Marcia Saunders elected 1993 president of TFRW

Cooke County resident Marcia Saunders became the 20th president of Texas Federation of Republican Women (TFRW) during the convention's Nov. 7 luncheon in Corpus Christi. She will serve in this capacity for two years.

Her installation was conducted by attorney Roy Barrera from San Antonio, chairman of the Bexar County Republican Party. She succeeds Beverly Kaufman of

Award six times and has served as a Flight Attendant Recruitment Representative. Her husband, Terry, is a captain with Continental Airlines and the couple lives at Lake Kiowa.

Marcia began her political activities as Lt. Governor of Alabama Girls' State in 1963 and as a Goldwater Girl in 1964. She has since chaired or served actively on numerous political campaigns and

The first state championship in boys' athletics...

Sacred Heart teams take State ranking

The Sacred Heart Tigerettes and Tigers both took first place honors at the TAPPS Class A Cross Country State Meet last Saturday in Waco. The races were run on the campus of Texas State Technical College.

The Tigerettes' championship score of 21 was possible when the girls took the top 3 finishes. Dobe Fleitman won the gold with a time of 14:16, Kelly Rigler followed at 14:37 and Erica Schilling at 15:03 for 3rd place. Also finishing in the top 10 were Anna Fette, 6th at 15:56; and Leslie Grewing, 9th, finishing at 16:12. The team was rounded out with Jill Hess coming in at 13th and Jennifer Campbell

Parkview Christian came in 2nd place with 62 points, Waco Christian Fellowship had 94 and Faith Outreach Christian 116 team points.

The Sacred Heart boys also took the State Championship with a team score of 49 in the only race the Tigers ran all season. Jody Fleitman came in 4th place with a time of 18:18.77. Aaron Berres followed in 5th at 18:28.41. Paul Swirczynski also finished in the top 10, in 8th place with a 19:01.69 finish.

Other Tigers in the 3-mile race, their placing and times were: 14th, Brad Schilling, 19:31; 18th, what the track team will be, Brandon Bayer, 14:55; 19th, John concluded Nasche. "We're loaded."

Klement, 19:59; and 21st, Jason Hess, 20:11.

"The cold, 30-mph wind, Friday night football and lack of sleep and the Tigers still came out Saturday to win the State Cross Country title," bragged Coach John Nasche. "The boys started slowly; at the 1st mile marker, 5 of the 7 last-place runners were Sacred Heart, then they turned it on and gained ground.'

Briarwood School finished 2nd in the boys' division at 54, Faith Outreach Christian was 3rd with 60, followed by Parkview Christian 108 and Gospel Lighthouse 141.

Jason Reiter dies in crash

Jason Michael Reiter, 13, was killed in a one-car auto accident at 9:50 p.m. Friday, Nov. 5. He was a passenger in 1993 Mitzubishi driven by his mother Anita Reneé Barber.

They were traveling northbound on FM 373 when Barber lost control of the vehicle at the crest of a hill 3.2 miles south of Muenster. The vehicle rolled several times, coming to rest astride a barb wire fence adjacent to the southbound lane several feet from where the vehicle went out of control.

Justice of the Peace Royce Martin, Precinct 4, ruled at 10:30 p.m. Friday, Nov. 5 that Jason Reiter was killed instantly in the vehicle and that he died from massive head injuries.

Barber and another teenage passenger were transported by Cooke County EMS to the Muenster Hospital.

Muenster Volunteer Firemen and the Muenster Police Department were at the scene to assist with traffic control.

The accident is currently under investigation by Troopers Chris Watson and Ray Sappington of the Texas Highway Department.

Muenster City Judge receives special invitation

Christopher Kepler, Muenster City Judge, has been invited to participate in an inauguration of a course in Judicial new Administration sponsored by the National Council of Juvenile and Family Court Judges. Judge Kepler was one of only three judges selected from Texas for this nationwide event. This course, funded by the State Justice Institute, will be held in San Antonio from Jan. 6 through 8, 1994.

Judge Kepler will be awarded funding for three nights' lodging at the San Antonio Sheraton and travel expenses. This intensive course is geared to the special needs of judges who must be involved in administrative matters such as management, fiscal planning and

implementing new programs. The emphasis will be highly practical. During 1991 and 1992, Judge Kepler graduated from the National Judicial College's program in General Jurisdiction on a partial tuition scholarship. The National Judicial College's courses are held on the campus of the University of Nevada. In June 1993, Judge Kepler attended Harvard Law School's intensive summer course for lawyers given at Cambridge, Mass.

Local students attend **UIL Super Conference**

by Irene Hartman The University Interscholastic League (UIL) Student Activities Super Conference was held on Oct. 23, on the campus of the University of North Texas in Denton. These conferences are conducted annually in the fall of the year at four locations in Texas.

The Conference provides students from the smallest to the largest schools throughout Texas with the opportunity to attend various workshops which cover all aspects of the UIL academic competition. At the workshops, students have the opportunity to

learn from the state's best teachers and academic coaches, meet UIL contest directors, and become acquainted with the nature and rules of the UIL academic contests. Furthermore, the coaches of the various events can learn valuable lessons in curriculum and instruction.

These workshops include the following areas of academic competition: Computer Science, Spelling, Accounting, Literary Criticism, Ready Writing, Number Sense, Mathematics, Calculator Applications, Current Issues and Events, Journalism, Science, and One-Act Play. In addition to these, there are workshops which deal with various speaking events, such as Debate, Informative and Persuasive Speaking, and Prose and Poetry Interpretation.

The following students attended this year's Super Conference from Muenster High School: Melissa Biffle, Laurel Green, Ashley Hartman, Summer Jones, Jennifer Keller, Andrea Klement, Jennifer Sicking and Toni Trubenbach. They were accompanied by Mrs. Irene Hartman and Mr. Eddie Green.

Two Muenster High School students were honored to be featured speakers at this year's Super Conference. Ashley Hartman, a junior at MHS and the daughter of Mr. and Mrs. Roy Hartman, and Toni Trubenbach, a sophomore at MHS and the daughter of Mr. and Mrs. Lloyd Trubenbach, were invited to give their performances of Poetry Interpretation before an audience of approximately 200 students and coaches from the North Texas region. Both students benefited greatly from this opportunity, especially from the valuable experience of being critiqued by highly qualified coaches and judges from Austin and various other cities in Texas.

Both Ashley and Toni will be participating in the UIL Academic Meet this spring. They are being coached by Irene Hartman, junior high and high school English teacher at MHS. Both students received a special letter of appreciation from Treva Dayton, UIL Director of Speech and Debate, in Austin.

the parade is Monday, Nov. 22. For more information contact parade chairmen, Brenda, David or Janet at the Muenster Enterprise, 759-4351 during business hours or after 6 p.m. and weekends 759-4744, 759-2894 or 759-4485, respectively.

Don't miss the opportunity to kick off the Christmas season in a festive spirit. Come join us in Muenster for a warm, friendly day.

United Way needs your extra effort

Muenster is currently lagging \$3,500 behind its goal in the United Way drive. Cooke County's aim to realize \$236,000 is now at 91%, as the organization draws nearer to its hoped-for Victory Luncheon at the Holiday Inn on Nov. 19.

United Way Chairman John Leftwich says, "Please, be generous, make your contribution and turn it in to your volunteer, or at the Muenster City Hall before Nov.

Taxpayer group to attempt county rollback

A group of local concerned taxpayers, in cooperation with the Cooke County Taxpayers Association, is asking for a few volunteers to canvass their neighborhoods to obtain signatures of registered voters on a petition to the County Judge to have an election for a rollback of Cooke County taxes. If held, this election will not affect city, school or hospital taxes.

For more information or if interested in becoming a volunteer canvasser, please call 759-4949 or 759-4786.

Letters to the Editor-

Dear Editor:

'Use It or Lose It" Muenster has a privilege that very

few other communities its size enjoy - our own Memorial Hospital. Privileges, over time, need to be earned to be deserved and continued. For Muensterites, earning means not just being proud to say we have a hospital, but rather by using the facility as the basic caregiver for all but the most specialized services. This usage must include the young families in Muenster as well as the old guard.

It was shocking to learn how many of our neighbors go off to commitment is to give him or her other towns for procedures that could have just as well been performed here

I recently had a semi-emergency medical need that required a brief stay at our hospital. Everything I experienced was professional, first class and friendly - a very pleasant contrast to the impersonality of other big town hospitals.

Whenever my next family need arises, I would feel very confident and safe turning first to Muenster Memorial.

Over time, Muenster will need additional doctors who will settle in and become a welcomed and involved part of our community. They will need to be encouraged by seeing how well local residents support and use the local facility.

Muenster Hospital is too good to lose. If the entire community young and old - pulls together in support, we can save it. IF we use, we don't have to lose it.

Dear Editor:

I applaud Sister Mary John Seyler and Barbara Fuhrmann for their efforts in teaching their 9th grade religion class on the cultural diversity that exists in Muenster's community.

An understanding and respect for other peoples' religion and culture leads to a better appreciation of all God's children.

Looking forward to your next issue, Darla Wood 741 Morningside Dr. Fayetteville, AR.

Dear Editor,

I'm writing this letter to express a concern of mine (and others) that occurs on a fairly frequent basis. My concern relates to people calling the hospital for information related to an accident when they hear or see emergency vehicles or Careflite in the area, First, the information is confidential! Second, the hospital staff is busy caring for the accident victims, awaiting calls from the EMS or police, making necessary calls to relatives, and/or making transfer arrangements. The patient is our first concern and our the best care possible in a confidential atmosphere.

I ask the cooperation of all the citizens of the community in this matter. I also ask that you don't put our employees "on the spot" by asking them patient information when you meet them downtown or at community functions.

The Board of Directors and staff at Muenster Memorial Hospital are striving to meet the health care needs of the community and surrounding area. Please give us your input, suggestions and comments

We need your support!

Sincerely, Joan Walterscheid, RN Director of Nursing Muenster Memorial Hospital

Dear Muenster Folk, young and old:

Hello from Sydney, Australia, home of the year 2000 Summer Olympics, home of a world-famous 20-year-old (+ 3 days) Sydney Opera House, capital city of New South Wales and largest city of Australia.

Our time in Melbourne (suburb of Mt. Eliza) is done. The retreats we did for St. Bede's at Grey Friars Retreat Center were great. The guys were quite honest with themselves and open to the possibility of people having a relationship with Jesus in their lives. Some thought they would give it a try. Others thought they would wait until they were "older and more suited to that sort of thing" (which is just an excuse to say no). Still others just couldn't care less about the whole issue, as it was something they knew was there, but didn't have anything to do with "real life." Oh well, such is the ministry. Sometimes, when I get a really apathetic group, it hurts a bit. It's like I've got a bar of chocolate and they don't know what chocolate tastes like, but I do. I offer it to them, and they don't even taste it. It's hard to explain what it tastes like. They've got to taste it themselves. And, then if they want they can get more chocolate or just spit out what they tasted or enjoy it for the moment but never get anymore, etc. So, that's how the ministry goes. We come. We share. We offer. But we don't force. And it's up to them to accept it, take it,

and follow up on it. The system's got its drawbacks in that w Muenster, Texas there in one place to continually **TOUGH STUFF** Super Comfort

support and nurture that which we sow. But, on the other hand, that encourages the locals to have their own youth group, catering to the needs that are unique to each group and place. Such is NET and youth ministry

Meanwhile, we journeyed up to Albury on the Victoria/NSW border, spent the night, then charged on into Sydney on Wednesday, the 20th birthday of the Opera House. We'll be doing 7th and 8th grade retreats here at Newman High School. Actually, one's down, three to go. Does anyone remember Stanley Varnakulasingham from the first NET team to hit Muenster back in Jan./Feb. 1989? Well, he sends his greetings to Muenster, especially to Roger and Janie Taylor, his host parents back then. Here, in the suburb of Grestanes, the team has its last road trip stop and retreats of the year. In another week we will be back home in Brisbane, do a few home retreats and have a big time, and call it a year. Tempus really is fugitting these days (for all you Latin and English scholars).

So, with all my triumphs, victories, lives touched, etc., so do all of you triumph, touch lives and share in the victories. Without all your prayers and financial support, I could never have been here and done it (and still do it). When I pray for a retreatant, and he looks up at me with tears in his eyes and says "thank you," he is saying thank you to all of you for helping me in a real way. And I continually say thank you and pray for you daily. I'll be home sometime in December. See you then.

Meanwhile, take care, everybody, and God bless you all.

Straight Talk About NAFTA

by Dr. Richard Lesher

The only thing that working people really need to know about the North American Free Trade Agreement is that even though wages are much higher north of the Rio Grande, it still costs more to assemble a car in Mexico than it does in the United States.

True, there is a huge gap between wages in the U.S. and Mexico. The average factory worker in the U.S. makes \$16.17 per hour, and the average factory worker in Mexico makes only \$2.35. But that is because U.S. workers are roughly seven times as productive as Mexican workers. In fact, U.S. workers are the most productive in the world. That being the case, U.S. workers do not need to be protected from competition with workers in Mexico or anywhere else.

Labor costs simply are not a major part of production expenses. Laboraccounts for only 2 percent of the cost of assembling a car in Mexico, and only 8 percent in the U.S., a difference more than offset by the superior productivity of American workers. Thus, it costs \$9,180 to assemble a car in Mexico, but only \$8,770 in the U.S.

The same principle applies across the board to any industry you may care to name. It is true that Mexican workers are rapidly becoming more productive, but their wages are keeping pace. Since 1987, wages in Mexico have risen 135 percent.

Best of all, most of that new purchasing power in Mexico is going to buy U.S. exports. In 1986, scarcely 2 percent of sales in Mexican supermarkets were U.S. products, largely because of restrictive trade rules. That year, our trade deficit with Mexico was \$6 billion.

Today, thanks to removal of many trade barriers, more than 30 percent

Do our legislators really know? News article points out waste in education

by Steve Cooper, MISD Superintendent

I couldn't resist bringing to your attention an article recently published in the Dallas Morning News. This article confirms, in a very dramatic way, that our legislators obviously, in many instances, don't even know what they're voting for.

The Dallas Morning News article was entitled "Group says school rules not workable." It was presented by a representative from the Texas Association of School Boards (TASB). The article deals with pieces of legislation, passed during the last session of the legislature, that effect school districts. Some of the new laws, as mentioned by TASB, are as follows:

1. A new state law that requires school districts to recycle empty paper juice containers was one of the worst. The problem with the law is that there are no companies that will recycle these paper containers. Rep. Robert Saunders, D-LaGrange, a sponsor of the bill, says companies have been asked to help the recycling and he thinks they will. In the meantime, school districts should be allowed to throw them away. (This should have been checked out before the law was passed.)

2. Another new law prohibits school employees (custodians, etc.) from setting mousetraps or spraying for bugs unless they are licensed by the state to use pesticides - the catch to be licensed, the employee must pass a state test. Before you can take the test, you must hold a degree in biological science, have at least

12 months of technical field experience, or complete a stateapproved training course. (Setting a mousetrap is very complicated.)

3. The teacher career ladder was done away with under the last legislative session. However, the money each teacher, on career ladder, was drawing was mandated that they continue to get that stipend as long as they stayed in that particular district. If they move, they no longer get that stipend. This law was completely arbitrary and capricious because teachers that were not on career ladder at the time have absolutely no way of ever getting career ladder money that other teachers have. Those that were on career ladder when the law was passed will always make more money than those that weren't. You cannot just give a raise to teachers that were not on career ladder - this is deemed discriminatory (the other isn't?)

Also involved in the new career ladder law is a scrapping of the old evaluation system (we spent millions on this) and initiating a new system based on the old (if districts choose to use it); the problem being that we are going into the 3rd month of school and the state has changed the grading mechanism 3 times. But even more profound than the fact no one really knows what the state wants because they don't apparently know is the fact that we now have teachers drawing an extra stipend that was supposed to be based on merit and was supposed to be evaluated multiple times a year that is now in place with no requirements for that extra money that other teachers have no opportunity to get.

I wanted Muenster folks to be aware that there is obviously very little planning that goes into some of our legislation. Let me rephrase that - NO planning that goes into some of our legislation. We apparently have elected officials voting on LAW that they have absolutely no idea of what is in the law or the consequences of it. Now, if we make application of that principle when we deal with school finance, we begin to understand the seriousness of why there must be a grassroots movement to MAKE our legislators accountable. JUST THINK OF THE WASTE!

This week's topic concerns trusts. Families that use trust arrangements to hold assets and help cut the family tax bill should reexamine them now. The new law increased the tax rates paid by trusts.

Under the new law, trusts must pay 31% tax on income greater than \$3,500, 36% tax on income greater than \$5,500, and 39.6% tax on income greater than the fairly small amount of \$7,500. Take a hard look at family trusts in light of these tax bracket changes. There are steps that can be taken in regard to the taxable income of a trust.

of supermarket sales in Mexico are U.S. products, and the U.S. enjoys a \$5.4 billion trade surplus with Mexico. That surplus led directly to creation of 400,000 jobs in the U.S. NAFTA will bring the elimination of remaining trade barriers between the U.S. and Mexico and the creation of at least 200,000 more jobs by 1995.

It is a fact of life that breaking down trade barriers benefits everybody. In 1986, for example, the nations of Europe admitted Spain and Portugal into their common market over loud objections from critics who warned that business would not pay German workers \$18,000 when the Spaniards and Portuguese would work for \$2,000 a year.

But commerce has magical power to foster wealth. Almost immediately, wages began rising rapidly in Spain and Portugal, and most of the increased income went to buy products and services from the wealthier European nations. Workers benefited in both the high wage and the lowwage countries.

The same thing is happening in North America now as incomes in Mexico rise, a process that NAFTA will speed up considerably. NAFTA means more jobs and a better life for Mexicans; NAFTA means more jobs and a better life for workers in the U.S.

That "giant sucking sound" Ross Perot refers to is actually the noise made by the surging flow of U.S. exports into Mexico. It is a gentle, comforting sound we need to hear more of.

PAGE 4 - NOVEMBER 12, 1993 - THE MUENSTER ENTERPRISE Kaiser-Taylor wed in St. Mary's Church Oct. 23

Mr. and Mrs. Scott Michael Taylor have returned from their a friend of the couple was flower wedding trip to the Bahamas and are at home in Gainesville. They were married on Oct. 23, 1993, in a ring bearer. Nuptial Mass in St. Mary's Catholic Church in Gainesville, with Father of the groom, was best man. Eugene John Lambert officiating the Mass and the double ring vows at 5:30 p.m.

The bride is the former Kari Ann Kaiser, daughter of Ken and Kathryn Kaiser of Gainesville. The groom is the son of Roger and Janie Taylor of Muenster.

Kari is a 1989 graduate of Gainesville High School, a 1991 graduate of Cooke County College and attended the University of North Texas. She is employed as Pharmacy Technician at Watts Bros. Pharmacy in Gainesville. Scott is 1988 graduate of Sacred Heart High School in Muenster and is employed as an Extruder Operator by Borden Resinite Co.

Given in marriage by her parents, the bride was wearing a Mori Lee gown of white bridal satin, organza and beaded lace. In design, its longline bodice featured a sweetheart neckline and long tapered sleeves. Alencon beaded lace accented the bodice and sleeves. A full skirt flowed from the long torso. Alencon lace, beaded with pearls and sequins, outlined the skirt and cathedral train. Multi-beaded motifs highlighted the organza skirt and train.

The bridal crown of pearls, satin roses and beaded lace held a veil of illusion flowing to fingertip length from a full pouf. She carried a bouquet of fresh white roses, gardenias, stephanotis and English ivy. For sentiment, the bride carried a treasured handkerchief that belonged to her great-grandmother. **ATTENDANTS**

Diana Kaiser of Dallas, bride's sister was maid of honor.

Bridesmaids were the groom's sister Sandy Taylor of Fort Worth, Melinda Eberhart of Denton and Tamara Sieger of Gainesville, both friends of the bride. Mindy Williams of Gainesville, bride's niece was junior bridesmaid. They were attired in knee-length dresses of hunter green taffeta and velveteen designed with dropped waistline and puffed sleeves. Each carried a bouquet of fresh dark red roses, pink mini-carnations, purple statice and flamingo alstromeria.

the groom were groomsmen. Ushers were Mark Kaiser of Stephenville and Scott Kaiser of Arlington, both brothers of the bride; Johnny Williams of Gainesville, brother-in-law of the bride, and Keith Hennigan of Gainesville, a friend of the groom.

Mass servers were Nicholas Taylor and Jacob Endres, both of

Muenster, cousins of the groom. Wedding music was provided by Annette Earle, organist, and Brad Adams and Kerri Kennedy, soloists. Selections included "Just You and Selections included Just You and I", "All I Ask Of You", "Surely the Presence of the Lord", "Wind Beneath My Wings", "The Wedding Song', "We Are An Offering", "The Lord's Prayer", "Household of Faith", "Come With Me", Ave Maria" and the traditional wedding marches.

The wedding liturgy included Readings from the Old and New Testaments by Peter Hyde of Gainesville and Lisa McAden of Sanford, North Carolina. Godparents of the couple presented Offertory gifts at the altar; they included Sam Endres of Muenster, Virginia Mangum of Federal Way, Washington and Steve Kaiser of Lexington, Kentucky.

RECEPTION

A reception, dinner and dance followed in St. Mary's Parish Hall catered by Francis and Cathie Fuhrmann of The Farmer's Kitchen, for 300 guests.

Angie and Jennie Endres of Muenster, cousins of the groom presided at the guest book. Becky Endres of Muenster, groom's cousin attended the gift table

A romantic, four-tier bride's cake was decorated with cornelli lace and European String icing and was nestled in cascades of ivy and lilies, roses and burgundy mums. Kelly Brannan of Gainesville, Katrina Ivy of Denton, Katherine Vickers of Tyler, and Melinda Vickers of Gainesville were reception assistants and attended the cakes'

tables and helped cut and serve the cakes.

The bride's table was formally draped in Juliette fashion with tulle, ivy and dried wood roses in allwhite. Floral topiary trees in allwhite, made by Janie Taylor, enhanced by candles and mirrors, created a perfect autumn setting.

The reception area was decorated by topiary trees of dried flowers, pearls and ribbons in the bride's colors on the guest tables; with two white topiary trees greeting guests at the door, and crystal lighting on

ficus trees and a New Orleans-style street light centering a wicker seating arrangement. All floral decorations were made by Janie Taylor.

The rehearsal dinner, hosted by the groom's parents in The Wooden Spoon in Lindsay for 45 guests, was held on Friday, Oct. 22.

Out of town guests attending the wedding traveled from New York, Kentucky, Washington, Michigan, Missouri, North Carolina, Louisiana, Colorado and throughout Texas

The Great American Smokeout set for Nov. 18 What a difference a day can

make

Next to Thanksgiving, it's the most famous Thursday in November. It's the American Cancer Society's Great American Smokeout. Nov. 18 is your opportunity to quit smoking for 24 hours or to lend a hand to someone who's trying to quit. Make the Great American Smokeout an important holiday on your calendar.

Smoking affects everyone. It takes 438,000 lives, rich or poor, each year. Give yourself a break you can live with. Thinking about having another pinch? Think again. Smokeless tobacco is not harmless tobacco. Take a day off for your health. Dippers and chewers are also encouraged to give up their habits for the day.

In 1965, 29.6% of those who had ever smoked had quit. By 1987, this number had increased to 44.8%

Thanks to the American Cancer Society's Great American Smokeout, this number will continue to grow. On Thursday, Nov. 18, join the millions of Americans who will take a 24-hour vacation from smoking. You might become a member of one of the steadiest growing populations in the

A great way to show your love for a smoker is to help him or her to give up cigarettes. "Adopt a loved one on Thursday, Nov. 18, the day of the American Cancer Society's Great American Smokeout.

Muenster Elementary students ask for your support in the Great American Smokeout.

Posters are being done by students to show their support. Several business places have graciously allowed the students to display their posters.

Sacred Heart in the playoffs... **Tigers rip Panthers**

Sacred Heart finished their regular season Friday night with a big 43-6 win over Pantego in Arlington.

The Tigers' defense played a big role in the contest, holding a 1,000yard passing team to only 5 yards. Brandon Bayer was in the backfield all night long, playing cat and mouse with Pantego's quarterback," Tiger Coach John Nasche said, who also credited Sacred Heart's defensive backs, Aaron Berres, Neil Berres, Jason Hess and John Klement, for an outstanding performance.

Nasche also said it was the best offensive game the Tigers played this year with special recognition to his Hogs - the offensive line - for controlling the line of scrimmage and allowing the Tigers to a season-high of over 350 yards.

The opening kick turned on the Tigers when Pantego returned the ball 90 yards for an early touchdown. With only 19 seconds off the clock, the Panthers had a 6-0 lead. But that was the only score the Tigers would allow.

The Tigers started their first drive on their 32-yard line. Runs by Jason Hess, Chris Pagel and John Klement carried Sacred Heart to the 1-yard line in 4 runs. Klement put the Tigers' first score on the board, for a 6-6 game with 9 minutes on the clock.

Pantego got in 10 plays before running out of downs, punting the ball away. The Tigers punted right back 4 plays later to the Panthers' 37-yard line. Two plays later, Jason Hess picked off a Pantego pass. An illegal block call put the Tigers on the 50-yard line. Hess connected with Neil Berres to the 28 but, on the next play, an offensive pass interference call set the Tigers back on the 43. Hess ran for 5, then Berres broke free to the 14. Two runs by Chris Pagel moved the Tigers to the 6 as the 2nd quarter

began. The first play of the period saw Hess circle around the left end into the end zone. The PAT failed and the Tigers had a 12-6 lead with 5 seconds off the clock.

Pantego pounded at the Tigers' offense their next possession, moving 61 yards in 9 plays to the 9yard line. On 4th and 3, John Klement and Jeremy Bayer stopped Pantego on the 7-yard line.

It took only 4 plays and the Tigers were in the end zone. A 70yard touchdown run by Chris Pagel and an extra point by Scott Frost gave Sacred Heart a 20-6 lead with 5:35 remaining in the 1st half.

Pantego's next offensive attempt ended with a punt on 4th and 15, setting Sacred Heart on the 37-yard line. Neil Berres ran it 63 yards for

on 2nd down, Hess found Neil Berres in the end zone for another Tiger score. Becker's kick counted for a 34-6 halftime score with 2:04 remaining on the clock.

The Panthers took the 2nd half opening kick and, on their 10th play, fell short giving the Tigers the ball on their 35-yard line. Klement and Pagel moved the ball to the 36 in 4 plays, then Berres broke through for a touchdown run. The PAT failed for a 40-6 game with 5:32 remaining on the clock.

Pantego's next drive was cut short to 2 plays after Mike Schilling covered a fumbled ball on the Panthers' 28-yard line. Klement, Berres and Pagel took the ball to the 8. After being pushed back a few yards, Michael Becker booted a 21-yard field goal. With 20 seconds on the clock, the Tigers had their 43-6 score

Pantego carried the ball into the 4th quarter, but their drive ended when Jeremy Bayer covered a fumbled ball. The teams exchanged punts and fumbles, including a coverage by Scott Frost, the remainder of the game as time ran out.

Game reported by Alvin Hartman

Sacred Heart will face Pantego again this Friday in the first round of TAPPS state playoff competition.

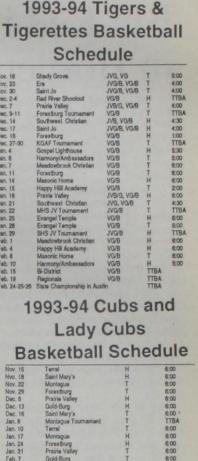

'We'll open up a little more this game," commented Coach Nasche. 'Expect us to run out with no huddle offense to tire our opponents as an experiment before Tyler Street." The Tigers have used the 2minute drill in the past and it has been successful. "I feel they will try to pass more. They also have had success running the ball," concluded Nasche.

Game time is 7 p.m. on the Tiger Field.

Tigerettes reloading for hoop season

By taking one step at a time, the Sacred Heart Tigerettes are looking to return to Waco for the Texas Association of Private and Parochial Schools State Championships in February. Under the direction of Jon LeBrasseur, the Tigerettes have qualified for the Final Four in 11 of the past 13 seasons, with the Tigerettes winning five State Crowns.

According to Coach LeBrasseur, "As the program has improved, also comes great expectations and respect. We welcome both of these. It's when your own people start expecting you to win on a consistent basis you find out that your program

is on the right track." As for the 1992-93 season, the Tigerettes were knocked out in the semi-final game by Saint Paul of Shiner. "We had a good season last year," said LeBrasseur. "Anytime you make the Final Four, you have to be pleased, even though your main goal is the State Crown." "We lost six great girls to graduation," said LeBrasseur. "Of the six young ladies, five are in college with the sixth planning on attending in the near future, so I guess we are headed in the right direction."

As for the 1993-94 season, new faces will take the hardwood in the Tiger Den, but they will be led by a group of solid returnees. "We feel good about our returnees and need for them to lead this team," says LeBrasseur. "They saw extensive action last season and know what it takes to win." The returnees are led by five seniors.

All-District performer Erica Junior letter winners include Sarina Fuhrmann, Jennifer Fuhrmann, Tiffany Fisher and Stephanie Grewing. Two sophomores who will make an impact on this year's squad include Karri Endres and icole Endres. Deanna Hess suffered a mid-one of the Tigerettes' top Nicole Endres.

out of the team's rotation. Hess, a 5'7" point guard, is expected to fill the void left by All-State guard Julie Felderhoff. "Deanna will be an exciting player to watch this season

Kelly Dangelmayr, a 5'8" guard, became a defensive stopper at the end of last season. "Kelly is expected to be a defensive stopper while excelling in an up-tempo game.

Jennie Endres, a 6'1" post, is needed to fill the void left by All-Star April Truebenbach. "Jennie made great strides last year and should give the team a dominant

Erica Schilling, a 5'6" guard, enters her third year as a starter in the Sacred Heart program. "Erica has all the tools to be a dominating fun to watch. The team will have to player. The past year of experience and maturity should help her to reach her full potential.

Sarina Fuhrmann, a 5'8" forward, gives the Tigerettes great speed at the forward position. "Improved want, but everyone is important. If defensive skills should allow Sarina everyone will sacrifice for the team, to play both guard and forward this season.

Jennifer Fuhrmann, a 5'2" guard, is expected to help the Tigerette back court this season. "Jennifer has a hard- working attitude and will add depth to the guard position." Tiffany Fisher, a 5'10" forward,

saw her playing time increase KGAF Classic, should help season during last season and will be called the young Tigerettes for the district upon to provide help in the post schedule. 'Tiffany is a good athlete and knows the game. She is needed to give us a scoring punch inside.' Stephanie Grewing, a 5'9" guard, made a major impact on last season's team. Stephanie started the

season ankle injury which took her rebounders. "Stephanie is a solid player who is expected to see more action at the guard position this season.

Sophomores Nicole Endres and Karri Endres are young talented players who must mature quickly to help the Tigerette team.

Newcomers to the squad include senior Jutta Leskinen, an exchange student, and 11 freshmen. "The Tigerette freshmen include Tara Yosten, Melinda Vickers, Kelly Rigler, Teresa McCarty, Tanya Knauf, Jill Hess, Corey Hess, Leslie Grewing, Brandi Gilpin, Dobe Fleitman and Anna Fette, "We have a good cast of returnees and we are post player." Donetta Hess, a 5'7" guard, is expected to pick up the offensive slack left by sharpshooter Deann Bayer. "Donetta had a great summer in cond che will be counted on

According to Coach LeBrasseur, fans can expect a pressure defensive team that will run the floor and be mesh together quickly for early success. "We ask each player to put the team first. All that matters is our team's success." LeBrasseur adds, "Everyone may not get the role they we will have a successful season. I guess it boils down to unselfish and unified players.

another Tiger touchdown. Michael Becker's kick was good for a 27-6 score with 3:28 on the clock.

A fumble on Pantego's next possession, covered by Jeremy Bayer, gave the Tigers the ball on the 30-yard line. A 5-yard run by Klement and a Hess pass to Jody Fleitman took the Tigers to the 10. A flag backed the ball to the 17 and,

Contest nears close, scores improve

The final week of regular high school football improved most contestants' scores in The Muenster Enterprise Football Contest.

A three-way tie of 27 correct game winners was settled with the tiebreaker game. Finishing first place was Nick Stoffels, with an 18point spread on the Tigers' game. Peachie Huchton came in second, 20 points off the final score and Mike Stoffels finished 3rd at 25 points. They collected their winnings at the Silver Spur, Crafty Olde German and Red River Liquor.

Finishing with a close 26 correct games were Mike Felderhoff, Neil Huchton, John Nasche, Sara Long and Wayne Klement. Terry Walterscheid, Tim Bindel and Mickey Haverkamp missed only 5 games. The low score was 15. The most missed games were Frisco over Bonham and Chico over

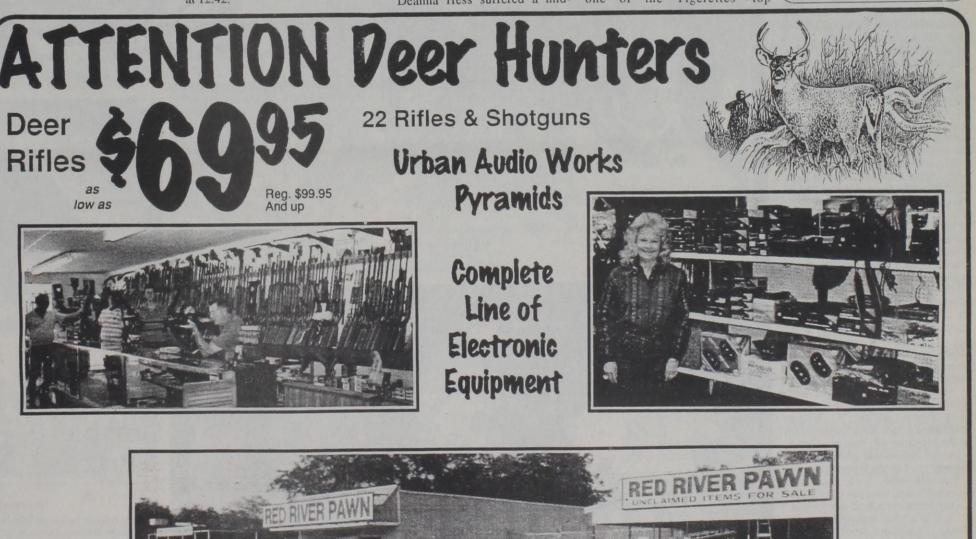

Petrolia. Eighteen picked Collinsville over Lindsay, while 3 missed Muenster's win over Era and 5 believed Sacred Heart would be defeated by Pantego.

Everyone correctly picked Penn State, Georgia Tech, Oklahoma and Gainesville, with only one missing Colorado, Tyler Street, Alvord and Michigan.

The season percentages improved for most contestants. Bonnie Stoffels dropped, but still holds the lead at .837. Wayne Klement improved his score to .822 for second place with Mike Stoffels in third place with .807. Mike Felderhoff .803 and Benny Haverkamp at .800 follow closely.

Big Red is victorious in Hornets' Battle

For two teams that weren't going 0/0 to the playoffs, both Hornet teams played a good, tough ball game last Friday night.

Muenster finished on top 28-20 over Era to finish the district with a 3-2 record.

"It was a good ball game for both teams," commented Coach Grady Roller. "No team dominated the other, each team had their good and low spots. We just came out on top.

Era took the opening kick. Two runs by Matt Lyons were followed by a 57-yard touchdown run by Jerry Beaver. The extra point failed and Era had an early 6-0 lead with just a minute ticked off the clock.

Muenster's first offensive attempt was shortened when Nathan Bowles caught quarterback Jason Huchton for a 6-yard loss, forcing Muenster to punt.

Era began their next drive on their 15-yard line but, on their 2nd play, Cody Sicking covered a loose ball and Muenster had a 1st down on the 14-yard line.

Two short runs by Scott Debnam and a personal foul took Muenster to the 5. Debnam had the honors of Muenster's first score on the next play. The PAT pass was incomplete and, with 7:11 on the clock, the game was tied 6-6.

Era got in 6 runs before punting the ball over on their 2nd drive of the game.

Muenster mixed runs by Debnam, Sicking, James Klement and Huchton to move the ball 36 yards before running out of steam. A short punt gave Era the ball on the Muenster 37 to start the 2nd quarter.

Era's next drive was led by 2 good runs by Lyons, assisted by Beaver and Ryan Worthy, to the 3yard line. Lyons carried the ball in from there and Worthy added the extra points for a 14-6 Era lead with 9:26 remaining in the 2nd quarter.

Muenster's next offensive attempt was stopped immediately when Jeff Wilson picked off a Huchton pass. A holding call against Muenster gave Era possession on their 48yard line. Worthy and Beaver picked up a first down, but the next play found Maurus Hacker covering a loose ball and Muenster took over on their 43.

It was 3 unsuccessful plays by Muenster and punt, with Era doing the same to Muenster's 11-yard line. Debnam ran 2 and completed a short pass to the 35. Huchton then found Jay Hennigan for a 64-yard pass play to the 1-yard line. With 33 seconds on the clock, Huchton found the end zone on a keeper for a Muenster touchdown. The extra point pass failed for a 14-12 halftime score.

Muenster came back the second half with a long drive, runs by Debnam, Klement, Huchton and Sicking and a Hennigan pass completion carried Muenster to the 23-yard line. On 4th and 10, a Huchton run was 3 yards short and Era took over on their 16. Muenster's defense held Era to only 5 yards and Era punted the ball to their 48-yard line. A personal foul assisted on moving the ball to the 28. From there, Huchton, Klement and Debnam carried Muenster to the 5. Cody Sicking carried the ball in for the touchdown, with Debnam adding the extra points for a 20-14 Muenster lead with 9 seconds on the 3rd quarter clock. Era fought back their next drive with Lyons, Worthy and Beaver taking the ball to the 19-yard line. A pass to Wilson was good for the score. The PAT kick failed and, with 8:56 remaining in the game, the score was tied 20-20. Muenster fans were on their feet when Scott Debnam returned Era's punt 88 yards, but a clipping flag on Muenster placed the ball on Era's 23 Huchton carried the ball to the 3 on an 18-yard run, then Debnam gained another 2. On 3rd and goal, Debnam took the ball in for 6 points. The extra point pass from Huchton to A.J. Knabe made it a 28-20 ball game with 6:11 remaining on the clock.

Game reported by Nick Walterscheid

"The season was a little disappointing," Roller commented. The boys wanted to make the playoffs." After two district losses, the Hornets turned things around to end the season with a win. "I was pleased with the kids' hard playing in 9 of 10 games," continued Roller. "They went out and played hard. Week after week, it's that Muenster pride." Muenster played a tough schedule, including six teams that received 1st place votes and were Top 10 rated throughout the season.

The Hornets were also able to stay injury-free except for Cory Cain late in the season and Jeff Flusche who injured his hand in Friday's game.

Coach Roller is looking forward to working with this young team next season.

Era's attempt to take to the air failed and they punted the ball away. Muenster couldn't muster 10 yards and also punted the ball away.

Starting on their 35-yard line, Kevin Janway got in an 18-yard run with Lyons adding 2. Wilson completed a pass for a 28-yard gain to the Muenster 17. Beaver added 1, a pass to Wilson was good for 5 and Janway got 2 to the 9-yard line.

On 4th and 2, a pass fell incomplete and time ran out for Era, giving Muenster a final district win.

"It was a good team effort," said Roller. "The boys went in with a good attitude and played. They went out with a win.

Muenster "B" 12, Era 14 12-0 to take the win from Muenster.

Muenster took the opening kick, after several runs, Aaron Klement took the ball in for a score on a 25yard run. The extra point failed for a 6-0 score.

Era got in several good runs before the Red Stingers' defense, led by Brent Sicking and Jesse Luke, stopped their drive. A 55-yard touchdown run by John Roller highlighted Muenster's next drive. The PAT failed for a 12-0 game.

The teams exchanged possessions

as the time ticked away to halftime. Era took the opening kick. Defense, led by Justin Klement, Chad Felderhoff and Sicking, forced a fumble. The Red Stingers could not get the needed yards and Era took over. Two plays later, Jesse Luke intercepted an Era pass, but a fumbled ball after 2 plays gave the ball back to Era. A 30-yard run by Zielinski was good for a touchdown. The extra point was good for a 12-8 score. Muenster's next drive ended in a

blocked punt, allowing Era to score on a pass play for a 14-12 lead.

Muenster got in one last drive, but it ended with an interception as the game ended.

Muenster 14, Era 0 Muenster's Junior High Hornets won the District Championship last Thursday, with a 14-0 win over Era.

Their season record of 8-1 was Era came back after being down earned under the coaching of Randy Tankersley and Grady Roller.

In Thursday's game, both Hornet teams exchanged possession twice, before Muenster's defense forced a punt on the 5th series. Brian Fleitman covered but Muenster failed to make the 1st down. Era played out the remaining time in the first half.

Muenster took the second half kick. Chad Roller and Scott Hermes exchanged runs to the 5-yard line. Erik Walterscheid ran the ball in for 6 points. The extra points failed.

Defense by Bryan Hudspeth, Brian Fleitman, Michael Boydstun and Corey Charles forced Era to punt on their first possession. Runs by Roller and Boydstun were capped off by a 15-yard touchdown run by Roller. A Hermes-to-Walterscheid pass added the points after for a score of 14-0. The teams exchanged possession

as time ran out.

THE ABOVE GIRLS advanced a level in a meet held in Sherman last month. Members of the Gymnastic Sports Center of Muenster advancing were, 1 to r, front row - Robyn Hermes, Heather Hess, Kristin Grewing; back - Hannah Trammell, Dana Miller and Andrea Bauer.

the deer hunting season in Texas. "It was a busy weekend with a good deer kill," said Cooke County Game Warden John Welch. "The deer appear to be big and healthy."

Most of the packing plants reported to him that this was their busiest opening season ever. Some of this can be attributed to the fact that hunters were allowed to harvest doe for the first two days of the season in Cooke County. Each licensed hunter was allowed to kill one doe in addition to a buck if the doe was killed Nov. 6 or 7.

Last weekend was the opening of population in parts of Cooke County have become very thick. Welch noted that it would be a while before they can determine if this will have a positive outcome. He hopes that next year permits can be issued to land owners since some government property was hit hard on doe kill.

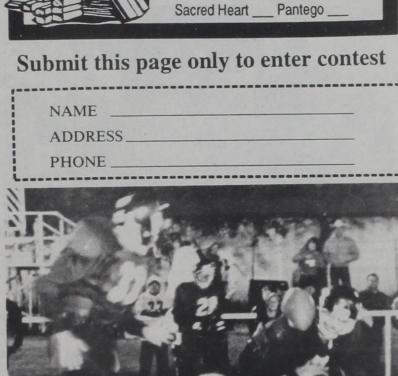

There was some illegal hunting activity reported, but it seemed to be less this year. The penalty for illegal hunting ranges between \$25 and \$500 with a judge making the final decision which according to Welch is usually closer to the \$500 than the

Take District Championship from Collinsville... Knights advance for playoff against Eagles

"Now that was fun," said Lindsay Coach Charlie Meurer, after Lindsay's big 35-18 district win over Collinsville last Friday night. "It showed lots of pride and character. Lindsay's got the pride. It was unfortunate about last week and we could have just laid down and died," continued Meurer. "But we proved tonight that the Knights deserve this district championship."

Lindsay took the opening kick to their 43-yard line. Shane Huchton and Jeff Hale exchanged 5 runs with Chris Brown adding 3 yards before a loose ball was covered by Collinsville on the 27-yard line.

The Pirates got in 2 good passes for 34 yards, but 3 incomplete passes and outstanding pass defense by Bobby Greener and Chris Brown gave possession back to the Knights on their 43-yard line. Again, Huchton and Hale moved the Knights down field. But 2 penalties halted any scoring threat and the Pirates took over. Collinsville ate up 3 minutes to the 16 yard-line as the second quarter began. A successful run by Bubba Ellis put the Pirates on the board. The PAT kick failed for a 6-0 game, just seconds into the period.

Lindsay came right back, with Huchton and Hale hammering away at the Collinsville defense, gaining 50 yards in 7 runs to the 4-yard line. With 8:58 on the clock, Huchton took the ball in and Lindsay was on the board. Toby Eberhart's extra point was good and the Knights took a 7-6 lead.

Collinsville wasted little time in taking back the lead. The 6th play of their next possession saw Ellis break free for a 41-yard touchdown run. The extra point failed and, with 6:20 remaining in the first half, the Pirates had a 12-7 lead.

The Knights' next drive ended after 5 runs when Lindsay let loose a fumbled ball. Good defense by Matt Menzie and Doug Hellinger gave the Knights possession on the 45. After 2 unsuccessful plays, Huchton's pass to Pat Hogan was good for 6 points. Eberhart added the point after and the Knights took a 14-12 lead with 1:24 on the clock. The teams exchanged possessions as time ticked away

"We kicked the thunder out them the first half, but penalties changed everything," said Coach Meurer. "We dominated all the statistics and it showed the 2nd half."

Lindsay's defense, led by Greener, Jeremy Owen, Brian Dulock, Menzie and Pat Hogan, forced Collinsville to punt away the opening possession in the 2nd half.

Starting on their 10, Lindsay struggled and picked up only 9 yards. On 4th down, a fumbled ball gave Collinsville the ball on the 16. The next play, Jeff Melton was alone in the end zone to make the touchdown pass. The extra point

lead 18-14.

Huchton led Lindsay's next drive with 9 runs, pounding the Pirates' defense. Hale got in 2 runs and a Huchton-to-George Lutkenhaus pass earned 36 yards. From the 2yard line, Huchton popped into the end zone for the touchdown. Eberhart's kick cleared the uprights and the Knights once more led with 4 minutes on the clock, 21-18.

Collinsville moved the ball 20 yards to midfield before Chris Brown picked off a Pirate pass to start the final quarter.

Huchton, Hale and Brown drove downfield behind the blocking of Lindsay's offensive line to the 1yard line. A hike from center Greg Arendt and Huchton was in for the touchdown. The kick by Eberhart was good and the Knights extended their lead 28-18.

Three plays later, Lindsay had control of the ball when Shane Huchton picked off a pass at midfield. The Knights' next drive took over 5 minutes off the clock. Again, Huchton led the charge, running 10 of the 12 plays that ended with a 1-yard touchdown run. The PA was good and, with just under 2 minutes on the clock, the Knights had a commanding 35-18 lead

Collinsville didn't give up, driving 60 yards in 8 plays, but Chris Brown stopped any scoring threat when he picked off a pass that ended the game.

"Everyone played well and put out a good effort. We thought we could and we did," commented Meurer. "Last week's game at Muenster woke us up and turned into a good thing. The players were prepared for Collinsville and performed as they knew they could.'
