A Common Paper for Common People

Post Office Service Rates Up

Some of you probably have already found out that a number of special postal services went up July 1st.

The increase was on Special Delivery, 20 to 30 cents for items up to 2 pounds with similar 10 cent increases in the other weight categories. New Money Order fees are: 1c to \$5, 15c; \$5 to \$10, 20c, and \$10 to \$100, 30c.

Registered Mail—Where liability is limited to \$1,000, as now, an increase in the min. fee from 40 to 50 cents with the \$1,000 rate raised from \$1.75 to \$2. Service expanded to include liability up to \$10,000 for which the charge will be \$4.25. Return receipt fee advanced from 7c to 10c; C.O.D. service from 20 to 50c on items which must be delivered to a specific individual.

Insurance Fees—increases ranging from 5 to 10 cents on items valued above \$10. Certified mail—an increase in the service charge from 15 to 20c with the return receipt raised from 7 to 10c. The charge for delivery to a specified person is hiked from 20 to 50c.

Postmaster Ray Moore announced also that window service at the local office will continue at the same hours of 8:30 a. m. to 5 p. m. until further notice is received from Washington.

Services Held Tuesday For George Ryan

Services were held at St. John's Episcopal Church for George A. Ryan with The Ven. Claude E. Canterbury officiating.

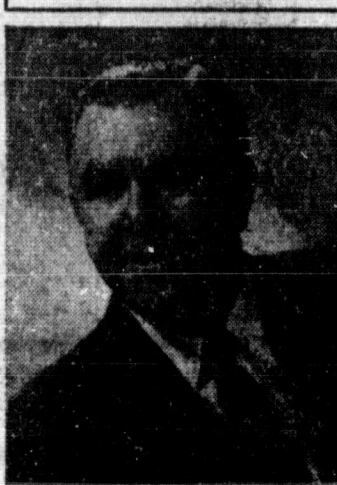

Mr. Ryan, 70, died late Sunday afternoon at Adair hospital. He was a retired insurance man and had been a resident of Clarendon the past 57 years. He was a member of the Episcopal Church.

Survivors are his wife, Emily Gentry Ryan; one daughter, Mrs. Berkley Neeces of Clarendon; two sisters, Mrs. Ina Buntin of Amarillo and Mrs. Mae Parker of Livingston; two grandchildren, Larry and Emily Meredith Neeces, both of Clarendon.

Pallbearers were W. E. Ray, H. D. Bell, E. W. Kent, W. E. Goodman, Clyde Slavin and H. N. Price.

Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

Lions Elect International President

Edward G. Barry of Little Rock, Arkansas has been elected International President of Lions International at the association's 40th Annual Convention in San Francisco, California. Lions International, with 594,300 members in 82 countries or regions, is the world's largest service club organization.

Cotton John Smith To Speak To Brotherhood Here July 18th

The Brotherhood of the First Baptist Church announced that "Cotton John" Garland Smith, popular radio-TV announcer for KGNC, will be the speaker for their regular meeting Thursday, July 18th at 7:30 p. m. This meeting is to be a supper meeting at which time you can eat all you want for 50c.

"Cotton John" needs very little introduction. He is a well-known and entertaining group of any nature. You will want to attend this meeting and bring some friend with you. All are invited to attend and hear "Cotton John."

Calf Roping
 Darrell Renfro, Dumas, \$121.63

W. G. Word Jr. Receives Serious Injuries

W. G. Word Jr. of Silver City, N. M. and formerly of Clarendon, received serious injuries the night of July 4th when a big fireworks cartridge exploded in the steel firing chamber. The piece of fireworks was wired wrong causing it to explode in the mortar instead of high in the air.

Word was standing several feet away when the explosion occurred. Shrapnel severed his right hand, broke his left arm, fractured his jaw along with numerous other wounds. The only other person receiving serious injury was a Mr. Porterfield who was standing about fifty feet away and he received a severe leg injury. It so happened that both men were associated with the same company. Word is wholesale manager of Cosgrove Inc., a hardware concern, and Porterfield is retail manager. The fireworks display was Silver City's annual community affair.

Bill's parents, Mr. and Mrs. W. G. Word and another son Bob Word of Amarillo left soon after receiving word of the accident Thursday night for Silver City. They returned home Monday night and at last report Bill was getting along fine.

City Paving Now Available At Low Price

Yesterday that the City was now equipped to pave city streets at a big saving to residents wanting this service. The price will be 45 cents per square yard which is quite a bit lower than the previous paving projects here.

Residents living along a street they wish to be paved, are asked to get together so there will be no skips and present their information and desires to the city.

For those wishing their driveways paved, we offer the same price plus any additional expense of preparing the drive for paving.

In working out the price schedule, city officials have figured on a street width of 24 feet. We want everyone to feel free to come by and discuss your paving intentions with us, Mayor Burton added.

—34.0 seconds—Silver Buckle.
 Jim Jones Amarillo, \$60.81—34.1 seconds (Tie).

Will T. Smith, Tell, \$60.81—34.1 (Tie).

Saddle Bronc Riding
 Wes O'Neal, Clarendon, \$43.13—325 points—Silver Buckle.

Bob Sharrod McLean, \$25.88—321 points.

No third place average so ground money was paid.

Ribbon Roping
 Walter Arnold, Silverton, \$79.69—42.1 seconds—Silver Buckle.

Will T. Smith, Tell, \$47.82—48.1 seconds.

Bob Sharrod, McLean, \$31.88—56.1 seconds.

Bull Riding
 Elson Rose, Tulia, \$57.00—167 points—Silver Buckle.

Jim Brock, Dimmitt, \$38.00—166 points.

No third place in average so ground money was paid.

Girls Sponsor Contest
 Sis Newsom, Amarillo, \$18.75—24.3 seconds—Silver Buckle.

Mike Reed, Silverton, \$11.25—34.4 seconds.

Cutting Horse Contest
 Shorty Freeman, \$30.00—301 points—Silver Buckle.

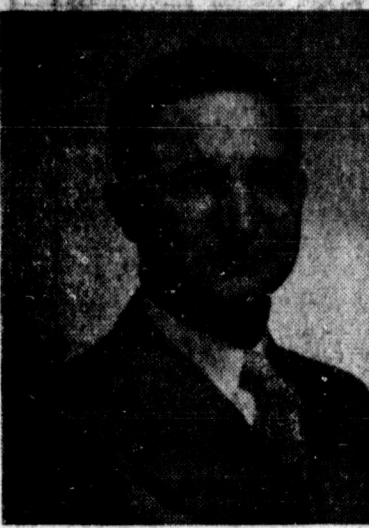

Rip Barrett, \$50.00—298 points.

Jiggs Mann, \$15.00—273 points (Tie).

Johannie Burson, \$15.00—273 points (Tie).

The saddle for all-around cow-boy went to Bob Sharrod from McLean. He entered calf roping, ribbon roping, and saddle bronc riding.

Boss Lion

HOMER ESTLACK

Local Lions Install New Officers

W. J. (Bill) Lowe performed the installation of new officers of the local Lions Club Tuesday noon and also presented the past president, Frank Phelan Jr. with the Past President's pin.

New officers installed by Lowe were: Homer Estlack, president; J. H. Spier Jr., 1st vice; Ralph Pilcher, 2nd vice; Bob Moss, 3rd vice - president; Joe Bowns, Treasurer; A. R. Henson, Secretary; Homer Bones and W. W. Pinkerton, new directors; Basil Smith and Gordon Simpson, hold-over directors; Bill Todd, Lion Tamer; George Weatherall, official greeter and Clyde I. Price Jr., Tail-Twister.

Friday Regarding Telephone Rate

Mayor H. T. Burton announced yesterday that a town-wide open meeting had been set for 3 o'clock Friday afternoon, July 12th at the City Hall regarding the newly proposed telephone rates.

He stated that a representative of General Telephone Company would be here to discuss and explain why they were asking for the increase and this will give every citizen an opportunity to attend, ask questions and give their own point of view on the subject.

We would like to have all interested citizens possible attend this meeting, Mayor Burton added.

He reported also that on the same date at 7 p. m. in the City Hall, city auditors will make their report on the financial condition of the city. The public is invited to this meeting also if interested in the way City tax money is being spent.

Pat Ivy—426

Sandra Pinkerton—782

Shirley Wiedman—784

Vicki McAnear—5873

Beth Lamberth—477

Linda Lamberth—327

Thousands of Visitors Attend Annual Celebration Here July Fourth

Old Timers Have Big Day July 4th

Ernest Kent reported that 210 old-timers registered at the Mulkey Theatre and were treated royally here July 4th. The old-timers enjoyed the various talks of old-timers and especially the visiting and reminiscing of old times.

Crockett Taylor had been here the longest time, 75 years and Mrs. George (Rutherford) Butler came from Fort Worth to be the farthest to attend. Doc Shoffitt and Mrs. Lena Antrobus, both 90,

were the oldest man and woman here. Mitch Bell, who has carried away this honor for several years was unable to attend due to illness, although he was in his room at the Clarendon Hotel. His many friends were thinking of him just the same.

We want to thank everyone who assisted in making the day most enjoyable for the old-timers, Kent concluded.

Services Held Friday For C. H. Riddle

Funeral services were held Friday afternoon at the First Baptist Church for Chester H. (Chat) Riddle with Rev. M. O. Evans and Rev. W. F. Vanderburg officiating.

Mr. Riddle, 67, died in a Memorial Hospital July 1st. He was a lifelong hard worker and had been a resident of Donley County several years.

Survivors include his wife, Anna Mae Riddle of Clarendon; one son Doyle Frank Riddle, U.S. Army in Paris, France; one daughter, Mrs. Billy Young of Belen, N. M.; four brothers, Doc Riddle of Los Angeles, Calif., B. Riddle and Lewis Riddle of Whitesboro, J. C. Riddle of Tecumseh, Okla. and two grandsons.

Pallbearers were Homer Estlack, J. W. Spencer, Tom Scoggins, George Reeves, F. O. Hodge and Richard Cannon.

Burial was in Citizens Cemetery with the Spicer Funeral Home of Memphis in charge of arrangements.

GOC Meeting Set For Friday Night

Basil Smith has announced that an important GOC meeting has been set for Friday night at the City Hall. M/Sgt. Brazil will be present and will assist in the discussion of erecting an observation post. All members are urged to be present.

Former Resident Dies in Colorado

Mr. A. E. Wood, brother of L. L. Wood and Miss Della Wood, died June 26th at Colorado Springs at the age of 75. He is a former resident of Donley County.

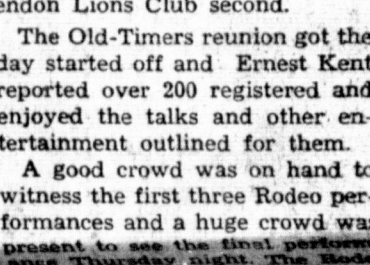

He is survived by three sons, Theo of Riverside, Calif., Horace and A. D. of Colorado Springs; three daughters, Mrs. Lilly Ham of Brady, Calif., Mrs. Essie Ray of Colorado Springs, and Mrs. Elva Gosnell of Borger.

Best in year - all the way through and cool nights made the shows very enjoyable.

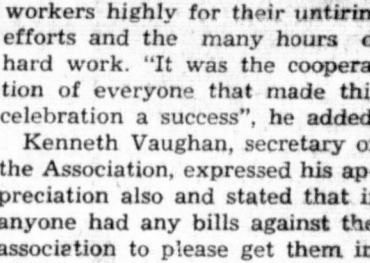

Bob Head, president of the Outdoor Entertainment Association, commended his chairman and all workers highly for their untiring efforts and the many hours of hard work. "It was the cooperation of everyone that made this celebration a success," he added.

Kenneth Vaughan, secretary of the Association, expressed his appreciation also and stated that if anyone had any bills against the association to please get them in right away.

Senator Johnson Shows Sights to Sharon

Senator Lyndon B. Johnson points out sights of the Nation's Capital to Sharon Thompson of Canton Center, Texas. Sharon, 18, daughter of Mr. and Mrs. Lewis F. Thompson, Hale County farmer, was selected "Miss Young America in 4-H" at a recent National 4-H Conference in Washington.

"COLLEGE-BOUND?"—Soldiers of the 25th Infantry Division in Hawaii interested in higher education after discharge have all the facts at hand. Private First Class Charles Bailey of Charleston, S.C., mail clerk (left), and Specialist Third Class George E. Radcliffe Jr. of Mason, Ga., add to the mounting pile of catalogues.

Representative Joe Kilgore (center) and Mrs. America of 1958 are shown in the foreground with the "Senate Salad" in the background. The salad bowl is the largest—3 feet wide and 14 inches deep—served in the U. S. Capitol. Representative Kilgore supplied the green onions from Texas that were used in the All-American salad. Mrs. America is Mrs. Lynwood Findley, 32, of Arlington, Va.

A new salad, "Senate Salad," was created and served recently at the U. S. Capitol. Representative Joe Kilgore (D. 15th Dist.) saw to it that green onions from Texas were among the principal ingredients.

It is unusual for a new dish to be created in the nation's Capitol. Here's how it happened: Representative Kilgore and eight other Members of Congress who come from states that produce or manufacture ingredients important in salad making decided to serve an original salad to their colleagues on Capitol Hill.

The result was "Senate Salad." To meet the need of the occasion, it turned out to be the largest of its kind ever served in the world.

The ingredients for "Senate Salad" were: 10 heads of iceberg lettuce and 10 heads of romaine lettuce from California and Arizona, 20 bunches of West Virginia water cross, 14 bunches of Texas green onions, 75 pounds of Maine lobster meat, 30 bunches of California celery, 156 New Jersey tomatoes, 78 California avocados, 1 gallon of California ripe olives, 40 Arizona grapefruit, 2 quarts of Michigan vinegar, 5 1/2 quarts of Louisiana salad oil and 30 envelopes of garlic-type salad dressing mix.

To serve the largest salad in the world, the Members, naturally, needed the largest salad bowl in the world. The bowl, hand turned and made of solid walnut, was 3 feet wide and 14 inches deep. Heaped, it held 320 large servings of delicious "Senate Salad." The salad fork and spoon each were 3 feet long and the

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

that the new World Book Encyclopedias that were given from the Memorial Fund of Mr. Frank Phelan are shelved and ready for use. These will satisfy a much needed set of reference books. There are several other excellent books in the shelves arranged for his memorial gifts. We stated that his sister, Mrs. Victoria Phelan Morrow of Bonham, Texas had given a one year subscription to American Heritage to this Library. Two copies have been received—there are six issues per year. I have written to secure plastic covers for these books.

The "Star Telegram" Book Sec-

tion published an excellent article on the value of these publications recently. Then I received some advertising material from Cokesburg in regard to the value of these copies to History students and a list of all the publications to date. We have several new magazine, but no new books this week. Those gift books last week certainly were helpful. There were several 1956 editions. Money has been so scarce this summer that even mending materials have had to go unpurchased. But we have some wonderful memorial gift books that will be both helpful and entertaining—you will meet new literary friends that will delight and enthrall you.

Benefield - Patterson Nuptials Read

Miss Louginia Benefield, Atoka, Oklahoma and Mr. Sam Patterson, Mangum, Oklahoma exchanged wedding vows Friday, June 28 in the sanctuary of the First Baptist Church, Atoka. Rev. W. Dean Rainwater, pastor, officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Joe Benefield, Yuma, Arizona. Parents of the bride-groom are Mr. and Mrs. U. Z. Patterson, Clarendon, Texas.

The candlelight ceremony was performed before a white archway entwined with smilax the center of which was marked with two white wedding bells caught with white satin ribbon. The white satin covered prie-dieu was complemented by large satin bows at either end. Colonial baskets of white gladioli and cathedral candelabra holding tall white tapers were flanked by emerald palms. The white carpeted aisle was marked with white gladioli caught with white satin bows.

Miss Cara Nell Feighny, Atoka, presented an organ prelude of nuptial music and accompanied Mr. Bill Myers, Big Spring, Texas, as he sang "The Sweetest Story Ever Told," "If I Could Tell You," and as the couple knelt, "O' Perfect Love." She also played the traditional wedding

marches. Miss Feighny wore a dress of light blue organdy which was styled identically to that worn by the attendants.

Mr. Harold Taoz, Limestone Gap, escorted his niece to the altar and gave her in marriage. She wore a floor-length dress of white, delustered satin and Alecon re-embroidered lace designed with a deep lace yoke and delicate neckline of scallops traced with seed pearls and rhinestones. The sleeves were of lace and extended to petal points over the wrists. The princess front cascaded into a voluminous skirt in the back and swept into a chapel train. Her fingertip veil of French illusion was secured by a crown encrusted with seed pearls. She carried a cascade of white feathered carnations and stephanotis with a white orchid nestled in the center. Showers of white satin streamers held stephanotis and net puffs.

Mrs. Ronnie Harper, Atoka, attended the bride as matron of honor. Her ballerina length dress was of canary organdy and was fashioned with a circular skirt. The moulded bodice featured an off-shoulder berth of folds caught at each side with a band of organdy. Her linen shoes were of matching hue. Her headdress was a shoulder veil of canary illusion which fell from a circlette of canary flowers. She carried a colonial bouquet of orchid carnations showered with feathered carnations.

Eleeca Kay Amason, Wilburton, cousin of the bride, and Tommy Benefield, Yuma, Arizona, brother of the bride, lighted the candles. Eleeca Kay wore a dress of white satin and lace, fashioned with fitted bodice, lace yoke, and full skirt of lace ruffles. Her headdress was of lace and feathered carnations. Ring bearer was

Tom Conway, Big Spring, Texas, cousin of the bridegroom. Mrs. Warren Amason of Wilburton, cousin of the bride, registered the guests.

Mr. Bob Beck of Wichita Falls, Texas served as Mr. Patterson's best man. Ushers were Gene Hadley, Covington, Tenn.; Pat Clendenning, Jackson, Miss.; and Tal Bonham, Fort Worth, Texas.

Mrs. Benefield chose for her daughter's wedding a street length dress of blue lace with matching accessories. Her corsage was an orchid. The bridegroom's mother selected a street-length dress of pink all-over lace and wore matching accessories. Her corsage was an orchid.

For travel Mrs. Patterson was attired in a two-piece dress of Nile green Italian silk, styled with a sabinna neckline with a deep collar of green over white. Her accessories were in beige. Her corsage of a white orchid was taken from her wedding bouquet.

Following a wedding trip to New Mexico the couple will be at home at 500 West Lincoln, Mangum, Oklahoma, where Mr. Patterson is employed as director of music and educational director at the First Baptist Church.

The rehearsal dinner for Miss Louginia Benefield and Mr. Sam Patterson's wedding party was given by Mr. and Mrs. Carl Allen and Mr. and Mrs. Harold Toaz in the home of the former on Thursday evening.

The dining table was spread with an imported cut work cloth. The floral arrangement of rainbow daisies was centered around a large set of silver rings. Flanking the arrangement was a miniature bride and groom holding hands through the rings. Attending were Miss Benefield, Mr. Patterson, Miss Nancy Heard, Miss Claudia Jones, Miss Gloria Voto, Mr. and Mrs. Ronnie Harper, Mr. Bill Myers, Tal Bonham, Gene Hadley, Pat Clendenning, Cara Nell Feighny, Rev. and Mrs. Dean Rainwater, Mr. and Mrs. U. Z. Patterson, Mrs. Kathryn Hacker, Mrs. Joe Benefield, Eleeca Kay Amason, Mrs. Max Copeland and Mrs. Wily Keith.

Mrs. L. R. Dean of Amarillo spent the Fourth in the home of Mr. and Mrs. L. L. Wood.

Sweet "16"—Chocolate, Too

A 16th birthday is pretty important to most girls—and Nancy Priest, of Washington, D. C. is no exception. The big chocolate "16" on the cake is proof of its importance in the Priest household. Helping out with the candle-lighting ceremony is Nancy's mother, Mrs. Ivy Baker Priest, the Treasurer of the United States. Nancy has often been reminded that she shares the same anniversary with the Series E Savings Bond, and it is fitting that her gifts should have included the two U. S. Savings Bonds shown in the lower right-hand corner. Like most girls her age, Nancy is looking forward to college, and her Bonds will come in handy to help out with the expenses. Many thousands of students are in college today because their parents regularly bought Savings Bonds in their names—some for all 16 years.

Mann - Turner

Nuptial vows were exchanged recently by Miss Ruby E. Mann, daughter of Mr. and Mrs. Henry H. Mann, and Abe M. Turner, Jr., son of A. M. Turner Sr., of Haskell, Texas. The double ring ceremony was read by the Rev. Dan H. Barfield, pastor of the First Presbyterian Church, Rule, Texas, at the Joseph A. Hill Chapel on the campus of West Texas State College, Canyon.

Organ selections, played by Mary Lou Morris, included "Dearie Beloved," "The Day of

Golden Promise," "I Love Thee," and "I'll Walk Beside Thee". The Rev. Dan Barfield sang "Wedding Prayer" and "The Lord's Prayer". Traditional wedding marches were used.

The bride was given in marriage by her father before an altar of white gladioli and red carnations flanked by candelabra. The bride was attired in a white silk organza ballerina length dress. She carried a white Bible topped with a white orchid and red feather tip carnations.

Miss Maybelle Harris of Dumas attended the bride as maid of

honor. A. J. Fester of Canyon was the bridegroom's best man. Miss Frances Mann, sister of the bride, was the candlelighter. Marshall H. Joyce, Bill Dilbeck, and Jan Turner were the ushers.

Following the ceremony, a reception was held in the home of Mr. and Mrs. Jan Turner. Joy Turner presided at the guest book. Jo Ann Joyce served punch and Joan Dilbeck served cake.

After a wedding trip to New Mexico and Arizona the couple are at home at 307 9th St., Canyon, Texas.

The bride is a graduate of Clarendon High School and Clarendon Junior College and is now attending West Texas State College. The bridegroom is a graduate of Haskell High School and Texas Technological College in Lubbock and is now engaged in business in Canyon.

Nuptial Plans Revealed

Mr. and Mrs. Ray Moreman, Hedley, Texas, are announcing the engagement and approaching marriage of their daughter Joan Ray, to Dr. Clifford Sims Whitmore, son of Mrs. C. M. Whitmore of Houston and the late Mr. Whitmore. The wedding is to be read September 2nd at St. John the Baptist Episcopal Church, Clarendon, Texas.

Nuptial plans were revealed Sunday evening at the Moreman home at an informal garden party. Guests were greeted by Mr. and Mrs. Moreman, Joan and Cliff, and Miss Nettie Sims, aunt of the groom-elect. Mrs. R. E. Mann, grandmother of the bride-elect, presided at the registrar.

Laid with a white linen cloth, the serving table centered a large white candle with a chain of Shasta daisies leading to a yellow satin streamer announcing the wedding date, September 2, 1957. Mrs. Carl Gerlack and Mrs. Carol Deahl, aunts of the bride-elect, served individual cakes which were decorated in the honoree's chosen colors of yellow and white, and punch.

Others in the house party were Claudia Calloway of Dallas, Je Ella Gerlack, and Mrs. Clifford Johnson. Eighty guests attended

the courtesy. Out-of-town guests were Mr. and Mrs. T. H. Devers, Jr. and Johnny, Mr. and Mrs. J. H. Morris, Mrs. L. B. Merrell, Mrs. Lee Trigg, Muffett Ann and Lee Merrell, all of Memphis; Judy Bowman of Port Aransas; Mr. and Mrs. H. M. Eredlove, Mr. and Mrs. H. C. Shaw, Jr., Mr. and Mrs. Wink Adams, Mr. and Mrs. Harold Phelps, Dr. and Mrs. Chas. Deyhle, Miss Marjorie Harlan and Lloyd T. Shelton, Clarendon, Texas; Mrs. D. H. Davenport and Mr. and Mrs. Horace Duvall of Lakeview; Mr. and Mrs. Earl Allen, Mr. and Mrs. Fred Bourland and daughters, Freda, Beth and Lynn of Quail; and Jack Moreman of Lubbock.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Van S. Knox of Ahtola, Texas announce the engagement and approaching marriage of their daughter, Patricia Ann, to Mr. Glenn Franklin Wallace, son of Mr. and Mrs. Leamon L. Wallace of Clarendon. The wedding date has been set for Saturday, August 30, 1957.

WEDDING PLANS ANNOUNCED

Mr. and Mrs. T. H. Gattis, Clarendon, Texas announce the engagement and approaching marriage of their daughter, Mary Ida, to Mr. Roy Fred Whitten, son of Mr. and Mrs. W. C. Whitten of Lakeview, Texas.

Vows will be exchanged July 20th in the home of the bride-elect's grandparents, Rev. and Mrs. G. H. Gattis at Wichita Falls, Texas.

GARDEN CLUB TO MEET

The Garden Club will meet at 9:30 a. m. Thursday, July 19, for a morning program at Patching Club House. Hostesses will be Mrs. H. T. Warner and Mrs. Lee Holland.

ICE CREAM SOCIAL

The ice cream social at the Chamberlain Community Center Friday night July 5, was attended by many friends and neighbors. Visiting was enjoyed until 9:30 p. m. Then everyone enjoyed delicious ice cream and cake.

We thank Mr. Bradshaw for the electric clock he gave us for our Community Center.

Laura Ivey will be hostess for the club meeting July 11. It will be an all day quilting with a covered dish luncheon at noon. All you friends and neighbors come help us quilt for Laura as she thinks since summer is here, winter isn't too far off.

—Reporter.

Those to enjoy dinner in the home of Mr. and Mrs. F. E. Caraway Thursday were Mrs. J. J. Thurman of Randlett, Okla., Mr. and Mrs. A. B. Thurman of Walters, Okla., Mrs. C. W. Richerson of Phillips, Texas, Mr. and Mrs. D. S. Smith and Claude Lindsey. Afternoon visitors were Floyd Spitzer of Denver, Colo., Joy Roberson and Mrs. V. Littlefield of Goldston, Texas, Leonard Dozier and Woodley Richerson.

Mr. and Mrs. Ernest Jenkins and Sharon of Ralls, Mrs. Marie McMahan of Abernathy, Mr. and Mrs. Jimmy Jenkins and Mr. and Mrs. Jack Semrad and Beth of Amarillo visited through July 4th in the home of Mr. and Mrs. Henry Tatum.

Mr. and Mrs. M. L. Rattan of Ashtola and Mr. and Mrs. Lloyd Hefner and Holley of Amarillo visited Thursday in the home of Mr. and Mrs. A. O. Hefner.

Mrs. J. J. Thurman of Randlett, Okla. visited last week with her sisters, Mrs. Flen Caraway and Mrs. D. S. Smith.

VACATION IN NORTHEASTERN STATES

Mr. and Mrs. Herschel Feeth and family expect to return home the last of the week after a vacation with her sister and family, Mr. and Mrs. Hilary Conner and family at Providence, Rhode Island. Enroute there they went by Chicago and New York. They expect to return by way of Washington and Tennessee.

NEW AGENT HERE

Frieda Siddle has taken over the agency for the Amarillo Daily News-Globe with delivery service to your door. Deliveries are made in the early morning and afternoon as well as early Sunday morning.

Mrs. Siddle stated that she had tried to contact most of those who had previously taken the paper but that if she had missed anyone interested in receiving house delivery she would be glad to hear from you. She promises prompt service.

Mr. and Mrs. Edwin J. R. Cox and children, James Robert and Elizabeth Ann from Hawthorne, New Jersey visited the past week in the home of Mr. and Mrs. Tom Tucker here.

Jimmy Gattis who is working at Earth, Texas this summer spent the July 4th holidays with his parents, Mr. and Mrs. T. H. Gattis.

Mrs. Lee Lane and Patti of Mena, Ark. are visiting in the home of Mr. and Mrs. Cap Lane and with other relatives and friends.

Dan and Kay Sams of Brownfield are visiting their grandparents, Mr. and Mrs. A. D. Estlack and other relatives.

ENLISTS IN ARMY

Robert F. Crawford Jr., 17, son of Mr. and Mrs. Robert F. Crawford, has enlisted in the Branch of his choice, (Military Police Corps) for a period of 3 years. He will receive his basic training at Ft. Chaffie, Ark.

Holiday visitors in the home of Mr. and Mrs. C. B. Harp and Lucky were Mrs. Kermit Evans and daughter of Dallas, and Mrs. Jack Scott and son, Earl Evans, of Tucumcari, N. Mex.

Col. R. H. Gattis of Las Alamos, N. Mex. and Mrs. T. T. Knight of Santa Fe, N. M. visited recently in the home of their brother and family, Mr. and Mrs. T. H. Gattis.

Mrs. Gail Ledbetter and son Gary returned to their home in Conroe, Texas Friday after a visit with her parents, Mr. and Mrs. O. C. Watson.

Mrs. Gail Ledbetter and Gary of Conroe, Texas and Mrs. O. C. Watson visited recently in the O. C. Watson, Jr. home in Colorado Springs, Colo.

Cliff Stogner spent the July 4th holiday visiting homefolks. Cliff is employed at the Monahans News at Monahans, Texas.

Mr. and Mrs. G. W. Estlack spent Sunday in the home of her sister and family, Mr. and Mrs. L. T. Whitlock and Larry, at Amarillo where they also visited with her mother and grandmother, Mrs. Faye Scoggins and Mrs. Mattie Tyree of Phoenix, Arizona.

Mr. and Mrs. Charles Wood of Lubbock visited July 3rd and 4th in the home of Mrs. J. D. Wood. Mr. and Mrs. Jiggs Mann and Camille were July 4th visitors.

Protecting Retired Acreage

John C. White, Commissioner Texas Department of Agriculture

Texas seed laws are being taken to task because of an oversight in one of the country's most important agricultural programs—the Soil Bank Conservation Acreage plan.

Because Federal conservation acreage measures fail to stipulate that seed bought for use on reserved acreage be tested and tagged to qualify for federal payment, some persons are disregarding state laws which establish standards of purity and quality for commercial seed.

For example, the Federal Government has agreed to pay 80 percent of the purchase price for grain sorghum seed used on retired acreage, whether the seed be cleaned, tested, tagged, treated, or not.

False Encouragement

Those who have construed this as encouragement to plant "cheap" seed in order to effect slight savings in costs are endangering the value of their land in the long run. It is hoped that the oversight which might cause such false encouragement will be cleared up soon.

Texas seed laws provide that all seed sold or offered for sale in the state, excepting some transactions between farmers, must meet certain requirements to prevent the return to the soil of undesirable weed seed contained in crop seed.

For only a few extra cents per acre, a farmer can be assured that his land value will not drop. If he unwisely and ill-advisedly uses low-quality and possibly polluted seed, he may well be incurring a higher loss than whatever payment he will receive from the Soil Bank.

No Bargain Basement Seed
Failure to use good, tested and tagged seed for any soil-building program defeats the entire purpose for which the land is being retired. The risk is great that improper, untested seed may contain weed seed which can create a permanent blight on the land. The purpose of acreage retirement is to build and revitalize land with healthy, and helpful crops, not to jeopardize it with a "grab-bag" seed purchase.

There is no such thing as bargain basement seed, whether it be used to plant a major crop or to give your land a rest.

HERE'S HEALTH!

By Lewis

The "Rains" And Social Security

Probably few farmers have seen any connection between the recent rains and their social security payments. According to a statement from John R. Sanderson, Manager of the District Social Security Office in Amarillo, there is such a connection.

Over 1200 farmers have filed claims for monthly social security payments in the Amarillo Office this year. Except for farmers who became age 72 before 1957, payments cannot be made for all months of the year to a farmer who has net profits of over \$1200 in 1957. Because of the recent rains, many farmers who did not expect net profits of over \$1200 when they filed their claims now expect more than that amount in 1957.

Sanderson urges any farmer now under age 72 and receiving social security payments to have these payments stopped if he feels that his net profits will be over \$1200 in 1957. If he fails to stop the payments and does have net profits of over \$1200, he will have been over-paid and will have to refund some or possibly even all of his 1957 payments. At the end of the year when the exact amount of 1957 profit is known an adjustment will be made to pay the farmer for any additional months due him or to collect from him the amount of any over-payments already made to him.

Since both 1955 and 1956 were low income years for most farmers, it is quite possible that a good crop in 1957 could cause an increase in the amount of a farmer's social security payments. Applications to have payments refigured to include 1957 profits cannot be filed before July 1, 1958.

STATE FAIR OF TEXAS

The State Fair of Texas will award premiums totaling \$86,095 in its Pan-American Livestock Exposition and Junior Livestock Show during the 1957 State Fair, Oct. 5 through 20.

The total is \$2,945 more than the fair's 1956 premiums. Pan-American premiums amount to \$71,533 for beef and dairy cattle, swine, sheep, Angora goats, horses and ponies.

The Junior show premium list totals \$17,562 for dairy animals, steers, pigs and lambs. Pan-American beef cattle premiums total \$24,000, with \$7,500 for Herefords, \$6,000 for Angus, \$4,500 for Brahmans, \$3,000 each for Santa Gertrudis and Shorthorns.

The dairy cattle premium total of \$17,700 is divided into \$5,700 for Holsteins, \$5,000 for Jerseys, \$4,000 for Guernseys and \$3,000 for Milking Shorthorns.

Swine breeds will compete for \$7,020, sheep \$5,029 and Angora goats \$1,324.

Of the \$12,910 allocated for the horse shows, \$4,000 will go to Shetland ponies, \$3,840 to Quarter horses, \$3,070 to Palominos and \$2,000 will be awarded in the open cutting horse contest.

There will be a special herdsman award of \$50.

Premiums for the Junior show are as follows: Dairy animals \$3,010, steers \$3,252, market steers \$4,650, pigs \$4,215, lambs \$2,035, and junior herdsman award \$400.

The Pan-American Livestock Exposition will be presented during the first nine days of the fair, Oct. 5-13, and the Junior Livestock Show will be held during the second week, Oct. 14-19. The fair's official Premium Book with details of all livestock events will be available early in

ASHTOLA NEWS

Mrs. Doyce Graham

Ann Porter had a birthday Sunday and as her guests she had Connie Phillips and Linda DeBord. She served cake and Cokes and all had a good time. Happy birthday Ann.

Bernice and Claude Porter visited their parents, the L. M. Porters during the week end.

Mr. and Mrs. Willard Cook and Dean visited Mr. and Mrs. W. A. Poovey the week end.

Mr. and Mrs. R. C. Walker of Gainsville were guests of Mrs. Anna Porter Monday and Tuesday.

Mr. and Mrs. Dane Perdue and girls spent Sunday with Mr. and Mrs. John Perdue and grandma Perdue.

Mr. and Mrs. Ray Walker and Mrs. Audrey Partain of Amarillo spent Thursday in the Robert Partain home, and Roberta Partain returned home with them for a ten day visit.

Nancy and Trey Morris visited in the H. A. Green home this week.

Patricia and Bernie Green have gone to the Methodist Encampment at Ceta Glenn near Canyon this week.

Mr. and Mrs. D. T. Goodman visited Mrs. Doyce Graham Monday.

Mrs. Hall Hardin attended classes in Canyon as a guest of Mrs. Dorothy White Tuesday.

Mr. and Mrs. Hall Hardin attended the Fire Works Display in Amarillo Thursday night.

Visiting Mrs. Lena Mae Graham one day last week were Mrs. W. H. Morrow, Mrs. Ralph Morrow, Mrs. Kermit Evans, and Mrs. Charlie Harp.

We are nappy to learn Mrs. Mattie Webb is back home with the Marshalls.

Mrs. Kermit Evans and Carol of Arlington were guests of the C. B. Harps during the holiday.

Linda Kay Hardin is enjoying the Methodist Assembly at McMurry College this week.

Mr. and Mrs. Millard Word and Janice Christal attended ceremonies at Beeville in which Millard Word, Jr. received his wings. They report the service was very impressive and inspirational. Millard was second highest in class honors, and we offer our congratulations.

Mr. and Mrs. John White attended a Deaton reunion at a Borger Park Sunday.

Mr. and Mrs. D. W. Tomlinson and boys of Phillips spent Sunday with Mr. and Mrs. Doyce Graham. In the afternoon they all went to Amarillo to see Don Barker, who is recuperating from surgery in St. Anthony's Hospital. Sue Hill spent the week at

Amarillo with her cousin Kathy Spier.

Mr. and Mrs. H. A. Graham visited Mr. and Mrs. Haskell Talley and daughter at Dodson Sunday. They also visited relatives in Wellington.

Sue Hill spent three nights this week with her cousin Helen Wood at Hedley.

Don Mooring spent Tuesday with Mike Graham.

Friends of Mrs. Bob Mason will be sorry to learn she is quite ill in her home at Hereford.

SCIENCE IN YOUR LIFE

New Lives For The Old

Old age is traditionally regarded as a time of drastically curtailed vigor and activity. New knowledge of the process of aging, however, is beginning to lead specialists to believe that this need not always be so.

Diminishing vigor in later years, research has indicated, is often a result of inadequate intake of vitamins, minerals and important proteins. Lessening hormone production by the body after the reproductive years

also appears to play an important role. If these substances could be supplied in the diet, research workers reasoned, perhaps the aging process could be slowed down.

In one recent test, Dr. H. L. Klemme, an Arkansas physician, evaluated this kind of supportive therapy in 35 aged people. A special formula, including vitamins, minerals, hormones and blood-building ingredients, was used in the test.

After two weeks of treatment, 33 of the 35 people showed both physical and mental improvement, Dr. Klemme reported. The invigorating effect of the formula, called Neobon, was accompanied by a sense of well-being, improved appetite, better flexibility of limbs and improved social behavior—truly a remarkable achievement.

For many older people, who are plagued with poor teeth, ill-fitting dentures, emotional depression and lack of any compelling interests in life, nutrition is a constant problem. Living on toast and tea may be the easiest way to get through mealtimes, but it is far from the healthiest way to support the body's needs. For such people, a diet supplement can enable them to enjoy to the fullest those extra years given them by modern medical advances.

Israel Holidays A Tourist-Attraction

SOUNDING THE RAM'S HORN or "shofar" to announce important events is a tradition which goes back to biblical days. The Israel above, ushering in the Hebrew New Year "Rosh Hashanah," is attired in the customary garb of Kurdish Jews. Since Israelis stem from more than 70 lands of East and West, their costumes and ceremonies are almost as varied, making holidays in Israel a major tourist attraction. More than 80,000 visitors are expected in Israel this year according to the Israel Government Tourist Office in New York.

Dusters Defeat Hawks 17 to 3

The Clarendon Dusters defeated the Amarillo Hawks at Amarillo Sunday afternoon 17-3. Don Newman pitched the Dusters to victory allowing the Hawks only 4 hits and 3 runs. He also had 17 strikeouts.

Skinney Putman and Herald Stogner led the Dusters in hitting with each getting 3 hits. Manager Waylan Newman said the Dusters looked mighty good Sunday and is hoping they continue to improve before the playoffs in August.

The Dusters will play Groom here in Duster Park at 3 o'clock Sunday afternoon in a make up game. All you Duster boosters be sure you give them your support.

Mr. and Mrs. Frank Tyler and children of Lubbock were holiday visitors in the home of her parents, Mr. and Mrs. G. C. Heath and with other relatives and friends.

FARM NEWS

from the County ASC Committee

COTTON MEASUREMENT PROGRESS

Out of the 752 cotton farms in Donley County, measurements on 114 have been completed in the field. This is approximately 15 per cent of all the farms. The acreage computations have been completed and notices mailed on 63 of the measured farms. If your notice showed you overplanted, you have 20 days from the date on the notice to dispose of the excess acreage. If a producer has reason to believe the measurement of cotton to be incorrect, a remeasurement may be obtained by filing a request in writing and depositing \$5.00 for the first plot and \$2.00 for each additional plot. In case a remeasurement is desired or the excess acreage is disposed of the Donley County ASC office must be notified at once in order that we can arrange for the necessary work.

1957 WHEAT PRICE SUPPORT RATES

The 1957 support rates for No. 1 Hard Winter Wheat in Donley County for farm stored and country warehouse loans will be \$2.01 per bushel. The rate at the Galveston terminal will be \$2.49 per bushel.

The following undesirable varieties listed by class will be subject to discount in addition to any other applicable discount:

- Hard Red Winter — Stafford, Pawnee Sel. 33, Red Chief, Chiefkan, Early Blackhull, Red Jacket, Kanking, New Chief, Blue Jacket, Purkof, Cinarron and Red Hull.
- Hard Red Spring—Henry (except in Wis. & Wash.), Spinkcota, Premier, Sturgeon, and Progress.
- Drum—Pentad, Golden Ball and Peliss.
- White—Rex and Sonora
- Soft Red Winter—Kawvale

A THOUGHT FOR THE DAY
Vacation time is here again, and our thoughts no doubt will take a stroll into vales like these. The little cares that fretted me I lost them yesterday. Among the fields above the sea. Among the winds at play.

Mrs. Benny Edens and children of Lovington, N. M., who have been visiting here with her parents, Mr. and Mrs. A. D. Estlack, returned home Wednesday morning with Mr. Edens who came after them.

A 'BRAIN'S BRAIN'—"Mechanical brains" are useless without a first-class human mind to figure what information to feed them. Specialist Third Class William D. Mellin of Gardner, Mass., does this work for the Army, which uses several types of electronic computers in supporting headquarters and combat unit activities.

Clarendon FFA Meeting Scheduled Friday

Members of the Clarendon FFA will gather at the Country Club at 5 p. m. Friday, July 12th. All boys who were members of the chapter during the past school year and those who intend to be members during the coming school year are eligible to attend the outing. Delegates to the state FFA convention to be held at Ft. Worth next week will be chosen.

A picnic lunch will be served chapter members at 6 p. m.

This is the first of a series of four outings to be sponsored by the organization during the summer months. Business and pleasure will be combined at each of the meetings.

VISITORS IN WHITE HOME

Mr. and Mrs. Rufus White of Fort Worth visited from Wednesday to Sunday in the home of his parents, Mr. and Mrs. Frank White, Sr. A daughter, Mrs. Dorothy Campbell of Amarillo visited from Wednesday to Friday, and a son and wife, Mr. and Mrs. Glenn White of Shamrock, visited through the day July 4th.

PLOWIN' Out the CORNERS

Uncle Zeb
TROUBLES
I've got a heap of troubles
And I've got to work them out
But I look around and see
There's trouble all about.
And when I see my troubles,
I just look up and grin
And count all the trouble
That I'm not in.

The above little thought in poem by some unknown writer just sort of hits the spot with me

HOW TO GET DEPENDABLE TV SERVICE

Depend on dependable Connie's Quality and Know How. Just Phone 54-J or 419-RX for fast, efficient service you can rely on. All work and parts positively guaranteed for 90 days.

Next door to Fire Station.
CONNIE'S RADIO & TV SERVICE

lots of times. Helps me to get my mind off of my own troubles. Isn't it a sure fact that when we get to counting up the trouble we're not in that we can find a bit of encouragement? Sort of like the old saying: "I worried because I had no shoes until I saw a fellow with no feet." We could worry about not having a high powered car, but a real worry would be to not have the physical strength to drive our old model. We could worry about not having thick steaks for dinner when the real problem could well be not having the health to eat hamburger. We could worry because we thought no one really loved us. Our real and hurtful problem might be that we didn't love anyone but our own self. We might worry because we had never had a Billy Graham or some other man to thrill us with the great story of redemption. Our real problem could be that we have never listened to that still small voice within our own self. So, many many times we can find room to be happy just by using the process of elimination.

We have a handicapped friend by the name of Bert Reichardt, who lives at 16 S. McKim St., Indianapolis 1, Indiana. Bert is president of a club dedicated to the helping of other handicapped folks. He sends us the following contributions for this column:

JOE GOLDSTON
Optometrist

"Here's to those with a heart of greed
Who refuse to share what others need.
Be what it may of many things
Nothing is sweeter than a heart that sings."
"Self pity is the most useless thing in the world."
"Courage is the key to success, if not seeking too much."

Also, Bert reminds us that the Perk Dog Food Co. is cooperating with the The Pilot Guide Dog Foundation in redeeming labels from Vets, Perk, and Peak pet food. One half cent is paid to this Foundation for each label presented. One thousand dollars will buy and train a dog and take care of the training with the blind person. If you have some of these labels and want to help with this worthy cause just mail them to Bert at the above address or mail direct to the Pilot Guide Dog Foundation, 31st East Congress St., Chicago 5, Ill.

In a very crowded vestibule of a church during a late service a little four year old boy startled those about him by asking his father, "Can God see me all the way back here?"
It comforts our hearts to know that God sees us all the time, and even more perhaps when we are the most hid. In our secret closet, in the field, in a strange crowd,

anytime we think of Him or turn to Him it is instantly right then that He sees and hears us.

seed harvest. Of course no ACP assistance could be received for the rye cover crop, if it were harvested.

All the soil in the Donley District would benefit from such treatment. It would help sandy land to retain more moisture for plant use, and help get more moisture into the tighter soils. It would make the soil more mellow and reduce the tendency to crust by adding organic matter.

In order to receive ACP cost sharing for a summer cover crop, the crop must be seeded by July 15th. There is also assistance available for the winter cover crop following the summer cover crop.

Take stock of your needs and act now. It is the farmer who is constantly improving the productivity of his land and the efficiency of his operation who is most

likely to stay in the business. Technicians of the local SCS office assisting the Donley SCD will be glad to give assistance in planning a soil conserving and improving program on your farm.

DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

This year seventy four farmers on the Donley Soil Conservation District placed 1960 acres of their cotton allotment in the Acreage Reserve. This is the phase of the Soil Bank Program in which the farmer agrees not to harvest any crop off the land placed in the Reserve the year he signs up for. It offers him an excellent opportunity to plant a summer cover crop, such as guar or peas, let it make a good growth and then turn it under as a green manure crop. If this is done the land should be drilled to rye or rye and legume mixture to provide winter cover. This winter cover crop can then be turned under next spring when the land is prepared for next year's crop or if prospects look good, saved for

DEPENDABLE

is the word for Humble Service

That's the word Texans use to describe Humble service.

You can depend on it that your neighbor in a Humble uniform knows his business. You can depend on him to give your car the care it needs to keep it running right and looking good. You can depend on him to keep his rest rooms clean and sanitary. You can depend on finding his salesmen prompt, well trained and courteous.

Stop for dependable service under your neighbor's Humble sign.

HUMBLE OIL & REFINING COMPANY

Rest rooms under Humble signs are extra clean!

HUMBLE

Come in and "COMFORT TEST" a new Golden Anniversary INTERNATIONAL

New Golden Anniversary INTERNATIONALS range from Pickups to 33,000 lbs. GVW six-wheelers. Other INTERNATIONALS, to 96,000 lbs. GVW, round out world's most complete line.

There's a look of action in every fresh, clean line of the new Golden Anniversary INTERNATIONAL Trucks. And there's a feel of comfort that's hard to believe.

You just have to take our "Comfort Test" to believe it.

We'd like you to check the comfort on roads you know are rough. Try out INTERNATIONAL for easy handling, roominess, quietness... for visibility of the new Sweep-Around windshield. Compare it, too, for power and performance.

And keep this in mind all the time: INTERNATIONAL Trucks cost least to own over the years—cost records prove it!

Come in for this eye-opening test.

INTERNATIONAL TRUCKS cost least to own!
LEON DAVIS BUICK
212 Sully St. Clarendon, Texas

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

POSSIBLE ADJOURNMENT

Along about this time every year most Members of the House of Representatives and the Senate begin to make guesses as to the day on which Congress will adjourn. It had been the opinion of most Members that adjournment would come sometime between the 10th and 20th of August. This continues to be the estimate of those with whom I have talked, and also my own. However, a matter has arisen which necessitates a qualification of that estimate. I refer to the action of the United States Senate with relation to the Civil Rights Bill. When the bill that had passed the House reached the Senate, it was generally understood it would be referred to the Com-

mittee on Judiciary for further hearings. However, a coalition in the Senate, made up of modern Republicans and northern Democrats, circumvented the ordinary procedures in the Senate and bypassed the Judiciary Committee. They placed the bill on the Senate calendar to be debated and voted upon by the full Senate, without the benefit of committee hearings. This caused quite a furor among those who have always adhered strictly to the rules of parliamentary procedure. However, the modern republican and northern Democrat coalition was undismayed. They are bragging about their fancy parliamentary footwork, and chuckling can be heard even from the White House.

The chuckles may be short-lived, because the Senate action on another matter is almost as explosive and controversial as any issue before the Congress. It is called the issue of public vs private power. The bill on which the Senate voted was an act authorizing construction of the high Hell's Canyon Dam on the Snake River. A private power company is already building three small dams at this particular site. The argument has been that the three small dams are not sufficient to properly utilize the potentialities of the River; that a high dam at this site will provide many more benefits than the three small dams and will make it possible to recover the greatest power-producing potentialities. This is stating the problem simply. It is much more complex, but it would be most difficult to go into it fully in such short space. The point is that the two

Judging A Dream — Approximately 2000 dream cars, designed and built by American boys from all the 48 states, are being judged in Detroit this month to select winners in the 1957 Fisher Body Craftsman's Guild model car competition. At stake are \$115,000 in university scholarships and cash awards. Scholarships go to the national winners and cash awards to state and regional honorees. Judges are professional designers, stylists and industrial arts instructors.

groups in the Senate, who got together to place the political Civil Rights bill on the calendar, are in direct conflict on the Hell's Canyon Dam issue. The northern Democrats are for the high Hell's Canyon dam to be built by the government. The modern Repub-

licans are against the high Hell's Canyon Dam, and for the private power company building three low dams. The result is that the happy marriage between these forces on the Civil Rights bill ended up in a divorce when the vote on the Hell's Canyon bill occurred. Now these two groups are feeling around over in the House of Representatives trying to find out what will happen to the Hell's Canyon bill. It has been indicated that, if this bill is passed, it will be vetoed by the President. If the Civil Rights bill passes the Senate, it will be signed by the Presi-

dent. You can see there is going to be quite a bit of maneuvering in the last few days.

I might say I expect to be extremely occupied within the next few days, because I am on the Committee presently considering the highly controversial Natural Gas Bill. I am also a member of the Committee that will determine whether or not the high Hell's Canyon Dam bill is recommended for Floor debate. My office is on the third floor of the New House Office Building. The

Interstate and Foreign Commerce Committee, which is considering the gas bill, is located at one end of the hall, while the Committee on Interior and Insular Affairs, which will consider the Hell's Canyon bill, is located at the other end of the hall. Both of these Committees will be in session at the same time, and the presence of a quorum in both will be of tremendous importance every minute. This means that I will use up a lot of shoe leather during these committee hearings,

both of which will probably be concluded not later than July 10.

Black Friday, September 26, 1869, was the day of financial panic in Wall Street.

Beauty in motion—Chevrolet Bel Air Sport Sedan with Body by Fisher.

Here's why Chevy's best showroom is the road!

Because Chevrolet's sleek good looks, its advanced features, are only part of the story. The big bonus is its remarkable *roadability*, the crisp precision handling that has posted an entirely new standard for cars in every price class. There are reasons for this, of course: Chevrolet's balanced weight distribution that takes

excessive loads off the front wheels, the wide stance of outrigger rear springs, Ball-Race steering, spherical-joint front suspension. Sure, you can admire the sculptured lines in the showroom. But Chevy's a car specifically designed for beautiful motion—you have to travel in this one to know just how terrific it is. Try it, this week!

**FROM THE OFFICE OF
LYNDON B.
JOHNSON**

U. S. SENATOR FROM TEXAS

Senator Lyndon B. Johnson

said Sunday that one year after passage by Congress of the Federal Aid Highway Act, Texas is leading every other State in building highways under the program established by the law.

"Work is going on now or will soon be started on 267 miles of superhighways," Senator Johnson told a statewide radio audience.

"Bids are now being asked for 278 miles more.

"Texas has 2,905 miles of the interstate highway system. During the next three years we will get about \$270 million for this system. In addition, during this three-year period Texas will get about \$122 million for our primary, secondary and urban road systems."

Senator Johnson paid a tribute to the Texas Highway Department for its farm-to-market road program. Nearly 30,000 miles of farm roads are included in the State system, he said, and plans call for about 2,000 miles of new construction annually.

The Senator said the Federal Highway Act, which was passed by the 84th Congress and signed by the President in June, 1956, is one of the most progressive legislative measures ever enacted.

"I have always been a strong believer in all the good roads we can build," Senator Johnson said. "Texas is a big State and we need a road-building program fitting our size. That is what we have."

Great Plains Conservation Program

A new, long term conservation program for the Great Plains was authorized by Public Law 1021, enacted August 7, 1956. It will further help farmers and ranchers plan and install, on a voluntary basis, soil and water conservation measures and make land use adjustments needed to achieve a more stable agriculture.

Donley County is within the Great Plains area, however, to date it is not known which counties will be designated to participate in the program.

The program scheduled to go into operation in July 1957, or as soon as the Congress appropriates funds as authorized by the law, is now being developed. Its effectiveness will depend on the degree of participation by farmers and ranchers.

In general, here is what the program is. It is a further means

EXPERIMENTAL QUADROTOR—Not something swept up from the floor of the Wright brothers' bicycle shop but the latest in multi-rotor helicopters being researched for the Army is this skeleton of a four-engined craft. Its potentially biggest advantage over single and twin-rotor models is its ability to carry heavy loads short distances over combat terrain obstacles such as rivers and hills.

of helping Great Plains farmers and ranchers make needed changes in land use and establishing cropping systems with necessary conservation measures. Farmers and ranchers who wish to participate present acceptable soil and water conservation plans for needed conservation measures and land use changes. The Department of Agriculture will then offer the long-term cost sharing contracts. In the contracts advance commitments will be made to share with the farmer or rancher the cost of establishing the combination of conservation practices provided in the plan. Soil and water technicians of the Department will help farmers and ranchers make the plans. The contracts are not to be for longer than ten years, ending not later than December 31, 1971. Cost sharing help provided under P. L. 1021 is for a period of years instead of one year at a time. It provides cost sharing for a combination of conservation practices a farmer or rancher wants to undertake over a period of years and which represents the complete farm or ranch conservation

needs. It is not designed as an income supplement measure. Conservation plans under the program will, in the planning process, make needed provisions for land in the Acreage Reserve or Conservation Reserve of the Soil Bank Program. However, land in this program may be used or grazed, consistent with good management, as compared with non-use of Soil Bank Acreage. The long-term conservation practices and land use adjustments will be those known to be specially adapted and needed to further the total Great Plains Program.

For Buick Owners Only

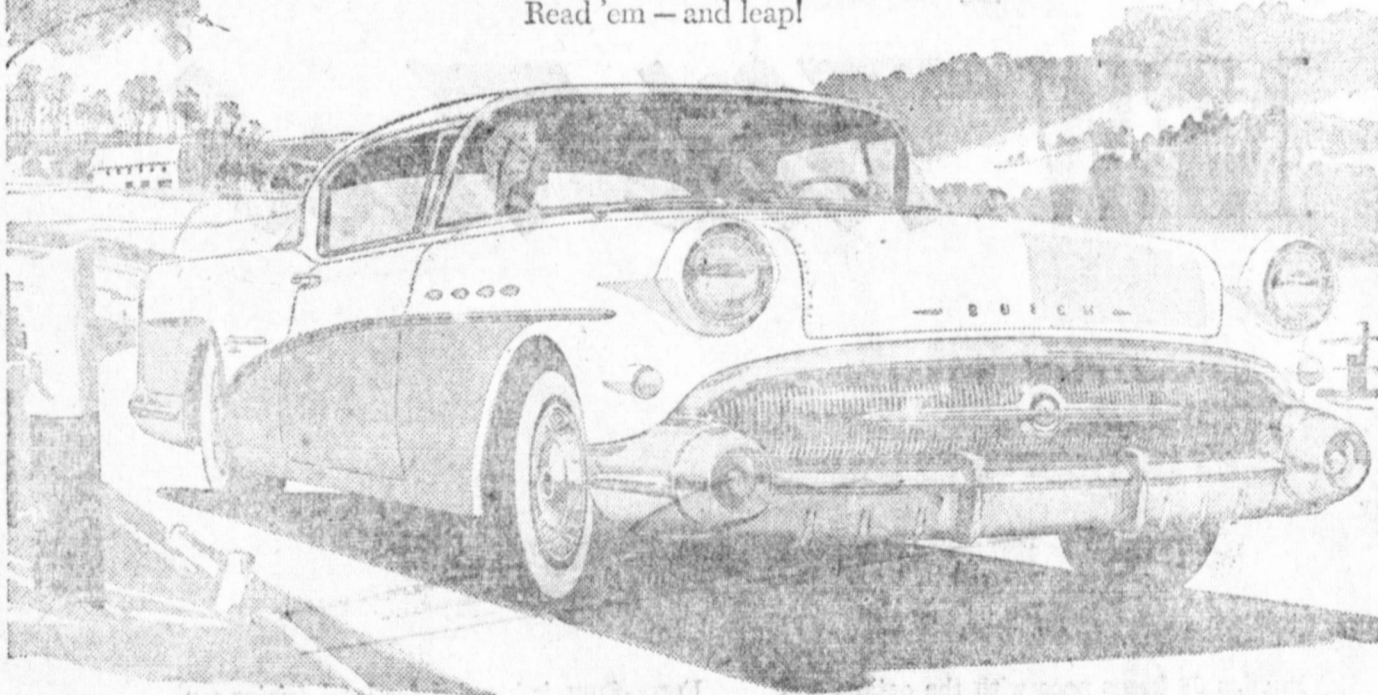

If you own an earlier Buick than our 1957 product, you're probably reluctant to part with it — and who can blame you?

After all — regardless of year or model — there's nothing like a Buick to set you a cut above the ordinary run of mortals — make you feel master of all you survey.

But listen. As wonderful as your present Buick is — we can name at least six good reasons why you should look into a 1957 Buick now.

Six good reasons why you should try this *dream car to drive* — today.

Read 'em — and leap!

6 Reasons To See Your Buick Dealer Today

1. Today's INSTANT Dynaflow — Response? When? Smoothness? Wow! Never in history such a sweet sense of control, security, safety for yourself, your family, everyone else on the road!
2. Brilliant V8 Power on Top — This big engine — completely new in 1957 — blends plenty of eager energy with silky silence. World's most advanced combination of displacement, compression, bore-stroke ratio, nodal-point balance!
3. Zestful New "Neisted" Ride — Take Buick's traditional torque-tube, coil-cushioned ride — cradle it to the lowest center-of-gravity in Buick models — and brother! You never had it so smooth.
4. Buick's One and Only Safety-Buzzer* — What's the safest pace you want to drive at? Whatever it is, turn a dial till that figure appears in a "window." If you exceed that pace, the buz-z-z tells you. Simple. Thoughtful. A great safety advance.
5. Unique Ball-Joint Handling and New Braking — Your steering is amazingly easy. Your cornering is amazingly deft. Your braking stays on the level. (And Buick's powerful new brakes dig in for straighter, swifter, safer stops!)
6. Unique Low-Sweep Styling — Clean, crisp, classic lines in the finest Buick tradition — beautiful to look at and live with. Up to 3.4 inches lower, yet more room inside. Including legroom for the folks in the middle!

P.S. You'll like today's Buick prices — and your Buick dealer's high trade-in allowances.

*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century — optional at modest extra cost on the Special. Safety-Buzzer standard on Roadmaster, optional at extra cost on other Series.

Big Thrill's Buick — The most completely changed Buick in history!

By VERN SANFORD
 Texas Press Association

AUSTIN—Travis County grand jury touched off a rash of speculation by issuing summons to a new group of witnesses.

What they found out about the affairs of the bankrupt ICT Insurance Co. of Dallas and former Ins. Comm. Chmn. J. Byron Saunders will not be known until later in the summer when the jury reports.

Colorful ex-Ranger Manuel T. (Lone Wolf) Gonzallas was the headliner witness. Gonzallas once was vice president of a Ben Jack Cage enterprise, making purse-size alarms for women to summon help. He said he had nothing to do with ICT, also managed by Cage.

Others called to testify were Mrs. Mae Swaidner of Dallas, longtime secretary to Saunders; Paul B. Kelly of Austin, personal friend of Saunders; and Dick Mallard, Tyler CPA who was asked to bring Saunders' financial records.

CAGE PROMISES TO RETURN

Meanwhile, Ben Jack Cage, kingpin of the controversy, announced from Brazil that he'll come back to Texas "in about a month" and straighten everything out.

Cage, former manager of ICT, is under indictment in Dallas for embezzlement of the firm's funds. Governor Daniel had tried to get Cage forcibly returned to Texas for trial, but found the U. S. has no extradition treaty with Brazil.

Cage terms the Texas talk "hysteria," blames his successors at ICT for the company's collapse. But, he said, he plans to set up a corporation under which 75 per cent of his earnings for the

rest of his life will go to repay ICT shareholders.

"NEW LOOK" LAUNCHED

Texas' long-heralded "clean slate" Insurance Commission is finally a reality.

The "New Look" was officially launched with the appointment of Assistant State Auditor William A. Harrison as Commissioner of Insurance. Under the reorganization law passed by the last legislature, the commissioner is to be a \$20,000-a-year executive who will run the department.

Although it will be one of the highest-paid posts in state government, Harrison is serving without pay. Through oversight the legislature neglected to make the commissioner's salary effective until Sept. 1.

Harrison, who was named "temporarily" until September, is reportedly serving "on faith" that the Legislature will make some adjustment when it next meets.

TEACHER MONEY ASSURED

Teachers, who've had state officials scraping and scrambling for months, are now apparently assured of receiving their \$399 a year raise beginning next fall.

Atty. Gen. Will Wilson ruled that \$4,000,000 can be made available for this purpose on Aug. 22. A bill authorizing transfer of this amount from the permanent school endowment fund becomes effective 90 days after adjourn-

ment, said Wilson.

Earlier, doubts had been raised whether wording of the bill would permit the transfer before the end of this fiscal year, Aug. 31st.

FISHT WITH THE WORST

Cost of Texas' severe weather damage in 1957 will probably top \$100,000,000, says William L. McGill. Official total is already more than \$91,090,000.

McGill, director of Texas Civil Defense and Disaster Relief Headquarters, said this year has brought the "most far-reaching and widespread destruction the state ever has known."

Texas always has had the "dubious distinction" of leading the nation in catastrophes he said, recalling the Galveston flood, New London school explosion, and the Texas City disaster.

But 1957, he recounted, brought, in just four months, 120 tornadoes that hit the ground; major floods in 13 river basins; and, for good measure, the worst blizzard in history in the Panhandle.

As McGill spoke at a statewide Civil Defense Advisory Council conference in Austin, hurricane warnings were posted on the Gulf Coast. "That," said McGill, "is all we needed."

HIGHWAY PLANS EXPLAINED

State Highway Engineer D. C. Greer is trying to soothe riled East Texans who learned that a proposed new interstate highway would bypass them.

Plans show that "Interstate 2," designed to extend from Shreveport, La., to El Paso, would miss both Wood and Upshur Counties.

Greer promised that present U. S. Highway 80, which runs through those areas, will be improved to a 4-lane artery. It will serve the purposes of the area better than the controlled-access interstate road which does not permit easy cross-traffic, said

Farm Tanks Full; Owners Want Fish

AUSTIN—Land owners whose stock tanks and farm ponds have been dry since they were built now are wanting fish to stock them, according to the Director of Inland Fisheries of the Texas Game and Fish Commission.

On Tuesday the Department received 204 applications in one mail. During the past two weeks thousands of others have poured into the office.

Several of the hatcheries have been badly crippled by flood

waters, curtailing the production materially. Applications will be processed and efforts will be made to distribute the fish as equitably as possible to the major impoundments, according to the Director.

On ponds smaller than ten acres, no fish can be delivered by the Department before Sept. 1st. Owners, however, whose applications have been approved, can pick up fish by calling at the hatcheries. Since bass fry are no longer available, lakes in excess of 9 acres cannot be stocked with them before the spring of 1958.

Grasshoppers cannot jump unless the temperature is at least 62 degrees Fahrenheit.

 Who today was sold a piece of "blue sky."
 He'd stepped in a showroom—out of the rain,
 Was sold a new car before he could explain!
 How he hated the styling—so high and square
 And in new features it was really bare.
 "I got a real bargain—the buy of my life—
 But how do I ever convince my own wife?"

Moral: You're paying for a new car... make sure you get one!

When you buy a new car, put your money on tomorrow—not yesterday. Swept-Wing Dodge actually *obsoletes* other cars in its field. Should you invest in high, boxy styling when Dodge offers the low, low look of tomorrow? Should you invest in outmoded coil springs when Dodge offers new Torsion-Aire Ride? Should you invest in an old-fashioned lever-type transmission when Dodge offers the ease of Push-Button Driving? In other things, too—engines, brakes, interiors—Dodge is years ahead. So put your money on tomorrow. See your Dodge dealer. Join the swing to the Swept-Wing Dodge!

A New High in Performance!
Phillips 66 Announces
NEW Flite-Fuel

Phillips 66 keeps pace with the octane and power requirements of the new super-cars by bringing you its new FLITE-FUEL, blended for super-performance! Not only new cars, but older cars, too, will benefit from the remarkable new performance qualities of new Phillips 66 FLITE-FUEL. This better-than-ever FLITE-FUEL is blended for local driving conditions. It's the only gasoline containing added Di-isopropyl. It's clean burning! It has extra high octane for smooth power and long mileage. You'll discover a new high in performance when you fill up with new FLITE-FUEL at your Phillips 66 Dealer's.

Test Drive Flite-Fuel Today!

It's Performance That Counts!
