High School Teams Play Important Conference Games Here Friday, And Tuesday of Next Week

Basketball games here Friday night and next Tuesday night will make or break the Broncho's chances of representing the district again this year as champions. Friday night they meet the Lefors Pirates and Tuesday night they meet the McLean Tigers. Both games will be home games with the girls games beginning at 7:00 o'clock.

The Bronchos are now in second place in the district standing with three wins and one loss. The lone setback was to the McLean boys who are on top with four wins and no losses. McLean beat the Bronchos 45 to 42 recently in their game in McLean. It is unlikely that a team losing two conference games will come out on top, so the Bronchos will have to win the remainder of their games in order to be assured of a tie for the championship. Should they win all their remaining games and McLean lose one to some team other than to the Bronchos, then the Bronchos would win the championship outright. The Bronchos have posted one-sided wins over Lefors, Canadian and Memphis. The girls have won only one of four conference games and have little chance of gaining even a tie for the championship.

United Charities Asks Help For Four Boys

Mrs. Allen Jefferies reported to the Leader this week that a needy case had been referred to the United Charities organization asking help for four young boys who are badly in need of clothing, etc. Both parents of these youngsters along with other members of the family, have TB and have been sent to the State Sanatorium for treatment. A neighbor volunteered to keep the four boys, ages 4, 6, 11 and 13 since no one was left to care for them.

All of the boys need clothing of every description, shoes, shirts, trousers, etc. They also need bedding, a mattress and springs.

Anyone having any of the above items wishing to donate them to these young boys, are asked to call Mrs. Jefferies, Phone 102, and she will see that the articles are picked up. We need the items just as soon as we can get them, Mrs. Jefferies added.

As press time approached, we learned this case was more of a critical nature than first reported. The parents Mr. and Mrs. Joe Matthews and three of the children have TB and have been taken to the hospital. There they will need 8 of everything, pajamas, gowns, robes, drugs, etc. The county provided them with 3 of the needed items but it will take CASH donations to buy the remainder as new items will be needed.

Mr. and Mrs. Jim Fetters of Lelia Lake have the other boys, and this will put an extra load on them. Anyone having canned food or any kind of food items they can donate - it surely will be appreciated.

There are various money raising campaigns for different programs each year. We have a situation here at home that needs attention now. Be generous to help this worthy family; imagine yourself in their position. SEND YOUR CHECK OR LEAVE YOUR MONEY AT EITHER OF THE BANKS. On your checks, write Matthews family. The need is urgent and the United Charities will appreciate your prompt action, Mrs. Jefferies concluded.

Mr. and Mrs. Charles Wood of Lubbock visited the week end with Mrs. J. D. Wood and Mr. and Mrs. Jiggs Mann and Camille. The Jiggs Mann also visited in the Wood home Sunday.

Breedlove Announces Big Agriculture Clinic For February 13th

County Agent H. M. Breedlove announced this morning that a big all-day agriculture clinic would be held in Clarendon at the Mulkey Theatre on the thirteenth of February. The Fort Worth and Denver Railroad is cooperating with the Clinic and will have their special car in Clarendon on that day and will furnish one speaker for the program. Breedlove says that the program will start at nine o'clock in the morning and the following speakers will appear on the program:

9:00 A. M.—Mr. Brown of the Texas A&M College Extension Service will talk on building a better agriculture.

10:00—Mr. Dave Sherrill, Irrigation specialist for A&M College Extension Service talking on all types of irrigation.

11:00—Mr. Seruggs, from the Progressive Farmer, through the courtesy of Fort Worth and Denver Railroad will talk on Future of Agriculture.

1:00 P. M.—Mr. Paul Marlon, Superintendent of the Spur Experiment Station will talk on feeding and care of beef cattle.

2:00—Mr. Miles Kelley, Area supervisor for the SCS will talk on the Great Plains Conservation program.

3:00—Mr. John McHaney, Economist for the A&M College Extension Service will talk on the outlook for agriculture and ranching.

Breedlove says that the meeting will be over around four o'clock and everyone is urged to attend. A big cotton meeting is planned for the sixth of May in Hedley dealing with cotton production, insect control and other phases of cotton production. A committee in connection with the Hedley Cotton festival is working with Breedlove for plans of this meeting at this time.

Burglars Hit Mut's Cafe Sunday Night

Burglars broke a lock on the back door and entered Mut's Cafe sometime after midnight Sunday night and made off with nearly \$100 in cash. B. L. (Mut) Graham owner, stated that the money was taken from the Record Player, Cigarette machine, small player boxes and included \$27 he had in pennies that were in a cigar box. Money was the only item missed, Graham added.

The robbery was discovered by Graham Monday morning when he went down to clean up as Monday is a closing day for the establishment.

Graham stated that he dreamed Friday night that his place was being robbed and had he followed out this premonition warning, the robbers might have been caught. He said the dream was so impressive that it dwelt on his mind all day Saturday and Sunday. The only drawback to the dream was that he didn't see the robbers. Maybe he will be like "Dogwood" and be able to finish the dream and solve the robbery himself in the near future.

JOHN SNEED ANNOUNCES FOR CITY COMMISSIONER

I have been a resident of Clarendon a long time and in asking to be your city commissioner, I wish to state that I will appreciate any support in my behalf. Thanks, one and all.

John Sneed

LEADER CLASSIFIEDS GET RESULTS

John Morrow, 17, junior at Clarendon High School and a 3-year member of the FFA Chapter here which he serves as sentinel, is pictured with his lightweight Berkshire barrow which was first in its class, won champion of breed, was grand champion of show and best barrow in the junior swine show at the Southwestern Exposition and Fat Stock Show Saturday, Jan. 25. With John, who is the son of Mr. and Mrs. Kenneth Morrow, is Vernon C. Jelley of Kansas City, representative of American Cyanamid Company, which provided, as a special award, a \$75 certificate good for the purchase of a purebred gilt of John's choice.

Services Held Monday For Mrs. E. J. Chenault

Funeral services were held Monday afternoon at the Church of Christ for Mrs. Elizabeth Watson Chenault with Bro. Clarence Tilley and Bro. John L. Davis officiating.

Mrs. Chenault, 59, died at the Adair Hospital here at 4:10 a. m. Saturday. She had been a resident of Donley County 37 years, moving here from Jacksboro, Texas. She was a member of the Church of Christ.

Mrs. Chenault was born March 19th, 1899 at Shawnee, Okla. She was married to Elmer J. Chenault.

August 2, 1920

Survivors are her husband, Elmer Chenault; three sisters, Mrs. Moneta Cribbs of Walnut Springs, Mrs. Lillie Champlin and Mrs. Dollie Nelson, both of Redwood City, Calif., and three brothers, C. O. Watson and Willie T. Watson, both of Citrus Heights, Calif., and S. B. Watson of Bowie, Texas.

Palbearers were Al Dever, Gordon Mann, J. R. Brandon, Roy Clyde Jenkins, Emmett Simmons and H. G. Bobbitt.

Interment was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

Thompson Hardware Hit By Burglars

The second Clarendon business firm in three nights was broken into here Tuesday night when burglars entered through the back window of the Thompson Bros. Hardware store and made off with 5 shotguns, 1 rifle, several boxes of ammunition, 21 pocket knives and between \$5 and \$6 in change from the cash register. The burglars apparently were interested only in guns and pocket knives as many valuable items were left untouched in plain sight. Deputy Sheriff Lois Putman said undoubtedly the burglars were thugs from the way they conducted themselves while in the store. One of the unknown party used one of the aisles in the store for a toilet, presumably wishing to add insult to injury.

The latest word before press time is that four of the guns and one pocket knife have been located on the road-side near Memphis. According to information, several rounds of ammunition had been fired. Two of the more expensive automatic shotguns are still missing. Clues are meager and there is nothing much to go on, deputy Putman explained. He did say that Sheriff Bill Cornell and a Texas Ranger were on the job and probably would have some information later on.

REBEKAH POT LUCK SUPPER TUESDAY, FEB. 4th

The Rebekah Lodge is having another of their famous Pot Luck Suppers Tuesday night, Feb. 4th in the Odd Fellow Hall, beginning at 6 o'clock. The price for all you can eat is 75c. Where else can you match such an offer?

JOHN G. McHANEY

John G. McHaney, Extension Economist with the Texas A&M Extension Service, will appear on the program of the Agriculture Clinic to be held here February 13th. McHaney has had wide experience in the field of agricultural economics which included farm management, record keeping, planning and outlook. He has authored many popular type stories and articles for newspaper and farm magazine use on outlook and other economic subjects of the day.

Services Held Monday For Cleo Hubbard

Funeral services were held Monday afternoon at the Goodnight Baptist Church for William Cleo Hubbard, 57, prominent Goodnight rancher, with Rev. A. B. Moseley and Rev. Vick Allen officiating.

Mr. Hubbard died Saturday after suffering a heart attack. He had been a resident of Goodnight and Armstrong county 53 years. He was active in community affairs and was held in the highest esteem by his neighbors and friends.

Survivors are his wife, Retta Lemonte Hubbard of Goodnight; four daughters, Mrs. Mary Joyce Cory of El Paso, Mrs. Cleo Lemonte Goodin of Amarillo, Miss Lugenia Hubbard and Miss Retta Ann Hubbard, both of Goodnight, and three grandchildren.

Palbearers were Charlie Stewart, Davis Burrow, Mirza Crain, Lloyd Reid, Hobe Brace and Clyde Hudson.

Burial was in the Goodnight Cemetery with Murphy Funeral Home in charge of funeral arrangements.

Youths Receive Top Money For Champions

Don Hudgins, local FFA member, received \$2,120 for his 1,060 pound Aberdeen Angus which was grand champion of the Junior Steer show at Amarillo last week. The steer was sold for \$2 per pound to the Tri-State Fair Association. David is a son of Mr. and Mrs. David Hudgins of Lakeview.

In the swine sale, Carl Talley's grand champion Poland China brought \$457.80 which was \$2.10 per pound for the 218 pound hog. The hog was purchased by Pinkney Packing Co. Carl is a son of Mr. and Mrs. Edgar Talley.

The Clarendon FFA Chapter had five other breed champions but these were not sold at the Amarillo Auction. These animals were pulled and taken to the Ft. Worth Show Tuesday night.

THEY SWEEP THE PIG SHOW—Pictured at the Southwestern Exposition and Fat Stock Show in Fort Worth after a sweeping victory are Clarendon Future Farmers, their vocational Agriculture teacher and a representative of Cyanamid Company who presented the youths with certificates from Cyanamid good for the purchase of gilts of the breeds of their choice. In front with the grand champion, a Berkshire, is John Morrow; left to right, standing: Bob Schull, Carl Talley, Gene Elmore, Bobby Longan, Sammy Wells; their teacher, John Gillham and Vernon C. Jelley, of the Cyanamid Company.

By James H. Stephenson

FORT WORTH—(Special)—It takes work to win. And neither working nor winning is a stranger to Clarendon Vocational Agriculture Teacher John Gillham and his students.

For the third consecutive year, they made a clean sweep of the Southwestern Exposition and Fat Stock Shows Junior Pig Show at Fort Worth Saturday (Jan. 25).

The Clarendon Future Farmers walked off with championship honors in all six divisions of the show and captured five reserve championships.

To complete the sweep, John Morrow's lightweight Berkshire barrow was named Grand Champion and Sammy Wells' middle-weight Hampshire took Reserve Champion honors.

Morrow's animal was named best barrow in the show. Clarendon (See Clarendon FFA, Page 8)

Services Held Tuesday For Joe Hall

Funeral services for Monte Joe Hall were held Tuesday afternoon at 4 o'clock in the First Baptist Church with Rev. Hal Upchurch, Rev. A. W. Harris and Rev. W. F. Vandenburg officiating.

Mr. Hall, 58, died Sunday night at his home here. He had been a resident of Clarendon 33 years and was a carpenter by trade. He was a member of the Baptist Church.

Survivors are his wife, Alice; six sons, Luther, Glenn, Doyle and Lowell, all of Clarendon, George and Dale, both of Amarillo; two daughters, Mrs. Nettie Kaiser of Clarendon and Mrs. Dub Scott of Amarillo; one brother, Clyde Hall of San Pedro, Calif.; three sisters, Mrs. Bessie Harp of Humble, Mrs. Polly Daniels of Duncan, Okla. and Mrs. Opal Owens of Frisco; 11 grandchildren and one great-grandchild.

Palbearers were Bill Lane, J. B. Lane, Jap Hodges, Marshall Harp, C. E. Flowers and Charlie Ellis.

Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

Do you want to be in the majority?

In this day and age we hear so much about wanting to do this or that in order to be accepted by the crowd. We catch ourselves wanting to be known as a jolly good fellow, a regular guy, and one of the boys. It pays us sometimes to do a little adding up before we decide the issue; before we decide which group we want to be lined up with. Here are a few statements to think about:

- More than half of the adults in the U. S. drink some form of alcohol.
More than half of the children on the state dependent roll come from homes with drinking parents.
More than half of the divorces can be charged to one or the other or both being drinkers.
More than half of all law enforcement costs can be charged to liquor.
More than half of the 5 million confirmed alcoholics inherited parents who were drinkers.
More than half of our problem drinkers among youngsters came from homes where the children knew the parents used alcohol.
More than half of all major

crimes can be traced to liquor. More than half of all the countries in the world who have fallen to second rate powers were high per capita drinking people. These are just a few of the facts we should weigh before we decide which half we want to be in. Before we decide which kind of influence we want to have before our children. It does make a difference.

Some folks are no good at counting, especially when it comes to counting calories, and some of them, especially myself have the figures to prove it.

We have heard that a cold can be both positive and negative; sometimes the eyes have it and sometimes the nose.

Keeping a secret from some people is sort of like trying to smuggle daylight past a rooster.

A young negro boy had been working for the local undertaker and when asked where he had been employed he said: "I've been workin' fuh de Jones & Smith Body Shop."

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

"The Plantation South" by Katherine Jones is a book of unusual merit. There are not as many illustrations as I anticipated from the description but it is worth while for those interested in Southern History. This book was a memorial dedicated to the memory of Mrs. Goodner's aunts—Mrs. Kety Martin and Mrs. Anna Hoffmaster.

"The Giles Chronicle, a Vignette of Panhandle History" by Virginia Roger is dedicated by a friend of Annie Reeves in her memory. The book was selected as one of interest to pioneers, and she could be classified as such. "Fairroaks" by Frank Yerby is his most recent book. This is a purchase from one of the Book Clubs whose membership we will be compelled to drop as our funds are less than any year since I have worked here. There are too many projects in Clarendon soliciting support and some of them may fail.

We have "Madeline" by Catherine Gavin. The setting is 1869, and is a novel of great historical accuracy, dramatic power and wide scope. The author served as a World War II war correspondent. She has lectured in history at the Universities of Aberdeen and Glasgow.

A friend gave us "No Postponement" by John La Farge. This treats of U. S. Moral Leadership and the problems of Racial Minorities. Without our many gifts the Library would surely be lacking in material.

Fiction, Spiritual or Devotional editions, and most of the material pertaining to pioneer and local interest appeals to our adult readers. Teen agers with one or two exceptions avoid our recent science books on missiles, space studied, electronics, etc. We are quite happy to find a few who read every thing of science we can procure.

DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

Mr. E. P. Hahn and son Lloyd, who live about two miles north-east of Clarendon, have recently signed an agreement with the Donley Soil Conservation District.

The agreement will contain a complete plan of operations for the entire farm, with photographs and soils information. Other information in the plan will include how each acre of land will be used and the best treatment for each acre of land in order to protect and improve the soil.

Bill Swindle, technician of the Soil Conservation Service assisted Mr. Hahn in planning the place. Swindle said, "the goal of the Donley Soil Conservation District is to get every farm and ranch owner and operator to become a Conservationist."

The Soil Conservation Service is the Agency that renders technical assistance to the District in all phases of Conservation work. Any farm or ranch operator who wishes to be assisted in making a plan of operations for their place can obtain the assistance by contacting the Board of Supervisors or the local Soil Conservation Service Office.

Pathfinder Observes 47th Anniversary

Members of Pathfinder observed the forty-seventh anniversary of its organization with a 12:00 o'clock luncheon, at Patching Club House Friday, January 24. Hostesses were Mesdames George Benson, Forest Sawyer, and Dick Shelton. The meal was prepared and served by the Lelia Lake Methodist women.

Club flowers and colors were used in decoration, as well as chrysanthemums, Candelabra and tapers. Officers were seated at a table laid with a cutwork cloth and a floral centerpiece of pink carnations and greenery in a crystal epergne. Flanking the centerpiece were pink tapers in crystal candelabra, and satin streamers lettered "1911" in gold to one side and "1958" to the other. Also marking the table was a sculptured figurine of the 1900 period, the costume outlined in gold. Smaller tables were laid with cutwork cloths and bud vases filled with pink carnations. Favors were mint cups tied with meline and pink ribbons, and filled with green mints.

Club Collect was read as the Invocation, and Mrs. C. T. McMurtry introduced Mrs. Ralph Collinson of Amarillo. Mrs. Collinson is a member of the 20th Century Literary Club and other clubs in Amarillo.

Following the luncheon a business meeting was held with the president, Mrs. C. T. McMurtry presiding. Minutes were read by the secretary, Mrs. Simmons Powell, and were approved. Various business discussions were considered.

Mrs. C. B. Morris was elected to fill the vice-president's term and Mrs. J. H. Howze was elected to fill out the term as correspond-

ing secretary. Twenty-seven members and one guest attended. —Reporter.

Bulldogs Beat Odessa And Frank Phillips To Take West Zone Conference Lead

Coach Buddy Travis and his Clarendon Junior College Bulldogs are perched atop the West Zone Conference standing this week with three wins and no defeats in conference play. In addition to beating Amarillo College on Jan. 14, the Bulldogs defeated the Odessa College Wranglers last Friday night 73 to 58, and edged the Frank Phillips Plainsmen Tuesday night in the local gym 72 to 71 in a thriller.

The Bulldogs had to fight for their lives Tuesday night as they came from behind in the last six minutes of the game to win. The visiting Frank Phillips team had a 34 to 17 lead at one time in the first half and left the floor at the half with a 40 to 30 lead. The Bulldogs began whittling at the lead in the opening minutes of the second half and finally took a 60 to 58 lead on Steve Jarnigan's field goal with slightly more than six minutes to play. The two teams battled almost on even terms the remainder of the game. The Bulldogs iced the game away on Loyd Stephens' field goal with 17 seconds remaining which gave them a 72 to 69 lead. The Plainsmen made one more field goal to cut the advantage to 72 to 71 and with 8 seconds remaining Jarnigan was fouled. He missed his free throw but Bub Eldridge got the rebound and the Bulldogs held on for the remaining seconds to win.

Jarnigan led the Bulldog scorers with 25 points followed by Stephens with 14, Jimmy Adams and Dennis Love had 10 each, Layne Cushmanberry had 6, Bub Eldridge 4, Don Johnson two, and Bill Schneider one. Co-Capt. Adams helped the Bulldog cause with four long field goals in the last half. Eldridge was perhaps outstanding on defense although both Jarnigan and Love played good defensive games, especially the last half. Carrol Willingham, all conference center for the Plainsmen, was high for the visitors with 18 points.

The Odessa game last Friday

night was an easy one for the Bulldogs. They took an early lead and was ahead 20 to 8 after five minutes of play and the visiting Wranglers never got close after that. The Bulldogs held a 38 to 25 lead at the half. Jarnigan was high point man in this game also with 25 points. Love made 11 points and Johnson, Stephens, Schneider and Cushmanberry each had 8 points and Eldridge had five. Adams also played but did not score.

The Bulldog's next game is with Howard County Junior College at Big Spring on Feb. 7. They play Odessa at Odessa on Feb. 8, go to Borger to meet Frank Phillips on Feb. 11 and return home for their final home game of the season with Howard County on Feb. 14. They end the season with Amarillo at Amarillo on Feb. 18.

Comets Slaughter Weatherford For First Win, 83 to 29

The Clarendon Junior College Comets posted their first win against three losses last Saturday night against the Weatherford Junior College team by a top-heavy 83 to 29 score.

The game started off like it might be a close affair. Weatherford got a quick lead and was ahead 10 to 8 after five minutes of play. However, the Comets caught fire and went ahead 20 to 10 at the end of the first quarter and stretched their lead to 43 to 12 at the half. The Comets continued to pour it on the last half and had a 72 to 20 lead at the end of the third quarter.

Myriene Nichols paced the Comet's scoring with 19 points followed by Mary Mann with 17 points although she played less than half the game; Nancy Chalener made 12 points and Dovie Smithson made 10. Other girls who played were Kathryn Edwards, Janice Martin, Genell King, Ailene Garris, Virginia Sellers, Linda Lindsey, Martha Watson and Myrna Carney.

Women who retain their maiden names after marriage are called Lucy Stoners.

Italian Exchange Student Visits Local FHA Chapter

Miss Silvana Felizia of Terran, Italy, now attending high school at Hereford, visited the local Future Homemakers of America Chapter on Monday night of this week. Several members of the Hereford FHA along with their sponsors, Mrs. Durham and Mrs. Shook, came to Clarendon for the special program.

Miss Felizia is the fourth foreign exchange student in as many years for the Hereford High School. These students are selected by the American Field Service and brought to America for one year of schooling.

Members of the local FHA and a number of guests were present for the round-table discussion. Many questions were asked Miss Felizia and also her sponsors from Hereford. Local students were impressed with Silvana's ability to speak English after only two years of study. She also spoke French, German and Latin in addition to her own native Italian. Miss Felizia is 17 years old and is taking a full load of senior subjects at Hereford. However, when she returns to Italy she will have still another year of high school there.

The student was the center of attraction as she told of her native customs as to dress, eating, recreation, school, and even dating. She said that she never heard of a can-can peacock until she came to America. Her favorite American food was hamburgers and when she was asked if she were allowed to have dates in Italy, she replied, "Oh, but of course." Silvana is a beautiful brunette, five feet five inches tall and weighing about 130 pounds.

The main object of having the Hereford FHA here was to discuss and learn what channels to go through should Clarendon decide to sponsor a foreign exchange student. Mrs. Durham and Mrs. Shook stated that in Hereford it is definitely a community project. The community must raise a minimum of \$700.00 in addition to finding a family to keep the student. They felt, how-

ever, that their exchange students have given other students a shot-in-the-arm so far as foreign relations and the importance of school is concerned. The exchange students, naturally, are highly screened and are among the best students in the country, but it is still amazing how they can come to this country and fit right into the American way of life and take our high school subjects and pass them with flying colors.

Mrs. Veima Bourland and her FHA girls here at Clarendon are interested in exploring further the possibilities of Clarendon sponsoring a foreign exchange student. Anyone interested in helping with this project should contact either Mrs. Bourland or Supt. Pinkerton.

Comets In Two Games With Iowa Wesleyan Here Next Week

The Comets of Clarendon Junior College will meet the strong Iowa Wesleyan team here next Wednesday and Thursday nights. The Iowa girls went to the finals of the National AAU Women's Tournament at St. Joseph, Missouri last year where they were defeated in a close game by the Wayland Queens. They have practically the same line-up this year.

The Comets have played only four games to date. They have lost to the Flying Queens twice and to Cisco Junior College. Their only win was last Saturday night against Weatherford Junior College.

Coach Travis is having to depend a lot this year on freshman girls and it takes time to blend them into a team. They are all good individual players but the rules in AAU basketball are much different from high school and it takes time to adjust to the new type of play. However, Travis feels that the girls are beginning to hit their stride and will give a good account of themselves from here on.

The Iowa Wesleyan team is led by Barbara Sipes who is six feet, three inches tall and is considered one of the best basketball players in the United States. She has been named to the All-American team the last three years.

Coach Travis of the Comets has announced that he will probably start three sophomores and three freshmen against the Iowa team. Sophomore starters will be Mary Mann, Kathryn Edwards and Genell King and the freshmen girls are Dovie Smithson, Myriene Nichols and Janice Martin. First line reserves are Nancy Chalener, Myrna Carney, Martha Watson, Virginia Sellers, Linda Lindsey and Ailene Garmes.

Broncs & Bronchoettes Split Games With Memphis

Coach Roy Young's Clarendon High School basketball teams split their two games with Memphis at Memphis last Friday night. The boys easily defeated the Cyclones by a score of 64 to 39, but the Memphis girls defeated the Clarendon girls, 44 to 35.

The boys were led by Keith Schollenbarger and Jerry Behrens who scored 17 points each. Melvin Housden scored 11 points, Jerald Hill 5, John Tom Morrow and Jimmy Johnson 4 each and Wayne Mann, Sammy Wells and Richard Vallance, 2 each. W. N. Elam and Kenneth Housden also played but did not score.

There was never any doubt as to the eventual winner as the Bronchos took command at the opening whistle and were never threatened. They had leads of 11 to 3 at the end of the first quarter, 33 to 11 at the half and 43 to 24 at the three-quarter intermission. This was the third conference win for the Bronchos against one defeat.

The local girls played the Memphis girls a good game but fell behind in the closing minutes of the game. Clarendon held a 11 to 8 lead at the first quarter but fell behind 24 to 21 at the half. Joan Bennett again led the Clarendon scorers with 22 points followed by Virginia Taylor with 6, Barbara Darnell with 5 and Ann Slavin with 2. Other girls who played were Joanna Lane, Beth Lamberth, Pat Owens, Sharon Moore and Maggie Morrow. This was the third conference defeat for the Clarendon girls against one win.

County Agent Suggests Certified Seed Be Planted

If you are looking for ways to cut farm production costs, consider this. Good seed can make your investment in fertilizer, machinery and labor go further. In fact, with production costs continuing to rise, you just can't take a chance on poor seed.

H. M. Breedlove, County Agent, suggests that you choose the variety or hybrid that is adapted to your area and soil conditions, then buy certified seed of that variety. You will know it is certified by the blue tag and the seal on the bag. The blue tag also gives information as to germination, purity and other information of value.

Clarendon Suggested As Site For Minor Seminary

A newsletter for Seminarians of the Diocese of Amarillo published at the Amarillo Chancery office states that Clarendon has been suggested as a site for location of a Minor Seminary for the Amarillo Diocese. Other towns mentioned include Panhandle and Lubbock.

Wherever established the school would be fully staffed by Priests for the education of young men for the Priesthood.

Nobody knows when nor where the school will be located but it is a matter which will be decided by The Right Reverend Bishop FitzSimon of Amarillo.

At present there are 83 such schools in the United States with a total of 36,468 young men studying for the Priesthood.

INTERNAL REVENUE SERVICE

UNITED STATES TREASURY DEPARTMENT

TAX-MAN SAM SEZI:

The income tax folks spend a lot of time sending back income tax returns that Papa signed and forgot to have Mama sign. One taxpayer wrote the Internal Revenue that he had enough trouble with his wife without letting her know how much money he made. Since Texas is a community property state, Mama has to know how much Pop made because she is responsible for taxes on half of it. Every year the Revenue folks tell taxpayers to have both husband and wife sign the joint return. Every year thousands of tax returns are sent back by the Internal Revenue folks who forgot to sign. If you don't want to take up corresponding with the Internal Revenue Service, get Mama's signature the first time.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

SECOND SESSION, 85th CONGRESS

Most of the congressional committees have commenced hearings on one or more important pieces of legislation. Those that have not commenced these hearings are making preparation for extensive activities within the next few weeks. The Congress has already acted on an authorization for the expenditure of over half a billion dollars for stepped up

missile activities. It is expected that during the week of January 20 affirmative action will be taken on a supplemental appropriation for the Defense Department, as well as action on the proposal of the Administration to raise the debt limit. These will be followed in subsequent weeks by other legislation designed to measurably assist in the solution of many of our problems, both domestic and international.

When Congress first met there seemed to be very little chance of any farm legislation at this time unless the several segments of the farm bloc could get together. Getting together on the part of these several segments seemed possible but not very probable. However, during the past two weeks there has been a marked change in the attitude of many. This was due largely to the activities and work of the Executive Committee of the National Conference of Commodity Organizations which met in Kansas City. It proved that open discussion sometimes provides answers to problems that seem most difficult of solution. A bill has already been prepared which I feel will meet with the approval of most segments of the grain groups. We hope to see hearings started on this measure within the very near future.

There will be a number of controversial activities concerning cotton. These will be most important, because the outcome of these controversies during this session of Congress could well determine the policy to be followed for the next several years concerning cotton. The small cotton farmers, especially in the dry land areas, have been hit and hit hard. This means that all businesses in those areas have felt these hardships.

The President's message concerning agriculture was received with mixed emotions. Very few feel that it provides any sort of an answer to the farm problem, insofar as farmers themselves are concerned. My daily mail brings in many letters setting forth the trials and tribulations now suffered by the farm people.

Until there is an awakening to the fact that these farm people should be of first concern in any farm program, there will continue to be hardships and difficulties on the family-size farm. Forcing these small farmers off the farms and into the cities will create more problems than it will solve. Subcommittees of the Committee on Agriculture are already

meeting, and I hope that we can come forward with some legislation that will bring about proper administration of some of the present farm laws, as well as make some changes necessary in carrying out a sound program. The policies of the Commodity Credit Corporation with reference to loans on cotton classed as wasty and barmy will be looked into with searching scrutiny. The policies followed by Commodity Credit on this subject are such that they could be used to discriminate as between individual cotton growers. The farm credit system will also be thoroughly investigated. The credit situation faced by many small farmers will result in their being forced off these farms in a matter of a very few years.

The Senate Committee on Agriculture and Forestry heard Secretary Agriculture Extra Taft Benson on the proposed farm program Friday, January 17.

Other committee activities in Washington included the hearings that have been commenced on subscription television. This is commonly called pay television. It could easily be one of the top controversial issues on the domestic front this year. Every committee having to do with scientific research is busily engaged in working out a program that will be most effective in bringing early results. The Chairman of the Joint Committee on Atomic Energy has announced that he is appointing a special subcommittee on Outer Space Subscription to consider means of accelerating U. S. efforts in this field. Senator Anderson of New Mexico will be Chairman. Other new members are to be named.

Highlights and Sidelights FROM Your State CAPITOL

AUSTIN—Pay your poll tax! Pay your poll tax! Pay your poll tax!

That's the cry from all corners of individuals and groups begin their campaigns for support in the upcoming 1958 elections.

AFL-CIO and strong labor committees are making a vigorous drive to get union members to pay the \$1.75 right-to-vote tax, and become eligible to put labor on the saddle in Texas government.

Gov. Price Daniel is urging all Texans to get that poll tax receipt now, before the Jan. 31 deadline.

Says the Governor, "Bad public officials are elected by good citizens who do not vote. I urge every Texan who loves this State and believes in majority rule to pay his poll tax and take an active part this year in the fight for constitutional government of, by and for the people." He emphasized that "minority groups should not be allowed to take over Texas."

Also busy contacting eligible voters are the State Democratic Executive Committee, headed by Jim Lindsey of Texarkana and Mike Pickle of Austin.

Equally active is the DOT, whose chief spokesman is Mrs. Frankie Randolph of Houston, adding her are Alex Dickie of Denton, Creekmore Fath of Austin, AFL-CIO heads, and NAACP leaders.

"It looks like a country folks-big city battle," said one observer. "With labor determined to swing the big cities, the final decision may rest in the hands of the multitude of smaller Texas towns and the rural folks. Usually they can be depended upon

to vote, rain or shine."

POLITICKING IS ON
By tradition, the opening of the red bud in East Texas is a sort of starting gun for politicking.

Some seasoned campaigners regard an announcement before red bud time as a farmer would look on planting before the last frost. But for politicking or farming, there has to be some fence mending, tool sharpening, seed buying and ground ploughing before planting time.

Hence, this January, though the air is still frosty, Texas politicians are preparing the ground for a hoped-for harvest of votes next summer. In Austin every move by a person in public life is interpreted as tool sharpening.

These events in the news are regarded as part of the pre-campaign cultivation.

INTEGRITY AND ECONOMY in state departments will be emphasized in 1958, said Gov. Price Daniel in a speech kicking off his second year as chief executive—and the year in which he is expected to seek re-election.

Speaking to some 200 state officials, Daniel asked them to be responsible in their departments for strict compliance with reform laws passed last year. He said two types of people can undermine public confidence in Texas' 56,000 officials and employes—a "very few" wrongdoers and "self-seeking demagogues" who capitalize on the scandals.

He's not ready to sing bankruptcy blues, said the governor, referring to predictions that the state treasury would be in the red by 1959. Nor is he yet convinced, he said, that new taxes will be necessary next year.

But he urged department heads to keep a sharp eye on expenses and offered services of his budget staff to officials needing help in dollar stretching.

DEMOCRATIC PARTY CONTROL is expected to be a hotter issue this year than most campaigns for Capitol posts. Stage is set for the first round of customary shin-kicking and name-calling at the State Demo-

cratic Executive Committee meeting here Feb. 1st. SDEC is largely made up of conservatives favorable to Governor Daniel. Their critics and opponents are the Democrats of Texas, a liberal group which contends its partisans were in the majority at the last state convention, but were unfairly squeezed out of party posts.

DOT has drawn up a proposed "code of ethics" which, it says, will prevent any fast shuffles at future conventions. At the Feb. 1 meeting DOT representatives will urge the Executive Committee to adopt the code.

GOLDEN AGE AIDS
Ways to improve the outlook for Texas' older citizens are being sought by a 15-member committee of legislators and private citizens.

Sen. Crawford Martin of Hillsboro was named chairman at the first meeting of the panel.

It's not "just an old age pension committee," said Martin. It'll consider such sticky problems as the number of aged persons in mental institutions because no one knows what else to do with them. Also the difficulty of oldsters have finding employment even with valuable training and experience.

Percentage of "over 65's" in Texas population has doubled in past 50 years.

SKIER CAUGHT IN ACT

A skier at Stowe, Vermont, executes an expert jump turn, and a camera fan gets an exciting movie closeup.

You can catch all the action, beauty and color of a snowtime weekend if you remember to bring your camera along. The bright blues, reds and greens of skiers' clothes in sharp contrast to the white countryside will make brilliant color shots. But remember that it's better to take them with the sun to the side so that skiers, trees and bushes throw patches of shade as well as rich color, lending more contrast to your scenes. Sidelighting also brings out the sparkling texture of snow.

On gray days the snow comes out dull, so it's best to take pictures when the sun is bright. But remember that shadows under a blue sky photograph blue. If you want to eliminate the bluish tinge use a skylight filter.

Mrs. Kate Waters of Masterson spent the weekend with her mother, Mrs. C. J. Talley. Sandra Lamberson spent Saturday night with Mr. and Mrs. C. E. Jackson.

(Continued from Front page)
don youths also garnered some special awards.

Each of the six boys whose pigs were champions of their breeds received certificates of award from American Cyanamid Company. Each good for \$75 in cash toward the purchase of a gilt of the boy's choice, the certificates were presented by Vernon C. Jelley of Kansas City, representing American Cyanamid Company.

Gillham said that work was the main factor in the chapter's amazing record for winning. "It takes a lot of good hard work, but it pays off," he observed.

A standout among the state's vocational agriculture teachers, Gillham believes that good feeding is most important in developing fine livestock.

"We feed our pigs a grain sorghum base, and the boys use whatever protein supplement they want," he explained. "Incidentally," he added, "most of the pigs get Aureomycin and it has done a whole of a job for them. All our calves get Aureomycin regularly."

Gillham's intensive interest in producing the best livestock possible is evident in his pupils. The stocky teacher began as vocational agriculture teacher at Clarendon back in 1936, while holding down a part time job with the chamber of commerce there.

He has devoted full time to teaching since 1954. From 1943 to 1954, he had one of the state's top Jersey herds. In 1940, he was the first Texas vocational agriculture teacher to receive an honorary American Farmer Degree from the Future Farmers of America.

In 1946, his chapter won national recognition from the FFA for its all-around activities. Since Gillham took over at Clarendon, the FFA chapter has produced 30 Lone Star Farmers and six American Farmers.

His top prizewinners at Fort Worth Saturday were: John Morrow, 17, a junior student who was winner of the show's chief honors. A top athlete, 6-foot-2-inch Morrow is a football, basketball and track letterman and an officer of his FFA chapter.

Carl Talley, 16, a junior, whose heavyweight Chester White barrow was champion of its breed. An honor student, Talley lives on a farm north of Clarendon, where he raises Hampshires, Poland Chinas and Berkshires, as well as Chester Whites.

Bobby Longan, 17, a junior, whose Poland China middleweight barrow was champion of its breed. Bobby is secretary of the FFA chapter and has shown prize winners in other shows this year.

Bob Schull, 16, a sophomore, who showed the champion Duroc barrow. Last year, he won awards for his lambs at the Donley County Show in Clarendon, but turned to pigs this year.

Gene Elmore, 16, a junior, winner of the Other Breeds division championship with his middleweight Yorkshire. The Yorkshire was also champion at a show in Amarillo this month.

Sammy Wells, 16, a junior, whose middleweight Hampshire barrow won the championship of its breed. His pig was the Reserve Grand Champion barrow. Virtually all the boys have taken several other championships with their animals already this year.

Other Fort Worth awards included a special sportsmanship trophy presented to Longan by Fort Worth Jaycees, and a prize from the stock show for having the best truckload of ten pigs from any one county.

Winners in the various divisions were as follows: Winners are listed in order named. A double XX will take the place of outsiders that placed in any of the divisions and these are very few compared with the number of entries and Clarendon boys winning practically every place.

Berkshires—
190-210 lbs.—John Morrow, Carl Evans, Keith Schollenbarger, Larry Hopkins, Gene Elmore, George Mays.
211 to 230 lbs.—John Morrow, Don Hudgins, Melvin Housden, XX, Sandy Skelton, Gary Longan.
231 to 250 lbs.—Tommy Lindley, Kenneth Housden, Don Hudgins, W. N. Elam, Gary Longan, John Morrow, Jimmy Johnson, Bobby Longan, Kenneth Housden, Sandy Skelton, Champion, John Morrow; Reserve, Carl Evans.

Chester White—
190 to 210 lbs.—Carl Evans, James McAnear, Kenneth Housden, Sammy Wells, Bobby Longan, Sammy Wells, Carl Talley, XX, XX, Tommy Lindley.
211 to 230 lbs.—James Kay, Bobby Longan.
231 to 250 lbs.—Carl Talley, James Kay, Jimmy Johnson, Champion, Carl Talley; Reserve, Carl Evans.

Durocs—
190 to 210 lbs.—Sammy Wells, John Morrow, W. N. Elam, Howard Talley, Don Hudgins, Bobby Longan, XX, XX, Ronnie Hall, Neal Carter.
211 to 230 lbs.—Sandy Skelton, James Mahaffey, Lynn Spier, James Mahaffey, XX, XX, Champion, Bob Schull; Reserve, Sandy Skelton.

Clarendon Scouts Win Grand Prize At Wellington Exposition

Troop No. 37 of Clarendon was awarded a gold plated cup as the grand prize for the over all exhibit at the Scout Exposition in Wellington last Saturday. Their exhibit, on the pioneering merit badge was judged by the general appearance, the skill required for the exhibit, and the ability to demonstrate the skill to the public and judges.

There were eight units from the Comanche District in the exposition. The Cub Pack from Wheeler received a blue ribbon for the first place in the Cub Scout division and the McLean Pack second place. In the Boy Scout division Wellington troop No. 31 received a blue ribbon for first place for their model camp site with McLean troop No. 25 receiving second place for their map making exhibit. The Memphis Explorer Post had a very good exhibit on the Chemistry Merit Badge. This being the only post in the district they won first and second place in that division.

A wrist watch was given to the scout selling the most tickets to the exposition. Kenneth Price of the Clarendon Troop received this watch at the Troop meeting here in Clarendon this last Tuesday.

The Clarendon leaders certainly appreciate the parents and friends who took time out to drive over and attend this show. The following boys attended from Clarendon: Dwight McAnear, John Cearly, Philip Abel, Mike Heath, Robbin Green, Kenneth Price, Ronnie McAnear, Lloyd Lynn McCord, Bobbie Cain, Alvis Hawthorne, Bobby Myers, Eddie Myers, Shelby Bell, David Moore, Billy Hearn, Royce Hawthorne, Larry Neece, Jackie Sims, and Johnny Mayberry. There are other scouts that were unable to attend that certainly helped prepare this winning exhibit.

Course In Crafts To Be Organized Feb. 3rd

Those interested are reminded to attend the organizational meeting Monday, February 3rd at 7 p. m. in the Court room of the Court house for a course in Crafts. Dr. Emelio Caballero, Art Professor of West Texas State College, Canyon, will teach the course. Several phases of the course will be taught. For more particulars, interested persons may contact Ruth M. Richerson, county Supt. of Schools.

Only Two Days Left To Pay Poll Tax

This is the last reminder that we will be able to make, urging all residents to pay their poll tax before it will be too late. The deadline is Friday, January 31 which leaves only today and tomorrow to take care of this obligation. No telling what may come up that you would want to vote for or against. Should such an occasion arise, just be sure that you will have your voting privilege.

HOSPITAL NOTES

Patients as of Wednesday, January 29th:
Bee Bennett, Delmar Eitner, Mrs. U. T. Fowler, Mrs. O. L. Hill, Jimmie Justiss, Mrs. Ella McDowell, Alice A. Raney, O. L. Rice, Charlotte Tuttle, Mrs. Homer Estlack, Mrs. H. S. Richerson, Mr. J. R. Petty, Mr. Herman Barnes.

Moisture Total Best In Many Years

According to official weatherman, Tommy Saye, we have the best moisture total for January than we have had for many years. The grand total as of January 29 is 1.33 inches. During the month we received the following amounts: Jan. 4—0.06, Jan. 5—0.51, Jan. 6—0.01, Jan. 19—0.39, Jan. 20—0.26, Jan. 27—trace, Jan. 28—0.01, Jan. 29—0.09. January of 1957, we received a total of .31 as compared to .13 inch in 1956. Not only do we have a good start for 1958, but it will go a long way towards holding down the blowing season. Locally we are in good shape, but a few hundred miles north and west of us the moisture picture is not so good, and we are likely to get some blowing dust — come February, March and part of April.

Clarendon Scouts Win Grand Prize At Wellington Exposition

Troop No. 37 of Clarendon was awarded a gold plated cup as the grand prize for the over all exhibit at the Scout Exposition in Wellington last Saturday. Their exhibit, on the pioneering merit badge was judged by the general appearance, the skill required for the exhibit, and the ability to demonstrate the skill to the public and judges.

There were eight units from the Comanche District in the exposition. The Cub Pack from Wheeler received a blue ribbon for the first place in the Cub Scout division and the McLean Pack second place. In the Boy Scout division Wellington troop No. 31 received a blue ribbon for first place for their model camp site with McLean troop No. 25 receiving second place for their map making exhibit. The Memphis Explorer Post had a very good exhibit on the Chemistry Merit Badge. This being the only post in the district they won first and second place in that division.

A wrist watch was given to the scout selling the most tickets to the exposition. Kenneth Price of the Clarendon Troop received this watch at the Troop meeting here in Clarendon this last Tuesday.

The Clarendon leaders certainly appreciate the parents and friends who took time out to drive over and attend this show. The following boys attended from Clarendon: Dwight McAnear, John Cearly, Philip Abel, Mike Heath, Robbin Green, Kenneth Price, Ronnie McAnear, Lloyd Lynn McCord, Bobbie Cain, Alvis Hawthorne, Bobby Myers, Eddie Myers, Shelby Bell, David Moore, Billy Hearn, Royce Hawthorne, Larry Neece, Jackie Sims, and Johnny Mayberry. There are other scouts that were unable to attend that certainly helped prepare this winning exhibit.

Course In Crafts To Be Organized Feb. 3rd

Those interested are reminded to attend the organizational meeting Monday, February 3rd at 7 p. m. in the Court room of the Court house for a course in Crafts. Dr. Emelio Caballero, Art Professor of West Texas State College, Canyon, will teach the course. Several phases of the course will be taught. For more particulars, interested persons may contact Ruth M. Richerson, county Supt. of Schools.

Only Two Days Left To Pay Poll Tax

This is the last reminder that we will be able to make, urging all residents to pay their poll tax before it will be too late. The deadline is Friday, January 31 which leaves only today and tomorrow to take care of this obligation. No telling what may come up that you would want to vote for or against. Should such an occasion arise, just be sure that you will have your voting privilege.
