## Bulldogs Facing Two Important West Zone Conference Opponents—Odessa Friday; Phillips Tuesday

Coach Buddy Travis and his Clarendon Junior College Bulldogs are preparing for two of their toughest conference opponents in the Odessa College Wranglers and the Frank Phillips College Plainsmen. They meet Odessa here Friday night of this week and Frank Phillips comes to town next Tuesday night. Each game will begin at 8:00 o'clock.

Little is known of Odessa's power this year except that they have a veteran team returning. Last year four of their starting five were freshmen and they have a 6 foot, 5 inch transfer from East Texas State. So far this year they have won nine and lost six but seem to be improving with each game. Last year the Bulldogs split their two games with Odessa, winning the game here 77 to 68 and losing to the Wranglers at Odessa, 57 to 56.

Frank Phillips is loaded with material this year and has been picked to win the West Zone Conference. They have all but one of their starters back from last year plus four or five very promising newcomers. Frank Phillips and Clarendon tied for the conference championship last year. They also split their games with each other. Frank Phillips winning the game in Borger 77 to 70, and the Bulldogs winning in Clarendon 81 to 74.

By comparative scores, Frank Phillips has the edge slightly on the Bulldogs this year. They beat the Bulldogs 74 to 64 for the championship of the McMurry Tournament in December. They have also beaten West Texas Freshmen twice while the Bulldogs and the freshmen have split their two games. Both Clarendon and Frank Phillips have defeated Sayre, Oklahoma, but Phillips defeated them much worse than did the Bulldogs. Their first game with Sayre resulted in a 92 to 50 stampede. The only comparative score in the Bulldog's favor is their games with Dodge City, Kansas. The Bulldogs defeated Dodge one point and Dodge in turn defeated Frank Phillips one point in an overtime battle.

Coach Travis' Bulldogs are now sporting a record of eleven wins against seven losses. Steve Jarnigan, sophomore from Silvertown, is the leading scorer with an average of 15.6 points per game. He is followed by two freshmen, Dennis Love of Tulia averaging 14.5 and Loyd Stephens of Borger hitting at a 12.8 clip. Other very dependable players have been Billy Schneider, Bub Eldridge, Don Johnson, Layne Cushmanberry and Jimmy Adams. The Bulldogs have been hustling and can be counted upon to give a good account of themselves even in defeat.

Remember the times: 8:00 o'clock Friday and Tuesday.

## Four Hedley Youths Overcome By Fumes At Stock Show

Four Hedley youths were victims of carbon monoxide poisoning Saturday at the Tri-State Fair grounds in Amarillo along with another young stock feeder from Skellytown.

The young showmen were sleeping in a converted barracks building at the fairgrounds when overcome by fumes from an open gas heater burning in the unventilated room. The four Hedley youths were treated Saturday and released Sunday. They are John Lee Stephens, son of Mr. and Mrs. John Stephens, Jimmy Youree, son of Mr. and Mrs. Woodwen Youree, Coyle Clendenen, son of Mr. and Mrs. W. W. Clendenen and W. A. Jenkins Jr., son of Mr. and Mrs. W. A. Jenkins, all of Hedley.

Leader—Local rate, \$3.00 a year

## Salt Fork Water Project To Be Mapped

Carroll Knorpp, local committeeman for the Greenbelt Municipal and Industrial Water Authority, received word this week from Dr. S. H. Townsend, president of the organization, revealing information that will save the Authority some \$12,000.

Dr. Townsend reported that he had received word from R. M. Dixon, member of the State Board of Water Engineers, that the Water Authority on the Salt Fork of Red River had been included for mapping. It will be flown out during 1958 and the maps will no doubt be made available in 1959, he added. "I think the hardest job we have now is selling ourselves. Apparently, Austin is more optimistic than we are," Dr. Townsend concluded.

## Group Endorses Housing Project

A number of local citizens meeting with the City Commission at the City Hall last Thursday night unanimously endorsed a proposed Rental Housing Project for Clarendon.

This decision was made after hearing Mr. Ralph Cole, engineer for the Jack C. Whitworth Architectural firm of Fort Worth, explain the entire set up and answer questions that arose in the meeting.

At the conclusion of the meeting, those present made the motion asking City officials to proceed with the application to the Public Housing Administration. It will take considerable time in getting the project approved and the group expressed the desire to get started just as soon as possible.

## Soil Sampling For Spring Crops

In buying fertilizer for next spring's crops, let soil testing take the guesswork out of deciding the best rate of fertilizer to use, suggests H. M. Breedlove, County Agent. Soils vary greatly in their supply of nutrients essential for top yields. This is seen by the fact that one part of the field yields fairly good whereas another part might yield less. This variation means that fertilizer needs will vary from field to field and from farm to farm.

Fertilizer which is applied that isn't needed is money wasted. Or if the wrong ration of plant nutrients is used, profits will be less. But the right ratio and right amount of plant nutrients results in maximum profit from the use of fertilizer. Soil tests can give this information and would be a good investment before buying fertilizer next spring.

If soil samples are taken, be sure they are representative of the field to be fertilized. Fertilizer recommendations based on a soil test are no better than the sample itself. Breedlove points out. Before sampling, contact Breedlove for instructions on how to take the samples.

## LOCAL FISHERMEN IN OLD MEXICO

Bill Todd, Dr. H. R. Beck, Glenn Adkins, Burk DeBord, Doc Mann and Allen Bryan are at Guaymas, Old Mexico where they are trying their luck with the deep sea fishing. They were joined at Nogales, Ariz. by Clyde Wilson of Indio, Calif. Last report from the group was that the weather had been cutting down on their fishing time but everything was going lovely otherwise. They are due home this week end.

## Six Year Olds Must Be Signed In January For School Next Year

Parents in the Clarendon School District who have children that will be six years of age on or before Sept. 1, 1958, should register such children with Principal K. D. Vaughan at the High School before Feb. 1st. This is necessary so that their names will appear on the census roll for next school year. This is a very important step and parents are urged to comply with this registration.

Also, parents of children who transfer out of the Clarendon School District must enumerate the children in this district, otherwise they cannot be transferred.

## Eight Days Left To Pay Poll Tax

Approximately 1,000 potential voters of Donley County have only eight more days in which to pay their poll tax before the deadline January 31st. We quote approximately 1000 as only 623 poll tax receipts had been paid by Wednesday morning of this week and if the average number of around 1600 is reached, that many people will have to make contact with the County Tax office in the Court House.

Only 484 had paid at this time last week, so 139 decided to get busy and avoid the big rush the final days. Regardless of the inconvenience it may cause you, go pay your poll tax so you will be eligible to vote in any election that may come up this year. Remember, January 31st is the deadline.

## Assembly Will Begin Revival Series Sunday

Evangelist for a revival meeting to begin Sunday at the First Assembly of God Church will be the Rev. Glen Davis.

The local pastor, Rev. A. W. Harris, announces that services will be held daily at 7:00 P. M.

The Rev. Davis has had a wide range of ministry with the Assemblies of God, having served as pastor and evangelist for many years.

The Assembly of God Church is located at 5th and McClelland Streets.

## Soils & Fertilizer Meeting To Be Held Wednesday Night

Dr. W. O. Trogdon of Houston, Agronomist for the Olin Mathieson Chemical Corp. will be the principal speaker for the Soils & Fertilizer Meeting to be held Wednesday night, Jan. 29th at 7:30 in the County Court Room, stated H. M. Breedlove, County Agent. Prior to his employment by Olin Mathieson, Dr. Trogdon taught soils at Midwestern University in Wichita Falls. He is well informed about the soil and water conditions and problems of this area. Also, he is an able speaker who can reduce technical terms to the language of the layman. All interested persons are urged to attend.

## Gene Moore New Teacher In School System Here

Gene Moore began his duties in the Clarendon Public School System this week as a full-fledged teacher. He had been substituting for various teachers for the past two years. Mr. Moore is replacing Miss Naomi Allison who resigned from the Clarendon schools last week. He will teach Speech in college and Speech and Spanish in the high school.

Mr. Moore attended college at Bethany Nazarine College at Bethany, Oklahoma, lacking six semester hours graduating. He has completed three hours and is currently taking the other three at West Texas State College and will receive his degree in May of this year. Mr. Moore is the husband of Mrs. Bobbie Moore who is teaching third grade in the Clarendon Elementary School.

## BERNARD McCLELLAN ANNOUNCES CANDIDACY COUNTY COMMISSIONER PRECINCT NO. 4

I have lived in Donley County for the last twenty years and feel qualified to serve as Commissioner of Precinct 4. If elected I will serve the voters to the best of my ability and will not show partiality to any one section of the precinct. Your support and influence will be greatly appreciated.

Bernard McClellan

# Local Youths Sweep Amarillo Stock Show

## See Your Local Scouts Demonstrate Skills At Wellington

On January 25th the local scouts are joining with the other scouts in the Comanche district at the community building in Wellington for a Scouting Exposition. The Exposition is to be open to the parents, friends, and general public from 4:00 P. M. to 3:00 P. M.

This big event is the scouts opportunity to demonstrate the great training which they have received and that is open for the youth of America. Each unit will have a booth in which the Cub Scouts, Boy Scouts, and Explorers will stage LIVE demonstrations of the many Skills, Activities, Advancement, and Achievement requirements of the Scouting Program.

Our local scouts will have tickets for sale this week at 50c a ticket. Each unit that sells tickets will receive a portion of the money that they take in. Help out our scouts by buying a ticket and ATTENDING this Exposition. Register in the Clarendon Scout's booth and help one of the local scout patrols to receive an award.

## Miss Naomi Allison Resigns School Job

Miss Naomi Allison, teacher in the Clarendon Junior College and High School the past three years, resigned her position effective January 17. Miss Allison taught at Clarendon for a three year period a number of years ago, then went into the Amarillo School System for several years before returning to Clarendon in January, 1955.

Miss Allison stated that she was to begin teaching in the Pampa Junior High School on Monday of this week. She is to teach Speech and General Science at Pampa. She had been teaching Speech in college and Speech and Spanish in the high school here.

## Two Clarendon F.F.A. Boys Show Champs Here Friday

Two Clarendon F.F.A. boys placed the two grand champions here Friday in the annual Donley County Lamb and Pig show. More than 100 boys from Clarendon, Lelia Lake and Hedley participated in the show in which 300 animals were exhibited.

Sam Wells of Clarendon won the grand champion banner with his lightweight Hampshire, bred by Howard Whaley of Good Hope, Ill. Bobby Longan of Clarendon placed a Southdown lamb as grand champion of the lamb show.

Longan also won reserve grand champion honors in the swine show with a Poland China, and Jack Doherty of Hedley placed a fine wool lamb in the reserve champion position. Euel Liner of Texas Technological College at Lubbock was the show judge.

Other placings are listed below by breed. Exhibitors are from Clarendon unless otherwise specified:

**SWINE**  
Berkshire (light) shown by John Morrow, 1; Gene Elmore, 2; Carl Evans, 3; Berkshire (heavy) shown by John Morrow, 1; Harold Lindley, 2; and W. N. Elam, 3. Morrow's barrow was named breed champion.

Durocs (light) shown by Sammy Wells, 1; Bobby Longan, 2; Lynn Spier, 3. Durocs (heavy) shown by Larry Hopkins, 1; Wayne Aten of Lelia Lake, 2; Bob Schull, 3. Wells exhibited the breed champion.

Chester Whites (light) shown by Carl Evans, 1; Kenneth Housden, 2; Carl Talley, 3. Chester Whites (heavy) shown by Butch Emmons, 1; Don Hudgins, 2; Jerry Gray, 3. Evans exhibited the breed champion.

Hampshire (light) shown by Sammy Wells, 1; Gary Longan, 2; Don Hudgins, 3. Hampshires (heavy) shown by Bobby Longan, 1; Lynn Spier, 2; Bobby Longan, 3. Wells exhibited the breed champion.

Poland China (light) shown by Sammy Wells, 1 and 2; Gene Elmore, 3. Poland China (heavy) shown by Bobby Longan, 1; Carl Talley, 2; Dennis Bradshaw, 3. Longan exhibited the breed champion.

Spotted Poland China (light) shown by Milton Mann, 1, 2 and 3. Spotted Poland China (heavy) shown by Milton Mann, 1; Tommy Messer, 2; Ronnie Hall, 3. Mann exhibited the breed champion.

Yorkshire and Crossbreeds (light) shown by Neal Carter, 1; John Morrow, 2; Bobby Reed, 3. Lelia Lake, 3. Yorkshire and Crossbreeds (heavy) shown by Gene Elmore, 1; Bobby Reed, 2; and Bobby Longan, 3. Elmore exhibited the breed champion.

**LAMBS**  
Fine wool shown by Jack Doherty of Hedley, 1; Pat Robinson, 2 and 3. Mutton lambs shown by Bobby Longan, 1.

## Johnny Mays Injured In Farm Accident

Johnny Mays, son of Mr. and Mrs. M. L. Mays, received a broken hip last Saturday afternoon and is in the Groom hospital. Johnny was riding the hitch of a deep plow and lost his balance. The wheel of the plow ran over his right leg breaking it just below the hip socket. His parents report that he will be laid up some time and he would appreciate hearing from his classmates.

Don Hudgins, Clarendon F.F.A. Member, placed his 1,060 pound Aberdeen Angus steer as the all-show grand champion at the Amarillo Fat Stock Show Monday which now gives Donley County grand champion steers of two major shows this year as Troy Harrison showed the grand champion Hereford at Odessa week before last. For showing the grand champion steer, Don received the special Panhandle Livestock Association's award. He was presented with a watch for exhibiting the best calf.

Other high place winners in the calf show were Troy Harrison of Hedley 1st Medium Weight Angus and 1st in light weight Angus. In the Hereford steers, Gene Floyd placed 2nd, Janice Floyd 3rd and Wayne Leathers 6th in the medium class. In individual groups of two, Troy Harrison placed 2nd, and in the county groups of 10, Donley County took first place.

In addition to showing the grand champion steer, Clarendon F.F.A. almost completely dominated all of seven classes in the Junior Swine Show, missing out in the Duroc class.

Carl Talley exhibited the show's grand champion hog, a 218 pound Poland China and Gary Longan exhibited the best pen of three from all breeds, Hampshires.

The local entries, under the guidance of J. R. Gillham, placed first in the Poland China, Spotted Poland China, Chester White, Hampshire, Berkshire and cross breeds classes. Clarendon FFA entries totaled 108 out of 256 swine entered in the show.

Other breed champions were shown by Milton Mann, Spotted Poland China; Johnny Longan, Chester White; Sammy Wells, Hampshire; Butch Schollenbarger, Berkshire and Gene Elmore, Cross Breeds.

Out of a total of 35 awards in seven classes, Clarendon's FFA boys missed winning only five, two in the cross breed class, one in the Berkshire and two in the Duroc. Complete results of the show will be published at a later date.

## County Hale-Aikin Committee To Meet Jan. 30th

The Donley County Hale-Aikin committee will meet in the College auditorium Thursday, January 30th at 7 p. m. All members of the committee are requested to be present.

This group met recently to outline procedure for the local Grass Roots study which has been divided into the following: Section 1—School building construction; Section 2—School program; Section 3—Teachers, demand, education, source and status; Section 4—Financing the public school program.

Serving on the Hale-Aikin committee for Donley County are: Hedley—Supt. J. S. Hinds, Ed Boliver, Mrs. James Evans, Mrs. Floyd Leggett, Mrs. Doyle Messer, L. D. Moore, and Mrs. Don Hoskins; Clarendon—Supt. W. W. Pinkerton, Alfred McMurtry, Bob Moss, Oliver J. Abel, Inez Blankenship, Homer Estlack, C. A. Pitts, Mrs. Naomi Phelan and Mrs. Berkeley Neece; Lelia Lake—Supt. J. H. Spires, Quinn Aten, James Smith, Clarence Ayers, Mrs. Rachel Butler, Mrs. J. R. Batson and Elmer Dishman; Ash-tola—Mrs. Millard Word, Mrs. Sarah Shaller, Vance Gray; George Bulman, president of county board; Mrs. Ellen Bryan, secretary of committee; Ruth M. Richerson, permanent chairman; W. W. Pinkerton, vice-chairman.

Aberdeen Angus took the top honors at the Junior Steer Show at the Amarillo Stock Show. Don Hudgins, 16, left, Clarendon FFA Club member, shows his grand champion steer Dreamboat. Glyn Sell, 15, right, of Perryton, shows his steer Bimbo, judged the reserve champion steer of the show.

Mrs. Mary Cannon and children spent Thursday with Mr. and Mrs. Harrison.

Mr. and Mrs. Alton Webb visited his mother Sunday night.

Mrs. Ruby Hutton and children of Amarillo visited Stella Goode Monday.

Lake Safety Laws Passed On Texarkana

AUSTIN—Strong safety legislation affecting boating on Lake Texarkana was passed at the first call session of the Texas Legislature before its adjournment. They became laws when signed by the Governor.

The bill, which now is in the hands of the Governor, provides for "aiding in such preservation, protection and propagation of game and fish in this state." It covers Lake Texarkana in Bowie, Cass, and Morris Counties.

The bill prohibits the operation of a boat on the lake, while the operator is under the influence of intoxicating liquor.

It also prohibits reckless operation and shooting of rifles or pistols along or across the lake at any time.

Responsibility for enforcement is placed upon game wardens and all peace officers of the state. Penalties are set at not less than \$10 nor more than \$200 upon conviction.

The legislature also added Nolan County to the list of 80

now under regulatory powers of the Game and Fish Commission effective Jan. 1, when signed.

Action also was taken to strengthen the present laws covering headlight hunting in Bexar County, which is under regulatory authority.

The squirrel season was set in Arapahoe County for that "period of time between Oct. 1, and Jan. 15, both days inclusive."

Deer season in Commissioners Precinct No. 1 in Lee County was closed until Jan. 1, 1961.

Texas has been the leading mineral-producing state since 1935.

The Equitable Life Assurance Society OF THE UNITED STATES FARM LOAN SERVICE 393 Seventh Avenue, New York 1, N. Y. January 10, 1958 Mr. J. P. Pool Clarendon, Texas Dear Mr. Pool: The loan supervisors have made their selections for the Top-Ten Honor Roll award. I am pleased to advise that you have been selected for this recognition. The year 1957 was a difficult one for you as a correspondent as well as for us. Interest rates were unstable, competition was unpredictable, demand for farm loans was down, and the heavy demand for money in other fields made the money available for farm loans somewhat limited. I would like to express my appreciation for your cooperation in helping us meet these problems. As a token of this appreciation for the outstanding part which you had in making 1957 a successful year for the Farm Loan Service, I am sending under separate cover a library set which I hope you will like. Sincerely yours, ELI FERGUSON Second Vice President

**Lt. Col. Rex S. Kendall Is New Ford Hood Post Chaplain**

**FORD HOOD**—Chaplain (Lieutenant Colonel) Rex S. Kendall, the new Ford Hood Post Chaplain, was welcomed to the Post with a dinner given in his honor by the Chaplains' Wives Club.

Chaplain (Major) Joseph C. Solomon, former Post Chaplain, is going to Fort Slocum, New York, to attend the advanced course of the Chaplain's School. Chaplain Kendall came to Fort Hood after duty in Korea.

He was born in Clarendon, Texas, and attended grade and high school at Hedley, Texas. He graduated from McMurry College, Abilene, Texas, in 1933, and in 1935 graduated from Southern Methodist University with a B. D. degree.

He was pastor of churches in Plainview; Lueders and Vega, Texas, spending seven years in the Northwest Texas Methodist Conference.

Chaplain Kendall entered the army in 1942.

His overseas duty included the Southwest Pacific during World War II, with the Americal Division; Germany, 1949 until 1952, and Korea, July 1956 until November 1957.

Fort Hood was Chaplain Kendall's first stateside assignment after World War II. He is now returning for a second tour here.

Chaplain and Mrs. Kendall, formerly Frances Friddle of Celeste, Texas, have three children, Roxanne, attending the University of California, and Gary and Don, attending Killeen High School.

More than 4,706,017 acres of Texas land are under irrigation. Brazil is larger than the United States.

## RECENT BRIDE HONORED AT MISCELLANEOUS SHOWER

Mrs. Billy Mac Hicks, the former Linda Lamberth, was honored at a miscellaneous bridal shower Friday afternoon, January 17, in the home of Mrs. H. T. Warne. Receiving hours were from 3:30 to 5:30 p. m.

Guests were greeted alternately by Mrs. Bill Cushing and Mrs. W. W. Noblet and were presented to Linda, her mother, Mrs. G. A. Lamberth, and the groom's mother, Mrs. A. J. Hicks. Guests signed their names in a musical bride's book, presided over by Mrs. Acie Cleaton of Hollis, Oklahoma. Mrs. Jiggs Mann and Miss Pat Spurgeon entertained alternately at the piano.

The refreshment table was laid to carry out an aqua and white color theme. The cloth was of white linen with a floral arrangement of aqua carnations and silver leaves marking the center of the table. Three-tiered silver candelabra with beautifully decorated, aqua candles flanked each side of the centerpiece. Refreshments of tea, coffee, nuts, and individual cakes decorated with blue wedding bells were served from a silver service. Miss Beth Lamberth, sister of the bride, and Mrs. Jack Matthews of Amarillo presided at the table the first hour with Misses Glenda Borden and Beth Finch serving the second hour.

Among the out of town guests attending were Mrs. Bruce Hensley and Mrs. Pearl Clemens of Amarillo.

Hostesses for the courtesy were

Mesdames Johnnie Johnson, Jiggs Mann, J. H. Spier, G. W. Bradshaw, Louise Payne, H. T. Warner, W. W. Noblet, Lee Bell, Dalton Swinney, Bill Lane, F. O. Hodge, Bill Cushing, and Victor Smith.

The honoree received many lovely gifts. —Reporter.

## GARDEN CLUB HOLDS FIRST MEETING OF YEAR

The Garden Club met at Patching Club House Thursday afternoon, January 16, for the first meeting of the year. Hostesses were Mrs. Lee Holland and Mrs. Walter Taylor.

The house was called to order and presided over by the vice-president. A lengthy business session followed. Plans for the programs for the year were discussed and it was voted that each member be responsible for her own year book. The Secretary's report was heard, roll called, and dues paid.

"Seed Introduction for the New Year of 1958" was the topic discussed by Mrs. Lee Holland. She mentioned many varieties of flowers presenting new colors as petunias, zinnias, marigolds, and chrysanthemums.

Mrs. Pete Kunz gave highlights of "Our New Rose Garden," mentioning new colors, their care and culture. Some of the most beautiful roses are now being grown in Arizona where fields of flowers in bloom are lovely to behold. Roses grown in Arizona may, in a few years, rival those grown at Tyler, Texas.

Refreshments of lemon bisque, nuts, coffee and tea were served to Mesdames J. L. McMurtry, Bill Breene, M. C. Rumpy, O. C. Watson, and Pete Kunz by Mrs. Holland and Mrs. Taylor. —Reporter.

Leader—Local rate, \$3.00 a year

## MIDWAY QUILTING CLUB

Mrs. Katie Bell Wells was hostess Jan. 21st for the club's regular meeting. 10 members met for the days quilting and covered dish luncheon. They were Mesdames Moreland, Scott, Quattlebaum, Eanes, Myers, Carmichael, Simmons, Riley, Dishman and the hostess Mrs. Wells. One quilt was finished.

The Club 42 party at the Patching Club House will be Jan. 24. Meeting time, 6:30 P. M.

We regret to report that Mrs. R. C. Bingham, Clyde Butler, club reporter, Marjorie Hensley is undergoing treatment in an Amarillo clinic.

We sincerely missed one of our favorite members, Mrs. Rosco Land, The Lands have moved to Wellington.

The Club will meet Feb. 4th with Lillie Carmichael. —Reporter.

## MARTIN QUILTING CLUB

The Martin Quilting Club met at the Club room January 15th for an all day meeting with Margaret Waldrop as hostess. One quilt was finished. A delicious lunch was served at the noon hour.

Members present were Lela Bulman, Eunice Land, Lois Stephenson, Dorothy Sullivan, Veda Elliott, Blanche Higgins, Annie Waldrop, Velma Hearn, Sallie Christie and new members, Minnie Cannon and Jackie Spier.

Visitors were Mrs. Lois Hutchins, Blake and Hulda Cannon, Beth Waldrop, Belinda and Debbie Spier.

Next meeting will be January 29th with Annie Waldrop. —Reporter.

## CHAMBERLAIN COMMUNITY CENTER MEETS TO PAINT NAME MARKERS

Members of the Chamberlain Community Center met three nights last week to paint name markers. J. B. Melton, of the Foxworth-Galbraith Lumber Co. gave us one hundred boards 24" x 4" and enough paint for painting them. We wish to express our thanks for this kindness. We hope soon to have our markers erected so that people living in this community can be easily located. —Reporter.

## H. D. CLUB

The senior H. D. Club met Friday afternoon, January 17, in the home of Mrs. Bertha Benson. Mrs. Benson opened the meeting with Club Collect. The president, Mrs. Clyde Butler, presided. Secretary's report and roll call was given by Mrs. W. L. Jordan.

Piecing quilts was the program for the afternoon.

Refreshments of fruit cake topped with whipped cream, coffee and tea were served to Mesdames R. C. Bingham, Clyde Butler, J. H. Helton, Virgil Poole, Bennie Crabtree, Ella McDowell, G. A. Anderson, O. C. Watson, Bertha Benson and W. L. Jordan. —Reporter.

## CHAMBERLAIN COMMUNITY CENTER ENJOYS PARTY

The party at the Chamberlain Community Center was enjoyed by all present. After games of "42" sandwiches and coffee were served. The hostesses were Floree Webb and Ruth Lindley. The next get-together will be February 7, 1958.

The Chamberlain Club will meet Feb. 6, at the Community Center with Velma Heathington as hostess. This is an all-day quilting. Bring a covered dish and we will have an enjoyable time at noon. Everyone bring a thimble so we can quilt our club quilt. —Reporter.

Meat loaf and gravy, mashed potatoes, green beans, hot rolls, butter, milk, cake.

FRIDAY

Fish sticks, blackeyed peas, spinach, bread, green gage plums in syrup, milk.

## Beth Gillham Is Betty Crocker Homemaker Here

The Betty Crocker Homemaker of Tomorrow in Clarendon High School is Beth Gillham.

She received the highest score in a written examination on homemaking knowledge and attitudes, administered Dec. 3, to senior girls in the graduating class. Her examination paper will be entered in competition to name this state's candidate for the title of All-American Homemaker of Tomorrow and will also be considered for the runner-up award in the state. For her achievement, she will receive an award pin designed by Trifari of New York.

Each State Betty Crocker Homemaker of Tomorrow will receive a \$1,500 scholarship and an educational trip with her school adviser to Washington, D. C., colonial Williamsburg, Va., and New York City. A \$500 scholarship will be awarded the second ranking girl in each state. The school of the state winner will receive a set of the Encyclopaedia Britannica.

The scholarship of the young woman named All-American Homemaker of Tomorrow will be increased to \$5,000. Girls who rank second, third and fourth in the nation will receive \$4,000, \$3,000 and \$2,000 scholarships, respectively.

## HOSPITAL NOTES

Patients as of Wednesday, January 22nd:

Jack Walker, Mrs. Josephine Millican, Mrs. Ella McDowell, Bud Long, Mrs. K. K. Day, Mrs. O. L. Hill, Mrs. Homer Estlack.

Dismittals: J. P. Pook, Mrs. W. W. Altman, Mrs. John Bass, Mrs. H. R. Hensley, Mary Ruth Mabery, Edna Mae Watts, and Frank Whitlock.

Mr. and Mrs. Carl Brown of Madison, Wisconsin were recent visitors in the home of her grandparents, Mr. and Mrs. W. T. Roberts.

## Moisture Picture Looks Good

With additional rain and snow falling this past week end, the moisture picture for Donley County looks mighty good so far for 1958. It's sure too wet to plow in most places and that is very much opposite to what it has been for several years—it's been too dry and hard to plow. With the good fall moisture and over an inch for January, mostly in snow, we have a much brighter outlook than we have had in a number of years.

The rain and snow Saturday night and Sunday measured .65 inch here in town which gives us a total of 1.23 for the month of January so far. Ben Lovell reported .90 for the week end with a total of 1.24 for the month at Ashtola; Willard Knox, at Lelia Lake, reported .62 for the week end moisture and a total of 1.12; J. C. Ashcraft reported .67 for Saturday and Sunday at Goldston with a January total of 1.24. This gives practically the same amount from all reporting stations and Willard Knox, with the lowest total, said they spilled some of their moisture while melting out the snow and ice. This variation would put them along with the others.

Neither of the snows have caused any reportable trouble and livestock has fared very well although there was some fairly strong wind at various times but after most of the snow had melted. Weather observers are forecasting more inclement weather later this week—if it materializes.

Mr. and Mrs. Benny Edens and boys of Spearman spent Monday night and Tuesday morning in the home of her parents, Mr. and Mrs. A. D. Estlack. Bobby Lynn, who had spent a week with his grandparents, returned home with them.

Barbara Jeanine is the name given the young lady who arrived January 10 to make her home with Mr. and Mrs. Joe Shadle. Barbara weighed 5 lbs. 14 oz. She is the granddaughter of Mr. and Mrs. Dick Vallance and Mr. and Mrs. Tom Shadle.

## John Tom Morrow Selected Student Of The Month

The Student Council of Clarendon High School has selected John Tom Morrow as the Student of the Month. John, son of Mr. and Mrs. Kenneth Morrow, is a junior student this year. He is taking five subjects, English III, biology, vocational agriculture III, world history and Spanish. During the first semester he maintained a scholastic average of 85.

In addition to his high scholastic standing, John lettered in football and was co-captain of the team this year, and is playing his third year on the basketball team. He is also an active member of the Future Farmers of America and shows his projects at all the leading live stock shows in the area.

Mr. and Mrs. H. W. Howland of Houston were week end guests in the home of Mrs. Howland's sister and husband, Mr. and Mrs. George Benson.

To our many friends who were so thoughtful and kind during the illness and death of our beloved sister, aunt, niece and cousin, we wish to express our deepest appreciation and thanks.

Rex Reeves family  
Mrs. C. T. McMurtry  
Clyde Slavin family  
Pat Slavin family

I wish to thank the wonderful people for the nice cards, kind deeds and visits during my last illness. May God reward you.

Minnie Naylor

## High School Teams Win Over Canadian

The Clarendon High School Basketball teams took a double conference win over Canadian here Tuesday night. The local girls broke a five game losing streak by stopping the Canadian girls 43 to 30, and the Bronchos followed with a decisive 63 to 35 victory over the visiting boys.

Virginia Taylor, returning to the lineup after missing the last four games because of scholastic difficulties, led the scoring with 25 points. Joan Bennett made 17 points and Pat Spurgeon made one. Barbara Darnell, Maggie Morrow and Joanna Lane were outstanding on defense. Other girls who played were Ann Slavin, Alice Johnson, Beth Lambert, Pat Owens and Sharon Moore.

The game started slow with neither team being able to hit. Clarendon had a 4 to 1 lead at the end of the first quarter and were ahead 15 to 6 at the half. The third quarter saw both teams pick up with Clarendon holding a 31 to 16 lead at the end of the period.

In the boys game, the Bronchos took a quick lead early in the first quarter and were never in any apparent danger. They led 15 to 6 at the end of the first quarter and were out in front 32 to 16 at the half. They stretched their advantage to 45 to 29 at the end of the third frame.

Keith Schollenberger paced the Broncho attack with 25 points followed by Melvin Housden with 12, Jerry Behrens with 10, Richard Vallance 6, Jimmy Johnson 4, and John Tom Morrow and Jerald Hill 3 each.

This was the second conference win against one defeat for the Bronchos and the first conference win against two defeats for the girls. Next game will be Friday night at Memphis.

## Bulldogs Beat Sayre, 78 to 66

The Clarendon Junior College Bulldogs beat Sayre, Oklahoma, Junior College by a score of 78 to 66 at Sayre Monday night. This was the third time this season that the Bulldogs had beaten their friendly rivals from Oklahoma.

Dennis Love, stringbean center for the Bulldogs, paced the scoring with 25 points. Don Johnson accounted for 17 points, Steve Jarnigan 16, Bill Schneider 7, Bub Eldridge 6, Loyd Stephens 4 and Layne Cushinberry 3. Jimmy Adams also played but did not dent the score column.

The game was nip and tuck the first half with the Bulldogs holding a slim 32 to 30 margin when the halftime buzzer sounded. However, the Bulldogs pulled away during the first ten minutes of the second half and had a 12 point margin, 58 to 46, with ten minutes remaining. The two teams played an even terms the last ten minutes of the game.

## Beef Cattle Need Mineral Supplements

Beef cattle need a liberal supply of minerals for proper bone development and growth. County Agent H. M. Breedlove says that mineral supplements are no cure-all, but they are necessary for successful grassland cattle production in areas where soils have become deficient in minerals.

Minerals most likely to be needed by cattle are sodium, chlorine, phosphorus and calcium. You can supply sodium and chlorine by feeding common salt. The other two—phosphorus and calcium—can be furnished thru mineral supplements.

Phosphorus deficiency may occur in any part of the State at any time, but in some sections it is present at all times. A year round supplement feeding program should be carried on.

Mr. and Mrs. Benny Dennis and family of Borger were guests in the home of Mr. and Mrs. Dick Vallance and family Sunday.

Mr. and Mrs. Leon Shaffer of Pampa visited Saturday afternoon with Mrs. David Patterson and Marcy.

Mr. and Mrs. J. G. Davis of Delhi, Okla. visited in the home of her sister and husband, Mr. and Mrs. Chester Martin Sunday.

Mr. and Mrs. G. A. Lambeth visited relatives in Amarillo Monday.

## Watch Out For The Witchweed

Texas Department of Agriculture John C. White, Commissioner

A cluster of small reddish flowers on low-growing weeds may spell death to a corn crop in a matter of days.

Witchweed, a parasitic plant that attacks primarily corn, plus a few other crops, has been found in the United States.

Although the weed has not yet come to Texas, farmers are warned that it can thrive in the South and Southwest. At present, it is believed to be confined to about 38,000 acres near the coast in North and South Carolina, but all areas have been alerted to be on the lookout.

Farmers are asked to watch for an unfamiliar weed with bright green, slightly hairy leaves and the bright, generally reddish flowers. First discovered in the Carolinas in the fall of 1956, it is known that the plant can spread rapidly.

Symptoms of this parasite resemble damage done by drought; the corn plants are stunted, wilt quickly and turn yellow. The witchweed accomplishes its work with a vast network of fast-growing roots which intertwine with roots of the host plant. This mass of witchweed root chokes off the food and water supply of its host, starving it and making fruitation almost impossible.

The first witchweed blooms usually appear in June and will continue to bloom until frost. The flower is small and usually brick red, although it can be scarlet, yellowish-red, yellowish or even almost white.

Any farmer suspecting the presence of this plant should notify his county agent. The agent can arrange for positive identification and suggest measures for eradication. Witchweed plants or seed SHOULD NOT BE MOVED from the field, since the minute seeds are easily spread. And one plant can produce up to half a million tiny seeds.

The Texas Department of Agriculture has a limited number of copies of "Watch Out For Witchweed". It can be obtained by writing John C. White, Commissioner, Texas Department of Agriculture, Austin.

Mr. and Mrs. Acie Cleaton of Hollis, Okla. visited the week end in the home of Mr. and Mrs. Lee Bell and family.

Mr. and Mrs. Clint Small of Austin were visitors Saturday afternoon in the home of Mrs. E. W. Bromley.

**SOCIAL SECURITY INFORMATION** Employers of household workers must file a return for the October through December 1957 quarter on or before January 31, 1958, Jim Pierce, Group Supervisor of Internal Revenue for the Amarillo District Office reminded them today.

At the same time, John R. Sanderson District Manager of the Amarillo Social Security Office, pointed out that this obligation to file a return applies to every household employer who paid \$50 or more in cash wages to a cook, maid, laundress, or any other household employee during the calendar quarter. Returns

must be filed after the close of each calendar quarter and are due April 30, July 31, October 31, and January 31 every year.

Most household employers will make their reports on Form 942. This is a special simplified form printed on the back of a return envelope. If you are a household employer who is already on the mailing list of the District Director of Internal Revenue, one of these forms was mailed to you before the end of December. If social security taxes are due from a household employer who is not now on the mailing list, the employer should ask the District Director for the form and give her name and address to be added to the mailing list before the next quarterly return is due.

The amount of the social security tax is 4½% of the total cash wages paid to a household worker in a calendar quarter. The employee is expected to share this tax with the employer, however, it is the obligation of the employer to report and remit the total tax of 4½% to the District Director of Internal Revenue. While the \$50 cash wage test applies separately to each household worker in your employ, no report or social security tax is due on any household worker to whom you pay less than \$50 in cash during the calendar quarter, Pierce pointed out.

Ysleta del Sur, established in 1882 near El Paso, is Texas' oldest permanent settlement.

### New TFB President Is Strong Believer In Free Enterprise System

WACO—J. H. (Harrell) West, the new president of the Texas Farm Bureau, is a strong believer in the opportunities offered by the American free enterprise system.

A share-cropper when he started farming 34 years ago, West now is a successful farmer who lives on his own productive and well-run farm a short distance east of Bishop in Nueces County.

West succeeded J. Walter Hammond, 69, of Tye, Taylor County, president of the state's largest farm organization Nov. 20 following the annual meeting in Dallas. Both men have been leaders in Farm Bureau for the past two decades, with Hammond serving as president for 18 years.

West was first elected to the board of directors of the organization in 1937 and has been re-elected as District 12 director each year since then. He was named secretary-treasurer in 1938, a post he held until chosen vice-president last year.

The new president was born in March, 1900, in Grandview, Johnson County. He attended public schools there, receiving his high school diploma in 1918. He studied at a Fort Worth business college and attended Baylor University.

West was married in 1924, the year he started farming as a share-cropper, to the former Ola Postick. They have a son and daughter, Tilden, 19, and Mrs. L. D. (Margaret) Attaway, 25.

West ignored Horace Greeley's advice to "go west" and headed south to make his future in the fertile farming land of the Coastal Bend area of Texas. He started out in partnership with a brother farming on the halves. In two years they had accumulated enough capital to buy their own equipment and then rented land on the traditional third-and-fourth basis.

In 1939, he attained a goal he had set for himself when he bought the farm on which he now lives near Bishop. He produces cotton, grain sorghum, flax and winter vegetables.

**ACTION, THRILLS, EXCITEMENT** — Programs and activities at the 1958 Southwestern Exposition and Fat Stock Show Jan. 24 through Feb. 2 in Fort Worth will be the most colorful ever. Gail Davis (top left), who stars as Annie Oakley on TV, will be in all rodeo performances. The midway (top right) will offer rides and shows for young and old. Rodeo events (bottom left) will keep visitors thrilled and rodeo clowns (bottom right) will keep 'em laughing.

The new TFB president says he came to the conclusion a long time ago that more of the problems a farmer has to deal with lie beyond his own fences than are found in the fields. He has long been recognized as one of the Farm Bureau's foremost authorities on cotton and has served many years as a producer-delegate to the National Cotton Council. He is part owner and president of the Bishop Gin Co.

West is also a grain handler as well as producer. He and a partner operate the Barkley-West Elevator Co. in Bishop, a modern grain storage facility with a capacity of 1 1/2 million bushels. He is on the board of trustees of the huge terminal elevator at the Port of Corpus Christi.

### HEALTH NOTES

**Texas State Dept. of Health**  
AUSTIN—Texas' new "hazardous substances" law is now in effect, aimed at restricting the sale of poisons that last year claimed at least 15 young lives in this state. Chief target of the law is thallium sulphate, a potent insecticide and rodenticide. But all substances, with few specific exceptions, which are hazardous for humans are included. The law was passed by the recent legislature with strong backing from the State Department of Health. The task of administering and enforcing it now falls to the state health commissioner with the help of city and county health officers.

### INTERNAL REVENUE SERVICE UNITED STATES TREASURY DEPARTMENT

**TAX-MAN SAM SEZ:**  
Taxpayers often make mistakes that cause their income tax returns to be audited. The most common mistake is claiming a dependent the taxpayer is not entitled to. Nobody has any trouble making up their mind what should happen to the farmer who claimed Maud as a dependent for years before the Internal Revenue folks discovered that Maud was a mule. Generally speaking, quite a few folks don't claim a dependent parent who

qualifies as an income tax dependent under the law simply because they haven't read the instructions. On the other hand, divorced parents frequently have both parents claiming one dependent. It can't be done. It is a mighty good idea to study the tax instructions before you fill out your tax return.

Treason is the only crime defined in the Constitution of the United States.

The best known safety device is about nine inches above your shoulders—DRIVE SAFELY

According to surveyor's measure, 36 square miles comprise a township.

Leader—Local rate, \$3.00 a year

### DOG TALK

By Bob Bartoe  
Prominent Dog Authority

Such expressions as soft as a kitten, sly as a fox, brave as a lion and strong as an ox must have slipped into the English language when a dog's back was turned, for he's made good and sure that most of our idioms have GONE TO THE DOGS.

Why, hardly a day goes by without our referring to canines in some conversation or other.

You wake up on one of those hot August DOG DAYS with one of those DOGGONE colds feeling SICK AS A DOG. Just as you've finished up with the housework and settled down with a DOG-EARRED book, your young son comes DOGTROT-TING into the house. He wants a sandwich. Once he's fed and shuttled out to play, the mailman arrives with a letter from your elder son, who's been inducted into the army. He writes that he's just gotten his DOG TAGS, he's spent the night in a PUP TENT, he's stuck with the DOG WATCH and that a pilot pal of his engaged in a mock DOG FIGHT.

When your husband, all decked out in his HOUNDSTOOTH-checked jacket comes home from his golf tournament DOG TIBED, wearing that HANG DOG look, you know that he's had another of those DOG EAT DOG games and that he probably got stuck again on the eighth hole DOG LEG. You advise him that he's in the DOG HOUSE for not fixing the sink, but knowing YOUR BARK IS WORSE THAN YOUR BITE he simply switches the subject by repeating a SHAGGY DOG TALE he heard at the club.

**Feeding Tip:** Puppies six months to a year old should be served two meals a day. To be sure that they're getting their daily quota of vitamins, minerals and other nutrients essential to growth, feed them a top quality prepared dog food such as Friskies.

# FARM NEWS

from the County ASC Committee

## ACREAGE RESERVE

160 Donley County farmers have signed contracts to participate in the 1958 Acreage Reserve Program. This will place 6270.6 acres of cotton under allotment in this program for 1958.

## CROP HISTORY PRESERVED

The Acreage History for old allotment farms for wheat and cotton will automatically be preserved for the years 1957, 1958 and 1959, even though the allotment is not planted.

## GRAIN SORGHUM LOANS

Our last report indicates 366 farmers have placed 160,652.66 CWT of grain sorghum under price support loan. This represents a total in dollars for the County of \$314,283.51.

## APPROVED COVER CROP FOR CONSERVATION RESERVE

If an approved cover crop is already on the land placed in Conservation Reserve and it is adequate to afford good protection from wind and water erosion for the period of the contract, the establishment of a new vegetative cover may not be required.

## FARM MANAGEMENT CHANGE

We wish again to remind you to please let us know if you are making any farm management change for the year in order that we may keep your records current and also that you may receive mail from this office effecting your farm.

## SEEDING RYE FOR WINTER COVER CROP

Our farmers have planted a great number of acres of land to rye for winter cover crop, and one of the provisions under regular Agricultural Conservation Practice provisions was non grazing of the cropland prior to February 1st. Grazing after February 1st will be permitted provided a good cover is maintained on the land to protect it during the blow season.

## WIND CLOSING

"It isn't the gale but the set of the sail, that determines the way you go."

Mr. and Mrs. Jack Lewis announce the arrival of a son, January 16. The young man weighed 6 lbs. 6 oz. and has been named David Wayne. He is the grandson of Mr. and Mrs. W. T. Roberts and Mr. and Mrs. Carroll Lewis.

Mrs. Pearl Clemens of Amarillo visited Thursday night and Friday in the home of her daughter and family, Mr. and Mrs. G. A. Lamberth. Mrs. Bruce Hensley and James Lee also of Amarillo were visitors Friday.

Mr. and Mrs. Fred Riley of Amarillo spent the week end in the W. T. Roberts home.

## Silver Harvest Days Now Gaining Rapidly In Popularity

According to members of the Merchants Activities Committee of the Clarendon Chamber of Commerce, the weekly drawings of the Silver Harvest Days are now coming into their own and after eight months and 33 winners later it is an established enterprise.

This is based on conversations and overheard conversations with winners, non winners and sponsoring merchants. Here are a few of them:

One winner was overheard to say, "I honestly didn't know how I was going to feed my family for the rest of the month until I was lucky enough for my name to be drawn. I drew enough for two weeks groceries."

A non winner said, "I don't care if I never win a pot. I enjoy getting out and seeing my friends once a week and just plain talking to people."

Another winner said, "The money I drew from the Silver Harvest drawing made Xmas one of the happiest in my memory. For once I could buy my children everything they wanted without having to squeeze pennies and buy the cheapest of everything."

One merchant and sponsor was quoted as saying, "I know the crowds could be some larger and I feel sure they will in time, but I'm grateful to see this many. Think how many would be here if there was no drawing. Also all the money won has to be spent in Clarendon with sponsoring stores."

Another non-winner in conversation said, "understand a few of the sponsoring merchants have withdrawn from the program and a few others are contemplating it. I can't understand this attitude at all. I know the cost to each firm is very nominal and fair based on volume. It is a program based on mass appeal and helps any firm directly, or indirectly which is more often the case. Just one extra person drawn to our town thru this drawing will benefit some concern. Every eligible buyer who purchases any commodity or service, should demand their tickets at that time. The consumer is the boss and should avail himself of every opportunity to gain and to save."

Finally one non-winner said, "if for nothing else, I'm glad this drawing pried me away from my TV set for a couple of hours. It was making a slave of me."

So the members of the committee feel that the program has a good start and with the maximum amount of the drawing now half again as much as before, and likely to go higher, further continued success will be had. However they caution that such progress will depend on the continued full cooperation of the sponsoring firms. Also any non-sponsoring firms who wish to join or rejoin this worthwhile enterprise will be welcome. They are urged to do so as a project of this kind takes full community wide support from both the givers, seekers, and winners.

Editors Note: The above report was made this week by a member of the Merchants Activities Committee of the Chamber of Commerce.

## First Baptist Church To Ordain New Deacons

This Sunday, January 26, the First Baptist Church will ordain five new deacons to serve on their present board. The service will be conducted at the regular worship time of 10:45 a. m. to 12:00 p. m. The District Secretary of Missions, O. C. Curtis, will be the Principal speaker for the morning. Bro. Van invites everyone who has never witnessed this solemn service in a Baptist Church to come and be present.

The church elected for ordination the following men: U. Z. Patterson, A. D. Estlack, Norris Spurgeon, Lynn Leathers and Billy Goodman. This election was done by individual balloting.

The service will include the personal testimonies of each of the men. There will also be a time of questioning each of them about their beliefs and practices. Then there will follow the laying on of hands and the charge to the deacons and the church.

Bro. Van says that every member of the church, young or old, will want to make every attempt to be present at the ordination.

Mr. and Mrs. Leon Shaffer of Pampa visited Saturday with her parents, Mr. and Mrs. E. A. Tip-ton and Eddie.

## THE LIONS DEN or The Roar of the Lions

By the Liontamer

The predictions that were made last week relative to Lions Club activities, following the meeting of the Board of Directors were not exaggerated. The Board of Directors discussed thoroughly several fund raising projects to present to the luncheon meeting of the club for their consideration Tuesday at noon.

The committee in charge of sight and hearing conservation made their report relative to the needs of some of the local youth in order to conserve their sight and aid their handicaps in hearing.

At the Tuesday noonday meeting various of the proposed fund-raising projects were presented to the Club by Lion Junior Spier, First Vice President, acting in the absence of Boss Lion Homer Estlack. Lion Drennan's program took a recess by pocket veto in order to allow round table discussions of the proposed projects. Time prevented a definite decision on the immediate projects but no doubt the next meeting will bring a selection of one or more to sponsor in the immediate future.

It is unfortunate that any member was absent at Tuesday's meeting, because every member was given an opportunity to help promote a going Civic program for the year of 1958. The writer recommends very heartily that all members resolve to attend every meeting and add to the strength of the Clubs activities with both their presence and counsel. Furthermore it is quite depressing to the Tailtwister to have such a few attend that it becomes necessary to two time offenders at the luncheon.

## Colts Win Trophy At Alanreed

On the week-end of January 16-17-18, the Fillies and Colts intered the Alanreed Tourney. The Colts came home with the Consolation Trophy. They were defeated in the first game against Shamrock with the score 15 to 21. In the second game against Alanreed they won 22 to 17. The final game was won with the score 27 to 14 against Kellerville. The boys making the trip were Bill Spier, Dwight McAnear, Eddie Tipton, Orville Bennett, Lynn Barker, Jerry Elmore, Don McAnear, James Allan, Herman Vinson, Pete Durham and Gary Mahaffey.

The Fillies won their first game from Shamrock 24 to 16. In the second game they were defeated by McLean 24 to 19. The girls suiting out were Charlene White, Pauline Mills, Schellon Barker, Brenda McAnear, Carolyn Taylor, Judy Blair, Irene Elam, Janie Ivey, Lynette Howard, Peggy Jackson, Darlene Glisson and Sandra Webb.

## Local High School Teams Lose To McLean

The local high school teams lost important conference games to McLean last Friday night at McLean. The McLean girls defeated the Clarendon girls by a score of 57 to 41 and the boys nipped the Bronchos 45 to 42. It was the first conference defeat for the Bronchos in two years.

Joan Bennett led the girls in scoring with 23 points followed by Joanna Lane with 9, Ann Slavin with 8 and Alice Johnson with 2. Other girls seeing action were Barbara Darnell, Beth Lamberth, Maggie Morrow, Pat Owens and Sharon Moore. McLean's Swietzer, one of the outstanding basketball girls in the Panhandle, paced the winner's attack with 35 points. This was the second conference loss for the Clarendon girls against no wins.

Melvin Housden led the Bronchos in their losing cause with 16 points. John Tom Morrow made 10, Jerry Behrens 9, Keith Schollenbarger 3, Wayne Mann 2 and Jimmy Johnson and Richard Vallance one each. The Bronchos led most of the way but fell victims to a desperate McLean rally in the final minutes of the game. The Bronchos led 12 to 8 at the end of the first quarter and increased their lead to 24 to 17 at halftime. They still had a 36 to 31 lead at the end of the third quarter but could only score six points in the final frame, while letting McLean score 14 points.

It would stick closer to the truth our memory would stick closer by us. Jo Brown sends us the following sayings for which we say Thank You Jo, and pass them on to you.

would do well to consider where it came from. "Nature endows man with five senses: touch, taste, sight, smell and hearing. We have to acquire horse sense and common sense." "It's tough being poor the first 40 years, but after that you get used to it." I beg your pardon Jo but we didn't - yet.

"Ice on a pond for skating is fine— But ice on a walk can fracture a spine." Budget: A family's attempt to live below its yearnings. "When we know the right answers, it seems no one asks the right questions." "The only thing a modern girl can cook as well as her mother is her husband's goose."

shell; It was only a grain, but it gave him much pain. For oysters have feeling although they're quite plain. Now do you think that he would berate, this sad working of fate And say he was cheated, and cry for election And say that the sea should have given protection— "No," he said to himself, as he lay on the shelf, If I can't remove it, I'll try to improve it."

Purpose of the program is to assist farmers and ranchers in the Donley Soil Conservation District in carrying out approved plans of operations for the protection of their land from erosion. To participate in the program, a farmer or rancher shall furnish a plan of operations. The plan must incorporate needed cropping systems and land use changes along with needed soil and water conservation practices in proper combinations. The plan of operation will include a schedule for carrying out these measures within a period of not less than 3 years and not to exceed 10 years.

PARENT - TEACHER REPORT

The Sims PTA opened its first meeting for the new year on Thursday, Jan. 16, 1958 in the Jr. High auditorium with Mrs. Carol Hudson, president, presiding. Mrs. Conrad Ryan, Sec., reported minutes of the last meeting and Mrs. Tom Perkins gave the treasurer's report. She also reported that the Halloween UNICEF Drive for needy children received over forty dollars and our local PTA membership received a certificate to be placed in our scrapbook.

shown. This educational picture distributed by the Amarillo Mental Health Assn. was presenting how some problems of children in schools and communities are helped through Child Guidance Centers. The center closest to us for this need is Galveston. They help solve problems of the unstable, emotionally unbalanced child who cannot find help from his parents or others of his community, and help the children their place in the world. The next meeting will be The Founder's Day tea to be held at the Clubhouse. —Reporter.

SCIENCE IN YOUR LIFE Care With Cleaners Cleanliness may be next to godliness - but it also can be dangerous. Certainly many human beings go to meet their Maker because of cleaning fluids and laundry bleaches.

It is surprising how much a locked cabinet or even a tightly closed container on a high shelf might do to make unnecessary a discussion of laundry bleach poisoning," says the Pfizer Spectrum, a medical magazine. Many housewives thoughtlessly store chlorinated laundry bleaches and the cleaning fluid, carbon tetrachloride, in soda-pop containers, wine bottles and even baby bottles. These are even placed on the floor within easy reach for toddlers in an exploratory stage of life.

After a seven year study, three doctors reported in the Canadian Medical Association Journal that carbon tetrachloride is one of the commonest medical causes of serious and even fatal kidney damage. The fluid can have dangerous effects whether it is inhaled, swallowed or absorbed through the skin. The corrosive and caustic action of the chlorinated alkalis used as laundry bleaches are well-known to anyone who has mourned a favorite garment eaten away by strong laundry bleaches. When swallowed, these chemicals cause severe burns in the mouth and digestive tract - a terrible reward for the enterprise of young explorers.

You ride on air... and on the level! OLDSmobility brings you NEW-MATIC RIDE!

All '58 Oldsmobiles feature Safety Plate Glass... all around! You don't have to look twice to tell it's a '58!

For the finest performance, Oldsmobile's New-Matic Ride is an exclusive "closed-system" (shown above). Carefully-filtered air is pumped into high-pressure tank (behind right rear wheel), ready for instant use as air chambers (at wheels) require. Air then circulates to low-pressure storage tank (behind left rear wheel), ready for future use. Air springs (one at each wheel) replace conventional metal springs.

... It's Oldsmobile's True Air Suspension!

Here's the greatest improvement in riding comfort since they first put air in tires! Oldsmobile's New-Matic Ride puts four air cushions between you and the road... giving you the smoothest, softest, most relaxing ride you've ever experienced! New-Matic Ride is different from any other "air ride"! It's designed exclusively for Olds! No matter how heavy or one-sided the load, New-Matic Ride instantly and automatically returns the body to "design height." You ride on-the-level all the time. There's super-softness when the going is easy... firm control when the going is rough! Try New-Matic Ride today! Come in and see the magnificent new Oldsmobile and get all the facts on New-Matic Ride. Sample, too, the reserve power of the great new Rocket Engine. You'll appreciate the newest in high-compression performance—delivering all the power you can use, plus new fuel economy, too! And you'll love the luxury and distinction of Oldsmobile's brilliant new styling! So make a date with a Rocket 81 Experience the freedom-to-go feeling of OLDSmobility... try the superb smoothness of New-Matic Ride. It's the new concept of surface travel for the Rocket Age... and it's available only at your Oldsmobile Dealer's! \*Optional at extra cost.

# Highlights and Sidelights FROM Your State CAPITOL

By VERN SANFORD  
Texas Press Association  
AUSTIN—Education has been a prime concern of Texas government for more than a century and a quarter. But seldom, if ever, has the subject loomed so large in public discussion as now in the satellite age.

Austin, site of the Capitol and state university, is the center for a swirl of conferences and statements on the direction in which education should move.

Mirabeau B. Lamar, known as the "father of education in Texas," admonished early lawmakers with the famous statement, "The cultivated mind is the guardian genius of democracy."

In the past few months, since Sputnik, statesmen have taken up this theme in different words, but with greater-than-ever urgency. They're saying, in effect, that unless the tempo of training can be stepped up immediately to train more people better, democracy is doomed.

In Austin this challenge has set off lively debates and given heavy new significance to the planning conferences of those who set educational policy. Current examples in the news:

**SCIENCE AND MATH** study in Texas public schools will get a critical examination by a group of school principals with advice from business and industry leaders.

State Board of Education set up the study group which is to complete its project by end of 1959. Goal is to find means to enrich the schools' curriculum in some areas, set standards in others.

Board has previously raised graduation standards in Texas high schools, taking away from the students the chance to pass up math and science in favor of "smoke" courses. This action, taken

before the current science emphasis, was "somewhat prophetic," commented one board member.

**NO TAX FOR TEACHERS** would do more than scholarships and new buildings to raise level of instruction, said the secretary to the Commission on Higher Education.

Jack D. Cox said exempting teachers from income taxes would have the effect of raising salaries without levying additional taxes.

**POOR PAY FOR PROFS** was hit even harder by a University of Texas faculty member in an Austin talk. He cited salary incentives as crucial in comparing Russian and U. S. school systems.

According to Dr. B. H. Amstead, an American college professor can expect to double his salary in a lifetime; his Russian counterpart can achieve 15 times his beginning wage. American teachers make 10 percent less than factory workers, said Dr. Amstead. Russian teachers 2 1/2 times more.

Proposed federal scholarships will be useless, he opined, unless there's also more money to attract people to run schools.

"SURVIVAL DEPENDS on the quality of our schools," Sen. A. M. Aikin, Jr. of Paris told the Texas Association of School Administrators.

Aikin leading legislative spokesman for education, reported on the aims of the Hale-Aikin Committee of 24 set up by the Legislature to make an over-all study of the state's school needs. "Specific recommendations from the people of Texas on many important school matters are needed by the study group," Aikin said. Success of the study depends on how well the people get behind it and participate, he added.

## People, Spots In The News

**PUMPKIN'S** a mere peanut to Yuba, touring circus hippo that stopped in a West Berlin zoo for a shower and a snack.

**POOL-TYPE** training reactor designed by Nuclear Products-Ereo division of ACF Industries for use in engineering schools is studied, in model form, by girl student and technician.

**COMEBACK.** Shirley Temple, one of greatest child actresses, back before cameras as TV series narrator.

**NIBBLING** thermometers before traditional ice cream orgy of tonsillectomy patients are "all five" children, ranging from 9 to 3, of the James Durhams of Lincoln Park, Mich.

It was begun, said the senator, "before foreign development re-emphasized the fact that education is a vital part of our national defense."

**LAND LEASING SET** School Land Board has set March 4 for sale of oil and gas leases on public lands.

Some 34,000 acres of tidelands plus several hundred tracts on

state prison farms will be offered for leasing.

It will be the first time tidelands leases have been offered since the federal government filed suit contesting Texas' claim to land more than three miles from shore. State officials were unsure how attractive the land would be under the circumstances.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

OBSERVATIONS AND SIDELIGHTS OF THE STATE OF THE UNION MESSAGE

Like most speeches, the State of the Union Message, delivered to the Congress at 12:30 p. m. on Thursday, January 9, 1958, by President Eisenhower, contained many platitudes and generalities. Some of these were undoubtedly prompted by wishful thinking on the part of the President and his advisors. One in particular which I have in mind is his reference to the possibility of further revolts similar to the Hungarian revolt. Contrary to the thinking of John Foster Dulles, I personally do not believe that we can rely to any degree on the possibility of revolts behind the Iron Curtain having any telling effect on the strength of the Soviet Union. We may as well be realistic and keep ourselves well pre-

pared, without depending on effective help coming from a source that is not going to produce it. The hard core of the speech was concentrated in the 8 items which are listed below and to which I have added my personal observations.

- 1. DEFENSE REORGANIZATION - This probably should have been styled rearrangement of the present defense establishment. I do not believe President Eisenhower intended to indicate he was going to do away with the Joint Chiefs of Staff.
2. ACCELERATED DEFENSE EFFORT - This actually had reference to accelerated efforts in coping with new developments; recognizing the need for dispersal rather than the concentration of many installations; perfecting better warning systems, etc.
3. MUTUAL AID - This is another name for "foreign aid". The President's condemnation of those who refer to this program as a give-away program did not please many of the critics of the foreign aid program.
4. FOREIGN TRADE - This will be highly controversial in

many areas of this country. Foreign produced goods materially affect the economy in many sections of our country, because these foreign countries can produce the goods at so much less cost.

5. SCIENTIFIC COOPERATION WITH ALLIES - This has been controversial in the past but will probably meet with greater approval in view of the scientific and technological advances of the Soviet Union in recent months. The danger of such a program lies in the possibility of some secrets falling into unfriendly hands. The question is "Who are the friends of some of the friendly nations?" The Washington Post carried a story on Friday, January 10, with the headline, "Canada Plans to Sell Wheat to Red China."

6. EDUCATION AND RESEARCH - The controversy as to how federal aid will be administered in the education field will cause fireworks. Expanded research and development can and should be accomplished with the least possible delay.

7. SPENDING AND SAVING - This would appear to be a conflicting term. However, a re-evaluation of some spending practices can result in savings. The re-evaluation should provide searching scrutiny of defense spending. Most tax dollars are absorbed by this department of government.

8. WORKS OF PEACE - The end result which we have been seeking for many years and hope and pray it will become a reality during our lifetime.

SIDELIGHTS
Many of the sitting Members of the House of Representatives did not get to sit during the President's speech. They had to stand behind the rails because so many former Members (who have access to the House Chamber) occupied the seats earlier.

The Supreme Court had a session of its own yesterday and did not attend the Joint Session to hear the State of the Union Message. This was somewhat unusual.

The appearance of the President was awaited with mixed emotions. All of us were looking forward to his visit but some appeared to be most anxious to see what he looked like from a health standpoint. Others were awaiting with great anticipation some earth shaking remarks, or perhaps I should say space shaking remarks, in the State of the Union Message.

Mrs. Eisenhower, as usual, came in before the President and occupied the President's box in the west gallery. She was greeted with a tremendous ovation justly and properly accorded the First Lady of the Land.

The President was applauded numerous times during his speech. A large amount of this applause was spontaneous. However, some of it appeared to be manufactured. As to the latter, some of the Members seemed so anxious for the President to say something important that they couldn't withhold their applause until he had said it. I was reminded of the time in Amarillo when Wendell Wilkie was running for President against Roosevelt. He made a speech before a huge crowd at Elwood Park. What appeared to be one of his staunchest supporters was a large red-faced fellow wearing a good looking pair of cowboy boots and a good Stetson ten-gallon hat. He was sitting on the edge of his seat when Wilkie got up to speak. Wilkie said, "Ladies and Gentlemen". Whereupon the red-faced fellow leaped to his feet, hurled his hat into the air, gave out with a resounding cowboy yell and then hollered at the top of his voice, "He's a-talkin' right down my alley."

FACTS AND CONCLUSIONS ABOUT THE PRESIDENT'S HEALTH

FACTS: When the President entered the House Chamber to give his State of the Union Message he looked excellent. His complexion was ruddy, he was wearing a broad smile, and there was plenty of briskness in his walk. His entire demeanor during the speech was that of a normal individual with full control of all faculties. His voice was strong and his pronunciation of words excellent, even though it did appear on the television screens that he might have mispronounced one or two. His voice did become a little hoarse at the end, but this would happen to anyone who had been on his feet talking for 43 minutes. It happened to me yesterday in a 5 minute radio talk.

When he left the Chamber he was shaking hands, smiling and stepping high. CONCLUSION: The President will make it to grass.

### GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

Our new book purchased for the month or rather week is "Reader's Digest Condensed Book for Winter."

A friend brought us this collection of books for our readers: "Sara Dane" by Katherine Goskin. This novel is a fascinating story of the settlement of Australia in 1792. "The Montee" by

Nancy Bruff is apparently a sea story, and having had its sixth reprint must be worthwhile. "The King's Vixen" by Pamela Hillis is a Scottish story of "Medieval Scotland, with all its mingling of luxury and savagery comes abundantly to life in this book."

### A. H. MOORE WATER WELL DRILLER IRRIGATION

Clarendon, Texas Phone 146

"The River Witch", by Marjorie McIntyre you will thoroughly enjoy. Quote. "The River Witch is the stuff of legends and enthralling novels." "The Village Beyond" by Livingston Biddle Jr. is a fascinating story, and a very unusual one. "The Four Winds" by David Beaty is an event in the life of a Middle Atlantic Line of British Empire Airlines. It is the story of a confusing love affair, also. "Our Glad" by Joyce Warren could be termed a career story of some captivating characters. "India Allen" by Elizabeth Boatright Coker is a southern story of the Civil War period, and termed a dashing and exciting story of a woman's love. All of these books are from various book clubs, and words are inadequate to confer our gratitude for this gift of unused books and recent editions.

A book was given this week in memory of Mrs. Joe Goldston. It is "With All My Heart" by Leslie Scooge Clark. It consists of Devotional Vignettes, of the Bible, Poetry and Prayer. It is both readable and inspiring.

We possess an unlimited supply of Western Historical Books, Spirituals, Biographs, Fiction, etc.

#### TAX-MAN SAM SEZ:

Now is a good time to prepare your income tax return for 1957. If you are not going to prepare your tax return before January 15 and you made income of more than \$100 outside of your salary on which tax was withheld during the last quarter of the year, you may be required to file an estimated tax return, that is, in case you haven't made one last April 15. There are a lot of folks who have income tax nightmares from January 1 until April 14. These same folks often find that when they figure their tax at 11:00 P. M. on April 15, that they have a refund coming instead of owing additional tax. The sooner you figure your tax, the sooner you can dream of more pleasant things.

An estimated 1,250,000 servicemen trained in Texas during World War II.

You're never cold, never too warm...all you feel is comfort

The General Electric Blanket does what no ordinary blanket can do...automatically keeps you comfortable, whatever the weather.

If your bedroom temperature changes, the General Electric Blanket changes, too...so that you're never cold, yet never too warm. And you never have to get up for extra blankets!

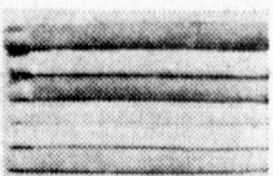

This constant comfort and freedom from heavy covers makes a delightful difference in your next-day point of view. Ask any happy owner!

Comfort Selector, where you choose the warmth you want your blanket to give. General Electric's Sleep-Guard system assures dependability.

Mixes fabric by Chatham, blended of cotton and rayon for luxurious softness. Durable Nylon bindings. Blanket is completely washable!

Six smart new colors for bedroom beauty. Custom-tailored corners for easy bed making. Approved by Underwriters Laboratories.
