## Motorcycle Motorcade To Be Here Sunday

According to Fletcher Curry, a Motorcycle Motorcade, will visit Clarendon Sunday, March 31st and will use the Donley Hotel as headquarters throughout the day.

The motorcade will be comprised of motorcyclists from all over the Panhandle area. The group will leave Amarillo Sunday morning on a cross-country run which will test their skill, efficiency and endurance. They will travel through ranch and open country from Amarillo to Clarendon. They will travel the RO ranch and will be served a chuck wagon dinner here by Ruby Bromley. Following the dinner, they will take in the roughs of the JA ranch.

The motorcade will be concluded Sunday night with a banquet at the Donley Hotel at which time trophies will be awarded for the various phases of the event.

## STOP! You May Get A Ticket

The City is finishing up getting the new stop signs in this week and local officials will begin giving tickets to violators as of today, was the report from city officials. "We are not angry at anyone and these stop signs have not been put in to inconvenience anyone but we are only trying to cut down on accidents and perhaps save lives, one of which may be your own," stated Mayor H. T. Burton.

The fine for the first offense will be \$2 and this amount will increase with each violation. The Mayor pointed out that all law enforcement departments will be on the job to issue tickets. This includes the City Marshall, Sheriff's department and the Highway Patrol.

## County Spelling Bee Champion Named

Gaytha Airington, 13 year old daughter of Mr. and Mrs. T. E. Airington of Goodnight, is the new spelling bee champion in Donley County and will be our representative at the Globe-News Bee to be held in Amarillo April 27th.

Other finalists in the county contest were Clita Koontz, Karen Knorpp, Sammy Jacobs, Clayton Ferris, Sarah Antrobus and Wilma Mann.

Billy Hearn, age 12, son of Mr. and Mrs. C. C. Hearn, was the Junior champion and will offer plenty competition when he moves into the county division.

## Location Picked On Lazy RG Ranch For Wildcat Well

From what we can learn, which is very meager at the present time, a location has been picked for another wildcat well to be drilled by Crude Oil Co. of Houston on the Lazy RG ranch southeast of Clarendon. We understand that a road is being cut to the location at present so machinery can be moved in. The location is said to be about one and a half miles southeast of the old headquarters.

LT. (j.g.) GUY ALDEN WRIGHT

## Memorial Services To Be Held Sunday

Guy Alden Wright, Lieutenant, Junior Grade, US Navy, age 22 years, son of Mr. and Mrs. Guy Wright of Memphis, Texas, was killed in the crash of his F4U Navy Jet Fighter, while on a routine flight coordinating radar tracings with two destroyers, in the waters of the territory of Oahu, Hawaii, on March 18, 1957.

Lt. Wright was born in Clarendon, Texas on May 8, 1934. He attended Clarendon Public Schools, graduating in 1951. He graduated from Clarendon Junior College in 1953. He had the Globe-News Agency in Clarendon for two years, and was employed by George's Cleaners here for two years. He went through the Boy Scout Program in Clarendon and was a member of the First Presbyterian Church.

He entered Naval Aviation Training at Pensacola, Fla. on March 19, 1954 and received his wings and was commissioned an Ensign at Beeville, Texas on September 29, 1956. He received his commission as Lieutenant J. G. in September of 1956 in Hawaii. He was scheduled to enter the Regular Navy in March of 1957. He was stationed at Barbers Point, Honolulu, Hawaii, with the VU One Squadron.

Surviving are his parents, Mr. and Mrs. Guy Wright, of Memphis; two sisters, Frances and Priscilla Wright of Memphis; one brother, Charles Perry Wright of Memphis; and his grandfather, Mr. Perry Alden of Rogers, Arkansas.

Memorial Services for Lt. Wright will be held in the First Presbyterian Church, Clarendon on Sunday, March 31, 1957 at 2:30 P. M. with Rev. Paul D. Wright, Pastor, officiating, assisted by Rev. F. E. King of Memphis. Lt. Wright's body was not recovered at sea.

Arrangements are under direction of Murphy Funeral Home, Clarendon.

In lieu of flowers the family requests that donations be sent to the Guy Alden Wright Memorial Fund in care of the First Presbyterian Church, Clarendon, Texas.

## Two Irrigation Schools In Donley County April 3 & 4th

County Agent H. M. Breedlove is reminding all irrigation farmers the next week—April 3-4th—will be two irrigation schools in Donley County. The first school will be held at Hedley on April 3rd at the Lions Club Hall and will start at 1:30 in the afternoon. The second school will be held in Clarendon April 4th at the District Court room and will start at 1:30 in the afternoon.

Mr. R. V. Thurmond, irrigation specialist of the Texas A&M College Extension Service will be on hand to make the talk and hold a sprinkler irrigation demonstration. Breedlove is urging all farmers and others interested in irrigation to attend one of these meetings. This information might save you some trouble in your irrigation plan later on in the year.

## March Moisture Totals 1.87

According to our official weather observer, we have received a total of 1.87 inches of moisture so far this month with a possibility of more before the week is over.

On the 21st we received .30 inch; .07 on the 23rd and .14 on the 24th. Ashtola has received 1.16 during the period; Country Club 1.05; Lelia Lake 1.36; Hedley 1.55.

The total moisture for March 1956 was .02 and the total for first three months of 1956 was only .47 compared with our present 1.87 for March and 3.31 for the year.

## Funeral Services Held Wednesday For J. F. McAllister

Funeral services were held Wednesday morning at the Murphy Memorial Chapel for Johnnie Franklin McAllister with Rev. C. M. Ryan officiating.

McAllister, age 23, was killed 20 miles south of Dumas March 23rd when his car missed a bridge and went into a creek.

He had been working on a construction job in Texline and was on his way to Texline for clothes left there. Highway patrolmen said he was apparently blinded by the snowstorm and didn't see the bridge. The accident was discovered by a passing motorist about 11 a. m. Saturday.

He had been a resident of Donley County 12 years and was educated in the local schools.

Survivors are his wife, Sue, one son Gary, his parents, Mr. and Mrs. John Millard McAllister, all of Clarendon; three sisters, Mrs. Cleo Andrews, Okla. City; Mrs. Jesse West, Holland; Mrs. W. M. Dyson, Odessa; one grandmother, Mrs. S. E. Towery, Kirkland.

Pallbearers were Buddy Bobbitt, Royce Moffett, Wesley Farr, Billy Hill, Mike Smith and Sam McAnear.

Interment was in Citizens Cemetery with the Murphy Funeral Home in charge of funeral arrangements.

## Joan Crawford Selected On All-American Team

Miss Joan Crawford, steller forward for the Clarendon Junior College Comets for the past two years, was named to the All-American girls basketball team in St. Joseph, Missouri, at the end of the National Tournament last Friday night. Miss Crawford was named principally on her outstanding job of defense and rebounding in the two games that the Comets played in the tournament. She has also been one of the most consistent scorers on the Comet's team during the past two seasons.

Joan is a sophomore student at the college this year. She comes from Van Buren, Arkansas, where she was selected on the All-State for three years. Joan has a great competitive spirit and never admits defeat until the final horn is sounded. She should be congratulated for gaining this high honor.

## BAKE SALE SATURDAY

## SUFFERS HEART ATTACK

G. W. Bradshaw, local Borden distributor, suffered a heart attack Monday morning and is receiving care at Adair Hospital. At last report he was doing as well as can be expected. His many friends wish him a speedy recovery.

## Spring Blizzard Described As One of The Roughest

### Services Held Wed. For W. M. Parker

Funeral services were held Wednesday afternoon at the Hedley Baptist Church for W. M. Parker with Rev. J. S. Tipton, Rev. Lanham Campbell and Rev. Melvin R. Mathes officiating.

Mr. Parker, 75, died at his home in Hedley following a long illness. He had been a resident of the county a long number of years.

Survivors include his wife; four sons, J. P. of Memphis, Walter M. of Los Angeles, Horace E. of Long Beach, Calif., and Marion Lee Parker of Portland, Ore.; four daughters, Mrs. Henry Wilson of Ashtola, Mrs. James Sprague of Aberdeen, Ore., Mrs. Lilly Weston and Mrs. Herman Labisha; seven step-children; a brother, R. F. Parker, Grand Prairie; two sisters, Mrs. Viola Lambert of Alba, Mrs. Annie Prather, Tarosce, Calif.; 21 grandchildren and 25 great-grandchildren.

Burial was in Rowe Cemetery with Spicer Funeral Home in charge of arrangements.

## Five Entered In School Trustee Election

The number of candidates seeking election to the Clarendon Consolidated Independent School District Board of Education has increased to five in number during the past week. The latest are Mr. Sidney Stewart, Mr. Billy Jack Land, and Mr. B. L. "Mutt" Graham. These three names were filed Monday afternoon by separate petitions.

The other two candidates are Mr. A. R. Henson and Mr. L. L. Wallace. Mr. Henson, a present board member, is seeking his first elected term of office as he was appointed to the board two years ago to fill an unexpired term. Mr. Wallace's name came in by petition last week.

Two trustees will be elected to the board Saturday, April 6th. The election will be held at the local school tax office.

If anyone will be out of town on the day of the election, they may cast their vote by absentee. Ballots for this purpose will be deposited with the local county clerk and voting may be continued through the 2nd day of April by absentee.

## Bulldogs Gain High Honors

Boyd White, high scoring Bulldog forward, was named to the All-State Junior College Team recently at the Junior College Athletic headquarters at Texas A&M College. The Bulldogs participated in the State Tournament where they met defeat at the hands of the Decatur Baptist College team. Decatur went on to win the state championship.

White, who stands only 6-1, has been holding his own with the larger and taller junior college players for the past two years. He has averaged nearly 19 points per game in 26 games this season. He is also a great defensive player and gets his share of rebounds. White, along with another Bulldog, Steve Jarnigan, was named to the All-Regional team in Amarillo at the close of the Region V National Tournament recently.

Jarnigan is a freshman student from Silverton. These two boys were also named to the All-Conference team. Buzz Bailey, another freshman student from Silverton, was named to the honorable mention squad for the conference.

The Spring blizzard which enveloped a major portion of the Panhandle area over the week end was described as one of the worst to strike this area in recent years and in some places was described as the worst spring storm on record.

The north and west portions of Donley County were hit the hardest as far as snow drifts were concerned. Hundreds of motorists were stranded along highway 66 and also on 287 west of here.

Motorists who were turned back or took the warning to stop, filled the local hotels, and tourist courts at an early hour. The American Legion Hall and the First Methodist Church were opened to the stranded victims and many were offered shelter in private homes as was the case along the highway routes where vehicles were stuck in the drifts.

Sheriff Bill Cornell, deputy Lois Putman and Patrolmen Russell Bain and Bill Cornelius stayed on the job throughout the storm assisting in rescue operations and helping the stranded motorists in any way possible. They finally went to bed Monday morning for their first rest during the storm period.

Their last rescue operation was early Monday morning when they reached two men and a woman on the other side of Goodnight. They were assisted by Bob Head, Basil Smith, B. J. Land, Bob Ellis, Hershel Heath and possibly others. Heath's 4-wheel drive wrecker and Head's 4-wheel drive truck lead the rescue and at times had to pull the other rescue vehicles thru the big drifts. They attempted to get food thru to the Andy Brown home near Jericho Sunday night but were unable to get any closer than four miles. There were 96 persons in the Brown home at that time and the local Red Cross had prepared sandwiches, coffee, etc. This food was distributed among the people at the Legion Hall when the attempt to reach the Brown home failed.

One emergency call was made Sunday when M. W. Hatley suffered a heart attack at his home at the Country Club. Sheriff Cornell, a Palmer Motor Co. wrecker driven by Fred King and the Murphy Funeral Home ambulance manned by Wendell Gresham, Delbert Robertson and John Payne, made their way thru the drifts and brought Mr. Hatley out around mid afternoon and brought him to Adair Hospital where he is reported improving nicely.

Another casualty effecting this area was the death of Johnnie Franklin McAllister who died Saturday night when his car missed a bridge south of Dumas.

Cattle losses were minor in this area although quite a number of animals strayed during the storm. Some residents of the area were unable to dig out until Tuesday and muddy roads are still causing lots of trouble in the rural area.

The Andy Brown home which is located about a half mile west of the Highway 70-66 intersection at Jericho was the scene of the largest gathering of storm victims. Ninety-one humble travelers will never forget the hospitality shown them this frigid weekend by the Browns in whose seven-room home they found refuge from the deadly blizzard that trapped them Saturday night. The travelers, all in good shape but a bit weary, bade farewell to the Browns Monday afternoon and continued on their separate ways.

Among the group were 42 passengers from two Greyhound buses, 38 motorists and 11 truck drivers. Ages of the snow-bound persons ranged from four months to 76 years and they represented every section of the United States and a pretty Swiss girl, Miss

Heidi Weidner, 21, of Zurich, Switzerland.

The Browns, Andy and Melba, their children David 12 and Linda 14, and Andy's uncle, George Schoop, opened their doors, family larder, and even relinquished their own warm beds to the shivering victims. A National Guard unit from McLean broke through with much needed supplies Sunday night. Mrs. Brown and the women prepared food and coffee flowed by the gallons until the supply gave out, but the eggs, bacon, flour, corn meal and other victuals held out to the end.

The things taking place in the Brown home in the way of amusement, sleeping, etc., would fill a nice size book. At times, there was a line of 15 or 20 waiting for the one bath room, but everyone made out just fine.

In tribute to the hospitality of the Browns, the stranded passengers took up a collection of \$170 as a "small measure of thanks". Donley County can still boast about our fine residents such as the Browns'.

## Tuesday, April 2nd Is Election Date

Voters of Donley County will go to the polls next Tuesday, April 2nd to elect a United States Senator to fill the place formerly held by Gov. Price Daniel and the residents of Clarendon will be voting in the City election also. Voters will go to their usual voting box to cast their ballot as in any general election.

Clarendon residents will be voting for a Mayor, which in reality will be a vote of confidence as H. T. Burton is the only candidate listed and he is seeking re-election.

In the Senatorial race, one out of the group, Thad Hutcheson of Houston, is a republican.

As it appears now, Texas Republicans will be putting their full strength behind Hutcheson and will receive help from some of the "big guns" in Washington in a campaign push planned for next Monday night.

Among the outstanding Democratic candidates are Ralph Yarborough, Martin Dies and John C. White.

Other candidates listed on the ballot are Elmer Adams, H. J. Antoine, Sr., Rev. M. T. Banks, Jacob Bergolofsky, Searcy Bracewell, John C. Burns, Sr., Dr. H. Frank Connally, Jr., Frank G. Cortez, J. Cal Courtney, R. W. (Waite) Curran, C. O. Foerster, Jr., Curtis Ford, Ralph W. Hammonds, James P. Hart, Charles W. (Jack) Hill, Walter Scott McNutt, Clyde R. Orms, J. Perrin Willis, and Hugh Wilson.

The main thing is go to the polls and vote. Your vote will count more than you think as there are a lot less qualified voters this year than usual.

## High School Wins With One Act Play

Clarendon High School won first place in the district meet for "One Act Plays" at Canadian last Friday night and won the right to compete in the area meet at Amarillo April 5th. They competed with Canadian, Lefors and McLean. Jimmy Carter and Beth Lamberth won superior rating in the meet.

Clarendon's play was "The Revolt of Mother". Those taking part in the play were Beth Lamberth, Jimmy Carter, Pat Owens, Carolyn Thomas, Johnny Davis and Donald Adams.

The play was directed by Miss Naomi Allison with Beth Lamberth as student director. Other assistants in production were Gene Alderson and Chuck Cosper.

HEDLEY NEWS

Mrs. Paul Duncan

No place like the Texas Panhandle for weather changes. The rain and snow storm are all good even tho the blizzard has caused anxious hours and inconveniences, it's better than a black duster like we have experienced. One outstanding part of the storm is how every one tries to help his neighbor. Those stranded motorists have so much to be thankful for—the help from the good people of the Panhandle.

KGNC is to be commended on the long hours and help they rendered all over the Panhandle area.

Mr. and Mrs. Harry Boatright of Boys Ranch spent the weekend in Hedley.

Mr. and Mrs. J. S. Hinds and Nancy visited in Abilene over week end.

Cpl. Kenneth Painter of San Antonio is visiting his mother, Mrs. Lattie Painter.

Fred Shaw, H. Mobley, Bill Jones, Fred Watt, and Walter Johnson attended a Masonic meeting at Hollis Monday night.

Mr. and Mrs. Paul Haskins of Enid, Okla. visited here over the

week end with their son Coach Don Haskins and family. Mr. and Mrs. John Dickson are visiting their daughter, Mr. and Mrs. Frank Micksell in Artesia, N. Mex.

Rev. and Mrs. Cox of Little River, Kansas have moved to Hedley to make their home. Welcome to our community. The Cox's are parents of Dr. D. H. Cox.

Mrs. J. S. Hinds underwent an emergency operation in a Groom hospital early Wednesday morning. Last report she was resting. Mrs. Johnny Myers was brought home Tuesday from Groom where she underwent surgery.

Sam Owens Jr. and family of San Antonio have been visiting the H. H. Halls and Sam Owens Sr.

Bill Verden and Bob Moore of Texas Tech are doing their practice teaching in Hedley school under direction of Ag Adviser Doyle Messer.

Steve Patterson of Ropesville returned home Sunday after spending the week with his grand parents, Mr. and Mrs. Jap Shaw while his parents, Mr. and Mrs. Pat Patterson attended the girls state championship basketball tournament at Austin. The Ropesville girls won Class A championship.

Gene Howell underwent an operation in a Groom hospital. He is doing fine.

Mr. and Mrs. Sam Owens had the pleasure of having all their children home over week end.

Those from out of town were Sam Owens, Jr. and family of San Antonio, T. E. Naylor and family of Dumas, Jimmy Owens and family, Robert Hamilton and family, Mr. and Mrs. Franchie Gafford of Amarillo.

BARNETT—PHILLIPS

Charlene Barnett, daughter of Mr. and Mrs. Chas. Barnett of Hedley and Murry Phillips of Las Vegas, Nev. were united in marriage on Sunday, March 10 at Tucumcari, N. Mex. The bride wore a navy blue ensemble with white hat and navy blue accessories. She wore a white orchid corsage. The couple left March 17th to make their home in Las Vegas. Mrs. Jesse Beach was called to Silver City, Calif. Saturday due to the serious illness of her mother.

Mr. and Mrs. Roy Jewell were in Dallas last week. While there they visited the Paul Dishmans. Mrs. Foster of Giles is ill with the flu. Hope she is feeling much better soon.

Mr. and Mrs. Paul Duncan of Amarillo spent the weekend with home folks.

See you next week.

MARTIN NEWS

Mrs. W. H. Morrow

Due to the bad snow storm there is not much news.

Mr. and Mrs. Flag Fitzgerald from Littlefield visited Mr. and Mrs. Pete Land the first of last week.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

THE BATTLE OF THE BUDGET

The resolution that was adopted by the House of Representatives on Tuesday, March 12, returning the budget to the President of the United States, and which caused long, tedious and at times heated debate, was a very simple resolution. It advised the President of the United States that it was the intention of the Congress to cut his 72 billion dollar peacetime, record-high budget, and that the Congress would appreciate advice from the President as to where and how he felt these cuts could be made without seriously endangering his program. Although this procedure was referred to as political maneuvering, skulduggery, and some worse names, it is my opinion it was a courtesy due the President of the United States. In the first place, it was he who said it would require 72 billion dollars to run this government for the next fiscal year. This statement was based upon careful study by experts in every field in which the government operates and that, my friends, includes many fields. These experts are

many in number and varied in accomplishments and are in every department of the government. Approximately 18 months ago they started to determine how much money they would request from the Congress to run their respective departments for fiscal 1958. Mind you, each of the departments is satisfied with innumerable experts working for that department. When they get all of their facts and figures together, these are submitted to the Bureau of the Budget (which is also in the Executive Branch of the government) and the fiscal adviser to the President of the United States. These financial geniuses and statistical experts in that Bureau then go over the figures, and out of all this comes the budget recommendation of the President which reaches Congress sometime in January and which must be acted on before June 30. In other words, each of these departments, with all their experts, has about 18 months in which to prepare facts and figures to submit to the Congress. The Congress is then expected to take all of these facts and figures from all of these different departments and act on all the budgets in one-third of the time required by each department to prepare one budget. The truth is it would be humanly impossible for Congress to weigh each of these budgets with the same care used by the experts who prepared them and, incidentally, those who expect to spend the money. It is my opinion that a tremendous waste has developed through the years by this procedure.

A few years ago an attempt was made to set up a congressional committee that would be in continuous session to study the budget figures while they were being prepared by the departments. We failed in this attempt by very few votes, but I feel the time is ripe again to renew the fight. This procedure could save

the taxpayers of this nation billions of dollars and certainly could prevent a repeat performance of returning a budget to the President of the United States for reappraisal.

It is my opinion that the criticism directed at those of us who voted to refer this budget back to the President is unfounded, for the simple reason that the President should be entitled to say where and how he wants the budget cut so that he may protect his presidential program, whatever it might be. Our action has already borne fruit, because the Administrator of the Housing Agency has announced a cut of 200 million dollars. I feel that others will awake to the fact that the people of this country are tired of paying taxes for increased government spending and regimentation. Frankly, I am most happy to see people at the grass roots rising to the occasion as they have, because the very foundations of our government may rest in the balance. The budget must be cut.

To point out specifically one particular item that should be and can be substantially curtailed if not completely abolished, let us look at foreign aid. This has cost the American taxpayers billions upon billions of dollars; yet we are in a worse position today on the world front, insofar as buying friends and influencing people, than we were when it started. The truth is this entire program has been a giant subsidy to big business, big industry and big labor, and that is one reason it has never been stopped. At long last one of the most ardent advocates in the Congress of the foreign aid program has admitted indirectly that such is the case. In an address by Representative To The People ... 22 ... 22 22 Walter H. Judd (R-Minn.), (a fine gentleman whom I like but with whom I disagree on several matters) to a U. S. Chamber of Commerce economy meeting here, he

was quoted as saying: "Only a dribble of money (foreign aid) goes abroad. It's goods that are sent abroad. The dollars are spent here." Please note that the dollars, referred to as being spent here, are your tax dollars. They are being paid to manufacturers in this country for goods to be given away abroad. If that isn't trying to lift yourself by your own boot straps, I'll stand corrected.

The admission on the part of a staunch foreign aid advocate would seem to me to cause many red faces among those who so flagrantly criticize and condemn the American farmer and the small businessman as being the recipients of subsidies, yet participate in this giveaway program.

Intrigue in Back

**DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS**

The old saying "you can't have your cake and eat it, too," applies to most things which we do. Harvesting perennial grasses is one of the rare exceptions to the rule. Some of our ranchers fail to recognize the possibilities in modifying this rule to their benefit. Many of them seem to believe that they must either keep their cake (grass in this case) to beautify the countryside, or they must let their stock harvest it. And since they are not interested primarily in landscape art, they choose instead to harvest the grass.

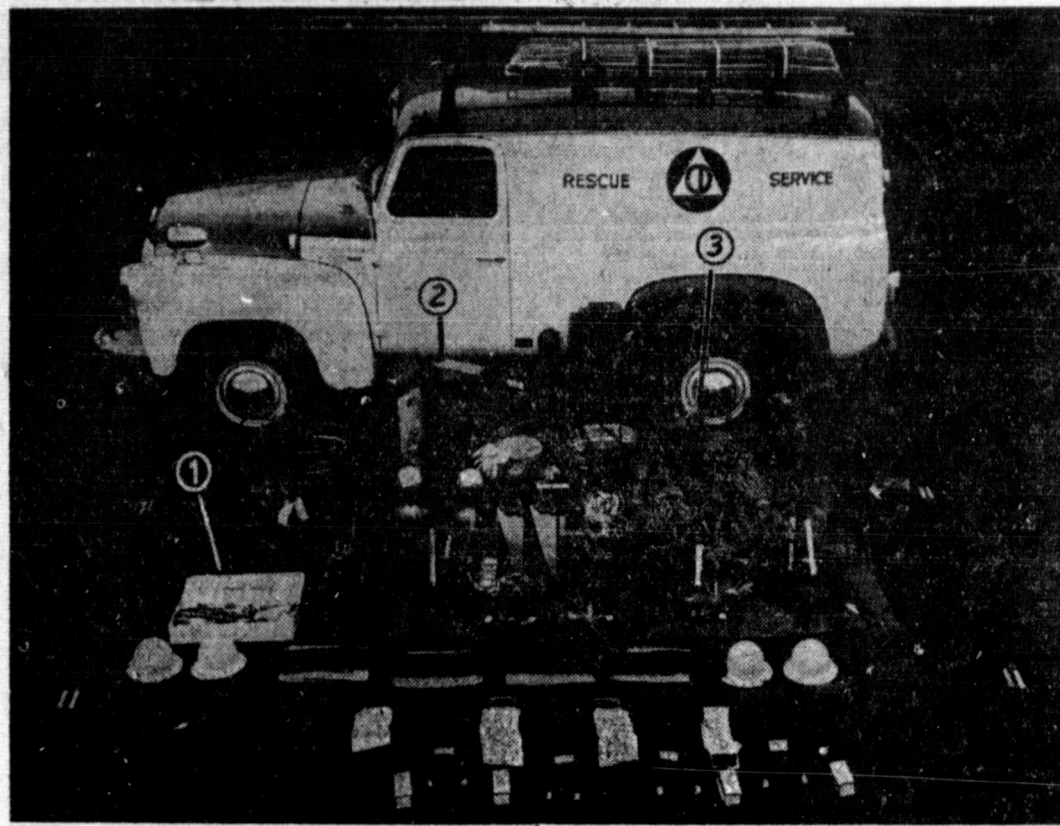

Fortunately, such a difficult choice is not necessary. Let's modify the rule and say, "keep part of it and eat part of it." Which brings us to the choice that is necessary. How much of each shall it be? Most researchers and ranchers who have really studied the problem say, "eat about half of it and keep about half," and there are some very good reasons for the figures coming out that way. The answer lies in the way grasses grow. Nature installed in the green

leaves of grass an ingenious little device that takes carbon dioxide gas out of the air and, with sunlight supplying the energy, builds more grass leaves and stems. Water and other materials coming into the plant through the roots are also used in these new tissues. Part of the food thus manufactured in the leaves is sent down into the roots where it is stored for future use. The first leaves of spring are made from this food that was stored up last year. As soon as the new shoots come out they begin to manufacture their own food and to build other shoots and leaves. The first thing you know grass is growing all over the place.

What happens when a cow nips off a leaf? That part of the factory shuts down until repairs are made and the leaf is growing again. What happens when all the leaves are nipped off? Why, the whole plant shuts down for repairs. Then some of the reserve food from the roots must be used to help get it into production again. When all the foliage is removed and kept off all year by livestock, the plant is not able to replace the eaten portion and drains the food reserve trying to stay alive. The following year the grass is slow getting started because the storehouse in the roots is empty. If this treatment is kept

up indefinitely the grass plant has no choice but to close up shop for good. Now in this case you have eaten yourself out of house and home. Let's say, though, that you keep an eye on things and let your stock remove only half of the grass. Operating at half capacity the plant works vigorously to replace the eaten portion. Little or no reserve food is needed. The plant stays healthy and growing, and it actually expands. The half that you can harvest grows larger and larger. The root system goes deeper to better water and mineral supplies. Grass comes out early and more rainfall gets into the ground. Next thing you know you are in business.

Of course, good and proper use of grazing land is not that simple. A great deal of thought and planning must go into a sound management program. Weather and other factors come into the picture. But the principle is constant. You can't have your cake and eat all of it, but you can dine royally and still keep plenty for a droughty day. And the beauty of it is, in the long run you will come out with more than you started with.

Best thing about portable irrigation is that you get water where and when you want it. Hilly terrain is no problem. Sandy soil that sucks water out of ordinary irrigation ditches is no problem. Portable irrigation is as precise as watering each plant by hand. What does this freedom from dry spells and troublesome terrain cost? A lot less than you think. We know farmers, right in this county, who have paid for their systems in two years—three years. They did it with better crops. By getting to market first. By being independent of drought. Call us or stop in today and let us show you how to engineer a portable irrigation system to your farm. We carry complete systems, parts and the very finest Alcoa Aluminum Pipe.

Maybe the lights went out accidentally, but Bernice will always believe that it was an act of Providence. Anyway, this has been a lesson all through her life that when she really needs help from the Higher Power it does always come. The reading went something like the following.

Tommy, kept in for discipline, proved teacher's right hand man.

He helped when she erased the board.

Order to the desk restored, and willing errands ran. So pleasantly the work progressed with Tommy's cheerful aid. The teacher on her task intent, forgot it was for punishment, the little culprit stayed.

The parka-clad soldier is modeling the shield in raised position (left) and, looking slightly like a wet hen (right), lowered to protect his face from Arctic cold as effectively as is his body.

The other day someone remarked that folks should move to a new neighborhood every once in awhile and this remark set off quite a discussion. It seemed that a friend had just recently moved and the new neighbors had been so very wonderful to them. It all boiled down to this that they had been living in one place most of their life and folks had

just been taking them for granted and vice-versa. It put me to thinking about something that has been on my mind off and on for a long time. The folks right around us even our husbands and wives we just take for granted. We never say Thank You or anything like that, but we let out a real howl if they fail to come to their usual level.

Our neighbors set a fancy pace of being nice to us and then we expect them to forever keep up the average. Same goes for those that are the nearest and dearest to us. We take them for granted, but that doesn't mean that we do not love them.

Maybe it's like this; Folks who never notice us when we are there, Will usually miss us when we are not.

Anyhow, after thinking about it for awhile we resolved to try and remember to be more appreciative of those about us; our family, our neighbors, and just about everyone that we come in contact with as we go about our day.

### ASHTOLA NEWS

Mrs. Doyce Graham

Since most of us were marooned in our homes during the week end (and those that weren't wished they were) there was little visiting, but I shall give a few incidents that happened to some of us during these hectic days. J. R. Graham's pickup stalled with him in the beginning of the storm Saturday night and he failed to get home. Spending the night with Bob Cole, they finally managed to get to the stalled pickup in the late hours of Sunday afternoon and J. R. got home to do the chores which he was alone to do, as his parents, Mr. and Mrs. Harold Graham and Betty had gone to Vernon to spend the week end with relatives. They got as far home as Warren Hardins Sunday and the drifts made it impossible to travel farther, so they spent the night

there. Mr. and Mrs. J. M. Graham were having their first experience with a butane brooder, and one of their drums emptied and the brooder went out Sunday. So it took some doing on Graham hill to keep chickens alive for Doyce and his mother, as Mr. J. M. Graham was ill at the time. The only casualty though, after all the digging that finally took place Monday was the death of our baby kittens. They froze to death. It was impossible to even tend to all the stock Sunday. The snow was drifted to the top of the barns, and some of the stock completely covered. Hubert Moffatt and his brother tried to get through from the SJ Ranch Sunday morning and stalled in a snowbank near the crossing at the home of Mrs. Myrne Rhoades. Late Sunday afternoon a wrecker followed a snowplow and finally moved the automobile. Neighbors frantically tried to reach the Poovey home Sunday after a telephone report that she had fallen and needed care at a hospital.

The Ben Lovells went to her Sunday, but due to road conditions she waited until the maintainer dug out a road Monday to Groom where she is now for x-rays awaiting the findings of a leg injury. She fell while tending to her chickens.

Snow drifted in attics and by middle morning Sunday ceiling paper was wet. Soon we dug out pans to catch the dripping water from the ceiling, and the paper was completely ruined. We don't remember a snow storm blowing this bad since 1936. Telephone lines were crossed—we were on three party lines—and we had no mail until Tuesday.

Linda Kay Hardin and her date decided against trying to come home in the storm Saturday night, so she spent the next few days with Mr. and Mrs. Harold Phelps in Clarendon.

Homer Hardin visited in Dallas last week and Annette and Wayne returned home with him Friday.

The Kenneth Turners visited in the J. B. Lane home during the week end.

We extend our sympathy to Mrs. W. H. Wilson and her family. Her father, Mr. Parker, passed away in Memphis Monday.

Bob Wilson of Amarillo visited homefolks during the week end. Mr. and Mrs. Earl Morrow and girls of Amarillo visited the H. E. Tollesons over the week end.

Yours for better weather next week.

#### CARD OF THANKS

It is with deep gratitude in my heart that I express my thanks to Dr. Smith and the hospital staff, my friends and neighbors, and Bro. W. F. Vandenberg for the many kindnesses extended me in my recent illness. May God bless all of you.

Mrs. H. L. Riley, Sr.

## Highlights and Sidelights FROM Your State CAPITOL

By VERN SANFORD  
Texas Press Association

AUSTIN—Some observers now predict that Legislative investigations of insurance companies will continue beyond the session's end.

Panels in both houses are delving into circumstances leading to the bankruptcy of the ICT Insurance Co. of Dallas. The more they investigate the more widespread and complicated the involvements.

Recent disclosures from testimony: Former Insurance Commission Chairman Garland Smith was on several occasions the guest of Ben Jack Cage, one time ICT head, on pleasure trips. Smith's son-in-law, Max Wayne Rychlik, received \$8,400 in salary from Cage, for a job with no duties. ICT lost \$2,000,000 in a series of stock transactions with Pierce Brooks, head of National Bankers Life Insurance Co. of Dallas.

A Senate committeeman said that an independent investigator had been hired to look into the affairs of at least five other insurance companies.

Meanwhile, the Senate passed a bill by Sen. William S. Fly of Victoria to reorganize the Insurance Commission. It abolishes the present board and substitutes an executive director and a part-time, three-man policy board.

An amendment by Sen. Frank Owen of El Paso would require the Insurance Commission to move out of its headquarters. It occupies some eight floors of the International Life Insurance Co. building in Austin.

Owen contended that the state should not be paying rent to an insurance company over which it exercises control. Opponents counter that insurance companies of Texas pay the rent and the money does not come out of the state's general revenue fund.

They say further that if the commission returned to the old Land Office building, now inadequate for the enlarged commission, the state would be providing free space and forcing other departments to move—and pay rent.

They also point out that there is no other building in Austin large enough to house the Insurance Commission.

Gov. Price Daniel is supporting a bill in the House, by Rep. Marshall O. Bell of San Antonio, which would provide a full-time insurance board. The Senate version is not the Governor's bill.

**NEW COMMISSION PUSHED**  
Governor Daniel has put the "emergency" label on his request for a State Law Enforcement Commission.

Rep. R. H. Cory of Victoria submitted the Governor's proposal in a bill co-signed by 102 House members.

Commission's duty would be to "put the spotlight of truth" on charges of official misconduct.

Twelve members would include a chairman appointed by the Chief Justice of the Supreme Court, plus 11 other members named by grand jury foremen in the state's judicial districts.

**DANIEL BACKS TPA BILLS**  
Simultaneously with his announcement of a Crime Commission Bill, Governor Daniel gave unqualified endorsement of 15 "Better Government" legislative measures recommended by the Texas Press Association.

Daniel extended his personal compliments to TPA and the press of Texas for "unselfish effort in the fight to bring better government to the State and its citizens."

In his endorsement the Governor said "the 15 bills sponsored by the press of Texas would supply some badly needed laws, and strengthen several existing laws. They have my unqualified endorsement."

**NEW WATER BOARD**  
Another phase of the water conservation program has reached conference committee stage. Bills to create the Texas Water Development Board passed both houses.

Senate version calls for a five-member board; House, three members. Board's responsibility would be to administer the proposed \$200,000,000 bond issue. Money is to be loaned to local districts for conservation projects.

#### TRUCKERS SEEK INCREASE

A bill to increase truck-load limits has stirred the perennial controversy between the motor freight and railroad industries.

Truckers are pushing a bill to increase the limit, now 58,420 to 72,000 pounds. Backers contend that putting the increased weight on an extra axle would mean no more wear and tear on roads than present loads. Truckers, they add, paid \$97,000,000 or 41 per cent of state highway use taxes in 1956.

A State Highway Department bridge designer said that a 72,000 pound load would shorten the lives of Texas bridges. A railroad spokesman warned that truckers "can't pay enough for the damage done to Texas highways."

#### TAX MAN SAM SEZ:

The tax folks say that a lot of taxpayers file their income tax returns and don't attach their W-2's. The W-2 is the little form that your employer gives you in January every year to send in along with your tax return. This W-2 Form shows how much tax you have already paid.

Some taxpayers work in a lot of different places during the year and some of them have trouble trying to dig up all those little slips of paper. Internal Revenue requires all the W-2 forms. If you don't send them in with your tax return they will ask you for them. You save time by getting them before you

## GARDEN CLUB

Mrs. O. C. Watson entertained the Garden Club in her home Thursday afternoon, March 21. Co-hostess was Mrs. M. C. Rampy.

Everyone stopped to admire the beautiful nandinas, growing in the Watson yard, before entering the house.

Mrs. John Goldston, president, presided over the business meeting. Roll call was answered with each member giving something about her assigned topic for the year. The fact was stressed that the club house board urged all members of the various clubs to save their green stamps toward tables for the club house, likewise their Betty Crocker coupons for silverware. Attention was called to the new insect repellent for the control of flies, mosquitoes, ticks, chiggers and fleas. Mrs. M. C. Rampy had with her 24 copies of a pamphlet printed in Lubbock concerning plants and shrubs suitable for the Panhandle area. The booklet is for sale at 60c per copy.

"Balanced Planting" was discussed by Mrs. Lee Holland. She stressed proper proportion as the key to balanced planting taking into consideration the size and shape of house, garden, and yard. One suggestion was that at least one thing planted in the garden or yard be different in color and texture, this to avoid monotony.

"Plants and Shrubs Suitable for the Panhandle" was the topic taken up by Mrs. Walter Taylor. She mentioned many of the usual variety of both plants and shrubs

as the pyracantha, nandina, jonquils, etc., and also mentioned the new fragrant snowball and the new forsythia which is hardy and produces a larger, golden yellow blossom. Mrs. Taylor pointed out that so many of our shrubs and plants have their origin in China and quoted an old Chinese proverb: "If you would be happy for an hour, get drunk; if you would be happy for a day get married; if you would be happy forever, plant a garden."

Refreshments were served from the beautiful china brought from Germany by Mrs. Watson's daughter and husband. Present were eight members and one guest, Mrs. J. D. Swift.

The next meeting will be a plant and bulb exchange, April 18th. —Reporter.

Mothers Study Club met at Patching Club House Tuesday evening with Gladys Turner and Francis Long hostesses. Meeting was opened with the Parents Prayer by Patsy Robertson. Two new members were welcomed into the club—Eloise Ashcraft and Bernice Owens.

Business was dispensed with and Stina Cain, principal of the Junior High School, was introduced. He spoke to the group on "Preparing Your Children For School." His talk was informative and enjoyable. A round table discussion followed with Mr. Cain moderator.

Refreshments of cake and coffee were served to Mr. Cain and the following members: Melba Edwards, Bernice Owens, Janie Hill, Evelyn Yates, Joan Kidd, Lila Vick, Doris Harp, Cherrye Shadle, Eloise Ashcraft, and Patsy Robertson by the hostesses, Gladys Turner and Francis Long. —Reporter.

## PATHFINDER

Pathfinder met Friday afternoon, March 22, at Patching Club House. Mrs. Leon Davis and Miss Ruth Richerson were hostesses.

Mrs. C. B. Morris opened the meeting with the Invocation. Mrs. Stina Cain led the group in the Pledge of Allegiance. During the business session presided over by the president, Miss Ruth Richerson, it was voted to accept with regret the resignation of Mrs. Royce McCluskey as a club member.

Mrs. Pete Kunz, one of the delegates to the district convention of Federated Club Women held in Amarillo, gave a comprehensive report of the convention.

Since this is the Lenten season, Mrs. L. N. Cox gave an inspiring discussion of women of the New Testament, those closely associated with the life of Christ. Material for the discussion was taken from "All The Women of the Bible" by Edith Beene. Among those mentioned were Mary, mother of Jesus; Elizabeth, mother of John the Baptist; Mary and Martha, sisters; and Salome, mother of James and John.

Meeting was closed by the reading in unison of Club Woman's Litany.

Lovely refreshments were served to the following members: Mesdames Carl Allmond, C. E. Bairfield, John Bass, George Benson, H. T. Burton, Stina Cain, A. T. Cole, L. N. Cox, Ed Dishman, Wm. S. Greene, J. H. Howze, Clyde Hudson, R. Y. King, Pete Kunz, C. D. McDowell, J. L. McMurtry, C. B. Morris, Frank Phelan, Jr., Heckle Stark, Dick Shelton, and Miss Mable Mongole by the hostesses, Mrs. Leon Davis and Miss Ruth Richerson. —Reporter.

## GRAF-DEEM

Mr. and Mrs. Pete Hopkins announce the marriage of their daughter, Betty Graf, to A/3c Lester E. Deem, son of Mr. and Mrs. Lesley Deem of Dayton, Ohio.

The couple were married in Raton, New Mexico, March 20. Attending them were the bride's parents, Mr. and Mrs. Pete Hopkins.

Bach, the composer, was the father of 20 children.

## MOFFETT-BROGDON

Mr. and Mrs. J. C. Moffett announce the marriage of their daughter, Ona Mae, to Pfc. Barney Ray Brogdon, Bro. W. F. Vanderburg read the single-ring ceremony in the home of the bride's parents, at 7:00 p. m., March 25th.

Mrs. James McKenny attended the bride as matron-of-honor and James McKenny was best man.

Others attending the wedding were Mr. and Mrs. Pete Hopkins, Elaine Hopkins, and Mrs. Eugene Deem. The bridegroom is the son of Mr. and Mrs. Claude Cunningham of Santa Barbara, Calif.

Immediately following the ceremony, the couple left on a short honeymoon.

## ASHTOLA NEEDLE CLUB

Mrs. Ruby White was hostess to the Ashtola Needle Club which met in the Club room at 2:30 Thursday, March 21 with 11 members present.

The Club members are urged to be at the next meeting April 4th to quilt the two quilts we are piecing. This will be an all day meeting. Bring a sack lunch.

We voted to give \$5.00 to Heart Fund, and money to buy material for finishing the quilts.

Delicious refreshments were served by the hostess, Ruby White led the program on gardening, assisted by Laura Mahaffey. —Reporter.

## GOOD NEIGHBORS CLUB

The Good Neighbors Club met March 22 in the home of Ruby Jordan with an all day quilting. One quilt was finished.

Those to enjoy the day and the dinner were one guest, Ruthie Wasson, and members Eula Butler, Rosie Bingham, Lida Warren, Maggie Easterling, Florence Harp, Bennie Crabtree, Carrah Mixon, Bessie Helton and the hostess, Ruby Jordan.

The club voted to give the three-quarter quilt to a Child-rear's Home. The next meeting will be with Maggie Easterling, April 12. —Reporter.

Mrs. W. H. Price of Belleville, Ill. has returned to her home after visiting the past two weeks in the home of Mr. and Mrs. J. T. Patman.

## PARENT - TEACHER REPORT

On Thursday, March 21, the Simms P.T.A. held their regular meeting. Due to the illness of our President, Mrs. Bray Cook, Mrs. Dick Shelton had charge of the meeting.

Several of the people who were to have been on the program were unable to attend, therefore the program was changed.

A trombone solo by Phillip Bell Harmon, and a solo by Sandra Pinkerton, accompanied by Mrs. Pinkerton provided the music for the afternoon. Mrs. C. E. Morris gave a delightful review of "The Sermon on the Mount." Miss Ruth Richerson spoke on how the community could aid the schools and also announced that Polio vaccine would be available for ages 6 through 18 years of children who had not had their shots. These shots would be free. It was decided the P.T.A. would sponsor this program.

Mrs. Mears' first grade room won the money for having the most parents present.

The next meeting will be held on April 18th.

## REBEKAH POT LUCK SUPPER APRIL 2nd

## Queens Knock Comets Out of National AAU

The Comets of Clarendon Junior College put up a gallant fight but it wasn't enough to stop the now four time National Champion Wayland Flying Queens in the National AAU Women's Basketball Tournament last week. The Comets had the misfortune of meeting their arch rivals in the quarter finals of the tournament and were defeated by a score of 32 to 26. The Queens went on to win the tournament and hang up their 104th consecutive victory while winning their fourth straight national championship. Both the 104 straight wins and the four straight titles are records in women's basketball.

The Comets were upset minded when they went into battle with the Queens. The score was tied at 8-8 at the end of the first quarter, the Queens held a slim lead of 15-14 at the half and were ahead 23-20 at the three quarter mark. The score was tied at 24-24 with four minutes to play when the Queens went ahead 26-24 and went into their stall. With two minutes to go the Queens were leading 28-26. The Comets had to foul in order to regain possession of the ball and the Queens hit two free shots to run the score to 30-26 and made their final field goal just as the final horn sounded.

Mary Mann led the Comet scoring with 10 points while Joan Crawford contributed 8 in addition to doing a fine rebounding job. Coach Travis reported that all the girls played well and he was especially proud of the job Genell King did on the Queen's All-American forward, Rita Alexander. Miss Alexander, usually one of the Queen's high scorers, failed to make a field goal in the entire game.

After the tournament was over and the Queens had their fourth straight crown, their coach, Harley Redin, said that Clarendon gave them their toughest game of the tournament.

Mr. and Mrs. Bob Boston of Amarillo and Mr. and Mrs. William J. Lewis Jr. of this city returned home Monday from San Francisco, Calif.

## MRS. G. A. LATIMER DIES IN FORT WORTH

Mrs. G. A. Latimer 95 years of age died at her home in Fort Worth Monday. She was a pioneer settler in this city where her husband the late G. A. Latimer established the Clarendon Water Works. Born in 1862 she made the covered wagon trip to Clay County, Texas as a 7 year old child making the overland trip from Alton, Illinois. She settled in Clarendon in 1887. She was a sister of the late Sarah M. Stocking.

## CARD OF THANKS

I wish, in this way, to thank my many friends for calling to see me, writing me letters, sending cards and flowers and especially for your prayers.

Mrs. W. M. Pickering

## CARD OF THANKS

May we take this means of thanking our friends and neighbors for the flowers, cards and many kindnesses during the illness of Mr. Hefner. Your thoughtfulness will be remembered.

### Local Judging Teams Attend Lubbock Fat Stock Show

Six members of the Clarendon F.F.A. Chapter and their adviser J. R. Gillham, attended the Lubbock Fat Stock Show last week and watched the judging of the fat animals in the show in preparation for the spring's judging contests. James Mahaffey, Harold Lindley, Milton Mann, Carl Talley, Bobby Longan, and Sammy Wells made the trip.

The local youths were especially interested in the Lubbock Show as a number of the animals on exhibit were bred by Donley County livestock breeders. Mr. and Mrs. E. S. Ballew also attended the show. A number of Ballew bred hampshires were among the top winners in the show.

Mann, Talley, and Longan accompanied Gillham to Texas Tech Saturday, March 23rd, for a work-out of the dairy products judging team at the Texas Tech Dairy Manufacturing Department. Dr. W. H. Willingham and Milton Peoples, Tech Faculty members, worked with the local youths in preparation for the annual Plainview and Texas Tech Contests.

### VACATION IN MEXICO

Mr. and Mrs. Carl Allmond are at home after a two week vacation in Old Mexico. Among the many interesting places visited were Monterrey, Saltillo, and Guadalajara in the central plateau of Mexico. One of the most beautiful resorts was Lake Chapala, Mexico's largest natural lake. The springtime climate was delightful and the flowers were lovely.

### Spotted Alfalfa Aphid Invading Some Fields

Reports from alfalfa farmers indicate that the Spotted Alfalfa Aphid is invading some of the alfalfa fields in the Lelia Lake area. County Agent H. M. Breedlove says that now is the time to spray if the insects are still present after the past snow storm.

It takes about two sprayings to get rid of the insects. Good warm conditions with a lot of moisture before the snow storm was responsible for the build up of the insects. A good spray is one pint of five pound malathion in enough water to cover one acre. This is effective for seven to fourteen days and the hay can be cut and fed in ten days after treatment. Parathion is another good spray; it is used at the rate of one pint per acre of two pound parathion in enough water to cover one acre as a spray. The hay should not be fed for three weeks after using this poison.

Breedlove is urging alfalfa farmers to keep a close eye on their fields for the alfalfa aphid and get the spray on as soon as they appear.

### FARM BUREAU PURCHASES 1957 LICENSE TAGS FOR BIG 4-H CLUB BUS

The board of directors of the Donley County Farm Bureau in their last meeting in the office of the County Agent voted to purchase the 1957 license tags for the big 4-H Club bus, owned by the club boys of Donley County. They did this to encourage 4-H Club work in the county and to help save money for the club boys.

County Agent H. M. Breedlove and all the 4-H Club boys thank the Farm Bureau for this wonderful donation to them.

4-H Club members now have twenty two steers on feed for next year and there are three more to put on feed which will make a total of twenty five steers for next year. There are also two older steers on feed for the Dallas Fair making twenty seven in all.

### Comets Express Thanks To Friends

Coach Buddy Travis reported that the members of his girl's basketball team wanted to express their thanks to their many friends who donated money for their personal use for the trip to St. Joseph, Missouri, where they participated in the National AAU Women's Basketball Tournament last week.

The money donated by business men and other supporters of Clarendon amounted to \$144.00. This came to exactly \$12.00 for each girl making the trip. The girls appreciated it very much and said that it made their trip much more enjoyable since many of them did not have any money for personal expenses.

## FARM NEWS

from the County ASC Committee

### DROUGHT EMERGENCY FEED

We would like to correct a statement that was sent to producers in the March ASC News Letter. Applications for drought feed grain, hay, and roughage may be filed for eligible livestock in the F.H.A. Office through April 1, 1957 instead of April 15 as we stated in the News Letter.

### COMMODITY LOANS

The maturity date for 1956 wheat and grain sorghum crop loans is March 31, 1957. All loans not redeemed will be forfeited on that date. If you wish to redeem your grain and sell it on the market, you should do so without delay.

### GRAZING 1957 ACREAGE RESERVE

Grazing privileges have been extended through April 15 on designated 1957 Wheat Acreage Reserve. You must not have livestock on the reserve land after that date. Wheat Acreage Reserve is being measured now and it is very important that producers assist the reporters when he visits your farm.

### Bob Moss Receives Mortar & Pestle Trophy

Bob Moss, owner of Bob Moss Rexall Drugs, Clarendon, is one of the nation's first Rexall Druggists to receive the new Mortar and Pestle Trophy, presented by the Rexall Drug Company as an annual award to outstanding member-druggists.

The award is an authentic replica of a 16th century bronze mortar and pestle cast at Deventer, The Netherlands, in 1590. It was presented March 18 by Rexall Representative Bob Myers at Clarendon.

The historical mortar and pestle, still an important implement in the druggist's profession, is an ancient symbol of pharmacy. Its use for pulverizing medicinal herbs is recorded in the histories of ancient Egyptians, Hebrews of Biblical times and the Roman era.

In an effort to locate authentic originals, John Bowles, president of the company's Rexall Division, asked for the help of the deans of several colleges of pharmacy and the Smithsonian Institution in Washington, D. C. The curator of the Smithsonian Institution's division of medicine and public health, George B. Griffenhagen, presented Rexall with a comprehensive history of the mortar and pestle beginning in the stone age when primitive man used crude cups and rubbing-stones for grinding food.

The popularity of the mortar and pestle, both as an apothecary's implement and as a tool for grinding kitchen herbs, was at its height in the 16th century in Europe. Many of these mortars found their way into the new American colonies. Today they are coveted as antique treasures for their historic significance and beauty of craftsmanship, and are difficult to locate except in the collections of connoisseurs. A few small collections are owned by pharmacists.

Mr. Moss' Mortar and Pestle Trophy, mounted on a black walnut pedestal with a plaque inscribed with his name and store, will be on display at the prescription department.

The Rexall Drug Company is continuing its search for these valued antiques, and exact replicas will be awarded annually to Rexall druggists who meet exceptionally high standards of professional ideals, ethical practice and community service.

Michelangelo's last name was Buonarrotti.

**GABIE BETTS BURTON LIBRARY NOTES**  
By May L. Prewitt

This week we have received in memory of Mrs. Genry "The Festival of the Opera" by Henry W. Simon. This is a 1957 edition, and "Complete Stories of the Great Opera" by Milton Cross was another memorial given for her. We had desired something concerning Texas musicians and

artists, but the largest Texas book stores did not have anything on the subjects.

From the Prewitt memorial fund are two books. The first is Mari Sandoz's "The Horsecatchers." This is one of her charming Indian stories where the young Indian did not want to be a warrior, but was necessarily compelled to do so in order to be recognized and not be a tribe out cast. The second book is "As High As My Heart" by Al Hirschberg and Sammy Aaronson. This is the story of a life devoted to service to others, and living proof that truth is frequently stranger than fiction. It is a 1957 edition that has been extensively advertised.

There has been some excellent books published this year, but we are without funds, and we have no mending materials at present. All of our recent books have been purchased with memorial funds. We have an excellent collection ready for you to read. Most of our memorial editions are specified when given. They are usually a choice of devotionals or historical. We have built some excellent reading shelf thru this collection of memorials.

**They start even...**

**But 33 days later...**

**Lower-quality starter Improved Super Startena**

**Improved Purina Super Startena gives you... Extra growth you can see and feel**

Cover the right half of the lower picture with your hand. The pullets on the left don't look bad at all, do they? Now uncover the Super Startena-fed birds on the right! Same age... 33 days. Same amount of starter... only 2 pounds. But what a difference in growth!

There is a live-chick demonstration at our store right now. That's where you can see and feel, in the flesh, the extra growth Purina's improved Super Startena puts on chicks. While you're here, check their age and size. Heft one or two of the chicks. Feel the solid, chunky weight of those Super Startena birds. Livability's another big thing. Records from farms all over the country on more than two million Purina-fed chicks showed an average of 97.3% livability!

The same feed that produced birds like these is ready to work for you. Ask us for Purina's improved Super Startena... and get that extra growth you can see and feel.
