A Common Paper for Common People

Large Crowd Expected For Annual Donley County Old Settlers Picnic

Tomorrow is the day, Friday, August 16th for the annual Donley County Old Settlers Picnic at Tate Grove northeast of Hedley.

Tommy Bain, President of the association, is urging all old timers to lay their work aside, prepare a well-filled picnic basket and be on hand to enjoy this annual occasion that is highlighted by visiting and reminiscing old times.

A well rounded program has been arranged along with the visiting and Flip Breedlove and Bob Ayers, Meeces, will keep everything moving along in grand style, Bain added. There will be string music, singing, speeches and all sorts of entertainment he added.

There will be plenty of ice water and coffee, so all you need to bring is your picnic lunch and ice tea if you prefer. We are looking forward to one of the most wonderful times, ever, president Bain concluded. Be sure to plan to be at Tate Grove Friday, August 16th.

Two Teachers Employed By Local Board

The Board of Trustees of the Clarendon Consolidated Independent School District, at their regular meeting on Thursday night, August 8, extended contracts to two new teachers for the school system. Mrs. R. S. White of Ft. Worth was employed as librarian and Mr. Obie L. (Jack) Sims was employed to teach freshman and sophomore English in the senior high school.

Mrs. White needs no introduction to Clarendon as she was librarian for the local high school and junior college for a number of years. She left Clarendon in 1952 and has been connected with the Library at Texas Christian University at Ft. Worth since that time. She has received a five-months leave of absence from T.C.U. and will be librarian here for only the first semester.

Mr. Sims, who has been living in Amarillo the past four years now resides with his parents at McLean. His wife died in 1953 leaving him with three small children. The children will remain with his parents at McLean. Mr. Sims has his bachelor's degree from West Texas State and formerly taught at Tulia.

College Tuition Set By Local Board

The Board of Trustees of the Clarendon Junior College, at their regular meeting on Thursday night, August 8, re-set the tuition rates for the college. This became necessary when the State Legislature hiked the tuition for all state and semi-state supported colleges and universities during the last session of the Legislature.

The new bill states that a minimum of \$50.00 per semester must be charged to students. The local board, acting accordingly, set the tuition rate for district students at \$50.00 and out of district students, \$80.00, for each semester. Out of state students will be charged the minimum of \$125.00 per semester. These tuition rates include all fees such as library, typewriting, science, etc., which heretofore have been extra charges to the students.

Today Special Catholic Worship Day

Today, Thursday, August 15th, is the Assumption of Mary Into Heaven, a special Catholic worship day throughout the world. This is one of the six days besides Sundays that all Catholics attend the Holy Sacrifice of the Mass.

Clarendon Catholics will have Holy Mass at their chapel, The Shrine to Our Lady of the Rosary in Clarendon, at 7 o'clock this evening, (Thursday) August 15th. The general public is welcome.

Services At Missionary Baptist Church

A series of services will be held at the Missionary Baptist Church beginning Tuesday, August 20th through Sunday, August 24th. The services will be conducted by the pastor, Eld. John W. Reynolds of Tyler, Texas.

The evening services will begin at 8 p. m. and the daytime services, Wednesday thru Saturday, will be held at 10:30 a. m. Sunday school will be at 10 a. m. and the Sunday sermon at 11 a. m. The public is cordially invited.

Ashtola Receives 2 Inch Deluge

Wonderful looking rain clouds moved over the area Tuesday afternoon that looked like they could really spill it out, but the final tally was different except at Ashtola where Ben Lovell reported a two inch deluge. Otherwise the moisture was scattered with the local weather observer reporting only .07. The south and east part of town received up to a half inch. Willard Knox reported .05 at Lelia Lake and Mrs. M. W. Hatley reported .12 at the Country Club. With the .07 here in town, this brings our total to .15 for the month so far.

Crops over the entire county are beginning to need some good moisture and in some parts of the county crops are beginning to suffer badly and moisture is needed right away to save them. Temperatures in the high 90's and 100 degrees are not helping matters any either.

Donley Farm Bureau Chicken Barbecue August 23rd

The Donley County Farm Bureau will hold its annual chicken barbecue on August 23rd at 7:00 P. M. at the Lelia Lake school house. Raymond Waldrop, president of the organization, says that this barbecue is for all persons whether they are members or not. The only requirement is that every one who attends this barbecue must furnish one half chicken per person in their party. The chickens are to be dressed and put in half. Please do not cut up the chickens. Bring your own plates and silverware.

Waldrop also says that the halves of chickens must be turned in not later than the afternoon of the 22nd of August, and the places where you can leave your chickens are the Moreman Locker at Hedley and the Donley County Consumer Locker at Clarendon. The Farm Bureau will furnish all the trimmings to go with the chicken, so all you have to turn in is your half of a chicken per person.

A good program is being planned, so make your plans to attend the barbecue. Flip Breedlove and J. B. Melton will barbecue the chickens.

Mr. and Mrs. Sammie Vassar of Marlin, Texas visited from Tuesday to Sunday with Mr. and Mrs. Johnnie Johnson.

Lion Committees Announced

Boss Lion Homer Estlack announced Committee appointments at the noon luncheon this past Tuesday and is urging all chairmen and members of the committees to read this list over and keep their duties in mind in order that they may serve their club in a greater capacity this year. Carl H. Allmond, Chm., Alvin Landers, J. T. Patman, Robert C. Moss.

Program and Entertainment
R. E. Drennan, Chm., W. W. Cooper, Gordon H. Simpson, J. H. Spier, Jr.

House and Food
L. L. Wallace, Chm., A. R. Henson, Wayland Newman, J. B. Melton.

Absentee Voting In Progress For Water Authority

Those anticipating being away when the Water Authority election comes up August 31st, may vote an absentee ballot at the City Hall. No votes had been reported Wednesday morning but voters will have this privilege through August 27th. This is an important election concerning this area and every qualified voter here should make their plans to vote on election day or by absentee.

The Canadian River Authority is now back at full strength with the confirmation of Amarillo, Pampa and Plainview into the project. These towns join with other panhandle and plains cities in their joint efforts to provide a long range plan for providing adequate water for all future foreseeable needs.

The Greenbelt Municipal and Industrial Water Authority will be in a position to take the first steps towards providing water reserves for its area if the confirmation election to be held August 31st carries. The election has been called in each of the seven towns authorized under the State legislation and includes Childress, Memphis, Clarendon, Hedley, Quanah, Paducah and Wellington.

"The election on August 31st will merely create a legal representative body", Dr. S. H. Townsend of Childress stated today. "The law is very specific in limiting the power of the Authority, once it is created, to levy taxes or issue bonds."

"Only the community can authorize a tax for the authority or give permission to issue bonds; the authority's real purpose will be to study the feasibility of building a dam for water storage, to authorize studies of water quality which will be obtained from such dam, and to make any studies of cost of delivering the water to the seven cities which may vote themselves into the authority," Townsend concluded.

The Salt Fork of the Red River has been proclaimed the last available source of water available to this area and progress must be made towards using the water available from this source if the area is not to lose its water rights to other cities downstream who have been already studying means of capturing this water for their own use.

Election judges and the place of voting in each community has been set. Absentee balloting started on Monday, August 12th, and will continue through midnight, August 27th. Absentee ballots can be obtained from the City Hall.

Donley County Fair Will Be Held In Clarendon, September 13 & 14th

Special Attraction At Club Barbecue Today

It has been announced that a diving and clowning exhibition will be put on at the Country Club pool this afternoon as a special part of the program for the annual Chicken Barbecue which will be enjoyed by club members and friends tonight. The diving and clowning exhibition will be put on by the Gem Dandies, sponsored by Gem Lake of Amarillo.

Those exhibiting fancy diving will be James Kile, city and AAU champion, Rennie Munn, National trampolene champion and runner up in diving, Jim Brown, and Joe Olehoe of Hawaii. This same group will put on the clowning act. Walt Knorpp will be in the diving exhibition from Clarendon. This special event will begin at 6 p. m.

Swimming races will be held at 4:30 and will be divided into different age groups. Buddy Travis is the local life guard who will supervise.

The barbecue will be served some time after 7 p. m. and Bingo and dancing will be for entertainment of members and guests.

School Budget Hearing Set For August 19th

The annual budget hearing for the local schools has been set for Monday night, August 19, at the office of the Board of Trustees. At this called meeting of the board, the school budget for the 1957-58 school term, which has been prepared by Board President Alfred McMurtry with the assistance of the Superintendent of Schools and the Business Secretary, will be audited and adopted by the Board of Trustees.

HOSPITAL NOTES

Patients as of Wednesday, August 14th:

Bruce Fricks, James Semrad, Joe Callahan, William Payne, Mrs. Ellis Hutto, Mrs. H. S. Richerson, Tommy Airington, Mrs. Ralph Keys and Mrs. J. G. McAnear.

Dismissals:
Larry Tyler, Mrs. Clifford Taylor, Louella Reece, Mrs. T. M. Shaver, Billy Neal Spier, and Johnny Grady.

Mr. and Mrs. B. F. Dorman and daughter of Amarillo visited Saturday evening with his parents, Mr. and Mrs. John Semrad and Jimmy.

The Donley County Fair will be held in Clarendon on September 13th and 14th, says County Agent H. M. Breedlove, secretary and manager of the fair.

Departments of the fair this year will be the quarter horse show, which is approved by the American Quarter Horse Association; Community agriculture exhibits; Poultry department; Home Economics department; Flower Show which is sponsored by Les Beaux Arts Club; Home-made cake department and the merchants department. The boys swine show department will be held in October just before the Dallas Fair.

The catalog is now being sold and the ads that appear in the county fair catalog will pay the premium list for the fair.

All community agriculture chairman who worked last year are urged to start on their exhibits as well as all other departments. Chairman will be contacted in the near future, and last year's catalog can be used as far as rules are concerned for each department.

The 1957 catalog will be off the press in the near future and will be given to all chairman of departments and distributed over the area.

Officers were elected for 1957 at the fair board meeting on the night of August 7th. They are C. L. Lewis, President; E. S. Ballew, Vice President; Emmett Simmons, Treasurer; W. H. Cooke III, Superintendent of shows and H. M. Breedlove, Secretary and manager. The board will meet as soon as the catalog is sold and set up the premium list for the different departments.

Breedlove is urging that all old committees from last year start working now on the various departments and let's make the 1957 fair one of the best.

Clarendon Dusters Split Games

The Clarendon Dusters were defeated by the Amarillo Coors team 3-2 in an eleven inning affair last Sunday afternoon. Fate Breedlove pitched a very good ball game even though he was the losing pitcher. He allowed only 6 hits during the eleven innings. The Dusters had men on bases to win the game the last three innings but were unable to get them across the plate.

On Friday night the Dusters journeyed to Wellington and defeated their hosts again, this time by a score of 14-1. Don Newman was the winning pitcher, allowing only 3 hits.

Two Youths Injured As Car Overtakes

Two local youths, James Semrad and Bruce Fricks, received painful injuries last Wednesday night when the car driven by young Semrad overturned several times on a curve a short distance north of the Sandell Drive-In Theatre. Semrad is a son of Mr. and Mrs. John Semrad and Fricks is a son of Mr. and Mrs. Harmon Fricks.

Both youths received a multitude of cuts and bruises and young Semrad received a skull fracture. Both were reported improving nicely at last report from Adair hospital.

VACATION IN GRAND CANYON

Mr. and Mrs. L. N. Cox returned home Saturday afternoon from their vacation. After spending a few days in southern Colorado, they went to Farmington, N. Mex. where they visited Mr. and Mrs. Joe Dilli who accompanied them to the Grand Canyon in Arizona.

LIKE PRAYING MANTIS—The Army Transportation Corps' only Landing Craft Retrievers looms ominously over a humble jeep at Fort Story, Va. The 101-ton LCR is actually very benign. It can wade into nine feet of water over a disabled or beached landing craft, tuck the 67-ton workhorse under its middle, and refloat it or tote it to the beach for repairs.

Everything's Big except the price

The new kind of Ford looks big because it is big... and it acts as big as it looks!

No matter how you measure the new kind of Ford, it comes out BIG! Not only is it the longest sedan of the low-price three... it's longer even than some medium-priced cars. And no other car in Ford's field can match its performance!

Styled to stay in style. Measure Ford's exclusive "Sculptured Look" against cars costing hundreds more. You'll see that Ford is years ahead... with styling that makes it unnecessary to pay more.

Built to stay built. Try Ford's "big-car" ride, and you know why Ford makes luxury a low-price word. With new suspension, new frame and body, you'll wonder where the road bumps went!

There's a great deal waiting in the new kind of FORD Palmer Motor Company CLARENDON, TEXAS

**Contractors' Notice
Of Texas Highway
Construction**

Sealed proposals for constructing 12.341 miles of Grading, Structures, Flexible Base & Asphalt Concrete Pavement from Armstrong Co. L. to Clarendon on Highway No. US 287, covered by F 438 (29), in Donley County, will be received at the Highway Department, Austin, until 9:00 A. M., August 21, 1957, and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with the provisions of said House Bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for each

craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to be performed, and the Contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer, workman or mechanic employed on this project.

Legal holiday work shall be paid for at the regular governing rates.

Plans and specifications available at the office of C. B. Hudson, Resident Engineer Clarendon, Texas, and Texas Highway Department, Austin. Usual rights reserved. (27-2c)

**TO THE PEOPLE OF
THE 18TH DISTRICT**

By Congressman Walter Rogers

WHO'S SUPPORTING WHO?

A recent story in the Washington paper pointed out, with what appeared to be some degree of pride, the amount of federal taxes collected from the residents of the District of Columbia. The story carried a two-column head which read as follows:

"D. C. PAYS \$428 MILLION U. S. TAX, TOPS 18 STATES"

The story went on to list the 18 states referred to as follows:

Wyoming	\$ 58,578,000
North Dakota	\$ 68,955,000
Vermont	\$ 73,074,000
South Dakota	\$ 79,036,000
Nevada	\$ 95,890,000
Idaho	\$120,184,000
New Mexico	\$124,869,000
Montana	\$128,991,000
New Hampshire	\$135,874,000
Mississippi	\$166,854,000
Utah	\$176,107,000
Arkansas	\$179,410,000
Maine	\$180,098,000
Arizona	\$184,565,000
South Carolina	\$270,292,000
Rhode Island	\$301,232,000
West Virginia	\$311,614,000
Nebraska	\$423,246,000

It was then pointed out that the first five states listed paid a total of 375 million 333 thousand dollars in federal taxes, which figure is substantially less than the District's figure of \$428 million.

All of this would be most impressive to someone who was not familiar with where the money comes from for the District residents to pay these taxes. What the story failed to point out was the following most enlightening information.

The federal payroll, alone, in the District of Columbia for the year 1955 was 682 million dollars. This, of course, does not include the tremendous sums spent by people from all over the United States who come to Washington on necessary government business. It does not include the vast sums spent by people from all over the United States who come

to Washington to visit their nation's capital and spend many, many dollars with the residents here. Nor, does it include the other sources of income flowing into the nation's capital from throughout the country.

What the story failed to point out was the fact that it would require all of the federal taxes of the five states named, to wit, Wyoming, North Dakota, Vermont, South Dakota and Nevada, plus Idaho and Maine, to meet the federal payroll in Washington, and you would still lack six million dollars of making that payroll.

Another interesting figure is found when you add up the total federal payroll that goes into the five states which the writer used for comparison. These five states paid in a total of \$375 million in Taxes; yet, the federal payroll in those five states, both civilian and military, was 202 million dollars. In other words, the federal payroll in these five states was al-

most as far below the amount of taxes these people had to pay as the federal payroll in Washington was above the amount of taxes that the District of Columbia had to pay. This simply means that the federal tax money which flowed into these five states was almost 200 million dollars less than the amount of federal taxes the people in those states had to pay, while at the same time the amount of the federal payroll flowing into the District of Columbia was more than 250 million dollars greater than the amount of federal taxes collected from the people in the District of Columbia. It might also be pointed out, since we are looking for the truth, the whole truth and nothing but the truth, that the federal payroll in Washington, D. C. is greater by 23 million dollars than the entire federal payroll that flows into 11 states—Wyoming, South Dakota, Vermont, North Dakota, Nevada, Idaho, Montana, New Hampshire,

West Virginia, Maine, and Arizona. It might also be said that the state of Nebraska, which paid in 423 million dollars according to the above table, had a federal payroll of only 119 million dollars.

Much more could be said on this subject, but limited space will not permit. However, I could not resist the temptation of calling this matter to your attention—especially in view of the fact that the news story referred to the five states first above mentioned as "the five that contributed the least in federal taxes". I think it would behoove the District of Columbia and its newspapers to have a little more respect for the states that pay the taxes with which to pay the residents of the District of Columbia.

I repeat that the real issue is, "Who's Supporting Who?"

In early geologic ages West and Northwest Texas was covered with the Permian Sea.

Be happy! Live Better—Electrically

Who takes over when Mother takes off

We bet it's Father and we bet he leans heavily on the family's Electric Servants.

And why not? Electric servants draw mighty low wages. Lower, even, than they were 25 years ago. For instance, if yours is the typical American home, you're getting twice as much electricity for your dollar today as you did in 1932. Your electric bill may be higher, but that's because electricity is doing so much more for you now.

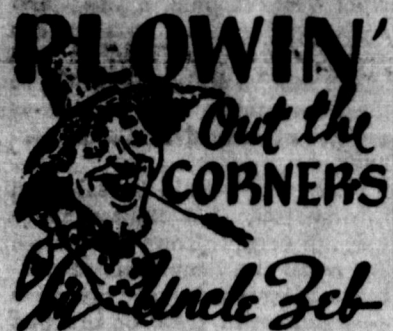

* Actually in homes served by WTU, the average cost of a kilowatt-hour of electric service is 20% LESS than it was 10 years ago!

Think about it for a minute. Don't you agree that electricity is the biggest bargain in your budget?

An angry man is Sylvester T. Bly,
Who today was sold a piece of "blue sky."
He'd stepped in a showroom—out of the rain,
Was sold a new car before he could explain!
How he hated the styling—so high and square
And in new features it was really bare.
"I got a real bargain—the buy of my life—
But how do I ever convince my own wife?"

Moral: You're paying for a new car... make sure you get one!

When you buy a new car, put your money on tomorrow—not yesterday. Swept-Wing Dodge actually *obsoletes* other cars in its field. Should you invest in high, boxy styling when Dodge offers the low, low look of tomorrow? Should you invest in outmoded coil springs when Dodge offers new Torsion-Aire Ride? Should you invest in an old-fashioned lever-type transmission when Dodge offers the ease of Push-Button Driving? In other things, too—engines, brakes, interiors—Dodge is years ahead. So put your money on tomorrow. See your Dodge dealer. Join the swing to the Swept-Wing Dodge!

Not long ago we read about the old Scotchman who prayed the following; "Lord, keep me alive while I'm still living." At first glance we almost say that it was silly, but read it again and again thoughtfully and as you do so you are soon saying it prayerfully

like the old Scot.

We can get a real lesson in the above just by thinking about the folks we know. Right off you think of several people that are dead in their living and thinking and doing even though they still have a long time perhaps to just put in time here in this old world. But they have stopped loving, they have stopped doing things, and most of all they have stopped thinking the kind of thoughts that help us to be necessary to the world about us and a part of everything that we live with.

Then, on the other hand we can think of perhaps many many more of the folks about us who have grown old in years but still remain just as much alive as when they were middle-aged. They still love and are loved. They still do and have things done for them. Their experience and ideas live on and are valuable to the children and to their friends.

Yes, the Old Scotchman was so very right, and we join with him in that prayer. Lord, just keep us alert to the world about us. Help us as we grow older not to die in our thinking but to grow wiser with experience. Help us to look forward to any tomorrow with hope and joy. Keep us from looking back on the past with sorrow and hopelessness. Help us to be a part of life, not just something

extra. "Lord, just keep me alive mentally and physically as long as I am still living." This too, is my earnest prayer.

There is no doubt a difference in the meaning of the words laziness and leisure, but in the hot July and August months who feels like arguing about it.

Often we think of the following little thought in poem form. Right now the author's name does not come to mind.

"He drew a circle that shut me out—
Heretic, rebel, a thing to flout.
But love and I had the wit to win;
We drew a circle that took him in."

Wouldn't it be wonderful if we could always practice the above and not lose our patience and our temper so much. Likely about the worst thing that we humans have to suffer for is that of just being human about life. If a fellow human sort of lets us have it we just know for sure that we should tell him off a bit. We do sincerely believe though that for every time we ever managed to hold our peace and be kind and considerate and sort of in a simple way try to return good for evil; that we were always glad later that we did. Has this been your own experience? Write us a post card telling us what you think. We will use the best two or three short statements based on your experience. We wish you would sign your name but if you ask us we will withhold your name when we quote from your card or letter. We will give a free subscription to our favorite farm magazine for the best statement in 75 words or less on your experiences with; "Turning The Other Cheek" so to speak.

Texas' rainfall was below normal during seven of the eight years from 1947 to 1954.

NOTICE of ELECTION

THE STATE OF TEXAS
COUNTY OF TRAVIS
BOARD OF WATER ENGINEERS

TO THE QUALIFIED VOTERS OF THE GREEN BELT MUNICIPAL AND INDUSTRIAL WATER AUTHORITY COMPRISING THE CITIES OF CHILDRESS, CLARENDON, WELLINGTON, HEDLEY, MEMPHIS, PADUCAH AND QUANAH:

TAKE NOTICE that an election will be held in each of the cities above named on August 31, 1957, on the question and at the places more particularly set forth in the order of the Board of Water Engineers of the State of Texas, which order is as follows:

AN ORDER CALLING CONFIRMATION ELECTION IN THE GREEN BELT MUNICIPAL AND INDUSTRIAL WATER AUTHORITY

BE IT ORDERED BY THE BOARD OF WATER ENGINEERS OF THE STATE OF TEXAS:

1. An election shall be held in the Green Belt Municipal and Industrial Water Authority on the 31st day of August, 1957, at which election the following proposition shall be submitted:

"Whether or not the establishment of the Green Belt Municipal and Industrial Water Authority shall be confirmed to include each of the following cities in which the majority vote favors confirmation: Childress, Clarendon, Wellington, Hedley, Memphis, Paducah and Quanah."

2. (a) The election held in the City of Childress shall be at the City Hall in said City and Mr. Bill King is hereby appointed Presiding Judge of said election.

(b) The election held in the City of Clarendon shall be at the City Hall in said City and Basil W. Smith is hereby appointed Presiding Judge of said election.

(c) The election held in the City of Wellington shall be at the City Hall in said City and F. A. Hatch is hereby appointed Presiding Judge of said election.

(d) The election held in the City of Hedley shall be at the City Hall in said City and Mr. E. McMurray is hereby appointed Presiding Judge of said election.

(e) The election held in the City of Memphis shall be at the City Hall in said City and Mr. E. McMurray is hereby appointed Presiding Judge of said election.

(f) The election held in the City of Paducah shall be at the City Hall in said City and Kenneth Tooley is hereby appointed Presiding Judge of said election.

(g) The election held in the City of Quanah shall be at the City Hall in said City and E. G. Givens is hereby appointed Presiding Judge of said election.

3. Each of the presiding judges

above named shall appoint two judges and two clerks to assist him in holding the election in his voting place.

4. Said election shall be held under the provisions of House Bill 88 enacted by the 53rd Legislature, first called session, and the General Election Laws of the State. Only qualified voters who reside in each of the Cities above named shall be qualified to vote in said election held in such Cities.

5. The ballots for said election shall have written or printed thereon the following:

"FOR CONFIRMATION"

"AGAINST CONFIRMATION"

6. A substantial copy of this order shall constitute proper and sufficient notice of said election. Such notice shall be published in a newspaper published in each of the Cities above named once each week for two weeks, the

first notice shall be fourteen days prior to the set for the election.

PASSED AND APPROVED this 29th day of July,

/s/ R. M. I. Chairman, Board of Water Engineers

ATTEST: Water Engineer

/s/ Ben F. Looney, Jr. Secretary of Board of Water Engineers

Witness my hand and the seal of the Board of Water Engineers of the State of Texas this day of July, 1957.

By VERN SANFORD Texas Press Association

AUSTIN—Labor unions in Texas now are welded into one 300,000-member organization.

The mammoth merger was accomplished at a joint AFL-CIO convention in this Capitol City. Sharp internal disagreements heartened those who fear the political power of such a massive group.

A resolution, recommended by labor's Civil Rights committee, condemned the 55th Legislature for passing "immoral and undemocratic" laws concerning school segregation. Gulf Coast delegates balked. Finally, the convention compromised by adopting the national AFL-CIO civil rights plank, worded in a more general language.

Delegates also criticized Texas' daily newspapers; the Texas Tech Board of Directors; the Republican Party; and highway contractors.

Endorsed were a state income tax on corporations; an increase in individual income tax exemptions; federal aid for school construction; higher pay for teachers; and honesty among union officials.

AFMan Jerry Holleman was elected president. CIOer Fred Schmidt was chosen as secretary-treasurer.

LOBBY CURB PROPOSED With legislative opposition to the special session weakening under Gov. Price Daniel's determined stand, attention now turns toward what the lawmakers might enact.

Sen. Henry B. Gonzales of San Antonio has drafted a strict lobby control measure. It is patterned after the Federal Law. It would require registration of all persons seeking to influence legislation

tailed accounting of money used to influence legislation — where it comes from, how it is spent.

It would hang a heavy sword over the head of any lawmaker or lobbyist found guilty of a bribe arrangement. Penalty up to a \$25,000 fine and 10 years imprisonment. Corporations involved would lose the right to do business in Texas.

SALES SURGE SEEN Experts foresee a "slow but strong upturn" of production and marketing in Texas for the last quarter of the year.

It might even break last year's record, despite the restrictions on credit. So states the UT Bureau of Business Research.

June retail sales dropped five per cent from May. But totals for January-June, 1957 were two per cent above 1956.

Home modernization has done "surprisingly well." But completion of new homes in 1957 is expected to fall some 10 to 20 per cent below last year.

EMPLOYMENT TO CLIMB More jobs, better pay, is the outlook for Texas workers.

Texas Employment Commission forecasts a small rise in job-holders during August, followed by the usual steep jump from increased activities in September.

Early summer brought the customary glut of workers as schools poured out thousands of graduates and vacation job-seekers. In addition, factory jobs dropped somewhat as automobile assembly plants and aircraft companies cut back.

However, the same period brought good news to factory workers as average weekly wages jumped some \$2. In the higher brackets were workers in coal and petroleum products, up \$4.76 to \$113.16 per week, and those in chemicals, up \$2.49 to \$103.34 per week. Less fortunate were those in apparel and fabric products, up .37 to \$43.92.

NO MAGIC EXPECTED Rebuilding public confidence in Texas insurance cannot be done "by any magic touch or wave of a wand, nor overnight nor within a few months."

It will take "painstaking planning, organized effort and competent performance," said Joe P. Gibbs, member of the newly reorganized Board of Insurance Commissioners.

Board members are reconciled to operating in a "show window," said Gibbs, recalling the recur-

and Mrs. Ed Ledbetter and Lendia.

NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 5, 1957.

HOUSE JOINT RESOLUTION NO. 37 proposing an amendment to Section (a) of Section 62, Article XVI of the Constitution of Texas, relating to establishment of a retirement, disability and death compensation fund for officers and employees of the State. BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Subsection (a) of Section 62, Article XVI of the Constitution of the State of Texas be amended so as to read hereafter as follows:

"Section 62. (a) The Legislature shall have the authority to levy taxes to provide a State Retirement, Disability and Death Compensation Fund for the officers and employees of the State, and may make such reasonable inclusions, exclusions, or classifications of officers and employees of this State as it deems advisable. The Legislature may also include officers and employees of judicial districts of the State who are or have been compensated in whole or in part directly or indirectly by the State, and may make such other reasonable inclusions, exclusions, or classifications of officers and employees of judicial districts of this State as it deems advisable. Persons participating in a retirement system created pursuant to Section 1a of Article V of this Constitution shall not be eligible to participate in the Fund authorized in this Subsection, and persons participating in a retirement system created pursuant to Section 48-a of Article III of this Constitution shall not be eligible to participate in the Fund authorized in this Subsection except as permitted by Section 43 of Article XVI of this Constitution. Provided, however, any officer or employee of a county as provided for in Article XVI, Section 62, Subsection (b) of this Constitution, shall not be eligible to participate in the Fund authorized in this Subsection, except as otherwise provided herein. The amount contributed by the State to such Fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per centum (5%) of the compensation paid to each such person by the State.

"All funds provided from the compensation of such person or by the State of Texas for such Retirement, Disability and Death Compensation Fund, as are received by the Treasury of the State of Texas, shall be invested in bonds of the United States, or in bonds issued by any agency of the United States Government, the payment of which is guaranteed by the United States; or in such other securities as are now or hereafter may be permitted by law as investments for the Permanent University Fund or for the Permanent School Fund of this State, under the same limitations and restrictions imposed by the Constitution for investment of those funds and subject to such regulations as the Legislature may provide. However, a sufficient amount of said Fund shall be kept on hand to meet the immediate payment of the amount likely to become due each year out of said Fund, such amount of funds to be kept on hand to be determined by the agency which may be provided by law to administer said Fund.

"Should the Legislature enact enabling laws in anticipation of the adoption of this Amendment, such legislation shall not be invalid by reason of this Amendment's character."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at a special election to be held throughout the State on the first Tuesday after the first Monday in November, 1957, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment amending Subsection (a) of Section 62, Article XVI of the State Constitution, relating to establishment of a retirement, disability and death compensation fund for officers and employees of the State."

"AGAINST the Constitutional Amendment amending Subsection (a) of Section 62, Article XVI of the State Constitution, relating to establishment of a retirement, disability and death compensation fund for officers and employees of the State."

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said special election and this Amendment shall be published and the election held as required by the Constitution and laws of this State.

NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 5, 1957.

HOUSE JOINT RESOLUTION NO. 37 proposing an amendment to Section (a) of Section 62, Article XVI of the Constitution of Texas, relating to establishment of a retirement, disability and death compensation fund for officers and employees of the State. BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Subsection (a) of Section 62, Article XVI of the Constitution of the State of Texas be amended so as to read hereafter as follows:

"Section 62. (a) The Legislature shall have the authority to levy taxes to provide a State Retirement, Disability and Death Compensation Fund for the officers and employees of the State, and may make such reasonable inclusions, exclusions, or classifications of officers and employees of this State as it deems advisable. The Legislature may also include officers and employees of judicial districts of the State who are or have been compensated in whole or in part directly or indirectly by the State, and may make such other reasonable inclusions, exclusions, or classifications of officers and employees of judicial districts of this State as it deems advisable. Persons participating in a retirement system created pursuant to Section 1a of Article V of this Constitution shall not be eligible to participate in the Fund authorized in this Subsection, and persons participating in a retirement system created pursuant to Section 48-a of Article III of this Constitution shall not be eligible to participate in the Fund authorized in this Subsection except as permitted by Section 43 of Article XVI of this Constitution. Provided, however, any officer or employee of a county as provided for in Article XVI, Section 62, Subsection (b) of this Constitution, shall not be eligible to participate in the Fund authorized in this Subsection, except as otherwise provided herein. The amount contributed by the State to such Fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per centum (5%) of the compensation paid to each such person by the State.

"All funds provided from the compensation of such person or by the State of Texas for such Retirement, Disability and Death Compensation Fund, as are received by the Treasury of the State of Texas, shall be invested in bonds of the United States, or in bonds issued by any agency of the United States Government, the payment of which is guaranteed by the United States; or in such other securities as are now or hereafter may be permitted by law as investments for the Permanent University Fund or for the Permanent School Fund of this State, under the same limitations and restrictions imposed by the Constitution for investment of those funds and subject to such regulations as the Legislature may provide. However, a sufficient amount of said Fund shall be kept on hand to meet the immediate payment of the amount likely to become due each year out of said Fund, such amount of funds to be kept on hand to be determined by the agency which may be provided by law to administer said Fund.

"Should the Legislature enact enabling laws in anticipation of the adoption of this Amendment, such legislation shall not be invalid by reason of this Amendment's character."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at a special election to be held throughout the State on the first Tuesday after the first Monday in November, 1957, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment amending Subsection (a) of Section 62, Article XVI of the State Constitution, relating to establishment of a retirement, disability and death compensation fund for officers and employees of the State."

"AGAINST the Constitutional Amendment amending Subsection (a) of Section 62, Article XVI of the State Constitution, relating to establishment of a retirement, disability and death compensation fund for officers and employees of the State."

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said special election and this Amendment shall be published and the election held as required by the Constitution and laws of this State.

Home modernization has done "surprisingly well." But completion of new homes in 1957 is expected to fall some 10 to 20 per cent below last year.

EMPLOYMENT TO CLIMB More jobs, better pay, is the outlook for Texas workers.

Texas Employment Commission forecasts a small rise in job-holders during August, followed by the usual steep jump from increased activities in September.

Early summer brought the customary glut of workers as schools poured out thousands of graduates and vacation job-seekers. In addition, factory jobs dropped somewhat as automobile assembly plants and aircraft companies cut back.

However, the same period brought good news to factory workers as average weekly wages jumped some \$2. In the higher brackets were workers in coal and petroleum products, up \$4.76 to \$113.16 per week, and those in chemicals, up \$2.49 to \$103.34 per week. Less fortunate were those in apparel and fabric products, up .37 to \$43.92.

NO MAGIC EXPECTED Rebuilding public confidence in Texas insurance cannot be done "by any magic touch or wave of a wand, nor overnight nor within a few months."

It will take "painstaking planning, organized effort and competent performance," said Joe P. Gibbs, member of the newly reorganized Board of Insurance Commissioners.

Board members are reconciled to operating in a "show window," said Gibbs, recalling the recur-

McClellan - Thornberry Vows Read In Church Ceremony

Nuptial vows were solemnized at 7:00 p. m. Thursday, August 8, at the First Methodist Church, Clarendon, Texas uniting in marriage Miss Vanetta McClellan and Mr. Don D. Thornberry. The bride is the daughter of Mr. and Mrs. John D. McClellan. The groom's parents are Mr. and Mrs. William C. Thornberry.

Rev. Conrad Ryan, pastor, read the double-ring ceremony before an altar decorated with tiered candelabra, palm fern, and floor baskets of white gladioli, and centered with a satin covered kneeling bench. Family pews were marked with white satin ribbon.

Candles were lighted by Miss Jackie McClellan, sister of the bride, and Miss Dana Boston, Amarillo, Texas, cousin of the bride. Both wore dresses of pink cotton satin and flowered headpieces.

Miss Dianne Moore, organist played a nuptial prelude. Mrs. Ray Moore, soloist, sang "At Dawning"—Cadman; "I Love You Truly"—Jacobs-Bond, and as a benediction "Wedding Prayer"—Dunlap. She was accompanied by Miss Mantie Graves, organist, who also played the traditional wedding marches.

Attending the bride were Misses Sue Talley and Billie Mae

McClellan, bridesmaids, and Mrs. Bill Porter, matron of honor. Their dresses of imperial taffeta were identically styled with an empire waistline and a rounded neckline tapering to a V-shape in the back. The skirt was pleated to the back with streamers extending from the neckline to the hem. Hats were of matching taffeta with small scalloped veils. Bridesmaids wore aqua and carried bouquets of pink carnations. Matron of honor wore pink and carried a bouquet of aqua tinted carnations. Little Miss Valerie Trout dressed in pink crystalline was flower girl. She carried a basket of white daisies.

The groom's best man was his brother, Mr. Billie G. Thornberry. Serving as ushers and groomsmen were Mr. Bill Porter and Mr. Jolen Ballew and ushering were Mr. John Downs, Albuquerque, New Mexico, and Mr. Warren Crause, Raton, New Mexico.

The bride, given in marriage by her father, wore a floor length gown of lace and tulle designed with a fitted bodice, and a scalloped neckline. Separate sleeves were of lace and tulle, pointed over the hands and buttoned at the wrist. The bouffant skirt of tulle was fashioned with a panel of lace to the front, lace motifs applied below an inset of lace at the hipline, and a chapel length train. Her finger-tip veil of illusion fell from a small hat studded with sequins and seed pearls. Her only jewelry was a pearl necklace, a gift of the bridegroom. She carried a white Bible topped with a white orchid, stephanotis, and satin streamers, and observed all of the traditions of something old, new, borrowed, blue, and a penny in her shoe.

For her daughter's wedding, Mrs. McClellan chose a dress of aqua lace and chiffon accented by white accessories and a corsage

of pink roses. Mrs. Thornberry, mother of the groom, wore a dress of gray lace complemented by pink and gray accessories and a corsage of pink roses.

A reception honoring the bride and groom and the wedding party was held at Patching Club House. Mrs. Jack Eads presided at the bride's book. Mrs. Bill G. Thornberry and Mrs. Robert Boston of Amarillo presided at the table. For the wedding trip to Colorado, the bride wore a black and white two-piece dress, black patent accessories, and the orchid from her wedding bouquet.

Mrs. Thornberry is a graduate of Clarendon High School and Junior College and is employed by Chamberlain Insurance. Mr. Thornberry is a graduate of Clarendon High School and New Mexico A&M where he was a member of the Block and Bridle Club and the Rodeo Club. The couple will be at home in Clarendon.

HUGHGINS CLUB

Club met at the Club House on Thursday to quilt for hostesses, Agnes Allee and Ruth Hutson.

At refreshment time we were served cold, iced drinks and cake. Members present were: Cora Elliott, Martiel Webb, Ruth Lindley, Mary Lee Noble, Mae Perdue, Virginia Smith, Floree Webb, Pauline Koozts and one guest Annie Ree Aull, and several children.

Next meeting will be on Thursday afternoon, August 22nd, when Pauline Koozts and Mae Perdue will be hostesses. —Reporter.

ASHTOLA NEEDLE CLUB

The Ashtola Needle Club met August 1st in the Club Room at 3 o'clock. Meeting was opened with a prayer by Viola Graham. Martha Hill joined the club. Ismanell Gray conducted the business session. August 15th will be our annual barbecue which will be at night. There will be no meeting in the afternoon. Everyone bring one half chicken for each member of your family and have them at the school house by 2 o'clock. Bring your drinks, food, dishes and silverware.

After a short program the meeting was turned over to the hostesses Lena Mae Graham,

Mary Belle DeBord, and Ina Wallace who had a short program and shower honoring Mrs. Frank Mahaffey who received many nice and useful gifts.

The hostesses served a beautiful plate of cake, mints and punch to 20 members and guests and several children. —Reporter.

REHEARSAL DINNER

Mr. and Mrs. W. C. Thornberry were hosts at the rehearsal dinner Wednesday evening at Patching Club House honoring members of the McClellan-Thornberry wedding party.

A western motif was carried out in decoration with hats as place cards. Tables were covered with old fashioned red and white check clothes with cowboy articles and attire as centerpieces.

Attending were Mr. and Mrs. John McClellan and Jackie, Miss Tookie McClellan, Don Thornberry, Mr. and Mrs. Bill G. Thornberry, Richard and Sandy, Misses Sue Talley, Billie Mae McClellan, Dianne Moore, Dana Boston of Amarillo, and Mantie Graves, Mr. and Mrs. Ray Moore, Mr. and Mrs. Jack Eads, Mr. and Mrs. Bill Porter, John Downs of Albuquerque, New Mexico, Warren Crause of Raton, N. Mexico, Jolen Ballew, Valerie Trout, and the hosts, Mr. and Mrs. W. C. Thornberry.

FORMER RESIDENT ILL

Mrs. J. C. Phipps who will be remembered to her friends here as Mrs. Margaret Baker, is seriously ill at St. Josephs Hospital in Wellington. Among her family that is with her at this time is her daughter, Mrs. M. E. Cox of Panhandle and Mr. Cox, Mrs. Essie Rush of Amarillo; a son R. W. Patton of North Hollywood, Calif.; grandchildren, Mrs. Ellis Lemons of Canyon, Dr. and Mrs. Walter C. Watkins of Amarillo; Mrs. Clarence Howe of Clayton, N. M. Her grandson, Bob Patton, a student in U.C.L.A., Los Angeles will be in August 17th.

Mr. and Mrs. Wilson Lane announce the arrival of a son, Gary Quinn, Saturday, August 3, at the Stewart Clinic. The young man weighed 8 lbs. and is the grandson of Mr. and Mrs. C. W. Lane and Mr. and Mrs. Quinn Aten.

SOCIAL SECURITY INFORMATION

Persons who are under age 72 and receiving social security payments should notify the Amarillo Social Security Office immediately if they expect their earnings for 1957 to be more than \$1200. The law states that a person who has earnings, from wages or profits from a business, of more than \$1200 cannot receive social security payments for all months of the year. Each \$80 over \$1200 in earnings causes the loss of one month of social security payments.

John R. Sanderson, Manager of the Amarillo Office, states that many people have the wrong impression that they can earn \$1200 before the loss of payments, regardless of how much their total earnings for the year might be. He points out that a person earning \$150 per month does not go over \$1200 until September but that the total earnings of such a person for the year, being \$1800, causes the loss of 8 months of social security payments. Thus if this person waits until he has actually earned over \$1200 before he notifies the Office that he is working and has his checks stopped, he will have been overpaid for 4 months.

This work provision, Sanderson adds, applies to all earnings from wages and business profits, regardless of whether the earnings are covered by the Social Security Act. The provisions apply to anyone receiving social security payments while he is under age 72, including the worker himself, his wife, widow, children, or dependent parents.

Mr. and Mrs. Herman Cross and Annette visited Sunday in Amarillo with her brother, Mr. and Mrs. M. H. Lemons and family. Also visiting were Mr. and Mrs. E. F. Lemons and Mr. and Mrs. Zeno Lemons and family of Memphis.

Mr. and Mrs. Chauncey Hommel and Mr. and Mrs. Gene Bryan of Amarillo spent the week end at Raton, N. Mex.

FROM THE OFFICE OF LYNDON B. JOHNSON

U. S. SENATOR FROM TEXAS

"Faith is the essence of hope." Dear Friend:

The Senate has passed the so-called civil rights bill. And in so doing, it has justified the faith of the American people in its ability to handle issues on the merits—and not just on the politics.

As the bill came to the Senate, it was a confused mixture of vague ideas and bitter desires to "punish" the South. It was sectional legislation—an effort to gang up on one part of the country.

It revived long dead Reconstruction statutes.

It authorized the use of troops to enforce "civil rights."

It threatened to deprive men accused of crimes of the rights to a jury trial.

The Senate refused to be stampeded. It insisted on going over the bill line by line; page by page. The debate did not split on sectional lines. Senators examined the measure as serious men seeking to solve a serious problem.

Senator Anderson, of New Mexico, and Senator Aiken, of Vermont, took the lead in knocking out the reconstruction statutes. Senator O'Mahoney, of Wyoming, insisted that the jury trial was too vital a right to be by-passed.

One of the most effective jury trial speeches was made by Senator Pastore, of Rhode Island. Senator Mansfield, of Montana, took a firm stand against the Reconstruction statutes.

Americans should always be grateful to these men. They are dedicated to the cause of civil rights. But they do not believe that legislation should be designed to punish one section of the country. They do not believe that any right—civil or otherwise—can be advanced sacrificing other rights—like the jury trial.

The bill in its final form represented reasonable legislation. It was national—rather than sec-

tion—legislation. It disappointed the more ardent "civil rights" partisans. But reasonable men recognized it for what it was—effective, enforceable legislation that honorable men could support.

And its enforcement provisions applied only to the right to vote. Texans have never feared the right to vote. Therefore, I supported the bill.

ATTEND SUMMER MUSIC CAMP

Mrs. Velma Weaver and Drubette Cook are among those attending the fifth summer Music Camp at West Texas State College, Canyon, Texas, August 5-17. Between 350 and 400 people are enrolled this year.

Mrs. Weaver is studying Choral Techniques with L. N. Perkins, professor from Oklahoma State University, and participating in work with two choirs. Drubette is studying band.

Concluding the clinic will be a concert at 8:00 p. m. Friday evening.

FAMILY REUNION

Mr. and Mrs. E. P. Hahn had all of their children together August 3rd, for the first family reunion in over three years. Here for the occasion were Mrs. Clara Hahn and Laurel Ann of Biloxi, Miss. Mr. and Mrs. J. D. Hahn, Charles and Clara of Hale Center, Mr. and Mrs. Leon Hahn and Wanda of Plainview and Lloyd Hahn of Clarendon.

Mrs. Clara Hahn and Laurel Ann left by plane for their home in Biloxi on August 7.

Mr. and Mrs. Herman Cross and Annette visited Thursday night in Memphis with her parents, Mr. and Mrs. E. F. Lemons. Other visitors were Mr. and Mrs. Horace Johnson and daughter of Cleveland, Texas, and Mr. and Mrs. Zeno Lemons and family of Memphis.

DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

The optimum season for alfalfa seeding is about here. If conditions are normal, from the last part of August to the middle of September is best, especially where the seedbed does not have sufficient cover and it is desired to establish a protective cover along with the seedling alfalfa. A sorghum or millet drilled thick immediately before the alfalfa is seeded should make a good cover which frost will kill and stop competition with the alfalfa. Rye, wheat or other cool season plants that will go through the winter should not be used as a nurse crop, as they will offer serious competition to the seedling alfalfa and make it difficult to get a good stand.

Where there is cover on the ground, that a freeze will kill, alfalfa can be seeded as late as early October with good chances of success. The District grass drills have been generally the most successful for alfalfa seeding, but will not put out enough seed without double sowing.

A number of farmers with irrigation wells are planning to seed some alfalfa this fall. Among them are: Red Hill, H. L. Riley, Kenneth Brinson and Horace Green.

Those with weak wells should bear in mind that alfalfa is a high moisture requiring plant, and that if sufficient moisture is not applied, production will be low. However, alfalfa will stay on most of our soils (does better dryland on sandier soils) even under dryland conditions, and thus is valuable as a soil improving crop.

Mr. and Mrs. Broadus Spivey are the parents of a baby boy born August 9th at 6 p. m. in St. Davids hospital, Austin, Texas. Mr. and Mrs. C. C. Spivey and Mr. and Mrs. R. Y. King are the proud grandparents.

Mr. and Mrs. Walter Sandlin of Pecan Gap are visiting this week with their daughter and family, Mr. and Mrs. James Bain and Jimmy. Other visitors in the home Sunday and Monday were a sister and husband, Mr. and Mrs. John D. Alley of Deport, Texas who were enroute to Seminole.

Mr. and Mrs. Walter Hutchins visited over the week end in New Mexico with his sister and family of Clovis, with a brother and family of Broadview, also two nephews and families of Rosdale, and a niece from Phoenix, Ariz.

Texas 25 Years Behind Other Western States In Water Development Says Sen. Johnson

Senator Lyndon B. Johnson said this week that when the Public Works Appropriations Bill comes before the Senate, as it will in the near future, it will contain a number of projects for Texas that were not recommended by the Bureau of the Budget. "I urged and obtained committee approval of these projects," he declared. "I did so because they are necessary and economically justified projects. If we carry them out, the action will represent a long step forward in the development of Texas' water resources."

Senator Johnson pointed out that property damage of more than \$80 million in the Dallas-Fort Worth area was prevented this year by four Federal reservoirs and two floodway projects.

"Of these six vital projects, exactly one had been recommended for construction funds by the Bureau of the Budget at the time that construction was started. Appropriations to begin construction on the other five projects were provided by Congress over the opposition of the Bureau of the Budget.

"Congress was wise. If the Bureau's restricted program had been followed, construction of these reservoirs and floodways would have been delayed for years. The delay would have been extremely costly."

The Senator said Texas is 25 years behind other western states in water development and an accelerated program is vitally necessary in the State.

Jimmy Bain visited Saturday night and Sunday with Bill Hall at Wellington.

Mr. and Mrs. Quinn Aten took Mrs. Wilson Lane and children to their home in Albuquerque Wednesday.

Mr. and Mrs. David N. Patterson of Sierra Vista, Arizona arrived Sunday to visit their parents, Mr. and Mrs. G. W. Estlack and the John Pattersons at Groom.

Mrs. C. J. VanZandt of Wheeler visited a few days last week with her parents, Mr. and Mrs. J. H. Hurn.

George Thompson and Gene Alderson spent last week at New Orleans returning home Sunday.

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

Our book announcements are of interest this week. First is "Change Your Life Through Prayer" by Stella Terrill Mann. The next devotional is "Remember Now" by Walter Uddeley Covert. This was given in memory of Mrs. Joe Goldston. It is Daily Devotional Reading for young people. It is a rich field of thought with a prayer ending each paragraph.

Two books that had to be re-ordered in the collection for children given from the memorial donation of Mr. Bingham, are: "Blaze Face" and "Jube"—one a horse story and the other a dog story. Each of these is by Hinkle.

There are several new patrons reading this month. The Library has been a busy place all summer. In fact, the work requires from 1 1/2 to 2 hours work on Sunday afternoon putting things in order for the past week and arranging for the next.

Texas owned an estimated 8,500,000 head of cattle worth approximately \$561,000,000 in 1955.

DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

If all farmers in the Donley Soil Conservation District were as conservation minded and progressive as Steve Fedric and his father, R. M. Fedric, this District would be outstanding—not only in the amount of conservation on the land, but in the productivity of its soil. Too many people think of soil conservation as just terracing, contour farming, or some other practice. The true conservation farmer has a balanced program. It will include mechanical practices, such as terraces (if they are needed) but goes much further than that. Just as important—if not more important—are the vegetative practices which will maintain the soil in place and in a productive state. These practices may vary from seeding land not suitable for cultivation to pasture to just a good sound conservation rotation of crops and farming methods which maintain crop residues on or near the surface of the soil. The important thing is that the program is tailored to meet the soil's needs.

As an example of how the Fedrics are doing this, their program includes: alfalfa seeded on the poorest soil on the farm as

a soil improving crop; rye, wheat, and barley drilled for the dual purpose of providing cover, grazing, and a cash crop; rotation of cotton with barley (or some other high residue producing crop); grass planting; stubble mulching and crop residue utilization; diversion and terrace system; contour farming; and sprinkler irrigation system. In addition, last winter cottonseed burs were hauled and applied to the soil on part of the farm, and last year a strip crop pattern of 4 rows of cotton and 4 rows of guar was planted. Steve says that close observation reveals a slight difference in the cotton following guar than cotton following cotton. Chances are this difference will increase with the maturity of the cotton.

All farmers should give conservation crop rotation considerable thought, as it is needed on all cropland. If assistance is needed in deciding upon the rotation to follow—check with technicians of the SCS assisting the Donley District.

East And West Teams Of Annual Greenbelt Bowl Football Game Shaping Up Rapidly

CHILDRESS — Both the East and West Teams of the Eighth Annual Greenbelt Bowl Football Game are shaping up rapidly the respective head coaches reported in Childress today.

Putting the 48 players through their paces were Coach C. R. Gilstrap, coaching the East Team; and H. A. "Sandy" Sanford, coaching the West Team. Gilstrap is Athletic Director of Arlington State College at Arlington, Texas. Sanford is Athletic Director of Tarleton State College in Stephenville, Texas.

The young gridgers, all top notch players as Seniors during the 1956-57 season, are reported to be in fine condition and evenly matched for Friday night's big game.

The game activities are slated to start at 8:00 P. M. in the Childress City Stadium located in Childress' City Fair Park. Tickets will be available at the game for all those who desire to see the game and have not already purchased tickets.

Annual Ferris Reunion

The Ferris 10th annual reunion was held recently at Lost Lake in the reservation near Cache, Okla. While the crowd was much smaller than usual, still we had a wonderful time. The ones who were there on Saturday morning were roused from their beds by a huge herd of buffalo coming into camp. As usual the two big coffee pots were kept in use and from the great quantities of food that was consumed was proof of the goodness of cooking on a camp fire.

The younger ones enjoyed swimming and skating while the little tots enjoyed Brer Rabbit and other stories. Mrs. Jones still enjoyed seeing the wild life.

When it came time for Sunday school, a car load including Mrs. Allie Pounds and Miss Cora Ferris, who are making a record, went to the Assembly of God Church in Cache where they really enjoyed the sweet spirit manifested and such fellowship of old friends and new acquaintances.

After which the final meal was enjoyed by all present including Mr. and Mrs. E. E. Ferris, Mr. and Mrs. Lewis Ferris and Duane, Mr. and Mrs. Raymond Ferris, Betty, Raymond Wade and Jimmie, all of Anadarko, Okla., Mrs. W. T. Cornelius, Mr. and Mrs. Harrold Woolly and Teressa, Carol Cornelius, Mrs. Lucy Allred and Harlan, also Virgil Plew of Altus; Mr. and Mrs. Denver Ferris of Headrick, Okla., Mr. and Mrs. Jimmie Riggs and Lynn of Tipton, Mrs. Allie Pounds of Newcastle, Texas, Mrs. Irene Stewart of Arlington, Mr. and Mrs. J. P. Smith, Leland and Michael of Dallas, Mr. and Mrs. Ferris Pounds, Bob and Joyce of Grand Prairie, Jerrie Pounds of Fort Worth, Mr. and Mrs. Wilson Cornelius, Jerry, Merl and Derl of Okla. City, Lee Hasting of Cache, Felbert and Delbert Waldrop, Humphrey, Okla., and from Clarendon Mrs. T. Jones, Miss Cora Ferris and Mrs. A. F. Sprinkles. The ones who were absent were greatly missed but we are looking forward to their and many others being there next year, (Lord Willing).

Reported by Cora Ferris.

Leader—Local rate, \$3.00 a year

FARM NEWS

from the County ASC Committee

PAYMENT RATES FOR 1958 ACREAGE RESERVE

The payment rates for every individual wheat farm in Donley County have been computed according to instructions sent from the State Office. You should have received your notice this week.

We will start taking applications for 1958 Wheat Acreage Reserve around August 28. We have not received any instructions or information yet about the provisions of the program. As soon as we receive this information, we will inform you.

COTTON PROGRESS REPORT

Cotton measurements in Donley County is almost finished. 93% of all the cotton farms have been measured in the field which represents 700 farms. Out of this total the acreages on 623 farms have been computed in the office and mailed to the producers. Only 52 farms remain to be measured.

CONSERVATION RESERVE

All producers with a Conserva-

tion Reserve Contract who have not begun their practice should start right away because it will soon be too late. As soon as you complete one part of your practice you may come into the office, report the practice, and receive your payment for that part.

A reporter will be visiting your farm soon to check all of your cropland and your soil bank base crops. This is necessary before we can make your annual payment.

A THOUGHT FOR THE DAY

Everything that enlarges the sphere of human power, that shows man he can do what he thought he could not do, is valuable.

CARD OF THANKS

To all my friends, may I express my deep appreciation to each of you who did so much for me during my recent illness. All the visits, gifts, flowers and cards and many kind deeds. Thanks to each one. May God bless you in our prayer.

The Edd Morton family.
Wilson Lane of Albuquerque visited last week end with his wife, children, and parents.

Eddie Baten Home For Greenbelt Bowl Game

Football fans from throughout the State are looking forward to August 16th when they'll see Eddie Joe Baten perform as end for the East Team in the Eighth Annual Greenbelt Bowl Game. Eddie arrived home Friday from South Dakota, where he has spent the summer, in order to take part in this classic event.

The All-Star grid affair will get underway at 8:00 P. M. on Friday, August 16th, in the Fair Park Stadium in Childress. Pre-game, halftime and post-game activities are also slated during the evening.

Heading up this year's two squads as coaches will be H. A. "Sandy" Sanford and Johnny Dunn of Tarleton State College in Stephenville, Texas, for the West and C. R. Gilstrap and Burley H. Bearden of Arlington State College in Arlington, Texas, for the East.

Bobby Lane of Arlington State will be trainer for both teams.

Both teams rate plenty of all-district, all-area and all-state stars again this year, assuring area football fans of a top-notch battle from start to finish. Neither team should be a prohibitive favorite on game night.

The Greenbelt Game includes only players who finished their high school eligibility at the end of the 1956-57 season. The selected players arrived in Childress Sunday, August 11th, and were scheduled to work out four days prior to the actual tilt.

Land's Have Annual Family Reunion

The Land clan met Saturday and Sunday August 10th and 11th for their annual reunion at the picnic grounds on the ranch of Mr. and Mrs. Rosco Land on Buck Creek 7 miles from Wellington. This is an annual affair and plans are made at each reunion for the next year.

All gathered for supper Saturday night. The men did the cooking, stew, barbecue chicken and beef, beans and all the trimmings, even sour dough biscuits, all cooked out-doors in big iron pots. Plenty of black coffee.

Present for this happy occasion were Mr. and Mrs. Dick Land and Rena, Mr. and Mrs. John Land and Zeb Land and son Rickey of Pampa; Mrs. Lee Williams, Mr. and Mrs. Kenneth Etter, Kenny

and Bobby Jo of Grand Junction, Colo.; Mrs. Gertrude Cathy, Mr. and Mrs. Kenneth Whisenant, Patrice and Rusty, Doris Cathy, Mr. and Mrs. Chester Driscoll, Guy, Laury and June of Abilene; Mr. and Mrs. LeRoy Johnson, Shany and Michael, Ft. Worth; Dr. and Mrs. George Shadid, Nannette, Georgia Ann and Rhonda of Borger; Mr. and Mrs. Floyd Land of Lubbock; Mr. and Mrs. Jiggs Land, Darlene, Mr. and Mrs. Jack Land, Mr. and Mrs. Jackie Land and Jackie Jr., Mr. and Mrs. Karl Cooper, Amarillo; Mr. and Mrs. Clarence Cason, Wellington; Mr. and Mrs. Bill Scales, Mr. and Mrs. Elneore Bailey and Neta, Misses Millie and Ellen Fay Land, Hedley; Mr. and Mrs. Pete Land, Mr. and Mrs. Billie Jack Land, Monte and Steve, Mr. and Mrs. Rosco Land and Jerry, Clarendon. All are looking forward to the gathering next year.

CARD OF THANKS

May we take this means of expressing our thanks and appreciation for all of the calls, visits and many kindnesses extended to us during Larry Dee's stay in the hospital and convalescence. Your thoughtfulness was truly appreciated.

Mr. and Mrs. Grady Tyler.
