## Tigers beat Knights for TCIL title

**Politicians and commentators** have told how very impressed they were by President Reagan's success in winning support for the AWACS deal. The achievement was regarded as amazing, considering the strong opposition just a few days before the senate's vote.

That issue has hardly cooled off before the President is confronted by another problem. The number one current subject is that Reaganomics is in trouble. The president's claim that the budget will be balanced in 1984 under a program of reduced tax and reduced spending is challenged by liberal politicians of both parties. They say it can't be done, and the media seems to be ready and waiting for every discouraging word. We the public are asked to believe that the ways by which the nation achieved its greatness will not work any more, that the only way to recover from the present mess is that which brought it on in the first place.

**Elementary arithmetic** tells us those guys are wrong while common sense tells us that the program isn't being given a fair chance. Our real trouble is that too many liberals want to see Reagan's program fail so that they and their ideas can make a political comeback.

It's time for the President to go back to the public with his message. That helped him win the election as well as his proposals for reducing budget and taxes and selling AWACS. That can win support for him again and head the nation down the road to a stable economy. There's literally no end to the ideas which can be applied to improve the situation.

**Thought No. 1:** Certain people are panicking because unemployment has reached an all time high of 8 percent. At the same time Paul Harvey states that a Chicago newspaper has 40 pages of help wanted ads. And millions of other job openings are in other papers. Obviously many could be working.

The first line of remedy for this situation is pride, a willingness to do one's part and not mooch on the taxpayer. Another help is a willingness to work for less. Millions more jobs would be available if workers did not expect the fabulous wages. This situation applies from minimum to maximum pay rates. All along the line, many more would have jobs if employers could afford to hire them.

**As regards the workers** who draw the outrageously big pay, a word of concern is in order for the industry and consumer. Many a US business has folded because it could not meet the payroll. And all of us as consumers are paying exorbitant prices because of the high manufacturing cost.

These possible savings in goods and services because of more reasonable wages are not the only items to consider. Business could help wonderfully by sacrificing some profit while workers are sacrificing some pay.

**What it all amounts to** is belt tightening. America can recover from its economic malady by getting along on a little less...not necessarily an austerity program, just less than the affluence on which we have been spoiled.

This idea of trimming down the high cost of living can apply even to heavily obligated people with a problem of making payments. For instance, the payment on car and appliances and home along with food, clothing and other current expense becomes a load unless it too is adjusted, and why shouldn't it be? Interest continued on page 2...

"All's well that ends well," to which Father Stephen Eckart and his Sacred Heart Tigers add an enthusiastic Amen. After a discouraging pre-district record of 2-6, the boys put it together in their final two games and finished with the TCIL district championship.

Moreover, they did it in an emphatic way, clobbering the Notre Dame Knights of Wichita Falls 34-14. A week earlier they had a tougher time nosing out Gorman of Tyler 7-6.

So now Sacred Heart is back in the State play off with Marian Christian of Houston as bi-district opponent. Time and place for the game will be announced later.

The thrilling homecoming sweetening victory, complete with champ title, was one of the Tigers' best of the season. They were scrappy and alert and gave up only two turnovers while receiving eight from the visitors.

Their first touchdown originated about midway in the first period as Brian

Herr intercepted at the 15 and returned to midfield. Then, on seven plays plus a face-mask penalty, they gained 48 yards to pay dirt. Darrell Herr crashed right tackle for the last 5 yards as the scoreboard clock read 2:42.

The second quarter was scoreless, however ND dominated with 5 first downs while SH made only 1. The Tigers threatened once after Brian Herr's fumble recovery plus a face mask penalty gave them a set up on the 27. However the next three tries were duds and netted a 3 yard loss. ND also missed a chance just before the half ended. From their own 40 the Knights gained 43 in six plays and lost yardage on the next series.

The third quarter was more productive to both sides, especially Sacred Heart. From their own 20 following kickoff the Tigers used 5 plays in going the distance, the big one being a pass to Curtis Henscheid for 58 yards. Henscheid also kicked an extra point.

Soon after the Tigers were

goalward bound again after the Knights punted at the end of their second series. With 59 to go they used seven tries ending with another bomb. Neil Hesse connected with Brian Herr on a 47 yard touchdown pass and Henscheid's kick added a point.

The next one was a quickie. On first play after kickoff Curtis Hesse intercepted a Knight pass on the 18, and two plays after that he circled end with a pitch-out for 15 yards to pay dirt. The PAT attempt failed. The score was 26-0 at 2:32.

### Tigers to play bi-district here

**Jon LeBrasseur, Sacred Heart athletic director** announced Wednesday that the Tigers' bi-district game with Marian Christian of Houston will be played on the Muenster High field Saturday, November 21, 7:30 p.m.

Finally the visitors got on the scoreboard, and on the big play of the game, Harmon received the ball, busted up the middle and went 90 yards without being touched. The count was 26-6 at the end of the period.

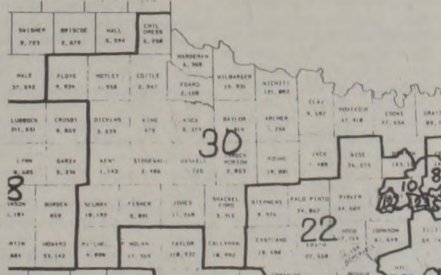

Sacred Heart got its first touchdown early in the fourth. On the first play of the quarter Greg Walterscheid intercepted giving his team great position on the 12 yard line. Three plays later Hennigan crashed over tackle for the last 7 yards and went over again for bonus points. Sacred Heart led 34-6 at 10:50 in the last period.

A short time later the Tigers threatened again as Brian Herr intercepted and returned 46 yards to the Knights 23. But ND was in possession again following a fumble on the next play. Again the teams swapped possession as Mollenkopf intercepted and SH fumbled the ball back. After another exchange, a fourth down failure by ND and a punt by SH, the visitors finally got their second scoring drive in

### Redistricting assigns county to Senator Farabee, Dist. 30

Senator Ray Farabee expressed pleasure at the Senate redistricting plan adopted last week. "I feel the plan is a good one for our area and maintains a community of interest in North Central Texas," Farabee said.

The new 30th Senatorial District will no longer include Briscoe, Hall, Hale,

Howard and Nolan Counties but will add Cooke, Montague, Grayson, Jack, and Young Counties as well as the northern portion of Denton County.

"I am looking forward to working with the people of Cooke County and I will serve them in the State Senate to the best of my ability," Farabee stated.

Senator Farabee, a resident of Wichita Falls, serves on numerous interim study committees including the Legislative Budget Board, the Select Committee on Public Education, the Criminal Justice Coordinating Council and the Texas 2000 Commission (chairman of the Agriculture Committee). He also is chairman of the Senate State Affairs Committee and is a member of the Senate Finance and Senate Jurisprudence Committees.

### Good News

Matthew 18: 3-5  
...I assure you that unless you change and become like children, you will never enter the Kingdom of heaven. The greatest in the Kingdom of heaven is the one who humbles himself and becomes like this child. And whoever welcomes in my name one such child as this, welcomes me.

### United Way near the top

Muenster's United Way Drive is nearing the top. Chairman Larry Kinard reported this week that \$5635 has been turned in, only \$165 short of the goal. The few remaining packets are expected this weekend.

### Flood relief barbecue

Disaster relief for damage and loss sustained in the flood is in the making for the Dan Luke family. It is a Buffalo and Brahman Barbecue Sunday, Nov. 22 at noon in the Sacred Heart Community Center. The menu includes a choice of the buffalo or Brahman along with beans, onions, bread and beer.

Donation is a minimum of \$6.00 for adults and \$1.50 for children "for all you can eat."

### CCC to host seniors at career day on Nov. 17

Cooke County College will host the seniors of North Texas high schools at a career day to be held at the college next Tuesday, Nov. 17, from 9 a.m. to noon. The event will be held in the student activities center featuring more than 50 colorful displays by

This happy smiling Homecoming Queen is Sharon Voth, daughter of Mr. and Mrs. Ray Voth. Her selection was announced during half-time activities at the SHHS Tigers-Notre Dame Knights of Wichita Falls football game Friday night. Her escort was Brian Herr. Her crown was presented by Shelly Walterscheid, the red satin banner by Rhonda Bednorz and the bouquet of long-stemmed roses by Elaine Walterscheid. Sharon was one of four senior nominees for the honor. Others were Susie Felderhoff, Tina Hesse and Donna Trubenbach. Representing underclassmen were Karla Jo Hartman, Marilynn Hartman and Rose Felderhoff. A dance for students, in the VFW Hall followed the game. It was sponsored by the senior class. ### Joe Powell receives KC Good Neighbor Award

Joe Weston Powell, president of Powell and Brown Oil Co., Inc., is this year's selection for the Good Neighbor Award by Muenster Knights of Columbus.

A plaque commemorating the honor was presented to him by Grand Knight Harold Flusche Sunday morning following the 9 a.m. Mass in Sacred Heart Church.

The selection is an annual event in the Muenster Council honoring someone of another denomination in the

ecumenical spirit of harmony between the faiths.

In the presentation Flusche said "He need not be rich or famous. It is not necessary that his work be widely advertised. The one requirement is to be a truly good neighbor, who will always give you a hand when you need one."

Powell is a native of Lovington, N. M. born Dec. 22, 1915, the third of ten children. He graduated from high school at Prairie View,

near Lovington. He married his wife, Gwen, of Plains, Texas on Feb. 16, 1941. They have two sons, Robert of Plano and Weston of Moss Lake.

He has been president and secretary of the Lion's Club, a school board member, an active deacon of the Baptist Church, has been involved in building or expanding four churches.

He served in the Army Air Corps during World War II has been a resident of Muenster for 14 years.

## IRS, CCC sponsor tax workshop

The Internal Revenue Service, in cooperation with Cooke County College, will conduct a special Tax Practitioners Workshop on the CCC campus November 18 (Wednesday).

Dr. Eddie Hadlock of CCC's Division of Continuing Education reports that the workshop will be a basic level one. It will be conducted by IRS instructors and will focus on new changes and selected subjects in individual tax law.

Since enrollment in the workshop will be limited, persons interested in participating are being urged to register early.

"Practitioners must register through the college's Office of Continuing Education," Dr. Hadlock stresses. "Writing to IRS for reservations will only slow the registration process and could result in a person's missing the workshop."

He explains that registration forms were sent

out recently to most of the tax practitioners in the Dallas District (which includes Cooke County). These completed forms should be mailed directly to Cooke County College, Division of Continuing Education, P.O. Box 815, Gainesville, Tx. 76240.

Cost of participation in the course is \$25, which includes a noon meal, and checks covering the enrollment fee should accompany the registration form.

Checks should be made out to Cooke County College.

"For anyone who did not receive a registration form from the Dallas District office of IRS, we have made arrangements for on-campus registration," Dr. Hadlock says. "It is very important, however, that persons coming to campus to enroll do so as soon as possible."

Such persons should come to the Continuing Education Division office in Room 120.

According to Peggy C. Moore, taxpayer education coordinator for the Dallas District office of IRS, these special one-day workshops have proven helpful to both the experienced and new tax practitioner.

In addition, participants will be eligible for eight hours of Continuing Education Unit (CEU) credit upon completion of the workshop.

Dr. Hadlock points out that the workshop is scheduled to begin promptly at 9 a.m. Participants, however, are urged to arrive between 8 and 8:45 a.m. to obtain the course material and complete administrative details. The workshop will end at 5 p.m. Again, coffee and lunch are provided in the registration fee.

Subjects to be covered in the basic workshop this year include what's new, installment sales, minimum and alternative minimum tax, depreciation recapture (Form 4707), IRS procedures and processing, preparers penalty and windfall profits tax credit.

Inquiries about the workshop should be directed to Dr. Eddie Hadlock, Division of Continuing Education, Cooke County College, P.O. Box 815, Gainesville, Tx. 76240, telephone (817) 668-7731, extension 220.

**To visit grandparents**

Mrs. Teresa Jo McCrimmon and daughter, 16 month old Katharine of Denver spent two weeks here with parents and grandparents, the Bruno Fleitmans. Also Kevin Cox, a 4 year old grandson from Houston spent three weeks here. On Saturday, October 31, his mother Mrs. Janie Cox and son Kris came to visit her parents, the Fleitmans and her sister, Mrs. McCrimmon. They all returned home Tuesday.

**Four visit in Arkansas**

Mr. and Mrs. Tony Felderhoff, accompanied by granddaughters, Laurie Walterscheid of Denton and Monica Hartman of Muenster, have returned from a trip to Arkansas. In Little Rock they were guests of Sister Georgia Felderhoff and also spent several days at Holy Angels Convent with Sister Amora Felderhoff and visited briefly with many other nuns.

**To visit relatives**

Mrs. Steve Lev and baby son, Brandon of Foxboro, Mass. spent a four day visit here last week with parents and grandparents, Mr. and Mrs. Paul Fisher, and also saw other relatives. Before returning home they were met at DFW by the husband and father, Steve Lev, to fly to McAllen to visit his brother-in-law and sister, Mr. and Mrs. Ron Wormick for the weekend.

**Clyde Fleeman's mother dies at 65**

Mrs. Ruth Fleeman, mother of Clyde Fleeman died in Hinckley, Ohio on October 31. Funeral services were held in Medina, Ohio and burial was in Brunswick.

Survivors include her husband, General, and two daughters, Nancy and Juanita of Ohio and three sons, Charles of Florida, Kenneth of Ohio and Clyde of Muenster.

Among relatives attending were Mr. and Mrs. Clyde Fleeman, and Cindy, Tim and Tawnia, who remained with relatives for a week.

**A gift subscription to The Muenster Enterprise is a good way to say "Happy Birthday" or "Get Well Soon" or "Thank You For Your Hospitality." The Enterprise will send a suitable card with your greeting.**

**County cemetery records available**

For a near complete list of deceased people in rural Cooke County, the best source probably is a book published in 1980 by the Cross Timers Genealogical Society. It is the Cemetery Record of Cooke County containing names of persons in 98 cemeteries other than the two cemeteries of the city of Gainesville.

Information for the book was compiled in two years of research and footwork and the book was published in 1980.

Muenster's Sacred Heart Cemetery record occupies 37 pages of the book, the information taken mostly from parish records since 1890.

Copies of the book can be obtained from the Cross Timbers Genealogical Society, P.O. Box 197, Gainesville.

Such persons should come to the Continuing Education Division office in Room 120.

## Local YHT members attend awards program in Plano

The Muenster YHT chapter was represented at the 19th Area V Convention and Awards Luncheon in Plano on October 17 by five members, June Bartush, Glenda Russell, Lou Moster, Janet Fisher and Pam Dangelmayr. They took along items for Power, Inc. to be used at a benefit garage sale.

Registration and a coffee were at 9:30 a.m. followed by the first session presided by Mrs. Phyllis Rogers Area V president of Krum, a welcome by Dr. H. Wayne Hendricks, superintendent of Plano I.S.D. and in-

roduction of speakers by Mrs. Romona Tyler.

The program included Mrs. Lou Robbins, color consultant of Plano; Mrs. Jean Norman of Howe who reviewed "Lord, Let Me Leave a Song" by Mary John Wilkins. She included a recording by Kris Kristoferson "Why Me, Lord?" written by Wilkins.

The noon luncheon was catered by Ernie's of Plano and partially funded by ten Investor-Owned Electric Utility Companies including Cooke County Electric Co-op of Muenster. Entertainment was provided by

"Skyrocket", a choral group from Plano.

In the afternoon Mrs. Sue Goldstein reviewed her book "The Underground Shopper", to the delight of her audience.

Current officers were recognized and awards were presented. The Muenster Young Homemakers Chapter won a second place Area V award as YHT Outstanding chapter and also received a certificate for Superior Achievement. Perfect attendance awards went to Mmes. Glenda Russell, Pam Dangelmayr and Lou

## Hood Club plans two events

J.T. Barker reported on a meeting which he attended regarding the community improvement program, when he conducted the Hood Improvement Club meeting on Nov. 2. This program has been discontinued, but communities are encouraged to still improve and maintain the community as well as one's own property.

Members were reminded about the cleanup day to be held on November 4 to prepare for the annual turkey supper on Saturday, November 7.

Mrs. Mary Evelyn Hermes reported that the food was ordered and arrangements made to pick

it up. The ladies of the community will prepare and serve it. Tickets for adults will be \$4.00 and children under twelve will be charged \$2.00. A quilt and a simulated stained glass picture will be given away at the supper. Serving time will begin at 5:00 p.m.

It was announced that the next meeting will be held on December 7, to discuss the history book which is being prepared for Hood's cen-

tennial in 1982. After the meeting members will decorate the Christmas tree for the Christmas party which will be held on Friday, December 11, 1981 at 7:30 p.m. Everyone is to bring a pickup food for the party. Each one is also to bring an appropriate gift for a man or woman with the cost not to exceed \$5.00.

After urging everyone to vote on November 3 and after a discussion of the issues involved, Mr. Barker adjourned the meeting. Mrs. Mildred Berry gave the invocation.

Cake and ice cream were served by Mrs. Nell Taylor and Mrs. Mary Evelyn Hermes. Mrs. Lanita Lewter is club reporter.

## Jr. garden club studies fire prevention

The Bluebonnet Junior Garden Club met in October to discover fire prevention, litter control, and general conservation. One of the topics discussed was then chosen by each member to make a poster for the contest sponsored by the Muenster Garden Club in conjunction with the National Forest Service. Leaves and plants which had been pressed by the members were added to their portfolios and identified. The November meeting will be a discussion and identification of birds - specifically the Texas state bird - and construction of a bird feeder.

Mrs. August Felderhoff is sponsor and Muenster Garden Club representative with volunteer assistance of members.

## Beck family visits relatives

Mr. and Mrs. Tom Beck and daughters Nicole and Lyndsey of Grand Junction, Colo. spent several days in Muenster visiting uncles and aunts, the Wilfred Walterscheid and Norbert Koeslers and several cousins. Mrs. Beck is the former Cindy Walterscheid, daughter of Mr. and Mrs. Leonard Walterscheid of Moab, Utah.

One evening a family gathering and dinner honored them at the Norbert Koesler home. Another day the visitors and their Muenster relatives enjoyed a pecan hunt and picnic lunch at the Wilbert Vogel farm south of town. With them were Sister Francesca Walterscheid and Sister Donna Marie of OLV and Mrs. Larry Kostyniak and baby son Brian, all of Fort Worth, who spent several days here also.

The Tom Beck family also visited their grandmothers and great-grandmothers, Mrs. Anna Walterscheid of Fort Worth and Mrs. Minnie Odom of Irving. During the visit here Mr. Beck also attended a 3 day seminar for civil engineers in Dallas. The family returned to Grand Junction Sunday from DFW.

Amanda is three

Amanda Jade Russell was the honoree at a party in her home on November 7 at 6 p.m. hosted by her parents the Bryan Russells, to observe her third birthday.

The Sesame Street theme was used; and the Bert and Ernie birthday cake was made by her mother, to serve with punch.

Guests included Amanda's great-grandmother, Mrs. Victoria Gremminger; also Troy, Chris and Judy Pagel; Darrell Russell; Travis and Michelle Trachta; Mrs. Dick Winn and daughter Carrie Ann; and the parents Bryan and Glenda Russell and daughter Lisa Dawn.

# Manhattan Clothiers founded in 1893 New Arrivals!

Former classmates visit

This week's 85th anniversary celebration of Manhattan Clothiers is an occasion to recall the long and useful career of the Gainesville store as one of the finest men's clothiers of North

Texas. Jack Criss started the business in 1893 on Main Street under the name of Furnisher and Hatter. In 1897 Criss changed the name to Manhattan Clothiers and

the location to the newly built present site on California Street. An 1897 issue of the Hesperian advertised the store's suits for \$5.00. In 1903, Leo Kuehn Sr., remembered by many of the

county's old timers, bought half interest in the store from Criss, and in 1905 he bought the remaining half. He continued as the store's owner and manager for 41 years.

Mr. and Mrs. Sammy Sparkman of Gainesville are parents of a daughter, Heather Marie, born in Flow Memorial Hospital in Denton on Thursday, November 5, 1981 at 1:14 p.m., weighing 6 lb. 4 oz. She is a baby sister for Connie and Carrie and a granddaughter for Mr. and Mrs. Bill Lutkenhaus and Mr. and Mrs. Albert Hess, all of Muenster. The great-grandmother is Mrs. Isabel Lindecker of Gainesville.

Mr. and Mrs. Virgil Hess are parents of a daughter, Heather Marie, born in Flow Memorial Hospital in Denton on Thursday, November 5, 1981 at 1:14 p.m., weighing 6 lb. 4 oz. She is a baby sister for Connie and Carrie and a granddaughter for Mr. and Mrs. Bill Lutkenhaus and Mr. and Mrs. Albert Hess, all of Muenster. The great-grandmother is Mrs. Isabel Lindecker of Gainesville.

Sister Olivia of St. Scholastica Convent in Fort Smith, Arkansas was a guest of her former classmate and good friend, Mrs. Wilfred Reiter, and Mr. Reiter and family for ten days and visited relatives in Dallas for several days. Last week Wednesday she was the honored one at a covered dish luncheon in the Reiter home. Other guests were Frances Spaeth and Mrs. Agnes Kneupper of Gainesville and Mmes. Mary Haverkamp, Tillie Schoech and Evie Felderhoff of Muenster, joining the hostess Polly Reiter. The ladies are sisters.

According to Leo Kuehn Jr., his father's business flourished along with the North Texas economy. With an expansion occupying the present location of The Musique Shop on Dixon, Manhattan Clothiers took on an "L" shape with California and Dixon entrances.

During the 41 years of his father's ownership, Leo Jr. remembers interesting trade practices originating at the store. One was a free subscription to Boys Life with every sale of a boy's suit. Much happened and many good customers remain from the trading days with Leo Kuehn Sr.

Leo Kuehn Jr. took over the business after his father's death in October 1946. Leo Jr. had returned in November 1945 from Army service during World War II. He continued as owner-manager until 1966.

At that time H&S Clothiers, Inc. purchased Manhattan Clothiers and David Hugon, president moved to Gainesville as manager. In 1970 Roy Swain, vice president of the corporation, also moved to Gainesville and the corporation's headquarters was set up above Manhattan Clothiers. Barry Hooper bought Hugon's share in the business in 1981 and succeeded him as president. Swain continues as vice president.

Under direction of Hooper and Swain, Manhattan's, an extension of Manhattan Clothiers, has made its fashion debut at 107 E. California, adding traditional women's goods as well as a wide variety of young men's and collegiate sportswear. Manhattan's is under supervision and management of Suzanne Hooper.

Along with the expansion, Manhattan Clothiers has focused on a new vision. It wants to offer quality lines of men's clothing and furnishings under management of Randy Edwards, a native of Keller and a graduate of Tarleton State University now living at Era.

### St. Anne Society requests items for picnic booths

St. Ann's Society, sponsor of the Country Store at the Thanksgiving picnic, is requesting items suitable for sale in the booth, for example home baked foods, bread, rolls, coffee cake, cookies, etc. Also children's clothes, baby booties, covers, blankets, quilts.

Also handmade items, pillows, knitted and embroidered pieces, handmade novelties, Christmas decorations and novelties, items for gifting.

Also handmade arts and crafts, paintings, macrame, ceramics of all kinds. The sponsors urge that all food items be covered with clear plastic wrap, or be in plastic bags. They also urge donors to price and mark or describe the items they bring.

Mrs. Theo Vogel is Country Store chairman.

Mrs. Andy Schoech, chairman, of the Candy Booth at the Thanksgiving picnic, is urging everyone to begin thinking about favorite candy recipes, to prepare and to bring to the Community Center on Thanksgiving day and to be offered for sale in the booth. All kinds of homemade candy is in demand and sells very well, especially for freezing in anticipation of Christmas. Donors may bring the candy in small boxes for individual sales or in larger amounts for repackaging by the committee. Sponsors urge that all candies be covered and that donors suggest a price.

Two year old John Sparkman of Gainesville spent last weekend with his grandparents, Mr. and Mrs. Wilfred Sicking in Muenster while his mother, Mrs. Sammy Sparkman was hospitalized. Wilfred and Betty Sicking and Nancy Sicking accompanied by John went to Sherman Sunday afternoon to see John's new baby sister. John's father made daily trips and the paternal grandparents, the Sam Sparkmans joined the group.

Stephen is one

Stephen Bartush, son of Mr. and Mrs. Charles F. Bartush, Jr. celebrated his first birthday on November 3 at an evening dinner party hosted by his parents in their home.

Guests were his grandparents, Mr. and Mrs. Herman Stoffels and Mr. and Mrs. Charles F. Bartush, Sr. Also aunts and uncles, Sally Stoffels, and Cathy, Mike and Jim Bartush.

A second celebration was held in a joint birthday party with two cousins. A dinner party on Nov. 8 honored Stephen, with Lucien Gehrig, son of Mr. and Mrs. Jim Gehrig and Chad Simmons, son of Mr. and Mrs. Rex Simmons. Birthday cakes were made by the honorees' aunt, Mrs. Pam Dangelmayr. Quite an array of gifts were opened and displayed.

Guests included Mr. and Mrs. Herman Stoffels, Chris, Connie, Craig and Sally Stoffels; and cousins Kelly and Glen Dangelmayr, Russell and Pamela Simmons, Jason, Ryan and Mike Gehrig.

A subscription to the Muenster Enterprise is an ideal, last minute gift for relatives, friends, neighbors and former residents. Each week it will be a reminder of your thoughtfulness. The Enterprise will send a suitable card with your greeting.

## Youth Ministry lists schedules, activities

Mrs. JoAnn Pagel, one of the chairmen of the Spook House has announced that the Halloween Spook House, jointly sponsored by H2O social and services committees was a great success. She tells that "it was as much fun preparing for the event as it was the actual event." Over 200 youngsters attended during the course of the evening and there were approximately 100 H2O members participating in the fun. Mrs. Pagel also extends a special thank you to Lyle Huchton, Peggy Winn, Renee Steltzer, Mary Winn, Elaine Grewing, Charlotte Fleitman, and Susie Felderhoff without whose help the Spook House would not have been a success. She also wishes to thank the following parents for helping: Sharon Walterscheid, Collette Biffle, Pat Walterscheid, Betty and Carol Henscheid, Kay Pagel, Betty Kleiss, Kathy

and Dennis Hess, Kathy Vogel, John Pagel, Jane Monday, Fran Voth, Chris Walter and Robert McDaniel. The H2O Recreation Committee has announced Fun Day on Sunday, November 15, leaving the community center parking lot at 11 a.m. and proceeding to Pick's lake on bicycles. The committee has made lots of plans for games and fun activities. Hot dogs and cokes will be served for the noon meal. The group will return to town at 4:30. In case of bad weather the event will be re-scheduled for a later date. The TIA Recreation, Fund Raising and Social committees will have a triple event Sunday, Nov. 15, starting with a hayride and leaving the community center at 12:15 p.m. The hayride will proceed to private property where the students will pick pecans for

several hours and then enjoy a wiener roast before riding back to Muenster. It promises to be a thoroughly enjoyable and profitable day for all involved. The chairmen recommend that the participants wear old, warm clothing as it may be very chilly. In case of bad weather the event will be held on Nov. 22. The H2O Fund Raising committee has announced plans to pick pecans to raise funds for H2O. Tentative plans are to pick pecans on private land this weekend or the next. Students will be notified of the plans in their classes. Chuck and June Bartush are chairmen of the project. Both youth ministry groups held monthly meetings on Monday, November 9 in the community center cafeteria. H2O met at 7 p.m. and TIA met at 8 p.m. Each committee was asked to give a

report of its past and future events to the general audience and everyone was invited to ask questions or to make suggestions for improvements. Pam Alford, parish youth consultant, conducted the meetings. H2O members were served refreshments by the H2O social committee and TIA members were served by the TIA service committee. The TIA Spiritual committee sponsored an all day clown ministry workshop on Saturday, November 7 in the Sacred Heart High Home Economics Room. Mrs. Marcella McKone from the Catholic Renewal Center in Fort Worth and three adults clown ministers conducted the workshop and gave a talk on the art of clown ministry. The group from Fort Worth provided the clown makeup and showed the participants how to apply their own makeup. Participants had the chance to design their own clown faces. The group then visited St. Richard's Villa, Fischers, Hotbauers and Bayers Kolonialwaren to practice their clowning.

**Los Jovenos**  
Members of the MHS Spanish Club, Los Jovenos, were in Krum Sunday, November 1 to have lunch at The Clay Pot. Together were Timmy Schneider, Stephanie Richey, Ginie Fisher, Jenny Hellman, Brent McElreath, Greg Luke, James Bright, Wayne Carroll, and their teacher and sponsor, Mr. Robert McDaniel.

**Student Council**  
The MHS Student Council met in the Library Wednesday, November 4 and discussed results of last month's powder puff game; made future plans to obtain and decorate a school Christmas tree; and planned to send letters of greeting to

visiting schools during basketball season.

**CCD students participate**  
CCD students who participated in the Liturgy for the Wednesday evening Mass in Sacred Heart Church on November 4 were Michelle Kleiss, with the First Reading, Jamie Walterscheid with the Response and Kevin Felderhoff with the Offertory petitions. Lori Graham, Cody Truebenbach and Amber Vogel presented the Offertory gifts at the altar. Mass servers were Ronnie Walterscheid, Jon Fleitman, Samuel Fleitman, Troy Pagel and Donnie Boydston. Father Denis Soerries was the Celebrant.

## Library News

**Observe Book Week Nov. 16-22**

Book Week would be an appropriate time to visit your Public Library to browse and look over the shelves and shelves of entertaining, educational and informational books available through the joint efforts of the City of Muenster and the Northeast Texas Library System—a part of the Texas State Library System. Our children's department has been given a high rating because of the thorough coverage of materials, both fiction and non-fiction. Through Inter-library Loan, materials not found locally are available. If we don't have the book that you're just dying to read, the book you need to complete an assignment or one pertaining to your hobby, let our staff order it for you through Inter-library Loan. Within the Texas Library System there are 1,478,540 one-of-a-kind reference works available to any library patron in the state. Plus, materials can be obtained outside the state through the Texas Library System's association with the International Library Loan Network. To its reference collection, the library has added "Cemetery Records of Cooke County" compiled by the Cross Timbers Genealogical Society. All known cemeteries of this county (98 in all) are recorded with the exception of the two Gainesville cemeteries. This book will be very helpful in your search of family members from Cooke County. Visit your library on Tuesday, 8:30 to 5:00; Wednesday, 2:30 to 5:30; Thursday, 8:30 to 5:00.

## Cub Scout News

**Den 4**  
Den 4 held its first November meeting on Tuesday at the home of den leader, Lupe Evans. With the theme, "Discovering America", the boys were asked to name their birthplace and some other place of interest in the U.S. where they had visited. All cubs in Den 4 were born in Muenster with the exception of Steven Fisher who was born in Gainesville. Cubs who worked on Goodwill bags were given their patches. The Scout Show was also discussed. The Scout Fair is the only district function held each year. It will take place on December 5 in the Fort Worth Tarrant County Convention Center. Each boy was issued a packet of 10 fair tickets which they are expected to sell for \$1.00 each. The sale of the first five tickets entitles cubs to an attractive patch; five more earns a "scout buck" which can be traded for prizes of their choice. Sale of more packets earns more "scout bucks". The pack will

benefit from ticket sales, earning a commission of up to 45%, dependent of when the money was turned in. Plans for Pack 664 were explained briefly. Den 4 will conduct the closing ceremony at the next Pack meeting on November 30, therefore plans and rehearsals were begun. Boys

in Den 4 are denner Paul Black, assistant denner Brad McDaniel, Douglas Evans, Terry Felderhoff, Steven Fisher, Ryan Gehrig, Scot Hudspeth, Raymond Stewart and Darrin Russell. The next Den 4 regular meeting will be held Tuesday, Nov. 16 at 6 p.m. in the den leader's home.

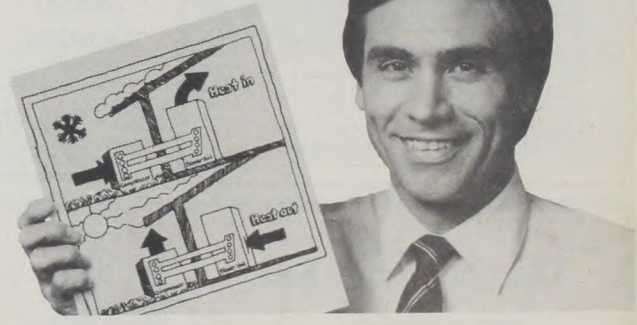

This is Scott Hudspeth, taking aim at the target at the Cub Scout Turkey Shoot Sunday, November 8. The event began at 2 p.m. with Webelo Leader Terry Walterscheid conducting activities and speaking on gun safety. Twenty Cubs and Webelos participated. Winners were Brian Reiter in the 8 year old group; David Rohmer in the 9 year old group and Murlin Evans in the 10 year old group. Each won a turkey. Games and refreshments were served at the VFW Hall and all participants received a "turkey shoot" patch. Special thanks were expressed to fathers of the Cubs for constructing the target area, to Ken Fette for use of his tarp, and to all fathers who helped with the shoot. Also thanked were Terry Walterscheid and Boy Scout Alan Hudspeth, for their help.

## SBA explains disaster assistance

The U.S. Small Business Administration has opened four temporary offices to distribute information and provide assistance to those

persons and business owners who suffered physical losses due to the flooding and severe storms which occurred in North Texas Oc-

tober 12-16, 1981. Home owners and business owners in the following counties may apply for assistance: Taylor, Stephens, Parker, Cooke, Coleman, Callahan, Shackelford, Hood, Jack, Wise, Montague, Eastland, Palo Pinto, Tarrant, and Grayson.

An office opened at the Community Center in Gainesville for residents of Cooke, Grayson, and Montague counties. The Center is at 109 Southwest Rusk, telephone 817-665-7730.

Office hours are 8:00 to 4:30 Monday through Friday. The deadline for filing is December 24, 1981. SBA loan representatives will also be visiting communities in the above counties. Home and business owners in those communities may call their assigned office to find when a representative will be available in their area.

Persons or business owners can come to the offices to discuss application procedures with loan officers on duty. No documentation is needed on the first visit. Loans to home and business owners are based on a credit elsewhere test.

Home applicants unable to obtain credit elsewhere will be charged an interest rate of 8 percent. Those who can obtain credit will be charged 16 percent. A disaster home loan is limited to a maximum of \$50,000 to restore a residence; \$10,000 to restore residential contents, or \$55,000 for both. The maximum allowable term is 30 years; however, terms are set in accordance with an applicant's ability to repay.

Business applicants unable to obtain credit elsewhere will be charged an interest rate of 8 percent. The maximum allowable term is 30 years. Those who can obtain credit will be charged 18 1/2 percent, for a three year term. All business loans are limited to 85 percent of the uninsured loss and must not exceed \$50,000.

SBA may limit any disaster loan to an amount that can be repaid. SBA can approve a loan only when there is reasonable assurance that the loan will be repaid.

Now is a great time to see the fall foliage in the Rosston, Forestburg and Leo area. It is particularly beautiful this year and there is a greater variety of colors than folks can ever remember seeing before. Maybe the weather favored us just right. But, don't wait too long to make your local Fall Foliage Tour! Because we've already had our first frost, and a real freeze would turn everything brown and brittle.

Mrs. Steve Kohler has recently returned from Whitefish, Montana after a two week visit with her mother, Mrs. Ann Schwartz. Mrs. Kohler assisted her mother in moving to a ranch 60 miles from Whitefish. She will live with son Gil on the ranch. Mrs. Kohler flew from Dallas to Whitefish.

Mr. and Mrs. Johnny Britian are proudly announcing the arrival of their fourth grandchild. He is the son of Mr. and Mrs. Val Escobedo of Myra and all the trimmings, serving starts at 5:30 to 8 p.m. Tickets are \$4.00 and \$2.00 for children under 12. Tickets may be obtained at the door. The Community Club invites everyone to come and have dinner.

## State FB membership reaches record high

Membership in the state's largest farm organization, Texas Farm Bureau, has reached a record high of 276,247 member families, according to Carrol Chaloupka, president.

Last year's membership total was 263,218 families in Texas. The organization gained 13,029 member families during this fiscal year, which ended Oct. 31, according to Chaloupka. This was the 28th consecutive year for Texas Farm Bureau to gain in membership.

The twenty largest county Farm Bureaus in terms of membership size are: Harris, Fort Bend, Brazos, McLennan, Collin, Fayette, Van Zandt, Wharton, Ellis, Bell, Wise, Grayson, Hidalgo, Nacogdoches, Austin, Brazoria, Houston, Washington, Bexar, and Dallas.

The farm organization is affiliated nationally with the American Farm Bureau Federation, which has more than three million members in the 48 organized state Farm Bureaus and in Puerto Rico.

"Farm Bureau is an independent, non-governmental farm organization, united to do something to help farm and ranch families reach higher economic and educational goals," Chaloupka explained. "It is financed by voluntary membership dues, and run by the members through majority decision," he said.

Chaloupka explained that only farmers and ranchers who receive more than 50 percent of their income from agricultural production can vote on organization policies or hold office.

The organization's annual meeting will be in Corpus Christi Nov. 29 - Dec. 2.

# MHS Hornets wallop Alvord bulldogs 42-0

MHS Hornets made a picnic of their season closing game at Alvord last week and came home with the happy end of a 42-0 score. On the basis of an agreement with Coach Peters to stay in as long as they held the Bulldogs scoreless, they remained for the duration and kept their own offense in production every period.

Total yardage for the Hornets was 368 yards of which David Flusche gets credit for 257. He started with a bang, a romp of 85 yards on the first scrimmage play and ran his total to 210 at half time. As regards actual gains, Gary Klement has an item of 80 yards not included in the rushing stats. He did it on the second half

kickoff return.

However, as it turned out Muenster had its hands full keeping the opponents scoreless in the second half. Their Bulldog determination was evident as they broke even in yardage and made 6 first downs as compared with Muenster's 7. Five of the first downs occurred in the last quarter. One drive gained 56 yards before ending in a fumble on the Hornet 31. Another moved the chain twice and was stopped by a holding penalty.

Muenster got on the scoreboard on the first play of its first possession as David Flusche knifed through and sprinted all of the way. Dale Swirczynski's PAT missed.

The teams exchanged kicks twice before MHS got its next score. After the second kick Alvord was back at the 12 and Neighbors got caught for a safety while scrambling in the end zone. Kevin Felderhoff got him.

The kick that followed went to the 23, where Muenster started working on its second TD. Nine plays made the 77 yards, Flusche scoring from the 15. A pass for extra points missed, MHS led 14-0 with 27 seconds remaining in the first quarter.

The teams broke even on first downs in the second period. Alvord had to kick twice and lost possession once on a fumble. Muenster fumbled away two opportunities and made good on the third. That one, starting with Chris Rohmer's fumble recovery, went 62 yards in nine plays and ended in an 18 yard pass to Tim Schneider. The half time count was 20-0.

The second half got under way explosively when Kevin Klement received the opening kickoff, did a bit of fancy footwork, and broke away for a touchdown. Swirczynski's kick upped the score to 27 with only 13 seconds gone.

Moments later MHS was at it again. Alvord got off a bad punt on first series after kickoff and the Hornets were only 30 yards away. Seven tries were enough. Klement scored and Swirczynski's kick added a point. The score was 34-0 at 7:25.

At the last period Alvord seemed to sense that the Hornets had a shut-out in mind and stepped up their intensity. At one time they sustained a drive for three first downs and lost possession on a fumbled pitch-out at the 31. And near the end they put two first downs together and failed to make the required yardage on the third series.

Between those two attempts MHS got its last score. Following a Hornet punt the Bulldogs were at their 30 and fumbled on the next play at the 26. Flusche went in from there but the TD was nullified by a penalty. So, on the next try Flusche scored from the 31.

On the attempted kick for extra point the snap was high. Swirczynski caught it and passed to Flusche for two points instead of one.

The game closes out a gratifying season of 8-2 over all and 4-1 in district, but also a disappointment in the district because of a heart-breaker one point loss to Paradise. The decisive 42-0 finale compensates slightly for the letdown, but not quite. Coach Peters said "We've got an excellent team, but maybe having a crack at the state title just wasn't meant to be. I couldn't have asked anything more from this bunch. Nobody picked us to do anything this year, but we surprised some people."

## Turkey Trek is Heart Fund event

The Cooke County division of the American Heart Association has announced plans for the first annual six mile "Turkey Trek" at Leonard Park in Gainesville, with registration beginning Saturday, Nov. 14 at 9 a.m.

There will be six age divisions for both men and women: 0-9; 10-19; 20-29; 30-39; 40-49; 50 and over. Medals will be awarded to the top three finishers in each age group with a turkey going to the winners.

Entry fee for the race is \$6. For more information contact Phil Newton 665-3992 or Phil Schenk 665-7389.

## Seasoned wood best for heating

It's time to start thinking about firewood for those cold winter nights that are here already.

Although green wood will burn, seasoned and dry wood has more heat value and will not deposit excessive creosote in chimneys and stovepipes, says Neil Tibbets, Cooke County agent.

Any moisture in wood reduces the recoverable heat. The heat must first dry the wood so it will burn. So wood cut in late fall or winter doesn't have time to dry adequately.

Split wood will dry faster than wood not split. Stack wood loosely in piles on a couple of rows of bricks. This keeps wood off the ground and prevents decay while at the same time allowing faster drying.

Stacking firewood in a sunny location and covering it with clear plastic also helps moisture to evaporate, thus speeding up drying and seasoning.

Since water vapor will condense on the plastic, adequate ventilation is necessary. Keep plastic off the ends of the firewood to allow air to flow and to keep condensation from wetting the wood.

If trees are cut for firewood in the summer, you may want to leave tops and limbs on for a week or more. Leaves draw moisture from wood and help it to dry more quickly.

Oak and hickory make the best firewood, advises Tibbets, both produce a high amount of available heat per pound, but oak is easier to split. Pine also can be used for firewood. Past reports that pine causes creosote buildup in chimneys and stovepipes have not been substantiated by research.

## Muenster Jrs. maul Alvord 48-0

Eighth graders of Muenster Public School ended their football season with a 48-0 scoring spree over the junior Bulldogs of Alvord and the seventh grade lost 8-0 to Callisburg. Both games were on the MHS field.

With those games the eighth grade has a record of 2-5 and the younger boys are 0-3. It's not impressive but satisfactory, in the opinion of Coach Leonard Peters. "It represents progress, and that's what counts most."

An example is the seventh graders game, in which Callisburg scored on a big play of about 50 yards, but otherwise the young Hornets were in control. They made about 10 first downs and held the opponents to minus yardage.

Lots of boys shared in the scoring of the second game. Johnny Eldred rates as the MVP with three rushing touchdowns and two runs for extra points, a total of 22. In addition he threw a

touchdown pass to Paul Russell.

Doyle Lewis scored one TD plus a run for extra points. Jeff McAden made a touchdown and Mikael Fette intercepted a pitchout and went on for a touchdown.

A week earlier the eighth grade provided a good contest for the undefeated kids of Boyd. They were equal or better on the field but behind 6-0 on the scoreboard.

# Tigerettes start basketball

Enthusiasm is running high among Sacred Heart Tigerettes this week as they start basketball practice with a goal of improving their 1980 record of 12-14 and advancing to semifinals of the TCIL state play offs. Their coaches are Jon LeBrasseur and Cathy Thomas.

They have more potential than last year, according to Coach Jon, but the question of leadership has not been decided. "They could have a great team if leadership will emerge."

The roster includes Freshmen Sondra Hess, Rose Felderhoff and Car-

men Daugherty; Sophomores Susan Walterscheid, Anne Felderhoff and Marilyn Hartman; Juniors Laurie Endres, Connie Stoffels, Laura Grewing and Karla Hartman; Seniors Carol Walterscheid, and Jenny Felderhoff.

Two of those players are returning starters; Carol Walterscheid, all-area, all-district and all-state, and Susan Walterscheid, all-district and all-area honorable mention. Along with these two are six other returning lettermen: Karla Hartman, Marilyn Hartman, Jenny Felderhoff, Anne Felderhoff, Connie Stoffels and Laurie Endres.

Outstanding prospects, based on last year's record, are Anne Felderhoff, excellent quickness and best shooter; Carol Walterscheid, last year's leading scorer; Susan Walterscheid, last year's best all-around with 55% FG average. Coach Jon regards quickness as the major strength; shooting, rebounding and ball handling as skills to be developed.

Lettermen who graduated last year are Tammy Henschel, all-district, all-area, all-state; Virginia Bartush,

all-area honorable mention; Nancy Sicking, Shelle Walterscheid and Angie Bartush.

The TCIL district this year has three members, Alamo Catholic of Amarillo and Notre Dame of Wichita Falls along with Sacred Heart. The winner will advance to bi-district, and, if successful there, to the state playoffs.

The Tigerettes have had their first action, outscoring Valley View in a scrimmage and their next will be the season opener with Valley View Tuesday night at 7 on the SH court. A Saturday scrimmage with Aubrey has been scratched.

Starting date for the Tigers depends on their post-season football. They

will play Marian Christian of Houston and, if successful, will have another game before starting basketball. On the other hand, it's possible the Tigers will play short handed for a few games.

## SH Cubs lose to Henrietta kids

Junior High youngsters of Sacred Heart were second best in their 14-8 tussle with Henrietta Thursday night. It was their

second loss action of the season, which will close here Thursday night with Notre Dame seventh and eighth graders.

Sacred Heart was first to score. Keith Hennigan did the honor in the first period with a 3 yard run ending a 70 yard drive. Ken Hesse carried the ball over for an additional 2 points.

The visitors made both of their touchdowns in the fourth quarter. The first one was the pay-off of a 50 yard drive which started with a fumble recovery and ended

with a 10 yard pass.

The last score, less than a minute before the end, was the result of a 25 yard run shortly after a fumble recovery on the 35.

The teams played about even, both gaining at times but less successful at sustaining a drive. Standouts for the Cubs were Keith Hennigan, Ken Hesse and Lloyd Walterscheid.

## Deer facts for deer season

In a very short time deer season will be upon us. Many people enjoy this time of the year. It gives the individual a chance to break the every day routine and go out and enjoy nature. If you are a deer hunter you may be interested in the following.

In 1881, due to public concern, the first closed season for deer was enacted. This was for five months. In 1903 the bag limit was established at six bucks per season, and was reduced to three bucks per season in 1907.

The first hunting licenses (5000) were sold in Texas in 1909, and in 1919, six game wardens were hired to patrol the entire state of Texas.

The whitetail deer is the most numerous big game animal in Texas and in the United States. Aesthetically and emotionally, the whitetail holds a place of distinction in the hearts and minds of many Texans. The whitetail is one of the most researched, observed, sought after, cussed and discussed of all wildlife species in Texas.

Texas has more whitetail deer than any other state. Current census data indicate that there are an estimated 3.1 million. An estimated 350,000 whitetails are harvested by sportsmen in Texas annually.

Deer in the wild usually have a life span of 10 years. The teeth usually wear out during the eighth or ninth year. The age of deer are determined by tooth replacement and tooth wear of the premolars and molars (back teeth) of the lower jaw. If you would like a picture showing how to age deer, come by the office here in Muenster for a copy.

A buck grows a new set of antlers each year. The size of the antlers depends primarily upon the quality and quantity of food the buck eats and his age. With favorable conditions, antler size and spread will increase with deer age. After the sixth year, antlers usually decline in size due to the deer's inability to properly chew and digest food.

The most serious threats to Texas deer herds are habitat destruction, poor range or inadequate food supplies, disease and parasites, and illegal hunting.

Rainfall is an important factor affecting deer herds. Extended periods of severe drought during late summer and fall months are especially harmful to fawns, yearlings, and old deer.

Last but not least, if you are a hunter treat every gun with the respect due a loaded gun. Remember to always be sure of your target before you pull the trigger.

## Diocesan Lay Assembly meets

Muenster was represented by **Mrs. Arthur Endres** and **Mrs. David Bright** at the Diocesan Lay Assembly meeting held **Sunday, November 8** at St. Jude's Parish in Mineral Wells.

The five deaneries of the Fort Worth Diocese were included, and each met separately at 1 p.m., followed by a meeting of the General Assembly.

Delegates to the North Deanery meeting, of which Muenster is a member, expressed a need for Parish Council Workshops, on an individual or regional arranged basis, within each deanery. The Formation Committee will assume responsibility for putting this into effect.

North Deanery delegates also agreed that representation to the Diocesan Pastoral Council needs to be covered on all commitment levels. On a tentative arrangement, therefore, but awaiting election, volunteers agreed to attend on a non-voting basis.

Following deanery meetings, the entire Assembly gathered for an informal summation and reports of individual meetings.

Following this activity, the Assembly divided into committee workshops for Administration, Formation, Service and Worship. Bishop Joseph P. Delaney visited briefly at all committee meetings and at a final General Assembly he addressed all delegates to assure them of his wholehearted support. He encouraged them to pursue their efforts in behalf of the Church.

## Auxiliary dance dated Dec. 5th

The Muenster Hospital Auxiliary urges this thought, "Plan your Christmas parties around this event, the annual holiday dance," on **December 5.**

Themed "Christmas Under Texas Skies," the dance will reflect country-western design. Leather and Steel, a country-western band will play for dancing 9 p.m. to 1 a.m. in the Community Center.

Proceeds will be applied toward the purchase of a TV Contoller and Pump for use in Muenster Memorial Hospital.

Mrs. Charlie (Harriet) Pangel is general chairman. Mrs. Robert (Betty) Miller and Mrs. Mike (Pam) Felderhoff are decoration chairmen. Mrs. Jerry (Monica) Hess is publicity and tickets chairman. Requests for reservation may be phoned to her at 759-4254 or Betty Miller 759-4276.
