

MUENSTER ENTERPRISE

VOLUME XLII

MUENSTER, COOKE COUNTY, TEXAS 76252

JUNE 16, 1978

NUMBER 30

As material for this column, it is hard to imagine anything more appropriate than the current newsletter of Congressman Omar Burleson. It is being quoted here because it contains a message concerning our survival as a free and independent country, a thought that needs to be pondered by every thinking person and especially by our national leaders who are still in position to change the trend. Here is the honorable congressman's very important message.

"The Barbarian armies which finally sacked Rome were smaller than the armies which had been turned back and cut to pieces by Roman legions in earlier times. The barbarians were not stronger — Rome was weaker — self-weakened. At the time Rome was burned, each Roman legion was smaller than before, less heavily armed and less disciplined.

"The Roman Aristocracy no longer provided officers for her legions. Emperors no longer led them in battle and Roman youths increasingly evaded military service. The Romans had become wealthier and afforded "Bread and Circuses" for the idle, both rich and poor. Rome's enemies, who had been defeated in each invasion attempt in the century before, were able to overrun and burn it out only after the Romans' will to resist was lost.

"Could it be that America's will to defend our national interests is being eroded? No one suggests that we are about to fall apart tomorrow, a year from now or perhaps in the next decade. A civilization does not go that way but some of our actions in the aftermath of Vietnam and Watergate are not lost on our adversaries in this world. Our scoring, or a lack thereof, includes the abandonment of our defense of American vessels seized on the high seas — both fishing boats and U. S. Naval craft. Our once superior military power is reduced to what we now hope is "parity" with Russia, as more and more of our military share of the Federal budget has been diverted to "social services." Rome did that too — it made politicians popular in the short run as it does today.

"During the Panama Canal Treaty Debate, there were continuous references to our "generous" or even "courageous" act by yielding to pressures, not only from Panama but other nations jealous of our power. There was also the "of course we could defeat Panama militarily if we wanted to." The question is not our ability but our will. "The will to resist or not to resist has been demonstrated by nations since the fall of Rome. Western democracies were nearly destroyed when Hitler began his rampage in the 1930's. There are always probes for the testing of wills. Small powers test soft spots, first seeking small concessions and, if successful enough, grabbing for the whole thing.

"We can be sure that the Soviets were not looking the other way while we paid ransom for American fishing boats seized by some South American countries, or while we quibbled and palled to get back the crewmen of the Pueblo, or while derision greeted President Ford's attempt to reverse this trend by using troops to recover the crew of the Mayaguez. Our sophisticates howled at the decision, similar to those of the 1930's who asked, "Why die for Danzig?"

"In the aftermath of World War I, disillusionment caused young men to take the "Oxford pledge" which meant never to fight for their country. But when they saw bombs falling on their homes, that generation vindicated themselves in the skies over Britain and the beaches of Normandy. A terrible price was paid and it was almost too late. No such timetable can be adopted in a nuclear war.

"Once we have traded away what has been our superior technology — since we no longer challenge missiles placed in Cuba, have failed to develop the neutron bomb, and have vacillated on developing and maintaining our strength — we are in effect indulging ourselves with "Bread and Circuses."

(Continued on Page 12)

Registration Set Monday for Class In Water Safety

The annual Red Cross water safety program in Muenster will begin next Monday, Mrs. Jeannine Flusche, director announced this week.

Registrations will be held on that date for two classes which are scheduled for June 19-23 and also for June 26-30. The first class is on Rescue and Basic Water Safety to be taught by Mrs. Jo Ann Pagel. The other is an advanced life saving class, the teachers to be assigned later.

Mrs. Flusche said that registration time Monday is 9 a.m., and students should come in swim suits. The minimum age is 11 years.

Following those two courses the community will have its Learn to Swim program for beginners. It will be divided into two weeks, one July 10 to 14, the other July 17 to 21. Registration for both of those classes will be on Saturday, the 8th, 9 to 11 a.m.

Many of the instructors and assistants at the beginner classes will be students completing courses of the next two weeks.

Lindsay Will Have 20th Homecoming On Sunday, the 26th

People of the Lindsay community nowadays are working on preparations for their big 20th annual homecoming to be held on Sunday, June 26. Committees are headed by Leroy Neu, Bill Dankesreiter and Charles Stoffels.

The program will begin with the traditional dinner at 11 a.m. in the school cafeteria. Tickets will sell at \$3.00 for an adult and \$1.50 for a child under 12.

Following the meal visitors will find it convenient to visit the crafts fair in the near-by parish hall. It begins at 11 a.m. and continues until 5 p.m. Next is the picnic at the park from 1 p.m. to midnight. Principal attractions there will be food, beer and soft drinks, games for all ages, socializing and a horseshoe tournament.

Two dances will provide principal entertainment for the night. One is a polka dance in the park pavilion from 7 to 11 with music by The Country Boys of Ennis. The other is a disco dance in the cafeteria starting at 9 p.m.

MHS Cheerleaders At Summer Camp

Cheerleaders of Muenster Public High School are attending National Cheerleaders Association summer camp at Cisco Junior College this week.

They phoned their sponsor, Mrs. Faye Hamric Tuesday night to report progress and elation felt when they won two ribbons, one excellent and one superior. In addition they received the Spirit Stick for one day, Monday.

About 200 students are attending camp. Those from Muenster are Kellie Hale, Kathie Fisher, Lou Dyer, Kim Walterscheid, Renee Reiter, Traci Sawyer and Lisa Trubenbach.

Mrs. Hamric, Mrs. Edgar Dyer and Mrs. Lloyd Trubenbach will be in Cisco Thursday for the talent show and Fun Night and will remain through Friday for the Awards Ceremony. The Muenster cheerleaders will accompany them home Friday afternoon.

Taking them to Cisco last Sunday were Mrs. Kenneth Hale and Mrs. Bobby Dale Walterscheid.

Softball Scores

Girls of the summer softball program have been held to a slow start on their season because of the weather. They were rained out twice and scored as follows the other two nights.

- May 30
Bluebonnets 7, Fisher 3
ESA 19, Hesperian 3
Keaco 18, Tom's Candy 12
- June 8
Fischer 14, GMC 6
Hesperian 22, Hofbauer 17
Tom's Candy 13, Rohmer 12

Many a man who is proud of his right to say what he pleases wishes he had the courage to do so.

SCS Office Has Device to Accept Telephone Calls

People of the area now can establish contact with the local Soil Conservation Service even while personnel are absent from the office.

Ronnie Herring, local conservationist, disclosed this week that a telephone answering device has been installed enabling callers to leave a message.

When a person calls a pre-recorded message asks him to give his name, phone number and purpose of the call, and Herring will return the call as soon as possible.

The phone number of the SCS office is 759-2515.

Kathy Rohmer on New Assignment

Kathy Rohmer, who has taught in the Garland Public School System for two years, has accepted a position as consulting reading teacher there.

She will work primarily with teachers in eight pilot schools and the individualized reading instruction program in their classrooms.

Next summer she will assist new teachers who wish to learn and use this method in their teaching. The course will be in the format of a workshop and teachers attending can receive graduate credit.

In the fall Miss Rohmer will conduct a session at teacher in-service meetings. She spent a recent weekend with her parents, Mr. and Mrs. Urban Rohmer in Muenster and also visited her grandparents, Mr. and Mrs. Jake Kuhn in Lindsay. At present she is attending a workshop in Garland and later will tutor this summer.

Kathy is a 1976 graduate of the University of Texas at Austin and a graduate of Sacred Heart High School where she was class valedictorian. She also excelled in speech classes and was an outstanding 4-H member and leader.

Crash Kills Two Gainesville Youths

Two Gainesville youths, David McFarlin and Matt Hatcher, both 16 and juniors at Gainesville High School, were killed in an auto accident Monday at 9 p.m. on U. S. 377 1.4 miles north of Whitesboro.

Mylynda Joy Diggs, 14, also of Gainesville, was taken to Gainesville Hospital with numerous lacerations.

According to State Trooper the driver of the Gainesville car apparently did not see a pickup pulling a cotton trailer as it turned in front of them.

The youths were sons of Mr. and Mrs. C. A. McFarlin and Mr. and Mrs. Jim Hatcher. Joint services for them were held at 2 p.m. Wednesday in First Baptist Church, Gainesville.

C of C Hears Final Germanfest Report

A final report on Germanfest officers and steering committee. On that occasion Monica Hess received an award for a great job as publicity chairman and Mike Otts of Gainesville received an award for the outstanding single contribution in providing and maintaining the PA system.

Turning toward the future, the Chamber approved a suggestion to publish a brochure updating the data and pictures on the former edition, of which few copies are remaining. Henry Weinzapfel, who had charge of the previous publication, has been asked to do the job again.

Another project of promoting the city's identity is erection of a sign beside FM 373 south of town, somewhat similar to the signs east and west of town. Inquiries about cost and available location will start promptly.

Members also noted that many local people are getting tired of the inconvenience and loss of time in going out of town for a haircut. They wanted the word to get around that a good barber will be very welcome.

Kindergarten Will Resume Half Day Class Next Year

The kindergarten class at Muenster Public School, planned as an all day class next year, will remain a half day class. That was the decision of the school board in last Thursday's meeting after being informed that the Texas Education Agency has reversed its previous intention to fund the full day kindergarten class.

The full day program was adopted by TEA in 1977 to become effective in 1978, with the agency providing funds for teacher pay. Thursday the trustees were told that TEA still favors the full day class and will approve it in the Muenster system, but will provide funds for only a half day class, as in the past. The board was given the option to pay the other half out of the local budget, but decided that it does not have sufficient funds.

The change was a disappointment, according to Superintendent L. B. Bruns. Space was provided in the new kindergarten building to have the pupils divided into two full day classes with a teacher for each. Instead they will be divided, as before, into morning and afternoon classes with one teacher for both. Whereas the intended arrangement would have used the new facilities full time, the two half time classes will use them only half the time.

Sister Mary John Attends Institute

Sister Mary John Seyler attended a Principals' Effectiveness Institute, June 2 to June 9 at the University of Saint Thomas in Houston.

She was among 125 principals of Catholic Schools who gathered to hear Dr. Elinor R. Ford of Fordham University, Brother Edward van Merriboer of Chicago, Sister Bernadette Murphy of Los Angeles, Sister Mary Benet McKinney of Chicago, Sister Bridget Ann Henderson of Phoenix, Arizona, Dr. Angelo Agostino of Washington, Brother Felician Fourier of Baton Rouge, Louisiana, Dr. James Hanlon of Fon du Lac, Wisconsin, Anthony Di Paola of Lexington, Kentucky, and outstanding experts in their respective fields.

The 8 day conference was co-sponsored by the National Catholic Education Association and The Texas Catholic Conference — Superintendents Division.

The Institute was designed to refresh and update the concept of the principal's role as an educational leader, and to learn techniques and methods which will facilitate their renewed vision. Two graduate credits were earned at the Institute.

Pagel's Store Quits Business

Pagel's Store, which has been owned and operated for 69 years by three generations of the same family, will go out of business on Saturday, June 24.

The announcement was made this week by Maurice Pagel, who explained that health along with personal reasons have influenced his decision.

He did not disclose plans for disposal of the store's stock nor the kind of work he intends to take up.

With the closing he and his family express their appreciation for support and friendship during the past twenty two years while he was owner-operator of the store.

Free Dance Will Feature JC Picnic

A free disco dance at the pavilion is a special attraction of the annual Jaycee picnic to be held July 2 at the city park.

Claude Klement, chairman, said that Mike Otts will be there for the duration of the event with his PA system and an assortment of records. Dancers will be welcome any time.

Klement also stated that a number of concessions have been reserved and more are available. Any organization interested in an opportunity to help its treasury is invited to join in the action... preferably before June 19.

Those signed up now are the Quarterback Club, Band Parents, Knights of Columbus, SH Drill Team and Home School Society, along with the Jaycees. The concessions are beer, soft drinks, fried chicken, barbecue, nachos, horseshoes, auction, fish pond and darts.

Dates Changed on Baseball Schedule

A slight change in schedule for the junior division of the summer baseball program was announced this week to correct errors in the original schedule and to make up for games that were rained out on June 2.

- Chuck Bartush Jr., chairman, announced games as follows for three dates.
- Monday, June 26
Bud - Bank
Tuggle - Rangers
Friday, June 30
Rangers - Bank
Dairy Inn - Tuggle
- Monday, July 3
Rangers - Tuggle
Bank - Bud

Bartush also made an appeal to coaches to relieve the umpire shortage by arranging for base umpires at their games. He asks the coach of the home team (listed first on the schedule) to provide a base umpire. The Jaycees are providing umpires behind the plate.

SNAP Will Contact Senior Citizens About Their Needs

The Senior Nutrition and Activities Program (SNAP) has announced the organization of Opportunities FIND, which utilizes outreach workers to seek out people of 60 years or older for the purpose of helping with their individual problems and familiarizing them with SNAP.

The outreach workers will be active through June 30 making door to door contacts throughout the county. Each worker will be wearing a SNAP identification badge.

Senior citizens are encouraged to make use of the opportunity by discussing their needs with the outreach workers, who will be in the Muenster area Tuesday and Thursday of next week.

Lippe Improves

Albert Lippe underwent brain surgery in London, Ontario, Canada, on May 25. Mrs. Lippe accompanied him and remained during his hospitalization. They returned to D-FW on June 5, and spent overnight in Dallas with a son and family. The following day they returned home where Mr. Lippe is making a normal recovery.

More Harvest Delay Caused by Weather

After four days of favorable combining weather, the community's harvest season was suddenly halted Tuesday by a severe thunderstorm which dumped up to 3 inches of rain on areas south of town and as little as a half inch in other areas.

The result is that some farmers expect to be back on the job Thursday or Friday whereas others will be delayed throughout the weekend.

Before Tuesday harvest activity was in high gear. Because of earlier rains, grain cutting did not start until last week Friday. Then with grain and terrain both in fine condition farmers tried to make up for lost time. They worked long days on Friday, Saturday, Sunday and Monday until Tuesday's thunderstorms.

Wayne Klement Is Grand Knight of Local KC Council

Muenster Knights of Columbus at their annual election of officers on June 7 chose Wayne Klement as grand knight succeeding Dale Klement, who had held the office for two years.

Also elected were Harold Flusche as deputy grand knight succeeding Wayne Klement; Ben Fleitman Jr. as advocate succeeding Harold Flusche; Harold Knabe as inside guard succeeding Ben Fleitman Jr.; Robert Knaut as outside guard succeeding Harold Knabe; and Dale Klement as three year trustee succeeding Frank Felderhoff. Trustees who continue in office are Charley Hellman and Dan Hamric.

Members also elected to remain four of their officers. Jerry Walterscheid continues as chancellor, Joe Hellman as recorder, Joe Horn as treasurer and Joe Hoenig as warden.

Also at the meeting members heard a report of delegates to the order's state convention at Galveston in May. Representing the Muenster council there were Wayne Klement, Harold Flusche and J. W. Fisher, and their wives.

Fire Ant Killer Approved by EPA

Anyone who has had a first hand encounter with fire ants should be cheered by the announcement that the Environmental Protection Agency has registered a new product the homeowner can use against these vicious, aggressive insects.

Hundreds of fire ants can swarm in seconds over anyone unlucky enough to have stumbled upon one of their mounds — and so often, the victims are children or pets. Their painful, burning sting can leave a scar like chicken pox and multiple stings can even cause death of sensitive persons. Readers may already be aware that the states of North Carolina, South Carolina, Tennessee, Florida, Georgia, Alabama, Mississippi, Arkansas, Louisiana and Texas have been termed "heavily infested" by the U. S. Department of Agriculture.

And, the harsh fact is, fire ants may begin appearing in large numbers in other states, too. Add to this the difficulty in finding an environmentally desirable product to combat the menacing fire ant and something of the size of the problem becomes apparent.

Past remedies have been found hazardous to the environment and banned by the EPA. Yet the fire ant must be controlled.

That is why all of us should greet with applause the new product called Fire Ant Killer and the private enterprise that is putting it on the market.

Zoecon Industries, headquartered in Dallas, Texas, is marketing the EPA registered product. Two ounces of the concentrate mixed with a gallon of water and applied with a common garden sprinkling can over the fire ant mound can eliminate a major nuisance — and make the surroundings safer. The EPA, too, should be commended for reacting affirmatively in this instance.

During that time they harvested between one third and one half of their crop. With good weather they will have the job mostly finished next week.

Yields apparently are less disappointing than expected, a few reports going as high as 35 bushels an acre, and the over-all crop being near half of last year's bumper crop.

Converted into dollars the shortage is slightly overcome, but not enough. The price of hard wheat was quoted Wednesday at \$2.88 a bushel, which is about \$1.00 above last year.

The rain which shut down the operation Tuesday was about the only moisture of the week. According to Steve Mosler's official record it measured .66 inch and a reading on the 8th was .03. Total rainfall for June to date is 2.93 inches and for the year to date is 18.27 inches.

Temperature has been mostly moderate, according to Mosler's low-high thermometer. It is reported as follows: June 8th, 65 and 82; 9th, 58 & 84; 10th, 62 and 88; 11th, 60 and 94; 12th, 74 and 95; 13th, 72 and 82; 14th, 68 and 90.

Elm Watershed Is Eligible for CAT Federal Funding

Federal funding for Critical Area Treatment of land is now available in the Elm Fork Watershed, according to an announcement this week by Ronnie Herring of the Muenster office of Soil Conservation Service. Heretofore the writing of agreements for CAT projects in the Upper Elm Red Soil and Water Conservation District had been limited to the Clear Creek watershed.

Basically the SCS funded program involves treatment of silt producing gullied areas on an 80-20 cost share basis. The funds are available for shaping gullied areas and sodding to grass, installing grade stabilization structures, and building cost share fences to protect the area during establishment of the grass, and management afterward. Cost share funding is available up to \$40,000 per project.

Persons interested in a CAT program in the Elm Fork Watershed may contact the SCS office in either Muenster or Gainesville.

Bowie Art Show Scheduled June 24

The Jim Bowie Days Sidewalk Art Show will be held in Bowie Saturday, June 24.

Registration, from 8 to 9:30 a.m., will be at the First National Bank, with a fee of \$2.00 per artist.

Roger Iker of Fort Worth will judge eight categories: oil landscape, oil floral or still life, oil figure or portrait, water color, under glass, acrylic, graphics, pastels and abstract or modern.

Awards will be presented at 3 p.m. at the First National Bank parking lot. A \$40 first place award and second, third and honorable mention ribbons will be presented in each category. The Bowie Art Gallery will present a 24x30 inch hand carved, gold leaf wood frame for Best of Show.

Artists may sell their work if they choose and keep the proceeds.

More information may be obtained from Jean Angove, Wanda McDonald at Bowie Art Gallery, or from members of the Bowie Art League or Texas Art League in Bowie.

Texoma Area Gets Home Repair Grant

Congressman Omar Burleson announces the approval of a \$38,817 Community Services Administration grant for the Texoma Regional Planning Commission.

The grant will serve Cooke, Grayson and Fannin Counties and the funds will be used to weatherize homes of those eligible. The effective date of the program is June 1 and will run for twelve months.

City Park Picnic Hosted by SNAP

Senior Citizens of Muenster were guests of SNAP Sunday evening for a picnic supper served in the Pavilion at the City Park. Eighty eight attended and everyone brought a covered dish. Fried chicken was prepared by the Dairy Inn.
 The group assembled about 5 p.m. for visiting, the bountiful supper was served at 6:00.
 Afterwards they were entertained by a program presented by the 49ers Square Dance Club of Gainesville.

To a great measure, our peace of mind is due to what others don't know about us.

Local News BRIEFS

Leo Hartman of George West, Texas, and his son Tom Hartman of San Antonio arrived Tuesday evening to vacation with relatives and to be house guests of their brother and uncle, Victor Hartman and Mrs. Hartman.

Guests of Mrs. Elizabeth Moster have been her daughter and family, the A. W. Eldreds and daughters of Levelland, for a week. Part of the time was spent at the lake with the Damien Mosters and with Mr. Eldred's mother and other relatives in Nocona. The Eldred family returned to Levelland Sunday.

Mrs. Chris Jensen of Wichita Falls was a guest of her sister and brother-in-law, Mr. and Mrs. Hugo Lutkenhaus for five days. She attended the SNAP picnic Sunday evening and joined the group again Tuesday for the regular SNAP meeting. During her visit she also saw other relatives and old friends. Mrs. Jensen returned home Wednesday afternoon.

"I need a holiday," said the pretty cashier. "I'm not looking my best."
 "Nonsense," said the manager.
 "It isn't nonsense, the men are beginning to count their change."

Worried over what to give his girl for her birthday, a boy asked his mother for advice.

"Mom," he said, "if you were 16 years old tomorrow, what would you want?"
 Her heartfelt reply was: "Not another thing."

The shapely blonde dancer finished her act and returned to the male patron's table.
 "Tell me," said the rich playboy, "why do you, a beautiful, talented, educated girl, dance in a cheap sordid joint like this?"
 "I don't know," she replied, "unless it's because I meet a lot more prominent, refined and well educated men here than I did when I worked in the public library."

It takes 2,000 bolts to hold a car together and only one nut to scatter them all over the highway.

You usually pay the most for the things you get for nothing.

Six from Muenster Will Be In 4-H District Horse Show

Ten Cooke County 4-H members, including six from Muenster are preparing to participate in the District IV Horse Show Saturday, June 17, at the Cutter Bill Arena, Denton.

Representing the county are Darren Cheaney, Charlotte Fleitman, Larry Fleitman and Jean Trubenbach of Muenster 4-H; Una Hess and Nancy Sicking of Sacred Heart 4-H; Karla Bennett, David Everman and Rickey Kuykendall of Gainesville 4-H; and Pippa Fennell of Woodbine 4-H.

Each participant may enter one halter class and not more than three performance classes. There will be a total of 210 entries from the 18 counties in Extension District IV who may enter the competition. The total number of entries has been divided among the counties depending on the interest in 4-H horse activities.

Construction continues in the small watershed flood control program administered by the Soil Conservation Service. James Johnson, Project Construction Engineer, inspects the construction of Site 5, Farmers Creek Watershed in the picture at top. At the present time this site is complete, while construction is only beginning on Grade Stabilization Structure 16-1, Denton Creek Watershed, pictured at bottom. Three additional sites are under construction in the Denton Creek Watershed; two flood-water retaining dams are nearing completion in the Choctaw Creek Watershed in Grayson County. The Soil Conservation Service will issue invitations to bid on another structure in the Farmers Creek Watershed near Nocona, Texas, in a few weeks.

A man, filling out a job application, came to the question: "Have you ever been arrested?" His answer was, "No." The next question asking "Why," was meant for those who answered in the affirmative. Nevertheless, he answered it with, "Never got caught."
 The orator had been scoring points on his speech on agriculture. "... and I say to you, my friends," he said, "that it is the farmer who has made this country what it is today."
 "That's right," came an unexpected voice from the crowd, "throw all the blame on the farmer."

Beef Imports Protested By Dairy Farmers

Dairy farmers will bear the brunt of financial losses as a result of any increased meat imports, an official of the nation's largest dairy co-op charged Tuesday in a telegram to President Carter.

Irvin Elkin, Amery, Wis., President of the 22-state Associated Milk Producers, Inc.,

pointed out that beef imports are of the lower grades and are used largely for hamburger meat.

"Nearly half of the nation's hamburger comes from cull cows. In Wisconsin that source of income can mean the difference between profit and loss for dairymen fighting rapidly increasing inflation costs," he said.

In his telegram, Elkin said: "Government interference

with the supply-demand forces that have successfully regulated the beef industry for years will delay our return to abundant domestic beef supplies."

He noted that the futures market for beef animals has already declined rapidly in the past week under the "psychological threat of beef imports."

Those calling for more beef imports should have learned a lesson from the recent history of the dairy industry," Elkin said. He noted that dairy farmers were subject to "similar unwise market manipulations in 1973-74 when subsidized imports of dairy products were used to break farm milk prices."

Looking back, these actions were not in the public interest, he claimed.

"The result was that consumer costs ultimately increased to attract sufficient milk production and U.S. stocks of dairy products still reflect those unneeded imports," Elkin said.

Declining milk supplies indicate that dairymen are culling their herds at a more normal rate now that cow prices have improved. This will ultimately be reflected in hamburger prices, Elkin predicted.

Cull cows are those no longer kept to produce milk because of old age or other factors. Imported beef is of similar quality and used mainly in hamburgers, bologna, fast-food dishes and other commercially prepared food products.

"We can certainly understand President Carter's concern over the increased costs to consumers, but the basic cause of price increases is inflation in areas other than farm prices," Elkin concluded.

Winners Named in Golf Tournament

Steve Qualls and David Price, with a score of 71, were champs in Sacred Heart Alumni's low ball golf tournament Sunday at the Nocona Hills course. Runners up were Frank Hess and Dale Klement with a score of 72.

Other trophy winners were Don Eckart and Fred Fuhrmann as co-champs of Division 2 with Mark Hess and Kevin Pels. Both teams scored 81, and Eckart and Fuhrmann won the coin toss for top prize.

In Division 3 Mike Frost and Ray Barnhill were the leaders at 84, and Virgil Henschel and Lee Roy Hess scored 85.

Division 4 was won by Alvin Hartman and Eddie Stock with 90, and next best was Steve Hess and Harry King with 91.

And the women's top trophy was won by Virgilla Herr and Debbie Walterscheid with 112. Second place was taken by Theresa Mae Walterscheid and Mary Lee Hennigan with 129.

Eighteen men's teams and two ladies teams were entered. Three men's teams finished in the first division, five in the second division, four in the third, and six in the fourth.

Mrs. Luke Hosts Out of Town Kin

Children, grandchildren and great-grandchildren have been visiting Mrs. Ben Luke during the past two weeks.

Arriving on Wednesday, June 7 for a five day vacation were a daughter, Mrs. Charles Denny of San Antonio, accompanied by her daughters and grandchildren Mrs. Victor de la Garza and children Aaron and Vanessa of McAllen and by Mrs. Jim Root of San Antonio. The de la Garza children are Mrs. Luke's only great-grandchildren.

They were joined over the weekend by John Denny and his fiancée and by Jim Root, all of San Antonio, who arrived to attend the wedding of Terri Stulz to Melvin Luke Saturday afternoon.

Saturday and Sunday, guests were Mr. and Mrs. Harold Luke, Peggy, Katie and Chris and his fiancée all of Arlington and late Saturday night Mr. and Mrs. Tim Luke arrived, having just returned from their wedding trip to the Bahamas.

Father Eugene Luke of Subiaco Abbey also arrived Saturday afternoon to attend the wedding of his nephew and Miss Stulz. He is remaining for a week's vacation with his mother and other relatives.

While the Denny's and de la Garza's were here, a four generation photograph was made.

Other family members scheduled to arrive on vacation next week are Dr. and Mrs. Gene Luke, Robert and Donna of Holbrook, Arizona, after a visit in Wisconsin and enroute to visit her parents in Bridge City and friends in Port Arthur.

Arriving a day later will be Mr. and Mrs. Alfred Kuhn and Laurie of Saint Louis. They will also visit his parents, the Jake Kuhns of Lindsay.

Ramona Lynn Walterscheid of Muenster and Timothy Frank Felderhoff of Lewisville have chosen Saturday, July 29, for their wedding day. Their engagement and plans for the wedding have been announced by her parents, Mr. and Mrs. Raymond Walterscheid. Parents of the groom are Mr. and Mrs. Frank Felderhoff.

Father Stephen Eckart will officiate in Sacred Heart Church at 5 p.m.

The bride-elect is a graduate of Sacred Heart High School, attended Grayson County College and Cooke County College and is employed at Jr. Elite. The future groom is a graduate of Muenster High School, attended Cooke County College and is attending the University of Texas at Arlington. He is employed at Mistletoe Express Service in Dallas. They will reside in Arlington.

WATER SPORTS SAFETY

SWIMMING, BOATING AND WATER SKIING ARE IDEAL FAMILY-TYPE SUMMER RECREATIONAL ACTIVITIES, AS LONG AS COMMON SENSE SAFETY RULES ARE FOLLOWED. HOWEVER, THESE RULES SHOULD INCLUDE PRACTISING GOOD HEARING CONSERVATION.

SWIMMERS AND WATER SKIERS SHOULD BE PARTICULARLY ALERT FOR EAR INFECTIONS, SEVERE HEAD COLDS AND EARACHES. ALL OF THESE, WARNS THE BELTONE CRUSADE FOR HEARING CONSERVATION, DESERVE MEDICAL ATTENTION.

LEFT UNATTENDED, OR TREATED WITH SELF-PRESCRIBED MEDICATION, THESE MALADIES CAN LEAD TO SERIOUS AND EVEN PERMANENT HEARING LOSSES.

ALSO, BOATERS SHOULD REMEMBER PROLONGED OR CONTINUOUS EXPOSURE TO EXCESSIVE NOISE CAN PRODUCE HEARING IMPAIRMENTS. FOR THIS REASON, THE CRUSADE OFFICIALS ADVISE OUTBOARD ENTHUSIASTS TO USE PROTECTIVE EAR PLUGS.

THAT ARE FIRST ON DAD'S LIST

Give him a gift of lasting beauty and usefulness:

- A Bulova watch

Phone 759-2232 Muenster, Texas

Rebecca Howell Marries Dale Davis

Rebecca Renee Howell became the bride of Dale Linn Davis on June 3 in Corpus Christi Church of Chambersburg, Pennsylvania. Father Thomas Hoke, assistant pastor, officiated at 2 p.m. Parents of the bride are Mr. and Mrs. Robert Howell of Chambersburg, Pa. The bride is also the granddaughter of Mrs. Victoria Gremminger of Muenster and of

icsburg, Pa. and will live in Walnut Bottom, Pa.

Presented at the altar by her father, the bride was wearing an original wedding gown which she designed and which was created by Betty Rosenbury. The dress featured a Venice Lace bodice fitted over bridal satin, forming a V in front and back. Long sleeves were tapered over the hands. The fully gathered skirt of sheer woven nylon organza over satin formed a cathedral train.

Her mantilla veil, trimmed in matching lace was attached to a Camelot headpiece.

For something old she carried her Grandmother Gremminger's lace handkerchief which she also carried in her own wedding in 1924.

Diamond earrings were borrowed from her best friend and she wore the traditional blue garter.

Bridal flowers were an arm bouquet of white pom poms, mums, write gladioli, blue tipped carnations and dyed baby's breath.

Attendants

Attendants were matron of honor, Stephanie McClure, bride's sister, and bridesmaids Patricia Stewart, a college friend and Jill Howell, sister of the bride. They were identically gowned in azure blue polyester organza, designed with a triple flounce neckline over the fitted bodice; and with a flounce hem in front, ascending in back to form a soft, flowing bustle.

They wore white polypropylene picture hats trimmed in blue. And they carried long stemmed blue-tipped carnations, white daisies, baby's breath and fern.

The best man was Garnet Davis, Jr. brother of the groom. Ushers were Jeff Yeager and David Synder, friends of the groom. All are of Chambersburg, Pennsylvania.

Reception

A reception for 135 guests, followed. Rene Yeager, friend of the bride, was at the bride's book. Catering was by the Copper Kettle.

For the wedding and reception the mother of the bride wore a coral pink chiffon floor length dress. The mother of the groom wore an aqua formal two piece ensemble of Talbot knit. Both mothers and the three grandmothers had corsages of white pompom mums, miniature carnations and baby's breath.

Attending from Texas were the bride's grandmother, Mrs. Victoria Gremminger of Muenster, an aunt and cousin Marian and Rachel Mayer of Pilot Point, the bride's paternal grandmother, Mrs. O. R. Howell of Fort Worth and another uncle and aunt., Mr. and Mrs. John Broadnax of Dallas.

Mrs. Gremminger and her daughter and granddaughter of Pilot Point returned Friday after several days in Pennsylvania and about four days sightseeing enroute. They stopped in Memphis, Tennessee where her sister, Mrs. Margaret Rasch was visiting. She accompanied them to Muenster and together they spent Monday visiting other brothers and sisters in Scotland, Windthorst and Fort Worth. Mrs. Rasch returned to Houston Wednesday.

Reunion Observes Tony Felderhoff's 76th Birthday

Children and grandchildren observed the 76th birthday of Tony Felderhoff Sunday afternoon and evening during a family gathering, dinner and birthday party.

There was a decorated cake, to serve for dessert and there were gifts and many good wishes for the honoree.

Attending were the Charles Felderhoff family of Dallas, the A. J. Felderhoff family of Gainesville and the Alvin Hartman, Sylvan Walterscheid and Joe Felderhoff families of Muenster.

Local News BRIEFS

Gina Felderhoff has returned to Texas Tech University, to attend the summer session. She spent a three week vacation here with her parents, Mr. and Mrs. Arthur Felderhoff.

Mr. and Mrs. David Fette of College Station were weekend guests of his parents and brother, Mr. and Mrs. R. N. Fette and Bernie. They came to attend the Luke-Stulz wedding Saturday.

Mr. and Mrs. Gene Hartman, Jeanna, Pam and Doug and a friend of Denton were guests of relatives of the Hartmans and Cains Saturday through Monday. Jeanna arrived Thursday to visit the Alvin Hartmans and accompanied her parents Monday.

Beat Inflation!

Though it's not official, the odds are that car prices will go up when the new models come out.

You can avoid the increase by choosing a '78.

But Hurry! They will not be available long. Factories will shut down soon to get ready for making the '79s.

Tuggle Motor Co.

Muenster

IF YOUR AIR CONDITIONER IS SET TOO LOW, YOU'LL FEEL IT RIGHT HERE...

During the summer months, the cost of operating air conditioning equipment is the biggest factor in the electric bills of most Texas Power & Light customers. You can enjoy the comfort of air conditioning and hold down the amount of your electric bill by setting the thermostat on 78° or higher. But, you may say, "I like it set at 72°!" Consider the cost of the 6° difference. If the outside temperature is 95°, every degree you set your thermostat below 78° increases your cooling cost about 12%. This means, of course, that your cooling bill will be about 72% higher if the thermostat is set at 72° than if it is set at 78°. For still more savings on your cooling bill, make sure your home is adequately insulated...check weatherstripping and caulking around windows and doors...close blinds or draperies to keep out direct sunlight...keep the fireplace damper closed...and clean or replace filters at least every 30 days.

Yosten Baptism

Michael Cedric Yosten, infant son of Mr. and Mrs. Cy Yosten was baptized Sunday afternoon in St. William's Church in Greenville, and officiated by the pastor. Baptismal sponsors were Mr. and Mrs. Virgil Hess. Also attending were the maternal grandparents, Mr. and Mrs. Albert Hess and Miss Connie Lutkenhaus. All were guests for dinner in the family home following the baptism.

Ben Sicking Descendants Gather Sunday for Reunion

Descendants of Mr. and Mrs. Ben Sicking reunited Sunday with a picnic dinner and supper at Sycamore Lake. It was a covered dish event with games, visiting and reminiscing and was arranged to honor Mr. and Mrs. Ernest Sicking of Laurens, South Carolina, who came the greatest distance and her brother and his wife, Mr. and Mrs. Amos Greene Jr. of Laurinburg, North Carolina, who accompanied them, arriving Saturday. Both couples were house guests of Mr. and Mrs. Alois Rohmer.

Also attending the reunion were Mr. and Mrs. Alois Rohmer, of Muenster, Mr. and Mrs. Don Fusco and Brett of Wichita, Kansas, Mr. and Mrs. Glenn Rohmer of Arlington, Neil Rohmer of Muenster; Mr. and Mrs. Ray Klement of Muenster, Mr. and Mrs. Lloyd Klement, Mindy and Steven of Denton, Mr. and Mrs. Lyle Klement of College Station, Lynn Joe Klement of Bay City, Mr. and Mrs. Dale Klement, Keith, Tina and Cody of Muenster.

Mr. and Mrs. Bernard Sicking, Denise and Allen of Muenster, Mrs. Lorraine Matthews, Charlotte and David of Gainesville, Mrs. Betty Jean Schneck, Shelley and Lisa of Lewisville, Mr. and Mrs. Jim Sicking, Shawn and Jamie of Tulsa, Okla., Mrs. Judy Merritt of Little Rock, Ark., Mr. and Mrs. Melvin Sicking, Cari Ann, Jenny and Mitzi of Woodbine, Mr. and Mrs. Wayne Sicking, Jeffrey, Tonya and Tammy of Arlington, Mr. and Mrs. Herbert Sicking of Rosston, Mr. and Mrs. Don Schaad, Shannon and Cory of Lindsay.

Mr. and Mrs. Leo Sicking of Muenster, Mr. and Mrs. Brett Wiggins of Dallas, Charles Sicking of Austin, Kevin Sicking of Houston, Dan Sicking of Tyler, Mr. and Mrs. Joe Sicking, Chris and Sharon of Muenster, Robert Sicking, Ann and Rose Sicking all of

Arlington, Mrs. Dolores Stark of Irving.

Mr. and Mrs. Ollie Sicking, Helen and Carl of Gainesville, Mr. and Mrs. Donald Sicking of Gainesville, Margie Sicking of Dallas, Shirley Sicking of Arlington, Mr. and Mrs. Paul Sicking of Myra, Mrs. Randy Reiter of Era, Mark Sicking, Marla, Stacie, Dora and Matt Sicking all of Myra. Mr. and Mrs. Wilfred Sicking, Nancy and Gary of Muenster, Mr. and Mrs. Keith Clegg and Mr. and Mrs. Sam Sparkman all of Gainesville, and Cindy Feldehoff of College Station.

When the Don Fuscos returned to Wichita, Kansas, their young son Brett accompanied them, after a two week visit with his grandparents, the Alois Rohmers.

Pentons Observe 20th Anniversary

Mr. and Mrs. Jim Penton of Rosston observed their 20th wedding anniversary Wednesday, June 14. They were married in Powell, Wyoming, on Flag Day, 1958. The special day is always observed and the flag is always flown at their home on that day.

Mrs. Penton was a Wisconsin school teacher and Mr. Penton was a Ranch Foreman for a Wyoming Dude Ranch near Cody, Wyoming, when they were married.

TOWER TALKS
by U.S. Senator for Texas
JOHN TOWER

Labor Reforms?

WASHINGTON—Reform means different things to different people.

Most people believe it should stand for change which improves our lives or the laws which govern our social conduct.

Reform is a popular theme in Washington. Attach it to any piece of legislation and it automatically carries with it redeeming social or economic value.

Reform as it has been applied to the so-called Labor Law Reform Act of 1978, however, is so much malarkey. This legislation is not reform in any sense of the word, and the Senate now is engaged in extended debate to separate truth from myth.

Those who favor changes in the National Labor Relations Act claim the only result would be modest improvements in procedures governing collective bargaining.

Those of us in the Senate leadership opposed to this bill recognize it for what it really is: not a modest measure to improve procedures in labor-management at all, but a shrewdly calculated attempt by organized labor to load the dice against business—particularly small business—while making union membership the prerequisite for employment. In effect, George Meany would become the Personnel Director for every business across the country.

In Texas, our strong right-to-work laws have always ensured worker freedoms at the place of employment. Texans enjoy the right to choose whether or not union membership is their cup of tea. That's the way Texans want it, and that's the way it should be nationwide.

If this legislation passes, it won't be. Even a very basic review of the legislation suggests that much more is involved. About the only procedures that would be streamlined would be those working to confer special privilege on big labor unions—particularly to speed up union representation elections.

Of special concern to me in opposing this legislation is that employees would have diminished rights of free choice about whether or not they should join a union.

Moreover, the balance of rights between labor and management so painstakingly written into current law would be lopsidedly weighted in favor of unions. Wage and benefit settlements under this legislation could be determined by the Federal government on the basis of nationwide statistics, regardless of the size of business involved.

Those companies who "willfully violate" the law would be "blacklisted" from receiving Federal contracts for a period of three years, yet another example of the drastic change in the nature of the law under this proposed bill from a remedial one to a punitive one.

Such punitive actions against small businesses, the backbone of our economic vitality, would squeeze the lifeblood out of all those small concerns which rely on government contracts for survival.

Combine these provisions with the bill's recognized inflationary impact, which economists have said would add 4.5% to consumer prices in Texas for each 10% increase in labor force unionization, and the result is bad legislation which would make even worse law.

"Reforms" of this kind Texans don't want or need.

Vacation Ends for Arnold Mullers
 Mr. and Mrs. Arnold Muller, Sherri and David are at home again after vacationing in Oklahoma, Kansas, Nebraska and Iowa.

In West Point, Nebraska, and Storm Lake, Iowa, they were guests of relatives. In West Point the temperature was 38 degrees Thursday morning. Corn crops were just coming up, some fields were about 6 to 12 inches high.

The Mullers toured the Grotto of the Redemption in West Bend, Iowa.

They renewed friendships and acquaintances with many cousins visited 15 years ago and in Laurens, Iowa, visited a 93 year old uncle, and met a nun cousin for the first time in Howells, Nebraska.

The Mullers also saw the Pony Express Museum in Marysville, Kansas, and, returning through Oklahoma toured Frontier City in Oklahoma City.

Hostesses for the game party at St. Richard's Villa Wednesday afternoon were Cecilia Huchton, Lu Vogel, Romana Bayer and Margaret Fisher.

Sister Anselma Haverkamp has returned to Jonesboro, Arkansas, following a two week vacation here with relatives. She visited her brothers and their families and a number of nieces and nephews.

 Office Boy — "No, sir, but I kin learn."
 Teacher: Give me a sentence with the word 'eclipse' in it."
 Glenn: "When my grandad sees a funny joke eclipse it out."

Consumer Scene

Do It Yourself — And Save

A great many Americans, discouraged at the prospects of buying a new home this year, plan to renovate their present homes instead.

Actually, such renovation makes good sense. It will make the home more enjoyable to the family and may help increase its resale value later when it comes time to move to a newer or larger home.

The kitchen is most often the focal point for renovation, says Jane Butel Silver, manager of General Electric's Consumers Institute.

"If you're planning to re-do the kitchen, remember that you may be able to save a substantial amount of money if you do it yourself," says Mrs. Silver. The savings may make the difference between doing the job all at one time or spreading it out. Or you may save enough to permit the addition of another appliance, such as a trash compactor.

Pre-glued wallpaper, adhesive-backed floor tile, pre-built cupboards and base cabinets—all are designed to help the home handyman. Even major appliance manufacturers are making their products easier for the home handyman to self-install.

For instance, General Electric's Potscrubber II™ dishwashers come with an installation module to simplify electrical and plumbing connections. The installation module is first connected to the house electrical and plumbing connections, then attached to the kitchen floor before the dishwasher is pushed into position under the counter. The module allows the handyman clear access for easy snap-on connections of the dishwasher's plumbing and wiring.

Also available from GE is a dishwasher replacement kit which can be used to replace most dishwashers with a new General Electric built-in model.

Another job-made easier for the home handyman is replacing a food waste disposer. With General Electric's simplified mounting system, you simply position a mounting head in the mouth of the sink, tighten three bolts, then slip the disposer into the mounting head.

Twist the unit, and it snaps into place and locks. All that remains is connecting the plumbing and electricity. General Electric has a booklet that gives simple do-it-yourself instructions for installing a disposer.

Or if you wish to save money on a refrigerator with automatic icemaker, says Mrs. Silver, you can buy them separately and install the icemaker yourself. Installation directions come with every GE automatic icemaker kit.

If there is one appliance which says "modern" in almost any kitchen, it's the trash compactor. And it's a snap to install. Simply slide it into place and plug into any grounded, three-prong 110-volt outlet.

Homemakers Hear Plant Care Talk

A program on Plant Care was presented to the Young Homemakers on Wednesday, June 7 at 7:30 p.m. in the MHS Homemaking Department. Roger Taylor of the Garden Center was the speaker. He was presented by Jolene Richey, vice president of the Muenster chapter. Taylor spoke on the variety of indoor plants, selection of suitable containers, types of potting soil, care and light requirements. He donated a potted ivy used in his demonstration and members selected Pam Dangelmayr as the recipient.

Joni Sturm, advisor to the Muenster chapter, presented a gift of appreciation.

During the business meeting conducted by Pam Dangelmayr, a card of thanks was read from the Cooke County Development Center for hand puppets given by Young Homemakers.

Theme of the 1978-79 club year will be "From Self to Others". Committee memberships were assigned for the coming year.

The club is now completing its first year. New officers elected on June 7 for the club's second year are as follows: Sue Trachta president, Sharlene Schilling vice president, Cindy Gehrig secretary, Alice Walterscheid treasurer, Janet Fisher reporter, Marlene Pagel historian, Jolene Richey parliamentarian.

Retiring officers, having completed the first year, are Pam Dangelmayr president, Jolene Richey vice president, Glenda Russell secretary, Donna Simmons treasurer, Kathy Sicking reporter.

Pam Dangelmayr presented a gift of appreciation to Joni Sturm, advisor. Members discussed coming events, including a social during the summer, when husbands will be guests. Plans were also begun to assemble a scrapbook.

Refreshments were served by Sharlene Pagel and Cindy Gehrig.

The next business meeting will be in September when newly elected officers will preside.

Third Order Has Reception Sunday

Cecilia Huchton became a professed member of the Third Order of St. Francis, during the regular Sunday meeting on June 11. Father Placidus Eckart officiated for the reception and profession. Fifteen members attended.

During the business meeting conducted by Mrs. Leo Henscheid, routine reports were given by Lu Vogel and Mrs. Felix Yosten.

Letters from the Order's two adopted families in India, were read. They told of the illness of mothers, Elsie Devassay and Elia Domini.

Semmonettes on Prayer from the Franciscan Herald were given by Lu Vogel and Marie Henscheid. The group recited the Consecration to the Sacred Heart and followed with the closing ceremony.

H. Stoffels Have Mexico Vacation

Mr. and Mrs. Herman Stoffels and children Connie, Craig and Sally have returned from a week's vacation. Enroute to San Antonio for a weekend, they were joined by a son-in-law, Kenneth Atkins, after he visited his parents in Decatur. His wife, Janel flew from Edinburg to join them for the sight-seeing weekend in San Antonio and together they drove to Edinburg for several days and all continued together sightseeing in Old Mexico at Reynosa and Matamoras. They also enjoyed picnics and swimming at Padre Island.

Fleitmans Return From Vacation Trip

Mr. and Mrs. Alvin Fleitman and family Barry, Steven, Shelly and David of Gainesville spent a delightful vacation traveling in several states and Texas recently.

They toured Carlsbad Caverns and tourist attractions nearby, Tucson and Phoenix, Arizona and the Grand Canyon.

Then they drove to the Four Corners of Arizona, Utah, Colorado and New Mexico. They returned through Farmington, New Mexico and Albuquerque. Back in Texas again, they drove to Hereford where they were guests of relatives, the Ewald Berends, Nick Yostens, Leroy Berends, Ray Berends and the Tommy Albreights.

The largest fish is the whale shark, the smallest a goby, less than an inch long.

A member of the older generation stated, "I survived WW II, three auto accidents, 2 bad marriages, 4 grandchildren, 2 depressions, 13 company strikes, 3 mortgages, a bankruptcy — and some fresh teenager tells me: You don't know what life is all about."

BIRTHS

Mr. and Mrs. August Felderhoff are parents of a daughter, Vanessa Suzanne, born at Muenster Memorial Hospital on Monday, June 12 at 7:04 a.m. weighing 9 lb. 3 1/2 oz. She is a baby sister for Gussie and Julie and a new granddaughter for Mr. and Mrs. Hubert Felderhoff and Mr. and Mrs. Henry Droll, all of Muenster.

Forestburg News

By Myrt Denham

Why is it that we, the people, think that any thing we get from the government is FREE? Free to who? We want the government to bail us out of all sorts of predicaments, troubles, problems, etc. — because we think it is not costing us anything — we think we are gonna get something for nothing. Let us wake up — it is our money the government spends — our tax dollars. So the more demands we, the people, make on Uncle Sam to help us out — the more taxes are slopped on us for the payment of these ever increasing demands of ours. It is about time we do things for ourselves and not always be wanting "the government" to do it all for us — for free — we think. There just is no such thing as a "free lunch" — it's costing someone.

On Sunday, May 28, 1978, the Hunter Family Reunion was held in the Annex of the Forestburg United Methodist Church. The three Hunters present at this gathering were Mrs. Ray (Ted) Jackson of Forestburg, a sister Mrs. L. C. Griffin of Arlington and their brother Jay D. Hunter of Elwood, New Jersey. Mrs. Jackson did not have the faintest idea that her brother would be there — it was kept from her until he arrived on the scene with the other sister — Mrs. Griffin where he had been staying since the Friday previous to the reunion. His coming was a "surprise gift" for Mrs. Jackson since she celebrated a birthday, May 30th. Others present were: Mr. and Mrs. Jack Woods and children Kay and Dennis and L. C. Griffin of Arlington, Mr. and Mrs. J. T. McCandless and Todd of Matador, Mr. and Mrs. John Brogdon of Miami, Tex., Mrs. Randy Williams of Shamrock, Mr. and Mrs. Bill Jackson of Decatur, Mr. and Mrs. Elvin R. Jackson of Gainesville, Mr. and Mrs. Randy Bird of Bridgeport, Mr. and Mrs. Jack C. Dill and Vatori, Mr. and Mrs. Larry Dill, Mr. and Mrs. Charles Dill and Keith, Ray (Ted) Jackson all of Forestburg and Mr. and Mrs. Joel Campbell and sons Kile and Kevan of Roanoke, Tex.

Mr. and Mrs. Freddie Wil-

liams of Eldorado were May 27th weekend guests in the home of his parents the Fred Williams out Mallard Way.

Mr. and Mrs. Terry Brewer of Borger and Mrs. Bertha Thompson of Burk Burnett visited Monday, May 29th, with Mrs. Martilla Brewer. I would like to add here this Terry Brewer is not the son of Elmo and Imogene Brewer. He is another Terry.

Mrs. Lela Moler of Plainview, Arkansas, and Mrs. Georgia Kitchens of Marietta, Okla., visited with Mrs. Cleo Lanier Tuesday, May 30th.

The 3rd and 4th grade students of the Forestburg Grade School plus some of their mothers and faculty members honored Mrs. Vesta Carter with a Surprise Farewell Party Tuesday, May 30th, at the school. They had a nice cake

baked for the occasion with the inscription across the top, "We all love you Mrs. Carter" and across the bottom it read "30 years Service". Along with the cake all present enjoyed punch and homemade ice cream. Then that night at the graduation of 7th & 8th grade students into high school Mrs. Carter was presented with a 30 year plaque.

Mr. and Mrs. Joe Hunt of

New Harp attended funeral services for Aubrey Simmons Monday, May 29th in Winfield, Kansas. Aubrey Simmons was a brother to Mrs. Hunt's father the late Vernie Simmons.

Mrs. Louise Shults visited with her daughter and family, Mr. and Mrs. John Blankenship of Lindsay, Okla., the week of May 29th and attended the graduation exer-

cises for her grandson Ricky Blankenship.

IT HAPPENED 40 YEARS AGO

June 10, 1938

Father Herman Laux and Father Sylvester Schad celebrate first solemn Masses at Lindsay. Local REA Co-op chapter is accepted; organizing procedure continues. Father Vincent Orth celebrates silver anniversary Mass on same altar as first Mass in Muenster 25 years ago. Water connection to cemetery is complete. Rosabell Miller and Stan Yosten marry. Joe Hundt of Lindsay sells first load of county wheat. Threshers here are ready to run. Lonja Gieb of Lindsay left this week to enter nurses training at Oklahoma City.

25 YEARS AGO

June 12, 1953

Harvesting is steady on best grain crop in Muenster history. Charley Hellman is elected grand knight of local KC council. Joe Fisher Sr. has returned from a visit in Alaska and Canada making the trip conducted by WFAA Farm Editor Murray Cox. Father Cletus Post joins Laneri High faculty. City residents hit new high in water consumption Monday using 174,000 gallons. The Henry Sprengel family moves to Muenster from Gainesville. Doris Lee Eberhart and Monte Hellman marry. Mrs. Tony Gremminger is new president and Mrs. Steve Mosler new secretary of Civic League and Garden Club. Merger of local schools is rejected; Muenster will continue to have two schools.

15 YEARS AGO

June 4, 1963

Muenster is ready for homecoming Sunday. Shower measuring .33 inch arrives near end of local harvest. City council starts job of equalizing taxes. Leonard Vogel, 22, escapes death in oil rig 50-foot fall. Six are enrolled in senior life saving course at local pool. George Petrus and Jane Weinzapfel join public school faculty. Mike (Continued on Page 10)

Drive Nets \$279 For Mental Health

The Muenster community has contributed \$279.15 in this year's drive for the Mental Health Association. The fund was collected during May, mental health month, by bell-ringer workers headed by Mrs. Harold Bindel.

Proceeds benefit the non-profit, non-governmental agency whose members are dedicated to fighting mental illness while working on behalf of the mentally ill and their families. The association exists entirely on donations.

Funds raised in the local campaign will be used to purchase and distribute free literature to the public on mental health topics, as well as to support other programs of the association.

It was bad enough for the government to live beyond its income. But now it's even worse when the government is living beyond almost everyone's income.

20 YEARS AGO

June 13, 1958

Prolonged dry spell is good for grain but bad for corn crop. Civic League and Garden Club will get new sidewalk built for parish cemetery. Semi-annual collection Sunday nets \$270 for cemetery fund. Virgil Henscheid writes of safe arrival in Germany. Red Cross senior life saving class will start Tuesday at local pool. Herman Stoffels is a patient at McKinney VA Hospital. Mrs. R. D. Martin and daughter Kathy will leave Sunday for a visit with her parents in France. Mrs. Vincent Baker and sons and Peg Hinkamp of Chicago are visiting here. The Nick Mayers and family of Chicago are spending their vacation here

35 YEARS AGO

June 11, 1943

Muenster KC Council elects Nick Miller grand knight. M. J. Endres sells store to Dallas men and retires. Large crowd attends concert by Father Richard's Youth Band. Funeral services are held for Marvin Wilson at Gainesville. Muenster farmers begin harvesting. Five dollar auto use stamp goes on sale. Jimmy Lehnertz reports OK in Africa after participating in the battles of Tunisia, etc. Laura Huchton receives nursing diploma in Sherman. Garden Club has annual pilgrimage and gladioli exhibit.

30 YEARS AGO

June 11, 1948

Harvest continues at top speed after short stop for rain. Elaborate ceremony will observe Fatima pilgrimage event here. Chris Buss, pioneer Lindsay resident, dies at Wichita Falls. Johann Seyler and Gladys Wilde receive degrees in graduation at Lubbock. Mrs. David Trachta is elected president of Muenster VFW Auxiliary. Boy Scouts collect for Oregon Flood relief. Joe Trachta and Elmer Fette are representing the Muenster Fire Department at the annual state convention in San Antonio.

Also available with safety toe.

Which Came First . . .

The Chicken Or Egg Tree

Everyone has humorously wondered at one time or another, "which came first, the chicken or the egg."

"Well, just possibly neither! It very well could be the Egg Tree." According to Roger Hunt, popularly known as the egg farmer without chickens, the earliest reference to the Egg Tree dates back to the fifth century A.D.

Fashionable ladies in China used a dye from the plant to stain and polish their teeth.

The Spaniards first brought the plant to America, and since 1806, purple and white varieties have been growing in America.

Egg Tree seeds sprout within 14 days, and with plenty of sunshine, beautiful purple flowers appear in about two months. The flowers produce white, hen-sized "eggs" which change to a golden color as they ripen. The sturdy plant will grow three feet tall, and bear, year-round, for up to three years.

The edible low-calorie fruit is prepared like egg-plant and has a slightly melon-y taste.

The plant is easily maintained in a 3-5 gallon container, indoors or out.

Seeds are guaranteed, and will grow into a lovely ornamental conversation piece, with eggs that any hen would envy, and any gardener would crow about!

Seeds are available for \$2.00 by writing: The Egg Tree, P.O. Box 946, Dade City, Florida 33525.

Rody Klement, Jerome Pagel, Dickie Pagel

Years Ago - - -

Keiss finishes junior college in La. Early observance of golden wedding greets Mr. and Mrs. Joe Sturm. Father Edward Devers marks silver jubilee in priesthood. Charlotte Wolf and Janice Vogel take third place in state contest at A&M. Work starts on new home for Leo Hesse. New arrivals, boys for Messrs. and Mmes. Gunther Goetz and Frances Wiese; a girl for the Ferd Luttmers.

10 YEARS AGO
June 14, 1968

Robert Bayer is named Democratic nominee for Prec. 4 commissioner. Martin Klement is elected grand knight of local KC council. David Haverkamp starts in shop business as Louie Roberg quits. Ed Pautler, 58, dies of heart attack. Fred Hennigan quits garbage hauling. Carl Walterscheid heads J&L Supply. Cemetery collection nets \$326. Homes are being built for Alois Rohmer, Maurus Rohmer, James Mollenkopf, Ludwig Kieninger and John Neu Jr. Outlook improves in local harvest following dry weather. The David Brights and Herbie Millers move into their new homes. Mr. and Mrs. John Ayles and three children are here from N. Africa before move to S. Africa. Sharlene Wimmer and Duwayne Schilling marry. New arrivals: a boy for the James Krahl; girls for the Paul Sandmanns. Raymond Sandmanns and Manola Penas.

5 YEARS AGO
June 15, 1973

Rain measure is .89... weather further delays grain harvest. Father Stephen Eckart of Subiaco is assigned to Muenster as assistant pastor and Father Bede Mitchell is assigned as assistant at Lindsay. Father Leonard Wangler leaves Muenster to teach at Subiaco Academy. Richard Endres gets M.D. degree, second native son from Muenster to become a medical doctor. Thieves get 500 gallons of gas from Precinct 3 barn. Ten local organizations join to put on July 3 picnic. Sixteen 4-Hers from Muenster place in State Roundup at A&M. Dinner observes 25th anniversary of VFW Auxiliary in Muenster. Tom Hess enters the Army. Muenster track team wins ribbons galore at Gainesville meet. Marlea Thompson and Craig Rosenbaum say farewell to county 4-Hers before leaving for new assignments. Airman Gary Doughty and Monica Wolf, newlyweds, make home in Clovis, N. M. Ricky Allen and Donna Muller marry. Arthur Endres travel in Europe. New arrival: a boy for the Roy Reiters.

YOU CAN BANK ON IT!

There's no official estimate of what's going to happen to future energy prices. But indications are they will increase about 10%-12% a year. At 12% compounded, the price doubles in six years; triples in less than 10. A few minor alterations in your home could cut energy consumption by as much as 30% and save you hundreds of dollars a year. A few examples include...

Top quality windows reducing leakage. A poor fitting window not weather-stripped will allow 5 1/2 times as much air infiltration as an average-fit window that is weatherstripped. In a typical dwelling, lighting is the fourth largest user of energy. In summer, lighting may add 600-700 BTU's to the average cooling requirement. A change-over to fluorescent lighting could cut energy consumption for cooling as much as 75%.

If you need help in financing home improvements to increase energy efficiency, see any of our officers. When they advise you on financial aid... You can BANK on it.

Forestburg News -
 Mr. and Mrs. George Morby and Willie Orrell attended the Senior High School graduation exercises for Cuira Orrell in Texarkana Thurs. nite, June 1st. Cuira is the daughter of Dolly & Leo Orrell.
 Mrs. Ruth (Magee) Tallman of Montague and Tina Brewer of Sunset spent Thurs. nite, June 1st with Mrs. Elizabeth Orrell. They had a wonderful time talking and discussing the Uz Community

— its past, the folks that used to live there and go to school there, etc.
 Mr. and Mrs. Hoyt Mann of Midland arrived in the area June 1st to spend some time visiting her parents Mr. and Mrs. Fred Campsey.
 The 1978 graduating seniors trip this year was confined to the State of Texas. They toured Austin and San Antonio plus many other points of interest. They were accompanied on their trip by the sponsors, Mrs. Lisa Fortenberry and Lester W. Boyd.

Mr. and Mrs. Bud Foster, James and Julie of Carrollton visited the Charlie Meyers Saturday, June 3rd.
 Mrs. Janice Greenwood and son Rodney Dale and a friend of Rodney's visited the V. G. Greenwoods, Thurs., June 1st. These folks are from Pilot Point.
 Mr. and Mrs. Haskell Perry of Plainview, Calif., visited the Greenwoods and Joe Hunts Sat. June 3rd. Mrs. Haskell is the former June Hunt, daughter of Mr. and Mrs. John Hunt who reside in Plainview, also.

To the many of Mae Lander's friends we would like to say she is now a resident of the Saint Richards Villa Nursing Home in Muenster. Mae is in real bad health we are sad to report. She also celebrated (or had a) birthday June 1st.
 Forestburg now has several from here residing in Saint Richards Villa. Mmes. Bess Orrell, Eula Moore, Mary Griffin, Josie Journagen, and now Mae Landers.

The poor cattlemen were given another low blow by our President the other day — with this increase of foreign beef. It is my opinion that this country should not import anything we have plenty of here in this country. We should import only what we need and export what other countries need from us. Well, the "big wigs" in Washington couldn't care less about the farmer and rancher — we are in the minority and the consumer in the majority. Votes are what they are interested in — not what is good for their own people. So the biggest vote is with the consumers! Remember this is my view-point on the matter — not of this paper.

Am told that the Dewey Homecoming Sunday, June 4th, was a big success. Not as many attended but those that did attend really had themselves a good time.
 Mr. and Mrs. Herbert Gardner of Enid, Okla., were in the area the weekend of June 2nd visiting relatives. They were houseguests of Mr. and Mrs. W. T. Reynolds.
 Mr. and Mrs. Ray (Ted) Jackson visited with Mr. and Mrs. Bill Eason of Era Saturday, June 3rd. Bill and Ted are cousins.
 The Forestburg Baptist and United Methodist Churches held their annual combined Vacation Church School from Monday p.m., June 5th, thru Fri., June 9th. The report is that it was a very good church school.
 Mr. and Mrs. T. W. Smith of New Braunfels and the Burg celebrated their 37th Wedding Anniversary Sat., June 3rd. Mrs. Smith and I got to comparing information and found that they and us Den-

hams both married in the Methodist Parsonage in New Braunfels with the same pastor tying the knots — Rev. C. C. McKinney. Also we married in the same year — 1941 — the Smiths in June and we in August.
 Mrs. Betty Reynolds was off and away to Decatur Thurs. A.M. June 8th to attend the Homemaking Day of the Relief Society of the LDS Church in the home of Mrs. Susan Porter.
 Mrs. Mary Smith is still a patient in the Westgate Hospital in Denton. Mary is the wife of Chuck Smith. Let us all remember her with our cards and well wishes.
 Perryman and I took a little time away from our "perch on the hill" Saturday, June 10th, to visit some of Perryman's Denham relatives. We drove to Boyd to visit with Mrs. Lillie (Denham) Tinney — her husband was the late Lee Qinnay. Lillies father and Perryman's grandfather — the late John S. Denham — were brothers. One of Lillies daughters — Julia Lou of Dallas was there and another daughter Pat stopped by. It was a most enjoyable afternoon. We were accompanied to Boyd by Perryman's mother Mrs. Joe Denham of Bowie and Mrs. Tom (Gladys) Qinnay of Alvord. Gladys and Lillie are sisters-in-law.

During the war years of 1941-45 a lot of folks left the Forestburg area for greener pastures else where. Guess a lot of folks could afford to leave but the biggest percentage of those that left have never been able to afford to return even if they wanted to. Some have returned to stay and managed to survive but a few would have been in "lusher pasture" had they not returned to stay.
 First this area was invaded by worms — that ate everything in sight — now it is grasshoppers. They have invaded the area by the millions and are eating everything in their path. What can

Chart A Course To Safe Boating
 The lyrics to a popular old song begin, "Up a lazy river by an old mill 'n'..." conjuring up thoughts of a quiet, peaceful day on the water — perhaps in a small boat.
 However, finding a "lazy river" in which to navigate today is not nearly as easy as it used to be. It's estimated that there are more than 10 million boats cruising our nation's waterways today — an increase of some 25 percent since 1968.
 With the water becoming increasingly crowded, the possibility of accidents naturally grows as well. Milton Nachbar, director of loss control for CNA Insurance, points out that nine out of 10 drownings involve occupants of small boats, and in 1976 boating accidents resulted in 1,264 fatalities.
 As a precaution to potential danger, Nachbar recommends that the weekend navigator first conduct a thorough safety inspection of his or her boat. The following tips are suggested:
 • While fueling, close all hatches, ports and doors to keep gas vapors out. Avoid smoking on board.
 • Keep an approved fire extinguisher on hand and check it regularly.
 • Make sure your boat is equipped with approved life preservers and request that passengers wear them at all times.
 • Avoid accidents by enforcing a "no horse play" rule.
 • Learn to "read" the weather, check forecasts and keep a portable radio handy for up-to-date weather information.
 • Watch your speed in

Cattlemen Beef About Carter OK Of Meat Imports

The Carter Administration's decision to suspend beef import quota limits triggered strong reaction from the Texas and Southwestern Cattle Raisers Association. The Fort Worth-based group represents 14,000 cow-calf producers in Texas and surrounding states. In a telegram sent Thursday to Robert S. Strauss, Carter's ambassador for trade negotiations, the Cattle Rais-

ers called the move by Carter "intensely disappointing". Copies of the telegram, signed by John B. Armstrong, TSCRA president, and other officers, were sent to Agriculture Secretary Bob Bergland, Texas Senator Lloyd Bentsen and Texas Governor Dolph Briscoe.

The Cattle Raisers had been in close contact for the last 10 days with the Administration urging that President Carter not make any decision that would result in depressed prices for beef producers.

In the telegram, Armstrong reminds Strauss that the consumer price index has increased 43 per cent and per capita disposable income has gone up 55 per cent since 1973 the last time live cattle prices reached the levels they are at today. He added "Throughout this period, we cattlemen have been subsidizing consumers with the best food bargains in the marketplace, while we have taken

the worst financial bloodbath in this century." The TSCRA officers called on Strauss to meet two requests in an effort to repair the severely damaged confidence cattlemen have in the future.

The cattlemen want President Carter to withdraw opposition to the Bentsen Bill, which would automatically provide for decreased imports during periods of domestic oversupply and increased imports in periods of short supply. The bill, a major overhaul of the Beef Import Act of 1964, has the support of cattlemen nationwide.

They also ask that Strauss make every effort to open up the market for American beef in Japan, a nation "with a very favorable trade balance and the highest beef market in the world."

Armstrong, in a telephone interview from his South Texas ranch, said that most cow-calf producers in Texas do not sell their calves until the fall of the year, and, as a result, have not enjoyed any significant profits from the increased beef prices of recent weeks.

Carter's move will let in 200 million pounds of foreign beef, but according to U.S. Department of Agriculture analysts, the price of hamburger to consumers will be reduced only three cents a pound.

"The impact of this political move on prices will be small, but the psychological damage to cattle producers will be considerable. Without an incentive to expand beef herds, cow-calf producers will continue to cut back and that could mean decreased beef supplies and higher beef prices down the road," Armstrong said.

Communism is like a disease; people get it not because they are attracted to it, but because they fail to protect themselves against it.

NEWS OF THE SICK

Mrs. Marge Schmitt is a patient at Saint Elizabeth Hospital in Yakima, Washington. Cards will reach her addressed to her home at 101 N. 42nd St. Yakima, Washington 99908.

Veronica Rollman returned home Monday after a month's hospitalization at Westgate in Denton, where she underwent surgery twice. She will continue recovery at home.

Ray Vogel returned home Tuesday afternoon, where he will recuperate following almost three weeks of hospitalization at Westgate in Denton.

Sandra Walterscheid, daughter of Mr. and Mrs. Norbert Walterscheid is a patient at Muenster Memorial Hospital, where she underwent foot surgery Saturday morning after a lawn mower accident. She is recovering normally with her foot in a partial cast.

The trouble with using tranquilizers is that you find yourself being nice to people you don't like.

Dad: "How far were you from the right answer on the test?"
Son: "Just two seats."

Confetti - - -

It is disappointing to think that men of Burleson's conviction and devotion are pulling stakes in Washington. In voting record as well as public statements, he has been solidly behind the principles which made the country great and would keep it great. For instance, his newsletter of the previous week tells us that "The foreign policy of the Carter Administration seemingly is one of making enemies of our friends by trying to make friends of our enemies."

He points out that both Cuba and Panama are in the Marxist camp and antagonistic to the US, but our policy has been to favor them. On the other hand Chili, Argentina, Brazil and Nicaragua are anti-communist and pro-American in their posture, and they have been targets of heavy criticism from our country.

"Nicaragua comes as the most recent and clear example. Trujillo of Panama and Castro of Cuba are not elected, but Nicaragua is held up as a violator of human rights under a president who was elected by the people."

In Rhodesia we and the British agreed to support the proposition of majority rule worked out between Prime Minister Ian Smith and two prominent black leaders to hold elections on a one-man one-vote procedure. The arrangement is satisfactory to three leaders representing 85

per cent of the nation's black voters, but it is opposed by two pro-communist guerilla leaders representing the other 15 per cent of the voters.

The two reds are supported by Russia, which is determined to add Rhodesia to its list of Marxist puppet governments. And now our State Department and our UN am-

bassador Andrew Young have switched over to the pro Soviet side of the issue. This is our way of treating a nation which has always been our friend and shares our ideals of freedom and independence.

The same applies to the Taiwan situation. The Free Chinese of that tiny island republic are anti-communist

and pro-American, and we are preparing to betray them for the sake of detente with the Chinese reds.

As Burleson says, we are making enemies of our friends by trying to make friends of our enemies. He might have added that in spite of that the enemies still hate us as much as ever.

QUITTING BUSINESS

After sixty nine years of faithful service to the citizens of Muenster and surrounding cities, Pagel's Store in Muenster announces it will be closing to the public.

Due to ill health and personal reasons of its present owner, Maurice Pagel, one of Muenster's oldest business establishments will be closing at the end of business, June 24, 1978.

Maurice Pagel and family members want to thank their customers over the past twenty two years for their continued support and friendship. Our association with all of our customers and friends will always be remembered.

Maurice R. Pagel, owner
