

# MUENSTER ENTERPRISE

VOLUME XLIV

MUENSTER COOKE COUNTY TEXAS 76252

NOVEMBER 23, 1979

NUMBER 1

This column has just received a letter which normally would be published as a Letter to the Editor. However circumstances are slightly different this week, so it will be used under the "Confetti" heading.

Although this seems like the lazy way to fill a column we'll justify it by explaining that our work week has been cut short by the Thanksgiving holiday, and furthermore the subject matter is appropriate.

"Dear Sir: Having read your recent editorial on the energy crisis and obscene profits as defined by Tip O'Neill, I am taking the liberty of enclosing for your information and publication, if you so desire, a recent communication to Speaker O'Neill.

I agree with your analysis of the problem and strongly subscribe to the proposition that the less government the better the government. Very truly yours, Andy Johnston."

The following is a copy of the letter sent to Congressman O'Neill by Mr. Johnston:

"The Honorable Thomas P. O'Neill, Speaker of the House of Representatives Washington, D.C. 20515

"Dear Mr. Speaker: I am taking the liberty of writing you this letter, to comment on some statements attributed to you during your recent California tour on behalf of Congressman George Miller.

"According to local press accounts, you are quoted as describing oil company profits as, 'Unpardonable, and the oil companies are taking unfair advantage of the American people'. On the very same page, another member of the Congressional coterie is quoted: 'Oil company profits are pornographic'.

"Now, Mr. Speaker, it is not my intention to defend Exxon, or those other unpardonable, pornographic villains; however, in the interest of fair play, I believe a closer examination of the source of this profit might have been in order. According to Exxon and all those other pornographers, most of their profit was derived from foreign operations. Mobil even had the temerity to advertise this on two pages of the Wall Street Journal of November 6, 1979.

"It would seem to me, Mr. Speaker, that had you or your colleagues made even a cursory examination of their earnings' reports, a lot more light and considerably less heat would have been generated.

"Today, we as a country, from an energy standpoint, survive at the suffrance of OPEC — this can not be attributed to the oil companies. The fact that six years after the first oil embargo, we are still more concerned with snail darters than with two hundred and twenty million Americans cannot be blamed on the oil companies. Nuclear generation has been curtailed or greatly reduced through media produced hysteria; coal production is restricted because of unreasonable or unattainable EPA regulations; hydroelectric is dying, due to snail darters, marsh mice or white-water rafters. Meantime, Mr. Speaker, a religious fanatic in Tehran, holds the United States captive.

"No, Mr. Speaker, I am afraid the fault is not the oil companies, but emanates from that great wind tunnel on the Potomac, known as the United States Congress. For the past twenty-five years, it would appear that politicians have been undermining America's industrial base with demands to break up GM, IBM, U.S. Steel and, of course, those 'unpardonable pornographers in the oil industry'. Who is orchestrating this conspiracy to destroy the American people's confidence in the continued on page 10...

## Christmas Parade Postponed to 8th

The date has been changed for Muenster's annual parade ushering in the Christmas Season. It has been postponed from December 1 to December 8 to avoid conflict with other community activities as well as to allow an additional week to build and decorate the parade entries.

Bertha Hamric, parade chairman, said the Chamber of Commerce this year is trying to make the parade its biggest and most colorful ever, and has increased its prize money from \$150 to \$300. She urges lots of entries, suggesting that local youth organizations may appreciate an invitation to help.

The parade will include

Santa Claus, who will be available to the youngsters for goodies and Christmas talk. His visit and the give-aways will be sponsored by the Muenster Jaycees.

Preparations are also under way to have the proper atmosphere for the parade. The city has arranged with the TP&L line crew and city employees to have the holiday street lighting installed by December 1. Also Jaycees have promised to provide a community Christmas tree as usual. Monica Hess will have charge of decorating it for the Chamber of Commerce, and the location will be in front of the outdoor mural on AMPI corner at Main and Highway 82.

## SH Runners Qualify for Cross Country National Finals

Dale Schilling and Mike Dangelmayr are eligible to participate in the national finals of the junior olympics cross country competition at Highstown N.J. on December 8. The event is sponsored by the American Amateur Athletic Union.

They qualified last week in a regional meet at Houston. Schilling finished as number 1 in the 16 and 17 age group. Mike Dangelmayr was second and Ronnie Dangelmayr was eighth in the 12 and 13 age group. Chris Dangelmayr was No. 11 and Shawn Flusche was No. 31 in the 10 and 11 age group.

The group along with Tommy Dangelmayr made the trip by plane from DFW airport. They thank all who helped them attend the meet.

The SH cross country runners will also compete in a state TCIL cross country meet to be held at Norbuck Park, Dallas, on December 1.

## Tigers Play at Shiner For Bi-District Trophy

For the second time in three years the Sacred Heart Tigers this week are entering the state play offs of Texas Catholic Interscholastic League in football. They will go to Shiner Friday for a bi-district show-down Saturday at 3 with St. Paul's High School.

For the Tiger coaches, Father Stephen Eckart and Virgil Henscheid, the game will be a sort of venture into the unknown. Their knowledge of the foe is scanty except that the team is young and medium sized with normal speed and better than normal quickness in executing plays. The kids also have a reputation for scrappiness, a come from behind team that gets tougher as the going gets tougher.

The season record up to last week was 6-2-1. That is less impressive than Sacred Heart's 9-1-0, but consideration of the opposition

could make a difference.

A possible factor favoring Shiner is the home field advantage, however Sacred Heart is striving to offset any difference. The team will leave early Friday by chartered bus and arrive early enough for a practice session to shake off travel weariness. The coaches expect them to be rested and ready. Besides, they'll feel at home with a big crowd of home town fans giving enthusiastic sideline support.

At the same time the Tigers are at the season's peak. Their coaches consider last week's offense as the best to date, while the defense operated in its usual efficient manner in turning in the season's seventh shut-out. Over all the team has momentum and positive attitude. Its only problem is physical. Brian Bednorz is the only member expected to sit out the game. Phil Walterscheid will be on limited service and Monte Endres is due back after last week's bout with the flu.

While Sacred Heart and St. Paul's are in contention, Mt. Carmel of Houston will tangle with a Victoria Team for another bi-district title and the winners of those two games will play for the state semi-final title.

Planning is under way this week to provide two chartered commercial buses to carry adults to and from the bi-district contest of Sacred Heart Tigers and St. Paul's of Shiner. Arrangements are being made by LaVerna Nasche, who said Monday that a few vacancies may possibly be available as late as Friday. Interested persons are encouraged to phone 2848 or 4386.

## 4 Buses Chartered For Trip to Shiner

Actually four buses have been chartered for the occasion. One is for the team and the other is for drill team girls. Also it is assumed that the usual big following of Tiger fans will go by cars and vans.

The chartered bus schedule calls for departure from Sacred Heart School at 6 a.m., allow for a lunch stop, and arrive in plenty of time for the game's 3 p.m. kickoff.

With a stop for supper and the seven hour drive, buses are expected to return to Muenster about 3 a.m.

Elaine Walterscheid, SHHS senior was named Homecoming Queen last Saturday night during half time ceremonies at the Tiger-Notre Dame football game. She is shown just as her name was announced. She was escorted by Kenny Felderhoff. —Photo by Janie Hartman

## Elaine Walterscheid Crowned Sacred Heart Homecoming Queen

SHH Homecoming Week concluded with the coronation of Elaine Walterscheid as 1979 Homecoming Queen at the Tiger - Notre Dame Knights football game. Elaine is the fourth member of her family to win the

honor. In 1953 her mother, Mrs. Julian Walterscheid (the former Carrie Ann Gehrig) was named Homecoming Queen. In 1973, it was Elaine's sister, Beverly, (now Mrs. Michael Fuhrmann,) followed by Stacie in 1976.

Others participating in the event last Saturday night were 1978 queen Rhonda Bednorz who carried the crown; 1977 queen Mary Kay Greving Sicking who presented the bouquet of red roses; 1976 homecoming queen Stacie Walterscheid who pinned the red satin banner.

Escorts for the four candidates Rhonda Endres, Rose Felderhoff, Sharon Sicking and Elaine Walterscheid were 1978 graduates and members of the 1977 State Finalists Tiger Team: Roger Haverkamp, Danny Walterscheid, Bobby Hartman and Kenny Felderhoff, respectively.

Representing under classmen were Laurie Endres, Susie Felderhoff and Gina Hoffbauer. Their escorts were May, 1979 graduates and members of the Tiger team: Greg Gieb, Jesse Walterscheid and Angelo Nasche, Jr. respectively.

Preceding the game, each girl was presented a red rose Continued on page 7...

## 'Messiah' To Be Presented December 3 at SH Church

Hallelujah! Music lovers of Cooke County will be treated to a presentation of Handel's "Messiah" on December 3 and 4 by the Cooke County Symphony and Chorale under direction of Harold Alan Kafer, director of the Cooke County College music department.

On Monday, December 3, 8 p.m. it will be given in Muenster's Sacred Heart Church, and the following night at 8 it will be in the First Baptist Church of Gainesville. Admission charges will be \$2.00 for adults and \$1.00 for students.

Presentation of this long time favorite musical classic is a joint achievement of the Cooke County Chorale and Symphony, which are units of the recently organized Cooke County Arts Council.

The chorale includes eight members from Muenster: Ruth Felderhoff, Marie Endres, Lois Marquardt, Pauline Stelzer, Renee Stelzer, Dr. Martin Kralicke, Carolyn Luke and Craig Richey. They and other county members will make up the chorus while soloists will be Pam Howeth and Roberta Coffman, sopranos; Cecilia Kafer, mezzo soprano; Robert

Cole, tenor; and David Blessingame, baritone. Anita Wilson will be recital accompanist.

The symphony appearing on the program is made up of persons from the music departments of North Texas State University, Texas Women's University and

Cooke County College.

A special recognition of excellence has recently been received by the Chorale in the form of an invitation to sing before a workshop of the Texas Musicians Education Association in San Antonio. Its members are very proud of this honor.

## Tigers Annihilate Knights 41-0

Sacred Heart's Tigers, with their district championship assured before playing the last game, enhanced their title in a big way last week by annihilating Notre Dame's Knights 41-0 as the feature event of a happy homecoming.

The one-sided triumph adds substantially to the prestige the Tigers will take with them to St. Paul's of Shiner Saturday afternoon for a bi-district contest. With a season record of 9-1, including 7 shutouts and a season score of 213-56, they have this scoring spree as a final glorious achievement of the regular schedule.

The champs lost no time in getting on the scoreboard in last week's tussle. Notre Dame fumbled the opening kickoff and Mike Hesse recovered on the 20 yard line. On the second play Kenny

Hartman's pass to Mel Walterscheid was good for 18 yards and the first touchdown, and only 13 seconds had elapsed. Mike Hesse's kick added a point.

Notre Dame's first possession made no progress and ended with a kick, after which Sacred Heart made its second start with 48 to go. Two pass attempts failed to connect and the next one was a screen pass, Hartman to Mark Nasche, who went all of the way. A kick for PAT failed. SH led 13-0 after only 2 minutes and 30 seconds.

A bit of defense came up next. ND had to kick, so did SH, then ND again. However Sacred Heart fumbled the punt and the Knights recovered for another try. But the Tigers were soon in charge again on a pass interception by Hartman. A good return was nullified by an illegal block setting the Tigers back to their 42.

Hartman's run of 17 and Nasche's run of 12, along with 5 free on a penalty advanced to the 24 where the drive ended abruptly in a fumble. But SH regained possession three plays later on Teddy Walterscheid's interception. That was on the

16 where Hartman's pass to Craig Walterscheid produced the third TD. Kirk Mollenkopf's pass to Bert Miller added 2 points. The Tigers led 21-0 with 1:23 remaining in the first period.

As the quarter ended the visitors got a first and ten for the first time, but the Tigers stopped the next series and forced a punt. So the next Sacred Heart drive started from 55 yards away. Five tries were enough, the big one being a draw play by Nasche for 40 yards. Hesse's PAT was good. The score, 28-0 at 6:22.

The next score was another quickie. John Hartman's jarring tackle shook the ball loose and Paul Bartush's recovery gave the Tigers fine position 23 yards away. Seven tries reached the goal, Paul Bartush going for the last foot.

During the 5:47 remaining in the half the Knights kicked on first series and the Tigers on the second after which ND made its best progress of the half. From its own 35, Notre Dame completed successive passes of 10 and 21 as the half ran out. Both completions were Studdard to Hernandez. continued on page 6...

## Mr. and Mrs. C.F. Gobble Observe Golden Wedding

Mr. and Mrs. C.F. Gobble were married 50 years ago, on December 9, 1929. This is their wedding picture, made the day Mrs. Willie Dixon Cathey married Clyva Gobble in Wichita, Kansas. The couple will observe their golden anniversary on December 2, 1979 at a reception from 2 until 4 p.m. at St. Richard's Villa where Mr. Gobble is a patient.

During the first seven years of their marriage, the couple lived near Dodge City, Kansas; moved briefly to Diamond, Okla. and in 1936 moved to Woodbine, Texas where they bought a farm and lived there until World War II. They then moved to Myra and he worked at Camp Howze.

Willie and Clive, as they are affectionately known to a host of friends moved to Muenster in 1948 and entered the Hatchery business, which they bought from Hugh and Jack Barnhart, who earlier had purchased it from the Felix Beckers. The Gobbles operated Muenster Hatchery for 22 years and later added the Exterminat-

ing business where the Muenster Garden Center is now located.

The Gobbles have lived in Muenster for 31 years and are members of the First Methodist Church of Myra. He is a veteran of the first World War and a graduate of the University of Kansas at Manhattan, Ks. He was honored in 1963 by the Muenster Knights of Columbus who selected him for a special Good Neighbor Award.

The couple has three sons, Pat Cathey of Antelope, Texas and Glenn Cathey of Norwalk, California and Larry Gobble of Muenster. There are four grandchildren: three, children of the Glenn Catheys, live in California and Michael Gobble, son of Mr. and Mrs. Larry Gobble, of Muenster. And there is one great-grandchild.

Willie and Clive Gobble look forward to greeting all their friends and relatives at the reception at St. Richard's Villa on Sunday, December 2, and they request: "No Gifts, please."

RAY GRISHAM

A candidate has just announced for the legislative seat being vacated at the end of next year by Bill Sullivan.

He is Ray F. Grisham, a resident of Howe and assistant county attorney of Grayson County. He is 33 years old with BA degree from A&M University and a law degree from the University of Texas. He announced his candidacy Tuesday in a special news conference at Howe.

The 23rd district, which Grisham seeks to represent, includes Cooke, Fannin and Wise counties and a part of Grayson county.

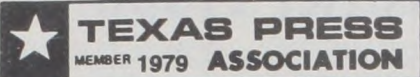

MR. AND MRS. C.F. GOBBLE, DECEMBER 9, 1929

**Congressional Comment**

**WASHINGTON, D.C.** — This past week, I was prepared to present an amendment to the House of Representatives which, standing alone, might have been confusing to those who recognize my stand on government intervention in the private sector and, in particular, on the subject of price controls.

The amendment was to be offered to the Department of Energy Authorization Bill and read, "All coal deposits known as of 1973 shall be immediately placed under Federal price controls at 1973 levels."

The purpose of this amendment was not, as it might appear, to add further to the burden currently faced by the coal industry, but to point out the political duplicity of singling out oil and gas as the only energy source to be kept under the crippling yoke of price controls.

The coal amendment, fortunately, was not necessary to

achieve the goal I sought: The defeat of another amendment which attempted to reverse decisions to gradually decontrol the price of petroleum.

My logic was simple: To present the choice of either voting for both the continuation of mandatory controls on domestic crude oil and the placement of such controls on coal, or the choice of opposing both proposals. Obviously, the latter choice is the most sensible and would be in the best long-range interest of all American consumers.

A great deal of attention has been focused on rising petroleum costs and the effect of those increases on our economy. Little note has been made, however, of the fact that from 1973 through 1978, the price of coal rose 224 percent. Rolling back the price of coal to the 1973 level would initiate a savings of some \$11.77 billion for the American consumer. A practical course? Not when taking into consideration the need for increased energy supplies in this country. Such a move would break the back of the coal industry and serve only to further decrease current energy supplies. But, when you think of it, is it any more absurd than posing these same restrictions on the petroleum industry, or any other industry in this country?

To support the continuation of mandatory price controls on domestic petroleum, while voting against an amendment such as the one I would have proposed, is political hypocrisy that does little to promote the interests of the consumer or to solve our nation's serious energy problems. Decontrol will increase oil production, help balance our trade deficit and will best serve the long-term interests and prolong the need to take actions which might prove unpopular at home, but which are necessary to solve our energy crisis.

The price control system is a bureaucratic nightmare. The fact of the matter is that those who advocate controls in the interests of the consumer are actually the ones doing the consumer the most harm.

## STATE CAPITAL HIGHLIGHTS

By Lyndell Williams  
 TEXAS PRESS ASSOCIATION

**AUSTIN** — In the midst of anti-Iranian demonstrations in some Texas cities, Texans are also concerned that a shutdown of crude oil from Iran will cause more long gasoline lines at service stations.

Last week Gov. Bill Clements said reinstatement of odd-even gasoline sales in Texas is possible, but it depends on whether "drivers panic and start topping off" their tanks.

Clements instituted the odd-even rationing plan this summer based on license plate numbers.

"I'm confident we have enough supply of gas, but if we get into a panic situation, we'll go back to it," Clements said.

In a gesture of true statesmanship, Clements also urged citizens and officials alike to back President Jimmy Carter in his efforts to receive some 62 Americans held hostage in Iran. Clements is a steadfast political foe of Carter's, but he urged politicians not to make political hay from the troubled situation.

Anti-Iranian demonstrations have occurred in Austin, Houston, Beaumont, Dallas and other cities.

**Holding Back Curbs**  
 State energy officials are closely monitoring the cutoff of oil from Iran, but do not anticipate needs for immediate conservation or rationing.

"Texas is in pretty good shape," said Bill Linderback, executive assistant to the Texas Energy and Natural Resources Commission. "Fuel is tight but I don't think we're in as bad shape as New Jersey or Washington, D.C."

Linderback said TENERAC has been scrutinizing the Iranian situation closely since the hostages were taken on Nov. 4. He does not believe the cutoff will have consequences in Texas as serious as those encountered during the summer.

**Congressional Action**  
 Two U.S. Senators from Texas, Democrat Lloyd Bentsen and Republican John Tower, have urged the nation to stop training Iranian military pilots and navigators until the hostages are returned.

The government now trains 123 of the pilots at three Air Force bases in Texas: Del Rio, Wichita Falls and Lubbock.

"There is no reason for the United States to continue to train fighter pilots for a renegade government that is holding American diplomats hostage in Tehran," Bentsen said.

Congressman Abraham "Chick" Kazan said he is cosponsoring legislation to authorize immediate deportation of non-immigrant students who abuse U.S. laws. "The minute Iranian students evacuate the classroom" and take to the streets in political demonstrations against the U.S. and in support of Ayatollah Khomeini, they should be deported, he said.

**Legislative Elections**  
 One's running for something, one's quitting and one's looking for a fight in the Texas House of Representatives.

Tim Von Dohlen, D-Goliad, has everyone guessing after a fundraiser last week in Austin which grossed some \$40,000. Von Dohlen proffered vaguely that the money will go "for whatever political purposes we have in the future."

Among the races he is considered likely for is the 1980 run for Speaker of the House, or a try this spring for state Sen. Bill Patman's seat.

And not ruled out is a 1980 bid for the U.S. Congress in some new district that may be created in the coming redistricting drama. Since Von Dohlen is likely to again chair the redistricting committee, he may well be able to carve himself a political home somewhere and use the money to move in.

Another legislator who was rumored to be running for Speaker of the House is quitting politics instead. Rep. Bill Sullivan, D-Gainesville, said he plans to devote full time to his law practice after his current term, which expires in December 1980. Sullivan said his effectiveness has been reduced as a result of his challenge to unseat Speaker Bill Clayton.

Rep. Clay Smothers, R-Dallas, said he wants to fight former Dallas Cowboy defensive end-now turned boxer Ed "Too Tall" Jones in the ring. "If I win, he goes back to play with the Dallas Cowboys," Smothers said. "If he wins, I'll quit politics." Smothers, recently appointed as a Republican, plans to challenge Congressman Martin Frost.

**AG Opinion**  
 Attorney General Mark White ruled last week that the Governor's Committee on Aging cannot be legally transferred to the Texas Department of Community Affairs.

Clements had already effected the merger, and was unavailable for comment. Two of his spokesmen said the ruling by White was correct, but that it did not mean the transfer would have to be undone.

Omar Harvey, TDCA executive director, said the merger was actually carried out under an interagency agreement between the Committee on Aging and the TDCA.

**Census collections**  
**AUSTIN, Texas (Spl.)** — One of the best international census collections in the world is at The University of Texas.

The collection in UT's Population Research Center includes more than 80 percent of all the censuses ever recorded anywhere in the world. The material is used in a variety of research about populations.

Contained in the collection are all or part of the information gathered in U.S. censuses since 1790, and complete censuses since 1950. European census information also is extensive. Among the oldest data are a 1703 census taken in Iceland and a 1659 survey of names for an Irish poll tax.

**Fine arts courses open to non-majors**

**AUSTIN, Texas (Spl.)** — Is that an engineering student taking a course in watercolor painting?

It could be if it's at The University of Texas, for the College of Fine Arts is opening more of its art, drama and music courses to non-majors.

The intent of the new effort, according to Associate Dean Bill Francis, "is not to mold professionals—but to develop tastes, increase understanding through participation and build a base for leisure-time activities."

Dean Oscar Brockett, who has encouraged the move, feels "something is missing" from the lives of college-educated persons who have no familiarity with the arts.

**OIL PRICE CONTROLS**

There can be no doubt that the heart of the gasoline shortage is the allocations policy of the Department of Energy. But behind the actual shortage is the policy of controlling prices of oil and its derivatives.

The International Petroleum Encyclopedia informs us that the United States has more proven crude oil reserves than any other free world nation outside the OPEC. We have the oil, we have the finest oil technology, and we have the leaders in production. Why, then, have we been victimized by OPEC and squeezed into this crisis situation? The answer is simple: the government has done this to us with price controls.

When price controls were placed on the price of oil on August 15, 1971, we were producing 9.5 million barrels of domestic crude oil per day and importing only 1.7 million barrels which was about 15 percent of our total crude oil needs. After eight years of daily production has dropped to 8.7 million barrels per day while imports have accelerated to 6.5 million barrels, almost 43 percent of our needs.

Price controls have kept prices artificially low. This encourages consumers to use more gasoline, diesel fuel and fuel oil, but discourages producers from seeking to increase the supply. The outcome is that oil companies are forced to seek crude oil from foreign shores. At the same time this discourages changeovers to natural gas, which has become more abundant, and to coal, our most abundant resource. Our industries consume about 5 million barrels of oil a day and they consume natural gas at the oil equivalency rate of 6 million barrels a day. These 11 million barrels of oil and oil equivalent in natural gas could be used by homes and automobiles with proper incentive action by government to induce industry to switch to coal. That alone would go a long way toward solving our energy problem and except for government regulations, that is about what we would already be doing.

Because of price controls producers found that the cost of marketing their oil was increasing faster than inflation, but prices were not allowed to exceed the rate of inflation. They were losing money producing domestic oil. To prevent losses and possible bankruptcy they chose to invest in production in Alaska which is not subject to price controls, and to invest outside the controlled oil industry where they could earn profits. These companies which did this were forced to do so by government policies, which means by legislation enacted by the

Congress, the representatives of we, the people.

By forcing oil companies to seek crude in Alaska, rather than in the lower 48 states, we built in a tremendous transportation cost. The wellhead cost of the oil is about \$5.50 a barrel, but it costs another \$9.00 to transport a barrel to market. Obviously, we consumers are thus forced to pay money for transportation which could have been used by oil companies to produce more oil right here in the lower 48 states.

As we discouraged domestic production we were forced to import more and more oil. The government then, through its Department of Energy, concocted a scheme which compounded the problem and guaranteed further increases in oil imports. Refiners who had access to price-controlled domestic crude were made to subsidize refiners who had to import expensive OPEC-priced crude. The former had to split the difference in prices with the latter. Obviously, this would tend to discourage use of domestic oil, which would require payment of this "Entitlement" subsidy, and cause companies to turn to oil at the world price level where no subsidy had to be paid.

**Nation's largest landowner**

The nation's largest landowner and landlord is the federal government.

However, not only does it own one-third of the country's land but also owns 45 percent of the nation's timber and 85 percent of its oil resources. — CNS

**Bluebonnet Club Donates \$500 to Child Development**

"A Texas Christmas" was the program theme when Mrs. Marcie Schmitz spoke to members of the Bluebonnet Extension Homemakers, during their regular meeting on November 13 at 7:30 p.m. in the TP&L Building. Mrs. Schmitz, Home Service Advisor of TP&L gave a demonstration on Christmas crafts. She showed how to make a lantern from

things around the home; a bluejean Christmas stocking; and a cowboy Santa for the front door. During their business meeting members decided that the annual gift to the Child Development Center will be the purchase of needed items in the amount of \$500. This fund is from profits of the club's booth at Germanfest. The annual club Christmas party will be held on December 8 in the home of Marilyn and Bernard Luke, and husbands will be guests. Hostesses Marcie Schmitz and Pam Felderhoff served dessert and punch to 13 members, 2 guests Mmes. Pat Walterscheid and Doris Hamer and one new member, Mrs. Earline Tisdale, who also won the door prize given by Mrs. Schmitz.

The next meeting will be on December 8 at 8 p.m. Members are to bring a 6 to 8 dollar gift for the gift exchange.

Dear Friends,

It would be my wish to write each of you personally, but since that is not possible, I take this means to express my appreciation for all that you have been and done for me during my visit home. The memory of your concern for Leo and his family during his illness and at the time of his death will always remain with me. Your love was a source of strength for each of us.

I also take this opportunity to thank those of you who listened to my sharing about the needs of the people in our mission at Djuma, and to the many, many who responded with contributions to the Mission Fund. I plan to purchase blankets for our nearly two hundred tuberculosis patients who are especially susceptible to the cold during the long rainy season. Other funds will be used for sheets, medicine, food, and of course, the valuable milk.

Some have asked how they can make future contributions for our work. The simplest would be to forward it to the Milk Fund, in care of Sister Anselma Knabe, 3300 Hemphill, Fort Worth, TX 76110, or give it to her personally.

I return to Africa knowing that certain sufferings will be alleviated because of your generosity. Each Thursday evening we have adoration of the Blessed Sacrament and kneeling there I shall ask God to reward you for helping His poor.

With love, Sister Roberta Hesse, SSM

**SNAP Menus**

**Dance, Election on Auxiliary Calendar**

The Muenster Hospital Auxiliary will meet on January 17 at 7:30 p.m. for election of officers. No meeting was held on Thursday, November 15 due to lack of a quorum. The next planned project of the Hospital Auxiliary is the holiday dance on December 1 in the Community Center. It is themed: "An Old Fashioned Christmas." Committee chairmen are Monica Hess, general chairman; Margie Wimmer and Peggy Gobble decoration; Dolores Miller and Kathy Berres bar and ice; Harriet Pagel food; Monica Hess publicity; Joy Schneider reservations and tickets. In addition, all auxiliary members have tickets for sale.

**SNAP Observes Thanksgiving**

All Senior Nutrition and Activity Program Centers in Grayson, Fannin and Cooke Counties will be closed on Thursday, November 22 and Friday, November 23, 1979 in observance of Thanksgiving.

**Regional Immunization Clinic Will Be Held Here November 28**

The Texas Department of Health Region 5 Office in Arlington announces an immunization clinic to be held in Muenster at Sacred Heart Community Center on Wednesday, November 28, 1979 from 10:00 to 12:00 noon.

The Clinic will provide immunization against Diphtheria-tetanus-pertussis (DPT) Polio, Rubella (red measles) and Rubella (German measles), for infants 2 months through 28 years. (Exception: Females over age 12 will not receive rubella vaccine without physician's consultation and prescription). Precautions must be taken with females in the 12-18 age group to insure that they are not pregnant when they are immunized with measles vaccine, and that they do not become pregnant for 3 months following immunization.

Immunizations are incomplete if a child has not received three (3) doses of

DPT and Polio vaccine with at least one dose administered past the fourth birthday. All children under 18 years must have an informed consent form read and signed by a parent or legal guardian. If possible, the parent should accompany the child to the clinic. Immunization records should accompany the child to the clinic and be examined by the public health nurse who will answer any questions. The following children would have immunizations deferred:

- (1) Those acutely ill and with fever;
- (2) Those taking antibiotic treatment for an acute illness; and
- (3) Those who have completed antibiotic treatment for an acute illness, but have not been pronounced well by their physician.

The Department makes no charge for the immunizations. Since these diseases can be quite harmful.

The Master's Four, a gospel quartet of recording artists will present a free concert sponsored by the Muenster Senior Citizens in the Muenster Public School auditorium on Thursday, December 6, 7 p.m. Preceding the show a sack lunch will be served by senior citizens in the SNAP meeting room starting at 5:30 p.m. Charge for the lunch with tea or coffee will be \$1.00.

**Garden Club Hears Talk on Fun with House Plants**

"Fun With House Plants - Their Selection and Care" was the topic of Kenneth Kaden's program for the Muenster Garden Club's meeting on Monday, November 12. It was held in the auditorium of the Cooke County Electric Co-op Building. He showed a large variety of plants in a wide range of sizes, discussed their care, light needs, water and fertilizer requirements, and most advantageous placement in the home.

Mrs. W. J. Luke presided for the business meeting. She announced the Christmas meeting for December 10 in the Ray Wilde home. There will be a plant exchange among members, and a "Show and Tell" feature by all members who will bring Christmas arrangements of original design.

Mrs. Arthur Endres reported on the District Convention which she attended.

Mrs. Peter McCoy, hostess, served coffee and an assortment of home made cookies to 11 members.

## LOST LUGGAGE

209 N. Commerce, Gainesville

## Sale Announced by NT Hereford Assn.

The North Texas Hereford Association will conduct a bull and female sale at the Gainesville Livestock Auction on December 8, 1979 with showing of the animals to start at 9:00 a.m., and the sale at 1:00 p.m., according to T.J. Davidson, director of the Agriculture Department at Cooke County College.

Davidson and other members of the screening committee, Herman Zimmerer, Jr., and Bob Fuhrmann, all of Gainesville, accepted 78 bulls, 5 registered females, and approximately 60 commercial females for the sale. The females are bred and open heifers, and the bulls consist of 70 head of two or coming two year olds and 8 yearlings, according to Fuhrmann, chairman of the committee.

Davidson said quality of the cattle is excellent. Several of the bulls will have been gain tested at the Cooke County College Beef Evaluation Center.

Cecil Ward will be auctioneer for the sale.

For further information or sale catalogues, interested persons should contact Neil Tibbets, County Agent, Gainesville, TX., 76240; or T.J. Davidson, P.O. Box 815, Gainesville, Texas 76240, phone 817-668-7731, or his home, 817-668-8984.

## Attend Homecoming and See Relatives

Mr. and Mrs. Ruben Sturm of Carroll, Iowa were guests of the Mike Kleiss family Thursday through Saturday, after attending a convention in Dallas. Ruben is a former resident, an SHHS graduate and a brother of Mrs. Al Kleiss of Subiaco. Mr. and Mrs. Sturm drove over the local area, seeing old familiar places in Muenster, his early childhood home in Lindsay and attended the SHH reception preceding the football game.

**Completes Recruit Training in Navy**

Navy Seaman Harold I. Scott, whose wife, Janet, is the daughter of Mary E. Cornett of Myra, has completed recruit training at the Naval Training Center, San Diego.

During the eight-week training cycle, he studied general military subjects designed to prepare him for further academic and on-the-job training in one of the

Navy's 85 basic occupational fields.

Included in his studies were seamanship, close-order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

He joined the Navy in August 1979.

**Mrs. Bernard Hesse Is Shower Honoree**

Mrs. Bernard Hesse was the surprised honoree Sunday, November 18, when twenty four friends and relatives gathered in the Muenster TP&L room for a layette shower.

The gift table was decorated with a stork centerpiece, the hostess gift of an ivy in a bassinette vase and several baby animal figurines.

The serving table held the cakes and tiny baby bassinets containing nuts and mints.

Guests played several shower games and were served refreshments. Gifts were opened and displayed by the honoree and group pictures were made.

Hostesses were Mrs. Henry Pels, Jr., Mrs. Leo Hesse, Mrs. Leonard Haverkamp and Mrs. Gilbert Knabe.

**Managing Time Features Meeting of Homemaker Club**

Evelyn Yeatts, County Extension Agent, presented a program on "Managing Your Time", to members of the Muenster Extension Homemakers Club, during the November meeting in the home of Mrs. Dorothy Fisher. She also requested gifts and volunteers to sponsor a Christmas party for a cottage at Gainesville State School, since there will be no furloughs this year.

Dues were paid at this meeting and members drew names for the Christmas gift exchange.

"Inspiration" was read by the hostess, who also served refreshments to the speaker, 15 members and 3 guests, who were two daughters of the hostess, Mrs. Mike Kleiss and Mrs. Paul Hess and a granddaughter, Sherry Hess.

**Community Books Festive Program For Thanksgiving**

The Thanksgiving dinner, all day picnic, bazaar, games, booths, auction and teen dance, etc. will fill the holiday chock full of continuous events, offering something for all ages.

Serving of the dinner, turkey, dressing, sausage, vegetables and dessert, will begin at 11:00 in the Community Center. Games and booths will be in operation throughout the day. A play for children will be presented at 3 p.m. The auction begins at 6 p.m. and a teen dance at 9 p.m. Lo Della will play for the dance in the VFW Hall.

**Farm Bureau Will Hold State Convention Dec. 2-5**

Farm program legislation, balancing the federal budget, priority allocation of fuel for agriculture, and land use planning — these and more issues affecting Texas farmers and ranchers will be aired at the 46th annual Texas Farm Bureau convention December 2-5, according to Carol Chaloupka, TFB president.

About 1,100 voting delegates from the 213 organized Texas county Farm Bureaus will meet at the McAllen Convention Center to decide on policies that will guide Texas Farm Bureau for next year, Chaloupka explained. The delegates will also approve recommendations for national Farm Bureau policy which will be forwarded to the American Farm Bureau Federation annual meeting in Phoenix in January.

The theme for this year's convention is "Pride in America, Farm Bureau, and Agriculture."

Speaking at the convention are U.S. Congressman Kiki De La Garza of Mission, vice chairman of the House Agriculture Committee; Speaker of the Texas House of Representatives Bill Clayton, Springlake; Carrol Chaloupka, Dalhart, TFB president; and Warren Newberry, Waco, TFB executive director. S.M. True, Jr., Plainview, TFB secretary-treasurer, also will make his annual report to the delegates.

Farm Bureau members adopted recommendations for state and national policies during the county annual meetings in September and October, Chaloupka said. The recommendations were forwarded to the state headquarters in Waco where a 41 member Resolutions Committee used the ideas in drafting a set of tentative resolutions to be presented at the state convention. Resolutions can also be pre-

**Births**

Mr. and Mrs. Danny Darwin of Denison announce the birth of their first child, a daughter, Cassandra Nichole on Saturday, November 10 at 3:55 p.m. in Denison Memorial Hospital, weighing 7 lb. 12 oz. Her grandparents are Mr. and Mrs. Jeff Serna of Muenster and Mr. and Mrs. Robert Darwin of Denison. Mrs. Danny Darwin is the former Hilda Serna.

Mr. and Mrs. Richard William Evans of Muenster are parents of a son, Richard Dwayne, born on Thursday, November 15, weighing 8 lb. 8 1/2 oz. His grandparents are Mr. and Mrs. Richard O. Evans of Myra and Mrs. Barbara Somers of Florida.

**Jaycees Will Host District Visitation**

Among their projects in a crowded calendar, Muenster Jaycees are preparing to host a district visitation next Tuesday, November 27, 7:30 p.m. in the meeting room of the Community Center. Local members are urged to attend and extend a warm welcome to the visiting chapters. The event was announced and planned at last week's regular meeting.

Likewise in the making are plans for the Christmas parade on December 8. The Jaycees' part of that event is the appearance of Santa Claus and his visit with the kiddies. Another part is providing a tree for the community Christmas tree. A procurement party will go out for the tree Saturday and lots of members are asked to come out and help. Assembly point for the project is Flusche Enterprise at 1 p.m.

Jaycees have also taken on the job of filing a low spot in the city park along Maple Street with good top soil. They will welcome donations of good dirt at the donor's convenience, but no trash or large rocks, please. Jaycees will do the spreading.

Discussion on the organization's sale of firewood led to a decision that increasing costs are increasing the price. The new charge is \$70 per cord or \$40 per rick. However wood ordered before the raise will be delivered at the old price.

Special for next week is the Fifth Thursday party on November 29. And members were reminded that their crowded program needs help, so it's time to recruit more members.

**Hartman Kin Visit For Homecoming**

Mr. and Mrs. Ted Gremminger and son Wayne of Denver arrived last Saturday to spend a week with his father Ted Gremminger, Sr. and her parents Mr. and Mrs. Victor Hartman. Included in their vacation was attendance at a family reunion of the Hartmans on Sunday, attendance at the SHH Homecoming, and remaining for the Thanksgiving holiday.

Joining them last weekend were Willard Hartman and son Mike of Killeen, and the Gene Hartman family of Denton. On Sunday Mrs. Keith Tompkins and David, Mrs. Mike Fedor and Teri Lynn and Jeff all of Arlington, and the Walter Wolf family of Gainesville joined the Harvey Schmitt family and the Alvin Hartman family for a complete family reunion.

# SPORTS

## Tigers...

A 17 yard run by Hartman, with a 15 yard penalty added on, gave SH a good start in the second half but the next series stalled and the Tigers lost possession at ND's 28. Four plays later the Knights had to kick, after which the teams traded turnovers. Davis intercepted for Notre Dame. Floyd Haverkamp recovered a fumble caused by John Hartman. The Tigers were 31 yards away.

On third play of their series Hartman passed to Mike Hesse for a gain of 27 and two plays later Hesse made the final yard to the end zone. Hesse also kicked the extra point and the game's scoring ended at 4:23

in the third with a total of 41-0.

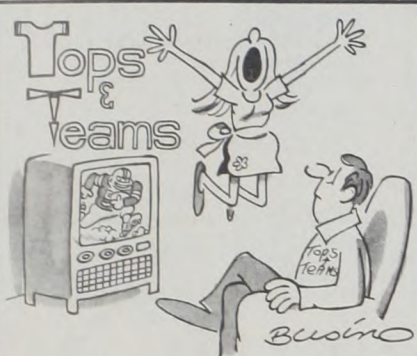

Tiger duties for the last quarter were turned over to the youngsters, and the Knights dominated. To begin, they made gains of 11 and 12 on a pair of passes before bogging down on the third series. A fake punt failed by 5 yards to keep the drive going.

However SH had to punt ending the next series and the Knights got another chance from their 24 yard line. Two runs gained 13, a pass interference ruling gained 13 more, two penalties gained 10, a pass gained 11, a run and a pass reached the 10 and an interference ruling set up a first and goal on the 8. Finally opportunity was knocking for the Knights, but then the drive went sour. A busted play and a penalty lost 10 and 15 yards, so the Knights tried for a field goal. It was blocked.

Statistics	SH	ND
First downs	15	12
Rushing	205	41
Passing	110	114
Completions	4-10	11-23
Intercept by	2	1
Fumbles lost by	2	2
Penalties	9-75	10-80
Punts	5-23	6-28

## Hornettes Lose in Try for Bi-District Volleyball Title

Muenster High School's volleyball season ended in disappointment Tuesday night in Nocona. In spite of playing their best of the season, the Hornettes lost in their bid for the bi-district title.

The girls lost their opener 15-11, won the second game 15-4, then dropped a heartbreaker 16-14. After reaching a 14-12 lead, only a point from the bi-district victory, they allowed four successive points to get away from them.

Nevertheless it was a great match, according to Coach Fay Hamric. She said that she and a large attendance of MHS fans are proud of the girls for their fine effort.

## Happy Thanksgiving!

Mel Walterscheid, 68, announces a Sacred Heart touchdown with a gesture of triumph. Mark Nasche goes in for the score as Paul Bartush, 64 and Mark Miller have a part of the action in last week's 41-0 Tiger victory over the Notre Dame Knights.

## MHS Teams Split Pair at Saint Jo

Muenster High's Hornets won their third basketball game of the new season Tuesday night after a sea-saw tussle at Saint Jo. After the lead changed four times they came away with a 60-55 win. MHS also led at the other quarters by scores of 21-16, 35-31 and 45-43. Their problem mostly was a Panther hot streak in which they hit 80 per cent of their shots.

Hornets scorers were Floyd Felderhoff 16, Todd Richey 14, Ricky Winn 9, Don Frazier 8, Phil Wolf 6, Mark Felderhoff 5, Tim Schneider 2.

The MHS girls, still short handed while some players were in volleyball, were at the short end of 44-20.

The scorers were Lou Dyer 6, Stephanie Richey 6, Peggy Winn 4, Sherri Hess 2, Mary Winn 1, Renee Wimmer 1.

Hornet junior varsity started the 3-game program with a loss of 36-24 in its first action of the season. Scores at the quarter were 10-4, 20-12, 26-18 and 36-24, and the point makers were Kevin Felderhoff 10, Wayne Carroll 4, Gary Klement 2, Wylie Lewis 2.

In their next action Muenster teams will host Forestburg Tuesday, 7 p.m.

**Volunteer Firemen**  
The Fire Drill and meeting originally scheduled for Thursday, November 22 will be held on November 29 at 5:30 p.m. to avoid conflict with Thanksgiving Day.

## Seniors-Sophs Are 24-0 Winners in Powderpuff Game

The annual Powder Puff Football game was held last Tuesday night as part of the Homecoming Week events. Senior and sophomore girls competed against junior and freshman girls, after a week of practice.

The first half was played to a scoreless tie. Sharon Sicking caught the opening second half kickoff and ran for a 65 yard touchdown and the senior-sophomore team led 6-0.

Momentum held for the seniors-sophomores throughout the game. Sharon Sicking, Rose Felderhoff and Rhonda Endres made fine runs for three more touchdowns, and the game ended with a 24-0 score.

Spectators were treated to a good game and eight very dressed up boy cheerleaders

## Buck Contest Open To Montague Deer

Hunters of the area who bag a buck in Montague County during the upcoming deer season are eligible to compete in the Big Buck Contest sponsored by the Bowie News.

The grand prize is a Remington Model 700 ADL 270 rifle valued at \$259.95.

Winner of the contest will be determined by rack only, the system incorporating size, points and spread. Entry fee is \$4.00. Entries are to be turned in at the Bowie News and must be tagged with the entry form and a Texas Parks and Wildlife tag.

added to color and excitement. They were senior Mark Nasche, juniors Brian Grewing and James Hess, sophomore Tim Voth, Fred Hoedebeck and Darrell Swirczynski and freshmen Curtis Henschel and Gene Haverkamp. Donna Trubenbach and Greg Walterscheid were reporters.

These Tigerettes romped merrily at the Tiger - Knights game Saturday night and helped lead cheers during the Homecoming game. They are, standing, in back, Tammy Henschel and Terrye Flusche; at center is Bernadette Knabe and in front is Chad Bayer. He is a second grader at Sacred Heart and was an enthusiastic participant.

**MHS Basketball Teams Divide Two Double Headers**

Muenster High Hornets made a big start in their basketball season Friday and Monday with impressive wins over Prairie Valley and Forestburg. The scores were 70-36 and 76-60 respectively.

The Hornets did not fare so well. They lost 59-36 at Prairie Valley and 40-24 at Forestburg. However, an important factor in their game was the absence of players who were still practicing volleyball to prepare for a bi-district showdown with Nocona on the 20th.

The boys took charge promptly at Prairie Valley and poured in the points for

scores of 27-7, 48-15 and 68-22 in three periods. Then Coach Ellis turned the job over to his junior varsity who came away with a count of 70-36.

Scorers were Don Frazier 14, Ricky Winn 13, Todd Richey 12, Floyd Felderhoff 11, Mark Felderhoff 4, Phil Wolf 4, Tim Schneider 4, Larry Fleitman 2, Gary Klement 2, Kevin Felderhoff 2, Scott Marquardt 2.

At Forestburg, the Hornets gained in three quarters by scores of 16-11, 42-24 and 60-40, then the junior varsity gave up some of the margin in the fourth period.

Final score was 76-60.

MHS scorers were Todd Richey 23, Don Frazier 23, Floyd Felderhoff 22, Mark Felderhoff 4, Phil Wolf 2, Larry Fleitman 2.

MHS girls at Prairie Valley fell behind in three quarters by scores of 16-2, 30-13 and 53-18 and gained to 59-36 as Prairie Valley reserves played the fourth. Scorers for Muenster were Stephanie Richey 16, Kyla Hale 9, Jill Walterscheid 7, Lou Dyer 4.

The story was about the same at Forestburg where Muenster started with a first quarter lead of 9-8 before Forestburg jumped to leads of 20-11 and 30-13. In the last quarter Muenster improved and ended with a loss of 40-24. Poor shooting was the problem. They made only 14 per cent of their field goal shots, and 29 per cent of the foul shots.

Scorers were Stephanie Richey 9, Lou Dyer 7, Kyla Hale 3, Mary Winn 3, Jill Walterscheid 2.

**SHHS Queen...**

from members of the football team. Riding on a float built by sophomores, all participated in the parade at 6 p.m. and at 7:15 they were presented mid-field by their fathers, and Mrs. Betsy Fleitman listed scholastic and athletic accomplishments of each student.

At half time the Drill team performed a red and white glove routine to "Dim All The Lights" by Donna Summers. Officers are Renetta Walterscheid captain; Toni Hoedebeck co-captain; Shellie Walterscheid 1st Lt. and Janet Dangelmayr 2nd Lt.

Cheerleaders were Missy Flusche, Brenda Henscheid and Missy Stoffels, assisted by Terrye Flusche, Tammy Henscheid and Bernadette Knabe, dressed as Tigers, accompanied by second grader, Chad Bayer, also in a Tiger costume.

Mary Beth Bartush, drill team sponsor, presented a red carnation to nine girls selected as Tigerette of the Week, during the year, including Karla Hartman, Mary Lin Koesler, Angie Bartush, Sherri Muller, Jenny Felderhoff, Kathy Knabe, Bernadette Knabe, Tina Hesse and Christy Felderhoff.

Two dances concluded the evening, one in the Community Center and one in the Gym.

Missy Flusche, head cheerleader at SHHS, spent the second half on the bench with an ice pack on her knee, after injuring it while tumbling for joy over a Tiger touchdown.

**Dismissed from Baylor**

Mrs. Arthur Felderhoff was dismissed from Baylor Hospital in Dallas on October 20 after thirty one days of hospitalization for back surgery.

## CARD OF THANKS

The family of Judge Boyles wishes to express sincere appreciation and gratitude for Masses, prayers, flowers, and food received at his recent death. A special thanks to Father Stephen, the altar boys, the children's choir and Sister Carmelita. And special thanks to the Catholic Daughters and the Mothers Society for the lovely dinner; also to Nick and Adeline Miller.

Bill Boyles Family  
Tom Boyles Family  
Jack McCurdy Family  
Tim Coughlin Family

I treasure the memory of many kindnesses while I was a patient at Baylor Hospital in Dallas and thank everyone for many prayers, visits, cards and flowers. Many thanks to Father Stephen Eckart for remembering me during Mass in Sacred Heart Church. My family and I appreciate the food gifts brought in after I returned home. May God bless all of you.

Evie Felderhoff and family

Many thanks to the wonderful nurses of Muenster Memorial Hospital, Dr. Antonetti, Father Stephen, Bishop Danglemyr for care during my hospital stay, to family, relatives and friends for visits, prayers and favors. I appreciate every kindness.

Joe Hoening

**Muenster, Lindsay Cub Scouts Have Joint Turkey Shoot**

Muenster Cub Scouts and adult leaders of Troop 664 sponsored their first Turkey Shoot on Monday, November 19. The event took place in the Bartush Barn. One den from Lindsay and four dens from Muenster participated. There were divisions for 3rd, 4th and 5th grade.

Ashley Fuhrmann was the Lindsay winner with a score of 50-3x. Philip Reiter, a 3rd grader of Muenster, was the

winner, with a score of 50-3x and 50-3x; Kevin Bell, a 4th grader with a score of 50-5x and 49-4x; and Joe Pangel, a 5th grader with a score of 50-3x and 50-2x.

Prizes were frozen turkeys, provided by Jim Myrick of Lindsay, H & W Meat Company, Hofbauer's and Fischer's.

The Cub Scouts and Cub Master Jim Vogel expressed their gratitude to them and also to Chuck Bartush Sr. for the use of the area; to Gehrig Hardware for the paper targets which were attached to hay bales; and to Jaycees who conducted the firing lines and assured the safety factor.

Cub leaders and volunteers who cooperated in the "Turkey Shoot" did so in the belief that proper training will develop a good mental attitude, akin to respect, with a total awareness for safety with firearms.

They feel that the youngsters should be taught to respect marksmanship and skill, in a climate of common sense, good judgement and personal responsibility.

The gathering of cubs, leaders, parents and families began at 6:30 p.m. There were games in another area for cubs as they waited their turn in the "Turkey Shoot." Cookies and punch were served by Den Mothers.

**Fair and Mild**

Temperatures that approached but did not quite reach the freezing mark last week have gone up this week to lows of the forties, fifties and even sixties.

Up to now Steve Moster's official thermometer has not been down to 32, but there have been reports of frost and thin ice.

Low and high readings of the week have been reported as follows: November 15, 38 and 70; 16th, 49 and 77; 17th, 49 and 77; 18th, 50 and 78; 19th, 60 and 80; 20th, 62 and 76; 21st, 49 and 60.

Rainfall Tuesday and Wednesday measured only .02 and .24, bringing the month's total to 1.46. Measurement of the year to date is 33.36 inches.

**2 New Members Join Beta Kappa**

The November meeting of Beta Kappa Muenster's chapter of Epsilon Sigma Alpha, was held in the home of Mrs. Louise Fisher at Lake Kiowa on the 14th.

A ceremony was held to induct two pledges into ESA. Mrs. Pamela Fette and Mrs. Marsha Atchison held lit candles decorated with yellow Jonquils, the ESA flower, as they recited their induction pledge.

As part of the business meeting, plans were discussed for ESA to sponsor Miss Muenster in the annual Christmas parade to be held in Muenster on December 8. Also, plans were made for the annual Christmas party to be held this year at the home of Mrs. Liz Howe with husbands as guests. The party will be held on December 9 from 1:00 to 4:00 p.m.

Mrs. Louise Fisher had the program at the meeting, "How to Live 365 Days a Year," and also an ESA slide and recording program to help new members get acquainted with ESA and all its facets.

The next meeting will be on December 12 at the home of Barbara Felderhoff.

**Schedule of Meetings**

**Home-School**  
The November Home-School Society meeting will be held Tuesday, Nov. 27.

**Myra Club**  
The Myra Community Improvement Club will meet Tuesday, Nov. 27.

**Auxiliary Asks for Donations in Lieu of Greeting Cards**

Mrs. Herb Miller (Dolores) is the chairman of the annual holiday project, "In Lieu of Christmas Cards," sponsored again this year by the Muenster Hospital Auxiliary.

As in the past 10 years since the organization began the holiday activity, sponsors suggest the donation of an amount comparable to what is ordinarily spent for cards and postage.

Especially appealing as a time-saving feature, when most people are involved in a number of activities, the project is primarily a benefit for the auxiliary's program assisting Muenster Memorial Hospital. Each year the project funds assist in the purchase of specialized equipment for the hospital.

As in past years, names of donors will be printed in a special greeting in the Christmas issue of the Muenster Enterprise; however, personal amounts will not be listed.

Checks should be made payable to the Muenster Hospital Auxiliary and sent to Mrs. Herb Miller, Box 158, Muenster, Texas 76252. Also needed is the signature exactly as desired on the greeting.

Deadline to be included is December 15.

**Confetti...**

capitalist system? "Mr. Speaker, you occupy a position of power, prestige and authority; your statements are read and discussed throughout the world by friend and foe alike. What you feel as a private citizen is one thing; what you state publicly, transcends the private citizen and has ramifications effecting, not only Citizen O'Neil, but millions of his fellows. It therefore becomes of paramount importance that all the facts are examined before a judgment is rendered.

"In conclusion, Mr. Speaker, the only pornographer I have been able

to find in my investigation, is the politician who prostitutes himself with divisive, mistrustful self-serving political rhetoric.

We are in a crisis Sir; we look to you for calm, decisive leadership. "Sincerely yours, A. Johnston."
