Hedley Cotton Queen For 1957-1958 To Be Crowned October 24th

Fifteen beautiful girls appeared on the stage of the Hedley Theatre last week and will be competing for the throne of Miss Loveta Houdashell, Hedley Cotton Festival Queen. The contest will close Oct. 23rd and the Queen of the Sixth Annual Hedley Cotton Festival, and Semi-Centennial Celebration will be crowned the following night. The Coronation Ceremonies will be held at the Hedley High School Auditorium and W. L. (Bill) Smith of Ralls, Lions International District Governor of this district, will crown the incoming queen.

The Hedley Cotton Festival works in conjunction with the National Cotton Council of America in furthering the sale of cotton products and by-products. In their several personal appearances and the television show on Station KGNC the girls will wear all cotton evening dresses. Also during the Festival, using live models, there will be an all cotton style show. This showing consists of a complete ladies cotton wardrobe from evening dress to bathing suits. Designed by the leading directors of America these garments show what can really be done with cotton.

Another object of the Festival is the growing of more cotton per acre of better grade and staple in Donley County. With the use of commercial fertilizers, rotation of crops, growing of cover crops and soil building crops, and other methods prescribed by our county agent and other agricultural agents Donley County is fast becoming one of the best per acre farming sections in the state. In addition with the present amount of irrigation and many more wells to come and Texas' Water Conservation program Donley County could soon become the garden spot of the nation.

Hedley is 50 years old and will be celebrating its 50th Anniversary celebration in connection with the Festival. Due to this fact and the growing popularity of the Festival another day has been added to the celebration. It will be held Thursday, Friday and Saturday, Oct. 24-25 & 26th.

Mrs. M. W. Andis, former Clarendon resident and mother of Mrs. Boots O'Neal, passed away September 27th at Hominy, Okla. while visiting a son there. Death was attributed to a heart attack. Funeral rites were held in Hominy by Powell Funeral Home.

Mrs. Andis was born in 1874 and was a resident of Clarendon for a number of years.

She is survived by six sons, C. G. Melton, Strugard, Ark.; Brit Melton, Amarillo; Jim Shepherd, Hominy, Okla.; George Shepherd of Magdalena, N. M.; Carl Andis, Bend Oregon and Buck Andis, New Orleans, La.; two daughters, Mrs. Bernice O'Neal of Clarendon and Mrs. Lela Hill of Lawton, Okla.

COLT MOTHERS TO OPERATE CONCESSION STAND

The Colt Mothers have announced that they will operate the concession stand at the Jr. High football games this year. Goodies for sale will be Hot Dogs 20c, Popcorn balls, coffee and bottle drinks 10c. Everybody will be given an opportunity to take home one of two cakes at the first home game of the season, October 10. Proceeds will go to help finance the banquet for the boys at the close of the season. The Jr. High Colts will go to McLean Thursday night, October 3rd, for their first game of the season. Let's all try to go and back the Colts.

Cotton Festival Queen

MISS LOVETA HOUDASHELL (Selected Queen for 1956-57)

Local F. H. A. Has Seventy-Seven Members

"F.H.A. is popping out all over" in Clarendon this year as the chapter completes its membership drive and initiation ceremonies. Total membership in this youth organization includes seventy-seven active members. This represents 80 percent of the total enrollment of girls in high school.

Serving as president this year is Miss Beth Gillham, daughter of Mr. and Mrs. John Gillham. Serving with her are Sharon Smith, vice president; Pat Spurgeon, recording secretary; Vicki McAnear, corresponding secretary; Sandra Pinkerton, treasurer; Jean Welch, Parliamentarian; Elaine Behrens, Historian; Pat Owens, Sargeant-at-arms; Georgia Bell Harmon, pianist; Glenda Koontz, song leader; Betsy Chamberlain, reporter.

The following mothers were elected Chapter Mothers for the year: Mrs. Lee Bell, Mrs. George Smith, Mrs. G. A. Lamberth, Mrs. Pete Darnell and Mrs. W. F. Vanderburg. Their adviser is Mrs. Fred Bourland.

Thirty-five freshmen were initiated September 30th in a formal ceremony. Informal initiation of the freshmen was in the form of a slumber party this year. Two programs a month furnish training as well as entertainment for this group.

The Clarendon Chapter of the Future Homemakers of America attend one area meeting a year, and two chapter members attend the State F.H.A. meeting. They follow a definite program including both state and national projects.

The letters F.H.A. may stand for many different things to many people but in Clarendon, it represents seventy-seven girls who are striving to learn to live better today in order that their lives and those of their families may be better tomorrow through their Future Homemaker's activities.

Harold Lindley To Be Honored By State Fair

Harold Lindley, 1957 Star Lone Star Farmer of Area I and third ranking Lone Star Farmer of Texas, will be one of ten top F.F.A. and 4-H Club members to be honored by the Texas State Fair this weekend at Dallas. The annual Youth Awards Banquet sponsored by the fair will be held at the Adolphus Hotel at 7 P. M. Friday, October 4th. Harold along with the other nine youths will be the special honored guests of the fair. Harold's parents, Mr. and Mrs. Dennis Lindley, and his instructor, J. R. Gillham, and Mrs. J. R. Gillham, are to be guests of the State Fair for the special occasion.

The group from Clarendon will be honored guests of the fair throughout Friday and Saturday at the Fair with all expenses paid by the fair. It is quite an honor for one of Donley County's youths to be one of the top ten young men in the state, and the people of Donley County are proud of Harold's accomplishments.

4-H Club Boys To Exhibit Three Steers At State Fair of Texas

Donley County 4-H Club boys will exhibit three steers at the State Fair of Texas in Dallas from the 14th to the 18th of October says County Agent H. M. Breedlove who is in charge of 4-H Club work in the county.

The group will leave on the 13th and arrive in Dallas on that night and have the steers in place in the show barns on the morning of the 14th. The steers will show on the 16th and then be sold on the 18th.

The 4-H Club boys will go in the big 4-H Club bus and pull a trailer behind it with the steers. They will eat and sleep in the bus while attending the State Fair.

The boys who will exhibit the three steers are Chuck Longan of Clarendon, Johnnie Longan of Clarendon and Troy Harrison of Hedley. The steers are all heavies and weigh from a thousand and eighty pounds to eleven hundred and twenty-five pounds. Breedlove will drive the bus and be in charge of the group at the State Fair.

Twenty-five steers are on feed in the county and will be shown in the spring shows over the state starting with the Odessa show on January 1st.

Mr. and Mrs. Arlis Mooring are the proud parents of a baby boy, born Friday, September 27th in Northwest Texas Hospital in Amarillo. He weighed 8 lbs., 2 oz. and was named Richard Arlis. The grandparents are Mr. and Mrs. Joe Boudns and Mr. and Mrs. Edd Mooring.

Bronchos Meet Wellington 'Rockets Here Friday Night—8:00 P. M.

Services Held Monday For G. F. Lane

Funeral services were held Monday afternoon at the First Christian Church for George Franklin Lane with Bro. Royce E. Wood officiating.

Mr. Lane, 35, died Saturday in the home of his daughter, Mrs. Raymond Hadley, in Amarillo. He was a former Clarendon resident and operated a trucking business here several years ago. He was a member of the local First Christian Church and the Childrens Odd Fellow Lodge.

Survivors include four daughters, Mrs. Raymond Hadley, Mrs. Rosie Garthwait and Mrs. Little Shelton, all of Amarillo, Mrs. Jessie Vaughn of El Paso; four sons, George of Dallas, Vernon of Goldwithe, Robert of Amarillo and Willie of Fort Worth; a sister, Mrs. Nan Quisenberry of Quanah; a brother, Charlie Lane of Childress; 25 grandchildren; 39 great-grandchildren and one great-great grandchild.

Pallbearers were James (Pud) Bain, Frank White Jr., Roy Clampitt, Frank Lyle, Clyde Butler and J. A. Howard.

Interment was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

Mr. and Mrs. Glen Hall announce the arrival of a son, Jerry Arnell, weighing 7 lbs. 12 1/2 oz. He was born Sept. 25 in the Adair Hospital. Proud grandparents are Mr. and Mrs. Joe Hall and Mr. and Mrs. J. A. Stephens of Antelope Flat.

The Clarendon Bronchos will meet their third Class AA team of the season at Broncho Stadium Friday night when they meet the strong Wellington Skyrockets. Game time will be 8:00 o'clock. Reports from Wellington at this time indicate that the Skyrockets may not be at full strength. They had five regulars out last week when Lefors struck them with a stunning upset, 12 to 6. However, some of them, if not all, will be back in uniform this week.

Coach Tom Jinks of the Bronchos has announced that Richard Vallance, who suffered a head injury in the Shamrock game and missed the Perryton game last week, may be able to play against the Skyrockets. If Vallance is able, the Bronchos should be at full strength for this game barring injuries in workouts this week. Carl Evans is still limping from an injury last week, but indicates that he will be ready to go Friday night. The Skyrockets have two wins and two losses to date. They opened their season by losing to Floydada, 20 to 12, then came back and clubbed Hollis, Oklahoma, 44 to 6. They pumpled Memphis 21 to 0 in their third game and lost to Lefors last week.

Coach Jinks has announced the following probably starting lineup for Friday night's game: Jimmy Johnson and Don Taylor, ends; Milton Mann and either Ted Weatherly or John Neeley, tackles; Keith Hudson and Darrell Lettew at guards; John Richardson at center; Jerry Behrens at quarterback; Vallance and either Evans or Dewey Wilson at halfbacks, and John Tom Morrow at fullback.

Colts To Open Season Tonight At McLean

The Jr. High Colts will open their fall season tonight against the McLean Kittens at McLean. Game time has been set for 7:00 p. m.

Coach J. R. Williams reports that four of his backfield candidates, Bill Hermesmeier, Eddie Tipton, Kenneth Morris and Dwight McAnear, are showing considerable improvement in workouts and should be ready to give the McLean boys quite a bit of trouble. Showing up in the line the strongest are Bill Spier, Frank Hermesmeier, Herman Vinson and Joe O'Neal. This is Coach Williams first year to coach the Colts but he is shaping up a starting squad that should be able to hold their own with whoever they meet.

Other boys coming out for the Colt squad are Shelby Bell, Don McAnear, Johnny Longan, Pete Durham, James Allen, Rocky Carter, Kenny Schull, Gary Mahaffey, G. Wilkinson, Gene Taylor, Leon Gibbs, Jerry Bones, Orval Bennett, Scott Martin, Ted Shaller, David Hudgins, Gerald Johnson, David McBrayer, Danny Ray, Larry Neece, Jerry Elmore, Robin Green, Billy Hearn, Charlie Slaviv, John Cearley, Steve Richerson, Henry Massengill, Sammy Jacobs, Johnny Mays and Charles Thompson.

The Colts will play only four games and these will all be conference games. They play the same towns as the Bronchos and this is a small district. Their schedule is as follows: Oct. 3—McLean, there Oct. 10—Canadian, here Oct. 17—Open date Oct. 24—Memphis, here Oct. 31—Lefors, there. The Colts will appreciate the support of all Clarendon fans.

Fish Licenses Now Plentiful

AUSTIN—Hunting and fishing license business in Texas this year has been the biggest in the history of the Game & Fish Commission. This comes from the Chief Clerk, who, for the past two weeks has been filling re-orders from practically every area in the state.

"The demand was especially heavy on the coast," he said. "This was brought about by the requirement for salt water licenses. We just under estimated the demand. As a result, many places along the coast ran out of licenses. They all have plenty now, however."

DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

What does a soil improving crop such as alfalfa do for the land in rotation with cotton? E. C. Dewey, who farms one mile east of the Lelia Lake School thinks that it pays off—not only by improving and protecting his

soil, but in dollars and cents. Mr. Dewey seeded twelve acres of sandy mixed land to alfalfa in the fall of 1950. This land is not irrigated or sub irrigated. Every year since then, he has harvested profitable hay and seed crops. In the fall of 1956 the stand of alfalfa had thinned out so that he flat broke it and then chiseled it several times. This spring following listing, Mr. Dewey, upon the advice of a Soil Conservation Service Technician, assisting the Donley Soil Conservation District, applied 100 pounds of 20% super phosphate in bands from 6 to 10 inches deep in such a manner that the bands of fertilizer were a little to the side and below where the seed were to be planted. The location and the way the fertilizer was applied is important—if the most efficient results from it are to be obtained. What results has Mr. Dewey had on this twelve acres so far. Most people who have seen it agree that he has the best dry land cotton they have seen in the

District, and that it looks better than some irrigated cotton. Those who should know are estimating the yield to average 3/4 bale or better. In addition Mr. Dewey harvested the first bale in the Clarendon area for which he received a \$50.00 premium plus 40 cents per pound. Mr. Dewey signed a cooperative agreement with the Donley County Soil Conservation District in 1951, not long after purchasing this place. He is a retired ranch hand and bought this farm to live on. His plan when the agreement was signed called for a rotation of alfalfa and row crops.

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt
We received some gifts this week. First was one that should have been received Mother's Day in memory of my mother, Mrs. Lumpkin, but it was missed and I've just gotten it. The book is "Beginner's Bible Picture ABC Book" by Elsie E. Egemeier. It was given by Jim Lumpkin and his little girl, Patti. Then we received "The Lyndon Johnson Story", a biography by Booth Mooney. It is a neat little volume. Then another gift—"Citadel", the story of the U. S. Senate by William S. White who wrote "The Taft Story".

We were given three volumes of "Plutarch's Lives" this week. It seems some of the Literature Study Clubs in a few towns are making a study of these this year. The Book Club gave us \$20.00 this past week, also. This was certainly gratefully accepted, as our funds have been a minus quantity most of the summer. The fact is I had to pay quite a few small accounts myself—stamps, stationery, mending material, etc., were a necessity. Mending supplies are very expensive, but we have to use them daily.

HEALTH NOTES

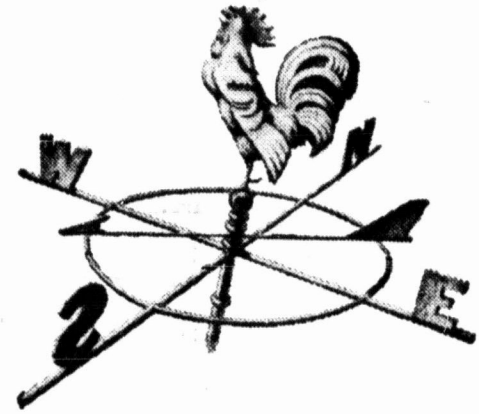

Texas State Dept. of Health
AUSTIN—Searching for something to be thankful for in these times of ominous world tensions with the threat of life-taking war? Look at the Texas State Department of Health vital statistics figures, which show: Since 1936, infant deaths during the first year of life have dropped from more than 71 per thousand, to less than 30 deaths per thousand today. During the same period, maternal deaths and stillbirths have been reduced from 6.9 per thousand to less than 0.5 so far this year.

Current indications are that death rates will continue to improve as increased health standards become commonplace throughout Texas. Making Texans health conscious is the king-sized job of many divisions within the State Health Department. A division concerned, not so much with life and death, but nevertheless dealing with a highly important aspect of Texas health, is the division of Mental Health. They are responsible for the mental health program of prevention in Texas. Primary focus

of the program is on community mental health services, and have been in operation for nine years. The division operates on the basis of the four commonly accepted levels of prevention in mental health. They are: 1. Promotion of knowledge and application of principles of healthy human relationships, especially parent-child relationships; 2. Early case-finding and professional guidance of individuals, particularly children, showing symptoms of emotional disturbance; 3. Mental health clinic services for those persons suffering from minor emotional disturbances or apparent mental retardation, but not requiring institutional treatment; 4. Short-term hospital care for those suffering from acute emotional disturbances and not requiring long-term institutional

treatment. Consultation and financial assistance is rendered to communities interested in establishing child guidance or mental health clinics. Over 400,000 Texans viewed mental health films obtained from the film library of the State Department of Health during the last biennium. There are now 363 prints of 133 different mental health films now available for showings in Texas. U. S. postage stamps were first placed on sale July 1, 1847.

more than you can buy religion." "Liquor causes more trouble than any other one thing."

Another good friend, Mrs. J. J. Justiss gives us the following quote;

"If you want to live in a good neighborhood, help your neighbors build one."

This made me think of the story told so many times over about the newcomer who asked what kind of neighbors they had around there. Someone answered him with the question;

"What kind did you have where you moved from?"

"The worst you ever saw," was his reply.

"Well," said the native, "You will find the same kind here."

And that is so true—Life gives back to us in like measure and as the Bible says; "Cast your bread upon the water and it will return unto you seven fold." Even a smile will always bring a smile right back. A friendly letter will bring an answer in short order. "A soft answer turneth away wrath."

"Do unto others as you would that men should do unto you."

On and on we might go with deep and abiding truths from the Bible along this line. Quotations from down through history from the experiences of men that bear out these great truths. Then, most

of all we know from our own experiences that; "As we sow, so shall we reap," remains ever and ever a true yardstick for our life.

The following statement comes from Dr. Robert Fleming, of the Harvard Medical School;

"Anybody, if he drinks enough over a long period of time will become addicted. It takes some people longer than others to attain addiction. But no human being can be regarded as immune - - - and moderate drinking is impossible to the addict. The ONLY therapeutic objective in such a case, which has any chance of success, is total abstinence."

Cal Farley Says; "Give a boy enough rope and he will bring home a stray dog on the end of it."

People who live in glass houses shouldn't look under their neighbors beds.

People who know exactly how to bring up children ought to try out their advice with a live experiment.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

YOUNG GIANT
In a little more than 10 short years, the television industry has become one of the giants of our economic structure. Forty million families have spent more than 17 million dollars on receivers at which they look an average of more than 5 hours a day. This means more time is spent watching television than in any other single activity except working and sleeping. There are some

places still isolated from television, but these are few and far between. It is estimated that more than 150 million people in this country are within range of at least one of the 479 existing stations. Over 120 million people have a choice of 4 or more channels. Nothing in the history of the world has paralleled television as a medium of information, education and entertainment. The influence this medium can have on the lives of people it reaches is inconceivable. It is only 10 years old now, which means that it is a baby, relatively speaking, in the industrial world. Its future growth and development will provide many surprises for all of us. It is well to point out that the industry has grown to its tremendous proportions by its ability to contribute to the welfare of the people in their daily pursuits, under the great American system of private enterprise. It is subject to government regulation, but this regulation is kept at a minimum and is employed primarily in policing the operation of the industry to be sure it is responsive to the desires and needs of the American people. Let us hope the television industry will be operated with full appreciation of its obligations and responsibilities to the people entitled to be served, and that abuses will not be of such nature as to necessitate more rigid controls. The impact this medium has on the lives of the American people in the advertising and entertainment fields provides ample evidence that a proper portion of television time and wave lengths should be devoted to educational purposes. This is a business that falls within the category of public service under the American system, and unless proper respect is shown for the responsibilities to the public, demands for government control can be expected. Let us all hope this medium can be kept free.

BUDGET CUTS AND DEFENSE

There has been considerable misinformation regarding the relationship between the budget cuts in the past session of Congress and the defense program. It would appear from some of the announcements by the military that the reduction of personnel

and the cutback of some programs are chargeable directly to the budget cuts by Congress. However, the true facts do not bear out such representations. The truth is that Congress has not fixed an annual expenditure figure for the Defense Department. This figure is fixed by the President, the Bureau of the Budget and the Defense Department. Congress approves programs and provides the funds to finance them. The completion of a program may require several years, due to the complexities of modern aircraft and war machinery. Last year defense spending amounted to 38.4 billion dollars. During the latter part of the year defense spending was at a rate of 40.2 billion dollars annually, although previous estimates of the Department of Defense and the Budget Bureau had been that such spending would be 36 billion dollars for last year. The important thing is, the Defense Department had available to it for expenditure last year the sum of 74.7 billions of dollars. This amount was made up of two parts, one being the 36.2 billion dollars which was appropriated by Congress last year, and the other part being 38.5 billion representing funds carried over from appropriations of previous years; that is, funds for such things as ships, aircraft, ballistic missiles and other long-lead-time items.

This year there is a total availability of 70.8 billion for the Defense Department. Out of this amount the Defense Department expects to spend 38 billion. The Congress this year appropriated 35.9 billion in new appropriations for the Defense Department. This amount, added to the carry-over from previous appropriations, makes up the 70.8 billion available for expenditure.

able for expenditure. Therefore, ample funds are available to the Defense Department to finance a defense program this year of 42 billion or such other amount as it might desire; however, it was obviously the opinion of the Administration and the Defense Department that vast sums should be held in reserve so that defense spending for the year could be held at 38 billions of dollars. These facts are pointed out not for the purpose of criticizing anyone or any group, but the purpose of showing as briefly as possible that ample funds are available to properly maintain the defense of this country and to allay the fears of many who have concluded that the recent cuts by Congress might

AUSTIN—"Tickets" for Texas' 1958 political bouts go on sale next week. Poll taxes, \$1.75 each, can be bought from Oct. 1 until Jan. 31.

Holdings of the small white tax receipts not only can watch, but participate in the semi-annual struggle to decide who'll be "top dog" for the next two years. In the ring will be contenders from the offices now held by U. S. Sen. Ralph Yarborough, Gov. Price

Exact number of potential voters is not known, of course. But some civic leaders hope as many as three million persons will pay poll taxes. Previous record is 2,410,188 for 1956, a presidential election year.

Another peak is expected in 1960 when census projections show more than 5 1/2 million should be eligible to vote in Texas.

OIL QUOTAS SAG

Lean days are ahead for Texas' top industry—oil.

After three months on an all-time low producing pattern of 13 days, the Railroad Commission cut the October production to 12 days. Daily allowable will be 2,964,062 barrels.

Major oil buyers at the Commission hearing indicated that any more production would result in an oversupply.

For a state heavily dependent on oil tax revenue and already faced with fiscal problems, the oil cut means tough times for the state budgeters.

MORE TAXES, SAYS BOARD

Even before the oil slash, the Legislative Budget Board had some hard facts to share with Texas taxpayers.

By 1958, says the Board the average Texan will pay 6.4 cents of each dollar he earns, in state taxes. This is compared to 5.3 cents per dollar in '57.

It's the inevitable result of a billion-dollar-a-year budget, say the fiscal experts. They attribute the soaring expenses to inflation and citizen demand for more government services.

As to paying for it, the Board says "All taxes ultimately come from the individual. There's no one else to pay them."

On the brighter side, State Comptroller Robert S. Calvert reported the state started the new fiscal year this fall in the black. Calvert's report showed Texas took in approximately \$100,000,000 more than it spent up to August 31.

"BUG" ON THE LOOSE

In schools, colleges, offices—even jails—over Texas, thousands of people are abed.

Nearly three thousand cases, with flu-like symptoms, have been reported to the State Health Department. Finding out whether it's Asian flu requires special tests. Health Department offices are swamped with specimens and requests for tests.

Whatever the disease, it meant that football games and other school activities had to be called off in a number of areas.

So far, only a dribble of Asian flu vaccine has come to Texas.

Dr. Henry Holle, Health Commissioner urges these precautions for the general public:

1. Stay away from crowds.
2. Drink plenty of liquids—water and fruit juices.
3. Go to bed at the first sign of symptoms. (Symptoms are fever, chills, headache, sore throat and aching back and limbs.)

DEMOS HAVE CHOICE

In some areas people contributing to the Oct. 11-12 Dollars for Democrats drive can choose where they want their money to go.

One set of fund-seekers will be working at the behest of the official Texas organization, the State Democratic Executive Committee. In accordance with a formula set up by national officials, they will keep two-thirds of what they collect for Texas work, send one-third to national headquarters.

Workers for the liberal-minded Democrats of Texas, at odds with official party leaders, say they'll turn no money over to the state office. All DOT collections are to go to national.

PUSH FOR WATER

Activity toward a statewide water development program moves forward.

Members of the governor's citizens water planning committee are receiving information kits. Material is to be used in a campaign for adoption of the \$200,000,000 water bond amendment.

Governor Daniel also announced the three representatives who'll be in charge of getting water planning legislation thru the House during the special session. They are Reps. W. N. (Bill) Wolsey of Corpus Christi, Rep. Leroy Saul of Kress and Rep. Bill Shaw of Forney.

At the third annual Water for Texas conference at College Station, Gibb Gilchrist, conference founder, called creation of one central water agency as the state's greatest need.

Federated Clubs Visited By State President

The three federated clubs of Clarendon were honored Tuesday evening, September 1, in having the State President of T.F.W.C., Mrs. A. J. House, meet with them at Patching Club House.

The meeting was opened by Miss Lucile Polk who introduced Mrs. C. T. McMurtry who in turn presented Mrs. House.

The theme of Mrs. House's address to the group was "Scholarships Given to Oriental Students of Foreign Countries by the Federated Club of Texas," and "Projects and Aims of American Homes and Religions of the World." She also explained something of the legislation resulting from sponsorship of the federated clubs of Texas. Concluding Mrs. House passed around copies of a song, "Hail Federation," which she composed and invited the ladies to sing with her. Several copies were bought by club members with the proceeds going to a scholarship fund.

She was presented a "money" corsage.

Refreshments were served from a table laid with a pink linen cloth and centered with a floral arrangement of roses in a silver epergne. Flanking the roses were pink tapers in silver candelabra. Mrs. Tommie Saye presided at the silver service.

Hostesses for the evening were

Mesdames Clyde Hudson, Frank White, Jr., E. O. Simmonds, Heckle Stark, Forrest Sawyer, C. T. McMurtry, C. E. Bairfield, J. D. Swift, and Misses Lucile Polk and Ruth Richerson.

Mrs. C. T. McMurtry entertained with a breakfast on Wednesday morning, October 2, honoring Mrs. A. J. House, also the Presidents and immediate Past Presidents of the three Federated Clubs.

The breakfast table was laid with a blue linen and organdy cloth with orchid and pink asters for the floral centerpiece.

Those attending were Mesdames House, Saye, Sawyer, Bairfield, Johnson, Misses Polk and Richerson.

Mrs. House left immediately for a 9:00 a. m. speaking engagement with the Federated Clubs of Wellington. While in Clarendon she was a house guest in the home of Mr. and Mrs. C. E. Bairfield.

PATHFINDER

September 27, the Pathfinder Club enjoyed a very timely program on Public Safety and Integration. Roll call was answered with Safety Slogans.

The president, Mrs. C. T. McMurtry, presided at the business meeting when it was announced that the State President of the Woman's Federation of Clubs, Mrs. Alfred Joseph House, will speak to the clubs here next Tuesday at 7:30 P. M. in the club room.

Mrs. Ed Dishman gave the invocation.

Mrs. Ernest Hunt and Mrs. Bill Greene discussed integration in a very interesting manner giving valuable information.

The hostesses, Misses Ruth Richerson and Naomi Allison served a very delicious refreshment plate. —Reporter.

BETA SIGMA PHI-MU GAMMA

Mu Gamma Chapter of Beta Sigma Phi met Thursday evening, September 26, at Patching Club House with 16 members present. Hostesses were Pat Cornelius, and Jane Bownds.

The business meeting was presided over by the president, Frieda Gray.

Jo Jinks was chairman of the program, "The Body Beautiful," and assisting her was a guest, Beth Lamberth, who presented a number of exercises for toning different parts of the body.

Attending were Annesse Bennett, Beth Bennett, Jane Bownds, Pat Cornelius, Bert Garland, Frieda Gray, Annette Hardin, Frankie Henson, Ann Hommel, Ruth Hudson, Jo Jinks, Betty Leathers, Juanita Phelps, Lois Schollenbarger, Marilyn Simpson, and Evelyn Yeates.

At the Area Council meeting in Hereford Sunday, September 29, Frieda Gray, Ann Hommel, Frankie Henson and Evelyn Yeates represented the Clarendon chapter. —Reporter.

FORMAL FHA INITIATION

Mr. R. E. Drennan, Dean of Clarendon College, spoke briefly Monday night, September 30th at the high school auditorium to a group of seventy-seven Future Homemakers of America and their parents. He stated "Learn to cook, learn to sew; learn to use all the gadgets and appliances that make homemaking easier; but learn to be happy and make those about you happy so that your home will be more than a house."

This was the occasion of the formal initiation of thirty-five Future Homemaker candidates of the local chapter. Other platform guests included Neal Carter, Dewey Wilson, Melvin Housden, and Richard Vallance, F.H.A. Beau candidates; Mrs. Pete Darnell, Mrs. G. A. Lamberth, Mrs. W. F. Vanderburg, Mrs. George Smith, and Mrs. Lee Bell, chapter mothers; Mr. W. W. Pinkerton, Superintendent, and Mr. Kenneth Vaughan, Principal.

Punch and cookies were served to approximately 100 members and guests in the Homemaking Department immediately following the ceremony. —Reporter.

MISCELLANEOUS SHOWER

Mrs. Jimmy Lee Smith, nee Shirley Blackwell, was honored with a miscellaneous shower on Saturday, September 28th, from 3:30 to 5:30 in the afternoon at the home of Mrs. Jiggs Mann. Assisting Mrs. Mann as co-hostesses were Mesdames Chester Roehr, Al Word, Dick Shepherd, Ethyl Mann, Henry Mann and Joe Ritter.

In the receiving line to greet the guest were Mrs. Mann, the honoree, Mrs. Smith and her mother, Mrs. Boy Blackwell.

The guest were registered by Mrs. Max Johnson and Mrs. Al Word. The gift room was presided over by Mrs. Chester Roehr and Mrs. Ethyl Mann.

The table was laid with an Egyptian silk cloth of delicate lace. White carnations and dainty heart-shaped arches of blue tulle and ribbon formed the center piece and table decorations. Misses Edna Beth Finch and Mildred Phillips served punch and cake to approximately twenty guests.

A host of friends sent gifts who could not be at the party.

JR. H. D. CLUB

The Jr. H. D. Club met at Patching Club House Thursday afternoon, September 26. Roll call was answered with Pet Peeves on Fashions.

During the business session, Beatrice Adams was reinstated as a member and Letha Smith was welcomed as a new member.

Cula Jo Trout presented the program on Fall Fashions.

Refreshments of tuna sandwiches, crackers and donuts were served by the hostesses, Nora Decker and Lucille Swinney to members: Polly Schull, Noma Lewis, Letha Smith, Mildred McClellan, Leona Henson, Edith Spivey, Beatrice Adams, Sadie Head, Ona Tatum, and Cula Jo Trout. —Reporter.

THE LIONS DEN

or
The Roar of the Lions
By the Liontamer

The spirit of the Clarendon Lions Club is not dead. Not even puny. The most free-wheeling fellowship and good humor was prevalent at this weeks luncheon meeting that has prevailed in some time.

Community and civic duty was prevalent in the minds of many members as was evident by the many announcements of community activities for this week, with urgent requests for participation by all members of the Club.

The Club had as guests six citizens representing four of our neighboring towns. Amarillo, and Goodyear Tire Company were represented by G. B. Wright and S. L. Shofner as guests of the Club Secretary, A. R. Henson. Lion Mike McCully's guest was Mr. McNabb of Amarillo, probably a representative of an insurance Company. Brother Van had as his guest, Lanham Campbell, a baptist minister from Memphis. Lion J. G. McAnear was host to T. W. McAnear, farmer from Brice. Last but not least was what appeared to be a cleverly designed ruse by Wayland Newman of Juniors Food Store. We strongly suspect that sooner or later Juniors will be handling only Palmolive-Peet products. Wayland's guest, Mr. James L. Moore of Proctor and Gamble (not having any previous prompting by Lions who know) heroically remained with his host at a certain table which according to some of the older members of the Club, should never have been placed at that position.

If Junior has any difficulty in getting his shipments from the Soap Company, it may be mute evidence as to how well Mr. Moore survived the line of fire. The program, obtained by Lion Drennan and presented by Jay Wood, maintained the very close attention of the club, since it was extremely appropriate for this area. A splendid picture on irrigation. Don't forget October 22, evening meeting.

Family Reunion
The W. H. Youngblood family enjoyed a family reunion the past week end in the home of Mr. and Mrs. T. H. Gattis. Here for the occasion were Mrs. W. H. Youngblood of Memphis; Mr. and Mrs. W. M. Youngblood of Ontario, Calif.; Mr. and Mrs. F. G. Harrison of Amarillo; Dr. and Mrs. J. W. Youngblood of Dallas; Mr. and Mrs. W. J. Weddell of San Angelo; Mr. and Mrs. Tommy Gattis and children, also Jimmy Gattis of Earth, Texas; and Mr. and Mrs. Roy Whitten of Amarillo.

This was the first reunion for the family in about six years.

Small Dams For Texas Conservation

John C. White, Commissioner Texas Department of Agriculture
 The state's tremendous land and water resources — ill from many years of neglect — are getting a good "shot in the arm" from the various Soil Conservation Districts.
 Hundreds of small dams, known as retention reservoirs, have been constructed on upstream tributaries in major Texas watersheds. Many others are planned in conjunction with large downstream reservoirs.
 These upstream water retention structures are beginning to dot the countryside. In some areas, they can be seen from the high-

way. They might appear, at first, to be an exaggerated "Texas-size" stock tank.
 The small dam projects have a three-fold purpose: Prevent flash floods, conserve water and stop soil erosion.
 Thousands of acres in lowland areas have been made available for crops and pastures because the retention structures have eliminated seasonal flash floods. SCD co-operators in the area, through proper land treatment on farms surrounding the reservoirs, help preserve every rain drop that falls. They also assist the Soil Conservation Service in obtaining necessary easements for proposed reservoirs.
 The dams, when constructed, remain the property of the land-owners. Recreational facilities

have been set up by many owners. An irrigation has been applied to small, adjoining crops.
 The structures are designed to release excessive water downstream at a slow rate, thereby putting into practice the idea to "make water walk, not run". When a flash flood strikes, the reservoirs catch the water and release it very slowly.
 Completion of all the planned small dams will, in the future, tend to stabilize the flow of large creeks and rivers — providing more dependable, year-round surface water supplies.
 All Texans should be proud of the locally controlled Soil Conservation Districts SCD boards of supervisors and the farmer-cooperators are far-sighted, progressive leaders. They have recog-

Should've Stayed Abed DALLAS—The old saying "things could be worse," proved true for Harold Wynn, Dallas auto parts clerk.

As he tells it, his misfortunes began when he got off work and fell into a mud puddle walking to his car, then ran into a steel window, ripping his shirt.

While driving home a bus hit his car and, as he waited for police, a second bus clipped the car, and a third bus bumped it minutes later. Total damages were \$700—partly covered by insurance.

What finished him off, however, was being two hours late getting to a dinner at his mother-in-law's.

HEDLEY NEWS

Mrs. Paul Duncan

Fall harvest has begun in our area. Combines are running in the early feed. Cotton pulling is in progress. Some farmers have early cotton. Several bales have been ginned. The latest harvest news is—

New Apartments

L. D. Messer and Clifford Johnson have just completed 10 apartments in south Hedley. These apartments have been leased to Paymaster Gin and will be used to house cotton pullers.

West Texas Gin is erecting sixteen apartments and have secured Latin American laborers to occupy them as soon as they are completed.

R. H. Couch is now working on four such units in east Hedley. This should house enough pullers to greatly help in gathering our crops.

Cotton Meeting

Gene Tate, C. D. Walker, J. M. Tidwell, W. D. Franklin, A. G. Alexander, Malcolm Glass, M. D. Shaw, C. L. Johnson and several others attended the National Cotton Council at Memphis last Friday afternoon. The purpose of the meeting was to further the sales of cotton products.

Cotton Festival

Plans are going forward for Cotton Festival. All committees are working. Two Booster trips are planned. The committee appointed was: Dorothy Brinson, V. T. McPherson, L. D. Messer, Harold White, Ed Boliver. Anyone who would like to enter a float in the parade are urged to do so.

The Anniversary part of the Festival is under the Donley County Pioneer Association headed by W. H. Clay. They are making an effort to have every old timer attend, including the first child born in Hedley who is Neta Culwell, now Mrs. W. L. Hilton of Mercedes, Texas.

Plan to come to Hedley for the Cotton Festival—Oct. 24-25-26.

Senior Class Opens Theatre
The Senior Class opened Hedley Theatre Friday night under direction of their sponsor Coach Don Haskin. They plan to show two different pictures each week. Give them your support if you want a show in Hedley.

Mr. and Mrs. Carl Bullington of Wellington have moved to their farm north of Hedley to make their home. Welcome to Hedley.

Mr. and Mrs. W. H. Hill have returned home from Bay City where they have been most of the summer.

Mr. and Mrs. Johnny Myers went to Ringgold due to the serious illness of his father Charley Myers. Last report he was very low.

Mr. and Mrs. Roy McKee visited in Portales, N. Mex. last week end.

Mr. and Mrs. J. H. Metcalf of Tuttle, Okla. are visiting the lady's brother, the W. A. Jenkins family.

Mr. and Mrs. Stanley Cockerham of Amarillo are the proud parents of a baby girl, born Wednesday, Sept. 25. She weighed 8 lbs. 5 oz. Mrs. Cockerham will be remembered as Beth Eden.

Mr. and Mrs. Jack Eden are the grandparents in Hedley.

Mr. and Mrs. J. W. Arnold of Paducah visited their grandmother, Mrs. W. E. Reeves Sunday.

Sorry to learn we have some seriously ill in our community. Mrs. W. A. McPherson was carried to Highland Hospital in Pampa Tuesday. Last report she was very low.

Mrs. Lizzy Luttrell is ill in the home of her son Mansel Luttrell. She suffered a second stroke Friday.

Mrs. Minnie Lemons was able to come home one day last week from a Memphis hospital. She is slowly improving.

Charley Darnell continues to improve after a stroke several weeks back.

Mr. and Mrs. James Reid and family of Amarillo spent weekend with the Carl Reids and Chuck Davis.

Visitors in the M. W. Mosley home during the past week were Mr. and Mrs. Lee Young of Weatherford, Weldon Harkness of Lubbock, Ruby Bromley of Clarendon, Mr. and Mrs. Jiggs Mosley of Amarillo, Mrs. Cora Luttrell of Amarillo, Willie B. Adamson of New York, Mr. and Mrs. A. W. Simpson of Clarendon.

Word has just come that Mrs. Will Noel of Weatherford passed away Sunday after a long illness. Bural will be in Calif. The Noels are former Hedleyans and have a wide circle of friends who extend sympathy to the family.

CHANGE TO SHAMROCK 10 W-30 MOTOR OIL NOW AND PROTECT THE LIFE OF YOUR CAR'S ENGINE AND BATTERY

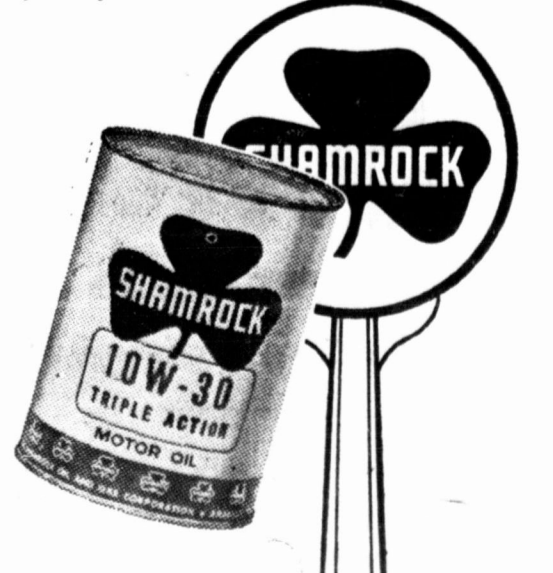

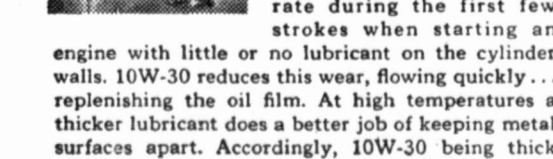

The development of Shamrock 10W-30 Motor Oil is based on the fact that the typical passenger car engine operates most of its useful life in the temperature zone between the cold start and normal operating temperatures.

All oils thicken as temperature decreases. The difference between Shamrock 10W-30 and conventional oil is that it thickens less at low temperature. The effect on your car's performance is important.

When you change to Shamrock 10W-30, the improvements you'll notice immediately are: (1) that even on the coldest mornings the engine will turn over quickly and easily, and (2) a marked increase in gasoline mileage.

These advantages are the most obvious, but not necessarily the most important. Frictional wear in the engine takes place at a very high rate during the first few strokes when starting an engine with little or no lubricant on the cylinder walls. 10W-30 reduces this wear, flowing quickly... replenishing the oil film. At high temperatures a thicker lubricant does a better job of keeping metal surfaces apart. Accordingly, 10W-30 being thick

at high temperatures gives your engine full protection at this end of the temperature range, too. With Shamrock 10W-30 in the crankcase you will: (1) extend the life of your car's engine, (2) extend the life of your battery, (3) increase gasoline mileage and (4) reduce the octane requirement. We don't claim miracles for it, but you probably will.

Powerful Rangers Ride Clarendon Bronchos With 32 to 7 Victory

The fighting Clarendon Bronchos, after leading 7 to 6 at the half, wilted under the power of the District 3-AA Perryton Rangers at Perryton last Friday night and suffered their third defeat of the season. Final score was 32 to 7.

The Bronchos played a great first half. After several exchanges of punts, one a beautiful 45 yard kick by Carl Evans that went out of bounds on the Ranger five yard line, the Rangers found the range early in the second quarter. Don Seymour, Ranger halfback, went over from the one-yard line to put the home team ahead. The extra point try was blocked and the Rangers led 6 to 0. Late in the same period the Bronchos drove to the Perryton four-yard line where John Tom Morrow, Broncho fullback, went over to tie the score. Carl Evans kicked the extra point that put the Clarendon boys ahead, 7 to 6.

The Rangers broke the game wide open in the third quarter.

Earl McKinley, fleet Perryton halfback, broke the Broncho's back with a nifty 73 yard touchdown run around left end that put the Rangers ahead to stay. Howard Swink converted and the score was 13 to 7 in favor of Perryton. The next time the Rangers got the ball they drove to the Clarendon two-yard line where Zack Miller went over. Shortly after the kick-off, the Rangers took over again and another speedy halfback, Harold Shiflett, raced 55 yards to score. The third quarter ended with the Rangers leading 26 to 7. The Rangers' last tally came midway of the fourth period when Don Townsend scored from two yards out, to bring the final score to 32 to 7.

The undermanned Bronchos made a galliant fight of the game the first half but could not cope with the superior experience and depth of the Ranger squad. The Bronchos were playing without the services of one of their regular backs, Richard Vallance, which left the squad with only four backfield men which included 120 pound sophomore Dewey Wilson. The Broncho line played very creditable ball the first half, stopping the larger Perryton boys repeatedly. Jerry Behrens was probably the outstanding Broncho back. Carl Evans helped the Broncho cause with his strong leg; he kicked the Bronchos out of trouble several times with his booming punts. Keith Hudson, John Richerson, Milton Mann and others in the line played their hearts out until they ran out of gas in the third quarter.

DEWEY WILSON ELECTED F. H. A. BEAU

Fewer elections in Donley County have created more interest than that for F.H.A. Beau in the Clarendon Chapter of the Future Homemakers of America. Voting has been running through the past two weeks at 1c a vote. The winner was Dewey Wilson, sophomore candidate.

Candidates this year were nominated from each class in high school. They were as follows: Seniors, Richard Vallance; Juniors, Melvin Housden; Sophomores, Dewey Wilson; Freshmen, Neal Carter. Results of the election were revealed by Miss Beth Gillham, F.H.A. president, Monday night at the formal initiation service. The F.H.A. beau is invited to attend any of the chapter activities and the chapter gives him a red jacket with the F.H.A. emblem inscribed as a token of their affection and appreciation.

Water Development Number One Problem, Says Senator Johnson

The foundation for Texas to catch up with other states in water development was laid during the recent session of Congress, Senator Lyndon B. Johnson declared this week.

"This year's session of Congress did more than any session in history to meet the Federal Government's responsibilities in connection with the Texas water problem," Senator Johnson said.

"We authorized river basin surveys in an unprecedented number. These surveys will be the basis of the water development projects of tomorrow."

"We authorized and made appropriations for the construction of flood control and water conservation projects of the utmost importance to our people."

"We approved reclamation projects that will pay for themselves in the increased productivity they will make possible."

"We made further progress in the development of our inland waterways, which are a vastly significant factor in our economy."

"We obtained an agreement

from the Corps of Army Engineers and the Bureau of Reclamation that they would work together with our State Government in devising an overall water plan for Texas."

Senator Johnson said these developments, "combined with the exercise by the State Government of both its rights and its responsibilities," can lead to a completely adequate solution of the Texas water problem.

"This remains our Number One problem," he added. "It is a prob-

lem that must be solved if the future of our State is to be assured. Texas, first in so many things, is far behind other states in water development. We must catch up without further delay."
