MUENSTER MEMORIAL HOSPITAL has recently added a chemistry analyzer, the Express 550, to the hospital lab, enabling technologists Gwen Carroll MT (ASCP), at left, and Barbara Culwell MLT (ASCP), at right, to do in-house testing much faster instead of sending profiles to a reference lab. National Medical Laboratory Week observed by Muenster Hospital

This week, April 9-15, is National Medical Laboratory Week. The Muenster Memorial Hospital lab is staffed by two technologists, Gwen Carroll MT (ASCP) and Barbara Culwell MLT (ASCP). Ms. Carroll has been employed for 11 years and Ms. Culwell for two years.

"Most people see us only as the person that is drawing their blood," Gwen Carroll states. "This is really just one small part

of our job, only the beginning. Our main responsibility involves running the tests that the physician orders on that sample and reporting those results as accurately as possible to aid in the care of the patient."

"Laboratory technology has advanced rapidly. Twenty years ago most tests were run manually, one at a time. Today's instrumentation allows many tests to be analyzed automatically at the

same time. With the recent addition of a state-of-the-art chemistry analyzer, the Express 550 at Muenster Memorial Hospital, we hope to do most of our chemistry testing in-house, instead of sending out our profiles to a reference lab. Having this capability will result in a faster turnaround time, enabling us to report results to the physician within hours instead of the next day."

Commissioners still reviewing ambulance

by Elaine Schad

Cooke County Commissioners still have the option of retaining county operation of its ambulance service after most bids on Monday exceeded the current county subsidy budgeted for the service, officials said.

A committee will review bid proposals from four private companies and return its recommendation to the full court on May 15.

Bidders were asked to submit prices for four alternate proposals, detailing the type of equipment they would be using, the number of employees and the type of work schedule. The contractor will be required to carry a minimum of \$1 million in malpractice insurance coverage. All bid alternates call for Mobile Intensive Care Units providing advanced life support comparable to current service levels.

Dal-Med Ambulance Service of Dallas proposed a bid of \$220,000 if the county supplies the ambulance station, base radio station and contractor, or \$280,000 without county-provided ambulance station. All other bids according to specification ranged from \$420,000 to \$653,000.

A local bidder, Pro-Med EMS of Gainesville, presented an alternative to the county bid specifications. Joseph Goodin, president of Pro-Med, proposed a

county subsidy of \$250,000 in 1989, \$245,000 in 1990 and \$235,000 in 1991 if the county leased all its presently-owned equipment to the company. Pro-Med would also provide insurance and vehicle replacement, he said. A former Cooke County Emergency Management Service administrator, Paul Sidener, is listed as the administrator of Pro-Med.

About a dozen senior citizens requested the county retain operation of the service, which they say is satisfactory at its current service levels. "If a private concern seeks to cut costs in a monopoly situation, it could cost the lives of Cooke County residents," said Al Mulrean, community service representative for the American Association of Retired People (AARP).

Mulrean said the majority of county residents using the ambulance service are the elderly on fixed incomes, and expressed concern that rates would go even higher should a private company take over. "One of the greatest

goals of the EMS is public service," he said. "It seems now we are changing our goals from community service to profit or private enterprise."

Commissioners began looking for ambulance service options in February in an attempt to reduce its budget after learning of an estimated \$500,000 revenue shortfall from the same time in last year. The county-owned service generated about \$150,000 in revenue before rates were raised by 50 percent last month. The county budgeted \$504,000 for ambulance service for fiscal 1989.

"We weren't necessarily picking on the ambulance service, we've been looking into all departments," said Commissioner Kenneth Alexander. "If we decide we won't save money by contracting it out, then we'll decide to keep it."

A proposal to combine some county ambulance operations with city dispatching services is a dead issue, said Commissioner Danny Knight. The two county hospital

County newspapers receive awards

The Muenster Enterprise and Gainesville Daily Register are both award winners in several categories of the 1988 Better Newspaper Contest, sponsored by the North and East Texas Press Association. The awards were given at the annual press convention last weekend in

Longview. Prior commitments for The Enterprise staff caused them to be unable to attend the convention. Warren Flowers, publisher at the Register, graciously represented them.

Awards to The Enterprise and staff were:

- First place for the feature story on the Medders family in the Aug. 12, 1988 issue. Judges said it was "one of the best entries in any category. Enticing soft lead and a story of a fascinating couple well told." The story, researched and published by Jean Pagel, will be included in the Centennial History Book.

- Second place awards for editorial writing by David Fette on the Nativity Scene vandalism, the special edition on the Dairy Industry, written and photographed mainly by Janie Hartman, and also sports coverage.

- Third place awards for General Excellence in the May 20, 1988 issue and general news writing.

- Fourth place awards for photography to Janie Hartman and Dave Fette.

The contest was judged by Associated Press editors and Dallas and Fort Worth newspaper editors. The Enterprise competed against other weekly newspapers under 2,000 circulation, like The

Springtown Epigraph, the Athens Weekly Review and the San Jacinto News Times.

The Enterprise came in second to the Athens Weekly Review in total sweepstakes points. The Springtown Epigraph is published and edited by former Muenster editor Bob Buckel. Buckel also runs the Azle News Advertiser, with weekly circulation over 4,000, which took most of the first place awards in that division.

The Gainesville Daily Register, like Muenster, collected second place in total sweepstakes points against other daily newspapers over 8,000 circulation. Their awards included second in general excellence, Eric Williams's column writing, photography, and advertising, first in Eric Williams's editorial, news writing and third in Dainah Bullard's feature, sports, community service and special section.

Entries submitted to the Texas Press Association's statewide contest are being judged now.

Chamber members hear about tourism and taxes

Lisa Cramer of the Texas Highway Department was the featured speaker at Tuesday's Chamber of Commerce luncheon meeting at the new Center Restaurant. She talked about the department and the Tourist Bureau activities to build tourism in Texas. She described the new 254-page Texas Travel Guide and the Strategic Travel and Tourism Plan. The plan was done in conjunction with six other state agencies like the Department of Commerce and Parks and Wildlife to coordinate their efforts and better use each other's help. The travel guide is distributed free to tourists mainly through the Tourist Bureau.

Dr. Bud Joyner of Cooke County College addressed the packed meeting room next. He told of the town hall meeting in Muenster to discuss the college bond issue to be voted on May 6. Joyner described the needs for the bond; the main cause being a 97 percent enrollment growth. The proposed 2.3 cent rate would add \$15.00 per year to the property tax on the average \$70,000.00 home. The meeting will be held at 7:30 p.m., Tuesday, April 18, in the Muenster City Hall meeting room.

John Fisher displayed the red, white and blue Centennial flags. They are available from the Centennial Committee for \$35.00.

Maudine Griffin next told about the second place award for hospitality given to Muenster for

LISA CRAMER

the September 1988 familiarization tour through Muenster. A recent busload of tourists was in town as a result of that tour and two more are scheduled around Germanfest.

Juanita Bright reminded everyone of the effort to get local residents, especially business personnel to "dress ethnic" on Fridays. The Centennial Committee hopes more and more people will dress in German or pioneer costumes in preparation for Germanfest and all during the Centennial year.

City of Muenster, CCAD at odds over records

by Elaine Schad

Ike Barnes has resigned as board member of the Cooke County Appraisal District, effective immediately, to accept a job transfer to Amarillo.

The CCAD Board accepted the resignation this week and hopes to fill the vacancy at its May 9 meeting. County taxing entities have 10 days to submit nominations. Barnes's term expires Dec. 31.

The CCAD Board appointed a

committee consisting of Roger Martin, Jim Zachary and Chief Appraiser Pat Pickett to meet with Muenster City officials concerning their request for a large number of copies of CCAD records. The city has requested financial records, CCAD meeting minutes, past audits and portions of property appraisal records, dating back to the beginning of 1987.

"This puts us through a tremendous amount of work for no ap-

MHS wins 4th consecutive golf championship

The Muenster Hornets fired a 372 at the Runaway Bay Golf Club Monday to win their fourth straight district title. The two-time regional champions easily outdistanced second place Saint Jo (410).

Muenster will attempt to qualify for their third straight state tournament appearance later this month at Kilgore. Senior J. Shane Wimmer led the Hornets with an 85 to win medalist honors for the third time.

Monday morning, in the bitter cold, the Lady Hornet golf team made their first tournament appearance and they also brought

home the gold. Stephanie Wimmer, second overall, paced the girls with a 115 as their 500 total beat the defending regional champions, Ponder. Saint Jo surprised also and came in second.

J. Shane's 85 was followed by Shayne Wimmer with 92. Keith Klement followed with a 94. Jeff Christian and Mike Pagel both tallied 101. Shayne Wimmer tied for third.

Jami Flusche followed Stephanie with a 120 which was good for third. Christie Christian finished fourth with a 127. Kelly Wimmer tallied a 137 and Mindy Graham a 139.

NOTICE!

The Muenster Jaycees will hold a special meeting on Thursday, April 13, at 7:30 p.m. in the K.C. Hall. They ask that all Germanfest beer servers, people selling beer tickets, as well as the servers for the Fun Run Party, attend this meeting.

Guest speaker will be Tommy Tucker from the Texas Alcoholic Beverage Commission (TABC), who will be joined by representatives of the Cooke County Sheriff's Department and the Muenster Police Department. They will speak on the rules and regulations regarding serving minors, intoxicated people, etc.

Jack Flusche, Jaycee Germanfest committee member, would like to remind all volunteers that they must be 18 years of age to sell tickets or serve beer.

On Wednesday, April 19, the Muenster High School Band will be going to Vernon, Texas to compete in the UIL District Concert and Sight-Reading Contest. This is the first time in 10 years the band has competed in UIL competition.

The band will be performing three prepared pieces for three judges.

Then they will perform one sight-reading piece for three new judges.

The students have worked very hard and hope to put the Muenster

Band Program on the track to becoming a winning program.

The band will compete at Sandy Lake Music Festival on April 27 at Sandy Lake Park in Carrollton. The Band Parents Organization is sponsoring this trip.

Also, I want to recognize Michael Abney. He placed 12th out of 16 chairs to make the All-District Band in January. He is the first student to make the All-District Band from Muenster. Jimmy Herr also competed and placed 9th out of 14 competition.

Good News!

Jesus explained to them: "I myself am the bread of life. No one who comes to me shall ever be hungry, no one who believes in me shall ever thirst."

Letter

Dear David Fette,
 Although a little late, I would like for you to know how extremely interesting I found the Historic Letter Resurrected which you published in **The Muenster Enterprise**, March 24, 1989. For me, it is a **treasured** clipping, because I always felt sympathetic toward Pontius Pilate.
 And I would like to take this opportunity to express my **esteem** of your paper, I enjoy it thoroughly. I look forward to finding **The Muenster Enterprise** week after week in my mailbox.
 I wish to conclude this brief message with warmest greetings to your mother, Mrs. Elfreda Fette, your wife, Pamela, and the staff of **The Muenster Enterprise**.
 Sincerely and lovingly,
 Sister M. Theresina, O.S.B.

ALVIN HARTMAN and JOE FENTON collected 8320 pounds of bundled newspapers Saturday from many Muenster residents who had been saving them for the Sacred Heart paper drive. Sacred Heart no longer has a buyer for the salvage, so they were contributed to Southside Baptist Church in Gainesville who still transports to a recycling plant in Dallas.

MRS. JOHN WADE CAST
...nee Laura Jane Kelley...

Laura Jane Kelley and John Wade Cast were married in St. Paul Catholic Church of Fort Worth on April 8, 1989 at 10:30 a.m. with Deacon Jerry Klement of Temple officiating for the double ring ceremony. Rev. James A. Boyle, pastor of St. Paul's, officiated at the Eucharist service and for the liturgical readings.

The bride is the daughter of Mr. and Mrs. John Andre Kelley of Fort Worth and is the granddaughter of Mrs. Henry Henschel of Muenster. The groom is the son of Mr. and Mrs. Wayne Hilton Cast of Eddy, Texas.

Presented at the altar by her father, the bride was wearing a floor-length bridal gown of imported white satin designed with a high wedding band collar of Schiffli lace. Yoke and sleeves were made of sheer English net with accents of coin dot embroidery. Schiffli floral lace motifs outlined the yoke, with off-the-shoulder look. Double satin bows graced the shoulders and a large double bow was attached in back at the waist. The softly gathered full skirt was edged with a band of scalloped embroidered lace. She wore a brief veil of illusion with scalloped edge, dotted with small Schiffli floral lace motifs and seed pearls.

She carried a bridal bouquet of white Juliana lilies and freesia. In keeping with tradition, she wore a ring borrowed from her mother, formerly belonging to her maternal grandmother, Anna Henschel. Her "something blue" was a blue garter.

ATTENDANTS

Debra Ann Metzler was her cousin's maid of honor. Another cousin, Cathy Marie Daniel, and a lifelong friend, Carla Fay Sanford, were bridesmaids. They wore formal gowns of royal blue cracked-ice-on-satin, designed with an open

neckline and big puff sleeves, matching satin cummerbunds with a back bow, fitted bodice and very full gathered, gored skirts with scattered satin bows.

They carried bouquets of white lilies and freesia. Jennifer Frances Kelley and Brooke Cast, nieces of the couple were flower girls, wearing white, ankle-length cotton dresses trimmed with lace, and carrying baskets of fresh white flowers.

Wayne Hilton Cast was his son's best man; and Matthew and Stephen Cast were their brother's groomsmen.

Ushers were brothers of the bride, Jeff and Matt Kelley. Jeffrey Adam Kelly Jr., nephew of the bride, was ring bearer.

Prior to the wedding and as guests were arriving, music was presented by a string trio, Shellie Cimbalo, Paul Tullis and Leslie Jacoway. At the beginning of the ceremony, they played Schubert's "Ave Maria." Kathy Bowden played the wedding marches, professional and recessional, on the organ.

Altar decorations included potted white floral arrangements in tall brass containers, green plants and brass candelabras with white votive candles, on both sides of the

altar. White ribbon was used for pew designations.

RECEPTION

A reception followed at Lost Creek Country Club, hosted by parents of the bride, with 125 guests attending. A buffet of pick-up foods was served.

The three-tiered all-white wedding cake was made by a friend, Roger Dieter of Gainesville. It was decorated with fresh white flowers, and a nosegay of matching flowers rested on the top keepsake layer. The chocolate groom's cake was decorated with chocolate-dipped strawberries.

Fresh white cut flower arrangements were used to decorate at the reception.

Upon return from a wedding trip, the couple will live in a new home in Eddy, Texas. The bride is a graduate of the University of Mary Hardin Baylor with a Bachelor's degree in Nursing, and is a staff nurse at Scott and White Hospital in Temple. The groom attended McClellan County College and is a partner of CCC Trenching Service of Eddy.

Several pre-nuptial parties were held in honor of Laura and John, one in Fort Worth, two in Temple and one in Eddy, hosted by friends and relatives.

Attending the wedding from Muenster were Mrs. Anna Henschel; Mr. and Mrs. Rufus Henschel; Mr. and Mrs. Ted Henschel and Amy; Mr. and Mrs. Gus Lutkenhaus and Mr. and Mrs. Paul Fetsch.

From Lindsay were Mr. and Mrs. Gerald Metzler; Jerry and Glenna Metzler; Christina Metzler and Stephanie Metzler; and Frank Popp.

Others were Mr. and Mrs. Albert Schumacher of Rhineland; Debbie Metzler, Doug Schumacher; Leon Flusche and Amy; Mr. and Mrs. Joe Simeroth, all of Fort Worth; and members of the groom's family from Eddy and other surrounding areas; and a host of friends.

New members attend Mass of Welcome in Ft. Worth

Newly baptized and those received into full communion with the Catholic Church along with sponsors and family members traveled to St. Patrick's Cathedral in Fort Worth on Sunday, April 9, to celebrate a "Mass of Welcome" with Bishop Joseph Delaney.

Those attending the Mass were Kevin Bell; Phil, Brenda and Mark Rigsby; Alvin and Joanie Hartman; Sam, Peggy, John and Jo Sparkman; Leon Walterscheid; Don Hess; and Herbie and Dolores Miller.

The new Catholics were personally greeted by Bishop Delaney and honored at a reception after the Mass.

Arrow of Light won by Cub Scouts

Braving the cool temperatures and partly cloudy skies the Cub Scouts of Pack 664 held an impressive outdoor ceremony for the Arrow of Light Award in the Muenster City Park on April 9, at 7:30 p.m.

The Arrow of Light is the highest award a boy can earn as a Cub Scout and is the only award he can carry forward into Boy Scouting along with his religious emblem.

The campfire was lit with magic

water brought from the Land of Akela. Several Scouts drank the magic water with nothing happening, but when poured over the firesite, flames appeared.

Recipients of the Arrow of Light Award were: Jeff Flusche, Joey Martin, Jake McCoy, Scott Poole, C.J. Muller, Cody Sicking and James Klement of the Rattlesnake Patrol and Jeff Felderhoff of the Cobra Patrol. Each parent was presented the Arrow of Light to pin on their son's shirt and each boy in turn was presented with the Arrow of Light mother's pin to present to his mother. Each boy also received a plaque symbolizing the Arrow of Light.

After the ceremony, a pack meeting was held with the following awards presented:

Tiger Tracks to: Jay Jump, Nick Silmon, Eric Knabe, Clifford Massey, Jim Stoffels, Josh Walterscheid and Lee Skinner.

Handyman Activity Pins to: Royce Knabe, Paul Swirczynski, Jeff Felderhoff, James Felderhoff, Michael Flusche, Jonathan Otto.

Citizen Activity Pins to: Cody Sicking, Jeff Felderhoff and James Klement.

Scholar to: Jeff Flusche.
Forrester to: Jeff Flusche.
Geologist to: Jake McCoy.
Engineer to: Jeff Flusche, James

Klement, Cody Sicking, Scott Poole, C.J. Muller, Jacob Luke, Greg Flusche and Joey Martin.

Compass Points were awarded to: Royce Knabe, Paul Swirczynski, Michael Flusche, Jonathan Otto, Jeff Felderhoff, James Felderhoff, Joey Martin, Scott Poole, and C.J. Muller.

Bridgeover ceremonies will be Monday, April 17, at the VFW Hall at 7 p.m.

Next pack meeting will be May 15, in the VFW at 7 p.m. This will include graduation ceremonies to the next rank for the Cub Scouts.

Baptisms

Bezner

Palm Sunday, March 19, 1989, was baptismal day for Jillian Leigh Bezner, infant daughter of Bruce and Jenny Bezner of Lindsay. Father Denis Soerries officiated in St. Paul's Church.

Baptismal sponsors were an aunt, JoEll Hellman, and Darren Voht.

Jillian was wrapped in a white

crocheted blanked edged in pink, a gift from the maternal grandmother, Della Hellman. She wore a white christening dress of accordion pleated organza, with a tiny bolero jacket which her mother selected for her. The godparents' gift was a gold ring and gold locket set.

Following the ceremony, a special dinner was hosted by the paternal grandparents, Weldon and Rose Bezner. A decorated christening cake was the table centerpiece. Pictures and a video were made.

Guests were the maternal grandparents, Dolphy Joe and Della Hellman; the great-grandparents, Mr. and Mrs. Tony Wimmer and Mrs. Gusta Walterscheid; and uncles, aunts and cousins, Jim and Fran Voht; Susie and Andy Bezner and Jessica; Pat and Tammy Bezner; Lisa Bezner; Matt Bezner; Dan Bezner; Sandra Walterscheid; Damian Hellman; Jeff Hellman; Deanna Bierschenk; Father Denis Soerries, pastor.

Tate

Jeremy Daniel Tate was baptized on Sunday afternoon, March

12, 1989. He is the infant son of Garland and Sharon Tate of Fort Worth. Officiating for the Sacrament in Sacred Heart Church of Muenster was Father Sebastian Beshoner.

Godparents were Bill and Katrina Grewing of Gainesville.

Jeremy wore the same christening gown as his older brother, Jeffrey. The godparents' gifts were a blue baby rosary, a cradle medal and a crucifix, which were all blessed by Father Sebastian after the ceremony.

Attending Jeremy's baptism were his grandparents, Mr. and Mrs. Ray Voht and Mr. and Mrs. Wayne Tate; and uncles, aunts and cousins: Chris Tate; Marcus Tate and children Crystal and Kyle; Mark, Linda, Jennifer, Matthew, Kyle, Chris and Clint Fuhrmann; Danny, Janet, Debra and Michael Voht; Steve, Brenda, Andrea, Dee Ann, Dominic and Melissa Fuhrmann; T.J., Jeannene and David Walterscheid; and Craig Voht.

Following the ceremony, the maternal grandparents hosted a dinner in their home. Afterwards, cake and ice cream were served. The christening cake was baked and decorated by Carolyn Bayer. Pictures and a video were made.

Zimmerer

Johnathan William Zimmerer, son of Michael and Donna Zimmerer of Lindsay, was baptized on April 2, 1989, following the 10 a.m. Mass at St. Peter's Church, with Father Denis Soerries officiating.

Johnathan's godparents are Karl and Beth Trubenbach of Muenster.

Following the baptism, Johnathan's parents hosted dinner in their home. Guests included his brother, Jeffrey, and the baptismal sponsors; grandparents, Kenneth and Janie Thurman and Billy and Marcella Zimmerer; great-grandparents, Albert and Catherine Kubis and Julius and Cecilia Hermes. Other guests were Pat, Sherrie, Joseph and Ashley Krebs; Vicki Thurman; Gina Bond; Bobby, Nancy, Natalie and Allison Dobbs; Chris, Janet, Jared, Christin and Emily Bayer; and Fr. Denis Soerries.

Felderhoff

The baptism of Megan Elizabeth Felderhoff was held on Saturday, April 8, during the 5 p.m. Mass in Sacred Heart Church. She is the infant daughter of David and Barbie Felderhoff. Father Victor Gillespie was celebrant of the Mass and officiated for the Sacrament.

The godparents were an aunt and uncle, Brenda and Kim Nix.

The baptismal dress was made by her late great-grandmother, Mrs. Millie Fleitman. The dress was worn by all of Mrs. Fleitman's children, grandchildren and great-grandchildren. Megan also wore a new bonnet made by Celie Wimmer, her maternal grandmother.

The infant's parents hosted a hamburger supper at their home following the ceremony. Attending were the grandparents, Henry and Betty Felderhoff and Andy and Celie Wimmer; and aunts, uncles and cousins, Doris and Ronnie Dennard and children Lyssa, Keri, and Jeanna; Terry Wimmer and children, Harvey, Jason and Terri Sue; Molly and Louie Gieb and children, Andrea, Staci and Julie; Candie Geiser and children, Sarah and Adam; Brenda and Kim Nix and children, Kimberly, Katie and Patrick; and Megan's sister, JoAnna.

Enjoy dogwoods See trees now!

by Elaine Schad

Joe Wyatt invites all area residents to his annual viewing of dogwood trees just across the road from Camp Sweeney east of Gainesville.

The trees, now in full bloom, are a relatively rare site for this area and generally brings quite a few onlookers to the Wyatt farm.

Almost like a fairy tale with a happy ending

Bells rang, lights flashed, an attendant, accompanied by a security guard, came running, laden with cash and two Muensterites danced for joy.

Spending from Thursday through Sunday evening in Las Vegas in a group of 10, Sharon Wolf and Linda Walterscheid "shared the amount of the investment," they said, and therefore "shared in the winnings" about 12:10 p.m. Saturday afternoon, when together they were suddenly \$8,397.59 richer at a slot machine in the Holiday Casino of Holiday Inn.

After phoning their husbands with delight, they related, "We were certainly glad to have a security guard escort us to the safe. Then we were presented free dinners and discounts for our next trip out there."

Several others in the group of 10 friends also enjoyed small winnings.

New Arrival

Otto

Michael and Jane Otto of Nocona announce the birth of their son, Joseph John Otto, in Nocona Memorial Hospital on April 2, 1989 at 5:30 p.m., weighing 8 lb. 13 oz. He joins two sisters, Jennifer and Christina. Their grandparents are Viola Otto of Wichita Falls and Joe and Marie Fuhrmann of Lindsay. The great-grandparents are John and Catherine Schmidkofer of Lindsay.

Mrs. Fuhrmann and daughters, Lucy Fuhrmann, home from Texas A&M, and Alice Schumacher visited the family and met the new baby on Saturday, April 8.

CCC sets Art Show for April 20

Judging for this year's 24th annual Cooke County Art Show, set to open in Gainesville on April 20, will be a family affair.

Judging all entries in the general adult division will be Dr. Bill McCarter, art professor at the University of North Texas in Denton. His wife, Mickey McCarter, will judge all student division entries.

John Boykin, for many years a member of the CCC "family" as photography instructor, will return to judge photography entries.

"It's almost a cliché to say year after year 'how fortunate we are to have such great judges,' but this year it happens to be especially true," said Mary Frances VanPelt, head of the CCC Art Department and art show director. "They are not only gifted artists in their own right but experienced, highly professional

educators, critics and judges as well."

The Cooke County Art Show is sponsored by the Cooke County College Art Department, and works in more than a half dozen different media categories for artists ranging from elementary schoolers to non-student adults of all ages will be on display to the public Thursday, Friday and Saturday, April 20, 21 and 23, in the CCC Student Center.

"For artists planning to enter this year's show, the important date to keep in mind is Monday, April 17, when all entries are to be accepted," said VanPelt. "We'll be taking entries between the hours of 10 a.m. and 6 p.m. at the

Student Center here on campus.

"It's important that all artists have their entries properly framed or mounted and identified when they bring them in. Anyone who needs details can contact me at 668-7731, extension 276, or come by in person to Room 124 on campus."

Any artist whose work is totally original in concept and execution and which has been created within the past year is eligible to enter.

Valley View placed first in District 18A competition at its recent meet at Grayson County Junior College in Sherman. Valley View scored 265 points to outdistance Prosper's 235 points.

Those advancing to the regional meet include the number sense team of John Roane, Derek Mills and Sheila Huddleston, and the calculator applications team of Chris Kemp, Damian Krahl and Tina Smith.

Also advancing will be Terrie

Alexander and Derek Mills, persuasive speaking; Anita Farrell, prose interpretation; Jackie Garner, editorial writing; Amy Roberts, feature writing; Chris Kemp and Damian Krahl, individual calculator applications; John Roane, number sense; Tina Smith, accounting; Brenda Stephenson and Traci Alexander, typing.

Hoedebecks attend grandson's First Communion Sun.

Gene and Elsie Hoedebeck were in Coppell Sunday, April 9, to attend the First Communion celebration for their grandson, Preston Cagle, son of Chris and Terri Cagle.

Preston was one in a class of 43 children receiving the Eucharist during the 9:30 a.m. Mass in the new St. Ann's Catholic Church in Coppell. Following the church services, there was a Communion Breakfast in the parish hall.

Preston and his guests were then honored with brunch hosted by his parents. Others were his godfather, Joe Hoedebeck of Muenster; his godmother, Toni Lankford of Irving; his paternal grandmother, Hazel Huffman of Saint Jo; his great-aunt, Bonnie Moore of Saint Jo; his aunt Shellie Hoedebeck and cousin Elliot Lankford of Irving and friends from Coppell.

Relatives attend funeral

Muenster friends and relatives joined Debbie White and family of Springtown in mourning the death in a one-car accident of Todd Wageman, fiance of Mrs. White's daughter, DeAnn Trachta. Wageman, 18, was a star running back for Springtown High School and an outstanding student scholastically.

Funeral services on Tuesday were attended by Chris and Jan Cain; Robyn Walterscheid; Richard and Laura Trachta; Wayne Trachta; Janel Trachta; Judy Hartman; Mrs. Richard Cain; Christin and Cory Cain; Brenda and Todd Richey; Melanie and Mark Hesse; Stephanie Felderhoff; LaQuita and Bill McCollum; Tracey Nicholas; Kelly Orsburn.

AL and GERTIE HORN wanted to make a special contribution to the art of the Muenster Centennial and devised two mediums to portray the Centennial Logo. She is holding a quilt square which she sketched and then embroidered. He is displaying a 16½-inch square of handcarved mahogany of the same logo, which he has now presented to the Muenster Museum.

“Sewing with Knits” program April 19

by Evelyn Yeatts,
County Extension Agent-H.E.E.
Knits are one of the most popular fabrics we're seeing for spring! They may be 100 percent

cotton, cotton blends, all polyester or acrylics.
A special class will be held to give helpful hints on sewing with knits. It will be held on Wednesday, April

19, at T.U. Electric in Gainesville. A morning program will begin at 9:30 a.m. with the same program repeated at 7 p.m.

Part of the popularity of knits is due to the versatility and ease of care. Knits are extremely popular for casual wear but is also used for dressier clothing when proper accessories are chosen.

Knits are shown this spring in all colors and may be in solids, polka dots, stripes of all sizes and in big bold designs, and combinations.

Some of the quickest home sewing projects can be done with knit fabric. They do require some special techniques however.

The program will be especially helpful for beginners in sewing with knits. It is being sponsored by the Texas Agricultural Extension Service of Cooke County. Interested consumers are asked to call the County Extension Office at 668-5412 to pre-register for “Sewing with Knits.”

Brian Hess earns honors at Texas Tech

Brian Hess, a freshman at Texas Tech University, has been admitted to Phi Eta Sigma, a scholastic honor society for students in their first year at the university who have distinguished themselves scholastically.

Requirements for membership in Phi Eta Sigma are very high,

therefore, it is the highest scholastic distinction a freshman can attain at Texas Tech. Only 2½ percent of the freshman class attain this honor.

Brian Hess is an honor graduate of Muenster High School and the son of Mr. and Mrs. Dennis Hess of Muenster.

NOTICE!

Because of the hectic schedule involved the last few days before Germanfest, The Muenster Enterprise is moving the deadline for news copy and ad copy from Tuesday at 5 p.m. to Monday at 5 p.m. on April 24. The classified deadline will be moved up from Wednesday at noon to Tuesday at noon for that week only. The mailing date will therefore be on Wednesday afternoon. The Enterprise appreciates its readers' cooperation.

Schedule of Meetings

"Week of the Young Child" observed at SH

The National Association for the Education of the Young Children sponsors the "Week of the Young Child" each April to focus attention on the needs of young children and their families. Sacred Heart Preschool, Kindergarten and First Grade classes observed the week of April 2-8 with many special educational and entertaining activities. The week began with an Opening Mass on Monday. On Tuesday, students planted flowers to beautify the grounds. Flower seeds were planted indoors for the students to watch. The

First Grade classes, accompanied by teachers Anne Poole and Lynn Dangelmayr, went to the Muenster Fire Station for an educational program led by Fire Chief Herbie Knabe. On Wednesday, the Preschool classes went on a field trip to the Muenster Post Office. Linda Fuhrmann gave a very informative tour and each student had the opportunity to purchase a stamp and mail a letter to their parents. They were accompanied by teachers Pam Dangelmayr and Kathy Berres.

The Kindergarten class enjoyed a tour of Bayer's Kolonialwaren and a pizza demonstration. Teachers Christy Hesse and Laneta Martin accompanied their group of students. A special highlight of the week for all the elementary students was the Artfest on Thursday afternoon. It was sponsored by the Preschool Parent Group and was held under the S.H. Pavilion. Approximately 20 hands-on "make and take" arts and crafts projects were planned and manned by the S.H. Eighth Grade class, assisted by the Seventh Grade students and teachers Mrs. Dorothy Bengfort and Sr. Mary John Seyler, O.S.B. The week closed with a special Mass on Friday with the liturgy planned by the First Grade classes and their teachers. A balloon release by about 75 young students followed Mass. Parents and grandparents joined the children for lunch and fun at the Muenster City Park.

MHS goes to Paradise for district track meet

The MHS track teams tuned their wheels at Nocona Saturday to prepare for the upcoming district meet this Friday and Saturday at Paradise. Tina Klement won the 3200 meters with a 13:08 and clocked a personal best 5:50.19 in the 1600 meters for the silver. Yancy Culp ran to a 4:59.40 for a gold medal and his personal best. Donnie Boydston put the shot 48'7" for a bronze and brought home the gold in the discus with a 135' toss.

Distance man Chris Klement won 2nd in the 2-mile and 3rd in the mile. The Hornet relay teams finished 3rd with a 4:33.17 in the 1600 relay. Hornette distance runner Amy Hoenig placed 3rd in the 2-mile and 5th in the mile. Junior Shonna Reiter clocked 2:38.16 in the 800 meters for a silver medal. Brad McDaniel won a bronze in the discus with his best throw, 134'2".

"It was a tough meet," said Bill Jump, "and we had some good times. We feel confident heading to Paradise."

Hornette Coach Ted Heers echoed Jump's sentiments.

"Several of our girls had their best times but the AA field was deep. We look for us, Paradise, Era and Lindsay to be the strong teams with Alford bringing some good individuals."

Field events get underway Friday at 1 p.m., followed by the running prelims at approximately 4 p.m. The finals will be Saturday at 2 p.m.

Little Red Hornets sweep titles

For the second time in three years, the Little Red Hornets won the district championship in track by outdistancing the rival Lindsay Knightettes. Amy Otto scored 25 points to lead the way, followed by Cindy Culp with 18, Roxie Knabe 18, Lori Graham 17, Dianne Pagel 19, Lori Klement 14, Amber Vogel 15, DaLana Walterscheid 16, Candise Abney 13.

In the seventh grade division, the Hornets also scored a victory. Brandi Grewing, Amy Sturm and Kim Stewart, who placed in all five of her events, led the way.

Tigerettes second at Indian Relays

The Sacred Heart Tigerettes have elevated their team to the top of the girls' squads in Cooke County. The Tigerettes scored 95 points for a second place finish in the Indian Relays. The Pilot Point Lady Bearcats scored 116 points for top honors and also kept their unbeaten string alive. Chico finished third with 59½ followed by Howe with 56½ and in fifth, with 39 points, Lindsay, and Muenster sixth with 36. Other Cooke County squads competing were Callisburg and Era.

Vickie Schmitt got the Tigerettes off on the right foot with a school record shot put at 38'11". The record erases the old record of 37'½" held by 1987 graduate Kerry Haverkamp. Schmitt's throw also puts her No. 2 of the girls' Class A state rankings in the shot. Schmitt also collected the gold in the discus. Teammate Sharon Fuhrmann put the shot 35'4" for third and also tossed the discus for the silver.

After the field events, the Tigerettes entered the running events, tied with Pilot Point at 34 points each. Amy Bayer put the Tigerettes ahead with a silver medal finish in the 3200. Bayer ran her best race of the year and is showing signs of her old form. In the 400m relay, the Bearcats of Pilot Point captured first while the Tigerettes claimed fifth with their best clocking of the season at 53.83. In the 800m run, Angela Endres earned the fourth place slot and teammate Shirley Henschel captured fifth.

In the 100m hurdles, Lisa Hamric scored 6th and in the 100m dash, Michelle Walter placed 5th with a 13.18 clocking. In the 400m dash, LaBecah Hess clocked in at her best time of the season, a 67.3 for the silver medal. Amy Walterscheid also scored a second place with a 27.04 clocking in the 200m run. Freshman Shirley Henschel clocked in at 6:10 in the 1600m run for third and is approaching the status of the top distance runners in Cooke county. The Tigerette 1600m relay squad of Amy Bayer, Angela Endres, Amy Walterscheid and Michelle Walter placed 3rd with their PR for the year 4:30.8.

"The competition was strong, and I feel our girls' performance was their top effort of the season," said Coach LeBrasseur. "Our jumpers got PRs this weekend and did not even make the finals." "If we continue to improve in the next few weeks, we could challenge for the state title again."

The Tigerettes will run in the Tom Landry Relays in Addison this weekend. The meet opens on Friday afternoon at 4 p.m. with the field events and the running preliminaries and 3200 final run starting at 6 p.m. The final running events will begin at 3 p.m. Saturday. Thirty-one schools will be represented in the Tom Landry Relays. The Tigerettes are the defending champions.

The Muenster Jaycees are interested in sponsoring a 13-15-year-old baseball team this summer.

But, before the season can get underway, the Jaycees need to know if the interest is really there to go on with the program.

Please send your name and needed information to Chairman Terry Walterscheid, P.O. Box 82, Muenster, Texas 76252.

AGRICULTURAL MILESTONES

AMERICA'S ULTRA-EFFICIENT agricultural complex is able to provide food, feed, and fiber for not only our own 241 million people but also can supplement the diet of hundreds of other millions, in both the free world and behind the Iron Curtain.

The remarkable strides we have made in improved productivity, processing, preservation, transportation, and distribution of our agricultural products largely are due to wise decisions made by our forebears during the last 127 years.

In 1862, national legislation established the U.S. Department of Agriculture and the land-grant system of higher education in "agriculture and the mechanic arts." This was strengthened by other national legislation in 1887 that provided for establishment of our system of state experiment stations that cooperate in agricultural research. In 1914, the third needed agency was added that extended continuing education to those in the agricultural complex.

The unique land-grant university system, with research conducted on a continuing basis by the State Agricultural Experiment Stations and research results transferred quickly to the public by the Cooperative Extension Services, is a major reason why our nation enjoys the most efficient and productive agricultural industry in the world. Both agencies interact with the university function of education; the result is that all three benefit.

Many land-grant educators are involved in both teaching and research, with enhanced function in both. Interaction with Extension Service personnel strengthens their awareness and response to problems in the agricultural complex. The result is that today's worker on the land can supply the food, fiber, and feed needs for about 80 people; in 1862, an agricultural worker provided such production for only 4.5 people.

Today's consumer benefits from this system with food that is safe, fresh, nutritious, palatable, and still one of the lowest in cost, in terms of percentage of income.

Texas Agricultural Experiment Station

Farm sheep production seminar begins April 18

by Craig Rosenbaum, County Extension Agent

For many years, sheep have been raised on farms in North Texas and especially the Cooke County area. Sheep offer producers a way of income diversification from their conventional agricultural enterprises. However, due to their size, reproduction and special nutritional needs, they need various degrees of management for success.

A two-night seminar will be held at 7:30 p.m. on April 18 and 27 to investigate various phases of farm flock production. The seminar will be held each of the two nights at the Cooke County Fairgrounds with live animal and health and nutrition displays each night. T.J. Davidson, Director of Agriculture at Cooke County College, will be the seminar speaker. T.J. comes with a wealth of knowledge concerning sheep production and marketing regimes for success. The following are the dates and topics to be covered at the seminar:

April 18 - History and Development of the Sheep Industry; Advantages of Sheep; Limitations of Sheep; Future of the Sheep Industry; Characteristics of Sheep; Types and Breeds of Sheep; Entering the Sheep Business; Establishing the Breeding Flock.

April 27 - Reproduction of Sheep; Sheep Nutrition; Care and Management of the Breeding Flock; Lamb and Sheep Marketing; Production and Handling of Wool; Maintaining Healthy Sheep; Controlling Predator Losses in Sheep.

The meeting is open to any person currently involved in sheep production or those thinking about raising sheep on their acreage. Sheep provide good income on a limited acreage system.

County Agent's Report

by Craig Rosenbaum

Winds this spring are currently holding disease infestations back on area wheat. However, with the moisture that we have had, producers should be aware that disease epidemics could increase at any time on area grain. For this reason, you should be watching fields for any abnormal appearance in growth patterns.

There are several questions that should be of concern to producers. First of all, will leaf rust be severe enough to limit yields in 1989? We had enough leaf rust throughout the county before the February freeze to be of concern. This freeze stopped the disease development but those spores that remained will still be able to reproduce. The disease cycle can start as soon as moist days begin. Cool, moist conditions favor spore germination and disease development. There is a high probability of all factors required for

disease development will be present during the remainder of the growing season.

Will fungicide use on wheat be profitable for leaf rust control in 1989? In order for fungicide use on wheat to be profitable, several factors must occur simultaneously. The major ones are listed as follows:

- Wheat leaf rust must represent the major limiting production factor.

- Yield potential must exceed 40 bushels per acre.

- The per acre cost of chemical plus application must not exceed the value of 4 bushels of wheat. Wheat varieties vary in their yield response to fungicide application. It should be evident at this point that the decision-making process on fungicide application to wheat is complex and specialized. It is not for individual fields on a given farm.

Forestburg FFA seniors win first at contest

Forestburg FFA range plant identification teams won the first and second place plaques in the junior division and first place plaque in the senior division of the San Angelo Livestock Show contest in San Angelo recently. Forestburg won all five high individual plaques in the junior division. Jason Morris was first with 378; Dale Lively, 2nd, 298; Buck Moseley, 3rd, 278; Marvin Jones, 4th, 241; and Jennifer Scott, 5th, 200. First place team members were Jason Morris, Buck Moseley and Marvin Jones. Members on the second place team were Dale Lively, Jennifer Scott and Leticia Capuchina. Menard County 4-H won third place.

Jamie Lively of Forestburg led all scorers in the senior division with 469 of a possible 500. He received the high scoring individual plaque plus a quartz watch. David Morris was 2nd individual with 451 and Terry Allen, 5th with 415. The top three teams were Forestburg FFA No. 1, 1335; 2nd, Crockett Co. 4-H, 1205; 3rd, Menard Co. 4-H, 1060. Billy Covington, Vernon Forrester and Toby Vann from Forestburg placed 4th in the senior division.

The San Angelo contest is last of the statewide plant identification contests for the school year. In the four contests, the Forestburg junior teams placed 1st and 2nd at Dallas, Fort Worth, San Angelo and 1st and 4th at Houston. The two senior teams placed 1st and 4th at Dallas, 2nd and 3rd at Fort Worth, 1st and 3rd at Houston, and 1st and 4th at San Angelo.

Rod and Reel Repair

Does your fishing reel grind when you turn the handle? Did the handle fall off into Lake Texoma? Did you put the ice chest on top of your luckiest rod and mash a line-eye? Bring the reel to Good Times Outdoors, and we'll disassemble it, clean every part, and put it back together with factory specification. We also have a stock of handles and other parts for popular models. Bring the rod in, and we'll tie an eye on it with matched thread.

Fed cattle marketings should decline in 1989

by Ernie Davis, Extension Livestock Economist

Fed cattle as well as non-fed cattle marketings are expected to decline through 1989. Pork supplies also are predicted to decline in the last half of 1989 if pork producers carry out current intentions. Barring the unexpected, the smaller red meat supplies should yield higher prices in 1989, both to consumers and producers. Unless consumers resist higher retail beef prices or become concerned about the healthiness of beef because of unfounded innuendoes of hormone residues, fed cattle prices should reach record levels this spring. It is quite possible fed cattle prices should surpass \$80 per hundredweight by June.

All will not be well for cattle feeders, however. Feeder cattle prices are expected to continue to rise in light of fewer feeder cattle supplies and there is still a big question mark about feed grain prices. Feedlots will face tight margins and must be cautious not to get too bullish on the fed cattle market. Already, 500-600-pound feeder steers placed in feedlots in November will have \$78 to \$79 per hundredweight break-even prices when they come to market in May

and June. Record prices will be required just for cattle feeders to break even. Cow-calf operators, on the other hand, may have the best year, price-wise, in history.

If you think writing this doesn't make me nervous, you're wrong! I am well aware what has happened to us every time we get this bullish and I know record highs are usually followed by big crashes, but for goodness sakes, what can go wrong this time? Possibly, consumer resistance or alarm about residues.

There were some expected and unexpected aspects of the January cattle on feed report. The expected included less cattle on feed, fewer lighter weight cattle because of higher feeding costs and increased placements in Texas and Kansas where drought forced early placement of feeder cattle from winter wheat pastures. The unexpected was the high proportion of heifers on feed. Evidently, cattlemen have not yet begun retaining heifers to rebuild their herds. While steer numbers on feed dropped 6 percent from a year ago, heifers on feed remained at year-ago levels and were 3 percent higher than two years ago.

Market Report

by Bill Hamer

The Muenster Livestock Auction reports the sale of 586 cattle and 52 hogs last week. Hogs were weak and \$1.00 to \$1.50 lower; stocker steers and heifers were steady and active; feeder steers and heifers were \$1.00 to \$2.00 lower; cows were steady, not enough stocker cows for price test; bulls were steady.
