St. Mary's Ceremony Unites Paula Popp, Ken Hermes

Mr. and Mrs. Kenneth Hermes will be at home in Lindsay following a wedding trip to Florida. They were married in St. Mary's Church of Gainesville on September 16. Father Placidus Eckart celebrated the nuptial Mass with double ring ceremony and officiated for the exchange of vows at 5 p.m. before an altar decorated with Boston ferns and floral arrangements in fall colors.

The bride is the former Paula Popp, daughter of Mr. and Mrs. Henry Popp of Gainesville. The groom is the son of Mr. and Mrs. Julius Hermes, Jr. of Lindsay.

The bride was presented at the altar by her father. As she approached the sanctuary,

she paused to present a rose to her mother. She was wearing a formal bridal gown of angel peau-de-soie designed with an empire bodice embellished with reembrodered alencon lace and bishop sleeves trimmed in matching lace. The bouffant skirt swept to an aisle-wide, chapel length train and was completely edged and encircled with a double scalloped tier of matching lace.

Her bridal veil of English silk illusion was elbow length and encircled with a lace edge. It was caught to a headpiece of lace petals and seed pearls. She carried her bridal flowers in an arrangement of white roses, carnations, stephanotis and baby's breath.

Attendants

The bride's sister Debbie, Mrs. Tom Hartman of Muenster was matron-of-honor and her sisters Peggy Popp and Patty Popp were bridesmaids. They wore apricot satin crepe dresses of empire design and carried nosegays of fall colored flowers.

Jami Flusche, cousin of the groom was flower girl and Andy Popp, brother of the bride, was ring bearer.

The groom's cousin, David Hermes of Lindsay was best man. Groomsmen were Stephen

hen Hermes of Lindsay, brother of the groom and Jimmy Arendt of Lindsay, a friend.

Bobby Hermes of Muenster, brother of the groom, Tom Hartman of Muenster, a brother-in-law and Tim Stoffels of Lindsay, a friend were ushers.

Mass servers were Dennis Hermes, Leroy Hermes and Billy Martin, all cousins of the groom.

Also participating in the liturgy were Frank Popp, bride's brother and Carol Hermes, groom's sister, who carried the Offertory gifts.

Wedding music was presented by Linda Flusche, organist who played the traditional wedding marches; and by vocalists Christie Klement, Lynda Yosten and Linda Flusche. Selections included, as guests assembled, "If, "Time in a Bottle," "Twelfth of Never" and "You Light up my Life." At Offertory they sang "Of Our Hands" and at Communion "Wedding Song," and "Peace, Joy and Happiness and, as the couple placed a floral tribute on the Blessed Virgin's altar, they sang "Mother, At Your Feet."

As the couple left the sanctuary, the bride presented a rose to the groom's mother.

Reception

The bride's parents were hosts for a reception following the church service in the Knights of Columbus Hall in Gainesville.

Registering guests in the bride's book were Janet Hermes of Muenster and Marilyn Neu of Gainesville.

Assisting with serving the wedding cake were Joy Hess and Shirley Hermes of Lindsay and Missy Flusche of Muenster. Mrs. Dave Walterscheid cut the four tiered cake designed and decorated by Mrs. Jerry Walterscheid in white, with apricot flowers.

For the wedding and reception, the mother of the bride wore a formal gown of bronze georgette and the mother of the groom wore an orchid knit full length dress. Both had corsages of cymbidium orchids.

The bride is a graduate of Lindsay High School, and is employed by Cooke County Electric Co-operative Association. The groom graduated from Lindsay High School and attended Cooke County College for 2 years. He is em-

David Bright Weds Nancy Morgan At Nuptial Ceremony in New Jersey

Nancy Ann Morgan became the bride of David Morgan Bright, Jr. in a double ring ceremony at 1 p.m. Saturday, August 26. Wedding vows were exchanged in St. Mary of the Lakes Church in Medford, New Jersey, during a nuptial Mass celebrated by the groom's uncle, Msgr. Thomas Weinzapfel of St. Pius X Parish in Dallas.

The bride is the daughter of Mr. and Mrs. Ray Morgan of Medford, N. J. She is a graduate of Montclair State College with a degree in physical education. In high school and college she coached and was a member of swimming and diving teams. In her junior and senior years she qualified for national competition. She is employed as an insurance adjuster by Crawford and Co. in Pocatello, Idaho.

The groom is the son of Mr.

a bridal bouquet. Beth Ann Morgan of the University of Connecticut was her sister's maid of honor. Bridesmaids were Lola Bright of Dallas, sister of the groom, and Colleen Donovan of Huntington, N. Y., cousin of the bride. They wore identical made formal gowns of pastel floral organza and carried nosegays to match.

Lt. Joseph Bright (USAF) of Ft. Rucker, Alabama, was his brother's best man. Groomsman were Cadet R. Thomas Bright of Lexington, Va., groom's brother and Ray Morgan, Jr., bride's brother. Their tuxedos matched the doe colored organza of the groom.

While the organist, Mrs. Dorothy Uth, played the "Nuptial March" by Allan Cannon, bridesmaids and groomsman led the entrance procession, followed by the maid of honor and best man. The groom was escorted by his parents and the bride by her parents. At the sanctuary the parents presented the bride and groom.

Vows were exchanged before the candle-lit altar, below the exquisite stained glass windows through which the early afternoon sun poured a rainbow of colors into the cross-shaped church. Following the ceremony, a family friend, Mrs. Ann Dooley sang "Rainbow" by Darrell Cucote and led the congregational singing for the liturgy. Readers were the bride's brother Kevin Morgan and the groom's brother Sam Bright of Waco. Offertory gifts were presented by Scott Morgan and James Bright, brothers of the couple. Julia Bright, groom's sister, carried the White Madonna Rose.

Special intentions were offered by the parents, the attendants and family members. During Communion, Mrs. Dooley sang "The Wedding Song" and then the bride and groom carried the Madonna Rose to the altar of the Blessed Mother.

Following the final blessing the wedding party and the parents left the church in the recessional, Beethoven's "Hymn of Joy" and formed a receiving line in the vestibule. When all guests had been greeted, a neighbor, Dan Siapkowski, transported the bridal party to the Medford Village Country Club in his 1953 Rolls Royce.

The guests from church reassembled in the main lounge of the country club while the bride and groom and their families posed for photographs on the scenic club grounds. At the conclusion of the photo-cocktail hour, the orchestra announced the entry of the bridal couple with the traditional Lohengrin "Bridal March." The bridal party was seated at the bride's table and guests took their places for champagne toasts and a sit-down formal dinner.

There were also greetings from Joey's great-grandmother, Mrs. Hattie Reid of Denton and from his great-aunt, Miss Irene Martin of Oak Cliff.

A turkey dinner was served at 5 p.m. The birthday cake, decorated in a carnival theme, was served with home-made ice cream. Family and group pictures were made and the honoree's gifts were opened and displayed.

ties followed the dinner and cake cutting ceremonies. Aunt Lola Bright caught the bridal bouquet and Scott Morgan caught the blue garter. Friends and relatives remained for dancing and visiting into the evening.

The couple's wedding trip was a windjammer cruise through the Bahamas. Enroute to Pocatello, Idaho, they flew to Dallas and visited in Muenster.

Pre-Nuptial Festivities

The bride's parents entertained with a gala get-acquainted dinner in their home for both families on Thursday, August 24 after all members arrived. Following the rehearsal in church on Friday, the groom's parents hosted a dinner at the Fife and Drum Restaurant near Philadelphia. Guests were all members of both families and Msgr. Thomas Weinzapfel of Dallas, the bride's god-parents, her Uncle Joe and Aunt Eilene of Long Island, N. Y., the groom's Aunt Lola of Anniston, Ala. and the bride's cousin Colleen Donovan of Huntington, N. Y.

SH Juniors Win Two from Lindsay

Junior football teams of Sacred Heart won both ends of a double header with the Lindsay kids on the Tiger field last week. The junior high cubs started the good work by coming from behind for a 16-12 win and the junior varsity had an easy 32-0 run away.

In the Cubs game the teams swapped possession on an interception by Lindsay and Gene Haverkamp's fumble recovery for S.H. Next the Cubs had to kick and Lindsay drove 60 yards to the TD in four plays, the last one a big 45 yard dash.

The next score was an easy one for the visitors. After a fumble recovery on the 5 they made the distance in 2 tries.

That was in the third period and the Cubs struck back promptly. After Mike Dangelmayr's 30 yard kickoff return, Ricky Hennigan gained 12 and a pass from Curtis Henschel to Mike Dangelmayr went 28 to pay dirt Hennigan's run added two points.

Near the end Hennigan romped 33 yards for the second SH score and carried over again for extra points.

The Tiger B team was in charge all the way. On second possession it launched a drive from midfield and scored on a 20 yard pass from Bednorz to Monte Endres.

The next score originated with a fumble recovery by Jamie Moster on the 20. Next play was another TD pass from Bednorz to Endres.

Early in the third period an interception by Darrell Herr set up the Tigers on the 30 and passes to Endres and Craig Waltercheid gained 20 and 10 to the end zone.

The fourth TD was the pay off for the longest SH drive. Also going 88 yards it included a 17 yard pass to Endres, a 15 yard pass to Mike Hesse and runs of 28 and 10 by Brian Herr. A run by Herr added the team's only extra points.

The final TD started with a fumble recovery by Curtis Hesse on Lindsay's 25. Five tries made the distance, the last being a 1 yard dive by Hesse.

A class of five-year-olds was discussing brothers and sisters. One little girl said wistfully: "I don't have any sisters. Just two brothers and the baby — and he's turning into a boy, too."

The Other Side of Nursing Home Care

Nursing homes have been the object of a number of investigations and a great deal of criticism in recent months, resulting generally in a bad image before the general public. But those reports are offset by many complimentary statements indicating conscientious and dedicated service in circumstances that are often difficult. The following is taken from remarks by Marilyn Collins, administrator of a Waxahachie nursing home, during a radio interview.

She said that nursing homes have become political footballs, often never visited or understood by politicians who make the regulations. They have a depressing effect on most people as the sight of sick, feeble and senile elderly makes the average person think of himself in that condition 20 or 30 years hence. But those who look deeper see individuals rather than the group, all with their separate personalities, their joys, fears, problems and needs, which have become a part of every day life to the staff. Furthermore critics of the nursing homes seem too much inclined to find fault and too little inclined to understand problems.

One point to consider is that about 80 per cent of the patients are on Medicaid, which pays \$18.91 a day for type 2 patients and \$20.82 for type 3. Normal cost of a hotel is \$40 per night. "For half of this cost the nursing home is expected to supply 24 hours of professional care, sufficient personnel to bathe, feed, wash and clean, dress, serve meals and snacks, provide specialized diets and foods, dietary supplies, housekeeping, laundry, maintenance, utilities, taxes, insurance, medical supplies and equipment activities social services, specialized services, and clerical and administrative services.

"Costs are going up continually and as in every industry, the first cut backs are labor. Add to this the stringent standards that nursing homes have to adhere to, and I am amazed that only 4 per cent of the nursing homes in Texas are not in compliance. Rules and regulations, if kept to a minimum, are a must, but when you try to handle regulations from county, state and federal and Life Safety Codes, all with conflicting requirements and interpretations, and the reams of paper work attached, you stifle initiative, lose imagination and, worst of all, make people afraid to use their own judgment.

"A doctor once told me that the American health care system is based on the precedent

that those with the most knowledge give the least care. This is particularly true in nursing homes. Physicians, consultants and professional nurses are so bogged down in paper work . . . nurses notes, health care plans, reviews, documenting medication, treatments diets, clothing lists, incidents observed, etc. . . all required by standards, that they have very little time left for personal care.

"If a patient goes to the hospital, there seems to be an understood rule that the family will help. They sit at bedside day and night, offer fluids, feed, change, call the nurse when needed, manicure, brush and comb hair, turn patients when required and do the laundry if necessary. Yet these are the most common complaints received from families with nursing home patients. I have often wondered, with hospital costs what they are, why a so much higher standard is expected of nursing homes. I don't mean to criticize, but obviously there is room for improvement.

"Constant decrying of nursing homes and more red tape is not the answer. We need to increase professional care, recruit more trainee aides per patient. We could even serve gourmet meals on a silver platter, but it all costs money and eventually comes out of the taxpayer's pocket.

"Another alternative is more community involvement, volunteers similar to the Candy Strippers in hospitals, to lend a helping hand. We need to decrease the unnecessary paper work and have a lot fewer and more realistic regulations.

"The abuse and neglect law is beyond comprehension. I have been an administrator for eight years and can honestly say that I have never seen an employee abuse a patient. I have seen numerous cases of patient abuse to employees! . . . patients who are confused and senile often become violent and hit, fight, kick, bite and scratch. Cut lips, broken ribs, black eyes, bruises, pulled hair and verbal abuse are occupational hazards.

"I believe the vast majority who work in nursing homes discover it is more than a job. Those who don't have the interest and patience never seem to last. Benefits and wages are minimum. We get our rewards from the affection and confidence of our patients. I have seen employees visit resident on day off, provide items out of their own income, take clothes home to mend, bring presents for birthdays and Christmas, pool resources to buy insulin or other medication the patient cannot afford.

"I have seen a dozen employees stop what they were doing and watch with breath suspended while a patient takes his first step after an illness. The joy of achievement is shared by all. I have seen them cry when a patient dies, and spend their evenings off at the bedside of a dying patient.

"To me these are the positive things of a nursing home, the things the general public never sees or reads about . . . the things inspectors never know because we did not sit down and document them."

Remember when we were living in a fuel's paradise?

Give me no more adversity than I can bear, and no more prosperity than I can stand.

Pair Sees Sights In Connecticut

Mrs. Paul Fisher and her aunt, Mrs. Jack Ellis of Kilgore returned recently from a delightful vacation in Groton, Connecticut. They went especially to see Mrs. Ellis's son, Wilkie and family. It was her first visit with her son and family in thirteen years and the first time to see great-grandchildren ages ten and two.

Together they visited many places of interest in and around Groton and New London, which is just across the Thames River. Mrs. Fisher had a personal tour of the submarine, Croaker, on which her cousin served for four years. The Croaker is a monument to the city of Groton, and was built there. Groton, Connecticut is the submarine capital of the world.

The group also visited Gillette Castle and Park. There they were told that William Gillette was one of the great figures of the American stage whose fame grew from his portrayal of the role of Sherlock Holmes.

On other excursions they visited Rocky Hill, Connecticut where they toured Dinosaur State Park, where most of the hundreds of footprints on view are large three-toed impressions, some reaching a length of 16 inches.

Recent history of the area relates that in August 1966 a bulldozer operator noticed that he had uncovered a slab of rock bearing the three-toed tracks. When interested persons were notified and the value determined, steps were taken by the governor to preserve the area by creating a State Park. The 1966 excavations exposed over 1,000 foot prints on a large area of bedrock. Rocky Hill is a few miles south of Hartford, Connecticut.

The program will have entertainment furnished by a number of musical groups and the highlight of the evening will be Charles Stenholm.

Generous Feds

Not only is the federal government lavish with taxpayer money, but it gets fussy when others try to save a little money for it. Concerning right of way purchase for the project of replacing the overpass with a four lane surface road, the federal men recommended that the city pay no more than some \$22,000 for easements. The city, making sure to keep within that figure, bought the land for \$2,928.48 less than the suggested figure.

of Muenster Public School

Muenster Juniors Beat S&S 12-0 and Tie 0-0 with Era
 Junior varsity Hornets of Muenster High School won a 12-0 ball game at Sadler-Southmayd last week while the Little Monsters of Muenster Elementary were battling Era's kids to a scoreless tie.
 Rusty Serna, who toted the pigskin for more than 130 yards, made both of the touchdowns for the JVs. On the first one he got around the corner in an end sweep and easily outran the defense some 70 yards to pay dirt.
 The next one was a 9 yard crash into the line as the finishing touch to a 60 yard drive.
 There were other gains as well, but none that converted into points. The big problem for the Hornets was the fumbling. They let it get loose seven times and the Rams recovered three of them.
 S&S boys also moved the ball well but were not able to go all the way. Inside the 20 four times, they were stopped three times by Hornet defense and once by a fumble.
 At Era the Little Monsters did all right until they got near the goal line. Following drives of 60 and 50 yards they ran out of steam inside the 10, where Era's defense got really stubborn. And on their final drive they got as far as the 3 before running out of time. Era made occasional gains but did not threaten. Monster defense did not allow them inside the 20.

Bluebonnet Club Plans Yearbook
 Ten members of the Bluebonnet Home Demonstration Club met on September 12 in the home of Mrs. Dale Klement for a planning meeting to select program topics for the yearbook.
 The varied list includes "Accessories for the Home," "Christmas Cooking," "Making Christmas Decorations," "Dried Foods," "Communications in the Family," "The Magic of Herbs and Spices," "Over-the-Counter Medicines," and a number of other topics.
 Also discussed during the business meeting conducted by Mrs. Judy McDaniel, president, was the Cystic Fibrosis Church Door collection; also attendance at the State Convention in Dallas on October 3-5, and participation in the "Christmas in November" project. It was reported that the County Council will be in charge of the concession stand at the exhibit.
 Mrs. Klement served a desert plate to those attending.

Reunion Held by Rowe Relations
 The first all day reunion of descendants of the late Bernard and Elizabeth Rowe was held in Muenster at the Park Pavilion on Sunday, September 17.
 Approximately 130 were in attendance, including two special guests Philip Rowe and his son, Michael Rowe of Chehalis, Washington. Their families were unable to attend.
 Philip Rowe was displaying a family tree and family history that he was compiling. Last summer he traveled in Germany, visiting relatives and securing information on family ancestors. He also showed a family album containing pictures of the trip.
 In appreciation, the Andrew Rowe, Sr. family presented Texas T-shirts to the two guests from Washington.
 Guests came for dinner and remained for supper. During the afternoon many recalled bits of family history and told that Bernard and Elizabeth Rowe came to Muenster, Texas, from Dresden, Kansas, in September, 1893, in two wagons, one driven by Bernard Rowe, the other by 13 year old Katherine Rowe, the late Mrs. J. W. Fleitman, Sr.
 Mrs. Bernard Rowe, Elizabeth, died in January, 1901 and is buried in Sacred Heart Cemetery. In January, 1904, the family moved to Lindsay and in 1925 Mr. Rowe and his unmarried children moved to Pilot Point, where he died in July, 1927 and is also buried in Sacred Heart Cemetery of Muenster.
 All children of the Bernard Rowes are now deceased. Only a daughter-in-law, Mrs. Andrew Rowe, the former Agatha Koerner of Pilot Point, and two sons-in-law C. C. Morgan of Wichita Falls and John Koerner of Pilot Point, remain.
 Oldest family member in attendance was John Koerner of Pilot Point, age 85; youngest present was two month old Thomas Rowe, son of Mr. and Mrs. Norman Rowe of Bowie.
 The probability of future reunions will be announced at a later date.

3rd Order Meets
 Ten members of the Third Order of St. Francis met in Sacred Heart Church for the September meeting, presided by Marie Hengscheid, prefect.
 Father Denis read from Scripture and gave a sermonette.
 Members were reminded to observe the October 4 feast day of St. Francis. Mrs. Hengscheid read an article outlining duties of Third Order members and Lu Vogel read "Minute Meditations" from the Franciscan Herald.
 During the business meeting, routine reports given by Lu Vogel, secretary and Betty Yosten, treasurer.
 The meeting closed with the Peace Prayer.
 Opportunity is frequently not recognized as it is often disguised as work.
 Life would be very simple if more people were willing to be themselves.

CDA Plans for Meeting of NCCW
 During the September meeting of Catholic Daughters of America plans were completed for the NCCW Deanery meeting to be held in Muenster at the K.C. Hall on September 28. Muenster women will be hostesses and all ladies were asked to bring a generous salad for the luncheon. Arrangements were also made to serve sweet rolls and coffee.
 CDA members agreed to move the October meeting date to Monday, October 2, rather than the customary Thursday, to avoid conflict with other events.
 The business meeting was conducted by Dorothy Fisher, regent, who read the newsletter received from the national office of CDA. Members participated in a discussion of Germanfest projects.
 The wind changes and the skunk said, "It all comes back to me now."

Lone Star Gas has already laid the groundwork for your energy future.

The jobs of more than 100,000 Texans employed in plants served by Lone Star depend on gas for heat processing or as a product ingredient. Long-term gas supplies are needed to preserve existing jobs, create new ones, and meet the requirements of our residential customers. Fortunately, Lone Star is in an excellent position to continue energizing our area's economy.

Lone Star has an 11,400-mile gas gathering and transmission pipeline system that connects with basins estimated to contain 50% of the remaining onshore gas reserves in the United States.

This same network also enables Lone Star to accept gas deliveries from growing offshore production in the Gulf of Mexico.

No other gas company in Texas has a pipeline network as extensive or versatile as the one we've put together and constantly modernized during the 69 years Lone Star has been in business.

No other gas company in Texas has the built-in opportunity to buy gas as selectively, to bargain as well for the best prices on new gas, as Lone Star.

Our pipelines can have an important effect on your energy future, because it's here where Lone Star is strongest that gas companies from across America will be shopping hard for new gas reserves.

Here's your key to the energy storehouse.

We fully understand the efforts of other gas utilities and transmission companies to get new gas supplies. Their areas also want this most economical of fuels for industrial use.

Nevertheless, Lone Star's obligation is to the million-plus residential, commercial and industrial customers who depend on us to meet their energy needs in the decades ahead.

We're determined to meet our obligation in full by getting our area's fair share of new gas reserves as they enter the market in volumes large enough to be handled economically.

It can be done because of Lone Star's pipeline system.

Our gathering system goes into areas where other gas companies haven't begun to build. Our far-reaching transmission network gives us excellent capabilities. Our underground storage system often lets us take deliveries when many companies cannot.

All we need to buy the gas you'll need in the decades ahead is your understanding that we must recover the actual cost of the new gas we buy.

Give us that, and we'll deliver you the best gas bargains that money can buy. But the longer we wait, the more expensive the bargains will be. And we're eager to get on with the job.

Lone Star Gas Company
 We're working energetically for your area's future.

Forestburg News

By Myrt Denham

The Forestburg "Beanery" has closed down once again. The cafe was broken into recently and a number of things were stolen — so the folks operating it just decided to close her down. Can't say that I blame them.

Miss Audie Marie Knox and Mrs. Gary Scott recently completed their RN Nurses Training and are now both employed at the Gainesville Hospital. Debbie Knox has completed Secretarial course and is employed at Cooke County Junior College. Audie Marie and Debbie are the daughters of Mr. and Mrs. Audie Lee Knox of Forestburg.

Sure hope this cool weather stays with us for a long time. Just imagine everyone is happy that this summer is over with — almost anyhow. Now it has been something else.

The Forestburg Baptist Church will lose its present pastor after Sunday, Sept. 24th. Rev. Glen Smucker will be going to Abilene where he will be working with young people.

The Forestburg 4-H Club held its first meeting Wednesday, Sept. 13th. Members elected officers for the year as follows: President, Karen Bell; Vice President, Veronica Edwards; Secretary, Janice Lanier; Reporter, Pam Edwards; Council Delegate, Leann Hays. Following the election of officers the members decided to have a bowling project for the first time. This will teach the members the correct way to bowl. Recreation and refreshments were enjoyed by the members and their leaders. Members attending were: Ann Floyd, Gina Wade, Bess Holzbog, Dee Dee Andrews Jackie Farrell, Nancy Traylor, Shellee Perryman, Shona Muegge, Doug, Veronica and Pam Edwards, Dinita and Monte Sewell, Joe Evans, Leann Hays, Janice Lanier, Karen Bell, Bart and Paige Sirman, Lisa Dill, and Adult Leaders attending were: Mrs. Sue Sirman, Cleo Lanier, Shirley Lanier, Mary Hays and Phyllis Sewell and County Extension Agents Mrs. Imogene Evans and Raeford Pullen.

YOU CAN BANK ON IT!

Here at the bank we know that agriculture is a growing business. And we know that as this business grows, so do many other businesses in our community. That's why we pay so much attention to farmers, ranchers, and growers. We are proud to be a part of the increasing productivity of our agricultural businessmen by making loans to buy or improve land, purchase supplies and machinery and increase this production in other ways. This, in turn, results in more food and fiber and more non-farm jobs to make our community stronger.

We take our investment in agriculture and agriculture-related businesses seriously. A strong agribusiness in our area adds to the area's stability. A sound agricultural economy provides support for and is supported by the area's other enterprises.

If you believe a cash loan will strengthen your business, agriculture-related or not, see any of our officers. When they advise you on business loans, you can BANK on it!

Forestburg News

By Myrt Denham

Mrs. Gladys Barclay of the burg and Mrs. Billy Barclay and Jennifer of Saint Jo headed for San Antonio Monday a.m., Sept. 11th, where they visited until Friday, Sept. 15th with Gladys's mother, Mrs. Archie Linder and Gladys's two sisters Mrs. Eunice Rees and Mr. and Mrs. Robert Keller and family. On Friday the 15th the three Barclay gals headed for Port Lavaca where they visited Gladys's daughter and family — Mr. and Mrs. Leon Klimitsch and Gary, Monday p.m. the 18th, found them back at

home in the burg and Saint Jo.

Mr. and Mrs. Buford Greenwood, Mr. and Mrs. Joe Hunt all of Forestburg and Mr. and Mrs. Sam Parsons and Tonya of Wichita Falls are visiting relatives in Portersville, Plainview and Stratmore, California. By the time you read this they will all be back home — and telling all about their trip.

Mr. and Mrs. Ted Jackson departed for Matador, Friday afternoon, Sept. 22nd, to spend the weekend visiting their daughter and family — Mr. and Mrs. J. T. McCandless and Todd.

Meant to mention that Mrs. Frances Brewer was in Sanger Sunday Sept. 17th, visiting with her son Davie and family. Frances bedded down with them for the nite and returned home on Monday.

A Retirement Reception honoring Mrs. Decie Ellzey will be held Sunday, Oct. 8th, from 2 to 4 p.m. in the Forestburg School Cafeteria. This is a "come and go" affair and everyone is invited.

Karen Bell, Janice Lanier and Leann Hays, all members of the Forestburg F.H.A., were chosen to give radio broadcasts on KBAN Bowie, Tex., announcing National 4-H Week, October 1-6.

Jo Ann Greenwood, daughter of Mr. and Mrs. V. G. Greenwood and 3rd and 4th grade teacher at Forestburg, is a patient in the Bowie Hospital where she underwent major surgery Friday, Sept. 29th.

Mrs. Bula Mae Berry returned home last week after spending time in the Bowie Hospital where she had undergone major surgery.

Mrs. George Surber ("Jet" Wilson), and Mr. and Mrs. Hugh Wilson were all visitors of Mrs. Ti Cook recently.

It is absolutely uncanny how all the rain always misses this Forestburg area all the time. The rains have fallen to the south, north, east and west of us but left us high and dry. It will rain a little east of Wichita Falls — take a big leap to Gainesville and the Dallas-Fort Worth area. I am beginning to think "Someone upstairs doesn't like us very much."

Sept. 23rd weekend visitors of Mr. and Mrs. Charlie Meyer were Mr. and Mrs. Bentley Anderson of Midland, Mr. and Mrs. Jack Holt of Gainesville and Mark Schneider of Irving.

Mrs. Woodrow Sirman returned home Monday, Sept. 25th after visiting with her daughter and family — Mr. and Mrs. Arlon Alexander and children of Plains, Tex.

Mr. and Mrs. Theral Lawler of Fort Worth visited Sunday, Sept. 24th, with Mr. and Mrs. Harold Prather. Mrs. Lawler will be remembered as the former Peggy Reynolds.

Perryman Denham visited with his old neighbor and friend Carl Green of Stoney Point, Thursday afternoon, Sept. 28th.

Oscar Whiteside, brother of Esther and Alice Shears, is seriously ill in Westgate Hospital in Denton.

Mr. and Mrs. Dale Schweter and sons Clint and Kevin of Lewisville visited her parents Mr. and Mrs. Howard Sockwell from Friday, Sept. 28th thru Sat. the 29th.

On Sunday the 29th the Sockwell's granddaughter and family — Mr. and Mrs. Howard K. Garrison and daughter of Argyle spent the day with them.

Mr. and Mrs. Jerry Boelter of Arlington visited with her mother Mrs. Decie Ellzey, Friday, Sept. 29th and Sat. the 30th.

The Forestburg United Methodist Women's Group met in the home of Mrs. Marion Sockwell, Wednesday, Sept. 20th, at 2:30 p.m. Mrs. Sockwell was in charge of the days' program. Others present were: Mmes. Betty Reynolds, Cleo Lanier, Decie Ellzey and Lucille Littell.

Funeral Services were held Thursday, Nov. 21st at 2:30 p.m. in the Forestburg Church of Christ for J. Meridith Houston of Denton, Texas. Mr. Houston died Tuesday, Sept. 19 at 9:30 p.m. in the Westgate Hospital in Denton. He was born Nov. 22, 1924 at Breckenridge, Texas. His parents are J. Meridith Houston, Sr. and Hazel Dell Horn Houston. On June 27, 1953 Mr. Houston married Miss Tommie Couger in Wichita Falls, Texas. He is survived by his wife, his mother Mrs. Hazel Dell Houston of Breckenridge, three children: Mrs. Elizabeth Johnson of Forestburg, Cassidy and Joy Houston of Denton, and one grandchild, Mr. Houston was a rancher, World War II Veteran and a member of the Forestburg Church of Christ. Funeral services were conducted by C. E. Cole and burial in the Perryman Cemetery. Pallbearers were: John T. Willis, Bobby Johnson, John Moseley, Lynn Rush, Rex Anderson and Weldon Wilson.

W. F. "Bill" Landers of Forestburg passed away in the HEB Hospital in Hurst on Sept. 20th, 1978, at 4:45 p.m. after a seven day illness. Mr. Landers was born Jan. 22, 1899 in Forestburg — his parents were the late W. F. "Dutch" Landers and Lula Dickerson Landers. He married Miss Bessie Mae Barkley. He is survived by one daughter, Mrs. Elna Stewart of Hurst, five grandchildren and three great grandchildren, three sisters - Mary Farmer of Mobeetie, Pearl Knox of Ryan, Oklahoma and Nig Jackson of Nocona, three brothers - Doug of Denton, Jim of Forestburg and Mark of Nocona. Mr. Landers was a member of the Forestburg United Methodist Church where funeral services were held for him at 2 p.m. Friday, Sept. 22nd, with Rev. Clay Yeager officiating. Burial was in the Perryman Cemetery. Pallbearers were: Ray Jackson, Jack C. Dill, Ross Littell, Howard Sockwell, Clifford Hudspeth, and Blake Freeman.

On Friday morning, Sept. 8th Perryman and I packed our little white olds and with

our dog "J. J." headed for Midland Texas, where we visited our friends the A. V. Selbys till Mon. Sept. 11th, then on to El Paso — where we looked over the town and found the house we lived in for 4 years. Then on to New Mexico — spending the nite in Socorro. On Tues. the 12th we made it to the home of some dear friends — the M. J. Norris family of Los Lunos. Los Lunos is 19 miles south of Albuquerque. We stayed there till morning of the 14th and then on to Denver, Colo. where we were the house guests of the Robert Perrys until Mon. a.m. the 18th. We also visited with Perryman's sister Ina Mae Denham in Denver. Then the evening of the 18th found us in Amarillo where we visited Mr. and Mrs. R. D. Stallworth for a few hours. On the morning of the 19th we headed for Shamrock, Texas, where we visited a few hours with Perryman's cousin Marvin Petty and wife Nora. Many older Forestburg folk will remember Marvin's father, the late Dr. Lester Petty who was married to Bessie Jackson. Tuesday nite Sept. 19th found us safely at home in our little roost in Dewey.

Mr. and Mrs. Barney Brogdon entertained Thurs. night, Sept. 28th, with a 42 party in their home.

Ted Jackson of Forestburg, Mr. and Mrs. Bill Eason of Era, Harty Eason of Gainesville, and Alice Philpot of Lake Texoma area all attended the Jackson-Card Family reunion in Lone Wolf Oklahoma, Sunday Oct. 1st. The Card family's mother was the former Mary Jackson sister of the late Albert Jackson.

Mr. and Mrs. Rex Anderson left Thursday, Sept. 28th, for Clovis, New Mexico, to visit with his mother Mrs. Addie Anderson.

The Forestburg United Church had it's monthly fellowship supper and official Board Meeting, Wed. Nite, Sept. 27th in the Church Annex. The attendance was large and everyone really enjoyed all the good food.

Miss Cass Houston of Denton visited over the weekend of Aug. 15th with Mr. and Mrs. Vint Freeman and Mr. and Mrs. Herschel Holzbog and family of the New Harp area.

A recent visitor of Mrs. Bessie Greenwood was her friend Mrs. Mae Wade of Sunset.

Our neighbor Johnny Carter has himself a real humdinger of a watermelon patch down in Jones Valley. Reckon there will be many happy coons, coyotes, deer, skunks, etc. in this area — about everything and everyone likes watermelons. Sure happy it is close to us.

Several folks from Forestburg attended funeral services for Bobby Don Greenwood, 20, in the First Baptist Church in Alvord. Bobby Don was the grandson of Calvin Greenwood.

One might say that Mrs. Elizabeth Orrell had Cousin's Day at her home Tues., Sept. 26th, as she had ten of her cousins visiting here — seven of the ladies were sisters and one was the sister-in-law. Joe Tinney of Waco and Charlie Tinney of Denton also visited with them. They all were accompanied by Willie Orrell and visited Aunt Becky Walter's Log Cabin — making pictures and reminisced about the days they visited there when they were children. At noon they returned home where Elizabeth served them a delicious lunch assisted by Mrs. Cleo Lanier. Ladies visiting were: Mmes. Faye Marsh, Joy Holday, Lena Boggs, Hazel Lyon all of Ducan, Okla. and Mrs. Katie Venable of Tulsa, Okla., Mrs. Opal Rogers, Texas City, Texas, Mrs. Bow Desilet of Bridgeport, and Mrs. Oma Roark of Gainesville.

Mrs. Alice Shears of Forestburg will be celebrating a birthday on Oct. 10. Two children — Bart Sirman and Tora Romine had birthdays last week and celebrated with their classmates in the school lunchroom. Also

present were their mothers: Sue Sirman and Kaye Romine and their teachers Mrs. Mary Hays and Mrs. Lucille Williams.

Mr. and Mrs. David Golightly and children of Flagstaff, Arizona, were recent visitors in the home of his grandparents — Mr. and Mrs. Henry Golightly.
