NUMBER 48

## Hamric's Observes 25th Anniversary

Completion of its first 25 years in business was observed at Hamric's last week with an anniversary sale and party. The sale was a week-long event ending Saturday afternoon in a birthday event featuring congratulatory floral arrangements, a birthday candle, punch and cookies, and drawings for more than \$500 worth of merchandise.

Among the floral gifts from friends was a special arrangement of dried everlasting flowers for the store as well as the special spice scented and amber color candle.

The occasion commemorated a quarter century of progress from a humble beginning to one of the most

popular men's and boys' wear stores of the county.

It was established in October, 1954, by Mr. and Mrs. R.E. Hamric in the location now occupied by The Hut. Fourteen months later, early in 1956, Hamric's joined the Charm Shop in occupying their present location, a new building specially constructed for them by J.M. Weinzapfel.

Bertha Hamric has been owner and manager of the store since the death of her husband on June 27, 1970. Her son, Dan assisted her for seven years before returning to the faculty of Muenster High School. Mrs. Jane Monday and Miss Mary Hoedebeck are presently working in the store

with her.

Lucky winners at the drawing were: Curlee suit, Anna Prather; Curlee Sportcoat, Dick Pagle; Jockey Jogging Wardrobe, Maurice Pagle; Melrose Slacks, Prof Homsley; Campus Down Vest, Ken Cain; Van Heusen Shirt Wardrobe, Andy Klement; Jarman Shoes, Sharlene Pagle; Wembly Wardrobe, Ginie Fisher; Torel Leather Belt, Herbert Grounds; Boys' Elderado Suit, August Fleitman; Levi Jeans, Mrs. Ray Barnhill; Sedgfield Jeans, Judy McDaniel; Converse Joggers, Mrs. Johnny W. Perry; 6 pr. Interwoven Socks, Beatrice Koelzer; Superman PJ's, June McDougle; Donmoor Shirt, Steve Moster.

**A tragic sign of the world's attitude was seen last week when Cuba's Fidel Castro received a hero's welcome at the United Nations and tremendous applause after his impassioned, rabble rousing speech before the General Assembly. His two hour address bristling with anti-American barbs ended with a 1 1/2 minute standing ovation from most of the assembly's 152 members, who were dominated by Third World delegates, who happen to be dominated by communism and strongly partial to the Cuban cause.**

Evidence of Castro's own personal ambitions was indicated when he told the assembly that he was not speaking as a representative of his nation but as chairman of the movement of Third World nations professing non alignment.

All of this is a distressing indication of the sad state of world affair. The fact that the emerging nations would accept someone of his caliber as their leader is a clear sign that most or all of them are already under communist influence. They are enthused because they are already a part of the global red conspiracy, so indoctrinated that they do not know better, and really don't care how much civilization has deteriorated in their countries and Castro's.

In his UN address, the Cuban dictator denounced the exploitation of the poor. It was a ridiculous and hypocritical statement, considering that poverty in Cuba has increased enormously in the two decades since he took over. People are living in slavery as well as hunger, and furthermore they live in fear. Castro is a liar and a hypocrite when he points the finger at other countries for exploitation of the poor, and Third World people who cheer that kind of talk are either ignorant, or equally hypocritical, or afraid to express their convictions.

Invariably, the communication of those countries has been a sad story. In Cuba the reds agitated discontent with conditions under the dictator Batista. People gladly supported the revolution led by Castro, totally unaware that the new miseries would be much worse than the old. Persons who knew Cuba before and after the revolution have given shocking accounts of the contrasting conditions.

That's how it has been also in the Third World Countries. Trouble makers denounced colonialism convincing people that they had been exploited by the governing European countries. Not enough was said, or at least not understood, about backward countries being colonized and developed... also that while investors received profits the natives lived better than ever before.

As the colonies were granted independence one by one from the European nations, few if any realized that the next development was to determine who would be boss in the new countries. Communists had that figured from the start, and with very few exceptions their stooges became the men in control.

The plain fact is that those emerging nations are still colonies. The only difference is that communists have replaced the former masters and the masses have been reduced to slavery, hunger and fear. However, those wretched people are not represented in the UN Assembly. The people who were cheering Castro are the hand picked delegates representing red bosses of those countries.

Of course there was more to Castro's harrangue than his ravings about exploiting the poor. He was talking as the chairman of the movement of Third World nations with a particular

Dan Hamric, Bertha Hamric, Jane Monday and Mary Hoedebeck are seen at the punchbowl and platters which had held assorted sweets at Hamric's 25th Anniversary observance last Saturday.

## Tigers' Perfect Record Ended by Nolan 28-14

The Tigers and all their fans knew that their perfect record had to end sometime in spite of their hardest wishing. And last week they were wishing harder than ever because the odds were stacked against them more than ever. Well, the dreaded day arrived Saturday when they were outmuscled, out-run and outscored by the higher classified team of Vikings from Nolan High of Fort Worth.

The final result was a decisive 28-14, but it did not tell all of the story. According to statistics SH looked equally good. They had a lead of 13-12 in first downs and they were down only 254 to 248 in total yardage. Also they came out even in turnovers, the Tigers losing three interceptions and a fumble, the Vikings losing four fumbles.

The turnovers started in a hurry. First play after kickoff, Nolan fumbled and Kenny Hartman recovered for Sacred Heart. Second play Goheen intercepted for Nolan back at its own 12.

That's where the first scoring drive started and used seven plays in moving 88 yards. Lonnie Gilmore made 5 of the carries, the big gains being a 47 yard romp breaking three tackles, then a 27 yard scoot around end for the touchdown. On another end run he added bonus points. The score was 8-0 at 9:25.

The next drive went for 31 yards on seven plays, starting after the Tigers had to kick on first series. The ball was powered down the field on short gains and was carried over by Quarterback Ayala for 5 yards via the left end. A pass for extra points went incomplete. The score was 14-0 at 4:52.

After the third kickoff the Tigers again had to kick on first series, and for the first time Nolan had to kick on its series. But the visitors promptly got going again. Salas intercepted Hartman's pass and a penalty on run-back put the Vikings on their 41. Three plays later Yorek threw a halfback pass to McGinnis who breezed on for a gain of 51 to the 8. Gilmore made the remaining distance around end. Bettinger's place kick upped the score to 21-0, and the clock

still showed 57 seconds in the first quarter.

The next period was more satisfying in that the Cowtown boys went scoreless and Sacred Heart led in the gains. It started with a Tiger fumble on kickoff and a Viking recovery on the SH 25. Two major penalties with short gains lost yardage to the 33 where Nolan tried to end its series with a field goal. It missed and Sacred Heart was in possession on its 33. A pass interference ruling gave them a first down on the 40 and a fourth down gamble on next series fell 2 yards short.

## Bus Chartered for Tyler Gorman Game

Angelo Nasche has announced that a bus has been chartered for interested Tiger fans for the SHH - Tyler - Gorman football game on October 26. The charge will be \$15 per person. Departure time is 3:30 that afternoon. A few tickets are still available by phoning 759-2848 or 759-4386. The SHH Alumni are also raising funds to pay for the football team's meal that day following the game.

## Garden Club Sponsors Flower Show Saturday

The Muenster Garden Club is inviting everyone to attend its Flower Show "Happiness is a Holiday" on Saturday, October 20, 2 to 5 p.m. at the Cooke County Electric Co-op Building on East Highway 82.

The show is open to the public and admission is free. In the Design division,

## Muenster Has New Brochure

A handsome new brochure, identifying Muenster as a "Dairy and Oil Center of North Texas, Where German Hospitality is a Way of Life," has just been delivered to the Muenster Chamber of Commerce.

Featuring 18 colored pictures of persons and scenes in the community plus descriptions of places and activities, it was published cooperatively by the Chamber of Commerce and Lone Star Gas Co. and was edited by Henry Weinzapfel and Monica Hess. Another feature is a map of the city indicating 27 locations of buildings and parks plus an inset showing the city's location in relation to High-

## Region 5 Immunization Clinic Will be Held Here

Muenster will be host on Wednesday, October 24, to an immunization clinic conducted by the Texas Department of Health, Region 5, with office in Arlington. It will be held at Sacred Heart Community Center from 10 a.m. to noon.

The Clinic will provide immunization against Diphtheria-tetanus-pertussis (DPT), Polio, Rubella (red measles) and Rubella (German measles), for infants 2 months through 28 years. (Exception: Females over age 12 will not receive rubella vaccine without physician's consultation and prescription). Precautions must be taken with females in the 12-18 age group to insure that they are not preg-

nant when they are immunized with measles vaccine, and that they do not become pregnant for 3 months following immunization.

Immunizations are incomplete if a child has not received three (3) doses of DPT and Polio vaccine with at least one dose administered past the fourth birthday.

All children under 18 years must have an informed consent form read and signed by a parent or legal guardian. If possible, the parent should accompany the child to the clinic.

Immunization records should accompany the child to the clinic and be examined by the public health nurse who will answer any

questions. The following children would have immunizations deferred:

- (1) Those acutely ill and with fever;
- (2) Those taking antibiotic treatment for an acute illness, but have not been pronounced well by their physician.

The Department makes no charge for the immunizations. Since these diseases can be quite harmful, each parent or guardian is encouraged to protect their children from them. "Persons who have private physicians should consult with them for advice," stated Hal J. Dewlett, M.D., Director, Public Health Region 5.

## Loss to Celina Drops MHS to 1-2 in 14-A

Passes were the undoing of the Hornets in their 10-0 loss to Celina Friday. An interception at the goal line deprived MHS of a much needed score. On the other hand, the visitors got their only touchdown by way of a pass. Still more significant is the fact that it was just a bad night for the MHS aerial game. Of the 16 thrown four were completed by Muenster and three were intercepted by the Bobcats.

Disaster struck early. Following kickoff, Kevin Klement, Tim Hermes and Todd Richey moved 41 yards in nine plays reaching first down on the Bobcat 25.

Then the drive suddenly went sour as Phil Wolf's pass, intended for Roland Serna was stolen by Robert Rhodes at the goal line.

The Cats came back with a short drive after which the teams exchanged punts before the visitors, headed by Rogers and Stevens and aided by a major penalty, advanced 65 yards to the 14. Three tries from there produced only 3 yards, so Rogers tried a field goal. It was perfect. Celina led 3-0 at 8:47 in the second quarter.

After kickoff MHS gained 12 in three tries and then lost possession again via the evening's second interception. McNabb nabbed it on the Muenster 39. Seven plays from there reached the 19 and Miller heaved a touch down pass to Bruce. Rogers kick added the extra point. With Celina leading 10-0, the game's scoring was complete at 3:28 in the second period.

For the remainder of the quarter Muenster made a drive that looked good temporarily. It started with a lucky play in which a short gain by Klement ended with a fumble squirting forward and recovered by Gary Zimmerman for an 11 yard gain. The drive went for 37 yards before ending in the third interception.

Action after intermission started with a deadlock with four consecutive first series punts. Then Celina made a quickie drive of 42 while overcoming a 15 yard penalty, the big play being a pass to Brown for 35 yards. The Hornets halted it on the 17 and promptly gave the ball back via a fumble on the 32.

Again the Cats could not move and their kick set Muenster back to its 9. The Hornets likewise had to kick on first series. Three plays later recovery on their own 30 sparked the Hornets best drive of the night. A pass to Richey gained 9 and a penalty added 15 yards to Celina's 46. Two penalties there set MHS back 20 yards to Celina's 46. Two penalties there set MHS back 20 yards to their 34 where two passes, to Roland Serna for 15 and Mark Felderhoff for 18, reached Celina's 31. Two gains by Klement got to the 19, Muenster's best threat of the night. But it could not keep going. The next four tries were incomplete passes, and possession went over to Celina, who moved the other way 29 yards before kicking.

Then, from their own 29 the Hornets made a desperation try for the big play. Wolf passed to Mark Felderhoff who flipped back to Richey. He picked up 24 yards down the left sideline before being shoved out of bounds at Celina's 47. A defender piled on out of bounds, so a penalty stretched the gain to the 32.

## Burglar Returns Stolen Items

A Monday night burglary at Gehrig Hardware was agreeably settled, if not solved, Wednesday morning when the stolen merchandise was recovered by the owner in his back yard. Jim Gehrig received an unidentified call at 6 a.m. telling him where he could find the items.

Gehrig said the articles missed in the burglary were a 30.06 Springfield bolt action rifle and a 12 gauge Smith and Wesson pump shotgun, with combined value of about \$600. He notified Police Chief David Province, who started an investigation Tuesday. Apparently the investigation was getting too close for someone's comfort and he decided to return the goods, Province assumed.

It's a happy ending all around, according to the policeman. Gehrig, glad to be spared the loss, asked the officers to drop the case and avoid a criminal record for someone. At the same time the thief is relieved and lawmen are pleased to have been helpful.

## City Gets \$2,105 Sales Tax Check

The City of Muenster this week received a check for \$2,105.16 from State Comptroller Bob Bullock as rebate for the 1 per cent city sales tax which has been remitted to his office along with the 4 per cent state sales tax by Muenster business people.

Bullock points out that the total returned to Texas cities through the period ending September 27 was \$22.2 million, and the 1979 payments to date have reached \$364.6 million, as compared with \$329.9 million for the corresponding period last year.

The payment received here raises the year's total to \$49,253.49, which is 12 per cent higher than last year's \$43,962.50.

Payments to other cities of the area along with their total of the year to date and percentage of change were reported as follows. Gainesville, \$18,965 and 523,961, up 28 per cent; Lindsay, \$2,978 and \$31,813, up 2 per cent; Nocona, \$4,949 and \$82,050, up 8 per cent; Pilot Point, \$1,456 and \$27,981, up 19 per cent; Saint Jo, \$845 and \$15,730, up 7 per cent; Sanger, \$663 and \$20,330, up 2 per cent; Whitesboro, \$1,470 and \$68,238, up 11 per cent.

## Adult Education Classes Continue

Mrs. Marie Mosman has announced that Adult Education classes continue to meet every Monday at the Muenster Public Library Building, 6:30 p.m. to 9:30 p.m. Students may begin at any time. More information is available by phoning 759-4138.

This dense cloud of smoke, visible for miles, originated from a brush fire last Thursday at Flusche Enterprises. A good crowd of spectators was there for the show.

**Congressional Comment**

**WASHINGTON, D.C.** — Most consumer's only contact with the energy industry occurs when they fill up their gas tanks from time to time or pay the monthly utility bill. Few people are familiar with the industry's overall contribution to our economic well-being. Here are a few facts on how you benefit from oil and gas production in West Texas.

The sale of crude oil and natural gas in the 17th Congressional District in 1978 was valued at \$1.9 billion.

An approximate 162.3-million barrels of crude oil, valued at \$1.5 billion, and 347 billion cubic feet of natural gas, valued at \$400 million, were produced in the district in 1978.

Owners of royalty in the district received \$232.4 million as their share of output.

Producers and royalty owners in the district supported state government through production tax payments estimated at \$95.7 million. Taxes levied on the gross value of crude oil from the district amounted to \$69.4 million, with an additional \$26.3 million in revenue coming from natural gas.

School districts and other governmental jurisdictions also benefit from property taxes paid on oil and gas operations. (Statewide, the petroleum industry last year provided \$92.5 million in production tax revenues for the operation of state-funded governmental and educational enterprises.)

The Texas Employment

Commission reported that 15,371 persons worked in the petroleum industry in the 17th District during 1978, earning wages totaling \$210.2 million.

According to Petroleum Information's 1978 Resume, there were 4,494 wells drilled in the district last year. Of this number, some 574 were classified as wildcats. The Texas Mid-Continent Oil & Gas Association estimates that approximately \$410 million was expended in drilling 1,999 oil wells and 855 gas wells. Approximately \$116.8 million was lost by operators in drilling 1,640 dry holes.

The operation of various processing plants also contributed to the economy of the district in 1978. The facilities included three refineries, with a total capacity of 82,300 barrels per day; three petrochemical plants; and 53 natural gas processing plants, with a total capacity of 827.2 million cubic feet of natural gas per day.

So far, almost every government action with regard to oil production has been counter-productive. High taxes, price controls, and environmental regulations have hindered our ability to produce. Domestic oil output peaked at 10 million barrels a day in 1971, and has since been declining at a rate of half a million barrels a year.

Without realizing it, we are dependent on oil and gas production not only for the energy to power our cars or heat our homes, but also we must rely on oil revenues to pay state and local taxes, to provide jobs for our citizens, and to promote capital investment.

Certainly we must develop a more realistic attitude towards those sectors of the economy that produce goods and services. Everyone's well being is dependent on our ability to be productive. If we continue to hamper industrial development, then we will one day find ourselves relegated to the position of a "have-not" nation.

**STATE CAPITAL HIGHLIGHTS**

By Lyndell Williams

TEXAS PRESS ASSOCIATION

**AUSTIN**—Lt. Gov. Bill Hobby returned last week from a visit to the People's Republic of China predicting large oil trade benefits for Texas businessmen.

Hobby told reporters the Chinese are anxious to increase trade with Texas to develop petroleum equipment and technology. "There are billions of dollars' worth of oil business to be done with China, and Texas will share in it," Hobby said.

Hobby and a delegation of Texas oil drillers, contractors and equipment manufacturers toured Chinese offshore rigs and concluded that Sino oil technology was 40 years behind the U.S.

Currently, he reported, the Chinese have only about 600 drilling rigs in operation, but they would like to develop around 2,000 more rigs in the next five years.

Hobby, whose family owns The Houston Post, also visited the "People's Times," a Chinese newspaper of 6.5 million circulation printed with type set by hand. "Think of the oldest newspaper plant you've ever been in and this one looked twice as old," he said.

He also commented that coal fires in Peking contribute to massive air pollution. "If you're unhappy about our environmental standards, you should spend a few days in Peking. You'll learn to love our Air Control Board," Hobby quipped.

**Kennedy Leads Texas**

Later, Hobby told a United Press International conference in Houston that Massachusetts Senator Edward Kennedy would defeat President Carter if Texas held a Democratic presidential primary next year.

But former Texas Gov. John Connally, a Republican, told the same group it doesn't matter who prevails between Carter and Kennedy; Connally is going to be the next president.

Connally blasted Kennedy as being too liberal for Democrats anywhere and said he won't let voters forget Kennedy's leftist leanings.

Meanwhile, a Texas campaign management firm concluded last week that a Republican presidential primary including Connally, George Bush, Gerald Ford and Ronald Reagan would attract at least 825,000 Texas voters, more than the 500,000 who voted in the 1976 Republican primary.

**Bentsen Backs Carter**

Despite the large following which Kennedy is said to have in Texas, Carter is not to be counted out. The President won the endorsement

of a prominent Texas Senator.

Senator Lloyd Bentsen said he was "more in tune philosophically" with Carter and would support his reelection in 1980. Bentsen last week won a tough Senate Finance Committee battle to exempt state-owned oil from the windfall profits tax.

**Bilingual Controversy**

New Education Commissioner Alton Bowen drew both praise and fire last week with a new state policy: halt expansion of bilingual education until educators can tell if it's working.

Bowen asserts that the mainstream language English should be stressed in school and that the responsibility for teaching bilingual culture remains in the home.

He was not opposed to bilingual education, which is currently taught up to third grade, but had doubts about how far to extend it in Texas schools, he said.

"Education cannot be all things to all people," he said.

**Hispanic Reaction**

Not surprisingly, Ruben Bonilla, national president of the League of United Latin American Citizens, blasted Bowen for his comments. Busy last week, Bonilla also met with Texas AFL-CIO president Harry Hubbard to discuss a labor-Hispanic coalition to redistrict the state.

As Texas Hispanics begin flexing stronger political muscle, Bonilla is thought by many as the most likely candidate to lead a third political party, should Hispanics choose that option.

Speculation continues about the 1982 race for Speaker of the House. Among those thought to be in line for the chair are John Wilson, D-La Grange; Jerry Donaldson, D-Gatesville; Tom Uher, D-Bay City; Al

Brown, D-San Antonio; Tim Von Dohlen, D-Goliad; John Bryant, D-Dallas; Dan Kubiak, D-Rockdale; and Ben Grant, D-Marshall.

**AG Opinions**

In legal opinions issued last week, Attorney General Mark White ruled the Texas Constitution does not authorize the Legislature to abolish the constitutional office of county treasurer. The opinion was requested by State Treasurer Warren G. Harding.

White also answered a request from Education Commissioner Bowen: The City of San Antonio has the same obligation to provide police protection and other city services to an area within the city acquired by a state agency from the federal government that it has to furnish such protection and services to other areas of the city.

Concerning the use of McLennan County funds to operate a zoo, White ruled a county is authorized to contribute funds for operation of a zoo located on property owned entirely by a city.

**Aggie scientists pinpoint position of Battle of Palo Alto**

**COLLEGE STATION** — Four cannonballs and dozens of smaller pieces of ammunition unearthed near Brownsville have convinced Texas A&M University scientists they have pinpointed artillery positions from the Battle of Palo Alto, first skirmish of the Mexican-American war.

If their calculations prove correct, Texas A&M researchers could save taxpayers thousands of dollars by enabling the National Parks Service to buy only the land it needs to establish the boundaries of the national historical site.

**Looking Ahead**

by Dr. George S. Benson  
 President

NATIONAL  
 EDUCATION PROGRAM  
 Searcy, Arkansas

**BASIC OF THE IDEOLOGICAL STRUGGLE**

Most of us are aware there is a battle for the minds of men going on in the world around us today. Perhaps there has always been an ideological struggle. Some, like the Reformation, were religious in nature. Others, like the American Revolution, were political. The one in which we are presently engaged is fundamentally economic, with a tinge of atheism.

Consider the major adversaries in today's world contending for allegiance of other nations: the United States, a capitalist nation, and the Soviet Union, socialist (or communist) if you prefer. Then there are nations which are experimenting with a hybrid of the two, such as Great Britain, France and the Scandinavian countries. We generally consider them as Democratic Socialist.

Now, what is it that really makes these nations different? It is their respective systems of economic organization. That's what capitalism, socialism and communism really are — different economic systems.

There is one economic question which faces every man everywhere, that is — "Who is going to get how much of what?" Embodied in that single phrase are all the subsidiary questions which must be answered by any system of economic organization. There are only three ways to answer that question. In his book, Liberty: A Path To Its Recovery, Dr. F. A. Harper discusses these three:

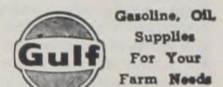

"1. Each person may have whatever he can grab.  
 "2. Some person other than the one who produces the goods and services may decide who shall have the right of possession or use.  
 "3. Each person may be allowed to have whatever he produces. These three methods cover all the possibilities; there are no others."

It should be obvious to us that the first method is the law of the jungle. This is repugnant to most civilized men. The second is that used by all authoritarian systems like Russia. The third is that used by free societies like America. Who is to have how much of what? That is the

question. Mussolini with his Fascism thought he had the answer. Hitler with his National Socialism or Nazism thought he had the answer. The Communists with their Marxism-Leninism think they have the answer. The Fabians who brought socialism to England thought they had the answer. But when all these economic philosophies are analyzed, they come out the same, differing only in degree: The State will determine who is to get how much of what! Which means the economic questions will be answered by force or threat of force.

There are really only two methods of economic organizations used to try to solve the problem of scarcity which faces all mankind everywhere... the voluntary and the command economies. The right method is based on private ownership and private control of property, the latter is based on state ownership and control. The first utilizes the profit motive to stimulate production and allocate scarce resources, the latter uses commands of the state through its bureaucracy. The first relies on the principle of willing exchange in a free competitive market to allocate scarce resources through the free price mechanism, the second uses the commands of the state.

There is no question but that the most efficient, the most equitable, the most humane, the most moral method of economic organization is the voluntary; we call it capitalism, or free enterprise, or the market economy. Certainly this is the only economic system compatible with individual freedom.

CITATION BY PUBLICATION

THE STATE OF TEXAS  
TO: Herbert Steed and Herbert Steed, Jr.  
ET AL, Defendants, Greeting:  
YOU (AND EACH OF YOU) ARE HEREBY  
COMMANDED to appear before the  
235th District Court of Cooke County at the  
Courtroom thereof, in Gainesville, Texas, by  
filing written answer at or before 10 o'clock  
A.M. of the first Monday next after the expiration  
of forty-two days from the date of the  
issuance of this citation, same being the 12th  
day of November A.D. 1979, to Plaintiff's  
Petition filed in said court, on the 27th day of  
September A.D. 1979, in this cause, numbered  
79-411 on the docket of said court and styled  
O.M. Quattlebaum, Plaintiff, vs. Herbert Steed  
and Herbert Steed, Jr. et al, Defendants.  
A brief statement of the nature of this suit is as  
follows, to-wit:  
Suit to clear cloud cast on title of land, being all  
that certain lot, tract or parcel of land situated  
in the state of Texas, Counties of Cooke and  
Grayson, out of the John Morris Survey, Ab-  
tract No. 724, and containing 22.99 acres.  
If this citation is not served within ninety  
days after the date of its issuance, it shall be  
returned unrecorded.  
The officer executing this writ shall promptly  
serve the same according to requirements of  
law, and the mandates hereof, and make due  
return as the law directs.  
Witness, Bobbie Calhoun, Clerk of the  
District Court of Cooke County, Texas.  
Issued and given under my hand and the seal  
of said court at Gainesville, Texas, this 27th  
day of September A.D. 1979.  
Bobbie Calhoun Clerk,  
District Court  
Cooke County, Texas.  
46-4

**Kupper Baptism**

Kimberly Rose Kupper, infant daughter of Mr. and Mrs. Billy Kupper of Valley View was baptized in St. John's Church Sunday, October 14. Father Anthony Gajda officiated for the 2:30 p.m. ceremony.

Baptismal sponsors were an uncle and aunt, Tom and Helen Kupper of Lewisville. Others attending the church service were the baby's parents and her sister Jennifer and brother Casey, her grandparents Mrs. Anna Borysowicz of Dallas and Mr. and Mrs. John Kupper of Muenster, and the following aunts and cousins, Mrs. Joan Walterscheid and Deann, Jason and Julie; Mrs. Betty Rose Walterscheid and Ronnie and Mrs. Janelle Kupper of Valley View; also Deann's friend and guest, Amber Grewing. They were all guests in the Billy Kupper home following the baptism.

Michael Don Abney

**Michael Abney Is Birthday Honoree**

Michael Don Abney celebrated his 7th birthday on Monday, September 24 with an after-school party at his home. He is the son of Mr. and Mrs. Donald G. Abney of Muenster. He has one sister, Candice Joy, age 3.

Michael's special birthday cake was a replica of the Hornets' football field, complete with players, goal posts, football and the Hornets' school colors. Ice cream and punch were also served to his guests.

Attending the party were his sister Candice; and Tanya Knauf, Kristen and Allison Klement and Michael's classmates, Erin Perkins, James Hennigan, Joe Weinzapfel, Rodney Knabe, Joe Paul Walterscheid and Jerry Brawner.

Birthday greetings were received from Michael's grandparents Mr. and Mrs. Denver Abney and Mr. and Mrs. J.W. Pittman of Lexington, Okla. and from his aunt and family, Mr. and Mrs. Larry Phillips and Kevin and Kelly of Purcell, Okla.

On Saturday, October 6 Michael and his family visited Six Flags Over Texas. The trip was his birthday gift from his parents and grandparents.

**Social Security Warns Old People About Swindlers**

Social Security officials in the five-state Dallas Region have issued warning of a growing number of cases of swindlers who prey on older people by posing as social security employees. In the past two weeks, we have had at least eight cases of swindlers operating in New Mexico and Southeastern Oklahoma, said Gus Jones, Manager of the Sherman Social Security Office.

An 87 year old New Mexico man had saved \$1358 to pay for his funeral. A con man, who posed as a social security representative and said he would get the man more benefits, took the money and disappeared, Jones said. Similar incidents occurred in other Spanish-speaking communities in New Mexico. A 64 year old man lost \$800 the same day and another man lost \$600 the week earlier. An aged couple in Broken Bow, Oklahoma, lost \$260 to two swindlers posing as social security representatives. One of the men, posing as a doctor, said he would do a physical examination, and if their health were poor enough, they would receive from \$100 to \$125 more in benefits.

Other Social Security Offices in McAlester, Hugo and Poteau, Oklahoma, also have received several reports of people posing as social security employees in order to gain admittance to homes. Once inside, these people will try to steal money or other valuables, or sometimes will try to sell worthless junk, Jones said. In one case, three imposters entered a couple's home on the pretense that social security wanted to give them new carpet to help their arthritis.

The Social Security Administration urges all to be extremely cautious of anyone appearing at their home claiming to be a representative from social security. We suggest that before admitting anyone, ask for identification, then call the Social Security office to verify that the person does work for social security and has been sent to your home.

Mr. and Mrs. Herman Stoffels have announced the engagement and approaching marriage of their daughter, June, to Chuck Bartush, Jr. son of Mr. and Mrs. Charles F. Bartush, Sr. The couple has chosen Saturday, November 10 for their wedding day. Father John Paul Coury of Wisconsin will officiate for the Nuptial Mass in Sacred Heart Church of Muenster at 5 p.m. The bride-elect is a graduate of Muenster Public High School and attended Cooke County College. She is a relocation co-ordinator for Employee Transfer Corporation of Dallas. The future-groom is a 1969 graduate of Jesuit High School in Dallas, and in 1973 graduated from St. Mary's University and in 1976 from St. Mary's School of Law in San Antonio. He is County Attorney of Cooke County.

**30th Anniversary Observance Honors Rev. Andy Stowe**

Rev. Andy Stowe, pastor of the Rosston First Baptist Church, will be honored there on Sunday, October 21 at morning services, to observe his 30 years in ministry.

He was ordained at the First Baptist Church of Gainesville on October 31, 1949, at age 26. His first ministry was the Rosston Baptist Church, where he remained the pastor for three years before assignment at other churches including several years at Muenster. For the past fourteen years he has again been stationed at Rosston.

The committee in charge of a day set aside by church members to honor him, says that "Rev. Andy Stowe has indeed felt a definite call from God to the ministry; he loves people and needs to help those in need...His church members respect him as one to turn to in any kind of trouble."

To show their respect and appreciation, they have chosen to honor him next Sunday. All are invited to attend the special day at Rosston Baptist Church at morning services, followed by lunch on the grounds. Covered dishes will be brought by those attending.

**FILMS**

The films for children: "Kittens Grow Up", "Now I Am Bigger" and "Peter's Chair" will be repeated next Tuesday, October 23 at 4 p.m. in the Muenster Public Library.

A number of children attended the first showing on October 16 and those who forgot the date or were unable to attend then, have one more opportunity to enjoy the films.

**Frank Rauschuber Honored at Party**

Frank Rauschuber celebrated his 85th birthday Tuesday, October 2 with his grandchildren Mike and Pam Felderhoff, David and Debbie Fisher, Mike and Janie Hennigan, Roy and Carol Klement and Brenda Felderhoff who hosted a party and buffet dinner in the family home of Mr. and Mrs. Vincent Felderhoff while they were in Europe.

The centerpiece for the birthday dinner was a decorated cake. Gifts added to the happy occasion.

Also attending were Mrs. Rauschuber, Mr. and Mrs. Joe Hess, Chris and Jeff Felderhoff, Dyan, Bradley and Greg Fisher, Michelle and Mindy Hennigan and Ryan Klement.

# YEARS AGO

## IT HAPPENED 40 YEARS AGO

Oct. 13, 1939  
 Boom activity is noted in vast building program considered the most progressive period in the community's history. Fourteen local girls enter race for Miss Muenster, Queen of the Golden Jubilee. Miss Lena Kleiss receives broken arm and bruises when hit by a car on Main Street. Effective this month local telephone rates increase from 75 cents to one dollar for residences and \$1.50 for business houses. Extended drought is broken by over one inch of rain. Florence Arend and Eddie Rauschuber marry at Lindsay. Mrs. Jake Pagel is elect-

ed president of Get-Together Club.

## 35 YEARS AGO

Oct. 13, 1944  
 Pvt. Alphonse Felderhoff is wounded during the Holland invasion. Over 2000 articles of clothing are donated here to European relief in recent drive. Vincent Felderhoff who fought with the 36th Division arrives back in the states. Sgt. Rolland Patrick and Nina Fae Hammer marry. Dorothy Winstead and Pfc. Lester Epps marry. Mrs. Ben Haverkamp is recovering from thyroid surgery. Cotton Endres has appendicitis operation. The Andy O'Connors celebrate their silver wedding anniversary.

## 30 YEARS AGO

Oct. 14, 1949  
 Mrs. J.M. Weinzapfel is elected president of district NCCW. Mrs. Clarence Hellman is named president of Get-Together Club. Muenster residents donate 425 toys in drive for refugee children. Ground is broken for diabetic camp at Gainesville. Harriette Otto is stricken by polio. Garden Club plans birthday calendar to raise funds for park improvement. Pvt. Leo Becker writes from Okinawa. Leonard Hartman is separated from the army. Herbert McDaniel has surgery in Oklahoma.

## 25 YEARS AGO

Oct. 15, 1954  
 More than 1000 persons attend formal dedication of new Sacred Heart Church and High school. Heart attack is fatal to Father Herman Redder of St. Mary's Parish in Gainesville. Edward Starke who rose to staff sergeant in the two years he spent in the army is back at home separated from the service. Clara Flusche and Julius Hermes Jr. marry here Oct. 12. A reunion of the Alois Hoening family brings sisters and brothers together for the first time in 12 years. Mobile x-ray unit takes 5524 chest pictures during six days in Cooke County. Work is scheduled to start on new building for the Charm Shop.

## 20 YEARS AGO

Oct. 16, 1959  
 United Fund drive in Muenster area starts next week. Andy O'Connor has multiple fracture of left arm after car accident. Lee Toothaker retires after 16 years with soil conservation service. Mr. and Mrs. L.A. Bernauer observe golden wedding with church service and reception. Local FFA teams lead in Elm-Red grass judging contest. Mrs. P.J. Rollman is recovering from major surgery performed at Gainesville. Mr. Rollman who is a patient at the VA Hospital in Dallas was permitted a five-day leave to be with his wife. The Julius Hermes Jr. family marks fifth wedding anniversary by move to Lindsay in a home of their own after living with family members since fire on Sept. 18 destroyed all their belongings. Sylvan Walterseid is elected president of Sacred Heart Alumni.

## 15 YEARS AGO

Oct. 16, 1964  
 Bank deposits here drop during past 12 months. Mrs. Mary Nause, 88, former resident dies in Wichita Falls. Jerry Klement of Fort Worth returns to home town to be guest speaker Sunday at KC breakfast. Hornets lose 18-0 to Valley View Eagles. Tigers beat Collinsville 28-0. Henry Schroeder of Lindsay is elected president of Subiaco Alumni Assn. Knights nudged 24-20 by Tom Bean. Sixty-six local boys compete in PP&K contest; 18 receive prizes. Lawrence Milner gets service

discharge. Fetsch herd leads DHIA production. J.P. Janicki family is enroute to Germany. Garden Club hears Marvin Davenport, landscape artist, as guest speaker. Wilmer Luke starts on new building for accounting business. Rufus Henscheid starts building new home south of the one he sold Dr. Kralicke. The doctor starts moving office furniture and equipment to Muenster Hospital where he will have a temporary office. New arrivals; a boy for the Victor Sicking; a girl for the Charles Bayers.

## 10 YEARS AGO

Oct. 17, 1969  
 Fred Herr, 81, dies. Mrs. Ben Perryman, 51, is killed in car crash. Weekend rain measures 3.01 inches. Hornets lose 28-12 to Anna. Relatives attend funeral of Henry Beach in Westphalia. 81 boys compete in PP&K contest. Rosemary Walter and John Becker marry. Muenster KCs observe Columbus Day with religious and social program. Kin attend golden wedding anniversary of the Nick Neus in Slaton. Herman Martin reads Christmas display at Lindsay. Gary Dale Dickerson comes home from Germany on emergency leave due to the illness of his father. New arrivals: a girl for the Tim Wimmers.

## 5 YEARS AGO

Oct. 18, 1974  
 Area grain crop gets fine start from 1.64 inch rain. Repair job on water tank seen by TV monitor. Muenster entries steal show at zone PP&K in Wichita Falls. Tigers 24, Callisburg 12. Hornets 13, Notre Dame 8. Dianne Klement reigns as queen at MHS homecoming. Local court will observe National CDA Day Sunday at attending Mass and following with a coffee. Henry Felderhoff of Felderhoff Brothers Drilling Company is featured in Hughes Oilfield Magazine. Lynn Vowell closes Muenster real estate office citing the state of the economy as the cause; will continue in other two offices. Mrs. John Felderhoff's family has first all-family reunion in 21 years. Local CYO group will sponsor area youth day Sunday. Cindy Felderhoff receives DAR award at Lindsay. Former resident Joe Klement, 62, dies in Spokane. Bike riders earn \$2,144 in pledges by pedaling 21 mile route. New arrival: a daughter for the Dale Hofbauers.

Hawaii's total area of 6,424 square miles is less than that of any other state except Connecticut, Delaware and Rhode Island.

## Nuclear Test Participants Asked to Report to Agency

For over a year the Department of Defense has been attempting to identify former military and civilian Defense personnel who participated in the atmospheric nuclear tests conducted from 1945 to 1962. The Defense Nuclear Agency is the Executive Agent for this program.

If you participated in these tests, which were held largely in Nevada and at Bikini an Enewetak atolls in the Pacific, you are urged to contact the Defense Nuclear Agency if you have not done so in 1978-79.

The Defense Nuclear Agency is attempting to reconstruct a complete history of the atmospheric nuclear test program, including names of participants and any radiation doses they received. One of the purposes of this effort is to enable the National Academy of Sciences and other scientific organizations to determine if there are health hazards resulting from participation in the tests.

Based upon research to

## State Map of Boat Ramps Available

A new map of public boat ramp locations in the State of Texas is now available to the boating public free of charge.

This map was produced by the Boating Trades Association of Texas (BTAT), in cooperation with the Texas Parks and Wildlife Department.

The map pinpoints the location of 287 public boat ramps in the state that were built with state funds. It is blue in color, and folds into a pamphlet that can be stored in the glove compartment of your car. Marina operators are also being encouraged to tack these up on a wall in their establishments for the boating public to use.

Copies of the map can be obtained by calling BTAT headquarters at area code 214, 748-8218, or by writing BTAT at 411 Adolphus Tower, Dallas, Texas 75202.

Not all minnows are miniscule. The Colorado River squawfish, the largest minnow in the world, can grow to be six feet long and weigh as much as 80 pounds.

Quantitatively speaking, the caterpillar is more muscular than man. Where the human body has 639 muscles, caterpillars have more than 4,000.

The biggest dinosaur to roam the earth was the Supersaurus. That prehistoric creature was three times taller than a giraffe and weighed as much as 14 elephants. The smallest dinosaur was the Compsognathus, about the size of a chicken. ...

A handful of Arctic lupine seeds holds the world's record for living in an inert state. The seeds began to sprout in a dish of warm water after lying frozen deep in the Arctic tundra for 10,000 years.

## YOUR ELECTRICITY... STILL A GOOD VALUE!

Here's how to figure what it cost you today.

When you break down your charges for electricity on a per-day basis, the value you're receiving for your dollar comes into much sharper focus.

On your monthly electric bill, first look at the date your meter was last read (PRES. READ DATE) and, then, the date it was read previously (PREV. READ DATE) and count the number of days between the two. Divide that number into your total charges for the month (TOTAL CURRENT MO. BILL). The result is the small amount you spend each day to enjoy all the things that dependable electricity makes possible in your home. Electricity... one of today's best energy values.

**NEW FACE IN ENGLISH DEPARTMENT** — Cooke County College's Dr. Ona Wright displays an authentic copy of the death mask of re-nowned English poet John Keats. She acquired the "souvenir", along with an old and rare edition of Keats' poetry, while on vacation this past summer in New England. She explains that the practice of casting facial features of dying or deceased persons in plaster or other quick setting substance originated in antiquity, "a primitive, yet most accurate, form of photography without a camera." A cast from the mask reveals what the person actually looked like. —CCC Photo by Kerry Stanley

**Voluntary Effort In Texas Hospitals Saves \$106 Million**

"Texas hospitals saved more than \$106 million during 1978, the first year of the Texas Voluntary Effort," O. Ray Hurst, CAE, President, Texas Hospital Association announced today.

"Texas hospitals had set a stringent goal for themselves," said Hurst during the Texas Voluntary Cost Containment meeting on October 5 in Austin. "The goal was to achieve at least 2.6 percentage point reduction (over the 1977 level) in the rate of increase in hospital per admission costs. This goal was established even though during the previous two years, 3.5 per cent had already been stripped from the rate of increase. Not only did Texas hospitals meet their goal,

they reduced the rate of increase in hospital per admission costs by 4.02 per cent.

"This is a savings of \$47.11 for each and every admission treated in Texas hospitals in 1978. This most recent success brings the three year savings total to almost \$300 million. Additionally, the average cost per admission in Texas hospitals now stands \$389 below the national average. That means that the citizens of Texas pay 30 per cent less than the national average cost per stay in Texas," said Hurst.

"We're proud that the Texas Voluntary Effort has come to be recognized as a leader in improving hospital productivity and containing

the rate of increase in hospital costs. These successes are readily documentable and serve as proof that hospitals can and do save more than lives," said Richard L. Epperson, Chairman, Texas Voluntary Cost Containment Committee.

Immediate Past President of Texas Medical Association Mylie E. Durham, Jr., M.D., said, "The results of the first year of the Texas and the national Voluntary Efforts substantiate the health care industry's position against the imposition of arbitrarily defined revenue limitations on hospitals. President Carter's mandatory "cap" cost control legislation (H.R. 2626), if enacted by Congress would mandate a marked decrease in both the quality and quantity of health care services provided. Due to our historical record of productivity improvement and cost containment, resulting in lower per admission costs and lengths-of-stay, Texas patients and other who receive medical treatment within the hospitals of our state would suffer more under arbitrary revenue limitations."

**Homemakers Club Program Features Yule Decorations**

Mrs. Armella Lutkenhaus presented the program and demonstration on crafts for members of the Muenster Extension Homemakers on October 10 and showed them how to make beaded bells and Christmas wreaths.

Mrs. Irene Klement was hostess in her home. Following the opening prayer, Mrs. Klement read two poems: "Growing Older Is Part of God's Plan" and "Friends."

Roll call was answered by members who named a craft recently completed. "Christmas in November" was discussed and members agreed to participate. Volunteers will serve as hostesses on November 8 at the Community Center in Gainesville.

Mrs. Alice Hellman gave the County Council report. Members will bring their Christmas gifts for the Wichita Falls State Hospital to the November club meeting in the home of Mrs. Dorothy Fisher. Any others who wish to donate gifts for this worthy purpose may leave them at the home of Mrs. Susie Hoenig who volunteered to deliver them to the State Hospital.

The hostess served refreshments to 17 members and two guests, Mrs. Irene Wilson of Syracuse, N.Y. and Mrs. Charlotte Klement.

**Homemaker Club Hears Program on Family First Aid**

Mrs. Joan Walterscheid R.N. presented a program on Family First Aid in the home of Mrs. JoAnn Pagel, for the October meeting of the Muenster Bluebonnets Extension Homemakers Club Tuesday evening.

Mrs. Judy McDaniel gave the inspiration and Mrs. Monica Hess made the County Council report.

Members were reminded to bring display items to the Christmas in November show on November 8 and 9. Members also enthusiastically agreed to present a book on the new cults to the Muenster Public Library, and to the libraries of Sacred Heart High and Muenster Public High School. Their intention is to help make parents and students aware of the dangers.

The hostess served a dessert plate and cold drinks to 12 members and one new member, Mrs. Kathy Berres.

The next meeting will be on November 13 in the TP&L Building. Mrs. Marcie Schmitz will present a program on Holiday Crafts.

**NOTICE OF APPOINTMENT**  
TO: All persons interested in the Estate of VIRGIL MATT TAYLOR, DECEASED including its creditors (if any):  
Take notice that on the 8th day of October, 1979, BILLIE MARGARET TAYLOR, Post Office Address: 1704 Floral Drive, Gainesville, Texas 76240, was appointed Independent Executor in Cause No. 10,841, styled, Estate of VIRGIL MATT TAYLOR, DECEASED, now pending on the docket of the County Court of Cooke County, Texas.  
All persons having claims against the above estate shall present the same within the time prescribed by law.  
SIGNED: BILLIE MARGARET TAYLOR, EXECUTRIX 48-1

**Bank Shows Gains In Deposits, Loans**

Increases in both deposits and loans are shown at Muenster State Bank for the past year, according to a report as of September 30 to the state banking commissioner.

Deposits are listed at \$11,785,000, a gain of \$845,000 since the corresponding date of last year. And loans are listed \$5,505,000, a gain of \$630,000 for the year.

Increases were also shown in the past quarter when deposits were listed at \$10,793,000 and loans at \$5,253,000. Deposits have gained \$992,000 and loans have gained \$252,000.

A similar report applies to the collective figures of all the county banks. Their total deposits are \$112,462,000, a gain of \$14,887,000 since Sept. 30, 1978. Total loans are \$77,346,000 a gain of \$14,693,000 during the year.

**English Rates High At New York Life**

Wallace K. English, of Denton, has qualified as a member of the 1979 President's Council of New York Life Insurance Company, according to Marshall P. Bissell, president. Members of the President's Council are among the top 475 New York Life agents within the company's field force of 10,000 throughout the United States and Canada. Membership is based on the agent's 1978-79 sales performance.

CONDENSED STATEMENT OF CONDITION AT THE CLOSE OF BUSINESS SEPTEMBER 30, 1979

**CC Theater Group Will Meet Oct. 23**

The newly-formed Cooke County Theater Group will meet Tuesday, October 23 at 7:30 p.m. in the old Gainesville Library Building, on the top floor. Plans will be discussed for the first play to be produced by the group. The meeting is open to all interested persons. More in-

formation is available from Pam Fette, 759-2894 or Monica Hess 759-4254.

Four-fifths of Greenland, the world's largest island, lies buried under an icecap that averages 1,000 feet in depth.

**Group Tours Europe for 12 Days**

Seven Muenster residents, Mr. and Mrs. Al Hess, Mr. and Mrs. Vince Felderhoff, Mrs. Alvina Voth, Mrs. Mary Kappas and Mrs. Hilda Self were members of a tour group led by Msgr. Thomas Weinzapfel of Dallas on a recent twelve day visit in Europe.

They departed from DFW Wednesday evening, September 26 and flew non-stop to Gatwick Airport outside of London in just under

that Munich has 17 McDonald hamburger restaurants.

They also visited Oktoberfest, walked a considerable distance before entering, heard bands playing the Beer Barrel Polka, saw beer served in 1/2 gallon steins and German waitresses carrying six such steins at a time. There was much singing and dancing and toasting. The \$12 admission ticket included two liters of beer

had the living area on upper stories and barns on the ground story. The group noted that Brussels is celebrating its 1,000th year in 1979.

Several days later they returned to London, toured Piccadilly Square, Westminster Abbey, Westminster Cathedral, Whitehall, the House of Parliament, Big Ben, Law Courts, Trafalgar Fountains, and attended Saturday evening Mass in

Parliament and Big Ben left and center, and, at the distant right are white buildings, the result of London's effort to remove centuries of built up smoke, dust, stains and dirt by sandblasting. —Photo by Alvina Voth

eight hours. There they were met by their tour guide and bus driver and drove to Dover, noting along the way the beautiful countryside, many red brick houses with at least four chimneys each, and moss covered roofs. They saw Canterbury Cathedral, and the White Cliffs of Dover and crossed the channel by ferry to Calais, France and then to Paris, where they spent two days for sightseeing. They saw famous tourist sites, the Arch of Triumph, Notre Dame Cathedral, the Eiffel Tower, and a number of other famous buildings.

They saw people carrying long loaves of bread, which they buy three times a day; they saw pictures and statues in old churches reminding them of the Stations of the Cross in our old red brick Sacred Heart Church; they saw sidewalk dining in Paris, the Eiffel Tower at night and a motorcycle riot of over 1,000 riders; the Follies and remarkably beautiful flowers.

Driving from Paris to Freudenstadt, Germany they marveled at beautiful scenery, well tilled fields of corn, alfalfa, cabbage, sugar beets, grape vineyards; and tree covered mountains. They spent the first night in Germany at a ski resort and drove to Munich the next day. Touring Munich they saw the Nymphenburg castle, St. Mary's Square; the famous Glockenspiel which, during Oktoberfest performs its equally famous routine of Bavarian music, statues that turn and dancers that move and act and a gold cock that crows 3 times not only at the usual 11 a.m. but also at 5:00 p.m. Munich, with a normal population of 1,300,000 swells to 6,000,000 during Oktoberfest. In a chance remark the group was told by the guide

and half of a perfectly roasted chicken, but this tour group was disappointed hoping to get authentic German foods instead.

The next day they toured Oberammergau, famed for the Passion Play performed every 10 years. The group was permitted backstage, to tour the area, saw the hand-made costumes, (one was more than 100 years old,) saw the Crown of Thorns, staff, sandals, many props and appointments, etc. all very impressive. They were told that 92 per cent of the tickets for 1980 are already sold out.

In Oberammergau, Al and Toni Hess observed their 39th wedding anniversary. When they returned from a day of sightseeing, they were met by their daughter Dianne, who lives in Germany. She arrived with a decorated cake to mark the day.

The group also drove to Innsbruck, Austria and then returned to Munich for another trip to Oktoberfest. On a side trip they enjoyed a never-to-be forgotten splendid view of the Bavarian Alps and a trip to one of King Ludwig's castles, by horse and carriage and another steep, long walk.

The next morning they drove to Heidelberg to tour the old city and on the following day began their cruise down the Rhine River, boarding at Rudesheim, enjoying spectacular scenery and grape vineyards on mountainsides and later spending the night at Neuchargemund.

A day later they were in Brussels, Belgium for a guided tour. Enroute they noted that homes were mostly native stone or brown brick, contrasting with the customary red brick or white stucco in Germany. In both countries, however, homes

**Foods Requested For Picnic Dinner**

Plans for the Sacred Heart Thanksgiving picnic are moving along on schedule. Shopping baskets are available at Fischer's and Hofbauer's for donations of food to be used at the community dinner in the Community Center on November 22. The following items are needed for the dinner: approximately 30 turkeys; 125

lbs. sausage; 25 No. 10 cans of green beans; 12 No. 10 cans instant potato flakes; 15 No. 10 cans cranberry sauce; onions, all kinds; 8 gallons pickles; 5 lb. coffee; 2 large jars tea; bread and cornbread for dressing; 20 dozen eggs; poultry seasoning; 6 No. 10 cans sauerkraut. The committee in charge requests help in the project.

**T. Miller Honored At Birthday Party**

Children, grandchildren and great-grandchildren of Theo Miller gathered Sunday to help him celebrate his 84th birthday, in the home of Mr. and Mrs. Herbie Miller. Attending the covered dish noon dinner and an afternoon of card games and visiting were the Stan

Yostens and Paul Yostens and Paulette, Joel Yosten and Mike Yosten all of Fort Worth; the Randy Bayer family of Grapevine; the Ted Miller family of Sherman; the Tommy Felderhoff Sr. family, the Erwin Henscheid family and the Herb Miller family, all of Muenster, and the W. J. Miller family.

**Annual KC Dance Booked October 27**

Muenster Knights of Columbus are busy now working on their No. 1 social event of the year...a benefit dance for special charities sponsored by the council. It will be in the KC hall Saturday, October 27, beginning with a happy hour at 7, snacks and finger foods at 8, and the dance from 9 to 1. "Hard Times" will play, tickets are \$5 per person, and table reservations are a

available by calling Mrs. Wayne Klement, 759-4416. Two charities will receive support from this dance. One is a hospital for the deaf receiving state wide KC support. Each council contributes according to its membership. The other project is the "Right to Life" program opposing abortion. This activity also has the order's state-wide support. Knights are urging everyone, especially the members to come out for a good time and a good cause.

**Hospital Notes**

The following patients were dismissed during the past week at Muenster Memorial Hospital. Tuesday, Oct. 9: Mrs. Tommy Felderhoff and baby girl, Muenster. Thursday, Oct. 11: William Knabe, Muenster; Herman Zimmerer and Mrs. Alvin Thomas, Gainesville; Robert Parsons, Saint Jo. Friday, Oct. 12: Camilla Long, Gainesville; Mrs. Hattie Dennis, Saint Jo. Saturday, Oct. 13: Albert Hess, and Mrs. Mark Fuhrmann and baby boy, Muenster; Manford Saunders and Mrs. Ramio Jo Biane, Saint Jo. Monday, Oct. 15: Beverly Medlock, Gainesville.

**Visit Relatives Here**

Mr. and Mrs. Joe Thomason of Hays, Kansas and Mrs. Louise Wichlacz of Craig, Colorado are visiting relatives here. Mrs. Thomason is the former Magdalen Schmitz and Mrs. Wichlacz is the former Louise Schmitz, both former Muenster residents. They are visiting a brother, Gene Schmitz and several nephews. The Thomasons came to Gainesville with their son Donald after he attended a class reunion of St. Joseph's Military Academy in Hays. They are his house-guests and will return to Hays Sunday.

Mr. and Mrs. Victor Hartman attended the baptism of their great-grandchild, Dana Margaret Fedor in Arlington, Sunday, October 14. They were guests of their son and family, the Gene Hartmans in Denton Sunday night and with a friend, Wayne Bushey for dinner on Monday. Gene brought them to Muenster, accompanied by Mr. Bushey.

An old-timer is the one who can remember when all members of the family had breakfast at the same time.

**YOU CAN BANK ON IT!**

Productivity is the priority being mentioned more and more by top economists trying to plot the long-range cure for inflation. In its simplest form, the advantages of increased productivity are easy to see. Let's create, for purposes of example, a widget factory. This factory has 200 employees and last year produced 300 new new widgets every hour. That's 1.5 widgets per hour per person. In order for those employees to have a real increase in their standard of living, and for the widget company to have a real increase in profits, the production per person per hour must be above the 1.5 of the previous year. When this increase fails to occur, but wages and therefore the price of widgets goes up, we have inflation. Increasing prices to offset increased wages with no increase in production. Although our example is greatly simplified, it illustrates the impossibility of having any real increase in wages without an increase in productivity. Unless more people understand the principles of productivity, we'll find widget prices higher than ever.

# SPORTS

Members of the MHS varsity volleyball team with their recently won third place trophy are front: Toni Dittfurth, Judy Walterscheid and Karen Walterscheid; back row: Elaine Grewing, Charlotte Fleitman, Fay Hamric (Coach), Renee Wilde and Janel Lutkenhaus. Not pictured are Barbie Wimmer, Brenda Wimmer, Carla Walterscheid, Sandy Wimmer and Wanda Schneider.

## MHS Volley Team Is Trophy Winner

A handsome trophy and valuable experience were the benefits received by Fay Hamric's Muenster High Volleyball team during the past weekend. They won third place in a double elimination tournament at Chico.

Entering the tourney they won two out of three well matched games with Boyd, the scores being 16-14, 11-15, and 15-8. That put them in the champ bracket where their first encounter was a loss to Lake Worth, the tourney champ, by counts of 5-15 and 9-15. Next they were winners over Paradise, 15-13, 9-15; and 16-14, for the third place trophy.

The MHS girls are currently involved in a round robin schedule of District 14-A to determine the seeding of teams in the district tournament which Muenster will host on Saturday, Nov. 3.

In their first match last week at Sanger they went down by counts of 15-13 and 15-7. This week Tuesday they swept a pair of matches at Aubrey. Junior varsity won 12-15, 15-4 and 16-14; and varsity won 15-4, 15-5.

The remaining two games of the round robin will be played in the Muenster High gym. Callisburg on the 23rd and Pilot Point on the 30th.

Mrs. Hamric calls special attention to these contests, urging MHS fans to come and give lots of support.

## Hornets...

From there Wolf made three attempts to get off a long pass and was thrown for three losses.

Statistics	M	C
First downs	12	12
Rushing	113	154
Passing	66	63
Completions	4-16	3-4
Intercepted by	0	3
Fumbles lost by	1	1
Penalties	3-35	4-50

## Muenster Juniors Lose 2 at Celina

Hard times continued for the junior teams of Muenster Public School in their double header at Celina last week. The first game was a mismatch with a bunch of huskies who appeared and performed more like a high school team. They ran over the Little Monsters 36-0.

The second game was more of a contest with the teams battling on fairly even terms and the home team coming away with an 8-0 win. It resulted from a drive of 60 yards ending with a 7 yard drive into the end zone and another run for the extra points. Celina JVs made other gains but could not manage to keep them going.

The Hornets had a similar problem. Their several starts were always halted by their own mistakes or by the stout Celina defense. Despite the loss, the Hornet coaches sang the praises of Tim Schneider, Gary Klement, Matt Sicking, Chris Rohmer, and Jerry Serna for a good job on both defense and offense.

Hornet End Mark Felderhoff, 81, picks up additional yardage after receiving a pass in the Muenster - Celina game. —Janie Hartman Photo

## SH Cross Country Team Hosts Meet

Sacred Heart cross country runners, headed by Coach Ronnie Hess, will be the hosts for a cross country meet here Saturday morning. Six schools are expected to send representatives. They will run a 2 mile course, the girls division at 10:30 and the boys division at 11:00.

Two of Sacred Heart's runners participated in a cross country race last Saturday at Norbuck Park in Dallas, sponsored by Jesuit High School.

Dale Schilling, competing in the 3-A classification of the varsity division, placed seventh with a time of 10:15 minutes. Mike Dangelmayr, competing with all classes in the junior varsity race, was seventh with a time of 10:35.

## Tigers Will Open TCIL Season with Christ the King

It's been a great season so far the Tigers, but actually it has been only pre-season, and now they will get down to playing for the record.

Come Saturday at 1 p.m. on the Sacred Heart field, the Tigers will meet Christ the King of Lubbock in the opener of both schools' title race. The outstanding 5-1 season, regardless of what it does for memory and prestige, is no help whatever in the race for the coveted title, or even the regional or state title.

Something that can help, however, is the experience. The SH boys are ready physically and mentally, a fact that became apparent last week when they held the powerful Nolan team to 28-14 and broke even on the statistics. After the visitors' big first quarter, Sacred Heart actually had the better record the rest of the way.

But while the Tigers have reason for confidence they also have a problem. Christ the King is an unknown quantity to the SH coaches. They know about a 4-2 record but very little of which to judge the opponents' ability. Very little, that is, except that one of the Lubbock backs went to the TCIL state finals in the 100 yard dash. He's a guy that has to be boxed in or he'll head for the goal. One warning sign that has reached the Tigers: of 230 yards rushing by the team in a recent game, this speedster made 170.

Another fact of possible significance is a lighter line than Sacred Heart's. In spite of less speed, the Tigers possibilities of good rushing gains along with the passing game which has been productive all season.

In the Sacred Heart - Nolan game, Kenny Hartman, 14, Tiger quarterback gets off a pass. Other Tigers there are Monte Endres, 89, Kirk Mollenkopf, 20, Mark Nasche, 43.  
—Janie Hartman Photo

### SH Juniors Wallop Notre Dame 18-6

Alert football paid off for the junior high Cubs of Sacred Heart in their 18 to 6 win over the kids of Notre Dame, Wichita Falls.

The visitors fumbled on first possession and Duane Haverkamp recovered for SH. The Cubs then failed to gain but Jim Bartush put them back in business by recovering a fumble on the 18. From there Bartush used four plays to reach the end zone.

Four turnovers featured the second period. SH fumbled twice and ND intercepted twice.

The future Tigers scored on first possession of the second half using five plays in a 68 yard drive. Bartush made 55 of that in a run down the right sideline.

Again, just before the quarter ended Nicky Hess recovered a fumble on the ND 27 and SH scored in five plays. Bartush made 23 in one romp and Ronnie Dangelmayr scored from the 1.

However, the fourth quarter belonged to the visitors. After kickoff they made a 68 yard drive in 8 plays, the pay off being a 28 yard run.

### Tigers...

Nolan promptly reached the 28 on a 20 yard pass and then lost 4 yards and possession as Mark Nasche and Mel Walterscheid recovered a fumble.

Two passes, Hartman to Brian Bednorz for 30 and to Monte Endres for 11, gained to the Nolan 27, but then the drive ran out of steam.

Nolan took possession on the 28, had to kick four plays later, and the Tigers started again with 75 to go. For the rest of the half the Tigers put their passing attack into gear.

The first series fortunately was kept alive when Nolan's interception was nullified by a penalty. Also on the drive were a pass to Endres for 9 and to Mel Walterscheid for 23 and a pass interference ruling. Tigers had a first down on the 15 but the next four tries gained only 2. During the first half the Tigers had been on the 30, 27 and 13 but Nolan's power defense denied them a goal.

Starting the second half, Nolan scored quickly on a big, fat break. Bednorz had

Economy--A way of spending money without getting any fun out of it.

returned the kickoff 33 yards to Nolan's 46, the Tigers failed to gain and their kick ending the series was blocked by Johnson, who scooped up the ball and hot footed 40 yards to a TD. A kick upped the count to 28-0 as the clock read 10:19.

The balance of the quarter was mostly defensive head knocking except a field goal attempted and missed by Nolan from the 41, a fumble recovered by Mel Walterscheid on Nolan's 29, Hartman's 20 yard pass to Endres reaching the 9, then an awful let down on the following play when a pass was intercepted by Minihan on the 5 and returned to the 40.

However the last quarter was more satisfying, with 14 points to show for a gallant effort. Stopping a Viking drive on the 6 they gained to the 21 and had to kick. At

that time, with 4:17 remaining, Viking reserves took over. They could not gain and kicked. The Tigers were back to their 36. Three plays later Hartman connected with Mel Walterscheid on a pass for 62 yards and a TD. Hartman followed over for bonus points. Score was 28-8 with 1:48 remaining.

A fumble on the kickoff gave them the opportunity for another score. John Hartman recovered it on the Nolan 23. From there Kenny Hartman passed to Mel Walterscheid for 5, to Monte Endres for 13 and again to Monte Endres for the last 5.

Kevin Klement, 40, receives a hand off from Phil Wolf, 12, as blockers Todd Richey, 20, and Tim Hermes, 21, lead the way, in last week's Muenster - Celina game.  
—Janie Hartman Photo

### Hornets to Meet Tough Foe Friday At Callisburg

Another tough game is on schedule for the Hornets this week. Promptly after being subdued by Pilot Point and Celina, rated first and second in the district, they find themselves challenged by Callisburg, which did things for its prestige last week by shutting out Sanger 20 to zip.

The win gives the Wildcats and Muenster identical standings of 3-3 for the season and 1-2 for the district race. However, the Cats have the traditional home field advantage plus the added incentive of homecoming.

At the same time there will be a compensating fac-

tor on the Hornet side. They will have lots of dedicated support, as usual. Muenster fans have been good about following their team. Furthermore Coach Stinson feels that Hornet spirit is equal to the occasion. After being turned back by the front runners they have a burning ambition to win the rest of the season.

And they have a chance to do just that, according to the coaches, who are banking that the boy's can eliminate some of the mistakes which have hampered them. Hard work this week hopefully has improved both offense and defense in passing. As regards the rushing, a stout line has been helping the hustling backs to made lots of gains and the defense has done a fine job...especially Bubba Swirczynski and Kevin Klement, who got 19 and 15 tackles respectively against Celina.

All of which is reason for confidence but not over-con-

fidence. The team has abundant respect for the Wildcats after their three touchdown margin over Sanger. Also it is advised to be on special guard against a talented quarterback and a breakaway speedster.

In last week's district games Celina beat Muenster 10-0; Pilot Point beat Lindsay 22-0; Callisburg beat Sanger 20-0; Pottsboro beat Aubrey 12-0. Standings after the third week are Pilot Point 3-0, Celina 3-0, Pottsboro 2-1, Muenster 1-2, Lindsay 1-2, Callisburg 1-2, Aubrey 1-2, Sanger 0-3.

## Still Dry

While many areas of North Texas received nice showers during the week Mueunster had to settle for only .46 inch, which was recorded on the 16th. It was the first rain of the month and ups the year's total to 31.06.

Meanwhile temperature was moderate. Low and high readings were recorded as follows by Steve Moster. Oct. 11, 52 and 99; 12th, 57 and 98; 13th 60 and 73; 14th, 56 and 74; 15th, 60 and 70; 16th, 61 and 88; 17th, 58 and 78.

## Check Antifreeze Registration To Ensure Proper Protection

**AUSTIN**—Don't be caught out in the cold this winter with an antifreeze product unsuited to your needs, advises Agriculture Commissioner Reagan V. Brown.

"If the price of a particular brand of antifreeze seems too good to be true, it would be wise to find out if it meets certain minimum standards of purity and protection," Brown said.

"This is especially important if you are not familiar with the brand in question." By law, all antifreeze offered for sale in Texas must meet rigid performance standards and be registered by the Texas Department of Agriculture (TDA). Brown noted that consumers may check to see if a particular brand of antifreeze is registered by calling the nearest TDA district office or the Weights and Measures Section in Austin at (512) 475-6577. He pointed out, however, that the Department will not give specific details about a product and will not endorse any brand.

Before certifying any antifreeze for sale in the state, the TDA tests the product to make certain it offers the exact level of freeze protection as is stated on the label. Specifications also require that the antifreeze not foam excessively (which can cause the radiator to boil over and damage the engine) and that it contains ingredients to inhibit corrosion.

Also, because methyl alcohol evaporates easily at high temperatures, any product that uses this substance as its base must state on the label that it is not suitable as a summer engine coolant.

(MAKE MARK FOR NOTARY'S SEAL) State of Texas, County of Cooke, sworn to and subscribed before me this 9th day of October, 1979. My commission expires 8-17-1981.

Would you like to catch a Black Bass the size of the one in the picture? Who wouldn't! It weighed 6 pounds and was 23 inches long. Many of our local ponds and Flood Prevention Lakes can produce fish like this with proper stocking and management.

Personnel with Soil Conservation Service in Cooke County can provide assistance in recommended stocking rates, pond fertilization, species to be stocked, aquatic weed control and time of stocking.

For information on fish-pond management contact your local SCS office.

The 4-H emblem is a green four-leaf clover with a white "H" on each leaf. The four H's stand for Head, Heart, Hands and Health.

Royalty for Muenster High homecoming on October 26 are the following. Front row: Barbie Wimmer, jr.; Elaine Grewing, soph.; Jill Mollenkopf, fresh.; Back row the senior candidates for queen, Kim Walterscheid, Lou Dyer, Renee' Wilde and Janel Lutkenhaus. —Janie Hartman Photo

## LIGER TALES

**Spanish Club**  
The SHH Spanish Club attended the Texas State Fair on Tuesday, Mexico Day.

**Sophomores**  
The sophomore class is planning a car wash for November 17. The class has also added a donation to the Leo Hesse Fund.

**Seniors**  
The Senior class will attend a retreat at Subiaco

later in the school year. Senior girls are participating in a project to raise funds for the class treasury, by selling Tupperware.

**Student Council**  
The SHH Student Council is planning a Spook Day on October 31. Everyone is asked to wear some sort mask. Costumes or blue jeans are permitted. A movie will be shown that day.

## SH School Menus

Oct. 22 - 26

Monday - Goulash on bread, mashed potatoes, broccoli, fruit, milk.  
Tuesday - Chicken Pot Pie, cole slaw, pineapple, bread, peanut butter, milk.  
Wednesday - Fried Ham, mashed potatoes, green beans, whipped dessert, bread, milk.  
Thursday - Pizza, blackeyed peas, lettuce salad, bread, milk.  
Friday - Toasted Cheese Sandwiches, tomato soup, celery sticks, apples, milk.

## MHS Library Adds Career Information

Mrs. Patsy Sloan, Librarian, and Tom Fluker, Counselor, announce the addition of a career information center to the Muenster I.S.D. Library. The center will house career information that can be used by both elementary and secondary students.

The elementary materials feature "Popeye" as he explores the world of work in the fifteen Occupational Clusters -- transportation, health service, agri-business, etc.

A multi-media approach is used for providing high school students career information. Tapes, filmstrips and printed materials are available. Most of this information is presented in the eight subject areas (English, Social Science, Science, etc.). While the traditional cluster presentation found in the Occupational Outlook Handbook is also used.

The center is equipped with an Occupational View-Deck, a system for matching the student's personal characteristics or preferences with specific occupations. Approximately 610 occupations are represented and the student manipulates the machine according to his or her interest, temperaments, etc., to determine an awareness of those occupations for which each student is best suited.

It is hoped that all students will take advantage of this new Career Center to learn more about the world of work.

## FHA Horizons

**Quilt Winner** - The quilt that was given away in the drawing on Oct. 6, at the Celina - Muenster football game was won by Nita Browning. F.H.A. would like to express their appreciation to everyone who donated to this project.

**Halloween Dance** - FHA will sponsor a Halloween Costume dance on Tues., Oct. 30 in the M.P.S. gym at 8:00 p.m. Various prizes will be given for the "best dressed spooks", and refreshments will be served. The dance is for all high school students. There will be a small charge to cover expenses for refreshments and to benefit a needy cause in the community.

**Rest Home Visit** - A Pre-Halloween visit will be made on Tues., Oct. 30 to St. Richard's Villa at 7:00 p.m. preceding the Halloween dance. Members able to attend are asked to come dressed in Halloween attire.

**Class Activities** - Hmk. I and III students have begun sewing. Hmk. I students will complete a blouse for their project and Hmk. III students will construct a tailored outfit.

Hmk. II students are beginning their unit on Foods and Nutrition. For their first lab, they planned and prepared a microwave lunch. Their menu consisted of Macaroni and Cheese, Corn and Okra Medley and Garlic Bread.

Members of the Family Living class are doing a research project on dating and engagement. They are finding the average length of time spent dating and being engaged among their parents and grandparents. They will then compare the results between parents and grandparents.

Your Furs Deserve A Rest

Send them on vacation. Give them a nice cool climate and lots of luxury. Be good to them. Bring them to us. We're experts!

## For a Safer Halloween

This Halloween, check safety features for children's "trick or treating" costumes, advises Claudia Kerbel, a consumer information specialist.

Ms. Kerbel is with the Texas Agricultural Extension Service, The Texas A & M University System.

She suggests these Halloween costume safety features:

(1) Consider using make-up to decorate the face rather than wearing a mask which may block vision. Apply cold cream before putting on make-up for easy removal.

(2) Sew or glue reflective tape to both front and back of the costume. Be creative and incorporate the tape into the costume design.

(3) When possible, choose light-colored costumes -- they will be more visible to motorists.

(4) Check labels or packaging on bought costumes for flame-retardant finishes. Children may be exposed to many direct sources of fire such as lighted pumpkins, colorful candles or open fires for roasting marshmallows.

(5) For home-sewn costumes, select fabrics with a flame-retardant finish.

(6) If costumes are too long, shorten them by hemming or cutting them off with pinking shears. This will lessen the chance of a child tripping or falling.

## of Muenster Public School

### Seniors

Two visitors from London, England spoke to a joint session of Juniors and Seniors from M.P.S. and S.H.H.S. in the M.H.S. auditorium at 11:00 a.m. Tuesday, October 9. The visitors, Peter Hodgkinson and Janet Breeze, are with the Inner London Probation force. They showed a film concerning police activities in London and talked afterwards about the activities of their work and making comparisons with our system. Accompanying the visitors were Chief of Police David Province and Police Frank Sailors of our local police force.

The senior candidates for Homecoming queen are Kim

Walterscheid, Janel Lutkenhaus, Lou Dyer, and Renee' Wilde. The homecoming queen will be selected by the senior football players the day of homecoming and the winner will receive her crown during half time ceremonies at the homecoming game.

The senior class has decided that the location of their group picture will be the Duesman Lake. The picture is scheduled to be taken on November 14.

## FLY WITH ME!

Abbot Alfred Hoenig, O.S.B. of Corpus Christi Abbey

to the  
**Oberammergau  
Passion Play**

to **World-Famous Benedictine Monasteries** celebrating the 1500th anniversary of the birth of St. Benedict

and to **an Audience with Pope John Paul II**

Leave New York Kennedy Airport Aug. 30, 1980, fly overnight into Frankfurt (Germany), take air-conditioned motor coach for next nine days, to Heidelberg (for two nights), Stuttgart, Augsburg, St. Ottilien Abbey, Munich (two nights), Hoffbrauhaus, St. Boniface Abbey, Dachau, Linderhoff Castle, Ettal Abbey, Oberammergau (two nights). We attend the Passion Play all day Sept. 5, 1980. Through Innsbruck (Austria), Vaduz (Lichtenstein), St. Gallen (Switzerland) (one night), Island of Reichenau in Bodensee, the 1045-year old baroque Einsiedeln Abbey (an unforgettable experience of faith) (one night in hotel), Zurich (one night) (leisure shopping, "window" or otherwise). Fly to Rome (one hotel four nights), audience with the Holy Father on Wednesday, Sept. 10, 1980, guided tours of Vatican Museums, Sistine Chapel, St. Peter's Basilica, St. John Lateran, St. Mary Major, St. Paul Outside-the-Walls, Roman Forum, Colosseum, Trevi Fountain, Catacombs, and more. A day at Monte Cassino and Subiaco (outside Rome) where St. Benedict lived and worked nearly 1500 years ago. Leisure hours for shopping and sightseeing in Rome. Farewell party last night in Rome. Return to New York Sept. 13, 1980.

The cost from New York and back to New York is \$1795.00. Price naturally subject to possible change due to inflation.

It is important that you make your reservation within a month or so and that you include a downpayment of \$200.00 per person with your reservation. This money is refundable up to Jan. 1, 1980.

### OBERAMMERGAU PASSION PLAY BENEDICTINE MONASTERIES AND ROME

Abbot Alfred, I would like to be with you on your tour to the Oberammergau Passion Play (Sept. 5, 1980) to famous Benedictine monasteries in Europe, and to an audience with Pope John Paul II (Sept. 10, 1980).

**Evans Named Beau By Forestburg FHA**

Members of Forestburg FHA have elected Joe Evans as a favorite and named him FHA Beau. Also honored were Glynn Johnson and Willy Sandusky, the other nominees.

During the regular meeting held on October 3, they made plans to participate in the annual Halloween carnival on Saturday, October 27 and will have the "Cake Walk."

The Sophomores initiated the Freshmen members who were required to dress as infants. Theme of the event was "International Year of the Child."

**Athletic Banquet Set October 20 at Forestburg High**

The Forestburg community will host the Christian Athletic Banquet for students and families in the gym of the Forestburg School Saturday evening, October 20 at 7:30. Admission is \$3.00 for adults, \$2.50 for students 7th grade through high school and \$2.00 for students 6th grade and under. All families and students of the Forestburg community are invited.

Mr. and Mrs. Frank Cardwell and Colleen Fette of Crowley, Texas were weekend guests of relatives here.

**Windthorst Hosts CDA District Meet**

On Sunday afternoon (Oct. 7) the Windthorst Catholic Daughters of America hosted the District meeting for this area. Courts represented were from Wichita Falls, Dallas, Richardson and Muenster. District Deputy Olivia Ostermann presided. Each regent reported her court's activities for the year.

The following workshops were presented: Parli-

mentary procedure—Cecina Koeijmans, District Deputy of Dallas; Constitution—Nadine Cannon, District

Deputy of Richardson; Officers court books—Lillie Wolf, Regent, Windthorst; Ritual, Proper wearing of

robes—Genevieve Frerich, Regent Wichita Falls; and Apostolate programs—Dorothy Bengfort, Regent of Muenster.

National Officer Loretta Knebel of El Campo, and State Officers Eleanor Treanor, (Houston) and Mary Dvoracek (West) addressed the group. In addition to Muesner's regent, Victoria Gremminger, Bertha Pick, Beatrice Hess, Stella Hess, Lucille Lutkenhaus, and Mary Mosler attended the meeting.

Refreshments were served before and after the meeting by members of the Windthorst Court.

**The Way We Eat...and Cancer**

Does the American diet have anything to do with cancer?

This is an important question—with few firm answers, but here are some key observations and information.

Says John Pipes, president of the Cooke County unit of the American Cancer Society, "There are two aspects of the subject of nutrition and cancer. The first is the possible influence of diet on the development of cancer. The second is the role that good nutrition plays in a cancer patient's response to therapy and general well being."

Regarding diet and cancer, it is encouraging to

know that in the last 20 years there has been a decline in stomach cancer among both American men and women. While there is no firm explanation, some experts theorize that better refrigeration of foods to prevent fermentation (which involves cancer-causing substances called nitrosamines) may have an influence. Another factor may be distribution of foods grown in different areas which once were only available seasonally—for example foods high in vitamin C such as oranges and tomatoes.

The typical American diet is high in animal fats—meats, eggs, whole milk and cheese. Altogether, many

Americans obtain 40 percent of their daily caloric total from fat. In Japan, where fat supplies only 15-20 percent of daily caloric intake, there is a much lower breast cancer rate among women. When, however, Japanese women migrate and adopt a western or American style diet higher in fat, breast cancer incidence rises. Recently, laboratory studies done by the American Health Foundation have shown that when animals are on a high fat diet they are more likely to develop breast cancer.

"Lately many people in Cooke County may have read or heard comments about the influence of fiber as a dietary factor in cancer. Bulk or fiber are catch-all words for many foods including raw salads, lightly cooked vegetables, bran, cracked and whole wheat cereals, and breads. While some experts say that the American diet, which includes refined foods low in bulk, may have an influence on the fact that colorectal cancer is very common in this country, there is no proof that bulk or fiber reduces cancer risk."

Should the American way of eating change in 1979?

"At this time we just don't have enough answers to suggest anything beyond the generally useful health advice of maintaining a diet low in fats and calories," Pipes said, "We do, however, know more about nutrition and people who have cancer."

**Forestburg FHA Has UNICEF Promotion**

The Sophomore class of the Forestburg FHA Chapter will sponsor a "Haunted House" booth at the Forestburg School's Halloween Carnival on Saturday, October 27. The booth, directed principally toward elementary school children, will be open from 7 to 8 p.m. Admission will be .50 and all proceeds will go to UNICEF, the United Nations Children's Fund. The chairman and projects co-ordinator is Leann Hays, who has also arranged for a school assembly on Monday October 29 when an educational program of slides on UNICEF will be shown.

The Halloween carnival itself opens at 6 p.m. Coronation of the Halloween Carnival King and Queen will be held at 9 a.m. followed by an Auction.

The Forestburg FHA chapter will host a party for elementary and pre-school children of the area on Wednesday, October 31. There will be games, candy, special treats and refreshments. A prize will be awarded to the best dressed spook.

FHA members are hoping area children will come to their party planned especially for them. Mrs. Joann Sicking is FHA chapter advisor.

**At ESA Meeting**

Mrs. Loretha Cash represented the Beta Kappa chapter of ESA last weekend at the District 6 meeting. She attended the Seminar on Saturday and the general meeting on Sunday in Burk-burnett.

goal of seeking the downfall of the United States. He admitted openly that he is supporting the Puerto Rican independence movement "despite the obstinacy of the United States, which insists that the future of the American commonwealth island is a strictly internal matter."

He further stated that Latin America "historically has greatly suffered from the aggression of the United States," not bothering to admit that US has been its greatest benefactor and the first to help when disaster struck.

The bearded one also stated that the 95 nation Havana summit condemned the presence of foreign military bases in the region, including Puerto Rico, and had endorsed his repeated demand that the Guantanamo base be returned to Cuba. Well, what else would one expect from a Havana hosted huddle of haters. Castro and the other reds are dedicated to the overthrow of US, a fact which we ought to take more seriously and work more intensely to avoid.

**Scouts Will Have Weekend Camp-Out**

Scoutmaster David Bright and Assistant Scoutmaster Bob Michaels have announced a camp-out for Muenster Boy Scout Troop 664 this weekend at a site south of town on Elm creek.

Plans were made during the regular meeting Monday night at the KC Hall. The troop will gather there Saturday morning and depart at 9 a.m. On Sunday, at the camp site, Father Stephen Eckart will celebrate a Field Mass for scouts, their families and guests at 1:30 p.m. and later all will join in a picnic lunch brought by mothers of the scouts. Parents are reminded that the route to the camp site is by driving south of town, turning left after passing the Elm Creek bridge and following the signs.

During the camp-out, new scouts will work toward second class rank; other toward the Hiking merit

badge. Counselor Ken Fette assisted with arrangements for the camp-out and Waylen Poole is Hiking merit badge counselor.

All scouts are continuing work on the Firemanship merit badge. Last week they visited the Muenster Fire Department and each boy was given the experience of handling the hose under partial pressure. Each scout has also completed a diagram showing a family's best escape route from a burning house.

During the Monday night meeting scouts learned several new songs taught by Mrs. Juanita Bright.

Scouts are reminded again of the 9 a.m. departure Saturday morning. Duane Walterscheid is reporter for Troop 664.

If you must worry about the world, do so on a mutual basis: Worry about it only as much as it worries about you.
