MUENSTER, COOKE COUNTY, TEXAS 76252 AUGUST 20, 1965

NUMBER 39

The catastrophic race riot that has been going on in Los Angeles for several days leaves little doubt that the so-called civil rights movement of this country has been permitted to degrade into a state of anarchy. This thing is not a matter of reasonable people demonstrating or even fighting for conditions that they are entitled to. Rather it is a wave of terror carried on by an irresponsible mob of hate-crazed hoodlums whose only intention is to kill and destroy and loot.

It is plain lawlessness and crime and it will not be stopped until it is dealt with accordingly by our law enforcement agencies. It calls for prosecution and punishment of the guilty persons as a stern reminder that society will no longer tolerate such chaos. If that is not done, and soon, we can look for the situation to develop into open warfare of the races. Whites will eventually get their fill and break out in retaliation.

President Johnson did little to correct the mess in his statement Sunday. He expressed regret and shock at the terrible things that have happened and continued with remarks implying that the real cause behind the crime is the injustice endured by Negroes. He failed to stress the important point that responsibilities need to be recognized as well as rights.

In the first place there is little to justify the claim that Negroes have been mistreated in California. They have had equal voting opportunity and job opportunity for years — and their children have been attending integrated schools. Probably more so than anywhere else in the nation, they have enjoyed equality with the Whites. They had no reason to go on a rampage except their outburst of unreasonable and criminal hatred. Their motive is inexcusable before the law of man and the law of God.

Another weak excuse that has received a big play-up is the Los Angeles ghetto, the slum district with conditions so miserable that no one has a chance to grow up as a normal human being. Many of us saw scenes of that ghetto on TV. It looked like an average residential area with plenty of room for people to live and develop normally. If misery exists there it certainly does not result from the physical condition. And if it derives from neglect or other human causes the fault obviously is their own. If squalor is their excuse for lawlessness they need to be reminded that self imposed disorder and filth is not a legitimate excuse.

Another so called grievance that has a very hollow ring — along with a definite overtone of communist influence — is "police brutality." Of course no one can deny that officers in doing their job sometimes get rougher than necessary with their prisoners. But it can also be said that rough treatment is usually provoked by a defiant attitude or even by attempted assault in resisting arrest. No one can rightly say an officer is brutal when he clobbers a criminal coming at him with a knife.

Well, that's the kind of incidents that are blown up as police brutality. Rioters caught in the act of assaulting, burning, looting and destroying property get vicious in resisting arrest, and the policemen who subdue them are accused of brutality. What a switch! It's time for some people to revise their thinking and admit a few basic facts — first that rioters deserve rough treatment, second that policemen have a right to defend themselves, and finally that policemen in risking their lives to do a most unpleasant job for society are entitled to our appreciation and support.

Early reports on the Los Angeles riot say that there is no evidence of communist influence in it. This column does not expect that opinion to stand up. Despite the fact that it seemed to erupt spontaneously from a single incident, the significant point is that it grew so fast. Apparently hundreds were already in a foul mood, seething and waiting for their excuse to start rampaging. Evidence has been found also that fire bombs were ready and waiting in several places of the neighborhood. There was

Students Register Friday Morning At Both Schools

Registration at both local schools from 9 to 11 Friday morning will open the 1965-66 school year at Muenster.

Busses will start their run at 8 o'clock, an hour later than usual, and will have the children back home before noon. Lunch rooms will not open. Children will report for their first classes on Monday, the 23rd.

During the weekend, Superintendent L. B. Bruns said, teachers will be busy going through the registration and checking to see that all students are taking enough required subjects to avoid trouble at graduation time. Likewise, teachers have to see that students will have no conflicts in their class assignments.

First meeting for the faculty was held Wednesday afternoon at 2 o'clock. County Counsellor Tom Riddle was there to explain the testing program in use this year.

87 Children Get Certificates for Summer Reading

Eighty-seven children received certificates Tuesday for participating in the summer reading program sponsored by Muenster Public Library in cooperation with the State Library Association.

To earn a certificate, 12 books were required reading. Twenty books added a gold star and each additional five books earned another star. The children received their honors Tuesday afternoon at a party in the library. Punch and cookies were served.

Mrs. Joe Luke, librarian, in a check on the program, discovered Janice Fisher way out front, leading all readers, with a total of 114 books. Several girls had read 80 and 60 books. Topsy among the boys were brothers Mark and Chris Stoffels who read 40 books each.

On duty at the Library Tuesday with Mrs. Luke were Mrs. Lee Toothaker, Mrs. Steve Mosler, Miss Elizabeth Herr and Miss Kathy Yosten.

Serving refreshments for the local court Catholic Daughters of America were Mrs. Frank Felderhoff, Misses Patty and Marilyn Felderhoff and Donna Stoffels.

Thirty Report for Football Practice At Sacred Heart

With less than three weeks to go before their first game, the Tigers of Sacred Heart High made a snappy start in their football practice Monday night. The thirty boys who reported to Coach Walter Wolf were told that they have lots of work ahead and a short time to do it.

Their opening game is with Class A Whitesboro on September 3. That is a big assignment for the Class B Tigers any time, but especially this year when so few veterans are there as the team's nucleus. Only nine of the boys are lettermen, and three of those were regular starters last year.

Nevertheless Coach Wolf is optimistic. He says the boys have good size and they are working hard to overcome their lack of experience.

Assisting Wolf as co-skipper of the Tiger outfit is Virgil Henscheid, formerly quarterback for the Tigers and also quarterback on his unit's team while he was in the army. Returning lettermen are Willie Wimmer, Sam Endres, Larry Hess, Leon Endres, Ted Endres, Jerry Yosten, John Streng, Andy Klement and Joe Bayer.

Others are Steve Kralick, Rudy Koesler, Dwayne Hess, Stan Endres, Steve Hess, Gilbert Hess, Robert Miller, Ben Fleitman, Chris Walter, Herb Fette, Kenneth Schmitz, Kenneth Stoffels, Leroy Hess, Alcuin Schilling, Clifford Sicking, Don Schneider, Glenn Schoech, Melvin Bayer, Danny Schmitt, Steve Fette and Bob-bing Sicking.

The Tiger schedule: Sept. 3, Whitesboro, here; Sept. 10, Saint Jo, there; Sept. 17, Callisburg, here; Sept. 24, Era, there; Oct. 1, Anna, there; Oct. 8, Collinsville, here; Oct. 15, Jesuit B, here; Oct. 22, F.W. Christian, here; Nov. 6, Dallas Christian, here; Nov. 12, Bishop Lynch, there

MICHAEL SLOAN, manager of Cooke County Electric Co-operative Association, is the new secretary-treasurer of Texas Electric Cooperatives, Inc.

Sloan's election came during the 25th anniversary annual meeting of the association of the 79 rural electric systems in Texas, August 11-13, at Dallas. He is serving the second year of a two year term on the board of directors of the statewide organization.

A native of Kaufman County, Sloan became manager of Cooke County Electric in 1958. He holds the Bachelor of Business Administration degree from North Texas State University in Denton.

Muenster Native Observes Golden Jubilee as Nun

Sister Amora Felderhoff, OSB, was among jubilarians at the annual August 15 celebrations at Holy Angels Convent in Jonesboro, Ark. She was observing the golden jubilee of her profession. Also in the 50-year-honor ceremonies was Sister Leoba.

Silver jubilarians this year are Sister Carmelita Myers, Sister Alberta Krebs and Sister Edith.

Bishop Fletcher officiated at the jubilee Mass in the convent chapel at 5:30 a.m. Parents and other relatives and friends attended and were among guests at a dinner honoring the jubilarians. For the Mass, Bishop Fletcher wore the vestments worn by the late Father Henry Felderhoff, brother of Sister Amora, at his first Mass.

Muenster relatives attending to see Sister Amora in the ceremonies were her sister, Sister Mildred and her brother and sister-in-law, Mr. and Mrs. Hubert Felderhoff. With them was another sister, Sister Lutgardis of Jonesboro, Sister Amora's twin, who made her profession eight years later, in 1923, at Holy Angels Convent.

Also attending were Sister Carmelita's parents and her brother from Hot Springs, Ark., and Sister Alberta's parents, Mr. and Mrs. Albert Krebs of Coalgate, Okla.

A handsome jubilee cake went along from Muenster. It was baked and decorated by Sister Amora's niece, Mrs. Henry Speath of Gainesville. Sister Amora and Sister Fridolene accompanied the Muenster trio home for a few days' visit. They arrived Tuesday evening in time for dinner with Mr. and Mrs. Tony Felderhoff at their home. Mrs. Ben Sicking joined them.

Sister Fridolene, remembered as one of the pioneer-day teachers here. She is almost 90, is retired now. She taught many years at Jonesboro and the parish there is having a reception for her Sunday. And a school library is being established in her honor.

George Hess, 8, Fails to Survive Heart Surgery

George Hess, eight-year-old son of Mr. and Mrs. Joe Hess, failed to survive open heart surgery performed last Thursday in Children's Medical Center at Dallas. He died Friday at 6:45 p.m.

The operation was one of several he had since birth. He was born in Muenster April 9, 1957, and was a student in Sacred Heart School.

2.53 Inch Rain

Vast improvement in the weather situation, perhaps enough to break the summer's drought when figured with last week's rain, was the 2.53 inch of moisture that fell this week. The measure was .40 Sunday afternoon and 2.13 Monday morning.

Total for the month to date is 3.70 inches and the total for the year is 23.13.

Practice Begins For 23 Hornets of Muenster High

Twenty three boys answered Coach James Polk's first call for football practice at Muenster High School Monday night and spent the evening in a gym workout rather than trample their wet field. But they were outside Tuesday night, still spending most of their time on condition exercises.

The Hornets are working nights this week and will take up their routine afternoon practice schedule when school starts next week.

With their first game dated on Sept. 17, they have plenty of time to get in condition and work on team organization, but they have no intention of wasting time. Coach Polk says he wants to develop both endurance and polish and he has two scrimmage sessions booked to test the boys on both of those qualities.

Team outlook this year is fair, Polk says, as long as first stringers can stay on the job. They have a fair sized line and a speedy backfield, but very limited reserve strength. Polk also figures that the district will have fewer powerhouses this year and his boys' chances will be slightly better than before. He is confident of improving last year's 5-5 season record.

Lettermen who reported for first practice are Louis Hellman, Wayne Klement, Glenn Klement, Dale Klement, Chris Cain, Tom Trachta, Joe Hartman, Tommy Tuggle, Ken Stormer and Glenn Fleitman. Others are Bob Russell, Jimmy Robison, Mark Hellman, Ken Swirczynski, Don Hartman, Mike Cason, Larry Wallace, Sam Sparkman, Mike Rhone, Robin Wimmer, Terry Cason, Donny Fisher, Herbert Fisher.

Two other lettermen, Virgil Swirczynski and Roy Rumley are ending their North Dakota harvest work this week and will be in uniform next week.

The Hornet schedule Sept. 17, Valley View (Kamay) there; Sept. 24, Iowa Park B, here; Sept. 30, Ardmore B, here; Oct. 9, Chico, there; Oct. 16, Valley View, here (homecoming); Oct. 22, Sanger, here; Oct. 29, Era, there; Nov. 5, Saint Jo, here; Nov. 12, Alvord, here; Nov. 19, Callisburg, there.

The first game will start at 8 o'clock. All other games will start at 7:30.

Fire Started by Lightning Razes Davidson Home

Fire believed to have been started by a lightning bolt Monday morning completely destroyed the two-story home of Mr. and Mrs. W. F. Davidson at Marysville. It happened at about 11 o'clock.

Both Mr. and Mrs. Davidson were at home but by the time they discovered the blaze in the stairway, flames had made rapid progress, and a burned out telephone delayed their call for help.

Muenster volunteer firemen rushed to the scene but flames were beyond control when they arrived.

Meanwhile neighbors and friends had helped save what they could... the freezer, wash machine, some pieces of furniture and clothing from the bedroom.

The loss was partially covered by insurance and the couple plans to re-build on the same site as soon as possible. They are presently living with their son and family, the Charles Davidsons.

SH Alumni Plans Coming Activity

Sacred Heart Alumni Association, meeting Wednesday night, planned ahead for the new school term.

Members were appointed to take charge of the concession stand at football games and preliminary plans were made for the annual homecoming celebration. The date is November 6 when Sacred Heart Tigers meet Dallas Christian. Honored classes this year will be those of 1944, 1945 and 1955.

In other business the organization planned a swim party for members at the local pool for Monday, Aug. 23, and presented Father Alcuin a check for fifty dollars to help on the cost of black-topping the road between school and the football field.

President Teddy Miller presided, Father Alcuin led the opening and closing prayer.

Mrs. Jack Quinlan arrived last Thursday from South Bend, Indiana, to visit her mother, Mrs. John Fette, joining two of her sisters, Mrs. Tom Gallery of Encino, Calif., and Mrs. C. W. Ratliff of Lubbock who arrived earlier last week to attend their mother's bedside at Muenster Hospital and then at Bethania Hospital in Wichita Falls.

Hospital Praised At Presentation of Auditor's Report

An auditor's report on Muenster Memorial Hospital from the time the project originated until June 30 of this year was presented Tuesday night to a joint meeting of directors of Muenster Hospital Authority and temporary directors of the proposed Muenster Hospital District.

All present received printed copies of the report and also heard comments by Calvin Pate as he reviewed the document. Pate, one of the three men who made the audit, is associated with Garnett and Jones of Fort Worth.

Along with the detailed report on financing, the comments included praise to the community for an outstanding achievement and to administrative personnel for its operation of the hospital. Also so emphasized was the fact that future prospects for the hospital are encouraging.

Illustrating that last point, Pate referred to the hospital's record of operation. Total loss excluding depreciation from opening date, Feb. 3, 1964, until June 30, 1965, was \$27,172.43. However, most of the deficit occurred during the first five months when many starting purchases inevitably run up the cost and when the hospital was just starting under handicap of only one local doctor.

The report also reveals that total operating revenue since Feb. 3, 1964 was \$189,585.01, including \$5,675.19 in accounts receivable over 90 days old.

A condensed summary of all receipts and disbursements since beginning of the hospital project reads as follows:

Five Families Change Addresses

Five moves within a week affect Muenster residents and put them in different homes. One new family moved in, two moved away and two changed city addresses.

The newcomers are Mr. and Mrs. Bobo Jaska and children Mike, Becky, Mark, Bridget, Matt, Alexa, Chris and David. They bought the former H. H. Homsey property, moved from Sherman Monday after the Willie Walterscheid family vacated it and moved to the Zipper house from which the Joe Galloway family moved to their new home.

Leaving Muenster were Mrs. Paul Nieball who moved to Gainesville and Mr. and Mrs. Joe Cain and daughter Dorothy who moved to Pilot Point.

Helping the Jaskas get settled is a niece, Miss Cecilia King of Ross. Arriving Wednesday was Mrs. Albert Galloway of Hamlin to help her son and family at their new home.

Swimming Party Booked for Scouts

Boy Scouts of the Muenster troop are reminded of a swimming party and wiener roast to be held Monday night in the city park.

It's also an opportunity for the boys to pass their swimming tests, so all boys who want to have that entry on their records are specially urged to come.

Scoutmaster Ed Schnieder says the swim party will start at 7 o'clock, the wiener and soda pop party at 8:30.

Acting without thinking is like shooting without aiming.

YOU DO!

Suppose you work the standard eight hour day and are in an average income bracket. How much of that time goes to pay for elements that make up your cost of living?

Here are some examples: Food and tobacco cost one hour and 18 minutes; clothing and related items 30 minutes; recreation 19 minutes; transportation 39 minutes;

medical expenses 21 minutes. But there's another item that is bigger than any of these. It is taxes. They account for two hours and 20 minutes of your working time—more than a quarter of the whole.

To put it another way, it means that you must work more than three months of each year before you begin earning money you can spend as you wish. Taxes take all that you make during that three-months plus period. The chances are that this

will come as news to a great number of people. They have small knowledge of the size and scope of the tax bill, the primary reasons being that many taxes are hidden in the cost of the goods and services we buy and that most individual income taxes are paid through the withholding system, rather than being personally paid to the government by the earner. But, realize it or not, they are the biggest single item of expense to most of us.

In sum—who pays for big and wasteful government? You do!

GUN-MUZZLE ARGUMENT

Early in 1949, shortly after General Lin Piao's Army occupied Peking, one of Lin's staff officers told an American woman correspondent still in that city the order in which Communism was about to conquer the world.

All resistance in China would collapse within a few months, he predicted, correctly enough. Then would come a drive down through French Indo-China and the Malay peninsula. Indonesia would offer no resistance to annexation. Then, in one-two-three order would come Burma, India and Iran. The Arab States he ignored before taking over all of Africa with a sweep of his hand, and accounting for Latin America with another such gesture.

Then said Lin Piao's aide, all of Europe, impoverished by the loss of all foreign markets and sources of raw materials, would be a pushover for Soviet Russia. "And what about the United States?" the lady wanted to know. Isolated and exhausted by futile efforts to save Europe, the staff officer replied with confidence, capitalism in the United States would collapse and the country would fall to native 'reform' elements.

In 1953, not long before Stalin's death, Mao Tse-tung submitted to his co-leader a plan of Communist world conquest which was nearly identical with that quoted above. The Communists never leave

us in any doubt that they are still as firmly dedicated to world conquest today as they were when Lenin defined their ambitions and was the grand master of their strategy. The way to Paris, he declared, was by way of Peking. To carry through the problem today, Mao Tse-tung (who has said that the most effective political argument comes out of the muzzle of a gun) would hasten matters by force of arms, while the Kremlin would more patiently rely upon deceit, cajolery and subversion.

President Johnson tells us one day that what is going on in Viet Nam is war, and orders more armed Americans into that field; then he turns around and tells our yapping intellectual comforters of the enemy how ready he is to talk unconditional peace with anyone, anywhere, anytime. The fact is that Red China's shooting war and the USSR's psychological war aim at the same objectives. Those who tell us that the USSR has "mellowed" are, themselves, the ones who have mellowed . . . and the only ones.

Sec. 21. The support and maintenance of Muenster Hospital District shall never become a charge against or obligation of the State of Texas, nor shall any direct appropriation be made by the Legislature for the construction, maintenance or improvement of any of the facilities of such District.

Sec. 22. If any of the provisions of this Act or the application thereof to any person or circumstances is held invalid by a court of competent jurisdiction, such invalidity shall not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable.

Sec. 23. Proof of publication of the notice required in the enactment hereof under the provisions of Section 9, Article IX, Constitution of the State of Texas, has been made in the manner and form provided by law pertaining to the enactment of local and special laws and such notice is hereby found and declared proper and sufficient to satisfy such requirement.

Sec. 24. The fact that there is urgent need to provide for the creation of the Muenster Hospital District authorized by Section 9, Article IX, Constitution of the State of Texas, creates an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days in each House be suspended, and said Rule is hereby suspended; and that Act shall take effect and be in force from and after its passage and it is so enacted.

Question:

Is there anything that costs half
 as much today as it did in 1945?

Answer:

Yes, and it's something you use every day. It's not food . . . clothing . . . or your home.

It's electricity.

Today, the average per-unit price of electricity provided by TP&L to its residential customers is only about one-half as much as it was 20 years ago.

One penny's worth of electricity will vacuum 12 average-sized rugs . . . pop up 20 slices of toast from your toaster . . . provide a full hour of television entertainment . . . play your radio three hours . . . keep food frozen four hours.

So, when you receive your next electric service bill, consider the number of electric appliances in your home and the many jobs they perform. We believe you'll agree that the cost of electricity is the biggest bargain in your family's budget.

Lou Ann Reiter Becomes Bride of Alcuin Paul Kubis

—Kent Bellah Photo

Miss Lou Ann Reiter, daughter of Mr. and Mrs. Wilfred Reiter of Muenster, and Alcuin Paul Kubis, son of Mr. and Mrs. Albert Kubis of Lindsay, pledged wedding vows in a Saturday service here at 5 p.m. in Sacred Heart Church.

Father Alcuin Kubis, uncle of the bridegroom, celebrated the Nuptial High Mass and performed the double ring ceremony.

Mr. Reiter presented his daughter for marriage. Lou Ann was radiant in an ivory gown of pure silk peau de soie designed with a high-rising Italian waist of imported hand clipped, re-embroidered Alen-

con lace extending to form short sleeves. The peau de soie formed an arched inset circling the waist, giving a fitted empire effect. The A-line skirt was complimented with a detachable watteau train falling in a cluster of pleats from a tailored bow attached to the back of the bodice.

An open crown pillbox hat of peau de soie with lace appliques and seed pearls held her tiered veil of French silk illusion. Her flowers were a cascade of white roses and stephanotis. For something old and borrowed she wore her grandmother Spauth's engagement ring.

Bride's attendants wore identical dresses of pale pink peau de soie with empire bodices, brief sleeves, and floor-length A-line skirts. A tailored bow held the detachable back panel that emulated the train on the bride's gown. Their headpieces were matching veiled bows and they each carried a single long-stemmed American Beauty rose.

Miss Peggy Reiter attended as her sister's maid of honor, Miss Cheryl Reiter, another sister, and Mrs. Jim Myrick of Denton were bridesmaids. Little Miss Kathy Feldehoff of Gainesville, niece of the bridegroom, was flower girl.

Buster Kubis was his brother's best man, Leonard Zimmerman and Jim Myrick were groomsmen, and Wayne Reiter and Gilbert Kubis, brothers of the couple ushered.

Candle lighters and acolytes were Dale Feldehoff, Glenn Schoech, Gene Voth, Muenster, Anthony Feldehoff and Harry Kneupper, Gainesville, nephews of the couple.

Anthony Luke was organist and the men's choir sang the Mass. "Ave Maria" was presented as a pre-nuptial solo by the bride's uncle, Joe Kneupper of Gainesville. Mrs. Norbert Walterscheid sang "Mother at Your Feet" after the service when the bride placed a long-stemmed white rose on the Blessed Virgin's altar. Presenting the rose to her was her small brother, Paul Reiter.

White gladioli decorated the candle-light altar before which the couple exchanged vows.

Wedding reception and buffet were held in the Parish Hall where some 300 relatives and friends from far and near were registered by Miss Lynn Reiter, another sister of the bride, and Miss Valerie Voth, cousin of the groom. English ivy, pom-pon mums and summer flowers adorned the hall and the bride's table held the handsome decorated cake.

When the newlyweds left on their honeymoon she was wearing an avocado green suit with black accessories. They will make their home in Lubbock.

She is a graduate of Sacred Heart High School and North Texas State University, Denton, and is a teacher in the Lubbock Public School system. He is a graduate of Subiaco Academy, Arkansas, served in the Air Force with overseas duty in Africa and is attending Texas Tech.

OUT OF TOWN GUESTS

Among wedding guests were the bride's grandmother, Mrs. George Spaeth of Lindsay, and from a distance Mr. and Mrs. Albert Till of Corpus Christi, Keith Skiles and Dean Newman of Stratford, Melvin Klement of Hawkins, Mr. and Mrs. Paul Klement of Mesquite.

Messrs. and Mmes. Travis Wickliffe, Irving; Walter Haverkamp, Whitesboro; Leroy Wiesman, Fort Worth; Albert Wyss, Sherman; Dub Kuhn, Denison; Joe Bezner, Houston; Jim Schumacher, Denton.

Mrs. Walt Barry Jr. and son James of Dallas, Miss Frances Spaeth of Denison, Sam and Bill Morgan of Wichita Falls, Mrs. M. V. Lawing of Iowa Park, Messrs. and Mmes. J. W. Tippie, Jack Davis and C. D. Meador of Saint Jo, Mr. and Mrs. J. R. Fitch, Miss Irene Martin, the Willard Zimmerers, Mr. and Mrs. John Hegi, Charles Mazer, and Barbara Scott, all of Dallas. The Mark Kutas, unable to attend her niece's wedding, telephoned best wishes from Tucson, Arizona.

At Kin's Funeral

Mr. and Mrs. M. F. Milner have returned from Boulder, Colorado, where they attended the funeral of his sister, Mrs. Marguerite Sullivan, 57, who died last Wednesday after an extended illness. Survivors in addition to Mr. Milner are one sister of Boulder and a number of nieces and nephews.

Farewells Fete Gremmingers Moving to Midland

Farewells were said here Sunday to Mr. and Mrs. Teddy Gremminger and children Wayne, Mary Kay, Robert and Brenda of Garland who were on their last visit before moving to Midland this week Thursday.

Teddy's transfer, effective August 23, is a promotion. He will be working out of the Lubbock district for Kraft Company as supervisor in charge of sales in the Midland-Odessa area and the Southeastern part of New Mexico. He has been with Kraft nine years, six of them at Garland.

The family had dinner at the home of his parents the Ted Gremmingers and helped his dad celebrate his birthday. Other guests were the Melvin Schumachers and children of Gainesville.

A family gathering and supper was held in their honor at the home of her parents, the Victor Hartmans. Joining the Muenster relationship were Mrs. Walter Wolf and children of Gainesville.

Jerry Klement Leaves for Year's Study in Maryland

Mr. and Mrs. Jerry Klement and daughter Beth spent the weekend with his parents, the J. A. Klements and family. It was their last visit here for some time. They'll be spending the next year in Greenbelt, Maryland, while he is studying on a fellowship.

After leaving here they went to Utica, Kansas, to visit her parents and Mrs. Klement and little daughter will remain there while Jerry goes to Chicago for a week of orientation, then flies to Toronto, Canada, for two days at the Massey-Ferguson plant. He is due in Washington, D.C. on August 30 and will enroll in the University of Maryland at College Park for a year's study on a fellowship provided by Massey-Ferguson, Inc. and 4-H Service Committee, Inc.

Klement, a native of Muenster, has been associate county agent in Tarrant County and leader in 4-H Club work. He is one of six county agents in the nation to receive a fellowship for the year of study.

Visitors Friday with the Bill Kathmans were her niece and husband, the Carl Burts and her cousin Lawrence Brockman and his wife, all of Nazareth. They were on their way to Dallas to attend the graduation of the Burts' daughter, Sue Burt, from St. Paul's Hospital School of Nursing.

Proposed CONSTITUTIONAL AMENDMENT NUMBER TEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. SENATE JOINT RESOLUTION NO. 47 proposing an Amendment to Section 4, Article III, Constitution of the State of Texas, to provide four-year terms of office for State Representatives.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 4, Article III, Constitution of the State of Texas be amended to read as follows:

"Section 4. The members of the House of Representatives shall be chosen by the qualified electors for the term of four years; but a new House of Representatives shall be chosen after every apportionment, and the members elected after each apportionment shall be divided by lot into two classes. The seats of the members of Class A shall be vacated at the expiration of the first two years, and those of Class B at the expiration of four years, so that one-half of the members of the House of Representatives shall be chosen biennially thereafter. Representatives shall take office following their election, on the day set by law for the convening of the Regular Session of the Legislature, and shall serve thereafter for the full term of years to which elected and until their successors shall have been elected and qualified. Except in case of an election to fill a vacancy, and except in the first election following each re-apportionment, a person who has been elected to the House of Representatives shall not be eligible to be a candidate again for membership in the Legislature until the term for

which he was elected has less than one year remaining."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of the state at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed on them the following:

"FOR the Constitutional Amendment to provide for a four-year term of office for State Representatives." "AGAINST the Constitutional Amendment to provide for a four-year term of office for State Representatives."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time required by the constitution and laws of this state.

Sec. 4. In the event the Constitutional Amendment proposed in this Resolution is adopted by the people of Texas in the election in November, 1965, the Governor of Texas is directed not to issue a proclamation for the election and not to publish notice thereof for the Constitutional Amendment proposed by House Joint Resolution No. 1 of the 59th Texas Legislature, since the provisions of said House Joint Resolution No. 1 are included in this Resolution. But, should this proposed Amendment be rejected by the people of Texas in the election in November, 1965, then the terms and provisions of House Joint Resolution No. 1 shall be and remain in full force and effect and shall be proclaimed and published and submitted to the electorate in November, 1965, as provided in said House Joint Resolution No. 1.

Field terraces and grassed waterways are combined in the above SCS photo and form the foundation of a sound soil conservation program.

The majority of this area's rolling Grand Prairie soil is highly productive, but because it is rolling, it is subject to severe erosion when farmed.

Personnel of the Soil Conservation Service estimate that about 100 grassed waterways and 1000 miles of terraces are still needed to protect valuable cropland. Many of the needed terraces could empty on pasture land and could be constructed before planting time this fall. Apply this week and have soil protected when the fall rains begin.

Most of the terraces remain-

ing to be built do not have safe outlets. This means that grassed waterways must be provided before the job can be completed. It isn't too early to make plans for waterways. Plow all the land, but before fall planting let the local SCS men design and lay off the needed waterways on the farm. Next spring they will be ready to sod.

The above SCS photo was taken on the Dangelmayr farm, 5 miles south of Muenster, operated by Andy Walterscheid. It shows how terraces break up the long, gentle slopes and slowly carry the excess water to the grassed-waterways.

To further the benefits of this terrace system the fields

are farmed on the contour and residue from corn and small grain are returned to the soil.

This is conservation farming. It is the cheapest, safest, wisest and the most modern way to farm. Call are come by the local SCS office and let them assist you in becoming a conservation farmer.

Proposed CONSTITUTIONAL AMENDMENT NUMBER EIGHT ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. HOUSE JOINT RESOLUTION NO. 57 proposing an Amendment to Section 1-a of Article V of the Constitution of the State of Texas, by adding to said Section as presently written, the following provisions: requiring automatic retirement of certain District and Appellate Judges at age seventy-five (75) or such earlier age, not under seventy (70), as may be provided by law; creating a State Judicial Qualifications Commission and providing for its composition and the qualifications, methods of selection and terms of office of its members; defining the functions and procedures of said Commission, including the duty to investigate, and hold hearings in respect of, disability and misconduct of District and Appellate Judges and to make recommendations to the Supreme Court of Texas as for involuntary retirement or removal of such Judges; empowering the Supreme Court of Texas, in its discretion, to retire such Judges for disability and to remove them for misconduct, upon recommendation of the aforesaid Commission and consideration of the record made before it; defining misconduct for which said Judges may be so removed; providing that the proceedings of said Commission shall be confidential until filed in the Supreme Court with recommendation for retirement or removal; and providing that the removal provisions here by established shall be alternative to and cumulative of those provided elsewhere in the Constitution.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 1-a of Article V of the Constitution of the State of Texas be amended so that said Section shall hereafter read as follows:

"Section 1-a. (1) Subject to the further provisions of this Section, the Legislature shall provide for the retirement and compensation of Justices and Judges of the Appellate Courts and District and Criminal District Courts on account of length of service, age and disability, and for their reassignment to active duty where and when needed. The office of every such Justice and Judge shall become vacant when the incumbent reaches the age of seventy-five (75) years or such earlier age, not less than seventy (70) years, as the Legislature may prescribe; but, in the case of an incumbent whose term of office includes the effective date of this Amendment, this provision shall not prevent

him from serving the remainder of said term nor be applicable to him before his period or periods of judicial service shall have reached a total of ten (10) years.

"(2) There is hereby created the State Judicial Qualifications Commission, to consist of nine (9) members, to wit: (i) two (2) Justices of Courts of Civil Appeals; (ii) two (2) District Judges; (iii) two (2) members of the State Bar, who have respectively practiced as such for over ten (10) consecutive years next preceding their selection; (iii) three (3) citizens, at least thirty (30) years of age, not licensed to practice law, nor holding any salaried public office or employment; provided that no person shall be or remain a member of the Commission, who does not maintain physical residence within this State, or who resides in, or holds a judgeship within or for, the same Supreme Judicial District as another member of the Commission, or who shall have ceased to retain the qualifications above specified for his respective class of membership. Commissioners of classes (i) and (ii) above shall be chosen by the Supreme Court with advice and consent of the Senate, those of class (iii) by the Board of Directors of the State Bar under regulations to be prescribed by the Supreme Court with advice and consent of the Senate, and those of class (iii) by appointment of the Governor with advice and consent of the Senate.

"(3) The regular term of office of Commissioners shall be six (6) years; but the initial members of each of classes (i), (ii) and (iii) shall respectively be chosen for terms of four (4) and six (6) years, and the initial members of class (iii) for respective terms of two (2), four (4) and six (6) years. Interim vacancies shall be filled in the same manner as vacancies due to expiration of a full term, but only for the unexpired portion of the term in question. Commissioners may succeed themselves in office only if having served less than three (3) consecutive years.

"(4) Commissioners shall receive no compensation for their services as such. The Legislature shall provide for the payment of the necessary expense for the operation of the Commission.

"(5) The Commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet at Austin at least once each year. It shall annually select one of its members as Chairman. A quorum shall consist of five (5) members. Proceedings shall be by majority vote of those present, except that recommendations for retirement or removal of Justices or Judges shall be by affirmative vote of at least five (5) members.

"(6) Any Justice or Judge within the scope of this Section 1-a may, subject to the other provisions hereof, be removed from office for willful or persistent conduct, which is clearly inconsistent with the proper performance of his said duties or casts public discredit upon the judiciary or administration of justice; or any such Justice or Judge may be involuntarily retired for disability seriously interfering with the performance of his duties, which is, or is likely to become, permanent in nature.

"(7) The Commission shall keep itself informed as fully as may be of circumstances relating to misconduct or disability of particular Justices or Judges, receive complaints or reports, formal or informal, from any source in this behalf and make such preliminary investigations as it may determine. Its orders for the attendance or testimony of witnesses or for the production of documents at any hearing or investigation shall be enforceable by contempt proceedings in the District Court.

Its orders for the attendance or testimony of witnesses or for the production of documents at any hearing or investigation shall be enforceable by contempt proceedings in the District Court.

"(8) The Commission may, after such investigation as it deems necessary, order a hearing to be held before it concerning the removal or retirement of a Justice or Judge, or it may in its discretion request the Supreme Court to appoint an active or retired District Judge or Justice of a Court of Civil Appeals as a Master to hear and take evidence in any such matter, and to report thereon to the Commission. If, after hearing, or after considering the record and report of a Master, the Commission finds good cause therefore, it shall recommend to the Supreme Court the removal or retirement, as the case may be, of the Justice or Judge in question and shall thereupon file with the Clerk of the Supreme Court the entire record before the Commission.

"(9) The Supreme Court shall review the record of the proceedings on the law and facts and in its discretion may, for good cause shown, permit the introduction of additional evidence and shall order removal or retirement, as it finds just and proper, or wholly reject the recommendation. Upon an order for involuntary retirement for disability or an order for removal, the office in question shall become vacant. The rights of an incumbent so retired to retirement benefits shall be the same as if his retirement had been voluntary.

"(10) All papers filed with and proceedings before the Commission or a Master shall be confidential, and the filing of papers with, and the giving of testimony before, the Commission, Master or the Supreme Court shall be privileged; provided that upon being filed in the Supreme Court the record loses its confidential character.

"(11) The Supreme Court shall by rule provide for the procedure before the Commission, Masters and the Supreme Court. Such rule shall afford to any judge against whom a proceeding is instituted to cause his retirement due process of law for the procedure before the Commission, Masters and the Supreme Court in the same manner that any person whose property rights are in jeopardy in an adjudicatory proceeding is entitled to due process of law, regardless of whether or not the interest of the judge in remaining in active status is considered to be a right or a privilege. Due process shall include the right to notice, counsel, hearing, confrontation of his accusers, and all such other incidents of due process as are ordinarily available in proceedings whether or not misfeasance is charged, upon proof of which a penalty may be imposed.

"(12) No Justice or Judge shall sit as a member of the Commission or Supreme Court in any proceeding involving his own retirement or removal.

"(13) This Section 1-a is alternative to, and cumulative of, the methods of removal of Justices and Judges provided elsewhere in this Constitution.

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability."

"AGAINST the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability."

Sec. 3. The Governor shall issue the necessary proclamation for the election, and this Amendment shall be published as required by the Constitution and laws of this State.

planning behind this spontaneous outburst, the kind of planning for which communists are known to be specially trained.

We hope police authorities will go all the way in investigating the riot — to get every last bit of information out of the arrested hoodlums and then round up the master criminals behind it all. Those are the guys who need the book thrown at them. If they can be convicted of deaths they caused, so much the better. This super crime calls for stern treatment.

In the meantime, average Negroes need to do some serious thinking. They're woefully out of line when they keep howling for rights while

ignoring their responsibilities. They will make little real progress in their rights crusade until they repudiate the leadership of rabble rousers and entrust their cause to people who bank on merit rather than force. If they ask for respect they should make sure that they deserve respect.
