Oktoberfest offers full agenda of competitions and entertainment

An Oktoberfest celebration is being sponsored by the Muenster Chamber of Commerce on Saturday, Oct. 19. The event has a variety of activities scheduled from 9 a.m. until 9 p.m.

Entertainment includes German music and songs, local dance and gymnastic routines, martial arts presentation, polka and square dancing, country and western music, and a Polka Street dance from 6 to 9 p.m.

For those who appreciate items from the past there will be an antique car show, antique farm machinery show, and antique toy display. All of the Oktoberfest events will take place on Main Street or on a nearby side street. Main Street will be closed to traffic from the red light on Hwy. 82 to Second Street.

Arts and crafts display spaces will be available to crafters wishing to sell their items. The spaces will be \$20 each. The Crafty Olde German is sponsoring this and can be contacted at 759-2505.

Edelweiss Kinderhaus has arranged for a wood carving demonstration and will also have a number of children's crafts projects available outside of their store.

KCs seeking nominations for the Good Neighbor

Muenster Knights of Columbus are again asking for help from the community in selecting a person deserving of the annual Good Neighbor Award. All nominees should be non-Catholic members of the community who exemplify good qualities.

Nominations should be given by Sunday, Oct. 13. To nominate someone contact either John Walterscheid at 759-4732 or Ben Bindel at 759-4578.

The award will be presented at the annual awards banquet which is scheduled for Sunday, Oct. 20.

A pumpkin carving and decorating contest will be sponsored by Out On A Limb, The Shoe Rack, and Lora's Flowers. It will be outside of the Olde Theatre Mall. Contestants in the pumpkin carving are asked to bring their pumpkin already carved. Those participating in the decorating can decorate them at the Oktoberfest.

Hess Furniture is the sponsor for the Quilt Show and already has some entries on display. All entries must be brought to Hess Furniture by Saturday, Oct. 12. A

prize will be awarded for the quilt judged Best of Show. For further information, call 759-4455.

Among the sports competitions are 3-on-3 street basketball, volleyball, and a horseshoe tournament. 3-on-3 street basketball is sponsored by the Chamber of Commerce and Gilbert Endres Distributing. Event chairmen are Mike Pagel, Melvin Luke, Bob Hermes, Monte Endres and J.T. Pagel. The entry fee is \$60 per team.

Sponsoring the volleyball tour-

namment are Sacred Heart Alumni and Clyde D. Fisher Distributing. The entry fee is \$30 per team. A horseshoe tournament is being chaired by Kevin Anderle and Jerry Reed. Sponsors are the Muenster Jaycees and Cooke County Distributing. Entry fee is \$2 per person per game.

For fun and folly, Gary Fisher encourages local businesses to enter a team in the Bed Races. The relay-style race will be held on Main Street at 3 p.m. To enter, a team must pay a \$35 entry fee and the team will consist of at least six contestants to push the bed while one team member rides. An eighth member can also ride and will be able to act as a relief if one of those pushing tires. Teams will be awarded prizes for the fastest and also for best decorated bed. Contestants could add to the fun by dressing in a theme with the bed's decorations. Two beds will be available, but contestants can also bring their own.

There will also be an Ugliest Dog Contest with entrants displaying their dog in the back of a pickup on a leash. An old worn-out pickup would be best. All pickups will park in an area to be announced in next week's Muenster Enterprise. Dogs can be dressed to fit the contest theme. There is no entry fee and prizes will be awarded to the dog.

The Moslah Shrine Band of Grapevine will perform from 6 to 9 p.m. for a polka street dance on Main Street.

Proceeds from this Oktoberfest will go towards the beautification of Muenster. For further information, call Margie Starke at the Muenster Chamber of Commerce, 759-2227.

WHO WILL YOU TAKE TO THE DANCE? Tammy Wimmer, left, Dave Fette and Donna Biffle have fun in their '50s attire and are ready for the Muenster Memorial Hospital Auxiliary's Nifty '50s Dance this Saturday night. Thanks to Mary Rohmer for the use of her automobile for the photo.

'50s Dance rocks off with Music Revue Hour

A fast moving revue of music from the '50s into the early '60s will be featured from 8 to 9 p.m. before the Muenster Memorial Hospital Auxiliary's benefit dance on Saturday, Oct. 12. The revue is included in the cost of the dance ticket and will be held in the Community Center.

"We have some exciting talent and it should be a lot of fun," remarked Jane Monday, Music Revue Chairman.

Performing the '50s and '60s music will be Red N Motion, the Sacred Heart Dance Team; Christy and Bert Hesse; Jack and Jenny White; Cross Fire, a female trio from Saint Jo; Shawna Herr; Doug Yosten; Pam and David Fette and Emily Klement.

Those attending the dance are encouraged to wear '50s costumes to add to the fun spirit of the dance. Contests will be held for those dressing as Elvis and Marilyn Monroe look-alikes. Other contests include twist, jitterbug, hula hoop, and limbo.

Jane Taylor, chairman of the Memorabilia Committee, is still accepting items from the '50s. They can range from clothing to school yearbooks, photos, newspaper articles, or anything that might bring back memories from that decade. To loan an item for this purpose, contact Jane at 759-4252.

Those planning to attend should purchase a ticket soon, as it must be presented at the door for admission. They are available at the Muenster Chamber of Commerce or the Muenster Hospital. Table reservations are on a first come first serve basis and can be made by calling 759-2227.

LISA SCHILLING, daughter of Frank Jr. and Eileen Schilling, was crowned the 1991 Sacred Heart Homecoming Queen last Saturday in a pre-game ceremony. She is escorted by Kelly Bell, son of Jeannie Bell, who was crowned Homecoming King at the Tiger Pep Rally on Friday afternoon.

Muenster City Council considers trash collection changes at meeting

Garbage collection rates in Muenster may increase soon if the City Council approves a request by Texas Waste Management, Inc. TWM representatives were at the City Council meeting Monday night, seeking to pass through to the customers a surcharge increase by the Texas Department of Health. TWM calls this an unexpected cost. It is not covered by the current waste removal contract with Muenster.

Essentially, the Dept. of Health was charging garbage collectors a surcharge of 50 cents per ton for each ton put into a landfill. One of the things voters okayed in the last election was an increase on this surcharge to 50 cents per cubic yard (average 3.8 yards per ton), effective Sept. 1, 1991.

Texas Waste Management wants to pass this cost through to the customer by increasing residential rates by 10 cents per home per month, and business rates 9 cents per cubic yard. They want this increase effective Oct. 1, 1991.

Because they are under contract, the city does not have to allow this increase. The council asked for time to study the in-

crease until next meeting.

TWM also asked for permission to change their collection procedures to use new lighter weight trucks and collect garbage on Wednesday and Saturday instead of Tuesday and Friday. Council also asked for time on this decision. The lighter trucks will not handle the large commercial dumpsters, so some businesses may have to have two small units. On the plus side is the fact that lighter trucks will put less wear on the streets.

Other items of business and discussion addressed by the City Council included:

-Request from Muenster Independent School District to use the city's north water well was tabled.

-The city will request a

6-month trial lease of the Trachta building (now vacant) next door to City Hall, as a solution to overcrowded record storage conditions at City Hall. The lease is expected to cost \$200.00 per month.

-Procedures necessary to open West Ninth Street east from Ash Street were discussed.

-MISD request for a street light at the corner of Eighth and Walnut Streets was approved to light up the dark area north of the elementary building.

-Semi-annual \$2,500.00 contribution to the public library was approved.

-\$2,000 contribution to the Firemen's Pension Fund was approved.

-Request will be made to renew the lease on the Muenster Museum

Muenster High School celebrates Homecoming 1991 on October 11

The anticipation is evident as Muenster High School students prepare for the 1991 Homecoming festivities. Kick-off time is 7:30 p.m. when the Muenster Hornets challenge the Collinsville Pirates at Hornet Stadium this Friday night.

Pre-game activities included a special liturgy for the evening Mass on Wednesday with formal presentation of the queen candidates and princesses by the Student Council at the 3:10 Pep Rally Friday afternoon. The Homecoming Court will also be escorted by their parents on to the field before the game begins.

The identity of the 1991 Muenster High School Homecoming Queen will be revealed during halftime ceremonies. Melissa

Bayer, last year's queen, will present the crown, roses and queen's banner, all of which are provided by the Student Council. Troy Pagel, 1991 graduate, will be Miss Bayer's escort. Principal Jerry Metzler will emcee the ceremony.

Senior Homecoming Queen candidates are Jami Flusche, daughter of Tom and Judy Flusche; Julie Hess, daughter of Dennis and Kathy Hess; Leslie Klement, daughter of Robert and Gloria Klement; and Stephanie Wimmer, daughter of Willie and Margie Wimmer.

Terry Felderhoff, Brad McDaniel, Kelly Colwell, and Darrin Russell, who are all members of the 1991 graduating class, will escort the candidates.

Princesses are Lori Graham, daughter of Gerald and Donna Graham; Amy Otto, daughter of Ed and Darlene Otto; and Denise Russell, daughter of Robert and Rita Russell. They will be escorted by 1991 graduates Scott Hudspeth, Jon Fleitman and Paul Black.

Princesses and Queen Candidates were nominated by their own classes. The Homecoming Queen is chosen from Senior Queen candidates in a general election from the high school students.

The Muenster Hornet Marching Band will perform during halftime. They will be led by Marlene Hess, drum major, and Chelby Schoppa, assistant drum major.

County tax rate set

by Elaine Schad

Following almost a month's delay, Cooke County's school districts can now go about the business of setting their tax rates following approval of a county tax rate, officials said this week.

The Cooke County Education District Board of Trustees on Thursday set the county tax rate at 93.07 cents per \$100 of assessed property value for the eight school districts in the county.

The new rate is based on data that required the CCED to generate \$5.4 million in total local property tax revenues to be distributed to the eight school districts. The rate is based on a countywide collection rate of 92 percent and a final certified county property value of \$629.2 million, officials said.

The county rate will be listed as a separate item on taxpayers' statements, and the CCED will be treated as a separate taxing entity, officials said.

Approval of the county tax rate comes following more than a month of delays while waiting for final tax figures from the Cooke County

Appraisal District Office, officials said.

The CCAD was delayed in obtaining final property values because of the installation of new computer software to handle the new education district tax figures, said CCAD Chief Appraiser Ross Fry. "This conversion and change of software has really been tough," said Fry.

School districts, by state law, must wait seven days after the published ad before they can set the tax rate, he said. The Muenster School District Board is expected to set a 5-cent rate Oct. 10.

That means tax statements are expected to be delayed until at least the first part of November, said Fry. "We'll need a week to 10 days after the last district sets its rate to get out the statements," he said.

The CCED has contracted with the CCAD to collect the taxes for the education district. Once local tax money begins to arrive, the CCAD will distribute it on a percentage basis to the individual school districts, said Fry.

SPONSORED by the Sacred Heart Student Council, the Chain of Life drew approximately 50 persons who attended the Sunday afternoon, Oct. 6, event from 2 to 3 p.m. in support of the Right to Life, joining more than 300 cities in the U.S. and several foreign countries to demonstrate that Christian communities are opposed to abortion. The group gathered on

Main Street, joined in praying the Rosary, and carried and displayed posters. Melissa Miller was project chairman. Adult members of the committee were Jeannene Flusche, Debbie Endres and Jeanne Greathouse.

Letters to the Editor

To the Editor:
 Article VIII section 22 of the Texas Constitution states, "In no biennium shall the rate of growth of appropriations from state tax revenue not dedicated by this constitution exceed the estimated rate of growth of the state's economy." But, we have just been handed a 27.7 percent increase in the state budget. Please note this is an increase almost 4 times faster than the combination of population growth and inflation.

In 1980 our state budget was 10.2 billion. In 1991 it was 23.5 billion or an average yearly increase of 12 percent. Now we have moved from a 12 percent increase to a 27.7 yearly increase. Where will it stop??

Article one section 2 states all political power is inherent in the people. Not so, it is vested in the lobbyists. In early 1991 we had 666, we now have 849.

Do lobbyists pay off - ask charity bingo they got 5 new taxes while dog and horse racing tax dropped from 6 percent to 1 percent.

It is impossible for we the people to get a bill out of committee, and since we can't get in the front door we must enter the back door route by petition.

Special election is cancelled in Lindsay

by Elaine Schad

The Lindsay City Council this week cancelled a November 5 special election to fill the mayor's seat after no candidates filed.

The council will appoint a mayor at its November 4 meeting. The council has asked Mayor Pro Tem Don Metzler to accept the position until May of 1992.

The council is also expected to appoint a person to serve the remainder of Metzler's term which runs through May of 1993.

COUNCIL

Continued from Page 1 building.

-Discussed replacement members for the Water District Board and Zoning Board.

-Approved Arthur Felderhoff proposal for Cooke County Appraisal District Board member.

-Approved payment of monthly bills totaling \$30,542.28.

-Discussed oil and chip paving projects on Sycamore, Seventh and Mesquite Streets and proposed overlay paving of Pecan Street and two adjoining blocks of Fourth Street.

-Meeting adjourned with no executive session.

THURMAN REID, left, receives a plaque honoring him for 43 years of service to Cooke County Electric Cooperative when he retired in September. General Manager Phil Slater presented the plaque at a small party in the Cooperative offices.

MUENSTER JAYCEES Terry Walterscheid, left, and Craig Monday, right, present a \$1,500.00 check to Lee Simons, center, coordinator for Reach To Recovery. Ms. Simons accepted the check which was to be used for patient services for everything except transportation to treatment, on behalf of the Cooke County Unit of the American Cancer Society. The money was earned at the Jaycee-sponsored Ruth Hess Memorial Golf Tournament. For more information on the Cooke County Cancer Services, contact Ms. Simons, 665-9386, or Ellen Moody, 665-4490. Ms. Simons expressed thanks to everyone who participated in the fundraiser.

State Legislature addresses problem of custody payments, with interest

by Ric Williamson
 State Representative

AUSTIN - This is the second in a series of articles analyzing the work of the recently-concluded 1st and 2nd Called Sessions of the 72nd Legislature this past summer.

The preceding article focused upon the budgetary effects of 1 HOUSE BILL No. 7 by Vowell ("relating to health and human services, including the powers and duties of the Health Services Commission, Texas Department of Health, other state agencies and providers, and including the enforcement of child support obligations; creating offenses and providing penalties; authorizing the issuance of bonds") of the 1st Called Session and examined the mergers, consolidations and transfers that have been, and will be, affected by that historic legislation.

This article, however, will look at those provisions of 1 H.B. No. 7 that concern the payment of court-ordered child support - an issue of great concern to several people in Cooke County. It is important to note that 1 H.B. No. 7 works in concert with a bill from the Regular Session that did become law this past September 1st: H.B. No. 769 by Conley ("relating to the accrual of interest on and the enforcement of judgments for unpaid child support").

In times past, a divorced parent who was granted custody of the child or children was powerless to compel the non-custodial parent to pay child support if a court of competent jurisdiction had in fact ordered the non-custodial parent

to make such payments. With H.B. No. 769, however, a non-custodial parent who does not make timely payment will be subject to interest penalties for the lateness - payable to the custodial parent. The language of the bill makes this mandatory and not at the discretion of a judge. The 72nd Legislature deemed this an effective and efficient means of compelling timely payment of past - due child support. To supplement this bill from the Regular Session, 1 H.B. No. 7 of the 1st Called Session would allow, independently of H.B. No. 769 and in addition to the Attorney General's Office, a domestic relations office attorney, a court-appointed friend-of-the-court or a private attorney representing the custodial parent, to initiate notice of delinquency proceedings against the non-custodial parent.

Under the terms of 1 H.B. No. 7, any beneficiary of a child support lien could assert that lien and enforce that lien. Such lien would attach to non-homestead real property and personal property not exempted under the Texas Constitution. Furthermore, the bill would require a court, in determining how a child's health insurance would be provided, to order the non-custodial parent to cover the child under a health insurance policy available through the non-custodial parent's employment unless it could be shown that such an order would not be in the best interest of the child. And if there is no such health insurance coverage for the non-custodial parent, the court would be required to order that the non-custodial parent to make

up the extra cost to the custodial parent - again - unless it could be shown that to do so would not be in the best interest of the child. The bill would also empower the Attorney General's Office or a domestic relations office to compel the non-custodial parent's employer to enroll the child in the employer's health insurance coverage as the non-custodial parent's dependent.

Still other provision of 1 H.B. No. 7 would:

- (1) Facilitate access to information concerning parents;
- (2) Give child support agencies the authority they would need in order to commence enforcement proceedings of a child support order; and
- (3) Create a mechanism for parents to settle disputes in negotiation conferences.

The failure of a non-custodial parent to pay his or her child support is a burden on all of us. Statistics indicate that a large number of single mothers and children currently qualifying for some form of welfare assistance are victims of a failed child support collection system. To the extent that we can improve the child support collection system, we can simultaneously lower our social welfare costs.

The next installment will examine remaining aspects of 1 H.B. No. 7. My staff and I hope that this and the first article have proven informative to you.

As always, your comments or questions on this - or any other issue pertaining to State government - are most welcome. You may reach me by letter at P.O. Box 1179, Weatherford, TX, 76086, or by telephone at (817) 599-8363 when the Legislature is at recess or by letter at P.O. Box 2910, Austin, TX 78768, or by telephone at (512) 463-0738 when the Legislature is in session.

CCAD taxing system rolls

by Elaine Schad

Some Cooke County taxpayers, especially those with homesteads and those over 65 years of age, will probably see a reduction in the actual tax dollars they will pay for 1991 when all the shifting gets finished with the creation of the new education districts, officials said.

While homeowners and the elderly will get a break, business people and those who own rental or other property are expected to take up the slack as county school districts receive local tax money on which to operate, said Ross Fry, chief appraiser of the Cooke County Appraisal District.

"Basically, a homeowner who is over 65 could make out like a bandit," said Fry, according to new exemptions being granted as a result of an August election.

Because of the successful election, the county education district will grant a 20 percent homestead exemption. Those over 65 will receive an additional exemption of \$10,000.

Total county property value for the new tax year is \$1.2 billion. Once all the exemptions are removed, the county education district is left with a total taxable property value of \$629.2 million on which it sets its tax rate, said Fry.

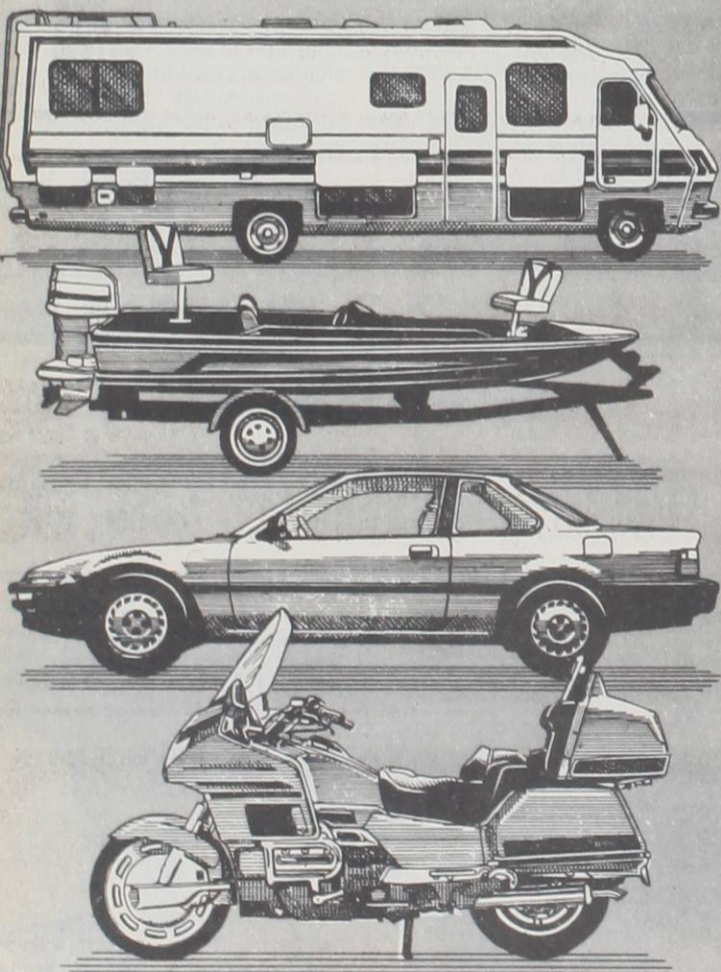

Additionally, while some school districts in Cooke County dropped taxation of vehicles several years ago, others have just decided to do so for the 1991 tax year, said Fry. That should be an additional break for some taxpayers, he said.

Whatever the mechanics of the new county taxing system and whoever the winners and losers, officials will probably have to wait a year before they know the whole story on the county education district, said Fry. "It's so complicated and after a year we'll have a history on it," he said of the CCED. "It's kind of important to do an analysis on it."

Dinner and auction benefits CCC Endowment Foundation

Anyone looking for that perfect Christmas gift for the friend or relative who has everything could find his problem solved at the "Share the Harvest" Dinner and Auction on Oct. 19 at the Knights of Columbus Hall sponsored by the Cooke County College Endowment Foundation.

Among the many items that will go on the auction block are an elk/deer hunting trip in Colorado, antiques, a registered laborador puppy, handmade crafts, framed limited edition art and two hours of computer consultation.

This is the first benefit dinner and auction sponsored by the CCC Endowment Foundation and board members plan on making it an annual event. Event director Dr. Bill Wellman came up with the theme which he said reflects the spirit of the endowment foundation which provides scholarships for CCC students. The Cooke County College Endowment Foundation, Inc. is a nonprofit corporation, separate from the college, that was established in 1983 to receive gifts and bequests for the advancement of CCC and its students.

Festivities will begin at 7 p.m. In keeping with the "Share the Harvest" theme, and old fashioned chicken dinner with all of the trimmings will be catered by Grandy's. Thrash said that Lindsay Elementary School students and children in the Headstart Program donated their time and effort to the cause by "artfully" creating the table decorations. She added that "you have to be there Oct. 19 to appreciate them."

Wellman noted that entertainment and refreshments would be served during the auction. To add to the fun, he said many lucky participants will walk away with door prizes that will be given away throughout the evening.

In addition to the Colorado hunting trip, a turkey hunt for two

guns, and trips to Dallas and Las Vegas will go on the auction block as well as a ski trip to Steamboat, Colo.

Tickets are \$12 per person or \$20 a couple and can be purchased at Cooke County College, Wellman Clinic, First State Bank and Gainesville National Bank. Muenster residents can purchase tickets through CCC Endowment Foundation board member and CCC Trustee Urban Endres.

Landfills program to be held Oct. 17

The Gainesville League of Women Voters will sponsor a second program on Landfills on Thursday, Oct. 17 at 7:00 p.m. at the Gainesville Area Chamber of Commerce.

Speakers for the occasion will be Rick Cisar, Director of Community Development at the Texas Council of Governments, Denison; and Kenneth Welch, Engineering Consultant, Freese and Nicholas, Inc., Consulting Engineers of Fort Worth. The public is invited to attend.

Grandson of Margaret Fisher marries in Washington

MR. and MRS. JOHN ALBERT RUMELHART
...nee Marcy Jeanne Nichols...

Marcy Jeanne Nichols and John Albert Rumelhart were united in marriage on Saturday, Sept. 21, 1991 at 2 p.m. in the afternoon at Saint Joseph's Catholic Church in Metaline Falls, Washington.

The bride is the daughter of Dean and Dottie Nichols and the late Barbara Nichols of Wenatchee, Washington. The groom is the son of Max and Ruth Rumelhart of Buda, Texas and the grandson of Mrs. Margaret Fisher and the late John A. Fisher of Muenster, and Mrs. Deloris Rumelhart and the late Albert Rumelhart of Metaline, Washington.

Father Nicholas Kwiatkowski officiated the double ring ceremony and celebrated the Nuptial Mass.

The bride wore a Victorian wedding gown with elegant lace detail, a tiered veil of illusion, and carried a mixed bouquet of roses and daisies. She also carried a rosary that was a gift from her father to her mother on their wedding day.

ATTENDANTS
Mary Nichols, sister of the bride, served as maid of honor. Bill Spiller of San Antonio served as best man. Ushers were Mike Nichols, twin brother of the bride, and Matthew Rumelhart, brother of the groom, of Houston.

Liturgical Readings for the Nuptial Mass were given by Anne Easley of Baton Rouge and Elizabeth Rumelhart of Columbia Falls, Montana, sisters of the groom.

A dinner reception followed at Metaline Waterfront Park.

The bride is a graduate of Wenatchee High School, and received a degree in Forest Technology from Centralia College.

The groom is a graduate of Jack C. Hays High School in Buda, Texas and received a degree in Electrical Engineering from the University of Texas at Austin. Both are currently employed with the U.S. Forest Service in Metaline Falls, Washington. Following a wedding trip, the couple is at home in Metaline, Washington.

Among out-of-town guests were Mrs. Margaret Fisher, and Johnny and Louise Fisher all of Muenster.

Muenster Public Library earns membership in library system

The Muenster Public Library was recently accredited as a member of the Texas Library System for fiscal year 1991, according to William D. Gooch, Director and Librarian of the Texas State Library.

"We are pleased to award a certificate of system membership in recognition of the efforts this community has made in providing public library services," said Gooch. "It is a symbol of having achieved a level of excellence."

The Muenster Public Library is a renewal member of Northeast Texas Library System, and serves citizens in Muenster and Cooke County. Muenster Public Library had to meet strict criteria, according to Bobbie Jane Slater, Librarian, such as hours of access, professional staffing requirements, number of library materials, and local per capita support to become an accredited member. Public libraries must apply and qualify for system membership annually. Muenster Public Library has been a member of Northeast Texas Library System for sixteen (16) years.

Authorized by the Library Systems Act of 1969, the Texas Library System was developed to improve library service in the state through cooperative efforts. Comprised of ten regions, the statewide system provides an opportunity for local libraries to make the best possible use of both their own resources and those available elsewhere in the system. These cooperative efforts are made possible through state and federal funds appropriated to the Library Development Program of the Texas State Library. This year the Texas State Library will distribute about \$8 million to the ten library systems.

The staff and the board of the Muenster Public Library are pleased to be a member of the Texas Library System. Being a member of NETLS makes it possible for us to serve our patrons even better because of the resources available to us through the system.

The hours at the Muenster Public Library are Tuesday, 8:30 to 5:00; Wednesday, 2:30 to 5:30; and Thursday, 8:30 to 5:00.

Geography Bee set for week of Dec. 6 at MISD

Muenster I.S.D., grades four through eight, are preparing for the National Geography Bee to be held the week of December 6.

Students will learn more about geography, wildlife resources, locations and customs. They are also eligible for local, state and national prizes.

Muenster I.S.D. National Honor Society will award prizes to the top three winners in the school. The state winner will

receive \$100 and a trip to Washington D.C. The National contest in Washington D.C. will award \$500 scholarships to the top ten finalists; first place prize will be a \$25,000 scholarship, second place a \$15,000 scholarship and third \$10,000.

Students in grades four through eight are making use of National Geographic, National Geographic World, Geosafari, Trivial Pursuit and making out their own lists of questions to study.

Bobby D. Balthrop completes training

Marine Pvt. Bobby D. Balthrop, son of Welton D. and Barbara J. Balthrop of Route 4, Gainesville recently completed recruit training at Marine Corps Recruit Depot, San Diego.

During the training cycle, recruits are taught the basics of battlefield survival, introduced to typical military daily routine and personal and professional standards.

All recruits participated in an active physical conditioning program and gained proficiency in a variety of military skills including first aid, rifle marksmanship and close-order drill. Teamwork and self-discipline are emphasized throughout cycle.

The 1988 graduate of Era High School joined the Marine Corps in April 1991.

Lindsay and Muenster Highs observe UIL Awareness Week

With just under 1.3 million Texas high school students taking part in University Interscholastic League (UIL) programs, Governor Ann Richards has declared the week of Oct. 13-20 as Texas High School Activities Week.

Each day during the week has been designated to receive special recognition. Oct. 14 has been designated as "Officials Day," Oct. 15 as "Speech and Music Day," Oct. 16 as "Chemical Health Awareness Day," Oct. 17 as "Sportsmanship Day," Oct. 18 as "Coaches Day," and Oct. 19 as "Fund Raising Day."

Texas has always been accused of bragging about having the biggest, the oldest, or even the greatest. When it comes to the UIL, this is no idle boast.

The UIL is the oldest and largest state high school organization of its type in the nation. In its 82nd year, the UIL offers programs ranging from typing to tennis, cross country to calculator contests. So sweeping is the UIL program that one out of every two graduating seniors participates voluntarily in a UIL contest prior to graduation. School officials put that number at half a million students participating annually.

In Muenster and Lindsay Schools, the figures are even more impressive. In all likelihood, every student attending Muenster or Lindsay Schools for most of their educational careers will participate in some UIL contest. These contests represent a large part of the students' education, as well as their social and recreational activities. Each school offers a large array of athletic activities and Lindsay and Muenster finished first and second, respectively, in district and regional academic competition last year. Muenster and Lindsay Schools are active members of the

UIL and proudly support its excellent tradition of teaching students important values through competition.

On Oct. 17, during the junior high and junior varsity football games, Muenster and Lindsay High Schools will emphasize the importance of good sportsmanship, even in an extremely competitive rivalry. Students from both schools will exchange greetings of friendship and a proclamation will be read proclaiming the excellent relationship between the two schools. At Friday's varsity game, all UIL sponsors and coaches of sports and academic events will be recognized. Both schools invite their students and supporters to join in these displays of support for the University Interscholastic League.

ATTENTION

A large collection of books, videos and audio cassettes dealing with Catholic or Christian subjects will be available at the Muenster Public Library during Season III of RENEW. The materials have been gathered by the RENEW Prayer Committee and can be checked out just like a regular library book, during library hours which are Tuesday and Thursday 8:30 a.m. until 5 p.m. and Wednesday from 2:30 to 5:30 p.m.

Free-loan films and videos at Public Library

Nearly 5,000 VHS-format videocassettes and 16mm films are available for free loan through area public libraries. The collection is made available by the Northeast Texas Library System (NETLS), 1 of 10 regional library systems.

In order to meet the entertainment, education and information needs of Texas citizens, the NETLS collection covers a broad range of topics of interest to children, teenagers and adults. The collection includes popular PBS series; programs on adult literacy; complete college-level courses on a variety of subjects; travel and nature programs; adaptations of classic children's stories; programs on health, aging, crafts, sports, childbirth, parenting skills, personal finance, business and personnel management - just to mention a few.

All programs in the collection have public performance rights and may be used by schools, churches, day care centers, nursing homes, clubs, businesses, civic and government organizations, families and individuals.

While use of these programs is free, some libraries may require users to cover the cost of return postage. To find out more about how to use this collection and to see a catalog of what is available, contact the public library.

Saint Jo Opry set for Oct. 12

Sponsors of the Saint Jo Opry announce that the next Opry show will be held Saturday night, Oct. 12 and is sponsored by the Country Cut Ups.

Appearing this month will be Mr. Gene Brown from Bowie on the fiddle; Mr. Tim Karlin of Krum on the steel guitar; Calvin Rogers from Krum on drums; along with guest vocalist and the Country Cut Ups.

Also appearing on the show will be a guest group known as Sylvia and the Entertainers from the Sherman/Whitesboro area.

The show is hosted by Sonny and Dee Cole who extend a sincere welcome to everyone to come and enjoy the music and fun. Admission is \$2 for adults with children 12 and under admitted free. Donations from proceeds are made to area and county fire departments and community organizations.

Concessions will be provided by the Saint Jo P.T.O.

Secular Franciscans Fraternity celebrates Patron Feast Day

The Secular Franciscans Fraternity of St. Peter's Church in Lindsay celebrated the feast day of St. Francis of Assisi with renewal of commitment.

Theresa Hermes led prayers and songs, including "Hymn to St. Francis" to the tune of "Tantum Ergo." Mary Stoffels gave the First Liturgical Reading; Jewell Sweeney read a chapter and verses of Psalms; Judy Krahl gave the Second Liturgical Reading.

For the renewal of commitment, two members stood before the altar holding the Bible and all other members joined hands to repeat commitment prayers, followed by prayers of intercession.

Closing prayers, the blessing of St. Francis and the hymn "Prayer of St. Francis" completed the service.

Announcement was made that no business meeting will be held in October; and that Tuesday, Nov. 12 at 2 p.m. Mrs. Mary Stoffels will host the next meeting. Special thanks were expressed to all for their cooperation during the visit of Fr. Martin Wolter OFM on Sept. 3 when both Muenster and Lindsay Fraternities met together.

45 complete year as altar servers

The Altar Servers of Sacred Heart Parish completed another year with an awards ceremony following the 10:30 a.m. Mass on Sunday, Sept. 29. Forty-five boys completed the year successfully, thus earning a certificate.

Judged on the criteria of appearance, conduct, reliability, punctuality and know-how of serving, three servers barely pushed ahead of nineteen others to receive top honors and a medal for their service. These recipients were Adam Barnhill, Matthew Fuhrmann and Patrick Miller. Awards were presented by Father Victor Gillespie OSB.

Scott Robinson completes training at San Diego

Navy Seaman Apprentice Scott D. Robinson, son of Charlie E. and Ruth E. Robinson of 314 Elmwood, Gainesville, recently completed training at Recruit Training Command, San Diego.

During the training cycle, recruits are taught general military subjects designed to prepare them for further academic and on-the-job training in one of the Navy's 85 occupational fields.

Studies include seamanship, close-order drill, naval history and first aid.

He is a 1991 graduate of Gainesville High School.

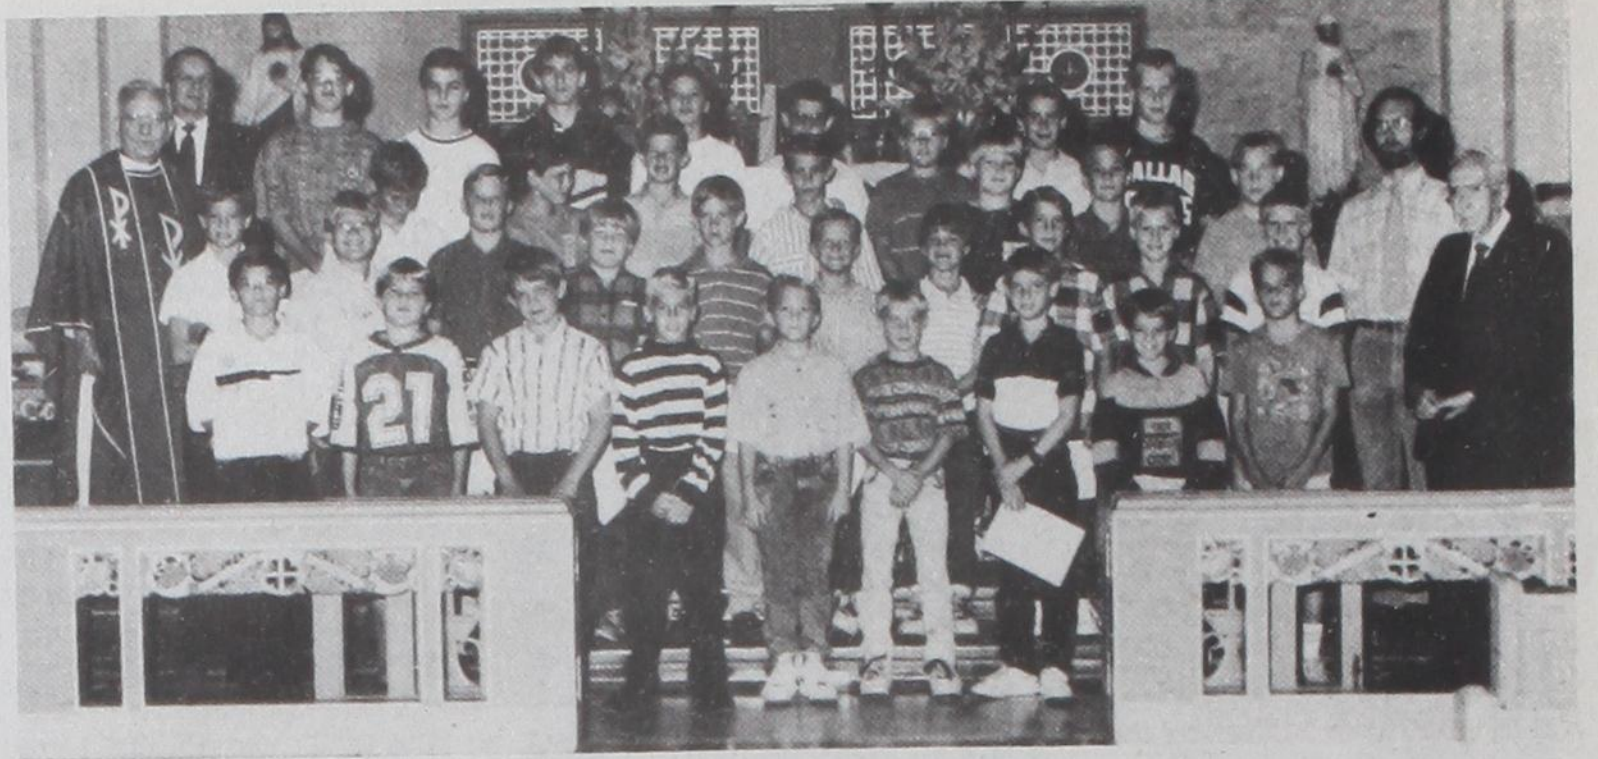

Awards were provided through the generosity and cooperation of the Ft. Worth Serra Club, whose purpose as a club is to promote vocations to the Priesthood. Attending the ceremony were Louis Neilon and Ed Alcoe, representing the Serrans.

A party for the servers followed and was held at the Chuck Bartush, Jr. home. Games abounded, with baseball, football, badminton, volleyball, tetherball and more. Fishing for crawdads was also a highlight of the afternoon.

Through the courtesy of the Knights of Columbus, a barbecue beef sandwich dinner was provided for the servers, complete with homemade brownies, cookies and salads made by the moms. Helping with the party was host Chuck Bartush, Jr., and Pam and Dave Fette, Tom Felderhoff and Altar Service Director Eric Gray.

Altar Servers for 1990-1991 are as follows: Corey Anderle, Adam

Barnhill, John Bartush, Stephen Bartush, Brandon Bayer, Heath Bayer, Lucas Bayer, Joe Becker, Michael Becker, Duncan Campbell, Russell Fette, Chad Felderhoff, Daniel Felderhoff, James Felderhoff, Jody Felderhoff, Greg Flusche, John Flusche, Michael Flusche, Matthew Fuhrmann, Lucien Gehrig, Craig Hartman, Tony Hartman, Scott Hermes, Aaron Hess, David Hesse, Stephen Hofbauer, Brian Hudspeth, Aaron Klement, Jeff Klement, Justin Klement, Jacob Luke, Jesse Luke, Josh Luke, Joey Martin, Bryan Miller, Eric Miller, Patrick Miller, Matt Muller, Matthew Nasche, Scott Poole, Paul Swirczynski, Casey Walterscheid, Joshua Walterscheid, Jeffrey Yosten, and Nicolaus Yosten.

FORTY-FIVE ALTAR SERVERS were present for an awards ceremony in Sacred Heart Church on Sept. 29. Also attending were, at left, Father Victor Gillespie and Ed Alcoe and, at right, Eric Gray and Louis Neilon. Dave Fette Photo

New Arrivals

Kell

It's twins! is the joyful news of Angie and Kevin Kell of Fort Worth. Their little girls, Ashleigh Shayne and Shelby Virginia, were born in Harris Hospital on Oct. 2, 1991 at 3 a.m., weighing 4 lb. 6 oz. and 4 lb. 7 oz., respectively. The grandparents are Mr. and Mrs. Jack Kell of Fort Worth, Barbara Nickelson of Houston and Randy Barr of Houston. Great-grandparents are Johnny and Louise Fisher, and the great-great-grandmother is Mrs. Margaret Fisher, all of Muenster.

Bartush

John and Lanie Bartush announce the birth of a daughter on Friday, Oct. 4, 1991 in Wilson N. Jones Hospital of Sherman. They have named her Virginia (Ginger) Marie. She was born at 11:54 a.m. and weighed 9 lb. 6 oz. and measured 19 1/2 inches long. Ginger Marie joins a brother, John Daniel, and sisters Valerie, Andrea, Melanie, Catherine, Rose and Charlotte. Their grandparents are Mrs. Helen Yosten of Sulphur Springs and the late Larry Yosten, and Mr. and Mrs. Charles Bartush Sr. of Muenster.

Klement

Karl and Kim Klement of Decatur are rejoicing over the arrival of their first son. Kody Joseph Klement was born on Tuesday, Oct. 8, 1991 at 2:18 p.m. in Denton Regional Medical Center. He weighed 7 lbs. 4 ozs. and measured 19 inches in length. Kody joins a sister Courtney. Grandparents are Marty and Edna Klement of Muenster and Mr. and Mrs. R.L. Trednick of Gainesville. Laura Haverkamp of St. Richard's Villa is the great-grandmother.

PARENTS Ask

by Gwen Trubenbach

Question: Do we cause our children to be overly stressed with our concern for doing well and scoring high on tests?

Answer: We are never entirely free of test related stress. And in Muenster, we are never free of the desire to accept the challenge to do well. We all want success for our children - parents, school and community.

Learning naturally involves stress. Muenster teachers are very attentive to the children for signs of excessive stress. Learning stress is always cushioned by a nurturing, caring atmosphere. Learning is also broken down into manageable parts so the children can experience success. Information overload is avoided because it causes learning to stop.

Tests are simply a way of proving on paper that learning took place. Students study, practice, review and sharpen test taking skills. There is some stress - sure - but learning to manage it and deal with it is a life skill. We adults are still taking tests of one kind or another. It is well to remember the children follow our lead - if we have confidence in them, we send them a clear message: They are capable and can do the task at hand. Their past success helps them to know that we will not ask them to do more than they are capable of doing.

We cause our children to be overly stressed when we adults are overly stressed. If we've been attentive to their needs, they will not be overly stressed.

MMH Auxiliary honors Medical Records staff

October 6-12 is Medical Records Week. At Muenster Memorial Hospital the Medical

Records staff now consists of two employees, Dolores Lippe and Flora Mae Knabe.

Mrs. Lippe has been employed at the local hospital since May, 1970. She is the head of the Medical Records Dept. and has earned a certification as an Accredited Record Technician. She keeps her ART current by participating in educational courses each year. Mrs. Knabe has been an employee since March of 1977.

The medical records staff is responsible for keeping various statistics, making sure all patient records are complete, transcribing all doctors reports, and preparing

patient records for transfers. All of the records kept on a patient during their stay in the hospital are sent to Medical Records when the patient is dismissed. The reports are then processed and filed.

Another important task of the department is to properly code all in-patient diagnoses and put them in the computer. These codes are used by Medicare to determine payment of the patient's stay.

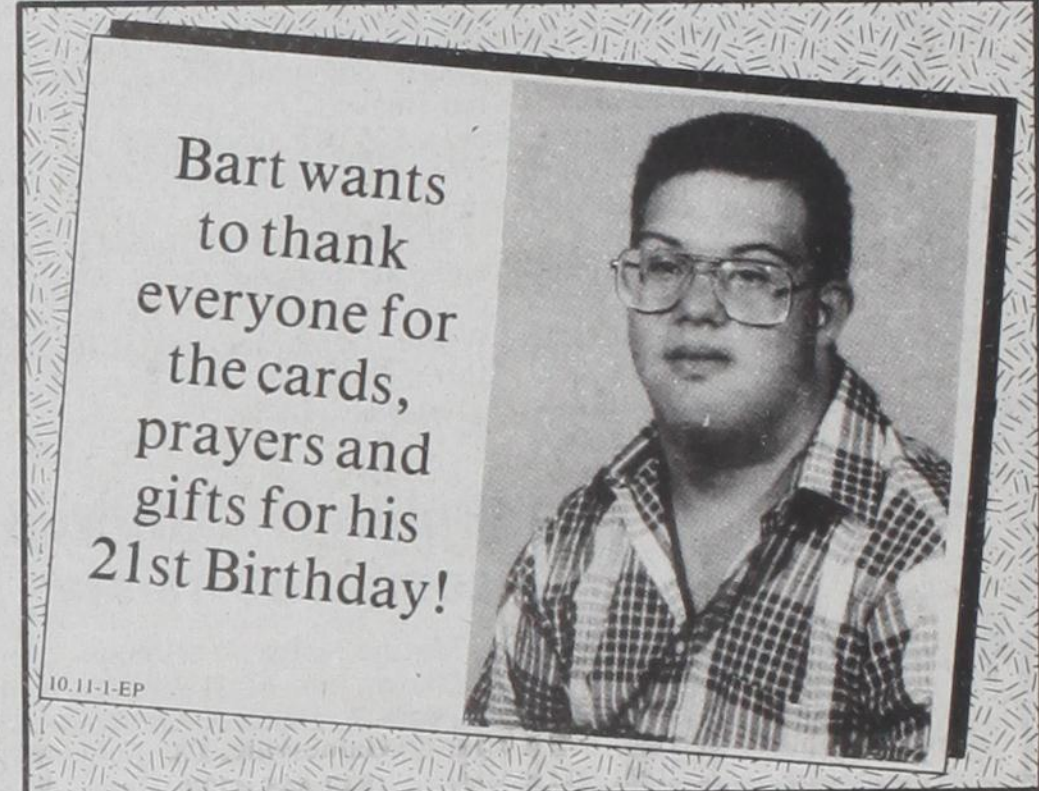

A personal note of appreciation will be sent by the MMH Auxiliary to the Medical Records staff for their many years of dedication to keeping accurate records.

Muenster 1st graders seek ways to help

After completing a unit of study about Johnny Appleseed, Sheila Wilson's first graders put their heads together and came up with these ideas for helping nature: building a shelter for deer, planting corn, planting squash and okra, helping and feeding the animals, helping animals with their babies, planting flowers all over the whole wide world, planting fruit all over the world, building shelters for animals, planting vegetables all over the world, caring for the homeless animals, planting tomatoes, building houses for elephants, planting peach trees.

Other activities the first graders enjoyed include solving Apple Math problems, making absolutely "Apple-icious" rhyming words, reading books and seeing films about Johnny Appleseed and making their own applesauce.

They ended their unit by tasting apple butter, a new experience for most of them.

Bart wants to thank everyone for the cards, prayers and gifts for his 21st Birthday!

KAITLYN FELDERHOFF

Kaitlyn celebrates first birthday

Kaitlyn Felderhoff was the center of attention on Saturday, Sept. 21 when family and friends gathered to celebrate her first birthday. Her actual birthday was Sept. 18.

The party was held in the home of her parents Scott and Sandy Felderhoff. A buffet supper was served to guests. A Circus Carousel cake decorated by the Farmer's Kitchen was served with ice cream.

With the help of her cousins Kaitlyn enjoyed opening her birthday gifts while photos were made to remember the occasion.

Guests included her Grandparents Theo and Millie Voth and Al and Sis Felderhoff of Muenster; aunts, uncles and cousins Tim Voth of Arlington; Dave and Sharron Voth and Christy and Jennifer Stuckey of Ponca City, Oklahoma; Gene Voth of Gainesville; Kenny and Kim Felderhoff and Kayla, Keith, Kara and Kirk Felderhoff; and Janet Felderhoff and Jody and Deann; and friends Doug and Lynda Yosten and Tara and Gina and Dr. Enrique Juarez, all of Muenster.

News of the Sick

Mrs. Ted Henscheid (Carol) underwent surgery Wednesday morning, Oct. 9 in Irving Hospital. She was dismissed Thursday and is convalescing at home. Get-well cards will reach her at P.O. Box 358, Muenster, Tex. 76252.

Sis Klement, (Mrs. Tony Klement) is a patient at Medical City Hospital in Dallas, since being transferred from Muenster Memorial Hospital, by Careflite, on Tuesday. Information from her family is that she is resting and responding well. She will remain in CCU until Monday and will probably be hospitalized about two weeks. Cards may be sent to: Medical City of Dallas, c/o Isabel (Sis) Klement, 7777 Forest Lane, Dallas, Texas 75230.

Mrs. Bruno Fleitman (Bertha) is a patient at Gainesville Memorial Hospital since entering Friday, Oct. 4 after becoming ill at her home. She was moved from ICU on Tuesday and her family reports she is responding well to treatment. She looks forward to returning home next week. At present, get-well cards will cheer her, sent to Bertha Fleitman, Gainesville Memorial Hospital, Room 213, Gainesville, Texas 76240.

Paul Dangelmayr has been dismissed from Muenster Memorial Hospital after receiving treatment for eight days for a heart ailment. He is making normal recovery, convalescing at home and, according to his family, his happy return to his farm was a joy to behold.

1991-92 Sacred Heart National Honor Society officers are, l to r, Bernice Bartel, Jennifer Walter, Lisa Schilling, Cheramie Moster and Vickie Bayer.

Janie Hartman Photo

Sacred Heart National Honor Society members are selected

by Cheramie Moster
On Wednesday, Sept. 11, the members of the Sacred Heart National Honor Society were present at a meeting conducted by Sister Carmelita Myers and Jeanne Greathouse to elect the new officers for the 1991-92 school year. The recently chosen officers, all being senior girls, are as follows: Vickie Bayer, president; Bernice Bartel, vice president; Cheramie Moster, secretary; Jennifer Walter, treasurer; and Lisa Schilling, parliamentarian. After this election a formal meeting was held to decide on a proper date for a bakesale to raise money needed for certificates, pins and ribbons for the probationary members of the Sacred Heart National Honor

Society. This fundraiser was held on Wednesday, Sept. 25, during morning break with each member contributing food items to the bakesale.
The probationary members of the National Honor Society are eleventh grade: Julie Felderhoff, Mandy Barnhill, April Truebenbach, Christy Yosten and Melissa Miller; and twelfth grade: Mark Flusche and Gregg Hess.
The National Honor Society members have many aspirations for this year and are very excited to be a part of this outstanding group. The senior class members of the National Honor Society will be recognized at their graduation by wearing special overlays.

LINDSAY HOMECOMING QUEEN CANDIDATES for 1991 are seniors, l to r, Susie Arendt, daughter of David and Sharon Arendt; Cassandra Fuhrmann, daughter of Mike and Carol Fuhrmann; Melanie Anderson, daughter of Jim and Nanette Anderson; and Janelle Fuhrmann, daughter of Billy and Margie Fuhrmann. The candidates will be escorted by seniors, respectively, Ronnie Dieter, Tim Cannon, Fred Hughes and Jesse Barnes. Escorting last year's Queen Emily Corcoran will be seniors Jeff Hermes and Pat Corcoran. The 1991 queen will be revealed during the 7 p.m. pregame ceremony, when Lindsay plays Jesuit Junior Varsity this Friday night. There will be a social get-together in the Parish Hall sponsored by the Booster Club after the game. There will be a teen dance Saturday at 9 p.m. in the cafeteria sponsored by the Student Council with music by Adam Arendt Disco. No alcohol allowed.

Gene Hermes Photo

MISD grade school parents will sample school breakfast

Each month during the school year one grade in Muenster Elementary will invite their parents to breakfast in the school cafeteria. Parents will have an opportunity to eat with their child, classmates and teachers. They will also have an opportunity to see the low cost nutritious breakfast available in the school cafeteria from 7:30 to 8:00 a.m.

Gertie Wimmer, head cook, will serve cereal, doughnuts, orange juice, milk or coffee for 50 cents.
New students, K-6, and their parents are invited to breakfast in the school cafeteria, Monday, Oct. 14, 1991.
Kindergarten parents and their children are invited to breakfast on Monday, Oct. 21.

SH class attends workshop

by Christy Yosten
On September 21, 1991, several members of the Sacred Heart Journalism Class attended a yearbook seminar presented by Taylor Publishing Company. It took place in Wichita Falls on the campus of Midwestern State University.

The purpose of the workshop was to familiarize the students with the procedures they will be using throughout the year to create their yearbook. They learned everything from getting the materials together to sending them to the publisher on the correct deadline.

The students will begin this week to organize the 1992 yearbook. The sales of the books begin this week. The cost of the book is \$25.00 in advance or \$30.00 next fall.

The students attending the convention were: Lisa Schilling, Cindy Schilling, Bernice Bartel, Rhonda Jo Vagher, Dana Hess, Jennifer Walter, Christy Yosten and Mark Flusche. They were accompanied by their yearbook advisor, Mrs. Linda Ellender.

Between the morning and afternoon sessions the students had a nice lunch at The Olive Garden Italian Restaurant at Sikes Center in Wichita Falls.

A world of thanks for all the support

by Chris Hess
A world of thanks goes out to all of the supporters of the SHS football team. When you think about the cheerleaders and the dance team. When we speak of the supporters we are also thinking about the people behind the scenes. Some of these people spend hours upon hours each week planning to make the game a big success.

Among the many responsibilities that these people take care of is concession stands, gate admission collecting, announcing, sponsoring cheerleading and dance teams, assistant coaches and last but not least is the dedicated fans. People that take care of these many jobs are Neil and Ann Hesse, Alvin Hartman, Joe Felderhoff, Michelle Walter, Linda Ellender, Leslie Hess, Carla Truebenbach, Chas Bayer, Brian Herr, Danny Walterscheid, Amy Bayer, Mary Bayer, Angelo Nasche, Debbie Hess, Labeah Miller, Patty Hess, Sylvan Walterscheid, Virgil Henscheid, Gary Hess, Monte Endres, Glen Cler, Dale Schilling, Paul Dangelmayr, and Claude Bayer. Home or away, near or far, rain or shine, you better believe that these people will be there.

OCTOBER IS Breast Cancer Awareness Month

Now, Breast Cancer Has Virtually Nowhere To Hide

Today, one in nine women will develop breast cancer, but because of early detection through mammography, lives are being saved.
A low-dose mammogram is a safe, simple procedure which takes just a few minutes of your time. At Muenster Memorial Hospital, a mammogram costs only \$50.00 (this includes interpretation).

- State-of-the-art equipment used only for mammography
- Interpreted by a board-certified radiologist
- Exams performed by a certified trained female technician

MISD students submit stories to Cooke County History

The Cooke County Historical Committee and its director, William F. Powell, (a non-profit organization sponsored by the Cooke County Library and the Morton Museum), invite both teachers and students to help support the forthcoming publication of **Cooke County History: Past and Present** by sharing family remembrances. All proceeds will go to the Cooke County Junior College Endowment Fund and Genealogical Societies (Gainesville and Muenster). This project is one of love to be passed down to all heirs of this county.

Muenster I.S.D. fourth grade through twelfth grade students will submit a family legend, a folk tale (family remembrance), or a brief genealogical sketch of his/her family to their teacher by October 31, 1991. Two entries from each grade and school will be selected and used for future support of this tremendous historical project. The entries for the fourth through sixth grade may be one, hand-written page (skipping every other line); the entries for the upper grades may be two hand-written pages (skipping every other line).

This publication is the first attempt to preserve and record a county-wide history since Morton Smith's publication, **The First Hundred Years in Cooke County**, in 1955.

FHA has busy week

Two recent activities added to the busy schedule of Future Homemakers of America chapter of Muenster High School. On Sept. 28, the Muenster FHA attended Rural Youth Day at the State Fair of Texas. Mrs. Joni Sturm and her children, John and Kimberly, along with 15 FHA members, enjoyed spending the day visiting a number of exhibits.

Mr. James Baxter drove the school bus for the students.
The FHA members are also scheduled to attend a leadership workshop at Denton High School on Thursday, Oct. 24, 4 to 6 p.m.

They will learn leadership skills such as goal setting and ways to improve their public speaking. They will also hear a presentation on body language, and will exchange ideas about national projects. Chapter reporter is Michelle Hennigan.

Game held in Irving Thursday Tigers stop shutout in last two seconds

The big rival Sacred Heart and Lindsay football game is now behind us. The hard-fought, fumbling, flag-flying game ended with the Knights squeezing out a 16-6 victory. "It was our best game of the year," said Tiger Coach John Nasche, "but we're still making critical mistakes that cost us the game." Lindsay Coach Pat Benton believes his boys played real well except for putting the ball on the ground.

Chris Hess started the game with the opening kick going to the goal line. Jeff Hermes returned it to the 12-yard line where he was stopped by Gary Hess and Jordan Bayer. Hermes ran the first play, then Fred Hughes picked up 30 yards on three plays before fumbling the ball. Jordan Bayer covered for Sacred Heart at midfield.

The Tigers were a yard short on their first drive and punted on fourth down, but a roughing-the-kicker infraction against the Knights gave the Tigers another chance. An offside penalty assisted Sacred Heart's drive, but it was stopped when Patrick Corcoran picked off a pass on Lindsay's 38-yard line. The next run was fumbled and Kelly Bayer covered the ball for Sacred Heart. Two penalties for 15 yards nullified an 8-yard run by Larry Switzer. Going to the air, Corcoran again picked off a Tiger pass and the Knights began their third drive near midfield in Tiger territory. Runs by Donnie Cox, Shane Huchton, Ronnie Dieter, Hermes and a 16-yard pass play to Kenny Fleitman took the Knights to the 16-yard line. Two runs by Hermes were cancelled by a delay of game, followed by two incomplete passes gave Sacred Heart

yards to the 28. Hughes, Cox and Dieter's 14-yard keeper took the Knights to the 11, where Hughes, on two runs of 7 and 4 yards, hit paydirt. Hughes then ran in the extra point and, with 5:54 on the clock, Lindsay took a 16-0 lead.

The teams traded punts, with both defenses playing tough. It was three plays, punt, on three exchanges going into the final period. Lindsay picked up four fast first downs on runs by Hermes and Hughes, threatening to score, to the 3-yard line. But the drive was halted when the Knights once again coughed up the ball. Jordan Bayer tucked in the loose ball for the Tigers. Starting from their 13, a halfback pass from Larry Switzer to Jason Frost picked up 44 yards for Sacred Heart. A clipping call on the Tigers set them back temporarily, but a 13-yard pass gain to Chris Hess and a 15-yard personal penalty put the ball on the 26. Then, Hess carried the ball to the 16. A run by Hess carried the ball to the 4, but a holding infraction pushed the Tigers back to the 26. The Tigers were then caught behind the line by Kenny Fleitman for an 8-yard loss, followed by an unsuccessful pass. On fourth down, Patrick Corcoran caught Hess for a 12-yard sack and Lindsay took over at the 43-yard line.

Mistakes hampered the Knights, with a holding flag and two clipping penalties, followed by Gary Hess picking off a pass on the 40 and taking the ball to the 14-yard line.

Runs by Chris Hess took the Tigers within 3 yards to paydirt, but Lindsay's line held on two plays and the passing game failed twice and Lindsay took over at the

WERNER BECKER (26), Willie Hess (47) and the Tiger defense mounted strong goal line stand in the second quarter, stopping the Knights and running back Fred Hughes (5).

Dave Fette Photo

the ball on their 15-yard line. Larry Switzer ran the ball into the second quarter. A pass from Jason Hess to Switzer left the Tigers 3 yards short, forcing a punt.

Lindsay started their drive with an 11-yard gain by Hughes, but another fumbled ball, covered by Larry Switzer, returned the pigskin back to the Tigers. From their 20-yard line, a pass play from Jason Hess to Jason Frost picked up 28 yards. But the Tigers' next play was fumbled and Jeff Pearson was credited with the recovery.

A pass from Dieter to Fleitman picked up 50 yards to the Knights' 6-yard line. Hughes took the ball to the 1-yard line in two plays, but a fumbled play and defensive pressure from Gary Hess stopped the Knights taking over on the 6-yard line. The Tigers were unsuccessful and punted possession back to Lindsay. From their own 47, the Knights were assisted in their drive by a clipping flag and a 17-yard gain by Hughes. From the 20, Hughes ran around the right side into the end zone, but the play was called back when Lindsay's line moved early. Jeff Hermes and Fred Hughes picked up a first down to the 9. Hughes again ran, this time to the 3, then rammed the ball into the end zone for a touchdown. Dieter took in the extra point run and the Knights led 8-0 with 1:02 showing on the clock.

An onside kick attempt by Lindsay failed when Mark Flusche covered the ball, giving Sacred Heart possession on their 45-yard line. An outstanding pass from Hess to Flusche took the Tigers to the Knights' 22-yard line, but the drive stopped there when Fred Hughes picked off a pass. Lindsay played out the remaining 29 seconds.

After sputtering on its first drive in the third quarter, Sacred Heart punted the ball to Lindsay. From their 40-yard line, Hermes and a flag helped Hughes' 10-yard run take the ball into Tiger territory. Hughes gained 12

5-yard line with two minutes remaining in the game. The Knights failed to pick up the needed 10 yards and punted from the end zone. Two unsuccessful passes for Sacred Heart was followed by a pass to Larry Switzer to the 12. With only seconds remaining in the game, Jason Hess passed the ball to Mark Flusche on the 1-yard line. The ball was popped loose and Jason Frost recovered the ball in the end zone for a touchdown. Chris Hess ran the extra point in, but a motion flag made the Tigers try again. This time, the Knights caught J. Hess behind the line and, with 2 seconds on the clock, the scoreboard read 16-6.

Fred Hughes was the leading rusher for the night with 212 yards on 28 carries. Chris Hess led Sacred Heart with 35 yards in 16 attempts.

Jason Hess led the passing game, connecting 6 passes for 124 yards, but threw 3 interceptions. Receivers were Jason Frost and Mark Flusche for the Tigers and Kenny Fleitman for the Knights.

Coach Benton credits his dominating offensive line for a good game and Hughes for a hard-run ball game. He also praised the defensive front line.

"There is no doubt that Stevan (Nasche) not playing was a loss that hurt us offensively and defensively," said Coach John Nasche. "I was real pleased with Jason's (Hess) performance, he handled the pressure well."

Defensively, Sacred Heart was led by Larry Switzer, Chris Hess, Gary Hess, Greg Hess and Jordan Bayer. Lindsay's top tacklers were Patrick Corcoran, Kenneth Fleitman, Fred Hughes and Donnie Cox.

"Until we learn to play every down without any mental let-downs, we will continue to struggle," concluded Nasche.

Sacred Heart is matched up against a tough, throwing Cistercian team in Irving Thursday night, Oct. 10, at 7 p.m.

Lindsay will take on the Jesuit JV in front of their homecoming crowd Friday, Oct. 11. Game time is 7:30 p.m.

Cross Country girls compete at Pilot Point

Muenster Cross Country girls placed third at the meet Saturday, Oct. 5. Teams in competition with Muenster were: Little Elm, in 1st place with 44 points; Celina, in 2nd with 65 points; Muenster, in 3rd place with 110 points; and Alvord, in 4th with 111 points.

Medalists for Muenster were: 1st, Tina Klement with a time of 12:43, and Amy Dankesreiter, 13th with a time of 14:27. Other top competitors were: Cindy Culp, Marlene Hess and Denise Russell.

Junior Varsity team members were: Tonya Knabe, Lisa Russell, Misty Knabe, Sally Fisher and Madoka Mimura. Muenster Junior Varsity placed 11th as a team out of 13 schools.

Philip Koelzer has been competing for the past three weeks. Philip had a great week at Pilot Point - he improved his time by four minutes.

This will be the last week of competition until the District Meet. District competition will be very tough this year. Muenster Varsity girls will be competing with Alvord and Ponder. Alvord has three girls with times close to, or better than, our top second and third place girls. Seven of their girls could give our girls a run for District Championship. Muenster girls have been District Champs for the past three years.

This Saturday, Oct. 12, Cross Country girls and boys teams will compete at Lake Dallas. Junior High boys and girls are invited to compete also. The bus will leave at 6 a.m. from the front of school Saturday morning for Lake Dallas. Call the school for more details.

Fishermen, bait your hooks

On Sunday, Oct. 13, there will be an adult Roadrunner Fishing Tournament, sponsored by the Jaycees. The entry fee is \$20 per team for each 2-man team. All money from the registration will go back into the pot, with \$5 of each entry fee going into a "Big Bass" pot.

Interested fishermen can register at Muenster City Park at 5:30 a.m. Sunday morning. The teams can fish anywhere, as long as they make weigh-in at the City Park at 3 p.m. Artificial lures only will be used, and there will be a 10-fish maximum per team and a 14-inch limit on each fish. Black bass and smallmouth will be the only fish to be weighed.

The tournament will pay back one place for every six teams entered. For more information, call Shawn Vogel at 759-4975 or Karl Barnhill at 759-2852.

Kids Fishing Tourney Sat.

The Muenster Jaycees are sponsoring a Kids Fishing Tournament on Saturday, Oct. 12, from 1 to 4 p.m. at Weinzapfel Lake. The tourney will be divided into three age groups; kids will use live bait only; there will be prizes awarded; and there will be FREE soda pop for the young fishermen.

Hornets ambushed by Indian raid 28-8

Friday night's Hornet game is one Muenster fans would like to forget, as the Nocona Indians led Muenster into a 28-8 massacre, handing the home team their first season defeat.

"We really got banged up," said Hornet Coach Grady Roller. "When you go against a player 40 pounds heavier, you don't always make the play. But our boys made the effort."

The Indians picked up 418 total yards to Muenster's 121. "Nocona has an extremely good ball club, good defense and a good running game," continued Roller. "I'd like to get patched up, forget this game and get on down the road into District."

Muenster sustained several injuries during the game, which hampered their performance. Backup quarterback A.J. Knabe will be out a couple of weeks with a knee injury. Ryan Sicking and Kody Truenebach have a stiff back and shoulder, and their performance for this week's game is questionable.

Muenster also missed the talents of Chris Kubis, still recuperating from an early injury, and Mike Vogel, who is ineligible to play for six weeks because of the UIL ruling on grade standards.

Muenster won the coin toss, but gave the option to Nocona, giving the Indians a strong wind at their backs the first quarter. The Hornets tried three plays, but failed to pick up a first down and punted into the wind. The kick was partially blocked. Bad field position may be to blame for Nocona's first touchdown. They moved the ball down field 23 yards to set up a 7-yard scamper to hit paydirt. The PAT run was good and Nocona took an 8-0 lead with 7:10 on the clock.

The Hornet offense sputtered again and was forced to once more punt into the wind. From their 46-yard line, Nocona added insult to injury by running 7 plays into the end zone for the touchdown. The extra points counted and the Indians led 16-0.

Muenster again tried 3 plays and punted, giving Nocona the ball going into the second quarter. The Indians moved to the Hornets' 35, but on 4th and 1, Muenster held, taking over on the 40-yard line. Three unsuccessful passes forced a punt, but a roughing-the-kicker call gave the Hornets another chance. The Hornets moved into Indian territory but the drive stalled at the 39, with Nocona's defense continuing to dominate the Hornets, taking turns terrorizing the backfield.

On Nocona's next play, David McDonald scampered over the goal line on a 61-yard run. The extra point failed and the scoreboard read 22-0.

The Hornets' next attempted drive picked up 4 yards, forcing a punt. From their 23-yard line, McDonald earned the scoring honors again, while showing his teammates how not to be tackled. He broke several hits, then sprinted 77 yards for another touchdown. Again, the PAT didn't count and the Indians took a 28-0 lead.

Two runs by Jay Hennigan picked up a first down, but the next pass play was intercepted by Nocona. Muenster seemed to breathe new life two plays later when Brian Knabe covered a loose ball. The Red Machine offense then shifted into high gear. From the 37, a 13-yard Hennigan run, assisted by a face mask penalty, took the ball to the 11-yard line.

STEVEN FISHER completes a pass to put Muenster on the scoreboard. Janie Hartman Photo

Before the clock struck halftime, Mike Gobble connected a pass to Steven Fisher for 6 points. Darren Bindel added 2 on the PAT and Muenster was on the scoreboard 28-8 with less than a minute on the clock. Nocona played out the remaining time.

After halftime, the playing seemed to get more serious, with neither team scoring. The majority of the drives were three plays and punt for Muenster with Nocona not kicking but playing out the four downs.

Mike Hacker and Tony Perryman were each credited for covering fumbled balls.

Muenster failed to score on their first drive of the final quarter, but they did keep the Indians out of the end zone after they got inside the 10-yard line.

The Hornets' second drive was slowly moving downfield on runs by Gobble, Hennigan and Rodney

Vogel. Gobble had an excellent 29-yard run, only to have it erased by a dead ball personal foul. The next play was then intercepted. Nocona held onto the football to run out the clock.

Roller credited the team for a good second half, keeping Nocona scoreless. "We made mistakes because the boys tried a little too hard," commented the coach.

Jay Hennigan was Muenster's leading rusher with 51 yards in 16 carries, Kenneth Walterscheid gained 14 yards with Gobble adding 11.

Steven Fisher was Muenster's leading receiver with 37 yards on 3 catches.

Muenster opens their district competition this Friday, hosting Collinsville. "They're unpredictable," said Coach Roller. "It depends on what team shows up. They played tough, then let Gunter beat them." Roller said if Collinsville plays their "good" team, they are capable of defeating the Hornets. "If our guys can come through this defeat and keep injury free, we can beat them," continued the coach. "We have to play basic ball and cover all of their different formations."

The Hornet coach concluded in stating that it will be tough to win District if the first game is lost. "We have to win them all to win the District."

KENNETH WALTERSCHEID (21) follows the blocking of, l to r, Jay Hennigan (45), Ryan Sicking (8), Mike Hacker (74), Brandon Walterscheid (66), Jason Biffle (70), Tony Perryman (75) and Steven Fisher (30). Janie Hartman Photo

The coaching staff plans to move junior varsity quarterback Jason Huchton up to second string varsity, so the JV game scheduled may possibly be cancelled.

Varsity game time is 7:30 p.m. on Hornet Field.

Big buck leaders announced...

New winners in contest again

As the fifth week of the Muenster Enterprise Football Contest is completed, two new weekly entrants join the winners' circle. Henry Kessler took top honors with 18 correct guesses in a tough week of upsets. The lowest score was nine. Coming in second place was Monte Endres with 17 correct choices. Five other contestants also had 17 right, but Endres won on the tiebreaker, just 6 points off the correct score. Others with 17 guesses and their point spread were Mike Walter 8 points, Chris Stoffels 12 points, Eric Miller 16 points, J.B. Gray 20 and Jennifer Campbell had a 21-point spread. Six entrants picked 16 games.

Of the 53 entries, 13 wrongly picked Sacred Heart over Lindsay with four entries within 5 points of the correct score, including Terry Walterscheid, Bob Ambrose, Mickey Haverkamp and Steve Bevers.

Thirty-seven participants believed Muenster should have beat Nocona. In other local games, 13 picked Saint Jo to win, while 37 missed Whitesboro's win. There were 46 misses on the Thackerville win and Valley View loss and the most missed game in the contest was Collinsville's loss to Gunter.

All but seven remained faithful to the Cowboys with only two missing the Aggies' big victory.

This week's winners picked up their cash prizes at Muenster

Pharmacy, the tiebreaker sponsor.

In the running for the big bucks, percentages have been figured for the first five weeks. After removing each contestant's low score, the top competitors and their present scores are: Bonnie Stoffels .760 or 73/96*; Nick Stoffels .750, 72/96; J.B. Gray .722, 70/97; Peachie Huchton and Chris Stoffels .719, 69/96. Rounding out the top 10 are Monte Endres, Duane Haverkamp, Neil Huchton, Bubba Swirczynski and Terry Walterscheid, all scoring above .700.

The complete list of contestants and their scores is displayed at The Enterprise office.

*The first number is correct guesses, the second indicates the number of games.

CONTEST RULES:

- Only one entry per person per week. Persons entering must be 12 years old or older.
- This page of schedules, results, predictions, pictures and the contest itself is supported by advertisers appearing here. Each ad contains a scheduled high school, college or pro game for Friday, Saturday or Sunday of the week of publication. Read each ad and circle the winner. Entries on forms other than original newspaper page will not be accepted.
- In order to determine the prize winners in case of ties, you must predict the score for the tie breaker game listed in the featured ad above.
- Print your name, address and phone number clearly in the space provided.
- Deliver the full contest entry to The Muenster Enterprise BEFORE 5 p.m. FRIDAY, the week of publication. Mailed entries will be accepted only if postmarked before Friday, 5 p.m. Address for mailing entries is P. O. Box 190, Muenster, Texas 76252. Entries received late because of postal delay will be counted for the grand prize, but will not be eligible for the weekly prize.
- The featured ad is picked at random each week. It contains the tie-breaker listing and is one of the winner/loser picks. Winner will pick up their prizes at that business each week on or after Tuesday of that week.
- To be the grand prize winner, a contestant must enter every week. Contest will continue as long as either Muenster team remains in play. Winner of the \$100.00 grand prize will be determined by the best winning percentage throughout the contest after the lowest score is thrown out.

Mike Gobble (12) keeps the ball, running to the left. Blockers include Kenneth Walterscheid (21) and Jay Hennigan (45).

Junior High/Junior Varsity Action

Muenster vs. Nocona

Muenster's junior varsity finished their season last Thursday with a 24-6 loss to a tough, bigger Nocona team. The Hornets played short a few players, with several members moved up to varsity.

Muenster scored first when Jason Huchton connected a pass play to Justin Ramsey for a 55-yard touchdown. The extra point attempt failed. Nocona came back to tie the game 6-6 at halftime, then added 18 points the second half.

Huchton completed 17 of his 29 passes for a total of 230 yards. Ramsey caught the majority for 150 yards receiving. "Jason did well all year leading the team," said Coach Brian Strother. "The boys played well together and learned a lot of football."

The junior varsity had as many as 17 team members, with 10 being freshmen.

Coach Strother also credited linemen Justin Hartman, Maurus Hacker, Charlie Luttmier, and Noel Van Swearingen for good performances. Van Swearingen was moved into the backfield last week to take the place of a player moved to varsity.

"Cory Cain was our main carrier all season," said the coach. "He did well on offense and defense. Scott Debnam also ran the ball real well." He also credited fine performances from

Eric Van Swearingen and Tommy Joe Dankesreiter. Other team members were Jamie Hellman, Jerry Reed, Chad Cheaney, Cody Klement, Brad Knabe and Jeff Walterscheid.

These players will join the sub-varsity in Friday night's contest with Collinsville. Because of injuries several J.V. players will be needed on varsity, leaving the juniors short of players.

Muenster vs. Nocona

The junior high Hornets played an outstanding come-from-behind football game with Nocona last Thursday, bringing home a 16-14 win.

Nocona opened the game with an onside kick, taking the ball on the first drive and scoring. Muenster's drive was stopped on their first play when they turned the ball over to Nocona, setting up their second touchdown and a 14-0 first quarter score.

Muenster scored late in the second quarter on a 25-yard run by Cody Sicking. Sicking also ran in the extra point for a 14-8 halftime score.

In the first drive of the second half, the young Hornets moved the ball down field. The drive was completed with Cody Sicking taking the ball into the end zone on a 28-yard run. Justin Camp took in the extra points and Muenster took a 16-14 lead.

The Little Reds shut down the

Braves' offense the second half, stopping two drives the final quarter. Jeff Felderhoff and John Tuggle picked off Nocona passes, the second interception with only 30 seconds remaining in the game. Eric Miller also covered a fumbled ball earlier in the game.

Coach Kyle Baker hopes the team will be in full strength for this week's contest. James Klement should be back after missing the Nocona game.

"The line blocked well and Eric (Miller) threw a good game with the exception of two interceptions, and they really weren't his fault," commented Baker.

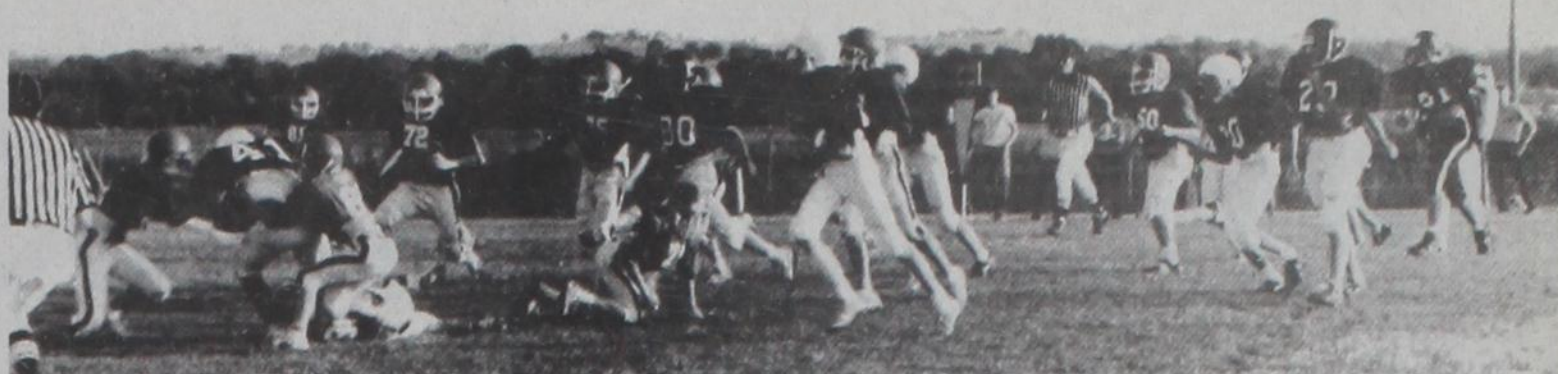

Muenster will play at Collinsville Thursday night in their first "district" game. Action begins at 6:00 p.m. No junior varsity game will follow.

S.H. vs. Lindsay

The junior high football teams of Sacred Heart and Lindsay schools clashed last Thursday evening in a game of turnovers and penalties.

"The boys played a real good game," said Sacred Heart Coach Danny Walterscheid. "They had nice runs, nice throws and good blocks. Everyone played exceptionally well."

Chris Escobedo started the game kicking to Sacred Heart on their 22-yard line. An offside penalty against Lindsay and a 3-yard gain by John Klement was

JON KLEMENT and Jacob Luke assist a teammate in bringing down Lindsay runner Chris Escobedo. Others pictured: John Bartush (81), Toby Hess (72), Heath Bayer (75), Jake McCoy (80) and Scott Poole (60) for Sacred Heart and Greg Dulock (30), Jeff Hale (23) and George Gilbert (61) for Lindsay. Gene Hermes Photo

was nullified by a 10-yard holding penalty. An offside penalty and a 6-yard gain put the young Knights on the 29-yard line with a 4th down and 6-yards to go. A fullback dive by Chris Escobedo put Lindsay on the scoreboard. The extra point run by Jeff Hale made the score 8-0.

Escobedo's kick was fumbled, but covered by Scott Poole for the Cubs at midfield. A pass from Paul Swirczynski to Klement picked up 10 yards. Runs by Joseph McCoy and Klement assisted by a 5-yard flag took Sacred Heart to the Squires' 29-yard line. A 10-yard holding call against the young Tigers was followed by a completed pass to Klement for a 15-yard gain. A 5-yard motion penalty hampered the drive going into the second quarter where the Lindsay defense held Sacred Heart for 3 plays, taking control on their 26-yard line on downs.

BRANDON BAYER catches a pass as Kenny Jones moves in for Lindsay. Gene Hermes Photo

ed a fumble on the Knights' 7-yard line. The ball was covered by John Klement. Joseph McCoy's 2-yard gain was followed by a holding

call against the Cubs. An unsuccessful pass was followed by a completed pitch to Jake McCoy, Please See CUBS, Page 11

Country Tidings

The Ross Point Community Club met Wednesday, Oct. 2, for their regular meeting, which started with a potluck supper.

Following the meal, there was a business session. August D. Boto, Cooke County Attorney, was guest speaker; his program was about wills and the importance of making wills. He also answered questions of legal importance asked by the audience.

It was also announced that the Annual Harvest Supper will be Saturday, Nov. 9, 1991 at the Community Center from 5:30 to 8 p.m.

Kyle David Motsenbocker was born at 4:53 p.m. Monday, Sept. 30, 1991 in the Gainesville Memorial Hospital. He weighed 9 lb. 1 1/2 oz. and was 22 1/2 inches long. His parents are Rita and Tony Motsenbocker of Callisburg. He has a brother, Darrel, and a sister, Lisa. His grandparents are Pauline and Louis Sicking of Muenster and George Reed of Gainesville and Mr. and Mrs. Motsenbocker of Oklahoma.

Word was received in Forestburg of the death of Mrs. Tiny Brewer of Bowie. Mrs. Brewer passed away at 11 p.m. Friday night. Funeral services for Mrs. Brewer were held Monday, Oct. 7, in Kreig-Owens-Brumley Funeral Home Chapel in Bowie.

Among her survivors is Elma Brewer of Forestburg.
Word was received Sunday evening, Oct. 6, of the death of Mr. Winford Cougar of Graford. He is the grandfather of Mrs. Cassie Greanead, Mrs. Liz Johnson and Jay Houston.

Mrs. Louise Shults left DFW Airport Thursday, Sept. 26, for El Paso for a visit with her daughter, Mrs. Melva Iund, and family. Other family members were her husband Koen, Clint and Gabby

Iund and Daniewle, Sherre Solmon and family. Brad Iund of Dallas spent the weekend. Mrs. Shults returned home Tuesday, Oct. 1. She was met at the airport by Bill and Ginny Shults of Denton.

Mrs. Ginny Shults and Mrs. Hilde Maeckle of Denton and Mrs. Louise Shults went to a quilt show at Post Oak Saturday.

Mrs. Juanita Greanead accompanied her sister, Mrs. Cornelia Holzbog of Denison to Birdseye, Indiana for a visit with the Holzbog relatives. They left by car Oct. 3. They visited the Frech Lick home, formerly the home of Larry Bird, the professional basketball player. They also visited an old Catholic mission that still has Mass in it, and prayer offerings. They brought back apples that were just picked off the trees. They returned home Monday.

Katie and Johnnie Cook of Thackerville, Oklahoma and their son, Fred Cook of California, had breakfast Friday morning with Odessa and Jack Berry. The Cooks and Mrs. Berry left for Troup, Texas for a reunion of the Fletcher cousins, held in the home of Harold and Jan Fletcher. The reunion lasted two days, with approximately 70 people attending from Maryland, California, Wyoming, Oklahoma, New Mexico and Texas. They all returned home Saturday. The Cooks spent the night with the Berrys.

Mrs. Josephine Berry went to Bowie Thursday to visit Mrs. Veda Magee and help her celebrate her birthday. Two of Mrs. Magee's friends from Azle hosted the party. Other friends came and helped her celebrate. Refreshments of birthday cake, punch and coffee were served. Mrs. Berry returned to her home Friday.

Byron, Deana and Colby Berry of Denton visited Mrs. Josephine Berry Sunday afternoon.

Guess what? Only 32 more days until the "thunder cloud" is here!

While few people have ever been hit over the head with a frying pan, many have been hit in the heart. The prostate gland. And the colon. Because fried foods, as part of a high-fat diet, may increase the risk of heart disease as well as certain cancers—

including breast cancer. For a free booklet on how to help reduce your risk through low-fat eating, call 1-800-EAT-LEAN. After all, the purpose of food is to sustain life, not take it away.

Cattle, egrets and farmers form unusual team...

Bold birds benefit pastures

Cooke County residents have been treated to some unusual sights during the last several summers as cattle egrets have become a common summer visitor to the area. The white birds are usually seen in large flocks, but occasionally a bird will stray and can be seen keeping solitary watch with a herd of cattle.

tree. Contrary to the misinformation believed by some, the birds don't create any known health hazard to man or animal, and have no harmful effect on native bird populations, according to George Miller, who followed the cattle egrets' movements for 20 years and who had an article, "Bovine Buddies," published in

resemble seagulls. They also make an unusual sight when roosting. One young spectator, observing the birds settling in a tree, was heard to say, "They make it look like a decorated Christmas tree!"

Most of us remember the first time that we spotted the cattle egrets in this area. They are migratory birds and seem to have

their young in Texas.

Cattle egrets are prolific birds that nest in trees or bushes, usually somewhere near water. They produce two to five eggs that take just over three weeks to hatch. Both parents take part in the care of the eggs and the baby egrets.

Mating and nesting for egrets is from April to July. Apparently

CATTLE EGRETS have staked out their feeding territory south of Myra. The unusual white birds are feeding on insects stirred into activity by grazing cattle, but will soon be winging their way south for the winter.

Janet Felderhoff Photo

Cattle egrets are fond of cattle and horses because the animals' hooves stir up insects that are quickly devoured by the waiting birds. Grasshoppers and crickets are the egrets' main source of food. Insects that damage pastures and crops make up 99.8 percent of their diet, although they will occasionally consume a lizard, frog, worm, or spider. Unlike their other egret cousins, they don't eat fish.

Cattle seem to be quite comfortable with their feathered companions and sometimes carry them on their backs while grazing or tolerantly let a bird perch on their back as they rest beneath a shade

the October 1991 Texas Parks & Wildlife Magazine.

While tilling the land, a farmer may be treated to the company of the feeding birds as plowing stirs up insects, transforming the field into an insect-eaters gourmet dinner. Feeding territory for cattle egrets moves with the availability of food.

The snow-white birds seem to prefer roosting in trees near water at night and can usually be seen shortly before sunset, winging their way in a V-formation to the flock's favorite spot, which is often near a pond, creek or lake.

When seen from a distance while flying, the birds somewhat

an innate urge to wander. It is thought that they were originated in Africa, but they wandered across the European continent, east through India, and south to the Cape of Good Hope. They also settled in Southeast Asia, Indonesia and Australia.

The push forward to new places continued over the years and the cattle egret is the only bird that has become naturalized on every continent (with the exception of Antarctica), without the help of humans.

It is speculated that a storm or hurricane blew a flock of birds that were migrating off their course across the Atlantic Ocean and to the American continent, sometime during the 18th century. They were first known to be in the United States in the early 1940s and, by the latter part of the '50s, the adaptable birds were raising

the birds seen locally during mid-summer through early fall raise their young elsewhere and then move to this area to take advantage of the abundant insect crops. There are large numbers of cattle grazing on rolling pastures with plenty of water sources in this area which seems to suit the cattle egrets' needs.

Many of the flocks that have summered in the Muenster area are already moving out. They will make their way to the Texas Coast or to someplace in South America for the duration of our Texas winter.

When the hot Texas summer brings its usual abundance of grasshoppers, the migrating birds will be a welcome sight to the farmers and ranchers who are plagued by the crop munching insects.

Agents earn LUTCF professional designation

Don Rice and Linda Capps, Agents for Farm Bureau Insurance in Gainesville have been granted the LUTC Fellow professional designation.

LUTCF is conferred upon life underwriters who meet the exacting training, membership, and ethical standards jointly set by The Life Underwriter Training Council (LUTCF) and The National Association of Life Underwriters (NALU).

The designation marks an agent's long-term commitment to professionalism on behalf of clients, establishes the agent's competence and business experience, marks a commitment to NALU's code of ethics, and frequently leads to additional professional development.

Rice and Capps were designated an LUTCF at a national conference held September 25 in

Nashville, Tennessee during the 1991 annual convention of NALU. A local recognition event also will be conducted in Sherman where they will be presented with the official diploma.

Since the introduction of the LUTCF designation in 1984, more than 30,000 U.S. agents have qualified.

Rice and Capps are members of the Texoma Life Underwriters Association, and have been active in the profession for 5 and 4 years respectively.

The Life Underwriter Training Council is an independent, non-profit educational and training organization offering courses in Personal Insurance, Business Insurance, Disability Income, Advanced Sales, Fundamentals of Financial Services, Multiline Skills and Professional Growth each year from October to May.

Insect control developments discussed at NASDA meeting

AUSTIN - Resolutions passed recently by the nation's agriculture officials could affect controls on fire ants, grasshoppers, Mexican fruit flies and honeybee pests.

A promising new fire ant product, Talstar (bifenthrin) is being investigated at the U.S. Department of Agriculture Imported Fire Ant Laboratory in Gulfport, Miss. Talstar may be a replacement for existing products which have limited effect.

The group asked Congress to continue funding for another four years the cooperative Grasshopper Integrated Pest Management Project. The project started in 1987 to develop biological controls on more than 150 grasshopper species.

NASDA also urged Congress to appropriate \$2.5 million a year beginning in 1993 for a Mexican fruit fly pest-free zone in northern Mexico. The funds would be used to establish a sterile Mexican fruit fly breeding facility in Mexico.

CUBS

Continued from Page 9

taking the ball to the 2-yard line. A 5-yard motion and Swirczynski dropped for a loss left the Cubs with a 4th and goal on the 15-yard line. Lindsay took over on their 12-yard line. Jeff Hale then took the ball and ran 88 yards for a touchdown. The PAT pass failed and Lindsay led 14-0 with 3:23 remaining in the first half.

The Cubs started their next drive on the 45-yard line. Klement picked up 10 yards for a first, with McCoy and Brandon Bayer making short gains before Chris Escobedo picked off a Sacred Heart pass. A 15-yard personal flag set Lindsay back on their 28. Kenny Jones picked up 15 yards to the 43, but the Cubs' defense held, including an outstanding play by Jake McCoy to end the half.

Lindsay's offense threatened on the opening drive of the 3rd quarter. Escobedo took the ball from midfield to the Cubs' 17-yard line. Two consecutive penalties for 15 yards slowed the Squires' drive and on 4th and 3 McCoy stopped Lindsay, giving Sacred Heart the ball on their 19-yard line.

The young Tigers controlled the ball, slowing moving to midfield as the final quarter began. Runs

by Klement, McCoy and Bayer and a pass from Swirczynski to McCoy took Sacred Heart into Lindsay territory. Klement picked up an additional 12 yards to the 26. Plays by Klement and McCoy gave the Cubs a 1st down only 15 yards from paydirt. But that's when Lindsay's defense tightened. After four unsuccessful attempts by the Cubs, the Squires took control at their 15-yard line. With 2:53 remaining in the game, Lindsay ran the ball into Sacred Heart's end of the field as time expired.

Lindsay Coach Linus Fuhrmann credits Jeff Hale to an outstanding offensive and defensive game and Garrett Hellinger for good pass defense.

Walterscheid said the penalties hurt the Cubs, preventing any scoring. He credits Scott Poole for good blocking and the screen pass play for working so well.

The Cubs will play Cistercian on Thursday, Oct. 10 at 4:30 p.m. The game was originally scheduled for Friday then moved to Saturday, but will be played Thursday, followed by the Tigers. Lindsay junior high will host Saint Mary's on Thursday, Oct. 10 for a 5:00 game. An eight-man junior varsity contest will follow with Era.

County Agent's Report

by Craig Rosenbaum

Use Leaves for Compost

Autumn is here and with it comes the annual chore of keeping lawns free of fallen leaves. Leaves should be removed from lawns not only for appearance, but also to prevent damage to the grass. A heavy blanket of leaves can smother a lawn if allowed to remain.

In previous years, leaves were burned or hauled to the dump to be burned or buried. Air pollution controls have made the smell of burning leaves a thing of the past. Actually, leaves are much too valuable to burn, and it is more efficient to compost them. Leaves can provide a ready source of composted soil to use in preparing flower and shrub borders, potted plants, or as a top-dressing for the yard.

The simplest method of composting leaves or other vegetable matter is to alternate 4 to 6 inch layers of vegetable matter with 2 to 4 inches of good garden soil. Sprinkling commercial fertilizer on each layer of vegetable matter hastens decomposition. One cupful or 1/2 pound of 10-10-10, 10-6-4, 10-20-0 (or the equivalent) per 10 square feet of vegetable matter is sufficient. If manure is available and free of weeds, it is also beneficial to add it to the soil layer.

The compost pile should be 4 to 6 feet wide and any desired length.

The surface of the pile should slope toward the center, forming a basin to hold water. The top layer should consist of soil. Leaf layers should be watered thoroughly as they are spread out. When the pile is complete, additional water should be periodically added to keep the material moist but not soggy.

The compost should be turned or mixed with a garden fork or shovel every 3 or 4 months. Within 6 months to a year, it should be ready for use.

Ten tips for Farm Safety all year long

1. Take the time to be safe.
2. Just say "no" to children.
3. Accept no riders.
4. Teach safety by good example.
5. Take a break.
6. When working alone, keep others informed.
7. Make sure equipment is in proper operating condition.
8. Carefully read the operator's manual.
9. Shut it off before getting off.
10. Maintain a strong safety attitude.

Attend Your County Meeting October 14, 1991

Dear Farm Bureau Members,

The Cooke County Farm Bureau invites you to attend the annual county convention on Monday night, October 14, 1991, starting at 7:00 p.m. at The Center Restaurant in Muenster, Texas.

All County Farm Bureau Members are invited to attend this meeting, but only those agricultural producers may vote or be elected to an office, according to the county bylaws.

Due to limited seating availability, you are asked to contact either the Muenster office at 759-4052 or the Gainesville office at 665-1763 prior to Friday, October 11, to confirm that you will be attending.
