Chamber raises ransom reward on ghosts

Ghosts have infiltrated Muenster businesses and the Muenster Chamber of Commerce has raised the ransom being offered to the three persons finding the most numbered ghosts. The prizes are now \$100 Floating Bucks for first place, \$50 Floating Bucks for second place, and \$25 Floating Bucks for third place.

Floating Bucks are equal to \$1 each and can be used in any Muenster business. The "Spook Hunt" prizes had originally been \$25, \$15 and \$10 Floating Bucks.

The spooks have been lurking in the local businesses since Wednesday, Oct. 24 and were placed there by participants in the Muenster Chamber of Commerce sponsored

"Spook Hunt."

To take part in the "Spook Hunt" you must be at least 18 years of age. Entry forms with a list of all participating businesses can be obtained from one of the participating businesses or at the Chamber office.

There will be a variety of activities in Muenster on Saturday, Oct. 27 when the Muenster Chamber also sponsors "Spooks On Parade." The parade of costumed spooks begins at 1 p.m. at Fourth and Main. Participants need to line up at 12:30 p.m.

Other activities on Saturday include a jack o'lantern carving contest, Spook House, fortune teller, jelly bean count and much more.

Muenster Jaycees host Halloween party

An event becoming a tradition in this community is the Muenster Jaycee annual Halloween party, now approaching its eighth successive year.

Always held to lend financial support to Jaycee community projects and charitable endeavors, this event, although social in nature, has particular significance in 1990, since all monies realized from the dance will go to the Duane Knabe Fund to assist in covering his steadily mounting hospital and medical expenses.

The costume party and dance will be held on Saturday, Oct. 27 in the VFW Hall in Muenster. Costumes are required. Dance music will be provided by Andy

Serna and the Captive Hearts from 9:00 p.m. to 1:00 a.m.

Doors will open at 7:30 p.m. and judging will take place no later than 9:30 p.m. Everyone planning to be included in judging of costumes must be present before 9:30 p.m.

A special drawing will take place during the Halloween party, for the raffle that has been sponsored by the Muenster Jaycees and the Muenster Knights of Columbus to benefit the Muenster Senior Center and S.N.A.P. Only 300 tickets will be sold and if all tickets are sold before Oct. 27, the winners names will be drawn at the party.

CCAD close on budget line until end of year

by Elaine Schad

The Cooke County Appraisal District will be operating close to the budget line until the end of this year, with officials this week projecting a year end balance of just \$623 if expenditures hold to current projections.

"That's close; that's too close," said CCAD Board President Roger Martin. Because of state property tax regulations, the district is not allowed to carry over surplus from the preceding year's budget, he said. Acting Chief Appraiser Brenda Urretia said she feels the projections are not padded, yet are realistic. "If we watch the money we spend, I think we can make it," she said.

The board approved unequal quarterly payments for the entities to fund the district's budget in 1991 to improve cash flow. Entities will pay 30 percent of the

budget requirement for the first and second quarters and 20 percent for each of the remaining two quarters.

The district has advanced some \$6,000 to the collection side for postage costs connected with mailing tax notices this month, said Mrs. Urretia. That budget is yet unfunded since the CCAD has just taken over collections and because county taxing entities have rejected the fiscal 1991 budget.

Mrs. Urretia blamed the current budget woes on poor management by the past administration. The CCAD board last month fired Chief Appraiser Pat Pickett, a position they do not intend to fill until January 1, said Martin. "We know we overspent," said Urretia.

The board is beginning the application process and expects to hire a new chief appraiser by Jan. 1, said Martin. CCAD directors

voted to give Mrs. Urretia an additional \$300 per month, retroactive to Oct. 1, for her duties as acting chief appraiser. That will include \$100 per month for additional appraisal duties and \$200 for collection. The board granted a temporary \$100 a month increase to Business Manager Rosa Leigh Wood for additional duties.

Directors hired Gainesville Attorney Richard Stark to represent the CCAD in two pending lawsuits, one a group lawsuit filed by some 47 county taxpayers claiming unfair appraisals.

The board is expected to begin work soon on revising the 1991 budget which has been rejected by Cooke County taxing entities. Directors couldn't decide on a workshop date at their last meeting, but must submit a new budget for approval by Nov. 14, officials said.

Cooke County to establish inmate work program to ease overcrowding

by Elaine Schad

Cooke County has received a \$53,000 grant to fund a county-wide inmate work program as part of a statewide effort to alleviate jail overcrowding, officials said this week.

County prisoners participating in the program will wear a special uniform, will be continuously supervised by a sheriff's department deputy, and will work on projects for the county precincts, the city of Gainesville and about six other cities in Cooke County, including Muenster and Lindsay, said Cooke County Sheriff John

Aston. The program should start in about two weeks, he said. If cities are interested in using prisoners for a project, such as litter detail or other work, they should contact Aston.

Funding for the program in Cooke County is part of a \$50 million state grant available through the Community Corrections Funding program with the overall goal of alleviating overcrowding in prisons statewide, said Sandy Russell, Cooke County probation department director. Prisoners who successfully work in the program could become eligi-

ble for early release or could apply for probation before they are transferred to Texas Department of Corrections facilities, officials said.

The program, which will be voluntary for those prisoners eligible to participate, will be coordinated through the adult probation department in coordination with the Cooke County Sheriff's Department and the commissioners court, said Aston. "Only low-risk prisoners will qualify for the program," he said. "Other than working eight hours a day, they'll be just like any other prisoner."

The program will pay a deputy to supervise up to about five prisoners, who will be assigned work details across the county. The sheriff's department has projected that about 150 inmates will qualify for the program during the next year, said Aston.

The typical prisoner in the Cooke County Jail is under 35, has no trade, has family locally and generally has been jailed for alcohol or drug abuse, said Aston. About a third have prior felony convictions, he said. "This program will allow us to put them in the community where they can do something useful instead of just having them lay around in the jail watching TV," he said.

United Way donations exceed Muenster's goal of \$10,000

With 99 percent of the local United Way collection complete, John Bartush, Muenster United Way chairman, has announced that Muenster has exceeded its goal of \$10,000. The latest tally showed that \$10,391.00 had been pledged.

"It was great!" said Bartush. "I didn't think that we'd reach the goal. The United Way donations last year barely hit \$8,000."

The Muenster Youth Council

will be able to request even more funding from United Way for the 1991 budget since Muenster has generated more money for United Way, according to Bartush.

Bartush expressed gratitude to all of the people - merchants and individuals - who donated to United Way. He especially singled out Mattie Swirczynski and Celine Dittfurth for their special efforts.

Individuals who delivered and

collected United Way envelopes were Ben Bindel, Dave Flusche, Jr., Jack Flusche, Chuck Bartush, Jr., Loree Bruns, Mattie Swirczynski, Arthur Hennigan, Shirley Knabe, and Dave Fette.

Many youth organizations in Muenster are dependent on United Way funding for many of their activities. Some of these youth groups are Scouts, Camp Fire, Summer T-Ball, and baseball and swimlessons.

Sacred Heart Parish sponsors annual Thanksgiving event

The traditional pre-Thanksgiving parish benefit picnic and bazaar sponsored annually by Sacred Heart Parish will be held on Sunday, Nov. 18 in the Community Center.

Highlighting the day's events will be the turkey and dressing dinner served from 11 a.m. until 2 p.m. Tickets for the "All You Can Eat" meal are \$6.00 for adults and \$3.00 for children under 12.

The menu includes: Turkey and Dressing, Gravy, German Sausage, Mashed Potatoes, Green Beans, Sauerkraut, Cranberry Sauce, Hot Rolls, Butter, Coffee, Tea and Pie.

Chairmen of the noon meal are Carrie Walterscheid, 759-4246, and Virgilla Herr, 759-4146.

They emphasize that the committee is accepting cash donations left at both, Fischer's Meat Market and Hofbauer Food and Locker. With this cash the committee will purchase turkeys of similar sizes, instead of mixed sizes. They will also purchase other ingredients to be used for the dinner.

Sandwiches will be available throughout the afternoon. Entertainment will be ample.

Chairman of the various booths include: Main Raffle and Kids'

Raffle, Sacred Heart School Board; Gun Raffle, Jim Gehrig, 759-4533; Silent Auction, Jerry Hess 759-4254, Debbie Hess 759-2890 and Wilfred Bindel 759-2729; Country Store, Jana Stoffels, 759-4895; Noon Meal, Carrie Walterscheid 759-4246, and Virgilla Herr 759-4146; Horse Race, Sacred Heart Alumni, 759-4821; Bingo, St. Joseph Society, 759-2729; Cake Walk, Monica LeBrasseur, 759-4538; Sweet Shoppe, Charlotte Klement, 759-4222; Pill Game, VFW, 759-4353; Kids' Games, June Bartush, 759-2800; Cokes and Candies, Barbara Fuhrmann, 759-4176.

All families are asked to furnish a pie and a cake.

"Any other help is welcome," said the chairmen. "Please volunteer!"

Tom Herr (759-4146) is chairman of the event.

Chamber challenges Muenster area to 'light up' for Christmas

A challenge has been issued by the Muenster Chamber of Commerce to the businesses and residents of the Muenster area. Substantial cash prizes will be awarded to the top three winners in these categories: Best Business, Best Residential, Best Rural, Best Religious, Most Unique, and Most Humorous. A large cash prize will be given to the Best Block.

"We hope to see a very well decorated Muenster this Christmas," explained Margie Starke, chamber secretary. "It is a project that the whole community can get involved in. The judging will be done by the whole community. Ballots will be printed in the Muenster Enterprise and everyone is invited to participate."

Billboard is stirring interest in Muenster

A billboard along I-35 promoting tourism in Muenster has been attracting a good deal of attention.

The sign has brought many people asking about Muenster into the Travel Texas Tourist Bureau north of Gainesville, according to its manager Dale Sowder. "You wouldn't believe the number of people it brings in," said Sowder.

Important voting information

An announcement given to The Enterpriseby County Clerk Frank Scoggins on Tuesday offers the following information to clarify certain misunderstandings.

Absentee voting for the General Election on Nov. 6 began on Wednesday, Oct. 17 and will end on Friday, Nov. 2. This applies to absentee voting in person at the County Clerk's Office. Hours are 8 a.m. to 5 p.m., Monday through

Friday. By mail, absentee voting will end Oct. 30 which is the final day that applications may be received at the County Clerk's Office.

Any registered, qualified voter may vote absentee, in person. To be eligible to vote by mail, these are the considerations: 65 years of age or older; certain religious beliefs; confinement in jail;

disability; excepted absence from the county on election day and during the county clerk's regular office hours for remainder of the absentee voting period. The application must be submitted from outside of county. The ballot must be mailed to the applicant at an address outside of county and must be returned to the county clerk's office from a point outside of Cooke County.

Reminder ...

Abbot Jerome Kodell will speak at Sacred Heart Parish's Large Group RENEW gathering at 7 p.m. on Sunday, Oct. 28, in the Community Center. His topic is "Responding to the Lord's Call."

Letters to the Editor

To the Editor of the Muenster Enterprise, October 23, 1990
 So that there can be no question about where I, Kyle McCain, stand on the issue of "Right to Life", I wanted to respond to Kenneth Bierschenk's letter printed in last week's edition of the Muenster Enterprise.

I, Kyle McCain, believe in the "Right to Life" not only as a moral issue, but also as a political issue. This means that I will take a public stand for "Right to Life" and as an elected official will work to legally protect the unborn child. I will sponsor or co-sponsor legislation on this issue. I have aligned myself with Clayton Williams and Rob Mosbacher (candidates for Governor and Lt. Governor) who have also taken a public stand on the issue of "Right to Life". My opponent serves on the steering committee for the election of Ann Richards for Governor and Bob Bullock for Lt. Governor. These two top-of-the-ticket candidates not only support abortion on demand with no restrictions, they have both said they support the repeal of Texas' anti-sodomy statutes as reported in THIS WEEK IN TEXAS, a homosexually oriented publication. While I (find it hard to) believe that my opponent supports these positions, he supports these candidates and has failed to respond to questionnaires where these questions were asked. A recent telephone call to his office drew the response from his staff that they did not know where he stands on the issue of abortion.

My work for "Right to Life" includes serving on the committee in 1986 that wrote the Republican Party Platform for the State of Texas that included the strong "Right to Life" plank. I was one of thirty-one members of that committee that kept the Republican Party's commitment strong.

The 1990 Republican Party Platform for Texas not only retains the strong commitment to Right-to-Life (with the exceptions of rape, incest, and the life of the mother being endangered); but the platform now also includes a Legislative Action Plan. The letter from the high school students in Muenster's schools refers to the "Webster" decision by the Supreme Court, and this decision is the reason for the new Plan. The states now have the opportunity to restrict abortion and the Republican Plan in Texas has seven parts including requiring parental consent for a minor, prohibiting sex selection abortions, prohibiting abortions when the child is viable outside the womb, improving the legal protection for pregnant women and their unborn children, requiring abortion facilities to have personnel and equipment for medical emergencies, prohibiting kickbacks for abortion referrals, and requiring the patient's informed consent for the procedure. Even though this does not eliminate abortions now, this is what we can do until the time that the unborn child's "Right to Life" is Constitutionally guaranteed.

In the Republican Primary election this year I was endorsed by the Texas Right to Life Committee. In this general election I have been financially supported by Texans United for Life PAC and the Texas Eagle Forum PAC, both strong Pro-Life organizations.

I am asking for your vote on November 6, but not just for this one reason. I am not a single issue candidate. My opponent and I have major differences on several important issues. For example, he would apply sales tax to agriculture production costs and I would not; he is not afraid of a "tax on production", and I will work to protect Texas against an income tax; he says that the solution to Workers Compensation costs is requiring every company to participate and I understand that many small businesses will go out of business if they are forced to pay for the coverage before the rates are brought down.

I want to encourage you to vote for me, Kyle McCain, and Clayton Williams and Rob Mosbacher.

Sincerely,

Kyle McCain
 Republican Candidate for State Representative
 House District 63

Dear Sir:

I grew up in the Gainesville area. In the summer of 1985, I applied for admission to the University of Texas at Austin. The University lost my application and informed me that I would not be able to attend school there that fall.

I called my State Representative, Ric Williamson. To my amazement, he solved the problem that day, and I was set to attend the University of Texas that fall. I know Ric would help all of his constituents who have problems. Ric is well respected in Austin and around the state. He sits on some of the most powerful committees in the Texas House of Representatives. He also takes time out for the people in his district and their problems.

I intend to vote for Ric Williamson this fall. I urge your readers to support him as well.

Sincerely,
 Victor L. Schmidkofer

To the Editor:

The Texas Commission on Alcohol and Drug Abuse has awarded \$2.5 million for the fiscal year 1991 (September 1, 1990 - August 31, 1991) to continue funding youth services throughout the state. This funding mechanism proved to be successful from initiation on May 1, 1990 - August 31, 1990; therefore, the funding cycle was renewed.

The Texoma Council on Alcoholism and Drug Abuse is a grantee of the Texas Commission on Alcohol and Drug Abuse, and we have been given the opportunity to purchase adolescent services for youth ages 13-17 who need and want help. The Purchase of Services Contract allows us to contract with individuals who meet specific criteria for: Adolescent Residential Substance Abuse, Adolescent Inhalant Abuse, Supportive Outpatient, and Adolescent Intensive Outpatient. The sub-contractors may provide inpatient, outpatient, individual and/or group counseling to adolescents directly or indirectly affected by substance abuse.

If you are aware of a youth in need, and who might be appropriate for this service, please refer him/her to our office. Our address and number are: 103 Travis, Sherman, Texas 75090 (214) 892-9911. We also have a 24 Hour Answering Service.

The Texoma Council on Alcoholism and Drug Abuse must assess the youth and then make the appropriate referral.

Several adolescents in our area are presently receiving these services. The Texoma Council on Alcoholism and Drug Abuse, families, and youth are anticipating productive and positive progress in many lives.

This is a victory for Texas, and especially for our youth!

Dear Editor:

As a lawyer and a teacher of Texas State Government, I have discovered there is a little public awareness of the election of judges in Texas. There are five basic levels of courts in our state: 1) Justice of the Peace Courts and Municipal Courts of limited jurisdiction. 2) County trial courts, including: Probate Courts (Wills), Texas Constitutional Courts (Commissioner's Court), and Legislative County Courts at Law. 3) Next are District Courts. 4) Court of Appeals. 5) And, Texas courts of highest appeal are the Texas Supreme Court (civil matters) and the Court of Criminal Appeals.

At level four, there are 14 Courts of Appeals across the state. (Your readers are in the 2nd Judicial District covering a 17-county area.) Each court has more than one judge and all judges are popularly elected for terms of six years. Terms are staggered so that a one third of the judges are elected every two years. Judges must be at least 35 years of age and they must have at least ten years experience as a practicing lawyer or a judge.

Judge John Narsutis is a candidate for the Court of Appeals in this district. He has seventeen years of legal experience and has been a state district judge for six years. He has been highly rated by the bar for knowledge of the law and for efficiency, attentiveness and punctuality. He publishes legal articles and presents papers at professional meetings for lawyers. Judge Narsutis works long hours and is known to stay at the Courthouse until the job is done. He is married, with two young daughters and understands the purposes of our laws. In short, he is the type judge citizens want on their higher courts.

The public wants and deserves to be informed of judicial candidates so they are not left to vote only for a familiar sounding name. Texas has witnessed some embarrassing examples of this type of voting. Voters have a real choice on November 6 to vote for Judge Narsutis, a judge with integrity.

Sincerely,
 Marty Leewright, Attorney

Hutchison changes to pro-choice stance

by Bill Price
President, Texans United for Life
 Republican Candidate for State Treasurer, Kay Bailey Hutchison, has once again changed her position on abortion, reverting back to the pro-choice stance she advocated during her losing campaign for congress in 1982 against Steve Bartlett.

After a strong pro-life vote elected Steve Bartlett to Congress over her, she began to seek out pro-life leaders in an attempt to better understand the abortion issue. During numerous meetings with me and other pro-life leaders prior to announcing her candidacy for State Treasurer, Mrs. Hutchison assured us that her position was consistent with that of President Bush. As you know, President Bush opposes virtually all abortions. His only exceptions are for rape, incest and danger to the life of the mother.

Mrs. Hutchison then proceeded to enlist the support of pro-life opinion leaders across the State, asking them to meet grassroot opportunities for her to provide roots, pro-life Republicans and share her views with them. In good faith, they did so.

On July 17, 1990, we were all dismayed, indeed shocked, to read remarks attributed to Kay Bailey Hutchison in several newspapers in different parts of the State in which she said she supports a woman's right to choose abortion before viability. The Fort Worth Star Telegram reported her statement as "...before viability, I think it's a woman's decision." Since 90 percent of all abortions are performed before viability, Mrs. Hutchison's new/old position is that of support for abortion on demand. In our collective opinion, her comments constitute a serious breach of faith and trust.

After her remarks were reported in the press, I, along with other pro-life leaders, privately asked Mrs. Hutchison to clarify her position. Her response is that she is personally opposed (a la Dukakis, Ferraro, et. al.) to abortion and that she supports the 7-point legislative plan endorsed by the Texas Republican Party.

Let me make this clear. 1.) The Platforms of both the National and Texas Republican Parties state that "... the unborn child has a fundamental individual right to life

that cannot be infringed" Mrs. Hutchison's position that it is "a woman's decision" directly contradicts the standard set by her Party, and 2.) the 7-point legislative plan, while endorsed by all of us, is acceptable only as a part of a broader statement of support for pro-life principles and objectives. It is not to be used as a cover for pro-abortion politicians.

Someone who endorses 90% of all abortions, is pro-abortion, and support for the GOP legislative plan cannot change that.

We attribute Mrs. Hutchison's reversal of position to the fact that she is willing to betray the pro-life movement, in order to court the votes of the liberal feminists in the metropolitan areas who are supporting her opponent.

Kay Bailey Hutchison has separated herself from her party, our President, and from the leader of the Republican ticket in Texas, Senator Phil Gramm. Finally, she has broken faith with pro-life voters, for whom neither candidate for State Treasurer will be acceptable.

Margie Starke appointed to Board

Margie Starke was appointed to Muenster Memorial Hospital's board of directors at the September board meeting. She is filling a vacancy left by the resignation of Marvin P. Knight, M.D. Mrs. Starke will serve the remainder of Knight's term which will expire in April of 1991.

"I am interested in the future of our hospital's prosperity," said the new board member. "I feel like it is time for me to do more community

service and that being on the hospital board is one of the best community services that I could do. They need a lot of hard workers."

One of Margie's main focuses of interest is in reactivating the hospital auxiliary. She has contacted many people about reviving the group and feels that a lot of interest is being generated.

Should things go as planned in there will be some type of social in

late November or early December for interested persons. If enough people show support they will organize meetings beginning in January, according to Mrs. Starke.

Also serving on the MMH board of directors are Al Felderhoff, David Bright, Chuck Bartush, Jr., Werner Becker, Jr., Sharon Felderhoff, Dr. Enrique Juarez, Debbie Hess, and Lisa Walterscheid.

VV United Way goal is reached

by Elaine Schad
 Valley View's businesses and residents showed an outpouring of generosity during this year's United Way drive, surpassing their goal by more than 500 percent, officials said this week.

Valley View contributions to the county effort totaled \$7,172. The city's goal was \$1,000, said Rae Freeman, United Way division

leader for Valley View. Last year's donations totalled \$437.

The largest contributors were employees from the city's largest businesses, Alan Ritchey, Inc. and Martindale Feed, a division of Alan Ritchey, Inc. Total pledges were \$3,400.

The Valley View branch of the Gainesville National Bank

reported 100 percent participation by its employees, for a total contribution of \$1,029. GNB added an \$875 corporate gift to that total, said Mrs. Freeman.

Volunteer workers for the Valley View area included Janie Hughes, Cecile Newton, Shirley Martindale, Debra Norwood and Billy Williams.

Don't Forget!

It's that time again! This weekend, you'll regain that hour of sleep you lost last spring when Daylight Saving Time began. With the return of Standard Time, clocks are to be set back one hour, effective Sunday, Oct. 28, at 2 a.m. Better yet, set your clocks back one hour before you go to sleep Saturday night. There's little likelihood, then, of confusing church time Sunday morning.

Another timely reminder that is recalled from last year's notice of time change concerns an announcement from the International Association of Fire Chiefs intended to alert homeowners to "change your clock and change your battery!" every October, when clocks are moved back an hour for the end of Daylight Saving Time, due to the fact that, although 83 percent of U.S. homes contain smoke detectors, less than half are operable. "Also," the Fire Chiefs emphasize, "if you don't own a smoke detector yet, do get one and mark your calendar. For both reasons."

Dear Editor:

As we near election time, I urge every voter to put candidates to the litmus test: If they are for higher taxes, vote them out, and if they are for lower taxes, vote them in!

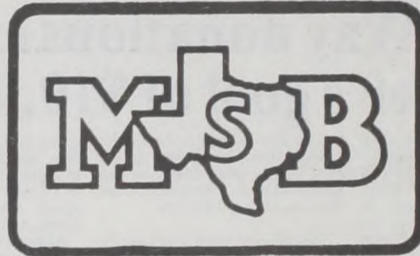

Liberal democrats (and more recently our own lip-synching president!) have been spoon-feeding us the nightly fairy tale that by raising taxes somehow (through osmosis?) we will have a reduction in our horrendous deficit. Under the glare of historical precedence, however, we see clearly that raising taxes will accomplish two things: **increased federal spending and automatic brakes on our economy!**

Every time there is a problem with the budget, who do these people want to make the sacrifices? The taxpayers! Will they do likewise? What and give up their high-bracket salaries and unrealistic pensions for a few years of misrepresentation? Not on your life!

And this "soak the rich" farce is getting a little old. First of all, if you could (they can afford to move to Tahiti) soak the rich 100 percent it wouldn't run the government for 17 days, and, secondly, anytime you **increase** taxes on a sliding scale you keep the upwardly mobile from mobilizing upward!

What we need is a **reduction** of the capital gains tax and all other taxes to get this country moving again. The deficit? Do like the rest of us have to do: **quit spending money we don't have!** To make that happen, however, we have to vote the scoundrels **out** and true representatives **in!**

Nuptial Mass unites couple on October 20

MRS. RONALD J. TRUBENBACH
...nee Judy Ann Biffle...

The wedding of Judy Ann Biffle and Ronald Joseph Trubenbach was held in Sacred Heart Church on Saturday, Oct. 20, 1990, with Father Victor Gillespie officiating for the Nuptial Mass at 5 p.m., with a doubling ceremony.

The bride is the daughter of Jimmy Jack and Collette Biffle and the granddaughter of Mrs. Pauline Hellman of Muenster and the late Arthur Hellman and the late Jack and Mildred Biffle. The groom is the son of Wayne and Mary Kay Trubenbach and the grandson of Ferd and Gertie Luttmer and Mrs. Cecilia Schilling, all of Muenster, and the late Joe Trubenbach.

A 1987 graduate of Muenster High School and a 1990 graduate of Texas Woman's University, with Bachelor of Science degree in Fashion Merchandising and Marketing, the bride is employed in retail sales at The Hut in Gainesville.

A 1986 graduate of Muenster High School, the groom is employed in the oil field production department of Trumter Petroleum Corp.

Given in marriage by her father, the bride was wearing a formal lissu gown of ivory Poly-Shantung with re-embroidered lace, seed pearls and sequins adorning the fitted bodice and jewel neckline and long fitted sleeves that came to points over her wrists. A peplum at the basque waistline enhanced the deep V in the back. A beaded lace hem completely surrounded the softly gathered skirt that swept into an aisle-wide cathedral-length train.

She wore an ascot derby bridal hat adorned with pearls and sequins, and a cluster of ivory flowers, pearls, and lily of the valley on the underside of the brim. A pouf of sheerest illusion on the back of the hat highlighted with scattered pearls, held her fingertip-length veil.

She carried her bridal flowers in a hand bouquet of ivory calla lilies and lemon leaves surrounded with ivory tulle.

ATTENDANTS

The bride was attended by a friend, Mrs. Steve Henscheid (Kyla) of Muenster as matron of honor. Bridesmaids were Mrs. Jim Biffle II of Muenster, Rhonda Trubenbach of Muenster, sister of the groom; and Angie Barr of Denton, a friend. The junior bridesmaid was Mindy Endres,

daughter of Kenya and Bob Endres of Muenster.

They were identically attired in iridescent plum taffeta dresses with velvet bodices and rounded necklines; leg-o-mutton sleeves; gathered skirts of taffeta and asymmetrical waistlines accented by rose and large rhinestone. The bridesmaids' flowers were long-stemmed calla lilies, lemon leaves and bear grass, tied with ivory tulle.

Jayna Biffle, bride's niece, and Jack Biffle, bride's nephew, children of Jim and Donna Biffle of Muenster, were flower girl and ring bearer, respectively. The flower girl's ivory taffeta dress, similar to the bride's, was enhanced with beaded and sequined lace, designed and made by Bobbie Hale. She carried an ivory satin basket accented with Alencon lace and pearls.

Neal Flusche, a friend of the groom, was best man. Groomsman were Gene Luttmer, the groom's uncle; Darren Voth, a friend; and Jim Biffle, bride's brother, all of Muenster. The junior groomsman was Jay Reed, son of Jerry and Joie Reed, groom's cousin.

Ushers were Shawn Flusche and Keith Hennigan, both of Muenster, and Hal Mollenkopf of Denton, all friends of the groom.

Mass servers were Brian Hermes and Trent Trubenbach, both groom's cousins.

Participating in the wedding liturgy were Danna Hamric and Kim Hess, who presented the liturgical readings.

Wedding music included traditional organ music as guests were seated, by Ruth Felderhoff; trumpets by the bride's cousins, Ronnie and Tina Weinzapfel; and vocal selections by Christy Hesse, including "Wherever You Go," "How Great Thou Art," "On This Day," "Father, Make Us One," and "Amazing Grace."

RECEPTION

A reception, dinner and dance, hosted by the parents of the couple, followed in the Sacred Heart Community Center.

Terri Whitley, a friend of the bride, and Betty Luttmer, groom's aunt, presided at the bride's book, registering 425 guests.

Dinner was catered by the Hermes Sisters of Lindsay, Andy Sera and the Captive Hearts played for dancing.

The bride's table was covered with ivory and overlaid with lace. It held a pair of silver candelabra, entwined with trailing jasmine and ivory roses. A similar floral arrangement was used as the table centerpiece.

Decorations in the reception area were made by Bouquets and Gifts and by Aileen Knabe.

The tiered wedding cake was baked and decorated by Imogene Zimmerer. She was assisted in cutting the cake by Sara Biffle, the bride's aunt of Greensboro, North Carolina. Cake servers were Melissa Biffle, Misty Klement, DaLana Endres, Anda Hellman and DeAnna Hess.

Among out-of-town guests coming from a distance were Sam and Sara Biffle and family of Greensboro, N.C.; John and Carol Aytes of Green Valley, Arizona; Lonnie and Pam Hellman and family of Keller; Doug and Sylvia Hellman of Carrollton; Marque and Rosemary Hellman and family of Lubbock.

The couple will be at home in Muenster upon return from a wedding trip to Colorado Springs.

The rehearsal dinner was hosted by the groom's parents on Oct. 14. A bridal shower was given by bridesmaids and friends on Sept. 21 in the home of Louise Fisher. Guests included classmates and friends. Another shower was given in the home of Tina Weinzapfel, hosted by bridesmaids and friends on Sept. 30. Guests included family members.

More service news...

Two more young men who are serving their church and country in different ways, but still serving - are Ricky Walterscheid and John Edwards. Please write an encouraging note to them and pray for them. St. Richard's Villa News

by Frances Reiter
It's Halloween all over the place! The witches and goblins to the Old Farmer Brown meet you at the entrance door.

On Oct. 8, Mr. Fuson treated all the volunteers to a delicious dinner of Fischer's sausage, barbecued brisket, potato salad, and baked beans. There were about 60 volunteers present. Father Sebastian received the door prize of a beautiful floral arrangement.

Father Weinzapfel has Holy Mass every Monday morning at 9 a.m. Father Victor has Mass on first Friday and the priests bring Holy Communion on Wednesday, Saturday and Sunday.

On every Wednesday, we have bingo. Five ladies of St. Anne's Society come and play bingo. This week, Margaret Schmitt, Agnes Klement, Martha Sicking, Louise Knauf, and Marie Hundt were the ones that came out.

On Oct. 16, our new Activity Director arrived. Her name is Janie Morgan; she replaces Rosina Kubis.

Friday, Oct. 19, we will have lunch out and visit the zoo.

Our out-of-town visitors were: for Frances Reiter, Adeline Loerwaldt from Hereford, Paul and David Loerwaldt from Dallas, Mr. and Mrs. Raymond Knabe of Elkart, KS, and Mary Ann Arendt of Gainesville; Monte and Doris Hellman from Dallas to see Alice Hellman; Dora Jackson of Azle and Marge Birdin to see Mr. Weinzapfel; Brother Thomas Moster to see Theresa Moster; Alfred Haverkamp of Dallas to see Laura Haverkamp; Johnny Herr of Fort Hood to see Bertha Cleere and Ursula Herr, also visiting was Pat Herr of College Station; Monsignor Weinzapfel to see Joe Weinzapfel of Dallas.

We have two new patients admitted Oct. 1: Mrs. Anna Jostwerner and Ursula Herr.

Thursday, Oct. 18, was our monthly birthday party with cake and punch. Honorees were Blanche Weiss, Elsie Fuhrmann, Theo Miller, Loyce Kermickle and Buck Ware. Sonny Walterscheid entertained on his accordion, accompanied by Buddy Yosten on guitar.

Maureen Griggs of Rosston comes every Monday and Friday to play dominos with the residents at St. Richard's Villa.

Thanks to all the volunteers for their time and efforts. We need the coupon sections out of your Sunday papers for a new activity and also need about 20 baby food jars.

If you have any arts and crafts supplies, we could use them in our arts and crafts class.

Until next week, be a friend and visit St. Richard's!

ELECT

Ken Swirczynski

Republican Candidate County Commissioner Precinct 4

KEN SWIRCZYNSKI

Address: P. O. Box 277, Muenster, Texas 76252
Age: 39
Military Service: Served in Vietnam in the U.S. Army as a platoon leader, wounded twice, honorably discharged
Education: 1969 - Muenster High School graduate; 1975 - Bachelor of Business Administration degree from North Texas Univ., majored in Business Management and Finance, honor graduate; 1980 - Master of Science degree from Stephen F. Austin Univ., majored in Geology and Engineering, honor graduate
Work Experience: I have been employed by a major oil company for the past 10 years. In my current job as group project leader, I am responsible for several multimillion dollar exploration and producing projects. Daily work involves managerial decisions concerning budgetary and financial matters, contract negotiation, specification and purchase of supplies and equipment, employee relations and supervision, as well as geological, engineering, computing and other technical work. In addition, I own and operate a small farm and cattle ranch located in both Cooke and Montague counties. I am a resident of Muenster, Texas.

What I Will Do If Elected:

- Hold the line on property taxes! I will vote against raising property taxes for the next four years.
- I will be a full-time commissioner, working for all the people in Precinct 4, both rural and in the cities, to insure the precinct receives a fair share of the county's budget to fund needed projects such as better ambulance service and much-needed road paving and bridge repair in the western part of the county.
- Institute long-term budgetary forecasting. Begin running the county more like a business, planning farther ahead for capital expenditures, using expected cash flow (without raising taxes).
- Move towards consolidation and sharing of much of the road equipment and personnel between precincts in order to cut costs.
- Check into leasing equipment or contracting locally on some projects rather than having expensive county-owned equipment sit idle and unused for long periods of time.
- Standardize supplies and equipment as much as possible in all precincts in order to purchase with quantity discounts by competitive bid.
- Work with other county agencies, such as the sheriff's dept. and county judges, to assure strict enforcement of anti-dumping laws.
- Cooperate with the cities, chambers of commerce and other groups to actively promote Cooke County to outside industry and businesses seeking to relocate. Attracting new businesses would increase the county's tax base and help reduce county unemployment.
- I have many other ideas, but, most importantly, I will listen to the residents of Cooke County and make the office of county commissioner responsive and accountable to the taxpayers.

S.H. Student Council plans Safety Days

by Sharon L. Fuhrmann

With the holidays approaching, the Sacred Heart Student Council is preparing to make the holidays safe for everyone. Some areas to be touched upon are Halloween, electrical and car safety. "This isn't all we plan on working on," says Sharon Fuhrmann, chairman of the Safety Project. "We hope to increase the elementary children's knowledge and use of safety, and to remind the high school students, as well as parents, of the need to play it safe."

Plans are still being made on the specifics of each day, but the Safety Day scheduled for October 31, Halloween, will run along the lines of visible clothing and safe treats. These days have been set aside as reminders that everyone should use safety precautions. These days will be geared toward the grade school children, but the high school will get in on some of the action.

Fuhrmann is optimistic about the project saying, "I think it will go well. If we can get the younger children to use safety in everyday situations, then when they get older, we won't have to tell them to buckle their safety belts."

Exotic fruits, vegetables program set

by Evelyn Yeatts

Vegetables and fruits are tasty, nutritious and enjoyable. If you've taken a good look at all sections of the fresh produce section lately, you saw some strange looking items. Exotic produce items from around the world are waiting to tempt your taste buds and add variety and excitement to your meals.

There are many questions that arise however: What is it? When is it ripe? How is it prepared? What does it taste like?

Two special programs on Exotic Fruits and Vegetables have been planned by the County Extension Service Home Economics Committee. The first will be on Tuesday evening, October 30 at 7:00 p.m. at the T.U. Electric Meeting Room in Gainesville. The same program will be repeated at 9:30 a.m. on Thursday morning, Nov. 1. It will also be held in the T.U. Electric Meeting Room in Gainesville.

To pre-register for either of these free programs, call the County Extension Office at 668-5412.

Participants in the program will learn about how to use such produce as Bok-Choy, Carambola, Chayote, Squash, Celantro, Jicama, Ginger Root, Passion Fruit, and many more. A tasting of some of the fruits and vegetables will complete the program.

These products may seem strange and unheard of to many consumers, but in many places in the world a chayote acts as a staple food.

The Exotic Fruits and Vegetables programs will be presented by County Extension Agents Evelyn Yeatts and Cassie Bullock. This program, like all educational programs by the Texas Agricultural Extension Service, is open to all regardless of socioeconomic level, race, color, sex, religion, handicap or national origin.

Students receive soldiers' letters

by Elaine Schad

The students in Alice Ford's second-grade class at Valley View Elementary are standing a little straighter and thinking a little harder about the pledge of allegiance these days since they got a letter from some of the soldiers involved with Operation Desert Shield.

Like many students in Cooke County and nationwide, each of the 16 students wrote letters to Saudi Arabia as a class project. "We really didn't think they'd have the time to write back," said Mrs. Ford. But write back they did. The group has just received a letter from the entire Scout-Sniper Platoon of the 1st Battalion, 3rd Marines, a unit based in Kaneohe Bay Hawaii, but which has been in Saudi Arabia for the last month.

The letter is signed, "Semper Paratus," meaning always faithful. The bottom of the letter lists 19 names of servicemen who are obviously eager to hear any small bit of news from their homeland.

The soldiers tell of their regular schedule, which involves working a lot after 4 p.m. because of the intense heat. They then answer some individual questions the children had asked.

They tell Jesse Pembroke that they do have some food to eat, "but it's kind of like eating in the school cafeteria - you get one serving, but you don't get a choice."

Michelle is told that the desert, "looks like the surface of the moon." They thanked Clay for the nice picture of the swimming pool he sent, and told him, "We all keep our heads down so we don't get shot."

Robert was thanked for his concern about their welfare and hoping that the soldiers don't get killed. They told him, however, that "You should worry about other things, such as what you want for Christmas."

They tell the young Americans that they'd rather be home with their families, but "It's our job to be over here doing what needs to be done."

America seems to have a new meaning to the students after receiving the letter, said Mrs. Ford. They've already sent a package to their newly-adopted platoon, stacked with homemade cookies, candy and gum. And they have taken the last line of the soldiers' letter to heart. "P.S. Remember to say your prayers for all of us here, and pledge allegiance to the flag every day."

every time we visit. We love you all!

Abby celebrates third

ABBY ENDRES

Abby Crystle Endres turned 3 years old on Monday, Oct. 22. She celebrated on Sunday, a day earlier, with a party in the afternoon, with a Sesame Street theme. A Cookie Monster cake, made and decorated by her mother, was served with ice cream and punch.

Gifts were opened and the children enjoyed an afternoon of fun and games. Each child received a gift bag to take home at the end of the party. Guests included Abby's sister, Brooke Elizabeth; the parents, Monte and Jacque Endres; great-grandmother Lena Christopher "Mimi"; Beth White and Aunt Cynthia; Derek and Michael Karp all of Collinsville; Grandpa and Grandma Ed and Clara Endres; Godmother Paulette Swirczynski; Kelly Endres and Kacie Garcia.

Later that evening, hamburgers and hot dogs were served, and Abby's "PaPa," Wayne Kyle of Lake Kiowa attended. A special call from her Uncle Carey was also received.

The next day, her actual birthday, she celebrated with her friends. Decorated cupcakes that Abby helped make were served with punch. Attending this party were her mother and her sister; Donna Biffle and daughter Jayna; Justin Barnhill; Clayton Truebenbach; Ryan and Garrett Hennigan; Derek and Travis Felderhoff; and Eric and Sarah Stoffels.

Kristina honored on 1st

KRISTINA CLOUD

Kristina Cloud's first birthday was observed with a party in the home of her maternal grandparents, Ed and Ginny Schneider, on Sept. 23. Her actual birthday was on Sept. 18. Kristina's parents are Wanda and Ricky Cloud of Denton.

A special dinner and decorated birthday cake were served. Pictures and movies were made and gifts were opened.

The afternoon was spent gathered around the TV watching the Dallas Cowboys football game.

Guests were Kristina's parents and her sister Katy of Denton; John, Joy, Jenny Lynn and Jonna Schneider of Muenster; Don, Shawn and Douglas Schneider of Rowlett; Pam, Jimmy, Trey and Bradley McDonald of Farmers Branch; Deb, Claude, Aaron and Ashley Klement of Muenster; San-

dy Reutsch, Jessica Pegg, and JaLynn Reutsch of Sanger; Brian Herr of Muenster; Tim Schneider of Dallas.

Special guests were Kristina's baptismal sponsors, Kristi Pagel of Carrollton and Jimmy McDonald of Farmers Branch; and the grandparents, June and Roger Cloud of Denton and Ginny and Ed Schneider of Muenster.

Family members and friends were also gathered the previous evening, Saturday, Sept. 22 in the John Schneider home when John surprised his wife Joy with a birthday party. Music was provided by Andy Serna and Roger Endres.

Baptism

Rohmer

The baptism of John Luke Rohmer, infant son of Cheryl and Dwayne Rohmer of Overland, Mo., was held on Sunday, Oct. 21 at 10 a.m. with Father Sebastian Beshoner administering the Sacrament in Sacred Heart Church of Muenster.

Baptismal sponsors were an aunt, Lora Rohmer Hennigan and an uncle, Gregory Robert Luke.

The little boy is a grandson of Emil and Agnes Rohmer and Dan and Barbara Luke and the late Dolores Luke.

Following the church service, a brunch was held in the home of the paternal grandparents. Guests included the godparents; the

baby's parents; the great-grandmother Mrs. Catherine Hermes; the grandparents; and uncles, aunts, and cousins, Tom and Lora Hennigan and children Darren, Ryan and Garrett; Troy and Dina Sicking and children Jason and Jennifer; Gregg and Melody Rohmer; Ben Luke; Gregory Luke; and Tawni Luke and son Preston of Lawsville.

Lt. James M. Bright reports arrival in Saudi Arabia

Lt. James M. Bright reports he is settled with other forces in the Persian Gulf area. He was deployed to the Saudi Arabian desert in early September with the 1st Tank Battalion, U.S. Marines. James is the TOW (Tube Launched Optically Tracked Wire Guided Missile) Platoon Commander under the Anti-Tank Company of the battalion. His platoon consists of some 75 men utilizing TOW missile launchers and various heavy automatic weapons systems.

Lt. Bright has been in contact with his parents, David and Juanita Bright, by letter and telephone. He says his unit maintains a continuing training schedule so as to insure a maximum state of readiness. His schedule includes six days in position with his unit then two days in a fall back area for an opportunity to bathe, a change of clothing, and prepared meals. James reports the weather has moderated some with the temperature now dropping to the 50s at night then back to the 100s plus in daytime with an often saturating fog during the night. He adds one of his primary concerns is to sustain the high state of morale existing in his unit.

Lt. Bright would appreciate hearing from friends and classmates in the Muenster area. His address is: Lt. James M. Bright, U.S.M.C. 449-04-8702, 3rd. Platoon, Anti-Tank Company, 1st. Tank Battalion, FPO, San Francisco, Calif. 96608-5521.

MRS. IKE C. GILPIN
...nee Estelle Marie Wood...

Nuptials solemnized Oct. 20 at St. Mary's

Estelle Marie Wood and Ike C. Gilpin were married in St. Mary's Catholic Church of Gainesville on Saturday, Oct. 20, at 11:30 a.m. Father Nicholas Fuhrmann, pastor, was celebrant of the nuptial Mass and officiated for the double-ring ceremony.

The bride is the daughter of Lawrence and Nellie Martin of Muenster and the groom is the son of Floyd Gilpin of Gainesville and the late Mary Gilpin.

For her wedding, the bride chose an ivory tea-length gown, designed with lace bodice, boatneck front, and puffed, elbow-length sleeves. Her bridal hat, with attached elbow-length veil, was accented with lace and pearls. Her jewelry included a necklace and bracelet of fresh water pearls. Her bridal bouquet was made of candlelight roses, baby's breath and pearls.

ATTENDANTS

The matron of honor was Mrs. Jim Sauernheimer, a friend of the bride. She was attired in a royal blue tea-length two-piece dress and carried a bouquet of ivory and blue silk roses, accented with baby's breath and pearls.

The flower girls were Crystal

Lynn Gilpin of Wichita Falls, daughter of the groom, and Yvonne Marie Martin of Muenster, niece of the bride. They wore matching royal blue tea-length dresses with lace bodice and bows on the shoulders above puffed sleeves. Royal blue bows with ribbons, flowers and pearls were worn in their hair. They carried ivory colored baskets with blue and ivory flowers with royal blue heart-shaped ring pillows included in the baskets. Dresses, bows and flower baskets were made by the bride.

Tara Abbott, grand-niece of the bride, handed Mass booklets to guests as they entered the church.

Bruce Pearson of Gainesville, a friend of the groom, was best man.

Mass server was Joey Martin, bride's nephew. Lector was Ernie Martin, bride's brother. Offertory gifts were carried to the altar by Doug and Phyllis Martin of Myra, the bride's brother and sister-in-law.

Stephen Bonin of Gainesville presented wedding music as organist, guitarist and vocalist. Selections included "Song of Thanksgiving," "Song of Joy," "Bridal Chorus," "Love" at Offertory, and "Only A Shadow" at Communion. He sang "Hail Mary, Gentle Woman" as the bride placed a flower on Mary's altar. The recessional was "Psalm 89."

The church decorations included arrangements of white gladioli

accented with royal blue ribbon.

After Mass, about 50 guests joined the couple for a noon meal at The Center Restaurant in Muenster.

Tables were decorated with blue streamers and centerpieces of candles with blue and ivory flowers with pearls accented the base of the candleholders. A pair of blue wedding bells were hung on one wall.

The two-layer wedding cake, one square layer and one round top layer, was decorated with ivory frosting and light blue and royal blue scallops, and topped with lovebirds. It was baked and decorated by Cathie and Francis Fuhrmann. At the reception, the cake was cut and served by Laneta Martin and Phyllis Martin, sisters-in-law of the bride.

After a wedding trip to Dallas, the couple will be at home in Gainesville.

The bride attended Sacred Heart High School and Cooke

County College. She is employed as a secretary at Cooke County College. The groom attended Gainesville schools and is employed at Weber Aircraft and is a member of the National Guard.

The rehearsal was held at St. Mary's Church on Friday evening along with the Baptism and Confirmation of the groom. Doug Martin, bride's brother, was the groom's sponsor. Following rehearsal, the wedding party attended a dinner in the home of the bride.

A bridal tea was given at the home of Vickie Dye of Gainesville on Oct. 12. In attendance were members of the support staff and nursing faculty of Cooke County College. Also attended were the bride's former boss, Dorothy Curtino of Kilgore, and Nellie Martin, mother of the bride.

Co-workers of the groom at Weber Aircraft also wished him well at a small celebration at work.

Lindsay Cent. Committee sets deadline

The book committee is requesting that everything to be included in the Lindsay Centennial History Book be completed and given to a member of the book committee by **December 1, 1990**. This includes family stories, photographs, military information, business histories, commemoratives, special stories, interesting tidbits, etc. The committee cannot ensure that anything received after the deadline will be included in the book. If anyone foresees that they will not be able to meet the December 1 deadline, they must contact a member of the book committee. The committee consists of Diane Hermes, 665-4996; Rosalie Sandmann, 668-7454; Kathy Lutkenhaus, 665-6328; Mary Ann Arendt, 736-2254 and Danny Nortman, 665-8297.

The deadline for ordering a history book at the early price is also fast approaching. If you order a book by December 31, 1990, you can get it for \$45. After that date, the price of the book will be more. Make checks payable to Lindsay Centennial History Book and send it to P.O. Box 151, Lindsay, Texas 76250. For more information call Rita Sandmann at 668-8606.

Scouts attend meeting

Cub Scouts of Den 4 held their meeting Oct. 15, touring Knabe Tire and Radiator Shop. They learned how tires were made and how they get the black color. The boys were also shown how to balance a tire on the tire machine and given the opportunity to try it themselves.

They learned how to find a leak in a tire and how a flat is fixed.

On the return trip home, the boys performed an act of community service by picking up trash on Ash Street.

Refreshments were enjoyed later and were provided by Josh Luke.

Next meeting will be the Pack Meeting on Oct. 22.

Eckarts' 50th anniversary celebrated Sunday, Oct. 28

JAMES and ANGELINE ECKART
... on their wedding day, Oct. 22, 1940 ...

On Sunday, Oct. 21, James and Angeline Eckart celebrated 50 years of marriage with a Mass of Thanksgiving in the VFW Hall, offered by Father Stephen Eckart at 10:30 a.m.

Attending with them were 10 of their children, 30 grandchildren and six great-grandchildren and other relatives and friends.

Leona (Haverkamp) Luke, the original bridesmaid, was present with her husband, Anthony Luke, who stood in place of the late Andy Walterscheid, best man at the wedding in 1940.

Liturgical Readings for the anniversary Mass were given by granddaughters Janet Hesse, Carol Koesler and Jayna Hofbauer. Petitions and Prayers of the Faithful were read by a grandson, Neil Hesse. Eucharistic Ministers were Dale and Dolores Hofbauer.

A reception and dinner followed the anniversary Mass.

Hosts for the celebration were the couple's 11 children and spouses, Mary Ann and Alfons Koesler; Steve Eckart of Denton; Betty Simmel of Denton; Agnes and Bernard Hesse; Donald Eckart; Jim Eckart; Rose and Bill Black of Myra; Dolores and Dale Hofbauer; Jerry and Gerri Eckart of Forestburg; John and Colleen Eckart of Spokane, Washington. Mike Eckart of the Denton State School did not attend.

Granddaughters Connie Black and Angie Hofbauer registered guests. Ginnie and Ed Schneider catered the dinner.

The hall was decorated with white and blue streamers, gold fans, blue flowers and blue candles.

The three-tiered anniversary cake was decorated with roses and gold leaves, and was topped with a gold wedding ring, heart and bells. The groom's cake was also very special; it was decorated with a gardener and his wife. He was picking vegetables and handing them to her. Both cakes were baked and decorated by Cathie and Francis Fuhrmann of The Farmer's Kitchen. Jennifer Black and Rya Eckart, granddaughters of the couple, assisted in serving cake.

A family history was given by Mary Ann Koesler and Dolores Hofbauer. They related many interesting and precious memories of parents and children throughout the years.

A display of old pictures, family pictures, children's pictures and family events was of interest to the guests. New pictures were made.

Reminiscing during the afternoon, James and Angeline Eckart recalled their wedding day, Oct. 22, 1940. He was the son of Mr. and Mrs. John Eckart of Subiaco, Arkansas. She was the daughter of Mr. and Mrs. John Walterscheid of Muenster. The Nuptial High Mass was offered by Father Francis Koerd, OSB, at 8 a.m. The Sacred Heart Men's Choir sang for the Mass, accompanied by Anthony Luke, organist.

Leona (Haverkamp) Luke was bridesmaid and the late Andy Walterscheid was best man.

The bride wore a white satin wedding gown, floor length, made on princess lines, with circular skirt and long fitted sleeves. Her full-length veil of silk net was edged with lace and held in place with a halo of lilies of the valley backed with a pleated net ruffle.

She carried an arm bouquet of white carnations and maidenhair fern tied with wide silk ribbon, and her only jewelry was a gold cross and chain, a gift from the groom.

After Mass, members of the bridal party were honored with a wedding breakfast in the home of the bride's parents, Mr. and Mrs. John Walterscheid.

During the day, a reception was held for relatives and dinner was served to about 30 guests. The bride's table carried out an all-white color theme in decorations and wedding cake.

The Eckarts' first home was on a farm north of Muenster. Later, they moved to town and lived in a house they rented from Henry Schmitz. Their next move was to a Tony Felderhoff farm until they moved to their present home on West Cross Street on June 26,

1956. James is retired now from Muenster Public School where he was employed for 26 years. He is still active and takes care of the cold drink machines at the school. He enjoys raising a large garden. Angeline enjoys canning the vegetables; sewing; and making quilts. They take great joy in their grandchildren. She is a member of

St. Anne's Society. Among relatives coming from a distance to attend the celebration, in addition to their children and spouses, and local relatives and friends, were Father Stephen Eckart of Subiaco, Ark.; Al and Kay Eckart, Gilbert and Marcella Eckart and Carol Eckart, all of Oklahoma City; Leo and Georgia Eckart of Paris, Ark.; Jeff and

Gloria Simmel of Pilot Point; Mike and Lori Grimler of Lewisville.

Adding to their joy was the attendance of special friends, Al and Margaret Cler of Muenster, who also were observing their 50th wedding anniversary. The Cler's were married in Sacred Heart Church on Oct. 22, 1940, the same day as the Eckarts.

Muenster Public Library is member of TX Library System

The Muenster Public Library was recently accredited as a member of the Texas Library System for fiscal year 1991, according to William D. Gooch, Director and Librarian for the Texas State Library.

"We are pleased to award a certificate of system membership in recognition of the efforts this community has made in providing public library services," said Gooch. "It is a symbol of having achieved a level of excellence."

The Muenster Public Library is a renewal member of the Northeast Texas Library System and serves citizens in Muenster and the surrounding area. Muenster Public Library has to meet strict criteria, according to Mrs. Philip Slater, Librarian, such as hours of access, professional staffing requirements, number of library materials, and local per capita support to become an accredited member. Public libraries must apply and qualify for system membership annually. Muenster Public Library has been a member of the Northeast Texas

Library System for 13 years.

Authorized by the Library Systems Act of 1969, the Texas Library System was developed to improve library service in the state through cooperative efforts. Comprised of 10 regions, the statewide system provides an opportunity for local libraries to make the best possible use of both their own resources and those available elsewhere in the system. These cooperative efforts are made possible through state and federal funds appropriated to the Library Development Program of the Texas State Library. This year, the Texas State Library will distribute about \$8 million to the 10-library systems.

The Staff and Board of the Muenster Public Library is pleased to receive this certification. Our association with the Northeast Texas Library System is valuable and enables us to offer many services to the community.

Library hours are: Tuesday, 8:30 a.m. to 5 p.m.; Wednesday, 2:30 to 5:30 p.m.; and Thursday, 8:30 a.m. to 5 p.m.

Hornets win 30-13 over Knights in district contest

Last Friday night the stands in Hornet field flowed over with approximately 2,000 Hornet, Knight and anxious sports fans, on hand for the annual Muenster-Lindsay rival football game. With Muenster taking advantage of turnovers, the Hornets were able to pull out a 30-13 district win.

"It's hard to beat a good Muenster team when you give them the ball inside their 20 three times," said Lindsay Coach Pat Benton. "They deserved to win, they executed the whole game."

"We enjoyed the win, it was great. A big win for us...we went with our game plan and it worked for us," said Muenster Coach Grady Roller. "I thought it would have been a closer game, but three interceptions helped us."

Muenster took the opening kick, starting on their 26-yard line. Unable to pick up ten yards, the ball was booted to Lindsay's 36-yard line. On the Knights' second play of the game, Cody Truebenbach picked off a Scott Hermes pass taking the ball to the 28-yard line. Two runs by Troy Pagel and Mike Vogel gave the Hornets a first down on the 17. Ryan Sicking picked up another first on an 11-yard run, with Pagel taking the ball to the 1-yard line. On second and goal, Vogel ran a power play that ran outside into the end zone. Rajko Jelen kicked the extra point and Muenster took a 7-0 lead with 7:26 remaining in the first quarter.

The Knights' next drive couldn't gain the yardage needed for a first down. Scott Hermes booted the ball back to Muenster.

Vogel and Pagel moved the ball 16 yards before Brad McDaniel returned possession to Lindsay with a punt.

Starting deep on their 6-yard line, an 8-yard run by Ronnie Deiter and a penalty assisted Lindsay to the 19. A 6-yard loss on a quarterback sack was regained by a pass to Patrick Corcoran, but still left the Knights short on yards, forcing S. Hermes to kick to ball to the Hornets.

Pagel picked up 7 yards as the first quarter ended at midfield.

Muenster gambled on a fourth and one. Giving the ball to Vogel, the Hornets earned a first down, but the next series of plays gained only 2 yards, forcing a punt.

Lindsay, starting on their 20, picked up 5 yards on three runs by Marty Neu and Dieter, kicking on fourth down and giving the Hornets the ball on the Knights' 40-yard line. Lindsay defense allowed Muenster to gain only 3 yards rushing and 5 yards on a penalty, giving the Hornets the option of attempting a 50-yard field goal. Jelen, with the wind at his back, prepared to improve his 42-yard record. But to everyone's surprise, Doug Hennigan, ball carrier, pitched the ball to Ryan Sicking, who took the ball and ran around the right side. "I thought he (Sicking) was tackled and we made the first down," said Roller. "I didn't think it would turn into a touchdown."

Lindsay Coach Pat Benton said his players were on the line going for the ball. "It was a good fake," said Benton. This is the first time since 1985 that Roller attempted this play. "If you don't have a kicker that can kick that far, it wouldn't have worked."

The 43-yard, faked field goal run by Sicking, followed by a Jelen PAT, gave Muenster a 14-0 lead with 4:44 remaining in the first half.

The Knights started their next drive on their 16-yard line. Runs by Dieter, S. Hermes, Neu and Jesse Barnes and completed passes to Jeff Hermes for 10 yards, Corey Sandmann for 18, Jeff Hermes for 17 and a 7-yard screen pass to Dieter took the Knights to the 7-yard line. On 4th down and 1, Dieter's run was stopped by the Hornets' goal-line defense, with less than a minute remaining until half. Muenster ran out the clock, going to the fieldhouse with a 14-0 lead.

The Knights won the coin toss to begin the second half, but lost the ball on the second play when Doug Hennigan picked off a pass, giving Muenster the ball 14 yards from pay dirt.

Runs by Vogel, the third one a charm, gave the Hornets their third touchdown early in the third quarter. Jelen's PAT was good and Muenster held a 21-0 lead.

This didn't stop the Knights. Starting on their 28, a pass to J. Hermes gained 29 yards for Lindsay. Two plays showed no gains, when a halfback pass from Dieter to Corcoran picked up another 16 for the Knights. Dieter picked up

four, but an incomplete pass and a 10-yard holding penalty gave the Knights a third and 16 on Muenster's 32-yard line. S. Hermes hit Hanks for 10 yards and S. Hermes picked up 13 yards on a quarterback keeper on fourth and 6, giving Lindsay a first and goal from the 9.

Dieter gained a yard, J. Hermes two, then from the four, S. Hermes threw the ball to Patrick Corcoran for Lindsay's first score of the

game. S. Hermes' extra point cleared the goal and the score was 21-7.

Muenster started their next drive from their 38, but the Knights' defense held the Hornets to 4 yards. A fumbled ball was saved by Justin Hartman, and Lindsay regained possession.

Dieter moved the ball 13 yards on the Knights' first play, but a

Contest scores are up again!

Last week's contest showed two new weekly winners and an improvement on percentages over last week. Mike Felderhoff took first place honors with 19 correct. Barbie Barnhill also guessed 19, but Mike beat her on the tiebreaker 9-18.

Winners picked up their cash prizes at Schilling Fina, the tiebreaker sponsor.

Seven contestants came close with 18 guesses, Doug Stoffels, Neil Huchton, Mark Grewing, Windy Bindel, Mark Klement, Mike Stoffels and Henry Kessler.

Every contestant guessed the outcome of the Collinsville vs. Saint Jo game. Everyone also got a correct guess on the Aggie game, which ended in a tie and the Wichita Falls Notre Dame game which was cancelled.

Only two wrongly picked Nocona over Valley View, four thought Era would lose and five figured Gainesville would be defeated.

Locally ten picked Lindsay over Muenster and 11 picked Sacred Heart to win. Six entrants stuck with the Cowboys.

The most missed game was Rice over Texas Tech, 34 picked the Raiders. Twenty-eight missed the North Texas winner and 26 picked UCLA to win.

MIKE VOGEL, at right, dives into the end zone for Muenster's first score against Lindsay. Also pictured are Hornets Ryan Sicking (8) and Terry Felderhoff (89) and Knights Corey Sandmann (44), Ronnie Dieter (21) and Scott Hermes (7).

Hornet-Knight JV game ends in tie, Muenster JV defeats Collinsville 15-0

Lindsay hosted the junior varsity contest with Muenster last Thursday night. The Hornets started strong, moving their first drive 60 yards to score 6 points. Chad Cheaney was awarded the honors on a completed sweep pass from Jay Hennigan on a 4th down and 9 on the Knights' 9-yard line. The extra point failed. The Knights shut down Muenster's offense after the touchdown.

In the second quarter, following a 55-yard drive, Matt Menzie, on a dive play from the 1-yard line, tied the game 6-6. The PAT failed.

Lindsay threatened again before the half, but their attempt was stopped when Jay Hennigan dove for an interception.

The Young Knights took the lead the third quarter with a 35-yard quarterback sweep run by Joe Coke. Again, the extra point failed.

In the fourth quarter, Muenster started a drive from their 33-yard line with 4:25 remaining in the game. "We ran the power play, left and right," said Coach Brian

Strother. "Hennigan ran every play, 67 yards." With 29 seconds on the clock, Hennigan scored on a 1-yard run. "They just shoved it (the ball) down our throats," said Lindsay Coach Pat Benton. "Their line did some good blocking."

A run sweep by the Hornets for the extra point was stopped a half yard short by Joe Coke to tie the game 12-12.

Coach Benton credited Coke for playing his best game, as quarterback and defensive back.

Muenster played the game with 11 players. "They could have laid down and quit, but they didn't," said Coach Strother on the Hornets' final drive. "We knew if we didn't block and get each first down, we would lose."

Strother chose the offensive linemen as outstanding players of the game. Linemen include Charlie Luttmir, Brian Knabe, Justin Hartman, Johnny Moster, Brandon Walterscheid, Jon Fleitman and Noel VanSwearingen. Also the backs that blocked for

Hennigan, Rodney Vogel and Chad Cheaney.

Muenster has not scheduled a game for next Thursday; Saint Jo fields a varsity team only.

The junior varsity now records a 4-1-1 season record. "They're having a good time," said Strother. "After being drug around by the varsity all week, it gives them a chance to pound it out on someone else."

Muenster hosted Collinsville's junior varsity on Oct. 11, winning 15-0. The game remained scoreless until the fourth quarter. On Muenster's first drive in the final period, Jay Hennigan ran in from 9 yards out to put the Hornets on the scoreboard. Hennigan also ran the extra point and Muenster led 8-0.

Halfway through the quarter, A. J. Knabe picked off a Pirates' pass, returning 55 yards for a touchdown. Harvey Hubbard kicked the extra point, giving Muenster a 15-0 victory.

Take the "Tricks" Out of Trick or Treat!

Make this Halloween a fun and safe one.

Avoid any Halloween scares by following these simple, but important, safety tips.

- Keep children away from lit jack-o'-lanterns if their costumes are flammable.
- Make sure costumes are not so long that your child could trip on them. Reflective tape should be put on all costumes — especially dark-colored ones. Also, painted faces are better than masks since masks almost always affect vision.
- Instruct children not to eat any treats before you have inspected them carefully. You may want to feed them a good meal and give them several treats before they go trick or treating to help avoid temptation.

- Trick or treat only in well-lit neighborhoods — preferably only at homes where you know the occupants personally.
- Accompany all small children while trick or treating. Older children, if unchaperoned, should follow a predetermined route and have a set curfew time.
- Carry a flashlight and walk on sidewalks, not on streets. Do not run between parked cars to cross the streets — cross at corners only after looking both ways for cars. (If there are no sidewalks, walk on the left side of the road facing traffic.)

- Inspect all candy and other treats closely. Candy with torn wrappers or any packaging that looks like it has been tampered with should be immediately thrown away. Fruit should be washed and cut into small pieces before eating.

Lindsay juniors win

Muenster's Junior High Hornets went to Lindsay last Thursday evening to take on the eighth grade Squires.

Lindsay took the opening kickoff, using over 5 minutes to move the ball 60 yards. The drive was assisted by a long run by Will Thomason and ended on a 5-yard run by Chris Brown. The extra points failed and Lindsay had a 6-0 advantage.

Lindsay Coach Linus Fuhrmann named Keith Webb and Greg Arendt as outstanding on defense and offense, Shawn Cartwright and Dane Elrod for outstanding defense. Elrod picked off 2 interceptions and covered a fumble in the game. Coach Fuhrmann also recognized Chris Brown for another good rushing game.

Lindsay seventh grade hosted the St. Mary's Mustangs the same evening, getting beat 26-6. The Squires scored in the fourth quarter with a 20-yard run by Kenny Jones. Coach Fuhrmann recognized Garrett Hellinger, Hank Huchton, Greg Dulock and Kenny Jones for a fine offensive game. Defensive standouts included Huchton, Hellinger and Allen Alsup.

Muenster took the ball into the second quarter, but gradually returned the ball to their host on downs. On the Young Knights' second possession of the game, Thomason threw a 60-yard pass to Brown for another touchdown. The PAT failed, giving Lindsay a 12-0 lead.

Muenster attempted to score once more late in the quarter, but was unsuccessful. The Young Hornets were haunted with four turnovers, 3 fumbles and 1 interception.

Muenster started their next drive with a minute and a half remaining in the first half, moving to the 1-yard line. With 9 seconds on the clock, Jesse Hubbard, on a dive up the middle, got Muenster on the board. The 2-point conversion failed making the halftime score 12-6.

Muenster will host Saint Jo and Lindsay will play Era on Knights Field Thursday, Oct. 25. Both games begin at 6 p.m.

Muenster's second team started the third quarter, pushed backwards on four plays by Lindsay's tough defense. The quarter remained scoreless, but, in the fourth period, Lindsay scored again on a 50-yard run. Again, the PAT was unsuccessful, giving the Squires an 18-6 advantage.

Golf tourney set for Nov. 11 at Nocona Hills Course

The Muenster Golf Association will have its regular tournament November 11. Tee-off will be at 10:00. It will be a 4 person scramble. Come out and enjoy the fun with the Muenster Golf Association, at Nocona Hills Country Club.

Continued from Page 11

tough Hornet defense, including Brad McDaniel's reading of a reverse play for an 8-yard loss, forced Lindsay to punt on fourth and 11. A roughing the kicker penalty returned the ball to the Knights with an automatic first down at midfield. One pass play from S. Hermes to Corcoran was all it took. The PAT failed and Lindsay was closing the gap 21-13 with 2:06 remaining in the third quarter.

Three runs by Pagel took the Hornets into the fourth quarter. On the first play of the period, Chris Hanks picked off a Mike Gobble pass, giving Lindsay possession at their 44-yard line.

Muenster's defense held the Knights, pushing them back 9 yards. A sack by McDaniel and Jason Biffle contributed to the loss, forcing Lindsay to punt.

A fumble on the punt recovered by David Parson for Lindsay, returned the ball to the visitors on Muenster's 40-yard line. Again the defense, led by a 13-yard sack by Mike Hacker and Tony Perryman,

forced a fourth and 22 punt. Starting on their 42-yard line, it took the Hornets 8 plays to score again. Pagel ran twice for 4 yards with the remaining 44 yards picked up by Vogel, including the 2-yard touchdown run. Jelen's extra point counted and Muenster took a 28-13 lead.

Lindsay started their next drive on their 35, but on the second attempt, a pass was picked off by Mike Vogel, giving the Hornets possession on the Knights' 26-yard line. Pagel and Vogel picked up only 6 yards on 3 runs, but a personal foul flag against Lindsay gave Muenster a first and goal on the 9-yard line. From there, the Hornets moved backward. Vogel was hit for a 2-yard loss, a 5-yard penalty and two incomplete passes left Muenster with a fourth and goal from the 16. A field goal was attempted by Jelen, but went wide left, giving Lindsay possession on the 20 with less than two minutes remaining in the game.

In an attempt to throw, McDaniel caught S. Hermes for a 14-yard sack. On second and 24 an incomplete pass was followed by a 5-

yard holding penalty, giving Lindsay a 3rd and 29 on the 3-yard line. Gaining no yardage the next play, S. Hermes attempted to punt from the end zone, but backed up one step too much, giving the Hornets 2 points on a safety. With just seconds remaining in the game, Muenster regained possession with a 30-13 winning score.

The Hornets gained no yardage on passing, throwing four times, one an interception. "I hope to improve our passing game by next year," said Roller. "Teams play us with a nine-man front because they know we don't have a passing game, this puts more pressure on the quarterback when we do pass." Roller also said the Hornets play good pass defense, but seem to tip the ball into the opponents' hands too often.

Leading the Hornets on the ground was Mike Vogel with 23 carries for 83 yards, followed by Ryan Sicking with 10 carries for 75 yards and 35 yards for Troy Pagel on 8 attempts. "Troy and Ryan did an excellent job of blocking for Mike," said the Hornet coach.

Lindsay's offense was led by

their passing game. Patrick Corcoran gained 75 yards on 4 completed passes, with Chris Hanks gaining 28 on 2 completions. Ronnie Dieter gained 55 rushing with 14 carries and Jeff Hermes 25 yards on 5 attempts. "Muenster had a good defense set against our running game," said Coach Benton. "Things didn't click for us."

Muenster's sacking of Scott Hermes gave the Knights' quarterback a minus 43 yards on 10 carries. The coach credits David Parsons on his best game of the year with 19 tackles.

Roller concluded in saying the Hornets are coming together real well, that they are playing team football.

Lindsay will face another district challenge when they play Era Friday night. "It's a must for us if we want to stay in the game," said Coach Benton. "We'll have to do the things we're supposed to do and do it right." The Lindsay coach also said the Knights will have to take advantage of whatever weakness Era might have, if any. Era is the only undefeated team in the district. Game time is 7:30 p.m. at Era.

Muenster travels to Saint Jo Friday to tangle with the winless Panthers. "We're glad to have a game that's not too tough, but we don't want to lose our momentum we've gained the last two weeks," said the Hornet coach. "We can't slack off before going against Era." Game time is 7:30 p.m.

Tigers tangle with Patriots, come up short

The Tigers took on second-stated Lexington Friday night in the Metroplex and came up short, 20-8. "They weren't just big, they were huge," said Sacred Heart Coach John Nasche. "Their size, team speed and two big plays killed us." The Tigers played without senior Chris Hess who was injured in an auto accident earlier in the week. "He may play a little next week and be ready for district," said the coach.

Lexington took the opening kick, moving 17 yards in 7 plays before punting the ball to the Tigers.

Sacred Heart, starting on their 12-yard line, could muster only 5 yards, kicking the ball back to the host. Starting at midfield, it took only 6 plays to allow the Patriots to score on a run by senior Sam Patton. The kick by Alex Orozco gave Lexington a 7-0 lead with 3:00 on the clock.

The Tigers gained 9 yards, assisted by a penalty before throwing an interception. Two plays later, Greg Hess covered a loose ball, giving the Tigers possession on their 40-yard line to end the first period.

Sacred Heart gained 11 yards on their next drive, but a 5-yard penalty forced the Tigers to punt. The Tigers' defense held Lexington, including a 9-yard sack by Jason Endres. Punting from inside their 20-yard line, Lexington got off a good kick to Jason Beyer at the 30-yard line, running 70 yards behind the wall. Key blocks by Darren Klement, Larry Switzer and Stevan Nasche opened up the hole.

Jason Endres' extra point kick was blocked, but Shawn Dangelmayr recovered in the end zone for a 2-point conversion. The Tigers led 8-7.

Lexington and Sacred Heart exchanged possession when, on the

Patriots' second attempt, Ryan Hess covered a fumbled ball, giving the Tigers the ball on their 31-yard line. Two incomplete passes hampered the Tigers' next attempt, forcing a punt.

The Patriots picked up 19 yards when their drive was stopped with an intercepted pass by Shawn Dangelmayr. The Tigers' celebration was short-lived two plays later when the ball was fumbled on the Tigers' 18-yard line. The Patriots threw away their scoring threat when Stevan Nasche picked off a pass at the Tigers' 11-yard line, returning the ball to the Patriots' 27. Two runs pushed the Tigers back 4 yards and a pass from Nasche to Dangelmayr gained 6. An attempted pass on 4th and 8 failed, giving possession back to Lexington. Scott Hennigan earned a sack as time ran out, leaving the Tigers ahead 8-7 at halftime.

"It felt good to be ahead," said Nasche, "to score on the second-rated team in the state is a good feeling - to win would have been great."

The Tigers took the second half kick, starting deep on their 16-yard line. A 17-yard gain and two short runs by Jason Beyer and one by Darren Klement brought the action to the 34. Short on 4th, Sacred Heart kicked to Lexington. Beginning on their 39-yard line, the Patriots, assisted by a 52-yard run, moved to the Tigers' 5-yard line. A pass to Deric Bartles gave the Patriots 6 points. The extra point run failed and the home team took a 13-8 lead.

Two penalties and 2 unsuccessful runs left the Tigers with a 3rd and 23, when a loose ball was covered by Lexington. The next play, Sacred Heart got the ball back when Larry Switzer covered a fumble on the Tigers' 26.

Three plays came up short, and

the Tigers punted the ball to Lexington. On the third play of the series, Patton ran 44 yards to score again for the Patriots. The PAT kick was good and, with 2:27 on the third quarter clock, Lexington led 20-8.

The Tigers returned possession to Lexington on a 4th down kick, but got it back 4 plays later when Kelly Bell covered a loose ball as the final period was about to start.

Sacred Heart went backward their next drive, kicking the ball back to the Patriots, Lexington then drove the ball 52 yards in 9 plays, knocking on the Tigers' door. A quarterback sack by Greg Hess set them back 6 yards and, on 4th and 14, the Tigers' pass defense assisted for an incomplete pass, giving the ball to Sacred Heart on downs.

A 16-yard run gain by Ryan Hess gave the Tigers their 2nd first down of the game, but again they were short on their drive, giving the Patriots the ball on 4th down.

The Tigers' defense held Lexington on their next attempt, including a 13-yard loss.

Sacred Heart received the ball once more before the game ended. Two incomplete passes were followed by a 14-yard gain by Jason Beyer, but the play was called back on a penalty. The last play of the game dropped Sacred Heart for a 10-yard loss.

"We still have a lot of work to do on offense. We had problems moving the ball," said Nasche.

Key statistics showed Jason Beyer with 41 yards on 12 carries, followed by Ryan Hess with 29 on 10. For Lexington, Patton carried 17 times for 145 yards.

"Our defense, except for two big plays, held good," said Nasche.

Sacred Heart will host Tyler Street Friday night for their last warm-up game before district.

"They're comparable with us," said Nasche. "They got their quarterback last week, so they're improving. We have to play solid football to win."

Game time is 7:30 p.m.

Local youths see gridiron action in Arkansas at Subiaco Academy

The Subiaco Abbey Freshman Trojans hosted the Mansfield teams last Thursday, Oct. 18. The contest was attended by Alvin and Joan Hartman and John and Judy Hoberer, who watched Chris Pagel and Chad Hoberer play. Also playing from the area was Mike Gehrig. Hoberer was honored as team captain for the game and played outstanding defense.

The first half was tough for the Trojans, who were behind 22-0 at the break. Subiaco Abbey lost two fumbles the first half, ending two scoring opportunities. The starting quarterback for the Abbey was hurt early in the game, being replaced by Chris Pagel the second half. Pagel engineered two touchdowns as quarterback and also

played linebacker and defensive tackle. On defense he had a quarterback sack for a 10-yard loss and recovered a fumble that led to a touchdown. The Trojans came up short 22-12.

In varsity action Friday night in Paris, Ark., the Hartmans and Father Denis Soerries from Little Rock, enjoyed watching the Trojans spoil Paris' Homecoming.

Four youths from Cooke County are starters for the Subiaco team. Seniors Ryan Gehrig and Steven Schmitz of Gainesville and juniors Helmuth Koelzer and Gus Felderhoff make up the "Cooke County Crushers," the Trojans' defensive backs. Father Stephen Eckart is the defensive coach. All

four players had an outstanding defensive game. Gehrig intercepted a pass, stopping a threatening drive in the final minutes. The Abbey kept possession afterward for the remainder of the game.

On offense, Koelzer was leading rusher and scored the go-ahead touchdown in the fourth quarter of a 23-yard run. Schmitz is the starting quarterback for the Trojans.

Unable to play because of an injury was Ron Anderle from Windthorst.

The Trojans won the contest 14-12.

SH Cubs win 42-0

The Sacred Heart Junior High traveled to Dallas last Friday, playing Lexington Academy. "They couldn't stop us," said Coach John Nasche. "Our line blocked real well for our runners." Scoring touchdowns were Jason Hess, Trent Trubenhach with 2 each, and Neil Berres and John Klement scored 1 each. Adding 2-point conversions were Klement, 4 points, and Berres, 2.

"What helped us, we started watching our films and they see themselves and make corrections on their mistakes," said Nasche.

Everyone got to play. Paul Swirczynski saw good action as quarterback during part of the game.

The Cubs' offensive line of Toby Hess, Joel Schilling, Mike Schilling, Joseph McCoy, Jacob Luke and Heath Bayer played an outstanding line.

"The defense played an outstanding game," said Nasche. "We shut them down on all but 2 plays ... a well-played game."

The junior high played St. Mary's Tuesday night and will play Tyler Street Friday at 5 p.m.

JV Tigers get stung by Hornets in close game

The junior varsity Tiger team hosted the Era squad last Thursday and was handed a 18-14 defeat. "Overall our progress continues to improve each week, slowly coming around," said Coach John Nasche.

Offensively Darren Klement is credited to playing "an incredible game." Scott Hennigan, Willie Hess and Martin McCoy also had good games.

"Aaron Berres had a good

game as quarterback, running the option in his best game," said Nasche.

The game was a close, hard fought game with three injuries slowing down the Tigers. Aaron Berres, Kelly Bayer and Scott Hennigan received minor injuries during the game, but will be in full strength for the next game.

The Tigers will play Collinsville Thursday at 7:00 p.m.

County Agent's Report by Craig Rosenbaum

Insects seek winter homes

Insects are beginning to look for a place to spend the winter. Most of the insects are just looking for a place to overwinter and are not establishing permanent residences. These insects will be a nuisance and most of them do not present a great danger to the homeowner.

It is not uncommon for insects to enter attics or garages through cracks in the foundation, open windows or spaces around doors. Mechanical control is possible by caulking all cracks to prevent insect entry. Caulking also makes the structure more air-tight and should help lower heating costs.

Store firewood away from the house to help eliminate hiding places for the pests. Homeowners should store firewood as far from the house as possible and take only the amount needed for immediate use into the house. Firewood stacked beside the house warms, spiders, scorpions and other pests may leave the wood and escape to other areas of the house.

Crickets on the increase

Moist conditions are contributing to increased cricket populations in many areas. As they reach the flying stage of development, they are attracted to outdoor lighting.

While crickets basically live in fields and lawns, they may invade homes and businesses. Crickets feed mostly on organic matter, but will eat young seedlings such as clovers and winter pastures. They usually cause little damage, but can be a nuisance when they get into dwellings and commercial buildings.

In the immature stage, crickets don't have wings. In late summer and fall they develop wings, become able to fly and are highly attracted to lights. They often congregate at lighted businesses, street lights and exterior home lighting.

Use an approved insecticide on crickets if they become a nuisance. Periodic applications of an insecticide may be needed. Dead crickets should be removed, since they could cause an odor. Be sure and read and follow all label instructions before applying any approved pesticide.

Contact your local nurseryman or county extension agent for a list of approved pesticides.

1990 Farm Bill Conference

The 1990 Farm Bill is about to be enacted. This bill will have several provisions that will directly impact agribusiness firms providing input supplies, handling

commodities, and providing financial support to producers. A special conference, THE 1990 FARM BILL: IMPACT ON AGRIBUSINESS, will be held at the Sheraton Park Central Hotel in Dallas on Oct. 29, 1990. The conference will have some of the best national speakers address the 1990 Farm Bill. This bill has several new provisions that could have just as dramatic an impact on agribusiness as the Conservation Research Program (CRP). A list of program topics and speakers is available at the County Extension Office. There is a \$50 registration fee for this conference.

Pecan Field Day ahead

BURNEYVILLE, OK. - A field day for producers of native pecans will be held Thursday, Nov. 1, at the Noble Foundation's Red River Demonstration and Research Farm near Burneyville in Love County, Oklahoma.

The field day will take place in a native pecan grove setting to allow for hands-on management demonstrations. Tours, talks and demonstrations will include: Native Pecan Production Management, Grazing Management on the Grove Floor, Management of Depredating Wildlife, Fencing and Husbandry of Grove Grazers, Native Pecan Fertilization, and Economics and Marketing of Native Pecans.

The program will begin with registration at 8:00 a.m. The talks, tours and demonstrations will begin at 8:40 a.m. and continue until noon.

Lunch will be available at midday for a cost of approximately \$5 per person. Harvesting equipment will be demonstrated from 1 p.m. to 4 p.m.

Persons planning to attend should notify the Noble Foundation's Agriculture Division by Oct. 25 at (405) 221-7252. There is no charge for the field day program except the optional \$5 lunch fee.

The public is welcome to attend.

1990 Farm Bill passes committee

WASHINGTON, D.C. - A House-Senate Conference Committee completed a compromise 5-year farm bill early Tuesday morning to continue programs designed to protect farm income and assure American consumers of a reliable and affordable source of food and fiber.

To meet the budget resolution passed by Congress last week, conferees changed farm program operations to reduce federal spending by 25 percent, or \$13.6 billion, over the next five years. Total farm program spending in the final bill is estimated at \$40.8 billion over the 5-year period.

According to Congressman Charles Stenholm, the bill's centerpiece is a plan to reduce the amount of cropland eligible each year for federal price supports by 15 percent. Currently, farmers receive price deficiency payments when the market value for a program commodity falls below the target price established by Congress. Under the so-called "triple-base" plan, participating farmers would be allowed planting flexibility on those acres not eligible for price supports.

"It (the bill) is clearly a continuation of the intent established in the 1985 farm bill by taking a larger step toward a more market-oriented agricultural policy," said Stenholm.

The bill was completed after more than 14 hours of non-stop negotiating that ended at 3:45 a.m. EDT.

As a result of policy set by the bill, producers will be able to grow crops with the highest market price rather than for the government payment. In addition, they may want to take advantage of the flexibility to rotate their crops for environmental benefits or allow haying and grazing for livestock.

"The point is, planting decisions would be separated from government payments on these newly flexible acres. Throughout the farm bill debate, farmers across the country have requested this type of true planting flexibility," Stenholm said.

The bill also commits agriculture to stronger environmental responsibilities. The bill's wetland protection provisions, clean water incentives, national organic standards

program and pesticide record-keeping requirements were all hailed by environmentalists.

"Hopefully, we have struck a balance between environmental and conservation concerns while providing farmers every economic and business opportunity possible," Stenholm said.

Other provisions include: -Freezing target prices on program commodities at 1990 levels;

-Stops the decrease in dairy prices by placing a \$10.10 per hundredweight minimum support price for milk containing 3.67 percent milkfat through FY 1995. Provides authority for price support increases based on government dairy purchases. For deficit reduction purposes, it requires that a program service fee of 5-cents/cwt in 1991 and 11-cents/cwt for 1992 through Aug. 31, 1995 be deducted from producers' milk checks. This fee may be refunded if a producer is able to provide proof that his or her milk production has not increased from the previous year's level. The bill requires USDA to provide a report to Congress on a variety of market-oriented program options by August 31, 1991. The bill specifically prohibits inclusion of mandatory cattle slaughter or price support cuts in any dairy program proposals. Also, a producer-

funded promotion program has been established to help fluid milk products compete with other beverages;

-Maintains the current limit on direct payments or deficiency payments, but reduces the maximum limit an individual could receive as a result of marketing loan gains, loan deficiency payments, and Findly payments;

-Creates a new umbrella program, the Agricultural Resources Conservation (ARC) program, to protect highly erodible lands, wetlands, other environmentally-sensitive lands, and to improve water quality on agricultural lands;

-Consolidates USDA's rural development activities in a new Rural Development Administration. Farm lending activities would remain with Farmers Home Administration;

-Makes changes in the current crop insurance program operations to improve its actuarial soundness;

The bill, which also mandates spending levels for programs is expected to be approved by both chambers of Congress and signed into law by President Bush.

Fort Worth Stock Show premium list is available

More than \$600,000 in premiums and prize money will be available to livestock exhibitors and rodeo contestants at the 95th annual Southwestern Exposition and Livestock Show Jan. 18 through Feb. 3, reports W.R. Watt Jr., show president/manager.

Premium Lists for the 1991 Stock Show have been mailed to more than 8,000 prospective livestock exhibitors. Available in three categories - general livestock, small stock and horses - the Premium Lists outline rules and requirements which govern competition at the prestigious Fort Worth exposition.

New in the general livestock division will be breeding cattle shows for Limousin and Longhorn. Departments also include other beef and dairy cattle, sheep, swine, dairy goats, llamas, sheepdog trials, commercial cattle, junior exhibitor shows and youth judging contests. The small stock division includes poultry, pigeons and rabbits.

The horse book outlines exhibition opportunities for Saddlebred, Walking, English and Western type horses, donkeys, mules, draft and miniature horses, and Pony of Americas.

In addition, the horse division will host a Major Reining Event, approved by the National Reining Horse Association, offering nine reining classes with an added purse of \$3,450. The event will award qualifying points to NRHA members for their 1991 National Show. Also, the Draft Horse

Show will be a qualifying point show of the North American Six-Horse Hitch Classic Series building up to the Championship Show in Toronto, Canada, later in the year.

Premiums in the Junior Division have climbed to \$59,583. Maine-Anjou classes have been added to the Junior Beef Heifer Show, while the Junior Dairy Goat Department has added a judging contest, costume show class and a celebrity milking contest.

Watt asked that exhibitors read the premium lists carefully, noting that a number of the rules have been revised. He said entry deadline for cattle, sheep, swine, goats, horses, mules, and donkeys is Dec. 10, while exhibitors of poultry, rabbits and pigeons have until Jan. 10 to enter.

"We have planned an exceptional livestock show program this year," Watt said. "Our rodeo entertainment, scheduled in 28 action-paced performances in Will Rogers Coliseum, has been planned to offer exciting enjoyment for the entire family and we urge fans to buy their tickets early."

Mail orders for rodeo tickets are being accepted at the Stock Show office, P.O. Box 150, Fort Worth, TX 76101. Tickets for Monday through Friday matinees and Monday through Thursday nights are \$10 each, and Friday nights and all weekend performances are \$12 each. Each mail order should include \$2 extra for return postage and handling.

Pioneer varieties top trials

WEST DES MOINERS, IA - Pioneer brand wheat varieties topped the yield charts again in university trials across much of the South and Atlantic Coast this season.

"Although yields varied widely due to excessive rains and heavy disease pressure in some areas, Pioneer brand varieties performed outstandingly well under a variety of conditions," says Bob Heimbaugh, wheat product manager for Pioneer Hi-Bred International, Inc. "We credit this exceptional performance to an intensive breeding effort that is just reaching its maturity and providing strong defensive traits combined with yield potential."

The variety 2548 took honors in Maryland, North Carolina, Georgia, Mississippi and in Texas it placed second, yielding an average of 60 bushels per acre. Other locations tested between 52 and 90 bushels per acre.

"Wheat growers should consider consistent performance across locations and years when selecting varieties," explains Heimbaugh. "A package of two or more stable varieties will provide better results and less risk over time."

He adds, "University wheat trials continue to demonstrate the proven performance of Pioneer wheat varieties and the benefit of research investment."

SWCD offers seedling trees

The Upper Elm-Red Soil and Water Conservation District is sponsoring a seedling tree program according to Richard Connett, District Conservationist with the USDA Soil Conservation Service in Gainesville.

The tree program enables farmers, ranchers and rural and suburban landowners to obtain the seedling trees at a nominal cost.

"Both conifer and hardwood seedlings are available again this year through the program," Connett said. Several adapted species of conifers are available as potted trees. Included are Afghanistan pine, Austrian pine, Arizona cypress, Ponderosa pine and Red cedar. The cost of the conifers ranges from \$1.25 to \$1.50 per tree with a minimum order of 15 per species.

Seedling hardwoods are available as bare rooted plants in minimum bundles of 25 trees costing \$9 per bundle or \$35 for 100 trees. Hardwood species include Catalpa, Cottonwood cuttings, Desert willow, Green ash, Honeylocust, Little Walnut, Osage Orange, Pecan, Red oak, Russian olive, Sandcherry, and Skunkbush sumac.

Wildlife packets are also available which include four species of 25 trees per species. These trees and shrubs are specifically selected to enhance wildlife habitat and offer food for quail, deer, turkey and squirrel.

Rocking 4W Beefmasters win at Show

Hu and Helen Warden, owners of Rocking 4W Beefmasters of Leo, Texas, consigned two Beefmaster bulls to the National Beefmaster Association show and sale held in West, Texas on October 13, 1990 and won first place for Senior Bulls. The winning bull was Gambling Showboy, sired by the 2640 pound Red River Gambler and out of a Showboy granddaughter.

The futurity and sale is an annual event of the National Beefmaster Association and this year's event had 69 lots, including bulls, pairs, open and bred heifers. The Wardens also purchased the Grand Champion, a bred heifer, sired by River Warrior and consigned by ARN-M Beefmasters of Kemp, Texas.

Remedial Reading supports classroom instruction at MPS

Muenster Public School offers help for students with reading difficulties. Students scoring below the 50 percentile on the Metropolitan Achievement Test, or not mastering the Texas Assessment of Academic Skills Test, are eligible for instruction in 30 to 60 minute classes.

The remedial reading program does not replace the regular classroom instruction. Instead, it is designed to support the regular reading program. Classroom teachers and the reading teacher coordinate plans regularly to meet each student's needs. In addition to traditional means, computer programs are used to improve reading skills, including word attack, vocabulary, comprehension, sequencing, main idea and inference skills.

Students have an opportunity to progress at their own rate to grade level work and mastery of the essential elements as quickly as possible. Reports sent to the parents each six weeks include suggestions for ways parents can help their child at home. In addition, parent teacher conferences and meetings are conducted throughout the year to answer questions and improve the reading program.
