CLARENDON, DONLEY COUNTY, TEXAS, MARCH 27, 1958

A Common Paper for Common People

White mice, showing the results of a proper diet, were first place winners in the Amarillo Science Fair last Friday. The mice were exhibited by Sue McCord and Judy Pittman. Their instructor is Johnny Leathers, Jr. High School faculty member.

## Junior High School's White Mice Exhibit Wins First Place At Amarillo Science Fair

Clarendon Junior High School, under the leadership of Johnny Leathers, Science teacher, entered 26 exhibits in the Panhandle Science Fair in Amarillo, last week. Out of 667 exhibits shown by over 4,000 exhibitors, Clarendon placed first with a white mice exhibit in the Junior Biological Division. This study made by Sue McCord, daughter of Mr. and Mrs. Lloyd McCord and Judy Pittman, daughter of Mr. and Mrs. Carl Pittman, showed the effect of diet on life. One of the mice was fed a balanced ration and the other an unbalanced ration.

The first place trophy, a golden goddess holding a flaming torch, on a golden loving cup was placed in the Clarendon Junior High trophy case by Stina Cain, Principal.

In the entire show at Amarillo there were only 32 honorable mention places awarded, of which, Clarendon Junior High and Elementary Schools received 7. They were:

- "Fossils"—William Chamberlain.
- "Fossils"—"Lucky" Thompson, Billie Spier.
- "Securing Water by Air"—Clayton Ferris, Ted Shaller.
- "Parts of a Flower"—Ann Mar-

- tin, Jeannie Gibson.
- "Rocks of the Panhandle"—Patricia Green.
- "You and Your Teeth"—Janis Smith, Mellie McMurtry.
- "Parts of a Radio"—Charles Vaughn, Gary Clinton, Timmy Ray.

The 26 exhibits shown at the Amarillo Fair were ones shown at the local fair in the Junior High Gymnasium, sponsored by the P.T.A.

## Funeral Services Held Wednesday For Mrs. O. O. Hill

Funeral services were held Wednesday afternoon in the Nazarene Church at Memphis for Mrs. Sarah Frances Hill with Rev. Maxine Lewis, pastor, officiating.

Mrs. Hill, 77, died in her home here early Tuesday morning. She had been a resident of Hall County since 1928 until 10 months ago when she moved to Clarendon. She was a member of the First Baptist Church.

Survivors include her husband, O. O. Hill, Clarendon; two sons, O. T. and Orville Hill, both of Clarendon; one daughter, Mrs. Bertha Allison of Santa Maria, Calif.; one sister, Mrs. Effie Lee Hill of Indianola, Okla.; 12 grandchildren and 14 great-grandchildren.

Burial was in the Lakeview Cemetery with the Spicer Funeral Home in charge of arrangements.

## Services Held Saturday For Mrs. C. C. Gilbert

Last rites for Mrs. Alice (Lina) Gilbert were held Saturday afternoon in Griggs Pioneer Chapel with John L. Davis, minister of the Clarendon Church of Christ officiating.

Mrs. Gilbert, 88, died Thursday in the Ladies Rest Home in Amarillo. She had been a resident of the Panhandle area since 1886 and was a resident of Clarendon several years prior to moving to Amarillo 12 years ago. She was a member of Central Church of Christ, Amarillo.

Pallbearers were Henry Reek, Rhiney Kitzler, Lee Hess, Frank Bagwell, Tom Chapman and Herman Pafford.

Survivors are three sons, H. Clyde Gilbert, Clarendon, R. T. Gilbert and Pete Gilbert of Amarillo; two daughters, Mrs. Hattie Cobb of Amarillo and Mrs. Dal Harrell of Groom; 16 grandchildren, 24 great grandchildren and three great-great grandchildren.

Interment was in the Claude Cemetery.

## Last Rites Held For C. D. Davidson

Funeral services for Charles David Davidson were held here Thursday afternoon at the First Baptist Church with Rev. W. F. Vanderburg officiating. Services were also held Friday afternoon in the Paducah First Baptist Church with Rev. W. F. Vanderburg and Rev. Joe P. Self officiating. Burial was in the Paducah Cemetery with the Murphy Funeral Home in charge of arrangements.

Mr. Davidson, 53, died Wednesday morning, March 19th at his home on the RO Ranch shortly after suffering a heart attack. He had been a resident of Donley County six years.

Surviving are his wife, Mrs. Gwendolyn Davidson; three sisters, Mrs. Annie Hand of Dumont, Mrs. Donnie Kitchens of Forest, N. M. and Mrs. Mattie Edwards of Spur.

Pallbearers were W. J. Lewis Jr., Buck Glass, Don Harlan, Mayburn Trout, Coon Jefferies, Kirk Graham, Johnny Rex McClellan and George Humphries.

## REBEKAH POT LUCK SUPPER APRIL 1st

The Rebekah's will be featuring another of their famous pot luck suppers Tuesday evening, April 1st. Serving will begin at 6 p. m. All you can eat for 75c.

MRS. L. E. DUDLEY

## Mrs. L. E. Dudley To Speak To Donley Co. Hale-Aikin Committee

Mrs. L. E. Dudley, Abilene, Texas, a member of the Committee of Twenty-Four, Hale-Aikin Committee is to speak to the complete county Hale-Aikin Committee, Tuesday, April 1st. The meeting will start at 7:30 P. M. in the Clarendon College Auditorium.

Mrs. Dudley has held several national and state honors. They are as follows: Member of Federation of Women's Clubs for 23 years; Member of Board of Directors, District, State, General, for 19 years; Committee chairman; Chairman, Department of Education, three terms; District President; State President; Chairman of Subscriptions, General Federation Clubwomen.

Active in Civic Affairs: President, Abilene Good Government Association; served three year terms as member and (See HALE-AIKIN, page 8)

## Additional Signup For 1958 Cotton Acreage Reserve Program

The Chairman of the local ASC Committee, Ross Springer, reports that most farmers who wanted to take part in the 1958 Cotton Acreage Reserve of the Soil Bank, but could not file signed Agreements because of fund limitations, will apparently be able to sign up at the county office in the near future.

Both the Senate and the House of Representatives have approved a supplemental Appropriation of 250 million dollars to provide for additional Acreage Reserve participation. This will bring the total to 750 million dollars for the 1958 program. Because agreement on some detailed program provisions must still be reached in House-Senate conference, congressional action on the supplemental appropriation is not yet complete. As soon as final action is taken, the county committee will get the GO AHEAD for completing the signup. Preliminary steps have been taken by the State ASC Committee to prepare the way for immediate action when the supplemental funds are authorized.

In addition to farmers who have already filed signed Agreements, which were in general covered by the initial appropriation for the Acreage Reserve, other eligible farmers will be in position to take part in the enlarged program. These will include those whose names are in the WAITING LIST Registers at the county office, and possibly others where there is evidence that they made an attempt to participate during the signup period.

Public notice will be given promptly when the county ASC Office is ready to sign additional Acreage Reserve Agreements. The Chairman, Ross Springer, says that in the meantime the county office will be prepared to furnish general information but that farmers should not attempt to sign up agreements until official announcements are made.

## Red Cross Quota Still Lagging

Jr. Spier, fund chairman, announced yesterday that only about one half of the quota of \$1189.00 in the current Red Cross Drive had been raised to date and is urging everyone who has not joined, to help complete the quota just as soon as possible.

He stated that members of the FHA will make the rounds of the residential district in the drive the latter part of this week.

In making his appeal, Spier stated that almost three times the amount of the current quota was spent for disaster relief in the county last year. "We never know what may be forthcoming in the future or who will be needing Red Cross assistance, so we are asking everyone to contribute to this very worthy organization during this drive", he concluded.

## Services Held Tues. For Mrs. W. A. Ragsdale

Funeral services for Mrs. Marion Josephine Ragsdale were held Tuesday afternoon in the Murphy Memorial Chapel with John L. Davis, minister of the Church of Christ officiating.

Mrs. Ragsdale, 76, died Sunday morning at Inez's Rest Home here. She had been a resident of Donley County, 37 years.

Survivors are a daughter, Mrs. Nancy Cockerham of Lelia Lake; two sons, Curtis A. Ragsdale of Clarendon and James W. Ragsdale of Cortez, Colo.; a sister, Mrs. Mattie Glover of Lubbock; two brothers, John Sneed of Clarendon and Ed Sneed of Charleston, Texas; five grandchildren and 12 great grandchildren and four great-great grandchildren.

Grandsons of Mrs. Ragsdale served as pallbearers.

Burial was in Fairview Cemetery, Memphis, with the Murphy Funeral Home in charge of arrangements.

## Silver Harvest Pot Now \$800

The Silver Harvest Day Pot is now up to \$800 adding much more attraction to this Saturday afternoon event. Roy Johnson was the lucky person last Saturday. He drew out a 10% token which netted \$80 in Silver Harvest money which can be spent at any of the participating firms. Don't forget, the pot will be \$800 again this Saturday.

LEADER CLASSIFIEDS GET RESULTS.

NICK REYES

## Musical Teentime Review Coming March 29th

Nick Reyes will head up the musical Teentime Review coming to Clarendon High School Auditorium, Saturday, March 29, at 8:30 P. M. Admission is free, as the event is being sponsored, as a public service, by the Coca-Cola Bottling Company, KFDA-Radio and Television, and the U. S. Army Recruiting Service.

The fourteen musical and variety acts will be made up of talented Panhandle teenagers. Reyes has worked with teenagers most of his ten years in radio and television and his interest and encouragement in many talented teenagers has resulted in their gaining recognition.

Teenagers from Clarendon featured in the show will be two bands: one the famous German Band from Clarendon High School; and the Corvettes, a four-man group.

## Hedley Junior Class To Present Play Friday Night

The Hedley Junior Class will present "Hobgoblin House", a three act mystery farce, Friday night, March 28 at 7:30 in the Hedley auditorium.

Those taking part in the play are: Bobby Lesley, Loveta Houdashell, Nancy Hinds, Bonnie Alexander, Dewayne Meadow, John Stephens, Barbara Hansard, Leonard Mullins, Mildred Sims, Jimmie Youree, Rodney Hargrove and Eloira Butler.

## City Election Next Tuesday

Next Tuesday, April 1st will be City Election time with local residents going to the polls to elect two city commissioners. There are four candidates listed on the ballot. They are Oscar H. Thomas and W. M. Pickering incumbents and John Sneed and Chas. Speed.

The election will be held in the City Hall. All qualified voters of the City of Clarendon should go to the polls and vote. Your failure to vote my help elect the candidate you feel is less qualified for the office. The main thing is to go vote for the candidates of your choice.

## Monday Is Deadline On Car Tags

The big rush is on at the Tax Office this week with a large number of car owners showing up to purchase license plates for their vehicles. At last report there were several hundred yet to be purchased with only four days left. Monday, March 31st is the deadline. All vehicles must have 1958 plates April 1st if used on any public road.

Bill Cornell, Tax Collector, is reminding everyone to be sure and bring their last year license receipt and their title as both are necessary to purchase new tags. If you fail to bring these two papers, you are wasting your own time as well as the deputies in the tax office, he added.

## Services Held Friday For J. M. Johnston

Funeral services were held Friday afternoon at the Murphy Memorial Chapel for James Martin Johnston with Rev. J. M. Jordan officiating.

Mr. Johnston 79, died Wednesday in the Thurmon Rest Home in Amarillo. He had been a Donley County resident 40 years and was a retired farmer.

He is survived by his wife, Mrs. Lenora Johnston, Clarendon; three daughters, Mrs. Carrie Kimberil, Estancia, N. M., Mrs. Lillie Divon, and Mrs. Maggie Wood, both of Amarillo and one grandchild.

Pallbearers were Bill Todd, J. D. Swift, Jim Spencer, C. L. Benson, Jr., Lloyd Benson and Van Kennedy.

Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

Clarendon High School's famed German Band will be one of the fourteen variety acts coming with the Nick Reyes Teentime Review to Clarendon High School Auditorium, Saturday, March 29 at 8:30. The music-filled Review will be emceed by TV personality Nick Reyes, and admission will be free. The event is being sponsored by the Coca-Cola Bottling Company, KFDA-Radio and Television, and the U. S. Army Recruiting Service.

Clarendon will be proud of its home town teenage talent in the Nick Reyes Teentime Review. One of the sparkling musical acts on tap will be the Corvettes, a band composed of four teenage boys. Also to be seen and heard will be the German Band from Clarendon High School. The Nick Reyes Teentime Review will come to the Clarendon High School Auditorium, Saturday, March 29, at 8:30 P. M., and admission will be free. The Review is sponsored by KFDA-Radio and Television, Coca-Cola Bottling Company and the U. S. Army Recruiting Service.

## General Telephone Co. Announces New Long Distance Service

A new service for all users of long distance has been inaugurated this month by General Telephone Company of the Southwest. Starting with the March telephone bills, customers will receive the original record, or toll ticket, for each long distance call charged to their telephone number.

These original toll tickets, which are made up by the operator at the time the long distance call is placed, will be enclosed with the regular statement. The total charges for telephone service, including federal tax, will appear on the face of the bill, and the toll tickets will replace the itemized statement of long distance calls. This new service will permit subscribers to check details about each call charged to their number. Adjustments for incorrect charges will still be handled, in person or by telephone, at the local telephone company business office, but the ticket in question must either be mailed or brought to the local office.

Before mailing the original toll ticket to subscribers, the telephone company will have recorded each ticket on modern microfilm, which will give the telephone company a permanent record of all long distance toll tickets.

The local district manager has asked the subscribers bear in mind that the operators are instructed to spell names, that will appear on toll tickets, as they sound, rather than delaying the call to verify correct spelling. He emphasized that calls are charged

### GARDEN CLUB

Misses Ida and Etta Harned entertained the Garden Club in their home Thursday afternoon, March 20. Entertaining rooms were decorated with potted roses and geraniums.

The president, Mrs. H. T. Warner, opened the meeting by reading the club prayer, and presided over the business session.

Due to the length of the business session, the entire program was not presented. Mrs. M. C. Rippy gave an interesting discussion of "Annals and Perennials." A legend of the flower of the month is always a part of the program and Mrs. W. W. Taylor gave the legend of the "daffodil."

Refreshments of Coca-Cola, cherry salad, angel food cake, mints, coffee and tea were served to two guests: Mrs. Doss Palmer and Mrs. J. I. Spurgeon; and to members Mesdames John Goldston, Bill Greene, M. C. Rampy, W. W. Taylor, H. T. Warner, and Harry Brumley by the hostesses, Misses Ida and Etta Harned.

—Reporter.

### MIDWAY CLUB

The Midway Club met at Patching Club House Saturday night, March 22, for a turkey supper. Following the meal games of 42 were played.

Present to enjoy the gathering were guests: Mrs. Doss Palmer, Mr. and Mrs. Carl Barker, and H. R. King, and members Mr. and Mrs. Roscoe Land, Mr. and Mrs. Edwin Eanes, Mr. and Mrs. G. W. Hillis, Mr. and Mrs. Hill Wells, Mr. and Mrs. Earl Myers, Mr. and Mrs. Howard Hensley, Mr. and Mrs. Pete Riley, Mr. and Mrs. Ed Dishman, Mr. and Mrs. Glen Williams, Mr. and Mrs. Will Pickering, Mr. and Mrs. Nolie Simmons, and Mr. and Mrs. W. C. Scott.

### CAROL AND DIANNE CORNELL HONORED ON BIRTHDAY

A birthday party was given on Monday afternoon, March 24th to honor Carol and Dianne Cornell on their birthday. These girls celebrate the same birthday, except four years difference in ages.

Those singing "Happy Birthday" to these girls were Dana Estlack, Linda Palmer, Sandy Drake, Janice Anderson, Mike Spier, Tim Caldwell, Terry Moore, and Wes Henson.

Among the smaller set were Billie Jones, Debbie Cornelius, Cathy Simpson, Becky and Charlie Dehyle, Teresa Moore, Sharon and Karen Crofford of Claude.

Other guests included Mrs. Bill Cornelius, Mrs. R. C. Bingham, Mrs. G. D. Drake, Mrs. "Bud" Moore, Mrs. F. G. Crofford of Claude and the hostess, Mrs. Bill Cornell, Carol and Dianne.

Ice cream and individual cakes shaped like rabbits were served for refreshments. Nine candles were put on Carols cake and five on Dianne's cake. Favors were miniature Easter baskets filled with colored chickens and miniature Easter eggs. Party hats, reading "Happy Birthday", were given each child as they arrived.

Pictures were taken of the group. Many lovely gifts were opened by Carol and Dianne.

Everyone reported they had a good time.

### ENGAGEMENT ANNOUNCED

Mr. and Mrs. Clifford Taylor are announcing the engagement and approaching marriage of their daughter, Virginia, to Mr. Donald Mills, son of Mr. and Mrs. Guy Mills, who is now stationed at Lackland AFB, San Antonio. The wedding will take place in late April.

### PRESBYTERIAN WOMEN'S ORGANIZATION

The Association of the P.W.O. met Wednesday, March 19th at the church, with Mrs. W. G. Word and Mrs. Thad Rodgers as co-hostesses.

In the absence of the president, Mrs. Word, acting vice-president, opened the meeting with prayer.

Following the business session, Mrs. Word presented the program, "On Giving Away Your Money," using examples from several chapters of the book, "Twelve Baskets Full."

The meeting closed with the Mizpah benediction.

Mrs. Homer Taylor assisted Mrs. Rodgers in serving refreshments to Mesdames Charles Blackburn, Fred Chamberlain, Jr., Kelly Chamberlain, M. W. Cook, George Green, Gertrude Knopp, Bill Montgomery, Heckle Stark, W. G. Word, Stina Cain, Dick Cooke and Miss Mabel Mongole.

### HUDDINS QUILTING CLUB

The Club met Tuesday the 18th and two quilts were quilted.

Refreshments were served to Pauline Koontz, Mae Perdue, Dorothy Helms, Veda Goad, Ruth Hutson, Pearl Self, Bell Smallwood, Ruth Lindley, Floree Webb, Mary Lee Noble, Agnes Allee, Kate Rogers, Frankie McAnear, Martiel Webb, Cora Elliott and one visitor Phyllis Richey.

The next meeting will be Tuesday, April 1st with Floree Webb and Pearl Self as hostesses.

—Reporter.

### ASHTOLA NEEDLE CLUB

Mrs. Hubert Rhoades was hostess to the Ashtola Needle Club Thursday, March 20. Progressive 42 was played. John White won the prize for high score and Mrs. Slaton Mahaffey won low. Mrs. T. A. Nelson took flash bulb pictures of the group.

Refreshments of cake, cookies, pie, coffee, and orange drink were served to twenty-three.

—Reporter.

### KIL KARE TO MEET

The Kil Kare Kneedeel Klub will meet Thursday afternoon, March 27, in the home of Misses Ida and Etta Harned. Meeting time has been set for 3 o'clock.

### F.H.A. NEWS

"The Sounding Off Board" furnished a lot of entertainment and useful information Tuesday, March 18, to the Clarendon Future Homemakers of America. The program was a panel of boys composed of two representatives from each class. They were Neal Carter and Phillip Abel, freshmen, Wayne Mann and James McAnear, sophomores, Ted Weatherly and John Richerson, juniors, Jerry Behrens and Keith Hudson, seniors. Ann Hubbard, Janie Smith, Martha Risley and Glenda Wilson asked the panel questions which all high school girls wanted most discussed.

We learned that boys do like girls to dress neat, wear their hair in the style most becoming to them. They appreciate good manners. They think a girl should finish high school before marriage. They do not like the "Chemise" for high school girls to date college boys—Amazons or timid souls.

The boys enjoyed participating in this panel discussion but want to reverse the order next time and let the boys ask the questions.

Closing the business meeting we were handed a schedule for F. H. A. week informing us of all the activities that were planned for the week.

### MOTHERS STUDY CLUB

Mothers Club met Tuesday evening, March 25, at Patching Club House. Meeting was called to order by the president and the Parents Prayer was read by Wanda Moore. Doris Salmon made the treasurer's report. Plans for the Easter Egg hunt for the children were made and the date set for April 4. It was decided to have the hunt in the afternoon at the park. Joan Kidd read the financial report from the Club House Board.

Meeting was adjourned and refreshments of cake, coffee, and Cokes were served to one guest, Jeanie Johnson, and to the following members: Joan Kidd, Wanda Moore, Cherrye Shadie, Clarice Shults, Bernice Owens, Rosie Harper, Melba Edwards, Norma Putman, Joan Edens, Beth Cockerham, Doris Ward, and Doris Salmon by the hostesses, Rava McKinney and Patsy Robertson.

—Reporter.

### GOLDSTON QUILTING CLUB

Our Club met with Joy Robertson the 20th with members present, Carrie Morgan, Adgar Williams, Sallie Hatley, Billie Ashcraft and Fern, Bonnie Davis, Minnie Roberson, Blanche Gray, and the hostess Joy Robertson. One quilt was finished. Minnie Roberson and Carolyn Davis received pollyanna gifts. All enjoyed visiting and refreshments.

Sallie Hatley will be hostess April 3rd.

—Reporter.

### M. Y. F. REPORT

Meeting was held March 23rd. There were 11 present. We had old and new business, reading of the minutes and collection.

Carolyn and Judy Castner had the program. John Bob Butler and Sue Douglas have the program next week.

We were dismissed by the M.Y.F. benediction.

The M.Y.F. wishes to remind everyone of our Revival which starts Sunday, March 30th.

—Reporter.

### New Officers For P.T.A. Announced

The Sims P.T.A. met Thursday, March 20th at 3 p. m. in the Elizabeth Stevens auditorium with Mrs. Dick Shelton presiding in the absence of Mrs. Carrol Hudson, president.

New officers for the coming year were presented by the nominating committee. The following were voted and accepted:

President—Mrs. Fred Chamberlain.

Vice-Pres., Mrs. Frank Phelan, Jr.

Secretary—Mrs. Carrol Hudson

Treasurer—Mrs. Dick Shelton

Historian—Mrs. Steve Fedric

Parliamentarian—Mrs. Bob Corman.

Committee Chairmen:

Program—Mrs. Frank Phelan, Jr.

Membership—Mrs. David Bennett.

Hospitality—Mrs. Ralph Grady

Publications and Publicity—Mrs. Bill Lowe.

Character Education and Spiritual Growth—Mrs. C. M. Ryan.

Civil Defense and Safety—Mrs. J. B. Melton.

Health & Education—Mrs. E. H. Monroe.

Legislative—Mrs. Bray Cook

Founders Day—Mrs. Hershel Heath.

Nursery—Mrs. Bill Cornell.

Winners in the room count contest were Mrs. Mears room in Grade school and Mrs. Blanken-

ship's and Mrs. Gillham's room tied for 1st place in the Jr. Hi division.

Mrs. Shelton asked everyone to attend the Science Fair in Amarillo Friday and Saturday, March 21-22nd.

Mrs. Homer Bones, replacing Mr. Gene Moore who is now teaching in high school, led the group in repeating the PTA prayer. This was followed by a very interesting and inspiring devotion.

Mrs. J. B. Melton, program chairman, introduced Mr. Clyde Price, head of the local GOC. He explained the job of our local chapter. Upon receiving a call from the filter center at Okla. City our organization then calls their sequence list which includes Hedley, Lelia Lake and Memphis. The filter center then is notified as to how many answered the sequence list. Headquarters for the 25 member organization is the Fire Station.

During weather alert the members have a detailed plan worked out, but more members are needed to organize a first aid and nursing class in case of emergency or disaster. The county has good coverage since new walkie talkie and more car radios for officers have been purchased.

Mr. Price introduced Sgt. Mealy of Fredrick, Okla., who described the procedure of the National GOC. Sgt. Mealy reported that the United States is divided into three sections. Texas, Okla. and New Mexico divisional commanders are under the supervision of the directional center at Tinker Field, Colorado Springs, Colo. Sgt. Mealy is under this supervision.

The directional centers watch plot boards which pick up any foreign object such as foreign planes unknown missiles or weather alerts, which may be in the air. U. S. planes which fly over all the coastal areas of U. S. are scheduled on the boards and

if any foreign objects cross the board the planes are to examine the area. Planes are necessary to supplement the program for complete protection since radar, which works on the same principle as TV is interrupted by the earth's contour and climatic interference. Planes and radar give complete protection at all times. Posts are set established every 3 miles throughout the U. S.

The Texas and Oklahoma chapters are 80% manned. The GOC must always be on guard for foreign trouble, weather or emergencies.

Within the next 10 years the U. S. may be in one of the following positions: A divided U. S. may be fighting communism; U. S. may be rebuilding a war-torn but victorious country; U. S. may be building a busier and more peaceful U. S.

The GOC is trying to help promote things in the direction of a busy and peaceful U. S. This alerting system is not new as Robert Newman was the 1st man to begin the alert system when he helped signal for Paul Revere.

The citizens of Clarendon must become better informed to the needs of the GOC in their community and do all they can to help.

— Mrs. Frank Phelan, Jr., reporter.

Guests in the home of Mr. and Mrs. Carl Naylor Saturday night were Mr. and Mrs. Melvin Vick and children of Panhandle and Mr. and Mrs. Joe Naylor of Ft. Worth. Dinner guests Sunday also included Mr. and Mrs. John A. Arnold and children of Amarillo. Other afternoon visitors were Mr. and Mrs. Arthur Arnold and Fred Arnold and son, all of Silverton.

Mr. and Mrs. L. T. Whitlock and Larry of Amarillo visited Mr. and Mrs. G. W. Estlack Sunday afternoon.

Mrs. J. S. Beach Celebrates 90th Birthday

Mrs. J. S. Beach, described by her grandchildren as the greatest, sweetest, spryest and best little Granny in Texas, celebrated her 90th birthday, Friday, March 20th at her home at Hedley. She even baked one of the cakes and some pies for the occasion.

Besides the cake Mrs. Beach baked, there were two others; one was 40 inches in circumference and had three layers. It also contained 90 three inch candles in pink plastic rose bud holders.

Mrs. Beach greeted each guest at the door with a smile and a kiss.

Her dinner guests included Mr. and Mrs. G. C. Brinson, Betty Beach, Edgar Beach, Mrs. Tillie Spalding, Mrs. W. I. Rains and Henry Lee Kinslow.

Visitors during the afternoon and late evening were Mr. and Mrs. W. C. Holland and baby, Mr. and Mrs. W. E. Hill, Mr. and Mrs. Jess Beach, Mrs. Harry Skaggs and boys, Alfred Spalding and daughters, Frank Spalding, Mrs. Kenneth Brinson and son, Mrs. G. E. Kinslow, Rev. J. S. Tipton, Mrs. H. H. Hall, Mrs. W. H. Hill and Pat Houdashell.

Mrs. Beach received many gifts such as potted flowers, bulbs, etc. that she can set out later to enjoy for a long time.

Legion To Sponsor Dance Saturday Night

The local legion post is sponsoring a dance at the Legion Hall Saturday night, March 29th beginning at 9 o'clock. Music will be furnished by the Caprock Valley Boys, a five piece string band. Admission will be \$1 per person. The public is invited.

Mr. and Mrs. M. B. Cavanaugh of Silverton, were afternoon guests Sunday in the home of her sister and husband, Mr. and Mrs. R. O. Thomas.

Mr. and Mrs. L. T. Whitlock and Larry of Amarillo returned this morning, Mrs. Frank Whitlock, to her home in Clarendon Sunday.

College Tennis Teams Beat Amarillo

The Clarendon Junior College Tennis Team went to Amarillo Tuesday and soundly trounced the Amarillo College Badgers, 6 to 0.

In the singles play, Pete White, the Bulldog No. 1 man who went to the state finals in doubles last year, defeated Gene Shelburne of the Badgers 6-4, 6-2; Teddy Bedwell, freshman from Quitaque, eliminated Putt Powell 6-1, 6-0; Buzz Bailey defeated Mike Carmichael, 6-1, 6-0, and Owen Johnson beat Rex Radcliff 6-0, 6-3.

In doubles White and Johnson teamed to defeat Shelburne and Powell 6-2, 6-4 and Bailey and Bedwell shut out Carmichael and Radcliff 6-0, 6-0.

In the six matches played the Badgers failed to win a single set. The two teams will meet on the Clarendon courts on Wednesday, April 2, beginning at two o'clock.

Improvements Completed At Catholic Church

Improvements at the Catholic Church were completed this week when mechanics installed two aluminum awnings at the rear. It was the finishing touch to the old building erected in 1890. Since work started in February a wrought iron entrance was built, an 8-foot canopy placed at the front, solid-core doors of white Birchwood and a forty foot concrete walk 8-feet wide leading from the street to the entrance have been finished. Now in its 68th year here the old church has long been known as St. Mary's Catholic Church was dedicated during the Holy Year as Shrine to Our Lady of the Panhandle.

Mr. and Mrs. Bryan Thomas of Electra visited the weekend with his brother and wife, Mr. and Mrs. R. O. Thomas.

Mrs. Dick Vallance and Linda and Mrs. Joe Shadle and girls visited one day last week with Mrs. Vallance's grandmother, Mrs. W. R. Foster, at Hollis, Okla.

Head of A&M Poultry Department Stages Demonstration

E. D. Parnell, head of Texas A&M Poultry Husbandry Department, directed a two hour demonstration on poultry judging for vocational agriculture teachers of the Greenbelt F.F.A. District at the local vocational agriculture department Tuesday from 4 to 6 p. m. Parnell is generally recognized as the top poultry authority in the southwest. He has charge of the state poultry judging contest and judges most of the major shows in the southwest. He is a classmate of C. E. Bairfield. The two attended Texas A&M in the Twenties.

Childress, Paducah, Turkey, Estelline, Lakeview, Memphis, Wellington, Quail, Samnorwood, Hedley, Lelia Lake, and Clarendon are members of the Greenbelt F.F.A. District and teachers from these departments participated in the contest. Students of the local department made arrangements for the birds and eggs used in the demonstration.

ATTEND MEETING AT HEREFORD

Mrs. Will Pickering attended the Northwest Texas Conference of the Women's Society of Christian Service at Hereford last week. Mrs. Pickering was delegate from the local society of the Methodist Church. Mrs. Chas. Bairfield, Mrs. Cap Morris, Mrs. W. C. Thornberry and Mrs. L. N. Cox attended on Wednesday and brought Mrs. Pickering home. Mrs. Bairfield was elected to the Status of Women of the Northwest Texas Conference. The meeting will be held in Midland next year.

HOSPITAL NOTES

Patients as of Wednesday, March 26: Mrs. Troy Broome.

Dismissals: Mrs. Shelby Bell and son Jack Lynn, Charles Deyhle, D. L. Rogers, Mrs. R. M. Webb and Mrs. Pete Peiffer.

FARM NEWS

from the County ASC Committee

1957 PROGRAM PAYMENTS

Table with 2 columns: Item, Amount. Total: \$459,442.02

COVER CROPS ON ACREAGE RESERVE AND CONSERVATION RESERVE

If you have volunteer, wheat, rye, barley or any other small grain on the acreage you put in the Soil Bank, it must be destroyed by plowing under not later than May 10, 1958. This acreage cannot be grazed and a crop cannot be taken off of it in 1958.

COTTON PRE-MEASUREMENT DEADLINE

Only a few days remain to make application for 1958 cotton pre-measurement. Any farmer desiring this service must make application not later than March 31, 1958. The fee is \$10.00 per farm plus \$4.00 for each plot over one.

NEW CANCELLATION DATE SET UP FOR COTTON ACREAGE RESERVE

The date for cancelling 1958 Acreage Reserve applications for upland cotton has been moved up to March 28, 1958. The previous deadline for cancellation of this applications was Feb. 20, 1958.

LEADER CLASSIFIEDS GET RESULTS

Appreciation Dinner To Honor Senator Rogers At Tulia, March 31st

FLOYDADA — Plans are near completion for an appreciation dinner honoring State Senator Andy Rogers at Tulia March 31, it was announced by Jimmy Willson, Jr., of here who is in charge of arrangements.

The dinner will be held at 7:30 P. M., at the Tulia High School cafeteria, with a program following at the High School auditorium.

Tickets to the dinner are limited but no limit has been placed for those who plan to attend the program. "Senator Rogers has not announced for re-election but it is the hope of those in his district that he will take the opportunity of the appreciation dinner to do so," Willson said. "He has served the past one and a half time in an honest and sincere manner."

Rogers was co-author of the bill which I. B. Holt of Olton introduced to establish the ownership rights of underground water in the State of Texas.

He introduced the Lewd Literature bill, designed to curb the distribution and sale of vulgar magazines and other literature on our newstands.

Rogers came into the limelight again during the past session of the Legislature when he voluntarily appeared before the Travis County grand jury during the insurance hearings.

His most important help to the taxpayers of his district was the Equalization of Economic Index which determines the amount that each county pays of the overall school cost of the state.

The bill for the protection of elevators, banks and others in connection with warehouse protection was introduced by Rogers. Rogers co-authored the bill which reduced state property tax for state of Texas property owners.

"Above are just a few of the reasons why we appreciate Andy Rogers and want to do something for him," Willson said.

Andy Rogers was reared in Childress county on a farm. He attended school in Childress, going to the University of Texas and Texas A&M, receiving his degree from the latter. In 1948, after three years of service in the US Army Air Force, he returned to Childress where he was elected to the State Legislature the same year. He is a member of the First Baptist Church in Childress where he has served in many capacities, including Sunday School teacher and superintendent of his department.

Rogers has been active in community affairs also. He is a member of the Rotary Club, Jaycees, Farm Bureau and American Legion.

He married Georgia Anne Scott in 1950, a Lubbock girl. They have three children, Paula Ann 6, Andrea Jeanee 4, and Andy Jr., just one month old.

With so many girls present as guests, needless to say that Twister Clyde I. Price was unusually busy giving indirect instruction to Assistant Tail Twister Carl Allmond and Lion Kent on the finer points of social graces connected to luncheons with mixed crowds.

Guests over the week end in the home of Mrs. E. W. Bromley were Mrs. Emma Burnett, and Mrs. Harold Dexter and son of Ardmore, Okla., also Mr. and Mrs. J. D. Riley, Janis, Jim and Vicky of Amarillo. The two great-grandsons, Jim Riley of Amarillo and Bob Dexter of Ardmore, Okla. spent Saturday night with their great-grandmother, Mrs. Bromley.

Miss Bertha Mae Thomas of Amarillo is in Oakland, Calif., where she is visiting in the home of Mr. and Mrs. J. M. Thomas. She also attended the wedding of Dennis Thomas, grandson of Mr. and Mrs. R. O. Thomas of Clarendon.

Mrs. Dick Vallance, Dolfia and Linda visited Sunday and Monday with her brother and family, Mr. and Mrs. Benny Dennis at Borger.

Mr. and Mrs. Lee Muse visited her mother, Mrs. F. T. Jarvis at Munday over the week end.

Mr. and Mrs. C. N. Brewer are planning a reunion here with all their children and grandchildren to be home this week end.

Those planning to be here with Mr. and Mrs. Brewer, Dollie Bain and children are Capt. and Mrs. James C. Brewer, Constance and Pamela, Westover AFB, Mass. will arrive today; Mr. and Mrs. Morris Peden and twins, Butch and Marcia, Mr. and Mrs. J. D. Pool and Melanie will be here for the weekend.

AWARDED SCHOLARSHIP FOR SUMMER SESSION

Lester C. Myers who received a scholarship to attend the University of Texas, has also been granted a scholarship to attend through the summer term. Mr. Myers has accepted a position as Science - Mathematics instructor at Amarillo Junior College. Mrs. Myers is a teacher in Austin Grade School at the present time. Lester is the son of Mr. and Mrs. Earl Myers of Lelia Lake.

THE LIONS DEN or The Roar of the Lions

By the Liontamer

Monday night, March 24, the Clarendon Lions Club Board of Directors hosted the Zone meeting of Lions in this Zone. Attending were delegates from Panhandle, Claude, White Deer and Clarendon. Alvin Harder of Tulia, formerly of Claude and member of the Claude Club, the present Zone Chairman, presided at the meeting. A special guest at the meeting was the District Deputy Governor, Herb Lewis, of the Downtown Lions Club of Amarillo.

The food, fellowship, and fruitful results of the meeting were contributing factors to a fine evening meeting. A check up on the results of each club in the attainment of their objectives set up in last year's meeting was made, the results were gratifying in that no failures were reported and many complete successes.

Lion Judge Drennan, in observance of National F.H.A. Week invited Mrs. Bourland, Head of the Homemaking Department of the High School and members of the department, Beth Gillham, Sandra Pinkerton, Lee Ellen Bell, Linda Lemons, Robbie Lou Johnson, Barbara Koontz, Elvanda Gresham, Linda Self and Jean Welch to be guests of the club at the luncheon meeting and present the program. Another fine program for Lion Drennan. The program was a smile program in which the entire club participated in one number with Jean Welch and Linda Self furnishing the leadership.

The Club was also honored with the attendance of Ronnie Gardner, new Range Specialist with the local Soil Conservation office as guest of Lion Bill Swindle, and Bill Graham, brother and guest of Lion Mutt Graham.

Boss Lion Homer Estlack appointed a nominating committee according to our local by-laws to present a ballot of nominees to the Club 2 weeks from the Tuesday meeting for the purpose of holding the election of officers for the coming year.

With so many girls present as guests, needless to say that Twister Clyde I. Price was unusually busy giving indirect instruction to Assistant Tail Twister Carl Allmond and Lion Kent on the finer points of social graces connected to luncheons with mixed crowds.

Guests over the week end in the home of Mrs. E. W. Bromley were Mrs. Emma Burnett, and Mrs. Harold Dexter and son of Ardmore, Okla., also Mr. and Mrs. J. D. Riley, Janis, Jim and Vicky of Amarillo. The two great-grandsons, Jim Riley of Amarillo and Bob Dexter of Ardmore, Okla. spent Saturday night with their great-grandmother, Mrs. Bromley.

Miss Bertha Mae Thomas of Amarillo is in Oakland, Calif., where she is visiting in the home of Mr. and Mrs. J. M. Thomas. She also attended the wedding of Dennis Thomas, grandson of Mr. and Mrs. R. O. Thomas of Clarendon.

Mrs. Dick Vallance, Dolfia and Linda visited Sunday and Monday with her brother and family, Mr. and Mrs. Benny Dennis at Borger.

Mr. and Mrs. Lee Muse visited her mother, Mrs. F. T. Jarvis at Munday over the week end.

Mr. and Mrs. C. N. Brewer are planning a reunion here with all their children and grandchildren to be home this week end.

Those planning to be here with Mr. and Mrs. Brewer, Dollie Bain and children are Capt. and Mrs. James C. Brewer, Constance and Pamela, Westover AFB, Mass. will arrive today; Mr. and Mrs. Morris Peden and twins, Butch and Marcia, Mr. and Mrs. J. D. Pool and Melanie will be here for the weekend.

AWARDED SCHOLARSHIP FOR SUMMER SESSION

Lester C. Myers who received a scholarship to attend the University of Texas, has also been granted a scholarship to attend through the summer term. Mr. Myers has accepted a position as Science - Mathematics instructor at Amarillo Junior College. Mrs. Myers is a teacher in Austin Grade School at the present time. Lester is the son of Mr. and Mrs. Earl Myers of Lelia Lake.

HEALTH NOTES

Texas State Dept. of Health

AUSTIN — "Pedodontics" is a big word with a simple meaning — the care and treatment of children's teeth. A major part of pedodontics is preventive dentistry, and preventive dentistry for the very young is the one great hope for a realistic solution to our dental woes.

If a child's teeth are properly cared for up to age 15, a strong foundation has been laid for minimizing dental troubles in later years.

At about 6 months of age the four front teeth—two upper and two lower—begin to peek out. These front teeth are incisors, the cutting teeth. By age 7 to 11 months, four more teeth, upper and lower, start to come in. These are the lateral incisors at either side of the central teeth.

Then Mother Nature wisely skips a few spaces in order to properly shape the jaw. In 12 to 16 months, the back teeth or molars, come in. Then the cuspids show to fill in the space between. At about 24 months, the second molars come in.

Up to this point all teeth which have erupted are primary teeth, and although temporary they are vital. They help shape the face, help the youngster learn to speak distinctly, and help him nutritionally.

While all this has been going on, the permanent teeth are slowly developing in the jaw bone so they can come forth at the proper time.

The first permanent teeth to erupt are molars — sometimes called "six year" molars simply because they emerge at about age 6. Because they do not replace the first teeth but come in just behind them, these molars tend to confuse parents who think they are also temporary teeth.

This error can lead to unfortunate consequences. Since the "six-year" molars are permanent teeth, they will not be replaced if lost.

Family dentists strongly emphasize the importance of watching for the six-year molars. They are important to the structure of the mouth. The manner in which they interlock with their opposite teeth will determine the eventual shape of the jaw, facial contour and regularity of alignment of other teeth.

Because of their importance, these first permanent teeth are often referred to as the "keystone of the dental arch."

The strength or weakness of adult dental health—barring loss of teeth through accidents—can invariably be traced to habits of preventive dentistry learned or left unlearned in childhood. And when it comes to preventive dentistry, the pedodontist is a child's best friend.

Mrs. H. T. Warner left Monday to visit her mother, Mrs. Rowena Parker at Iowa Park.

Mr. and Mrs. O. C. Watson went to Oklahoma City Thursday to return her mother, Mrs. Lena Antrobus, to Clarendon. Mrs. Antrobus has visited with her daughter, there.

**General Telephone Has New Personnel Director**

SAN ANGELO, Texas—Frank A. Lennberg, director of personnel for General Telephone Co. of Ohio, has been named director of personnel for General Telephone Company of the Southwest, it is announced by Donald C. Power, president of General Telephone Corporation. He replaces F. W. (Mike) Hamper who has been promoted to operating vice president for General Telephone Co. of Ohio. Hamper has been director of personnel for the Southwest Company since 1953.

Lennberg, who will assume his new position in San Angelo in April, will direct employee-employer relations and negotiations with the Union for the company's five state area of Texas, New Mexico, Oklahoma, Arkansas and Louisiana.

**PICKING A PUPPY FOR CHRISTMAS**  
by Bob Bartos  
Friskies Research Kennels Manager

If you've finally been won over by the youngsters' pleas for a puppy and you're going to surprise them with one for Christmas, you're probably wondering what kind to get. Cocker-owning friends advise a cocker; collie-owning friends, a collie, and so on. You'll also hear that one breed is better than others with children.

For all prospective puppy owners, here are a few tips: Practically all breeds are good with

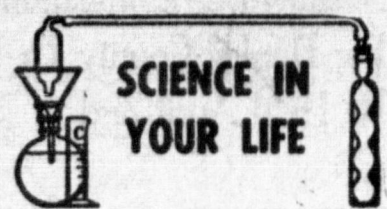

children, especially if you get the dog as a pup.

Let the kind of life you lead determine the breed. If you live in a small city apartment, you'll do well to get one of the small breeds so that a flick of the tail won't send lamps flying and a 5-mile hike isn't the order of the day. There's less grooming with a short-haired dog, less drying after rainy walks, and less hair from shedding. On the other hand, fashion, fancy, personal preference for character or breed temperament may lead one to select one of the many longer-haired breeds.

If you live in the country, your choice is limited only by your pocketbook, for a big dog costs more to feed than a small dog.

**Feeding Tip:** All puppies need the sunshine vitamin D plus adequate calcium and phosphorus in proper balance to prevent rickets. By feeding your puppy a top-grade, commercially-prepared dog food such as Friskies, your pup is assured of getting these vital ingredients in his diet.

The Statue of Liberty was erected in 1886.

**New Worlds To Conquer**

The early days of antibiotics were much like ancient voyages of exploration and discovery. But instead of new lands, old diseases were conquered with these exciting drugs. Blood poisoning, pneumonia, tuberculosis, scarlet fever and venereal disease were quickly brought under control. Today, none of these diseases carries the death sentence so common in the centuries preceding the age of antibiotics.

Scientists, however, are rarely satisfied with anything short of perfection and work continually to make drug action safer, quicker and more effective. Ten years ago, for example, the pain of a penicillin injection was very real; today, thanks to pharmaceutical research, penicillin injections are quite painless and the new penicillin "pills" do not hurt at all.

A prime target has been the search for substances to speed up the curative work of the broad-range antibiotics. To be most effective, these drugs must reach the blood-stream quickly. One of the largest antibiotic research laboratories in the country has found that a substance called glucosamine doubles the amount of Tetracycline carried to the blood in the first two hours after swallowing. This antibiotic enhanced with glucosamine, called Cosa-Tetracycline, starts its work more quickly and does it better.

Oddly enough, glucosamine is not a test tube creation but a fairly simple substance related to sugar. It is found throughout nature, in the human body — most abundantly in mother's milk — and, curiously, in lobster shells. As far as anyone knows it was part of the planet Earth long before man. Modern chemistry's contribution is in isolating and combining it with other substances to serve mankind better.

### Spelling Bee Elimination For Donley County To Be Held April 2nd

The Donley County Spelling Bee elimination will be held in Clarendon Junior High School, Wednesday, April 2, at 2 o'clock. Hedley and Lelia Lake have no participants this year. This will limit competition to students from Clarendon and Ashtola.

Junior winner at Ashtola in competition held last Friday, March 21, was Charlene Gray. Paula Ward was winner in the senior division at Ashtola.

In the Clarendon school, Junior Division representing the fifth and sixth grades, Robert Moss was winner with Sandra Drake runner-up. Marcia McMurtry was winner in the senior division with Clea Kooztz runner-up.

In the County Bee to be held Wednesday Robert Moss will be competing against Charlene Gray and Marcia McMurtry against Paula Ward. The room in which the Bee will be held has not been assigned.

The County Winner in the Junior Division will be a guest of the Amarillo Globe News at a luncheon to be held in Amarillo, April 28, the day of the regional contest. The County Winner of the Senior Division will also be a luncheon guest and will participate in the Bee to be held in the afternoon.

Further information will be given next week as to the County winners.

### Fire Destroys Jr. Putman Home Tuesday Night

Fire which was believed to have been ignited by a gas stove, completely destroyed the home of Mr. and Mrs. Jr. Putman located in southeast Clarendon, shortly before midnight Tuesday.

Mr. and Mrs. Putman were away from home when the fire started. The alarm was received by the local fire station about 11:30 and the blaze had such a head start that volunteer firemen could do very little with it before it was practically consumed. The Putman's household effects were a complete loss also. Mr. Putman was in the process of purchasing the house from Roy Clyde Jenkins.

### CORONATION AT FIRST BAPTIST MARCH 30th

The Girl's Auxiliaries of the First Baptist Church will have a formal Coronation Service during the regular worship hour Sunday, March 30th at 7:30 P. M. The girls have worked hard to earn this recognition and the public is cordially invited to come and witness this Coronation. Immediately following this service a reception will be held in the church dining room.

### MULKEY THEATRE

Evening Show Begins 7:30 P. M. Admission 50c & 20c

### FRIDAY AND SATURDAY MARCH 28-29th

### SUNDAY - MONDAY and TUESDAY MARCH 30-31st - APRIL 1st

MITZI GAYNOR and GENE KELLEY

### "Les Girls"

In Cinemascope and Color

### WEDNESDAY - THURSDAY APRIL 2-3rd

"The Abominable Snowman" In Cinemascope

### Donley 4-H Club To Hold Farm Auction Sale In Near Future

The Donley County 4-H Club will hold a farm auction sale in the near future says County Agent H. M. Breedlove. The sale will probably be held the latter part of April or early May. The sale will be held at the Fair ground building in Clarendon. The 4-H Club will get five percent of all items sold at auction and will receive one percent of any item where the owner rejects the bid and in this case it can not exceed six dollars per item. All items sold at auction will pay five percent to the Donley County 4-H Club and the club will pay the auctioneers and all expense for hand bills and advertising before the sale.

Breedlove says that farmers and other persons are urged to list items they wish to put in the sale at once. They can list items at his office or at the Farmers Home Administration right next to the county agent's office. Mrs. Jane Moore in that office will take listings if the county agent is not in his office. Several items have already been listed including tractors, self propelled combine, farm garden plows and several other items. Any usable item is eligible to go into the sale. Every one is urged to hurry with their listings so that advertising can start in the near future and the sale date can be set.

Breedlove says that the money the club gets from the sale will be used to pay off the note on the 4-H Club bus and to set up an operating fund for the Donley County 4-H Club. All club funds will be handled by a club treasurer to be selected by the club members. Noon meal will be available at the fair grounds.

### Local Schools To Participate In Spring Meet Saturday

The Clarendon Schools, both high school and elementary, will take a number of students to Lefors Saturday to participate in the Interscholastic League Spring Meet. This meet consists of Story Telling, Picture Memory, Spelling, Arithmetic, Essay Writing, Declamation, Debate, Extemporaneous Speech, Poetry Reading, Typewriting, Shorthand and Slide Rule.

The Elementary and Junior High Students of Clarendon will enter the Story Telling, Spelling, Arithmetic, Essay Writing, Declamation. Names of those students are not available at this time but the results will be given in next week's Leader. High School entries are as follows: Beth Gillham and Dianne Moore will enter the shorthand contest. Alternates in this contest are Pat Spurgeon and Elaine Behrens. In the typewriting contest, each school is allowed three entries and Clarendon will send Georgia Bell Harmon, Beth Gillham and Keith Schollenberger. Number Sense (arithmetic) will be Oveta Garman and Barbara Kooztz with alternates Drubette Cook and Sarah Antrobus. In the Declamation contest there will be two divisions in high school, the senior division and the junior division. Sandra Pinkerton, although a sophomore, will participate in the senior division and Drubette Cook in the junior division. Alternates in this contest are Sarah Antrobus and Les Ellen Bell. Sharon Smith and Connie McMurtry will represent the school in spelling and Sharon Smith and Jimmy Graham will enter in the Ready Writing (Essay) contest. Alternates in this contest will be Keith Hudson and Martha Risley.

The district track meet will be held at Lefors on Thursday, April 3rd. Watch next week's Leader for detailed information.

### MISSIONARY BAPTIST CHURCH SERVICES ANNOUNCED

A series of services will be held Friday night through Sunday night at the Missionary Baptist Church with the pastor Elder John W. Reynolds of Tyler, Texas, doing the preaching.

Evening services will be at 8 p. m. and morning services will be held at 10:30 a. m. The public is invited.

Mr. and Mrs. John Norris, Linda Sue and Clara Ann of Midland were week end guests in the home of her parents, Mr. and Mrs. H. T. Burton.

### HALE - AIKIN --

(Continued from Front page)

secretary of City Planning and Zoning Commission; Vice-President, American Cancer Society, Texas Division and member of Executive Committee for 11 years. Member of League of Women Voters; National Association of Parliamentarians; Texas Garden Clubs, Inc.; Congress of Parents and Teachers; Board of Directors, Texas Safety Association. **Gubernatorial Appointments:** Advisory Committee, Texas Educational Commission and Agency; Steering Committee, Texas Education Commission; Delegate, White House Conference on Education; Steering Committee, Southern Forest Fire Prevention Conference; Texas Historical Survey Committee and Foundation; Texas Educational Television Commission; Public School Study Committee; Hale-Aikin Committee.

Mrs. Dudley averages four programs per week - Federation, Citizenship, Community Service, Book Reviews, etc. For many years she has traveled 3000 miles each month, giving programs for clubs and different organizations in Texas and other States.

All members of the County and school district Hale-Aikin Committee are requested to be present for this meeting. If each of you will invite those interested in schools, education and children, we will have a good crowd. Everyone is invited to attend. Come and prove your interest.

Senator Andy Rogers and Rep. Will Ehrlie, both of Childress, Texas, will meet with the administrators of the schools of their districts to discuss with them the problems that confront education, those to be presented at the next session of the Legislature.

All interested persons are invited to come to this meeting which will be held at the Clarendon College Auditorium, April 1, at 5 p. m.

This meeting will precede the county-wide Hale-Aikin committee meeting at 7:30.

### Dr. R. W. Bingham Awarded Fellowship

The Atomic Energy Commission has awarded a fellowship to Dr. R. W. Bingham, professor in the College of Technology at the University of Houston, to attend a summer course in nuclear technology. Dr. Bingham was among twenty-five educators selected from accredited institutes throughout the country by the American Society of Engineering Education to participate in the special course.

The course will include a lecture program at Pennsylvania State University and laboratory work at the Argonne National Laboratory in Chicago. Dr. Bingham is the son of Mrs. R. C. Bingham of this city. He is a graduate of both Clarendon High School and Clarendon Junior College.

*Uncle Zeb*

If all of us as individuals would put our shoulders to the wheel like the good folks of the Fairview Community we would soon have all of our communities on the up and coming list. Their last project that of marking all the unmarked graves in the county is one of the finest things we have heard about in a long long time. Working together, thinking together makes us all better citizens. Speaking of the Fairview community they have the words to a home-made community song that fits the old tune; "There'll Be A Hot Time In The Old Town Tonight." Now they can't find

the music to this song. If you have a copy of this old tune please send it to us and we will pass the same along to them. To the hardest working bunch of folks we know we want to say Congratulations.

The more we say, the less people remember of what we say, and the longer they remember that we never did get it said.

We hear that variety is the spice of life, but in order to get some groceries to put the spice on sometimes we have to work at something that is a bit monotonous.

Also, we have been told that a pat on the back will build our character; especially if administered when we are young enough, and low enough and often enough. Could be, I guess.

Live and let live could well be improved on by saying that we were going to live and help live.

We need help from our readers. Some time back we used all or part of a poem which was sort of similar to the song Tennessee Ernie Ford made famous; the well known 16 Tons. This poem dealt with the Farmer's plight instead of the coal miners problem. Anyway, if you have a copy of this poem please send it to us. We have a request from someone wanting a copy real soon.

Every once in awhile, we hear of someone who has been out-talked by some fancy suede shoe salesman into buying a pig in the poke. Don't do it folks, don't do it. Before you buy anything be sure that you know the quality of the product. Then, be sure the price is right. But - before you consider either of the above be sure you know and can trust the person who is selling you the bill of goods. Most every time it is best to buy from the man who has a place of business. This very fact lets you know where to find him next week and next month. If you buy anything from insurance

**TEXAS CANCER CONTROL MONTH**—Dick Simpson of Sweetwater, left, and Edwin T. Phillips of Fort Worth, right, state co-chairmen of the 1958 Texas Cancer Crusade, look on as Governor Price Daniel signs a proclamation designating April as Cancer Control Month in Texas and April 15 as Texas Cancer Control Day. Noting in his proclamation that more than 10,000 Texans died from cancer in 1957, Governor Daniel called on each citizen "to join in the Crusade to control this disease." More than 80,000 Texas volunteers for the American Cancer Society will be engaged in the educational fund-raising campaign to continue support of society's three pronged attack on cancer through education, research and service to cancer patients.

ans. "It is estimated," he said, "that there are more than 60,000 cancer cases in this State, and the number continues to grow."

Praising the present Texas Cancer Control Program now supported by the annual April educational fund-raising Crusade, Governor Daniel stated, "Remarkable advances have been made in the control of cancer, to the extent that the disease can now be arrested in one out of three cases. The American Cancer Society has played a significant role in these advances through its threefold program of education, service to the patient, and research."

Pointing up the fact that "the medical resources of our nation are centered today on developing a cure for cancer," he emphasized that with our present knowledge of the disease, "half of those who develop cancer could be saved if they would accept the personal responsibility of informing themselves of the dangers of cancer and heed the message of the American Cancer Society to have regular health checkups."

"Through the efforts of the Texas Division of the American Cancer Society," he continued, "lives are being saved—and many more will be saved in the future."

To continue support of its attack on cancer, the American Cancer Society is seeking \$30,000,000 nationally during the April Crusade to intensify its program of research, education and service to cancer patients.

The Texas Division of the Society was successful in raising over \$1,084,000 last year for Research, education and service in Texas, and anticipates that it will reach or exceed this figure through the coordinated efforts of its 80,000 volunteers in Texas this year.

tin pans be sure and check the above items and be sure, real sure to read all of the fine print; then read it over and over again. Be careful folks, be careful. So much can be given you in the big print, then all taken away in the fine print part. Take for instance a Hospitalization Policy all filled up with bad sounding fine print is sort of like buying a water bucket that is already full of holes. Take it to your hospital and ask them about it before you buy. If the salesman won't allow you to talk with your hospital and your doctor about it, then he is worse than the policy, probably. Be careful folks, be careful.

Happy Birthday Mary!

**Who gave her the party?**

Her parents, of course. And they had the help of hundreds of other people—men and women that Mary's parents don't even know.

These people helped Mother bake the cake and cook the party food. They helped freeze the ice cream, sew Mary's dress, and wash and iron it. They helped heat, light and clean the house for the party.

These busy people are the men and women who supply electric service for Mary's house. It's hard to imagine life without the electricity they provide—for everyone depends on electricity for dozens of jobs all over the house.

If you stop to count all the ways you put electricity to work, you'll be surprised. Can you think of anything else that gives so much value, day in and day out, for so little cost?

Training Course Makes Possible a New Crop of Skilled Transport Truck Drivers

COLLEGE STATION — When he meets or passes a transport truck on the highway, the average motorist immediately places a child-like confidence in the professional ability of the driver, whom he has never seen before nor is likely ever to see. The motorist somehow feels that the driver can take care of any situation which might arise in the next few seconds, and the man behind the wheel of the truck is a carefully trained professional, or he wouldn't be driving that truck.

The Engineering Extension Service of the Texas A&M College System, aware of the limitations of the average transport company to train its own driver personnel, recognized that proper training of replacement drivers was not keeping pace with the ever increasing driver demand,

and as a result, the average age of the senior driver, mainstay of the industry, was rapidly climbing to a dangerous level.

On March 10, 1958, the Engineering Extension Service began a series of four week courses, after several transportation companies had requested that an accelerated practical training course be established to train truck drivers completely and in the shortest possible time. Actual driving experience is developed on roads connecting with the Texas A&M College campus and proceeding in all directions within a 20-mile radius of the school.

Young men, with limited and in some cases no previous truck driving experience, are given personalized instruction in all phases of truck and trailer operations. They learn to handle all types of equipment and loads, and to shift complex transmissions in both ranges, up and down. By the time they have completed the course, they are familiar with the various types of axles, tandems, trailers and all accessory devices.

Little time is spent in classroom work, since the Truck Driver Training School of Texas is basically a "learn by doing" type of course. However, some related information, such as orientation; state and ICC regulations; license, weight and lease requirements; driver responsibilities; customer relations; fuels and lubricants; tire maintenance; brake systems; gas and diesel engines; preventative maintenance and first aid are taught in the classroom. In addition to regular staff instructors recruited directly from the transportation industry, specialists and fac-

GABIE BETTS BURTON  
LIBRARY NOTES

By May L. Prewitt

First National Library Week seems to be well observed in Texas. There is a daily editorial by some writer of note in each daily paper. Katherine Marshall was good, but Amy Vanderbilt was especially good with its suggestions to adults in encouraging the reading habits of their children. Bennett Cerf's "Books are Here To Stay"—appearing in the Saturday Evening Post was worth one's reading time.

Service began this series of four week courses on March 10, 1958. Other classes are scheduled to begin April 21 and June 2.

Students for the school come from all walks of life. Boys who have just graduated from high school join those returning from military service, and others with previous experience as drivers come to polish up their techniques and to familiarize themselves with the latest equipment—and the school has the very latest equipment available, supplied by principal manufacturers, including Diamond T, GMC Motor Truck Division, International Harvester Company, Mack Motor Company, Inc., Brown Express Company, Fruehauf Trailer Company, Gulf Oil Corporation, Hobbs Trailers, Lufkin Trailer Company, Magnolia Petroleum Company, The Texas Company, and others.

tory representatives are invited to point out the various features of their many products to the students.

When the field work begins, the student receives actual driving experience under careful supervision. He quickly develops basic driving skills through constant practice, then is taken into simulated traffic problems which add realism to the truck handling problems he may later encounter on the job.

The program, financed by fees charged to persons who enroll in the course, requires only that the student should be 21 years of age, have a valid drivers or operators license, and be capable of passing the physical examination required by the Interstate Commerce Commission, a mandatory procedure for securing employment with trucking companies operating under ICC regulations.

The Engineering Extension

The children and High School children are regular patrons, but our clubs who formerly helped support the Library have other projects of civic pride, as paving, etc., and we have less funds than we have ever had for the up keep. Week after week the children ask if there are any new books. We receive quite a few free gifts from publishing companies that are very helpful. Then too, the memorials keep the adult shelves well supplied.

Our two sets of encyclopedias were certainly useful to us. We are given numerous paper backs too. A number of good books are in both paper backs and hard back editions now.

There is a booklet—"The Opening Door" that is sent out by "The Hogg Foundation that is an excellent Report on State Hospitals. It is very informational and I placed it on our reading shelf.

The "Bobbsey Twins" books have been on the market for fifty-two years now. There is a new one out for this year that I have not purchased. According to the publishers "Grosset & Dunlap", approximately 100 million boys and girls have read the Bobbsey Twins and they are still quite popular. They are written by Laura Lee Hope, the daughter of the original author. In real life Miss Hope is the mother of three and a grandmother of nine grandchildren.

Of those several hundred pamphlets sent from Cokesbury last week with book suggestions

for book week, only one mother took one to see how well informed her children were in reading. She was a ranch mother who is quite busy but reads more than she uses TV. There are numerous mothers who take time each day to read to the little ones who can't read themselves.

The books issued "Library Week" were a few above the average week.

Women are not eligible for Rhodes Scholarships.

### TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

#### THE STATE OF THE ECONOMY

The ever increasing unemployment is causing deep concern in the Nation's Capitol. Everyone seems to be discussing recession and offering some cure-all for the economic ills. This is bad business for several reasons. In the first place, if we have a recession, discussion will not cure it. In the second place, hasty and ill-considered actions are not the proper approach. Scare talk and haphazard action could easily result in inflationary results that could bring on a rip-roaring depression. There is no doubt that the economy needs shoring up in several areas and particulars. Excessive spending by government or private business would undoubtedly provide temporary relief. The fact is that private business is not going to do it. Whether or not the government does it remains to be seen. The President and several of the leaders in the Congress have advocated different plans, but they all require sizeable spending. The Administration plan, which will probably be officially presented to the Congress, involves an expenditure of approximately 25 billions of dollars. It is anticipated that approximately 25 per cent of this amount would be expended in the very near future. The remaining 75 per cent would be spent over a period of approximately 5 to 6 years. About 90 per cent of the first year's expenditures would be for defense spending.

This means that additional contracts would be let making it possible for many of the industrial and manufacturing concerns to hire many employees who are now idle. This would undoubtedly be a stabilizing influence, although temporary in many areas of the midwest, the east and the Pacific Coast. It would not be of much help to the south and the southwest. Other economic fields included in the initial program of the Administration include water resources projects on which no further action is required except commencement of construction; public housing projects; and many river and harbor improvement projects which are under the general supervision of the Army Engineers. These are commonly referred to as public works projects.

Included in the over-all program of the Administration we could list the numerous projects which have been authorized but for which no appropriations have been made. Many towns throughout the country have been approved for new post offices, but there has been no general public works program wherein money has been appropriated to carry

ed that approximately 25 per cent of this amount would be expended in the very near future. The remaining 75 per cent would be spent over a period of approximately 5 to 6 years. About 90 per cent of the first year's expenditures would be for defense spending.

This means that additional contracts would be let making it possible for many of the industrial and manufacturing concerns to hire many employees who are now idle. This would undoubtedly be a stabilizing influence, although temporary in many areas of the midwest, the east and the Pacific Coast. It would not be of much help to the south and the southwest. Other economic fields included in the initial program of the Administration include water resources projects on which no further action is required except commencement of construction; public housing projects; and many river and harbor improvement projects which are under the general supervision of the Army Engineers. These are commonly referred to as public works projects.

Included in the over-all program of the Administration we could list the numerous projects which have been authorized but for which no appropriations have been made. Many towns throughout the country have been approved for new post offices, but there has been no general public works program wherein money has been appropriated to carry

out these approved locations. The President recently indicated at a press conference that well over a billion dollars should be spent for modernization of post offices. This was an indication to many people that he was going to ask for authority in this regard. I wrote the Postmaster General and asked that he document the procedure that the Department intended to pursue in carrying out the President's proposals. I received a report from the Post Office Department to the effect that they had no documented plans but were waiting to see what Congress was going to do. I was somewhat surprised at this answer because I felt sure that the Post Office Department had some plan or method of operation in mind. If they don't, it could be safely said that whatever was done under their procedure would not be of much assistance to the present economic situation because its impact would not be felt for 2 years.

Also included in the over-all proposal of the Administration could be listed the proposal to increase the authority of FHA so that 3 billion dollars a year could be channeled into home building over a period of 5 years. There is also the request of the Administration for additional lending authority on the part of the Export-Import Bank. This money is available for use in distressed areas of foreign countries. While the matter was being considered in Committee, a Texas Congressman suggested an amendment to the ef-

fect that the money could also be used for loan purposes in distressed areas in this country. The proponents of the bill to increase the lending power of the Export-Import Bank vigorously opposed this amendment although they never could come up with any reason why distressed areas in this country should be discriminated against in favor of distressed areas in foreign countries. Of course, the highway program is a part of this over-all program but it will be several years before any anti-recession impact could be felt from expenditures made under the regular highway program.

The fact is that our present economic dilemma has been building up for several years. Warnings to this effect have gone unheeded by those who were in position to have guarded against it. We can thank our lucky stars that these powers have now awakened to the facts that should have been well known to them several years ago.

### DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

Native grasslands on the W. J. Lewis and E. B. Sitter ranches have been receiving PROPER USE during the spring and summer growing seasons. Mr. Lewis, a Clarendon resident, and Mr. Sitter, rancher in the McLean community have been grazing their grasslands for PROPER USE, a grazing intensity which will maintain adequate litter for soil and plant protection and will at the same time maintain the most desirable vegetation or improve it where there has been deterioration. Both men are co-operators of the Donley Soil Conservation District.

Use of grasses will usually result in an improved quality of feed, HOWEVER, THE GROWTH REQUIREMENT OF THESE PLANTS MUST NOT BE OVERLOOKED IF THE GRASS IS TO SURVIVE. Plants that have been receiving PROPER USE will have increased vigor and forage

production. Fifty per cent use at the end of the growing season is generally considered proper grazing use and will result in maximum production. When sufficient leaf and stem growth is left throughout the growing season to insure adequate food manufacture, plants are better able to compete with others in the stand, the higher quality plants dominating.

Close grazing at any time during the growth period results in severe root growth stoppage, a phenomenon which will delay re-growth of foliage until root growth has reached 40 to 50 per cent of normal. Also, almost 50 per cent of the herbage yield and carbohydrate food accumulation occurs prior to the peak growth period.

The higher quality plants (Key Plants) and plant communities should be watched to determine the degree of use. It may be necessary to develop a system of grazing which will take advantage of the variation in maturity of the grass species present on your range.

Cattle sometime tend to overgraze parts of the range and undergraze other areas, making it difficult to obtain PROPER USE over the entire range. Better distribution of salting and watering facilities will help to alleviate this problem. The local Soil Conservation Service technicians will be glad to assist you in obtaining PROPER USE of your range.

### SALLY SAYS . . .

The average monthly social security insurance payment for a retired worker and his wife is now about \$105.

# STATE CAPITAL Highlights AND Sidelights

by Vern Sanford  
TEXAS PRESS ASSOCIATION

AUSTIN — Two supercharged issues—taxation and recession—like two strands of a high-voltage electric fence, seem to be twined through every area of Texas government.

Recession, though considered mild and temporary, is here and now. New taxation, in the light of official estimates, will be practically unavoidable next year.

Even though the recession is labeled "minor" and new state taxes the inevitable result of explosive growth, having both issues come up at the same time

makes each seem worse. New tax talk, never popular, is even less so with people feeling the chill wind of a cut in income.

Barring an unexpectedly swift upturn in the economy, the twin issues will break through the middle of next summer's political campaigns. It'll be particularly rough campaigning for those who have to get on one side or the other of the taxation fence.

Some legislative candidates are already being asked, "If there has to be a new tax, what kind will you vote for?" Some say they haven't decided what they'd vote for, but will say what they'd vote against. Others say they're making no decision until after the State Tax Study Commission completes its reports.

Latest report by the Tax Study Commission shows some of the possible directions in which Texas may have to move to get additional tax money.

It notes that: Besides Texas only two other states are without either a general sales tax, personal income tax or corporate income tax.

Texans in 1956 paid lower state and local taxes than the average for other states — \$129.50 per capita for Texas compared with \$157.50 per capita national average.

Rate of tax increase for Texas has been much faster than U. S. average. Texas rate of increase from 1953-56 was 23.4 per cent; national average, 19.4 per cent.

Commission's next report will deal with future spending needs, says Sen. William S. Fly, chairman.

**UNEMPLOYMENT UP AGAIN**  
Texas Employment Commission reports claims for unemployment compensation at a new high.

There had been a slight drop for the previous week. But latest weekly tabulations showed TEC paid out \$1,435,448, compared to \$696,464 for the same week a year ago. Number of persons filing claims was 82,576, almost double the 42,705 who filed a year ago.

Even so, most recent nationwide figures show Texas to be a highly favored area. Labor Department's Bureau of Employment Security says that Texas has the lowest rate of unemployment of insured workers of any state in the nation—3.6 per cent here compared to 7.9 per cent nationally.

**ON PLUS SIDE**  
Other business barometers tend to bolster the view that Texas' economy is weathering the squally weather well.

First 1958 reports from the Bureau of Business Research on overall business activity showed the January index up eight per cent from December, one per cent from January, 1957.

CLARENDON, TEXAS

spring call for condition of Texas banks brought reports of hefty increases in money on deposit. Some cities showed drops in bank deposits, but in general they were up with some cities setting records or near records.

BBR's report notes that "although evidence of recession is plain, the strength of the state's economy is shown by its stubborn resistance to further decline."

A small increase in building activity in early 1958 may be the forerunner of a general revival of the home building industry this year, says BBR.

On the state's No. 1 economic headache—sagging oil production—a BBR spokesman says competition of cheap foreign oil could "flatten out" Texas' growth curve. Suggested antidote: bring in other industries with strong growth potential to "fill in the gap."

**GOVERNOR TO BATTLE IMPORTS**

Gov. Price Daniel has asked Washington to reduce oil imports.

He has presented evidence gathered by the state oil imports study commission on how Texas economy is hurt by cutbacks in oil production. Governors of other oil-producing states have joined him in asking that imports be limited to the 1954 level.

Though many economists predict that the problem of foreign oil is here to stay, Texas officials hope to gain at least enough re-

## Your Opinions, Please

This is No. 2 of a series of questions asked the citizens of Texas in the Hale-Aikin statewide study of the Texas public schools. If you cannot attend the county committee meetings in person, you are invited to write your own answers, clip out this questionnaire, and send it to the Study Chairman for your County, Mr. Homer Estlack, Clarendon, Texas.

● In your opinion, would a longer period of time in school result in a better instructional program? What are your suggestions?

● What do you recommend be done by the State and the local districts to insure effective guidance for every pupil?

● What can be done at the State and district level to assure that vocational instruction is meeting the present needs?

● Are the handicapped children in your county now provided for adequately? If not, what should be done?

(This questionnaire is printed by the Leader as a public service to the Hale-Aikin Committee in Donley County).

# AMERICA'S FAVORITE FAMILY WAGON...PLYMOUTH

Plymouth carries more . . . does more . . . provides more family fun than any other wagon in the low-price 3 because it's BIGGEST IN THE LOW-PRICE 3. You can't buy bigger at any price!

Maybe you're a station wagon family right now. More Americans are each day! But do you know all the really astonishing facts about the Plymouth wagon . . . how much more it gives you than other wagons, at a low budget price?

Size alone is only part of it! The Plymouth wagon is big as wagons in the high-price field that cost \$5500 and more . . . but, in addition to extra size, this glamorous beauty offers a wagonload of other features that are exclusively Plymouth in the low-price 3!

You simply can't get 'em anywhere else in the field. And once you try them . . . learn how little the years-ahead Plymouth wagon costs . . . you'll never settle for less! Why should you? Your Plymouth dealer has the money-saving story, and he's waiting for your visit.

#### 5 big reasons why your wagon should be a Plymouth:

- 1. BIGGEST OF THE LOW-PRICE THREE:** Big as wagons costing thousands of dollars more. You can't buy bigger at any price! 122" wheelbase.
- 2. HOLDS SO MUCH MORE THAN THE "OTHER TWO":** Over 7 cu. ft. more passenger and cargo space. Extra "secret luggage" compartment in 6-passenger models.
- 3. REAR-FACING 3rd SEAT:** Folds flush into the floor; you don't have to store it outside when it's not in use. Easy to enter.
- 4. DISAPPEARING REAR WINDOW:** Rolls down into tailgate. Doesn't get in the way. Only Plymouth has it in the low-price field.
- 5. TOPSION-AIRE RIDE—AT NO EXTRA COST:** Only on Plymouth in the low-price 3. Big-car luxury. No sideways on turns or nose-dive on stops.

They don't come any bigger... *Plymouth* station wagons
