#### Time Is Near for Control of White Grubs in Lawns

May or June beetles are emerging from the soil and starting to swarm late in the evening. The females are laying eggs and the white grub worms that hatch will soon be feeding on the roots of bermudagrass and St. Augustinegrass in home lawns. Once the grubs begin feeding, control measures should be taken, says Neil Tibbets, county agent with the Texas Agricultural Extension Service.

cultural Extension Service.

Treatment time varies with the particular area of the state and ranges form early July in South Texas to mid-August in the Panhandle. Homeowners in Cooke County will need to treat mid July to early Aug. Timing of application is critical for adequate control.

cal for adequate control.

White grubs in excessive numbers can heavily damage lawns, notes Tibbets. Check for white grubs by cutting a square foot section of sod with a shovel and examining all of the roots and soil to a depth of 4 inches. Examine at least one square foot of sod for each 1,000 square feet of lawn area. Chemical treatment is needed if there are more than four grubs per square foot of sod.

# It used to be the "light bill." Now, it's the...

air conditioner, blanket, blender, can opener, clock, clothes dryer, clothes washer, dish washer, door bell, drill, fan, food freezer, hair dryer, heating, heat pad, hedge trimmer, iron, lawn edger, lawn mower, lights, sander, saw, sewing machine, shaver, stereo, television, toaster, vacuum cleaner, waffle iron, waste disposer, water heater, etc., bill.

Forty or fifty years ago, the electric bill was referred to as the "light bill." In thousands Mr. Edison's illuminating invention was not electrically expected device in use, but the electrically operated device in use, but people a its benefits with their costs for electricity.

Today, higher costs for electricity.

Today, higher costs for electricity seem to overshadow the many benefits of electricity.

many benefits of electricity.

Whether you have 14 or 40 electric appliances, we believe that if you will compare their benefits with your costs of operating them, you'll agree that electricity is still a good buy...all over the house.

#### C. Fishers Observe 25th Anniversary

The 25th wedding anniversary of Mr. and Mrs. Clyde Fisher was observed by several events Sunday, July 2. All family members, including his parents, Mr. and Mrs. John A. Fisher, his brothers and sisters and their families, and the children and grand-children of the Clyde Fishers, attended the 11 a.m. Mass together.

Following this, their children invited them for dinner out at noon and when they returned, other family members had planned a surprise reception with gifts, a decorated cake and punch.

Hosts for the reception were Mrs. Max Rumelhart and children of Buda, Texas, Mr. and Mrs. John C. Fisher and Mr. and Mrs. Butch Fisher and family of Muenster, Mr. and Mrs. Joe Galloway and son of Wichita Falls and Mr. and Mrs. John A. Fisher. Children of the honorees include Chuckie Fisher, Dickie Fisher, Mrs. Nancy Lippie, and Danny, Kathie, Ginnie, Ronie, Julie, Laurie and Angië. Also attending were a son-in-law Mark Lippe and two daughters-in-law Mrs. Chuckie Fisher and Mrs. Dickie Fisher and Mrs. Dickie Fisher and Mrs. Dickie Fisher and three grandchildren.

#### Beta Kappa Hosts District Meeting

District Meeting

Muenster's Beta Kappa
chapter and Gainesville's Kappa
Theta chapter of ESA hosted the District VI Council of
Epsilon Sigma Alpha International on Sunday, June 25
in the Turner Hotel in Gainesville.

Theme of the meeting, "Reflect ESA's Visions" was carried out in invitations, place
cards, name tags, registration
books and room decorations,
by using mirrors and rainbow
colors. Fifty five District VI
members attended and two
guests, Gerry Brunskill and
Rosemary Diehl of District
XII.

Highlight of the afternoon

Rosemary Diehl of District XII.

Highlight of the afternoon was presentation of awards. Included were the award for the April Education Program to Kappa Theta of Gainesville. There was a four way tie for Histories, Joint winners were Beta Kappa of Muenster, also Hurst, Arlington and Fort Worth. All other awards went to sororities a distance from Cooke County.

Plans were discussed for the 1980 State Convention, which District VI will host.

The next District VI meeting will be held on October 14 and 15 and will be hosted by the Mid-Cities Area Council.

Attending the Gainesville Attending the Gainesville meeting Sunday were Mimes. Jan Cain, Lupe Evans, Louise Fisher, Barbara Felderhoff, Loretta Felderhoff, Betsy Fleitman, Liz Howe, Martha Koesler, and Loretha Cash.

## YOU CAN BANK ON IT!

The energy crunch isn't over, but it slowly is be-coming less critical. This means less cost to you for energy, leaving more money for other needs.

for other needs.

The easing of the crunch is the result of discovery and development of alternate energy sources. For instance, a wind turbine is in use in windswept New Mexico. The British have a similar wind turbine under study. Denmark has a new windmill, said to be the world's largest, servicing a college complex and adding to the power grid of a city.

grid of a city.

Solar power is another energy source. Sunbaked Egypt and India are getting small solar power plants built by West Germany. Several solar research projects are in the works in the U. S. as well. Already solar equipment costs have come down, in some cases almost by half in relation to production of a given amount of wattage.

We're proud to be part of the industry which has financed the research which results in lower prices for all Americans.
