Dr. Lawrence Walsh joins staff of MMH

There is now another general practitioner on staff at the Muenster Memorial Hospital. Dr. Lawrence Walsh will open his office in the hospital's south wing in mid-November.

Dr. Walsh will offer a full family practice. He specializes in general medicine, emergency medicine, and sports medicine, and also does allergy testing and desensitization. The office nurse will be LeAnn Gosdin of Gainesville. She is trained in mixing the serums and the injections can be administered in the office.

Besides being board certified in general medicine Dr. Walsh is board eligible in emergency medicine and utilization review. He first began practicing medicine in 1977 and has over a decade of experience in emergency medicine alone. He was director of a downtown Dallas emergency room. His last position before moving to Muenster was as a medical director of the Advanced Family Medical Center in Coppell.

Another capacity in which Dr. Walsh has served is United States Federal Physician Advisor with the Utilization Review Board. This could be a boon to the Muenster hospital as they have a utilization review committee, but not a federal physician advisor.

Dr. Walsh has gained experience in sports medicine and was team physician for the University of North Texas; a semi-pro team, the Dallas Stars; and among others with TCU when Elmer Brown was with that team.

While in college Walsh was very athletic. He attended the University of Maryland on a football scholarship and also ran with the track team.

Lawrence J. Walsh was born in Washington D.C., the only child of Lawrence and JoAnn Walsh, and was raised in Maryland. His parents were originally from Texas. Walsh has moved to Muenster and his parents plan to move here in the Spring if they can find suitable accommodations.

As to his philosophy of practicing medicine Dr. Walsh said, "It is to take care of my flock like a good shepherd. I refer to my patients as my flock and I watch over them."

Most impressive to Dr. Walsh in Muenster was the cleanliness. He visited Muenster and basically loved it. "The Muenster hospital is very well maintained," he commented. "I saw Muenster as a good practice opportunity."

Debbie Hess who heads the MMH Board's Doctor Recruitment Committee has become acquainted with the new staff member through a number of meetings and interviews and while helping him to establish his office and residence in Muenster. "Dr. Walsh is very knowledgeable," remarked Mrs. Hess. "He is friendly, has a good sense of humor and I think that he will establish a good communication with his patients."

Dr. Walsh will announce his days and hours of practice in the very near future.

Oktoberfest deemed real crowd pleaser!

Fall weather was most cooperative for the Muenster Chamber of Commerce's first Oktoberfest on Saturday, Oct. 19. A cool front the night before made temperatures drop slightly and it was a perfect Texas Fall day. This seemed to encourage people to get out and all involved were pleased with the turn out.

Most of the merchants agreed that it was a good day for their business. Local residents were surprised at how many strangers were in town for the event. In general most comments were favorable concerning the entertainment, contests, food, atmosphere, etc.

Winners in the Miller Lite sponsored volleyball tournament were Joe Netters consisting of team members Joe Hoedebeck, Roger Endres, Anne Hesse and Amy Walterscheid; and second place Lindsay Team with Gene (Bones) Hermes, Jeffrey Hellman and Melissa Hermes.

In a 3-on-3 basketball contest the Top Gun division was won by the Muenster/Lindsay Country Boys, Mel Walterscheid, Monte Endres, Duane Haverkamp, and

Dale Hermes. Winning the Recreational division was Frank's Boys Plus One, Mark, Tim and Terry Felderhoff and Todd Richey.

Winners in the Quilt Show at Hess Furniture were all local talent. Agnes Walter won first with her blue and mauve quilt; Juanita Bright was second with a Desert Storm quilt; and Ann Herr took third with her Star quilt.

After some elimination there were two very close finalists in the Ugliest Dog Contest. Winning were a brother and sister pair of half Border Collie/half Standard Poodle dogs. They were entered as a set by owners Mary Ahrens and Noel Reese. Brenda Rigsby's small entry, Little Girl, was second.

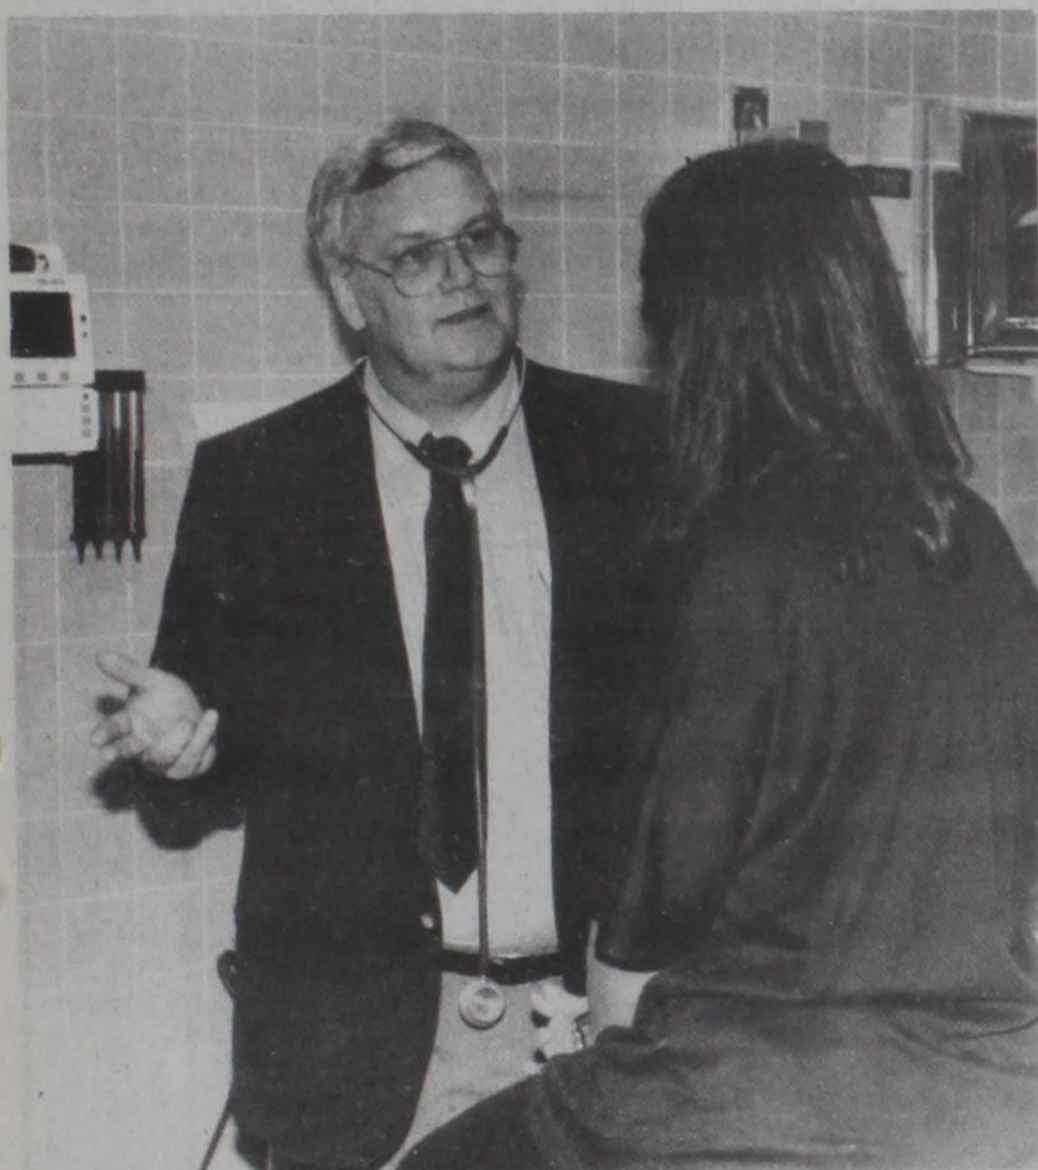

In the popular Bed Races Flusche Enterprises won the Championship race, but wild card challengers "Pigs in a Blanket" of Fischer's Market won the overall competition.

There was a tie for first place in the best decorated bed between Saint Richard's "Bed Pan Brigade" and Herkey Biffle's "Love Is Blind" wedding party.

MARY AHRENS, left, and Brenda Rigsby engage in friendly banter after Ms. Ahrens' dogs were awarded the trophy in the Ugliest Dog Contest at Saturday's Oktoberfest. The Rigsby dog, Little Girl, was a close second in the contest. Winners were decided by cheers from the enthusiastic crowd.

Lindsay School Board sets property tax rate

by Elaine Schad

The Lindsay school district this week set a local property tax rate of 16.5 cents per \$100 of assessed property value.

When combined with the 93-cent Cooke County education district tax rate, Lindsay school district taxpayers will pay a total rate of \$1.085. Last year's tax rate was 91.5 cents.

The tax rate will provide an estimated \$3,740 per student for the Lindsay school district when local and state revenues are combined, compared to \$3,497 for last year, officials said.

In other matters discussed during their regular October meeting, Lindsay school trustees took no action on setting rates for transfer students for 1992-1993. The present rates are \$400 for one student, \$800 for two students, with a maximum of \$1,000 per family.

The board received an update on campus objectives, with officials reporting that most programs, such as the reading program and ACT program, have

been purchased. Among district goals for 1991-1992 is to improve writing scores, officials said.

In other business, the board: -Accepted a bid of \$1,800 from TK Truck Sales of Cypress, Tex., for the sale of a 1979 used bus.

-Approved the 1991-1992 budget of the Cooke County Appraisal District.

-Tabled a report from the district architect on a proposed expansion of the middle school because the district has not yet received approval of its plans for handicap access from Austin.

-Discussed but made no nomination for the tax appraisal board.

-Approved the 1992 textbook committee which includes Jim Anderson, Gilbert Hermes, Mary Holland, Charlotte Murrell, Kenny Lorraine and Sarah Lester.

-Amended the 1991-1992 budget to include the addition of some paving to the north side of the school and for some part-time maintenance help.

TINA KLEMENT, Muenster High School senior, took top Cross Country District honors Tuesday afternoon when Muenster hosted the District Meet. Muenster girls also finished in first place to advance to Regional competition on Nov. 8. Watch for next week's Muenster Enterprise for details of the meet and more pictures.

Muenster KCs to host Awards Banquet Oct. 27

Muenster Knights of Columbus members are inviting everyone to attend their installation and awards banquet on Sunday, Oct. 27. The morning's events will begin with a special liturgy at the 8 a.m. Mass in Sacred Heart Church.

After Mass there will be a breakfast in the upstairs of the KC Hall followed by the awards presentation. New officers will be installed during this time.

The KCs will also take the opportunity to recognize the widows of deceased KC members. Many awards will be presented including

five year pins. Beginning with the fifth year of membership, a pin is presented for every five years of membership.

After considering nominations from people in the community, the organization has selected a "Good Neighbor" whose identity will be revealed at the banquet. The award is given yearly to a non-Catholic person in the community who has been a good neighbor by being on hand to help whenever he or she is needed.

Tickets are \$5 each and can be purchased at the door Sunday morning.

Good News!

Let every man be quick to hear, slow to speak, slow to anger; for a man's anger does not fulfill God's justice. Strip away all that is filthy, every vicious excess. Humbly welcome the word that has taken root in you, with its power to save you. Act on this word. If all you do is listen to it, you are deceiving yourselves.

JAMES 1:19-22

Don't Forget!

Daylight Saving Time ends this weekend at 2:00 a.m. Sunday. Change your clocks. Set them back one hour on Saturday night. Oh, happy day! Then we'll reclaim that one hour of sleep we lost last spring!

Letters to the Editor

To the Editor:

In the executive suites of the broadcasting industry, under the banner of "Anything Goes," programmers have let loose, for the fall season, a flood tide of sex, vulgarity and violence. As I write this letter, I feel sure that you share with me a growing indignation over this collapse of values on television.

Every day more voices are raised in protest of "trash TV" and the unconscionable pollution of our cultural environment. Former FCC Chairman Newton Minnow, who 30 years ago described television as "a vast wasteland," lamented recently: "In 1961, I worried that my children would not benefit much from television, but in 1991, I worry that my grandchildren will actually be harmed by it."

A current FCC Commissioner, James H. Quello, today observes: "Instead of prime time TV serving the public interest, we too often now have slime time TV serving the public interest."

Dr. Thomas Radecki, psychiatrist, also adds his voice to the growing chorus of protests: "The destructive effect of degrading sexual themes on television contributes to more 13- and 14-year olds casually jumping into bed together these days."

But the voices that will count the most are those of grass roots Americans - like yourself. That's what we're involved in today - urging people to raise their voices in protest of television's increasing trend to use our children's minds as dumping grounds for TV trash while insidiously desensitizing the adult viewing audience to sexual immorality and gratuitous violence.

And that's why we have designated Tuesday, Oct. 29 as national "Turn Off TV Day" during our fourth annual "White Ribbon Against Pornography Campaign" scheduled during Pornography Awareness Week, Oct. 27-Nov. 3.

Our phones at Morality in Media are now ringing non-stop from deeply concerned Americans from all corners of this nation. "What can we do?" they ask. Complaints roll in about TV's assaults on public morality - Doogie Howser, Roseanne, Beverly Hills 90210, Murphy Brown, etc. Vulgarity, sexual promiscuity and a celebration of "Anything Goes" morals are becoming standard fare, corrupting so many of our nation's teenagers.

And, oh, those TV talk shows

that specialize in degeneracy!

Complaints reach a crescendo about cable TV where some channels specialize in softcore pornography and where leased access channels in some places cablecast hardcore pornography with impunity.

And so we're sounding the alarm and urging you and Americans from coast to coast to join us in this national protest. **Turn off your TV on Tuesday, Oct. 29,** and write letters to the heads of the three networks (now dubbed "The Three Blind Mice") and to FOX TV, protesting the invasion of your home by morally offensive programming. Addresses are provided at the end of this letter.

Write also to FCC Chairman Alfred Sikes and urge him to hold the line on broadcast indecency.

When the White Ribbon Campaign is over, we at Morality in Media will be focusing on the future - how best "to convert parlor outrage into public protest" to reverse the decline of TV standards. We'd welcome your ideas on this.

Twenty-nine years ago Morality in Media picked up the cudgels in the struggle for standards of public decency and morality. **Today we're needed more than ever, as the crucial battle has taken to the airwaves.**

Those airwaves belong to the public! Let's fight for them!

My thanks in advance. We cannot do without you.

Sincerely,
Kevin M. Beattie

Valley View mayor walks out...

City Council approves city's proclamation

by Elaine Schad

The Valley View city council unanimously approved a proclamation firmly supporting the city's continued incorporation, but not before Mayor Owen Roane walked out of the meeting.

The council was responding to recent concerns regarding rumored reincorporation efforts and the operation of the police department.

Several council members during the meeting stated their continued support of the city's one-man police department. Mayor Pro Tem Jimmy Nickerson emphasized the city has no ad valorem tax, and that the police department is funded through sales taxes and court fees. "It's basically a free service," he said.

The proclamation states that the council is concerned, "with recent reports of the alleged efforts of some citizens to abolish the existence of the incorporated Town of Valley View." The council pledged, "our complete, total and unequivocal commitment...to preserve the incorporation of our community."

Roane's exit was followed some 30 minutes later by Alderman John Roane, the mayor's son, as several citizens questioned a recent closed meeting of the city's public safety committee. John Roane was one of the five remaining council members to approve the proclamation before his exit.

"I will be reluctant to hold any kind of meeting for any reason, even if that means the city might not benefit from it," John Roane said. Roane had indicated earlier in the meeting that he would leave shortly after his father left.

Nickerson said he has not received a letter of resignation from either Owen Roane or John Roane, or any indication that the two planned to resign from the council. "I personally hate to see the mayor walk away because of rumors, but I guess he's doing what he has to do," Nickerson said.

Before he left, the mayor read a letter from Precinct 4 Justice of the Peace Royce Martin, who denied that he had any involvement with an alleged petition drive to disincorporate the town.

Mayor Roane said he had no knowledge of a petition being circulated in the community. "I ask-

ed one man if he had, and I asked for his opinion," said Roane. Roane then read the proclamation in support of incorporation.

"I'm getting very weary of the chicken litters saying that the sky is falling," Roane told the council. "I will not go through any more haggling."

The mayor turned the meeting over to Nickerson, then left the meeting.

Alderman Bill Maughan reaffirmed the city's commitment to follow the state's open meetings laws and all statutes regulating the city, saying that a mistake may have been made when the public safety committee closed a Sept. 18 meeting to the public to formulating police department recommendations. The council asked the committee to meet again and re-evaluate the recommendations for presentation at the council's November meeting.

"I think we all have the same goals in mind," said Maughan, stating he feels the council has cleared the air and can now proceed with other issues facing the city. "I hope this has been a learning process."

Nifty '50s Dance is a rocking success!

If anyone had doubts as to local support of the Muenster Memorial Hospital, they surely had them banished after the Hospital Auxiliary sponsored a Nifty '50s Dance on Saturday night, Oct. 12. The community showed support for the hospital and new doctor recruitment by attending, participating in the raffle, auction and contests, and/or purchasing tickets.

Decorations were outstanding and their quality spoke for the great dedication and hours of time spent on the project by the many volunteers. The decorations and memorabilia fueled the '50s spirit which was "really nifty!" The Music Revue set the mood for the evening's festivities. The crowd listened to music from the '50s and '60s, evoking memories of rock and roll fun times. From Bert and Christy Hesse's rendition of famous '50s torch songs to Pam, Dave and Emily's offering of '60s folk songs, the revue presented a kaleidoscope of entertainment that covered the '50s rock and roll scene.

The selection of a '50s dance as their first fundraiser proved to be an excellent choice for the Hospital Auxiliary. The dance helped the recently-reorganized Auxiliary present a positive image to the community, showing the need for the Auxiliary to lead the community in support of the hospital. This support was in evidence by the wide variety of ages involved in the preparation and festivities of the dance. From all comments, this fundraiser definitely deserves a repeat performance.

To be commended are the many volunteers who worked so hard to make this first Auxiliary fundraiser such a great success; the businesses who made donations; the people who contributed their keepsakes to the memorabilia exhibit; and, most of all, the people who attended the dance.

The outpouring of support for our hospital was great. Now... will you extend your support by using the Muenster Hospital whenever possible? Will you bring your children here? Will you have your surgeries here? Our hospital deserves your trust.

Guest Editorial:

Some questions questioned. Some questions answered.

by Ray Blockus

Now that Muenster has gotten its first Oktoberfest under its belt, surely those who organized the event must be asking themselves a few questions.

They're no doubt wondering:

- What went as planned?
- What, if anything, went wrong?
- And why?

- What was the biggest hit with the Oktoberfesters?
- What flopped?

Other questions like those must be dancing in the planners' heads by the dozens. Or, at least, should be.

And, of course, planners of the event no doubt are asking themselves the biggest question of all:

- How will Oktoberfest 1991 someday compare to Oktoberfest 2091? And will that comparison indeed ever be possible?

That is to say, will this initial step toward the promotion of some neighborly fun and the proliferation of German culture blossom into a week-long blowout some 10, 20 or 100 years down the road? Or is this effort destined to die on the vine due to lack of commitment and the failure to enlist the passion of coming generations of Muenster residents?

In other words, ladies and gentlemen, we're talking here about that lil' old five-letter word: focus.

It is to be hoped that the necessary vision and recipe for unbridled success will prevail in this case, because the view from here is one of a very positive nature.

Celebrations such as Oktoberfest can do wonders for communities like Muenster.

- They properly continue the spread of ethnic culture.

- They remind people of exactly who they are and where they came from - something Americans everywhere must never lose sight of.

- They foster economic growth.

- They present a showcase for local talent - something with which this community is obviously well-blessed, judging by last week's event.

- And last but not least, they provide yet another opportunity for fun and recreation for anybody inclined to stop by and take a look around.

Yes, some questions remain on the table today.

However, the answers to other questions are perfectly clear. For example:

- Should there be another Oktoberfest next year, and the year after, etc.?

In this writer's opinion, yes indeed - for the reasons already mentioned.

- Is there room for improvement and growth?

There must be. After all, we're

Foster homes needed for the elderly

The Texas Department of Human Services (TDHS) needs foster homes and providers for elderly and disabled individuals in Cooke, Wise and Denton counties.

These older and disabled adults do not require nursing care, but may no longer be able to live alone and may benefit from the community based adult foster care program. Persons interested in providing community care contact Jack Bell at (214) 638-6073 or call your local TDHS office at (817) 668-7761.

Report on Legislature deals with crime issues

by State Representative Ric Williamson

AUSTIN - This is the fourth in a series of articles analyzing the work of the recently-concluded 1st and 2nd Called Sessions of the 72nd Legislature this past summer.

The preceding articles focused upon the many aspects of 1 HOUSE BILL No. 7 by Vowell, of the 1st Called Session, a bill generally pertaining to health care. This article, though, will focus upon 2 HOUSE BILL No. 93 by Hightower ("relating to the efficient operation of the state criminal justice and judicial system, including the punishment of offenses, probation and parole, criminal justice services, and the issuance of general obligation bonds for criminal justice facilities; making appropriations") of the 2nd Called Session.

It is certainly no secret to any citizen of Texas whose home or business has been burglarized or whose automobile has been stolen recently that crime has become a very serious threat to the quality-of-life we have long enjoyed in this state and that the situation must be addressed. In her speech to a joint session of the Legislature on February 6, 1991, Governor Ann W. Richards stated: "We will ask the hard questions about the roots of crime... (But we)... won't excuse criminal behavior; we cannot ignore its dire consequences." The 2nd Called Session enacted the above-referenced 2 H.B. No. 93 into law to respond to this pressing need. This bill works in concert with 1 SENATE JOINT RESOLUTION No. 4 by Lyon ("proposing a constitutional amendment providing for the authorization for issuance of general obligation bonds for acquiring, constructing, or equipping new prisons and other punishment facilities to confine criminals...") of the 1st Called Session which is CONSTITUTIONAL AMENDMENT No. 4 on your statewide November 5th ballot this year. Rest assured that CONSTITUTIONAL AMENDMENT No. 4 - and all other statewide ballot propositions - will be analyzed in a future installment of this series of explanatory articles.

The primary goals of 2 H.B. No. 93 and 1 S.J.R. No. 4 are to increase the State's ability to sequester dangerous criminals from mainstream society by constructing additional prison facilities. Throughout the decade of the 1980s, as a result of the RUIZ vs. ESTELLE rulings of the Federal courts, the State prisons in Texas have not been permitted to exceed 95 percent of their capacity. At various times, convicted criminals - who have served only a small fraction of the time that a State court of competent jurisdiction sentenced them to - have been released through the back door of statewide prisons in order to make room for new inmates to enter through the front door and still not exceed the aforementioned 95 percent capacity limit imposed by Federal courts in RUIZ.

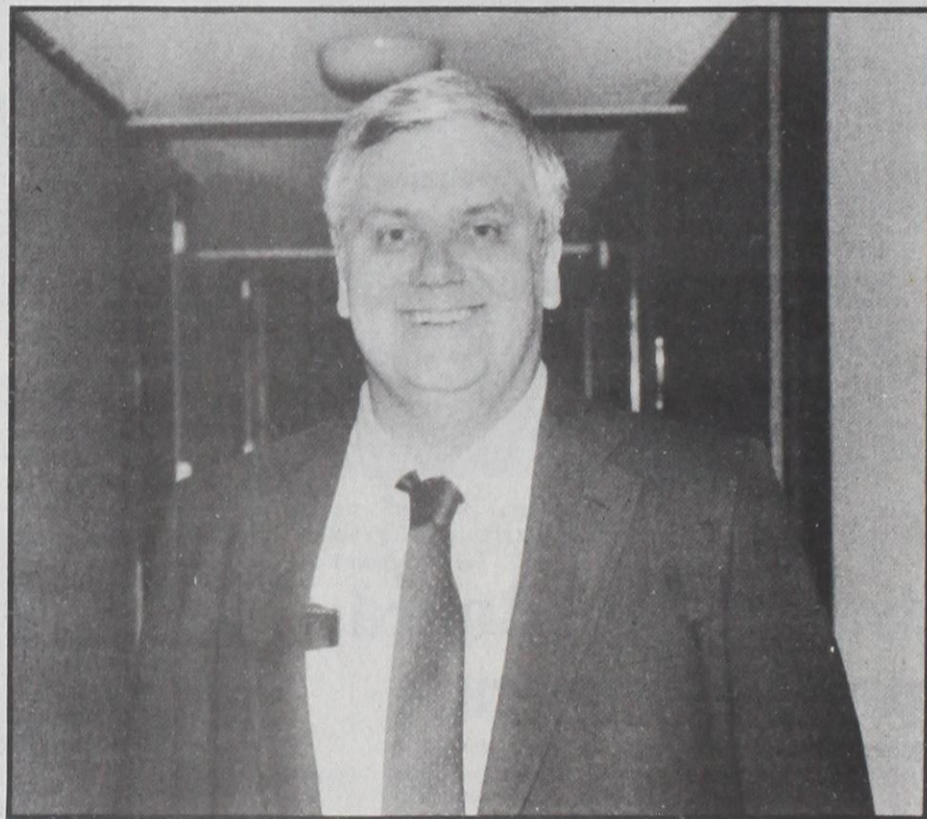

Further complicating the situation is the fact that the new inmate entering through the front door of the statewide prison often had to be retained in the jail of the county in which he/she committed the offense(s) until such time as the statewide prison could determine which of its existing inmates it could release in order to make room for the new arrivals from the counties' facilities. This backlog has caused the counties in Texas several nightmares not only in terms of their being able to confine more offenders within their own limited capacities, but also has greatly complicated the counties' ability to establish their annual budgets. In some instances, county commissioners have resorted to tax increases to enhance their confinement capacities just to avoid sending back into the community persons known to be a threat to public safety.

To respond to this, 2 H.B. No. 93 calls for the issuance of up to \$1.055 Billion in general obligation bonds of the State of Texas for acquiring, constructing, and equipping NEW prisons to confine convicted persons whose offenses were drug-related. The revenues raised by the aforementioned bonds may also be used for the repair and renovation of EXISTING facilities of both varieties.

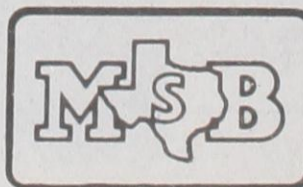

Additionally, 2 H.B. No. 93 (Article 11) acknowledges that the confinement of persons convicted of violating STATE statutes is the responsibility of the STATE government and not the responsibility of the COUNTY government even though there is considerable debate as to whether there actually is such a creature as "county government" under the Constitution and laws of Texas. This particular provision of the bill declares that starting September 1, 1995, the statewide

Sacred Heart staff is shown appreciation

Sacred Heart School's Home School Society hosted a banquet for approximately 120 people on Thursday, Oct. 17. The occasion was to show the appreciation of parents for the teachers, staff and others who donate time to the school.

During the Staff Appreciation dinner gifts were presented to several teachers. Marking five years of teaching engraved pen and pencil sets were given to Jeanne Greathouse, Kathy Berres, and Eric Gray and a necklace and pendant to Linda Ellender for 10 years. Ruth Felderhoff received a Goebel figurine for 20 years of service and Sister Genevieve McConnell was the recipient of a

\$100 gift certificate for 30 plus years of teaching. James Yosten, Home School president, announced the service awards and Chuck Koesler, vice president, presented the gifts.

Principal Jack Murdock spoke to the group and praised parents for their involvement with the school. Superintendent Father Victor Gillespie thanked the spouses of the teachers and faculty for putting up with the time the staff spent away from home especially with extracurricular activities. He also entertained with several humorous stories. Father Camillus Cooney offered the closing prayer.

3-on-3 ACTION with, l to r, Ed Hughes, Mel Walterscheid, Kenny Cummins, Dale Hermes and Greg Zimmerer on Muenster's Main Street.

Service held for Daisy Thompson, 86

Daisy Marie Thompson, a native of Muenster, died on Saturday morning, Oct. 19, 1991 in Saint Jo Nursing Home at age 86, following a period of ill health.

She was born on Dec. 9, 1904 in Muenster to Lewis and Bertha Holder Masten. She married Arvel Thompson on Jan. 29, 1937 in Marietta, Oklahoma. An elementary school teacher, she taught at Muenster Public School for many years until her retirement, where she was respected and greatly admired.

A member of the Methodist faith, she was a resident of Muenster all of her life. Their home in recent years was on South Pine Street.

Survivors include her husband, Arvel "Pop" Thompson of Muenster; two sisters Izora Masten of Forth Worth and Goldie Hatfield of Henrietta - and a host of friends, including former students, fellow teachers and neighbors. She was preceded in death by her parents, two brothers and two sisters.

Graveside services were held Sunday at 4 p.m. in Collinsville Cemetery, officiated by Rev. Millard Fairchild of Saint Jo First United Methodist Church, and directed by Vernie Keel Funeral Home.

Among friends attending the funeral were Bernard and Agatha Wolf, Norbert and Agnes Klement, Frank and Caroline Schilling, Gene and Clara Klement, Ed and Louise Knauf, Albert and Betty Danglemayr, Albert and Dolores Lippe, all of Muenster; and Mr. and Mrs. Adrian Parker of Saint Jo; and several nieces and nephews from Henrietta and Wichita Falls.

REPORT

Continued from Page 2

prisons have an unambiguous "...duty to accept, not later than the 45th day after the date on which all processing required for transfer (from county to state facilities) has been completed..."

As of Monday, September 30, all parties to the lawsuit filed by Harris County and Nueces County - cases filed well before the enactment of 2 H.B. No. 93 and alleging that confinement of such persons is indeed a STATE responsibility - had arrived at an amicable settlement and signed same thus allowing the provision of this legislation mentioned in the preceding paragraph to take full effect. That having been achieved, the State's Commission on Jail Standards must determine the number of inmates confined in county facilities on April 1, 1991, whose processing prerequisites were fulfilled and who were awaiting transfer to State facilities. When that figure is arrived at for each applicable county, the State is to then reimburse such county not later than January 15, 1992, by dividing the one-time, lump-sum of \$11.5 Million by the aforementioned figure.

The next installment will focus on other aspects of this landmark criminal justice legislation. My staff and I hope that this, and the prior articles, have proven informative to you.

As always, your comments on this - or any other issue pertaining to State government - are most welcome. You may reach me by letter at P.O. Box 1179, Weatherford, TX 76086, or by telephone at (817) 599-8363 when the Legislature is at recess or by letter at P.O. Box 2910, Austin, TX 78768, or by telephone at (512) 463-0738 when the Legislature is in session.

4-H AWARD WINNERS are Greg Brooks of Callisburg, left, and Sara Flusche, right, of Lindsay, recipients of the Farm Bureau Leadership Award and Danforth's "I Dare You" award winner is Werner Becker of Muenster. The award presentations were made during the annual 4-H Cooke County Achievements Banquet held Monday, Oct. 14, in the Gainesville Civic Center. *Janie Hartman Photo*

Box office opens for "Forty Carats" BSP comedy

Tickets for Butterfield Stage's next season offering "Forty Carats" will be available beginning Monday, Oct. 21 at 10:00 a.m. for Butterfield Stage Players season members. Starting Oct. 28 reservations for the romantic comedy may be obtained by the general public.

The Jay Allen play revolves around the life of 40 year old, Ann Stanley, who must juggle the romance she has found with a younger man with the relationships she shares with her cantankerous mother and willful 17 year old daughter. Comic com-

plications continue when her ex-husband and a 45 year old client arrive on the scene.

Both new and experienced performers make up the comedy ensemble. Cast accordingly are Doris Harrison - Ann Stanley; Gary Clinton, Jr. - Peter Latham; Valrie Knabe, Mrs. Adams; Shannon Lunsford - Mrs. Margolin; Adam Stephenson - Billy Boylan; Sandy Boyles - Eddy Edwards; Betty Coleman - Maud Adams; and Kristina Mount - Trina

Stanley. The cast is joined by Norma Harper as stage manager.

"Forty Carats," directed by BSP Artistic Director Thom Talbott, is slated for performances on Nov. 7, 8, 9, 14, 15, 16, 21, 22, and 23 at 7:30 p.m. nightly at the Butterfield Stage Playhouse located at 201 S. Denton. For reservations or more information, call the theatre at 817/665-8152 between the hours of 10 a.m.-1 p.m. and 2-4 p.m., Monday through Friday.

Wear ribbon, stop drug abuse

In a time when kids can't afford to get mixed messages about drug use, America can make a strong anti-drug statement without saying a word. During the week of October 20, one can pin on a red ribbon to become a part of the campaign to encourage our na-

tion's youth to combat the use of illegal drugs.

Sponsored by the National Federation of Parents, the Red Ribbon campaign is a project that links via red ribbons millions of Americans who are convinced that the war on drugs is winnable. It is a grass-roots effort which is helping to change attitudes about drugs.

The Red Ribbon Campaign originated when Federal Agent Enrique Camarena was murdered by drug traffickers in 1985. The Red Ribbon became the national symbol to reduce the demand for drugs, just as the yellow ribbon symbolized the POWs in North Vietnam and support for the troops during Operation Desert Storm.

During Red Ribbon Week, October 20-27, communities across America will participate in activities designed to promote a drug-free America. By wearing a red ribbon, individuals can create positive peer pressure about drug-free choices. It is the rallying point for millions of children and adults who share the commitment to live healthy lives unhampered by substance abuse.

As a drug-free company, McCoy's Building Supply Centers are proud to be a part of the Red Ribbon Campaign. Beginning October 21 while quantities last, your local McCoy's will distribute free imprinted red ribbons and encourage customers to join the nation in promoting a drug-free America.

Arts & Crafts Sell-O-Rama Nov. 8 and 9

The 11th annual Arts and Crafts Sell-o-Rama is set for Friday, Nov. 8 from 10 a.m. to 8 p.m. and Saturday, Nov. 9 from 10 a.m. to 6 p.m. at the Gainesville Civic Center on South Weaver Street. Door prizes will be awarded hourly. A concession stand will be available both days.

A bake sale on Friday is sponsored by the Cooke County Extension Homemakers Council. Sponsoring a bake sale on Saturday will be the Cooke County 4-H Clubs. All benefits will go toward Cooke County 4-H scholarships.

Ambassadors recognized at 4-H Banquet

The Cooke County 4-H Ambassadors honored county 4-H leaders with a hamburger supper for them and their spouses on Saturday, Oct. 19 at the Lindsay Park.

The theme was "Hats off to our Leaders." There were about 40 who attended.

Hamburgers with all the trimmings, chips and dips were all donated by county businesses, and desserts made by the Ambassadors were served.

Hats decorated the pavilion and tables. The party was held to recognize all leaders who help the 4-H program.

The Ambassadors are Werner Becker, Greg Brooks, Sara Flusche, Sean Herbold, Charlene and Clifford Lutkenhaus, and Sherilyn Sicking. Carolyn Lutkenhaus helped plan the event.

Evelyn Sicking is their adult advisor.

Museum has new hours set

The Cooke County Heritage Society wishes to announce the new hours of the Morton Museum of Cooke County. The museum will now be open during the following times: 10:00 to 5:00 p.m. Tuesday through Friday and 12:00 to 5:00 p.m. on Saturday. For more information or to arrange a tour call the museum at 668-8900.

Theatricks' season opens with "Make Believe"

Do you believe in make believe? If you do and even if you don't, now is the time for you to visit the Sherman Community Players for Theatricks' 1991-92 season opener, "I Believe in Make Believe," sponsored by the Kids of Theatricks and Bank One.

"I Believe in Make Believe" is a charming musical which delightfully presents five world favorite fairy tales by the Brothers Grimm, including "The Princess Who Wouldn't Laugh," "The Elves and the Shoemaker," "The Bremen Town Musicians," "The Seven Soldiers," and "Simpleton." This musical is packed with plenty of excitement for children and plenty of wit for the grown-ups.

In the Spring "James and the Giant Peach," and "Snow White and the Seven Dwarfs" in the summer will be shown.

"I Believe in Make Believe" opens this weekend - Saturday, Oct. 26 at 11 a.m. and 2 p.m. and Sunday, Oct. 27 at 2 p.m. and again the following weekend at the Finley Cultural Center located on 500 N. Elm in Sherman. Tickets are \$4, and season memberships can also be purchased for \$7. To make reservations call the box office number 892-8818.

MUESTER ISD students from Kindergarten through the sixth grade who entered the school's annual anti-drug abuse poster contest received special recognition at the school-wide pep rally Friday, Oct. 18, in the Hornet Gym. The Student Council sponsors this event and all participants received red ribbons with the slogan, "The MISD Student Council says Hugs - Not Drugs," which could be worn during National Red Ribbon Week. Tony Perry, Student Council president, announced the results as Student Council members and officers presented prizes. The posters were chosen for student effort, neatness, originality and theme. Prizes included personalized cups filled with decorative pencils, ruler, eraser and other goodies for first place winners in each grade and T-shirts for each grand prize winner. Pictured in the front row are winners with Council members that presented prizes standing behind them. Pictured, l to r, are: K, Diana Felderhoff, presented by Jason Huchton; 1st, Dustin Walterscheid, presented by Ashley Hartman; 2nd, Andrea Bauer, by Brandon Walterscheid; 3rd, Willie Scoggins by Kay Grewing; 4th, Craig Hartman by Dianne Pagel; 5th, Loren Hermes by Darren Bindel; and 6th, Brandon Grewing by Julie Hess. Grand Prize winners were K-2: Christopher Rains, 1st grader; 3-4: Justin Fleitman, 4th; and 5-6, Brian Fleitman, 6th. These were presented by Ryan Sicking, Justin Hartman and Melissa Fisher. The winning posters were displayed this week in the lobby of the high school. Photo courtesy MPS

FC2 Carl Sandmann receives commendation

Fire Controlman Second Class Carl M. Sandmann of the U.S. Navy has received two commendations for superior performance of duties during Operation Desert Storm.

Mr. Sandmann, son of Henry and Lorene Sandmann of Valley View, is a 1979 graduate of Valley View High School. He enlisted in the U.S. Navy on Jan. 14, 1987, and is scheduled for completion of

service in January of 1993. He is stationed in Norfolk, VA where he is assigned to the USS Biddle.

Mr. Sandmann received a letter of commendation from Capt. L. F. Harlow, commanding officer of the USS Biddle, where Mr. Sandmann was assigned as a Fire Control Computer Technician during Operation Desert Storm. The commendation states Mr. Sandmann was instrumental in the repair of the MK 14 Weapons Direction System, Computer Number One, when it suffered an intercomputer input-output failure.

A second commendation has come from Rear Admiral G.N. Gee, commander, U.S. Navy Battle Force Sixth Fleet. Mr. Sand-

mann was commended for superior performance of his duties while serving as Harpoon Weapons System Work Center Supervisor and Weapons Direction System MK 14 Technician on the USS Biddle during Mediterranean operations and Red Sea action in direct support of Operation Desert Storm from August 1990 to January 1991. "Throughout this period, Petty Officer Sandmann displayed superior professionalism, initiative and technical ability," said Admiral Gee in the commendation.

FC2 Sandmann has completed with honors the basic electricity and electronics school modules course, WDS-SYR-1 maintenance training, harpoon maintenance, Terrier MK 152 computer complex course and has satisfactorily completed the course of study at Fire Control Technician School.

Pharmacy staff is honored

Muenster Memorial Hospital Auxiliary is recognizing the Pharmacy staff of the Muenster Hospital during Pharmacy Week, Oct. 21-27, with special notes of appreciation.

Mickey Haverkamp is Muenster Memorial's pharmacy technician. She has held this position since May of 1986. Some of her duties are to deliver medications to the nursing floor for patients, keep supplies stocked and updated, and deal with quality control. Mrs. Haverkamp has been an employee of MMH since February of 1964. She is an LVN and served on the nursing staff in that capacity.

Bob Pels, owner of Muenster Pharmacy, is the supervisor for the hospital pharmacy. As their consultant Mr. Pels makes sure that all federal and state pharmacy and medical standards are being met.

The dedication of the pharmacy staff is appreciated by all who use the Muenster Hospital.

JAM meets this Sunday

J.A.M. (Jesus Alive in Muenster) will meet this Sunday, Oct. 27 from 2:00 to 3:30 p.m. at the David and Pam Fette home. Come and bring a friend!

Muenster 759-4408

Students given opportunity to study abroad

"Qualified high school students are offered a unique opportunity to spend an academic year or summer holiday in Scandinavia, Germany, France, Italy, Switzerland, Britain, Holland, Spain, New

Zealand or Canada (French or English speaking) as part of the ASSE International Student Exchange Program," announced Andrea Culbert, Southern Director of ASSE.

Students, 15 to 18 years old, qualify on the basis of academic performance, character references and a genuine desire to experience life abroad with a volunteer host family from Europe, Canada, or New Zealand.

"ASSE families abroad are carefully screened to provide a caring environment in which students can learn the language and culture of their host country," explained Culbert. Summer exchange students live with a family abroad who usually speaks some English. Year students need not have learned a foreign language as they receive language and cultural instruction as part of the ASSE program. ASSE students attend regular high school classes along with their new teenage friends. "ASSE exchange students learn by living the language and culture of their new host country," added Culbert.

ASSE also provides international opportunities for families to host students from Scandinavia,

Germany, France, Switzerland, Britain, Italy, Holland, Spain, New Zealand, Canada and Japan. These select students are 15 to 18 years old and will attend the local school for an academic year.

Students or families interested in more information about the ASSE program should call 1-800-473-0696 or Toby Hall at 713/332-6821.

NOTICE!

Muenster children, ages 5 to 8 years old, are invited to join the 4-H Clover Kids club. Meetings will be one hour a month beginning Nov. 12 at 6:00 p.m. at the Sacred Heart Kindergarten room. Included will be a learning activity, snack time, and recreation time. There will be no competition held in this age group.

For more information contact Christy Hesse 759-4034 or Jerry Sicking 759-4388.

Please call by Friday, Nov. 1 to enroll your child.

Ambassadors honor 4-H group leaders

Cassie Bullock recognized the Cooke County 4-H Ambassadors at the Awards Banquet held Monday, Oct. 14 at the Civic Center in Gainesville.

The Ambassadors are Werner Becker, Greg Brooks, Sara Flusche, Sean Herbold, Charlene Lutkenhaus, and Sherilyn Sicking.

Evelyn Sicking was presented with a certificate for being their adult advisor.

MISD takes part in deputy program

Muenster I.S.D. is participating in Cooke County Sheriff's Adopt-A-Deputy program. The Sheriff's Department is implementing Adopt-A-Deputy with county schools to develop and enhance communications and respect between students and deputy sheriffs.

Deputy Val Escobedo will be on the Muenster Elementary campus two days each month. In addition to lunch, he is planning a Bike Safety program and plans to assist with a Safety Patrol program.

Students will have an opportunity to learn safe bicycle procedures. Sixth grade students will also have an opportunity to be members of the Safety Patrol. Part of their responsibility will be to assist children across the street safely before and after school.

Deputy Escobedo had lunch with kindergarten students and spent noon recess with them Oct. 21. His next visit will be the second Friday in November.

Schedule of Meeting

Muenster Memorial Hospital Auxiliary will hold its regular October meeting a week early because of the regular date coinciding with Halloween. The meeting is Thursday, Oct. 24 at 7:30 p.m. in the administrator's office.

CCC mini-courses make repeat performance

An overwhelming positive response to many of the mini-courses at Cooke County College has convinced the people in the Department of Continuing Education at the college to add new sections to accommodate the overflow.

Linda Mast, dean of continuing education, said there is still time to sign up for some of the most popular and interesting classes offered through her department to date.

Among these is the working stock dog class. The same course which started Oct. 7 filled quickly and demand for another course led Mast to offer it a second time beginning Nov. 4. Instructor and professional dog trainer Roy Cox has geared the class for ranchers and farmers to get the most out of their working stock dogs. With finances a factor in ranch management, Cox said it is economically advantageous to use herding dogs to work cattle.

"A dog can replace two cowboys," Cox said. "And cattle relate better to a dog better than they do a horse and man."

Through dog psychology, Cox said he will teach students the basics. He said the approach he

uses is that he tries to get "into the dog's head."

"Instead of beating a dog, I try to discipline the way the pack leader disciplines," Cox said.

The breeds of dogs that Cox said are best suited for working cattle are kelpies, border collies, Australian shepherds, English shepherds and Australian cattle dogs.

The stock dog training class was only one of several classes making a command performance. With Christmas just around the corner and handmade gifts a favorite, Mast said she has had requests for another T-shirt and sweatshirt painting class. The new session will begin Oct. 29 and Nov. 5 from 6:30 to 8:30 p.m.

Other new sections that have been added include three new computer classes. "Introduction to Computers" will take place on Saturdays Oct. 26 through Nov. 23 from 9 a.m. to noon. The "Word Perfect" class is making a come-back on Nov. 16 and 23 from 9:30 a.m. to 4:30 p.m.

Another computer class, "Introduction to Electronic Spreadsheets (Lotus 1-2-3)" is returning beginning Nov. 15. The purpose of the course is to provide the participant with the basic skills necessary in developing a spreadsheet.

Also returning is "Beginning Country Western Dancing." The class will meet four times on Fridays beginning Nov. 22 from 7:30 p.m. to 9:30 p.m. The cost of the course is \$20 each or \$35 a couple.

Around another time this fall is the CPR Instructors class. Mast said the new section will be on Nov. 16 and 23. Mast said a current CPR card must be shown to enroll in the class.

Mast said she is pleased with the enrollment of the fall line up of classes and added that the Department of Continuing Education is always open to suggestions from people in the community on new courses.

Registration for the mini-courses will take place at the CCC office of Continuing Education. For more information call 668-7731, ext. 272.

Nutritious snacks head 4-H program

Reported by Sherilyn Sicking
The Muenster 4-H Club held its meeting on October 8 at Sacred Heart High School. All attending recited the pledge to the Flag, the 4-H motto and pledge.

Roll was called and minutes were read. The news from the Cooke County Connection was reported. Linda Becker explained the work of the Social Concerns Committee.

Becky Felderhoff explained the need for a fundraiser and distributed raffle tickets to all members. The drawing for a color television and rod and reel will be held at the next meeting.

The program was presented by Emily Felderhoff and Yvonne Martin. They provided information about nutritious snacks.

Becky Felderhoff's food group provided nutritious snacks and lemonade for refreshments. Recreation was led by Allison Bayer. Werner Becker III won the door prize.

The next meeting will be Tuesday, Nov. 12 at 7:00 p.m. at Sacred Heart High School.

Kiwanis Club sponsors Students of the Month

The Muenster Kiwanis Club is sponsoring Students of the Month in 1991-1992, in a project involving both Sacred Heart School and Muenster Public School, honoring outstanding and representative students for their academic work and achievement in stated categories.

The Student of the Month is chosen by a committee of faculty members from each campus, grade and high schools. Students are nominated by their teachers based on various criteria. Some students are nominated due to excellent effort, others because of outstanding achievements. Every student nominated exemplifies what the faculty expects in a successful student.

Kiwanis Students of the Month for October include, from Sacred Heart High School, Stephanie Grewing, Student Council Freshman class representative, 1991-92 freshman cheerleader, and member of the basketball team. She is an "A" student whose energy and enthusiasm make her the perfect choice for Student of the Month, said her teachers. Stephanie is an active participant in class discussion and projects, and willingly helps and encourages others in her class. "We are exceptionally proud of her" was the faculty comment. She is the daughter of Wayne and Peggy Grewing.

The second grade Student of the Month is Elizabeth Fette, chosen

because of her high academic achievement, class participation, and good citizenship. Elizabeth is very friendly, helpful, and considerate. "She uses her time well in class," said her teacher, Sister Genevieve. An avid reader, she shares her creative talents with others through the delightful stories she writes. For these qualities she has been chosen as October Student of the Month. She is the daughter of Dave and Pam Fette.

The Kiwanis Student of the Month from Muenster High School is Nicki Hofbauer, a senior and daughter of Denis and Joleen Hofbauer. Nicki was selected

because of her positive attitude at school, and her unselfish work on a number of volunteer projects, like the MISD school newsletter, was the comment of her teachers.

The sixth grade Student of the Month at Muenster Public School is Michael Grewing, son of Jim and Diane Grewing, and a student in Amy Popp's class. He is sensitive to others, noticing when they feel left out, uncomfortable or in need of help. Michael's kind remarks and helpful attitude often cheer students as well as teachers. His ready smile and pleasant manner personify the highest standard of service, leadership and character, said his teacher.

The Legend of the Dogwood Made Visible

At the time of the Crucifixion, the dogwood, then the size of the oak and other forest trees, was chosen as the timber of the Cross, because it was so firm and strong. And from the Cross it was said, "Never again shall the dogwood tree grow big enough to be used for such a cruel purpose. Henceforth, it shall be slender, bent and twisted; its blossoms shall have two long and two short petals and be in the form of a cross. In the center of each petal's outer edge, there shall be nail prints, brown with rust and stained red. And a crown of thorns will be in the flower's center. All who see it will remember." From J&C Ferrara.

St. Thomas Church holds Centennial Mass Nov. 3

by Elaine Schad
Bishop Joseph P. Delaney, bishop of the Diocese of Fort Worth, will be celebrant at the Centennial Mass at St. Thomas Catholic Church in Pilot Point on Sunday, Nov. 3.
The Mass will be held at 3 p.m. followed by a dinner in the St. Thomas Parish Center. Guest speaker for the dinner will be Bishop Thomas Tschoepe, longtime bishop of the diocese of Dallas and a Pilot Point native.
The dinner will be followed by a fashion show featuring the past 100 years of the parish history. Visitors will also have a chance to visit the Centennial Museum in the

parish hall. The "St. Thomas 100 Years of Cooking" cookbook will also be available for sale.
The Mass on Nov. 3 will commemorate the first Mass at Pilot Point which was celebrated in a public hall that served as the first church on Nov. 4, 1891.
As a tribute to the centennial, 27 new stained glass windows are being installed to replace those from the 1950s, donated by parishioners and those associated with St. Thomas.
St. Thomas had an opening centennial celebration in June. Father Publius Xuereb is resident pastor.

Real estate special topics course offered at CCC

Realtors who need continuing education credits to renew their licenses can find just what they're looking for in CCC's CE course, "Real Estate Licensing Renewal - Special Topics" to begin Nov. 2 at the CCC campus.
Included in the special topics are law, finance, mortgage, money sources and licensing law updates. Ed Wright, an experienced agent and broker in Gainesville and Denton, and Rusty Duncan, a Gainesville real estate attorney, are instructors for the course.
The classes will meet Nov. 2, 9 and 16 from 8 a.m. to 1 p.m. in Room 1503 and 1504. Charge for the class is \$85 which includes the textbook.
Duncan said that he will bring realtors up to date and answer questions regarding the most current real estate laws on such issues as homesteading and community property laws.
Linda Mast, dean of continuing education, said the course is designed for realtors who need continuing education credits to renew their real estate licenses. She said the class has been approved by the Texas Real Estate Commission for 15 hours of mandatory continuing education credit, six hours of which is in legal topics. Mast added that the Oklahoma Real Estate Commission has approved the course for 15 hours of continuing education credit.
Wright said that students would be required to attend all three classes to get the CE credits and added that there would not be an examination at the conclusion of the course.

Duncan said that one advantage of taking the course at CCC is the reasonable registration charge.
"The \$85 cost of the class is a good deal compared with \$300 fees that realtors told me that they have paid in other places," Duncan said.
Mast pointed out that advanced registration for the course is required. Registration will take place at the Continuing Education Office at CCC, 1525 W. California. Office hours are 8 a.m. to 4:30 p.m., Monday through Thursday and Friday from 8 a.m. until 3 p.m. The Registrar's Office will take after hour registration Monday through Thursday from 4:30 p.m. to 8 p.m. and Friday from 3 p.m. to 4:30 p.m.

Mrs. Winona (Bewley) Russell of Whitesboro had the misfortune of falling and breaking her hip. Mrs. Russell is receiving treatment in Wilson N. Jones Hospital in Sherman.

Announcements
The Rosston Baptist Church will have their regular monthly dinner at the church Sunday, Oct. 27. Rev. and Mrs. Dennis Pellet and the members invite everyone to come.

The quarterly singing sponsored by the local churches will be at the Rosston United Methodist Church Sunday evening, Oct. 27 at 6 p.m. Everyone is invited to come.

Everyone needs to be making plans to attend the annual Harvest Supper sponsored by the Community Club at the Ross Point Community Center Saturday evening, Nov. 9. Serving will start at 5:30 p.m. and last until 8 p.m. Everyone is cordially invited to come and enjoy the good turkey dinner with all the trimmings!

The Forestburg United Methodist Church Women are planning their annual dinner, bazaar, bake sale, arts and crafts sale for Nov. 23, 1991. Everyone is invited to come and enjoy a good dinner and all the other goodies.

Mrs. Katie Cook of Thackerville, Okla. and Mr. and Mrs. Jack Berry were in Bowie Thursday.
Johnnie Cook had dinner with Odessa and Jack Berry Saturday. In the afternoon Johnnie and Jack drove around to see the countryside.

Mrs. Louise Shults drove to Lindsey, Okla. to spend the weekend with Nelda and John C. Blankenship. Saturday evening they drove to Harrah, Okla. to visit the Nifongs then to Moore, Okla. to visit the Craig Blankenship family. Mrs. Shults returned home Sunday afternoon.

Louie Ferguson of Nevada and Mrs. Bula Fullen of California are visiting their brother James Ferguson and wife Ruth. James is ill and taking treatment in Denton.

Mr. and Mrs. Raymon Wood of Wichita Falls spent Saturday night with her parents Mr. and Mrs. Clifford Hudspeth.
Mrs. Margaret O'Brien and son Pat spent Sunday with Mr. and Mrs. Clifford Hudspeth.

Mr. and Mrs. Doyle Lynch had as their weekend guests Mrs. Lisa Pickens and son Jay of Grand Saline and Rayanne and Jody Mayo and son Billy Glen of Tioga.
Louie Ferguson of Nevada and Mrs. Bula Fullen of California visited Miss Lois Bewley and Clyde Saturday afternoon.

Loyd and Elaine Keith of Garland, Martin and Virginia Blackmon of Chandler visited Miss Louis Bewley and Clyde Sunday afternoon.

Weekend guests of Mr. and Mrs. Kenneth Hutson were W.C. Hutson, Dan Rhodes of South Lake, Wayne Hutson of Bloomfield, New Mexico, and Rickey Gaston of Saint Jo.

Mrs. Kenneth Hutson visited Mrs. Essie Agee, Mrs. Jewel Gaston and Mrs. Jo Dell Gaston Sunday afternoon.

Mrs. Gladys Balthrop, Mrs. Anna Kirk, David Wayne and Becky and Dwaine Balthrop of Myra attended the wedding of Miss Kellye Lehman and David Beavers Saturday evening at 6 p.m. in the First Baptist Church in Iowa Park.

Kellye is the daughter of Mr. and Mrs. Garland Lehman of Iowa Park. She is the granddaughter of Mrs. Gladys Balthrop and niece of Mrs. Anna Kirk and Dwaine Balthrop. The bride is a registered nurse and works in the Presbyterian Hospital in Dallas. The groom is from Dallas and is employed at D.F.W. Airport. They will live in Irving.

Mrs. Balthrop and Mrs. Kirk and family attended church in Iowa Park with the Lehmans and returned home Sunday afternoon.

Mr. and Mrs. Ted Jackson and Mr. and Mrs. Joe Phillips spent from Wednesday to Friday afternoon at the lake at Bridgeport. They stayed in the Billie Ray Jackson lake cabin. Ted and Joe enjoyed fishing off the dock and caught some nice fish. They couldn't take their boat out due to high winds.

Mr. and Mrs. Ted Jackson had lunch Sunday with Jewel and Carroll Dill and their family. Other family members attending were Vaton Selby of Dallas, Larry and Debrah Dill and Brady, Charles and Beth Dill, Keith, Kody and Keshia.

Vaton Selby entertained her niece and nephews Keshia, Keith, Kody and Brady Dill in her home in Dallas from Friday to Sunday. They all returned home Sunday.

Brandon and Eric Berry of Laurel, Maryland visited Mrs. Josephine Berry Saturday. They flew down with Brandon who was the pilot of the plane.
Mrs. Josephine Berry visited and spent Sunday night with Mrs. Veda Magee in Bowie. Mrs. Berry and Mrs. Magee attended the reception honoring Mr. and Mrs. Michael King of Friely, Surrey, England in the Gordon Heard home in Bowie Sunday afternoon.

Mrs. King is the former Patricia Bradley Dill of Gainesville. Mr. King is retired from the English Air Force. The couple plans to live in England.
Schmidkofer
Doris and Weldon "Butch" Schmidkofer of Muenster are parents of their first child, a son, Derek Wayne Schmidkofer, born in Wilson N. Jones Hospital of Sherman on Oct. 17, 1991 at 8:55 a.m., weighing 7 lb. 15 oz. and

New Arrivals

Strother

Brian and Cyndi Strother of Muenster announce the birth of a daughter, Keia La Rue, on Wednesday, Oct. 9, 1991 at 10:02 p.m. She weighed 7 lb. 6 ozs. and measured 20 inches in length. Also proud of the new arrival is big sister Amber (A.J.). Grandparents are Mr. and Mrs. Harley Tucker of Ottawa, Kansas and Mr. and Mrs. Ray Strother of Broken Arrow, Okla.

Klement

Stevie Rae Klement, age 4, is proud to announce the arrival of her baby sister, Jackie Christine. Parents are Doyle and Carla Klement of Rt. 4, Gainesville. Jackie Christine was born October 12, 1991 at 12:37 a.m. at the Women's Pavilion in Denton. She weighed 7 lbs. 11 1/2 ozs. and was 20 1/2 inches long. Grandparents are Carl (Booby) and Pat Walterscheid and Walt and Eleonore Klement, all of Muenster. Great-grandmother is Leona Hamilton, also of Muenster.

Reiter

Lloyd and Mary Reiter of Decatur are proud to announce the birth of their third child, a son, on Wednesday, Oct. 16, 1991 at 3:16 p.m. in HCA Denton Community Hospital. The new arrival weighed 7 lb. 13 ozs. and measured 20 1/2 inches in length. They have named him Austin John Reiter. He joins a brother Travis Joseph, age 4 1/2, and a sister Karissa Michelle, age 2 1/2. Austin John is a grandson for Wilfred and Polly Reiter of Muenster and Julius and Marcella Metzler of Gainesville. The great grandparents are John J. and Edith Hess of Lindsey and Phillip Metzler of Gainesville.

Schmidkofer

Doris and Weldon "Butch" Schmidkofer of Muenster are parents of their first child, a son, Derek Wayne Schmidkofer, born in Wilson N. Jones Hospital of Sherman on Oct. 17, 1991 at 8:55 a.m., weighing 7 lb. 15 oz. and

measuring 20 inches in length. Derek's grandparents are Ervin and Carol Henscheid of Muenster and Herbert and Rachel Schmidkofer of Rt. 2, Gainesville. The great-grandparents are Theo Miller of Muenster and Mrs. J.C. Schmidkofer of Lindsey.

5th birthday roundup for Ray Anthony

Friends and family gathered in the home of Ray and Sara S. Long to celebrate the birthday of their middle child. Ray Anthony Long, Jr. turned 5 years old on Sept. 14. His family, which includes his older sister, Krystle, age 6, and a brother Jeffrey, age 3, enjoyed a hamburger cookout.
While their aunt Bonnie Stoffels and their uncles Nick Stoffels, Donny Stoffels, Mike Stoffels and Doug Stoffels enjoyed watching a football game, Ray Anthony received his gifts and enjoyed a poppyseed cake with a cowboy theme, made by The Farmer's Kitchen.

Birthday wishes and gifts came from the honoree's Aunt Darla Wood of Harrison, Ark., and from Russ Morgan of Little Bell Chapel, Tex.

Ray Anthony attends pre-school at St. Mary's School. His grandmother is the late Anna Mae Stoffels.

The Muenster Hospital Auxiliary would like to thank all the many people who helped to make the Nifty '50s Benefit Dance such a great success. We are indebted to those who worked so hard to organize, decorate and entertain, and we also thank the dozens of businesses who donated supplies and materials. We particularly commend those individuals who made the \$10 per ticket donation in support of the local hospital.
The Auxiliary recognizes the need to support and maintain a quality hospital in Muenster and your support in this endeavor illustrates your dedication to this cause also. We applaud you in this effort and we look forward to your continued support.

Hornets, Knights tie game 8-8

In a game claimed to determine the district championship, the Muenster Hornets and Lindsay Knights competed in a clean, hard fought contest last Friday night and ended deadlocked 8-8. "After watching the film, both teams played very good ball," said Muenster Coach Grady Roller. "There were very few mistakes. A tie didn't hurt us." The game did end in a tie, not a win for Muenster. Because of penetrations Roller noted that the tiebreaker is used only to decide which team advances to the playoffs if the district ends with Muenster and Lindsay tied for first. Lindsay Coach Pat Benton said he was extremely proud of the boys, being the Knights were the 20-point underdogs. "I can't feel bad about the game, though we would have loved to win it outright."

Keeping action on the ground, runs by Sicking, Walterscheid and J. Hennigan took play into the Knights' end of the field. A quarterback sack by Kenny Fleitman put Muenster in a 4th and 19 predicament. Jason Biffle's booted ball was rolling into the end zone, but Kenny Walterscheid stopped the ball on the 3-yard line. Three plays later the clock ticked clear with a halftime score of 0-0.

"We made a change at halftime and it worked real well," said Roller. "This caused their defense to make adjustments allowing Rodney Vogel to get in some good runs."

Lindsay ran three plays then punted to open action the second half. Muenster's drive was halted when the fired up Lindsay defense sacked Gobble for a 13-yard loss,

9:03 remaining in the game.

The Knights' next drive was stopped when two runs and an incomplete pass forced the Knights to punt on 4th and 14.

Starting on the Lindsay 45-yard line, Rodney Vogel carried the ball on three plays to the 22-yard line. Ryan Sicking went unnoticed into the end zone, but a holding flag against Muenster brought the ball back to the 32.

An offside call gave the Hornets a 1st and 15. Ryan Sicking picked up 16 yards to the 11, then another 10 to the 1-yard line. Three unsuccessful runs gave the Hornets a 4th and goal at the 6. Outstanding defense by Jeff Hermes and Jeremy Owen prevented Muenster from advancing. Mike Gobble attempted an 18-yard field goal, but Fred Hughes blocked Muenster's kick and the ball was returned to Lindsay. Hughes and Corcoran ran the ball to the 36-yard line. Two penalties, including one that recalled a 30-yard run, was followed by Doug Hennigan picking off a Dieter pass and Muenster regained the ball, but this time the Hornets couldn't make it pay off as time ran out.

"We played a good game. The kids really got after it," said the Lindsay coach. "We just didn't get some breaks."

Fred Hughes was the game's leading rusher with 94 yards on 21 carries for the Knights. Kenneth Walterscheid and Ryan Sicking led the Hornets.

"The seniors are playing better and the younger kids are coming up and meeting the challenge," commented Roller. "Rodney (Vogel) is looking good for a sophomore, playing aggressive."

Coach Benton credits Jeff Hermes to an outstanding defensive game, including two saving tackles on the goal line. Pat Corcoran, Travis Huchton and Fred Hughes are also credited for numerous tackles.

DOUG HENNIGAN stretches to complete the pass that tied the Muenster-Lindsay ballgame. Defending for the Knights is Ronnie Dieter. Janie Hartman Photo

DARREN BINDEL (25) watches as the ball, tipped by Patrick Corcoran, comes his way. The completed pass put the Hornets on the scoreboard. Also defending for Lindsay is Ronnie Dieter (21). Janie Hartman Photo

Muenster took the opening kick on their 34-yard line. Lindsay's defense smothered Hornet quarterback Mike Gobble the second play for a 12-yard loss, forcing Muenster to punt on 4th and 16. Kenny Fleitman blocked the punt, covered by Donnie Cox, and the Knights' offense entered the game on the Hornets' 37-yard line. Patrick Corcoran picked up 11 yards the first play, with Corcoran and Hughes moving the ball to the 18-yard line. A 5-yard penalty and an incomplete pass gave possession back to Muenster on the 22. The Hornets mixed runs by Jay Hennigan, Rodney Vogel, Kenneth Walterscheid, Ryan Sicking and Steven Fisher to get the ball into Knight territory. A completed pass from Gobble to Darren Bindel added another 8, but the next attempted pass was picked off by Patrick Corcoran giving Lindsay the ball on their 36-yard line.

forcing a punt. Starting at midfield, Lindsay, behind the power running of Hughes and a 20-yard quarterback keeper from Dieter, took the Knights to the 6-yard line. On 3rd and goal, Dieter found Kenny Fleitman in the end zone and Lindsay was on the scoreboard. Dieter crossed over for the 2-point conversion and an 8-0 lead.

The Hornets came back strong their second drive, using the running talents of Walterscheid and Sicking to take the ball to the 10-yard line as the third quarter ended.

The fourth quarter could have been called the Hornets' quarter because that's when they should have scored three touchdowns. Two incomplete passes turned the ball over to Lindsay. The Hornet linebackers kept the Knights bottled up in the middle, forcing a fumbled ball. Kenneth Walterscheid covered the ball and Muenster took over 20 yards from paydirt.

Walterscheid took the ball to the 7 on two runs. An incomplete pass defended by Hughes and a 5-yard penalty gave the Hornets a 4th and 12. Gobble again went to the air. Lindsay defender Patrick Corcoran lept high in the air and tipped the ball into the end zone, into the waiting arms of Darren Bindel. Gobble then hit Doug Hennigan on the back edge of the end zone to tie the game 8-8 with

FRED HUGHES (11) gets the ball stripped by Kody Truebenbach (54). Muenster covered the fumble, setting up the Hornets' touchdown. Janie Hartman Photo

The Saint Jo Panthers will travel to Muenster as district competition continues. The Panthers started the season strong, threatening to be district contenders, but injuries have given them problems in recent games. "If they get back a key player, they will play good ball," said Coach Roller. "Muenster has a reputation of not playing extremely well after a game with Lindsay, so we will be a little flat."

Roller believes Saint Jo will give the Hornets a good game. Game time is 7:30 p.m.

Lindsay will host the Era Hornets Friday night. "It's going to be a tough game," said Coach Benton. "We have to make sure we're up for it, get after them and play." Benton says their record doesn't show their ability. Game time is 7:30 p.m.

Tigers fall to defending champs

"It was not a disappointing loss," said Sacred Heart Coach John Nasche, "because we played hard in our best game of the year, we just had lots of mistakes that killed us."

Sacred Heart hosted last year's TAPPS 1A state championship team last Friday and battled the larger Lexington team to a 27-0 defeat. "We drove down the field end zone to end zone, but couldn't score," said Nasche. "We fumbled three times inside the 20 and threw two interceptions."

A scoreless first quarter started with Lexington taking the opening kick. After six plays the Tigers began their first drive. From their 19-yard line, Chris Hess, Larry Switzer and Stevan Nasche carried the ball inside the 20, but came up one yard short. The Patriots moved the ball into the second quarter, but were forced to punt near midfield.

Again starting deep, this time from their 13, the Tigers kicked on 4th and 1. Lexington was halted after six plays, booting the ball 53 yards into the end zone.

From the 20, the Tigers went backwards on two penalty calls and then lost the ball on an interception, giving the visitors the ball 27 yards from paydirt. Two plays later Lexington was in the end zone. The PAT kick was good, and Lexington took a 7-0 lead with 5:02 remaining in the half.

Sacred Heart controlled the rest of the quarter, moving 59 yards. The drive was highlighted by two good runs by Chris Hess for 10 and 11 yards, a 21-yard keeper by Nasche and a 12-yard run by Willie Hess. But on the 5-yard line the ball was fumbled to Lexington to end the drive and the first half.

The Tigers took the second half kick, but on the third play fumbled the ball to Lexington on the 35-yard line. Three good runs and the Patriots were in for 6 points. The extra point kick cleared the goal post and the scoreboard read 14-0.

Sacred Heart's next drive was put in reverse by penalties and a sack, forcing a punt. From the Tigers' 32, good pass defense left the Patriots short, giving Sacred Heart possession on their 30-yard line. Stevan Nasche picked up 51 yards, taking the ball inside the 20. But again, the Tigers fumbled the ball, stopping a good drive.

Lexington remained in charge going into the final period inside the Tigers' 20-yard line. Tough Tiger defense by Scott Hennigan, Chris Hess and Werner Becker, left the Patriots with a 4th and 25. A touchdown pass play was called back on an illegal receiver call and Sacred Heart took over on downs.

The Tigers' offense again couldn't keep control and punted the ball to Lexington. It took the Patriots only two plays and they scored again. The PAT kick was wide and the score now read 20-0.

From their 11, Stevan Nasche picked up 14 yards on a keeper, but the Tigers, on 4th and 23, lost control with an incomplete pass. The next play Lexington was again in the end zone. A PAT kick counted and with three minutes of play remaining the Tigers trailed 27-0.

Sacred Heart's next drive was stopped when the Patriots picked off a pass, allowing them to play out the remaining time.

"I was extremely proud of my 'Hogs,' the linemen," said the Tiger coach. "It's easy to run when you have an open hole to run through." The "Hogs" consist of Scott Hennigan, Gary Hess, Kelly Bell, Greg Hess, Jordon Bayer, and substitutes Werner Becker and Kelly Bayer.

Chris Hess led all rushers with 124 yards in 24 attempts. Stevan Nasche added 89 yards in 5 carries.

Sacred Heart travels to South Dallas this Friday to take on Tyler Street. The Crusaders are rebuilding from a 5-5 season behind the talents of Jarvis Williams, who has over 1200 rushing yards in the last seven games. "Jarvis is the top rusher in all 1A, 2A, 3A and private schools, according to the Dallas Morning News," said Nasche.

"We stop him, we'll win." Tyler Street's ball club compares a lot to Sacred Heart, they have only 15 players and a freshman quarterback. The game begins at 7:30 and will be played at the old Duncanville Panther Stadium.

Contest has new weekly winner!

Upsets in college and pro games made last week's contest tough as most contestants missed Colorado over Oklahoma, Arkansas over Texas and A&M over Baylor. Also pro games Phoenix over Atlanta and New England's overtime win over Minnesota.

Locally, of the 54 entries, 47 picked Muenster over Lindsay. Since there was no winner in that 8-8 game, the game was omitted

from the contest. Only four hoped for Sacred Heart to beat Lexington, while only three correctly picked Valley View over Nocona. Everyone knew Collinsville could defeat Saint Jo and only one missed Gainesville's win.

Darlene Otto took top weekly honors with 17 correct guesses. Mike Stoffels also had 17 correct games, but settled for second place after losing the tiebreaker

score 13-30. Finishing in a close third with 16 games were J.B. Gray, Carol Grewing, Tim Mullins, Dave Rohmer, and Nick Stoffels.

Weekly cash prizes were collected at Fischer's Meat Market, tiebreaker sponsor.

Look in next week's issue for updated percentage scores in the big bucks competition.

CONTEST RULES:

- Only one entry per person per week. Persons entering must be 12 years old or older.
- This page of schedules, results, predictions and the contest itself is supported by advertisers appearing here. Each ad contains a scheduled high school, college or pro game for Friday, Saturday or Sunday of the week of publication. Read each ad and circle the winner. Entries on forms other than original newspaper page will not be accepted.
- In order to determine the prize winners in case of ties, you must predict the score for the tie breaker game listed in the featured ad above.
- Print your name, address and phone number clearly in the space provided.
- Deliver the full contest entry to **The Muenster Enterprise BEFORE 5 p.m. FRIDAY**, the week of publication. Mailed entries will be accepted only if postmarked before **Friday, 5 p.m.** Address for mailing entries is P.O. Box 190, Muenster, Texas 76252. Entries received late because of postal delay will be counted for the grand prize, but will not be eligible for the weekly prize.
- The featured ad is picked at random each week. It contains the tie-breaker listing and is one of the winner/loser picks. Winner will pick up their prizes at that business each week on or after Tuesday of that week.
- To be the grand prize winner, a contestant must enter every week. Contest will continue as long as either Muenster team remains in play. Winner of the \$100.00 grand prize will be determined by the best winning percentage throughout the contest after the lowest score is thrown out.

Student body representatives honored Sylvan Walterscheid for his countless hours of volunteer work on Sacred Heart school and athletic facilities.

Sports Card Show set for November 2

The Knights of Columbus are hosting a Sports Card Show at the K.C. Hall in Muenster Nov. 2 from 10 a.m. to 6 p.m. Door prizes will be given away every hour.

Admission is \$2 for adults and children under 6 will be admitted free. Free prizes will be given to everyone at the door.

Card dealers will be set up to buy, sell or trade all types of sports cards. All proceeds will benefit the K.C.'s youth projects. For more information call Ben Bindel at 759-2536.

SH juniors capture cross country titles

John Bartush Jr. captured individual honors in leading the Cubs, while the Lady Cubs scored five of the top six places as both squads scored the gold at the North Texas Independent Junior High League Cross-Country Championship.

In the meet held at Prairie Valley the Cubs scored a team total of 21 points. Bartush, along with Joseph McCoy finishing 3rd, John Klement 4th, Paul Swirczynski 6th and Michael Becker 7th, dominated the two mile run.

On the distaff side Anna Fette

covered the mile course in 7:13 for a second place finish to pace the Lady Cubs to the title run. Valarie Bartush, Shauna Endres, Nicole Endres, and Dobe Fleitman recorded places three through six respectively.

Other members of the Cub squad included Jake McCoy (8) and Brandon Bayer (9). Laura Klement (8) and Leslie Grewing (9) rounded out the Lady Cub squad. Prairie Valley scored second in the boys' division and the Lady Eagles of Montague scored second in the girls' division.

Reminder! Hunting with artificial lights prohibited

AUSTIN - Texas hunters, especially archery and rifle hunters, are reminded that state law forbids the use of artificial light to hunt certain birds and other animals, including some equipment being sold at stores.

Under Section 62.005 of the Parks and Wildlife Code, it is unlawful to hunt any game animal or game bird at any time with the aid of any artificial light. This includes headlights, hunting lamps or any other artificial light used on or about the head or attached to a vehicle.

"These things are perfectly lawful to hunt coyotes, rabbits,

feral hogs and fur-bearing animals, but not game animals."

The artificial lights in question included lighted sights on bows, lighted rifle scopes, laser sights or anything that artificially illuminates sights or scopes.

Hunting with artificial light is a Class B Parks and Wildlife Code Misdemeanor for the first charge, punishable by a fine of \$200 to \$1,000, a jail term not to exceed 180 days or both. After the first conviction, the charge increases to a Class A Misdemeanor, punishable by a fine of \$500-\$2,000, a jail term not to exceed one year or both.

UIL discusses athlete policies

AUSTIN - Proposals to amend the University Interscholastic League amateur athletic rule, delay the release of Conference A alignment for the 1992-93 and 1993-94 school year, altering the academic district, regional and state points system were discussed by the Legislative Council at its October 20-22 meeting in Austin.

The 24-member Legislative Council is the rulemaking body of the UIL. Its decisions are subject to approval by the Texas State Board of Education.

The amateur athletic rule does not permit student-athletes to accept tokens of appreciation and support from fellow students and school officials. If passed, the proposal would allow student-athletes to accept such items as flowers, homemade cookies, candy, etc. However, token gifts which cost over \$5 would be a violation.

A second proposal dealing with athletics would authorize the UIL staff to delay the release of Conference A alignment for the 1992-93 and 1993-94 school year, pending the results of a survey to Conference A superintendents after the 1992 academic and athletic state meets. The proposal would also allow the UIL staff the authority to determine whether or not to continue assigning Conference A schools to districts based on size of school, based on the results of the superintendents survey.

An experiment to assign Con-

ference A schools to districts based on size of school, through district play was authorized last year. The 1991-92 school year is the first year schools have been assigned in this manner for basketball, academics, golf, tennis and track and field. A superintendent survey will be conducted at the conclusion, but district assignment is normally announced during January.

Another athletic proposal was to delay issuing football shoes and socks by one day in August 1992.

The Legislative Council will consider a number of major academic proposals, including changing the name of the contest from spelling to spelling and vocabulary, allowing critiques for disqualified one-act play entries and remove from the contest manager the responsibility of determining the moral acceptability of a play, allowing for students on a ninth grade campus to be combined with students in grades 10-12 for the purpose of UIL competition, extending the option of sixth grade participation in UIL concert and sightreading contest, allowing ninth grade students who are assigned to a separate ninth grade campus to be eligible for varsity competition, eliminate the age rule for academic, music and fine arts competition, retaining it only for participation in varsity athletics, and altering the district, regional and state points systems to award points for team winners.

Junior High/Junior Varsity Action

Muenster vs. Lindsay

The Muenster and Lindsay junior varsity teams met Thursday evening for a fun evening of 8-man football. "The boys are having a good time and still getting in some playing time," said Lindsay Coach Pat Benton. The young Knights won the contest 20-12.

Muenster scored first on a drive that started when Justin Hartman covered a fumbled Knight ball on the 40-yard line. The Hornets moved down field and completed the drive with a 2-yard touchdown run by Cory Cain up the middle. The extra point failed and Muenster took a 6-0 lead.

After the Knights tied the game 6-6, Muenster came back early in the second quarter. Starting at midfield, Cain again went into the end zone, this time from 4 yards out. The PAT failed and Muenster led 12-6 at halftime. Lindsay came back and scored two touchdowns the second half to take the victory.

One of Lindsay's scores was a 2-yard run by Doug Hellinger. The drive was set up by a triple reverse by Bob Greener. Dan Zimmerer added the extra points.

The Knights' second touchdown came on a completed pass from Wil Thompson to Greener. Thompson also scored a touchdown on a 10-yard sweep play.

Muenster will have an eleven-man game with Denton Liberty Christian Thursday at 6:00 in Denton.

Lindsay will take on Era's 8-man J.V. following the junior high game at Era.

Muenster vs. Lindsay

The junior high football teams of Muenster and Lindsay met Thursday evening on the Hornets' field and battled to a 16-12 finish.

After starting the game with a sportsmanship greeting at midfield Lindsay took the opening kick, but after five plays punted the ball to Muenster. Muenster's first drive was stopped when Garrett Hellinger picked off a pass. The Squires again punted after five plays, but regained possession when Muenster fumbled the punt and Chris Escobedo covered for Lindsay.

From their 34-yard line, the second play from scrimmage saw Jeff Hale on a cross play scramble 30 yards for a touchdown. The extra point run by Escobedo was good and Lindsay took an 8-0 lead.

CHRIS ESCOBEDO (41), Lindsay ball carrier, is stopped by Jeff Felderhoff and Darrell Charles. Janie Hartman Photo

Muenster punted away their next drive but got the ball back two plays later when John Tuggle intercepted a pass. The young Hornets again failed to pick up the needed yardage and the Squires took over on their 18-yard line. Chris Escobedo ran the majority of the eleven plays, behind the blocking of T.J. Baldwin and George Gilbert, taking the ball into the end zone for another six points. Escobedo's extra points counted and Lindsay's score read 16-0. Muenster played out the remaining time to halftime.

"We were back in our old habit," said Muenster Coach Kyle Baker. "We had a good second half, scoring and shutting them down."

Coach Linus Fuhrmann commented that the Squires had a good first half. "The offensive line blocked good and the boys ran hard, but it was not one of our better games."

Cody Sicking was on the receiving end of the opening 3rd quarter kick and scampered 40 yards to set up Muenster's first touchdown. Three plays later Sicking ran for six points. The PAT failed and Muenster closed the gap 16-6.

The teams exchanged punts, with Steven Reiter covering a loose ball to stop the Squires on their second drive. The Hornets got in ten plays before they were forced to punt. Again a fumbled ball stopped Lindsay when Darrell Charles covered the escaped pigskin on the 30-yard line. Muenster's four attempts picked

CODY SICKING (21) follows his blockers, Scott Frost (30), Jeff Felderhoff (64), Darrell Charles and Justin Camp (33) in Muenster's junior high game with Lindsay last week. Janie Hartman Photo

up only 3 yards, and Lindsay took the ball into the final quarter. Five plays and a punt returned the ball to Muenster at midfield. A 49-yard pass play from Eric Miller to Cody Sicking was good for another six points.

Lindsay again lost their drive on a fumbled ball which Steven Reiter covered for the young Hornets. Muenster's five plays kept the ball near midfield with Lindsay playing out the final seconds.

"I was pleased with the boys the second half," said Coach Baker, "but I'd like to see us play two halves of football." Baker said a turning point was a penalty that called back a first down late in the fourth quarter on their last drive, turning the ball over on downs.

"I was glad to get the win," said Lindsay Coach Linus Fuhrmann. "We played sloppy the second half, fumbling three times and giving up a tipped pass for a touchdown." Fuhrmann credited Allen Alsup, T.J. Baldwin, Chris Escobedo and Jeff Hale.

Muenster will play at Saint Jo Thursday evening, while Lindsay travels to Era. Both games begin at 6:00 p.m.

S.H. vs. Lexington

Sacred Heart junior high hosted a Dallas Lexington team Friday evening, finishing short 12-22. "We didn't play very good the first half," said Coach Danny Walterscheid. "Hopefully we learned our lesson and can come out and win."

It took Lexington only three plays their opening drive to score on the Cubs. The extra point run failed and the visitors took an early 6-0 lead.

Sacred Heart's first drive ended on the second run when a fumbled ball was covered by Lexington. The Cubs returned the favor the next play when John Klement fell on a loose ball. Starting from their 38-yard line, a pass from Paul Swirczynski to Klement took the ball into Pirates' territory. Swirczynski and Joseph McCoy moved the ball to the 20. An offside penalty assisted a pass from Swirczynski to Jake McCoy to the 9. A pitch to Klement moved the ball to the 3, but a quarterback sack left the Cubs with a 4th and goal on the 8. Unable to make the connection on a pass, Lexington took over.

Taking the ball into the second quarter, the young Patriots took 13 plays 92 yards into the end zone. The extra point run was good and the scoreboard read

the left side, in for six points. The extra point pass failed and the Cubs closed the gap to a 6-14 score.

Lexington bounced right back the next play from scrimmage, with a 55-yard pass run for 6 points. The PAT was good and with 29 seconds on the clock the Patriots took a 22-6 lead.

Sacred Heart again was led by McCoy and Klement on their next drive, moving from their 34-yard line into Lexington's 20. A pass from Paul Swirczynski to John Klement advanced the Cubs to the 5. From there Joseph McCoy took the ball into the end zone. The PAT pass was completed, but short and the score read 22-12 with three minutes left in the game.

Lexington moved into the Cubs' territory in two plays, but the next attempt was fumbled with Greg Flusche covering the ball for Sacred Heart. The Cubs were unsuccessful in picking up the needed yardage and Lexington played out the remaining time.

"For our size we're a good little ball club," said Coach Walterscheid. "If we play all four quarters, we can win." The Cubs' coach recognized Joseph McCoy for a good outstanding offensive game.

The Cubs will play Dallas Tyler Street in Duncanville at 5:00 p.m. For directions to the game, please see the Tigers' story.

NOTICE! Cushions are here

The Muenster band boosters have finally received the Red Hornet stadium seat cushions. They will be available at the Muenster vs. Saint Jo game Friday night. There is a limit of 100 cushions with over 40 already sold. The price is \$5.00 each. This is a fundraiser for the Hornet Band.

Landowners' liability based on fees and hunter's status

COLLEGE STATION - Deer season opens Nov. 2 across much of Texas, and landowners find themselves facing potential liability for hunters' safety.

"According to current law, the landowner's liability depends on the amount charged for entry," says attorney Judon Fambrough, author of *The Texas Deer Lease*.

"Landowners owe a recreational guest (hunter) no greater degree of care than is owed a trespasser if there is no charge for entry, or if the charge does not exceed twice the amount of the ad valorem taxes imposed on the hunting premises," says Fambrough.

Regarding trespassers, the landowner is liable for grossly negligent activities or for acts done with malicious intent or in bad faith.

If the landowner charges more than twice the amount of ad valorem taxes, the landowner has a duty to inspect the property and remedy any unsafe conditions. Alternatively, the landowner must warn the hunters of any unsafe conditions revealed by the inspection.

Landowners may limit liability by not charging a fee, or by keeping the charge to no more than twice the amount of ad valorem taxes.

Otherwise, landowners may reduce liability by:

- *routinely inspecting property and making the conditions safe or
- *routinely inspecting property and warning hunters of unsafe conditions.

Another method is to use a signed waiver from the hunter releasing the landowner from liability. The hunter must realize what rights are being given up and must grant the waiver willingly and intentionally.

Insurance will not reduce the landowner's liability but will provide a source of funds. The landowner may either purchase a policy or require that the hunters purchase and assign one to the landowner.

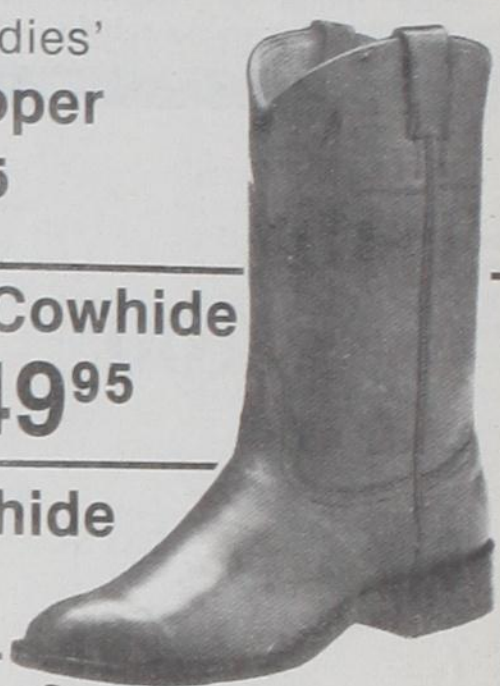

Recently revised and expanded, *The Texas Deer Lease* lists issues affecting hunters and landowners. New sections cover compliance with state hunting regulations and describe hunter and landowner responsibilities in more detail. The 12-page report, which includes a sample waiver form, is available for \$1 in Texas and \$2 out of state from the Real Estate Center, Texas A&M University, College Station, Texas 77843-2115. Request publication NR-570.

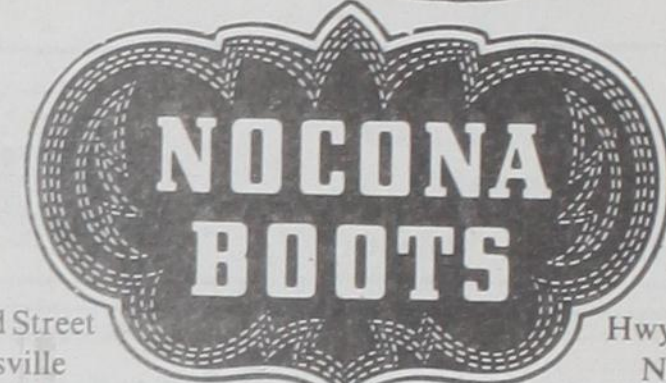

For a sample copy of the waiver form only, send a self-addressed envelope to the Real Estate Center at the above address.

SPECIAL NOTICE

THE STATE OF TEXAS

TO: Vento Mechanical, Inc., its unknown shareholders or its unknown successors in interest.

GREETING:

You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock a.m. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday, the 2nd of December, A.D., 1991, at or before 10 o'clock a.m., before the Honorable District Court of Cooke County, at the Court House in Gainesville, Texas. Said plaintiff's petition was filed on the 18th day of October, 1991. The file number of said suit being No. 91-552.

The names of the parties in said suit are: Gilbert F. Cuadra as Plaintiff, and Vento Mechanical, Inc., its unknown shareholders or its unknown successors in interest as Defendant. The nature of said suit being substantially as follows, to-wit: Judgment against defendants clearing Plaintiff's title of the cloud cast by defendants lien claim and quieting title to the property that is the subject matter of this suit being a tract of land, to-wit: 6.81 acres of land situated in the J. B. Botard Survey, Abstract No. 75, Cooke County, Texas, as recorded in Vol. 330, page 601 of the deed records of said Cooke County. Such other and further relief to which Plaintiff may be justly entitled.

The name and address of the attorney for plaintiff, or the address of plaintiff is: L. Kip Schiller, 109 West California Street, Gainesville, Texas 76240.

Issued this the 18th day of October, A.D., 1991.

NOTICE TO DEFENDANT: You have been sued. You may employ an attorney. If you or your attorney do not file a written answer with the clerk who issued this citation by 10:00 a.m. on the Monday next following the expiration of twenty days after you were served this citation and petition, a default judgment may be taken against you.

Given under my hand and seal of said Court, at office in Gainesville, Texas, this the 18th day of October, A.D., 1991.

NOTICE OF APPLICATION FOR OIL AND GAS WASTE DISPOSAL WELL PERMIT

August Oil, Rt. 1 Box 635, Muenster, Texas 76252 has applied to the Railroad Commission of Texas for a permit to dispose of produced salt water or other oil and gas waste by well injection into a porous formation productive of oil or gas.

The applicant proposes to dispose of oil and gas waste into the Evans Sand Formation, Evans Lease, Well Number 5. The proposed disposal well is located 9 miles NW of Muenster in the Rey-Bil Field in Cooke County. The waste water will be injected into strata in the subsurface depth interval from 1852 to 1856 feet.

LEGAL AUTHORITY: Chapter 27 of the Texas Water Code, as amended, Title 3 of the Natural Resources Code, as amended, and the Statewide Rules of the Oil and Gas Division of the Railroad Commission of Texas.

Requests for a public hearing from persons who can show they are adversely affected, or requests for further information concerning any aspect of the application should be submitted in writing, within fifteen days of publication, to the Underground Injection Control Section, Oil and Gas Division, Railroad Commission of Texas, Drawer 12967, Capitol Station, Austin, Texas 78711 (telephone 512/463-6790).

THE STATE OF TEXAS

TO: Jim Robison, Rt. 2 Box 450, Muenster, Texas 76252, Greeting:

You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A.M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday, the 25th day of November, A.D., 1991, at or before 10 o'clock A.M., before the Honorable 235th District Court of Cooke County, at the Court House in Gainesville, Texas. Said plaintiff's petition was filed on the 8th day of October, 1991. The file number of said suit being No. 91-538.

The names of the parties in said suit are: Gainesville National Bank Valley View as Plaintiff, and Jim Robison as Defendant. The nature of said suit being substantially as follows, to-wit: Defendant defaulted in paying notes owed to Gainesville National Bank Valley View.

The name and address of the attorney for plaintiff, or the address of plaintiff is: Thomas L. Claxton, 102 E. Elm, P.O. Drawer C, Gainesville, Texas.

Issued this the 9th day of October, A.D., 1991.

NOTICE TO DEFENDANT: You have been sued. You may employ an attorney. If you or your attorney do not file a written answer with the clerk who issued this citation by 10:00 a.m. on the Monday next following the expiration of twenty days after you were served this citation and petition, a default judgment may be taken against you.

Given under my hand and seal of said Court, at office in Gainesville, Texas, this the 9th day of October, A.D., 1991.

TDA offers brochure, video on fighting fire ants

AUSTIN - Many Texans rank fire ants as their number one pest problem. To help residents combat the ants now found in more than half of the state's counties, the Texas Department of Agriculture is offering a new brochure and video giving tips on the latest ways to control the insects safely.

Killing or neutralizing the queen is the key to controlling fire ant colonies. Spreading bait uniformly over an infested area causes foraging ants to take bait back to queens and their colonies. This method also calls for just a pound to a pound-and-a-half of bait per acre, which minimizes the amount of pesticide used.

To ensure the baits - such as Fire Ant Ender, Amdro and Logic - work, the ground must be dry

and the ground temperature should be between 70 to 95 degrees Fahrenheit. A bit of peanut butter, tuna fish or cheese placed outside for 15 to 20 minutes can tell you if it's the right time to put out bait. If the food is covered with ants, this means they are out foraging. The best time to treat is in early spring before new queens establish colonies.

The most effective program will involve using a combination of pathogens, parasites and maybe even predators for a long-term fire ant solution, he said.

The brochure is free. The video costs \$12.50. For a copy of the brochure or video contact the TDA office nearest you or write to the Plant Quality Program, Texas Department of Agriculture, P.O. Box 12847, Austin, Texas 78711.

Additional \$5 fee collected to fund endowment program

Effective Jan. 1, 1992, an additional fee of \$5 will be collected at the time of registration for motor vehicles registered with Farm Truck and Farm Tractor license plates. Money from the fund will be made available to young farmers in the form of interest-free loans not to exceed \$50,000 for eligible borrowers to establish their first farming or ranching operation. This program was established with the passage of House Bill 1826 during the regular 1991 session of the 72nd Texas Legislature.

The additional \$5 fee will apply beginning Jan. 1, 1992 to all new, out-of-state and unregistered motor vehicles being registered with Farm Truck and Farm Tractor license plates. The fee will also apply to late renewals with an expiration date of Dec. 31, 1991 or prior, for motor vehicles being registered with Farm Truck license plates. It will also apply if regular license plates are exchanged for Farm Truck or Farm Tractor license plates.

An eligible borrower in this program means a person who is at least 18 years of age but younger than 40 years of age and who has at least four years of practical farm or ranch experience, with not more than two years of participation in a 4-H or a vocational agriculture program counting as practical farm or ranch experience.

Loans made under this program

are interest free, but loan proceeds may only be used for the following purposes: feed, seed, fertilizer, livestock, poultry, farm equipment, farm facilities, leases of farmland, or to repay loans from other lenders borrowed to purchase or lease those items to establish the borrower's first farm or ranch operation. Under section 253.003, the loan can also be used as collateral when applying for a commercial loan.

In applying for a loan, an applicant must first present a 10-year plan for his proposed farm or ranch to their county agent or agricultural science teacher, who may assist the applicant in revising the plan if needed.

After the county agent or agricultural science teacher reviews the plan, the applicant must submit the plan to the board of directors of the Texas Agricultural Finance Authority for review and consideration.

If the loan is approved, it must be repaid according to the repayment schedule which will be determined for each individual by the board. The schedule must require the loan recipient to begin payment of the loan not later than the second anniversary of the date on which the loan was made. The loan should be fully repaid no later than the 15th anniversary of the date on which the loan was made, but the board may grant an extension on the deadline imposed by this section.

County Agent's Report

by Craig Rosenbaum

Firewood Insects

As winter months in Cooke County approach and temperatures dip, homeowners begin to supplement heating costs by using their fireplaces and wood burning stoves. Wood burned in these fireplaces and stoves serves as an excellent harborage site for insects. Insects may be found inside the wood and emerge once wood is brought inside the home or they may take refuge in firewood stacked too close to the home and move inside later.

There are a large number of wood infesting insects and wood is subject to attack while trees are standing as well as after they are cut and wood is stacked and stored. Infested wood that is stored inside the home is often the source of wood boring beetles and other insects that are found by homeowners. The insect's life cycle is accelerated by temperatures found inside the home. The insects develop rapidly and when adults emerge from the wood, they cause great concern to the homeowner.

The majority of insects found in firewood is harmless to structural timbers, furniture, and other wooden structures found inside the home. Homeowners can consider most firewood dwelling insects as merely nuisance pests. Powder post beetles (lyctids and anobids) emerging from firewood stored inside the home will not attack seasoned wood or woods that

have been painted, varnished or sealed. Cockroaches, psocids, spiders, earwigs, and scorpions may also inhabit firewood, but will seldom damage home structures.

How to avoid insect problems in firewood

1. Store firewood away from the house to eliminate a convenient harborage site for pests.

Keep firewood off the ground. Wood in contact with the ground provides an attractive harborage area.

3. Stack firewood to accelerate the drying out process. Wood should be stacked so that air can flow through and around the wood. Stacking wood in alternate rows also permits easy access by predators and parasites to many of the inhabitants of stored firewood.

4. Do not store large quantities of firewood inside the home. Bring wood inside the home in quantities that will be burned in a short period of time.

Chemical Control

1. Do not treat firewood with insecticides. Treating firewood with insecticides is not a safe practice and will not result in any measurable control. Most insects inhabiting firewood live in the wood or between the wood-bark interface. An insecticidal spray will seldom, if ever, reach these insects.

TDA protects consumers against false pricing practices

by Rick Perry, Texas Agriculture Commissioner

Every time consumers pump gasoline, weigh produce on a supermarket scale or stand in a grocery check-out line, they take for granted that they won't be overcharged for their purchase. And most of the time they're right. But fuel pumps, scales and bar code scanners do malfunction, and deception, while not the rule, does occur. In most cases, the Texas Department of Agriculture steps in to protect consumers and, when necessary, prosecute violators.

TDA has guaranteed that Texas consumers get a fair deal in business transactions involving weights and measures for 72 years.

Today the agency's role as a watchdog affects every consumer in Texas. This year we will inspect about 181,000 fuel pumps, pharmacy scales and small scales. All commercial scales in the state, including those at supermarkets,

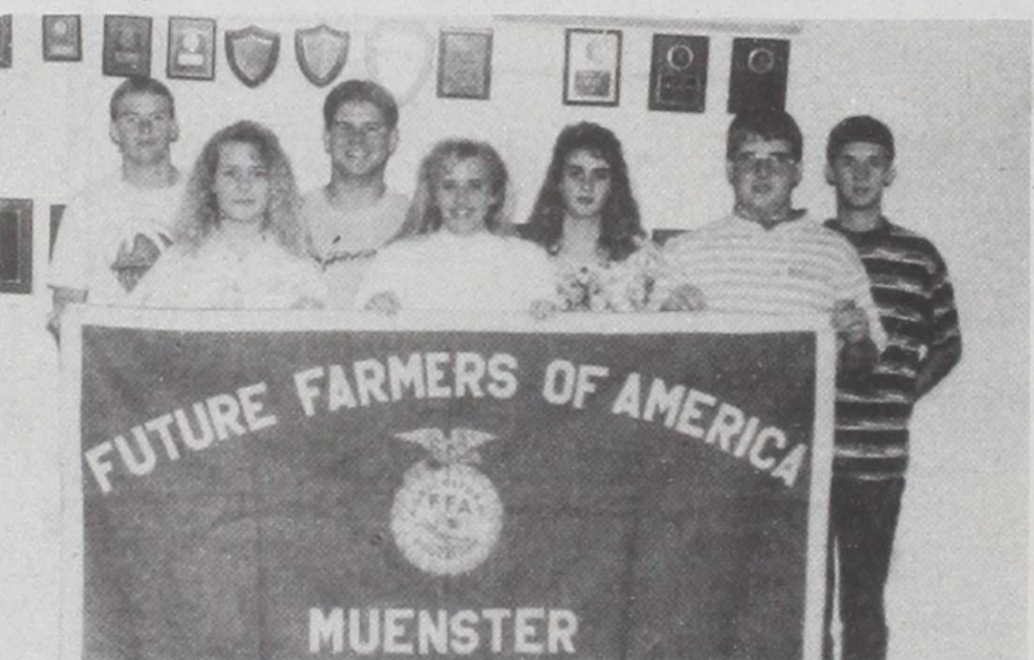

pharmacies, feedlots, livestock markets and grain elevators, come under TDA's jurisdiction. Fifty-five to 60 percent of these devices are checked every year by a staff of specially trained TDA inspectors stationed in five regional offices around the state.

Last summer, TDA fined 12 companies \$18,250 for selling short-weight packages of animal feed and feed supplements in bags that were marked 50 pounds but were one to five pounds underweight. Other bulk items like fertilizer and seed are subject to similar inspections.

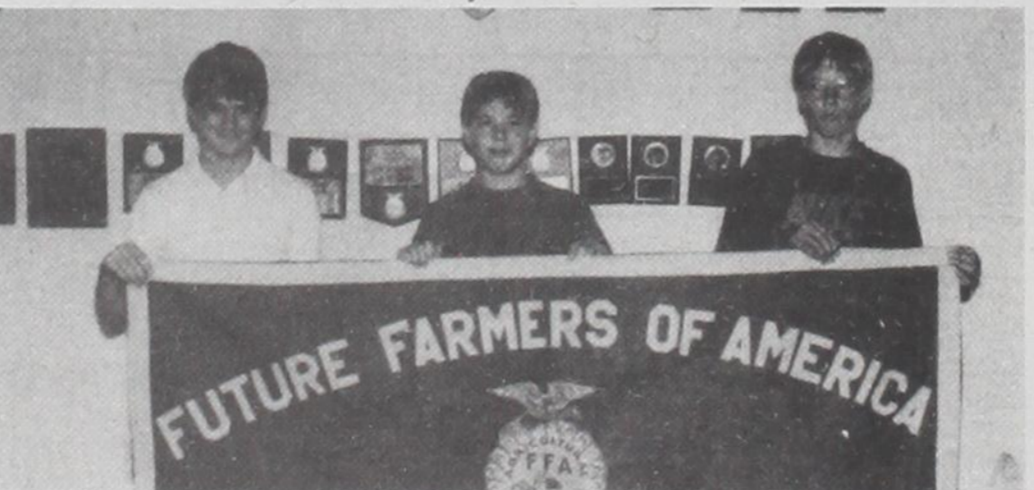

Anyone who suspects that a scale, gasoline pump or other weighing and measuring device is inaccurate should call the department for assistance. A regional TDA center is located in Dallas with several sub-offices. The Consumer Programs office in Austin can be reached at 1-800-835-5832.

Muenster Future Farmers

The following FFA members have been preparing for the District Leadership Contest, which will be held Oct. 28.

THE FUHRMANN BROTHERS of Lindsay (l to r, Leonard, Andy, Eddie and Paul), recently received the Goodyear/National Association of Conservation Districts 1991 soil and water conservation award for outstanding land stewardship. The brothers run a 1500-acre farm and ranch operation centered around their registered Limousin cattle business. They have worked closely with the Upper Elm-Red Soil and Water Conservation District (SWCD) and the USDA Soil Conservation Service to carefully manage and enhance their soil and water resources. The SWCD recognized their achievements by naming the brothers as Outstanding Conservationists in Zone III at the 1990 Conservation Awards Banquet. The Upper Elm-Red SWCD is once again proud to honor the Fuhrmann Brothers for their conservation efforts.

Habitat improvement increases quality of game

Brush management could help one increase income from hunting leases as well as livestock.

Ranchers typically open up brush to increase grass for cattle, but wildlife habitat can be helped or hurt by such changes, says Dr. Jack Payne, former Texas Extension wildlife specialist now with Ducks Unlimited.

How wildlife responds depends on the particular habitat needs of each species.

In general, game animals such as quail, dove, deer and turkey will benefit from a diversity of brush, weeds and grass, and an increase in "edge" between these habitats. To maximize edge, many range managers clear or treat brush in strips.

"You can take the same piece of property, and without increasing the area, increase the carrying capacity of the habitat," Payne says.

Habitat improvement can help increase quality of game and increase the number of species available to hunt.

"Lots of things go into a hunting lease besides creating good

habitat," Payne says, "but everything else being equal, you should have happier hunters and be able to charge more."

Get qualified help with a game management plan, Payne advises. Stick with the plan at least five years and be sure to document changes in the land and wildlife. Record brush manipulation and wildlife counts. Keep harvest records. On deer, note the ages, weights, body condition scores, and antler measurements. That's how you sell price increases.

Happy Birthday, Weldon Hermes!

Fertilize for Spring wheat now.

Give your new wheat crop a fast start, and make sure it has all the nutrients it needs to produce the yield you're after.

Base your fertilizer plans on soil test information and your realistic yield goals, then apply all your fertilizer ahead of the drill. Do it early... as soon as the weather breaks. You'll be ready to plant when the soil temperature is right.

Let our Fertilizer Specialist help you from the start. We have all the materials that have been proven effective in this area. We can also arrange custom application if you wish. Come see us soon. *We're ready when you are.*
