## Germanfest '91 geared toward entertainment

by Janet Felderhoff

Promoters are anticipating a large and successful Germanfest '91 which is set for Friday, Saturday and Sunday, April 26, 27 and 28. The Germanfest Committee has made an extra effort with promotion this year using several different tactics and they seem to be paying off.

"The chamber office already had more inquiries two weeks ago than it did by the end of Germanfest last year," Dave Flusche, Sr., general chairman, said. "We printed 60,000 brochures and all but 2,000 are gone."

Much credit goes to Jack Murdock who is in charge of marketing, advertising, and promotion, said Flusche. Clyde Fisher is paying for almost 300 radio spots on nine Metroplex stations. Students from Texas Tech made 10-minute videos of Germanfest '90 and about 20 of those have been distributed to various television stations in the hope that they might be aired.

Several changes have been made to better enable the crowd to enjoy the entertainment. The Tanz Halle, a 60' by 90' tent, will house a 30' by 39' wooden dance floor. It will be located north of the pavilion and will house all of the German-type entertainment.

"Custom Made" is the featured group for the Texas Stage on Sunday afternoon from 1 to 5 p.m. The group includes Grammy Award winner Richard Theisman who is known for his hit, "Rock 'n Roll Me Again." "We expect a packed crowd around the Texas Stage especially after the Fun Run - so come early to get your seats," advises Gary Fisher, Texas Stage Entertainment Chairman.

"Brave Combo" is expected to give a lively performance on Saturday afternoon at 2 p.m. and 4 p.m. on the Texas Stage. Willy Kickit will capture the attention of those who love to dance to tunes ranging from old rock to progressive country. They will be on stage from 7 to 11 p.m. Friday and Saturday nights.

Several local groups will also entertain from the Texas Stage including "Sweeter Than Honey," Mikki Jones, "Strict Order," "Sweet Country," and a performance by students from JoEll's Muenster and Gainesville Schools of Dance.

An area on the east end of the park has been set aside for children's entertainment. A castle will be set up south of the play climber recently installed by the Muenster Jaycees. The Kinder Theatre will put on puppet shows at various times throughout the day on Saturday and Sunday between 11 a.m. and 7 p.m. Hay bales will serve as seating for the audience.

At the north end of the play climber, six clowns will make balloon art and do face painting for a small fee. The proceeds will be used by Clown Alley to fund gift and toy items used by the clowns when they visit hospitals, orphanages, and convalescent centers.

Members of the Side Street Circus Minstrels will roam the grounds singing, juggling and playing music. They will also perform on stage. The Muenster Softball League is sponsoring a dunking booth.

Gene Ledel Shows, Inc. has been contracted by the Muenster Kiwanis to bring in carnival rides. The rides are bigger than ever, according to Herman Carroll, chairman. Rides include a ferris wheel, slide, fun house and kiddie rides.

The rides will be open on Thursday night and possibly Wednesday night. For \$10, patrons can ride as many rides as they want as often as they wish.

By adding the Tanz Halle tent, the Germanfest committee has freed the pavilion for other purposes. It will now house the Chamber of Commerce booth and supply more space for tables and chairs where guests can sit and eat.

Concessions will remain much the same as in other years. Hamburgers have been added to the repertoire of the Muenster Boy Scouts. Coon Creek Corn Company will offer roasting ears and baked potatoes.

Each year, 50 or more families enter the Barbecue Cook-Off as teams. The teams' camp on the cook-off site, which is west of the creek at the park. A temporary bridge will be installed to allow easy access to the park. Clyde Fisher and Miller Lite are

again sponsoring this event and this year there will also be a Chili Cook-Off to be judged on Saturday at 2 p.m. On Sunday, the Barbecue Cook-Off contestants will have their brisket, ribs, and German sausage judged between noon and 3 p.m.

It takes 60 or more people to help judge, according to Joe Fenton who is co-chairing the event, with Dick Fisher. To volunteer, contact Fenton at 759-2805.

"Some of the cooks are of a very unique design or very decorative," commented Fenton. "There is one entered every year that is designed like a steam engine and

cars. The engine is the cooker and it even has a whistle. Each of the cars including the caboose has a special purpose. There are others that are unique, but less elaborate."

Five tents have been set aside for the Arts and Crafts section. A rock polisher and a potter will present demonstrations of their skills. Other crafts offered include clothes, wooden products, leather, and even a native crafter with attractive articles made from bones and animal skulls.

The sanctioned North Texas Tug of War, a crowd favorite, will take place along the shady banks of the Brushy Elm Creek that flows

through the Muenster City Park. "We've had super response from all over the place," said Ben Bindel, who is co-chairing the competition along with Joe Pagel and Dwayne Pagel.

Old Milwaukee Light sponsors the popular event that usually has spectators numbering in the thousands. There is a Men's and Ladies' division. It takes place starting at 4 p.m. Sunday.

To celebrate its 10th anniversary, the Metric Century Bicycle Rally is giving cycling jerseys to the first 4,000 participants. The first 1,000 finishers of the 100K will be awarded cycling caps.

Bicyclists in the 100K, 65K, and 35K pedal a course that winds through scenic North Texas. The

course is known for its challenging hills. Starting time is 11 a.m. Saturday. A Bicycle Rally Party will be held on the Germanfest grounds where the finishers come in.

Proceeds from this event are used to benefit county organizations, youth scholarships, families in need, etc. and the Muenster Volunteer Fire Department. In past years the money earned was split 75 percent to the Bluebonnets and 25 percent to the

Fire Department. This year it will be an even 50/50 split to help the Fire Department in their campaign to purchase a new fire truck.

The 16th Annual German Fun Run will begin Sunday at 2 p.m. from Main and Third Streets and finish on Oak Street near the water tower. Tank tops will be given to the first 3,000 registrants. Trophies will be awarded in several divisions and these will be presented from the Texas Stage at 5 p.m. at the Germanfest during the Fun Run Party. Ben Bindel is spearheading this event.

All participants in the Bike Rally and Fun Run who give their name and mailing address will receive a Germanfest yearbook that will list race results as well as names of participants and volunteers.

"People are doing a pretty good job of taking care of clean-up," said Flusche. "I'd just like to remind everyone to pick up their trash, and mow yards and vacant lots."

The city has been preparing for its onslaught of visitors. City Manager Joe Fenton pointed out the newly painted parking stripes and recently filled potholes. "I invite people to call the city and report their 'Pet Pothole' for repair before Germanfest," said Fenton. He added that the streets are better than usual at present.

The city has also supplied a dozer for leveling Ray Wimmer's property northwest of the park. It will be utilized as workers' parking spaces.

Discount tickets will continue to be available at the Chamber of Commerce office until Wednesday, April 24, at 5 p.m. They will be \$2 each instead of the usual \$4.

"Everyone has been working together well this year," stated General Chairman Flusche. "Things have gone well so far because of the cooperation of the people on the Germanfest committee. I can't say enough about the people involved - they are what makes it work, not me. I want to give tribute to the workers."

MAJOR DRAINAGE CONSTRUCTION on Highway 82 in Muenster is happening at a less than opportune time with Germanfest only one week away. The Texas Highway Department says that everything will be

finished by next weekend except for concrete curbing and driveways at affected businesses.

### Back-to-back City Hall meetings:

## Poor quality poster to be redone

Disgruntled members of the Muenster business community met at City Hall last Wednesday afternoon, April 10, to discuss "art work." County Attorney August Boto also met with the complainants who are contesting a poster printed last year by Alternative Concepts, Inc. The poster depicts a kind of cartoon version of the Muenster business community, but all who paid to have their business included on the poster are very displeased with the first issue.

Vi McWater and Mickey Mohr of Alternative Concepts enlisted a different artist to remake the poster in line with the sample poster they circulated when selling originally.

The Muenster business people agreed that the new issue is much better but they still have a problem with the fact that although the

poster is supposed to be nearly all Muenster, about 30 percent of the space is given to Saint Jo businesses, which were sold to make the print job more profitable. Some were concerned that Alternative Concepts will now try to charge extra money for the second poster. They expect to pay no more. Now the question is whether or not the new poster will be finished in time for sale at Germanfest.

Contact with the county attorney's office at press time revealed that Mickey Mohr has agreed in writing to print a new poster at no extra cost to any business. The group reserved its final judgment pending receipt of new posters which are to include some corrections.

After that meeting, the Muenster City Council held a

special meeting, mainly to open new bids for city park maintenance contracts.

Eddie Lamkin won the maintenance job at the City Park for \$325.00 per month. Shirley Knabe won the baseball park job for \$137.50 per month.

Salaries were set for municipal swimming pool lifeguards at \$4.25 per hour. The pool manager will receive \$4.50 per hour plus the concessions profit.

Mayor Ted Henscheid asked if the increased wages at the pool would cause an increase in the pool admittance fee. City Administrator Joe Fenton said he felt pretty sure some increase would be required but that, as in the past, the City would continue to partially subsidize the pool as a necessary and valuable service to the community. The council agreed.

TINA KLEMENT, gold medalist in both the 1600m and 3200m runs, helped lead the Muenster Lady Hornets' track team to victory at Saturday's District 11A Meet here. Please see pages 9-12 for more track results.

## Sacred Heart School puts best foot forward at Literary Meet on April 9

Sacred Heart School won the second annual North Texas Independent Conference Literary Meet on Tuesday, April 9, when their students from grades 3 through 8 garnered more than twice the total points of any other school. The meet was held at Sacred Heart School.

Guidelines used in the meets are similar to UIL rules and regulations. Schools forming this conference are Forestburg, Prairie Valley, Gold-Burg, Montague, Terral, OK, and Sacred Heart.

Events held were Spelling, Story Telling, Ready Writing, Number Sense, Dictionary Skills, Picture Memory and Prose. Grade levels competing are placed in three divisions. Winners from Sacred Heart were:

**3/4 Grade Winners**  
Spelling - 1) Courtney Grewing, 2) Lucien Gehrig, 3) Joanna Gehrig. Story Telling - 2) Russell Fette. Ready Writing - 1) Deann Felderhoff, 3) Kayla Felderhoff. Picture Memory - 3-way tie for 3rd place: Christine Knauf, Betty Trevino, Nicholas Yosten.

**5/6 Grade Winners**  
Spelling - 1) Gregg Flusche, 2) Bart Sicking. Number Sense - 2) Bart Sicking. Dictionary Skills - 3) John Sparkman. Ready Writing - 1) Leslie Grewing, 2) Jennifer Campbell, 3) Tricia Endres.

**7/8 Grade Winners**  
Spelling - 1) Stephanie Grewing. Number Sense - 2) Jason Hess, 3) Loretta Reiter, 4) Nicole Endres. Ready Writing - 1) Alison Knabe, 6) Jennifer Fuhrmann. Prose - 1)

Tiffany Fisher, 2) Karri Endres, 4) Scott Poole.

Total points from each school: 1) Sacred Heart, 261; 2) Montague, 122; 3) Forestburg, 120; 4) Prairie Valley, 86; 5) Terral, 48; 6) Gold-Burg, 45. See pictures, page 4.

## Notice to all pedestrians is both a request and a warning

Muenster Chief of Police Helen Tompkins has issued a request for more considerate behavior by pedestrians and more conscious concern for their own personal safety. At the same time she urged them to show concern for the safety and peace of mind of automobile drivers, day or night, when walkers, strollers, or joggers monopolize the middle of the street. Worse than that, they frequently compound the hazard by wearing dark clothes at night, she said.

Police Chief Tompkins also issued a warning directed to

walkers and exercisers, instructing them to stay near the curbs, out of the flow of traffic and always facing the traffic.

Chief Tompkins said: "There is a state law they are breaking, by obstructing the normal flow of traffic. Our department has had a number of complaints that have accumulated during the past two weeks especially. The complaints and concerns have come from drivers who suddenly came upon walkers, either in groups or singly, who should have stayed near the curb, and who, sensibly, should have had light or bright clothing."

She added that walkers need some reflective material at night, reflective tape on shoes, legs, arms or jackets, that will catch a reflection from headlights. Three rules, she said, apply: 1) Walk nearest the curb. 2) Always face the traffic. 3) Wear reflective tape on clothes. This is imperative.

Chief Tompkins said: "It is good when you walk; it is bad when you endanger your life and cause potential accidents." She concluded: "I will issue first time warnings. There will be citations and fines for second time offenses."

## Good News!

Also the Lord restored the prosperity of Job, after he had prayed for his friends; the Lord even gave to Job twice as much as he had before.

JOB 42:10

Letters to the Editor

**Dear Editor:**  
I would like to assure Mr. Mecca that my comments in regards to taxes and politicians' ploy to redistribute same in the dubious name of "equality in education" have nothing to do with my commitment to the proper education of my children.

But first, I want to make it clear that there is no constitutional mandate, nor right, if you will, for anyone to expect someone else to pick up the slack in our own ability to finance local education programs. That is despotic socialism which over 80 percent of the world is struggling to throw off at this very moment.

As the father of eight children, five of which are currently in Gainesville schools, and as an experienced educator for most of my adult life, I can honestly say there is little correlation between money and quality education. Quality teachers and textbook materials are the priority for the best education, fancy facilities and equipment taking its place as a distant second level priority.

I can give you numerous examples of where poor, underprivileged schools produced outstanding scholars and wealthy state-of-the-art schools produced scores of functional illiterates. If space allowed an essay on those examples I could fill up this whole page with same. The argument that we need as fancy a facility as the wealthy districts is purely cosmetic and an outright myth. What we need is to provide increased support of our teachers and their need for better materials: **they're the ones who teach our children!**

I am still adamantly opposed to the costly and unnecessary wealth distribution plan just signed by our Governor. It is wrong, it is not based upon the principles of freedom and individual responsibility established by our wise founding fathers. And it may just prove to be the economic and educational undoing of our great State.

Sincerely,  
Max S. Chartrand, M.A.  
1738 Broadway  
Gainesville, TX 76240  
665-8909

**CUB SCOUTS** of Muenster Pack 664, with their leaders and families, cleaned up litter along FM 373 for 2½ miles south from the VFW Hall last Friday evening. Together, they stuffed 70 (that's right, 70 bags, stuffed tight) city garbage bags with litter consisting mainly of beer boxes, ice sacks, glass bottles, plastic drink and food containers and some feed sacks. Afterward, they enjoyed a hot dog feast at Don and Kathy Hartman's home. **Dave Fette Photo**

## Muenster meeting focuses on recycling effort

In a meeting held in Muenster on April 9 community club leaders were encouraged to become more aware of what they throw away. The meeting was sponsored by Cooke County Electric Cooperative and the Cooke and Montague County Extension Offices.

Evelyn Yeatts, extension agent, and Kimberly Bryan, winner of the Cooperative's Washington Youth Tour Contest, spoke on the need to recycle trash as a way to preserve our environment.

Bryan, a junior at Gainesville High School, spoke on the amount of energy that is lost when recyclable items are discarded. For example, when an aluminum can is thrown away, it wastes as much energy as if the can were full of gasoline, she said. By recycling, energy is saved and economic resources are preserved.

Yeatts explained that currently only about 10 percent of the nation's garbage is recycled. The Environmental Protection Agency has set a goal to have 25 percent of America's garbage recycled in 1992. In Texas, only 3 percent of solid waste is recycled.

Paper is the product with the greatest potential for recycling, she said, since it makes up 41 percent of the solid waste generated. However, it's often hard to find a place willing to pay for or even accept waste paper.

Probably the most recycled item is aluminum, Yeatts said, since there are many collection locations and the scrap is valuable enough to provide an incentive to save and gather aluminum cans. Glass can also be recycled easily. Recycling centers can take glass bottles and jars if metal rims are removed. Glass should be separated into clear, green and dark brown. Recyclable glass is not as valuable as aluminum, but recycling does help the environment, Yeatts said.

Plastics can also be separated and recycled, according to Yeatts. But she said some plastics cannot be recycled again and again indefinitely as aluminum and glass are.

Yard waste and other organic garbage form the second largest component of garbage buried in landfills. Much of the space they

use could be saved if grass was returned to the soil, either by not bagging it or by composting it for use as organic fertilizer.

Both Yeatts and Bryan identified avoidance of disposable products as one way to reduce space wasted in landfill. By buying cloth grocery bags and avoiding products like disposable razors or cameras, consumers can prevent natural resources from ending up in the landfill.

Leaders from Forestburg, Callisburg, Illinois Bend and Ross Point Community Clubs attended the meeting, enjoying coffee, punch and cookies after the presentations.

## Service held for Katie Herr April 15

Mass of Christian Burial was offered for Katherine Victoria Herr, 86, in Sacred Heart Church on Monday, April 15, 1991, at 10 a.m. Throughout her life, she was affectionately known as Katie and preferred that name.

She died on Saturday, April 13, at 8:40 a.m. in Gainesville Memorial Hospital after a brief illness. She had successfully undergone surgery for a broken hip several days earlier.

Katie Herr was a lifelong resident of Muenster, a daughter of Muenster pioneers, Fred Herr and Katherine Eichoff Herr, born on Aug. 22, 1904. She was an employee of Muenster Telephone Company for many years and was an accomplished seamstress, and was a member of Sacred Heart Church.

Survivors include two sisters-in-law, Mrs. Ida Mae Herr and Mrs. Ursula Herr. She was preceded in death by her parents; by four brothers, Emil, John, Frank and Carl; by four sisters, Annie Endres, Mary Luke, Elizabeth Herr and Helen Herr. Also surviving are a number of nieces and nephews.

Mass of Christian Burial was celebrated by a nephew, Father Eugene Luke, OSB, of Subiaco Abbey, Arkansas. Also present in the sanctuary and concelebrants were Father Victor Gillespie, OSB, and Father Sebastian Beshoner, OSB.

Readings from the Old Testament and New Testament and

KATIE HERR

Prayers of the Faithful were given by Pam Fette, a great-niece. Great-great-nephews, Josh Luke and Josh Walterscheid, presented Offertory gifts at the altar.

Eucharistic Ministers were Kathy Hartman, and Paulette Swirczynski, great-nieces, and Clinton Endres, a great-nephew.

Mass servers were Russell Fette, Jake and Jesse Luke and Paul Swirczynski, great-great-nephews.

The Sacred Heart Men's Choir and organist Tony Luke presented sacred music, including the processional, "How Great Thou Art," "Alleluia, the Strife is Over," at Offertory, "The Lord Is My Shepherd" at Communion, the "Our Father" and "Responsorial

Psalms" and the recessional "God Be With You Till We Meet Again."

Burial was in Sacred Heart Cemetery, directed by McCoy Funeral Home. Pallbearers were David Fette, Ben Luke, Melvin Herr, Tim Endres, Phil Endres and Donald Endres.

A Rosary Service was held in McCoy Chapel on Sunday at 4 p.m. and a Vigil at 7 p.m.

Among out-of-town relatives attending were Randall Herr of Amarillo; Melvin and Elaine Herr of Denton; Charlie Herr of McKinney; David and Eileen Endres of Garland; Rev. Eugene Luke of Subiaco; Cheryl, Charlie and Courtney Herr; Leonard and Ann Bengfort and Michael and Joyce Bengfort, all of Gainesville; Pat and Harold Luke of Arlington; Bernard Luke of Irving; Tina Herr of Gainesville; Connie West; Della Rose Voth of Gainesville; Sandy Herr-Metzler of Denton; Dan and Claudette Fette and family of Highland Village; Ramon Luke of Lewisville.

## Recycling project will end April 20

Saturday, April 20 will be the last time that the Cooke County Humane Society collects recyclable items. They have been collecting donated recyclable items every third Saturday of the month for some time, but that is drawing to a close. Difficulty in finding a place to take the paper, glass, and plastic products is the reason for ending the project.

"We hate to quit, but there just isn't a close place that will take the collected products," said Volunteer Virginia Beckman. "It was a good thing and people were really involved in it."

The last collection will be on the Wal-Mart parking lot from 10 a.m. until 2 p.m. this Saturday. Glass, tin and aluminum is accepted.

Persons unable to get their items to Gainesville Saturday can take them to Fulton Supply, 616 East Scott, Gainesville. The business will purchase aluminum, glass (bottles and jars only), copper, brass, radiators, and scrap iron. The glass should be separated according to color (clear, brown, and green) and reasonably clean. Reasonably clean according to Curtis Wilkerson of Fulton Supply, is rinsed of food and containing no dirt or gravel. Lids must be removed from bottles, but labels can be left on.

## Rummage sale to benefit Humane Soc.

A rummage sale will be held under a tent on the Wal-Mart parking lot in Gainesville from 11 a.m. to 3 p.m. on Saturday, April 20, with proceeds going to the Cooke County Humane Society.

"We have 10 to 12 adoptions every weekend," said Virginia Beckman, who is one of the volunteers. There are 40 dogs waiting for homes now, she added. Ms. Beckman also noted that the humane society often comes to Muenster to pick up stray or injured animals.

General information pages include abuse of telephone service, customer-provided equipment, complaint procedures, service connection charges. Also you will find how to handle annoyance calls and calling card service. Muenster Telephone Corporation has initiated its lifeline assistance program whereby if you qualify, we will waive the \$3.50 toll access charge. Qualifications for

## Aggie Muster April 21

Former students of Texas A&M University from the Cooke County area will assemble in Gainesville on April 21 for the annual Texas Aggie Muster, announced Chairman Charles Huneycutt.

The Muster activities will begin at 6 p.m. at the Parish Hall of St. Mary's Church in Gainesville, according to the chairman. Muster is open to all former students and their families, parents of students, and friends of Texas A&M.

Texas A&M is in its "Second Century of Greatness." During the last 100 years, Texas A&M has grown from a small land college to one of the leading research and educational institutions in the nation, Huneycutt reports.

Aggie Muster dates back to 1883, and has been held annually since. More than 400 Musters will be held around the world this year, Huneycutt said, "wherever Texas

A&M former students live or work."

Every Muster ceremony is the same, Huneycutt reported. Texas Aggies pay their respects to all those who are absent because of death since the last Muster. When the names of the honored dead are called from the Muster Roll, a friend of the deceased answers "Here."

The Cooke County A&M Club invites all persons in the area to join them in this year's Muster Ceremony. Program Chairman Joe Bell has secured Mr. Richard Haas, '79 of Corpus Christi, as the guest speaker for this function. Mr. Haas is currently serving on the Board of Directors of the Texas A&M Former Students Association and was awarded "Aggie of the Year for 1991." Tickets for the function may be purchased from Phil Adams or Lynn Grisham.

## Telephone Corporation distributes directories

The new 1991 Muenster Telephone directories have arrived. Along with a new way to list customer's name and number, you will find this book is packed with helpful information.

Emergency numbers are located on the inside front cover of the phone book. Write in the emergency numbers for your area from the list shown at the bottom of the page. 911 calls in Montague County will go to the Montague County Sheriff's office and the 911 calls in Cooke County go to the Cooke County Sheriff's office. Cooke and Montague counties do not have the new enhanced 911 service operating.

General information pages include abuse of telephone service, customer-provided equipment, complaint procedures, service connection charges. Also you will find how to handle annoyance calls and calling card service. Muenster Telephone Corporation has initiated its lifeline assistance program whereby if you qualify, we will waive the \$3.50 toll access charge. Qualifications for

tel-assistance service for disabled senior citizens, Link Up America and other assistance programs are explained. You will also find home wiring, telephone equipment and telephone repair options.

New this year is the way subscribers' names are listed in the telephone directory. The last name is listed once, followed by the first name and address of all subscribers with the same last name.

With the connecting of telephones without the phone company's knowledge, the telephone company no longer has an accurate record of directories each subscriber needs. If additional directories are needed, please come by the telephone office located at 205 N. Walnut Street in Muenster or 305 Mill Street in Valley View for more copies. Upon request, for a \$10 service order charge, we will correct our records to issue you additional directories each year in the future.

# Wimmers celebrate golden anniversary

LAWRENCE and IRENE WIMMER

The fiftieth wedding anniversary of Lawrence and Irene Wimmer was celebrated on Saturday, April 13, 1991 in observance of their actual wedding date of April 15.

Lawrence is the son of the late C.J. and Anna Seith Wimmer and Irene is the daughter of the late William and Mary Hess Walterscheid.

Attendants in 1941 were his brother Andrew and her sister Celia. Both were present to be their attendants again for the golden wedding anniversary.

Father Richard Eveld, OSB, celebrated the Nuptial Mass and the ceremony in 1941 at 8 o'clock in the morning.

Father Victor Gillespie, OSB, officiated for the fiftieth at 5 p.m. Saturday in a special anniversary Mass. The honor couple and their attendants led the entrance procession.

The youngest grandchild, Michael, with his parents, Laurie and Tom Valliere, carried a single pink rose in a bud vase, to be placed by Father Victor at the altar in memory of the Wimmers' deceased daughter, Ruthie Hess.

Granddaughters Leslie and Sandra Hess gave the liturgical readings especially selected by the goldenweds' children. Grandsons Jeff and Brad Wimmer and Gregg Hess presented Offertory gifts at the altar.

Mass servers were a grandson, Jason Hess, and a friend, Aaron Hess.

Music ministers were the couple's granddaughters, Jenny and Kelley Wimmer, and a grandson, Shayne Wimmer, and a friend, Pam Fette, with guitar accompaniment.

Eucharistic Ministers were Ray and Kaye Wimmer, Sandy and Leon Fuhrmann, Chris Walter, Lucille Hesse and Paul Hesse.

All of the Wimmers' children and grandchildren were present to join in the celebration. Their family includes Tim and Eunice Wimmer of Lindsay and their children, Brad and his wife Page; and Jeff and Jolanda.

Carol and Tom Gressett of Carrollton and their children, Gayle and David and his wife Michele.

Frank Hess of Muenster and his children, Sondra, Leslie, Gregg (Ruth) is deceased.

Ray and Kaye Wimmer of Muenster and their daughters, Jenny and Kelley.

Willie and Margie Wimmer of Muenster and their children, Shayne and Stephanie.

Laurie and Tom Valliere of The Colony and their son, Michael.

## RECEPTION

A reception, seated dinner, catered by the Wimmers' niece Ginny Schneider, and dance were hosted by the couple's children and grandchildren in the Sacred Heart Community Center for 250 guests.

Presiding at the guest book were granddaughters Jolanda Wimmer and Gayle Gressett.

The anniversary cake was made by a niece and nephew, Cathie and Francis Fuhrmann of The Farmer's Kitchen. It was three tiered and decorated as nearly like the original wedding cake as possible. The groom's cake was a three-tiered round German sweet chocolate cake. Stephanie Wimmer and Kelley Wimmer were the cake servers.

The anniversary table was covered with lace over white cloths, and crystal candleholders with pink candles, enhanced with pink ribbons and gold fans.

Guest tables were covered in white with gold ribbons down the centers, and hurricane candles with pink tapers.

After the meal, Tim Wimmer offered a toast honoring his parents. Willie and Ray Wimmer presented a family history, including amusing and nostalgic incidents that happened through the years.

Shayne and Stephanie Wimmer sang the song especially written by Willie Wimmer for his parents.

To close the program, all the children and their spouses, with Laurie Valliere playing the guitar, sang "The Mom and Dad Waltz" by Lefty Frizzell.

Visiting, reminiscing and dancing followed to music by Andy Serna and "The Captive Hearts."

The couple and their guests recalled the wedding day 50 years ago. Irene said, "It rained so hard that we could not get into church. Andy was driving - he jumped the curb and drove right up to the front door. After Mass, as we were leaving, he hit a soft spot where a tree was newly planted. Then we were really stuck."

"J.P. Flusche drove by in his truck. Seeing our predicament, he lent assistance and pulled us out. That same morning, after the wedding breakfast, we drove to Gainesville for the wedding portraits. On the way back, we stopped at Lawrence's home to visit with his sisters, Billie and Gracie, who were home in bed with the measles."

The account of the wedding day in the *Münster Enterprise* of April 18, 1941 stated:

"The bride wore an ivory taffeta floor-length gown with a

slight train and leg-o-mutton sleeves. Her silk net fingertip veil was held by a wreath of lilies of the valley. She carried an arm bouquet of white carnations. For sentiment, she wore her mother's gold cross and chain.

The maid of honor wore pink net over pink taffeta, with pink flowers in her hair and a corsage of pink snapdragons.

A wedding breakfast and noon dinner were hosted by the bride's mother for the immediate families. The couple left on a wedding trip during the afternoon.

Both attended Sacred Heart School and Muenster High School. The groom is employed at the Muenster Cheese Plant and the bride is an employee at the FMA Store. Lawrence is a member of the Sacred Heart Church Choir."

Now in retirement since reaching age 65, Lawrence spent 32 years at AMPI and 12 at Weber Aircraft. He remains a member of the Sacred Heart Church Choir and was the recipient of a commemorative tray from the choir in recognition of his 55 years there, to date.

Guests at the anniversary party and golden wedding were registered from Muenster, Lindsay and Gainesville; and those coming from a greater distance included: Mrs. Don Valliere of Shreveport, La.; Doug and Helen Otto of Arlington; Mr. and Mrs. Jim Horton of Arlington; and the following from Hereford: Mrs. Frank Walterscheid and sons and their spouses, Leonard and Opal, Larry and Evelyn, Vincent and Mary Ann, Kenneth and Regina, and a visitor from Germany, and Doris and her daughter, Jo Jean Welch of Amarillo.

Also David and Eileen Endres of Garland; Sister Mary Helen Fuhrmann of Fort Worth; Cletus

and Anita Bauer of Atlanta; Glen and Eileen Georgia of Dallas; Tom and Suzanne Williams of Fort Worth; Charlie (Crunch) and Delores Wimmer of Edmond, Oklahoma.

Candie Geiser of Irving; David and Michele Gressett of Carrollton; Brenda and Kim Nix of Overton, OK; Roy and Ellen Wimmer of Denton; Robin Wimmer of Denton; David Wimmer of Irving; Paul and Gracie Luke of Farmers Branch; and Paul and Ruth Thomas of Carrollton.

## Reunions planned

### Fleitman ... June 2

The Henry and Mary Fleitman family reunion is scheduled for Sunday, June 2, 1991, at 11 a.m. in the Pavilion of Muenster City Park. Those attending are reminded to bring covered dishes and drinks, and lawn chairs.

### Linn ... June 8

The family of Russ Linn will help him celebrate his 101st birthday with a family reunion on Saturday, June 8, at the Muenster City Park Pavilion. His son, daughter and grandchildren are planning the event.

### Hess ... July 21

A reunion of descendants of Frank and Mary Hess will be held on Sunday, July 21, at Muenster City Park Pavilion from 11:30 a.m. to 7 p.m.

## Service organizations sponsor free Health Fair

A free Children's Health Fair will be held in Gainesville, for ages infant through 5 years, on Saturday, April 27, at the Gainesville Civic Center, from 10 a.m. to 3 p.m., providing Developmental and Medical Screenings. All family members are invited to share in the fun, attractions and exhibits.

Exhibits from local schools will involve speech and language screening and developmental readiness. Also the "Kids on the Block Puppets;" the Montessori School in Muenster; Sparky, the Fire Safety Dog; a Fire Truck; Police-Child Identification; PEP program (Pregnancy, Education and Parenting); McGruff Crime Dog; St. Mary's and Sacred Heart Schools; Friends of the Family; Cooke County Health Dept.; Dept. of Human Services;

Headstart; Discovery Toys; Project KIND; MHMR-Drug Counseling information; MHM Mental Health information; 4-H Club Clowns; Lunchbox Snacks; Safety Seat Demonstration; Public Library Display; Church Kindergartens/Day Care; Pre-Schools; Youth Center Information; Hearing, Vision, Height and Weight Information; Nutrition and Formula/Feeding Information; Demonstrations on CPR, Heimlich and First Aid; Dr. Babyproofer.

Sponsors and Underwriters of the program are Kiwanis International Lions Club, Rotary International and Soroptimist International, all of Gainesville. For more information, call Barbara Marshall, 665-0773.

## SH sophomores take field trip

Sacred Heart's sophomore class went on a field trip to Dallas on Tuesday, April 9. The group first stopped at the JFK 6th Floor Exhibit on the assassination. Around the building, construction was go-

ing on for movie sets for the Oliver Stone movie, "JFK."

After an interesting and informative visit, the students walked to the Reunion Tower, and went to the top for a view of the city.

At noon, the group went to the Irving Mall to view the movie, "Dances With Wolves." After the film, the sophomores traveled to the Forum 303 Mall for an afternoon snack at Tony Dorsett's Sports Cafe.

On the way to the cafe, there was an unexpected occurrence along Highway 360 near Six Flags. A streaker was running "au naturel" along the freeway, and then darted off to a golf course. It could not be determined if he was protesting.

Chaperones for the trip were: Mrs. Allen Truebenbach, Mrs. Monte Barnhill, Mrs. Paul Bayer and Mr. Joe Caserta.

## RABIES CLINIC &

### \$1<sup>00</sup> FLEA DIP at Grand Avenue Animal Clinic

Saturday, April 20, Noon - 2 p.m., Gainesville, 665-1990

## NOTICE!

A Sandwich Supper and Dessert Auction to benefit the Sivells Bend Homemakers Extension Club will be held Tuesday, April 23 at the Sivells Bend School at 7 p.m. Cooke County Pop Singers will entertain.

## Personal

Margaret Fisher was surprised with a party on her 84th birthday, arranged by her daughter, Jeanette Galloway of Wichita Falls. She arrived Saturday to spend the weekend, after arranging earlier to

have a group of relatives arrive unannounced Sunday afternoon. Mrs. Galloway brought several birthday cakes to serve with ice cream, to their guests, who spent the afternoon visiting.

## HOMESTEAD EXEMPTIONS

### MAY LOWER YOUR HOME'S PROPERTY TAXES

A homestead exemption lowers the property taxes on your home by lowering its taxable value. For example, if your home is valued at \$50,000 and you receive a \$5,000 homestead exemption, your home will be taxed as if it were worth only \$45,000.

You qualify for a homestead exemption if you owned your home on January 1 and used it as your primary residence on that date. It doesn't matter whether your home is a house, a condominium, or a mobile home.

Exemptions are available to all homeowners to lower their school taxes. Additional exemptions are available to homeowners who are disabled or age 65 and over. And, if you receive the over-65 exemption, you also qualify for a ceiling on school taxes. Other exemptions may be offered to homeowners by school districts, counties, cities, and special districts.

Who should apply? If you received a homestead exemption on your home in 1990, you won't need to

re-apply for 1991 unless your chief appraiser requires it.

If you became 65 or disabled before January 1, file a new application to receive the additional exemptions.

If you haven't received an exemption on your present home, or if you've moved to a new home, make a new application for 1991.

File your homestead exemption with your local appraisal office at the address shown below.

The last day to file for applications is April 30, 1991. Contact your appraisal district before then if you need more time to file.

For more information, get a free copy of the pamphlet, *Texas Property Taxes: A Taxpayers' Guide to Rights, Remedies, Responsibilities*, at your appraisal district office or from the State Property Tax Board in Austin.

## Students, parents learn from others at program

**by Dawn Knabe**  
Officers from Sacred Heart's Student Council, National Honor Society and Muenster Public School's Student Council have met to plan a substance abuse prevention program. They have been working extremely hard as a group to make the youth of Muenster think about what they are doing.

As a result, they have organized a program for the students on Tuesday, April 23. Students of grades 6 through 12 will attend a program at 9:30 a.m. in the Community Center. The program for the youth will include two adolescent speakers from Arbor Creek Hospital in Sherman, who will share a little of their life history and how they abused alcohol.

Also Bill Bivin, a Muenster policeman, and County Attorney August Boto will be guest speakers to answer any legal questions and share their experiences with substance abuse. A highway

patrolman, a paramedic and a counselor from Arbor Creek Hospital will tell of their experiences in dealing with victims of substance abuse. There will be time for the students to ask the panel questions.

On the evening of Tuesday, April 23, there will be a special presentation for the parents at 7 p.m. in the Community Center. Parents are strongly encouraged to attend. The panel for the parents will be the same as for the students. In coming to listen, you as a parent, may gain some information about teenage substance abuse. This is a special service the students are presenting for the young people of the community and the parents. Without the support of parents, the substance abuse in Muenster will never stop!

Everyone is welcome to the presentation at 7 p.m. Please come and learn from other people's experiences.

**BEN BINDEL**, left, manager of the D I One Stop, accepts a plaque from Bill Lange, sales manager for Gilbert Endres Distributing, giving special recognition for raising more than \$100 through the "Shamrocks Against Dystrophy" program, sponsored by Gilbert Endres Distributing. The D I One Stop won the top fundraising award for the Off-Premise Accounts division. This is the second consecutive year that the D I One Stop patrons won this award. Floyd's Bar and the Gainesville VFW were also recognized for raising over \$100 through the program. Other area locations selling shamrocks for \$1 from March 1-17 and helping to raise \$1,552.89 for the Muscular Dystrophy Association were H&W Kountry Korner, Rohmer's Restaurant, The Center Restaurant, Fischer's Market, Lindsay Grocery, VFW, and Bayer's Kolonialwaren.

## Baptisms

### Rohmer

Michelle Lynn Rohmer, infant daughter of Steve and Kim Rohmer, was baptized on March 24, 1991 in St. Ann Catholic Church in Coppell.

Rev. Killian Broderick, pastor, was celebrant. Terry and Lisa Rohmer of Muenster are Michelle's godparents.

Dinner followed the church service, hosted by the baby's parents in their home. Special guests included great-grandmother Mary Grewing of Lindsay; grandparents Rose Zwinggi of Lindsay and Tony and Marjorie Rohmer of Muenster.

Michelle's sister, Nicole, also helped celebrate the baptism.

Other guests included Adam and Renee Schniederjan; godparents Terry and Lisa Rohmer; Bill, Laurie, Daniel and Amanda Rohmer; and Kenny, Cindy, Jayna, Kalyn and Holly Rohmer of Muenster.

### Nortman

Amber Kaye Nortman was baptized on March 31, 1991 in a 10:30 a.m. ceremony in St. Peter's Catholic Church of Lindsay. Father Bart Landwermeyer, OSB, officiated with the infant's Aunt Deana Tharp of Gainesville and Uncle Carl Hermes of Lubbock serving as baptismal sponsors.

Amber is the daughter of Danny and Linda Nortman. She has a sister, Amy Leigh.

Following the ceremony, family members gathered in the home of Joe and Alice Hermes for a noon meal. The table centerpiece was a lamb-shaped cake.

Those present included Amber Kaye's parents and sister; her great-grandparents, Gertrude Koelzer and H.S. Fuhrmann; grandparents, Joe and Alice Hermes and Harold and LaVern Nortman. Also Joyce, Della and Kathy, Carl and Glenn Hermes;

Marcy Brown; Ricardo Jamarillo; Deana Tharp; Donald, Debbie and Stephanie Neu.

### Hoberer

Kristan Ann Hoberer was baptized on March 24, 1991 at St. Peter's Catholic Church in Lindsay. Her godparents were Jim and Judy Fuhrmann of Lindsay. Father Bart Landwermeyer officiated for the ceremony.

After the baptism Kristan's parents, Tom and Pam Hoberer, hosted a brunch in their home. Also attending were Keith, Aaron and Daniel Fuhrmann, Elizabeth and Karen Hoberer, Marcus and Catherine Fuhrmann and Amy, Joshua and Katie Hoberer.

## Sacred Heart Pre-School is taking applications for 1991-92

Sacred Heart Preschool is now taking applications for the 1991-1992 school year. On Monday, April 22, and Wednesday, April 24, parents of prospective students interested in viewing the school while in session are invited to come between 9:00 a.m. and 11:00 a.m. or 1:00 p.m. and 3:00 p.m.

Sacred Heart Preschool is recognized as an accredited school by the Texas Education Agency and by the Southern Association of Colleges & Schools. In 1988 Sacred Heart Preschool was the winner of the prestigious Elizabeth Anne Seaton Award. It was the only school in Texas to win out of 13 nominated.

The Sacred Heart Preschool provides a learning experience for three, four and five year olds. The basic principals, methods and materials developed by Maria Montessori are used as a foundation for the program. The environment consists of five main areas: sensorial activities, practical

life activities, language, mathematical reasoning, and cultural activities.

Preschool children are treated with respect, making them aware of their worth as individuals. Children experience learnings as a fun activity thus beginning a positive attitude toward education at an early age.

Teachers and Aides work directly with each child's hands-on activities. They encourage the child's freedom to choose their own activities. The children are also given the opportunity to work on the classroom computer.

Sacred Heart Preschool offers half day classes from 7:55 a.m. to 11:15 a.m. or 12:15 p.m. to 3:30 p.m. or full day classes from 8:00 a.m. to 3:30 p.m. Also if enough are interested an extended day for those parents who work until 5:00 will be provided.

Enrollment is limited to 18 students per session. For those wanting half day sessions, choice of morning or afternoon will be

given on a first-come basis.

If unable to attend these days please call 759-2511, Ext. 46 for an appointment.

## Jr. High Band attends Band Fun Festival

On April 12, the Muenster Junior High Band traveled to Dallas to compete in the Sandy Lake Band Fun Fest Festival.

The Fun Fest is held at Sandy Lake Amusement Park. Bands from all over Texas, Oklahoma, Louisiana and Arkansas come to compete in the Festival. The bands are judged by nationally-known college adjudicators. Judging the Muenster Junior High Band were Dr. Bill Moffett of Purdue University, Dr. Bob Brandenbarger of Southern Methodist University and Dr. Robert Raskezes from the University of Kansas. There are 20 to 30 bands performing each day during the week from April 1 through May 18. About 50,000 band students will be involved in the contest each year. The bands are judged by Texas UIL standards, which are among the highest in the United States.

The Muenster Junior High Band received a Division I rating, which is the highest rating given in their class division. They are also in the running for "Outstanding Band of the Day." The band is still waiting to hear the results on the "Outstanding Band for April 12."

This is the first time in many years that a Muenster band has received a Division I rating in full band competition. "We are very proud of them," said Charlotte Taylor, band director. "They have set high goals and worked very hard to achieve them. They deserve a "big" pat on the back for their efforts. Way to go, Muenster Junior High Band!"

## Be cautious with aerosol repair kits

The National Board of Boiler and Pressure Vessel Inspectors warns consumers to be cautious when using aerosol emergency tire repair kits, which use highly flammable or explosive products to inflate tires and temporarily seal small leaks.

The warning as prompted by an accident involving a 23-year-old service station employee who was critically injured by an explosion attributed to an emergency tire repair. He suffered fractures to his left arm and right leg, a punctured lung and several serious cuts. A second victim was cut by flying glass.

The explosion occurred at a service station when the employee was attempting to locate a leak in a tire. Unaware that the driver of the vehicle had used an aerosol kit to inflate the tire, the employee used a metal instrument to probe for the hole. The metal instrument apparently caused sparking or arcing that ignited the gases used by the aerosol kit to inflate the tire.

Here are four safety suggestions:

- \*Follow all directions exactly, and observe all warnings.
- \*Be aware that the aerosol kits use products that are potentially very hazardous.
- \*Tell anyone attempting to repair the tire that an aerosol kit has been used.
- \*When repairing a tire, assume that an aerosol repair kit was used and exercise proper caution.

For Anna Mae

FAITH — HOPE — CHARITY

I have a treasure box in my soul filled with precious things Anna gave me... Her great love for God, her unmovable faith and her hope, in not earthly things, but things she focused on with her soul. While praying for Anna the first day she passed away, I asked the Lord a question... what would be a word to describe Anna and, without hesitation, I opened the dictionary and there was the word "Ultimate" facing my eyes, then underneath ultimate - strength. I believe this was God's way of speaking to me. Because I believe Anna was the Ultimate... I believe she has reached the ultimate goal in life and that is to be with the Lord. I also believe Anna had an ultimate strength within herself. Her favorite saying, "To thine own self be true." And she was truly... True to Herself!

Her niece,  
Vonnice

We Wish to Recognize

— April 7 - 13, 1991 —

"My heat pump's so efficient it saves money. And it's a clean system. I like what it means for the environment." —Elta Chandler, Park Board Member

Elta Chandler cools and heats her home with a heat pump because it saves money and energy. And since it's electric, it's "wonderfully clean."

A heat pump uses the energy in the air to keep her home comfortable all year. Even on cold winter days there's heat in the air. A heat pump captures that heat and uses it.

And it costs less to operate than a gas furnace. It's so efficient that for each unit of energy it uses, it creates two to three units of heat.

In the summer a heat pump becomes a high-efficiency air conditioner, capturing the heat inside the home and removing it.

For more information, call a heat pump dealer or TU Electric. It's your chance to save more than money.

A Commitment To Service

# MHS begins '91-92 course planning

Although this school year is not yet complete, it is time to begin preparations for 1991-92. One of the first items is the official school calendar. Muenster High School is considering moving the school starting date to mid-August in order to end the first semester before the Christmas holidays. Such a calendar would allow the Christmas holidays to serve as a midway point in the year and not force students to return from a layoff and immediately take semester exams. Planning for the 1991-92 calendar is on hold, however, while the Texas Legislature decides how many school days will be funded next year.

However, MHS staff members are starting the process of scheduling classes for students for 1991-92. This process was hampered last year by the change in administration and MHS Principal Jerry Metzler is excited about having the entire spring and summer to use for planning. "By starting now, we can involve parents, teachers, and students more effectively than last year. With more input, I'm sure we'll end up with a much more flexible schedule that meets the needs and desire of more of our students," states Metzler.

A tentative schedule of classes was posted in early April on a large bulletin board in the main hall of the high school. During the past two weeks, students have begun to plan their 1991-92 class schedules and request certain changes or additions in course offerings. The result has been a schedule that meets most students' needs, while still operating within the anticipated resources of MISD. The next step began earlier this week when MISD Counselor Vernon Austin and Mr. Metzler met with students in grades eight through eleven to explain course selections and provide information for students to bring home and discuss with their parents. Teachers are also involved in this process as they provide important feedback to students and administration regarding course recommendations. Parents and students are also encouraged to contact school staff members to discuss options and offer opinions on additional course offerings. Already, MISD advisor committees in vocational education have discussed course offerings in

Agriculture, Home Economics, and Industrial Technology. The recommendations of these committees are the basis for the tentative course offerings. Based on student demand, some courses may be deleted and others added after consultation with the advisory committees.

"Perhaps the greatest advantage in starting this process so early is that it gives everyone a chance to comment," states Metzler. "At this stage, a great deal of flexibility exists and we have time to work out special requests or problems. Also, I've personally enjoyed the students' comments and suggestions so far. The kids really have some interesting ideas."

Eighth grade students, and their parents, will probably have a lot of questions about entering high school. Muenster High School staff members will hold a meeting for all parents who may have students entering the high school next year on April 23, 1991, at 6:30 p.m. in the old library. Parents are encouraged to attend in possible, but individual sessions are welcome as well.

The first "phase" of schedule planning will be completed by May 1, when students should submit a tentative schedule request for 1991-92. Then, school staff will begin "fine-tuning" schedules and make adjustments should any teacher changes occur during the summer. The process will not end, of course, until students are actually in class next August. Until then, students and parents are encouraged to gain as much information about academic needs as possible and to make all requests known to the school.

## Lauren Bradford makes First Communion in Grapevine

**LAUREN BRADFORD**  
Lauren Michelle Bradford, daughter of Stuart and Debbie Bradford of Grapevine, received

the sacrament of First Holy Communion on Holy Thursday, March 28 at 7:30 p.m. in St. Francis Church in Grapevine. She is the granddaughter of Leonard (Spike) and Frances Yosten of Muenster and Ret. Col. Jim and Gene Bradford of Austin.

Special items that Lauren wore at her First Communion celebration included a new white dress and veil, a gift from her maternal grandparents; a crucifix ring from her godparents, Bill and Ellen Bradford; a diamond crucifix necklace from John and Pat Yosten; and a medallion that had belonged to her great-grandmother, Louise Wiesman.

Lauren's parents and her brothers Sam and Jackson were the hosts for a reception in her honor held in the Bradford home. Finger foods and a special cake that was in the form of a chalice, baked by Betty Rose Walterscheid, were served. Pictures were taken and Lauren opened the many gifts she received.

Those attending the celebration were Lauren's parents and her brothers; her grandparents; her godparents Bill and Ellen Bradford and children Brooke and Trey of Houston; and uncles, aunts and cousins Robin Bradford and Stephanie Yosten of Dallas; David and Terry Yosten of Plano; and John Yosten, Diane Grewing and children Michael, Randy and Shannon of Muenster. Unable to attend but sending good wishes were Susie and David Bullion and children of Austin.

## Lindsay ISD accepts teacher resignation

by Elaine Schad

The Lindsay School Board this week accepted the resignation of longtime teacher Sally Arendt, who is retiring at the end of the school year.

Mrs. Arendt is a special education teacher. The board hired Beverly Neal as her replacement. Ms. Neal, who has served for 11 years as a teacher aide in Callisburg, is completing her student teaching in the Gainesville School District.

In other action at their regular April meeting, the board tabled consideration on a lease agreement between the school district and St. Peter's Parish. With the announced transfer of Father Bart, the board will renegotiate the lease after a new pastor is named for St. Peter's, officials said.

In other business, the board:  
-Disapproved a discount for early payment of property taxes.  
-Set the All Awards Banquet for 7 p.m. May 17 in the cafeteria.  
-Set a May 6 special meeting to canvass election returns.  
-Approved a contract with the Region 11 Service Center for standardized test grading.  
-Appointed Superintendent Gilbert Hermes as the district's representative to the Region 11 Service Center.

# Laboratory Week observed by hospital, auxiliary

April 14-20 has been designated as National Medical Laboratory Week. Muenster's Hospital Auxiliary joins other hospitals across the nation in recognizing the laboratory personnel at Muenster Memorial Hospital.

The medical laboratory provides timely, accurate and dependable test results to assist physicians in the diagnosis and treatment of their patients.

Gwen Carroll MT (ASCP) serves as chief technologist. She graduated in 1964 from Hardin-Simmons University with a Bachelor of Science degree in Medical Technology and has been employed at Muenster Memorial Hospital since June of 1977.

Barbara Culwell MLT (ASCP) is another technician at MMH. She joined the laboratory staff in October of 1986 with an Associate degree from Grayson County College.

SACRED HEART Junior High Cheerleaders for the 1991-92 school year will be, l to r, back - Jennifer Campbell, Nicole Endres, Karri Endres; front - Jill Hess, Corey Hess and Leslie Grewing. Janie Hartman Photo

# Special observances mark 5th Hartman campout

The fifth annual Hartman campout and reunion was held in Muenster on April 12, 13, 14 and 15 with children and grandchildren of Mrs. Margaret Hartman and the late Victor Hartman gathering with family and friends for a wonderful, fun-filled four days.

On Sunday, the second annual Hartman Invitational Golf Tournament was played. Winners of the coveted "green jackets" were Jon LeBrasseur and Terry Halbert.

Attending the long weekend and Monday celebration were Grandmother Margaret Hartman; Alvin and Joanie Hartman; Monica and Jon LeBrasseur; Bobby, Sharlene, Shannon and Dainah Hartman; Kenny, Rhonda, Holly, Courtney and Nolan Hartman, all of Muenster.

Edna Tompkins; Mike, Sharon, Teri, Jeff and Dana Fedor, all of Arlington; Brian Tompkins and Jennifer Crawford of Bedford; David and Christine Tompkins and Janie Morrow of Arlington.

Becoming an eagerly awaited tradition is the opening ceremony, forming a large circle for the White Elephant gift exchange on Saturday.

A marble-shooting contest was won by Teddy Gremminger.

All attending voted Terry Halbert as Entertainer of the Weekend, repeating from last year.

Gene and Judy Hartman; Jeanna and Tim Sutton of Denton; Pam, Dana, Kimberly and Trent Bloedel of Sanger; Doug Hartman of Irving; Stacey Sutton of Denton; Agnes Redfern of Illinois; Jean and Buzz Bloedel of New Ulm, Minnesota.

Hayrides were enjoyed by young and old, with tractor and trailer driven by Uncle Alvin Hartman. A blackeye pea guessing contest was won by Della Schmitt.

The children were baptized by Father Bob Lewandowski of Immaculate Conception Church of Denton. For the Sacrament, he used a special mixture of holy water.

The baptisms were witnessed by 75 family members and six guests. Coming especially for the baptismal ceremony from New Ulm, Minnesota were the paternal grandparents of Trent Bloedel, Buzz and Jean Bloedel.

Della, Harvey, Vickie and Debbie Schmitt of Muenster; Leo Sandmann of Lindsay.

# St. Richard's Villa

by Frances Reiter  
We wanted to thank the girls from Sacred Heart coming to play bingo with us last Sunday. They also brought a cake and a basket of fruit.

Wednesday is our bingo day; callers were Augusta Walterscheid, Lu Vogel and Mr. and Mrs. Ed Dill. Janie Morgan had a manicure class for all of us ladies.

Monday morning, we had Mass with Father Joe, with Joe Hoenig assisting him. Their faithfulness is appreciated.

Thursday morning, Joe Hoenig played the piano after exercise. In the afternoon, we played dominoes. The players were Annie Jostwerner, Andrew Fleitman, Laura Haverkamp, Ida Hoenig, Francis Reiter, Vena Settle, Janie Morgan.

Irma Koelzer played dominoes with us Monday afternoon.

Friday, morning Janie Morgan called bingo for us and we all came away winners. Friday afternoon, Maurine Griggs came and we played dominoes again. It certainly looks a lot like spring around here; we have new window boxes with geraniums and petunias in them and lots of new shrubs and trees. I believe Mr. Fuson's green thumb is showing. We are getting a new parking lot also which we badly needed. Come by sometimes and see the new face of St. Richard's.

Tuesday, we had arts and crafts in the afternoon and finished our wall hangings made of soap and net. They really look pretty hanging in our rooms.

Visitors to St. Richard's this week were Sacred Heart Student Council, David Arendt family, Jean Brown of Dallas; Cathy Krahl, Mary Sicking, J.J. Haverkamp, all of Gainesville; Ramon Kelley of Irving; Lois Sicking of Upland, California; Alfred Haverkamp of Dallas; Gertrude Horn, Maurine Griggs and Arnie and Theresa Muller. Thanks for making our days brighter!

# Schedule of Meeting

JAM will meet Sunday at the Muenster City Park at 2 p.m.

# CCC holds book review

Cooke County College Library is conducting their Brown Bag Book Review on *A Place Called Sweet Shrub* by Jane Roberts Wood. Linda Coolen and Patsy Wilson will review the book on May 2, at 12:10 p.m. The public is invited.

# Forestburg students take part in UIL Literary competition

Seventeen students from Forestburg High School attended the district U.I.L. Literary competition at Grayson County College on March 26-27.

Crockett, 1st place, Poetry; and Will Tillman, 1st place, Ready Writing.

Winners from Forestburg included: Jason Morris, 6th place, Spelling; Misti Keck, 6th place, Keyboarding; Jennifer Mann, 6th place, Poetry; Anne Mims, 3rd place, Headline Writing, 3rd place, Literary Criticism; Tonie

This year Forestburg will have the following students going to Kilgore April 19 for regional U.I.L. competition: Tonia Crockett in Poetry, Anne Mims in Literary Criticism and Headline Writing, and Will Tillman in Ready Writing.

# Country Tidings

by Ruth Smith

**Henry L. Settle Jr., 68, dies**  
Funeral services for Henry L. Settle, Jr. were held Tuesday at 2 p.m. in the Geo. J. Carroll & Son Chapel in Gainesville. Rev. Ken Frazier of the Era Baptist Church officiated.

The Rosston Baptist Church will have their regular dinner at the church Sunday, April 21 after church services. Rev. Dennis Pellet and the members invite everyone to come.

Interment was in the Rosston Cemetery under the direction of the Geo. J. Carroll & Son Funeral Home.

Clean Up Day will be held at Southward-Magee Cemetery Saturday, April 20 at 9:30 a.m. Any help is welcome. For more information call Veda Brogdon.

H.L. Settle passed away Saturday, April 6, 1991 in the Gainesville Memorial Hospital.

The Forestburg First Baptist Church will have Game Night Friday, April 19 at 7 p.m. at the church. Refreshments will be served afterwards. Everyone is invited to come.

He was born Dec. 31, 1922 in Gainesville. His parents were Mrs. Mary Penton Settle and the late Henry L. Settle Sr. He and his wife Millie had been married 44 years. He was retired from Hughes Tool Company of Houston after 35 years of service. He was a Veteran of World War II.

Mr. and Mrs. Stanley Lovette were treated Wednesday evening by their grandson, Jason Bowman of Denton to seeing the show "Dances With Wolves." After the show he treated them to dinner. Jason is a student at UNT, Denton.

H.L. is survived by his wife Millie Settle, three sons Weldon E. Settle of Humble, Allen T. Settle of Muenster, and William Settle of Houston; three grandchildren and his mother, Mrs. Mary Settle of Gainesville.

The singing sponsored by the local churches will be April 28, 1991 at 6 p.m. at the Forestburg United Methodist Church.

Pallbearers were Gary Links, Roy Robinson, Carl Bayer, Tom Richardson, Harold Bowles, Nathan Bowles, Herbert Richardson, and Bob Richardson.

Mrs. Odessa Berry, Katie and Johnnie Cook visited Mr. and Mrs. J.C. Barr in Nocona Monday, April 8.

The funeral service opened with the hymn, "His Eye Is On The Sparrow." Rev. Frazier quoted Scripture from the Testament. The hymns "Amazing Grace" and "How Great Thou Art," were sung. The minister then quoted Scripture from Psalms and spoke of meeting H.L. in the hospital and learning that he liked the great outdoors and liked animals, fishing, grafting pecan trees, and enjoyed gardening.

Emory Fletcher spent Sunday with Mr. and Mrs. Jack Berry and James.

He took care of his father and mother, loved his family, enjoyed his children and grandchildren and liked to take them fishing. He liked to cook and barbecue.

Mrs. Winona Russell of Whitesboro and Mrs. Ima King of Bowie had lunch Saturday with Miss Lois Bewley and Clyde.

In closing, the minister read from the Scripture John 14, and a poem "The Furrow."

Rev. Andy Stowe of Fort Worth visited Miss Lois Bewley and Clyde Monday afternoon.

**ANNOUNCEMENTS**  
The Pet Vaccination Clinic will be Saturday, April 20 at the Ross Point Community Center from 1 to 4 p.m. Rabies shots and others will be available. Dr. Jerry McKown will be the veterinarian on duty. Everyone is asked to bring their pets and get them a shot to prevent rabies. The shots will be the same price as last year.

Mrs. Louise Shults accompanied Mrs. Shirley Harvill to Gainesville Saturday.

Mr. and Mrs. Ray Atterberry of Nocona visited Mrs. Oma Wakeman Sunday afternoon.

Rev. Andy Stowe of Fort Worth visited Mrs. Gladys Balthrop Monday afternoon.

Mrs. Alvin Edes of Saint Jo visited Mrs. Gladys Balthrop Friday.

Mr. and Mrs. Marvin Maberry were in Denton Monday and in Gainesville Wednesday.

Mr. and Mrs. Clifford Hudspeth drove to Wichita Falls and attended the Texan Basketball game at M.S.U. They then spent the night with their daughter Margaret and Gerald O'Brien. On Sunday they visited their two daughters Paula Barber and Carolyn Wood.

# REMINDER!!

Members of the Muenster Memorial Hospital Auxiliary are reminded of the change in meeting dates: the group will meet Tuesday, April 23, at 7:30 p.m. in the south wing of the hospital. The change resulted from the hectic schedule of Germanfest workers on the regular meeting day of Thursday, April 25.

# TDH Resurvey Team praises hospital, staff

On April 1 (April Fool's Day), the Muenster Memorial Hospital was surprised by a complete resurvey of the inspection performed by the Texas Department of Health (TDH) on March 6 and 7.

"This is a very thorough, detailed inspection using Medicare standards," stated Herman Carroll, MMH administrator. "Small hospitals go by the same regulations as large hospitals."

A five-member team from the Health Care Financing Agency (HCFA) randomly selects a number of hospitals to survey to determine if the TDH is enforcing Medicare regulations. HCFA contracts with the TDH to survey hospitals in Texas for quality care rendered to patients.

Only a few very minor deficiencies in documentation were discovered by the HCFA team and these were corrected while the team was present. The surveyors complimented the Muenster Hospital, stating that it was one of the cleanest, best organized, patient-oriented institutions that they have inspected.

## Muenster girls, Era boys win District Track Meet

The Muenster High Lady Hornets outthrew, outjumped and outran 10 teams at the District 11A Track Meet last week on Hornet Field. Muenster took top honors, earning 203 points, followed by Lindsay with 136.

The Era Hornets scored 147 points to take the boys' championship. Lindsay finished second with 122 and Muenster third with 102 points.

Gold medal winner for the Muenster Hornets was Brad McDaniel in the shot put and discus throws. Also advancing to Regional competition were Ryan Sicking in the triple jump, 110m and 300m hurdles and as a member of the 1600m relay team with Tony Perryman, Kenneth Walterscheid and Rajko Jelen.

Hornettes earning the gold were Roxie Knabe in the shot put, Kim Anderle high jump, Tina Klement in the 3200m and 1600m runs, Amy Dankesreiter 800m, Dianne Pagel 110m and 300m hurdles and the 800m relay team of Brandy Debnam, Marcia Vogel, Kim Anderle and Amy Otto. Advancing to

Regional as second placer included DaLana Walterscheid high jump, Hiroko Miura 800m and 1600m runs, Amy Otto 110m hurdles, Amy Sturm 100m dash and the 1600m relay of Walterscheid, Miura, Klement and Dankesreiter and the 400m relay team of Theresa Kubis, Debnam, Sturm and Otto.

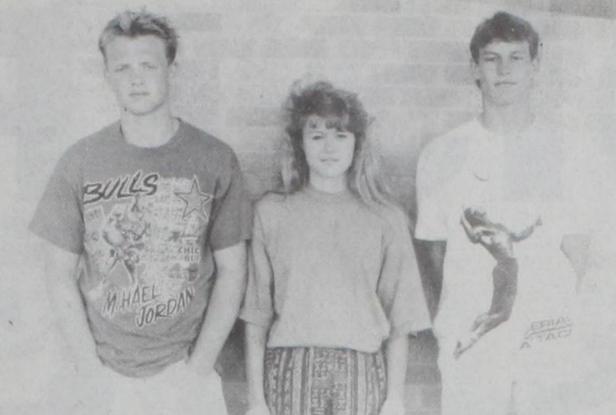

Lindsay had two outstanding athletes that won five gold medals apiece in District competition. Senior Kristy Krebs earned the gold in the long jump, triple jump, 400m dash and as a member of the winning 1600m and 400m relay teams.

Chris Hanks' gold medals were won in the high jump, pole vault, 100m hurdles, 300m hurdles and a member of the 400m relay team.

Others from Lindsay advancing to Regional include Leah Walterscheid, Tammy Wilson, Janelle Hellinger, Rachelle Sharp, and Christi Secrest. Representing the Knights will be Jesse Barnes, Jeff Hermes, Ronnie Dieter, and Patrick Corcoran.

The Regional Meet will be April 26 and 27 at McMurrey University in Abilene.

## Muenster singles win District Meet

Muenster took two full teams to the District Tennis Tournament in Wichita Falls last week and brought home two gold and a bronze winner in the singles' competition.

Number one seed Brandy Debnam won two matches the first day, defeating Bryson 6-0, 6-0, and Suzanna Hellinger 6-2, 6-3. This put her in the semi-finals the second day.

"Brandy struggled most of the second day, doing everything in 3's," said Coach Brian Strother. "She played over five hours of tennis."

Debnam's first opponent was the number two player from Windthorst. Brandy was down 3-0 before she won her first game, but tied the first set 3-3. "The second set wasn't much better," said Strother. "She started down and lost her serve four times in a row." Debnam was down 3-5, but came back with three straight wins, 6-5, but lost the next game 6-6. The girls then played a 12-point tiebreaker, which Brandy won 7-4, giving her a winning 7-6 set. After a ten minute

break the Lady Hornet won the third set 6-1. The match took 2 hours and 42 minutes to complete.

In her final match, she played Wolf of Windthorst. "It was hot and sunny. The top two seeds put up a real fight," said the Muenster coach. Brandy won the first set 7-5 then lost the second 6-2. "Brandy was in better shape than her opponent," commented the coach. "The third set was tough, but she prevailed 6-2 and won the match and district championship."

Mike Gobble, number one boys' seed, made quick work of his opponents the first day 6-0, 6-1, and 6-1, 6-2.

"Mike put his semi-final opponent away quickly with good passing strokes and a strong serve."

In the finals Gobble played an Alvard player. "Mike was down for the first time, 2-3," said the coach. "The Alvard player rushed the net for many points." After Mike settled down, he won the set 6-3.

The Alvard player changed his strategy, but Gobble won the second set 6-2. "Mike is an all-around tennis player, he has a full arsenal of shots to beat you with," concluded Strother.

Gobble won district for the second consecutive year and advances to the Regional Tournament for a third year.

Watch for next week's Enterprise for details of the other tennis matches played at the District Tournament.

## Tigerettes place sixth in Tom Landry Relays

In preparation for the TAPPS District IV Meet April 20, the Sacred Heart Tigerettes traveled to Dallas this past weekend and placed sixth among 25 teams in the Tom Landry Relays. Sharon Fuhrmann again brought home two gold medals with a winning shot toss of 36'11" and a discus toss of 108'.

The Tigerette 400m relay team of Vickie Bayer, Jennifer Walter, Angie Hofbauer, and Kelly Dangelmayr ran a personal best with a 57.8 clocking for 6th place. Bayer also scored a 6th in the 100m hurdles, clocking an 18.5. April Truebenbach scored a 6th for the Tigerettes in the 400m dash and also turned in a 2:51 800m, but finished out of the money. Runningmate Jennie Endres continued improvement with a 2:29 clocking in the 800m run for a sixth.

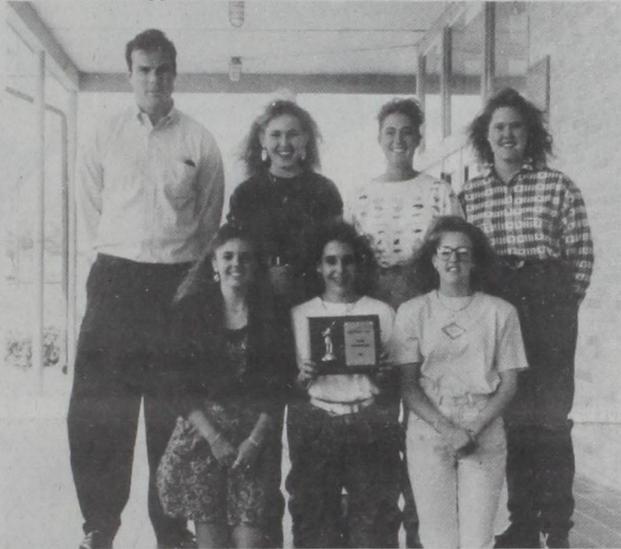

Deanna Hess clocked a personal record in the 300m hurdles for 6th place. A 6:24 mile run by Shirley Henscheid earned the talented junior a 5th. The Tigerette 1600m relay team of Walter, Bayer, Endres and Truebenbach scored a 6th.

### DISTRICT MEET

The Tigerettes will host the District Meet this Saturday at the Muenster track. Competition looks to lean in favor of Lubbock Christian with Sacred Heart's

Tigerettes and Lake Country right on their heels. The meet is expected to get underway at 10:15 with the 3200m run.

Field events will follow, with running beginning at 1 p.m. There will be no running preliminaries.

## 'Wheels For Life' Bike-a-Thon to roll April 20 in Valley View

St Jude Children's Research Hospital has announced that Mrs. Nancy Hoedebeck will coordinate the Valley View "Wheels For Life" Bike-a-Thon. The date of April 20 has been selected for the ride.

Founded by Danny Thomas in 1962, St. Jude Children's Research Hospital is the largest childhood cancer research - treatment-education center in America. Although located in Memphis, TN, the hospital has a local impact because area doctors and hospitals can use treatments and procedures developed at St. Jude.

St. Jude Hospital is non - sectarian, interracial and provides medical care for over 3,500 active patients. Currently, over \$192,000 is needed each day to keep the

doors open. These funds come primarily from public contributions.

This year's Bike-a-Thon is dedicated to Brooke Simon. Five-year-old Brooke, from Delcambre, Louisiana, developed Wilms Tumor in November, 1988. Following the removal of her left kidney, she has undergone radiation and chemotherapy. Though her prognosis is good, her fight still continues.

We are grateful for the concern that Mrs. Hoedebeck has for our work and we hope the citizens of Valley View will support the Bike-a-Thon to help provide the funds that are needed to preserve the world's greatest asset... "Our Children."

## Kristy signs with UNT

Lindsay High School senior Kristy Krebs signed a letter of intent for a track scholarship to the University of North Texas last Wednesday in her home.

Kristy, at the completion of the District Meet, holds six school records. Individually in the 100m, 200m, 400m, and 800m races with times of 12.66, 25.87, 58.20 and 1:28.00. She is also a member of the school's record winning 400m and 1600m relay teams, timing in at 51.36 and 4:07.

The Lindsay runner has been a State qualifier throughout high school, winning the State Championship last season in the 400m dash.

At the local district meet held last weekend, Krebs earned five gold medals, advancing to Regional in the long jump, triple jump, 400m relay, 400m dash and 1600m relay.

Besides track, Kristy has been successful in basketball, earning All-District honors the past two years, and tennis. She is an active UIL competitor and winner and has held numerous leadership positions.

Kristy is the daughter of Kenny and Barbara Krebs and Theresa and Pat Benton.

## SH Alumni to sponsor golf tourney May 19

The Sacred Heart Alumni is sponsoring a 2-person scramble on Sunday, May 19 at Nocona Municipal Golf Course. Tee-off time is 9:00 a.m. with a meeting at 8:45 a.m. The entry fee of \$60 per team includes green fees, beverages and one hamburger. There will be 26 carts available for rent on a first-come, first-serve basis. Call the Nocona Pro Shop at 825-7250 for reservations. For more information contact Joe Hoedebeck, Jon LeBrasseur or Neil Hesse.

## Jaycees arrange bus for Ranger game on May 18

When "play ball!" rings through Arlington Stadium on Saturday, May 18, a group of people from the Muenster area will be present. The Muenster Jaycees have arranged their annual bus trip to a Ranger game for the match between the Texas Rangers and the Boston Red Sox.

Bus departure time from Muenster is between 4:30 and 5 p.m. from the Muenster High School football field. The chartered bus should arrive at Arlington Stadium in time to allow spectators the opportunity to purchase food and beverages before the 7:35 p.m. game.

Special event for the evening is Bat Night for kids 13 and under.

For more information or reservations, contact Mark Klement 759-4343 (work) or 759-4019 (home).

A fee of \$20 per person is required before a seat on the bus can be reserved. Reserved box seating at the game, beginning on Row 8, has been arranged.

# Farm & Ranch

## New regulations for applicator license noted

As of January 1, 1990, farmers, ranchers and homeowners applying restricted-use pesticides or state-limited-use pesticides must receive training and apply for a license through the Texas Department of Agriculture. Farmers and ranchers need to make a special effort to attend one of these trainings. Federal law requires the Environmental Protection Agency to classify each use of a pesticide as either restricted or general, based on considerations of potential hazard to the applicator or other persons and its effect on the environment.

The Texas Pesticide Control Act requires the certification of commercial and non-commercial applicators. State law also provides the Commissioner of Agriculture may adopt lists of state-limited-use pesticides. The Texas Department of Agriculture is the state's leading agency for developing and implementing the State of Texas Plan for certification of pesticide applicators as required by law.

The Texas Agricultural Extension Service is the leading agency in providing training for licensed

private applicators. The testing of private applicators is given only following a person's participation in a training session.

In Cooke County there will be three (3) training meetings to prepare farmers, ranchers, and homeowners for license testing. These meetings will be held at the following times and locations: Wednesday, April 24, 9:00 a.m., Chamber of Commerce Building in Gainesville; Wednesday, April 24, 5:30 p.m., Chamber of Commerce Building in Gainesville; Thursday, April 25, 9:00 a.m., Chamber of Commerce Building in Gainesville.

The testing will be conducted by Mark Evans with the Texas Department of Agriculture at 6:00 p.m., Thursday, April 25, at the Chamber of Commerce Building in Gainesville. Producers attending the training sessions should plan for approximately 3 1/2 to 4 hours of slides and tapes.

In order to prepare for the numbers attending these meetings, we request that you call the County Extension Office by Monday, April 22. If you have any questions, contact the County Extension Office at 668-5412.

## New sorghum variety tests to be greenbug safe

**from a Farmer's Friend**  
New sorghum germplasm developed at the Fort Hays branch of the Kansas Agricultural Experiment Station may help crop breeders develop a hybrid resistant to the latest strain of greenbugs. Ken Kofoid, sorghum breeder, and Tom Harvey, entomologist, used a grassy sorghum from the Soviet Union to develop KS 96, a germplasm source for breeding programs. "Because of the grassy nature of this line, most sorghum programs gave up working with

it," Kofoid said. "In our long-term breeding effort to broaden greenbug resistance in sorghum, made possible by support from the Kansas Grain Sorghum Commission, we maintained progeny from this line. We discovered it had resistance to the new greenbug. This new greenbug strain, or biotype, was discovered in southwest Kansas in 1990. Since then, scientists have screened many lines of sorghum to find genes resistant to it."

## Protected River Bill is introduced ... again

**from a Farmer's Friend**

For the third consecutive time, a Texas Protected Rivers System bill has been introduced in the Texas legislature. This year it is SB 1205 in the Senate and HB 1990 in the House.

Many persons ask, is that the river canoers recreation bill? Yes it is. "Just as its past defeated predecessors in 1987 and 1989, it is drawn to assure river users have free-flowing rivers for their recreation," reports Arthur Nagel, president, Riverside and Landowners Protection Coalition. The bill would prohibit the construction of dams, reservoirs and river channelization on segments of rivers they use for recreation. That is the prominent "protection" in the bill.

"As bad as this aspect is for water deficient and flood prone Texas, there is another equally serious aspect. Property owners of rural land abutting rivers have their private property entered and used by recreationists contrary to existing laws," adds Nagel. River recreationists tire of paddling. Also they come to picnic, to explore the shady and quiet land beside rivers. Without landowner permission, and although unlawful, they enter and use private property. They vandalize signs, fences, gates, and river pasture cabins. They leave litter. Often this litter is consumed by livestock from which they suffer a slow death. Increasingly poachers are entering private property from rivers.

Owners of rural property adjoining Texas roads and navigable rivers are not against persons recreating on roads and on water of a navigable river. Nagel says the members of the Coalition are against this bill for one legitimate and strong reason. It contains no provisions to alert the public that

abutting land is privately owned and no provisions to effectively keep recreationists from entering private property. This same willful omission was the short fall in the defeated 1987 and 1989 versions. They want to use your property.

And so the problem is canoers and others want no restrictions on when and how they choose to violate private property when the owner is not observing them.

Texas is approximately 98 percent privately-owned property. Thus Texas differs widely from other western states.

Just as the 70th and 71st legislative sessions turned back this attack on privacy of one's own property, the current 72nd session must do likewise, but every owner of rural property needs to make his views known to Austin. The key players are: Honorable Bob Bullock, Lt. Governor, State of Texas, P.O. Box 2910, Austin, Texas 78711; Honorable Gibson (Gib) Lewis, Speaker of the House, House of Representatives, P.O. Box 2910, Austin, Texas 78768; Honorable Hugo Berlanga, Chairman Honorable Bill Sims, Chairman Senate Natural Resources Committee, House Calendars Committee, P.O. Box 12068, Austin, Texas 78711; Honorable Hugo Berlanga, House Calendars Committee, P.O. Box 2910, Austin, Texas 78768.

Letters and phone calls to the members of these two legislative committees and your own Texas Senator and Representative are vital.

"You, your neighbors and relatives need to flood Austin with mail and calls. Tell Austin you want privacy on your property protected. You want SB 1205 and HB 1990 defeated. It's in your best interest, legal and the right thing to do," concluded Nagel.

## From the Extension Office

**Noon Dairy Meeting**

Dairy producers in the area are invited to a Dairy Program on Wednesday, May 15 at 12:00 noon at the Cooke County Fairgrounds. Program topics will include presentation by the Soil Conservation Service on mapping, topography, and other services they can provide dairymen to meet

Texas Water Commission Guidelines. Assistance will also be available from the Texas Water Commission. Dairymen are doing a good job with manure management in the county. This meeting should be able to answer some of the questions you may have. A hamburger lunch will be served.

## Farm estate planning seminars scheduled

Texas farmers and ranchers have several opportunities in the coming weeks to attend seminars on estate planning.

"The seminars are being conducted by the Texas Agricultural Extension Service," Texas A&M University System, as part of a continuing effort in farm and ranch management," notes Dr. Wayne Hayenga, Extension Economist. "They are designed to help farmers and ranchers learn how to reduce taxable states and learn new methods for passing their operations to the next generation."

Titled "How to Lower Your Estate Tax Burden," the seminars are slated for: Houston, May 7-8; Fort Worth, May 13-14; and San Antonio, May 16-17.

"Of major importance is how every farm estate will be affected by new estate tax rules," points out Hayenga. "The best tax planning of the past may be the worst under the new law," including deductions, expenses and tax rates. Among these are wills, bypass trusts, gift disclaimers and ways to own property.

There will also be a separate segment of the program devoted to treating beneficiaries fairly.

Another discussion will center on estate planning tools for agriculture and will deal with corporations, partnerships, selling part of the business to heirs, and oil and gas interests.

The second day of each seminar will be devoted to special estate tax rules for agricultural estates. These include special farm land valuation, deferred estate tax payment rules, life insurance, "flower" bonds and other property.

"Estate planning is a step toward reduced estate and income taxes," says Hayenga. "This process should start when you plan to inherit substantial property, when you have an active and growing business, when you still have time to take tax-saving actions, when you have minor children, and when your children marry or divorce."

For more detailed information about the seminars, contact your local County Extension Agent or Wayne Hayenga or Carol Sabo in the Department of Agricultural Economics, Texas A&M University, College Station, TX 77843-2124, or call (409) 845-2226.

## County Agent's Report

by Craig Rosenbaum

### Growing Turf in Shade is Perennial Problem

Shade is desirable in the landscape, but it is the number one problem in growing turf grass.

Many people just do not understand that grasses do not do as well in shade as they do in full sunlight. There are a lot of situations where you just can't grow grass in the environment that you have.

Environmental changes caused by shade have a major effect on grass. Reduced light, less extreme temperatures, increased humidity, restricted air movement, competition from trees, increased disease problems and shallow root systems are all products of shade.

Additionally, grass in shade has less ability to use nitrogen, less photosynthetic activity, less growth, less wear tolerance, more susceptibility to preemergent herbicides and less tolerance to cold.

The problem is not fertilizer or

water; it is light. To grow turf in the shade, you must have a shade-tolerant grass.

Bermuda grass and buffalo grass have little shade tolerance. San Augustine is probably the most shade-tolerant warm season grass. Tall fescue, a cool season grass, will grow in moderate to heavy shade where San Augustine fails.

For any success at growing grass in filtered shade, use these practices:

1. Start with a grass variety suitable for shade.
2. Raise the mowing height.
3. Water deep and infrequently.
4. Apply nitrogen moderately in fall and spring.
5. Avoid high nitrogen applications in the summer.

In many heavily shaded areas, it is best to use ground cover plants or other landscape materials rather than wasting time and money trying to go against nature.

## Try airplane tires for farm use

**by Pam Wilkinson**  
**from a Farmer's Friend**

With recycling programs gaining new emphasis - and with new solid waste management laws on the books in many states - the agricultural community is especially concerned about the disposal of tires.

Because even a single tire represents the same problem, a logical start is to reduce the total amount of waste. In other words, why not use a tire whose working lifespan averages 15 years instead of one needing many replacements (and disposals) to match the same service? The annual usage of tires would be drastically cut.

O.P. Whittington, President, General Supply & Equipment Co., Inc. in Houston, has pioneered the use of aircraft tires for farm implement use. The company stocks a comprehensive range of sizes suitable for substitution on about 80 percent of small agricultural tires: 14", 15", 16" and 20" ID wheels. "Contrary to what you might hear, these tires are neither hard to find, nor are they expensive," he said. "For example, surplus aircraft tires are sold for about half as much as implement tires."

Obtained from airlines, military surplus, and airplane tire recappers, heavy-ply aircraft tires are extremely durable and flat - resistant. (Implement tires run from 6- to 8-ply; aircraft tires are 10- to 26-ply.) Their superior strength on heavy loads makes them popular for use on mowers, grain carts, tractors, trailers, balers, and plows.

"Nearly 30 years ago, General Supply began developing a method of removing one bead from the heavy-ply, two-beaded aircraft tires so that they will fit regular implement wheels," Whittington explained. "This unique method makes it possible to use many sizes of aircraft tires for agricultural applications."

**PRODUCTIVITY APPRAISAL**

**MAY LOWER THE PROPERTY TAXES ON YOUR FARM, RANCH, OR TIMBERLAND**

Texas law provides farmers and ranchers, and timber growers with a way to lower their property taxes, known as productivity appraisal.

If you qualify, your agricultural land will be taxed on its capacity to produce crops, livestock, or timber, instead of its value on the real estate market. Productivity appraisal can lower the taxable value of your land, and lower your property taxes as a result.

If your land has never received productivity appraisal, you must apply to the appraisal district no later than Tuesday, April 30, to get tax benefits for 1991. If you miss this deadline, you may still be able to apply, but you will pay a penalty. Check with your appraisal district office.

If your land already receives agricultural or timber appraisal, you normally don't need to reapply unless the chief appraiser requires you to. If an annual application is required, the appraisal district will notify you by mail.

For more information and application forms, contact the appraisal district office at the address shown below:
