Graham And Elliott To Represent Local F.F.A. At State Convention

Doyce Graham, W. T. Elliott, and Adviser J. R. Gillham of the Clarendon F.F.A. Chapter will participate in the 28th Annual Texas F.F.A. Convention to be held at Dallas, July 25-27th. Three full days of convention work will open at 8 A. M. on the 25th and run until 5 P. M. on the 27th.

The highlight of this program for the local group will be Thursday, July 26th, when at 9:15 A. M. the local chapter will be presented its plaque as one of the top winners in the state chapter contest. Eight chapters will be presented plaques, but Clarendon, Lamesa, and Van Vleet were three highest scoring chapters in the state, each with a total rank of 98 out of a possible 100 points on the state chapter contest scorecard.

Graham and Elliott will be presented their gold Lone Star Farmer Keys, emblematic of the State Farmer Degree, at the Lone Star Farmer Banquet in the Women's Building at the State Fair grounds at 6:30 Thursday evening. W. T. and Doyce were the top Lone Star Farmers of the Greenbelt District this year and Doyce was third ranking youth in the entire membership of Area I, comprised of 96 schools from 28 counties.

They will act as voting delegates for the local group and will participate in all business meetings of the convention. The group will return following the completion of the meeting Friday afternoon.

Military Rites Held For Sgt. J. A. Scott

Military rites for Sgt. J. A. Scott, who drowned Saturday night in a lake near Killen, were conducted Tuesday afternoon at Citizens Cemetery here. Squads from the National Guard and Amarillo Air Force Base participated in the graveside service.

Sgt. Scott, 28, drowned as the result of a boating accident. He and another man were fishing when their boat overturned. Scott's body was recovered Sunday morning. His companion suffered minor injuries in the accident.

Sgt. Scott had returned from overseas duty in May. He was stationed at Ft. Hood, near Killen. Prior to his entering the armed services, Scott had been a resident of Clarendon for a number of years.

Survivors include his wife, Jean; three sons, Ricky, Donnie and Ronnie; his mother, Mrs. Velma Hodges of Clarendon; a brother, W. A. Scott of Amarillo; two sisters, Mrs. Ava Nell Sullivan and Mrs. Dortha Fowler, both of Amarillo.

Military personnel served as pallbearers.

Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

Mr. and Mrs. J. C. Estlack, and Eugene Estlack and David of Austin are spending a few days this week in Colorado.

Golf Course To Be Ready In 10 Days

According to Gerald Yeates, The Donley County Golf Club's new golf course will be ready to play on within the next 10 days. The course was laid out by Sam and Tom Hale of the Memphis Country Club and is considered by locals as a sporty lay-out. The course is located at the old golf course site at the west edge of town, southwest of the water tower.

The new club has created much interest up to the present time and it is believed that around 100 families will be members by Spring of '57.

Those who have taken out memberships to date are: Joe Bownds, Kelly Chamberlain, Pat Slavin, Basil Smith, Dr. H. R. Beck, Ben H. Williams, Geo. Estlack, Joe Goldston, John Gillham, James Gouley, Bill Greene, Hubert Heatherly, Dale Hill, Bill Todd, John Swinney, Bill Dale Hill, Luther Hall, Barney Horton, C. Huffman, Lee Bell, George Watson, W. H. Vanderburg, Lewis Foxhall, Dr. C. E. Deyhle, Ray Palmer, Maurice Hart, Alfred Estlack, Carl Bennett, Rev. C. M. Ryan, Jake Lamberth, Dick Miller, Rev. W. F. Vanderburg, R. E. Drennan, Orville Housden, Homer Estlack, Gerald Yeates, C. A. Pitts, Flip Breedlove, Bill Lowe, Cap Morris, Bill Williams, Bill Cooke III, Gary Barnhill and Sid Pointer.

Those desiring a membership can contact Ben H. Williams and he will be happy to fix you up.

Funeral Services Held Wednesday For W. O. Butler

Funeral services were held Wednesday morning at the First Baptist Church for William Oscar Butler with W. F. Vanderburg officiating.

Mr. Butler, 82, died Sunday afternoon of a heart attack at his home here. He was a retired farmer and had been a resident of Clarendon since 1911. He moved here from Royce City. He was a member of the First Baptist Church.

Survivors are four daughters, Mrs. Katy Haney of Pampa, Mrs. Nell Murphy and Mrs. Edna Harvey, both of Ingleswood, Calif., and Mrs. Virginia Draper of Phoenix, Ariz.; five sons, Erskin Butler of Clarendon, Mack Butler of Borger, Oscar, Marshall and Gene Butler, all of Tarzana, Calif.; two sisters, Mrs. Beulah Middlebrook of Shallowater and Mrs. C. Cantley of Dallas; nine grandchildren and four great-grandchildren.

Pallbearers were Dudley Wilson, Truett Behrens, R. F. Wiedman, Bob Head, Frank Lyle and Walter Lowe.

Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

Lillian Stoker of Glendale, Calif. is a guest this week in the H. R. Hensley home.

LET'S DO SOMETHING!

(An Editorial)

A group of Clarendon business and professional men (not nearly as many as there should have been) met at the Mulkey Theatre Wednesday morning to make a vital decision as to the possible future of Clarendon and its economy.

We have, what looks like, a very good possibility of bringing industry and a sizeable payroll to Clarendon. Do we need it? Well you can drive down main street and note the vacant buildings and get one answer; you can count the number of families that have left Clarendon to seek employment and get another answer; you can take a peek at the agricultural outlook which our economy is based on at present and get another answer.

A factory representative was here Tuesday to look over what Clarendon has to offer. He was favorably impressed with everything except a definite building in which to house the factory. It looks like we are going to have to build a building to get the job done and attract this payroll. We will have to raise the money to do it . . . and what we mean by "WE" is every interested business man and individual in town.

John Gillham was nominated chairman of the committee to raise the money pledges for this building. The organization will be known as the Donley County Industrial Foundation. His committee is composed of Bill Todd, Homer Estlack, W. W. Sandifer, C. A. Pitts, Ray Palmer, Flip Breedlove, Lee Bell, Ray J. Noblitt, J. D. Swift, Ben Williams, Kelly Chamberlain and Carroll Knorpp. Rex Wood, C of C manager is secretary. He has done a fine job on lining up industry to get them interested. Let's get behind him.

This job has to be done by Friday. These men will be making contacts to see if you want to take this opportunity of assuring you and your business a greater possibility of remaining here and prospering. Other towns have taken this forward step and are now prospering with one or more factories that are paying off with new money every week.

Clarendon can be included in this too if we buckle down to it. We have a wonderful place here to live and raise our families . . . but if we do not take a progressive attitude and progressive actions, we ourselves don't know where we will be or what we will be doing within a few short years.

Even though it may be a sacrifice, don't let your neighbor down. Let's set our sights on a factory in operation by early 1957. We have the opportunity and the challenge.

Dusters To Play Double-Header Here Sunday

Clarendon baseball fans can get their money's worth here Sunday afternoon as the Dusters will play a double-header with the boys from Turkey with the first game beginning at 2 p. m. at Duster Park.

The first game will be 9 innings with the Clarendon team as hosts; the second will be 7 innings with Turkey as hosts as this will be a make-up game for the one that was rained out at Turkey.

Fate Breedlove and Weldon Talley will be on the mound for the Dusters. Both have improved their record the past few games and will be doing their best to win both affairs to keep the Dusters in the running for play-off honors.

Services Wednesday For Mrs. Fowler

Funeral services were held Wednesday afternoon at the Murphy Memorial Chapel for Mrs. Ella Virginia Fowler with Rev. C. M. Ryan officiating.

Mrs. Fowler, 90, died Monday evening in the home of a daughter, Mrs. George W. Beasley, near Hedley, following a lengthy illness. She was born Feb. 17, 1866 in Mississippi. She was a member of the Methodist Church.

Survivors are two daughters, Mrs. G. W. Beasley of Hedley and Mrs. W. A. Turner of Texarkana; three sons, Floyd Britt and Luther Britt, both of Marshall, and B. A. Britt, Texarkana; two sisters, Mrs. George Bates, Monahan, and Mrs. C. D. Lipes, Sibley, La., and 18 grandchildren.

Pallbearers were Gerald Noble, J. C. Shields, J. B. McDaniel, Lacy Noble, Bill Marshall and P. M. Marshall.

Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

GOSPEL MEETING AT HEDLEY CHURCH OF CHRIST TO BEGIN JULY 29

It has been announced that a Gospel meeting will begin July 29th and continue through August 7th at the Hedley Church of Christ. Don Willingham of Oklahoma City will be the evangelist and Thurman Ellerd of Memphis will be the song leader. Services will be held twice daily at 10 A. M. and 8 P. M. The public is invited to attend any or all services.

Mr. and Mrs. Mike McCully and family and Mr. and Mrs. Shelby Bell and family are vacationing in Colorado this week.

FIFTY F. F. A. MEMBERS ATTEND JULY MEETING

Fifty members of the Clarendon F.F.A. Chapter met at the Clarendon Country Club at 4:00 p. m. Tuesday afternoon. Approximately half of the group enjoyed swimming in the club pool before the business meeting. Graham and Elliott were selected as delegates for the State Convention. The proposed summer trip was discussed and those interested in making the trip will meet on the courthouse lawn at 5 P. M. on Sunday, July 29th to complete plans for the trip.

A picnic lunch was enjoyed by the group upon completion of their business meeting.

Hedley Defeats Turkey 7 to 5

Hedley defeated Turkey last Sunday in Cap Rock League baseball game at Hedley by the score of 7 to 5. Bob Everett and Newt Secrist did the pitching for Hedley and James and Paul Hawkins were on the mound for Turkey. Hedley will play Wheeler at Hedley next Sunday.

R. E. DRENNAN NAMED LION OF THE YEAR

R. E. Drennan, Dean of Clarendon Jr. College, was named Lion of the Year by members of the local Club last week. He was chosen for this honor for his interest and work in all civic affairs and his faithful service as program chairman over a long period of time.

June Nanney of Orange, Texas is visiting her mother, Mrs. Eva Atteberry and sister, Pauline Watters for a few weeks.

Political Fever Climbing—Absentee Voting Above Normal Here

J. R. GILLHAM

J. R. Gillham, local ag teacher and promoter of anything worthwhile for Clarendon, was named chairman of a factory building, money raising campaign that is to be completed by tomorrow. We bet John and his crew gets the job done. Give him your support.

Dodgers Lead Softball League

The Dodgers remained the only undefeated team in the softball league as the teams were competing their third round of play. The Dodgers have won each of their first four games in the first five innings by being ahead of the opponents at least ten scores at that time. The Dukes fell before the Dodgers 13 to 3 and the Blackcats defeated Lelia Lake in an overtime game 21 to 19. Other games included the Fire Department's victory over the Baptist 21 to 19, Dodgers over Fire Department 19 to 8, Lakeview over Blackcats 13 to 12, Lelia Lake over Baptist 11 to 10, Lakeview over Fire Department 19 to 13.

A much larger group of beginners, juniors, and intermediates have been working this week and several games have been played within the groups. It is hoped that a schedule may be worked out for each of these groups at an early date.

The remainder of the senior league for the first round includes:

July 19—Lakeview vs Dodgers; Lelia Lake vs Dukes.

July 20—Baptist vs Dukes; Fire Department vs Black Cats.

July 23—Dukes vs Blackcats; Dodgers vs Baptist.

July 24—Open for kids; Baptist Brotherhood vs Lakeview.

July 26—Dukes vs Lakeview; Dodgers vs Lelia Lake.

July 27—Open for kids; Lelia Lake vs Fire Dept.

With the first primary election date only ten days away, political fever is rising from the local level to state politics. P. C. Messer, County Clerk, reported yesterday that absentee voting was about double the normal amount in previous years. A total of 93 had been cast by noon Wednesday with five days remaining for absentee votes. The last day is Tuesday, July 24th, so if you plan to be gone July 28th, be sure to go by the County Clerk's office and vote an absentee ballot.

In speaking of the ballot, a sample is being published in this issue of the Leader thru the courtesy of Bill Lowe, candidate for County Attorney. You can check this sample ballot over and have some idea of how you want to vote when the time comes.

In reference to the political fever, candidates in all races are going long hard hours making their final rounds. Most all local candidates are figuring on winding up their house to house campaign here this week although some are getting around for the second time. There is more talk concerning all races and various political propaganda is beginning to pop up in various sections. Campaigning will be heated this next week, so pull your hat down tight and get out and help the candidate of your choice. He will appreciate your efforts and certainly will vote on election day or your absentee vote if you plan to be away.

More Moisture But Scattered

If the county as a whole had received moisture according to the wind and lightning Monday night, we would have received a gully washer but as it was recorded, only spotted moisture fell over the area.

Ben Lofell reported 24 at Ashtola; Willard Knox reported .06 at Lelia Lake; Hedley, a trace; Mrs. Hatley reported .38 at the County Club and J. C. Ashcraft reported a quarter inch at Goldston. Brice received .75 and the area directly south and southwest of town received from an inch to two inches and this strip of good moisture extended west to south of Ashtola.

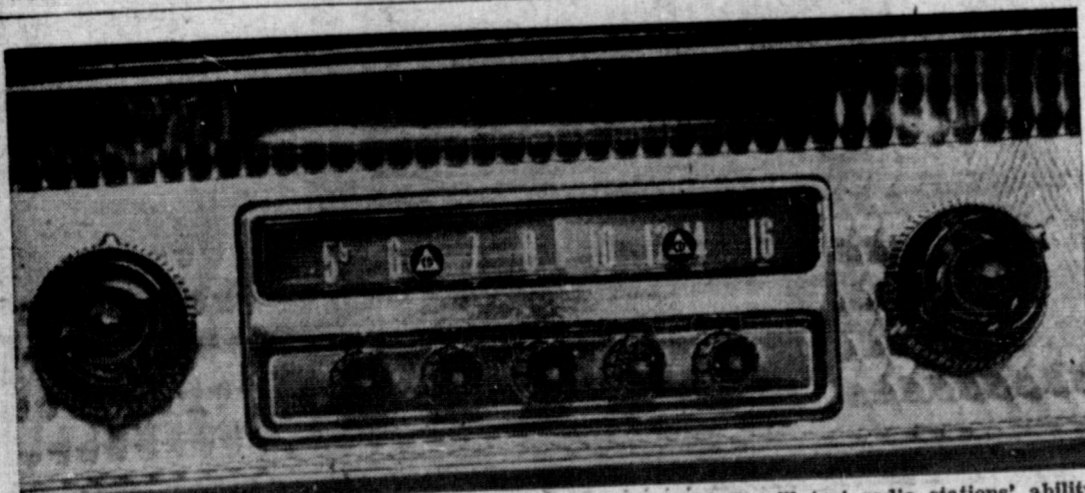

Here in town we received 25 upward. To date we have received 1.31 for the month with 10 on the 12th, trace on the 14th, .25 Monday night and a trace Tuesday. So far the mercury has soared over 100 degrees on eight days of the month with 104 being the highest on the 1st. The coolest day was 84 Tuesday the 17th; the coolest night was Tuesday night with 60; the warmest night was 78 on Monday night the 16th.

Crippled Children Get New Facilities

Five-year-old Dale Reese from Sherman, Texas, smiles his approval as a workman installs a new raised bathtub completing the \$26,500 remodeling program at the Texas Scottish Rite Hospital for Crippled Children at Dallas. Hospital President John McKee (right) announced that the needed improvements were made possible by recent grant from the Ford Foundation.

CONELRAD CAR RADIO dial, marked at 640 and 1240 kilocycles for any emergency will come in handy when all radio stations go off the air at 3:10 p.m. on July 20, and then some return to broadcast special civil defense material on these frequencies as part of Operation Alert, 1956. The 15-minute nationwide Conelrad test,

first of its kind, will test radio stations' ability to switch to the Conelrad system of broadcasting in an actual attack so that emergency instructions could be radioed to the public without guiding enemy bombers to their targets. Civil defense authorities are hoping the public will mark their radios for future emergencies. (FCDA Photo)

Civil Defense Has Key Role in Peace

Natural disasters can strike anytime, anywhere. From pioneer days to the present, neighbors have always helped each other in times of distress. But often, the power of a great hurricane, flood or tornado completely outmatched the valiant but disorganized efforts of untrained volunteers.

TODAY THE UNITED STATES has a form of disaster insurance—civil defense. Like any other insurance, it doesn't guarantee that disaster won't occur.

But by executive order, the Federal Civil Defense Administration does have the responsibility for coordinating all disaster relief efforts of the Federal Government under Public Law 875. This guarantees that the resources of the entire nation can be marshalled against nature on the rampage as required.

It's a job which requires the skills of many specialists, such as the Army Corps of Engineers, the National Guard and the American Red Cross. Trained civil defense workers in the general disaster area put their rescue, traffic control, first aid and other skills to practical use.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

FEDERAL AID TO EDUCATION

The House of Representatives has just concluded several days of heated debate on the bill that was designed to provide federal aid to education. This bill was a rather involved measure and included certain rules and regulations that were not, in my opinion, in keeping with the best democratic principles. When the bill came before the House, it did not contain any reference limiting the eligibility of any state because of the failure of the state to comply with any Supreme Court decision. However, the "Powell Amendment" was added to the bill during House debate.

This amendment simply provided that a state that did not comply with the Supreme Court decisions would not be eligible for federal funds. This had reference to the Supreme Court decisions on the question of racial segregation. One version of the "Powell Amendment" provided that the funds allocated to such a recalcitrant state should be held in escrow for a period of three years. If during this three year period the said state should abolish segregation in its schools, then it would be eligible to receive the funds.

Subsequent to the adoption of the "Powell Amendment", the "Gwinn Amendment" was offered by Congressman Gwinn of New York. This amendment would, in effect, permit each state to retain one percent of its federal income tax, which said retained funds were to be used for school purposes. This amendment was

adopted. The effect of adopting the "Gwinn Amendment" was to knock out the "Powell Amendment", because there was no limitation on the right of a state to retain the one percent of its income taxes. However, the "Powell Amendment" was again offered to another section of the bill and was adopted. Then, on the final vote on all of the amendments, the "Powell Amendment", penalizing those states practicing segregation, was adopted. The "Gwinn Amendment", permitting the retention of one percent of the federal income tax, was defeated. But, in the final analysis, all of the heated debate, all of the parliamentary maneuvering, and all of the high blood pressure went for naught, because on the final vote the entire bill was defeated. This means that there will be no federal aid to education during this Session of Congress.

Everyone agrees that every

child should be given the opportunity for an education and should be required to avail himself or herself of that opportunity to the best of his or her ability. In this country these opportunities have always been afforded by the several states. The problem of financing schools has been one of the major headaches of all communities. Greater in some and less in others. Much of the argument for the bill hinged upon the proposition that, unless federal funds were made available, many of the poorer school districts could not provide facilities, and that, therefore, many children would be denied an education. No one doubts but that there are school districts in the United States that are in tragic financial distress; but these districts can be helped, either by the state in which they are located or by the federal government, without opening the door to federal control and the ultimate contribution to more centralization of government. The federal government now provides funds for those districts in which it has taken land off the tax rolls of the school districts. It also provides aid in those districts where a federal installation has caused an increase in the school enrollment by reason of the children of federal employees being brought in to the school districts. These programs are fair and have worked well. Similar programs can be worked out to aid and assist the less fortunate school districts throughout this land. The right of a child to an education should not be measured on a dollars and cents basis. However, it must be remembered that the concentra-

tion of power in a centralized government can provide the authority in that central agency which could be used to tamper with the thought processes of those to be educated. This is a possibility that should be guarded against with great vigilance, because once the power to exercise thought control is vested in any one central power, a price far greater than the value of dollars and cents can be exacted from the populace.

AUGUST WEDDING DATE REVEALED

An early morning breakfast announcing the approaching marriage of Miss Ruth Ann King, daughter of Mr. and Mrs. R. Y. King to Broadus Spivey, son of Mr. and Mrs. C. C. Spivey of Ashtola was held in the home of Mrs. Dick Shelton on Wednesday morning, July 18, 1956.

The event will be in the First Methodist Church on August 1, 1956 at 7 o'clock in the evening, Clarendon, Texas.

The bride-elect's chosen colors of blue and white were noted in the floral decorations throughout the party rooms.

In the dining room, the table was laid in a white Italian hem-stitched luncheon cloth, drawn in blue, centered with a floral arrangement of blue and white daisies. Arrangements of white carnations tied with blue streamers representing miniature nosegays were extended from the center-piece in a fan-shaped effect. White napkins engraved in blue with Ruth Ann and Broadus announced the coming event.

Hand-sketched place cards representing each one's vocation or avocation, marked attractively arranged quartet tables set with the bride-elect's chosen colors.

The menu of fruit cups, dried ham, hot biscuits, butter, jelly and coffee was served to the following feminine guests:

Miss Rebecca King, sister of the bride-elect, who will be maid of honor, Miss Vanetta McClellan, who will be a bridesmaid, Miss Mantie Graves, who will be organist, Mrs. Ray Moore, who will be soloist, Mrs. Robert Olin Bain, Mrs. Jack Eads and the hostess, Mrs. Dick Shelton.

Mr. and Mrs. W. B. Ayers were Amarillo visitors Monday.

ANNOUNCEMENT

Idalou, July 14—Mr. and Mrs. Ben S. Vincent have announced the engagement of their daughter, Pat, to Tommy Lane, son of Mr. and Mrs. C. W. Lane of Clarendon.

Date for the wedding has not been set.

Miss Vincent, a graduate of Idalou High School, will be a sophomore student at Clarendon Junior College. Lane graduated from Clarendon High School and will enter the college in the fall.

ANNOUNCEMENT

Mr. and Mrs. Lee Bell announce the engagement and approaching marriage of their niece, Miss Carol Sue McAbee, to Acie James Cleaton. Vows will be exchanged Sunday, September 9th at 8 o'clock in the First Presbyterian Church in Clarendon. Parents of the bridegroom-to-be are Mr. and Mrs. Morgan Cleaton of Hollis, Oklahoma.

HARMONY CLASS

The Harmony Class of the Methodist Church enjoyed an early morning breakfast in the fellowship hall of the church Thursday at 7:30. Hostesses were Mesdames Allensworth & Thornberry.

The tables were decorated with yard flowers; soft music played during breakfast hour.

A short business session was conducted by class vice president Mrs. C. B. Morris.

Devotional given by Mrs. Lowry — "Spending Tomorrow's Economy Today."

Hymns — "Amazing Grace," "Bless This House" and "The Lord's Prayer" were played using the latter as our benediction, with 22 members present and one guest, Mrs. Blanton, mother of Mrs. Frank White Jr. —Reporter

MRS. JACK MATTHEWS

McAnear - Matthews

Miss Jeanie McAnear, daughter of Mr. and Mrs. J. G. McAnear, Clarendon, Texas, became the bride of Jack Matthews, son of Mr. and Mrs. R. N. Matthews of Canadian, Texas, in a single ring ceremony read in the First Methodist Church at Hollis, Oklahoma, Friday evening, July 13. Rev. Clarence Ball, pastor, officiated.

The bride was lovely in a navy blue dress with white trim and complemented by white accessories. She carried a white Bible topped with a bouquet of white carnations and showered with white satin streamers tied with love knots.

Miss Carol McAbee, Clarendon, Texas, was maid of honor. She wore a dress of orchid organdy with white accessories and a cor-

sage of white carnations. Jay Mathis of Hollis, Oklahoma was best man.

After a short wedding trip to Ludrig, Oklahoma the couple will be at home at Canadian until September when they will both enter school at Canyon. Mrs. Matthews has attended the Clarendon Schools and will be a member of the senior class at Canyon. Mr. Matthews graduated from Canadian High School and Clarendon Junior College. He will attend WTSC this fall.

HUDGINS CLUB

Roxie Cosper and daughter Jeanette were hostesses to the Club on last Tuesday afternoon. One quilt was quilted.

Members present were: Mesdames Dennis Lindley, Roberta and Tommy, Henry Parker, Geo. Self, John Perdue, Price Webb, Alton Webb, and Lacy Noble and Janie Sue.

Next meeting will be on Tuesday afternoon July 24th at Mrs. Lacy Noble's. —Reporter.

ENJOY FISHING TRIP

Mr. and Mrs. W. B. Ayers have returned home from a fishing trip to Monroe, La. They reported a fine catch and big fish fry. Their trip of around 2,000 miles included a visit with her sister, Mr. and Mrs. Brooks at Lawton, Okla., Jeanette Stogner at Denton and her daughter and family, Mr. and Mrs. V. E. Howard joined them at Greenville for the fishing trip. On the return they visited another daughter, Mrs. R. L. Nolen at Bryan, Texas.

KIL KARE KNEEDLE KLUB

Mrs. Cap Lane was hostess Thursday afternoon, July 13, to the Kil Kare Klub. The entertaining rooms were decorated with lovely bouquets of summer flowers. Sewing and visiting furnished the program.

The hostess, Mrs. Lane, served delicious refreshments of angel food cake, pineapple sherbet, and candy to guests: Mesdames Crockett Taylor, Clyde Butler, and Miss Patti Lane; and to members Mesdames J. R. Bartlett, G. C. Heath, Homer Mulkey, R. O. Thomas, and Misses Ida and Etta Harried. —Reporter.

Mr. and Mrs. Herman Cross and Annette had as weekend visitors, her parents, Mr. and Mrs. E. F. Lemons of Memphis. Annette returned home with them for a few days visit.

Mrs. Ida Couch received word last week that her niece, Ruby Helms of Plains, Texas, was killed in a car accident July 2nd.

ENTERTAINS WITH SUPPER

Mrs. L. E. Yankie and Miss Mantie Graves were hostesses at a supper in the Graves home Friday evening, July 13, honoring Misses Rebecca and Ruth Ann King, and Harold Clampitt who will be leaving for school this fall.

Eating and visiting provided the program for the evening. Attending were Misses Ruth Ann and Rebecca King, Eva Lee Farr, Vanetta McClellan, Harold Clampitt, Broadus Spivey, Frank White III, Don Thornberry, Rev. and Mrs. C. M. Ryan, Mr. and Mrs. R. Y. King, Mr. and Mrs. H. M. Breedlove, and the hostesses Mrs. Yankie and Miss Graves.

Warning Signals

The Leader has had several requests for a repeat publication of the warning signals of the fire siren. One blast is for grass fires or fire beyond city limits; two blasts is for Storm Warning; three blasts is for residential or business fire and four blasts is for high water. To avoid confusion in the future, clip this article and put it in a place where it can be easily found.

Texans Buying More And Better Food

AUSTIN—About 25 per cent of Texans' "disposable income" is spent for food, and more than three-quarters of that amount goes for canned and packaged foods, the University of Texas Bureau of Business Research reports.

Miss Anne K. Schuler, Bureau research associate, surveys "Food Processing in Texas" in the current issue of Texas Business Review.

The writer notes a rising demand for better and more varied food.

"The sprawling food processing industry of Texas is offering a partial answer to this demand in the form of rice, citrus and truck crops from the Rio Grande Valley and the Gulf coastal area; meat grain and dairy products from farms and ranches in northern, eastern and western Texas; and, for good measure, seafood from the warm waters of the Gulf of Mexico," she points out.

Miss Schuler's study includes frozen and preprocessed food, canned goods, bottled drinks, meat packing and food packaging.

"Packaging has played a large part in selling Texas-grown food to the Texas housewife," she points out. "This has led to the development of a large container industry in the state, including the use of polyethylene film."

Film bags for carrots, radishes,

turnips, Brussel sprouts and broccoli have proved so popular that 250 million were used in 1955.

Boy Scouts Offered 1956 Bicycle Tour

For the third year the Adobe Walls council, Boy Scouts of America, is offering to the Scouts of this Council the tough and exciting Council Bicycle Tour. Some 50 to 60 Scouts from all over the 15 County Area will participate in the Bike Tour. In order to take part in the Tour, a Scout must have spent a week at the Council Summer Camp located 15 miles Northeast of Canadian, Texas. Also a Scout must prove himself to be an above average Scout, physically and spiritually able to complete the Tour. The Tour itself consists of six days riding over a 230 mile course beginning in Guymon, Okla., and ending in Memphis, Texas. Everything the Scout will use will be carried on his bike.

The Tour will begin Sunday afternoon July 15 with an organizational meeting in the Court-house park in Guymon, Okla., and will officially begin with breakfast on Monday, July 16.

After breakfast the Tour will start for Spearman, Texas guided by Sheriff's Department cars as it

will be through out the Tour. Tuesday the Tour will journey to Borger, Wednesday to Panhandle and Thursday to Clarendon. Friday will see the last leg of the Tour on its way to Memphis. Saturday morning the Patches for the Tour will be passed out on the Courthouse Lawn in Memphis and the Tour will dismiss by 10:00 P. M. Saturday the 21st. Along the route such things as swims, shows, and food galore will be enjoyed by the boys.

Bicycles for the Tour Leaders are being furnished by Weldon Warren, Manager of Whites Auto Stores, Borger.

Leaders for the Tour will be Bill Eller, Adobe Walls Council District Executive for the Southern District, Harold Smith, Assistant Scoutmaster Troop No. 1 Panhandle, Bill Odell of Borger, and Tommy Strawn of Pampa.

FARM NEWS

from the County ASC Committee

1957 WHEAT MARKETING QUOTA REFERENDUM Wheat Rates Announced Under Price Support, Soil Bank:

Wheat price supports have recently been announced at an average of \$2 a bushel for 1957 production, to be available for those who comply with farm allotments in all commercial wheat States if marketing quotas are approved in the July 20 referendum, the Chairman of the State Agricultural Stabilization and Conservation Committee has stated.

This announcement was followed, on July 6, by an announcement of the "unit" rate for determining payments under the wheat Acreage Reserve of the Soil Bank in 1957. This unit rate has been set at 60 percent of the national average price-support level.

The actual payments which farmers may earn for taking part in the 1957 wheat Acreage Reserve will be determined by multiplying the base unit rate for the local county by a yield figure which will be established for the farm by the County ASC Committee.

If quotas are approved by at least two-thirds of the farmers voting in the July 20 referendum the wheat unit rate under the Soil Bank's Acreage Reserve in 1957 will be 60 percent of the \$2 national average, or \$1.20 a bushel, as an approximate national average, with the usual differentials for local areas.

If quotas are disapproved by more than one-third of the growers voting in the referendum, price support on the 1957 wheat crop will drop to 50 percent of parity, as directed by law; in that case, the wheat unit rate under the Soil Bank Acreage Reserve would be 60 percent of the price-support level then in effect.

The comparable price-support level for 1956-crop wheat is also at \$2 a bushel and the unit rate for determining Acreage Reserve payments is at a national average of \$1.20 a bushel. Therefore, both the price-support figure and the Acreage Reserve unit rate are being continued for 1957 at the levels in effect for this year's production.

NATIONAL FARM SAFETY WEEK—July 22-28, 1956
The President has proclaimed

July 22-28 as National Farm Safety Week and urgently requests all farm workers and those who reside on farms to adopt safe practices that will make every day safety day on the farm.

Take Time To Take Care—

Banish fatigue and tension of routine living. Realize that haste makes waste. Plan to avoid an over-crowded schedule. Check up on farm and home hazards and eliminate unsafe conditions around your farm.

Virginia Scouts Visit Here

A bus load of Explorer Scouts from Virginia stopped over in Clarendon Monday night at which time eight of the group visited with their former leader, Clyde Price Jr. These eight were from Tapahannock, Va., where Clyde was stationed in the service. He joined the group here and went on to Philmont Scout Ranch near Cimarron, N. M., where the group will stay until July 30th. R. B. Geddis, scoutmaster that Clyde was working under was with the group also.

There were twenty-nine Scouts and 4 leaders in the group that spent the night here and were rained out at the City Park. They finished the night in the school gym. After arriving here Monday afternoon the boys were

treated to a swim at the Country Club by Cap Morris and were treated to a free movie at the Mulkey Theatre by Lee Bell.

County Agent Urges Strict Vigilance For Cotton Insects

County Agent H. M. Breedlove warns farmers to be on the lookout for cotton insects. The time is here when cotton fields should be inspected at regular intervals by farmers. This is especially true in irrigated cotton says the county agent.

When insects are found in the field be sure to contact Breedlove and he will look over the field with you or recommend the poison to use. All types of poisons can be obtained from local dealers here in Clarendon.

Some farmers have reported a few leaf worms but in small areas and the ones at this time of year are known as garden web worms. They can easily be controlled with toxaphene, or 2-1 mix or a 3-5-40 dust.

Now is the time to keep a sharp eye on the cotton fields and if insects do appear, get the poison on the cotton before they have a chance to spread.

Leon Davis BUICK CO. IH
212 SULLY ST. TEL. 174 "BEST DEALS IN TEXAS"

Every so often our memory goes back to our recent trip and to some incident along the way.

For instance, Oklahoma is known as the Sooner State as all of you well know. We wondered why and asked someone and they didn't rightly know. With our big fat mouth we suggested that it might have been because the early settlers would have Sooner been in Texas. We didn't get a laugh out of this what we thought was a good joke, and for a minute we thought we might get a good talking to. Seriously, we don't want to seem ignorant but will some of you send us an explanation of why this nickname for this

grand state. How about it Mrs. Brant from Owasso?

Grover Forbes tells us something about the huckleberries and why the price is so high. It seems that they are a small fruit, the berries being about the size of an English pea and not usually very many on one bush. Lots of times only about a teaspoonful can be picked off of one little bush. No wonder the jelly comes so high, and now we doubt that we ever will receive a free sample from any of our friends along the way. Thanks Grover for Smartening us up on this subject.

Every once in awhile someone asks us for our experience in quitting smoking. They tell us that the doctor has advised it but seemingly it just can't be done without a complete upsetting of their nervous system. We only know this that if weak stumbling feeble Me can do it anyone in the world can do the same. We nearly broke over several times. It's no easy matter, but it can be done. We only suggest these following things: Make up your mind definitely. Don't give up. Believe in yourself that you can lick anything much less a little piece of paper and a bit of tobacco leaves. If you do these three things, you can lick the habit. We know from experience. We smoked 3 and 4 packs per day.

The following poem is we think pretty wonderful and although we remember reading it before we can't for the life of us remember the author. Will someone write and tell us??? It was sent in by one of our friends and a reader of Southwestern Crop & Stock from way out in Albuquerque, New Mexico. His name is W. C. "Dad" Evans and this is his favorite poem and he wanted us to all have it for our Scrap Books. Thanks Dad, and tell Ma, "Hello". If you remember "Ma" she is the sixty Odd year old Gal that just a few years ago when she was about 64 made a 6400 mile trip

around the country in her car by her lonesome, and we told about it in Crop & Stock. Here goes the Poem—

THE SECRET
I met God in the morning
When my day was at its best,
And His presence came like sunrise,
Like a glory in my breast.
All day long the Presence lingered,
All day long He stayed with me,
As we sailed in perfect calmness
O'er a very troubled sea.
Other ships were blown and battered,
Other ships were sore distressed,
But the winds that seemed to drive them
Brought to us a peace and rest.

Then I thought of other mornings
With a keen remorse of mind,
When I too had loosed the moorings,
With the Presence left behind.
So I think I know the secret,
Learned from many a troubled way;
You must seek God in the morning

If you want Him through the day.
I know anyone who could put together the above beautiful and wonderful thoughts would do so for the good that it would bring to some fellowman. Add this great poem to your collection and you

can add the author's name when we find out his identity.

There are seven stars in the Big Dipper.

Chevy beats own Pikes Peak record . . . and tops all rivals including cars in every price range!

Chevrolet takes first, second and four of the top six places! Beats its own stock car record by a full minute and 16 seconds!

Running against the hottest competition in the land, Chevrolet won the Pikes Peak climb.

This is unquestionable proof of Chevrolet's supreme roadability—the accuracy of Ball-Race steering, the solidity of outrigger rear springs, the traction of balanced weight distribution.

There is no greater test of a car's road safety qualities than the Pikes Peak climb. Try it yourself, in the car that's won the "crown" twice in a row!

Last fall, Chevrolet broke the Pikes Peak record in a history-making pre-production test.

Ever see an electric day bed?

You will soon. The first one is already on the market.

One minute it's a sofa. Then press a button and it unfolds into a bed—automatically. Press the button again and it folds back into a sofa.

This is just one of many new ways that electricity will be working for you in the years to come. Electricity will heat your home in winter, cool it in summer . . . cook your food in seconds instead of hours . . . open your garage doors at the approach of your car.

You'll need plenty of power for this new electric age—and it will be waiting when you want it. Independent electric companies like this one build ahead of your needs so you will have plenty of electricity always!

GABIE BETTS BURTON LIBRARY NOTES
By May L. Prewitt

This has been the busiest summer we have ever had at the Library. The public in general cannot realize what the Library means to the school age group, and there are numerous mothers who read to their pre-school children. It is fascinating to see mother and child select books together for the child's reading hour. The majority of these mothers are here temporarily but not all of them. The transient families here read from the Library. Some of these families are very cultured. It is unfortunate they are here for a few months only. There is one small Latin-American girl who has such

charming manners. She comes for material once per week.

Some excellent memorial books arrived this week: "The Hopis: Portrait of a Desert People" by Walter Collins O'Kane and "The Comanches, Lords of the South Plains" by Ernest Wallace, & E. Adamson Hoechel were books given in memory of Mr. Charles

Bugbee. They are excellent reading. The Hopis is beautifully illustrated in colored plates, the other has numerous portrait in the gray tones.

A gift book from Harry D. Payne of Houston, is "Pathfinders of Texas 1836-1846." Numerous short biographies and factual material from authentic records

of Nueces County. The writer organized the Mothers Congress, which later led to the Parent-Teacher Association, so states the book. She lived in Louisiana, Missouri and Corpus Christi, Texas. She died in 1953 and while Corpus is in another part of our state, you will likely enjoy the

book. We have several primary gift books to catalogue and make ready for the little people.

So many of our books are badly in need of mending as they are constantly in use.

ARE YOU SATISFIED?
The State Of Texas Has Been Shocked
By Two Great Scandals In Two Years

1. THE VETERANS LAND SCANDAL!

- Was there graft and corruption in the Veterans Land board and its administration of this program?
- Did the House of Representatives investigating committee actually expose or secure evidence of criminal intent during its expensive investigation?
- How much of your taxpayers' money has been recovered? Did the investigation uncover anything or merely "white wash" many who might have been involved?
- Are you satisfied that ALL of the corruption has been uncovered?

2. THE INSURANCE SCANDAL!

- Did the people of Texas lose millions of dollars due to faulty insurance companies and poor insurance regulations?
- How many convictions have been obtained as a result of this fraud of our Texas people? Why? Your present legislators passed 17 new insurance laws but FAILED to ESTABLISH PENALTIES FOR VIOLATIONS UNDER THE LAW! 121 Insurance companies have been put out of business but they can't be prosecuted because your "special interest" legislature did not put penalties in the laws.
- Has your legislature provided adequate protection for you, The Texas taxpayer, against corrupt officeholders and unscrupulous lobbyists?

Are You Satisfied With Your Texas Government?
NO! THEN IT'S TIME IN TEXAS

—the ONLY candidate who is out spoken against "special interests" and graft and corruption.
—the ONLY candidate who has advocated strict laws regulating and restricting lobbyists in Austin.
—"I will appreciate your vote and support on July 28th."
—Will Ehrle

—the ONLY candidate who is a VETERAN member of American Legion and Veterans of Foreign Wars.
—taxpayer, property owner, college graduate — experience in farming and business — church member — native of Childress County.

DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

The regular monthly meeting of the Donley Soil Conservation District Board of Supervisors was held last Thursday afternoon, July 12th, in the conference room of the Agriculture Building. Unless otherwise agreed on these meetings are held regularly the

second Thursday of each month at 1:30 P. M. Anyone interested in meeting with the Board on any phase of soil conservation is welcome to do so.

Those present were: J. R. Porter, Chairman of the Board; W. P. Doherty, Vice-Chairman; C. B. Morris, Secretary; T. C. D'Spain, Supervisor; H. M. Breedlove, County Agent; Jack Gray, Bookkeeper for the Board; Jay Gould, Work Unit Conservationist for the local Soil Conservation Service Office; and Mr. Armstrong, a visitor from the State Board of

Supervisors.

Items and business discussed were as follows:

1. Minutes of previous meeting read and approved.
2. Bills allowed and ordered paid.
3. Talk by Mr. Armstrong on Goodyear contest.
4. Discussion of raising the money needed to pay the expenses of Troy Harrison to the Range Camp to be held in August near Junction, Texas for 30 selected 4H and FFA boys. This camp is designed to teach the principals of range management, and is sponsored by the Texas Section of the American Society of Range Management. The Board had selected Troy to send at a previous meeting, and had voted to pay the \$25.00 fee and to raise the necessary expense money. Half of the needed amount was donated by those present at the meeting. It is planned that Troy will give a report of the camp to the Hedley and Clarendon Lions Clubs after

his return.

5. Breedlove, Morris, and Gould were appointed as a committee of three to work up a proposed conservation tour to be held in September. The proposed tour will be presented to the Board at the August meeting for consideration and action.

6. Discussion of who is most eligible to receive the Lions Club plaque for the outstanding Conservation farmer in the District. The Board was requested by the Lions Club to make a recommendation as to who should receive the Plaque. Two farmers and one rancher were considered by the board, but no final decision was reached. Action was taken to arrange for a committee to make the selection.

7. Purchase or lease of two additional row seeders for seeding cover crops in cotton in the fall was proposed. With normal fall rains, a heavy increase in the seeding of fall cover crops is anticipated, and because the optimum seeding period is brief, it is felt that the two seeders now owned by the District will not be sufficient to meet the need.

8. The motion was passed stating that the discussion of SCS personnel changes concerning the District by the Area Conservationist, or his designee, prior to

action being taken, would be sufficient and that the State Office of the SCS need not confirm such action by letter as they have done in the past.

9. The Board agreed that the location of the headquarters of a farm or ranch unit partly in this District and partly in another would determine which District would be responsible for writing and servicing the District Agreement with that unit. The Agreement would be with the District in which the headquarters is located.

10. Next regular meeting was set ahead one week to August 2, 1956.

11. Meeting formally adjourned, but was followed by a discussion on Sorghum alum by Mr. Armstrong who had seen it growing earlier in the day near Wellington. He thinks its prospects as a combination grazing and silage grass are exceptional. Judge Porter has a small plot on his place.

* "Yes... I Picked It Up in the City"

* a useful phrase for impressing neighbors with the way we get around

**but
it comes
high**

FOR some strange reason, a lot of us are inclined to take more pride in some article that we have bought in a Big City Store than we do in an identical item bought at home.

PERHAPS a shirt or a hat, for example, bought in the City, becomes a sort of souvenir of our travels — a reminder of a pleasant break in the routine of life — instead of just another garment.

QUESTION IS . . . how high can we pay to indulge this little human quirk?

A DOLLAR SPENT away from home is a dollar less business in our community. Hundreds of thousands of these dollars ARE being spent that way every year by folks who live here. THAT MUCH MORE MONEY circulated in our community would supercharge its vitality.

CAN WE AFFORD to pass up the extra values that home-spent dollars give us in better schools, more jobs for more people, more prosperous businesses able to do a better job of serving our urgent daily needs?

ISN'T THE PRICE TOO HIGH . . . this whittling away at our own community's economic life . . . isn't this too much to pay for a few relics of our travels to the City?
