Raging fire spread by wind Wednesday

Firemen from 10 fire departments battled a raging grass fire on the Cross N Ranch south of Era Wednesday morning.

The fire reportedly began between 8:30 and 9 a.m. when high winds apparently broke an electrical line that crosses the ranch. "One of our ranch cowboys was out riding that pasture," said Mrs. Bo Crossen, owner of the property. "After seeing the line snap and a fire start in two places, he raced his horse to his pickup and trailer where the fire caught up with him by the time he had the animal loaded."

Era's Volunteer Fire Department was the first firefighters on the scene. Gainesville soon followed. The firefighters worked around the old Judge Fischer's home where they saved the ranch foreman's house and a barn. "If not for the work of the Era Fire Department," said fireman Gary Reiter, "both buildings would have been lost." The livestock also found safety by hugging around the barn.

Twenty trucks responded from Era, Muenster, Myra, Rosston, Forestburg, Gainesville, Valley View, Decatur, Lake Kiowa and Slidell Fire Departments.

"This restored my faith in people, the way everyone helped in time of need," said Mrs. Crossen. "I couldn't believe it, it was wonderful."

Approximately 150 to 200 acres of pasture were lost in the blaze. Firemen lit back fires along Hwy. 51 to stop the uncontrollable burning. "If they hadn't stopped it at 51, it would have burned all the way to (Interstate) 35," commented Mrs. Crossen.

"We're lucky no firemen were hurt. Some received oxygen from the paramedics on the scene," said Mrs. Crossen. "We love them."

The fire was settled down around 11 a.m.

SH Parish extends welcome to Picnic

Sacred Heart Parish is extending a welcome to all area residents and their family and friends from near and far to attend the annual Thanksgiving Day picnic on Sunday, Nov. 19.

Carrie Walterscheid and Virgilla Herr, co-chairmen of the noon meal, offer a taste-enticing meal of turkey and dressing, sausage, mashed potatoes, gravy, sauerkraut, cranberry sauce, salad, hot rolls, butter, coffee, tea and pie. To go plates will be available from 11:00 a.m. on and serving of the noon meal will be from 11:30 until 2:00 p.m. Plates will be available throughout the day. Prices are \$3.00 children under 12 and \$6.00 adults.

Barbecue sandwiches, nachoes and a light supper menu will be available. Soft drinks, beer and other refreshments can be purchased all afternoon and evening.

Entertainment for the young and the young-at-heart includes bingo, a cake walk, ball roll games, horse race and a variety of children's games.

The Country Store, which includes an arts and crafts section and a Sweet Shop, should have something to interest everyone according to co-chairmen Aileen Knabe and Staci Miller. There will be Christmas wreaths and other Christmas decorations, a variety of hair bows and other home-made goodies can be purchased from the Sweet Shop. Also the usual assortment of interesting odds and ends will be offered.

Two quilts will be raffled in the Country Store. A large quilt and a

baby quilt done in candlewicking which is accompanied by a large, cuddly teddy bear.

All items in the Silent Auction are numbered and have a bidding sheet beside the item. The bidding sheet identifies the item, sets in the starting bid and gives the minimum jump bid (i.e. if the starting bid is \$3 and the minimum jump is \$1, then each time a bid is made, it must be at least \$1 higher than the last bid.)

It is recommended that interested bidders check on the bidding throughout the day as several bids may be required to get a wanted item. There will be two sections, A and B. Section A will close an hour earlier than Section B. According to Debbie Hess, chairman, you must be present at the close of the Silent Auction to be sure you have the final bid. "It is a lot of fun to see what you may or may not end up with. Everyone 18 and over is invited to join in the fun," said Debbie Hess.

Some of the choice auction items are the last available "Friends of the Library Cookbook"; a free trip to Choc-taw Bingo; an antique school desk; gift certificate for dinner or meals to your home; and much more.

Each family in the parish is reminded to please contribute a pie and a cake.

Area voters favor eight amendments

About 20 percent of Muenster's registered voters cast their ballots in the Nov. 7 election. The voters went to the polls to decide on 21 proposed constitutional amendments.

According to Precinct 17 Election Judge, Janet Fisher and Precinct 18 Election Judge Mary Lee Hennigan the voter turnout was better than expected as only a meager 10 percent were expected at the polls.

In statewide results, Texans approved all of the proposed amendments except Propositions I and II which dealt with lawmakers' salaries.

A total of 310 voters marked ballots at local polls - 247 at Precinct 18 and 63 at Precinct 17. In Cooke County a total of 2,687 ballots were tallied.

Cooke County voters approved of proposed amendments 5, 6, 7, 10, 13, 16 and 20. Muenster voters approved all of these plus number 4 which passed in Precinct 18, 133 to 105 and lost in Precinct 17, 29 to 32.

Don't forget parade Nov. 25

Gainesville's Holiday Parade in downtown Gainesville will be held on Nov. 25 at 2:00 p.m.

With the enchanting theme: "Holiday Spirits, Yesterday, Today and Tomorrow," the event promises something for everyone.

Assembling near McDonald's and Wendy's, the parade will proceed east on California Street as far as Lindsay Street, turn one block and return on Main street to the old fairgrounds. There will be bands, antique cars, marching units, drill teams, riding clubs, a variety of floats and commercial entries. Although the deadline is near, entries are still being accepted.

Mr. and Mrs. Santa Claus will be in the parade riding on a firetruck and will visit with children at the Gainesville Shopping Center after the parade on the parking lot in the little Santa Claus house.

Bob Archer is the parade chairman. The parade is sponsored annually by the Gainesville Downtown Merchant Association.

Cross country team competes and wins big

The Muenster Hornet Cross Country teams competed in the State Cross Country Meet this past weekend at Southwestern University in Georgetown. The girls were represented by Regional champion Tina Klement, Regional medalist Amy Dankesreiter and the Regional championship team of Melissa Bayer, Cindy Culp, Cheryl Hacker, Tonya Knabe and Amy Hoenig. The boys' team was represented by Regional medalist Yancy Culp.

Tina Klement was the top local finisher as she finished in 4th place out of a field of 100 competitors. The girls' team finished 5th overall with individual finishers of Amy Dankesreiter 36, Melissa Bayer 43, Cindy Culp 70, Cheryl Hacker 72, Tonya Knabe 78 and Amy Hoenig 88. The lone boy competitor, Yancy Culp, finished a respectable 26th out of 96 runners even though he had just played a football game the previous Friday night.

"We are very proud of all of these kids," said Coach Bill Jump. "To compete at the state level is an accomplishment in itself, yet for them to have done so well is just a credit to their competitive spirit."

Highway Department engineers may change road design for new bridge

by Elaine Schad

The persistence of Muenster residents may have paid off as highway officials are looking to modify a proposed road design that will extend Farm-to-Market Road 373 as part of the Red River bridge project, officials said this week.

The intersection at Bulcher was the only point of controversy at a Nov. 7 public hearing in Nocona, the last hearing to be held on the project which will construct a 2,800-foot bridge just south of Courtney, Oklahoma, and will provide some 19 miles of paved feeder roads on the Texas side of the Red River. Initial plans called for the new hardtop that would extend FM 373 to intersect the existing highway at a "T" intersection rather than a smooth flowing "Y" intersection requested by the Muenster Good Roads Committee.

Cooke County commissioners this week restated their support of the entire bridge project, but authorized Commissioner Rosalee Bayer to draft a letter supporting the Muenster suggestion that the road design be changed to facilitate

a smoother east-west flow of traffic into Muenster.

"We're going to do some work and try to re-design the road to their (Muenster's) recommendation," Dale Cantrell, district design engineer for the State Department of Highways and Public Transportation, said this week when asked if there was a chance that the design would be changed. "We'd like to keep everybody happy if we can."

Design engineers in the Bowie highway department office, which is handling the design of the bridge and feeder roads, have been authorized to begin modifications

preparations. He moved to Cooke County last year and opened a private practice in Gainesville April 1.

Boto said he sought the county attorney's position as a way of more quickly assimilating into the area. "I want to be a Cooke County resident," he said. "I take the office without having been an assistant, so I expect to take some time to settle in and decide how to approach the management of the office."

While he will retain his private practice, Boto plans to limit it to higher profile clients with whom he can work after his regular county business hours, he said.

The county attorney's position has a large workload, so Boto plans to place a priority on crimes against persons, he said. "Regardless of who is county attorney, DWIs cry out for attention and are a high

priority," he said. Other priority cases will involve the pursuit of hot checks, child neglect and aggravated assault cases, he said.

Boto and his wife, the former Cindy Vaughn of Beaumont, were

married in 1979 in Dallas. They have two sons, Lucas, age 6, attends school at Era. Their son, Matthew, is three years old. The Boto family lives near Rosston and are members of the Forestburg Baptist Church.

August Boto is new county attorney

by Elaine Schad

Gainesville attorney August Boto became the new Cooke County attorney this week.

Cooke County commissioners, at their regular meeting this week, formally accepted the resignation of County Attorney Janelle Haverkamp, who will enter private practice with a Gainesville law firm after serving as county attorney for five years. Boto, 38, will serve until the November 1990 election, when he will have the option to run for a full term, said County Judge Jim Robertson.

A 1969 graduate of Highland Park High School and a 1975 graduate of Baylor University with a law degree, Boto was in private practice from 1976 to 1987 in the Park Cities area of Dallas, specializing in business law, dealing mainly with commercial transactions and contract

preparations. He moved to Cooke County last year and opened a private practice in Gainesville April 1.

Letters to the Editor

To the Editor:

As we come to a close of Muenster's Centennial Year, we cannot let this opportunity pass by without mentioning what a great year it has been. The people who were so involved in the year or took part in it in any way, should be commended. As we look back on the past centennial year, we all probably can recall memories of each event in our own special way.

The year is not quite over as we are still awaiting our final event. Several committees are busy planning for this occasion to close our centennial year.

On Dec. 9, the Grand Finale Centennial Party and Dance is scheduled at the Sacred Heart Community Center. This will not be as formal an event as the opening ball, but it will be a memorable one.

A social hour will begin at 8:00 p.m. Music will be provided by the Wyck Langley Band. Features for the evening will be the "Centennial Quilt Drawing." A prophecy for Muenster's future will be read along with other treasures that will be deposited in a time capsule. Finger foods will be served through the evening. To conclude the evening, a toast will be made to the future of Muenster's second century. Tickets are on sale and can be purchased from any of the ticket chairwomen.

We would like to encourage everyone in our community to attend this memorable and historic event!

Donna Biffle, Deb Klement, Kim Felderhoff, Daryl Ferber and Dorothy Hartman, Debbie Hess and Carol Henscheid

To the Editor:

I would like to address another side to the opinion piece printed in the ENTERPRISE two weeks ago - the other side being that the services of a gynecologist would most gladly be welcomed in Muenster.

While there are many women from Muenster and the surrounding communities still having babies, there are also a lot of women who appreciate having a gynecologist available close to home.

I have just recently had to search for a new gynecologist following the retirement of my longtime doctor. The specialist selected is in Sherman and I am unable to schedule an appointment before January. How wonderful it would be if my new gynecologist was located in my hometown!

I'm sure I'm not the only one who feels this way. A women's pavilion could meet the needs of many women, young or old, whether they wanted obstetrical services or just the specialized care of a gynecologist for regular checkups or in the event of a life-threatening situation.

Maybe if we all stand together to be counted in this pursuit, we can reach a goal that counts.

Sincerely,
LaVerna Nasche

NOTICE!

After last week's City Council story, it seems that some readers may be confused about city landfill dumping privileges. City officials emphasize that only Muenster city residents may dump in the city landfill for the charges quoted in the story.

Attendance up for MISD in October

by Elaine Schad

Muenster school district students pulled together during the October attendance monitoring period to average better than 98 percent overall attendance rate, officials reported at the regular November meeting of the school board.

Muenster High School reported an average attendance rate of 99.1 percent for the entire month of October, while the elementary school's rate was 98.0 percent. "Our kids work at coming to school, and that's a credit to the parents," said Superintendent Charles Coffey.

The October state attendance monitoring period is very important, because those numbers are used in a formula to calculate the amount of state aid the school district will receive. Despite the excellent attendance was calculated at 358.98 students, a decline of about two students from last year. This, of course, is a result of a slight loss of enrollment over last year, said officials. The district is expected to receive about \$4,000 to \$4,500 less in state aid as a result, said Coffey.

In other business, the school board adopted a policy which requires students to attend school at least 80 days per semester in order

to get credit in a class or grade. This is a new policy that is required by the state. Should a student fail to attend the required 80 days, two committees have been appointed to review "extenuating circumstances," in each case which could possibly rule in the student's favor, which is also mandated by the state.

The school board accepted the high bid of \$3,525 to sell a 1982 surplus 53 - passenger Ford bus to Sacred Heart. The Sacred Heart bid was the highest of eight received for the bus, which has about 60,000 miles on it. Coffey said there usually isn't that much interest in used buses, but a large number of bids were received because the bus had an automatic transmission and was in very good condition. In a related matter, the school board authorized Coffey to order a new 53-passenger bus from the state, which could take about six months to receive.

In another matter, the school board cast all of its 200 votes for Robert Klement to retain his seat on the Cooke County Appraisal District board of directors. It takes about 1,000 votes to be re-elected. Muenster's votes will be pooled with those to retain his seat in the board.

Lindsay City Council gives notice to company

by Elaine Schad

The Lindsay City Council has given a Houston company which has the city's cable franchise 45 days to make repairs and improve service for the city's estimated 125 customers.

Council members met with two representatives of Wilkes-Gore Associates Cable Television Company of Houston at their regular November meeting. The city has been trying to resolve the many complaints being received from the city's cable customers. Residents have complained of the channels constantly going off and on, as does the pay-for-view channels, said Mayor Don Metzler.

"They said lightning hit the tower and damaged the receivers," said Metzler. He said some repairs have been made, but the company has about three more receivers to replace. "They agreed they'd put in writing what they have completed and what they plan to do," said Metzler.

"I think we made it plain to them that we were serious," said Metzler. "We had a good discussion. We told them if service didn't improve, we have a valid

reason to cancel the contract."

In other council business, members have accepted a bid from Cole and Smith of Denison for \$77,770 to pave Willow and Bezner streets and Community Drive in Community Estates. If the weather continues to be mild, the project could possibly get underway sometime in December, Metzler said. The bid was one of two received on the project. B.J. Construction of Gainesville submitted a bid of \$91,000.

The council also opened a bid for the replacement of the walk bridge in the park that was destroyed by spring flooding. Gainesville Construction submitted the only bid of \$4,166. The city will seek additional bids before making a final decision, officials said. The new bridge will be constructed between one and two feet higher than the one being replaced, hopefully to keep it from being destroyed if there is ever more extensive flooding, Metzler said. The city has received a flood relief payment from the Federal Emergency Management Agency which should cover 75 percent of the cost for replacing the bridge, he said.

Seminar on satanic cults activities Monday night

A seminar on satanism has been scheduled for Monday, Nov. 20, at 7:30 p.m. in the Saint Jo School Auditorium. The program is sponsored by the "2 Smart 2 Start" drug group of St. Jo. Local and county law enforcement officials will be on hand to answer questions at the end of the program.

The seminar will be presented by D.P.S Trooper Joe Clements from Wichita Falls. Clements has taught similar programs in the area on prior occasions.

The program will last approximately 2 1/2 hours. Parents and adults are encouraged to attend. Due to the adult content of some of the material used in the seminar, parents are asked not to

bring children under 21 years of age.

Clements is expected to show the signs, symbols and activities, and to show how young people are drawn into the cults.

The public is invited to attend the seminar.

Early deadline for Thanksgiving

- To provide a Thanksgiving holiday for The Enterprise staff;
- To accommodate the postal holiday on Thanksgiving Day;
- To ensure delivery of the newspaper to subscribers at the accustomed time, we will operate on a short week: Nov. 20, 21 and 22.

Therefore, we will publish the paper on Wednesday instead of Thursday.

Rural carriers will deliver as usual on Friday.

Advertising and news items must be turned in early in the week, since deadline must be moved up one day.

City employees get holiday

To give City Sanitation employees a Thanksgiving holiday, City Hall has announced that there will be no garbage pickup on Nov. 23, Thanksgiving Day, and Friday, Nov. 24. The city trucks will resume their regular routes on Monday, Nov. 27.

Make "Christmas Memories" Dec. 2

Muenster Centennial Christmas parade, "Christmas Memories," on Dec. 2 at 1:00 p.m. will be one of the memorable events to close out Muenster's Centennial year.

Community businesses and organizations are urged to participate. Anyone who has not received a letter and entry form can call the Chamber of Commerce office at 759-2227.

Prizes will be awarded for the following four categories: Presi-

dent's Award - Most unusual entry; Best Theme, best interpretation; Best Business; and Best Marching Unit

This year the winning entries will be given "Christmas Marks" instead of trophies. These marks can only be spent in Muenster businesses, have a \$1.00 value and will be redeemed by the Chamber of Commerce. The Chamber feels this will be a form of promotion for the city.

Daryl Ferber, parade chairwoman, is asking everyone to put forth the effort to make this a successful event for the City of Muenster.

Plans for the parade were discussed during the Chamber of Commerce luncheon which was held on Tuesday, Nov. 14 at the Center. All businesses were urged to sponsor a float.

In other business at the luncheon meeting, Dottie Doyle was introduced as the newly hired secretary for the Chamber of Commerce office. Beth Trubebach was given a vote of thanks for her year as secretary.

Representatives from the local schools requested financial help to acquire Lt. Montel Williams as a speaker for the youth of Cooke county. The members voted to help.

Bridge roads from the Texas - Oklahoma bridge were discussed and all interested persons were urged to write before Nov. 17.

Juanita Bright distributed raffle tickets for the Centennial Quilt and spoke about the closing Centennial Ball to be held on Dec. 9.

Twenty nine members were present.

GROUPS of relatives joined the Muenster VFW and the Ladies Auxiliary in a ceremony observing Veterans Day on Nov. 11. Shown are officers of the two organizations, Lt. Linda Knabe, Gilbert Hess, Frances Bayer and Janet Barnhill. Father Sebastian Beshoner is at right.

VFW and Auxiliary observe Veterans Day

Members of the Muenster Veterans of Foreign Wars No. 6205 and the Ladies Auxiliary conducted short services on Saturday, Nov. 11 in observance of Veterans Day.

Services began with Auxiliary President Janet Barnhill placing a memorial wreath at the Veterans Memorial monument.

Commander Gilbert Hess then read a short summons to all present.

Father Sebastian Beshoner led the group in prayers for the deceased Veterans. Frances Bayer read a poem: "God Bless America" and led the group in singing: "Amazing Grace." Conductress Linda Knabe read petitions for the POWs - MIAs, for living and deceased veterans and for the families of all veterans, as the closing of the service.

Flag bearers were Julia Cunningham and Ethel Hesse.

Sponsor of the celebration is the Gainesville Ministerial Alliance, Citizens of Gainesville and the surrounding area are especially invited to come together for this time of togetherness as a community.

Highlights of the celebration will be participation by laypersons and clergy representing diverse denominations, special music, and displays of art and literary works with thanksgiving themes. Dr. Joan Gray LaBarr, chairperson for the celebration, notes that widespread representation of so many facets of religious and community life is an indication of our common purpose as people who care for each other and can work and play together despite differences.

A procession of banners will begin the celebration. The Gainesville Community Choir, under the direction of James Lewis, will begin singing at 1:50 p.m. as a welcome and prelude to the celebration. Other musicians and soloists will be included.

Following the formal celebration in the sanctuary there will be a time of fellowship and refreshments in the fellowship hall. The art and literary displays from numerous schools and churches will be exhibited in the fellowship hall. A highlight will be an exhibit of antique thanksgiving theme postcards from the collection of Rev. Poore.

Representative to assist taxpayers

AUSTIN - State Comptroller Bob Bullock said recently that a representative from his agency will be in Gainesville on Wednesday, Nov. 22, 1989 to answer questions about Texas taxes and assist taxpayers with paperwork and problems.

Kevin Brogan, Enforcement Officer, Sherman Enforcement Office, will be at the Gainesville Chamber of Commerce, 101 S. Culberson from 10:00 a.m. to 1:00 p.m. The public is welcome and there is no charge.

Gainesville area taxpayers who cannot attend the courthouse seminar can still get individual tax assistance by calling the Comptroller's toll-free telephone number, 1-800-252-5555, from anywhere in Texas.

Dec. 9 is date for Grand Finale dance and party

Although the Grand Finale Centennial party and dance on Dec. 9, 1989 is not planned to be as formal as the opening ball, it promises to be equally memorable, with lots of good, old-fashioned fun.

To be held in the Community Center building, a social hour at 8 p.m. will begin the evening. Entertainment during this time will be furnished by the local duo, "Sweeter Than Honey," Jenny and Kelley Wimmer.

Guests will dance from 9 p.m. until 1 a.m. to music of the Wyck Langley Band.

A special feature is the "Centennial Quilt Drawing," which will be quite entertaining in itself as plans are being made to involve the audience in the "draw down." Billie Friday Fleitman is in charge of the quilt chance sales and the drawing.

A brief prophecy for Muenster's future will be read, and a toast to the future will be presented. Lorena Taylor is in charge of the prophecy.

Luscious pick-up foods, in the capable hands of Bertha Hamric, will be served as the crowd dances its way into Muenster's second century.

Jane Monday is chairperson of the Grand Finale Centennial party and dance.

Price of admission has been set at \$10.00 per person. The phone number for reservations is 759-4010, which is the office of Dennis and Muller, where tickets are also available.

Decorations are being directed by Lisa Walterscheid. Ticket sales are under the direction of Deb Klement, Donna Biffle, Kim Felderhoff, Daryl Ferber, Dorothy Hartman, Debbie Hess and Carol Henschel.

MRS. DARIN WOLF
...nee Julie Vieth...

Couple united Nov. 4

Julie Vieth and Darin Wolf were united in marriage during the Holy Sacrifice of the Mass on Saturday, Nov. 4, 1989 at 5:00 p.m. in St. Mary's Catholic Church in Windthorst. Rev. Meinrad Marbough O.S.B. substitute pastor, officiated at the double ring ceremony.

The couple's parents are Edmon and Shirley Vieth and Kenneth and Martha Wolf, all of Windthorst. Julie is the granddaughter of Louise Schmitz Horn, formerly of Lindsay, and the late Jake Horn, formerly of Muenster, and the late Bill and Bertie Vieth of Scotland. Darin is the grandson of S.R. and Dolly Wolf and A.L. and Caroline Zolt, all of Windthorst. Decorations for the ceremony were carried out with a note of elegance. The main pew markers were made with pink rose buds, gladioli, mums and fern. The center altar was decorated with twin floral arrangements in tall brass vases. A unity candle, lit by the couple following the vows, was placed at the side of the altar.

When presented in marriage by her father, the bride wore her mother's bridal gown of silk taffeta. The 25-year-old gown was fashioned with a front lace panel featuring a sequin embroidered sabrina neckline to the hem. Panels of sequined lace were overlaid on each side of the skirt. The redesigned long sleeves were poet in style and ended in points over the hands. The back of the gown featured an open V and an English bow. The three-tiered train was cathedral in length and trimmed in Alencon lace and iridescents.

A tiered cathedral-length veil of silk illusion featured a double pouf headpiece flowing from an Alencon lace crown accented with sequins and pearls. She carried a cascade bouquet of pink and white roses fashioned with English ivy, sprays of pearls and iridescents backed with silk illusion. The bouquet was complimented by an entwined rosary, a gift from her godparents for her First Holy Communion.

For wedding tradition, the bride wore her mother's wedding gown for "something old"; a friend's slip for "something borrowed"; her veil for "something new"; and

the popular garter for "something blue."

Donna Hall, sister of the bride, was matron of honor. Bridesmaids were Sharon Gilmore, groom's sister, June Veitenheimer, Melanie Wolf and Laurie Schenk. Flower girl was Kelly Horn. Each of the attendants wore an identical ice pink taffeta gown featuring a shirred bodice top and puff sleeves with iridescent sequins along the neckline and a sequin applique spray at the waist. The full drop skirt fell to ballerina length. Each carried a nosegay bouquet of pink and white roses, glittery baby's breath and silk illusion tucks.

Chris Wolf, as best man, attended his brother, Bryan Hoffman, Scott Schroeder, Walter Wolf and Jimmy Zolt were groomsmen. Scott Vieth, brother of the bride, and Gary Horn were ring bearers.

Ushers were Ronnie Vieth, brother of the bride, Ronnie Wolf, Gary Wolf and Larry Wolf, all brothers of the groom. A reception and dinner hosted by Edmon and Shirley Vieth was held following the ceremony at the parish hall. The bride's table was covered in white lace over white cloths. The three-tiered bride's cake, placed on mirrors, was decorated with cascades of sweet peas and iridescent leaves and ribbons and was circled with four heart-shaped satellite cakes. A Precious Moments figurine was placed on the third tier. Also reflecting off mirrors were arrangements of roses, gladioli and candles.

The groom's table held an intertwined double heart chocolate cake with the couple's names and wedding date. An arrangement of gold wheat and miniature white lights in a crystal vase was centered on the table.

Guest tables for dinner were covered in white cloths and centered with baskets of balloons and English ivy.

The bride is a graduate of Windthorst High School, and a graduate of Aladdin Beauty College. She is employed by the Country Curl, Schreiber House and she also models for the House of Lou.

Darin is a graduate of Windthorst High School. He is a self-employed dairy farmer.

Since returning from a trip to Nuevo Vallarta, Mexico, the couple is at home in Windthorst.

MRS. JAMES SCOTT DOHERTY
...nee Sharon Teresa Endres...

Vows exchanged

Sharon Teresa Endres of Fort Worth and James Scott Doherty of Irving exchanged wedding vows on Oct. 29 in the Holy Family Church in Fort Worth.

The bride is the daughter of Mr. and Mrs. Richard F. Endres of Fort Worth and the granddaughter of Mrs. Ray Swirczynski and the late Leonard J. Endres of Muenster. The groom's father is James Doherty of Irving, and his mother is Linda Zemler of Carrollton.

Father Joseph Scantlin of Fort Worth officiated at the candlelight service, before an altar enhanced with candles and arrangements of pink gladioli and white pom-poms. White satin bows marked the church pews.

Escorted to the altar by her father, the bride was wearing a floor length wedding gown of candlelight sheer silk organza and Chantilly lace over bouquet taffeta. Chantilly lace fashioned the scalloped Sabrina neckline of the basque bodice, which featured long sleeves that tapered over her hands into tiny points.

The bouffant skirt was accented with matching lace motifs, and fell gracefully into an aisle-wide circular chapel train. The Chantilly lace on both the bodice and skirt was embroidered with seed pearls.

Her bouffant veil of imported

French bridal illusion was caught up by a cap covered with matching Chantilly lace and seed pearls. Her bridal bouquet was a mixture of white lilies, white roses and baby's breath held by satin bows and streamers.

Wedding music was presented by Phillip Poff, organist and Theresa Thompson, soloist.

During the ceremony, the bride gave her mother and the groom's mother each a long stemmed rose.

Kelli Theimann of Arlington was maid of honor, Margaret Endres and Lissa Endres, sisters of the bride, and Karen Herbert were bridesmaids.

Russell Woodard was best man. Todd Doherty and Brent Doherty, brothers of the groom, and Greg Henseid were groomsmen. Michael Endres, Steven Endres and Andrew Endres, brothers of the bride, served as ushers.

The paternal grandmother, Mattie Swirczynski and Mr. Swirczynski were present for the wedding.

All members of the Leonard Endres family gathered in Fort Worth for the wedding and reception, except the oldest son, Kenneth and family of Maryland. A death in the family of Mrs. Kenneth Endres prevented their attendance.

Confirmation candidates prepare for ceremony

by Amy Walterscheid
The Catholic students from the Junior Classes of both Muenster Public and Sacred Heart Schools are preparing for the Sacrament of Confirmation. This Sacrament first took place with the descending of the Holy Spirit upon the Apostles. From that day on it has become part of the Catholic religion. Confirmation is actually a reinforcement of Baptismal promises. The date of this meaningful and grand occasion is on December 10, 1989, at 7:00 p.m.

The Candidates of Confirmation have already begun their study of this Sacrament. They have been attending classes as well as a retreat to enhance their maturing faith. As a sign of their growing faith, the candidates have received a dove pendant in a special Mass which was held in

honor of their willingness to follow God and to accept the Holy Spirit. The Candidates have also chosen sponsors to support them on their journey of Faith. The sponsors and Candidates have recently attended a meeting that was held to inform them both of the true meaning of this special Sacrament. The Candidates are finishing their final steps of preparation for the coming of the Holy Spirit.

The first birthday of Kaleigh Lauren Bindel was celebrated in the home of her parents, Guy and Lisa Bindel, of Wichita Falls on Nov. 5. Her actual birthday is Nov. 6.

Kaleigh's decorated birthday cake held a single candle on top. The cake was served with punch and ice cream. Her brother, Justin, helped her unwrap gifts. Pictures were made and visiting was enjoyed by all. Kaleigh's favorite gift was a rocking horse made by her daddy.

Guests included grandparents, Wilfred and Ida Bindel of Muenster and John and Peggy Pruitt of Wichita Falls; Mac and Cindy Dennis and daughter Melissa of The Colony; Ben and Tina Bindel and Danielle of Muenster; David Strickland and Matthew and Sarah; and Diane Hedrick and children.

No GED test at CCC on November 22

There will be no GED testing at Cooke County College on Wednesday, Nov. 22, college officials have announced.

Bill Caver, director of counseling and testing at CCC, said this would normally be a regular GED testing day, but college policy dictates that no GED testing will be done during college registration.

"We will be conducting early registration for the upcoming spring semester on that day for those students who are currently enrolled," Caver explained.

Early registration at CCC will actually cover a two-week period, from Nov. 20 through Dec. 1, with only those students enrolled for the current fall semester eligible to sign up early for spring classes.

For more information about the GED testing schedule, as well as about free GED preparatory classes at Cooke County College, contact the CCC Counseling Center at 817-668-7731, Ext. 216.

JIMMY JACK BIFFLE III

Jack hits the big "5"

Jack Biffle turned five years old on Nov. 3. He is the son of Donna and Jim Biffle; the grandson of Mrs. Emma Lou Hess and Mr. and Mrs. Jimmy Jack Biffle.

Three parties marked the date. On Nov. 3 Jack and his sister, Jayna, and Jack's little boy classmates were picked up at 11:15 a.m. at school for a hot dog lunch at Jack's home.

Guests included Ricky Endres, Daniel Bartush, M.J. Moster, Andrew Ellis, Tony Koesler and Tyler Walterscheid. Also Justin Hess, a friend, and Brooke Endres, another friend, who shares Nov. 3 for her birthday.

Party favors and decorations were in a BATMAN theme. The children enjoyed games, playtime, a pinata and a trip to the Muenster City Park. For afternoon snacks they had cupcakes decorated with dinosaurs, served with punch.

In the evening, Jack celebrated with his Grandma LuLu, Grandma Butchie and Grandpa Pa Biffle; aunts Tammy Hess and Judy Biffle; Ron Trubenbach; his mom, dad and little sister, and Charla Bayer.

Pictures and movies were made, and gifts were opened. Guests enjoyed a birthday cake decorated in a farm theme, served with punch.

Jack also had a "Celebration of Life" at the Sacred Heart Preschool. His mother brought snacks and drinks for all the children who enjoyed seeing pictures and hearing stories about Jack and his five years.

SH Trust Fund Dinner to be held November 26

In 1990 Sacred Heart Parish Catholic School will be 100 years old. The first settlers who built the church and school made many sacrifices to insure that their German Catholic heritage would be preserved and deserve much credit.

There have been many benefits from the parish school, not only is it an excellent school but also over 75 of its graduates have joined religious orders to live a life of service for others.

The early settlers would be proud of Sacred Heart School today for it continues to teach the Catholic faith that was so much a part of their life, and as then Sacred Heart has many dedicated teachers, parents, and friends who make personal sacrifices to insure the schools continued success.

The rising cost of education has forced some schools to close. In most cases proper financial planning would have prevented their closing.

The financial plan for Sacred Heart School's future is the Sacred Heart Trust Fund. The goal of the Trust Fund is to have the interest from the fund to pay the largest share of the school's expenses. In 1989, the fund made record gains and with continued support, it can reach one million dollars within a few short years.

The Sacred Heart School Board Trust Fund members are sponsoring their annual Trust Fund Dinner on Sunday, Nov. 26 at noon in the Sacred Heart Community Center. A financial report will be given, and Mr. Tom Cannady, the Diocesan Development Officer, will be the guest speaker.

Tickets can be purchased from the Sacred Heart Parish business office or the Muenster Drilling Co. office. They are \$25 each and all profits from the dinner will go to the Trust Fund.

TICKETS FOR THE CENTENNIAL QUILT will be sold by the Bluebirds under direction of their troop leader, Billie Friday-Fleitman, in a door-to-door project on Monday, Nov. 20, from 5 p.m. until 7 p.m. This is in cooperation with the Muenster Centennial Committee activities. Bluebirds pictured with the quilt are, 1 to r, front - Lee Ann Klement and Jennifer Sicking; middle - Jill Hess, Becky Fette, Jennifer Campbell, Tonya Knabe, Dobe Friday-Fleitman; back - Toni Trubench, Carrie Hess, Tara Yosten and Jenny Schneider.

Tootsie Huchton is surprised on birthday

Thursday, Oct. 19, 1989 was just a regular appointment day at the hairdresser for Tootsie Huchton, but Evelyn Sicking and several of Tootsie's friends turned the day into a surprise party for her 75th birthday.

As Tootsie arrived for her appointment, she noted the decorations. About the time her hair was finished, other friends started to arrive. Tootsie got the full impact

of the surprise as a decorated cake was brought in from the storage room, and then everyone present began to sing "Happy Birthday, Tootsie." Gifts were presented and opened; pictures were made; and the cake was served.

Enjoying the surprise along with the honoree were Evelyn Sicking, Loree Bruns, Frances Bayer and Harriet Pagel.

Parenting seminar set for Dec. 8-9 at CCC

by Elaine Chad

A two-day seminar on parenting featuring two renowned family life educators will be presented from 7 to 9 p.m. on Dec. 8 and 9 at the Cooke County College Little Theater.

"Parenting With Love," will deal with a wide range of topics discussing a variety of parenting styles, showing the characteristics and consequences of each model. Admission is free and child care will be provided.

Dr. Rene Quispe and Alvy Quispe, family life educators from Keene, Texas, will present the seminar. The couple travels extensively in the United States and Canada, presenting seminars and workshops for churches, family conventions, youth groups, schools and other organizations.

The second day of the seminar will be a continuation of the first, aiding parents in learning the proper way to develop their child's special talents, understanding their children, how to speak to their

children at their own level, the psychology of discipline, how to deal with rebellion and disobedience, and how to develop good habits.

Topics will include "The Uniqueness of Each Child," which discusses temperaments and how to recognize a child's individuality. "Positive Methods of Discipline" will include three levels of discipline and its consequences. "Communication: The Key to Effective Discipline" will include skills and benefits for treating children with love and respect, rule-making and family discussions. "Other Discipline Alternatives" will reinforce the most productive ways to reward children.

Dr. Quispe received his doctorate of education degree in psychology, marriage and family counseling from Southwestern Baptist Theological Seminary in Fort Worth and is a certified family life educator through the National Council on Family Relations. Mrs. Quispe, a registered nurse, is also a family life educator and is doing post-graduate studies in family relationships. The couple is currently serving as family life directors of the Texas Conference of Seventh-Day Adventists.

For more information about the seminar, call 668-8687.

Secular Franciscans meet

Secular Franciscans of Sacred Heart Parish at their Sunday meeting, following the prayer session, heard Margaret Fisher tell about her recent pilgrimage to Medjugorja, Yugoslavia. Mrs. Fisher also answered questions asked by the members.

The meeting began at 3:00 p.m. with recitation of the Divine Office led by Marie Henschel, Perfect Prayers special for the month of November followed and members recited the Rosary for sister Carmelita's intentions.

During brief business, Ida Mae Herr reviewed minutes of the October meeting, its special Liturgy and annual social. Betty Yosten detailed the treasurer's report that included the monthly monetary gifts to the fraternity's two adopted families in India, doubling the amount for Christmas and the monthly gift to Father Tom Gardner's African ministry.

The meeting adjourned at 4 p.m. with recitation of the Peace Prayer.

CCC presents "Story of THE Star"

The Cooke County College Planetarium will open a very special holiday season attraction Tuesday, Nov. 21, when it presents the first showing of "The Story of THE Star."

Free to the public, the show will be presented on Nov. 28 and Dec. 5 and also on Wednesday, Nov. 29, beginning at 7 o'clock.

Dr. Ron Bost, CCC Planetarium director, said he expects a large turnout for this special show and issued the reminder that advance reservations for each public showing are

necessary due to limited available seating.

Reviewers have called this show "an entertaining and spirit-filled rekindling of a holiday tradition" and say it is "appealing to everyone with its light touch and wide scope."

Bost explained that "The Story of THE Star" is narrated by a kindly grandfather who reminisces about the joy and beauty of the holidays. He begins with part of Clement Moore's "The Night Before Christmas" and proceeds to explore a diversity of Christmas symbols, such as mistletoe, the Christmas tree and candles.

After exploring the winter night sky, the narrator introduces a re-telling of the Biblical Christmas story in which the scenes appear as stained glass windows within a cathedral.

"Our kindly Grandpa Christmas next explores the question of when Christ was born," Bost said, "concluding that two time periods are possible, since there is still no agreement on which of two lunar eclipses marked the death of Herod - although the later eclipse seems to be gaining in acceptance."

Next, the audience is relocated, both on the surface of the earth and intine, to view the skies over Bethlehem in the early B.C. years. This section includes an explanation of the earth's motions in space.

"Ironically, we won't have to relocate ourselves much in regard to our position here on earth," Bost pointed out, "because the positions of the stars and other heavenly bodies in the night sky over Gainesville at this time of year is almost identical to the description given in this show for the night sky over Bethlehem at the time of Christ's birth."

A variety of possible explanations for the star of Bethlehem is explored, including bright meteors, comets, novas and conjunctions of planets and bright stars.

The final identification of the star of Bethlehem is left, Bost said, "for each of us to decide for ourselves."

Repeating his expectation of large turnouts to view "The Story of THE Star," Bost said persons wishing to see it on a certain Tuesday evening should call as far ahead as possible to reserve a seat for that showing. Reservations for regular Tuesday public showings should be made through Ron Bost's office at 668-7731, Ext. 252.

"We are also going to be taking requests for special group showings at other times to be arranged," Bost reported. "Persons wishing to arrange a special showing for their class, club or organization, should contact me directly." Again, Bost can be reached at 668-7731, Ext. 252.

Elementary reports on enrichment program

The Muenster ISD K-5 teachers update and improve the elementary curriculum each year. This year, they have decided to develop an enrichment study unit each month to broaden the students' knowledge and appreciation of a wide variety of subjects.

The unit just completed was titled, "Hobbies." Some of the activities included sharing their own hobbies, writing about them, taking field trips and asking adults to share their hobbies.

Sparkman and Dianne Walterscheid came to help the students.

As a part of the first grade's October enrichment unit on hobbies, Officer Bivin of the Muenster Police Department brought his trained partner dog to show the elementary classes. He discussed the work that police dogs do and how they are trained to do the work. The dog demonstrated how he obeys the commands he has been taught.

knowledge of Muenster's beginnings with the class. He also explained to the students how to take a tombstone rubbing. The next day, the class visited the Sacred Heart Cemetery to collect information about where some of the early settlers of Muenster were born and to make tombstone rubbings. Later, the students used maps of the United States and Europe to plot the origins found on the tombstones.

The 4th grade class wrote stories and drew pictures about their hobbies. The pictures were hung on the wall. The 4th grade, whose teacher is Marionette Jump, said it was fun to write and draw the hobbies.

ABBY and BROOKE ENDRES

Brooke and Abby celebrate

On Oct. 29, Brooke and Abby Endres celebrated their birthdays together. Attending their party were "Pa Pa" Wayne Kyle, Abby's godparents, Aunt Paulette and Uncle Tom Swirczynski, cousin Paul Swirczynski, Aunt Cynthia and cousin Derek Kays, Brooke's godfather Roger Endres and friend Kacie Garcia.

Brooke's birthday theme was "Barbie" with decorations to match and a pink birthday cake.

Abby's theme was "Mickey Mouse and Friends" with decorations to match and a yellow birthday cake. Along with the cake, ice cream, soft drinks and party favors were served. The girls opened presents together and spent an afternoon of fun with friends and family.

The girls also received calls from relatives unable to attend. Brooke and Abby are the daughters of Monte and Jacque Endres. Brooke's actual birthday is Nov. 3 while Abby's is Oct. 22.

The Kindergarten class of Muenster Public School had an interesting and educational month of October.

Using hobbies as the enrichment theme, the children brought examples of their hobbies and had "show and tell" time.

One day, Mrs. Dankesreiter took each class to watch and visit with the SNAP ladies as they quilted in the Community Center. The children enjoyed hearing the ladies tell about quilting and how they had acquired quilting as a hobby. Each child was also given an opportunity to pull some quilting stitches. While there, each child introduced himself and told his parents' names. They also sang a song, "Five Little Pumpkins," with hand actions.

On Oct. 31, both morning and afternoon classes enjoyed making cookies with Joni Sturm and her Homemaking students. The children were delighted with being able to take samples of their cookie making home. All agreed that Joni Sturm has a great hobby!

Dr. Larry Tisdale brought his love bird to school to show the 2nd grade students. He explained the eating and sleeping habits of the love birds.

He also brought a nest with baby birds to show the class. Each student had an opportunity to hold the baby bird. The second grade students thought that raising and training birds would be an enjoyable hobby.

Lynn Dangelmayr's third grade Social Studies class has included a study of Muenster's history with the unit on hobbies.

Robert McDaniel, who teaches high school History, shared his

MARY LEE JUMP

Mary Lee Jump is one

Mary Lee Jump, daughter of Bill and Marionette Jump, celebrated her first birthday on Oct. 24. A party was given in her honor on Saturday, Oct. 21 so that her grandparents and aunt and uncle could attend.

A lunch featuring fried chicken was enjoyed by all. Her brother, Cody and Jay helped blow out the candle on her cake, decorated with pink bunny rabbits.

Joining Mary Lee's parents and brothers in the celebration were her grandparents, Delbert and Juanita Jump and Shorty and Barbara Anderson, all of Cyril, Oklahoma and her Aunt Angela and Uncle Tim Vaughn of Dallas.

The 1st and 2nd grade class visitor for October hobbies was Veda Brogdon. Mrs. Brogdon brought quilts she had made. The class was shown how to make a quilt.

The students each made their own quilt block which Mrs. Brogdon plans to quilt for them.

On Halloween, the class decorated pumpkin-shaped cakes. Mothers Shirley Endres, Retha

Low-cost seedlings are again available

Seedlings for Christmas tree production, windbreaks and other tree crops are available again the year from the Texas Forest Service. Windbreak and pine seedling applications are available from any Texas Forest Service field office and from the TFS Indian Mound Nursery, P.O. Box 617, Alto, Texas 75925, Phone 409-858-4242. All orders are shipped freight C.O.D. on a first-come, first-served basis beginning around mid-December.

Landowners interested in planting pine seedlings for commercial production can select from loblolly pine varieties including drought hardy, superior and northeast Texas and rust disease resistant slash, shortleaf, longleaf and improved Virginia pine. Virginia pine is the preferred species for Christmas tree production in Texas and longleaf pine is seeing renewed interest among timber growers for certain soils.

Prices per thousand seedlings are \$28 for loblolly, slash and shortleaf; \$45 for longleaf and \$60 for Virginia pines; sales tax and shipping are extra. Minimum order quantity is 1,000, with additional seedlings in multiples of 1,000.

This year's windbreak seedling selection features a wide variety of species. The wildlife seedling packet includes 50 each of eastern redbud, mulberry, wild plum and one oak species and sells for \$30.00. Shumard and water oak seedlings are still available, as are baldcypress, catalpa, green ash, and Oriental arborvitae; also loblolly, longleaf, shortleaf, slash and Virginia pines. Cottonwood cuttings and stratified black walnut seeds also are available.

All windbreak species are priced at \$15 per hundred, plus sales tax and shipping charges. Minimum order quantity is 100, but landowners may split their orders to order 50 of one species and 50 of another.

Seedlings from the Indian Mound Nursery may not be used for landscaping or ornamental purposes. Landowners are urged to order early for best selection.

How an annuity can double your dollars faster.

Wallace English

Just getting a high rate of interest on your money is not enough. With most investments, you can lose up to half your earnings each year in taxes.

A better answer is a New York Life Single Premium Retirement Annuity.* It earns a very attractive rate of interest. Equally important, the interest is free from current federal income tax. So your dollars can grow up to twice as fast as they would in a currently taxable plan.

Ask me, your New York Life Agent, for all the details.

St. Richard's Villa News

St. Richard's October birthdays were held on the fifth of the month. Birthday honorees were Buck Ware on Oct. 2; Loyce Kermickel on Oct. 25; Beulah Clements on Oct. 8; and Theo Miller on Oct. 13.

Ladies at St. Richard's enjoyed facials being by Jan Cain, before the party. Entertainment was provided by Sonnie Walterscheid and his accordion and Buddy Yosten and his guitar. Betty Gilpin and Connie Bryant served cake and punch to residents.

Mildred Lawson and her sister, Bernice Mollenkopf, daughters of Rosie Walterscheid, came on Oct. 30. Mildred entertained with her accordion.

Father Victor Gillespie offered Holy Mass on Oct. 6 at 6:30 p.m. and Father Joe Weinzapfel offered Holy Mass on Oct. 11.

Peggy Howard brought a rodeo movie to show to the residents on the VCR on Oct. 16. Residents expressed sincere enjoyment.

On Oct. 23, Golda Lones and Lou Ann Spaeth helped residents with arts and crafts, painting Halloween decorations and making bats, ghosts and two pumpkins, each. Residents always enjoy arts and crafts.

Campfire Girls and their leader, Billie Friday Fleitman, came on Oct. 26 to host a Halloween party for residents. They served angel food cake and punch made by the girls. In bingo games, quarters were used as prizes.

Sacred Heart first graders came on Oct. 31, assisted by their teacher, Ann Poole, to sing and to bring their own handmade pumpkin cards. Residents are looking forward to their return visit for Thanksgiving.

Residents express thanks to all volunteers; a special thanks to ladies who come every week to help with Bingo, and to the organizations that donate the game prizes, including the Ladies Auxiliary to the VFW, the Knights of Columbus and St. Anne's Society.

Additional thanks were expressed to Gerie Horn who brought fresh apple pie for residents, to Bertha Hamric for donations of Centennial Books and to Roberta Dickerson for bringing fresh garden squash and okra and homemade bread.

Everyone is invited to come on out, visit residents and view the big remodeling project.

Upper Elm-Red Soil & Water Conservation District Essay Contest

Clyde Hale, Chairman of the Board of Directors, announced that the Upper Elm-Red Soil and Water Conservation District No. 524 will again sponsor an Essay Writing Contest to students residing in the district.

The subject is "Soil and Water Conservation", including, but not limited to, the concept that the soil and water resources of this nation are vital for providing us with the necessities of food and shelter. Soil and Water Conservation Districts are engaged in the effort to carry out a local conservation program that meets the needs of the nation's soil and water resources for continued productivity. Entries of 300 words or less should be sent to Upper Elm-Red SWCD, Room 204, Federal Building, Gainesville, TX 76240, no later than January 16, 1990. Contestants must be students, not having graduated from high school, and not more than 18 years of age.

Essays will be judged locally for consideration of cash awards of \$35.00 for first place, \$25.00 for second place, and \$20.00 for third place.

Vocational Agriculture, English Teachers and 4-H Leaders are encouraged to participate.

The contest does not jeopardize Texas Interscholastic League eligibility.

Tigers lose final game to Tyler Street

"Couldn't be prouder of this bunch of kids," said Sacred Heart Coach John Sims. "They went out and did everything I asked, except stop Donovan Brown." Brown, the district's Most Valuable Player, picked up 289 yards in only 9 carries for the Tyler Street Crusaders Friday night to lead his team to a 44-0 district victory. Only 11 Tiger players remained on the squad for the last game of the season.

Everything that could go wrong went wrong for the Tigers at the start of the game. Tyler Street took the opening kick and, on the first play, Donovan Brown broke for a 67-yard touchdown romp. The extra point run was good and, with only 24 seconds off the clock, the Crusaders took an 8-0 lead.

Bad luck struck again for the Tigers when the fumbled kick return was covered by Tyler Street. The next pass play ended in the end zone and the score was 14-0.

Sacred Heart held onto the ball with Larry Switzer returning the ball to the Crusaders' 17-yard line. Tony Grewing and Switzer picked up a first down, moving to the 7. Switzer picked up 5, but a quarterback sack left Sacred Heart with a 4th and goal at the 9-yard line. The touchdown run attempt failed and the Crusaders had the ball on their 3-yard line. Two plays later, Donovan again hustled through the defense and ran 93 yards to score again. The extra point run failed and Tyler Street had 20 points.

Sacred Heart had no gain, but a 52-yard kick by Switzer placed the ball deep into Crusaders' territory

off a Crusaders' pass, giving the Tigers possession on their 4-yard line.

Runs by Grewing and Switzer took the ball past midfield before the clock ticked off the first half.

Sacred Heart took the second half kick, turning the ball over to the Crusaders after no yards were gained. Tyler Street moved the ball for another touchdown in seven plays. The extra point kick failed and the score read 32-0 with 6:18 left on the clock.

Runs by Grewing and a pass to Shawn Dangelmayr gave the Tigers two 1st downs before another fumbled ball gave the Crusaders possession. A pass topped a 70-yard drive and gave the Dallas squad 6 more points. Tony Grewing blocked the extra point kick. The score read 38-0.

The Tigers gained no yardage on their next possession, but on the Crusaders' next play, Larry Switzer knocked the ball loose and Gary Hess covered the ball. The Tigers had possession going into the final quarter but couldn't pick up 10 yards, giving Tyler Street the ball on the Tigers' 32-yard line. The next play the Crusaders ran in for another 6. Grewing again blocked the PAT attempt and Tyler Street led 44-0 with 11:30 remaining in the game.

Grewing gained 7 yards when, on the next play, a loose ball was covered by Tyler Street.

Possession bounced back and forth between the two teams, highlighted by a pass interception by Gregg Hess before the game ended.

LARRY SWITZER (88) takes the ball from Sacred Heart QB Stevan Nasche in the Tigers' last district game. Blocking for Switzer are Tony Grewing, Darrell Mullins (75), Werner Becker (71) and David Rohmer (56).

Cubs begin roundball

The Sacred Heart Cubs opened the NTIBL season against the Gold-Burg Bears Monday night with a 35-18 loss. The Cubs were led by Aaron Berres with 6 points. Neil Berres and Jason Hofbauer scored 4 each and Brandon Bayer and Scott Poole scored a basket apiece. Chris Pagel, Darren Hess, Brian Rohmer, Jeremy Bayer, Albert Lopez, Jason Hess and Bradley Fisher all played with great enthusiasm.

The Cubs showed signs of having a successful run this year with hard work and dedication. Kelly Bob Bayer and Mike Gehrig's return to the lineup will also help. The Cubs travel across the river to Oklahoma to play Terral next Monday at 6 p.m.

on the 8-yard line. Tyler Street moved out to the 23-yard line before punting the ball back to the Tigers. Grewing and Switzer could gain only 5 yards and the Dallas team took possession. After an incomplete pass, Tony Grewing picked off a pass, giving the Tigers possession on the 24-yard line. A penalty for 12 men on the field put the Tigers only 9 yards from a touchdown. A quarterback sack pushed the ball back to the 15, and Sacred Heart gave the ball back to the Crusaders on downs. On their next play, Donovan again took the ball downfield 85 yards for another 6 points. The Tigers held on the extra point and the score read 26-0.

Sacred Heart started on their 29-yard line, where the drive was helped by a completed pass from Stevan Nasche to Gary Hess, but on 3rd and 1, the ball was fumbled to Tyler Street. The Crusaders moved inside the Tigers' 10-yard line, threatening to score but the defense stood their ground when Gary Hess stepped in and picked

Eleven players finished the season. They were seniors David Rohmer and Tony Grewing, juniors Shawn Dangelmayr, Jason Endres and Darrell Mullins, sophomores Stevan Nasche, Gregg Hess and Gary Hess, and freshmen Werner Becker, Jordan Bayer and Larry Switzer.

These 11 players stayed in the whole game - 64 offensive and 42 defensive plays.

"When you don't have your starting team," said Coach Sims, "it's hard to get anything together."

The loss left the Tigers with a 2-8 season record and 1-3 in district.

Sacred Heart gained 119 yards on 47 carries led by Tony Grewing and Larry Switzer and picked up only 19 passing yards. Tyler Street had 367 yards rushing and 121 in the air. The Tigers lost 3 fumbles while picking off 3 interceptions and recovering 1 fumbled ball. Sacred Heart had only one 5-yard penalty.

Bens tie for first

Thirty-five entered the 10th week of The Enterprise Football Contest. Two contestants forgot to include their names on the form.

Six correctly picked 22 games, but Ben Bindel and Benny Haverkamp won the weekly by guessing a score of 27-7 in the tiebreaker. Nick Stoffels and Mark Grewing were 6 points off and Bob Hess and Tim Felderhoff missed the tiebreaker by 7 points. Eight contestants picked 21 games correctly and 8 had 20 guesses right.

Washington's win over Philadelphia was the most missed game, 32 incorrect. Twenty-seven missed Detroit over Green Bay and 25 were wrong on the Yale-Princeton game.

Everyone correctly picked Gainesville over Whitesboro, Notre Dame over SMU and Arkansas over Baylor. Only one missed the Era and Saint Jo games and two were incorrect in the Windthorst

and Texas Tech games. Three contestants picked wrong on Muenster's win over Alvord, Sacred Heart's loss to Tyler Street and Texas and Minnesota's victories. Five missed Lexington's win over Oakridge.

With only one week remaining in the contest, Mickey Haverkamp still leads with 75.666% correct guesses. Bonnie Stoffels is still in second with a 73.009 percentage, Nick Stoffels is a very close third with 73.008, a 1/1000th of a percent difference. Benny Haverkamp improved, moving into 4th place with a percentage of 72.124, Alan Hudspeth follows with a 70.354%. Other contestants averaging in the high 60s include Ben Bindel, Tim Felderhoff, Carol Grewing, John Bartush, Terry Walterscheid, Steve Fuhrmann and Nick Walterscheid.

Weekly winners picked up their cash prizes at Wimmer Diesel Service, last week's tiebreaker sponsor.

Hornets end Alvord's playoff hopes

The Hornets of Muenster ended the playoff hopes of the upstart Alvord Bulldogs with a sound 27-10 defeat. The win ups the "Big Red" to 7-2 overall and 3-2 in conference play. Alvord drops to 5-4 overall with a 3-2 district record.

The Muenster offense overpowered the Bulldog defense all night. The locals rolled up 296 yards rushing and 120 passing for 416 yards of total offense. James Hennigan led the Hornets with 130 yards on 19 carries, followed closely by Mike Vogel with 105 yards on 17

covering 63 yards. The final 8 coming on a 4th down pass play. "Alvord is a coming team," exclaimed Coach Jump. "They play basic football real well." The defense turned in a fine performance, but still gave up 291 yards in total offense. The Hornet stoppers were led by linebackers Pagel and the Vogel boys, Scot and Mike. Troy and Scot had 16 stops with Mike in on 11. The Hornets also got good offensive efforts from the defensive front. Ends Donnie Boydston and Michael Bierschenk

record, but boasting one of the district's top running backs in J.T. Hoffman. "Hoffman has about 1300 yards on the season," reported Jump. "Our goal is to stop him short of 100 yards. They are big and physical so it should be a real fun game to watch." The Hornets have an opportunity to finish 8-2, a record any team could be proud of. "We owe it to our seniors to allow them to finish their high school careers like the champions they are. We will play like champions!" So, come on out and join the

carries. "We had a very good team effort offensively," said Coach Bill Jump. "Culp, McDaniel, Bierschenk, Keith Vogel, Hellman and Boydston were all over 75% blocking and Troy Pagel had another excellent night lead blocking from the fullback position." Friday's total brings James' season total to 939 yards, needing just 61 yards to reach the 1000-yard mark. "Our kids really want to see James get 1000. I think you will see us play inspired football this week," reported the coach.

The offensive show opened with the Hornets receiving the opening kickoff. The locals wasted no time in establishing their superiority as they marched 68 yards in 13 plays to get the game's first score. The big play of the drive was a 22-yard completion, Brawner to Boydston, on 3rd and 8. James Hennigan supplied the final two steps for the 6 points. Brawner booted the PAT and the Hornets led 7-0.

Alvord mounted an impressive drive of their own as they took their first possession inside the Hornet 20-yard line. There, the Hornet defense stiffened and forced Alvord to try a field goal. The 27-yarder sailed true and the score became 7-3 Muenster.

Both defenses took over and neither team had much success on their second possession. Following an exchange of punts, the Hornets set up shop at their own 27. The Hornets would not be denied on this possession as they covered the 73 yards in 11 plays with Mike Vogel providing the capper on a 1-yard plunge. The big play of the drive again came through the air with Marshall Smith making a diving catch on a Brawner bomb with the play covering 33 yards.

The defense provided the next scoring opportunity when James Hennigan stepped in front of an Alvord receiver and picked off the pass, giving the Hornets the ball at the enemy 26-yard line. The Hornets moved down to the 14, but were hit with a holding penalty, setting up a 3rd and 20 situation. Muenster opted for the screen pass to Hennigan. Brawner got the ball away at the last second and, with good blocks by Keith Vogel, Hellman and Boydston, James weaved his way through the Bulldog defense for a 22-yard TD. The extra point was good, making the score at halftime 21-3.

Alvord started the second half with a bang, driving their first possession to the Hornets' 5-yard line. Just when it looked like a Bulldog score was inevitable, Keith Vogel knifed through, jarring the ball from the Bulldog back and an alert Marshall Smith dove on the loose pigskin. Muenster proceeded to move the ball downfield to the Alvord 5-yard line, as Mike Vogel provided the big play on a 45-yard run. Alvord thwarted the scoring threat as a Brawner pass was picked off in the end zone.

The Bulldogs moved the ball well out to near midfield, but bogged down and faced a 4th and 10. The fake punt did not fool the Hornets as Donnie Boydston smacked the Alvord quarterback, forcing the ball to be pitched on the ground. Troy Pagel and Scot Vogel were on the scene and Scot recovered for the Hornets.

With the ball on the enemy 42-yard line, the Hornet coaches, thinking ball control, called the basic blast play up the middle. Hennigan, not interested in ball control, did just that as he "blasted up" the middle for 42 yards and the final Hornet score.

As the game continued, Yancy Culp ended one Alvord threat when he intercepted in the end zone. Alvord did mount a scoring drive in the fourth quarter,

YANCY CULP trades a jersey for an interception (top left) as a Bulldog finally brings him down after about a 30-yard return. In the bottom picture, James Hennigan breaks through the Alvord line behind several blockers. The breakthrough turned into a touchdown run. Dave Fette Photo

Lady Cubs win opener

The 1989 - 1990 edition of the Sacred Heart Lady Cubs opened their season with a double overtime win at Gold-Burg Monday evening. An Amy Fisher over time lifted the Lady Cubs to a 19 - 17 win. "The girls played hard," said Coach LeBrasseur. "Our inability to connect on free throws made for a struggle." The Lady Cubs only connected on 1 - 15 from the charity stripe.

The Lady Bears of Gold - Burg jumped out to a 6 - 4 first period lead only to see the Lady Cubs take a 9 - 8 halftime advantage. Four Deanna Hess 3rd period

points kept the Lady Cubs in pace with the home team's five to knot the score at 13 entering the final frame. Both teams connected for four in the final quarter to send the game into overtime. Both squandered many opportunities to score during the first overtime to set up the Amy Fisher lay - up with 40 seconds remaining in the second overtime.

Scoring for the Lady Cubs were: Deanna Hess 10, Amy Fisher 8, and Erica Schilling 1. Next action for the Lady Cubs will be Monday at Prairie Valley for a 6:00 tip-off.

DEFENSIVE PRESSURE by this junior high Hornet on the Alvord quarterback caused a fumbled pitch which was promptly recovered by Jay Hennigan. That recovery was one of few bright spots as Muenster lost to Alvord juniors 44-0. *Dave Fette Photo*

EXCALIBUR, Muenster's first all-girl soccer team has completed regular season play undefeated. They will be participating in a mini-tournament this weekend in Gainesville. Members of the team are, 1 to r, back - Stephanie Grewing, Julie Felderhoff, Misty Knabe, Tonya Knabe, Danell Reiter and Coach Shirley Knabe; front - Mandy Barnhill and Deann Bayer. Their team is currently without a sponsor. The Soccer Association is seeking a sponsor for this team.

TPWD program hits poachers' pocketbooks

Persons who violate fishing, hunting and water pollution laws in Texas have paid more than half-million dollars for lost or damaged wildlife resources, Texas Parks and Wildlife Department officials said.

Legislation passed by Texas Legislature in 1985 authorized the Parks and Wildlife Department to collect civil damages on wildlife resources that were illegally taken, killed, injured or possessed. Restitution amounts are based on the replacement values assigned to various species.

The restitution procedure is an addition to any criminal fines, forfeiture or penalties assessed persons found guilty of violations of department regulations.

Capt. Carlos Vaca, administrator of the department's civil restitution program, said 5,894 notices have been sent to violators during the first three years of the program, seeking restitution totaling \$1,628,790. So far the agency has collected \$533,311 of that amount.

In addition, the State Attorney General's Environmental Protec-

tion Division recovered judgments in excess of \$57,000 during 1989, Vaca said.

Restitution amounts range from a few dollars for common fish species to \$3,850 for a bald eagle and \$525 for a canvasback duck. Vaca said the replacement cost for a female white-tailed deer is set at \$163. The value of a buck deer is \$251 plus added value based on factors such as the number of antler points and the width of the inside spread of the antlers.

Fish values are calculated according to species and length. A 19 inch red drum, which would be an inch below the 20 inch minimum length limit for red drum caught in salt water, is valued at \$79.30. A 29 inch, one inch above the maximum length limit, is valued at \$167.94 for restitution purposes.

"Civil restitution is an excellent program since it in effect pays the state replacement costs for the lost resources," Vaca said. "Also, these added charges make game and fish regulation violations even more expensive, and serve as a deterrent to violations."

Disappointing season ends on high note for Kerry Kyle

by Monte Endres

Former Valley View Eagle standout Kerry Kyle finished his junior year with Cameron University in a game at Commerce, Texas against East Texas State University last Saturday. The Cameron Aggies from Lawton, Oklahoma had to make up a 32-14 fourth quarter deficit to win 35-32. Kyle went over the goal for the go-ahead touchdown with less than a minute to play on 4th and goal at the 1. He carried the ball 21 times for 110 yards. He picked up 83 of those yards in the second half. Kyle also caught two passes for 7 yards.

It was a disappointing season for Kyle and the Aggies. The Aggies had hoped to compete for the Lone Star Conference title, but a series of injuries to key players ended those dreams and Cameron struggled to a 3-7 record.

Kyle's frustration started early in the season. He had earned the starting tailback position for the

season opener in Portland, Oregon against Portland State. He suffered ligament damage to his left knee on Cameron's second offensive series. At that time, team doctors said he would be out for the year. Kyle healed faster than expected and was back with the team after sitting out three games. Later in a game against Abilene Christian, Kerry's ribs were broken and he was forced to miss more playing time. The doctors again thought this would end his season, but after sitting out one week, he felt good enough to come back for the final two games.

In the Aggies' last home game against Central State from Edmond, Okla., Kyle carried the ball 17 times for 88 yards and scored a touchdown, in Cameron's second win of the season. A week later, the Aggies ended the season against East Texas State.

Kerry Kyle is the younger brother of Jacque Endres of Muenster.

Cub Scouts hold annual Turkey Shoot

Cub Scouts of Pack 664 held their annual Turkey Shoot Sunday, Nov. 11, at 2:00 p.m. in the Muenster City Park. The event began with a gun safety demonstration and talk by Eagle Scout Rodney Knabe. Each den was then told in which order they would be shooting and while they were not shooting they were led in several types of games by Ronda Silmon and Pam Fette.

After taking their turn at shooting the boys were treated to popcorn and cokes. Immediately following the Turkey Shoot the pack meeting was held under the pavilion. The three Webelos dens together conducted the opening ceremony and posted the colors. Everyone joined in the Pledge of

Allegiance to the Flag.

First on the agenda was the Bobcat induction. New Bobcats receiving badges were: Josh Luke, Michael Drachenberg, Douglas Knabe and Christopher Smith. The parents received the badge and pinned it on the boys shirts upside down until he does a good deed. The boys in turn presented their mothers with a mothers pin for their rank.

Tyler Bradley was presented with a gold arrow point towards his Wolf rank and his swimming, archery, softball and physical fitness belt loops.

Michael Drachenberg was presented with his Bear patch and a gold and three silver arrow points. Michael had earned his Bobcat and Bear ranks with a

pack in West Texas but had moved before they could be presented. His mother Gail has taken over the third Webelos den which was currently without a leader.

Julie Felderhoff then led the boys and their parents in an audience participation skit about the first Thanksgiving. As the story was read each group had to perform actions and sounds for their parts.

Tiger tracks and scarves were then presented to Jeff Hartman, James Massey, Keith Felderhoff and Christopher Grewing. They each received two tracks, one for having their monthly meeting and completing their second big idea and one for participation in the Turkey Shoot.

Webelos were then presented with activity pins. Webelos receiving pins were:

Citizen - Royce Knabe, James Felderhoff, Paul Swirczynski, Matt Muller and Erik Walterscheid

Naturalist - Royce Knabe, James Felderhoff, Paul Swirczynski and Jacob Luke.

Family Member - Michael Drachenberg, Royce Knabe and James Felderhoff

Artist - Jacob Luke
Sportsman - Jacob Luke
Fitness - Matt Muller, Erik Walterscheid, Michael Drachenberg, Billy Hellman and Glen Danglemayr

Soccer Belt Loops were presented to Josh and Jesse Luke.

Scout Show Ticket Awards were presented next. Boys selling one book of tickets and receiving patches were: Russell Fette, Lucas Hartman, Royce Knabe and Eric Knabe. Also earning patches but not present to receive them were Jerry and Jim Stoffles and Adam Klement.

Boys selling two books of tickets and receiving scout lights were: Jerry Stoffles and Eric and Royce Knabe.

Next presented were the awards everyone anxiously awaited - the TURKEYS - the boys receiving turkeys with the highest score in each den are as follows:

Tiger Cubs - Keith Felderhoff
Den 1 - Jesse Luke
Den 3 - Christopher Smith

Den 4 - Clifford Massey
Panthers - Matt Muller
Webelos - Billy Hellman
Cobras - Paul Swirczynski

All participants received a patch. The Cub Scouts want to express a great big THANK YOU to the following for donating the turkeys this year: Fischers Meat Market, Gehrig Hardware, Hess Furniture, Gilbert Endres Distributing, Hamrics Mens and Boys Wear, H & W Meat Co. and Kountry Korner.

Den 4 won the parent participation ribbon for the month of November.

Next event for the Cub Scouts will be the Christmas Parade and Pack Christmas party and marble tournament on Dec. 2.

Farm Bureau sponsors Farm-City Week locally

To commemorate National Farm-City Week Nov. 16-23, a time set aside to create better understanding between city and rural dwellers, Cooke County Farm Bureau is sponsoring a coffee at the local Farm Bureau office on Hwy. 82 in Gainesville on Tuesday, Nov. 21.

National Farm-City Week originated in 1955 to foster understanding of interdependence between the rural and urban residents. "Events such as this truly bring residents from the city closer

together to rural dwellers," said Leonard Hartman, president of the local Farm Bureau. "The more that city and farm citizens understand each other's goals, concerns and needs, the better quality of life we all will enjoy."

The Cooke County Farm Bureau office invites the public to come by the local office and meet the board of directors and exchange ideas regarding the important issues of today that affect all rural and city residents.

"RED PHANTOM"

Turtle Hill Beefmasters acquires top new bull

Turtle Hill Beefmasters of Muenster, Texas has announced the acquisition of "Red Phantom." This excellent top-ratio bull from Chuck Howley's Happy Hollow Ranch will complement the already established productive herd of Turtle Hill. Red Phantom is out of the famous Phantom bull, who is a Beefmaster typesetter. His 207-day ratio was 118.5% and his 365-day ratio was 123.3%, making him the top bull in 1989.

Over the past year, Turtle Hill Beefmasters has been very active in locating superior cattle. They were the volume buyer at the Fort Worth Cowtown Classic and recently purchased two bred heifers at the televised David C. Brown Beef-

masters Sale from Ft. Meyers, Florida. Turtle Hill Beefmasters is committed to supplying top quality bulls and replacement heifers at reasonable prices. These latest additions will produce exceptional seed stock.

At the annual November production sale, many friends and buyers visited the ranch north of Muenster and shared with Dick Murphy, owner of Turtle Hill, and Jerry Reed, ranch manager, their interest in the Beefmaster breed. Everyone attending enjoyed the ranch tour and the lovely Indian summer weather. Turtle Hill Beefmasters wishes to thank everyone for such an enthusiastic response.

BOATWRIGHT ANNOUNCES HIS BID FOR AG COMMISSIONER

AUSTIN—Ken Boatwright, former Director of the Seed and Grain Warehouse Division for the Texas Department of Agriculture, announced his intentions of running for the Republican nomination for Commissioner of Agriculture at a Capitol news conference November 2. Boatwright 39, is a Central Texas resident of Hamilton.

Among the issues Boatwright outlined for the race was qualifications. Boatwright said he feels his 16 years, experience with the Texas Department of Agriculture, including the last six and one-half as a Program Director, his Agriculture-Business Degree and his life-long participation in farming and ranching more than qualifies him for the job. He said: "The time that I

spent as a director allowed me to work closely on legislative matters, agricultural issues and administration of large programs. I also relied heavily on my ag background to make many decisions."

Many of the agricultural associations very interested in the Ag Commissioner's race attended the news conference. Bill Powers, who ran in the last race for Ag Commissioner, said he felt Boatwright was further ahead at this time than Powers had been in his campaign.

Boatwright said this race will go beyond partisan politics because the people in agriculture are ready for a change and will unite behind one candidate; Boatwright said he hopes that person will be him.

Texas Farm Bureau conference Nov. 27

FORT WORTH - Six special conferences and seven commodity conferences will highlight the Monday, Nov. 27, afternoon session of Texas Farm Bureau's 56th annual meeting here at the Tarrant County Civic Center.

The special conferences will begin at 1 p.m., followed by the commodity conferences at 2:45 p.m. The convention begins Nov. 26 and ends Nov. 29.

Programs for the special conferences are as follows: Prospects for the 1990 Farm Bill; Timing and Execution of the 1990 Farm Bill; Federal Crop Insurance Corporation developments; Agriculture's Environmental and Food Safety Concerns; Alliance for a Clean Rural Environment; Food and Water Safety; Endangered Species Pesticide Labeling Program Implications; Texas Agricultural Communications Service (TACS) and Market Master; the Importance of Accurate Recordkeeping in 1990 and beyond; a Practical Approach to Management and Planning; What producers say about Market

Master and how it has helped them; Economic Services; Status to the Battery Industry; Status of TFB Insurance; Animal Welfare and Political Outlook and Involvement by Farm Bureau members.

The seven commodity conferences allow farmers and ranchers to discuss issues pertaining to their particular agricultural occupation. Those conferences include: Wheat, Feed Grains and Cotton; Rice and Soybeans; Peanuts and Wildlife; Beef and Swine; Dairy; Hay, Forage, Forestry, Fruit and Nut and Sheep, Goats and Poultry.

County Agent's Report

by Craig Rosenbaum

Greenbugs are present in several wheat fields and increasing in numbers the past few days in Cooke County. A few of the infestations are heavy enough to need treating but all fields need to be inspected.

Greenbugs can cause economic damage to three to four inch tall small grain, when a population goes above 100 per foot of drill row. If small grain is six to ten inches tall, the infestation can go as high as 200 per foot of drill row before economic damage occurs.

Greenbug damage can show up as yellowed circular spots of dead plants.

One way of checking infested plants for greenbugs is to mark off a foot of drill row, and slap plants vigorously to dislodge greenbugs onto the ground where they can be counted. Placing a white piece of paper or plastic under plants before the aphids are dislodged will also help in counting the number of aphids.

Greenbug numbers increase fast when the temperature is about 50 degrees at night and about 72 degrees in the day. During this range of temperature, insects that normally feed on greenbugs are not active but greenbugs can still give birth to young aphids, and will continue to feed on plants. If the temperature goes below 40 degrees, aphids stop feeding, cease all activity, and fall to the ground for protection from the cold. When warm weather returns, the aphids crawl back upon the plant and start feeding again.

When damaging infestation occur, the treatment is needed. Most recent labeling has shown good control with the use of one of the following chemicals: Cygon, DiSyston, Ethyl or Methyl Parathion or Malathion. Use these chemicals according to directions given on label. Be sure and read labels before applying any pesticides to check all restrictions. For those producers grazing, follow the waiting periods for grazing. According to the product, there can be periods ranging from 7 to 70 days or no grazing at all with some products. For example, Disyston cannot be grazed.

Tax Practitioner Workshops

The Texas Agricultural Extension Service is cooperating with the Internal Revenue Service in offering many Tax Practitioner

Workshops across the state. Twenty-six general workshops will be held in all major Texas cities. The general workshop nearest our county is in Dallas on Nov. 20 at 21; Dallas on Dec. 11 and 12; and Fort Worth on Dec. 14 and 15. There will also be 15 Advanced Workshops offered in major cities. The General Tax Workshops will concentrate mostly on personal taxes - the Advanced Workshops' emphasis will be on business tax problems.

In addition to the General and Advanced Tax Workshops, there will be four Partnership Tax Workshops, four Estate Planning Workshops, four Problem Resolution Workshops, three Income Taxation of Trusts and Estates, and two Agricultural Tax Problems Workshops.

The Tax Practitioner education program has been highly successful. Last year about 5,500 people participated in this statewide series. These practitioners reported filing more than 615,000 tax returns. For additional information, please contact the County Extension Office for a brochure explaining more about the program and registration information.

National Finals
Rodeo Buckles Are Available Now!**

Now is the time to get your limited-edition Hesston belt buckles - while supplies last. This is the 7th buckle in the Silver Anniversary series and was designed by Cowboy Artist of America, Fred Fellows.

Whether you're an avid collector or a loyal rodeo fan, you don't want to miss your chance for this year's buckles! They commemorate Hesston's 16th straight telecast of the National Finals Rodeo - this year from Las Vegas!

Two Sizes: Standard \$10⁰⁰

*U.S. funds only; does not include Canadian tax, duty or exchange rate.
