A few weeks ago at the Cancun North-South summit conference it was obvious that President Reagan's proposals were disappointing to the Third World leaders and their supporters who claim that the answer to poverty is a continued generous handout to the have-not countries by the have countries. Specifically this means foreign aid from the US to less prosperous people.

Our president voiced solid common sense by pointing out that the aid policy is a long time mistake that needs to be corrected for two very good reasons. In the first place the poor countries themselves can have no security or progress on handouts. In the second place the handouts impose a burden on the countries which provide them. Reagan's answer can be summarized in the old proverb we have heard many times: "God helps those who help themselves." The message was that they can not only provide for their own needs but also achieve a higher standard of living by adopting free enterprise as an economic policy.

Since his statement the President's good advice has been verified by Fred Barnes in the American Spectator. Edwin Feulner of the Heritage Foundation quotes the article noting that many nations of the Third World are experiencing "what amounts to a capitalist counterrevolution of global dimensions, resulting in booming economies in the unlikely places."

Barnes said that the rebirth of capitalism has come in three waves. The first, in the 1960s, brought prosperity to South Korea, Taiwan, Hong Kong, Singapore and the Ivory Coast. Each of these success stories refutes the claim that only "resource rich" countries can develop successfully, advanced economies. They have made fortunes by processing materials imported from other countries.

The second wave, according to Barnes, was in the mid 1970s when Chile, Uruguay and Sri Lanka lifted their economy with capitalism. And now there are signs of progress through capitalism in Red China, Egypt, and several Latin American countries.

The blueprint of progress was essentially the same in all of those countries. They disposed of regulations, price control on food, heavy taxation of farmers and industry, all of which were burdensome and inefficient.

As a result, South Korea, almost alone in the world, maintained an economic growth of 10 percent through oil price increases and recessions of '74 and '75. Also, the Ivory Coast, where small scale farming and industry have flourished, exports rice, cocoa and coffee at great profit, and has attracted a million African immigrants. And Sri Lanka experienced an economic boom after the government cut taxes, scrapped import and price controls and established an "investment promotion zone."

The common denominator in all cases is to remove the handicaps and allow individuals more freedom in working for their own advancement. When that is done the backward, Third World people are not slow in showing that they really are more able and more ambitious than they are given credit for.

Though some of Reagan's Cancun critics still do not admit or know the score, the fact is that he is entitled to their deep appreciation. Realizing that they can expect less in future handouts, those countries have more incentive to do for themselves. Their governments can get the good work going continued on page 2...

"Messiah" booked here December 13

The Cooke County Symphony and Chorale has announced that its annual performances of Handel's Messiah will be moved from their original dates of December 5th and 6th to the following weekend, December 12th and 13th. The performances will take place at 7:30 each evening. Saturday's performance, December 12, will take place at Gainesville High School Auditorium and Sunday's performance, December 13, will take place at Sacred Heart Church in Muenster.

Messiah represents the second offering in the Symphony and Chorale's season, a season which got under way in October with performances of music by Corelli, Bach and Beethoven. "Messiah is certainly one of our strong suits," says Dr. Harold Alan Kafer, Music Director. "This will mark the fourth year for these performances and the Chorale is really beginning to feel comfortable with the work. Each season they show new depth in their singing and understanding of the music as we work together to keep the notes fresh."

Asked if he ever tires of working on what has become the most performed classical music written, Dr. Kafer answered, "No, renewing my acquaintance with this music each fall is like rediscovering an old friend. There is always something new to be found in these notes, while they are at the same time an endless source of energy and hope in combination with the text. I can't imagine Christmas without Messiah. It just wouldn't be the same. This year will be the eleventh time I have participated in Messiah as a musician and I hope it never stops."

Tickets for Messiah will be available at the door. Individual tickets are \$6.00 or season tickets for remaining concerts may be purchased for \$20.00, a saving of \$1.00 over individual ticket prices. Season ticket holders may also attend either or both performances of each concert pair.

Street dust remains problem for city

Mayor Leo Hess thought he had the answer to the city's street problem but discovered on the job that his equipment was not quite adequate. Until that problem can be solved residents apparently will be stuck with continued dust from their recently paved streets.

The trouble traces back to the paving project finished in the late summer. It was the usual job in which the surface consisted of a layer of crushed rock over a course of hot asphalt. If the rest of the process proceeded normally, the rock would be pressed into the soft asphalt by traffic.

But summer temperature soon moderated and the asphalt got firm with a less suitable texture for working the rock into the surface.

That was only half of the story. The next discovery was that the crushed rock was a considerably softer grade of limestone than used on the previous local paving jobs. Lying unused on the surface, it was being ground

Mary said, "My heart praises the Lord; my soul is glad because of God my Savior, for he has remembered me, his lowly servant! From now on all people will call me happy, because of the great things the Mighty God has done for me."

The rough surface of Oak Street is gradually wearing away and contributing to the dust problem experienced by many Muenster residents. Although the current excess gravel will be picked up, next summer's heat will soften the asphalt layer and make a new layer of crushed rock probable. Staff Photo

Muenster tops \$5,800 United Way goal

Muenster went over the top in its United Way campaign, completing the job during the weekend with a total of \$5,800. Larry Kinard, community chairman, said the amount was exactly what had been set as the goal and was \$689 more than was donated here last year.

He said that up to now Muenster and Lake Kiowa are the only communities of the county to reach their quota. The county wide drive is still considerably below the mark, Kinard ad-

ded, but the exact figure was not available.

The principal handicap has been the flood. Hundreds of prospective donors gave instead to relieve losses caused by the high water, and many more had heavy losses of their own.

Regarding Muenster's response, Kinard conveys the sincere appreciation of all United Way personnel. The local generosity was highly commendable, he said, a credit to the community. Thanks are extended to those who gave and those who conducted the drive.

The workers were Henry Weinzapfel, Kenneth Selby, Dennis Hess, David Fette, Roger Taylor, Virgil Henscheid, Tom Hesse, John Pagel, Dolphy Hellman, Larry Hennigan and Monica Hess.

Fourteen agencies participating in the United Way program. Some with which Muenster is directly involved are Red Cross, Muenster Youth Council, 4-H and FFA and the Boy Scouts.

Parade interest perks up

Interest in the annual Christmas parade and Santa visit, which has been quiet until now, is beginning to show signs of life. Parade Chairman Lupe Evans said Tuesday that entries are starting to come in and the outlook for the event is encouraging.

Three bands are booked: The Gainesville Middle School, the Saint Jo Band and the MHS Hornet Band. Another musical attraction will be Juanita Bright's carolers, who after parading will continue singing at the Hess Furniture corner. Another group is the first grade Campfire Adventurers of Muenster. More such

groups in uniforms or costumes are invited to come out and be seen.

Floats can be expected from Fischer's Market, from two packs of Gainesville Cub Scouts and one pack of Muenster Cub Scouts.

Special attention is invited to the floats, which are being encouraged as an opportunity to present the more interesting units of the parade as well as win cash prizes of \$100, \$75 and \$50. The Chamber of Commerce, parade sponsor, suggests team work in this venture, with a sponsoring business firm to provide the materials and a class or organization doing the work.

An attraction for the kids is Wralsh the Wrangler, an oversize friendly pooch, handing out goodies with compliments of The Hut. And located near The Hut will be a saleslady selling Gerry T-shirts and bumper stickers for the Frank Buck Zoo Fund. It's an answer to whoever wants a Gerry shirt for gifting.

The main attraction for youngsters, of course, will be the genial old white whiskered Saint Nick in his bright red finery. His appearance is sponsored by the Jaycees and the Chamber of Commerce who are jointly providing the goodies for the party. Santa will have his headquarters at the AMPI corner and will be available to the children for an indefinite period of Christmas talk and handouts.

Customary decorations will complement the parade and Santa for the Com-

munity's introduction to the Christmas season. The location for Santa's party is a huge Christmas tree provided and decorated by the Jaycees. In addition there are the strings of colored lights across Main Street and the highway along with the usual array of Yule lighting in the stores... and especially the landmark display of Muenster, the "Noel" on the top of the water tower.

The city's yule lights were installed last Friday by TP&L line crewmen and city personnel. The display consists of five strings across Main with 33 bulbs each and 2 additional bulbs in each ornament at supporting brackets; also four strings of 47 bulbs across the highway, and the Noel display plus four strings of bulbs around the water tower.

Students invited to "Sing-Along"

Carolers are preparing for the Christmas Parade Concert. All students in Muenster who are not participating in the Christmas parade with an organization or business-sponsored float are invited to sing with the carolers before and during the parade. The only requirement for participation is to wear a red and white stocking cap and to sing heartily. The songsters will gather on the curved steps at the South West Corner of Hess Furniture Store about 45 minutes before Parade time. Mrs. Ruth Felderhoff and Mrs. Eileen Fisher will lead the singing.

K of Cs promote "Christ in Christmas"

Muenster Knights of Columbus again this year are supporting their organization's nation-wide program of "Keeping Christ in Christmas."

Their activity will be twofold, one consisting of erecting a large, attractive sign in a prominent location, the other in sponsoring a Christmas lighting contest emphasizing Christ in Christmas.

Entries of the contest are to feature scenes associated with Christ's birth, like the nativity, angels, shepherds, the Magi, etc. A team of out

of town judges, guided by Chairman Joe Hoenig will tour the city Saturday Dec. 21, 7 to 20 p.m., to select first, second and third place winners. Rural residents can have their displays included in the judging by notifying Hoenig.

The sign will be erected Saturday at a work party to which KCs are invited with hammer and step ladder. The job consists of building a 9 X 23 frame for the picture and mounting it on the side of the Jaycee beer van. The unit will be parked at Community Lumber Co. during the holidays.

Cooke County Appraisal district cuts budget

Taxing entities of the county received the good news Monday that their cost for services by the Cooke County Tax Appraisal District will be some \$21,000 less than formerly estimated. CCTAD has adopted a budget of \$530,000 for 1981 whereas the former estimate was \$551,446.

Leroy Johnson, chief appraiser, said the difference can be accounted mostly by appraisal fees for re-valuation of property, as

required by law. The tax district had budgeted \$110,000 for that purpose but only some \$80,000 will be spent this year. The remaining \$30,000 will probably be used to meet appraisal expenses in 1982, Johnson said.

The saving will be prorated among the several tax districts served by CCTAD. The charge to each is proportional to the percentage of its total revenue to the over-all revenue.

24 receive First Communion

KCs have crowded Dec. calendar

The December calendar is crowded for Muenster KCs.

Starting Saturday a work party will erect a sign on Keeping Christ in Christmas. On Sunday, the 13th they will have their monthly bingo party, on Saturday, the 19th, they will have an adult Christmas party, on Sunday, the 20th, they will have a kid's Santa party, and on Monday, the 21st they will have the judging in their "Christ in Christmas" lighting contest.

The adult party on Dec. 19 is for members, wives, wives of past members and nuns. The council will furnish music, song sheets, set-ups and snacks and invites its guests to take it from there.

The kids party on Dec. 20 will be for children and grandchildren of the members with gifts and drinks. The little ones will be welcome to visit personally with Santa.

Twenty-four second graders of Sacred Heart School received Holy Communion for the first time at the 11:00 o'clock Mass celebrated by Father Denis Sorries, on the Feast of Christ the King. The children actively participated in the Liturgy as they sang and read the parts of the Mass. The petitions were offered by eight of the class, and others brought gifts to the altar in the Offertory procession. The children renewed their Baptismal vows, holding lighted candles. Each child was escorted to the Communion rail by his or her parents, and received the Eucharist as a family group. On the following Tuesday the class was enrolled in the Brown Scapular during the 8:00 o'clock Mass.

Members of the class, with their parents are listed as follows: Misty Vogel, Mr. and Mrs. James Vogel; Mark Flusche, Mr. and Mrs. Harold Flusche; Shirley Henschel, Mr. and Mrs. Ervin Henschel; Darren Klement, Mr. and Mrs. Pat Klement; Jennifer Walter, Mr. and Mrs. Chris Walter; Gary Hess, Mr. and Mrs. Gene Hess; Cheramie Mosler, Mr. and Mrs. Damien Mosler; Scot Hennigan, Jerome and Evelyn Hennigan; Lisa Schilling, Mr. & Mrs. Frank Schilling, Jr. Stevan Nasche, Mr. and Mrs. Angelo Nasche; Bernice Bartel, Mr. and Mrs. Walter Bartel; Scot Wilde, Mr. and Mrs. Dan Wilde; Melanie Wilde, Mr. and Mrs. Dan Wilde; Gregg Hess, Mr. and Mrs. Frankie Hess; Cindy Schilling, Mr. and Mrs. Duwayne Schilling; Gussie Felderhoff, Mr. and Mrs. Gus Felderhoff; Jami Flusche, Mr. and Mrs. Tom Flusche; Jason Frost, Mr. and Mrs. Mike Frost; Beth Hoedebeck, Mr. and Mrs. James Hoedebeck; Helmuth Koelzer, Mr. and Mrs. Wilfred Koelzer; Kristen Klement, Mr. and Mrs. Andrew Klement; Chris Hess, Quinten Hess; Dana Hess, Mr. and Mrs. Tony Hess; Vicki Bayer, Mr. and Mrs. Claude Bayer.

Father Denis Sorries was celebrant of the Mass and altar boys were John Nasche, Deano Bayer, Michael Walter, and Terry Bartel. The teachers are Marilyn Smith and Sr. Cecilia Marie.

CCC urges early pick-up of registration time permits

One item local and area students shouldn't forget to add to their "to do" lists for the upcoming holidays is picking up a registration time permit for the spring 1982 semester at Cooke County College.

Persons planning to enroll may pick up their time permits now for the spring term which gets underway shortly after New Year's.

Spring semester registration is set for January 7-8 (Thursday and Friday), and classes will begin on the following Monday (January 11).

"We strongly urge all students to come by the Registrar's Office on campus to pick up their time permits as soon as possible," says CCC Counseling Center director Bill Caver. "Permits will be issued on a first come-first served basis."

He adds that, because many classes fill up quickly, an early registration time will insure that students will be able to get the classes they need or want.

Caver also recommends that new students enrolling at CCC for the first time make a special effort to pick up their registration materials early.

"This is because new students have a certain amount of paperwork that should be taken care of prior to registration," Caver explains, pointing out that they must complete an application for admission form, submit transcripts and turn in an immunization certificate.

A high school transcript is needed if the student graduated within the last five years, or students without a high school diploma may submit a GED certificate. Transfer students also must submit an official transcript from the last

college previously attended.

Caver says, however, that new students who are pressed for time will be accommodated if all required materials are not completed before registration, but he stresses that all such materials must be on file prior to the end of the term.

Another very important item to be picked up along with the registration time permit is a trial schedule form. Students are required to schedule an appointment with a college counselor prior to registration for assistance in choosing specific courses to be taken.

Once the courses are decided upon, the student must then consult the spring schedule of classes (available in both the Counseling Center and Registrar's Office) to pick up the desired days and times for the courses.

Caver emphasizes that the trial schedule sheet, signed by a counselor, must be presented in order to gain entrance to the registration area when students report to the Activities Center on campus at the time indicated on their time permits.

Counselors will be available in the Counseling Center (Room 108) from 8 A.M. to 4:30 p.m., Monday through Thursday; from 4:30 to 7:30 p.m. Thursday evenings; and from 8 a.m. to 3 p.m. on Fridays.

Students should remember, however, that college offices (including the Counseling Center and Registrar's Office) will be closed December 23-25 and December 31-January 1 for the Christmas and New Year holidays.

Registration for the spring term will take place from 8:30 a.m. to 12:30 p.m. and from 4:30 to 8 p.m. on January 7 (Thursday) and from 8:30 a.m. to 2:30 p.m. on January 8.

Late registration is scheduled for January 11-13.

Persons wishing to obtain additional information about enrollment procedures, registration or available classes for the spring 1982 semester at Cooke County College should call (817) 668-7731.

Fischer's Store featured in Affiliated Weekly Bulletin

Butch and Johnny Fisher.

Art's Photos

A recent issue of the Weekly Bulletin published by Affiliated Food Stores salutes Fischer's Meat Market as an outstanding store rendering a valuable service to the community.

It refers to the store's 54 years in Muenster beginning with establishment by J.H. and J.A. Fisher and nineteen years of Affiliated membership. The present owners, John and Francis (Johnny and Butch) are identified as sons of J.A. Fisher. They have enlarged and improved extensively since taking over the business six years ago.

The article refers to their widespread support of the community, including church and school activity, scouting and 4-H and FFA projects as reflected in their purchase of the grand champion steer at the 1981 Cooke County Junior Stock Show. The 1235 pound animal sold for \$2,593.50.

The store is included in the current Chamber of Commerce brochure and cooperates each year as both an organizer and exhibitor at Muenster's Germanfest. Following one of the festivals Johnny received the outstanding chairman award at a Chamber of Commerce banquet.

Affiliated members featured in the bulletin are also included in the company's new series of television commercials entitled "Part of the Community".

into dust by the traffic. Complaints about the dust nuisance were coming from all over town.

The solution to that problem, it seemed, is to pick up the surplus with a street sweeper and wait until next summer allowing the asphalt to soften again before spreading another top course.

However the pickup job is not as simple as expected. Lots of the dust does not yield to the sweeper and the city is still stuck with the problem of finding a machine to remove the dust.

Peggy Fuhrmann and Leo Lutkenhaus exchange vows

Mr. and Mrs. Leo Lutkenhaus have returned from a trip to Colorado which followed their wedding on November 14 in St. Peter's Church of Lindsay.

The bride is the former Peggy Fuhrmann, daughter of Mr. and Mrs. Damon H. Fuhrmann of Rt. 2, Gainesville, and the groom is the son of Mr. and Mrs. Gus Lutkenhaus of Rt. 2, Muenster.

The bride is a graduate of Lindsay Public High School and is employed as a clerk/carer for the Gainesville Post Office. The groom is a graduate of Muenster Public High School and is a route salesman for Cooke County Distributing Co.

Father Cletus Post officiated for their wedding vows and was celebrant of the Nuptial Mass at 5 p.m.

Presented at the altar by her father, the bride was wearing a formal wedding gown of white organza over peau-de-soie. It was designed with a modified Queen Anne neckline, and

accents of seed pearls and iridescents on the bodice. Long, sheer bishop sleeves were gathered to chantilly lace cuffs. From an empire waistline the skirt drifted in chantilly lace tiers into a sweeping chapel length train.

Her full length bridal veil, extending over the train, was completely edged in a wide band of matching lace and was attached to a Camelot headpiece of chantilly lace and seed pearls.

For sentiment she carried a lace handkerchief gift from her grandmother, Mrs. Pete Block and a birthstone rosary gift from her paternal grandmother Mrs. H.S. Fuhrmann. For "something borrowed" she wore her mother's diamond necklace and the groom's mother's pearl earrings.

Her bridal bouquet was a cascade of white silk roses, burgundy rosebuds, white and pink pom pom mums, stephanotis and white baby's breath, underlaid with ivy, with tiny rosebuds caught into the loops of

white bridal ribbons.

Attendants

The matron of honor was the bride's sister, Mrs. Carol Fleitman of Myra and bridesmaids were her sisters, Jo Ann Fuhrmann and Luella Fuhrmann. They were identically dressed in rose Qiana with draped bodice, slit sleeves enhanced with lace, empire waist and flared skirt. Their flowers were bouquets of fresh white spider mums, pink carnations and white baby's breath tied with lace streamers. The flower girl, Laura Lutkenhaus, niece of the groom, carried a basket of white mums and pink carnations, with pink ribbons. She wore a dress similar to the bridesmaids.

Michael Hacker, nephew of the bride was ring bearer.

Dennis Lutkenhaus was his brother's best man; and James Fuhrmann, bride's brother and Monty Reiter, a friend were groomsmen.

Charles Lutkenhaus, groom's brother from Phoenix, Arizona and John Kubicek, groom's brother-in-law and Maurus Hacker, bride's brother-in-law were ushers.

Michael Lutkenhaus and Steve and Dave Kubicek, nephews of the groom were Mass servers.

Wedding music was provided by organist Mrs. Patsy Henry and a vocal group Doug and Lynda Yosten, Linda Flusche and Christi Klement who presented selections before and during Mass, and a vocal solo by Mrs. Henry.

Cheryl Hacker, niece of the bride, presented a white rose which the couple placed on the Blessed Mother's altar.

Chris and Doris Muller and C.J. and Matthew presented Offertory gifts at the altar.

In keeping with tradition, the bride presented a single burgundy rose to her mother, preceding the ceremony and to the groom's mother following the ceremony.

Church decorations included altar arrangements of white gladioli, pink carnations, and burgundy pom-pom mums. Cadelabra entwined with white and burgundy mums, ice plant and votive candles decorated the Communion rail. The wedding party entered the sanctuary through an archway decorated with ivy and pink and white roses.

Reception

A reception, dinner and dance were held in the Knights of Columbus Hall in Gainesville, hosted by the bride's parents.

Peggy Popp and Mrs. Pam Hoberer presided at the bride's book, at a table covered with a burgundy lace cloth, where the unity candle and bride's portrait were displayed.

The groom's table held a horseshoe shaped cake, engagement pictures of the couple and a floral arrangement centered with a burgundy candle.

The three tiered white wedding cake was the centerpiece for the bridal party's dinner table. It was cut by Betty Rose Walterscheid.

The groom's cake was cut by Carolyn Lutkenhaus, groom's sister-in-law. Cake servers were Marian Wagner, Deana Nortman, Karen Fleitman, cousins of the bride and Donna Lutkenhaus, niece of the groom.

The Colonial Restaurant catered the dinner and Doug Martin's band played for dancing.

Rehearsal Dinner

The groom's parents hosted the rehearsal dinner at The Center Restaurant for 24 guests on November 11.

An on-the-hour shower for classmates was hosted by Peggy Popp and Pam Hoberer on October 25. A surprise gadget shower was given by brothers and sisters of the groom in the John Kubicek home for 50 guests on November 7; and a recipe shower on November 8 was given by the bride's sisters and sisters-in-law in the James Fuhrmann home. Guests each brought a favorite recipe and an ingredient for it.

Get Smart - Give the edge.

and we'll give you the edge with a free Sedgefield belt buckle from Hamric's

The edge in Sedgefield blue jeans, the first all-cotton jeans to behave the way jeans should. They fit perfectly wash after wash because there's no shrinking out of size.

They always look lean and clean because they resist wrinkling and puckering and ugh... those tacky twisted legs.

They also get softer faster and wear longer than ordinary cotton jeans.

And, Sedgefield does it all without putting plastic (polyester) in their jeans like some of the biggies. After all, if it isn't all-cotton it isn't really blue denim.

The best surprise of all? You get all this without paying any more than the regular price of the so-called big names.

I got smart. I got the edge—the Sedgefield edge.

MHS teams start with pair of wins

Varsity teams of Muenster High School made a good start on their basketball season in the MHS gym last week Tuesday. The Hornets won 30-27, the Hornets won 32-20 and the junior varsity girls lost 17-11.

MHS girls started with a 6-6 first quarter tie and inched ahead to 16-14 at the half. Ending a strong third quarter they had a 24-16 lead and finally survived Callisburg's rally by a score of 30-27.

Scorers were Stephanie Richey 10, Charlotte Fleitman 7, Jill Walterscheid 5, Carla Walterscheid 3, Kyla Hale 2, Sandy Wimmer 2, Mary Winn 1.

Good defense and good rebounding plus Callisburg's cold streak at the free throw line were the main factors in the Hornets 32-20 win over the Wildcats.

Muenster trailed 6-5 at the first quarter and dominated the second and third periods for leads of 13-7 and 23-10. In the fourth the Hornets lost a point of their margin and finished with a 32-20 win.

Kevin Felderhoff led the way with 14 points and 19 rebounds. Tim Schneider was next with 11, Dale Swirczynski hit 3, Wayne

Carroll 2 and Gary Klement 2.

In the junior varsity game Jill Wimmer scored 6, Jackie Farrell 4 and Debbie Bindel 1.

MHS over Callisburg

MHS basketball teams repeated their earlier performance when they played return games at Callisburg Tuesday night. The girls won their end of the program 38-33 and the boys won 33-32. As a result both teams have a 2-0 standing in the young season.

Next action is the tournament this weekend at Slidell. Teams entered there are Muenster, Lindsay, Valley View, Chico, Forestburg, Prairie Valley, Paradise, Perrin, Krum B, Poolville and Slidell.

At Callisburg, the Hornets started with a 9-9 first quarter tie, then gained to leads of 20-15 at the half and 32-19 at the third quarter, then got into foul trouble as Callisburg rallied and closed most of the gap. MHS won 38-32.

Stephanie Richey led the scoring with 12. Sandy Wimmer got 9 points and 10 rebounds, Charlotte Fleitman 8 points and 9 rebound

ds, Kyla Hale 4, Jill Walterscheid 4, Mary Winn 1.

Coach Peters sees gradual progress in the girls with better floor work and fewer turnovers and gradual improvement in shooting. They made about 30 per cent of the field goals and 50 per cent of free throws at Callisburg.

The Hornets were lucky to come away with a 33-32 win after starting with fair leads of 6-4 and 19-8 in the first quarters. But the margin dwindled in the second half as the Wildcats got hot while Kevin Felderhoff was benched with fouls. Before going out Kevin had 7 points and 6 rebounds. Tim Schneider was leading scorer with 11; Gary Klement had 5 points and 7 rebounds, Dale Swirczynski 1 point and 8 rebounds, Wayne Carroll 6 points and James Huckaby 1.

Junior varsity boys were 16-12 losers at Callisburg. Craig Felderhoff hit 4, Jay Mollenkopf 3, David Winn 3, Kevin Wolf 2.

SH Juniors

2 with Valley View

Junior High kids of Sacred Heart School divided a pair of games with the Valley View youngsters Monday night. The girls won 16-9 and the boys lost 24-14.

Scores for the girls were Sandra Walterscheid 8, Leslie Hess 4, Tammy Hess 2 and Lisa Haverkamp 2.

Boys who scored were Ken Hesse, John Nasche, Lloyd Walterscheid 2, John Mangum 2, Tim Bartel 2.

The teams are entered in a tournament at Goldburg this weekend.

Tigers win thriller

A 30 foot shot one second before the buzzer was a winner for Sacred Heart Tigers in their game with Lindsay Tuesday night. With 3 seconds to go, SH took time out and set up an out-of-bounds throw in which was almost deflected by a Knight defender. However, Hesse got it, and his hurry-up shot was just right. Sacred Heart won 47-45.

During the game the lead changed several times. Tigers led 10-8 at the first period, trailed 19-16 at the half and led 33-31 ending the third, then finished with the story-book ending.

Tiger scorers were Neil Hesse 16, Brian Herr 14, T.J. Walterscheid 12, Duane Haverkamp 3, Darrell Herr 3. For the Knights Dale Hermes led at 23, Danny Bezner made 4, Jay Anderle 6, Brad Wimmer 6, Glenn Haverkamp 2, D. Anderle 2.

The girls game was a runaway featuring lots of talent by the Lindsay girls. They jumped to a 16-2 first period lead and kept gaining for scores of 31-14, 43-16 and 53-20. Tigerette point makers were Anne Felderhoff 8, Carol Walterscheid 4, Susan Walterscheid 4, Marilyn Hartman 2, Laura Grewing 2. Lindsay scorers were Bridget Fangman 14, Gayle Hermes 14, Gina Hermes 8, Kelly Fuhrman 7, Shelley Hellman 5, Dianne Luttmer 2, Nancy Zimmerer 3, Katie Fleitman 2.

Sacred Heart teams have open dates this weekend, will play Lake Tuesday and enter the Forestburg tournament the following weekend.

Neil Hesse, 34, scores 2 in the Tigers' see-saw game with the Lindsay Knights. A last second game goal won by 2 for Sacred Heart. Others pictured are T.J. Walterscheid and Brian Herr for Sacred Heart and G. Haverkamp and Dan Bezner for Lindsay.

Pack Meeting

Pack 664 had an advancement-filled pack meeting, Monday, November 30 at the VFW Hall. The meeting opened with the lighting of the Spirit candle and the presentation of the American and Pack flags by Webelos Eric Dankesreiter and Shawn Vogel. After a song, announcements regarding the "Scout Fun Fair" and the Christmas Parade were made by cubmaster, Lupe Evans. The cubs will enter a float in the parade on the 12th of December, those not riding will march in the parade.

A hearty thanks was given David Bayer for an "advancement ladder" he built for the pack. The purpose of this prop is to keep up with the cubs advancements. All the cubs present were helped by their den leader to place their name "pin" in the proper rung of the ladder.

Den 2, led by Patsy Bayer played a game of a "balloon sweep". Then it was time for advancements.

Receiving a Bobcat badge was Brian Reiter who portrayed an unhappy boy until he joined cub scouts and was transformed into a happy Bobcat. He was the first to be able to move on the new advancement ladder. Brian's parents were present to pin his Bobcat badge.

Receiving Wolf advancement badges were Douglas

Evans, Terry Felderhoff, Ryan Gehrig and Darrin Russell.

The Webelos receiving activity pins were as follows: Johnny Herr received the Artist and Citizen; Eric Dankesreiter received the Craftsman, Forester, Engineer; Shawn Vogel, Forester, Engineer, Scholar, and Naturalist; Ryan Bayer, Forester, Engineer, Showman and Scholar.

Murlin Evans received his Webelos badge, thus completing his 4 badges of cub scouting, Bobcat, Wolf, Bear and Webelos. After

showing the Scout sign and reciting the Scout Promise and Scout Law, Webelos leader Terry Walterscheid awarded Murlin his badge, and Murlin was able to advance himself on the advancement ladder. The closing was given by Den 4 in reciting a patriotic poem and singing "America, the Beautiful."

Refreshments were served by the Webelos den parents.

Christmas Holidays

We will dismiss students at 12:00 p.m. (noon) on Friday, December 18th for the Christmas holidays. Classes will resume at 7:50 a.m. on January 4, 1982.

We hope everyone will have a safe, joyful, and restful Christmas holiday.

Kris Kringle

This year, as usual, our students will be playing Kris Kringle from December 14th to December 18th. The students of a class put their names in a box and then chose names. Once they have chosen a name, you spend the week leaving small surprises for their "K.K." These include: notes, cards, 5 and 10 cent items. Finally on Friday, each class has a "K.K." party where "k.k.'s" are made known and \$1-\$2 gifts are exchanged.

Christmas Party

On Thursday, December 17th at 7:30 p.m. in the Community Center, Sacred Heart School will have its Parent-Student-Teacher Christmas Party. Many classes will have skits and songs. The grade school will perform the cantata "Great Day in Bethlehem". After our show, there will be cookies and punch available for all those that attend. Please bring "goodies" on the following schedule.

K-2-4-6-8-10-12 1 dozen cookies or equivalent per family
1-3-5-7-9-11 1 can of fruit drink or equivalent per family
Leftovers will be used by the students at their "k.k." parties on Friday, 18th.

Home and School Bake Sale

The Home & School Bake Sale will be on December 4th from 8:00 a.m. til 5:00 p.m. All families are asked to bring two baked items. This is one of our main fund raising events, your help is greatly appreciated.

Sports and Things

We want to congratulate our T.C.I.L. district champion football team on a successful season. Also, thanks to the drill team and cheerleaders and loyal fans that helped make the 1981 football season a fine show of Sacred Heart school spirit.

From the Principal

Because of the great number of tardies and because of the T.E.A. regulations concerning the number of hours required daily, the following guidelines will become effective November 30th at 7:50 a.m. for the K-12th grades at Sacred Heart School:

At 7:50 a.m. everyday, a bell will ring. This will be the signal to go to your homeroom. You must be seated in your homeroom by the 7:55 a.m. bell in order not to be counted tardy. Those tardy will spend 1/2 hour in detention hall after school in Room 7 of the high school. All tardies will be made from the tardy slips received at the office from the homeroom teachers. Furthermore, three tardies will equal one absence. And, according to the handbook, three unexcused absences or seven excused absences may cause forfeit of a course credit.

Christmas for the needy

This year Sacred Heart School students will be collecting food, toys, and money for the needy. Students and parents are asked to bring whatever gifts they can to the student council representative in their classroom. Students in grades K-8th can bring gifts to their teachers and the student council members will come around daily to collect these gifts.

Thank you for helping to share your gifts with others.
