Garbage Service Commercial Rate Up 25 Per Cent

A year ago our country was beating drums, hoisting flags and parading in a proud demonstration observing its bicentennial birthday. This year our country is 201 years old, an odd figure that doesn't stir the imagination to congratulatory hoopla. People are back at their everyday tasks, concerned with their own problems, and most likely giving the future well being of the US a lower priority than they would have a year ago.

If this seems like lack of proper concern we can take comfort in the fact that ours is not the first generation to react this way. Following the Declaration of Independence the young nation's fervor wore thin. Alexander Hamilton complained that "the frail and tottering edifice seems ready to fall upon our heads and to crush us beneath its ruins."

A similar mood is widespread today as concerned people hope and pray for answers to such problems as the energy shortage, Middle East strife, budget, disarmament, unemployment, welfare, health insurance, official misconduct, deficit spending, global communism, etc.

If these issues seem insolvable we can derive encouragement from the thought that our new country did not back away from its great problems of two centuries ago. The Declaration proclaimed America's independence but it did not provide the answers needed to survive in the cold, harsh world of reality.

The first and greatest concern was grinding out four more years of war with England. And the Continental Congress, which acted as the central committee conducting the war, was only a group of delegates from the thirteen states. After a while a congressional committee drafted the Articles of Confederation which became effective in 1781. However it had serious limitations. It could not raise money directly, nor muster troops. It had to ask the states if it needed either money or men. And it had no authority to regulate commerce.

Such conditions prompted George Washington to write in 1786 "I do not conceive that we can exist long as a nation without having lodged somewhere a power which will pervade the whole union in as energetic a manner as the authority of state governments over the states."

The statement was underscored by Hamilton, who said "We may be said to have reached almost the last stage of national humiliation. There is scarcely anything that can wound the pride or degrade the character of an independent people, which we do not experience. The delinquencies of the states have arrested all the wheels of the national government."

Such opinions by prominent people gave momentum to a demand for a constitutional convention. And that group was handicapped by sectional differences and the varied interests of the states. They had to work out assurances to small states that their rights would not be violated by the large states.

Ultimately an agreement was worked out and ratified by the states in 1789. For the first time since July 4, 1776, the US government functioned with confidence in its own strength and began the wonderful era of progress that is our proud heritage. That system of government was destined to show that it was the best of all history. It combined a strong government with guarantees of individual freedom and free enterprise, which soon proved to be the inspirations for a new era of progress.

It was no accident that private success stories became a feature of the nation, and that meanwhile the small new nation became the world's most prosperous and most powerful.

As we appreciate our two centuries of blessings we are sadly aware that American spirit is not what it used to be. It is deteriorating as people abuse freedom in trying to violate the rights of others. Restrictions placed upon us are mostly the result of our failure to match our freedoms with responsibilities. Garbage Service Commercial Rate Up 25 Per Cent

An increase of 25 per cent in the charge for garbage and trash service for business people was adopted by the city council in its regular meeting Tuesday night.

The increase brings business rates in line with residential rates which were upped in April, and both charges were raised to offset the rising cost of the service.

In a related decision the council also changed its policy regarding pickup of tree trimmings and other bulky trash which cannot be handled by the garbage service. Hereafter the customer will be allowed one free load a month but there will be a charge for additional service at the rate of \$10 per hour for loading. Even then the council pointed out, the customer gets the benefit of free hauling.

The trouble before was some people received more than a fair share of help in getting rid of tree limbs, old lumber and what not.

Also pointed out is the fact that the city hereafter must have someone on the job to supervise persons hauling junk to the city dump. An EPA inspector recently decided that trash was being scattered and the place does not meet EPA standards. Orders were to bulldoze the place and have someone to supervise future dumping.

The ruling means that no one can borrow the keys and take out a load unattended. Also, since the city can't have a person there on full time duty, it will have to set a time when someone will be there and allow people to bring in their loads.

Golf Tournament Booked August 14 By SH Lettermen

The Sacred Heart Lettermen's Club announces this week that it will sponsor a low-ball golf tournament Sunday, August 14, starting at 8 a.m., on the Gainesville Municipal course.

The entry fee of \$18 per team will include green fees, and the tourney will be played in three divisions with trophies to the first three teams of each division. As pointed out by Coach Eddie Stock, this amounts to 18 trophies... one for each partner of the nine placing teams. Besides there will be one trophy for the longest ball and another for the ball nearest the cup.

To clear up possible misunderstanding, the coach explained that in low-ball the better score of the two partners on each hole is the official score. If one makes 4 and the other 5, the 4 becomes the team score.

Deadline for entry is Wednesday, August 10. Entry fees and qualifying scores must be in at that time.

Football Players Start Pre-Season Workouts Monday

As far as players are concerned, football season at Muenster begins next Monday when they start shaping up in a voluntary unsupervised program for the tough grind slightly less than a month later.

Members of both the Hornet and Tiger teams are expected to turn daily to build up endurance and to work out in the weight room to develop muscles. Starting with short runs they will increase speed and distance gradually until their two-day sessions begin on August 8. Shortly before that, on August 3, the boys may report for issue of shoes and shorts, but they will still practice on their own until the 8th. Interscholastic League regulations do not permit coaches to take charge of the youngsters before that date.

After four days of practice in shorts, players will receive their pads on the 12th, then continue with the twice daily schedule until school starts.

The pony express was established between San Francisco and St. Joseph, Missouri on April 3, 1860.

Marcia Schmitz Is Home Service Advisor at TP&L

Mrs. Marcia Schmitz has been named the new home service advisor of the Gainesville District for Texas Power & Light Co. Her appointment was announced by Mike Arrington, district manager for TP&L in Gainesville.

She will be in charge of demonstrations for schools and club programs and will be available to homemakers to show the proper use of their appliances and the conservation of energy. She succeeds Mrs. Sandra Shipley, who is moving to Lawton, Oklahoma, where her husband, R. C. Shipley will be an assistant basketball coach.

Mrs. Schmitz is a fifteen year resident of Cooke County, and is the daughter of Mr. and Mrs. Bill Hamer of Muenster. She is married to Mike Schmitz and they reside at 1808 Throckmorton.

The new home service advisor has several hobbies, which include sewing, snow skiing, and houseplants. She is a member of Temple Baptist Church.

Jaycee Picnic Had Great Attendance

Lots of fun and a big financial success featured the picnic sponsored by Muenster Jaycees Sunday in the city park. Included in the big crowd was a good representation from here and neighboring communities plus dozens of former residents returning for a homecoming.

The project reaping principal benefit was the new park pavilion, which was Number 1 priority for several Jaycee concessions. At the same time other concession earned money for Band Parents, Knights of Columbus, SH Alumni, SH Trust Fund, CYO and Bluebonnets.

The only incident to slow down the tempo was a power failure of about one hour starting near 10 o'clock. Fortunately the circuit was not on the regular park lights, so the picnic continued with the help of scattered general lighting and car lights.

Catching a greased armadillo was a let-down. The animal seemed too frightened to perform and was grabbed by a group of kids before it got started. The greased pig did better leading kids on a merry chase several hundred yards before being nabbed by Bubba Eldred.

The horseshoes tournament turned out to be mostly a one man show Eddie Hellman was first in both singles events and shared the doubles win with Dale Hellman.

Second in singles were Billy Fuhrman and Dink Hudspeth, and in doubles were Jerry Reed and Kenny Hess.

Observing Mrs. Ben Fleitman's birthday Wednesday afternoon were daughters, a daughter-in-law and grandchildren who surprised her with birthday cakes, ice cream and gifts. Mrs. Lloyd Prescher and Bret, Bart, Diane and Debra came from Gainesville; Mrs. Jimmy Prescher and Jeff and Joy came from Valley View; and Mrs. August Fleitman and Randy, Jan and Melinda of Muenster to join Christine and Betty Fleitman of the home.

When a man comes home late at night, his wife asks him where he's been and then she tells him where to go.

Weather Increases Grass Fire Hazard

Three grass fires within less than a week serve as a warning to be extra careful nowadays while weather is hot and dry. Fire chief Herbert Knabe said Tuesday that the condition is hazardous all over the area and a tiny spark can set off a roaring blaze.

Last Wednesday a hot bearing on a hay baler was the origin of a fire that cleared 15 to 20 acres plus three big round bales at Leonard Hartman's. Sunday a firecracker is believed to have started a fire in the Fleitman pasture east of Mesquite Street. And on Monday a fire on the north end of the Campbell ranch destroyed about 5 acres of pasture.

Early response enabled Muenster firemen to get the fires under control quickly.

Fire Chief Knabe also points out that now is the time to see that fire extinguishers are in order. New ones are available at his business every day and old ones can be serviced there on Thursdays.

Plans Developing West of Town for 30 Acre Addition

Annexation of some 30 acres of land at the west side of Muenster started developing Tuesday night as Rufus Henschel presented a petition to the city council asking for the addition.

The area concerned is south of Highway 82, west of Ash and north of the extension to be made of Eddy Street. It includes a site of about three acres adjoining Highway 82 and Ash owned by Valente Corporation and planned as the location of its new industrial plant.

Extension of water and sewer service for that project has been approved by the council. The lines are to be built to the city limit and the landowner will install from there to the building.

Next Monday Set For 4-H Rally Day

The Cooke County 4-H Council has set Monday, July 11 as the date for the 1977 4-H Rally Day. The day-long event starts with registration at 9:30 a.m. at the Leonard Park Pavilion. All Cooke County 4-H'ers and their friends are invited to attend. Activities planned for the day include: swimming, sack lunch picnic, sports-a-rama, team sports, and folk games. The Rally Day will conclude at 4 p.m. at the Community Center.

Permission slips signed by parents must be filled out before swimming, and the \$1 fee will cover swimming and refreshment costs. 4-H Council members Sharon Voth, Deryl Zimmerer, Kathy Davidson and Chuck Reiter invite all youth to come and participate in the 4-H Rally Day.

Additional information is available at the county extension.

Boys Baseball

The title race of the senior baseball loop ended in a tie with Endres and H&W both holding a record of 7-2-0. However in the three games of Endres vs H&W, Endres won twice and H&W once, so Endres got the nod for the championship honor and will be the team to accept the all star challenge later.

Final standings for the balance of the league were Mill 4-5-0 and Center 0-7-0. Results of the last two double headers were as follows: Fri., July 1: Mill 9, Endres 4; H&W 14, Center 7. Wed., July 6: Endres 19, Center 2; H&W 17, Mill 2.

Kelly and Kevin Cox, children of Mr. and Mrs. Frankie Cox of Houston were guests of their grandparents, Mr. and Mrs. Bruno Fleitman, for a week Tuesday Mrs. Fleitman and Jerry Fleitman took them to D-FW where they were met by their mother for the return flight to Houston. Kelly and Kevin enjoyed visiting and playing with their cousins, Doug, Sam and Jon, children of the John Dave Fleitmans.

Nutrition and Activity Program Organized by Senior Citizens

Establishment of the Senior Nutrition and Activity Program (SNAP) in Muenster appeared assured when the proposal received near unanimous approval of more than 60 persons attending a MAP luncheon Tuesday.

At the gathering was Mrs. Joy L. Jones, nutrition project director of the program's Sherman headquarters. She gave an explanation illustrated with slides on how the program is operating now in nine cities of Grayson, Fannin and Cooke Counties. Beginning in February 1976, that program is serving more than 2300 meals a week.

Mrs. Jones pointed out that SNAP is supported by federal funds under Title VII of the Older Americans Act passed by Congress in 1965. Funds are allocated to the state, which in turn makes allotments to counties on the basis of need and population. In this area, which is served by the Texoma Regional Planning Commission, the three counties are combined into one program... and the program works closely with the Area Agency on Aging, which is associated with the Texoma Commission and operates under Title III.

Council Is Cold to CD Warning Device

A sophisticated siren system to notify the community of storm alerts and warnings received consideration of the Muenster City Council Tuesday but no action was taken on it.

Tom Watson, Civil Defense Coordinator of Cooke County recommended the instrument as the best possible method of notifying people of threatening danger. He also explained that its price is \$11,802.25 and that a federal grant is obtainable for 50 per cent of the cost.

The council appeared cold to the suggestion, principally because of the high price, but partly also because of possible failure to receive a full 50 per cent of the federal grant. It recalled experience with the pavilion, in which the grant turned out to be considerably smaller than expected. It was especially reluctant because the siren would be bought without assurance that the grant would follow.

The proposal has been shelved for future consideration.

Texas Wheat Crop Tops Last Year's

AUSTIN — Increased yields per acre boosted this year's Texas wheat crop over totals for last year, even though some 300,000 fewer acres were in production, according to Agriculture Commissioner Reagan V. Brown.

Total production this year is expected to yield 110 million bushels, according to Texas Crop and Livestock Reporting Service statistics, Brown said. This is 6.6 million more bushels than harvested in 1976 due to the yield increase of three bushels per acre.

Harvest began in mid-May in South Texas and is now underway in the Southern Low Plains.

"Good rains during April and May provided needed moisture and allowed remaining dryland stands to reach full maturity," Brown said. "Scattered hail hit the High and Low Plains, but overall crop prospects are excellent."

"If prices for farmers were excellent too, this large crop would surely send Texas over the top in cash receipts," he commented, "but the average price in Texas last month was down to \$2.10 a bushel."

Hess Reunion
Descendants of the late Mr. and Mrs. Frank Hess are reminded to mark their calendars to reserve Sunday, July 24, for the annual Hess reunion. It will be a covered dish event at noon in the pavilion of Muenster City

Actually it is a coordinated program with separate funding for nutrition and activities. The consensus of MAP membership was that it has all to gain and nothing to lose by giving SNAP a try. If they like it they can continue and even expand on it. If they don't they can discontinue it any time.

With that thought in mind Mrs. Gladys Lutkenhaus was appointed to select companions and visit the centers of other communities in order to become familiar with operating details. Following that the program probably will be established here later this month.

The purpose of SNAP is three fold: to provide nutritious meals and nutrition education, to foster social activity and to provide services to the aged.

The first objective is not only to provide wholesome food at low cost but also to improve the diet for many who do not cook adequately for themselves. By the Meals on Wheels arrangement, food is delivered by truck after having been prepared in a central kitchen for all centers of the area by a caterer who is directed by a qualified dietician. The catering firm now engaged serves several universities of the Southwest and has catered for the last Olympics. Each meal is delivered as a package, not locally served as a buffet. Value of the meal is set at \$1.25, however use of surplus USDA commodities actual cost to \$1.00.

Bull Makes Fatal Bid for Freedom

A leap for freedom was a fatal mistake for an Angus bull last Thursday about 10:30 p.m. a half mile east of town on Highway 82.

The animal had been bought at the Muenster Livestock Auction earlier in the day and was being hauled in a stock trailer to its new home in Whitesboro when it made its escape over the trailer rack. The drop of some six feet to the pavement combined with the vehicle's high-way speed caused a very rough landing in which the bull sustained three leg fractures and possibly other multiple injuries.

The driver of the pickup and trailer was not aware of what had happened. He did not discover his loss until he reached his destination.

However the bull's trouble was far from ended. Lying helpless on the highway it was hit a few minutes later by a pickup truck.

People assembling at the scene notified Bill Hamer, sale barn operator, who brought a trailer to remove the animal. Loading it was a major project as some half dozen men used ropes and lots of muscle in getting the 1800 pounds of dead weight on the vehicle. It was hauled direct to a slaughter house.

Hospital Notes

The following patients were dismissed during the past week at Muenster Memorial Hospital.

Tuesday, June 28: Giles Walterscheid and Mrs. Rosa Yosten (exp.), Muenster; Mrs. Alvin Thomas and baby boy, Gainesville; Jimmy Hoover, Wichita Falls.

Wednesday, June 29: Phyllis Grewing, Muenster; David Hugon and Peggy Kelly, Gainesville.

Thursday, June 30: Mrs. Jimmy Eaves, Muenster; Jerome Sobczek, Arlington; Charles Ayres, Holliday.

Friday, July 1: Joe Luttmner, Muenster; Mrs. Stark Ritchie, Washington D. C.; Mrs. Mike Blake, Otis Renfro and B. J. McCutchen, Gainesville; Mrs. Hilda Workman, Nocona.

Saturday, July 2: W. C. Holt, Saint Jo, Billy Covington, Forestburg.

Monday, July 4: Elaine Grewing and Agnes Klement, Muenster; Lonnie Brewer, Saint Jo; Karen Martin, Dallas; L. P. Routh, Gainesville.

are asked to pay that amount but those who can't may pay less or nothing at all. Another suggestion is to pay more when one's money arrives and less when funds run short. While it is desirable to break even on the meals, the first purpose is to provide the food regardless. Furthermore the program has a way to avoid embarrassment of people who can't pay. An envelope is provided with each meal and it is to be returned with whatever amount the person wishes to pay.

An extension of the meal service is delivery to people who can't come. The list of persons would be determined by asking each whether he or she wishes to participate.

Delivery to such people as well as distributing packages and cleaning up the dining room involves services for which people can receive compensation through the program, an earning which can be a welcome supplement to an otherwise limited income. Likewise compensation is allowed for detail work of the center.

Activities can be as varied as the imagination allows. There are quilting, macrame, artwork, table games, movies or other programs, field trips, tours, etc. The combined result is interesting recreation and good food, which often becomes apparent in better health and better attitude.

Other suggested services include daily telephone calls to persons living alone, making sure they are all right, transportation for those who don't have cars, or handy man help for small repair and maintenance jobs. Again, the persons doing those things would be entitled to compensation from the program.

Brights Named for Yard of the Month

Yard of the Month honors have been won by Mr. and Mrs. David Bright for July. Especially noted was the neat and comfortable back yard.

The award is announced monthly and a suitable marker is put in place. The program is sponsored by the Muenster Garden Club to give recognition to attractive, well cared for yards, gardens, flowers and lawns.

County 4-H'ers in Fashion Review

Richard Brooks, fashion coordinator, buyer and owner of Richard Brooks Fabrics of Dallas, will act as commentator for a 4-H fashion review to be held at the Texas A&M University Research & Extension Center, July 7, according to Mrs. Judy Edwards, Extension district agent.

Set for 2:30 p.m., the program will see more than 50 young fashion designers parade their creations which will range from sportswear to evening dress, Mrs. Edwards said.

Representing Cooke County will be Debbie Zimmerer, Shelley Stoffels, and Donna Arendt according to Karen Gilman, assistant County Extension agent. Winners will compete state-wide at a later date.

Pee Wee Softball

Fischer and Bluebonnet, each with a record of 3-0-1, are leading the girls Pee Wee League at the end of the fourth double header. At the same time VFW and GMC are sharing the bottom spot with identical records of 1-2-1.

Scores of the past week were as follows. Thursday, June 30: Bluebonnet 20, GMC 2; Fischer 14, VFW 12. Tuesday, July 5: Fischer 12, GMC 7; Bluebonnet 19, VFW 8.

Next on schedule are: July 7, GMC-VFW and Bluebonnet-Fischer; July 12, GMC-Bluebonnets and Fischer-VFW.

Sister Anselma Haverkamp returned to Holy Angels convent, Jonesboro Tuesday, after an extended visit with relatives here. Accompanying her were Sister Romana Rohmer and Sister Alberta Krebs for a visit at the convent.

Bob Krueger Is Senate Candidate

Congressman Bob Krueger (Democrat - New Braunfels) calling for "a voice, not just a vote in Washington," has

formally announced his candidacy for the U.S. Senate in 1978.

Speaking to a crowd of supporters from throughout the state gathered at a July 4th rally at his home in New Braunfels, Krueger said, "Let us not overlook the fact that Texas needs more than just a vote in the U.S. Senate. It needs a voice: one sufficiently free of narrow partisanship and one sufficiently sensitive to the hopes of all the people in Texas to gain a hearing among members of both political parties both at home and in Washington."

Krueger, who was elected from the vast 21st District to the U.S. House of Representatives in 1974, outlined four areas requiring leadership from Texans and Americans in the worldwide community. Those areas are the economy, energy and environment needs, education and vision.

Try the Fisher stove for one year, and if you're not completely satisfied . . . bring it back for a full money refund

Cost vs Weight

Costs should be compared with weight. The more weight the better. The stove you buy should be a large mass of iron to collect and radiate the heat efficiently.

Airtight Firebox

Your stove should have an airtight firebox and an adjustable draft that enables the wood to burn slowly. Avoid stoves that are not airtight or have loose fitting doors. When you invest in a Fisher you guarantee your own comfort and security.

Easy to Install

Your Fisher can be attached to existing chimneys, fireplace chimneys, or used with pre-fabricated chimneys installed through ceiling or wall.

Stores Heat

The heating chamber is designed to transfer heat to the stove's surface rather than letting it go up the chimney.

Massive steel construction makes it heavy and long lasting, mandatory for superior heat radiation.

Your Fisher stove won't warp, bend, buckle or stretch. It won't break, burn out, wear out or rust out.

Senator Tower to Be in Gainesville Friday at 10 a.m.

U. S. Senator John Tower will discuss national and international issues as well as local concerns with citizens in

Gainesville, Whitesboro, and Bonham on Friday, July 8. The senior Texas senator's visit is part of his weeklong tour into 13 Texas communities starting the Fourth of July while the Senate is in recess from legislative business in Washington.

Tower starts in Gainesville with a community reception at 10 a.m. at the Chamber of

Commerce Building. The event is open to the public. In Whitesboro, Tower will be honored at a noon luncheon at the Whitesboro High School Cafeteria.

The Texas Republican concludes the day in Bonham with a 3 p.m. Town Hall Meeting at the Fannin County Courthouse.

A question-and-answer session with citizens is planned at every event to enable Tower to listen to constituent concerns.

"Almost every weekend and during Senate recesses from legislative business, I travel back to Texas and listen to what's on the people's minds," Tower said. "These conversations and the numerous letters from constituents keep me in touch with the people I was elected to represent in Washington."

In addition to the three North Texas cities, Tower plans visits to Odessa, Granbury, Houston, Dallas, Ennis, Liberty, Jasper, Center, Palestine, Henderson, Longview, Tyler, Athens, Austin and Round Rock during the week.

In his third term, Tower now ranks sixth in seniority among Republicans in the Senate. He is the top-ranking GOP member of the senate Armed Services Committee and second-ranking on the Banking, Housing and Urban Affairs Committee. He also is chairman of the Senate Republican Policy Committee and serves on the newly created Senate Ethics Committee.

Last year, U. S. News & World Report magazine named Tower as one of the "Five Most Influential Senators" serving in Congress.

Texas Gains to Third in Nation's Population Count

By Lloyd Bentsen

If anyone had any doubts, recently published Census Bureau estimates for the first half of this decade show conclusively that a population shift is underway in this country.

People are fleeing from the densely populated areas of the Northeast and Upper Midwest.

The population of metropolitan New York declined by 338,500 between 1970 and 1975; Cleveland by 83,400; Philadelphia by 26,900, Newark, N. J., by 61,600.

They are forsaking the Snowbelt, crossing the Frost Line, flocking to the Sunbelt — the South and Southwestern United States.

And Texas appears to be one of the most popular and attractive places to settle in.

The Census Bureau estimates that the population of Texas increased by over a million during the first five years of the 1970's.

By way of comparison, Illinois grew by 5,300 people during the same period, enabling Texas to overtake that state and become third ranked in the country in population, behind New York and California.

So far in this decade, metropolitan areas in our state have grown by leaps and bounds. Three of them — Houston, Dallas-Fort Worth, and San Antonio — are among the nation's ten biggest cities.

Much of the reason for our startling population growth in Texas results from a solid, healthy economic base which offers both jobs and plentiful business opportunities. The increasing numbers of people, in turn, help keep the economic base expanding.

But, along with the obvious blessings, the ever-growing number of people bring serious problems and hardships as well.

It hasn't been easy, though, to get the federal government to understand this. Govern-

ment bureaucrats — particularly those bureaucrats within the Department of Housing and Urban Development — seem preoccupied with the problems of the older, declining cities. They haven't paid attention to the difficulties growing areas, such as Texas.

Take the Community Development Act, for example. Texas last year received an amount equivalent to \$344 for each family in poverty under this act, which is intended to upgrade neighborhoods and improve public services in large and small cities alike. The figure in New York was \$652, in Pennsylvania \$931, and in Michigan \$881.

And this year Congress — over my opposition — is changing the formula for distributing funds under the Community Development Act so that it favors even more the older, decaying areas in the Northeast and Midwest.

As an example, in the future the amount of funding a city receives will depend in part on the amount of housing in it that was built before 1940.

THANKS

Our family wishes to thank Father Placidus, Father Stephen and Bishop Danglmayr, Dr. Antonetti, the nurses and staff of Muenster Memorial Hospital, and the sitters who volunteered their help, the friends and relatives who visited or said a prayer while our mother was a patient in Muenster Memorial Hospital. We are grateful for many kindnesses during her long illness and at her death and funeral. We appreciate the beautiful service, the songs of the Choral Group, the spiritual bouquets and floral offerings and every thoughtful deed of Nick and Adeline. Special thanks to the ladies who prepared the family dinner and all who sent food. We treasure the memory of every kindness.

Mrs. Rosa Yosten

Over 400 Attend Reunion of Pultes

More than 400 descendants of the late Mr. and Mrs. John August Pulte attended a week-end reunion in St. Mary's Parish Hall Saturday evening and Sunday all day, July 2, 3.

A get-acquainted party Saturday evening in the parish hall preceded the Sunday activities. Two hundred guests registered.

Sunday morning at 9:30 over 300 Texas Pulte relatives and out of state descendants of August Pulte and his wife Caroline Schmidt Pulte attended Mass in St. Mary's Church celebrated by Father Harry Fisher of Pilot Point, a son of the late Mr. and Mrs. Joe Fisher (Emma Pulte).

At noon, 425 attended a barbecue dinner furnished by Ed, William, Robert and Ruth Pulte and Mrs. Rita Hobbs and Ed Crudgington of Gainesville. Fisher family descendants of Emma Pulte Fisher, grandsons Butch and Johnny Fisher processed the beef that came from the original homestead established by the August Pultes.

Following dinner William Pulte of Gainesville gave a family history and Dr. Wil-

liam Pulte Jr. of Dallas showed slides of the Pulte family home in Helden, Westphalia, Germany.

The gathering marked the 100th anniversary of John August Pulte from Germany and plans for the reunion were begun several years ago. Included in the afternoon's activities was the awarding of several prizes. Mrs. Hal Fisher (Marie Pulte Fisher) of Bishop, California, won a prize for coming the greatest distance. John August Pulte of Minnetonka, Minnesota, only descendant named for his great-great-grandfather won a skate-board. A chair brought by oxen and cart by the family, was won by Douglas Hobbs of Gainesville. The chair had been kept by Mrs. Henry Pick (Bertha Fisher Pick) and was restored by Donna Hobbs of Ottine, Texas.

During the late afternoon a large group of relatives joined a tour on the site of the old Pulte farm and homeplace. Many group pictures were made during the reunion. Attending from out of the county were Donna Hobbs of Ottine, Texas; Messrs. and

Mr. and Mrs. August Fleitman and Randy and Jan, accompanied by Christine Fleitman of Muenster and Shirley Helling of Gainesville spent Tuesday at Six Flags Over Texas. Enroute, they toured the D-FW Airport and returning visited in Grand Prairie with Mrs. August Fleitman's sister and husband, Mr. and

Mrs. Bob Bush, newly weds for one month. There they also visited Mrs. Fleitman's mother, Mrs. Pearl Richardson of Gainesville who was recuperating in her daughter's home following surgery in Gainesville Memorial Hospital. Returning home, the group also helped Kenny Fleitman observe his birthday in the Ben Fleitman home.

Economical V8 Gas Mileage Ratings

Ford's most economical V8 is now available in all Ford LTDs and in Ford LTD Landau 2 door models

Ford LTD 302 V8	Hwy.	City	Combined
	19	15	17

EPA estimates. Your actual mileage will vary depending on your car's condition, optional equipment, and how and where you drive.

Independent shopping survey, week of June 6, shows that the price above was an average price for the Ford LTD Model at one third of all Ford Dealers in the Fort Worth area. Some were higher, some lower. See your Ford dealer for his price and terms. Title and taxes not included.

2. Independent owners did the comparing

63% of those who tested a Ford LTD and a Chevy Impala chose the LTD

In a recent independent test 50 Ford and 50 Chevy owners selected at random in the Los Angeles area rated both Ford LTD and Impala for:

- ... Overall styling
- ... Interior and exterior features
- ... Roominess
- ... Trunk space
- ... Parking
- ... Driving under city, freeway and residential conditions

There were 55 separate tests in total. At the conclusion of these tests, all were asked if they had to choose, which of those cars they would be more likely to buy. The answer? 63% or nearly two out of three chose a Ford LTD.

So if you're in the habit of buying an Impala without comparing, kick the habit and compare. Because this year there are surprising differences between Ford LTD and Impala.

Local News BRIEFS

Children and grandchildren of Mr. and Mrs. Al Hess reunited with them during the July 4th holiday weekend. Miss Diane Hess flew in from Denver and Mrs. Andy Jacobsen and son Payce from Austin. Alan Hess of Dallas and Myron Hess of Texas A and M University were weekend guests and Mr. and Mrs. Bob Fitch and family of Dallas spent Sunday here. Joining them for family visits and for Sunday dinner hosted by Mr. and Mrs. Al Hess were Mr. and Mrs. Dennis Hess and family and Mr. and Mrs. Roy Monday and family. They all attended the Jaycee picnic together.

Mrs. Charles Everette of Olney, Ill., is visiting relatives in her former hometown and will attend the Saturday wedding of her niece Linda Miller to Jack Flusche. Mrs. Everette is the house guest of her sister, Mrs. Andy Hofbauer where other guests during the weekend will be Mr. and Mrs. John O'Dowd and family of Shreveport, La., and Mr. and Mrs. Don Glover and family of Dallas.

Guests of the Reggie Bayer family since Sunday are Mr. and Mrs. Bill Long and family of Thomasboro, Ill., who will also attend the Flusche-Miller wedding Saturday.

Mrs. Dick Cain returned recently from an extended vacation visit with relatives in Norman and Oklahoma City, Okla. and Dallas, Lewisville and Denton. She also visited her sister, Mrs. T. C. Rhone (Leona) in Bellview, who has been ill, but is now improving steadily.

Guests of Mrs. Dick Cain and Mr. and Mrs. Dick Trachta during the July 4 weekend were Mr. and Mrs. Wayne Trachta and family of Norman, Oklahoma. Other guests in the Cain home were Mrs. Gene Hartman and children Jeanna and Pam of Denton who spent the weekend and Kelly Lynn McCollum of Dallas, who was her guest for a week.

Mr. and Mrs. Tom Fuhrmann and family moved this week from Eules to Denison as a result of his transfer and promotion by Texas Power and Light Company to the Northern Division.

Letter To the Editor

I am an inmate at London Correctional Institution. I use to live in Muenster about five years ago, before I came here to Ohio. I would appreciate it very much, if you would print the following in your newspaper.

Male White, age 38, an inmate at the London Correctional Institution, would like to hear from Pen Pals of his home town, or surroundings.

Will answer all letters received. Address all letters to: Bill Crawford No. 141-194 P.O. Box 69 London, Ohio 43140

NOTES FROM THE LIBRARY

The Summer Reading program has reached its halfway mark. To be eligible for a reading certificate, readers must read and list the titles and authors of at least 10 books on their grade level. This will not be difficult since the library is shelving new books all the time including over 40 different Hardy Boys and Nancy Drew Mystery series.

The McNaughton books are now coming in. This plan provides the latest adult books readers want. To date we have received 15 including such authors as Pearl Buck, Catherine Cookson, Barbara Cartland, Julie Eisenhower, Jean Flaidy, Dorothy Eden, Louis L'Amour. Arriving also are the American Library Association's outstanding fiction, non-fiction, biographies, and theater for the college bound plus outstanding books on the current scene. In addition to this through our Interlibrary Loan agreement we are able to loan books from the Northeast Texas Library System without any charge to the customer. Library hours: Tuesdays & Thursdays 8:30 to 5:00; Wednesdays 3:00 to 6:00.

Two Vacation in California
Mrs. Herb Cunningham and her sister Mrs. Clarence Owen of Fort Worth have returned from a three week vacation in California visiting relatives. They were houseguests of Mrs. Owen's daughter, Nina and husband, the Pete Bardsleys of Sylmar, California. Their hosts took them for extensive sightseeing and also to Disneyland. In La Vegas they were guests of Jerry Laux for a weekend and met Betty and Alfons Pautler who were vacationing with their son and family, the Roger Pautlers also of Las Vegas. The vacation was Mrs. Cunningham's first plane trip.

Attend Funeral of Mrs. Yosten

Among out of town relatives and friends attending the funeral of Mrs. Rosa Yosten were Mr. and Mrs. Al Swirczynski and Mrs. Charles Doty of Kleberg; Mrs. Curtis Holland of Cleburne; Sister Francesca and Mrs. Anna Walterscheid, Mr. and Mrs. Stan Yosten, Mr. and Mrs. Paul Yosten and Paulette, Mrs. Tom Williams and children and Mrs. C. D. McClafin all of Fort Worth, Miss Mary Hesse, Mrs. Don Cupid, Mrs. Glen Georgia all of Dallas; Mr. and Mrs. Kenneth Tucker of Wichita Falls; Mrs. Morton Wright of Irving; Mrs. Larry Yosten of Sulphur Springs; and Mr. and Mrs. Leo Hoedebeck, Mrs. Angeline Wiesman, Frances McDearman, Kathleen Howard, Mr. and Mrs. Ronnie Herr, Aubrey Spires, Mrs. James Patterson, C. H. Spires, Anna Grace Woods, Mr. and Mrs. Lonnie Langston, Mrs. Reuben Wilson, Mrs. Evelyn Smith, Mr. and Mrs. Leo Felderhoff and Mr. and Mrs. W. F. Roberts, all of Gainesville; and Mr. and Mrs. Al Bengfort, Mr. and Mrs. Joe L. Bengfort, Mr. and Mrs. Jim Myrick and Mr. and Mrs. Richard Hesse all of Lindsay.

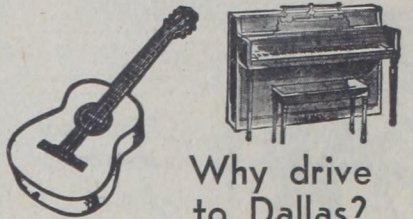

Correction
The list of pallbearers in last week's Enterprise should have included Gary Yosten and Greg Yosten. Their names were incorrectly listed as Jerry and Craig.

INTRODUCTORY SALE

When you open the door to our store the next couple of weeks, it might not look like there's a sale going on. You won't see our slow moving items on prominent display with big price markdowns. No "demonstrators", used furniture, or "damaged in shipments". There won't be any penants flying.

No Ordinary Sale

That's because we're not having the kind of sale you see at most stores. We are having a sale on CUSTOM furniture. Furniture that you individualize by choosing a size, style and fabric so that we may place your order for delivery in about 30 days.

Double Price Reduction

The Savings will be super. Here's why:
Norwalk Furniture Corporation, America's custom furniture specialist, has granted us a price reduction on our most popular groupings during the next two weeks.

Of course we're passing this reduction along to you.

But we are also going one step farther and matching the price cut with a discount of our own. So you actually save with a double price reduction.

Two Weeks Only...Ends July 16

The factory price reduction . . . and our Custom Furniture Super Sale . . . end in just two weeks. Stop in soon!

Our No-Charge Extras

- ...FAST DELIVERY. About 30 days on Norwalk custom orders.
- ...HUGE SELECTION. 592 fabrics and over 400 styles to choose from.
- ...GREAT GUARANTEE. 2 years on frame, components & fabric.
- ...SOLID REPUTATION. Good prices, good service, good people.

It takes from 50 to 100 years to produce a tree large enough for lumber. Members of the white race have more hair on their heads than any other race. There are more states east than west of the Mississippi River. PBX, referring to small switchboards, means Private Branch Exchange. For a short period from 1835 to 1837 the United States government was out of debt. Each U. S. Congressman represents approximately 280,674 people.

Fishers Visit in Washington
Mr. and Mrs. J. A. Fisher have returned from a nine day visit with her brothers and families, the Leo Schmitts in Yakima, Washington and Charlie Schmitt and daughter, Juanita in Grandview, Washington. They also attended the wedding of a grand niece, Ruth Ann Raschko to Joe Riel in Blessed Sacrament Church in Grandview last Saturday. The bride is a granddaughter of Charlie Schmitt. At the wedding they met Barbara Schmitt of Seattle and Mark Schmitt and Mr. and Mrs. Danny Schmitt and family of Prosser, Washington. In Seattle the Fishers also visited three daughters of the Leo Schmitts who took them to meet their plane to return home.

Reunion Held by Koelzer Relations

A reunion on Friday evening at the pavilion of Muenster City Park honored Father Bonaventure Koelzer after he arrived here from missionary duty in Brazil. The covered dish meal was attended by descendants of the late Messrs. and Mrs. John Koelzer, Alois Hoenig, Joseph Flusche and Leo Rohmer.

Also attending were a brother and sister of Father Bonaventure, Pete Koelzer and Mrs. Susie Noggler and their families and a number of Muenster, Lindsay and Decatur nieces, nephews and cousins of the honored guest, Father Bonaventure's sister, Mrs. Ed Moster of Lindsay was unable to attend. She was visited later by her brother.

Among those attending from out of town were Messrs. and Mrs. Lawrence and Al Flusche and Mrs. Conrad Flusche, all of Decatur.

Father Bonaventure arrived at D-FW from Brazil on Wednesday, June 29 and was met by Mr. and Mrs. Joe Hoenig and Mrs. Susie Noggler.

On Monday, Father Bonaventure was accompanied to Hereford by cousins Mr. and Mrs. Ben Voth and Miss Mary Rohmer and his sister, Mrs. Noggler. There they will all visit with other sisters and a brother and cousins, Theresia Koelzer, Mrs. Johnny Noggler and Ben Koelzer. The Voths, Miss Rohmer and Mrs. Noggler returned home Thursday.

In Hereford Father Bonaventure will assist in St. Anthony's parish for a month, while the pastor is on vacation. He will also visit the Franciscan monastery at Graymoor, New York and, after spending about two months in the States, will return to Brazil to continue in mission work.

YOU CAN BANK ON IT!

One of the most valuable assets any individual can have is good personal credit.

With the economic ups and downs of today's world a good credit rating is almost a necessity. Good bank credit is widely regarded as the most valuable of all business references. The essence of this credit is trust and confidence. In fact, the word credit comes from a Latin verb which meant to believe or trust.

In establishing good bank credit, you should keep several things in mind. Accurately describe what you need credit for purchasing, provide all financial information relevant to the loan and then make the payments as agreed. If something unavoidable happens that causes delay in payment, let your banker know in advance.

We'll work with you every way we can. Good bank credit for you means a good customer for us.

To hold this down ...

(your electric bill)

turn this up ...

(your thermostat)

Many thousands of Texas Power & Light customers enjoy the comfort of air conditioning in their homes and for most it is the biggest factor in their electric bills during the summer months.

If your home is air-conditioned, you can hold down your electric bill by turning up your thermostat. On whole-house systems, set the thermostat on 78° or higher. On window units, adjust the cooling control to maintain a room temperature in the upper seventies. Turn the air conditioner off if you're going to be away from home for several days or longer.

Check filters every 30 days. Replace dirty disposable-type filters; clean permanent-type by manufacturer's directions. Keep furniture and draperies away from air outlets and returns; clean grills often. Close draperies and blinds to keep out direct sunlight. Keep fireplace damper closed.

Replace worn or missing weatherstripping and caulking around windows and doors. Ask an insulation dealer or a TP&L Service Representative to help you make certain your home is adequately insulated.

I'M GLAD I USED SATINTONE LATEX HOUSE PAINT

I'D RATHER GOLF THAN PAINT MY HOUSE - but, up until a few years ago when I tried SatinTone, the painting seemed to take up a lot of my time. I guess I have to paint again sometime, but not this year! and it's already been longer than ever before between paintings.

If you have things you'd rather do than paint your house - try SatinTone Latex House Paint by Colony Paints.

Tom Bright on VMI High Honor Roll

Cadet Raymond T. H. Bright, is among 319 Virginia Military Institute cadets who have been named to the dean's list for the second semester of the school year. He also has been declared distinguished in general merit, an achievement which entitles him to wear the traditional gold stars of academic honor. Bright, a rising second classman, is a civil engineering major at VMI where he re-

cently was awarded the National Sojourners Award for excellence in the Marine ROTC program. To be eligible for the dean's list, a cadet must have an average of 3.0 (on a 4.0 scale) for all subjects with no grade below 2.0. A cadet who has a weighted average of 3.495 on all subjects taken during the year's session may be declared distinguished in general merit.

Vacation in Arizona

Mr. and Mrs. Charles Davidson have returned from a vacation in Arizona, when they visited her sister and husband, Mr. and Mrs. Bert Langford in Flagstaff and enjoyed seeing the Langfords' new home. There they met her mother, Mrs. Louise Siegmund of Gainesville, who was visiting in the Langford home. Mrs. Siegmund went to Flagstaff with her daughter and son-in-law after they attended the Becky Davidson-Tommy Felderhoff wedding and returned home with the Charles Davidsons. During her visit there, she also went to Phoenix. Together they all went sightseeing at the Grand Canyon and Red Oak Canyon.

Gene Luke Family Visits Here Dr. and Mrs. Gene Luke and daughter, Donna of Holbrook, Arizona, arrived Wednesday afternoon to vacation with his mother, Mrs. Ben Luke and other family members. On Saturday they will meet their son, Robert who is completing an intensive five week course at SMU, sponsored by the National Science Foundation, Math Institute. Forty four participants from all over the U.S. are enrolled and Robert is one of the only two sophomores included. Donna has just completed a two week Speech and Drama Workshop at Northern Arizona University at Flagstaff. Participants came from many parts of the country. The Lukes will also visit her parents in Bridge City and return for another week in Muenster before returning home.

Tom Hess of Fayetteville, North Carolina spent a 10 day vacation here visiting his parents, Mr. and Mrs. Ray Hess. On the return trip to Fayetteville he was accompanied by his mother and by an aunt, Sister Catherine Henry who was vacationing in Lindsay with his parents, the H. S. Fuhrmanns. Together the trio went to places of interest in North Carolina and in Colonial Williamsburg, Virginia. After a return flight to D-FW, Mrs. Hess came to Muenster and Sister Catherine Henry continued to San Antonio for retreat. When school begins she will return to St. Phillip's Elementary School as Principal.
