Chevelle Malibu Sport Coupe

No matter how you look at it, this car makes a lot of sense.

If you're interested in value (and who isn't), the eleven features above give you a good idea why more intermediate-size car buyers are thinking Chevelle.

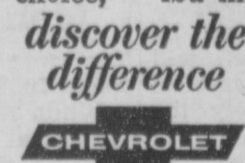

If you're looking for a wide power choice, Chevelle starts out with a standard 120-hp Six, an ideal city performer. After that you may order from a variety of engines that turn it into an even greater highway performer.

Room? Large door openings. Wide

curved side windows for extra shoulder room. Great front and rear leg room. Those four, five or six passengers have it made. And so do you. Chevelle may seat like a big car but it handles like a smaller car.

Comfort? Thick wall-to-wall carpeting in Malibu models. Foam-cushioned seats. Easy-to-read instrument panel. The whole interior looks like those in cars costing far more.

Come on down to our showroom and take a drive soon. Chevelle begins to make even more sense after you've gone a couple of miles.

This was one of the features of the Auxiliary's meeting Thursday night. The favors, small wheelbarrows filled with miniature Easter eggs, will be made to grace patients' trays at Muenster Hospital and at Golden Years Rest Home.

The Auxiliary voted to buy two folding rollaway cots for the hospital to rent to relatives of patients who stay overnight with the sick. More cots are on the list for future purchase.

Mrs. Ervin Hamric, president, presided. Her announcements concerned next month's meeting which is re-set a week later than usual because meeting night falls on Holy Thursday. She reminded members that the April 22 meeting will elect a nominating committee to prepare a slate of officers for election in May.

She also announced that the hospital gift shop needs restocking and that baby gift items move especially well.

After adjournment Mrs. George Petrus and Mrs. James Mollenkopf served cake and coffee. Mrs. Martin Kralicke won the attendance prize, a sewing basket given through courtesy of the Ben Franklin Store. Mrs. Kralicke and Mrs. Rufus Henscheid will be refreshment hostesses next month.

**Attend Telephone Association Meet**  
 Alvin Fuhrman and W. J. Miller, Muenster Telephone Corporation owners, and their wives attended the 60th annual Texas Telephone Association Convention in Dallas three days last week at the Sheraton Hotel.  
 Themed as the Golden Jubilee Convention, the gold theme was stressed everywhere—in banners, badges, programs and decorations.  
 Ladies had a luncheon and varied entertainment while the men attended business sessions. Both groups joined for a hospitality hour, banquet and dance. The commercial displays were outstanding, including telephones from early day antiques to modern telephones to phones of the future.  
 Mr. and Mrs. Fuhrman also attended the Pioneer Luncheon.  
 Among friends they met there and visited with were Mr. and Mrs. Jake Horn of Windthorst and Mr. and Mrs. Bob Solomon of Valley View.

**In McKinney for Baby's Baptism**  
 Getting acquainted with a new member of the family Sunday were Mr. and Mrs. Norbert Klement, Miss Shirley Klement and J. B. Klement. They went to McKinney for the christening of the infant daughter of Mr. and Mrs. Dickie Cain.  
 The baby's name is Shawna Kay. Her grandfather Norbert Klement and her aunt Shirley are her godparents.  
 The baptism was in the morning and the relationship had dinner together at noon in the Cain home.  
 The Muenster group took little Troy and Scotty Cain back home after a two week visit with their grandparents, the Norbert Klements. Tammi Cain returned home the previous Monday after a week's visit with her aunt and family the Wendell Richeys.

**Mrs. Pagel Hosts Idle Eight Club**  
 March meeting of Muenster's Idle Eight Club was held in the home of Mr. Jake Pagel where members and guests played progressive 42 and had refreshments.  
 The group welcomed Miss Anna Hellman back after a several months' absence on account of illness and "Aunt Annie" invited them to her home for the next meeting.  
 In the 42 games Mrs. Joe Luke was high scorer, Mrs. Joe Horn was second and Miss Hellman was consolation winner.  
 Guests in addition to members were Mrs. L. A. Bernauer and Mrs. Ben Seyler. The hostess served pineapple upside-down cake, ice cream and coffee.

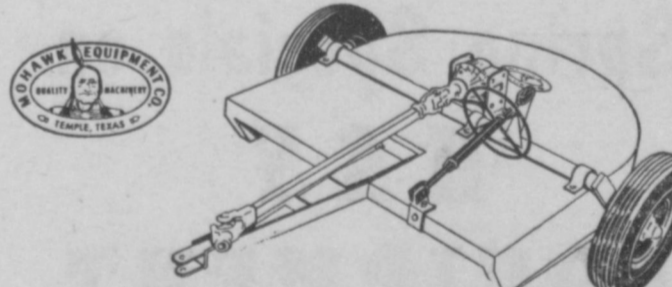

Mrs. Thomas Weinzapfel and Father Joseph Weinzapfel, both of Dallas, were visitors Wednesday, guests of their parents, the J. M. Weinzapfels.  
 Gene Riggs spent the spring vacation from the University of Tennessee at home with his parents, the Ernest Medders. During the past weekend he attended a Red Angus cattle exhibit at Mercedes.

loses more of its value.  
If the big shots of Washington along with the leaders of industry and labor were really on the job they'd be thinking instead of ways to stabilize the value of money and even recover some of its lost value. The inflationary course we are following now can lead only to disaster. In fact no one knows how close we are to serious trouble. Who can say how much farther inflation can go without getting out of control, as it did in other countries in recent decades — as it is doing in Brazil today?  
We wonder how many of the big fellows who keep pushing the inflationary trend actually think they are right in constantly trimming down the real value of fixed incomes and stealing away the value of savings. Can they justify what they are doing on moral grounds?  
It's high time to start applying common sense to our inflation problem.

**Lindsay News**

Richard Bengfort son of Mr. and Mrs. Al Bengfort, has been missing classes in the first grade on account of mumps.

Parent-Teachers Club meeting next Wednesday, March 31, will feature a program by Spanish classes of Lindsay School. Grades participating will be first and second, ninth and tenth. Starting time is 7:30 p.m.

David Hermes, young son of Mr. and Mrs. Richard Hermes, broke his collar bone, left side, in a fall from a swing Sunday afternoon. He's a first grader and the injury kept him out of classes for several days.

When Mrs. Norbert Rohmer joined Mrs. Martin Becker and Mrs. Tommy Knabe of Muenster on a trip to Dallas last Friday morning the trio had no idea they'd be in a snow storm. They had planned Easter shopping but the weather changed their mood so they had fun window shopping instead and enjoyed eating out.

Sister Patrick was admitted to Muenster Hospital Sunday for medical care.

Mr. and Mrs. Leon Neu have named their infant son Lorne William. He was baptized March 12 by Father Harry Fisher in St. Mary's Church at Gainesville. Mr. and Mrs. Henry Sandmann of Valley View, first time grandparents, were there as godparents of their grandson.

Mr. and Mrs. Bob Bezner and children of Richardson visited Sunday with his mother, Mrs. Joe Bezner Sr. and with the Joe Bezners Jr. and the Bruno Zimmerers.

CCD discussion club groups met Sunday night in the homes of the following: Lawrence Zimmerer, Norbert Zimmerer, Gene Pelzel, J. C. Schmidtkofer, Johnnie Zimmerer and Robert Bayer.

**Lu Ella Fuhrmann Has First Party**

Mr. and Mrs. Diamond Fuhrmann entertained with a family party in their home Sunday in observance of the first birthday of their daughter Lu Ella, whose birthday is March 23.

An afternoon of play for the children and visiting for the grownups was concluded with refreshments served by Mrs. Fuhrmann and daughter Elaine. Candy, whistles and balloons were favors for the youngsters.

Present were the honoree's grandparents, the H. S. Fuhrmanns and the Pete Blocks, and the Wilbert Blocks and children, the Harold Nortmans and sons, Mr. and Mrs. Ray Hess and children of Muenster, Mr. and Mrs. John Kuntz and Mark of Valley View, Mr. and Mrs. Al Kuntz and children of Fort Worth and Mr. and Mrs. John Loerwald and children of Dalas.

**4-H Girls Start Sewing Lessons**

Lindsay 4-H Club girls have started sewing lessons preparatory to beginning work on garments they will make for the annual dress revue.

Mrs. Ed Schad's home was the scene of first activity Saturday when eight girls were present. Mrs. Norbert Rohmer assisted Mrs. Schad in explaining the parts and use of a sewing machine, and instruction on cutting from patterns and seaming.

First meeting for a group of four girls was held this week with Mrs. Bruno Zimmerer as instructor in her home. They will meet each Thursday of the week until they finish their series of lessons.

Another group of four has Mrs. Al Bengfort as teacher. They meet in the Bengfort home.

**CLUB LEADERS MEET TO COUNT POINTS**

Adult leaders of the Craft Club and members of the Gold Bond committee counted points at their Monday meeting in the home of Mrs. Ray Laux. The count revealed enough points for the portable roaster oven the club has been saving for.

The group reminds school children that the Gold Bond contest in progress in school classrooms will end April 20, Tuesday after Easter. All validated certificates are solicited for the contest. The classroom accounting for the most points will receive a prize.

Mrs. Laux served coffee and cake after the meeting.
