College Comets To Meet Wayland's Flying Queens Here Saturday Night; Bulldogs To Play Pratt, Kansas

The four-time National Women's Basketball Champions, the Hutcherson Flying Queens from Wayland College, will invade Clarendon Saturday night looking for their 11th straight victory. The Queens, looking smoother and more powerful than ever this year, are setting a new record with every game they win. They have already erased the old record of 102 straight wins hung up by the Hanes Hosiery team of Winston-Salem, North Carolina, in 1950-53. The Queens downed Midland Jewelry Company of Kansas City on Monday night of this week for their 110th straight.

The Comets of Coach Buddy Travis have been drilling hard in preparation of this game. They have played only one game to date, losing a close 48 to 46 game to Cisco Junior College some two weeks ago.

The Saturday night session will be a double header as the Bulldogs will meet the strong Pratt, Kansas, Junior College team on the same card. The Comets and Queens will play first and their game will get underway at 8:30 with the boys game scheduled to start at 9:00.

Schools To Observe Christmas Holidays

The Clarendon Public Schools and Junior College will observe the Christmas holidays beginning at 3:00 o'clock on Friday afternoon of this week. School buses will make their regular routes beginning at three o'clock instead of the usual four o'clock.

School will be in session again beginning at nine o'clock on Thursday, January 2, 1958.

Graveside Services Held Tuesday For James Patman

Graveside services were held here Tuesday afternoon for James Albert Patman with Rev. C. M. Ryan officiating. Funeral services were held at the Methodist Church in Hume, Mo. Saturday.

Mr. Patman, 55, died Friday in Hume after suffering a heart attack. Mr. Patman was born and raised in Clarendon. He had been a resident of Hume, Mo. twenty-seven years where he was employed as Civil Engineer for the Peabody Coal Company. He was a member of the Masonic Lodge.

Survivors include his wife Lorraine and one son Thomas Alva Patman of Hume, Mo.; his parents, Mr. and Mrs. J. T. Patman of Clarendon and one sister, Mrs. W. H. Price of Belleville, Ill.

IT'S RED CHECK TIME AGAIN!

In keeping with the season, some copies of the Leader will be trimmed with a bright red check in the upper left hand corner of the front page this week as a reminder that your subscription has expired or will expire this month.

Please let us have your renewal promptly, for we don't want to take anyone off our list if you wish to continue receiving the Leader each week. Remember the subscription price is \$3 for those receiving the Leader inside Donley County and \$3.50 for those receiving it beyond Donley County.

Remember too, the Leader makes a wonderful Christmas gift that will be enjoyed for an entire year. We have gift cards that are attached to the first edition sent out. We can handle your order as late as Tuesday of next week, December 24th.

College Bulldogs Take Second In McMurry Basketball Tournament

Coach Buddy Travis and his Clarendon Junior College Bulldogs brought home the second place trophy in the McMurry College Basketball Tournament over last week-end. Although sponsored by McMurry, a senior college, all the teams participating were Junior Colleges.

The Bulldogs went down in defeat in the finals against their arch rivals, the Frank Phillips College Plainsmen of Borger by a score of 74 to 64. It was a hard fought battle with the Bulldogs trailing by only two points with little more than two minutes to play. The Bulldogs led the Plainsmen at the half, 41 to 36. Loyd Stephens, freshman from Borger who played his senior year of high school basketball at Ron, Oklahoma, paced the Bulldog scoring with 20 points. Dennis Love, stringbean freshman center from Tullia who is showing improvement with every game, accounted for 14 points.

Don Willingham, all-conference center last season, led the Plainsmen with 21 points.

On their way to the finals, the Bulldogs rolled over two very respectable junior college quintets. They opened play on Friday morning with a convincing 87 to 63 win over Cisco Junior College.

Don Johnson, sophomore from Quail who may have found himself after a disappointing freshman year, led the Bulldogs with 21 points. Stephens came in with 15 points and Love followed with 13. Saturday morning in the semifinal game the Bulldog posted a 78 to 67 win over the once-mighty John Tarlton College of Stephenville. It was John Tarlton who set the record for consecutive wins for a college basketball team by winning 87 straight games over a three year period in 1936 to 1939.

The Bulldogs jumped off to an early lead and were never threatened. They held a 42 to 28 lead at halftime. Love led the scorers with 23 points followed by Stephens with 19.

Coach Travis felt that the fact that his Bulldogs played their semi-final game on Saturday morning and that Frank Phillips played theirs on Friday night might have contributed some to their defeat. The Bulldogs were not quite as sharp in the finals as they were in their semi-final game that morning. However, Coach Travis said that Frank Phillips had a wealth of material and would be plenty tough to beat this season.

Catholics To Celebrate Holy Mass Here December 25th

Catholics everywhere celebrate their Nativity of Jesus Christ, Christmas, Wednesday, Dec. 25th. Here at St. Mary's Mission Chapel, The Shrine to Our Lady of The Panhandle, the Catholic Church in Clarendon, the Clarendon Catholics join with millions of Catholics in the world by having Holy Mass celebrated at their chapel at 9:00 a. m. Christmas morning.

Christmas is one of the six days besides Sundays that all Catholics worship publicly.

In the fourth century Christmas became a day of solemn worship for Catholics.

Charlemagne was crowned Holy Roman Emperor by Leo III, Christmas, 800, in St. Peter's Basilica, Rome, at the Midnight High Mass.

The general public is welcome to the Christmas Catholic worship here in Clarendon.

Rev. Ed Byers To Speak To Baptist Brotherhood Tonight (Thursday)

The Baptist Brotherhood meets Thursday night at 7:00 o'clock. The speaker will be Rev. Ed Byers of Shamrock. Rev. Byers was educated in the University of New Mexico and The Southwestern Seminary at Ft. Worth. He was pastor of the First Baptist Church here for some two years before going to Shamrock where he has been pastor of the First Baptist Church for two and one-half years. He is a deep thinker and logical speaker. Come and hear him. He will give you something to think about. His subject is "The Stewardship of a Man's Life."

Bill Swindle Is New SCS Head

William C. (Bill) Swindle is the new Work Unit Conservationist at the local Soil Conservation Service office replacing Jay Gould who has held the position since Carman Rhode was transferred to Silverton. Mr. Gould will remain with the office as a range specialist.

Mr. Swindle has been at Memphis the past two years as a Farm Planner with the SCS. His home town was Pucola, Texas. He is a graduate of A&M and served as an Ag teacher five years before joining the SCS. He was with the office at Ballinger and San Angelo prior to moving to Memphis. He served three years with the Navy in World War 2 and two years with the Army in Korea.

He plans to move his wife and young son to Clarendon soon after the first of the year.

Stephens & Love Make All-Tournament Team

Loyd Stephens and Dennis Love, both freshmen, were selected to the all-tournament team in the McMurry Tournament last week. These boys paced the Bulldogs to wins over Cisco and John Tarlton and looked good in defeat at the hands of Frank Phillips in the finals of the tournament.

AUSTIN — Pleas for Bascom Giles' release are mounting. Latest activity is a petition signed by 103 Austin citizens, filed with the State Board of Pardons and Paroles. Earle Ed Burkhalter, member of the Travis County Parole Board for the past five years, submitted the request. Burkhalter said that he is hopeful that Giles can be home for Christmas.

Giles is serving a 6-year sentence, in Huntsville, for his part in the veterans land scandals. He was eligible for parole last April. However the Pardons Board contended that his release "would not meet with community acceptance." Burkhalter's petition is the result of that statement.

Burkhalter said that he knew Giles only casually and had not consulted any of Giles' friends or relatives when he started the petition. He did say, however, that he felt that Giles' wife and family were being punished beyond the intent of the law.

"Mr. Giles has taken his medicine without pursuing the generally accepted course of taking advantage of all the technicalities of the law," Burkhalter commented. "He made restitution in civil procedures of all the money that was asked of him by the state's Attorney General."

In commenting on the petition for release, Rogan Giles, son of the former Land Commissioner, stated that the petition "confirms reports we have been receiving from all over the state, that Dad should be treated just like anyone else and be paroled."

Three of the nine members of the corrections board, the policy-making group for the prison system, recently said that Giles should be paroled. They praised his spotless prison record and termed him an "excellent risk" to society. One member, Lewis Novakoff of Amarillo, described Giles as a "political prisoner."

Giles entered the Huntsville prison on Jan. 10, 1956. As a trusty he earns double time. Therefore, without parole, he will be discharged Jan. 21, 1959. Also he has made several blood donations, each of which entitles him to a 30-day commutation.

In view of these earnings Giles already has completed the three-year sentence given him in his jury trial. The balance of his time is the result of a guilty plea that followed the jury trial.

Prison officials state that he has been a model prisoner.

PEACE AND QUIET HERE
Legislators have left. And Christmas decorations are going up in the State Capitol.

But Christmas in the Capitol, as elsewhere, may be a bit blighted this year by thoughts of upcoming bills.

Before adjourning, the lawmakers passed a \$325,000 appropriation to pay second session expenses. Four different special funds had to be tapped to scrape it up.

This, added to State Comptroller Robert S. Calvert's forecast of a \$20,000,000 deficit by 1959, heightened lawmakers' gloom and dissatisfaction at session's end. Some predicted they would have to come back in January to pass a tax bill.

Gov. Price Daniel said "no" to another session. Even if the comptroller's forecast proves correct, said Daniel, the 1959 session can take care of it. But the governor said he had real hopes that a rise in oil production would bring in more revenue and avoid the deficit.

ACCOMPLISHMENTS QUESTIONED

Seven major bills were passed in the two special sessions called by Governor Daniel this fall.

First session turned out laws on water planning, lobbyist control, crime study and practice before state agencies.

Second session turned out three laws aimed at strengthening local control of schools, particularly in regard to segregation. Last one to pass authorized county judges to require registration of organizations they feel are interfering with school operations.

In reference to the sessions Governor Daniel said he felt "very good" about them. In the

first session they completed enactment of the 52-point program he submitted originally, said Daniel. "Old political pros still are fussing," he commented, but "we've never had so much mail from the grass roots voicing approval."

Critics contend, however, that the new laws are an empty victory.

Their view: (1) Measures on water planning, lobbyists, etc., were so riddled with amendments they'll have little effect. (2) Second session school bills won't stand up in court and will, therefore, prove a disappointment to the people who wanted pro-segregation laws. (3) Whole thing cost the Governor support in the Legislature and took nearly \$2,000,000 from an already overstrained state treasury.

It's a debate that likely will continue until voters have the last say in next summer's primary.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

I WONDER IF HE DID

Call the President, that is.

Several days ago I was out of town overnight. When I returned Mrs. Rogers reported to me, that about 25 minutes before 4 a. m., the telephone rang. She shook herself out of a very deep sleep and answered it. An operator asked if Honorable Rogers was at this number. Mrs. Rogers advised the operator her husband was not at home but that she would be happy to advise him of the call on the following day. She stated to the operator if the party calling would leave his name she would be happy to deliver the message. Whereupon, a very agitated voice at the other end of the line advised the operator that he was a very patriotic, tax paying citizen, and if the Attorney General wasn't at home at that time of the morning to attend to his problem, he would just "call the President".

Mrs. Rogers tried to explain to the operator that she had obtained the wrong number—that her husband was not the Attorney General but a Member of Congress. However, before the matter could be straightened out with the agitated voice at the other end of the line, he had cancelled

1926 BOOK CLUB

Mrs. Joe Pfeiffer and Mrs. Ruby Bromley were hostesses when the 1926 Book Club met at Patching Club House Tuesday afternoon, December 17 for the annual Christmas party. The entertaining rooms were decorated with a Christmas tree and other seasonal arrangements.

A Christmas program was presented. Mrs. W. W. Pinkerton sang "No Candle Was There," and Mrs. Gene Moore sang "The Birthday of A King." The two then sang a duet titled "O Holy Night."

Mrs. Homer Bones told a Christmas story, "String of Blue Beads" by Fulton Oursler.

Mrs. W. C. Thornberry and Mrs. E. S. Ballew distributed gifts from the Christmas tree.

The refreshment table was beautifully laid to carry out the red and green colors of the season. A red organza cloth covered the table which was centered with red tapers in silver candleabra. Mrs. Otis Naylor poured coffee.

Present were Mesdames Loyd Johnson, Homer Bones, C. A. Pitts, E. S. Ballew, W. C. Thornberry, Clyde Hudson, C. E. Bairfield, L. N. Cox, B. C. Antrobus, Bill Ray, Charles Lowry, John Gillham, Gene Moore, Frank White, Jr., Otis Naylor, W. W. Pinkerton, J. R. Brandon, Frank Phelan, Sr., Miss Inez Blankenship, and the hostesses, Mrs. Pfeiffer and Mrs. Ruby Bromley. —Reporter.

COUPLE HONORED WITH PHEASANT DINNER

Mr. and Mrs. George L. Green, who celebrated their 50th Wedding Anniversary Sunday, December 15th, were honored with a Pheasant Dinner at the Dixie Cafe private dining room.

Those attending the dinner were Mr. and Mrs. William Green, Billy Mack and Carolyn of Trinidad, Texas, Mr. and Mrs. Fred Bentley, Mary Helen and George of Amarillo, Texas, Mr. and Mrs. Robert Green, Lee Ann, Judy and Steve of Temple, Texas, Miss Helen Louise Green of Dallas, Texas, Mr. and Mrs. Roy O'Brien of Richardson, Texas, and Mr. and Mrs. Lee Bell and Bob, Misses Edgar Mae and Mabel Mongole.

A large number of Clarendon friends attended the reception held at the family home during the afternoon. Out of town guests were Mr. and Mrs. Homer McElvaney of Amarillo, Mrs. Claude McGowen and Mr. and Mrs. Claude McGowen, Jr., Sarah Ellen and Tom of Hereford, Texas, and Mr. and Mrs. Carl O. Smith of White Deer, Texas.

HARMONY CLASS

Members of the Harmony Class of the Methodist Church held their annual Christmas party in Fellowship Hall of the church Thursday evening, December 12. The ladies' husbands were guests. The hall was beautifully decorated to carry out the Christmas theme.

The covered dish meal was served buffet style with guests seated at quartet tables. Following the meal, gifts were exchanged and games of 42 played.

Hostesses were Mesdames W. E. Hodges, Walter Hutching, Forest Sawyer, and Frank White, Jr. Approximately forty members and guests attended. —Reporter.

GOOD NEIGHBORS CLUB

The Good Neighbors Club met December 13th for the annual Christmas party, in the home of Nova Barker. The meeting was opened with three verses from the Twenty-Third Psalm read by the president, Ruby Jordan led in prayer after which the minutes were read.

New officers were elected: Bessie Helton, President; and Rosie Bingham, Vice-President. Names were drawn for next year's pollyannas.

Eula Butler made the motion that anyone missing three consecutive meetings automatically be dropped from the club roll. The motion was second by Nova Barker.

Christmas gifts were passed out by Nova Barker and Rosie Bingham. Rosie Bingham, Florence Harp, and Bessie Helton each received a gift for not missing a meeting this past year.

Refreshments of candy, Cokes, and cookies were served to Benjie Crabtree, Emma Davis, Louise White, Florence Harp, Maggie Easterling, Ruby Jordan, Carrah Mixon, Bessie Helton, Mava Anderson, Nova Barker, Eula Butler, and Rosie Bingham by the hostess Nova Barker.

Our next meeting will be with Bessie Helton, January 10, 1958. —Reporter.

WIN ONE S. S. CLASS

The Methodist Win One Sunday School Class met Monday afternoon at the home of Mrs. Jim McMurtry. This was the Christmas meeting of the year, and the devotional read by Mrs. C. E. Cross was the story of the birth of the Christ child in Bethlehem. This was followed by a very interesting review of the same story, given by Mrs. Nathan Cox, as portrayed in a magazine from the viewpoint of the keeper of the inn and his family. Next on the program was sweet singing of Christmas carols by Mrs. McMurtry's four young granddaughters, Connie, Marcia, Marilyn, and Christina. Instead of the usual exchange of Christmas presents, gifts and foods were donated for charity purposes. Lovely refreshments were served by the hostess to the following members: Mesdames Justin Cook, C. C. Powell, Walter Taylor, Wm. Payne, J. R. Bartlett, Frank Bourland, Tom Connally, J. P. Pool, Eva Rhode, Bill Patman, R. Y. King, C. E. Cross, A. G. Lane, B. L. Knowles, Misses Emma Sheffield, Mary H. Howren, and two guests, Mrs. Nathan Cox and Mrs. Frances Jay. —Reporter.

M. Y. F. REPORT
Meeting was held Dec. 15th. John Bob Butler called the meeting to order. Jean Fox led in prayer. There were 12 present, and we had one visitor, Donna Estlack. We were very happy to have her.

Next Sunday the M.Y.F. have the Christmas program, "No Room in the Inn."

Last Sunday the M.Y.F. had a buffet supper at the home of Mrs. Mace. Everyone brought a covered dish. After supper we drew names for Christmas. Those that were present at the supper were: Jean Fox, Betsy and Evelyn Chamberlain, Judy and Carolyn Castner, Lena Ivey, John Bob Butler, Sue Douglas, Lynn Holland, Lacy Lee and Janie Sue Noble, Jeanie Castner, Jerry White, Glenn Myers, Jo Cockerham and Larry Thurman. Hostesses were: Mrs. Mace, Mrs. Noble, Mrs. Chamberlain, Mrs. Myers and Mrs. White.

We were dismissed by the M.Y.F. benediction. —Reporter.

JR. H. D. CHRISTMAS PARTY

The Jr. Home Demonstration Club met Thursday evening, December 12 at the Patching Club House for our annual Christmas dinner and party.

The club house was beautifully decorated throughout. The dining table featured an arrangement of evergreen and poinsettias with a gold ornament sprayed with snow and red candles to either side. Other Christmas arrangements and a Christmas tree decorated the entertaining rooms.

A delicious meal of chicken, dressing, and all of the trimmings was enjoyed. We then had our Christmas tree and played 42. Bob and Cula Jo Trout tied for high score and Gladys Blackburn won low score.

Mr. and Mrs. Godbey of Quail and Mr. and Mrs. Gene Putnam of Claude were guests. Members present were Mr. and Mrs. Charles Blackburn, Mr. and Mrs. Bert DeBord, Mr. and Mrs. Bob Head, Mr. and Mrs. Grady Henson, Mr. and Mrs. Carroll Lewis, Mr. and Mrs. J. R. McClellan, Mr. and Mrs. Paul Schull, Mr. and Mrs. Bob Adams, Mr. and Mrs. Glenn Reid, Mr. and Mrs. J. H. LARGE GROUP ATTENDS ANNUAL F. F. A. - F. H. A. CHRISTMAS PARTY

Approximately 110 members of the Clarendon Future Home Makers and Future Farmer Chapters attended their annual Christmas party at the elementary school gymnasium Monday night at 6 P. M. The groups enjoyed games, exchanged Christmas gifts and refreshments.

Following the hour and one-half spent at the gym, the group moved to Mulkey Theatre where they enjoyed the night movie. The meeting was held under the supervision of Mrs. Fred Bourland, local FHA adviser, and J. R. Gillham, local FFA adviser.

Mrs. David Johnson of Lubbock visited Tuesday night and Wednesday in the Frank Whitlock home.

HOMEBUILDERS CIRCLE CHRISTMAS PARTY

The Homebuilders Circle of the First Christian Church had their Christmas party and supper in the home of Mr. and Mrs. John Hon Wednesday night, December 11th. A lovely supper with turkey and all the trimmings was enjoyed by Mr. and Mrs. Tommy Saye, Mr. and Mrs. Herman Barnes, Bro. and Mrs. Royce E. Wood and the host and hostess Mr. and Mrs. John Hon. After eating, the couples enjoyed a gift exchange, and games were enjoyed by all.

H. D. CLUB CHRISTMAS PARTY

The Senior H. D. Club will have their annual Christmas dinner and party in the home of Mrs. Clyde Butler Friday, December 20th. After a covered dish dinner there will be a Christmas program and gift exchange.

CHAMBERLAIN COMMUNITY

The Chamberlain Community Christmas party will be held Friday night at the community house. Everyone is reminded to bring Fruit Cake, coffee or hot chocolate. Don't forget your shower gift. —Reporter.

Mr. and Mrs. George Garrison of Amarillo visited Saturday and Saturday night with their parents, Mr. and Mrs. Frank Whitlock.

Mr. and Mrs. Gail Ledbetter and Gary of Conroe, Texas and George Watson of Dallas will spend Christmas with their parents, Mr. and Mrs. O. C. Watson.

Bulldogs Take 83-63 Win Over West Texas Freshmen

The Bulldogs of Clarendon Junior College took an easy 83 to 63 win over the West Texas State College Freshmen here Tuesday night. The win brought the Bulldog's record to seven wins against two defeats for the season. They travel to Wichita Falls for a game with the Midwestern University B team tonight and play at home Saturday night against the usually strong Pratt, Kansas, Junior College. This will be the second game of a double-header as the Comets meet the Hutcherson Flying Queens of Wayland College in the opener.

The Bulldogs jumped off to an early lead in Tuesday night's game and were never behind, although the young Buffaloes rallied to tie the score at 39-39 early in the second half. The Bulldogs held a 36 to 31 lead at the half and were ahead 76 to 57 when Coach Travis cleared his bench with three minutes to go. The reserve squad, made up of Layne Cushenberry, Tom McGee, Benny Brown, Terry Bailey and Benny Lesley actually gained a point on the visitors while they were in the game.

Bub Eldridge, hard working freshman from McAadoo, led the Bulldog attack with 19 points, followed by Loyd Stephens with 17, Don Johnson 15, Dennis Love 12, Bill Schneider 6, Jimmy Adams 5, Benny Brown 4, Cushenberry 3 and Steve Jarnigan 2. Huey Bartlett with 17 was high scorer for the visitors.

Mr. and Mrs. L. T. Whitlock and Larry visited Sunday in the Frank Whitlock and G. W. Estlack homes.

Mr. and Mrs. Tom Roberts, Mr. and Mrs. Jack Lewis and Stevie shopped in Amarillo Saturday.

High School Teams Defeat Groom

The Clarendon High School boys and girls dealt Groom a double defeat Tuesday night at Groom in a couple of real thrillers. The girls game went into a double overtime period before Joan Bennett, who made 35 points, hit a field goal to win for Clarendon. The boys won their game in the last seven seconds as Melvin Housden, substituting for Jerry Behrens who had fouled out, hit a field goal.

The girls game was close all the way. Groom held a 14 to 11 lead at the end of the first quarter but Clarendon pulled up to a 25-25 tie at the half. Groom again was ahead 39 to 36 at the end of the third period and Clarendon again rallied to tie the game at 50-50 at the close of the regulation game. In the first overtime period, Bennett hit two free throws to match a field goal by Groom to keep the score tied, this time at 52-52. In the second overtime period which is a "sudden death" affair, Miss Bennett hit a field goal to win for Clarendon 54 to 52. Other girls scoring for Clarendon were Virginia Taylor with 8 points, Ann Slavin with 6, and Barbara Darnell with 5. Maggie Morrow and Joanna Lane were again outstanding on defense.

The boys game was also close all the way. Groom led throughout most of the game, holding leads of 12 to 10 at the first quarter, 22 to 18 at the half and 33 to 31 at the third quarter. Groom was leading 48 to 45 with 27 seconds to play when Behrens drew his fifth foul and was replaced by Housden. Housden hit a field goal to bring the Bronchos to within one point and with time running out hit his second field goal for the victory. John Tom Morrow was high scorer for Clarendon with 16 points. Behrens made 10, Jimmy Johnson 9, Keith Schollenbarger 8, Housden 4 and Richard Vallance 2.

Mr. and Mrs. O. W. Latson of Lubbock visited Wednesday morning in the home of Mr. and Mrs. Frank Whitlock.

FROM WARM SPRINGS FACT & FANCY

(Wherein the director of public relations at the Gonzales Warm Springs Foundation tells of Texas' own physical rehab center and also throws in a little tongue-in-cheek palaver for which, incidentally, the management is not responsible.)

I see by the papers that the Russians are unhappy because the U. S. strategic air command maintains a constant rotation of air force planes in the air loaded with nuclear bombs. A single mistake by a nervous American pilot, state the riled Reds, could set off World War III.

"It is known," the Soviet quotation continues, "that there are several million lunatics in the United States."

Frankly this shook me up a mite. I have never permitted myself to get upset over Russian claims to having invented the steam engine, electricity, electronics, the automobile, the mechanical egg beater, Grimm's Fairy Tales, or even the law of gravity. But this is too much.

Of course, I can understand how such an impression might have been created. The Russians have doubtless observed American election campaigns, Christmas shopping crowds, and spectators at football and baseball games, not to mention wrestling matches.

But on the other hand, we Americans have had enough glimpses under the Iron Curtain to know that a good many Russians, including a bunch of the boys in management, could very well qualify as fugitives from a squirrel cage.

As a matter of fact, it is my considered opinion that if we could ship all of our lunatics to Russia this would tend to raise the average I. Q. of both countries by some 20 per cent, their captive satellite scientists notwithstanding.

In the meantime, we can earnestly hope that the Russians, before dealing the world any more jokers from the bottom of the deck, will always pause to contemplate what some of us Lunatic Americans might do. Especially that U. S. pilot with the nervous trigger finger.

Someone recently inquired how contributions are processed at the Gonzales Warm Springs Rehabilitation Foundation. The mail is opened by two trusted employees working together. All receipts are logged immediately.

A secretary then makes the receipts in triplicate, mailing the original to the donor. One copy goes to the chief bookkeeper who enters the figures in the appropriate ledger and deposits the money.

Another employee then checks the figure entered by the bookkeeper to see that it conforms with the figure logged by the employees who opened the mail originally. Further spot checking is done by the Foundation auditors, Haskins & Sells.

All individuals handling money are under bond.

Lifetime Income To Be Awarded In Novel Plymouth Contest

Financial independence for life, in the form of \$500 per month for the lifetime of the recipient, is the grand prize in a novel national contest announced today by Plymouth division of Chrysler Corporation. 468 other prizes will include new 1958 Plymouths.

Plymouth officials point out that the \$500 a month for life grand prize could result in the largest prize in contest history.

The contest, which promotes Plymouth's new "Money Ahead" theme, will be divided into nine separate weekly segments, with weekly prizes in addition to the grand prize.

The grand prize winner will appear on Plymouth's Lawrence Welk TV show, "Top Tunes and New Talent" to receive his first monthly retirement check of \$500. Winners of weekly contests also will be announced on the Welk show.

Any person 21 years of age or older may enter the unique contest at any Plymouth dealership. Contestants obtain entry forms at the dealership, take them home and work out a scrambled word puzzle. Then, in 25 words or less, contestants complete the sentence "I'd be money ahead in a 1958 Plymouth because . . ."

The contest starts Monday, November 25, and the first weekly contest closes December 1.

the call and was probably looking up the number of the White House.

The difficulty arose, no doubt, because the new Attorney General is also named Rogers (William P.), and he lives just a few blocks from us.

Mrs. Rogers never did find out whence the call came or the name of the caller. She did worry the rest of the night as to whether or not the caller was going to call the President to tell on the Attorney General for not being at home near 4 o'clock in the morning, or whether he wanted to present his problem directly to the head of the nation. In any event, we are both still wondering whether he ever got in touch with the President.

U. S. MERCHANT MARINE ACADEMY

I have many requests from young men who want to enter one of the Service Academies; that is, West Point, Annapolis or the new Air Force Academy at Colorado Springs. However, very few requests come in concerning appointment to the U. S. Merchant Marine Academy, which is located at Kings Point, New York. This Academy furnishes excellent training for the sea, and may be of great interest to many who have never before had notice of it.

As a Member of Congress, I may nominate not more than 10 to participate in competitive examinations (College Entrance Board Examinations) to be held on Saturday, March 15, 1958. From those competing in these examinations, approximately 300 students will be selected to enter the U. S. Merchant Marine Academy during August, 1958. As you can see, the designation of the student to enter the Academy is on the basis of merit. The age, educational and physical standards are similar to those required for appointment to the U. S. Naval Academy. The Academy is an accredited institution, offers a four-year course at college level leading to a License as U. S. Merchant Marine Officer as either 3rd mate or 3rd Assistant Engineer and the Bachelor of Science Degree. Qualified graduates may be commissioned Ensigns in the

U. S. Naval Reserve.

Anyone who is interested in this program should write me at 1330 House Office Building, Washington, D. C., indicating his desire to participate. You will be furnished with all necessary information on the program, as well as advice as to where and when to report for the examination.

VETERANS BENEFITS

Rumblings around Washington indicate the Administration expects to recommend sharp reductions in many veterans benefits after January 1, 1958. Some think this was clearly indicated in the speech of the President at Oklahoma City. Such a recommendation will, no doubt, cause a conflict between the Administration and the Congress. There have been many complaints by veterans in the last few years about percentage reductions in disability ratings. In some of these cases, a veteran has had his percentage of disability measurably reduced on the basis that previous examinations had been in error. The veterans have found it

most difficult to understand how 6 or 7 doctors on previous examinations could have committed the same error in rating their disability. Some also have found it difficult to understand how the Veterans Administration can reach a conclusion that a disability was not service-connected even though the case had been reviewed on several occasions in the past and service-connection of the disability had always been established. Many have suspected that a program has been in effect to reduce the benefits to veterans by gradually cutting down their percentage of disability. Many veterans, in all walks of life, are deeply disturbed, because they feel if the veterans benefits are to be reduced, the last to suffer should be those bearing the scars and disabilities of actual battle. Watch for some fireworks on this issue.

Watchful Patrolmen To Eye Speeders And Drinking Drivers

Major R. A. Crowder, Commanding Officer of Region No. 5, of the Texas Department of Public Safety, warned motorists that every available man within his region will be on duty December 21st through January 1st in an attempt to hold it a minimum of the slaughter on Texas highways during this holiday period.

All days off have been canceled and in addition License and Weight Patrolman, Motor Vehicle Inspection Patrolman and other personnel will be used to augment the strength of the Highway Patrol in doing traffic control work. "An all out effort is being conducted to reduce some of these terrible tragedies," the Major advised.

The Department has estimated that 113 persons will be killed in Texas in traffic accidents during this period. An additional 92 persons will die of other types of violent deaths.

"In addition to the extra long hours, we will have every available radar unit in constant operation, and our men have been instructed to be particularly watchful for the speeder and the drinking driver," Crowder said. These two violations are our major accident causes, and we must eliminate them before we can reduce our accidents. We earnestly hope that every citizen will co-operate in this program and help us to "back the attack against traffic accidents."

He added that "If the driving public will use common sense and good judgment and comply to the strict adherence of our traffic laws, the possibility of accidents would be reduced." Last year 85% of all rural fatal accidents involved a traffic violation.

Major Crowder said that some of the more common violations accounting for traffic accidents are: exceeding the posted speed limit, improper passing, failure to keep to the right of the center line, failure to yield to the right-of-way and disregard of stop and warning signs. "Persons observed violating these rules will be dealt with as severely as any other law violator during the remainder of the year in Region No. 5," he said.

Major Crowder also appealed to the public to help in the prevention of crime during the holidays. "When leaving your car during shopping trips, place packages in the trunk out of sight and remove the keys after locking all the doors and windows," Crowder said. "Persons who leave packages under lighted Christmas Trees should be sure their homes are well locked before leaving them, as this is an invitation to burglars."

FARM NEWS

from the County ASC Committee

1958 COTTON MARKETING QUOTA REFERENDUM

One hundred and seventy cotton producers voted in the referendum Tuesday December 10th. 127 producers voted in favor of price supports and 43 voted against.

1958 CONSERVATION RESERVE

Applications are being taken for Conservation Reserve Contracts. This is the long term (5) year program. Annual payments are made at the rate of \$9.00 per acre. Also the cost of establishing a vegetative cover on the land is shared with the farmer at 80 percent of the total cost to the farmer. Producers may apply for 10 year contracts, and those who already have contracts for 5 years may add 5 years, making a 10 year contract by filing a modified contract before the closing date. The closing date for accepting applications for Conservation Reserve Contracts is April 15, 1958.

1958 COTTON ACREAGE RESERVE

The sign up period for acreage reserve begins January 13, 1958 and continues through March 7, 1958. There is no acreage limit, however a producer may earn only \$3000.00 per farm under the acreage reserve program. Any amount a producer has earned under the 1958 Wheat Acreage Reserve program on a farm counts against the \$3000.00 limitation for that producer on that farm.

RE. LANDLORDS' AND TENANTS

If the County Committee determines that any landlord or operator reduces the number of tenants on a farm in anticipation of participating in the Soil Bank Program, or reduces the size of tract farmed by a tenant; or increases the rent to be paid by a tenant, they shall not accept a contract or acreage reserve agreement from that landlord or operator.

FARM MANAGEMENT CHANGE

If you are making any farm change for the year, please notify the office that we may keep farm records straight and our mailing list current for the year 1958.

No Vacation For F.F.A. Members

Members of the Clarendon F.F.A. Chapter that are feeding calves for the spring stock show will not enjoy much Christmas vacation. The group will spend Friday and Saturday trimming hoofs and will clip their animals on Monday, Tuesday and Thursday for the annual Donley County Calf Show on December 27th.

Bobby and Gary Longan, James Mahaffey, Dennis Bradshaw, Don Hudgins, Harold Lindley, Sammy Wells, each will be preparing from one to three steers for the county exhibition. In addition to the local show, the group will also exhibit steers at Ft. Worth, El Paso and Houston. It is doubtful if any of the group will exhibit at the Amarillo Show, though one member may exhibit there.

High School Basketball Teams Meet Defeat In White Deer Tourney

Coach Roy Young's Clarendon High School Basketball teams could muster only one win in five games in the White Deer Tournament last week-end. The girls defeated Panhandle 65 to 57 in the first round of the consolation bracket to advance to the consolation finals where they were defeated by Claude 52 to 36. In the first round the girls were trounced by the strong White Deer girls, 61 to 45.

The boys lost the two games that they played. Groom edged the Bronchos in the first round 52 to 50 in a thriller and Panhandle took another thriller, 61 to 57, in the Broncho's first round of consolation play. Both White Deer teams won the tournament championships. John Tom Morrow, who scored 35 points in the two games the boys played, and Joan Bennett, who scored 69 points in three games, were selected on the all-tournament team.

In the Groom game, Morrow led the Broncho scorers with 19 points and Jerry Behrens accounted for 14. Keith Schollenbarger scored eight points, Jimmy Johnson six and Richard Vallance three. In the Panhandle game, Morrow was again high scorer with 16 points followed by Behrens with 14, Johnson with 13, Schollenbarger eight, Melvin Housden four and Vallance two. The girls opened the tournament by meeting the strong White Deer girls, undefeated so far this year. They made a very creditable showing before going down 61 to 45. Joan Bennett was high for Clarendon with 28 points followed by Virginia Taylor with nine, Ann Slavin with six and Wilma Moore with two.

In the first round consolation, the girls played perhaps their best game this year in downing Panhandle 65 to 57. Bennett again topped the scorers with 33 points and Taylor followed with 23; Slavin made six and Barbara Darnell three. In the consolation finals the Clarendon girls could not find the basket and went down in defeat at the hands of Claude 52 to 36. Sharon Moore, a freshman who has played very little this season, made 12 points to lead the scoring. Bennett and Taylor each made eight points, Slavin seven and Barbara McBrayer made one.

Joanna Lane, Maggie Morrow and Darnell played good ball on defense throughout the tournament.

THE DONLEY COUNTY LEADER

PAGE NINE

One of our readers handed us a copy of a Methodist Church publication called Together. From a column entitled One Sentence Sermons by Harold W. Ruopp we borrow the following quotes which we think need repeating over and over.

tween putting your nose in other people's business and putting your heart in other people's problems."

"In the presence of trouble, some people grow wings; others buy crutches."

"No man who has stayed in close touch with God has ever gone permanently down on his heels."

"No man ever fails until he fails on the inside."

"The optimist sees a window as something the light shines through, a pessimist sees it as something to get dirty."

"There is a vast difference be-

"It is not what happens to us that counts; it is how we respond."

"To grow tall spiritually one must first learn to kneel."

"Life does not require that we make good, it asks only that we give our best to each new level of experience."

At Christmas time we all need to be especially happy. Anyway, a good beginning for a happy day is to start out with a smile and see just how long we can keep it. In that connection we like the following little anonymous poem:

A smile is such a funny thing; It wrinkles up your face, And when it's gone you never

find Its secret hiding place.

But far more wonderful it is To see what smiles can do; You smile at one, he smiles at you, And so one smile makes two.

And since a smile can do so much By cheering hearts of care, Let's smile a lot this Christmas time— Such smiles go everywhere.

We'll never forget just a few years back when in a moment of idle thinking we said along in the summer that for the coming Christmas we wanted only a quiet and peaceful time during the next holiday season. We didn't really mean it. Anyhow, about a week before Christmas that year we came down with the Mumps; of all things the mumps. Then, no one would even peep in our room. So, since then we always want activity and lots of it. I'll never hear the last about my Quiet Christmas. So, we don't want things to ever be quiet again. Everyone please come by, twice maybe.

DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

Many farms and nearly all ranches in the Donley SCD have areas which meet the habitat and food needs of quail. Because quail are one of our most important game birds, it is important to study their life habits and food requirements so that their pro-

duction can be encouraged. Quail are generally considered very beneficial to farmers because so far as is known their chief diet is made up of insects, weed seed and waste grain.

In order to obtain more information on the food habits of quail, Mr. Olan W. Dillon, Biologist for the Soil Conservation Service, is making a study of the food habits of quail in Soil Conservation Districts in Texas and Louisiana. To do this, he needs the help of hunters in the various districts who can help by sending him the crop contents of individual quail in a paper towel. It is essential that the crop contents of each quail be kept separate. Two or more crops together in the same paper renders each sample useless.

Those who will assist in this study will need to give the following information: Species (Blue top or Bob White) Date Killed Soil Conservation District (Donley) and County Your name.

The crop contents can either be mailed direct to Olan W. Dillon, Soil Conservation Service, Rosenberg, Texas, or brought to the Soil Conservation Service office in Clarendon and the technicians there will see that Mr. Dillon receives the material.

The gathering of this kind of information is important since it can help the technician work out a better wildlife program with

the farmers and ranchers in rendering assistance to District Co-operators.

Mail What You Have Left And Help Avoid Last-Minute Pile-Up

"The time has passed to talk about mailing early for Christmas," Postmaster Ray Moore said yesterday, but he added that "our local patrons still can help us avoid a last-minute pile-up of Christmas mail by sending the rest of their packages and cards now."

The Postmaster said the mail volume this year, no doubt, will break last year's all-time Christmas record. He expects to keep local mail moving without serious difficulty, but explained that many large transportation terminals and large post office terminals will be swamped with mail that will exceed their physical capacity in the last days before Christmas.

To avoid any such congestion, he urged that all out-of-town mail be placed in the post office this week-end so that it will be assured of delivery next week—the last week before Christmas.

He recommended three-cent stamps for Christmas cards and air mail postage to those going to distant places.

In order to meet local service needs, Postmaster Moore said the stamp and parcel post windows would stay open as late as practicable. "However," he added, "I hope that continued cooperation of local people will make it unnecessary for our employees to observe these later hours. The cooperation so far has been excellent, and I believe that when the rush is over our community will have done its part to prevent mail-handling problems that usually plague the Postal Service at Christmas time."

3500 Newspapers Carry Dodge Ads

DETROIT — Newspaper displays featuring a large picture and a brief but competitive, sales message mark the announcement advertising campaign of the 1958 Dodge.

According to W. D. Moore, director of advertising and merchandising for Dodge, the ads are running 400 lines in size, and are being carried in still greater frequency than ever before in more than 3500 daily and weekly newspapers throughout the country.

Moore said the newspaper ads comprise a large portion of the announcement campaign, which also includes magazine and radio schedules, as well as television advertising on the Lawrence Welk programs. The campaign uses the theme, "They're catching on, but they can't catch up."

"We feel that the large picture and brisk, brief message carry our story effectively to the local prospect," Moore said. "We consider the ads a distinct departure from ordinary automobile advertising, and are sure they will attract many readers."

The post-announcement radio commercials, which began Nov. 8, capitalize on the success of the firm's unique Summer selling campaign, which was based on the humorous presentations of local radio personalities, Joe Gentile and Ralph Binge. The newspaper advertising also represents a departure from standard practice, featuring large illustrations and short, conversational copy.

Moore said the newspaper ads will be about 400 lines, but will run with greater frequency than in the past.

Clarendon Invited To Have a "Day" At 1958 Fat Stock Show In Fort Worth

Clarendon has been invited to have a "day" at the 1958 Southwestern Exposition and Fat Stock Show in Fort Worth by President-Manager W. R. Watt.

In his letter to Clarendon, Watt urged that a cowgirl sweetheart be named so that she can be introduced to the rodeo audience in Will Rogers Memorial Coliseum. The city also is invited to send its high school band so that the students may give a concert on the stock show grounds. The band members will be guests at the rodeo performance.

Watt expressed the hope that the city also would have a delegation of citizens wearing hatbands or badges proclaiming their hometown. They will be offered a

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

American Heritage for December 1957 Vol IX has been received. The contents has the discussion of fourteen subjects of interest to our readers. The first article is "Apostle To the Indians," and the conclusion is a "Congressman's Prayer." These volumes are in memory of Mr. Frank Phelan Sr., and were given by his sister, Mrs. Victoria Morrow. She and her son, Mac Reese sent a book, "The Day Christ Died" by Jim Bishop as a Christmas memorial for Mr. Frank Phelan Sr. Then others gave "Walden & Other Writings" by Henry David Thoreau for a memorial of his birthday, Dec. 24, 1957, and "Below The Salt" by Thomas B. Costain. Thoreau's "Walden" is appreciated for its descriptions and love of nature. "Below the Salt" is one of the famous historical novels for which Mr. Costain is famed. Mr. Costain studies diligently for his historical material, and produces worth while books. "Below the Salt" was given as a Christmas memorial.

Another gift that will be of interest for theme material is "The Forest Is the Future" by Jonathan Daniels. This was contributed to the Library by the International Paper Co. It is a very creditable publication on excellent paper and has numerous attractive pictures that the readers will appreciate.

A little friend brought us several of her books for the Library. They are "How The Cdown Got His Smile," "Ten Little Fingers" and "Tom & Jerry in Tom's Birthday Fun."

The January Magazines are first to announce 1958. We have several.

Start Now Fighting Holiday Hazards

AUSTIN — "Don't spoil your Christmas with a 'slay' ride!"

This plea was made today by J. O. Musick, General Manager of the Texas Safety Association, in an effort to bring the hazards of holiday traffic to the public's attention.

"Police and safety groups throughout the state need your cooperation to cut down on the potential holiday traffic toll," Musick said.

He pointed out that last December brought death to 252 Texans on our streets and highways. "Every decent citizen is shocked by these needless and tragic auto accidents," Musick said. "If we begin now in fighting the holiday hazards, we'll be well on our way toward winning the war on the waste of human life. Speed too fast for conditions, alcohol, darkness and pedestrian errors are the biggest contributors to the December toll."

An unusually high degree of drinking-drivers and holiday excitement was also listed as being strong accident factors, as well as a volume of heavy traffic and inclement weather.

As a means of cutting down the number of traffic accidents and motorcides, Col. Homer Garrison, Jr., director of the Texas Department of Public Safety, urged motorists to employ the following driving suggestions:

1. Leave in time to get where

you are going without speeding.

2. Reduce speed according to weather, road, traffic and daylight conditions.

3. Pay strict attention to driving and do not let passengers distract your attention from the road.

4. Obey traffic regulations and traffic signs.

5. Always be courteous to other drivers and to pedestrians, especially at Christmas time.

SOCIAL SECURITY INFORMATION

Tardiness sometimes merely inconveniences the one who is late, but there are occasions when being late can be more costly, according to John R. Sanderson, District Manager for the Social Security Administration at Amarillo.

"A late shopper for Christmas gifts can still find something or

other even the day after Christmas, and missing a train or a bus doesn't mean there won't be another one along a little later," remarks Sanderson, "but missing the December 31 deadline for filing for disability insurance benefits can mean a real loss, not just an inconvenience."

Effective with January 1, 1958, benefits under the disability insurance provisions of the Social Security Act can start no earlier than for the month in which formal application is filed. Sanderson stated that up through December 31, 1957, a claim for disability insurance benefits can result in back-dating payments to July of 1957. He suggests that all disabled persons aged 50 or over check the following requirements and make every effort to get a claim filed before January 1, 1958:

1. The disability must have started at least six months ago.
2. It must be so severe that substantial gainful activity is im-

Will Writes

FROM THE

by Will Wright
STATE REPRESENTATIVE
88th District

**FARM PROGRAM
DUE CHANGE**

With your permission I would like to stray from the state level this week and discuss some of our federal legislation and policies, namely that of the farm program.

As evidence that the present administration plans to continue and to further restrict our farm program, I want to quote from an article released recently from Washington.

**COMMITTEE WANTS
FARMER OFF FARM**

Quoting: "Washington, (UP). The Committee for Economic Development called today for a land retirement plan to get the small farmer off the farm and into other employment."

"Unlike the present soil bank plan, the CED said, the proposed land retirement plan would concentrate on getting whole farms out of production to assure reduced output and encourage movement out of agriculture."

"The CED is a committee of 150 business executives and scholars who work together to promote a high level of national employment and maximum economic growth."

The above quotation was taken directly from the article. It would appear that at last the Republican party has indicated what has been their real intention all along, get the farmers off the farm.

FIRST OBJECTION

My first objection to this policy is concerning the group which made it, "150 business executives and scholars." NOT A SINGLE FARMER IN THE WHOLE GROUP. I personally am all for big business. I believe in a capitalistic and free enterprise system. It means that you and I as consumers get better goods at cheaper prices. However, I do object to the formation of farm policies by people, many of whom have never set foot on a farm.

We don't let farmers set the economic index for business; we don't let the livestock raiser set the federal policies for Health, Education, and Welfare. Then why should a group of "executives and scholars" set farm policies?

SECOND OBJECTION

My second objection is that the administration approach to the farm program is all wrong. The

farmer and the Texas oil man should get together because the import of their respective products is the root of both their problems. I believe in supply and demand, but not on a free world market. The oil man in this country and the farmers here should both be protected from excessive imports from other countries. If it were on a national basis, the supply and demand would soon equalize. However, as long as millions of bales of cotton are imported each year the demand will get smaller and the supply larger.

COMMITTEE REPORT SAYS

The committee's report went on to say: "The chronically poor farmer . . . might be encouraged to transfer to more suitable and profitable employment."

"The way it works out, I guess, is that rich farmers get to stay while poor farmers have to seek other employment."

Perhaps federal troops will even be sent down to make sure the "poor" farmers get off their land.

Quarter Horses Will Be Auctioned Off During Fort Worth Show

FORT WORTH — About 100 Quarter horses will be auctioned off Feb. 2nd during the second annual sale of the 1958 Southwestern Exposition and Fat Stock Show.

The sale is under sponsorship of the National Cutting Horse Association and is approved by the American Quarter Horse Association. All entries, stallions, mares, and geldings, will be foals of 1954 through 1957.

All animals will be sold at halter (with no performance demonstrations.) Walter Britten will be auctioneer. The sale is scheduled at 3 p. m. on the last day of the stock show, which opens Jan. 24 and continues through Feb. 2nd.
