Farm Bureau News, weekly newsletter of the Texas Farm Bureau, discloses that the FB national organization has protested two federal grants to United Farm Workers which it said amounts to "tax paid unionization of farm workers."

UFW is the organization led by Cesar Chavez who was very much in the news a few years ago for the grape boycott which eventually broke the resistance of both workers and growers to compulsory union membership. Workers would have none of Chavez, but they were helpless in the end when growers, to get their product back on the market, agreed to hire only UFW members.

According to the Farm Bureau item, it appears that Chavez did not finish his coercion job. Now the National Farm Workers Service Center, Inc., conducted by the same Chavez, has been awarded a grant of \$683,861 for the purpose of teaching English to some 75 farm workers, and to "effectively link all elements of the farm workers organizations together into one efficient operation."

This means that we taxpayers are footing the bill to finance continued forcible recruiting of the UFW. What's more, we are paying more than \$10,000 per trainee for alleged instruction which is available free in the California school system. No matter how we look at it, this is a plain ripoff, the most brazen kind of fraud for which both the giver and the receiver deserve to be prosecuted.

Another grant to the Chavez racket was in the amount of \$121,000 for "apprenticeship training." According to Richard W. Owens of the national Farm Bureau, a large portion of that funding seems directed toward job analysis rather than training, that is gathering the kind of information that can be helpful for organizational purposes.

Combining the two grants we see that we are tapped for more than \$800,000 to help Chavez force his will on working people.

By the basics of ethics, Chavez was a crook in applying for the funds, but the agency which granted it is no less guilty. That agency is the administrative organization of Comprehensive Employment and Training Act (CETA). As the name implies, it was adopted (in 1973) as a method of helping the disadvantaged. It sounded fine in theory but it has developed into an \$11 billion a year boondoggle involving outrageous waste, patronage giveaway and inexcusable grants. It is one of the worst programs of federal squandering.

CETA is the outfit that was exposed by chapter and verse in the August edition of Reader's Digest. The author, Ralph Bennett, names one case after another of money that is wasted, and in some cases is used even to support antisocial and immoral interests. One example is paying \$750 (Continued on Page 10)

Fall Festival at St. Mary's Parish Scheduled Sunday

Members of St. Mary's Parish will hold their annual Fall Festival on Sunday, September 24 on the school grounds. A chicken and dressing dinner, with all the trimmings, including drink and dessert, will be served from 11 a.m. until 2 p.m. Hand made articles will be offered for sale in the Country Store, featuring Christmas decorations, Raggedy Ann and Andy dolls, kitchen items, bath items, and a lot more goodies. A beautiful hand-made quilt will be sold. All items have been made by ladies of the parish during the summer months.

There will be booths for children's fun, lots of refreshments, and a coffee shop with homemade breads, cakes and pies.

There will also be an auction beginning at 6 p.m. Everyone is invited to attend.

NCCW Meeting

The local NCCW meeting will be held on Thursday, September 28 at 10 a.m. in the Knights of Columbus Hall. Registration will begin at 9:30 a.m. All ladies are asked to bring a large salad for the salad luncheon. Father Placidus Eckart will present the program.

Homecoming at MHS Will Feature Battle of Hornets

A long time rivalry will be revived here Friday night in the battle of the neighboring Hornets as headliner of the Muenster High Homecoming. The visitor is Era, an annual opponent while the two schools were co-members of district 7-B, but not in recent years since Muenster advanced to Class A.

The defending champ of 7-B, Era has made a slow start this season. First it was a 12-6 victim of Lindsay, then a 19-0 victim of Callisburg, both of which are in 14-A with Muenster.

Though the underdogs, they cannot be taken for granted. According to Coach Jerry Stinson, they have a stout team able to give MHS a good tussle and ready to take advantage of any breaks. Besides, they are hungry for a win, eager to regain the prestige that has been slipping in their two losses. A win this week would go far toward offsetting sour memories of the previous weeks.

Of course, Muenster is equally determined and heavily favored to prevent the upset. After an easy 35-8 win over Chico, the Hornets showed their muscle more convincingly last week in the 20-0 decision over Class AA Kennedale.

Coach Stinson was enthusiastic about them, especially the turn-around early when they halted the Wildcat drive and kept them under control the rest of the game. The entire defensive line was super. So was the offense, especially Randy Serna who rushed for more than 160 yards. The only worry at this time is the passing game, with a single short completion out of nine tries. The boys are working on it this week, hopeful for a better record Friday night.

Physically the team is fine. There have been no injuries in the two games, but Phil Wolf remains an unlikely competitor as a result of his injury in the first scrimmage session.

Alvord Edges Tigers 23-20

Sacred Heart's game at Alvord last week was a matter of winning all over the field in yardage and first downs but not on the score board. Another factor was being long on the count of turnovers, and more so the critical nature of the turnovers.

Figured in the loss of 23-20 is the fact that one interception stopped a very probable SH score and two fumble recoveries set up the Bulldogs in great field position. At the same time the Tigers were handicapped by the absence of Joe Bartush, who was injured.

SH started the game with a 55 yard drive to the Alvord 12, by gains being 10 by Phil Walterscheid, 19 on a pass from Kenny Hartman to Mel Walterscheid and an 18 yard run by Hartman. But the good work ended abruptly with an interception in the end zone.

Going into play on the 20 the Bulldogs gained to the 30 and had to kick four plays later. On the very next play a fumble handed the pigs back to Alvord with fine position on the 34 yard line. And two plays later Jeff Clower broke through and romped 30 yards to the line. Clower also booted the extra point for a count of 7-0 at 6:33.

Back in play, SH was still hounded by calamity. A clip penalty moved Kirk Mollenkopf's good kickoff return back to the 20. Then another fumble, 2 plays later, put Alvord in possession on the 25. Tiger defense was great claiming the ball on the 21 after allowing only four yards in the series.

But then SH fumbled again and the Bulldogs had another chance from the 20. From there Alvord ground out the yardage in five plays. Clower scored from the 9, and Neighbors passed to Hunt for double bonus points. The Bulldogs led 15-0 as the clock read 1:03.

Alvord had better luck on its fumble early in the second quarter. Nasche recovered it for the Tigers, but they were short by less than a yard

County Dairymen Consider Joining Dairy Association

An effort to establish a unit of the recently organized Texas Dairymen's Association was the purpose of a meeting for county dairymen last week Tuesday in the Science Building of CCC.

The meeting was headed by Roy Neely Jr. of Midland as guest speaker explaining needs and goals of the association, which was started last year by dairymen to identify areas of concern and come to grips with issues of importance.

Some of its objectives were listed as follows. 1. A regular newsletter to all Texas dairymen. 2. Representation in Austin for potential legislative influence. 3. Direction and influence of dairy research at Texas A&M. 4. Relations with other dairy organizations such as handlers, processors, marketing cooperatives, dairy financial and governmental agencies, health departments, etc.

Neely was optimistic about the interest of dairymen present and volunteered to come back to the county for other meetings with local dairymen.

JCs Will Instruct For PP&K Contest

A special coaching session for kids who will participate in the Punt, Pass & Kick competition on September 30 will be conducted this week Saturday by the Muenster Jaycees with Willie Wimmer as chairman. Instruction will be given by the Jaycees on rules and technique, hopefully to help improve the scores. It will be held on the Muenster High field starting at 1 p.m.

The PP&K competition, a week later will be held at the same time and place. It is co-sponsored by the Jaycees and Endres Motor Co. with Wimmer again in charge. Children 8 through 13 are eligible for the contest and the winner of each age group will advance to the next level of competition, the last of which is for the national championship.

Sign-ups are accepted at Endres Motor Co. through September 29. However, a child does not have to be registered to attend Saturday's special instruction.

Tigers Are Set To Break Losing Streak at Lindsay

A reversal of momentum is the goal of the Sacred Heart's Tigers as they prep for their encounter Friday night with Lindsay's Knights. They're determined most of all to put an end to their losing streak, which happens to require also an end to the Knight's winning streak.

Coach Eddie Stock is confident that his boys have the ability to do the job, if they will just stop the turnovers. He was proud of them last week at Alvord for leads of more than 2 to 1 in yardage and first downs, but he was most unhappy about wasting good scoring opportunities as well giving fat opportunities to the opponents. Out of seven SH fumbles, he said, three were turnovers and the others were at least wasted interceptions as well.

The same applies to a stout overall defense but a few weak moments that were costly.

Another bit of bad news for SH is the continued absence of Joe Bartush, the team's leading rusher, with an ailing knee. Fortunately other players are in good condition. Trying for a turn-around in the Tigers' performance, Stock is working on the rough spots as well as making a few changes, both offensively and defensively.

However that's not all of the problem. He's also facing a team that's high as a kite after upending Era and Saint Jo. The Knights have surprised the area with good solid football. They have been doing it right, so they have few mistakes to overcome. Still another factor is that Lindsay traditionally pulls no punches when playing a Muenster team. The game has possibilities of being a real dandy.

Advance Ticket Sale

Coach Eddie Stock reminds Sacred Heart fans this week that they can save money by buying tickets in advance for the Tiger game at Lindsay Friday night.

Tickets will be available in the coach's office until 3:30 Friday at \$1.50 for an adult and \$1.00 for a student. Price at the gate will be \$2.00 for adult or student.

Volleyball Season Gets Under Way In District 14-A

With the new scholastic year barely under way, volleyball is in full swing in District 14A with five of the eight loop members participating.

Their schedule, which was started Tuesday, consists of a round robin in which each team meets each other team once. That will be followed by a tournament in Callisburg on October 21.

Muenster drew a bye Tuesday as Callisburg played at Aubrey and Sanger at Pilot Point.

On Sept. 26 Callisburg has a bye while Sanger is at Muenster and Pilot Point at Aubrey.

On Oct. 3 Sanger has a bye while Pilot Point is at Callisburg and Aubrey at Muenster.

On Oct. 10 Pilot Point has the bye while Aubrey is at Sanger and Muenster at Callisburg.

On Oct. 17 Aubrey has a bye while Muenster is at Pilot Point and Callisburg at Sanger.

The Muenster High team, coached by Fay Hamric includes the following: Seniors; Brenda Walterscheid, Robin Walterscheid.

Juniors: Toni Dittfurth, Lou Dyer, Linda Endres, Patti Ferber, Cathy Flusche, Janel Lutkenhaus, Carla Otto, Rene Wilde.

Sophomores: Judy Dittfurth, Melody Prescher, Barbie Wimmer, Brenda Wimmer.

Freshmen: Charlotte Fleitman, Elaine Grewing, Traci Sawyer, Carla Walterscheid, Jill Walterscheid, Peggy Winn. The manager is Sandi Barnhill.

Mrs. Ruth Needham was dismissed from Muenster Memorial Hospital Tuesday evening after four days of medical care.

A man used to dream about the salary he is now starving on. That's inflation.

Computer Seminar Is Available on Family Budgeting

A free computer program sponsored by the Texas Agricultural Extension Service and the First State Bank is available to help families discover possible budget problems and see where their money is going. The program, called "Dollar Watch" will be held at the First State Bank on September 22 and 29, 9 a.m. to 2 p.m. It will be conducted by Mary Lou Osborne of the bank and Linda McCormick, specialist with the extension service.

The computer needs only to know pertinent facts, such as the number of persons and cars, monthly income, and essential expenditures for such items as food, rent, mortgage payments, utilities and installment debt.

More information on the program is available Evelyn Yeatts of the extension office or Mrs. Osborne of the bank.

Open House Shows Camp Fire Girls' New Headquarters

An open house showing their newly completed headquarters building at 400 S. Weaver St. in Gainesville will be conducted next Sunday, the 24th, 2 to 5 p.m. by the Cooke County Council of Campfire Girls. Ms. Roberta, van der Voort, national executive director of the organization will be present for the occasion.

This new facility is funded by a building drive which has been in progress throughout the year and more than three fourths of the cost has been paid or pledged up to now. Participating in the drive were 38 separate clubs from Gainesville, Muenster and other areas of the county.

The Camp Fire Girls conduct a number of service projects such as assistance to Heart Fund, birthday cakes and parties to nursing homes, clothing and food gifts to needy families, participating in Keep America Beautiful programs, ushering at Little Miss pageant, providing refreshments for Christmas Party at the Child Development Center.

Special programs planned for the Fall include instruction in ceramics, macrame, cooking for fun, self reliance and reading motivation.

Inquiries about the organization may be sent to Anne Heffron, executive director of the service center.

Exes Welcome for MHS Homecoming

Muenster High School this week is anticipating its annual homecoming featuring a grid contest between the long time rival Hornets of MHS and Era High plus the formalities of crowning a queen and a special get-together of ex-students at a dance in the community center. Honor classes this year are those of 1953 and 1968.

Planning for the big event, under co-chairmanship of Mrs. Rick Walterscheid and Mrs. Bob Endres was started weeks ago with the election of princesses by freshman, sophomore and junior classes and election of nominees for homecoming queen by the senior class.

Members of the Hornet football team have elected the queen from the four nominees, and the remaining three will become princesses along with those from the three lower classes.

At the ceremony, to be held at half time, Jean (Wieler) Newbill, queen of 1958, will present nosegays to the princesses and Faye (Embrey) Cash, queen of 1968, will present nosegays to the candidates. Then the queen will be identified after which she will be crowned by Robynn Richey 1977 queen, and will receive

Welcome Party For Father Denis Given by Parish

A come-and-go party honored Father Denis Soerries Sunday when the Social Activities Commission hosted a welcoming event at the Sacred Heart Community Center from 2 p.m. until 4 p.m.

A large group of parishioners attended. Punch, coffee and home-made cookies were served. Members of several other parish commissions assisted in providing cookies.

The party was planned by Mmes. Jane Taylor, Mary Lee Hennigan, Frances Bayer, Eileen Fisher and Patsy Bayer, members of the Social Activities Commission.

Lawrence Wimmer is improving steadily at St. Paul's Hospital and has been moved to his own room, from the coronary care unit. Friends may send cards addressed to him at St. Paul's Hospital, Sixth Floor, Room 623, Dallas.

MHS Upsets Kennedale 20-0

Muenster High Hornets continued the good work through the second game of their grid season by upsetting Class AA Kennedale 20-0. They did the job convincingly by leading also on the statistics, such as 14-6 in first downs and 245-72 in total yardage.

As the contest started, however, the indication was that it would go according to prediction. After holding MHS on the first series the Wildcats partially blocked a punt and were only 34 yards away from pay dirt. Then they made two nice gains to the 22 and Wells advanced 14 more to the 8. Another try reached the 5, but the drive ended suddenly right there as Carl Fagel came out of the next play proudly displaying the ball.

Gaining 8 in three tries, the Hornets kicked to end their first series. Wildcat lost a yard on their next three tries and missed a fourth down pass, so Muenster took possession on its own 35.

That is where Randy Serna, who led the rushing with 169, set sail around left end doing nice armwork and footwork as he maneuvered the corner and streaked 65 yards to the goal. Todd Richey's kick added a point. The score was 7-0 at 3:53 in the first period.

Following the next kickoff Kennedale moved the chain end and had to kick ending the next series. With 57 yards to go, Serna, Richey and Duane Knabe advanced 41 in five plays and got set back for a holding penalty. However the loss was more than offset by a pass interference ruling which gave Muenster a handsome set-up with first down on the 8. From there it was Serna 1, Richey 2 and Serna 5 to the goal. For the second time Richey's kick

added a point. The score: 14-0 at 8:54 in the second quarter.

On second series after kickoff Kevin Klement put his team back in business with a fumble recovery on the Wildcat 41. That was followed by a first down for Muenster and an exchange of kicks before the Hornets gained 25 to the 19. The short drive included a 12 yard pickup by Kevin Klement and the team's only pass completion of the night, David Felderhoff to Mark Felderhoff for 5 yards. Just a few plays later the drive was blasted when David Felderhoff was sacked for a 16 yard loss. Two plays later the half ended with David Felderhoff making the game's only interception.

The third quarter started (Continued on Page 10)

More Summer

Just as it seemed that Summer was on the way out it made a come-back last week with an unbroken string of temperature readings in the upper nineties and not a trace of moisture.

Low high figures were recorded as follows by Steve Moster. Sept. 14, 74 and 98, 15th, 75 and 98; 16th, 75 and 99; 17th, 76 and 96; 18th, 72 and 97; 19th, 75 and 97; 20th, 72 and 98.

Moisture totals are unchanged since last week, still 1.48 inch for the month and 21.80 for the year.

2 Homes Burglarized

The homes of the Bernard Sicking and John Mondays were burglarized in daylight last Monday. The thefts were discovered when the owners returned home from work. A 19 inch color TV was stolen from the Mondays, a stereo and two rifles from the Sicking.

a bouquet from co-chairman Mrs. Bob Endres.

Princesses and their escorts for the ceremony are: Freshman Elaine Grewing and Gary Hermes; Sophomore Jo Ann Gibson and Wayne Wimmer; Junior Kim Walterscheid and Randy Reiter. Queen nominees are Rita Sicking, Lisa Trubensbach, Robin Walterscheid and Kathie Fisher, escorted respectively by Bryan Sicking, Kim Walterscheid, Bert Walterscheid and Nell Walterscheid.

Festivity will begin at 7 p.m. as the royal party assembles with the band and students on the parking lot beside Ben Franklin Store. A float to carry candidates and princesses was built by students and financed by the classes and the Quarterback Club. The float, band and students will parade from there to the stadium. Crowning ceremonies at intermission will be preceded by performances of the Era drill team and the Muenster band.

The social part of the homecoming will follow the football game. It is a dance with music by Cherry Rhone in the Community Center. Though sponsored by the homecoming committee, it is not exclusively for MHS students and exes. Everybody is welcome. Refreshments will be available.

The homecoming's big attraction is a meeting of old rivals, the Muenster Hornets and Era Hornets. The defending champ of District 7-B, Era's rating has declined somewhat after losing its first two games, but there is no change in the team's old time spirit and hustle. With a few breaks it can give Muenster real troubles.

According to the record Muenster is the favorite. It has size and talent which have been very successful in the opening games with Chico and Kennedale. And its only injury so far is that received by Phil Wolf in the season's first scrimmage.

Program Told for Two German Day Events in Dallas

The 16th annual German Day in Texas will be observed in the traditional way on October 7 and 8 in Dallas with a Pioneer Ball and German Day at the Texas State Fair.

The first event will be in the Marriott Motor Hotel, 2101 Stemmons Freeway, starting at 6:30 p.m. and the next will be an all day affair in the "Gemutlichkeit" tent of the Fair.

Planning and preparations are under directions of the Texas German Day Council with membership from Dallas, Fort Worth, San Antonio, Austin, Fredericksburg, Houston, Muenster and a number of other Texas cities.

The event this year will honor the Texas Association of German Students, which is active in high schools and colleges that teach German language and traditions. It is credited with promoting a better understanding between people of Germany and the US, an important factor in world peace and cooperation.

The Pioneer Ball starts with a concert by high school Omphrah bands of the Metroplex during the buffet dinner of German foods and drinks. Following that there will be German songs by Chorgemeinschaft Texas, an association of German singing societies and the Dallas Frohsinn. German Air Force soldiers stationed at Fort Bliss will make their 11th annual appearance. The program will be followed by a dance with music by the Polka Patriots.

Observance at the Fair will be in the usual location near the Grand Avenue Entrance on Sunday, the 8th, from 11:30 until closing time. Attractions will be German food, drinks, songs, dance and band music. Performers booked are a children's choir of a German language school, German clubs, folk dancers, a high school Omphrah band, the German soldier choir of Fort Bliss and others. A retreat ceremony will be held at 5 p.m. Tickets for the Pioneer Ball can be ordered from Alvin Fuhrman at the telephone office.

was given in marriage by her father. She was wearing a daron polyester and imported chantilly lace gown. The empire bodice was designed in a pinafore effect with a sheer lace yoke, high lace neckline and sheer lace sleeves cut in shepherdess fashion. The skirt extended to a semi-cathedral length train completely encircled in scalloped lace and a hemmed ruffle. Lace appliques adorned the three-tiered veil of illusion which was attached to a Juliet cap encrusted with lace and seed pearls.

She carried a colonial bouquet of silk peace roses, mixed salmon, white and yellow flowers, white gypsophila and white streamers. For sentiment she wore the strand of pearls her mother wore on her wedding day 31 years ago. And she had the traditional birth date penny and blue garter.

Attendants

Janel Wimmer of Irving was her sister's maid of honor. June Stoffels, and Carolyn Bayer, friends of the bride and both of Irving and Mary Geiser, groom's sister of Dallas were the bridesmaids. Their gowns of coral knit were fashioned with fitted bodice, narrow straps and lightly gathered skirts. They wore self-material shawls edged in beige silk fringe and carried beige lace fans with clusters of silk flowers and streamers and wore silk flowers in their hair.

Kevin Murray of Dallas, a friend of the groom, was best man and David Wimmer of Muenster, bride's brother, Jimmy Geiser of Dallas, groom's brother and Steve Wiggins of Irving, groom's friend were groomsmen. John Hesse of Muenster, bride's cousin and Louis Gieb of Lindsay, bride's brother-in-law ushered guests.

Terry Wimmer, bride's brother gave a reading: "Love Is" and James and Chris Wagner and Bill Wimmer all nephews of the bride, and Jennifer Carr niece of the groom carried the Offertory gifts.

Following the wedding ceremony the couple lit their Unity candle.

Wedding music was given by Anthony Luke, organist, who played the traditional processional and recessional, and vocalists Mrs. Leo Lawson and Jimmy Lawson. Selections before Mass were "Peace, Joy and Happiness" and "On this Day," at Offertory "Our Father," and at Communion "Open Thy Eyes," and "Mother, At Your Feet" when the bride placed a rose on the Blessed Virgin's altar.

As the bride approached the altar she paused to present a silk rose to her mother and upon leaving she presented a similar rose to her mother-in-law.

Reception

The bride's parents hosted a reception, dinner and dance at the Sacred Heart Community Center for 275 guests. Brenda and Barbie Wimmer, bride's sisters, registered guests at a table covered with a white knit cloth edged with wide white, and silver lace. The table held the bride's book, the Unity candle and a white basket of coral silk flowers.

The bride's table was covered with a white cloth and centered with the wedding cake and a pair of five-branched silver candelabra. The front of the table was decorated with swags of coral streamers entwined with ivy and caught with clusters of white bells.

The wedding cake stood over a coral fountain decorated with coral flowers. The cake was cut by Mrs. Betty Rose Walterscheid and was served by Brenda and Barbie Wimmer.

Guests danced to music by Rosewood.

When the couple left on a wedding trip to South Texas, the bride was wearing a three piece brown pant suit. They will be at home in Irving, where the bride is employed at Music and Sound, Inc. of Dallas and the groom is a programmer-analyst employed by Vought Corporation in Grand Prairie. She is a graduate of Muen-

ster Public High School and attended Cooke County College. He is a graduate of the University of Texas at Arlington with a Math major and received his Master's degree from the University of Dallas.

Pre-Nuptial Courtesies

The rehearsal dinner at Rohmer's was hosted by the groom's parents for twenty four guests. The bride and groom presented gifts to their attendants. A shower on September 10 was held in the T P & L Building. Hostesses were Carolyn Bayer, June Stoffels and Janel Wimmer.

Among guests from out-of-town were the groom's parents and his grandmother, Mrs. Marie Julius of Dallas. Also Jan Richards, Nancy Pontiezza, Patricia Moore, Mark Seaman, Mr. and Mrs. Steve Thompson, Mrs. Dee Dee Tyde, Mr. and Mrs. Butterfield, Denise McCarty, Stan Endres, Steve Hess, Sharon, Jenny and Brian Carr, Vickie Mollenkopf, Ron Richardson, Margie Pagel, Lois Wray, Mary Hesse, Mr. and Mrs. Paul Luke, and Mr. and Mrs. Jim McDonald all of Dallas.

Also Mr. and Mrs. Frank Walterscheid and Mr. and Mrs. Larry Walterscheid of Hereford, Mr. and Mrs. Kenneth Atkins of Decatur; Barbara Sloan of Hot Springs, Ark.; Mr. and Mrs. Jim Wagner and James and Chris of Fort Worth; Robin Wimmer of Denton; Triska Taylor of Arlington; Mr. and Mrs. Pat Oshorn of Lewisville; Mr. and Mrs. Tom Geiser of Weatherford; Mr. and Mrs. Ray Rigoni of Chicago and many relatives and friends from Gainesville, Lindsay and Muenster.

SH Junior Teams Win 20-0, Tie 6-6 At Valley View

In a double header at Valley View last Thursday night the Sacred Heart junior varsity won 20-0 and the junior high Cubs tied 6-6.

Playing the opener, the junior Eagles made a good start with a drive of 35 yards before losing yardage on a penalty and then fumbling the ball away. Mike Bartush recovered on the Tiger 36.

Sacred Heart went the other way for 30 yards but lost ground on the next series giving Valley View its second possession with 60 to go. A short gain followed by a 36 yard dash by Tony Jones gobbled up 40 yards of that space. Four more tries reached pay dirt, the last 4 stepped off by Jones.

Starting the second half the Cubs made a good drive of 42 yards, featuring gains of 13, 8 and 16 by Jim Bartush, then were stopped by an interception. Their next possession was spoiled by a penalty and a couple of incomplete passes. But the next effort got results. Two passes from Curtis Henscheid to Mike Dangelmayr gained 12 and 24, the latter good for the tying score. A run for bonus points was short.

In the closing moments the Cubs moved again on passes from Henscheid to Wade Walterscheid but ran out of time.

The junior varsity game was a standoff in the first quarter with the Eagles losing possession twice on fumbles and the Tigers once on an interception. On the last play of the period a pass from Bednorz to Monte Endres was good for 42 yards to the 10. However the following series went sour and SH lost possession on the 10.

Four plays later Eagles had

NEWS OF THE SICK

Jeremy Prescher, 8 month old son of Mr. and Mrs. Jimmy Prescher of Valley View underwent emergency surgery on September 11 at Flow Hospital in Denton. Dividing time at his bedside with his mother was his grandmother, Mrs. Ben Fleitman. Visiting him at the hospital were his aunts, Mrs. Lloyd Prescher and Mrs. Tommy Skinner of Gainesville, Mrs. Ben Fleitman, Jr. of Myra, Mrs. August Fleitman and Christine Fleitman of Muenster. Jeremy was dismissed on September 14 and is recuperating at home.

Ben Haverkamp is a patient at Muenster Memorial Hospital for treatment of injuries resulting from an accident two weeks ago when he was caught between two cars. Since Monday he is beginning to get around on crutches. He suffered a fractured pelvis, a bruised right leg and a lower back injury.

To kick and the Tigers tried again from the 47. A pass on the first play from Bednorz to Craig Walterscheid got to the 5, then a keeper by Bednorz reached pay dirt. A pass for bonus points failed.

That was the beginning of a big second period. Following Valley View's punt on first series the Tigers were at midfield and were penalized 5 for offside. Then Mike Hesse headed around right end, got a few helpful blocks and did some nice footwork on a 55 yard dash to the goal.

The third score was another quickie following the Eagles' punt on first series. SH was at midfield again and on first play Bednorz tried a screen pass. An eagle defender broke it up but the batted ball instead of falling to the ground drifted nicely into the hands of Mike Hesse who evaded a few tackles and streaked to the goal line. A pass to Lloyd Haverkamp added 2, and the score was 20-0 with 22 seconds remaining in the half.

Third and fourth periods went scoreless, however the fourth had a bit of activity as the Tigers made three consecutive first downs and bogged down on the fourth series. The Eagles responded with two first downs and failed on the third series.

The Tigers

series and punted. Sacred Heart made a first down by inches and was stopped cold in the second series, Alvord taking over on its own 32.

That's where the final Bulldog scoring drive originated. Thirteen plays completed the 68 yard drive, with Hale tearing through a quick opening for the last 10. A pass to Hunt made the count 23-12 as the clock read 4:23.

Promptly after kickoff two big disappointments hit the Tigers. Mark Nasche's gain of 35 was nullified by a holding penalty. Instead of being 25 away from the goal, SH was 70 away. And the play following was intercepted.

Alvord could not move but used precious time before its punt, which went out of bounds at the 6.

Compensating at least partly for their loss, the Tigers ended the contest with a sensational drive of 94 yards in 53 seconds using six plays. There were passes of 16 to Mark Nasche, 23 to Angelo Nasche, 20 on an interference ruling, and finally 35 to Angelo Nasche for the touchdown . . . and they had 40 seconds to spare. Another pass, Hartman to Angelo Nasche improved the SH count to 23-20.

Mark Nasche, with 94 yards, was leading rusher and his brother Angelo with two for 58 was the top receiver.

THANKS

"Thank You" to Dr. Kralick, Dr. Knight and all the hospital staff for the loving care I received while I was a patient in your fine hospital. I love your community.
Lovingly
Rosemary Moses

We want to express our appreciation to all who were so kind and thoughtful to us at the time of our sudden loss of Chris. Special thanks to Father Stephen for the Mass and liturgy and to Father Denis for the burial service. Thanks also to the Choral Group, the 4th Degree, and the ladies who prepared the family meal, and, above all, thanks to Nick and Adeline Miller for taking care of everything. Our gratitude is expressed also for Mass offerings, flowers and abundant food given. We shall always remember that all of this helped ease our burden and sorrow. May God bless you all.

Myra Is Grateful For BBQ Success

Members of the Myra Improvement Club are enthusiastic about the success of their barbecue supper as a fund raising event for their fire station. More than 660 attended in spite of rain which threatened to spoil the supper. The program included the meal, Country and Western music by The Rustlers and a drawing for prizes.

Results were better than anyone had expected, for which the Improvement Club and the Volunteer Firemen extend their sincere thanks to home folks and the surrounding communities.

Schmitt Baptism

Amber Kay Schmitt, infant daughter of Mr. and Mrs. Danny Schmitt was baptized in the Sacred Heart Church of Prosser, Washington, on Wednesday, August 23.

Baptismal sponsors were the baby's grandfather, Donald Endres, proxy for Mark Schmitt, and an aunt Barbara Schmitt of Olympia, Washington.

The baby wore a dress, slip and cap handmade 63 years ago by her late great-grandmother, Mrs. Justin Hess and worn by all members of the family, including children and grandchildren.

Following the christening, a reception was held in the parents' home. The buffet included a specially decorated cake and homemade ice cream.

Among guests attending were the baby's brother, Cory and Mr. and Mrs. Mike Schmitt and son of Prosser, the paternal grandmother, Mrs. Marge Schmitt of Yakima, Wash., and the maternal grandparents, Mr. and Mrs. Donald Endres of Muenster who were visiting the Danny Schmitt family.

Letter To the Editor

On Saturday, October 7th, the Texas German Day Council will hold its 16th annual Pioneer Ball in the Marriott Hotel ballroom on Stemmons Freeway in Dallas and the next day, October 8th, will have its big tent near the Grand Avenue Entrance to the State Fair grounds.

The Texas German Day Council consists of the members of the various German organizations from across Texas of which I represent Muenster.

We have received very good support from the German Day Council and various German Clubs from Dallas, Fort Worth, Irving, Arlington and Garland. Clubs from these cities have come to our Germanfest with over 60 members from the Dallas Frohsinn alone. It is very important that Muenster makes a good showing at the celebrations of these cities, especially the Texas German Day Council, if we are to continue receiving their whole hearted support.

While we are remembering celebrations, let's not forget the Oktoberfest of our neighboring city of Lindsay on October 1.

Ticket reservations should be made now for the German Day Ball by calling the telephone office.

Let's make a good showing at these coming important events.

Muenster's 1978 Germanfest chairman
Alvin M. Fuhrman

THE STATE OF TEXAS
TO: Leslie C. Hanvey, Defendant.
Greeting:
YOU (AND EACH OF YOU) ARE HEREBY COMMANDED to appear before the 18th District Court of Cooke County at the Courthouse thereof, in Gainesville, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 18th day of October A.D. 1978, to Plaintiff's Petition filed in said court, on the 28th day of September A.D. 1977, in this cause, numbered 77-244 on the docket of said court and styled Lock & Tracy Engineering Co., Plaintiff, vs. Trans Western Prod. Corp. & Leslie C. Hanvey, Defendant.

A brief statement of the nature of this suit is as follows, to-wit: Suit on Debt.
If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates, hereof, and make due return as the law directs.

Witness, ANNA MAE SHORTER, Clerk of the District Court of Cooke County, Texas.

Issued and given under my hand and the seal of said court at Gainesville, Texas, this 28th day of August A.D. 1978.
(SEAL) ANNA MAE SHORTER, Clerk, District Court Cooke County, Texas.
By Terri Martin, Deputy.

IF YOUR AIR CONDITIONER IS SET TOO LOW, YOU'LL FEEL IT RIGHT HERE...

During the summer months, the cost of operating air conditioning equipment is the biggest factor in the electric bills of most Texas Power & Light customers. You can enjoy the comfort of air conditioning and hold down the amount of your electric bill by setting the thermostat on 78° or higher. But, you may say, "I like it set at 72°!" Consider the cost of the 6° difference. If the outside temperature is 95°, every degree you set your thermostat below 78° increases your cooling cost about 12%. This means, of course, that your cooling bill will be about 72% higher if the thermostat is set at 72° than if it is set at 78°. For still more savings on your cooling bill, make sure your home is adequately insulated . . . check weatherstripping and caulking around windows and doors . . . close blinds or draperies to keep out direct sunlight . . . keep the fireplace damper closed . . . and clean or replace filters at least every 30 days.

YOU CAN BANK ON IT!

The chairman of a large business firm recently told his officers that putting an end to "unsatisfactory service" was the primary goal of the firm this year. Our bank is only a fraction of the size of that company, and we like it that way. We are proud that we don't have to "work hard" to serve our customers satisfactorily. Good service is just a natural way to treat your friends. And since we know most of our customers, impersonal dealings are almost unheard of here. And if you're a businessman, how well your business does may depend to a great extent on how well your banker does his job. Our employees and officers have a genuine concern for doing the best job for every customer. We think our service is unexcelled.

The story of a bank's worth is not fully told on the bottom line; there are human values to consider as well as financial values . . . you can BANK on it!

Local News BRIEFS

Mr. and Mrs. Paul Dostart are now settled in their new home in San Diego, California. He is a Tax Attorney with the law firm of Gray, Cory, Ames and Frye located in downtown San Diego. Mrs. Dostart is the former Joyce Sicking, daughter of Mr. and Mrs. Emmet Sicking. The Dostarts visited here recently, on vacation and enroute from New York, their former home, and after a visit in Iowa with his parents. In Texas they also attended the Krahl-Schmidtkofor wedding and visited friends in Dallas.

Kuppers Gather at Andy's in Kaufman

Mr. and Mrs. Andrew Kupper hosted a family reunion recently in Kaufman. Special guests were their son Andy and his bride, Sue Ann, who were married earlier in Leveland. Family members attending from out-of-town were meeting her for the first time and most were seeing the Andrew Kuppers' new home also for the first time.

About 70 relatives attended. It was an almost complete reunion of the family of the late Joe Kuppers.

Attending from Muenster were Andrew's brother, John Kupper and his wife Margaret, and his sister, Mrs. Amanda Fuhrmann; also the Jerry Walterscheid family and the Dave Walterscheid family.

Other family members attended from Lindsay, Valley View, Arlington, Marlin, Lewisville, Waco and Rockwall.

A covered dish meal was held at noon and family and group portraits were made.

Grand Ole Opry Is Vacation Feature

Mr. and Mrs. Mike Middleton, accompanied by Doug and Nickie Stoffels, returned Sunday from a vacation trip to Kentucky and Tennessee.

In Nashville they went to the Grand Ole Opry and performances by Waylon Jennings and Willie Nelson. In Memphis they toured Graceland, standing in line for 4 hours. Tours from all over the country and from overseas were present. It was during the week of the first anniversary of Elvis Presley's death. Mrs. Middleton placed a bouquet of red carnations on the grave.

They also toured the Country Music Hall of Fame, where Presley's gold Cadillac is on display.

In Kentucky they were impressed by the beautiful scenery, especially the mountains & Kentucky's famed Bluegrass. And they did a lot of fishing and took a lot of pictures.

PUBLIC NOTICE SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOV. 7, 1978

"The Tax Relief Amendment" (H.J.R. 1)

H.J.R. 1 proposes an amendment to the Texas Constitution allowing the legislature to exempt intangible personal property, requiring the legislature to exempt certain household goods and personal effects, and allowing the legislature to exempt all or part of the personal property homestead from state and local property taxation.

The amendment requires the legislature to provide for the taxation of farm and ranch land on the basis of its productive capacity instead of its market value and allows the legislature to provide for the taxation of timber land on its productive capacity.

The amendment permits local governments to extend the present exemption of not less than \$3,000 of the residence homestead of persons 65 and older to include certain disabled persons.

The amendment grants an exemption from public school property taxes of \$5,000 of the market value of the residence homestead. It authorizes the legislature to grant an additional exemption from public school property taxes of an amount not to exceed \$10,000 of the market value of the residence homestead of persons 65 years of age or older and certain disabled persons. If a person 65 years of age or older qualifies for this exemption, the total amount of public school taxes imposed on that person's homestead may not be increased.

The amendment prevents local governments from increasing property taxes unless the governing body provides public notice and conducts a public hearing. The amendment requires the legislature to provide by law for each property owner to receive notice of the revaluation of his property and the amount taxes will be increased.

The amendment limits appropriations from state tax revenue to an amount not to exceed Texas' estimated economic growth rate, with the legislature authorized to make exceptions for emergencies.

The amendment prohibits the statewide appraisal of real property for property tax purposes. Enforcement of uniform standards and procedures for appraisal of property for property tax purposes is required to originate in the taxing

authority where the property tax is imposed.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment providing for tax relief for residential homesteads, elderly persons, disabled persons, and agricultural land; for personal property exemptions; for truth in taxation procedures, including citizen involvement; for a redefinition of the tax base; for limitations on state spending; and for property tax administration."

NUMBER ONE (S.J.R. 50)

S.J.R. 50 proposes an amendment to the Texas Constitution to delete the archaic reference to the "Deaf and Dumb Asylum." The amendment would allow the State of Texas to purchase products and services done by handicapped individuals in nonprofit rehabilitation facilities without complying with bid requirements applicable to other state contracts. The amendment also would eliminate the formality of the approval of certain state contracts by the Governor, the Secretary of State and the Comptroller of Public Accounts.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment deleting the archaic reference to the 'Deaf and Dumb Asylum,' allowing certain products and services of handicapped individuals to be used by agencies and departments of state government, requiring the procurement of other products and services required in the operation of state government to be made under bids awarded to the lowest responsible bidder, making all such procurement processes subject to laws enacted by the legislature, and eliminating the requirement that the Governor, the Secretary of State, and the Comptroller of Public Accounts of Texas be personally involved with such transactions."

NUMBER TWO (S.J.R. 55)

S.J.R. 55 proposes an amendment to the Texas Constitution to permit local governments to issue bonds for the reconstruction or acquisition of facilities (land, equipment and improvements) designed to develop employment opportunities. These

bonds would be payable solely from the revenue from the sale or lease of these facilities. The building or acquisition of such facilities must be determined by the local government to be necessary to develop employment opportunities.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to provide that the legislature may permit political subdivisions to issue revenue bonds to develop employment opportunities for its citizens."

NUMBER THREE (S.J.R. 44)

S.J.R. 44 proposes an amendment to the Texas Constitution which would allow the legislature to authorize cities and towns to issue tax increment bonds to finance the redevelopment of blighted areas. The bonds are to be paid solely from revenue from municipal tax increments. Payment cannot be made from the revenue of municipal taxes, utilities, or other services.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to give the legislature the power to authorize cities and towns to issue bonds to finance the redevelopment of blighted areas and prohibiting any city or town from granting its money or lending its credit for such purposes."

NUMBER FOUR (S.J.R. 53)

S.J.R. 53 proposes an amendment to the Texas Constitution to allow the legislature to exempt from taxation solar or wind-powered energy devices.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing the legislature to exempt from taxation solar and wind-powered energy devices."

NUMBER FIVE (H.J.R. 37)

H.J.R. 37 proposes an amendment to the Texas Constitution to grant exclusive jurisdiction to justices of the peace in civil cases where the amount in controversy does not exceed \$200, except where the legislature gives exclusive jurisdiction to another court.

The amendment grants justices of the peace concurrent jurisdiction with county courts where the amount in controversy is between \$200 and \$500, except where the legislature gives the county court exclusive jurisdiction.

The amendment also grants justices of the peace concurrent jurisdiction

with both county and district courts where the amount in controversy is between \$500 and \$1,000, except where the legislature gives the county or district court exclusive jurisdiction.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to extend the jurisdiction of justices of the peace in civil cases."

NUMBER SIX (S.J.R. 45)

S.J.R. 45 proposes an amendment to the Texas Constitution to allow the legislature to expand the number of judges on any court of civil appeals. Presently courts of civil appeals are limited to a chief justice and two associate justices. The amendment also would allow the courts to sit in sections, with the concurrence of a majority of the judges sitting in the section necessary to decide a case.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment permitting the legislature to increase the number of justices on a court of civil appeals, permitting a court of civil appeals to sit in sections, and requiring a concurrence of a majority of justices to decide a case."

NUMBER SEVEN (S.J.R. 48)

S.J.R. 48 proposes an amendment to the Texas Constitution eliminating the State Building Commission and the State Building Fund. The authority of the State Building Commission has been transferred by law to the State Board of Control.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to repeal the constitutional authority for the State Building Commission and the State Building Fund."

NUMBER EIGHT (H.J.R. 42)

H.J.R. 42 proposes an amendment to the Texas Constitution allowing certain political subdivisions or districts in the state that can presently issue bonds or otherwise lend their credit to engage in fire-fighting activities and to issue bonds or otherwise lend their credit to support such activities.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendments authorizing certain districts to engage in fire-fighting activities and to issue bonds or otherwise lend their credit for fire-fighting purposes."

John Hill is attacking State Budget waste . . .

"I've already started my search for waste in the state budget. I want to be ready to tackle overspending the minute I take office as Governor in January. My budget office already is paring down big state agency budget requests, to keep spending within available revenues. We'll have to live within our means, because I'll veto any new taxes."

. . . because he knows our taxpayers need relief from inflation.

Children Program Starts Sept. 29

The first meeting of the Library-sponsored Children's Activity Program will be held at the Mini-Park on Friday, September 29, 10 a.m. to 11 a.m., weather permitting.

Succeeding meetings will be held on the 2nd and 4th Fridays of the month in the meeting room of the Community Center, 10:00 to 11:00.

A "one-time-only" registration will be held in the Library. Mothers are urged to register children there as soon as possible. One registration

will be sufficient for all year. Sponsors need to have a count by the first week of October. Children are eligible to attend when they become three years old. No two year olds will be accepted. There will be a \$2.00 fee for each child.

Special attention is called to a new regulation. In the future it will be necessary for all mothers of enrolled children to volunteer to assist during the story hour or to baby sit for those assisting. It is also pointed out that mothers will probably be called upon to help only about twice a year. A list will be prepared to show a work-schedule in advance each month, to facilitate planning by all mothers.

Another request mentioned last week is repeated here. All kinds of help is welcome. Especially invited to give assistance are older, retired men and women, particularly grandfathers and grandmothers.

Hospital Auxiliary Invites Members

The Muenster Hospital Auxiliary will meet on Thursday, September 21 at 8 p.m. in the Hospital Meeting Room. Members will discuss the annual dance and variety show. Visitors are always welcome. No invitation is needed, members say, "Please come! We're happy to have you join us." More information may be obtained by phoning Rita Russell 759-4155.

The Hospital Auxiliary is an organization dedicated to serving the hospital. All women are eligible to join and will be welcomed at all meetings. The current membership urges any interested persons to come to the next meeting. They will receive a warm welcome.

\$185 Donated for Cystic Fibrosis

Collections at the church doors following Sunday Services for the Cystic Fibrosis Foundation, amounted to \$185.39. Persons who missed it or who wish to add a donation may send or give it to Mrs. David Vogel, Box 144, Muenster during the next week. Mrs. Vogel is president of the Bluebonnet Home Demonstration Club, sponsor for the 1978 drive.

with an exchange of punts then an opportunity for Muenster as Dave Ferber recovered a fumble on the Wildcat 14. However MHS went the wrong way. After a busted play, a penalty and two incomplete passes the Hornets lost possession on the 23.

The hosts had to kick a few plays later and Muenster had another opportunity following Serna's 27 yard gain to the 2, but again the next series fizzled.

But early in the fourth the Hornets put it together. Serna, Richey and Klement gained steadily from midfield to a first down on the 11. Three tries from there gained 9 and Serna made the last 2 with a dive over the center of the line. The kick for extra point failed. The score: 20-0 at 1:57.

After stopping Kennedale's final effort the Hornets ran out the clock. Except the opening short drive which ended in a fumble, the Wildcats were able to manage only four isolated first downs the rest of the game. During the second half they made a net gain of only 5 yards, due mostly to the front line defense of Carl and Curtis Pagel, Eddie Serna, Mark Klement, and Dave Ferber.

a month to someone in Chicago to teach inner city youth to slap their bodies as "human drums." Another is building a steel reinforced concrete rock, 30 feet high and 60 feet across, in Oregon to be used for practice by rock climbers. Also the funding of a "nude sculpting workshop in which nude men and women run their hands over one another's bodies."

Probably the most objectionable of all, the biggest outrage to decency and common sense, are the funding of political and moral radicalism. One case listed was the funding of something called "Gay Community Services" in Los Angeles, to the tune of \$640,000 to provide information concerning "gay life styles"; also paying \$475 a month to an avowed Marxist-Leninist in Atlanta to "keep an eye on local government", and paying 22 "outreach workers" in Florida to go door to door to put more people on food stamps.

It seems the most common offense of all is using billions in CETA funds to underwrite the payrolls of local governments . . . by financing existing government jobs rather than creating new employment. The additional finance

makes possible a huge slush fund to be dispensed as crafty politicians wish.

Considering all the crooked-ational legislators. Giving the mess exposed in the program a person has to wonder how it can be justified by our na-benefit of a doubt, one would think that the program has at least some good features for which it deserves to continue. But there can be no excuse for allowing the corruption. Lawmakers are derelict in duty when they fail to demand a conscientious accounting for every undeserved grant. Administrators should be held responsible and prosecuted along with those who receive the ill gotten funds.

Without doubt, it is high time for the tax revolt that is spreading across the country. Somebody has to realize that administrators as well as beneficiaries of the federal rip offs are guilty of stealing. Taxpayers cannot keep paying this kind of tribute to crime, and surely they don't deserve to pay.
