MUENSTER, COOKE COUNTY, TEXAS 76252

FEBRUARY 24, 1978

NUMBER 14

A thought to ponder as we are working on our annual income tax return: From Rep. Latta (R-Ohio), a member of the House Budget Committee, comes the report that interest of the national debt has increased 169 per cent in the past eight years. Today an average of \$707 per return goes to pay the interest on that debt whereas the amount was \$263 eight years ago.

Another multiplication of federal cost is involved in the census report, which will come up in 1980. Some members of Congress are warning that the price tag may be more than \$1 billion, five times as expensive as the 1970 count.

One problem is that questionnaires being prepared are too long and complicated and ask questions that many people consider none of the government's business. All that tends to turn people off with the result they simply don't bother to send back the forms. If they don't it means expensive follow-up work.

In a 1976 census trial run in New Jersey, 50 per cent of the residents failed to complete the forms.

An item that was all but lost in the current stream of more sensational news seems to indicate that the Soviets goof about as badly on their scientific thinking as they do on the economic, moral and ethical. The Reds have revived the discredited genetic theories of Lysenko, who died last year. Lysenko claimed he could create tougher strains of wheat by exposing it to freezing temperature in laboratories, and Reds are using the theory to explain their success in creating higher yielding varieties of grain.

During Lysenko's time as head man of Russian science the country's progress in plant improvement was at a stand-still whereas the Western biologists were constantly improving, as indicated by increased food production year after year.

An amusing fact is that the Soviet announcement of the glorification of Lysenko came only one day before the Russian leadership announced that it would purchase 8 to 15 million tons of US grain due to a poor harvest. National Review magazine reacted to that bit of news by observing that the Soviets are experiencing yet another year of unprecedented bad weather that began in 1917.

This remark emphasizes a point that has been overlooked by most of us these many years. A country once known for a long record of agricultural abundance cannot explain 60 years of crop failure just by bad weather.

A related thought is that this country has been the provider year after year, sustaining the Soviets through their colossal blunders. It has done that in spite of treachery, spying, hostility and constant warfare, both hot and cold, while advancing every day toward its goal of world supremacy. In other words, US has been Russia's No. 1 helper while it was treated as the No. 1 enemy. We have been in a position to do something about the deterioration of world affairs, and we are still in a position to do things if we just revive some of our old time American gumption.

Just now the biggest and most meaningful thing to do is to block the give-away of the Panama Canal. Washington's attitude on this thing is a national scandal. We have dozens of senators, including our own Senator Bentsen, who stubbornly persist in going on with this shabby deal when their mail opposes it 50 to 1 and the folks back home oppose it at least 2 to 1. And the people's attitude prevails in spite of a most biased presentation of the issue... for instance, the President's fire-side chat. Opposition would be overwhelming if the whole truth were known.

One sad fact is that time is being spent daily in fussing about the various details of the treaties when all should be thinking about the one important fact... our loss and communism's gain in its campaign for world domination.

They talk about giving it to Panama. They should say we are giving it to the global Red conspiracy. They claim to be dealing with Torrijos and they want to trust him even though they know he's

Funeral Service Held Sunday for Mrs. Russell, 90

Funeral service for a former Muenster resident, Mrs. Mattie Elizabeth Russell, 90, of Myra, was held at 2 p.m. Sunday, Feb. 19, in the chapel of Vernie Keel Funeral Home with the Reverend James Womack officiating.

Burial was in Reed Cemetery directed by Keel Funeral Home and the pallbearers were her grandchildren: Billy Don Wolf, Brian Russell, David Russell, Ronnye Russell, Jimmy Dean Russell and Joe Russell Decker.

Mrs. Russell died at 6:30 Friday in Jewell's Frontier Manor of Gainesville.

She was born July 27, 1887 in Independence, Mo., a daughter of the late Joseph and Phoebe Corlew. She was married on January 17, 1904 in Welch, La., to Joseph Samuel Russell and moved to Muenster during the community's 1927 oil boom. They had 13 children, 8 of whom surviving. Mr. Russell was an oil field driller and pumper. He died in 1945.

Survivors are three sons, Joe Russell of Marysville, Bert Russell of Whitesboro and Jimmy Russell of Myra; five daughters, Louise Wolf of Muenster, Cora Mitchell of Gainesville, Oda Niles of Enid, Okla., Rose Decker of Hobbs, N.M., and Emerie George of Seminole, Okla., also 39 grandchildren, 69 great-grandchildren and 25 great-great-grandchildren.

Out of town relatives attending the service were Mr. and Mrs. R. E. Russell of Longview, Mr. and Mrs. Robert Bernauer and Cindy of Irving, Mr. and Mrs. Darrel Reed and Mrs. Janis Pettit of Whitesboro, Mrs. Emerie George of Seminole, Okla., Billy Ray Fuson of Andrews, Mr. and Mrs. Carl Deckers and Joe Russell Deckers of Hobbs, N. M., Mrs. Nancy Smalleck of San Antonio, Mr. and Mrs. Mack Fuller of Nocona, and Mr. and Mrs. H. D. Hoover of Bonita.

Local Golf Club Members Asked to Join Nocona Hills

Members of the Muenster Golf Association, while awaiting construction of their own club facilities, are invited to become Associated Restricted Members of the Nocona Hills Owners Association.

The membership, available for an annual fee of \$60 will apply to the member's spouse and children living at home who are under 21 years of age.

Privileges of membership include free green fees and use of the swimming pool, tennis courts, club house and restaurant. Also the member may join the Nineteenth Hole (bar) by paying the regular \$10 membership fee.

Other relevant information may be obtained from Jodie French, 759-2804, and Bertha Hamric 759-4144 or 759-2770 after 5:30.

Jim Baum Is Candidate for District 17 Representative

Jim Baum is not one to let the grass grow under his feet. Since announcing his candidacy for Congress, 17th District, the Big Spring radio station manager has visited in all parts of the 33-county District.

Baum has vowed to take his campaign to the people by going door-to-door in at least 73 towns and cities and currently is fulfilling his pledge.

Baum says, I want farmers and middle income families to know I want their votes. That's why I'm going door-to-door... to give this campaign a personal contact."

Baum averages 200-300 homes per day and is frequently asked into homes to talk politics. "This is what I really like," he adds, "hearing what others expect or don't expect from government."

On the subject of his candidacy, Baum stresses the fact he's a working man, a man raising a family just as so many others in this Congressional District are doing. "I know the problems they face," he says, "because my family has them, too."

Baum and his wife, the former Margaret Stewart of Beaumont, reside with their four children, ages 10-15, in

Susan Walterscheid Is Champ Speller At Sacred Heart

After many weeks of preparation, students of Sacred Heart grades 5 through 8 held spell-downs in their respective classrooms last week. The 10 top spellers of each grade joined in a Spelling Bee on Thursday, February 16 in the Reading Lab.

The SHS champion speller is Susan Walterscheid, sixth grade daughter of Mr. and Mrs. Norbert Walterscheid. Runner-up is Kathy Koch, eighth grade daughter of Mr. and Mrs. King Koch. Third place winner is Sharon Voth, eighth grade daughter of Mr. and Mrs. Ray Voth.

Susan correctly spelled "tenement" and captured the trophy by also spelling correctly the next word on the list, "tennis."

She will advance to the County Spelling Bee on April 1, beginning at 10 a.m. at Cooke County College.

Other students winning ribbons in grade 5, in order named were Sondra Hess, daughter of Mr. and Mrs. Frank Hess; Jo Ell Hellman daughter of Mr. and Mrs. Dolphy Joe Hellman and Tim Knabe, son of Mr. and Mrs. Herbert Knabe.

Sixth grade winners were Susan Walterscheid, daughter of Mr. and Mrs. Norbert Walterscheid; Daniel Koerschner, son of Mr. and Mrs. Fred Koerschner; and Anne Felderhoff, daughter of Mr. and Mrs. Joe Felderhoff.

Winning ribbons in grade 7 were Janet Hesse, daughter of Mr. and Mrs. Bernard Hesse, Curtis Rohmer, son of Mr. and Mrs. Urban Rohmer and Renee Rohmer, daughter of Mr. and Mrs. Tony Rohmer.

Eighth grade winners were Kathy Koch, daughter of Mr. and Mrs. King Koch; Sharon Voth, daughter of Mr. and Mrs. Ray Voth and Mark Miller son of Mr. and Mrs. W. J. Miller.

Judges were Nancy Fleitman, Elaine Grewing, Tina Hesse and Fred Hoedebeck. Mrs. Tom Sangster was the caller. The Spelling Bee was under the direction of Sister Georgia, elementary principal.

Attending during the course of the day were classmates, teachers, a number of high school students and many parents.

Awards were presented and pictures were made prior to the 2 p.m. dismissal.

Bloodmobile Will Be Here March 8

March 8 has been set for the next semi-annual visit of the Red Cross Bloodmobile, and 100 units again has been set as the community quota.

As in the past, two drives will be held this year for the purpose of supplying the Red Cross system with sufficient blood to offset the day to day withdrawals for continuing local needs.

The Red Cross blood bank of Wichita Falls, of which the Muenster Hospital District is a member, services the hospitals of some 41 counties in North Texas and South Oklahoma. The system currently needs an average of 91 units of fresh blood every day and it is entirely dependent on voluntary donors of the participating communities.

Neither the blood program, the attending physician or the hospital require patients to replace blood, as is the case with many non-Red Cross suppliers, nor is a fee charged for the blood itself. The fee charged in connection with transfusions reflects the system's cost for collecting, processing and distributing, plus the hospital's cost for lab services and transfusions. Use of the donated blood makes a transfusion much less expensive than the use of blood from a commercial blood bank.

Quality of blood is another important consideration because blood freely given by a healthy donor is less likely to cause infectious hepatitis than blood from many commercial sources.

Everyone in the hospital district is urged to participate in the March 8 blood drive, primarily to provide an adequate supply for local needs and also as a matter of community pride in doing its part toward the success of a good program.

As usual, the bloodmobile will be at the K of C Hall and collections are scheduled 2 to 7 p.m.

Heart Collection Scheduled Sunday

The annual collection of funds for heart research conducted by the American Heart Association will be held Saturday night and Sunday, May 25 & 26, following services in Sacred Heart Church.

Mrs. Martin Kralieck, local chairman, said that the donations received will be turned over to the research which is constantly striving to improve the chance of survival for a heart or stroke victim. According to Heart Association statistics, a person's chances in either case are rated at 50-50.

Domino Tournament

The Hood Improvement Club will sponsor a domino and 42 tournament Friday night, Feb. 24, 7 p.m. in the club building. Winners will receive plaques.

County HD Clubs Sponsor Bake Sale For Scholarships

The Home Demonstration Clubs of Cooke County including Muenster Home Demonstration Club and Bluebonnet Home Demonstration Club, will sponsor a Bake Sale on Saturday, March 11, to benefit the 4-H Scholarship Fund.

The fund will be awarded for the first time this year and will become an annual event.

Opening at 9 a.m. and offering a wide variety of baked goods, the bake sale will be located in three places, Fisher Market in Muenster, Murphy's in the Shopping Center, East Highway 82 and Safeway in downtown Gainesville.

Friends of 4-H who will participate by sending donations of baked goods will be gratefully acknowledged by the county clubs. Items in Muenster will be picked up by Monica Hess, phone 759-4254.

Ralph Neely Has Surgery

Ralph Neely of the Dallas Cowboys is in Muenster Hospital since Sunday for surgery to repair a knee injury sustained during the past football season. He had the operation Monday and expects to be here about 10 days.

Bert Miller Wins Speech Contest

Bert Miller, son of Mr. and Mrs. Herbert Miller and a sophomore at SHHS, was a winner in the Optimist Oratorical Speech Contest sponsored by the Gainesville Optimists on January 31, at CCC.

Speaking on "Today's Challenge, Tomorrow's Success", he competed with eight boys of the area. Separate contests were held for girls who entered the oratorical event. Students prepared and researched their own material and presented their original speeches before a panel of judges.

In March Bert will compete in Denton at the Zone level.

On Thursday, February 15 he spoke to the Optimist Club of Gainesville during their regular noon luncheon in the Petroleum Club at the Turner Hotel. Also attending were his parents.

Purpose of the Optimist Club's contest is to give students under 16 years of age experience in public speaking and an opportunity to express personal views on the topic.

City Gets \$2852 Sales Tax Check

The City of Muenster Friday received a city sales tax rebate check from State Comptroller Bob Bullock for the period ending January 26, 1978. The amount of \$2852.01, was the second payment received this year, bringing total city receipts from that source to \$4,235.79, as compared with only \$378 at this time last year.

Bullock said that total checks for the period were \$13.7 million and total rebates to date in 1978 are \$32.2 million, compared to \$30.4 million for the first two mailings last year.

He also pointed out that the March mailing will reflect returns for the first final month and final quarter of 1977, including Christmas business, which probably reached an all time high last year.

The comptroller's check was accompanied by a statement indicating that gross collections for the period were \$2,969.60, also the state's 2% collection fee amounted to \$59.39 and the amount retained was \$58.20.

Rebates to other cities of the area are Gainesville \$15,328.96, Lindsay \$1,280.77, Nocona \$3,446.16, Pilot Point \$1,048.98, Sanger \$695.95, Whitesboro \$2,429.36.

Program Ready for Trust Fund Dinner

Plans are complete for the Sacred Heart Trust Fund dinner to be held Sunday, March 5, at noon in the SH Community Center.

The Most Rev. John J. Cassata, bishop of the Fort Worth Diocese will head the program as guest speaker. Also the Sacred Heart High School Chorus will present several selections, including some from "Oliver" which will be presented on March 10 and 12 as this year Sacred Heart play. And a short business meeting will present a financial report of the trust fund for the first year.

The steak dinner at \$12.50 per person will be catered by Rohmer's, and profits realized will be applied to the trust fund. Tickets are available at Sacred Heart High School, 759-4121.

Hard work still represents the main essential of success in life.

Snowiest Winter Begins Moderating

Old Man Winter made this season's most violent attack on the community before drifting into this week's very welcome tapering off process. Last Friday's snowfall of 7 inches set a record as the heaviest of the year while helping to make up two more records. It brought the month's total to 18.5 inches and the January-February total to 25.8 inches. It has been the snowiest year since records were started here in 1946.

Though not breaking old records, the accompanying

temperature of 6 degrees was the coldest of the year to date. A day later the reading was 9, and prior to that the low was 12.

Last week's big snowfall, which gave local schools another holiday and slowed the area's activity, started about 4 a.m. on the 17th and measured 3 inches at 7 a.m. It kept coming most of the day for an additional measure of 4 inches. Blanketing all of North Texas, it was described as the season's worst in the metroplex. It caused many accidents, some fatal, but nothing serious here.

Since Saturday's low of 6... the chill factor estimated at -17... and a high of 30, the situation has improved steadily. Lows were below freezing but highs have been mostly in the forties, and snow remains only in patches. Also satisfying are current forecasts of only good weather in sight.

Melted down measure of the big snow was 62 inch increasing the February total to 3.25 inches and the year's total to 4.97. Condition of area croplands and pastures is regarded as ideal.

Low-high readings of the week are recorded as follows by Steve Mosier. 16th 23 & 38, 17th 24 & 30, 18th 6 & 30, 19th 9 & 47, 20th 27 & 46, 21st 16 & 40, 22nd 28 & 70.

Hospital District Sets April 1 for Director Election

The annual election of directors for the Muenster Hospital District will be held on Saturday, April 1, 1978, for naming five persons to positions on the board. The election was ordered last Wednesday night, Feb. 15, by the directors in their regular meeting.

Present members whose terms will expire at that time are Rufus Henschel, Ray Voth, Albert Dangelmayr, C. William Hermes and Norbert Walterscheid. All of them except Norbert Walterscheid have indicated their intention to run for re-election, and George Berry of Rosston has filed his candidacy for Walterscheid's place.

To qualify as a candidate a person must present a petition signed by 15 or more qualified voters to Secretary Rufus Henschel at least 25 days prior to date of the election. The deadline is March 6.

Gardening Meeting Set for Wednesday

by Evelyn Yeatts
Now is the time to make plans for spring vegetable gardening. Even though the weather hasn't cooperated much lately, we hope soon to be able to begin planting vegetables in gardens over the county.

A special gardening meeting is planned for Wednesday, March 1, at the Chamber of Commerce Action Hall in Gainesville. The program beginning at 2 p.m. is sponsored jointly by the Chamber of Commerce and the County Extension Service.

Three Texas Agricultural Extension Service Specialists will present the program. They are Gordon Hall, horticulturist; H. A. Turney, entomologist; and Norman McCoy, plant pathologist.

Whether you are a beginner in the gardening area or a pro, you can gain some information that will be of benefit to you.

Certainly gardening is rewarding in both enjoyment and good tasting vegetables.

If you have any questions concerning the meeting, please call County Extension Agents, Neil Tibbets or Evelyn Yeatts at 665-4931.

The big topic of Conversation in these parts is still about the weather — all the snow and the cold we are having. We think that we've had it bad. Well, we had a letter for some friends that reside in south-western Michigan. They were snowed in their house from a Thursday a.m. to late Sunday p.m. — couldn't get out of either door because of all the snow. Their son managed to get out on Sunday with his snow-plow equipment to dig them and some of their neighbors

out. So court your blessings that we aren't up there or out in California with all its floods, mud and rock slides.

Mr. and Mrs. George Owens and family of Hurst and Mr. and Mrs. Chuckie Scott and family of Denton were Feb. 11 weekend visitors in the Cecil Foster home.

Mrs. Ida Eldridge and the George Osteen family of Dallas were visitors of Mrs. June Eldridge and Connie the weekend of Feb. 11.

Mrs. May DeGraffenreid celebrated her 85th birthday, Feb. 4, and Mrs. Louise Shults helped May celebrate by taking her out to dinner in Gainesville.

Mr. and Mrs. Donald R. Sledge of Nocona spent Sunday, Feb. 12, visiting his parents the Roe Sledges.

Mr. and Mrs. Fred William attended the 50th wedding anniversary celebration of the Lee Winningsham of Bowie on Sunday, Feb. 19.

It hardly seems possible but young Tim Scott will have his 4th birthday Tuesday, Feb. 21. Tim's grandparents — Bill and Betty Scott of the Burg honored young Tim with a birthday party Sunday, Feb. 19, in their home. Helping Tim celebrate were his mother Paula Scott, his great-grandparents Mr. and Mrs. Blake Scott, Joe Don Latham, Jerry and Gayle Kelly and Cissey, Linda Putnam of Saginaw, James Putnam and Buckie and Nickie Moseley all of New Harp, Grace and Anustacia Holman of Arlington. Coke and punch were served and games were played.

Then there is the husband in the area that gave his wife \$20.00 "mad-money" the first of the month but by the end of a couple of weeks he had somehow managed to get it all back, when his wife mentioned this to him he replied "I'm like God" — as we can all remember "The Lord Giveth and the Lord Taketh Away".

County FB Heads Favor Incentives For Acreage Cuts

County Farm Bureau presidents have recommended that the Texas Farm Bureau support legislation which would provide price incentives for cutting acreages of wheat, feed grains and cotton in 1978.

The advisory recommendation to the TFB Board of Directors calls for support of the so called Dole Bill (S. 2481) which has been introduced in Congress.

Some 150 county Farm Bureau leaders attended the two-day session Feb. 14-15 in Waco. The local leaders discussed a wide range of subjects and made recommendations on implementing Farm Bureau policies on those matters. The meeting was not a policy-making session.

TFB President Carrol Chaloupka said the Texas Farm Bureau Board will consider the Dole Bill recommendation when it meets Feb. 22-24.

"We haven't had an opportunity to study the bill," said Chaloupka. "If it falls within policy, we could recommend that the American Farm Bureau Federation support it." The AFBF Board, of which he is a member, meets in March, he said.

The proposal, by Senator Robert Dole, (R. Kansas), provides a formula of variable government-set target prices for set-aside acres. The more a producer sets aside, or fails to plant, based on past acreage history, the higher the target price would be. The government would pay the farmer the difference between the market price and the target price.

For example, a wheat producing acreage 20 percent would be eligible for a target price of \$3.00 per bushel. A 50 percent reduction would provide a target price of \$5.00 per bushel.

The target price incentive formula for corn runs from \$2.10 per bushel for a 10 percent cut to \$3.45 per bushel for a 50 percent set-aside.

The target price formula for grain sorghum would be based on corn prices. Oats and barley could also be designed for payments by the Secretary of Agriculture.

Cotton producers could earn a target price of 54 cents per pound by reducing 20 percent, and a price of 84 cents per pound by cutting acreage in half.

Subjects examined by the county presidents included: Farm Bureau Structure and Programs, the Farm Problem, Relationships With Other Groups, Government Farm Programs, Energy and Water Resources, Federal and State Regulations, International Farm Trade, Agricultural Public Relations, Service-to-Member Programs, and Policy Development.

Historians report that America's first "cowboys" were actually Indians. Spanish missionaries, working in the southwest, raised domestic cattle. To help them with the cattle, the missionaries provided the native Indians with horses.

THANKS

Many thanks for many kindnesses while I was in the hospital, also for flowers, gifts, cards and prayers. We are grateful to Father Placidus, Father Stephen, Dr. Juarez, Dr. Antonetti and the wonderful nursing staff in our Muenster Hospital. A special thanks to friends who took care of my sister Kristi.

Dolle Pagel and parents

3 Teachers Attend Ft. Worth Seminar
 Three Muenster teachers, Sandy Klement, Florence Williams and Gwen Trubenbach attended a workshop at the Education Service Center in Fort Worth recently.

Conducted by Sandy Fite, the workshop was entitled "Alphaphonics, A Reading Readiness Program". It was directed to the pre-kindergarten to 3rd grade level.

"Alphaphonics, an exemplary reading readiness program for any basal reading series, was developed by teachers in 1968. It was validated by the USOE in 1975 and cited by the national Right to Read office as one of 12 outstanding reading programs. With Alphaphonics children learn to name, sound, find, trace, and write each letter of the alphabet in sequential alphabetical order."

Hornets Cold for Baseball Starter
 Weather permitting, Muenster Hornets will have their first feel of 1978 baseball when they entertain Boyd High in a scrimmage here next Tuesday.

The Muenster team at least, and probably both, are expected to be very cold for the contest, according to Coach Wade White. The severe weather has cancelled practice. The best that MHS has been able to manage is a few sessions in the gym of throwing the ball and swinging the bat.

NEWS OF THE SICK

Alicia Knabe was welcomed home by her family Tuesday following 17 days of hospital care, 3 in Westgate and 14 at Children's Medical Center. She is making a good recovery from surgery performed in the Dallas hospital. Alicia is the 3 year old daughter of Mr. and Mrs. Herbie Knabe. Mrs. Knabe was with her daughter during the hospitalization.

The trouble with many of us is that we would rather be ruined by praise than saved by criticism.

TIGER TALES

Seniors
SHH Seniors returned Monday night from Montserrat where they spent two days on Retreat. Chaperones for the seniors at the Lake Dallas Retreat House were the class sponsor Mrs. Leonard Bayer and Mr. Bayer and, representing the parents, were Mr. and Mrs. Norbert Koesler. A Mass at 7 p.m. Monday evening concluded the event.

On Tuesday, February 23, the class will take a field trip to Midwestern University, Wichita Falls where further schooling and vocations will be discussed.

A field trip, to Oklahoma City for the Civics class will be on April 6, when they will view the State Legislature in action.

Guest Speaker

On Tuesday, February 20, Dr. J. Merki spoke at Sacred Heart High on "Life, Drugs and Sex." He talked on pre-

marital relationships with emphasis on love relationship and self discipline as applying to both sexes and also spoke on the use of drugs. He stated the dangers of dependency on any kind of drug, whether it be medication, alcohol or hard drugs. He strongly urged each person to appraise his own set of values.

Dr. Merki graduated from St. Joseph's College in 1955, received his M.S. in 1956 and his Ph.D. in 1967 both from the University of Illinois.

His professional record includes teaching and coaching at Fort Wayne Central Catholic High and at St. Henry High; a professorship at St. Joseph's College and a number of faculty and campus committee memberships and basketball and football coach; professorship at Texas A&M University, director of HEW Fellowship program in Health Education; professorship at Texas Women's University

and membership on a number of policy-forming faculty and campus organizations and committees; and director of Health Education.

Eight sophomores were elected to the Honor Society for next year: Rhonda Andres, Christy Felderhoff, Gary Henschel, Toni Hoedebeck, Karen Koch, Bert Miller, Mel Walterscheid and Reneta Walterscheid.

Art Club

During the February 21 meeting of the SHH Art Club, members voted to sponsor the Art Show on Sunday, May 1, during German Week. Members also voted to limit Art Club membership to students enrolled in art class.

Club members also decided that all art students will have a picture made in front of the German mural which they painted on Main St. The picture will be used in the Annual. Voted down was a suggestion to assess dues for next year's membership. A committee was appointed to organize the Germanfest Art Show which will be held in the gym.

Carolyn Luke presided for the business meeting and Monica Gehrig gave the treasurer's report.

Seventh Grade
The seventh grade creative writing class took advantage of the recent snowstorms for inspiration and imagery as can be seen from the following choice Haiku. Haiku is a Japanese form of verse or poem having 3 lines and 17 syllables. It must be written in correct syllabic lines to convey meaning. The following were among student efforts submitted to Sister Christopher:

The snow sprinkling down
Slowly comforts earth's surface
Like baby powder.
Chris Rohmer

Snow fluttering down
Carpets the cold winter earth.
Icy confetti.
Lonnie Henschel

Moby Dick's Body!
The widely, thick sheet of snow
Artic sunset!

BIRTHS

Mr. and Mrs. Michael Lardner announce the arrival of a son, John David, who became their little boy on January 24 and was baptized on February 12 in St. James Church of Lititz, Pennsylvania. Father Gerald V. Lardner S.S. officiated for the baptism and baptismal sponsors were Mary Ellen Galloway and Edward Q. Rogers. The baby wore the baptismal gown that has been handed down in the Lardner family. He is a grandson of Mr. and Mrs. John A. Fisher, Mrs. Michael Lardner is the former Rosemary Fisher.

Mr. and Mrs. David Biffle are parents of a daughter, Melissa Sue, born in Muenster Memorial Hospital on Wednesday, February 15 at 4:09 p.m. weighing 7 lb. 15 1/2 oz. Grandparents are Mr. and Mrs. Dan Richardson of Roston and Mrs. Jack Biffle of Lindsay. Great-grandmother is Mrs. John Richardson of Roston. Melissa is a sister for Jason. Mrs. David Biffle is the former Mildred Richardson.

Mr. and Mrs. Alfred Hacker of Valley View are parents of a son, Gregory Robert, born at Flow Memorial Hospital of Denton on Saturday, February 18 at 5:21 p.m. and weighing 5 lb. 12 oz. Gregory Robert is a baby brother for 2 1/2 year old Glenn and is a new grandson for Mr. and Mrs. Robert Knabe, Sr. of Muenster and Mr. and Mrs. Tony Hacker of Valley View. The great-grandmother is Mrs. Anna Prescher of Gainesville.

Muenster Juniors Break Even at Era

Muenster Junior High youngsters broke even Monday night in a double header at Era. Muenster girls took the opener by a slim margin of 16-12 after which the boys were big losers by 29-12.

The girls started with a 3-3 first period and held the lead after that by scores of 7-4, 11-9 and 16-12. The scorers were Charlotte Fieitman 5, Leslie Reiter 5, Jill Walterscheid 4, Rene Wimmer 1, Ginnie Fisher 1.

Muenster boys dropped farther behind in every quarter for their one sided loss as Kevin Felderhoff made 6, Gary Klement 4 and David Flusche 2.

Both junior high teams will be busy this weekend at the 13-A junior high tournament in Lindsay.

Teachers Present Program at PTO

Members of the Muenster PTO heard an informative and enlightening program Monday, February 20, concluding presentations by teachers on ways parents can help in the educational process.

High school teachers were represented by Martha Koesler, English teacher and Joni Sturm, Homemaking teacher, and elementary teachers by Florence Williams, Kindergarten and Prue Selby, on behalf of grades 1-6.

The meeting was held in the High School Auditorium, and was conducted by Ken Fette, president.

Committees reported on the Arts and Crafts Show scheduled for March 8 in the gym and the High School All Awards Banquet on May 8 in the gym.

Suggestions and/or needs were made known concerning possible use of PTO funds.

The next regular meeting will be on March 20.

Indians were said to have six legs, two of his own and four of his horse.

SHH sophomores will have a bake sale Saturday, February 25, at Fischer's and Hofbauer's, offering an assortment of baked goods.

St. Joseph's-St. Anne's Meet If you ever wonder about the speed of a Texas jackrabbit, it sometimes revs up to 45 miles an hour, darting and dodging among the prairie cacti.

St. Joseph's and St. Anne's Societies will meet Sunday night, February 26 at 8 p.m. instead of the regular time on the first Sunday.

Villa Combines Valentine and Birthday Events

The February birthday party at St. Richard's Villa was delayed by severe weather and was held on February 14, when several other organizations entertained residents during the day and evening.

Mrs. Willie Fuhrmann was the birthday honoree, observing her 81st birthday. A decorated Valentine birthday cake was made by a granddaughter, Mrs. Cindy Kouri of Wichita Falls.

Family members attending were Mr. and Mrs. G. J. Wachsman of Wichita Falls, Mr. and Mrs. Billy Fuhrmann of Lindsay, Mrs. Bernard Haverkamp, Mrs. Frank Stoffels, Mrs. Meinrad Stoffels, Mrs. A. J. Huchton and grandchildren of the honoree, Melissa, Dayna and Puppet Stoffels and Kerri Haverkamp, who presented a plaque to their grandmother: "What Are Grandmothers." And there was a shower of birthday gifts.

Guests, patients and friends joined in the birthday song for Mrs. Fuhrmann.

Another highlight of the day was the crowning of the Valentine king and queen. Singled out by vote of residents and employees to wear a silver foil crown all evening were Barney Barnett and Mrs. Jennie Schilling. Irlene Hogan, activity director, did the crowning honors while Pauline Collings, director of nurses, took pictures of the event.

The Bluebonnet Home Demonstration Club hosted a Valentine party 6:30-8 p.m. Special hostesses were Mrs. David Vogel, Mrs. Sam Endres, Judy McDaniel and Monica Hess. Prizes for games and activities were provided by members of the Bluebonnet Club and a decorated Valentine cake made by Betty Rose Walterscheid was served.

At 5 p.m. on Valentine's Day the Muenster Garden Club, represented by Mrs. David Flusche and two daughters Missy and Terrye brought decorated cupcakes, which were served at the evening meal. They also brought miniature plate favors and supper tray favors, made of tiny baskets filled with straw flowers, to present to each patient.

The same day Sister Mary John and the sophomore Religion class of SHHS visited, taking with them red satin pincushion hearts, decorated with white lace and inscribed with each patient's name. These most attractive gifts were handmade by freshmen girls of SHHS, assisted by Sister Carmelita.

St. Joseph Society Plans Dinner for Feast of Patron

The annual observance of Saint Joseph's Day in the parish will include a dinner on Sunday, March 19, in the cafeteria of the SH Community Center. A happy hour at 5 p.m. will precede the turkey dinner. Table games will follow. Everyone is invited. Tickets are \$3.00 each. Reservations may be phoned to Wilfred Bindel 759-2729 in time for the committee to make adequate preparation. Members are asked to attend the 9 a.m. Mass Sunday, which is also Palm Sunday.

Services Held for Allie Griffin, 81

Funeral service for Allie Griffin, 81, a long time resident of the Freemound community, was held Friday, Feb. 17, at 2 p.m. in the First Baptist Church of Saint Jo.

The Rev. Don Stephenson, pastor, and the Rev. Cletus Ice of Fort Worth officiated, and Scott Funeral Home of Saint Jo directed the burial in Hardy Cemetery.

Mr. Griffin died Wednesday in the Pleasant Haven Nursing Home of Nocona following a long illness. He was a native of Montague County and a retired farmer.

Surviving are his wife, Mary, and a sister, Velma Bates of Gainesville.

Those tumbling tumble weeds also have a poetic name. They are identified as the "roses of Jericho."

Mr. and Mrs. Charles Felderhoff and children of Dallas were Sunday guests of his parents, the Tony Felderhoffs and visited his brother, Joe Felderhoff, a patient in Muenster Memorial Hospital.

WE GET THEM, TOO.

It's a big reason why the price you pay for electricity keeps going up.

In order to supply the present needs of our customers and to keep pace with anticipated future needs, TP&L must constantly plan and build generating plants and other essential facilities. Unfortunately, like the escalating costs you see in your family budget, the expense of this construction is rising rapidly...from \$64 million in 1968 to our expected cost this year of \$326 million.

For example, one major expense is in the anti-pollution equipment we're adding to help assure a cleaner environment. At one new plant, this equipment will add some \$178 million to the cost of the

plant and increase the cost of electricity produced at that plant by 15 to 20 per cent.

We're helping hold the line on costs by building plants that use lignite coal and nuclear materials for fuel. Both cost less and are more readily available than natural gas and oil, which are being phased out.

As these construction costs and the other expenses of producing and supplying electricity keep increasing, so must the price we ask our customers to pay for the electricity they use. But, by paying more now, TP&L customers can be assured of an adequate supply of electric power with the lowest possible fuel cost.

Arts and Crafts Program Heard at Beta Kappa Meet

Beta Kappa Chapter of ESA enjoyed a guest speaker during their February meeting last week Wednesday in the home of Mrs. Lupe Evans, when Mrs. Louise Fisher, program chairman, introduced Jerri Briggs of Lake Kiowa. Mrs. Briggs presented a program on Arts and Crafts. She delighted members with a display of her own needlepoint, crewel wall hangings, delicate carved items of woodcraft, silk flowers, a picture of a Christmas tree made of macaroni and sprayed with white and gold paint, and a number of other items. Mrs. Queenie Walterscheid received a jeweled pin, for goals achieved, presented by President Betsy Fleitman and Vice-president Jan Cain. Mrs. Fleitman held discussions on coming events, including a garage sale on the Pavilion of City Park on March 4, 8 a.m.-6 p.m., also the Miss Muenster pageant on April 27. Proceeds of the pageant will benefit the Beta Kappa Love Fund, which only use is to assist community members in emergencies. A secret ballot was held to name an Outstanding ESA member and an Outstanding First Year member. Winners will be announced during the Founders Day Luncheon on May 1 at the Cooke County Electric Co-op Banquet Room. The next meeting will be held on March 15 in the home of Queenie Walterscheid. Program leader will be Liz Howe. Program topic will be "Mirror Health by Understanding Alcoholism."

Valentine Visit
Mrs. Mary Herron of St. Richard's Villa was a special Valentine guest of her son and daughter-in-law Mr. and Mrs. Wilfred Sicking. They took her out to lunch and drove to Pilot Point in the afternoon to visit Mr. and Mrs. Jerry Pels. Mrs. Pels is Mrs. Herron's daughter. They also visited with Mrs. Herron's son, Harry Sicking in the Pels home, and returned to Muenster late Tuesday afternoon.

On VMI Honor Roll
Raymond T. H. Bright, son of Mr. and Mrs. David Bright, is one of 300 named to the dean's list for the Fall semester at Virginia Military Institute. Requirement is a grade point average of 3 out of a possible 4. Bright is a junior at VMI, majoring in civil engineering.

YOU CAN BANK ON IT!

This year promises to be a good one as far as personal finances are concerned, for most businessmen and wage earners. A new federal study predicts that Americans will become more prosperous for many years to come. Of course, we'll pay more taxes, too. But income increases will be larger than tax increases.

The Library of Congress has released a projection indicating that median U. S. family income, measured in constant 1975 dollars, will increase from last year's \$14,583 to \$16,445 in 1980. This means an actual increase in buying power of \$1,862. By 1985, the median income will have reached \$18,306. It will be \$20,381 in 1990 and \$25,690 in 2000.

Naturally, taxes will take a bigger slice of the income, rising from last year's 18.4% to 20.2% in 1980, 21.5% in 1985, 22.5% in 1990, and 24.4% by 2000. Even so, most families will have more after-tax real income to spend for a better way of living.

Public School Happenings

On Wednesday, February 15, the Homemaking II class prepared two breakfast bar recipes. And on Thursday, the 16th, the class evaluated the breakfast bars for their taste, texture, and nutritional value; they also had hot chocolate with their new recipes. The experiment was done in cooperation with the Cooke County Heart Association to find a food that is nutritious and also encourages young people to eat a good and balanced breakfast.

F.H.A. held a meeting February 6. Members decided to have the Mother-Daughter Banquet on March 21, and the theme as "You've Got a Friend." Members decided to order potted plants for their mothers. Gay Mollenkopf, Kathy Davidson, and Lisa Trubebach were placed on the flower ordering committee. Mrs. Sturm told about the area meeting to be held March 3-4; April 20-21, will be the state meeting and F.H.A. week to be April 2-8. Homemaking III prepared sweet rolls and hot chocolate to serve the members.

The Muenster Public School quarter tests were changed because of bad weather. Instead of having the tests Thursday and Friday, February 16 and 17, the tests will be Thursday, February 23, and Friday, February 24. For these days, the periods will be Thursday: 1, 3, and 5; Friday: 2, 4, and 6. The tests will each be for one hour and twenty minutes.

The Homemaking III class served a meal Thursday. The meal's main course were dishes made of beef. Dishes served were Swiss Steak, Islander Kabob's, and Texas Burgers. Served with this was a chef salad. As a guest, Coach White also attended.

Some of the Health class students are doing reports for extra credit. The reports are on medical topics. They are due by February 22. The students will read their reports to the class.

Muenster Public School has been invited to attend the county wide Spelling Bee hosted by the Dallas Morning News. It is to be held at Cooke County College, at 10:00 a.m., Saturday, April 1.

On Monday, February 6th the high school students who achieved a letter jacket ordered theirs. This included seniors in band for four years, and girls who participated in basketball.

The Shop classes of Muenster High School put a for-

mica top on the press box in the gym, to provide a better surface for record and book keeping.

The date for the prom has been set for Saturday, May 6, at Muenster High School. The place has not yet been decided.

Birthday

Debbie Schmitt's 6th birthday was celebrated on Wednesday, February 15. Her mother, Mrs. Harvey Schmitt served decorated cupcakes and cakes and also brought special treats of bags of candy and balloons.

Kindergarten

Valentine parties were held on Tuesday, February 14, in the morning and afternoon for the two Kindergarten classes. There was an exchange of Valentines for the children and mothers were hostesses. For the morning class refreshments of decorated cupcakes, valentine cookies and punch were served by Mrs. Regi Bayer, Mrs. Clinton Bayer, Mrs. Norman Koelzer, and Mrs. Henry Bayer, son of Mrs. Clinton

Bayer was a guest.

For the afternoon class, similar refreshments were provided by Mrs. Wayne Tate, Mrs. Walter Hacker and Mrs. Teddy Oakley. Mrs. Oakley was unable to attend.

In both classes, mothers presented each pupil a decorated bag for the Valentines and candy treats. Mrs. Florence Williams, the teacher, received a Philodendron plant from the morning class and a box of chocolates from the afternoon class.

Pictures were made at both parties.

SH Juniors Lose Two to Saint Jo

Junior High teams of Sacred Heart lost both ends of a double header basketball program Monday night with Saint Jo. Scores were 25-5 in the girls' game and 35-21 in the boys game.

The future Tigerettes went scoreless for two periods while Saint Jo made 11 and then improved slightly, making 5 while the opposition added 12. Carol Walterscheid and Ginger Fleitman each scored 2 and Elaine Grewing made 1.

SH Cubs led 7-4 at the first quarter and had a bad troubles the rest of the game as the young Panthers posted leads of 18-11, 29-15 and 35-21. Gene Fuhrman led his team with 9 points, Brian Herr made 4 Mike Bartush 4, Britt Smith 2 and Darrell Herr 2.

Tests by a major tire company show that tires inflated below the levels recommended in car owner's manuals can cost motorists as much as one mile per gallon in gas mileage.

When a politician says we're going to make this tax a little smaller and that tax a little bigger, it's the loosest use of the word 'little' you'll ever see.

SH Track Teams Start Season at 2 Meets March 4

The 1978 track season at Sacred Heart, under direction of Coach Ronnie Hess, got underway this week with 30 boys and 25 girls on the rosters. Both teams are booked for a number of meets leading to the big district showdown of TCIL on April 22 at Notre Dame of Wichita Falls.

First action is booked for Saturday of next week when the Tigers go to Saint Jo's Red River Relays and Tigerettes go to Gainesville for a meet sponsored by Whitesboro. After that the Tigers are scheduled for every Saturday, except March 25, until their district meet. They'll go to Bridgeport, Chico, Decatur, Little Elm, and Marietta, in that order.

The Tigerette schedule shows Mar. 18 at Saint Jo, April 1 at Decatur and April 7 at Little Elm. The TCIL state meet will be held May 5 and 6 at Dallas in both boys and girls divisions.

Hess said that the Tigers are starting the season in fine condition. Some have been active in basketball and most of the others have been doing road work regularly. They are ready to begin on their special events.

Heading the Tiger list are nine of last year's lettermen. They are Joe Sicking, Dale Wolf, Lloyd Reiter, Joe Bartush, Dick Dangelmayr, Gene Luttmer, Jeff Hess, Gary Henscheid and Dale Schilling.

Others are Mike Bayer, Kent Fuhrman, Bert Hesse, Jesse Walterscheid, Mike Hesse, Bert Miller, Chris Hennigan, Paul Bartush, Mel Walterscheid, Mark Nasche, Craig Walterscheid, Phil Walterscheid, Monte Endres, Brian Bedroz, John Hartman, Troy Wolf, Jamie Moser, Kirk Mollenkopf, Teddy Walterscheid, Craig Bayer and Lloyd Haverkamp.

Members of the girls' team are Monica Gehrig, Mary Grewing, Shelta Qualls, Donna Hennigan, Rhonda Bedroz, Lisa Krahl, Sharon Sicking, Rose Felderhoff, Rhonda Endres, Denise Haverkamp, Dea Swirczynski, Brenda Felderhoff, Elaine Walterscheid, Linda Krahl, Tammy Henscheid, Lisa Hennigan, Gina Hofbauer, Nancy Sicking, Margie Knabe, Marceline Bartel, Angela Bartush, Virginia Bartush, Dianne Caplinger, Donna Hess and Shelly Walterscheid.

Young Homemakers
 Young Homemakers of Texas, Muenster Chapter, will meet Wednesday, March 1 at 7:30 in the Homemaking Department of Muenster High School. Mrs. Evelyn Yeatts, County Extension Agent will present a program on "Like It? Frame It." New members are always welcome.

28 Boys, 19 Girls Report for Track At Muenster High

Twenty eight boys and nineteen girls of Muenster High School responded Monday to Coach Don Ostermann's call to the opening session of 1978 track practice.

To most of the students it was mostly a matter of changing to supervised activity after conditioning that has been in progress since the football season. Basketball players kept in condition with that program whereas others did road work. Meanwhile all had regular workouts in the weight room. Ostermann said the overall condition is gratifying, and individuals are ready to start practice of their special events.

The Hornets have just under two weeks to shape up for their opening test at Saint Jo on March 4. After that they are booked for every week until the district 13-A meet, to be hosted by Muenster on the Saint Jo track on April 14. The Hornets up to now are scheduled only for Saint Jo on March 18 and Pilot Point on Mar. 31-Apr. 1 before their district showdown.

Dates for the boys are Mar. 4 at Saint Jo, Mar. 11 at Graham, Mar. 17 at Chico, Mar. 25 at Olney, Mar. 31-Apr. 1 at Pilot Point, Apr. 8 at Healdton and Apr. 14, the district meet. Junior Varsity also will compete at Pilot Point and Healdton.

The Hornet team is headed by five seniors, all 77 lettermen, as follows: Gary Hermes, Bryan Sicking, Bert Walterscheid, Nick Walterscheid and Deryl Zimmerman. Five juniors include lettermen David Felderhoff, Duane Knabe, Carl Pagel and Eddie Serna, plus Gregg Wilde.

Todd Richey is the lone letterman in the list of nine sophomores. The others are Floyd Felderhoff, Mark Felderhoff, Tim Hermes, Kevin Klement, Curtis Pagel, Michael Sicking, Robert Weinzapfel and Gary Zimmerman.

The freshmen are Jim Biffle, Glenn Fisher, Bob Hamric, Benji Luke, Jeff Tempel, John Walterscheid, Monte Wimmer, Ricky Winn and John Zimmerman.

On the girls' team are three seniors headed by Thelma Lewis, letterman, plus Karen Barnhill and Norma Richardson. Juniors include Sherry Wolf plus six lettermen: Kathy Davidson, Kathie Fisher, Barbie Walterscheid, Robin Walterscheid, Kellie Hale and Debbie Zimmerman.

Sophomores are Cathy Flusche, Judy Walterscheid, Toni Dittfurth, Karen Walterscheid and Rene Wilde. And the four freshmen are Judy Dittfurth, Cindy Knabe, Brenda Wimmer and Rene Reiter.

Confetti - - -
 all-Red and in cahoots with every other Red dictator. Well, we've learned long ago that Reds keep their word only when it serves their purpose. Recent history gives us reason to expect over-charges and hateful dealing toward US as soon as Panama takes charge . . . and complete denial of passage in case of war.

In just a few words, America has much to lose and nothing to gain by giving up the canal. It's a bad deal no matter how hard the supporters try to justify it.

In case you've heard the canal referred to as an obsolete ditch, just remember that every ship of the U.S. Navy except 13 giant aircraft carriers can go through the canal. Definitely it is not obsolete to all of the Navy's other ships and more thousands of commercial ships.

March 1 Set as Mail Deadline for Car Registration

Texas motorists were advised today that the deadline for renewing 1977 motor vehicle registrations by mail is March 1.

R. W. Townsley, Director of the Motor Vehicle Division of the State Department of Highways and Public Transportation, pointed out that it is taking longer to register vehicles this year because of the new staggered registration system.

As a partial offset of slow moving registration lines, county tax offices began accepting registration applications January 1 this year instead of February 1, as in previous years. Many motorists have taken advantage of the earlier registration date to avoid waiting lines.

Renewal by mail offers a very convenient method of obtaining registrations without waiting lines or personal visits to the tax offices. Mail applications must include \$1 for each registration to cover handling and postage.

Some metropolitan counties are offering Bank Americard/Visa Card and Master Charge service for registration payments. Others have a "no-check" policy which requires taking cash to the tax offices, although most accept checks for mail-order registrations.

Neighborhood substation service also is available in some metropolitan areas. Although deadline for mail registration is March 1, final date for affixing new validation stickers to existing plates is April 1 this year, as usual. To avoid the last minute delays and long waiting lines, register your vehicle today.

Texas has more coon hunters than fox hunters. Mainly this is because there seem to be more coons than foxes.

Catholic School Week Observed At Sacred Heart

Five special events coincided with observance of Catholic Schools Week at Sacred Heart.

Open house was held Monday through Friday. Diocesan Superintendent Sister Mary Venard and Assistant Superintendent Sister Bonaventure visited school and classes.

The Tuesday morning Mass at 9:35 was celebrated by Father Placidus and included a special liturgy planned and directed by Sister Georgia, and a Teachers' Re-dedication Ceremony. Following the Homily, each teacher was called to receive a lighted candle symbolic of the task as Christian educators, to let their light shine, to be the light of Christ to the students entrusted to their care.

Teachers held the lighted candles as they renewed their dedication to serve Christ and His Church as Christian educators, and prayed for the guidance and help of the Holy Spirit. In the candle ceremony, Father Placidus was

assisted by Werner Becker, Jr. and Sylvan Walterscheid. Valentine parties were held Tuesday afternoon. Honored were twenty three students and teachers who celebrated birthdays during February. The honorees brought refreshments for their classmates.

The Spelling Bee was held Thursday. Students of grades 5, 6, 7 and 8 held spell-downs earlier in the week and the ten top spellers from each of the above grades competed on Thursday.

The closing liturgy on Friday during the 9:35 Mass was attended by all students, first grade through senior high school. There were special prayers and songs.

The Teacher Awards dinner, scheduled for Friday evening, was postponed because of severe icing on roads and streets and will be rescheduled.

Of all small game, the squirrel ranks second only to the rabbit in hunter popularity. And it is well to remember that most any kind of a dog will develop into a good squirrel hunter.
