Now that the Watergate affair is getting additional exposure in the Nixon-Frost TV shows, it seems ironic that the Democratic Party is working on an affair of its own which may do far greater harm to the nation.

That undertaking is the instant register and vote plan with its very definite possibilities of election fraud, but even more so the arbitrary official attitude toward hearings in committee meetings.

Under the instant register and vote plan all adults of 18 years and older would be able to flock to the polls on the day of any federal election, without having previously registered or given election officials time to check on their credentials.

The plan originated in the most cynical of political reasons. Back in December a Carter adviser, Pat Caddell, advised the party that it was "imperative" for the President's political future that some plan on the order of the election day registration scheme be devised. He said that "increasingly higher turnouts almost certainly mean a greater political success for President Carter, whereas lower turnouts put his political future in some danger."

Other high ranking members of the party have expressed similar opinions. Mark Siegel, who bossed the Demo registration drive last year estimated that at least 6 out of 10 unregistered voters were potential Democrats. Under that condition the advantage of making eligible voters out of all of them becomes obvious.

Though it is a general invitation to fraud, and a horrible example of rigging elections to favor one party, the top brass of the administration is trying to steam roller the proposal through Congress in defiance of all opposition. The Senate committee conducting hearings on this bill has arranged to accept favorable testimony but rejects the unfavorable.

Perhaps the most damaging testimony is that contained in a memo by Craig Donsanto, a career lawyer heading the election unit of the Justice Department's Criminal Division. Describing the bill as a tremendous potential for fraud, he challenged virtually all its important elements including the abolition of registration requirements. A similar opinion was stated by Thomas Henderson Jr., chief of the Public Integrity Section of the Justice Department Criminal Division.

Anyone would think that such damaging testimony would be sufficient to kill the proposal in committee. But that isn't what happened. By parliamentary maneuvering and political arm twisting the sponsors are trying to impose this outrageous legislation on the country in spite of knowing that it is no good. The thought that legislative leaders would become involved in this kind of shabby partisanship and dishonesty leaves us with disgust and shock.

Of course this does not necessarily mean that the bill will pass as the connivers planned. As all can understand, this law would make it possible for election cheaters to register and vote at more than one ballot box. In large cities they might vote at several places. In fact, criticism on the November election claims that this fraud actually happened in a few states which now have the register and vote arrangement.

At this point we have to be confident that common sense and honesty will prevail in the end. Fortunately the register and vote bill, as well as the shabby procedure in promoting it, is getting exposure. Even if it is recommended out of committee senators and representatives will know the score, and will be strongly inclined to vote right. Many will apply conscience and common sense. Others will be aware how the people back home expect them to vote.

We had a sample of the sentiment some weeks ago on the situs bill. And now there's talk that repeal of the Right to Work law is abandoned because of the over all integrity of Congress. This seems like sufficient reason to expect responsible voting when congressmen make the decision.

Memorial Will Honor Deceased Of Armed Forces

Deceased service men of Muenster will be remembered Sunday at the annual memorial service conducted by the VFW Post and Auxiliary in cooperation with the pastors of Sacred Heart Parish.

The ceremony will follow the 7 a.m. mass and will begin with a procession from the church to the cemetery. The Post's color guard and rifle detail will lead and Auxiliary officers and flower bearers along with pastor, altar boys and the public will follow.

First stop at the cemetery will be the crucifixion group in the center, where an Auxiliary officer will place a bouquet and Father Placidus will lead in prayers for all deceased of the community.

Next station is the service men's section where an Auxiliary officer will place a bouquet at the monument and children will place individual red carnations on the veterans' graves. Then the pastor will lead in prayer and deliver a memorial message. In closing, the Post's memorial detail will conduct traditional services consisting of a three volley rifle salute and taps.

Special places of honor and special flowers are provided by the Auxiliary for Gold Star parents . . . corsages for the ladies and boutonnières for the men.

Those parents are Mr. and Mrs. Albert Fleitman, Mr. and Mrs. Frank Bayer, Mr. and Mrs. J. M. Weinzapfel, Mrs. Leo Mosler and Mrs. R. R. Endres.

2 Get Degrees in Ray Hess Family

A son and a daughter of Mr. and Mrs. Ray Hess are listed among college graduates this spring. Ronnie Hess received a Bachelor of Business Administration degree from North Texas State University in Denton, during commencement ceremonies in the Coliseum on the campus, Saturday May 14.

Barbie Hess graduated from Grayson County College on Friday, May 20. A graduate nurse, she will take her State Board Examinations in Austin in July and become a Registered Nurse.

Both are graduates of Sacred Heart High School.

Faculty Is Complete for Next Year at Public School

The faculty for the next school year is complete at Muenster Public School. Superintendent L. B. Bruns filled the last two vacancies Tuesday morning in signing up Jerry Don Stinson of Wortham and Paul Herbert Ellis Jr. of Denton.

Two other vacancies had been filled earlier with the appointment of Dan Hamric and Mrs. Paul Rennels of Myra.

Stinson will be head football coach and athletic director succeeding Don Jones, who resigned to become coach at Cisco. He is a native of Denison, received his BS degree at Southeast Oklahoma State University in 1969 and his MS degree in 1975. He is qualified to teach PE, biology, physical science, health and driver education. His coaching career includes assistant coaching positions at Athens, Olney and Atlanta and head coach at Royce City and Wortham.

Paul Herbert Ellis Jr. succeeds Ramona Parnell of Sherman as remedial math teacher. In addition he will be coach of boys basketball, allowing Wade White full time for coaching the girls team. He is a 1971 graduate of NTSU with a BBA degree. Presently he is working for a master degree in math and FE while managing parts and service at his father's car agency in Denton. His coaching experience includes two years with a parochial school of Kansas, winning first and second places in the state private school conference. He has also had five successful seasons with junior teams of Denton.

Dan Hamric returns to MHS after an absence of seven years. He will succeed Gary Chisam. Hamric received a BS degree in 1963 at the U of T of El Paso, his major is secondary education and minors in math and English. He taught 5 years at Anthony, N. M. and 3 at Muenster.

Mrs. Paul Rennels will be a teacher's aide succeeding Sandy Dittfurth. Her work will be in remedial math and remedial reading.

Robber Gets \$300 From Joe Trachta

A 20 year old man of Myra is free on \$8,000 bond following the alleged robbery of J. C. Trachta last Friday afternoon in the Palace Drug.

According to City Police- man Jim Eaves, he is suspected of robbing Trachta of about \$300 while threatening him with a knife. He made a hasty exit as a customer parked in front of the store.

Eaves was notified promptly and summoned his reserves, Province and Stormer. The three followed the suspect out of town and had him in custody within an hour. Tom Crawford, justice of the peace, set the bond at \$8,000.

Graduation Talk At SH Commends Parents, Students

Students and parents of Sacred Heart School were praised for their faithfulness to local spiritual and political beliefs by supporting their parish school in the exercise of religious freedom.

Father Frwin Schoech of Subiaco Abbey, a native son of Muenster, said that religious doctrine and practice are essential parts of Catholic life, and both are maintained here in the program which permits religious teaching and prayer.

Quoting Pope John 23, he stated that "separated from God, man becomes monstrous to himself and others," a condition which Sacred Heart makes a special effort to avoid, even to the extent of making financial sacrifice in support of the ideal.

The speaker also referred to the special freedom enjoyed in the local school, since it is not subject to the ban on prayer and religious teaching. It is a freedom related to responsibility and citizenship.

Because of growing complacency nowadays America is in danger of losing its freedom. In its endeavor to regulate deteriorating public behavior, government passes too many laws, an affront to the dignity of free people. We have legislation on regulation of TV programs, on inflation, on energy conservation, when the better regulation could be achieved by responsibility founded on freedom. He said that the thought is well expressed in the old axiom, "he

Stockmen Will Meet Tuesday on Beef Referendum

A meeting will be held with the livestock producers of Cooke County on Thursday, June 2, at 8:00 p.m. in the activities Center, Cooke County College.

The meeting is called to discuss the Beef Cattle Referendum that is scheduled for a sign-up from June 6 through 17 and vote from July 5 through 15.

All livestock producers of Cooke County are urged to attend this meeting. Tommy Davidson and Norbert Felderhoff are co-chairmen of the Cooke County committee, which has met and made plans to give more information on the referendum, and hopefully to answer questions that will be on the minds of producers.

Steady Pursuit Of Goals Urged at MHS Graduation

Consistent and industrious pursuit of goals was recommended as a wise course to Muenster High School seniors at their commencement ceremony Friday night.

Their graduation speaker, Ray J. Eaton of Decatur, publisher of the Wise County Messenger, said that in spite of all the ideas offered at graduations the average student will continue the same direction, and the best way to a good future is to find and use one's God-given talents.

At the same time he advised against the "express bus to mediocrity" by being selfish, imposing on others, giving the minimum in value or service, and declining to get involved in matters of the community, state and nation.

Along the way he proposed confident patience rather than looking for instant opportunity, and alertness to the development of undesirable personal traits. If bad habits are acquired they can and should be broken and replaced, he added.

Some qualities to strive for are believing in self, recognize and welcome opportunity, and develop a pleasant relationship with others.

Other speakers were Pat Davidson in the valedictory talk and Tina Mollenkopf in the salutatory.

Twenty six graduates received diplomas at the ceremony held in the MHS auditorium. Urban J. Endres, president of the school board, made the presentations and L. B. Bruns, superintendent, assisted. C. O. Cash, principal, made special valedictory and salutatory awards to Misses Davidson and Mollenkopf, and an award to Sam Bright, the boy with the highest four year average.

An instrumental selection was presented by the seven seniors of the MHS band: Betty Bayer, Sam Bright, Doris Clark, Pat Davidson, Judy Fisher, Tina Mollenkopf and Marlene Walterscheid.

Invocation was given by Adam Wolf, vice president of the school board and benediction by Edmund Fleitman, secretary of the board. Miss Betty Dodds played for the professional and recessional.

Susan Caplinger Is NTSU Graduate

Susan Sloan Caplinger received a degree in Elementary Education with Kindergarten Certification, from North Texas State University, during graduation ceremonies in the Coliseum, Saturday, May 14 in Denton.

She is the daughter of Mr. and Mrs. Mike Sloan and is married to Paul Caplinger. Attending the program Saturday evening were her husband, her parents and her grandmother, Mrs. Eck Brown of Dalhart, an uncle and aunt, Mr. and Mrs. R. L. Elliott Jr. of Dalhart, also her husband's parents and sisters, Mr. and Mrs. J. D. Caplinger, Mary and Diane, and her sister and brother-in-law, Sandra and David Hoenig, who entertained the group in their home.

Long Delay Ends For Reunion of Vietnam Family

More than two years of separation for a Vietnamese family came to a happy ending at D-FW Airport last Wednesday night as Le Hung Kim was re-united, with his wife and seven children after an exasperating experience with official red tape.

Kim, a pilot in the South Vietnam Air Force escaped and came to America when the Vietnam war ended. He found employment in the cutting plant of Jr. Elite dress factory in Myra and spent ten miserable months worrying about the fate of his family before learning that they were in Paris.

Elated, he started seeking their transfer to this country but soon discovered there were international bureaucratic problems. Mrs. Kim, who is half French, was welcomed to France, but would have to clear through the Indochina Refugee Act and go through regular immigration channels to come to US.

Lou Kreditor, company vice president, encouraged and helped with the paper work, and eventually became impatient with the delay. Then he got in touch with Senator John Tower and the cutting of red tape began. Another result of Tower's help was the rescue of Kim's three sisters and a brother from a concentration camp in Thailand.

They came to Dallas last week, will join Kim's family in Muenster.

Kreditor describes the Kims as a beautiful family who are going to grow up come to work for him.

Gertie Wimmer Gets Award for Number 1 Citizen

A thoroughly surprised Mrs. Arnold (Gertrude) Wimmer discovered Thursday night that she is Muenster's Outstanding Citizen of the Year. The Jaycees had selected her for that honor on the basis of many hours of service, especially in the PTO and in MHS concession stands.

As pointed out in the citation, her service goes farther than just doing her part. She volunteers before she is asked and frequently is the old dependable in charge. Presentation of her plaque was made during the Jaycees annual installation and awards program.

Of special interest to members were the organization's awards, with Claude Klement getting the big prize, the key man award. Next in prestige is the outstanding chairman award, which was presented to Tom Flusche.

The president's partner award, for the member giving special assistance to the president, went to Wayne Klement. And there were two president awards, one earned by Jim Endres before he bowed out of office because of conflict with his work schedule, the other to his successor, Chuck Bartush Jr.

Lee Alexander of Wichita Falls, regional director, did the honors at the installation of officers.

The program was preceded by a happy hour and followed by a dance.

Library Resumes Kids' Story Hour

The annual Story Hour summer program sponsored by the Muenster Library for children entering kindergarten and first grade will begin Thursday, June 2, at the library. It will be held each of the five Thursdays of June, 10 a.m.-11 a.m. Children are asked to bring their crayons. Mrs. Willie Wimmer (Margie) and Mrs. Johnny Anderle (Annette) are program directors.

At X-Ray Seminar

Paul Caplinger, X-Ray technician of Muenster Memorial Hospital is spending this week at an X-Ray seminar sponsored by the MD Anderson Hospital of Houston. The course concerns new developments in equipment and methods in radiology.

Community Expects Bountiful Harvest

A bountiful grain harvest is in sight in the community. Indications Wednesday were that many fields are almost ready for the combine and a rush can possibly develop early next week . . . provided the favorable weather continues.

Up to now the rain situation has been near perfect. Moisture measured at 2.58 and .66 on Friday and Saturday did wonders for feed crops and pastures and allowed time for the grain lands to firm up sufficiently for harvesting work. The only bad feature was scattered small areas of damage where grain was beat down by heavy rain.

General opinion is that a bumper crop is in the field. Yields are expected to average about 35 bushels per acre and peak at over 60 in the wheat fields and do proportionately well in oats.

The word is that oats is the preferred crop of the year. Figuring comparative yield and price it is expected to produce more dollars per acre. Price is the only sad note

of the season. The anticipated figure for wheat is near \$2.00 per bushel, which is mostly absorbed, even in a good yield, by the current high cost of production. Many farmers are expected to use this cheap wheat in their livestock feed, hoping thereby to realize more value from the grain as well as to help reduce the surplus.

Rainfall of the weekend has upped the month's moisture to 4.01 inches. Adding 11.94 inches from the previous four months, the present total is 15.95 inches.

Awards Banquet Honors Leading SHHS Students

Academic and athletic achievements at Sacred Heart High School during the past year were recognized last Friday night in an all-around banquet.

The program was headed by Bill Mercer of KVIL Radio who, as guest speaker, presented a delightful blend of humor, entertainment and information. He recalled incidents of contact with a number of well known athletes and announcers.

As regards winning, he did not agree with the saying that it's everything. He had feeling for the loser and added that the way of playing the game matters a great deal. "Most important is to compete, to be involved." And the real important of athletics is the satisfaction derived from the total experience, not just one big game.

Father Placidus offered a similar thought in a brief comment following Mercer's talk. He said that the boys

Many Will Close On Memorial Day

A roll call of local business houses indicates that the town will be quiet next Monday, Memorial Day. A few said they expect to be open, but a majority said they will close.

Firms expected to close are the two lumber companies, the three car agencies, the bank, Electric Co-op, Hesperian, Koessler's, Charm Shop, Hamric's, The Hut, Hess Furniture, Modern Floors, H&W Meat Co., Fischer's, Pagel's and Rohmer's Restaurant. The three feed stores intend to close at noon.

Of the others, some intend to be open and the others have not decided.

Good Relations With God Named Key to Happiness

"Establish a good relationship with God, and keep in mind that God intends us to come to Him in the end." That was the closing thought in the baccalaureate sermon delivered by Father Placidus Eckart to the graduates of Muenster High School.

The service was held Wednesday night in Sacred Heart Church along with a mass for the feast of Ascension. The Sacred Heart Choral Group participated in the liturgy. Patricia Davidson, accompanied by Mrs. David Bright sang "Pass it on," and a brass ensemble from the Muenster High band played for the professional and recessional.

In opening his talk, Father Placidus said he had a few thoughts to leave with the class, the first being to be wary of discouragements. Failure can be a blessing in disguise, a stepping stone to victory, a reminder of mistakes to be avoided.

For a proper attitude in life he suggested gratitude for many blessings usually taken for granted . . . such as life itself, opportunities for happiness and political and religious freedom.

Responsibility, described as ability to respond, was recommended as an attitude of accountability to God and conscience and parents for blessings received . . . a guide for thought as well as behavior.

Forgetting one's self was urged as a guide to success and happiness. Doing for others brings inner satisfaction while achieving good, whereas selfishness does little for self or others. The perfect rule, he suggested is the Lord's advice to love one's neighbor as one's self. Victory over self is one of the most rewarding achievements in personal peace and happiness.

Other thoughts were using one's talents, looking ahead and keeping in mind that God who sustains us through life can be a great help to us. With confidence in God anyone does better than on his own.

Summer Baseball Schedule Starts Next Wednesday

The older division of Muenster's summer baseball program will get under way next Wednesday and the kids division will start the following Monday . . . if a sufficient number of coaches will report.

Chuck Bartush Jr., president of the Jaycees and director of the program, said that the little fellows have full rosters but a shortage of managers. Assuming that the needed coaches will show up, the season is scheduled to start on June 6. However the program will have to be further delayed or dropped if the volunteers fail to report.

The big teams are better organized. They have all the coaches, who say they have plenty of players and will substitute.

Rosters, Schedule Told for Summer Softball Season

Rosters and schedules are complete and teams are having preliminary practice for the summer softball program which opens next Tuesday.

According to word from the program supervisor, Mrs. Wayne Grewing, there will be junior and senior leagues of three teams each and a pee wee league of four teams, and each team has a separate sponsor.

Junior and Senior games are scheduled Tuesday and Thursday nights, the juniors at 7 p.m. and the seniors at 8:15. Their season consists of 4 games each, ending June 16. The Pee Wees start after that, on June 21, and play Tuesdays and Thursdays ending.

Forestburg News

By Myrt Denham

And the rains came — they came in around 10 p.m. Thursday May 19. Here in the Dewey area we had about 2 2/10 inches in about 45 minutes or less. Most of it fell in about twenty minutes. Reports have it that east and north of the Burg they had much more than that.

Sheree Wylie, daughter of Mr. and Mrs. George D. Wylie Jr. graduated from Tarleton State University at Stephenville Sunday p.m. May 15. Sheree is a graduate of Forestburg High and she received her BA degree in Business Administration. Attending the graduation exercises were: Mr. and Mrs. G. D. Wylie Jr., Jo Wylie of Kaufman, Mr. and Mrs. Ollie Tipton of Sanger. Sheree was among 235 graduates from Tarleton.

Debbie Canoe and Laurie of Bowie were visitors in the Dale Hudspeth home Sunday May 15.

The annual FFA Banquet was held Thurs. Nite, May 19, at the High School Gym.

Evelyn Downey and Crystal and Stephen Miller of Stephenville visited with Sheree Wylie, Tues. May 17.

Mr. and Mrs. Elmo Brewer and Channa of Dewey attended Commencement Exercises at Southwestern Oklahoma State University in Weatherford, Okla., Friday nite, May 20, where their son Terry received his Bachelor of Science degree in Pharmacy. Others attending were: Mrs. Terry Brewer of New Harp, Mrs. Olin Merritt, Mr. and Mrs. Gary Brewer and daughter all of Bowie, and Mrs. Tina Brewer of Sunset.

The 3rd thru 6th grades and their teachers Vesta Carter and D. J. Rater and some mothers attended Forest Park Zoo in Fort Worth, May 20.

The Forestburg United Methodist Women met in the home of Mrs. Laura Belle Jackson Thurs. afternoon, May 19. Mrs. Jackson was in charge of the program and activities for the day. Attending were: Mmes. Alice Shears, Lucille Littell, Betty Reynolds, Marion Sockwell, Vera Mae McGee and Myrt Denham.

A welcome home Reception for Mary Jo and Larry Eldridge was held Sat. afternoon, May 21, at the Forestburg Community Center. Mary Jo and Larry entertained their friends and relatives with movies they took on Guam. Hostesses were Mrs. June Eldridge and Mrs. K. J. Reynolds.

A family "Pow-Wow" took place Sunday, May 22, in the Annex of the Forestburg United Methodist Church. Attending were: Mr. and Mrs. L. C. Griffin, Mr. and Mrs. Jack Wood, Kay and Dennis of Arlington, Mr. and Mrs. Joel Campbell, Kevin and Kyle of Dallas, Mr. and Mrs. J. T. McCandless, Todd McCandless and Robert Shannon of Matador, Mr. and Mrs. Don McCandless of Floydada, Mr. and Mrs. W. R. Terrell, Tim and Tad of Afton, Mr. and Mrs. Darrell McCandless and Rain of Post, Bill R. Jackson of Decatur, Mr. and Mrs. Jack C. Dill and Vatom, Mr. and Mrs. Charles Dill and Keith, Mr. and Mrs. Larry Dill, and Mr. and Mrs. Ted Jackson all of the burg, and Rev. Rick Ricker of Saint Jo.

Jimmy J. Reynolds was admitted to Muenster Memorial Hospital early Sunday a.m., May 22.

The Annual Dewey Homecoming is scheduled to take place Sunday, June 5, at the Dewey Church grounds. Everyone is invited to meet with their friends and relatives so bring your dinner and join the days activities.

On Sat., May 14, Wynona Riddles and Hazel Greenwood attended a Pink and Blue Shower in the home of Mrs. Kenneth Lawson of Alford honoring Mrs. Rex Fry.

Mrs. Lulu Sessums and May DeGraffenreid spent Sunday, May 15, in Gainesville celebrating Lulu's birthday.

Mr. and Mrs. Clifford Hudspeth and daughter Paula Haynes were in Houston the weekend of May 20-22. On Friday night they attended the wedding of Merle's nephew — son of Mr. and Mrs. Jerry Nivens of Houston. Mrs. Nivens is the former Montez Harry. Others from this area who also attended the wedding were Mrs. Doyle Lynch and Lisa and Mrs. B. A. Harry of Rosston. Seems that Clifford also celebrated his birthday on Friday, May 20.

Mrs. Laura Belle Jackson will also be celebrating her birthday very soon — on May 30. Many happy returns of the day.

NOTES FROM THE LIBRARY

Summer Reading Program Begins

The Summer Reading Club program sponsored jointly by The Texas State Library and your local library begins June 1, runs for 10 weeks, and ends August 10. Participants are required to read one book a week at their grade level. All are encouraged to read at least two books at their grade level during this time. Participants will receive a folder in which they list the books read. Included in the folder are various puzzles and games for the children's enjoyment. These folders are geared to younger children and are distributed through the Texas State Library System for them, but all ages are invited to join the Summer Reading Club. At the conclusion of the program in August all who have fulfilled the requirements will receive an 8" x 10" reading certificate, compliments of the State Library.

Our summer hours remain the same — Tuesdays and Thursdays 8:30 to 5:00, Wednesdays 3 to 6 p.m.

Beta Kappa Plans Benefit Events

A dinner at the Delta Queen featured the May 18 meeting of the Beta Kappa Chapter of ESA.

Mrs. Betsy Fleitman presided for the business meeting and distributed new year-books. Mrs. Louise Fisher gave minutes of the previous meeting and correspondence, including a card of Thanks from the Karl Hess family. Mrs. Lupe Evans gave the treasurer's report and Mrs. Queenie Walterscheid reported on plans for "Girls Day at the Lake" on June 22.

Plans were completed for the May 21 garage sale at the park pavilion and Mrs. Loretha Cash gave tentative plans for a "swim-a-thon" later in the summer, when proceeds will benefit the Cooke County Child Development Center.

The group adjourned until August for the next regular meeting at the home of Mrs. Loretha Cash, with Mrs. Martha Koesler presenting the program.

Mrs. John Yosten Honored at Party

Mrs. John Yosten was the birthday honoree last week Friday during a noon dinner in her home, brought and served by her sister Mrs. Harvey Schmitt.
 Guests were Mrs. Keith Tompkins, Mrs. Mike Fedor and children all of Arlington, Mrs. Walter Wolf of Gainesville, Mrs. Teddy Gremminger and Wayne Gremminger of Denver, Alvin Hartman, Harvey Schmitt and children, John Yosten and children, Mrs. Bob Yosten and Mrs. Leonard Yosten and Mr. and Mrs. Victor Hartman.
 There were birthday gifts for the honoree and, following dinner, most of the guests attended the Junior Olympics at SHS.

Cousins Honored At Birthday Party

Two cousins, Christin Da Nae Cain and Amy Sturm, were honored with a first birthday party when Christin's grandmother, Mrs. Dick Cain and her aunt, Mrs. Gene Hartman entertained in the Cain home. Christin is the daughter of Mr. and Mrs. Chris Cain and Amy is the daughter of Mr. and Mrs. Mike Sturm.
 A clown theme was used by Mrs. Hartman who decorated the party rooms and serving table which held the birthday cake and punch service. Pam Hartman and Shawna Cain, Christin's cousins were dressed as clowns and they added fun to the festivities.
 Guests were Mrs. Ray Wilde, grandmother of the honorees, Mrs. Joe Wilde, great-grandmother, John Schmitz, great-grandfather, Mrs. Al Horn, a great aunt.
 Guests also included Mrs. Gerald Graham and Mindy and Lori; Mrs. Sandra Christian and Richey, Kevin and Chad of Lewisville; Mrs. Dale Klement and Keith and Cody; Mrs. Mike Sturm, Amy's mother, Mrs. Chris Cain, Christin's mother; Mrs. Herman Grewing and Amber and Brandi; Mrs. Lupe Evans and Murlin and Doug.

Myra Has Clinic On Rabies Control

The Myra Improvement Club participated in the area-wide rabies control effort by sponsoring a Rabies Clinic on Saturday, May 7, 9-10 a.m. Dr. Larry Tisdale administered vaccinations, with tags and certificates, to 18 dogs.
 The next regular meeting of the Myra Improvement Club will be Tuesday, May 31. A youth activities program, with Jimmy Russell as chairman, will be discussed.

YOU CAN BANK ON IT!

Although the world of electronic banking looms closer each year with Electronic Funds Transfer Systems (EFTS) becoming a banking byword, the importance of people continues to grow too. One of the things planners of the new super-efficient systems have had to acknowledge is the fact that people still like to rely on people. On people much more than machines.

People have been the cornerstone of our business through the years and will continue to be in the future. No matter how much electronic wizardry pervades the financial community, customer service on an individual basis will continue to be our foundation. Banking machines or electronic transfer systems will be used only as a tool for further implementing this goal of personal service. Our bank is people. People serving people. We like it that way.

plus other informative talks. Than a lovely luncheon was enjoyed by all present. It was a most enjoyable day for Betty and myself.

Mr. and Mrs. T. W. Smith and his niece and husband from Keller enjoyed fishing at Hudsph Lake Tuesday, April 26. That evening they all enjoyed a fish fry.

On Sat., April 30, the Freshman Class and their sponsor Miss Lisa Fortenberry made a trip to Six Flags.

The supper on Friday p.m., April 29, at the Forestburg Community center was turned a success. The money raised goes towards an addition to the center and improvements.

Mrs. Cleo Lanier, who is the "pusher" on this project, said there are more suppers and other events planned to raise money for the project. So those of you who could not attend Friday p.m. will have other chances to participate.

On Saturday nite, April 30, the T. W. Smiths and us Denhams took in the Germanfest at Muenster. It was a nice evening and we always enjoy our contacts with the Muenster folks - they are friendly and most congenial folks. We love 'em as they have a way of making you feel that you are important.

Mr. and Mrs. J. T. Bryant visited her sister Mrs. Ada Tucker Wed., April 27, in the Bellmore home in Bowie.

Everyone in the U.S.A. is being asked to be alot more conservative with gasoline, natural gas, fuel oil and electric power. Yet we keep on buying those big "gas-hog" cars and run around in them much faster than the speed limits thus consuming more gasoline. Anytime anyone travels faster than 60 miles per they should be air-born in an aeroplane that is Next us Americans keep building larger and fancier houses th an our neighbors and friends and it seems to be an absolute must to heat every room in the house, so each family member has his own private "nitch" to do his thing. Used to in years past the family gathered in one room at nite until bedtime — and they were well acquainted. Come bedtime the youngens would bunk together and keep each other warm in a room that wasn't heated and there weren't as many colds and viruses floating around either.

A good round of orange juice and Caster-oil took care of alot of ailments. Now days we simply must have a completely heated and air conditioned house — wasting more natural gas fuel oil and electric power. What happens next? Who knows, Do you?

The fact-finding youngster faced his mother one day, asking:
"Didn't you tell me the stork brought me?"
"Why yes, dear."
"And I weighed eight pounds?"
"Yes."
"Well, for your information," said the boy, "the stork hasn't the wing spread to carry an eight-pound load!"

Joe Hoenigs Host Visiting Relatives

Mr. and Mrs. Joe Hoenig entertained at noon Saturday, May 21 honoring Mr. and Mrs. Jerry Hoenig of Davenport, Iowa, who were on a five day visit here with his parents and other relatives. They were also visiting his children at Whitesboro. The Saturday dinner included Jerry and his wife, Cece and his six children, Navy Seaman Billy J. Hoenig, on a two week leave here, and Wilma, Donna, Pam, Doug and Curtis Hoenig of Whitesboro. Family pictures were made during the visit.

Mr. and Mrs. Jerry Hoenig arrived here the previous Wednesday and on Thursday attended the graduation of his daughter Pamela from Rad Ware grade school. On Friday they attended the graduation of Jerry's oldest daughter Wilma from Callisburg High School. They were accompanied by Wilma's grandparents the Joe Hoenigs and her uncle and aunt, Mr. and Mrs. Richard Hermes of Lindsay.

On Sunday the Joe Hoenigs and their six children and spouses met in Carrollton in the home of a daughter, Mrs. Rita Cottle and all had dinner out together. Attending were the Joe Hoenigs, the Jerry Hoenigs, the Rupert Hoenigs of Carrollton, the Carl Pelzels of Ennis, the Richard Hermes and Raymond Hoenigs of Lindsay and Mrs. Cottle, whose guests were her daughter Jenneane and a son-in-law and daughter, Mr. and Mrs. David Saucier of Dallas.

Family and group pictures were made and Mrs. Joe Hoenig's May 20th birthday was observed with a special cake presented by Mrs. Cottle. Mrs. Richard Hermes also entertained with a birthday party and cake on Thursday night.

Mr. and Mrs. Jerry Hoenig returned to Davenport, Iowa, Monday, where he installs TV cables. Accompanying them to spend the summer were his three youngest children, Pam, Doug and Curtis. Bill will leave for California next week.

Local News BRIEFS

Oil Production in Texas Declines 4th Consecutive Year

DALLAS — Despite 12 months of production at or near the maximum effective recovery rate in nearly all of Texas' oil fields, the state's crude oil production last year declined for the fourth consecutive year.

The 1976 output of the nation's No. 1 oil producing state was almost 1.2-billion barrels and pushed the state's cumulative production since 1889 to just over 41.5-billion barrels. But last year's output was almost 32-million barrels below 1975 production and more than 111-million barrels below the all-time peak production year of 1972.

Jack S. Blanton, Houston, president of Dallas-based Texas Mid-Continent Oil & Gas Association says that an acceptable national energy policy must acknowledge that the expense of exploration and production today has greatly increased the cost of replacing this oil.

"Adequate prices and other incentives to encourage petroleum development must be forthcoming. Not only production, but reserves of one of Texas' most valuable natural resources have been dropping as each year we produce more oil than we find," says Blanton.

Miss Janet Sandmann and Airman James W. Ballard will be married in St. John's Church of Valley View at 5 p.m. on July 9. Their engagement and wedding plans were announced by her parents, Mr. and Mrs. Henry J. Sandmann of Valley View. Parents of the future groom are Mr. and Mrs. James W. Ballard Sr., of Gainesville. The bride-elect is a graduate of Valley View High School and attended Texas Women's University in Denton. He is a graduate of Gainesville High School and attended Class A Structural Mechanic School. Stationed at the Naval Air Base in Kingsville, he is an aircraft structural mechanic in the Navy.

Still a good buy... all over the house.

But, conserve electricity and save money.

Forty or fifty years ago, the electric bill was most often referred to as "the light bill." In thousands of homes, Mr. Edison's illuminating invention was not the only electrically operated device in use, but people associated its benefits with their costs for electricity. Today, higher costs for electricity seem to overshadow the many benefits of electricity. The majority of American homes now have at least 14 different electric appliances, in addition to

lighting: radio, television, refrigerator, vacuum cleaner, clothes washer, iron, toaster, coffeemaker, mixer, range, frypan, bed coverings, can opener and some type of air conditioner. Whether you have 14 or 40 electric appliances, we believe that if you will compare their benefits with your costs of operating them, you'll agree that electricity is still a good buy... all over the house.

House Speaker Bill Clayton has presented Representative Bill Sullivant with a commemorative gavel, acknowledging the Gainesville representative's work as chairman of the Environmental Affairs Committee during the 65th session of the Texas Legislature.

Within the House, the Environmental Affairs Committee considers all matters pertaining to air and water pollution, state parks, preservation of wildlife, hunting, fishing and the regulation of Texas fish and oyster industries.

Rep. Sullivant, serving his third term in the House, was lauded by Clayton for his efforts on behalf of the committee system during the five month session which began in January.

The Environmental Affairs Committee has taken action on 137 bills during the session. The total pieces of legislation introduced by both Houses of the Legislature is about 4,000.

Registration for Beef Referendum Dated June 6-17

The U. S. Department of Agriculture (USDA) has announced June 6 as the beginning of a two-week registration period for the Beef Research and Information Order referendum and issued rules for the referendum.

Anyone who was a cattle producer during 1976 can register to vote, either in person or by mail, at local Agricultural Stabilization and Conservation Service (ASCS) offices between June 6 and June 17.

A list of those who register will be posted daily at ASCS offices and a final listing will be posted five days after registration closes.

Those registered can vote between July 5 and July 15 at their ASCS office. For approval of the Beef Research and Information Order, at least 50 percent of those registered must vote, and two-thirds of them must favor it.

The Order that producers will consider in the upcoming referendum would authorize a research and information program administered by a Beef Board of up to 68 producers. Board members would be appointed by the Secretary of Agriculture for nominations submitted by producer organizations. Each state or geographic area would be represented in proportion to its cattle production.

The Beef Board could initiate a broad spectrum of projects to improve beef production, distribution, and marketing. Such a program could include consumer education and information, and research.

During the first three years of operation, the Board could collect assessments of up to three-tenths of one percent of the value of all cattle sold. After that, the rate of assessment could be changed but could not exceed five-tenths of one percent - the maximum amount permitted under the Beef Research and Information Act. Producers not wishing to participate in the program could have their assessment refunded.

The rules for conducting the referendum are scheduled to be published in the May 17 Federal Register. Copies will be available from Program Operation Division, A S C S, U. S. Department of Agriculture, P. O. Box 2415, Washington, D.C. 20013.

is governed best who is governed least." Commencement services were held at the 7 o'clock evening mass with Father Stephen Eckart as celebrant and Fathers Frowin Schoeck and Malacky McNerney as concelebrants. Graduates participating in the liturgy were George Luke and Craig Sangster in scriptural readings, Ramona Walterscheid in petitions, and Julia Bayer in a communion meditation. Vocal selections were presented by Sacred Heart Juniors directed by Frank Luke.

Special vocal numbers were presented by a quartet of Linda Miller, Laura Kralicke, Mary Hess and Linda Klement, and a communion song by the senior class.

Bishop Augustine Dangelmayr, assisted by Father Placidus Eckart, awarded diplomas to 32 high school graduates and 37 elementary graduates.

The church service was followed by a reception for the grade and high school staff at Sacred Heart Rectory. There was also a senior class party at the home of George Luke and his parents, Mr. and Mrs. Tony Luke.

Lola Bright in Pinning Ceremony

Lola Bright was among graduates of the Cooke County College associate degree nursing program who were honored in formal pinning ceremonies following commencement exercises.

The ceremonies traditionally mark the end of academic training for CCC nursing students looking ahead to careers as registered nurses. The state licensing board exam in Austin in July will complete the RN requirement.

Doctor Walter Knight Follows Father's Footsteps

Having a father in the business probably influenced Walter Knight's decision to become an orthopedic surgeon, but the recent Baylor College of Medicine graduate insists it was more coincidence.

Nevertheless, when he sets up practice in a small Texas community, it may be near the North Texas cattle ranch of his parents, Dr. and Mrs. Marvin Knight located near Rosston. His father, an orthopedic surgeon for 35 years, practices in nearby Muenster. "I tried not to enter medical school with any preconceived ideas on what I wanted to go into, but as it happened, I like orthopedics best," says Knight, who received his undergraduate degree in chemistry from Emory University. Knight, who is single, had almost decided to pursue his studies elsewhere before interviewing at Baylor, the state's only private medical school. "I liked the attitude of the people here," he says. "They really leveled with me. They also seemed much easier to get along with and that changed my mind about

getting my M.D. degree elsewhere." He found the study load heavy that first year, but not crippling, leaving him time for tennis and other activities. "I noticed the emphasis Baylor places on primary care," he noted, "and particularly on setting up practices in rural and underserved areas." Since forming a partnership with the State in 1971, Baylor has instituted many changes to help meet the health manpower needs of Texas. A new curriculum was established, allowing students to graduate in three years. Tuition was lowered from \$2800 to \$400 per year for Texas residents. The College has doubled its enrollment and tripled its number of Texas students, training 24 per cent of the State's new physician graduates while receiving a cost effective 7.9 per cent of the total State appropriations to academic health science centers.

Officers Elected By VFW Auxiliary

VFW Auxiliary president, Mrs. Gilbert Knabe (Linda) has announced the complete list of officers for 1977-78. In addition to Mrs. Knabe, other officers elected recently include Mrs. Charles Knabe, (Flora Mae) senior vice president; Mrs. Joe Sicking (Hilda) junior vice president; Mrs. Bernard Hesse (Agnes) treasurer; Mrs. Rosa Driever (Marie) secretary; Mrs. Al Walter (Arthur) chaplain; Mrs. Arthur Bayer (Frances) conductress; Mrs. Raymond Walterscheid (Peggy) guard; also trustees 3 yrs. Mrs. Lee Hesse (Ethel), 2 yrs. Mrs. Frank Felderhoff (Eleanor), 1 yr. Norbert Walterscheid (Mary Ann), also Mrs. Wilfred Bindel (Ida Mae) historian; Mrs. Tom Dankesreiter (Rosemary) musician; Mrs. Clarence Hudspeth (Rose) patriotic instructor; Mrs. Virgil Henseheid (Joeline), Mrs. Larry Hennigan (Mary Lee), Mrs. Donald Hennigan (Sandra), Mrs. Wayne Moseley (Wilma) color bearers; Mrs. Henry Pels (Regina) flag bearer; Mrs. Hank Walterscheid (Louise) banner bearer.

Hill Country Has Memorial Weekend Arts Crafts Fair

An event to add to Memorial Day special occasions is the 6th annual Texas Arts and Crafts Fair, an official event sponsored by the Texas Arts and Crafts Foundation at Kerrville on May 28, 29 & 30, on the shaded campus of Schreiner College.

The beautiful Texas Hill Country will be at its springtime best for the Fair, and activity will include arts and crafts ranging from pioneer to contemporary, with demonstrations of over 50 craft techniques, and exhibits and sales in country fair surroundings. There will be a Pavilion where visitors may try their hand at a craft for the cost of materials.

Fair food famous in its own right, will include German and Mexican specialties, beef jerky, shis-ka-bobs, fried chicken, sweets and hill country peaches with cream. There will be musical concerts and informal entertainment. Admission is adults \$2.00, children .50c.

If you want to make somebody believe something, whisper it.

Rose Hudspeth was the installing officers, during the May meeting. The business meeting included plans for Buddy Poppy Day which will be next Sunday, May 29. Members will offer the poppies after services at the church doors. Memorial Day services will follow the 7 a.m. Mass Sunday and will be conducted by the VFW Post and its Auxiliary. Included will be procession to the cemetery, placing of flowers on graves of servicemen and an address by Father Placidus.

Selected as delegates to the convention in Houston next month are: President Linda Knabe, also Frances Bayer and Rose Hudspeth. The meeting was conducted by retiring president Mrs. Ethel Hesse and Mrs. Henry Pels won the door prize.

Currently, he is completing a fellowship at the Methodist Hospital, another Baylor affiliate. Between seeing patients, he's involved in research that should tell him which antibiotics are absorbed fastest by the bone, something that will be useful to him in his practice. In July, he'll begin his residency. Knight also shares a liking for small town existence with his father, who left behind a thriving practice in Dallas several years ago before heading for cattle country. Even as a specialist, Knight expects that one third of his patients will come from his community base with the rest coming from surrounding areas.

Whichever community gets Knight is sure to benefit from his idealism tempered with hard-earned experience. "Idealism is necessary in the medical profession," he says, "just as important to have empathy with patients to be a good doctor. My philosophy is to try to be as good a doctor as I can with each patient."

Since forming a partnership with the State in 1971, Baylor has instituted many changes to help meet the health manpower needs of Texas. A new curriculum was established, allowing students to graduate in three years. Tuition was lowered from \$2800 to \$400 per year for Texas residents. Winners Named in Ecology Contest

The Ecology contest of collecting aluminum cans closed at SHS last week Thursday, May 12. Winners in four divisions were named and '85 children participated in a special liturgy and entrance procession at Mass.

One hundred pound donors were led by Steven Knabe, who collected 130 pounds. Others in this group were Mike Bartush, Craig Bayer, Britt Smith, Leroy Voth, Bret Walterscheid, Nathan Bayer.

Twenty students donated 50 pounds or more and included Keith Bayer, Charla Bayer, Gail Fisher, Laura Flusche, Amber Grewing, Kerry Haverkamp, Damien Hellman, Tracey Henscheid, Sammy Hess, Nicky Hess, Sandra Hess, Leslie Hess, Sandra Taylor, Michael Walter, Rita Walterscheid, Kyle Walterscheid, Susan Walterscheid, Sandra Walterscheid, Karen Wolf and Sharen Wolf.

Eighteen students brought over 25 pounds and forty brought over 10 pounds.

Each group in the procession was identified by its approximate contribution and the offerings were placed at the foot of the altar. Father Placidus announced the family names of all contributors. Total donations of \$551.73 were placed in the bus fund.

Sister Agnes Voth is director of the Ecology contest. Special thanks were given to The Center, The Ranch and Floyd's Bar and also all individuals who contributed.

Honor Graduates Named at Saint Jo

Honor graduates have been named at Saint Jo High School. They are Diane Price, valedictorian, Mark Lee salutatorian, and Marie Haynes, third ranking student.

Diane Price, daughter of Cooper and Roberta Price earned a grade average of 98.274 for four years of high school. Mark Lee's average was 97.492. He is the son of Mr. and Mrs. Gene Lee. Both attended Saint Jo High School for all twelve years. Marie Haynes daughter of Mrs. Margaret Milner Haynes of Saint Jo and granddaughter of Mr. and Mrs. Maurice Milner of Muenster earned a grade average of 96.017 for four years of high school.

The three students have been active in scholastic leadership as well as extracurricular events. As a sophomore Miss Price competed with a flute solo in the UIL State Meet and as a junior, in journalism where she was the Class B state champion in headline writing. Lee competed in the tennis doubles team competition at the State meet.

Miss Price will attend Texas Christian University this fall. Lee will attend Texas University at Austin and Miss Haynes will also enter college, although she is undecided in her choice. The three students are members of the First United Methodist Church in Saint Jo.

Big Crowd Attends Hood Homecoming

Mr. and Mrs. Ray Sicking of Myra presented the program for the May 10 meeting of the Hood Community Improvement Club. They showed films of their recent trip to Hawaii.

During the business meeting members discussed the annual Homecoming party which occurred on May 1. About 200 attended including guests from California, Utah, Illinois, Mississippi and many Texas towns.

Plans were made to paint the exterior of the club building in the near future and to delay purchase of additional chairs until funds were available.

Men of the club furnished and served chips and dips to 20 members and four guests.

County Production Of 1976 Oil Topped 6 Million Barrels

Cooke County, which has had recorded production since 1926, last year produced 6,090,401 barrels of crude oil at the rate of 16,646 barrels per day. Production in 1976 boosted Cooke County's production total through the year to 306,003,759 barrels.

In 1976, 27 counties produced more than 10-million barrels of crude oil, a decrease of three counties from 1975.

The following chart shows production figures for the state's top producing counties

in 1976. The five, all with production in excess of 50-million barrels, occupied the same rank with their 1975 production. With production shown in millions of barrels, they are Scurry 83.1, Yoakum 79.7, Ector 65.6, Gaines 61.0, Hockley 50.9.

In addition to the top five, eight other counties topped 30-million barrels in production last year. They included:

Andrews 49.7, Gregg 48.9, Wood 46.0, Refugio 36.4, Crane 36.3, Pecos 33.6, Brazoria 33.2, Harris 31.7.

Gregg County, the first Texas county to produce more than two-billion barrels of crude oil in the history of re-

corded production, remains the all-time leader with a cumulative total through 1976 of 2,549,507,979 barrels. Ector County, through the end of last year, had produced 2,073,538,067 barrels.

Other counties with cumulative production in excess of one-billion barrels include the following in billions.

Andres 1.80, Rusk 1.58, Scurry 1.4, Craine 1.18, Harris 1.16, Brazoria 1.06

God gave us two ends, one to sit on and the other to think with. A man's success depends on which he uses most. It is a case of heads you win, and tails you lose.

Local Relatives**

Mr. and Mrs. Ed Willbrandt of Los Angeles, California, were house guests of his aunt, Mrs. Agnes Lehnertz for several days last week and visited his cousins in the Fette relationship. Other guests at a dinner in the Lehnertz home were Mrs. Agnes Seyler, Mr. and Mrs. Jim Lehnertz and Mike and the Willbrandts. Earlier, the group visited the old Lehnertz home west of town, now the farm and home of the Ed Cler family, where Ed Willbrandt remembered horseback riding as a boy. Jim Lehnertz enjoyed viewing changes and remodeling on the farm and Mike Lehnertz was seeing his dad's boyhood home for the first time. Willbrandt also sought out the location of his boyhood home, now the house owned by Gene Schmitz.

A luncheon in the Lambert Bezner home in Gainesville Friday included Mrs. Herbert Meurer, Mrs. Seyler, Mrs. Lehnertz and the Willbrandts, who added data to a Fette family history being gathered by Mrs. Lambert Bezner.

A brunch on Thursday honored the the same group in the Moss Lake home of Mrs. Alice Hellman. The Willbrandts, both retired were enroute to Kansas City, St. Louis and Chicago to visit their children.

Navy Seaman Recruit Billy J. Hoenig, son of Jerry Hoenig of Davenport, Iowa, and Mrs. Lucy Wilson of Whitesboro, has completed recruit training at the Naval Training Center in Orlando, Florida.

During the 8 week training cycle, trainees studied general military subjects designed to prepare them for further training in one of the Navy's 85 basic occupational fields. Included in their studies were seamanship, close order drill, Naval History and first aid.

Hoenig joined the Navy in February, 1977. He is spending a 2 week leave in Muenster, visiting his grandparents, Mr. and Mrs. Joe Hoenig; and in Whitesboro is visiting his mother. He arrived on Tuesday, May 17 at D-FW. After completing his leave he will report to Alameda, California and will be assigned to sea duty upon the SS Enterprise.

Nick Stoffels, son of Mrs. Ann Stoffels was among 60 graduates receiving diplomas on May 14 at Subiaco Academy, Ark. During his four years at Subiaco, Nick was a member of the student council, National Honor Society, and honor roll student, three year football letterman and four year boxing letterman.

A fellow was pretty sick and the doctor ordered him to take a long vacation in Arizona. He went there and at the end of two months he died. Letter To the Editor

I'd like to let the students of Sacred Heart know that I read with pride and joy about the honors students of SHS win. The school, pupils and teachers are dear to my heart. In my thoughts and memories they are very special.

Mrs. Marie Johnston
Gainesville, Texas

A cute little student nurse took a driver's license test recently. Accompanied by a state policeman for the exam, she drove through a red light without noticing.

"Young lady, what does a red light mean to you?" the trooper inquired sarvastically. Quick as a flash, she answered, "A bedpan!"
