Muenster Hospital Board votes to levy tax

by Janet Felderhoff

After considering all of the possibilities and consequences, the board of directors of Muenster Memorial Hospital voted unanimously at the Sept. 22 combined public hearing on ad valorem tax and regular monthly board meeting to reinstate ad valorem taxes to pay indigent accounts. The vote was taken after a public hearing. Besides the board members there were seven people from the community attending. None spoke against a tax.

"Although we've been authorized to do so, the Muenster Hospital District has not imposed a tax of any kind since 1977," commented MMH Administrator Jack Endres. "Since 1977 the Muenster Hospital District has taken care of the citizens of our district and other patients from this area of Cooke County who cannot afford to pay, or who have refused to pay their bills. We've done so for

the past 16 years at our own expense without support from the county, community or any other agency." Jack noted that he had been told by the people of the Texas Hospital Association that to the best of their knowledge the Muenster Hospital District is the only one in Texas that does not impose a tax of some kind.

Endres emphasized that the board would adopt a tax as a last resort and that it was their intention to lower or abolish the tax as soon as it became feasible. He pointed out that the district is expecting their total uncompensated care for the current fiscal year to be between \$250 to \$300 thousand dollars. At that rate more than half of the projected operating loss for the current fiscal year would be attributed to uncompensated care.

Comments were asked of those attending. None were unfavorable. Herman Carroll remarked that, "We were talking about an indigent tax

here, but some hospitals have an operational tax. Some of those hospitals get as much as 75 percent of their revenues from taxation. It's not unusual for the hospitals to tax up to 30 and 40 percent of their revenues."

An attorney, Kevin Reed, was present to advise the board on the legalities of all actions taken at the September meeting. "I really do think that you should get a lot of credit for the fact that you have shown in fiscal responsibility," he remarked. "I represent a lot of small rural hospitals across the state; I think it's incredible that you haven't had to enforce a tax."

Current actual value of the Muenster Hospital District certified by the Appraisal District is \$113,337,012.00.

"Something that people may not be aware of is that in the event that this hospital did close, there is still going to be a tax," said Herman Carroll. "The way this county's

indigent tax law is set right now is that this county is only composed of two hospital districts and in the event this district fails there would be a county tax...it may be hidden. This side of the county would certainly be responsible for collection of taxes for indigents from here who would use the Gainesville District."

Kevin Reed explained that, "Because the whole county is covered by hospital districts there is no legal obligation for the county to provide for the care of indigents. If this hospital was not here and there was no hospital district had the obligation to care for indigents then the county would have the legal obligation to cover them."

After figuring the lowest amount of tax that could be used to collect the needed funds plus expenses with the county for taxing Don Flusche suggested .28 cents per \$100 dollar valuation and asked for a motion from board members.

"I make a motion that we have a .28 cent tax per \$100 valuation because I think that it is necessary to keep our hospital afloat at this time," said Werner Becker. Laura Hennigan seconded the motion and all members present passed it unanimously. All seemed reluctant to impose a tax and chose the lower rate and indicated that it would be dropped as soon as was feasible. The tax notices will be mailed out with the rest of the county's tax notices this October.

Mr. Endres gave an update on physician recruitment. Dr. Thomas Currier is in the process of getting insurance coverage, a DEA number, etc. It is possible that he could be set up by the third or fourth week in October. Dr. Currier plans to open an OB/GYN practice in Muenster. Dr. Ted Asinas notified the Muenster Hospital that they were his first choice. He has given the hospital with which he is currently contracted a three month notice. He

said coming to Muenster depends on whether or not he can sell his home.

Mr. Reed spoke on the purpose of the North Texas Hospital Alliance and of its future potential importance as a result of the Clinton health care plan. It consists of 10 hospitals from Muenster to Childress and Vernon. "Unless rural hospitals bind together and help themselves, nobody else will," he remarked.

During the month of August the hospital took in \$97,004.00 in operating revenues. Their operating expenses totaled \$152,686.00 creating a loss of \$55,682.00.

Board members attending the meeting were Werner Becker, Jr., Margie Starke, Don Flusche, Sharon Felderhoff, Lora Hennigan, Jerry Hess, Stan Endres and Sam Endres. David Bright was absent. Board meetings are held at 7:30 p.m. on the last Wednesday of the month unless notice is given of a change.

Golden Knights cut skillful designs in our Texas skies

by Janet Felderhoff

With the sky as their theater, members of the Golden Knights skillfully perform feats only dreamed of by most of us with our feet held firmly to the earth. The Golden Knights, a team of professional parachutists, have been spending time at the Gainesville Municipal Airport doing training maneuvers in preparation of their upcoming Texas shows.

They are scheduled to perform at the Texas State Fair this weekend and at the Alliance Airport the following weekend. State Fair performances will be today, Friday, Oct. 1 at 5 p.m. and on Saturday, Sunday and Monday at 12 p.m. and 5 p.m. After their air maneuvers the parachutists will land in the plaza near the Hall of State.

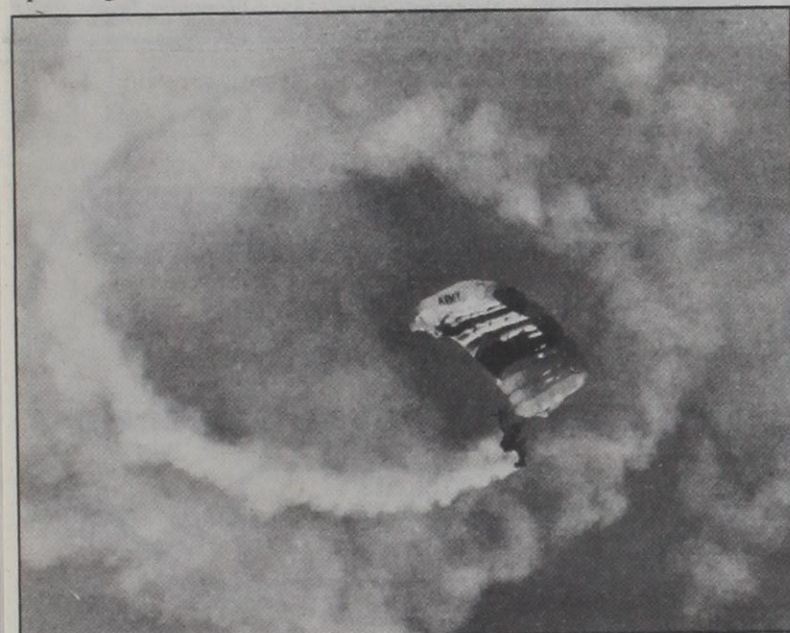

At first glance there seems to be the vapor trail of several jets

traveling close together. Then parachutes are opened and soon one can watch spectacular moves as the parachutists deftly work into positions to form a variety of geometric patterns.

At times they do somersaults or spirals as they drift toward earth. To do this they pull down on the front part of the parachute. "It gets them out of all that hard blowing wind up there," Sgt. First Class John Hawke noted. "Also it gets them out of the sky in time for us to be able to see the air works and it allows the jumpers to get apart vertically so that they come in and each land on the target on their own approach."

The smoke formations are created by smoke canisters on the jumpers' feet. A lanyard is tied to the pins and the lanyard held in the jumpers' hand. When they step out of the plane, they pull the pin and that fires the smoke.

When coming down the jumpers aim for a bright orange circle that is only two feet in diameter. "Sometimes a mile away from this little circle, between gauging what the winds are doing, and picking a spot on the ground to exit from, and guiding the canopy to land on the dead center of the target, requires a heck of a lot of skill and a lot of practice," explained John Hawke. Sgt. Hawke remained on the ground while the rest of the team took to the air. His job was to keep things running smoothly from below and Please See SKYDIVERS, Page 3

Gainesville Hospital breaks ground for cardiac rehab center

Gainesville is looking forward to a new addition to the Gainesville Memorial Hospital. Groundbreaking ceremonies were held on Tuesday, Sept. 21 for The William F. Powell, M.D., Cardiac Rehabilitation Center. Projected completion date for the center is mid-January.

The establishment of the cardiac center will provide physical rehabilitation, education and support for cardiac patients in Gainesville, Cooke County, and the people of North Texas. "We feel a rehabilitation program for cardiac patients and their families will have a positive effect on our community and North Texas, promoting prevention and wellness and a return to improved quality of life through cardiac rehabilitation," commented Gayla Blanton spokesperson for the Gainesville Hospital.

The idea for the center came after longtime Cooke County physician, Dr. William Powell died of heart disease in January 1992. It was felt that a cardiac rehabilitation center named in his honor, would be the perfect vehicle for his memory, and provide a much needed community service.

A 16 member committee is currently conducting a fund-raising campaign throughout the county to raise funds for the construction of the center. Funds raised by the committee have been used to pay all architectural fees for the project.

The total amount raised to date is \$56,507.90. Costs of construction have been estimated at \$185,500.00,

with equipment costs estimated at \$50,000.00. J and J Construction of Denton was awarded the bid with a 150 day contract.

It is being built on site at Gainesville Memorial Hospital and it will involve the renovation of several rooms on the hospital's first floor, east wing, as well as new construction tying the north section, or "old hospital", to the current cardiopulmonary department located in the south addition.

The cardiac center will consist of

The Hon. Joe Barton will tell it the way it really is today when the Cooke County Republican Party hosts its "Discover the Real America" Columbus Day Pioneer Supper.

Cooke County pioneers will dress in boots and denim, sit on hay bales and eat from upturned troughs at the Show Horse Barn on the Frank D. Cromeen Ranch on Hwy. 82, 4.5 miles west of the Main Street signal light in Muenster. The event is at 7 p.m. Tuesday, Oct. 12 (the day after Columbus Day). Reservations deadline is next Thursday, Oct. 7.

Former State Republican Chairman and Texas Legislator Ray Hutchison will introduce video participants, U.S. Senators Kay

new construction and renovated space of 4,453 square feet.

Some of the features to be offered by the cardiac center are monitored physical rehabilitation following cardiac incidents (i.e. heart attacks, open heart surgery); education such as one-on-one and group counseling on nutrition, medication, exercise; and group support from health professionals, as well as others involved in the rehab program, as patients return to an active and independent lifestyle.

Bailey Hutchison and Phil Gramm, who will give the Cooke County pioneers some "navigational observations" in the spirit of Columbus' uncharted waters.

Tickets, \$15 per person, benefit the Cooke County Republican Party and everything in the coffee stays in the county. Tables of 10 are available. For tables or for further information, call John Fisher at 759-2933; Pat Peale, 665-7708; Monica Lamb, 665-5824; or Donna Montgomery, 665-2584. Checks should be made payable to the Cooke County Republican Party and mailed to 701 California St., Suite 304, Gainesville, TX 76240 before the Oct. 7 reservations deadline.

Reward offered for info on bus damage

Police Chief Helen Tompkins has announced an offer of \$100 for information leading to the arrest and conviction of the person or persons guilty of criminal mischief involved in damage to three school buses. One belonged to Muenster ISD and two to Sacred Heart School.

The front windshield on the driver's side of the MISD bus was broken Monday night when the bus was parked in front of the cafeteria. Damage was discovered the next morning.

Two buses owned by Sacred Heart School were on the Community Center parking lot. The

damage was noted Thursday when it was time to ready the buses for travel to football games. Damage included broken front windshields, two side doors kicked in and a broken back window.

Chief Tompkins said the similarity in damage suggests that the same person or persons are guilty of both incidents, which she said were deliberate, willful and premeditated. She also stated that anyone with information may remain anonymous, and urged that they call her at the Police Department or at her home.

Good News!

Letters to the Editor

Sept. 17, 1993
Dear Editor and Muenster Folk:
Graydog Down Under here, once again to tell of the events of days past in the Great Southland of the Holy Spirit, as the locals of Church persuasion are fond of labeling their unique continental country.

Well, here we are once again in Young, New South Wales. It has been right on seven months since last we were here. This was my team's very first stop on our tour of duty when we first left Brisbane back in February. That has been a good occasion for all of us to take stock of what all has transpired in our lives since then. Not only that, but returning to Young inspires us to be renewed in the freshness and excitement of the ministry that was ever-present when we first hit the road.

We had some more "firsts" of our ministry here in Young, just like last time. This time, and for the first time, we did a full school day retreat for 5th graders. The next day, we did a full school day retreat for 6th graders. The lowest we had ever done a full retreat for in the past was with 7th graders. Also, the 6th grade retreat was our first Confirmation preparation retreat. They'll be confirmed next month and we gave them another shot in the arm preparation for it. And, today, we will embark on yet another two firsts for the year: a full weekend retreat (Friday evening through Sunday afternoon) and, not only that, but the retreatants will be a voluntary group (i.e. not school-sponsored) of students whom we already retreated back in February, so will be our first repeats in the same retreat year. Yes, Young kept us hopping then, and looks to continue to keep us hopping to the end.

Kevin and I are again staying with Bros. Noel, Andy and Stan in the Christian Bros. Monastery here. Noel is good for a variety of information and conversation. Andy is a bit of a pool shark with billiards, snooker and 8-ball. Stan is the local handyman who repairs musical instruments and old cars (and whatever else he gets hold of). They are a great bunch of retired brothers. Unfortunately, they are not

long for this corner of the world. Since they are all retired, the Christian Bros. are closing this monastery down and giving the building back to the parish. The three brothers will go off to different monasteries in New South Wales to finish out their time on earth. The Christian Brothers order has been around since 1802, and they are gasping their last breaths to reach 200 years in 2002. Such is the ways of different orders in the Church. They come, they serve, they go and some come back, and some never leave. So it is.

Well, that's about it for now. Y'all take care. NET USA I hear will visit Muenster in November. Please treat my American counterparts well. Most importantly, please pray for us all. Y'all are continually in my prayers. God bless you.

Sincerely,
Eric B. Gray

Dear Editor:

There's a fatal flaw in Bill Clinton's national healthcare bill. No, it's not the fact that every dollar we send to Washington only 28 cents will come back.

Nor the fact that it is patterned after the dismal fiscal failures of Medicare and Medicaid, or that it will eventually shepherd us all into socialized HMO-style cooperatives.

Nor the fact that it will cause massive displacement of tens of thousands of private practitioners and rapid diminution of services as funds become scarcer.

Nor the fact that it will initially cause the loss of between 1.5 to 2 million jobs, swelling unemployment and welfare rolls.

Nor the fact that the new system will cost between \$100 to \$150 billion more than the present private system.

No, the fatal flaw is that it will finance abortion on demand in every local hospital and outpatient clinic. Not just in cases of rape, incest or to save the life of the mother, each of which have a strong medico-legal and moral foundation. But abortion as just another form of birth control, the willful taking of another's life only for convenience.

That flaw, my fellow citizens, is more than sufficient to cause every man or woman who calls themselves God-fearing to fight this ill-conceived plan. The lives of a future generation of Americans depend upon our decision today. Let's not let them down.

CCC sets all-time enrollment record

by Elaine Schad

Cooke County College has set an all-time enrollment record with total enrollment at 4,173 for the fall 1993 semester, officials said this week.

Enrollment is up from 4,140 for fall 1992 and is an increase of 20 students over the spring 1993 semester, when the college set another record.

Of the three main CCC campuses, the Gainesville campus has recorded the greatest enrollment growth, with 2,245 students presently enrolled compared to 2,160 for the fall 1992. The Lewisville campus has an enrollment of 1,403 students, while the Denton campus has 670 students enrolled. CCC also has students enrolled at several smaller satellite locations in Denton, Montague and Cooke counties, including Bowie, Northwest and Aubrey.

Enrollment figures were released during the CCC board of trustees regular September meeting. In a related matter, the board heard a report on the progress of the CCC rodeo team after one year in existence. Enrollment has increased to 31 members for 1993-1994, up from 24 in the team's first year. While the rodeo team recorded a net loss of \$1,762 for last year, state funding for student contact hours plus projected revenues from stall rental and other areas will net a projected income of \$93,000 for 1993-1994 with projected expenses of \$30,000 for a net income of \$63,000.

In other business, the CCC board: --Heard cost estimates in case a decision was made to renovate the Tyler House on the equine center

property. It would cost an estimated \$14,400 to replace the roof and preserve the white brick structure from further deterioration and about \$85,675 for total renovation work. Trustees will look into possible uses for the building and whether it would be cost effective to renovate the structure or demolish it.

--Reported the college realized a net profit \$7,852 from an Aug. 28 auction of surplus equipment.

--Accepted the resignation and announced retirement of longtime government instructor Peter Hyde effective at the end of the fall semester.

--Accepted the resignation of Automotive instructor Bob Day effective immediately for medical reasons. Trustees hired Keith A. Kennedy to replace Day. Kennedy has a masters degree in supervision from Eastern Michigan University and is former teacher and head of the Industrial Arts Department in the Taylor, Mich., school district and for the past 14 years been owner of K. C. Diesel Electric in Newark, Calif.

--Hired Cassie L. Lee as a counselor on the Gainesville campus replacing Dorreice Leander who has taken a similar position on the CCC Denton campus. Lee has a masters degree in counseling and guidance from East Texas State University.

--Reported the college has received an \$8,000 grant from the Small Business Administration's Tree Planting Grant Program. The college will provide \$6,500 in matching funds and in-kind labor and will plant approximately 47 trees at various locations around the campus.

VVWSD sets tax rate

by Elaine Schad

The Valley View school board this week approved the district tax rate of \$1.25 per \$100 valuation of property for 1993 during a special meeting.

The rate is divided with \$1.19 going toward maintenance and operation and 6 cents for debt payment. The rate is the same as last year's tax rate but will bring in about \$20,000 in additional revenue since the district gained about \$1.5 million in new property value. The district is expected to lose about \$200,000 in state funding due to the new state funding formula, but will pick up about \$100,000 when surplus 1993 property tax revenues are disbursed. The district's enrollment is also down slightly compared to last year, which could lose some money for the district, Valley View Superintendent Steve Schneider said. Any shortfall in the budget will be made up using district reserves, he said.

In other business during the special meeting, trustees rejected a bid for the renovation of the floor of the old elementary gymnasium. One

bid of \$34,200 was submitted by Ponder Company. The board decided to rebid the project and is expected to open those bids at the board's Oct. 21 meeting. Trustees also approved one student transfer request and heard reports from the principal and superintendent.

United Way collection begins in Muenster

It is once again time for local supporters to donate to the annual United Way Fund Drive. Volunteers will soon be calling on local businesses for donations.

In Muenster the Park Board takes charge of the drive and administers the fund. "We want people to know that their donations are really appreciated," said a spokesperson for the Park Board. The funds designated for Muenster go to support programs for Muenster's youths. Some programs that benefit are Boy Scouts, Girl Scouts, Cub Scouts, Camp Fire, Boys' and Girls' Little League, Pony League and the Muenster Red Cross Swim Program.

Park Board members and their assistants will be distributing the United Way envelopes during the next few days and will be back to collect them about two weeks later.

Proclamation
By The
COUNTY JUDGE OF COOKE COUNTY TO ALL TO WHOM THESE PRESENTS SHALL COME:
I, RAY RUSSELL, County Judge of COOKE County, do hereby declare the week of October 3 - 9, 1993 as FIRE PREVENTION WEEK in COOKE County for the following reasons:
WHEREAS, Fire Prevention Week commemorates the great Chicago Fire of 1871 which killed 250 persons, injured countless numbers, left 100,000 homeless, and destroyed more than 17,400 buildings, and
Whereas, more than 4,000 people die from fire each year in the United States, and
Whereas, some 80% of all U.S. fire deaths occur in our homes, every home should have an escape plan; and
Whereas, escape plans at home, at work and at school should be practiced, including knowing two ways out, and having a pre-planned meeting place outside, crawling low under smoke holding the head 12-24 inches off the floor when necessary; and
Whereas, everyone should know that once they are safely outside, they must not re-enter the burning building; and
Whereas, the fire service(s) of COOKE County is dedicated to the safety of life and property from the devastating effects of fire, and these members are joined by other concerned citizens of this county, as well as businesses, schools, service clubs and organizations in their fire safety efforts; and
Whereas, the local efforts of the fire service are supported by the activities of organizations such as the American Burn Association, the American Red Cross, the Congressional Fire Services Institute, the Fire Marshals Association of North America, the International Association of Arson Investigators, International Association of Black Professional Fire Fighters, the International Association of Fire Chiefs, the International Association of Fire Fighters, the International Society of Fire Service Instructors, the National Association of State Farm Marshals, the National Fire Protection Association, The National Volunteer Fire Council, and the United States Fire Administration;
I call upon the people of COOKE County to participate in fire prevention activities at home, work and school, and to heed the message: "Get Out, Stay Out! Your Fire Safe Response" as the 1993 Fire Prevention Week theme suggests.
In witness hereof, I hereunto set my hand this 23rd day of SEPT., the year of our Lord nineteen hundred and ninety-three.

Mother of Betsy Fleitman dies in Houston Sept. 23

Elizabeth "Pat" Reed of Houston died on Thursday, Sept. 23, 1993, in a Houston hospital. She was the mother of Betsy Fleitman of Lindsay and Charlotte Vernon of Houston. Mrs. Reed is survived also by her husband, John, of Houston; seven grandchildren; 10 great-grandchildren; and one sister, Catherine Meyers of Oklahoma City.

A Rosary service was held on Sunday, Sept. 26, at 7 p.m. in St. Peter's Catholic Church of Lindsay.

Mass of Christian Burial was held in St. Peter's Church of Lindsay on Monday, Sept. 27, officiated by Father Eugene Luke, OSB. Interment was in St. Peter's Cemetery, directed by Geo. J. Carroll and Son Funeral Home. Pallbearers were Leon Fleitman, Scott Fleitman and Tracy Fleitman; John C. Mitchner; Derral Johnson and Kris Anderson.

Elizabeth Reed was a native of Henryetta, Oklahoma. She was a graduate of Henryetta High School and was assistant librarian at the public library. She attended business college in Tulsa in 1934. On July 6, 1935, she married John Reed in Sapulpa, Oklahoma. They moved several times with job transfers during 58 years of marriage, settling in Houston in 1967 and resided there since that time.

She was active in numerous social, political and religious organizations and was a member of St. Thomas More Catholic Church in Houston; and a homemaker. For the past several years, she had been in declining health.

Her family has suggested memorials to VITAS Hospice House Inc. in Houston or to the Alzheimer Association.

World champs to rope for scholarships at CCC

The name of the event has changed, but spectators can expect the same exciting, world-class action at this year's third annual George Tyler Memorial Matched Calf Roping set for Oct. 2-3 at the Cooke County College Equine Center outdoor arena. The finals on Sunday will also feature open and youth class barrel racing, and proceeds go to a special equine student scholarship fund, also named in Tyler's memory.

All persons interested in seeing how it's done by some of the very best two-legged and four-legged athletes in the equine world are encouraged to attend. Gate admission each day of the two-day event at the CCC Equine Center gate is \$4.00 for adults, \$2.00 for students and free for children 12 and under.

The first round of the matched roping, featuring 16 ropers going head to head, will begin at 1 p.m. The finals on Sunday will get underway at 1:30 p.m. and barrel racers should have entry fees paid and be ready to run by 2:30 p.m. Concessions will be available, and spectators are reminded again to bring lawn chairs.

The CCC Equine Center is located on Bonner Road, a quarter mile northwest of the CCC main campus on SH 51 (California Street) about a mile west of downtown Gainesville off Interstate 35. Spectators should bring lawn chairs, and the event will be moved to the center's indoor arena in case of inclement weather.

instruct the members on why a jump didn't come off as planned.

After making a successful dead-center landing at one performance, a lady remarked to Sgt. Hawke that it just amazed her how they could guide the parachute and land on the little circle. "I couldn't think of anything to say but, 'Yes, sometimes it really amazes me too!' That's my favorite comment," he quipped.

Diamond track is a formation in which jumpers are falling 180 miles an hour each and cross within three or four feet of each other. Their trails in the sky look like a big diamond.

A bi-plane formation is when the back jumper flies his parachute right up to the other one and it appears that they will crash. He docks his parachute right on the top guy. The top guy reaches down and grabs the parachute, hooking his feet in the center lines of the bottom parachute. It gives the appearance of a bi-plane and thus the name.

Some other formations are the Big O where everyone builds a circle, a snowflake with an O in the middle and people on the legs. "We just kind of make stuff up as long as it is symmetrical on each side," said parachutist Sgt. Kris Ward. She is one of seven women on the team.

"My favorite maneuver is the cut away maneuver," commented Sgt. Ward. "That's where we have three parachutes instead of two and we make the first one malfunction. We release it and then deploy our main parachute."

The team is very safety conscious. They go over their moves on the ground before going up to be sure that everyone knows where they need to be. According to Sgt. Ward there was only one injury to a team member last year and that occurred playing basketball.

"Everyone gets into this type of work for different reasons," said Ward. "I thought it was a lot of fun and then when I found out what a challenge it could be to do things correctly that's what motivated me. It's a wonderful challenge!"

How does it feel coming out of a plane and free falling? "Fun! Very windy," said Kris. "It's like a sensation of falling. It's more like a sensation of being in a real strong wind."

The parachutists usually come out of the plane at 12,500 feet and free fall for about 65 seconds at a speed of around 120 miles an hour before using their parachute.

A jumper uses arms and legs to control the direction of his parachute. Speed is all in the arch of the body according to Sgt. Steve Baker.

The Golden Knights are all active duty Army and are the Army's official aerial demonstration unit. There is a total of 86 people in the unit, including 65 jumpers and aviation section, head quarter section and support team.

Golden Knights have been all over the United States entertaining people with their air show. In 1959 the unit was formed for recruiting, testing parachute equipment for the airborne community and for public relations.

Recently the unit received a very special award, the Henderson Award. It is an air show performance award to the unit. They

also received an award from the military, the Presidential Unit Citation, which is also a very big award.

The 8-Way team has just won the National Championships in 8-Way. It is 35 seconds of working time with eight people completing as many different geometric formations as possible. Usually they average 16 to 18 formations.

There are 8-Way, 10 Way, and 20-Way teams of the Golden Knights who travel all over the world and compete. They are currently the World Champions in these events.

Try-outs for the team are held once a year. Some team members had been jumping only one year when they tried out for the team and others may have been jumping for 10 years before trying out. To put in an application one must have 150 free falls, either civilian or military. After reviewing the applications, try-outs are held for about 15 to 25 people and they accept anywhere from five to 10 to become Golden Knights.

Sacred Heart announces Talent Search winners

Sacred Heart School has identified five students for the 14th annual Talent Search for the Duke University Talent Identification Program (TIP).

The Talent Search region is a 16-state area. To be eligible for identification, a student must be in the 7th grade in a public or private school. Students must have scored at the 97th percentile or above on the national norms of a standardized achievement test. Sacred Heart School administers the Stanford Achievement Test 8.

The Talent Search Program benefits these bright 7th graders with information about their abilities and about educational options.

Identified students are requested to take the Scholastic Assessment

Test (SAT) or the ACT Assessment Test. The testing experience is valuable to students. There is a state and national recognition ceremony for those students who score well on the SAT or ACT.

Sacred Heart School is pleased to announce the names of these young students and to commend them for their academic progress and promise. They are: Deann Felderhoff, daughter of Ross and Janet Felderhoff; Janet Fetsch, daughter of Garry and Susan Fetsch; Russell Fette, son of David and Pam Fette; Patrick Miller, son of Robert and Betty Miller; and Joseph Reiter, son of Gerald and Rosalee Reiter.

Twenty-nine percent of Sacred Heart 7th graders qualified for the program.

Lifestyle

JENNY LYNN WIMMER of Bedford and **Steven John Corcoran** of Bedford have chosen Nov. 13, 1993 for their wedding day. Their engagement and approaching marriage have been announced by her parents, Ray and Kaye Wimmer, of Muenster. The future-groom is the son of Tommy and Sandra Corcoran of Gainesville. Father Victor Gillespie, OSB, will officiate for the Nuptial Mass at 5 p.m. in St. Peter's Catholic Church of Lindsay. The bride-elect is a 1990 graduate of Muenster High School and a 1993 graduate of Cooke County School of Nursing. She is a Registered Nurse at Baylor Medical Center in Dallas in the Bone Marrow Transplant Unit. The future-groom is a 1985 graduate of Lindsay High School. He is employed by Ryder Truck Rental in Grapevine.

MMH Auxiliary readies plans for Oct. 30 dance

The date is set and now it's time for everyone to plan for a fun evening out.

The Muenster Memorial Hospital Auxiliary has set Saturday, Oct. 30, at Sacred Heart Community Center for their evening of excitement, enjoyment and all-around good fun.

The event will begin with a scavenger hunt that will certainly start the evening off right. Next comes an hour of live entertainment featuring local talent, then dance to the music of "Andy Serna and Captive Hearts." To top off the evening, breakfast will be served before calling it a night.

Tickets will be \$15.00 per person which includes the entire evening's package. Table reservations can be made by calling Betty Rose Walterscheid at 759-4143 or Joan Walterscheid at 759-4296. Tickets are also available at The Crafty Olde German in Muenster.

The Auxiliary reminds everyone that, due to the new Diocesan law which recently went into effect, no alcoholic beverages can be served. However, set-ups will be available. They request that no Styrofoam coolers be brought into the Community Center.

Be watching for more details on the Hospital Auxiliary dance and reserve Saturday, Oct. 30, on your calendars for a fun-filled evening!

Baptisms

Klement
 Brianna Kristen Klement, daughter of Bubba and Melinda Klement, was baptized Saturday, Sept. 18, 1993, at the Sacred Heart Catholic Church in Muenster. Celebrant of the Mass was Father Victor Gillespie, OSB.

For the baptism, Brianna wore a long white christening gown that her parents bought for the special day.

Representing Brianna as godparents were Leasha Perryman and Kevin Klement of Muenster and Craig and Connie Stoffels of Denton.

Following the baptism ceremony, Brianna's parents hosted a special dinner and afternoon of fun at her mother's parents' home in Muenster.

Attending the dinner as special guests were Brianna's grandparents, Wade and Shirley Perryman, Robert and Laujuana Klement, all of Muenster. Great-grandparents, Sam Hill of Nocona and Tony and Sis Klement of Muenster, also attended.

Following the service, family and friends gathered at the home of maternal grandparents, Butch and Eileen Fisher, for a brisket dinner, and an afternoon of swimming and visiting.

Special guests included the great-grandmother, Margaret Fisher; aunts and uncles, Janie and Paul Valentine; Steven Fisher; Todd Fisher; Tonya and Stanley Hess and cousins Kaileigh and Tyler Hess of Lindsay. Also Father Victor Gillespie, OSB; Sharon, Michael, Keith and Kelsey Hermes of Lindsay; and Marcia, Mike and Mason Moreland of Carrollton.

New Arrival

Sicking
 Darwin and Juliane Sicking of Woodward, Oklahoma are elated over the birth of their first child. Their daughter, Danielle Megan, was born on Sept. 19, 1993 at 8:35 a.m. in Woodward Hospital and Health Center. She weighed 7 lb. 1 oz. and was 20-1/4 inches in length. Proud grandparents are Jerry and Evelyn Sicking of Muenster and George and Virginia Krahl of Gainesville. Great-grandparents are Eleanor Sicking of Myra, Mrs. Conrad Flusche of Decatur, Lena Fleitman of Lindsay and Elizabeth Krahl of Gainesville.

Katie celebrates birthday

Katherine Elizabeth Nortman, daughter of Danny and Linda Nortman of 2206 Aspen, Gainesville, celebrated her first birthday on Aug. 10.

Family and friends celebrated the occasion with a surprise party held in her honor on July 31 at Antonio's Mexican Restaurant. The party also honored her mother, Linda, who was celebrating her 30th birthday on that date.

A special teddy bear birthday cake was presented to Katie by her Aunt Debra Neu. Decorations of streamers, banners and balloons outlined the banquet room.

Following the meal and opening of gifts, everyone traveled to Lindsay City Park for games and refreshments.

Attending the celebration were her parents and sisters, Amy and Amber; along with grandparents, Harold and LaVern Nortman and Joe and Alice Hermes, all of Lindsay.

Also attending were Uncle Rodney and Aunt Sherry Betts, with cousins Geoffrey and Elissa of Lindsay; Aunt Della Hermes of Fort Worth; Aunt Kathy Hermes of Lindsay; Uncle Ricardo and Aunt Joyce Jaramillo of Carrollton; Uncle Carl Hermes of Plano; and Uncle Glenn and Aunt Mary Hermes of Fort Worth.

Also Uncle Donald and Aunt Debra Neu of Lindsay, with cousins, Stephanie and Cammi; friends, Kevin and Brenda Block with children Mallory, Garrett and Jessica; and favorite babysitter, Tammy Wilson of Gainesville.

KATIE NORTMAN

Mrs. Iuu Neu will celebrate her 90th Birthday Sunday, Oct. 3, 1993 2 to 4 pm Stanford House 401 W. Garnett Gainesville, Texas Mrs. Neu's children will host the party and would like her friends and relatives to visit with her.

Margaret Hartman is feted

Margaret Hartman was the honoree at a dinner at noon on Monday, Sept. 27, observing her 87th birthday. Hosts were a daughter and son-in-law, Pat and John Yosten.

Dinner and a birthday cake were served to Edna Tompkins and Sharon Fedor of Arlington and Mark (one of Margaret's great-grandsons); Gene Hartman of Denton; Pam Bloedel, a granddaughter, and Kimberly and Trent (two of Margaret's great-

grandchildren) of Denton; Georgia Wolf of Gainesville; Alvin and Joanie Hartman, who were accompanied by Kristin LeBrasseur (one of Margaret's great-granddaughters).

The four sisters, Edna Tompkins, Della Schmitt, Pat Yosten and Georgia Wolf, returned several days ago from a visit with the fifth sister, Kathryn Gremminger, and her husband Ted of Denver, where they were guests for four days.

Barnhill and Mohon attend Austin College

Two former Sacred Heart students, Mandy Barnhill and Sondra Mohon, have enrolled at Austin College in Sherman, in classes that began Aug. 30.

Mandy is the daughter of Mr. and Mrs. Monte Barnhill and the granddaughter of Mr. and Mrs. Ray Barnhill and Mr. and Mrs. Arthur Bayer. Sondra is the daughter of Mr. and Mrs. Nealy Mohon and the granddaughter of Mr. and Mrs. James Harrison.

More than 320 new freshmen and transfer students enrolled at Austin College on Aug. 27. AC is a four-year, private liberal arts college with an undergraduate enrollment of about 1,200 students, now beginning its 144th year.

VFW Ladies Auxiliary plans appreciation dinner

The Ladies Auxiliary to the VFW held their regular meeting Sept. 20 in the Post Home. President Dorothy Hesse presided. Conductress was Linda Knabe, Chaplain Ethel Hesse, Patriotic Instructor was Rose Marie Sicking, pro-tem.

Roll call, minutes of previous meeting and communications were read by Secretary Theresa Muller. Lucille Hesse gave the treasurer's report.

District President Ruth Carey made a brief visit to the Post prior to the meeting. Members were reminded of the District meeting to be held in Denton Nov. 13 and 14.

Communications received were read from PAC (Political Action Committee) and the VFW National Home for Children. Members voted to make their usual donations to the cause.

Another important project on the agenda was the annual Bake Sale benefiting the cancer aid and community relief funds. The date for the Bake Sale is Friday, Oct. 15, at Fischer's Market.

Linda Knabe, safety committee chairman, led the discussion on plans to give an appreciation dinner for the local firemen and spouses. Date decided upon is Oct. 2, 7 p.m., at VFW Hall.

Ethel Hesse, Rehab Committee, reported that 22 members gave 90 volunteer hours on 11 projects. Fruit baskets were taken to five local shut-in people.

Door prize was won by Julia Cunningham. Linda Knabe served lunch to 18 members. Jake Schilling will be hostess for the October meeting.

DIALOGUE meetings set for October 6th and 20th

Muenster Memorial Hospital and the American Cancer Society will have their next cancer support group (DIALOGUE) meetings for Cooke County on Oct. 6 and 20. These meetings will begin at 7:30 p.m. in the administrator's office at Muenster Memorial Hospital.

DIALOGUE started in August in response to the need for support and education for cancer patients, their families and friends. DIALOGUE provides an opportunity for those experiencing the emotional, as well as physical impact of cancer and its treatment to share their questions and concerns with others.

DIALOGUE is for individuals

who have just been diagnosed, those currently undergoing treatment for, and those who are survivors of cancer. It also encourages family members and friends to join the group and share their experiences with others.

DIALOGUE is led by Mary K. Endres, R.N., O.C.N. Mary has been an oncology nurse for over five years and has been trained by the American Cancer Society as a facilitator for the DIALOGUE support group. If you are interested in attending or learning more about the cancer support group, call Mary at 817-759-2271.

FRANCES BAYER, Americanism chairman for VFW Auxiliary Post #6205, presented an American flag and a Texas flag to Sacred Heart School following the opening day Mass in Sacred Heart Church. Presentation was made to Principal Jack Murdock with the entire student body in attendance. Shown on this photo, shortly thereafter, as they raised the flag are, l to r, Nicholas Yosten, Joseph Reiter and Stephen Bartush. The daily activity of flag raising is the duty of the seventh grade, taught by Sister Mary John Seyler.

Siblings share "Barney" birthday party Sept. 25

On Saturday, Sept. 25 Scott and Sandy Felderhoff hosted a party to celebrate the birthdays of their two children, Kaitlyn and Ryan. "Barney" balloons decorated the rooms and many of the birthday packages.

KAITLYN FELDERHOFF

Kaitlyn's actual birthday was on Sept. 18. She turned three, Oct. 1 was Ryan's first birthday. He had a special cake baked by his mother and decorated in a "Bears and Balloons" theme. Kaitlyn's cake was done in a "Barney" theme since he is one of her favorite characters. Both children enjoyed opening

RYAN FELDERHOFF

gifts. Ryan was assisted by his sister and cousins. Guests were served a buffet supper followed by cake and ice cream. Those attending included grandparents Theo and Millie Voth and Al and Sis Felderhoff; aunts, uncles and cousins Ross and Janet Felderhoff and Jody and Deann; Kenny and Kim Felderhoff and Kayla, Keith, Kara and Kirk; Gene Voth; Tim Voth and Debbie Metzler.

Also sending birthday greetings from Ponca City, Oklahoma were Dave and Sharon Voth and Christy and Jennifer.

Tax Talk

by: Duane Knabe, CPA

This week's topic is the support of parents. Many baby boomers are having to provide care and financial support for their parents. These individuals may be able to lessen the financial burden by (1) claiming a dependency exemption for the parent, (2) qualifying for head-of-household tax rates (if single), and (3) deducting medical expenses paid for the parent.

If two or more children together more than 1/2 of the support of a parent, they may agree among themselves which one will claim the exemption. The child who claims the exemption must only have furnished over 10% of the support.

Muenster National Honor Society inducts new members

MUENSTER HIGH SCHOOL STUDENTS inducted into the National Honor Society were, l to r, front - DaLana Endres, Mary Knabe, Melissa Biffle; back - Hollie Fuhrmann, Jeff Flusche, Tommy Dankesreiter and Andrea Klement. *Janie Hartman Photo*

Muenster ISD's new chapter of the National Honor Society inducted new members during a ceremony Tuesday, Sept. 28, at 11:45. Incoming sophomores and juniors were presented membership pins by Principal Eddie Green.

NHS President Danell Reiter welcomed the candidates and their guests to the candlelighting ceremony which was led by senior NHS officers: Danell Reiter, president; Tracey Vogel, vice-president; Shelley Klement, secretary-treasurer; and senior members Candise Abney, Brandi Grewing, Theresa Kubis, Amy Otto and Amy Sturm.

New NHS members include Melissa Biffle, daughter of Mil and Herky Biffle; Tommy Joe Dankesreiter, son of Rosemary and Tom Dankesreiter; DaLana Endres, daughter of Shirley and Jim Endres; Jeff Flusche, son of Judy and Tom Flusche; Hollie Fuhrmann, daughter of Pat and Ruff Fuhrmann; Andrea

Klement, daughter of Christi and Leon Klement; and Mary Knabe, daughter of Linda Knabe and the late Gilbert Knabe.

These students were selected by criteria such as scholarship, leadership and service. Scholarship requires a cumulative average of 90 in all academic subjects.

Students desiring membership in the honor society are required to complete an application listing extracurricular activities, membership in outside organizations, volunteer work, and service to the school and community. They must also compose an essay explaining their qualifications as members of the National Honor Society. With membership in the National Honor Society, students are expected to maintain high standards of excellence which are reflected in their daily lives.

Following the ceremony, a reception was held to honor the new members in the school library.

Country Tidings

by Ruth Smith

Ruth Smith went to Bonham Wednesday to be at the bedside of her aunt, Mrs. Bess V. Freeman. She arrived shortly before her aunt passed away. Ruth was accompanied by Mrs. Pauline Sicking. Ruth also attended the funeral of her aunt on Friday.

Several years ago the Student Council and its sponsors teamed up with the Home School Society to find a way to instill the importance of academics, honor those who made good grades and give all students something to work for. It was decided to award a trophy to students in grades 7 and up who maintained a "B" average (85% and up) and to present a larger trophy to students whose grades were an "A" average (93% or more). This is the average of all grades at the end of the school year. Certificates are presented to students in grades 5 and 6 who averages are "A" or "B". "This has really worked," commented Debbie Endres Student Council sponsor. "There has been such an increase in the number of awards given this compared to when we first started."

Recipients of "A" Honor Award trophies for last year's work were: Sophomores - Sarina Fuhrmann, Melissa O'Brien, Alison Knabe, Tiffany Fisher, Stephanie Grewing, Loretta Reiter; Freshmen - Brandon Bayer, Michael Becker, Karri Endres, Nicole Endres, Toby Hess, John Klement, Jeanna Trammell; Grade 8 - John Bartush, James Felderhoff, Anna Fette, Leslie Grewing, Jennifer Campbell, Corey Hess, Tanya Knauf, Kelly Rigler, Joel Schilling, Bart Sicking, Paul Swirczynski, Tara Yosten, John Sparkman; Grade 7 - Valerie Bartush, Jessamy Sicking.

Muenster City Ordinance No. 199

AN ORDINANCE GRANTING TO LONE STAR GAS COMPANY, A DIVISION OF ENSERCH CORPORATION, A CORPORATION, ITS SUCCESSORS AND ASSIGNS, A FRANCHISE TO FURNISH AND SUPPLY GAS TO THE GENERAL PUBLIC IN THE CITY OF MUENSTER, COOKE COUNTY, TEXAS, FOR THE TRANSPORTING, DELIVERY, SALE, AND DISTRIBUTION OF GAS IN, OUT OF, AND THROUGH SAID MUNICIPALITY FOR ALL PURPOSES; PROVIDING FOR THE PAYMENT OF A FEE OR CHARGE FOR THE USE OF THE STREETS, ALLEYS, AND PUBLIC WAYS; AND PROVIDING THAT IT SHALL BE IN LIEU OF OTHER FEES AND CHARGES, EXCEPTING AD VALOREM TAXES; AND REPEALING ALL PREVIOUS GAS FRANCHISE ORDINANCES.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MUENSTER, TEXAS:

SECTION 1: That the City of Muenster, Texas, hereinafter called "City", hereby grants to Lone Star Gas Company, a Division of ENSERCH CORPORATION, hereinafter called "Company," its successors and assigns, consent to use and occupy the present and future streets, alleys, highways, public places, public thoroughfares, and grounds of City for the purpose of laying, maintaining, constructing, operating, and replacing therein and thereon pipelines and all other appurtenant equipment needed and necessary to deliver gas in, out of, and through said City and to sell gas to persons, firms, and corporations, including all the general public, within the City corporate limits, said consent being granted for a term of twenty-five (25) years from and after the effective date of this ordinance.

SECTION 2: Company shall lay, maintain, construct, operate, and replace its pipes, mains, laterals, and other equipment so as to interfere as little as possible with traffic and shall promptly clean up and restore to approximate original condition all thoroughfares and other surfaces which it may disturb. The location of all mains, pipes, laterals, and other appurtenant equipment shall be fixed under the supervision of the City or an authorized agent appointed by said City.

When the Company is required to relocate its mains, laterals, and other facilities to accommodate construction, and the relocation is the result of construction or improvement to the Federal-Aid System (or any successor thereto), and Company is eligible for reimbursement for its costs and expenses incurred as a result of such construction and improvement from the Federal Government, the County Government, or the State of Texas, as permitted by law pursuant to any reimbursement program, and City requests reimbursement for costs and expenses incurred as a result of such construction or improvement, Company costs and expenses shall be included within any such application for reimbursement, provided that Company submits the appropriate documentation to City prior to such application. City shall make a reasonable effort to provide sufficient notice to the Company to allow the submittal of appropriate cost information to the City.

SECTION 3: When Company shall make or cause to be made excavations or shall place obstructions in any street, alley, or other public place, the public shall be protected by barriers and lights placed, erected, and maintained by Company; and in the event of injury to any person or damage to any property by reason of Company's construction, operation, or maintenance of the gas distribution plant or system of Company, Company shall indemnify and keep harmless City from any and all liability in connection therewith.

SECTION 4: In addition to the rates charged for gas supplied, Company may make and enforce reasonable charges, rules and regulations for service rendered in the conduct of its business including a charge for services rendered in the inauguration of natural gas service, and may require, before furnishing service, the execution of a contract therefor. Company shall have the right to contract with each customer with reference to the installation of, and payment for, any and all of the gas piping from the connection thereof with the Company's main in the streets or alleys to and throughout the customer's premises. Company shall own, operate and maintain all service lines, which are defined as the supply lines extending from the Company's main to the customer's meter where gas is measured by Company. The customer shall own, operate, and maintain all yard lines and house piping. Yard lines are defined as the underground supply lines extending from the point of connection with Company's customer meter to the point of connection with customer's house piping.

SECTION 5: Company shall not be required to extend mains on any street more than one hundred feet (100') for any one customer of gas; provided that no extension of mains is required if the customer will not use gas for space heating and water heating, or the equivalent load, at a minimum.

SECTION 6: Company shall be entitled to require from each and every customer of gas, before gas service is commenced, a deposit in an amount calculated pursuant to the Company's Quality of Service Rules as may be in effect during the term of this franchise. Said deposit shall be retained and refunded in accordance with such Quality of Service Rules and shall bear interest, as provided in Tex. Rev. Civ. Stat. Ann. art. 1440a as it may be amended from time to time. Company shall be entitled to apply said deposit, with accrued interest, to any indebtedness owed Company by the customer making the deposit.

SECTION 7: The rights, privileges, and franchises granted by this ordinance are not to be considered exclusive, and City hereby expressly reserves the right to grant, at any time, like privileges, rights, and franchises as it may see fit to any other person or corporation for the purpose of furnishing gas for light, heat, and power to and for City and the inhabitants thereof. Provided, however, City shall not grant more favorable conditions, including franchise fee, to any other gas utility franchisee than are herein granted to Company.

SECTION 8: Company, its successors and assigns, agrees to pay and City agrees to accept, on or before the 1st day of August, 1994, and on or before the same day of each succeeding year during the life of this franchise, the last payment being made on the 1st day of August, 2018, a sum of money which shall be equivalent to two percent (2%) of the gross receipts received by Company from the sale of gas to its residential and commercial customers within the corporate limits of said City (expressly excluding governmental accounts and receipts derived from sales to all other classes of customers in said City) during the preceding calendar year, which annual payment shall be for the rights and privileges herein granted to Company, including expressly, without limitation, the right to use the streets, alleys, and public ways of said City. The initial payment for the rights and privileges herein provided shall be for the period January 1 through December 31, 1994, and each succeeding payment shall be for the period January 1 through December 31 of the respective year in which the payment is made. And it is also expressly agreed that the aforesaid annual payment shall be in lieu of any and all other and additional occupation taxes, easement, and franchise taxes or charges (whether levied as an ad valorem, special, or other character of tax or charge), in lieu of municipal license and inspection fees, street taxes, and street or alley rentals or charges, and all other and additional municipal taxes, charges, levies, fees, and rentals of whatsoever kind and character which City may now impose or hereafter levy and collect, excepting only the usual general or special ad valorem taxes which City is authorized to levy and impose upon real and personal property. Should City not have the legal power to agree that the payment of the foregoing sums of money shall be in lieu of taxes, licenses, fees, street or alley rentals or charges, easement or franchise taxes or charges aforesaid, then City agrees that it will apply so much of said sums of money paid as may be necessary to satisfy Company's obligations, if any, to pay any such taxes, licenses, charges, fees, rentals, easement or franchise taxes or charges.

In order to determine the gross receipts received by Company from the sale of gas to residential and commercial customers within the corporate limits of City, Company agrees that on the same date that payments are made, as provided in the preceding paragraph of this Section 8, it will file with the City Secretary a sworn report showing the gross receipts received from the sale of gas to its residential and commercial customers within said corporate limits during the calendar year preceding the date of payment. City may, if it sees fit, have the books and records of Company examined by a representative of said City to ascertain the correctness of the sworn reports agreed to be filed herein.

SECTION 9: When this franchise ordinance shall have become effective, all previous ordinances of said City granting franchises for gas distribution purposes which were held by Company shall be automatically cancelled and annulled, and shall be of no further force and effect.

SECTION 10: In order to accept this franchise, Company must file its written acceptance of this franchise ordinance within sixty (60) days after its final passage and approval by said City. If this franchise ordinance is not accepted by Company within sixty (60) days, the franchise ordinance shall be rendered null and void.

SECTION 11: This ordinance shall become effective on August 1, 1994, provided that prior to August 1, 1994, Company's written acceptance is filed with the City. If Company's written acceptance is filed with City after August 1, 1994, this ordinance shall become effective on the date Company's written acceptance is filed with the City.

PASSED AND APPROVED on this the 6th day of September, A.D. 1993.

Hornets: the same story, different team

"It was the same old story, we played well, but just played a better team," said Hornet Coach Grady Roller on Muenster's 35-6 loss last week to Aubrey. "We couldn't hold our block and couldn't make the tackle. We gave up long plays." Aubrey had only one drive the whole game and it was from midfield. They broke loose and got in long runs. "We also had trouble moving the ball against them. They were too quick."

Muenster took the opening kick, but couldn't get the needed yards and punted the ball away. The teams exchanged punts, with Aubrey returning the Hornets' 2nd kick 92 yards for the night's first touchdown with 6:45 on the clock.

The Chaps attempted an onside kick, but Muenster covered the ball at midfield. Short runs by Scott Debnam, James Klement and Jason Huchton earned a first down. Disaster struck for the Hornets when a fumbled ball was picked up and carried 42 yards for a Aubrey touchdown. The extra point was good and the Hornets trailed 14-0 with 4:23 on the clock. The Chaparrals' defense wouldn't let Muenster do anything, in the air or on the ground, and the Hornets had to punt.

Muenster's defense caught Aubrey for a loss on 2 consecutive plays, making Aubrey punt, as the Hornets carried the ball in to the 2nd quarter. A roughing-the-passer flag assisted the drive, but Muenster had to punt.

The Aubrey quarterback was buried for a 13-yard loss and a holding call forced a punt on 4th and 30. On their ensuing possession, the Hornets couldn't move and had to punt.

The defense again shut down the Chaps' running game, but a roughing-the-kicker gave Aubrey another chance. Jeremy Greenway took off 70 yards for another score. The kick after counted. It was 21-0 and everybody had the feeling this was going to be a long night. The Hornets' fumbled on their next play but, two plays later, A.J. Knabe covered a loose ball for Muenster on their 15-yard line. It was no gain

and punt for the Hornets' offense but again Aubrey fumbled with Brandon Walterscheid covering for Muenster. Four plays couldn't cover 10 yards, allowing the Chaps one play before halftime.

One of the bright spots of the contest for the Hornets was the play of its defense as it stiffened in the second half, limiting the highly-potent Chaps' offense to 14 second half points. The major thorn in Muenster's side was running back Jeremy Greenway, who carried the ball 23 times for 220 yards.

Muenster's luck changed for a brief time to start the 3rd quarter. Jeff Flusche covered the fumbled kick return only 20 yards from paydirt. The Hornets avoided a shutout when James Klement scored on a 19-yard run. The extra point pass failed for a 21-6 score with 11:15 on the clock.

Aubrey got in 9 plays before running out of downs, but it was 3 plays and punt for the Hornets again. It took the Chaparrals 6 runs to move 33 yards and the end zone. The PAT kick was good for a 28-6 score with 1-1/2 minutes till the 4th quarter.

It was one, two, three punt for both teams' first drives in the final period. Even with the assistance of 20 yards of penalties, the Hornets barely got into Aubrey's territory before coming up 1 yard short. The Chaparrals took their second offensive attempt within field goal range, but their 47-yard try fell short.

Muenster's next drive ended on the second run with a fumbled ball. From the 35, two runs and Aubrey had another touchdown. The kick after was good for a 35-6 score with 1:15 left on the clock.

Jay Hennigan completed a pass for 12 yards as time ran out.

Muenster will travel to far eastern Fannin County Friday night to tangle with the Honey Grove Warriors of District 17-2A. As last year's district champions, Honey Grove tied New Diana 7-7 in Bi-District, but fell a penetration shy of advancing. A winning 10-0-1 season in '92 included their 18-0 win over Muenster.

"It will be the same old story again this week," said Roller. "Honey Grove is the best skilled team we'll play, though they are not as physical as Aubrey."

Game time is 8:00 p.m. To get to Honey Grove, just stay on Hwy. 82 East.

A.P. Poll

Honey Grove is the #2 Class 2A team in the state, losing only two starters from last season.

Alvord dropped from the #3 Class A team to #10 after the beating they received from Lindsay.

The Lindsay Knights received 8 votes this week with Valley View getting 7.

Collinsville moved into the top 10 schools, at #8.

"Stoffels" win contest this week!

Sara Stoffels Long of Gainesville was the first place winner in Week 4 of The Muenster Enterprise Football Contest, choosing 26 correct game winners. She collected her \$15.00 cash prize from last week's tiebreaker sponsor, Rohmer's Restaurant. Mike Stoffels came in second place with 25 right guesses and found his reward waiting for him at the Muenster Pharmacy. Finishing third was Nick Stoffels; his 24 correct winners earned him \$5.00, which was picked up at Tony's Seed and Feed. Nick had a 10-point spread on the tiebreaker to win the cash. Also having 24 game winners picked were Doug Stoffels, who was 16 points off the tiebreaker score, and Cory Cain, who picked Saint Jo by 1.

Bonnie Stoffels, John Klement, Edna Hermes, Wayne Klement, Bill Hellman, Benny Haverkamp and Dale Swirczynski all finished at 23.

Of the 47 entries in the contest, only 8 picked Lindsay to upset a state-ranked Alvord, while only 5 hoped for a Muenster win. In other high school action, 34 missed Chico's 33-8 win over TAPPS Oakridge, 28 missed the Pantego winner, while 25 picked Valley View to lose to Howe and only 1 picked S&S over Era, with everyone correctly choosing Collinsville.

In the Sacred Heart tiebreaker game, picking the winner was about 50-50 with just a few more favoring the Tigers. Peachie Huchton had the closest predicted score of 20-8.

There were 2 "Give-Me's," which everyone was given correctly. Lakehill rescheduled their game with Bishop Dunn JV to this Thursday and Dallas County Youth Village lined up a different game this weekend, leaving Masonic Home without an opponent.

Other games that guesses were one-sided were Michigan's win, which everyone guessed, and the L.A. Rams' 28-13 upset over the Oilers with only 3 contestants got right.

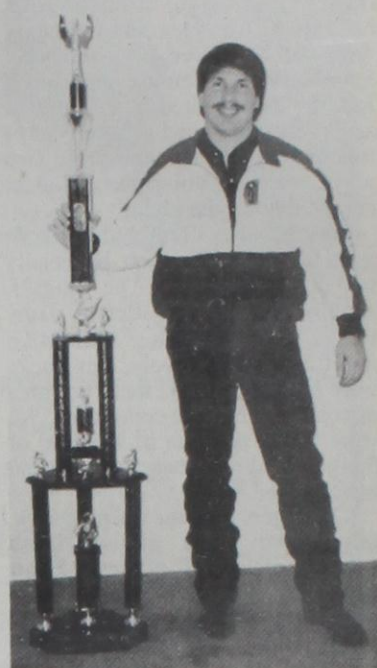

Moster is 1993 "C" state enduro champion

Jamie Moster of Richardson was honored on Sept. 4 at the Texas State Championship Enduro Circuit annual awards banquet for winning the Overall 1st place in the "C" class. Moster was presented with a 6-foot-plus trophy and a newly-designed enduro jacket. He will also receive a Pacemaker computer from Moose Racing and a Race Tech contingency prize.

The overall season standings are based on the best nine scores from 12 events across Texas. First overall "C" is determined by the best score from all the "C" subclasses including: 125 C, 200 C, 250 C, Open C, 4-stroke C and Over 50. Moster accumulated three 1st overalls, three 2nd overalls and three 3rd overalls during the season. That gave him a total of 171 points and a 20-point lead over 2nd overall. He will move up to the "B" class for the 1994 season along with the other four riders that finished in the top five and each rider that finished first in his subclass. Top honors in the "A" and "B" classes went to Todd Harris of Odessa and Barry Stanley, respectively.

An enduro is an off-road motorcycle contest where a timed, speed average and schedule has to be maintained through secret checkpoints. It is conducted over

little roads, trails, footpaths and all other types of terrain which can be negotiated by the motorcycle or the muscular strength and energy of the rider. The object is to lose the least number of points based on average speed and calculated time-elapsed between checkpoints.

Tigers get first win of the season

It was a night of turnovers and penalties, with the Sacred Heart Tigers taking advantage of what they could to get their first victory of the season - a 20-9 win over the Saint Jo Panthers. Each team lost two interceptions and two fumbles, with the Panthers leading on penalized yardage.

"Defensively, we came into our own," said Tiger Coach John Nasche. "I was pleased and happy with the defensive performance." Sacred Heart's defense gave up a fumble, that resulted in a field goal and an 80-yard fake punt touchdown. "Other than those two plays, we shut down the Panthers completely for the night."

Nasche also credits the whole team for an excellent job. Especially his offensive line ("The Hogs"), Jeremy Bayer, Aaron Berres, Toby Hess, Jason Hofbauer and Mike Schilling. "Offensively, our backs were a little off track, that's one area of concern," Nasche continued. "We were in the position to score 40 or 50 points but couldn't get in the end zone."

The Tigers took the opening kick. After two good plays, Heath Johnson picked off a Sacred Heart pass. The Panthers struggled on their first drive, punting the ball away, but not too far when a fumbled attempted return gave Saint Jo possession on the Tigers' 15-yard line. Creeping to the 6-yard line, on 4th and 1, Jason Hofbauer caught the Panther runner behind the line and Sacred Heart took over on their 7.

Runs by Scott Frost, John Klement, Neil Berres, Jason Hess and a Hess-to-Kelly Bayer pass took the Tigers to the 11-yard line. Two runs by Joseph McCoy picked up 9 yards, but 2 unsuccessful runs came up short and the Panthers took the ball around the 1-yard line. Two plays later, Jason Hess intercepted a Saint Jo pass on the 30. The Hess-to-Neil Berres combination clicked for a 28-yard touchdown. Michael Becker kicked the extra point and, with 4 seconds on the clock, Sacred Heart took a 7-0 lead.

The Panthers' next drive closed early when Mike Schilling covered a loose ball at midfield. Two plays later, the Tigers coughed up the ball and Saint Jo regained possession. A pass interference on the Tigers was taken advantage of and put together a quick drive that ended with a 47-yard Ryan Brewer field goal. With 6:13 remaining in the 1st half, the scoreboard read 7-3.

The Tigers bounced right back and, in 5 plays, moved 70 yards for another score. Runs by Berres, Frost and Hess were hampered by a 15-yard personal penalty, but Jason Hess, on a quarterback keeper, sped downfield 50 yards for 6 points. Becker added the point after and the Tigers were up 14-3 with 4 minutes on the clock.

The team exchanged possessions with the Panthers kicking, Tigers out of downs, John Klement intercepting a pass and Heath Johnson picking off a Sacred Heart pass to end the first half.

Saint Jo took the opening kick, taking the ball to midfield before running out of downs. The Tigers got in some good runs during their first drive of the half. Hess gained 16, Frost 11 and Berres 22 to the 7-yard line. A Hess keeper increased the Tiger lead to 20-3 and apparently deflated the Panthers.

Kelly Bayer's kick put Saint Jo deep on their 14-yard line. Several plays later, Neil Berres covered a loose ball on the 19. Two short runs and an incomplete pass gave Sacred Heart the option to attempt a field goal. It failed when Heath Johnson blocked the ball, giving the ball back to the Panthers. Eight plays later, Saint Jo punted the ball away to begin the final quarter.

Saint Jo's defense proved their strength, catching Jason Hess twice in the backfield. An incomplete pass was followed by a Hess punt on 4th and 21.

From their 8-yard line, three short runs were followed by a pass from Tim Hennessey to Dusty Mayfield on the 25, with Mayfield running the remaining 75 yards for the score. With less than 2 minutes into the final stanza, the Panthers were on the board again, 20-9.

The two teams exchanged possession with the Tigers' offense finishing out the game, moving to the 10-yard line before time ticked

off the clock.

The Tigers will tangle with the Knights this Friday in front of

Lindsay's Homecoming crowd.

"We'll have to play as well or better than we did against Saint Jo, with our offense having to put points on the board," Nasche said. "If we can be on track offensively, and have a good defensive game, we have a chance for an upset."

Game time is 7:30 p.m. at the new Knight Field.

Sacred Heart 14, Saint Jo 20

The Sacred Heart Junior High lost a hard-fought contest in the last drive of their game at Saint Jo last week Thursday.

The Panther Cubs took the opening kick, but their drive was shortened when Duncan Campbell picked off a Saint Jo pass. Sacred Heart couldn't take advantage of the turnover and punted after 3 unsuccessful plays. The Panthers ran the ball into the 2nd quarter. On 4th and 3, a fumbled punt snap turned into a 32-yard Panther touchdown. Josh Walterscheid stopped the extra point attempt for a 6-0 game with 7:08 remaining in the 1st half.

The Tigers fought right back. A 15-yard kick return by Matthew Fuhrmann started the Tigers' drive on their 35-yard line. Three plays later, Jeff Yosten circled around the left end for a 32-yard touchdown. Yosten took the ball in for the extra points and Sacred Heart took the lead 8-6 with 5:54 on the clock.

Saint Jo got in a few good runs before Matthew Fuhrmann covered the ball near midfield. Two plays later, a completed pass from Yosten to Fuhrmann turned into a fumbled ball which the Panthers covered, playing out the remaining time until the half.

The Tiger Cubs took the opening kick the 3rd quarter. From their 40, a Fuhrmann-to-Yosten pass carried

the Tigers into Panther territory. Two short runs by Jonathan Grewing and a 10-yard gainer by Yosten took Sacred Heart to the 26. Two plays later, Fuhrmann connected with Lucian Gehrig for a Tiger TD. The PAT failed for a 14-6 score with 5:02 left on the clock.

Again, the Sacred Heart defense stopped the Panthers when Walterscheid covered a loose ball, but once more the Tigers didn't take advantage and booted it back. Saint Jo struggled on their next drive, being flagged for a minus 25 yards, but a roughing-the-kicker call against Sacred Heart gave the Panthers the break they needed. From their 30, the Saint Jo quarterback went up the middle and found paydirt. Their extra point run was good for a tied 14-14 ball game with 6:18 remaining in the game.

The Tiger Cubs had a good drive going with runs by Grewing, Yosten, Fuhrmann and passes to Adam Barnhill and Yosten to the 10-yard line before running out of downs. Saint Jo got in 6 good runs to the Tigers' 4-yard line and, on the last play of the game, the Panther quarterback hit the end zone as time expired for a 20-14 game.

Muenster B 8, Aubrey 6
Muenster's B team Little Stingers brought home an 8-6 win over Aubrey last Thursday. Neither team could get a drive going in the first half.

On the opening kick in the 2nd half, the Young Birds ran back the ball to the 20. The Muenster defense held and the ball went over on downs.

Jesse Luke and Brent Sicking got in good runs, followed by a 65-yard touchdown run by John Roller. Aaron Klement carried the ball in for the extra points and an 8-0 score.

Aubrey fought right back, taking their next drive 60 yards for a touchdown. The Hornet defense held the Chaps on their extra point attempt with Justin Britain stopping the ball carrier for an 8-6 score.

Brent Sicking, Billy Hellman and Justin Klement are all credited for good defense.

Muenster A 38, Aubrey 12
The Junior High Hornets returned to Muenster last Thursday with a 38-12 victory over Class 2A Aubrey.

The Chaparrals took the opening kick and drove 65 yards for a touchdown. The extra point didn't go for a 6-0 score. The Hornets came right back after several good runs. Eric Walterscheid scored on a 53-yard run. Chad Roller ran in the extra points for an 8-6 game.

Aubrey's offense couldn't get the needed yards on their next drive, punting the possession over to the Hornets. Muenster's drive was cut short when the Birds picked off a pass. This turnover set up an Aubrey TD. The PAT failed for a 12-8 score.

Again, Muenster bounced back, their scoring drive capped off by a 25-yard pass from Scott Hermes to Chad Roller. Eric Walterscheid

blasted in for the extra points with a Hermes pass completion. Muenster took the lead 16-12.

Roller, Walterscheid and Jeremy Walterscheid moved the ball to the 12-yard line. Roller found paydirt with Hermes finding Walterscheid for the points after for a 24-12 score.

Scott Hermes stripped the ball from the Aubrey runner on the kick return, and Muenster's offense again took to the field. Runs by Eric and Jeremy Walterscheid set up an 8-yard touchdown run by Corey Anderle. The PAT failed and the scoreboard read 30-12.

Once again, Muenster's defense strengthened, covering a loose ball on the 40. After several good runs, Michael Boydston plowed into paydirt from 1 yard out. Corey Anderle made the points after for the final score of 38-12.

"The offensive linemen all played very well," commented Coach Grady Roller, who gave credit to Bryan Hudspeth, Michael Boydston, Chad Roller, Scott Hermes, Cory Charles, Barry and Brian Fleitman for playing outstanding defense.

Lindsay B 0, Alvord 20
Lindsay A 8, Alvord 24

The Lindsay Junior High Squires got in 1 touchdown against a tough Alvord squad. Jamie Baggs' 7-yard touchdown run was set up when Steven Tepera intercepted a Bulldog pass on the 25. From there, Lindsay drove the ball in. Tepera also ran in the points after.

"The kids played hard, but we had trouble with Alvord's defense," commented Coach Charlie Meurer.

DUNCAN CAMPBELL (83) intercepts a pass for the Sacred Heart Cubs in last week's close game with Saint Jo. Running to the play are Lucian Gehrig (82), John Grewing (41) with Matt Bayer helping defend the Panthers' #10.

Knights bully Bulldogs

The Lindsay Knights were alive and kicking Friday night in their match-up with state-ranked Alvord, as the Knights scored their 4th win of the season in a 49-24 thriller over the Bulldogs.

"I told the boys if we could stay close, we could beat these guys," Lindsay Coach Charlie Meurer said. "We wore them out - they couldn't play with us." Lindsay suits out 18 varsity players and they all play, giving some players a break.

Alvord received the opening kick and marched downfield 90 yards on 16 runs and 2 passes, the second when Justin Strickland snuck in to get Alvord on the board. The extra point failed and, with a little over 8 minutes off the clock, Alvord had a 6-0 lead.

The Knights' first drive consisted of a few short runs and 2 good completed passes from Shane Huchton. One was a 25-yard gain to Dan Zimmerer and the other to Jeff Hale for 17. Inside the 20, only 17 yards from the end zone, Lindsay's offense was stopped. Only seconds into the 2nd quarter, the Knights attempted a 38-yard field goal, but failed and Alvord had possession on their 21. The next play, Randy Hamilton wasted no time in ringing up the scoreboard again on a 79-yard race. The PAT failed for a 12-0 score with 11:38 on the clock.

The Knights responded by putting together a championship-caliber 10-play, 72-yard drive that ended with Shane Huchton driving in from the 18-yard line. Toby Eberhart's kick cleared the uprights as Lindsay closed the score to 12-7 with 7:26 remaining in the 1st half.

The Bulldogs threatened to score again as they pushed their way into the Knights' end of the field. But a fumbled ball, covered by Lindsay, stopped any threat. The Knights couldn't get their offense moving and punted the ball deep to the 17-yard line. A quarterback sack by George Lutkenhaus assisted in Alvord running out of time.

The 'Dogs attacked early in the 3rd quarter, covering the fumbled kick return. Three plays later, Billy Baker was in for 6 points. The PAT failed and Alvord took an 18-7 lead.

But, again, the Knights came back. A 36-yard run by Dan Zimmerer took Lindsay to the 23. Three plays later, Jeff Hale was in the end zone on an 18-yard run. Eberhart's kick was good for an 18-14 game.

Good defense by Jeremy Owen, Doug Hellinger, Matt Menzie and Eberhart forced an Alvord punt. A good return started Lindsay's drive on the 29 and the next play saw Jeff Hale hitting paydirt. Again, Eberhart's kick was good and Lindsay took a 21-18 lead with 6:37 remaining in the 3rd quarter.

Again, Menzie, Hellinger, Huchton and Chris Brown teamed up on defense, forcing a Bulldog punt. Bobby Greener got in and blocked the attempt and the Knights were sitting on the 15-yard line. Three runs by Huchton gave the Knights a 1st and goal on the 4-yard line, but a loose ball in the backfield was covered by Alvord on the 8.

The Knights' defense once again shut down the Bulldogs' running and passing attack. Lutkenhaus, Owen, Brian Hermes and more contributed to a gang tackle quarterback sack, forcing Alvord to punt out of the end zone on 4th and 17.

From the 27, Shane Huchton carried for 16 and 6 yards to the 7

but, again, the Knights fumbled the chance to score, giving the Bulldogs the ball on their 8-yard line.

Alvord was moving downfield as the 4th quarter began, but punted the ball away a minute and a half into the period. Huchton got Lindsay a little room by running for 15 yards, then he and Zimmerer hooked on a 20-yard pass play that got the drive back on track. Two penalties pushed the line back to the 30 and, on 2nd and 20, Huchton found Brown for a Lindsay touchdown. Eberhart again kicked the extra point and the Knights extended their lead by 10 points.

The Bulldogs' offense was again stopped after Robert Lutkenhaus got sack-to-back sacks, forcing a punt on 4th and 25.

Shane Huchton set sail on his 50-yard touchdown punt return. Eberhart added the extra and Lindsay moved ahead 35-18 with 5:43 remaining in the game. The Lindsay fans again celebrated, but this time a victory was assured.

Alvord went to the air, getting several good passes before Huchton stepped in for an interception on the 42. Lindsay quickly scored again with 7 points behind the spectacular 56-yard run of Chris Brown and the sure toe of kicker Toby Eberhart. With 4 minutes remaining in the game, the Knights took a 42-18 lead.

Alvord again took to the air waves, completing 4 of 6 passes, the final good for a 27-yard touchdown play. The PAT failed and Alvord added another 6 to the 42-24 game with 3 minutes still on the clock.

Lindsay didn't let up. Hale, Brown and Zimmerer carried the ball to the Bulldog 39. From there, Chris Brown cut loose for the final touchdown of the game. Eberhart's kick counted for a 49-24 game. Eberhart's kick counted for a 49-24 score with only 20 seconds on the clock.

The game ended when Huchton intercepted a Bulldog pass.

"The win came from the players' effort. They played hard as a group," commented Meurer. "The key to our success is that they play as a team."

TEAM LEADERS

Lindsay will host the Sacred Heart Tigers this Friday for Homecoming. Last season, the Knights ruined Sacred Heart's Homecoming festivities with a 39-12 victory.

"Sacred Heart has gotten better players than they are given credit for," said Meurer, "but they shoot themselves in the foot with turnovers." Meurer hopes his Knights won't play flat after their big win over Alvord.

Lindsay's cross country program off to running start

Lindsay's Cross Country Program has seen much improvement under the direction of Coach Larry Spruiell. "It's a good warm-up for other sports," commented Spruiell, who took over Lindsay's basketball program this season. "They have been working out, training and showing much interest."

Lindsay has participated in several cross country meets, the first was a tough race, the Arlington-Sam Houston Meet at Vandergriff Park on Sept. 17. In the boys' division, George Lutkenhaus finished 20th.

Last weekend, a cross country meet was held at Farmersville with 15 schools, Class 3A and under, participating.

"Our junior high girls finished above the varsity in the high school division," reported Spruiell. Celina took the meet with 48 points, followed by the Lindsay Junior High with 105. Sadie Trammell came in 6th overall. Carrie Hundt finished 18th and Bonnie DeBorde 20th to lead the Lady Squires. Others running for the junior high included Amanda Hellinger, Megan Sandmann, Karlee O'Dell, Erica Fuhrmann, Sarah Eberhart and Dee Dee Dudenhoefler.

In the girls' division, varsity runner Mollie Trammell won the run of just over 2 miles with a time of 14:23. Christine Fuhrmann's time of 15:09 was good for a 5th place. Also competing in girls' varsity were Erin Eberhart, Mary Tepera, Keleigh O'Dell, Christina Metzler and Christy Zimmerer.

In the boys' 5K run, George Lutkenhaus finished in 4th place with an 18:10 time. Rounding out the Varsity Knights are Kyle Sandmann, Doug Hellinger, Robert Sharp, Zach Bowman and Micky Meurer.

Next cross country action for Lindsay's junior high, junior varsity and varsity runners will be Oct. 9 at Ponder.

Country Tidings by Ruth Smith

Services for Mrs. Bess Vincent Freeman were held at 10 a.m. Friday, Sept. 24, in Wise Funeral Home Chapel in Bonham. Rev. Gary Gibbs, pastor of First Christian Church in Bonham, officiated. Interment was in Willow Wild Cemetery in Bonham under the direction of Wise Funeral Home in Bonham.

Mrs. Freeman passed away at 4:55 p.m. in a nursing home in Bonham. She was born Oct. 21, 1896 in Fannin County. Her parents were the late D.B. and Angeline McKnight Smith. She and James Freeman were married in 1915 in Fannin County. Mr. Freeman preceded her in death in 1935. One son, Jim Freeman, preceded her in death in 1945, losing his life in the service.

Mrs. Freeman is survived by one daughter, Miss Martha Steele Freeman of Bonham; one son, William "Bill" Freeman of Bonham; two granddaughters, Rebecca of Bonham and Elisa of California; one grandson, William of Greenville; and nieces and nephews, including Ruth Smith, and a host of friends.

For the funeral service, the minister read Psalm 23 and other scriptures. He also read a poem Mrs. Freeman had composed as a high school graduate, "Sunset View" in 1914. The minister also spoke of her being a caring lady and losing her husband at an early age, leaving her with three teenage children living at Telephone, Texas, then moving to Bonham, working to support her family. Her boys, Bill and Jim, entered the service and her daughter, Martha, went to work as a secretary for the late Sam Rayburn in Washington, D.C.

The service concluded with the minister reading a poem her granddaughter, Elisa, had written about their lives and family.

Mrs. Freeman was a Methodist, a member of D.A.R., V.F.W., Eastern Star and a housewife, and was always interested in the future.

NOTICE OF RATE CHANGE REQUEST and STATEMENT OF INTENT

Notice is hereby given that Cooke County Electric Cooperative Association (the "Utility") intends to change rates for electric utility service effective December 2, 1993, or as soon thereafter as may be permitted by law. The Utility has not had a general rate increase since 1990. Based upon a test year ending December 31, 1992, the increase requested over actual test year revenues is \$591,528 or 4.93%. The changes are applicable to all areas, all customer classes except the LP Substation class, and all customers served by the Utility.

The Utility proposes to change the rates for energy for residential, irrigation, small commercial, public buildings, large power, and lighting classes. The proposed changes are expected to affect the classes as follows: for the 8,018 customers in the Farm and Home class, the proposed increase will be \$399,910 or a 7.91% change in revenues; for the 1,346 customers in the Small Commercial class, the proposed increase will be \$133,857 or a 10.82% change in revenues; for the 17 customers in the Irrigation class, the proposed increase will be \$5,617 or a 17.80% change in revenues; for the 70 customers in the Public Buildings class, the proposed increase will be \$16,295 or a 13.06% change in revenues; for the 434 customers in the Large Power class, the proposed increase will be \$21,416 or a .52% (52/100 percent) change in revenues; for the 1,639 customers in the Lighting class, the proposed increase will be \$19,050 or a 13.19% change in revenues.

Information concerning the proposed rate changes is available at the General Office of the Utility, located at East Highway 82, P.O. Drawer 530, Muenster, Texas 76252. Inquiries should be directed to Phillip E. Slater, General Manager.

The Utility is required to give notice of the percentage increase in base revenues which is 21.39%. The percentage increase in base revenues is not an indication of how much your bill will increase. Rather, it is a measure of the increase needed by the Utility for its own operations, excluding payment of the cost of power purchased by the Utility from its wholesale power suppliers.

On or about October 1, 1993, the Utility will file with the Public Utility Commission of Texas, a Statement of Intent to Change Rates, including the proposed revisions of tariff and schedules and a statement. Requests to intervene must be filed no later than 45 days after the application filing date. Thus, the Utility anticipates the deadline for intervening and objecting to the rate changes will be November 15, 1993. Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

County Agent's Report by Craig Rosenbaum

TDA sets herbicide regulation hearings Oct. 4

The Texas Department of Agriculture will hold hearings around the state on Monday, Oct. 4, to take comments on the proposed changes to the Texas Herbicide Regulations, as published in the Sept. 14 edition of the *Texas Register*. TDA staff members will take comments on county provisions and changes caused by revisions in the Texas Pesticide Law that were enacted by the Legislature during the last session.

The meeting scheduled nearest this area is: Region 2, 10 a.m. at the Texas Department of Agriculture, North Texas Regional Office, 1720 Regal Row, Suite 118, Dallas, 214-631-0265.

Fall Private Applicator Recertification

Again this fall, we will be offering six Continuing Education Units toward recertification of your Private Applicators License. The course will be offered from 6 to 9 p.m. on the nights of Tuesday and Wednesday, Oct. 12 and 13. The location will be the Little Theatre at the Cooke County College. The program follows:

Tuesday, Oct. 12
Worker Protection Standards; Private Applicator Records; Insect Management on Small Grains; Insect I.D. and Field Damage Quiz; Weedless Winter, Weed I.D. and Quiz; Herbicide Selection and Use.

Wednesday, Oct. 13
Effective Use of N, P and K in Cropland; Interpreting Results of Soil Analysis; and Cooke County Year-End Soil Summaries.

We have a wide variety of special speakers at this year's program and look forward to your attendance. Please call the Extension Office to pre-register so that we will have ample materials for your use.

Need a Pesticide License?

Those who do not have a Private Applicators License which entitles you to purchase State Limited Use and Restricted Use pesticides will have the opportunity to complete requirements on Oct. 11 and 12.

In order to take the test, you must participate in a 3-1/2-hour training session. This training session is offered on Oct. 11 at two times - 8 to 11:30 a.m. or from 5:30 till 9 p.m. at the County Extension Office located in the basement of the Courthouse.

Study guides will be available at the training for \$10. Books must be ordered so you will need to pre-enroll by Oct. 5 by calling the County Extension Office at 668-5412.

Testing will be done at 5 p.m. Oct. 12 at the Cooke County College by Mark Evans with the Texas Department of Agriculture.

Marketing Club

The Marketing Club recently met and planned for the 1993-94 programming year. The Marketing Club is designed to acquaint livestock and crops producers with information on the understanding and use of various marketing alternatives.

The Marketing Club meets each month at 9 a.m. at the North Texas Bank & Trust Building on Hwy. 82.

Oct. 25 - Operation and use of futures, options and contracts.

Nov. 22 - Development of a marketing plan and position.

Dec. 6 - Market Review and Market Information Sources.

Jan. 10 - Estate Planning and Integration of Financial and Marketing Planning.

In addition, each session is designed to study the current grain and livestock markets and keep abreast of state and national marketing trends. All producers are invited to attend.

Results of Grain Sorghum and Group IV Soybean Varieties

The 1993 results of various grain sorghum and soybean plots in the county are now complete. We want to thank the result demonstrators listed on these plots for their continued support and work in establishment and evaluation of demonstrations in Cooke County. Additional demonstrations concerning herbicides and insecticides are available at the office.

Results this year were on the low side due to the lack of rainfall. On the soybeans, it should be noted that if you are growing early group IV type beans, then rainfall is very important. Those later producing beans had no production because of drought conditions. All of the crops could have certainly used that one extra rain during the latter part of June or first part of July. Good luck in your 1994 cropping year!

Cajun Country Tour

We will be holding a joint tour with Tarrant County to Louisiana on Oct. 29, 30 and 31. The tour will include educational stops and fun activities. These include a visit to McNeese University, the Matilda Gray Ranch, Rolling M Farms and Harvey Limousin Ranch, along with Delta Downs and Cajun food.

Reservations and deposits must be made by Oct. 11. A meeting to discuss the various tour format will be held at 7 p.m. Oct. 5 at the Cooke County Fairgrounds.

This is a tour designed for agricultural producers, both singles and couples.

Entry Deadlines and Validation Dates

Steers - Validation, Tagging and Entry of Steers - Saturday, Oct. 2, 10 a.m. to 12 noon at the Cooke County Fairgrounds. **Special Note:** Steers that have been validated in the State of Texas for major shows are exempt from county validation and tagging. They must, however, turn in an official entry card, an eligibility and drug awareness card, and entry fee on Saturday, Oct. 2, at the Cooke County Fairgrounds from 10 a.m. to 12 noon.

All other Market Animals and all Breeding Animals entries due Friday, Dec. 3, 1993.

Validation and Tagging of Market Swine, Market Lambs and Meat Goats - Saturday, Dec. 11, 1993, 8 a.m. to 2 p.m. (Schedule and place to be announced at a later date.)

ABSOLUTELY NO ENTRIES WILL BE ACCEPTED AFTER THE ABOVE DATES!

Cooke County Hay Show

The summer of '93 has been a poor, dry production year for hay making. We will again have the Cooke County Hay Show on Tuesday, Oct. 26, at 7 p.m., at the Cooke County Fairgrounds. The Hay Show offers an excellent opportunity for producers to analyze their hays both chemically for protein content and physically for feeding qualities. Doug Robison, with Cooke County College, will be analyzing the hay for its protein content. Doug requests that the hay samples be turned in by Thursday, Oct. 14. This will give him time to sample and run protein analysis. Call the Extension Office, 668-5412, or Doug or Tommy at Cooke County College, 668-7731, for hay

pick-up location.

Again, we ask, due to the number of samples submitted, that producers submit only three (3) samples per individual. A Hay Program and Results of the Show will be held at 7 p.m. the evening of Tuesday, Oct. 26.

Results of County Corn Yields

This year, the county corn yields were less than the past two years in the demonstration plots. As with all other crops, we could have used that additional rain at the end of June and the first part of July. Drought stress took its toll on yields of corn, grain sorghum and soybeans in Cooke County this year.

One concern that we had was the possibility of aflatoxin buildups in the corn during the drought conditions of July and August. This did not seem to materialize for some reason or another. Aflatoxin levels as a general rule on corn in the county this year were low. Many fields showed little to no aflatoxin infestation. However, producers considering growing corn need to be aware of aflatoxin and its effect on marketing of a corn crop.

Also, this year was a good indication that corn needs to be grown on the better soils in the county. Those fields planted on more shallow upland-type soils yielded extremely low due to drought stress. Bottom land fields with deeper soils showed good yields. Some producers in the county experienced yields upward of 80-plus bushels. Additional information is available concerning corn herbicide demonstrations that were conducted in the county. The following chart shows the variety and yield of corn variety plots located on the Chris Hundt Farm and the Rudy Zimmerer Farm north and south of Lindsay. Our thanks to Chris and Rudy for their work in establishing, monitoring and evaluation of these variety plots.

PUBLIC NOTICE

Young Farmer Endowment Program

The Comptroller of Public Accounts is accepting requests for refunds of the special \$5 license fee on farm and ranch vehicles that agricultural producers have been required to pay to their County Tax Assessor-Collector before August 30, 1993.

If you believe you are eligible for this refund, contact the Comptroller's Office at 1-800-252-1382 for a refund claim form, or obtain one at your County Tax Assessor-Collector's office.

The Comptroller's Office is authorized to make refunds only for claims received by November 1, 1993. Claim forms and refunds of the \$5 special license fee paid on or after August 30, 1993, will be available only from County Tax Assessor-Collectors.

PAY LESS PER FILL UP.

Now you can fill the tub again and again without getting soaked. Because a propane water heater can save you \$2,000 over the life of the heater. And a propane water heater pays for itself in about two years. It heats twice as

much water as an electric water heater in the same period of time. And propane is better for the environment. So get more hot water for less cold cash. Switch to propane. For more information call 1-800-69-CLEAR.
