarillo.

But one thing it has not done is to lower the weekly grocery bills of our people.

I predict the Congress will refuse to go along with any efforts by the Administration to raise legal interest rates and make the present "tight" money market any tighter. And there will be a strong effort to lower those which have already been raised.

The Congress will insist on a strong and broadly based program to achieve stable living costs in contrast to the Administration's policy of putting all of its eggs in the tight money basket.

## INTERNAL REVENUE SERVICE UNITED STATES TREASURY DEPARTMENT

### TAX-MAN SAM SEZ:

Some folks may think we ought to leave the folks alone who move off and forget to tell the Internal Revenue Service where to mail their refund check. The Dallas District has accumulated about 40,000 such checks over the years. There are several thousand for this year in the files now in spite of one newspaper printing all the names and helping to clear out thousands of them. The Tax Refund Lady gets old clippings from our comments on the checks. If you have a refund coming and have moved from your old address or forget to put your address on your tax return and you were not notified that your return was selected for a pre-refund audit, you ought to look at your copy of your 1956 return and see if you did have a refund coming. If you were due a refund and are sure you haven't received it you should write to: Tax Refund Lady, Internal Revenue Service, 2101 Pacific Avenue, Dallas, Texas. Be sure and give full details.

## Statement By Senator Lyndon B. Johnson

There is no doubt that the high cost of living is our major domestic problem.

There may be times and circumstances in which our people benefit by a tightening of credit policies. But as an "anti-inflation" move for the present, "tight money" has been a miserable failure.

Tight money has increased the Federal, State and local tax burden.

Tight money has denied needed credit to small businessmen.

Tight money has added to the troubles of our farmers.

Tight money has lowered the value of the dollar for the borrower and increased the value of the dollar for the lender.

"Oklahoma"  
in Cinemascope and Color  
with SHIRLEY JONES

WEDNESDAY - THURSDAY  
OCTOBER 16-17th  
PATRICIA NEAL

"A Face In The Crowd"

District Missions Secretary O. C. Curtis said the church completed a new educational building, built a new three-bedroom parsonage, remodelled the old educational unit and added several Sunday school classrooms during the year.

But even as the church expanded its facilities in Fritch, the Rev. Curtis said, it maintained a concern for a small Baptist mission in Cottonwood Falls, Kansas, to win the award.

Pastor W. L. Trice conducted the first revival campaign in the small Kansas town in ten years. Teachers and children in the annual Immanuel vacation Bible school sent their offerings and educational literature to the mission. Regular contributions to the mission were made through the church budget.

Started in 1951 with 35 charter members, the Immanuel church now has a total membership of 253 and an annual budget of \$15,884. Twenty-four persons were baptized into the church this year and 58 joined from other Baptist congregations.

District 10 includes six associations, 105 churches, five missions and nearly 56,000 members. The district's 19-county area extends from Hall County on the south to the north, east and west borders of the Texas Panhandle.

It is one of 17 geographical areas in which the BGCT promotes the achievement program each year. The winning pastor in each district receives a parchment scroll, the church a metal plaque which may be displayed in a prominent position outside the building.

One church and pastor will be recognized as statewide winners during Texas Baptists' annual convention Nov. 5-7 in Fort Worth.

Divided into three categories, the achievement program is judged on projects designed to build a better church, community and world.

Pastor Trice said the Immanuel church earned "Five Star" recognition by the BGCT this year for having all major organizations outlined by the Southern Baptist Convention.

Other church improvement projects included the building of a cabin at the Pan-Fork Baptist Encampment, establishing new Sunday school departments, conducting a regular visitation program, training ushers, conducting

a school of music and buying new hymn books and a new piano.

Community improvement projects included an expanded youth recreational program, sponsoring a community clean-up campaign, supporting civic clubs and sponsoring community missions projects.

A citizenship training program featured an address by Amarillo lawyer C. J. Humphrey, a member of Amarillo's First Baptist Church.

The Rev. Mr. Trice is a charter member of the Fritch Lions Club and an active worker in the Ground Observer Corps.

Members of the church collected an distributed used clothing to an Indian mission in New Mexico, to needy families in Borger and to a missionary student at Southwestern Seminary in Fort Worth.

Highlight of the "world improvement" phase of the program, the Rev. Mr. Trice said, came when 14 young people from the church dedicated themselves to full-time mission work. Their decision followed a special world mission emphasis which featured addresses by two SBC missionaries.

A group of young people attended the annual "Senior Round-

Up Day" at Wayland Baptist College, Plainview, a project designed to encourage students to attend a Christian college.

Purpose of the town and country achievement program is to stimulate interest in town and country church work, to recognize outstanding achievements by pastors and churches and to help Texas Baptists realize their responsibilities to their local community and world.

### Statement By Senator Lyndon B. Johnson

It is always difficult for me to take seriously speculation about possible candidates in an election campaign which is three years away. The difficulties are compounded when the speculation involves my attitude toward a position which I do not seek.

There are some things about which I am certain.

In 1960, the Democratic Party will hold its convention. There will be a wealth of candidates among which we can select our standard bearers. I do not know who the candidate will be, but I have every conviction a man could conceivably have that it will not be me.

A presidential nomination is not something that is just handed out. It is determined by the Convention which selects among candidates.

I have made it absolutely clear both in public and in private that I do not seek the nomination. There are absolutely no reservations in my mind on that question. And I am not leaving the door open for any last minute changes in attitude.

The people of Texas and the Democratic Party have accorded me fulfillment of every ambition I ever had. I seek only to justify their faith and discharge my obligations by contributing whatever I can to the service of my Party, of my State, and of my Nation.

Mrs. C. W. Martin is visiting a brother and family, Mr. and Mrs. Virgil Beavers, at Barstow, Calif., also a son, Garland, and family at Yermo, Calif., and a son, Harold, and wife and baby daughter at Pacoima, Calif.

Mr. and Mrs. Frank White attended the football game and visited with their son, Frank III, at Texas Tech, Lubbock, Saturday evening.

## FARM NEWS

from the County ASC Committee

### 1957 ACP PAYMENTS

Some 355 farmers have participated in payments totaling \$41,633.23 for Agricultural and Conservation practices which have been completed since January 1st.

### WINTER COVER CROP PROGRAM

Many of our farmers are taking advantage of establishing a Winter Cover Crop on their land for protecting from wind erosion by planting Winter Legumes, such as Austrian Winter Peas or Hairy Vetch. Also the seeding of rye, either Balboa or Common Rye, which should be seeded at the rate of 60 pounds, and not less than 48 pounds per acre, and Tetra Petkus, or German Rye, which should be seeded at the rate of 30 pounds and must not be seeded at less than 20 pounds per acre.

### SOIL BANK

Farmers who have land in the cotton and wheat Acreage Reserve are reminded that their agreements do not end until mid-

night December 31, 1957. All restrictions as to harvesting from this land is still in effect. Also all noxious weeds must be controlled.

### CONSERVATION RESERVE PAYMENTS

Annual payments under the Conservation Reserve Program are scheduled to be made after October 1st. Due to the failure of some to take care of sunflower growth and cocklebur on Conservation Reserve lands, annual payments are being withheld for final compliance with provisions of the 1957 Conservation Reserve Program.

### SIGN-UP PERIOD FOR 1958 CONSERVATION RESERVE

The sign-up period for 1958 Conservation Reserve contracts is expected to begin sometime this month, or as soon as possible after the necessary information and forms are available in local ASC offices.

Visitors in the home of Mr. and Mrs. W. B. Ayers last week were Mrs. Agnes Morris of Okla. City, Mrs. Winnie Wester and Ricky of Canyon, Jeanette Stogner of Seagraves and Herald Stogner of Clarendon.
