ST LOUIS, Sept. 22. Garner, Democratic Vice-Presi-dential nominee, said here today he was "confident and certain" former Governor Alfred E. Smith would declare his support for **Governor Franklin D. Roosevelt** for President.

m my recent talk with Gov Smith I am confident and certain will declare himself for Governor Roosevelt at the proper time and said Garner, en route from the funeral of his mother in Detroit, Texas, to Washington.

"He certainly gave me that imion in my recent visit with him. Maybe he'll make the announcement in The Outlook (of which Governor ith is editor). Or maybe he'll make it at the Democratic meeting in New York state, October 3rd. All I can say is am absolutely confi-dent he'll make it soon."

Additional Federal Economies and New Taxes are Foreseen

WASHINGTON, Sept. 22-Senato Walter F. George, Dem., Ga., said today the prospect of another huge deficit would compel congress this rinter to enact further federal economies and to overhaul the new tax , perhaps rearranging the whole tax syster

George is a member of the Senate Committee which had a versity of Texas student. large part in shaping the tax bill session. The treasury department yesterday reported that despite the new taxes, so far this year revenue receipts are \$90,000,000 less than for the same period in 1931.

"Proceeds from that bill have been disappointing." George said in an "Only the so-called nuisance taxes are showing an increased revenue for the treasury. cent postage rate has had the effect so far of actually increasing the postal deficit as compared with this time a year ago.
