City Council hears drainage complaints

Rain and its effects have been one of the main concerns in Muenster lately. So it was for the City Council Monday night when residents of North Cedar and North Maple Streets brought their storm drainage problems to the meeting. Todd Richey and Craig Walterscheid both suffered some water damage in their homes when recent storm run-off overwhelmed the drainage system in their neighborhood. That drainage goes between their homes after coming down Cedar Street, then west through Richey's yard, through neighbor Ken McDougle's yard before escaping under Maple Street. McDougle described the situation and recent damage including extensive damage to his yard. He pleaded with the Council to take some remedial action both uphill of the problem area and in their neighborhood. Each significant rain carries gravel from unpaved streets downhill, especially to the 900 block of Cedar.

The residents complained about excessive storm run-off, gravel buildup and waste, damage to paved streets and sewage which had been flushed out of a manhole. City Administrator Joe Fenton acknowledged their problems and assured them that the sewage problem was purely a last resort to keep it from backing up into people's homes after the line had been plugged during the run-off. Mayor Ted Henscheid committed Street Commissioner Pat Dennis

and Fenton to oversee a comprehensive study of the problem area including paving of Ninth Street and Elm Street and possible engineering help from the Soil Conservation Service.

The Council also heard a request from Chamber of Commerce President Chas. Bayer. He asked that they consider initiating a hotel/motel tax in Muenster, part or all of which would be used to promote tourism. Bayer said he knew it would not amount to much but in the future it could help. He cited the extensive work being done by the Chamber to promote tourism. The city will study the possibility with the Chamber's help.

In other action, the City Council:

- denied the addition of two more mobile homes to an area of city block 65 citing present overcrowding.

- denied a resolution to have the County Tax Assessor/Collector collect Muenster's delinquent taxes. The city has been doing its own delinquent notices every five years with very good results, thank you.

- designated Muenster State Bank as their official depository.

- accepted the low bid of \$1,975.00 by Ray Traffenstead to prepare and paint the Public Library building.

- approved payment of monthly bills totaling \$9,307.37.

- set the next council meeting for Monday, July 10, to avoid conflict with the July 4 holiday.

BISHOP JOSEPH P. DELANEY delivers his homily as principal celebrant of last weekend's Sacred Heart Centennial Mass, celebrated in the Community Center parking lot. Janie Hartman Photo

Centennial Mass was 'amazing'

Psalm 50 declares, in part, (verses 3-5), "Our God is coming, but not in silence; a raging fire is in front of him, a furious storm around him ... Gather my faithful people to me, those who made a

covenant with me by offering a sacrifice."

This passage seemed dramatically born out last Friday evening as Sacred Heart Parish went ahead with the planned open-air Centennial Mass. Weather reports were bleak and the clouds threatening as the grand procession started a few minutes after 6 p.m. Parishioners and visitors mostly filled the Community Center parking lot in spite of the threatening storm.

This 100th anniversary celebration for Sacred Heart was meant to be grand. The outdoor arrangement necessitated a raised stage or sanctuary big enough to hold the altar and over 20 celebrants. A large sound system was set up to aid the speakers and the combined choirs and musicians. Kettle drum and cym-

bals punctuated the music, blending with the thunder the lightning which crackled over the sound system.

Bishop Joseph Delaney and Sacred Heart pastor Victor Gillespie did not completely disguise their concern as the Liturgy of the Word proceeded. Sisters Monica and Helen Swirczynski read the First and Second Scripture Readings respectively. Deacon Jerry Klement read the Gospel. Bishop Delaney preceded his sermon with hopes that he would not be responsible for getting everyone wet. He commented that "the 100th anniversary we celebrate is not the anniversary of the church building, but of the Body of Christ, the people who have assembled for a hundred years here in Muenster." He called it very appropriate that the Body

should assemble in the open as the pioneers had started.

By now, the muggy stillness was blown away by the building breeze and a few raindrops were falling. The Prayers of the Faithful were to include a reading of the names of priests and sisters who had served in Sacred Heart Parish since the beginning. Frances Bayer and Dr. Martin Kralicke shared that honor. The long list now seemed very long as each name was clearly pronounced. Prayers of Thanksgiving and Intercession followed, read by Bayer. She gave thanks for the wealth of religious vocations, for government and church leaders and for deceased ancestors. She asked blessings on the descendants and for a spirit of peace, love and sincerity that will serve as a beacon of faith. The prayers were

Cooke County EMS kept busy by weekend accidents

Henry Yosten Jr., 39, is in the Intensive Care Unit of Texoma Medical Center in Denison after being involved in a motorcycle accident at approximately 10:50 p.m. Saturday, June 3. He received severe head and chest injuries and his condition is listed as guarded.

The accident occurred at the corner of Eighth and North Main in Muenster. According to Police Chief Helen Tompkins, the vehicle driven by Bobby Don Thornhill was traveling north on Main Street when he made an improper U-turn and collided with Yosten's motorcycle. Yosten had also been northbound and had no headlight on his motorcycle.

Yosten was transported to Muenster Memorial Hospital by the Saint Jo ambulance. The hospital tried to CareFlite him to Fort Worth, but were unable to because of the severe thunderstorms. He was transported to Denison by Cooke County EMS.

Thornhill was uninjured in the accident. Yosten was not wearing a helmet, but, according to Tompkins, the helmet law does not take effect until Sept. 1.

In an unrelated accident, Debra Schoppa of Saint Jo was involved in a one-car accident at approximately 1:30 a.m. Sunday, June 4. She sustained two fractures of her right ankle, bruises and lacerations of the head, shoulder

and chest.

She apparently fell asleep at the wheel on rainslick North FM 373, just outside the Muenster city limits, missed the curve and hit a culvert.

She was discovered at approximately 2:30 a.m. by Herkey and Mil Biffle. The couple called an ambulance and stayed with her until it arrived sometime before

4:00 a.m. The ambulance's arrival was delayed due to high waters on the road between Muenster and Gainesville.

Mrs. Schoppa was admitted to Denton Regional Medical Center where she underwent surgery. Details on the accident are sketchy because the Highway Patrol's report has not yet been filed.

Centennial Picnic proves to be a winner

The Centennial Picnic, hosted by Sacred Heart Parish, on Sunday, June 4, was a great success. Rain early in the morning did not dampen the spirits of hosts or visitors. A scrumptious dinner of fried chicken, sausage, potato salad, spaghetti salad, red beans, kraut, rolls and pie was served to approximately 1150 people.

According to picnic chairman, Tom Herr, there was a good crowd all day as people stayed after the meal to visit with the many visitors from out of town.

There was a variety of games for the children, Bingo, cake walk, Sweet Shop, Country Store and a variety of other activities for the entertainment of all. Along with the usual assortment of sandwiches and beverages, lemonade and homemade ice cream in many flavors were a new and much enjoyed treat.

People were seen in groups along the east wall of the Community Center reminiscing over old photos of former pastors, teachers and various parish activities.

The auction was the highlight of the evening and said to be bigger than ever by most who attended. Lucky winners of the very successful raffle were:

Children's Raffle - Color TV, John Walterscheid; 12-speed bicycle, Melanie Bartush; remote control car, Megan Dangelmayr; Heritage doll, Scott Poole; keyboard, Justin Hess; Water Pic, Ashley Walterscheid; electric toothbrush, Ethel Mae Hesse; volleyball set, Gussie Felderhoff; little red wagon, Misty Klement.

Centennial & Father's Day Raffle - Rainbow vacuum cleaner, David and Pam Fette; use of a '89 Ford rent van, JoAnn Pagel; \$300 cash, Hank Walterscheid; \$150 cash, Ed Knaut; \$150 cash, Frank Schilling Jr.; hog, Cristal Vogel; hog, Lucille Hess; Fiesta Royale deluxe glider, Steve Klement; \$105 trade Gehrig Hardware, Mrs. Catherine Hermes; \$100 trade Muenster Building Center, Dorothy Mae Yosten; \$100 cash, Paul Hoedebeck; Starlite Arctic phone, Barbara Fuhrmann; 48-qt. Pioneer Days planned in Pilot Point June 16-17

A celebration of North Texas' western heritage will be held in Pilot Point on June 16-17. Those are the dates for the Denton County community's Fourth Annual Pioneer Days.

In addition to the traditional favorites, including staged bank robberies by the Evans Gang and a contest by the Texas Old Time Fiddlers Association, Pioneer Days this year will include several new events.

Sponsored by the Pilot Point Chamber of Commerce, Pioneer Days began in 1986 as a Texas Sesquicentennial event. It since has grown into the area's premiere summer festival.

Pioneer Days will begin on Friday, June 16, when contestants from throughout Texas and Oklahoma arrive at The Point Center on U.S. 377 for a chili, pinto bean and brisket cookoff. Being sponsored by The Point Center, the cookoff will offer \$700 in prize money, 10 trophies in each cooking category and three showmanship trophies for chili and best pit. The cookoff will be conducted according to NTBA rules and has been sanctioned by the organization.

From 6:30 to 8:30 p.m. Friday, the Chamber will serve a barbecue dinner at The Point Center. Tickets will be priced at \$5 for adults and \$3 for children under five.

A parade through downtown will open a full day of activities on Saturday, June 17. The parade, which will originate from Amen Arena on Loop 387 South and travel through downtown, will include floats, riding groups, rare horses, antique and classic cars, antique tractors and other assorted entries.

After the parade, Pioneer Days will move to The Square. Day-long activities will include a flea market (with an entry of \$15 per space) and a wide variety of games, including a children's zoo and a dunking booth. Two genuine Texas Longhorns will be on display throughout the day as well.

Also being planned for Saturday are displays of antique cars and farm machinery. The cars will be found on the south side of The Square; the antique farm machinery, including a steam-engine tractor and a wheat thresher, will be located north of The Square.

At 10 a.m. and again at 2 p.m. the Evans Gang—composed of four Pilot Point brothers—will ride into downtown for a staged bank robbery. The Evans Gang's shows have been an annual hit since the first Pioneer Days celebration in 1986.

Pioneer Days also will feature a pumper race between several area fire departments. The race, which is being organized by the Pilot Point Volunteer Fire Department, will get underway at noon on the east side of The Square.

Saturday afternoon, attention will turn to a contest sponsored by the Texas Old Time Fiddlers Association (TOTFA). Fiddlers from throughout the state will visit Pilot Point for the fourth annual contest, playing under The Gazebo the entire afternoon.

Saturday night, a rodeo sponsored by the Pro-Youth Rodeo Association will be held at 8 p.m. at Amen Arena. Also at 8 p.m., a free square dance featuring dancers from throughout North Texas will be held downtown.

Information about all Pioneer Days activities may be obtained from the Pilot Point Chamber of Commerce at 686-5385.

Ambulance decision imminent

David Cleveland at least until the new fiscal year begins in October. Citing an uncertainty in the future of the Cooke County Emergency Medical Service, Cleveland has announced his resignation effective July 1. Cleveland, 26, has accepted a

position with Health Xpress of San Antonio, where he will be administrator of a complete health care facility, including ambulance service, mobile labs and X-rays. "As far as I'm concerned, it will be real good, but will be a little different because 80 percent of the work will be non-emergency," Cleveland said. Cleveland will also receive a higher salary than his current position, which he has held since June 1987.

would have to save at least \$100,000 a year by contracting with a private firm before the court would opt in that direction.

Cleveland's resignation leaves the court with several options, Knight said. "We can't expect anyone to walk in Oct. 1 and take over," he said. "They've got to have some lead time."

The court could name an interim administrator, or could name a head of operations from the private company selected, if the commissioners choose that route, until the company is ready to take over. Should the county decide to retain the service, a business manager could be hired to take care of the paperwork, while shift leaders could head the ambulance operation end, Knight said.

"I think David has done a good job," Knight said. "But if we keep it, I think you'll see some changes."

Cleveland said the commissioners' court should think long and hard before deciding to contract with a private company. "The county has been running this for 10 years, and they know what it costs to run an EMS," he said. "If anybody comes in here and tells them there will be a significant difference in price, they'll just be fooling themselves because the only way they can do that is to cut service."

JOE WEINZAPFEL unloads the last of 140 boxes of Centennial History Books in Jens Pelikan's waiting arms. Publisher David Fette supervised the transfer into Muenster City Hall of 700 books. By Monday, all books had been sold or delivered. Fette expects the remaining 800 books to be available by June 16, including those which were personalized.

MASS

composed by Sr. Carmelita Meyers and Frances Bayer. Father Victor next said, as if planned, "This concludes the Liturgy of the Word. The Liturgy of the Eucharist will continue in 15 minutes inside the church."

As if waiting for an invitation, the bottom fell out of those black clouds and the wind whipped the rain, umbrellas, banners, pot plants, generally everything into a frenzy. Everyone grabbed something and ran. The exodus was not formal, not very dignified, but it was amazing. Speakers, wires, curtains, plants, the altar, and the organ, all made for shelter in the arms or on the shoulders of the able-bodied. Elapsed time was certainly close to 15 minutes when Bishop Delaney continued the celebration inside Sacred Heart Church with every pew packed.

Though a bit soggy, it seemed to this writer that the spirits of the congregation were heightened. As if the brief battle with nature and retreat to the safety of the church were reminders of the many struggles of the past century and the help and comfort afforded by the parish, the community and God Himself.

The congregation next shared in the Eucharistic Banquet and ended the celebration with the traditional hymn, "Holy God, We Praise Thy Name," led, in German, by the combined choir.

The evening's experience was discussed and relived immediately at the social in the Community Center following the Mass. About 500 guests were served sandwiches and refreshments.

Father Victor commented as the evening drew to a close that he never expected to have so much help nor so much encouragement to clear the parking lot. "The works of God are certainly amazing." He also extended sincere thanks to the many people who had worked to make the event possible. Central to this effort were:

Father Victor Gillespie was assisted with the assembly of materials for the Mass program by Dolores Hofbauer.

Liturgical Commission members Karen Moster, Eric Gray, Rhonda Hartman and Dolores Hofbauer planned the Mass.

Invitations to the event were mailed to priests and nuns by Henry and Mildred Yosten.

Rudy Koesler and his Muenster Public School Shop class assembled the stage used for the Mass.

David Vogel was in charge of ushers.

Leonard Vogel arranged the parking strategy.

Virgil Henscheid was in charge of seating arrangements at Mass.

Sound equipment was donated by Doug Martin's band.

Most Rev. Joseph P. Delaney, Bishop of Fort Worth Diocese, was assisted at Mass by Sacred Heart pastor, Rev. Victor Gillespie, Sacred Heart assistant pastor, Rev. Sebastian Beshoner, and Head of North Texas Deanery, Rev. Denis Soerries. Participating priests included Reverends Harry Fisher, Nicholas Fuhrmann, Paul Hoedebeck, Bart Landwermer, Eugene Luke, John Walbe, Joseph

Weinzapfel, Ellsworth P. Wiggington, Daniel Williams, Robert E. Wilson and Msgr. Thomas Weinzapfel, Rt. Rev. Raphael DeSalvo, Rt. Rev. Alfred Hoening, Most Rev. John J. Cassata, Most Rev. Augustine Dangelmayr. Ruth Felderhoff was music director. Eric Gray planned the music. Organists were Anthony Luke and Janice Bayer. Anthony Luke was also organist at the Golden Jubilee Celebration 50 years ago.

The raised sanctuary and back-drop were decorated by Patsy Dangelmayr, chairperson, and Regina Pels, Miriam Caplinger, Aileen Knabe and Lucille Hess.

Flowering plants were donated by Bouquets and Gifts.

Banners adorning the sanctuary were from St. Joseph's and St. Anne's Societies. Father Sebastian Beshoner crocheted the beautiful framed artwork depicting Sacred Heart Parish, Muenster, Texas, 1889-1989.

Jaycees raise \$1400+ to aid cancer research

The Muenster Jaycees held their 2nd Annual Ruth Hess Memorial Golf Tournament on Sunday, May 21, at Nocona Municipal Golf Course. There were 112 golfers participating and 112 winners, thanks to all the generous gifts from local businesses and individuals.

The winners of the three designated flights were Jim Endres and Doyle Hess (He/He); Kenny and Rhonda Hartman (He/She); and Beadie Ellis and Ruth Robinson (She/She).

J.M. Weinzapfel feted on 95th birthday

Joseph M. Weinzapfel was honored for his 95th birthday when his relatives gathered at the Muenster Knights of Columbus Hall on Sunday, June 4. His birthday is June 5.

The family began the celebration by attending the 10:30 a.m. Mass in Sacred Heart Church. The Mass was offered for Mr. Weinzapfel's welfare. Everyone met then at the KC Hall for visiting, a noon meal, and commemorating the occasion with various pictures of generations and family groups.

During the celebration, 95 candles were scattered throughout the hall and everyone helped him blow them out. There was a sheet cake baked and decorated by Betty Rose Walterscheid with the theme, "King for the Day."

Later in the day, the group visited the birthplace of Joseph's late wife, Julia Meurer Weinzapfel, which is north of Muenster. Most of the visitors also enjoyed touring the Muenster Museum. Time was also spent browsing through family albums and genealogy forms.

Special guests were J.M.'s brother, William Weinzapfel, and wife Bertha; his sisters, Margaret Rausch and Alice Hemmi. Also attending were their children and grandchildren and the children and grandchildren of his deceased sisters, Kate Morbitzer and Victoria Gremminger.

Immediate family members attending were Monsignor Thomas Weinzapfel, Fr. Joseph Weinzapfel, Agnes and Paul Hellman, Dora and Hugh Jackson, Mary

Elizabeth and Bill Birden, Henry and Janie Weinzapfel, and David and Juanita Bright.

There was a large representation of nieces and nephews from the Meurer side present. They came especially because Mr. Weinzapfel is their only living uncle.

There were relatives present from Oklahoma, Colorado, Tennessee, Kansas and North Carolina. Texas towns represented were Windthorst, Plano, Scotland, Arlington, Fort Worth, Azle, Carrollton, Wichita Falls, Houston, San Antonio, Slaton and Abilene. A guest was also present from Germany.

Mr. Weinzapfel received two gifts of which he was especially proud. One is a special birthday greeting from President George and Mrs. Bush. AT LEFT, the first graduating class of Sacred Heart School in 1939 - Lorena Fisher (Taylor), John H. Wimmer, and Catherine "Honey" Swirczynski (Erpelding). Above, pictured 50 years later at a reunion held last weekend.

Classes of 1939 and 1940 have reunion

by John H. Wimmer

Seventy-two boys and girls started their education at Sacred Heart School in the fall of 1927, making it the largest class in the school's history. Of this group, three stayed through the next 12 years to form the first graduating class of SHHS. This first graduation was held June 1, 1939. The three graduates were Catherine "Honey" Swirczynski, Lorena Fisher and John H. Wimmer.

On June 3, 1989 at 11 a.m., we three, along with our classmates of the eighth grade, met at The Center Restaurant for a class reunion. The Class of 1940 also was present and joined in the celebration. The Classes of 1939 and '40 were almost as one, for we shared the classrooms for several years while in Sacred Heart High.

There were 44 classmates and spouses present, as well as one guest, Father Sebastian Beshoner, OSB. Pictures from way back then were on display and many stories were told about the good old school days. Some told of how many days they missed going to school because of bad weather, while

others told how few days they attended school during the year. During the 1920s and early '30s, there wasn't any hard surface or gravel roads, making it very difficult for country school children.

At noon we had lunch and Monsignor Thomas Weinzapfel led us in saying grace. After eating, we enjoyed more reminiscing and memories.

Those in attendance were: Urban and Terese Flusche, Dallas; Loreta Hartman Mason, Houston; Dora Weinzapfel Jackson, Azle; Leo and Mitzi Schmitt, Yakima, Washington; Dorothy Mae Luke Denny, San Antonio; Monsignor Thomas Weinzapfel, Dallas; Catherine Seyler Johnson and daughter, Dallas; Bernice Miller Yosten and Paul, Fort Worth; Honey Swirczynski Erpelding and Clarence, Colorado Springs, Colorado.

The following are from Muenster: Armella Yosten Cler, Bonnie Yosten Hess, Lorena Fisher Taylor, Marie Pels Knauf and Joe, Ed and Clara Endres, Eleonore Henscheid Klement and Walt, Tillie Otto, Ray and Marcie Wilde, Martin Trubebach, Tony and Sis Klement, Gladys Richter Lutkenhaus and Harold, Vince and Trudy Felderhoff, Alvina Gehrig Hellman and Charley, Frances Wiesman Yosten and Spike, Aggie Fette Stormer, Pat and Alice Hennigan, Marty and Edna Klement, and John H. and Olivia Wimmer.

Three of the nuns that taught us at Sacred Heart High are living at the Motherhouse in Jonesboro, Arkansas. They were unable to attend. They are Sr. M. Amora Felderhoff, Sr. M. Agnes Voth and Sr. M. Theresina Grob. A lengthy congratulatory letter from Sr. Theresina was read and enjoyed by all.

We are grateful to The Center for giving us the use of their private dining room and to the waitresses for serving us so well.

As the goodbyes were being said, someone was heard saying, "We should do this again in 50 years." Plans are incomplete.

MPS Kindergarteners present musical program

The Muenster Public School Kindergarten presented an end-of-school program on Monday, May 22, at 7:30 p.m. in the High School Auditorium.

The class of 21 proceeded into the auditorium to the music of "Rig-a-Jig" and took their places on the stage.

The Kindergarten teacher, Rosemary Dankesreiter, welcomed parents, grandparents and friends. The children then began a delightful repertoire of songs, verses and finger plays. Mrs. Dankesreiter accompanied them on the piano and teacher's aide, Dana Walterscheid, accompanied on the guitar.

Songs included "I Can't Spell Hippopotamus," "Six Little Ducks," "There's No One Like Me," "If I Were A Bluebird." In special commemoration of Muenster's Centennial, the Kindergarteners sang "My Hat" and then the German version "Mein Hut" and also "Edelweiss."

A special treat for the audience was a verse entitled "Kindergarten Days." Fourteen children recited individual sections and were delighted with the audience response. "Going to Bed" was another selection presented by five children in verse.

The program concluded with the presentation of certificates to all Kindergarteners for work completed during the school year. Mrs. Dankesreiter thanked all for coming and remarked that it had been a very successful and rewarding year with the children advancing and achieving many goals. The cooperation and support of the parents was appreciated as well as the help of aides Kathy Meyer and Dana Walterscheid.

Everyone enjoyed cookies and punch, furnished by room mothers after the program.

PREVENTING ELECTRICAL FIRES AT HOME

Electricity serves us well...and safely if we treat it with the respect it deserves. Most often we think of electrocution when we consider the dangers of electricity. But another hazard is electrical fires. Recent reports indicate that arcing or overloaded electrical equipment ranks second only to cigarettes as a cause of multiple-death fires.

Here's what you need to know:

- *Circuit breakers or fuses help protect against overloads and short circuits. If the breaker or fuse "blows" often or repeatedly, have an electrician check it immediately.
- *The smell of burning plastic, warm wall receptacles and flickering or dimming lights signal serious wiring problems.
- *If a cord or plug gets warm, it's overloaded.

Karl Klement Ford receives top awards

Karl Klement Ford-Mercury, Inc. in Decatur has received the 1988 Ford Motor Company President's Award, recognizing outstanding overall performance in customer satisfaction.

This award is given to only 120, out of more than 5500 Ford and Lincoln-Mercury dealers nationwide. Karl Klement Ford-Mercury, Inc. was the only dealership in the Metroplex to receive the award. It is the most prestigious award a Ford or Lincoln-Mercury dealer can receive.

To win, each dealership must excel in overall customer satisfaction performance. In addition, the dealer receives high ranks on actual surveys that ask customers to rate their satisfaction with personal service, technical competence, and convenience.

The President's Award was presented to Karl J. Klement by Ford Motor Company Vice Chairman and Chief Operating Officer Harold A. "Red" Poling at a special ceremony in Naples, Florida. In reference to this annual award, Poling said, "Keeping the customer satisfied is the reason we're in business. As far as I'm concerned, there is no higher

achievement." In addition to the President's Award, Klement received the Golden Shovel Award from Ford in recognition of his new \$1.3 million dealership facility on U.S. 81/287 in Decatur.

Karl Klement Ford-Mercury also won Ford's Distinguished Achievement Award for customer sales and service satisfaction and the dealership's bodyshop was named "best in class" in competition with 42 other dealerships in North Central Texas.

Jimmy Tompkins, service manager at Karl Klement Ford-Mercury, Inc. was presented the "Gold Medallion" service managers award for outstanding customer satisfaction. Tompkins' award includes a five-day cruise to Southern California.

Karl J. Klement purchased the Ford-Mercury dealership in Decatur in 1983, after working for more than 20 years as a mechanic, salesman, sales manager and general manager of Endres Motor Company in Muenster.

In 1987, Klement purchased Karl Klement Chrysler-Plymouth-Dodge-Jeep-Eagle, Inc. in Decatur.

County Agent's Report

by Craig Rosenbaum

Chinch bug infestations over the county have been moderate this year. One contributing factor to the low chinch bug infestations would be the high amount of rainfall that we have experienced. This rainfall tends to close the cracks in the ground around plant bases and reduce chinch bug populations.

This year we have run a Chinch Bug Control Demonstration on grain sorghum on the Jerry Hudspeth Farm at Valley View. Producers in the Valley View and southeast area of the county have had severe problems with chinch bugs the past two years. Chinch bugs are small insects that suck juices from the plant. Heavy infestations cause total fields to be killed. Conventional control methods using foliar type applications of insecticides have very limited to no results. This is due to the rapid activity of the insect and its hiding in cracks and dry ground above the base of the plants. For this reason, systemic-type insecticides have been used in areas with varying degrees of success. These insecticides have shown good results due to the rate, rainfall, temperature and soil conditions which regulate plant growth. Most of these insecticides provide 6 to 7 weeks protection to the plant. This 6 to 7 weeks allows grain sorghum to get off to a good start and size. The demonstrations this year in the

county using systemic insecticides have shown anywhere from 3 to 4 chinch bugs per plant on treated rows compared to 60 plus chinch bugs on the untreated check. Most systemic insecticides require extreme caution when used due to their restricted use status. Producers interested in the results from this demonstration should contact the County Extension Office for products and other considerations.

Foliar sprays should be considered when you have 2 or more

adult chinch bugs on 20 percent of the plants that are 6 inches tall or less. Larger plants should be treated when 75 percent of the plants are infested. Foliar spray control is difficult. If chinch bugs are a problem, use ground spraying equipment. You need to use drop nozzles on larger plants with 20 to 30 gallons of water per acre. Hopefully, this year with the amount of moisture that we have had, we can keep the chinch bug populations in check.
