TEN BATTLEFIELDS IN THE WAR ON POVERTY

The President's ringing call for a "war on poverty" has inspired many Americans who realize that serious economic problems do exist.

Poverty can be caused by many things, of course: unemployment, high prices, too little take-home pay, inflation, etc. So there are many fronts

on which it must be attacked. Here are ten battlefields where appropriate action can help bring the war on poverty to a victorious conclusion.

1. The Federal Government can sell the Tennessee Valley Authority to private enterprise — so that the poorer citizens of other states will no longer have to finance it.

2. The President should learn the importance of a balanced budget — so that inflationary deficits will not erode the savings of pensioners and others on fixed incomes.

3. Passage of the Liberty Amendment will cut the cost of government in half — elim-

inating foreign aid, farm subsidies and other welfare-state programs — thereby permitting outright repeal of the personal income tax.

4. Congress can repeal the oppressive regulatory laws that prevent companies from lowering their prices to better satisfy their customers.

5. If the President would break diplomatic relations with all Communist governments, it would end the aid the Communists receive from us and bring them to their knees. This would permit a spectacular cut in the defense budget, thereby causing reductions in corporation and excise taxes, lowering prices still further.

6. The government should leave welfare matters to private charity and let all taxpayers, rich and poor, share in the savings.

7. Unfair legislation that gives to unions oppressive advantages should be repealed. This would eliminate the present union stranglehold over the economy, which will then lower prices and open up more jobs.

8. Minimum wage laws can be eliminated — so that older people, younger people, and others who are not worth the politically-established minimum wage can still get jobs.

9. Investors' private property should be guaranteed to be safe from political manipulation and interference. This is important to the creation of jobs and the protection of savings.

10. Lastly, the government should abide by the literal limits of the Constitution and not interfere in the economic decisions of its citizens.

These important steps have been urged for years by many people. They represent a positive program for reducing the age-old curse of poverty.

Now it is up to the President to act. Now he must show whether he really intends to reduce poverty — proving it by taking these steps — or if he is only seeking an excuse to enlarge the size, scope and cost of the government.

Up to now, it would appear that his only interest is in multiplying the power of government. But it is not too late to reverse that course — aiming it toward the free society that once made America the least poverty-stricken land in the history of the world.

MEETING HOUSING NEEDS

The objective set forth by President Johnson to provide adequate housing for the people of this country is one with which all should agree. This writer, however, believes that to a large extent the housing problem is a symptom and not the disease itself.

The reason is simply this: "It is not the slums which make slum people, but slum people who make the slums". People who have lost their sense of pride, who are unwilling to put forth any effort to get rid of the filth in the place where they live will allow it to creep into the finest dwellings in which they may live.

Many of the areas that are now called slums were once the homes of the well-to-do people of the community. This is true in almost every city. Population shifts eventually bring into the area people who don't care about the type of living conditions in their homes.

The North Side of Pittsburgh — once called Allegheny — was the section of the city where the wealthy lived. No longer is this the case. Now certain areas there have been designated as being blighted.

Either Mr. Johnson doesn't know these facts, or else he is using the squalor of the slums as a political football. In many cases these fine homes of former years can be reconditioned and the area raised to a better level, but this can happen only if the people who move into the area are willing to make it so.

The Unseen Consequence

WE'RE WITH BARRY!

Barry Goldwater is not perfect. He has made some statements that certainly do not enhance his chances for the nomination. But, he believes in America, first, last and always. He, like most right thinking Americans, suffers greatly when bad decisions are made by our government, and he talks about them, which does not endear him to many people who just want to be left alone to go along with the tide.

Communism will never take over this country from within, Barry recognizes this and is striving daily to make us realize our impending plight unless we do an about face. He tells us that time is running out and we don't like to hear it. He tells us that we cannot spend our way into prosperity and then proves it, yet we continue to be lulled by those dulcet tones coming out of Washington every day.

Goldwater wants us to face realities and do something about it. He's not administering doses of "soothing syrup" to us because he just isn't built that way.

We had the pleasure of hearing him at Cincinnati Gardens a few months ago. We were impressed by his sincerity, his downright logic, and his many solutions to our problems. He told us we'd have to "throw the rascals out" of high places in our government, in nearly every department. He told us that tough times were ahead and we've already experienced some. He sugar coated nothing but talked straight from the shoulder.

Can he win the nomination? Frankly, we don't know. But he's our kind of man and we'll do everything we can to help his cause along. Barry Goldwater would make a good, sensible head of our nation. He has the ability, the foresight, and the guts to turn us back towards the status we once enjoyed, a nation respected by all.

New Treatment For Shocks

The standard method, according to first-aid manuals, for treating shock is to lower the patient's head and raise the feet. At a recent Heart Association Symposium in Los Angeles, researcher Howard Whigham of the U.S.C. School of Medicine declared that such treatment increases the risk of death. Whigham says research proves conclusively that patients should be kept horizontal. For years, doctors, nurses, policemen and firemen have been taught to lower the head and raise the feet of a patient in shock on the premise that such a position increased the return of blood to the heart from the legs and improved flow to the brain. Shock is a major cause of death in all hospitals, with a mortality rate of 89 per cent, according to Whigham. Research by the Shock Research Unit at L. A. General Hospital shows that anyone in shock should be placed in a horizontal position. DO NOT LOWER HIS HEAD.

A throwaway "plastic room" has been developed by Dr. Charles Beal, Palo Alto-Stanford Hospital, to protect germ-susceptible patients. Shots are given and blood drawn by inserting needles through the plastic. Arm vents with rubber gloves enable physicians to care for the patient. Pressure from a self-contained air supply is slightly higher than outside to prevent bacteria from entering. Meals are received through a lock similar to those in submarines.

PROPERTY CAN'T BE CURED BY LAW

The statement by President L. B. Johnson that he is "going to fight poverty through legislation" scares the living daylights out of us. We were in hopes that one of these days we'd get someone in office who instead of being a dream-eyed idealist, might face the cold, hard facts that legislation doesn't cure a thing. It simply forces the ambitious, hard-working citizens to support those who are content with their lives and wish to make no effort to better their living standards. They simply sit and wait for the politicians to buy their votes with public welfare legislation.

Poverty, while undesirable, is not the only item to be considered. It is one thing to help those who wish to help themselves. It is entirely another to take away the desire to better one's own standard of living by legislation which forces the industrious to support those who do not wish to work.

Big Crowd Attends County Camp Fire Family Night Here

Over 700 people gathered in Muenster High School Auditorium Friday night for Cooke County's Family Night for Camp Fire Girls and their families. It was the county's combined observance of Camp Fire Week.

The different groups of girls presented an entertainment program on the stage. Muenster's contribution was by second grade Blue Birds who gave a welcome skit. Other numbers included showing of colored slides and commentary by Miss Nancy Smith of Gainesville who brought the pictures with her from a Camp Fire convention in San Francisco and Hawaii.

Hawaiian theme was everywhere, accented with palms and ferns. Hostesses wore muumus and leis and had flowers in their hair. They served Hawaiian finger foods and Hawaiian punch from a table covered with fish net and adorned with sea shells.

Sophs Say Thanks For Stamps from Afar and Near

Enthusiasm in the cancelled stamp contest reached a high note at Sacred Heart school, especially for sophomores and Sister Theresina, when four shipments of stamps came in from afar in addition to those that came from Muenster.

Within four days stamps came from Mrs. Tom Gallery of Scarsdale, N. Y., Mrs. C. W. Hammond (Lou Rena Wolf) of Beirut, Lebanon, Willard Hartman of Fort Smith, Ark., and Mrs. Le Roy Berend of Hereford. The largest collection locally . . . hundreds or perhaps thousands of envelopes . . . came from the REA office. They were picked up by Jeannine Hofbauer.

There are many sessions of sorting and tearing off stamps during the 10 minute morning break. Then they are neatly cut, leaving the required margin, by the faithful stamp cutters Mmes. Frank Trachia, Alfons Koesler and John Walter.

With all the stamps and all the help the sponsors believe there is no immediate danger of the school's loss of its first place in the current contest. It's a mission project.

The final shipment to contest headquarters will be made shortly before May 1 when the contest closes.

The cooperation has been grand, Sister Theresina said. There has been an almost continuous flow of stamps and many thanks go to all, far and near, for helping.

"Remember we never stop," she added. "Keep on saving stamps. Save them during the summer. Send them any time, through anybody. They're sure to find their way to the sponsoring sophomores. More collectors are invited. We can always work harder. Everyone who helps is a cog in the big wheel . . . and important."

Sacred Heart CYC To Host Holy Hour And Hootenanny

Sacred Heart CYC members are to be hosts for a prayer service and a hootenanny on April 12.

The Holy Hour is a monthly devotion held in one of the eight parishes of the Sherman deanery for all Catholic Youth Council members.

Some social activity follows the prayer hour each time and local young people decided on a hootenanny.

Who's Who Told at Sacred Heart High

Who's Who has been revealed at Sacred Heart High School.

Top titles of Miss and Mr. Sacred Heart High were received by Eileen Knauf and Dennis Hess. The faculty cast votes for the students whom they felt best fit the requirements.

Students cast their votes for the rest of the roster. Chosen as most friendly are Jeannine Hofbauer and Tom Fuhrmann. Elected most studious are Eileen Knauf and John Paul Endres. Leading as most courteous are Eileen Knauf and Dennis Hess. Most athletic are Rita Noggler and Dennis Hess. Best groomed are Eileen Knauf and Cyril Yosten. Most likely to succeed are Eileen Knauf and John Paul Endres.

"Never so many greeting cards" is what Fred Hoedebeck says about his birthday Friday. It was No. 87 for him and was made happy by a shower of cards from far and near. . . the most he ever received for any one occasion. Coming Sunday to say happy birthday in person, to their dad were the Norb Hoedebecks of Dallas and the Leo Hoedebecks of Gainesville.

Seventy-seventh birthday of Mrs. Frank Klement Sunday was marked by a family party at her home. Her children came for the evening, bringing refreshments.

Visiting the Dick Cains Sunday were their daughter and family, the Bill McCollums of Dallas and Mr. and Mrs. Bert Soutter also of Dallas. Visitors Monday were Mr. and Mrs. O. G. Bates of Lubbock.

Muenster's boys at school in Subiaco arrived for the Easter holidays Wednesday.

Seven Cooke County women including Mrs. Paul Endres of Muenster heard a program by doctors and the Food and Drug Administration at SMU in Dallas last Thursday. It was the second annual North Texas Conference on Medical Quackery. Others attending were Mmes. Rankin Hardy and Katherine Basinger, city and county school nurses, Mmes. Bernice Thurman and Evelyn Yeatts, county home demonstration agents, and Mmes. Jay Pybas and Delbert Harrell of Sivells Bend.

Friends of Sister Eymard, former teacher at Sacred Heart High, will be pleased to know that she's on the job teaching — from her wheelchair — at St. Paul's High School. She has Latin I and II and English III and IV classes. There's no school publication this year, but there is a memory book to be published in May.

Mr. and Mrs. Don C. Cooke were Thursday visitors in Gainesville welcoming their cousins Miss Nelle Francis and her mother, Mrs. Mary Francis to Cooke County. They recently moved to Gainesville from Brownsville where Miss Francis had been a school teacher. Since quitting the teaching profession the two are retired in their former home town. Mrs. Francis is a sister of R. L. Trew of Myra and the late R. W. Trew.

Mr. and Mrs. Don C. Cooke spent the weekend in Fort Worth, going to attend the funeral of W. A. Brooks Saturday and staying over Sunday with Mrs. Brooks and son. They also had a visit at the home of Mrs. Cooke's sister, Mrs. H.G. Andrews, before returning home and were Saturday overnight guests in the home of their son Harold Cooke.

Five cheerleaders have been chosen at Sacred Heart High to rah-rah the Tigers on to 1964-65 victories.

They are Blondie Fleitman, Angie Hess and La Verne Otto, juniors; Barbara Schmitt, sophomore and Debbie Fette, freshman.

Also chosen at the same time was squadron leader of the pep squad, Marilyn Walterscheid.

W. A. Brooks, 57, Former Teacher at Marysville Dies

W. A. Brooks, 57, former school teacher at Marysville, died at Harris Hospital in Ft. Worth Friday at 4 a.m. after suffering a heart attack at his home about midnight. He had been teaching in Fort Worth for 22 years.

He was a native of Gainesville, began his teaching career when he was 19 years old. He taught at Lois, Marysville and Valley Creek before going to Fort Worth. He also served as deacon in the Baptist Church for more than 20 years.

Funeral services were held Saturday at 4 p.m. in Connell Baptist Church at Fort Worth with the pastor, the Rev. Ira Bently, officiating and deacons of the church serving as bearers.

Brooks' widow is the former Miss Vivian Duffy of Marysville. Also surviving is one son Terry Don and one brother Gerald Brooks of Fort Worth. Among friends at the funeral were Rafe McElreath, Messrs. and Mmes. Don C. Cooke, R. D. Morris and Reeve Cooke.

Funeral Services At Marysville For Albert Stapp

Funeral services for Albert Stapp, 75, were held at Marysville Baptist Church March 18 with the Rev. M. D. Bishop of Aubrey, former pastor of the church officiating. Stapp resided in Marysville community for many years before moving to Gainesville several years ago. He died at his home there March 16.

Survivors include his wife Maggie; one step-daughter, Mrs. Daisy Kuykendall of Sivells Bend and two sisters.

Burial in Marysville Cemetery was conducted by Vernie Keel Funeral Home. Bearers were Bill Moon, Milton Hickman, Earl Robison, Doye Doty, Guy Jones and Marvin Shaver.

Men Lose Contest And Host Dinner

Women of Marysville Baptist Church outnumbered the men at services for three consecutive Sundays to win a contest in which losers treated winners.

The men were gracious hosts Sunday after services, treating the ladies to a picnic on the church lawn. They fixed charcoal hamburgers and baked beans, coffee and tea and served them with potato chips and doughnuts. The pastor, the Rev. Delbert Taylor and family of Fort Worth attended with the congregation.

Government Owns Every Third Acre

Pointing out that the federal government today owns one out of every three acres in the 50 states, a spokesman for the forest products industry said today the government should stop needless land buying that already is a serious problem for the American taxpayer.

"There are 39 government agencies with authority to buy land," said C. A. Gillett, managing director of American Forest Products Industries, in an address to the national Natural Resources Conference of the American Farm Bureau Federation. "To needlessly take land from local tax rolls is to undermine the land capital structure of the nation, destroy our source of tax revenue for local functions of government, and head us down the road toward complete nationalization of the land resource."

THANKS

Many thanks to all who were so good to me after my accident, to the doctor and hospital staff for their kindness, to all who said a prayer, sent a card or came to cheer me with visits. My husband is grateful too.
 —Mrs. Earl Robison

A word of thanks and appreciation to all who helped make my stay in the hospital a pleasant one, especially the Sisters and nurses. Thanks for the prayers, cards and visits, and every other kindness.

Al Horns Host 19 For Sunday Dinner
 Mr. and Mrs. Al Horn were hosts in their home Sunday for dinner with 19 guests. It was no special occasion. The relationship just got together.

Present were Mr. and Mrs. Leonard Schmitz and children Mary Beth, Bobby and Jimmy of Dallas, Mr. and Mrs. Johnny Schmitz and children Joey, Maquita and John. Dave of Gainesville, John Schmitz of Thackerville and Mr. and Mrs. Ray Wilde and children Danny, Janice, Joanie, Tina, Gregg and Renee. Other guests in the afternoon were Mr. and Mrs. Freddy Schmitz and children of Gainesville. While they were together in Martin Thiemers of Oklahoma City telephoned to wish them the line.

There's nothing that infuriates a woman more than not being asked to join a club she doesn't want to belong to anyway.

IT HAPPENED 25 YEARS AGO

March 24, 1939

Large crowd attends first retreat conducted here for youth of parish by Father Langehorst. Muenster's cooperative spirit gets nationwide publicity in REA News. Henry Wiesman is re-elected president of St. Joseph's Society. Irene Walterscheid joins the staff at the FMA Store. Jerry joins the Tony Wimmer family. Urban and Paul Endres bring back trophies from a motorcycle meet and hill

\$32,500.00 Per Year

George Corse Jr., Republican candidate for Congress, charges that Representative Purcell showed his real disregard for Federal Economy by voting to give himself a 44% pay increase; a raise from \$22,500.00 to \$32,500.00 per year.

Said Corse: "If the present congressman thinks he is underpaid at \$22,500.00 per year (which does not include many allowances) I shall be glad to take his place and give the people the kind of representation they want. (Pol. adv.)"

20 YEARS AGO
March 24, 1944

Pfc. August Fleitman is listed as a casualty in action at Cassino, Italy, on Feb. 22, the family learns this week. Sgt. Jack Needham is reported missing in action in the European Theatre. J. W. Hess is elected president of St. Joseph's Society. Local women make 63 dozen cookies for Camp Howze soldiers. Farwell party honors Earle Otto and Arthur Felderhoff before they leave for the Navy. April 1 is date set to vote for consolidation of Muenster and Bailey school districts. Pvt. Tom Sicking is transferred from

15 YEARS AGO
March 25, 1949

Big welcome awaits members of the Cooke County Rural Electric Cooperative next Tuesday at their annual meeting. Community drive for Red Cross lags behind quota. Ballot is still blank for city election April 5. First tally shows scholastic census about 520. Dizzy Dozen Club has tacky party. Barbzara Jean Miller will represent Muenster as a duchess in the Gainesville Circus Roundup. St. Joseph's Society re-elects officers: R. R. Endres, president; Joe Hoening, vice president; Meinrad Hesse, financial secretary; Joe Vogel, recording secretary; Frank Klement, treasurer. First graders charm PTA members with unusual program at monthly meeting.

10 YEARS AGO
March 26, 1954

Drought curtails milk receipts at local cheese plant. City council votes approval of two sewer extensions, one to serve west of Main, the other in the new residential area developed by R. M. Zipper. Callisburg wins trophy in Inter-scholastic League Meet; Muenster is second. St. Joseph's Society re-elects President Al Hess, vice president Martin Bayer, recording secretary R. R. Endres, financial secretary Meinrad Hesse, and treasurer Fr. Klement. Marysville Baptists organize Brotherhood and elect J. T. Cole president. Only two names, those of Bernard Sicking and Joe Wimmer, appear on school ballot. Rain in 1954 to date totals 2.87 inches.

5 YEARS AGO
March 27, 1959

Rain with a mild peppering of hail leaves .63 inch moisture to bring March total to one inch and year's rainfall to 2.05 inches. Parish announces schedule for Holy Week and Easter Services. Mayor Urban Endres asks city shut-down from 2 to 5 on Good Friday. Tenth annual soil awards banquet is set for May 7. Dan Haverkamp is elected new president of St. Joseph's Society. MHS takes second place in district track meet. Forestburg forms fire department and elects John Moore first chief. Mrs. Deward Martin and daughter Kathy are honored at farewell party. They will leave Muenster April 12 to return to France. Mrs. John Felderhoff and Miss Theresa Hesse were among relatives at the funeral of an aunt in Saint Louis, Mo. Red Gordon and his entertainers play for March of Dimes benefit at Marysville.

You Have to File To Get a Refund

Forms 1040 and 1040A are not only tax returns; they are also the forms taxpayers must use to claim their refund check or saving bond, Ellis Campbell, Jr., District Director of Internal Revenue, pointed out today. Mr. Campbell said many people believe that because tax withheld was more than the tax due, they will automatically get a refund without filing a return. This is particularly true among students or other young people who worked only a part of the year, had taxes withheld, but made less than \$600. Although no return is required when income is less than \$600, a return should be filed to obtain a refund of any tax that was withheld. Mr. Campbell added that everyone whose gross income is \$600 or more must file except persons 65 or over, who must file if gross income is \$1200 or more.

THE STATE OF TEXAS
TO: Edra Jannett Thurman, Jr., GREETING:
You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 27th day of April, A. D. 1964, at or before 10 o'clock A. M. before the Honorable 16th District Court of Cooke County, at the Court House in Gainesville, Texas. Said plaintiff's petition was filed on the 12th day of March, 1964.

The file number of said suit being No. 19,678. The names of the parties in said suit are: Lord William Thurman, Jr. as Plaintiff, and Edra Jannett Thurman as Defendant. The nature of said suit being substantially as follows, to wit: Suit for divorce and for custody and control of minor children and for division of community property accumulated by plaintiff and defendant. Issued this 16th day of March, 1964. Given under my hand and seal of said court, at office in Gainesville, Texas, this 16th day of March A. D. 1964. IN THIS WORLD
MUTATION MINK...
AMERICAN MINK RANCHERS ARE USING A GENETIC FACTOR KNOWN AS THE MENDELIAN LAW OF INHERITANCE TO PROVIDE MINK IN 56 NATURAL SHADES, AND COLORS... BROWNS, LAVENDERS, BLUES, GREYS TO WHITE.

MUTATION IS WHEN THE OFFSPRING DIFFERS FROM ITS PARENTS IN A MARKED WAY...
MENDELIAN LAW, ESTABLISHED BY MENDEL, 1866-69, FROM RESEARCH ON HYBRID PLANTS, HAS BEEN PROVEN CORRECT FOR THE MOST DIVERSE ORGANISMS FROM PROTOZOA TO MAN.
IN THE LATE 1930'S TWO SILVERY-BLUE KITS WERE FOUND IN LITTERS ON TWO WISCONSIN MINK RANCHES.
WORKING SEPARATELY, THE RANCHERS MATED THE MUTATIONS WITH STANDARD DARK MINK. BOTH RANCHERS GOT THE SAME RESULTS: LIGHTER BROWN KITS.
MATING THESE NEW MINK WITH THE ORIGINAL SILVER-BLUES RESULTED IN HALF OF THE KITS BEING SILVER-BLUE. WHEN THESE WERE MATED WITH EACH OTHER, THEY PRODUCED COMPLETE LITTERS OF THE NEW COLOR.
TODAY, FASHIONABLE WOMEN, WEARING GLAMOROUS AMERICAN-BRED MUTATION MINK AND MINK-TRIMMED COATS AND SUITS, ARE MOST APPRECIATIVE OF SCIENCE.

Wilde's Salesman Gets Chevy Honor

Lee Sullinger, salesman at Wilde Chevrolet Company, has been elected for membership in the Legion of Leader Honor Club by Chevrolet for 1963. He earned the distinction through volume of Chevrolet car and truck sales.

He will be recognized at a banquet in the Statler-Hilton Hotel at Dallas next Tuesday, March 31.

Need of Hospital Auxiliary Told at St. Anne's Meeting

Sister Mildred Felderhoff, hospital administrator, was a guest speaker at the March meeting of St. Anne's Society Thursday night, explaining the functions of a Hospital Auxiliary. She suggested that women of the community organize with a president and assisting officers and listed activities for the members to consider.

Mrs. Al Walterscheid, president, conducted the meeting in the presence of about 75 members. Twelve new members were introduced and welcomed.

The group planned a miscellaneous shower for Mrs. Felix Becker who lost all her household possessions in a fire. Date for the shower will be announced later.

Mrs. Frank Herr, local NCCW president, gave a report on the recent deaneary meeting and told plans for the diocesan Rural Life Pilgrimage which is scheduled for April 4 and includes a catered meal in Muenster at noon.

Mrs. Victor Hartman, head of the hospitality committee, asked members to save Betty Crocker coupons to secure silverware for use in the committee's activities. Coupons may be left with her.

Members had their meeting after attending a catered meal in the Parish Hall with members of St. Joseph's Society and the two groups joined again afterwards for a social hour of games. The joint meal and social are annual events for the two organizations in observance of St. Joseph's feastday.

Birthday Surprises Greet Miss Esker

It was a happy birthday for Miss Gertie Esker, March 19 — a day of surprises she will remember for a long time.

A shower of cards came by mail and friends dropped by all day for visits and brought gift remembrances.

Miss Esker said she'd like to thank each one personally but that is almost impossible for a shut-in so she says one great big thank-you to include all who remembered her.

Another surprise, coming early, was the previous Saturday when her brother Ralph Esker and wife and their children Charles and Clara drove over from Oklahoma City for a visit. Ralph is just getting back into circulation after a back injury and surgery.

Officer Election Features Meet of St. Joseph Society

Members of St. Joseph's Society retained their president, Sylvan Walterscheid for another year at the annual election of officers on March 19.

Others elected are new on the executive committee. They are Donald Bayer, first vice president; Andy Wimmer, second vice president; Ray Sickling, secretary; and Albert Hess, treasurer.

Three new members, Bobby Walterscheid, Leon Fleitman and Bernard Hesse, were welcomed.

Election of officers is one of the events of St. Joseph's Day each year. Other observance of the feast includes attendance at mass and a social with supper in the Parish Hall. Members of St. Anne's Society join in the social. While the men hold their meeting the women have their March business session.

90 Attend Farm Bureau Party

Some 90 members and guests were present when Cooke County Farm Bureau entertained with a game party Thursday night in the Farm Bureau Building.

Twenty tables were arranged for a progressive 42 series. Mrs. John Neu was high score winner and Mrs. Gregory Hundt secured the "84" prize. J. T. McCracken won the consolation award.

Mmes. Roy Robinson, J. T. Cole, W. W. Simpson and R. F. Hassenpflug served punch, coffee and cookies from a refreshment table covered with a natural linen cloth and centered with yellow roses and greenery. Appointments were in crystal.

Joint Banquet for FHA, FFA Groups Slated April 2

Future Homemakers of America, MHS Chapter, had a call meeting Friday to make plans for the annual Mother-Daughter banquet. This year's event will also include Future Farmers and their dads as guests.

Date for the banquet was set Thursday, April 2. FHA members and their adviser, Mrs. Henry Weinzapfel, will prepare and serve the meal.

In other business at the meeting, members heard a report on the House of Delegates meeting for Area V in Denton. Attending were Diane Amoroso, Sandra Cler, Margaret Lawson and Doris Fisher. They went with Mrs. Henry Weinzapfel and Miss Diane Henzler. The girls took two baskets of eggs and two eggs from each member of the chapter to be delivered to the State School.

Also on the FHA calendar are plans to observe FHA Week, April 5-11, with a special activity each day. Schedule for the week will be announced when plans are completed.

Chevrolet will go to any length to make you happy

Things have changed a lot since a Chevy was only a Chevy. Especially your ideas of what you want a Chevy to be.

So now you have the Jet-smooth Chevrolet—17½ feet of pure luxury, bumper to bumper. The size makes it a luxury car. But not the price.

Or you can choose the thrifty Chevy II, a 15¼-foot family car with all kinds of passenger and luggage space.

This year, your choice might be the new 16-foot-plus Chevelle, sized to fit nicely between Chev-

rolet and Chevy II (and between parking meters, with five whole feet left over).

Then, too, there's the sporty 15-foot Corvair, so right for so many people (you girls, in particular) that we've never touched an inch of it. And finally, Corvette—still 14½ feet and still too much for any true sports-car lover to say no to.

The long and short of it is, you don't have to go to any length to find exactly the kind of car you want. Just see the five different lines of cars at your Chevrolet dealer's.

Lindsay News

Mike Fuhrmann and daughter New Braunfels stopped by on the past week to see relatives after visiting his father, Mike Fuhrmann, at Gainesville Hospital.

The F. E. Schmidkofers, coming from Downey, Calif., report they are finally settled after a couple of moves. Home address is 8025 E. 3rd St., Apt. D, in Downey. They previously lived at Hartford, Calif.

Proposed date for First Communion is the last Sunday in April—April 29. Children are now receiving instructions in preparation for the service.

A Holy Thursday services the "mandatum" is observed in St. Peter's Parish. The service starts at 7:30 p.m. The 12 "apostles" for the washing of the feet will be the church wardens, members of the

school board and presidents of St. Peter's Society and the Parent-Teacher Club.

Lindsay school will be closed Friday and Monday for Easter.

Members of the Third Order of St. Francis are receiving the indulgence blessing every day during Holy Week after services.

With its city water system complete, Lindsay residents are thinking about fire protection. They're discussing the proposal that a fire plug be installed in the six inch main that runs to the front of I. A. Zimmerer's home. From a hydrant at this location a fire truck's hose could reach to serve a number of homes in the neighborhood and the church and other building on the church grounds. Those who would receive protection are considering "chipping in" to pay for it. Estimated cost would be about \$175.

Craft Club Will Display Projects

Lindsay Craft Club has been asked to display the children's projects in the KC Hall at Muenster on April 4 when the diocesan NCCW rural tour stops at the hall for noon luncheon.

Club leaders and youngsters are organizing their exhibit of crafts, and their tools and equipment purchased through their Gold Bond stamp project.

On Honor Roll at College at Denton

Jimmy Zimmerer is one of six Cooke County students at North Texas State University on the honor list for the fall semester. To earn the honor rating a student must have a 2.5 grade average — at least midway between "A" and "B". Names of 524 students were on the 2.5 honor list.

Jimmy will do student teaching at Gainesville High School after the Easter holidays. His subject is biology. He's the son of Mr. and Mrs. Bruno Zimmerer.

PT Club Hears 2 Guest Speakers

Lindsay Parent-Teacher Club meeting Tuesday night in regular session for March heard an informative talk by County Attorney L. V. Henry of Gainesville who discussed last wills and testaments. Also of interest was an illustrated talk by Tom Riddle on a child's progress in study and testing methods used by teachers.

Al Bengfort presided and introduced the guests. A nominating committee consisting of Glenn Hellman, Henry Schroeder and Julius Hermes Jr., was appointed to draw up a slate of officers for the annual election.

The membership planned an Easter egg hunt for students of grades 1 through 5 for April 1. Father John opened and closed with prayer.

After adjournment Mmes. Pat Schmitz, Norbert Zimmerer and Al Bengfort served ake and coffee.

Almost one out of every six American family members is on a diet either for health or appearance's sake.

CYC Group Makes Plans for Dance

Members of Lindsay CYC discussed plans for a benefit dance on Easter Monday when they met for their March business session. The CCD Confraternity meeting followed.

Barbara Bezner presided and Margie Neu led the lesson for discussion. Karen Loerwald was appointed to lead at the next meeting.

Father John met with the young people and gave a short talk on Lent. He urged special spiritual exercise during the closing days of the penitential season.

Club Has Program On Party Manners

With "Party Manners" as the program topic for their March meeting, members of Lindsay senior 4-H girls' club enjoyed an interesting discussion led by Mrs. Evelyn Yeatts, assistant county home demonstration agent. A quiz on the subject followed.

Barbara Bezner, president, presided, and Marcy Neu reported 16 members present.

Margie Fuhrmann reported on the Achievement Event and Mary Green told about the Share - the - Fun contest in which Lindsay senior girls won the top award and will enter the district contest on May 2.

Another subject of interest discussed was the coming Dress Revue to be held April 4 and 6.

Confetti - - -

other members to call the reeds on their play. If it's a bluff maybe they'll pay what they owe. It's not a bluff they'll pull out, which would be good riddance. Either way the rest of the world would gain.

But don't count on any such good fortune. Along with the Soviet statement came a report from diplomatic sources saying that United States and Britain sought to head off a showdown over the issue in a private talk with the Soviet delegation. If this little chat turns out like most other deals with the reeds we'll probably settle the affair peacefully by paying the Soviet debt and granting some sort of concession to soothe injured Soviet feelings.

WHO SENT IT?

A \$10 bill is at Muenster Hospital waiting to be identified. Sister Mildred says that the money arrived in an envelope post marked March 31 at Muenster, with no return address and no name inside. Two questions: was it intended as a donation or as a payment on account? and who sent it? The hospital would like to have the answers so that it can mark up the proper credit.

Former Residents In the Daily News

Look through a newspaper — almost any daily — and chances are there'll be a story or a picture, sometimes both, of former Muensterites. At least it happened several times the past week.

An Associated Press story told about Kenneth Wiesman heading the Secret Service's Austin office. The Fort Worth Press had a picture of Miss Shirley Walterscheid, book-keeper for The Press, holding a beetle cake — wondering whether to wear it or eat it.

The Wichita Falls Record News pictured Helen Jennings, 16-year-old daughter of Mrs. Aubrey Jennings of Wichita Falls and granddaughter of Mrs. John Felderhoff, under the caption "Sweetheart". She was elected American Legion Sweetheart during the 13th district convention at Haskell.

And the Denison Herald told about Sister Mary Helen Fuhrmann presenting fourth grade students of St. Xavier's School in a demonstration of advanced arithmetic methods by the use of rods at the Home-School meeting in Denison.

R. Bayer Is Ford's World Fair Guest

Robert Bayer will attend the New York World's Fair early this year as a guest of Ford Motor Company.

The 3-day, 2-night expense paid trip to the Fair is offered by Ford Motor Company to every retail buyer of a new Ford 6000 tractor during the period of December 16, 1963 through May 31, 1964. The offer applies only to Ford's 6000 tractor.

Mr. Bayer will travel by air to New York City to join a large group of other Ford 6000 tractor owners. The trip will include two nights at a Central Park hotel, all meals in New York at a choice of deluxe restaurants, a guided tour of New York City, sight-seeing at the Fair and other special events such as the Monorail ride, the Ice-Travaganza Show and V.I.P. treatment at the Ford Pavilion.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

Spring has sprung along the Red River in the Upper Elm-Red Soil Conservation District.

With plenty of moisture in the soil and the promise of warm, sunny weather small grain should really start to grow. One of the limiting factors in this growth will be the amount of available plant food.

Farmers who haven't already top-dressed their grain should do so now. Most authorities recommend 30 pounds of nitrogen per acre. Those who feel they can't afford this amount should at least use some — 15 pounds, maybe. Those in the know say you owe it to yourself to find out how top dressing really pays. Try it, even if only on one acre. The result will be more gain per acre, more stubble, better quality stubble and more protection for the land.

A reminder again that time is running out for those who intend to plant Bermuda grass this year. Remember to sign up for cost-share assistance.

Some of the district cooperators who have planted Bermuda in keeping with their conservation plan are Norbert Walterscheid, 43 acres; Hugo Lutkenhaus, three acres; Jim Dennison, 28 acres; Bayer Brothers, 50 acres; Jerry Walterscheid on the Perkins place, 10 acres.

Walter H. Fette, 10 acres; B. C. Rosson of Myra, 26 acres; Glenn Huckabay, 20 acres; Opal Berry, 26 acres; George Berry, 19 acres; John Smith, 23 acres; and J. C. Donnell, 27 acres.

Cooperators clearing timber were Jim Dennison, 25 acres; Bayer Brothers, 25 acres; and George Berry, three acres.

Several new names have been added to the list of district cooperators and personnel of the SCS assisted each in working out a conservation plan on their farms. These include Walter Fette of Muenster; Wayne Thompson of Saint Jo; Dr. W. S. Parker of Wichita Falls, and G. G. Scroggins of Bridgeport.

Webb Reynolds of Forestburg had his conservation plan revised to include 146 acres which he recently bought. SCS personnel also assisted Alois Trubenbach in combining several small places and drawing up one conservation plan for all the acreage.

Finally this from the soil conservation technicians: conservation doesn't cost, it pays. Make plans now to plant summer legumes. Contact your local SCS office for help with conservation problems.
