VOLUME XXXIX

MUENSTER, COOKE COUNTY, TEXAS 76252 JANUARY 16, 1976

NUMBER 8

Something I did not know until US Press Association came out with a reminder: January is National Blood Donor Week. Special emphasis is being put on the subject in cooperation with the American Association of Blood Banks, the Red Cross, the American Medical Association and the American Hospital Association, who understand completely how important blood donating is to the success of our modern medical miracles.

The article says it is impossible to estimate the hundreds of thousands of lives which have been saved by the blood donor system. No hospital could function without it. Open heart surgery, now referred to as common, would be utterly impossible without it. Automobile accidents would be taking a much larger toll if blood were not available to pull the injured through. Thousands of leukemia and anemia patients throughout the world are being kept alive through blood transfusions.

These modern miracles are made possible by many factors, including the dedicated professionals in the field who continuously improve and enlarge upon their skills, and the sophisticated and complex equipment provided by modern industry. But many of medicine's modern miracles would be impossible if it were not for the millions who give their blood.

This fact is especially satisfying just after our community has made another good response in its semi-annual blood collection. We like to think that the essential ingredient provided by local people will be available to modern medicine when it is needed.

Well, it seems the American taxpayer has just been given another raw deal. Some \$5 billion dollars of debts owed the US by countries that seem to take every opportunity to speak evil of us have just been settled at a rate of about two cents on the dollar. In fairness it could be admitted that the settlement was not so bad after all. Our president and the State Department, knowing the money was owed by dead-beats, may have accepted the pittance rather than lose all. Possibly they were not so much at fault, but we can't say as much for the countries involved.

Those countries were the USSR, which owed \$2.6 billion in claims dating back to World War II, and settled the debt for \$48 million. These are the scoundrels who preach detente while trying to double cross us at every turn, who expect us to provide their grain while they use their men and money building a great war machine aimed at us, who maintain a system of spies and terrorists to cause turmoil in this country and throughout the world.

The other country is India, which has come crying to this country every time it was hit by hunger, storm or flood, and has always had a generous response. India owed \$2.2 billion and got off without paying anything. This is the country that imposed a dictatorship on its people in the past year and has been very prolific with mean mouthing the US and throwing its weight on Russia's side every time it has a choice. A country that has shown shabby gratitude for all our help and certainly does not deserve to have its debt wiped away.

Another sour note in this deal was pointed out by Senator Jesse Helm of North Carolina. He said we provided financial assistance of every kind to India, yet it is hostile to the US. While it is true that there is hunger in India, it is also true that the country has diverted hundreds of millions of our aid dollars to a nuclear program climaxed by an explosion in May 1974. The money was intended to help people in distress. It could have gone far toward urgently needed agricultural development, but it was used to create a means of destruction. And now that we've written off the debt we assume that we have indirectly paid for the nuclear program.

Facts like these get under a person's skin when he remembers that our national debt is already \$500 billion, and a few of the people in Washington can just give away \$5 billion of it. These things should be remembered in this election year.

Police Need Help to Get Dope Pushers

Three persons, two males and a female, were arrested Saturday night about 10:30 on North Main street by Muenster police officers for possession of marijuana and dangerous drugs generally known as uppers and downers.

Police Chief McDonald along with Nicky Cunningham and Paul Earheart made the arrest and Justice of Peace Tom Crawford confined the dope sellers in Cooke County jail after their failure to post a \$1000 bond. The trio was charged also with possession of the dangerous drugs.

McDonald referred to the incident as a reminder that dope traffic here is far heavier than generally suspected and the city urgently needs citizen cooperation to arrest the drug dealers. He said that the suspect boasted and showed a big roll of currency as representing his night's business in drugs before being caught.

And there are other dealers as well, McDonald knows from experience. It is an indication that dope business is thriving here. Meanwhile of-

2 Hornets Named On Wichita Falls All Area Teams

Two Muenster Hornets were named on the all area football team of small schools in the Wichita Falls area as published last week by the Wichita Falls Times. Kenny Koelzer was selected as a lineman on the defensive first team and Mark W. Sicking received honorable mention as a back.

Teams considered in the selection were those of B, A and AA schools in North Texas and South Oklahoma, including the 13-A teams, Quanah, Bowie, Nocona, Childress, Jacksboro, Notre Dame, and a number of others. Koelzer was previously named a lineman on both offense and defense of the 13-A all district first team, and Mark W. Sicking was previously named a back on offense of the all-district second team.

Other Hornets on the 13-A dream team Mike Davidson and Bert Walterscheid on first team defense; Dan Endres, Mike Davidson, John Eckart, Calvin Otto, Mark W. Sicking and Mark L. Sicking on second team offense; and Mark L. Sicking and Calvin Otto on second team defense. And honorable mentions were Tim Wolf at quarterback and line-backer, Bob Endres at full-back and line-backer, Andy Serna at defensive end and Calvin Otto at line-backer.

Entries Are Slow For February 8 V'Ball Tournament

Entries are coming in slow for the year's first volleyball tournament to be sponsored by Sacred Heart Alumni on Sunday February 8 in the SH gym. Charles Bayer, chairman, said that since local teams will be favored in accepting entries their early sign-up will be appreciated so that the committee can avoid delay in planning. The tournament will be limited to eight teams each of men and ladies and if local teams do not complete the bracket by February 6 outside teams will be booked.

It will be the usual kind of tournament with champ and consolation brackets in both men's and ladies divisions. At the end trophies will be awarded to the champ and runner up of each division and to the consolation winner of each division.

Lewis Announces For Commissioner Of Precinct Three

Precinct No. 3 now has a contest for the office of commissioner succeeding Earl Taylor. Jerry Lewis of Valley View has authorized the Enterprise to announce this week that he is a candidate. He is an employee of Gainesville Auto parts.

Mr. Lewis will make a formal statement to precinct voters in a later issue of the Enterprise.

Dr. Juarez Starts Move to Muenster

It won't be long until Dr. Enrique Juarez has his shingle up at the Muenster Medical Center. He arrived last weekend with his first load of furniture, clothing, etc., which he moved into the former Fred Knabe house on North Cedar. The moving requires at least a few round trips from here to Galveston.

Moving is expected to be finished in about two weeks after which he will be on duty in the Medical Center.

Public Hearing On Sewer Repair Ordered by City

With plans to repair some of the mains of its sanitary sewer line and also install storm sewers to eliminate drainage problems in heavy rains, the City of Muenster has applied to HUD (Housing and Urban Development) for a grant to help finance the projects.

A requirement to qualify for the federal funding is a public hearing at which anyone can ask for full particulars on construction and finance. Accordingly two separate hearings are scheduled in the city hall. The first will be held next Monday, Jan. 19, and the second will be held on Monday, Feb. 2.

In New Homes

Mr. and Mrs. Rick Stewart and family moved Tuesday from North Oak Street to the former Louis Bernauer home which they bought recently.

Mr. and Mrs. Bill Bedrick and family are now living in the new home they built, just south of the City Park.

C of C Discusses Crowded Calendar

Chamber of Commerce members were looking forward to a crammed calendar as they discussed coming events during their regular luncheon meeting Tuesday.

First is the magic show in the MHS auditorium on February 25. It's a fund raising event for the benefit of German Week, April 26 to May 2, at which the C of C intends to go all out in promoting an outstanding festival.

In between the chamber will have its annual membership drive and election of officers and the annual banquet, which hopefully will outdo last year's very popular program.

The membership drive again this year will feature bargain dues of \$25 for a business and \$12.50 for an individual. And it will again have the bonus benefit of two free banquet tickets with a business membership and one free ticket for the individual member.

Banquet date has been set at Thursday night March 11 in the KC Hall. There will be a happy hour starting at 6:30, then the dinner. Banquet speaker has not been named up to now.

Something to stimulate the German Week spirit is a supply of special envelopes proclaiming the event. 15,000 of them are available as long as

Marvin Maberry Enters Contest For Precinct 3

More interest is surfacing in the contest to select a successor to Earl Taylor as commissioner of Precinct 3. Marvin Maberry of Era authorized the Enterprise to announce this week that he is a candidate for the job, the third to get his hat into the ring.

Mr. Maberry is a stockman and a former member of the Precinct 3 work force. His formal statement to voters will appear in a later edition of The Enterprise.

Pre-School Activity

The pre-school activity program will be held on Tuesday, January 27 9:30 to 11:00 a.m. at the Community Center. Mothers are reminded that they must register their children at the Library by Thursday, January 22.

Muenster Blood Bank Receives Record Donation of 155 Pints

Previous blood collection records at Muenster were shattered Wednesday when 155 donors gave to the local blood bank. That is the number accepted from 164 who reported for the semiannual bloodmobile visit.

As before, the quota for this collection was 100 pints, but circumstances were different. Friends swarmed in by the dozens to replace blood that had been needed by Bennie Haverkamp while he was in a hospital at Dallas. Specially good representations were there from the AMPI Milk Plant, the Jaycees, Muenster Hospital and the Lindsay community.

Another factor also had a possible bearing on the fine response. The normal demand for blood is increasing in all areas, and this community is not an exception. Local people are aware that they need to give more in order to keep pace with requirements of the local hospital and district residents receiving transfusions elsewhere. A result is that fu-

Herbert Knabe to Continue as Chief Of Local Firemen

Muenster volunteer firemen at their regular meeting last week Thursday re-elected Herbert Knabe as their fire chief for the coming year, and also re-elected Ricky Stewart to another year as assistant chief.

They elected Tom Swirczynski secretary-treasurer, succeeding John Yosten and elected John Yosten to succeed Tom Herr as trustee.

Knabe gave a short summary of the year's fire fighting as one of the most inactive on record. The department answered only 21 alarms all year, a fact credited to the absence of trash fires since the city has had the trash and garbage pickup service.

Of eight fire runs in the city four were so small that they required no pumping time. The other 13 fires were outside of town, the biggest being at Allie Griffin's near Freemound. Firemen spent about 4 hours there and received help from the Saint Jo firemen.

Five were grass fires, two were truck fires, one a combine fire and two were Halloween trash fires. In addition there were two calls to car wrecks, one of which was fatal to a driver.

The firemen ended the year with 22 active members after five had dropped out. Ed Endres had retired, and Tommy Herr had taken a leave of absence. No new members were added.

The membership roll includes Walter Bartel, Clinton Endres, Clyde Fisher, Earl Fisher, Mike Frost, Alvin Hartman, Ervin Henschel, Gene Hoedebeck, Henry Knabe, Herbert Knabe, Karl Klement, Henry Pels, Harvey Schmitt, Ed Schneider, John Schneider, Rick Stewart, Tom Swirczynski, Jim Vogel, Robert Vogel, Jim Voth, Robert Walterscheid and John Yosten.

K of C Free Throw Contest Will Be Held January 25

The Basketball Free-Throw Championship sponsored by the Knights of Columbus, will be held Sunday, January 25, at 2 p.m. in the Muenster High School Gym. All boys and girls, ages 11 to 14 are eligible. Entry blanks are available at both schools. First place winners in each age group will receive trophies and advance to district competition. There will be separate divisions for boys and girls. If more information is needed, call Jerry Walterscheid, 759-4143.

Fire Destroys Hundreds of Acres of Pasture Land

Hundreds of acres of range land went up in smoke early Tuesday morning in a grass fire in the Valley Creek community about twelve miles north of Muenster. Losses were sustained on land owned by Dangelmayr Brothers, Tim Stormer, Urban Endres, Bruno Fleitman and Tom Binford.

The fire is believed to have been started deliberately, because when discovered it was burning in separate areas. Persons at the fire agreed that the separate blazes indicated a possibility that they had been set individually. A reward of \$1000 is offered for in-

Crowded Agenda Awaits Meeting of Parents, Teachers

The PTO of Muenster Public School will meet Monday, January 19 at 7:30 p.m., in the Auditorium of the High School. A nominating committee will be appointed this month. Plans will be made for an Arts and Crafts show as part of open house during Public School Week.

First and second graders will present a program. Forum topic in January will be a discussion on school beautification and maintenance. Parents, custodians, representatives of the school board and of the student council will be members of the panel.

Those attending will be asked to offer suggestions for a school bicentennial project in conjunction with German Week. The Luncheon Committee will report. All members are urged to attend.

Garden Club Hears Mrs. H. Meurer on African Violets

Mrs. Herbert Meurer was guest speaker Monday night for the Garden Club meeting held in the home of Mrs. Leonard Endres. Her program, themed "Windows of Beauty", was on African Violets and she included care and propagation in her remarks. She showed about a dozen varieties in various containers, a hanging basket and a large bottle terrarium. Mrs. Meurer answered a round of questions from members whose interest in African Violets is growing steadily.

The business meeting was conducted by Mrs. Paul Endres in the absence of Sylvia Hofbauer, president. Ecology chairman, Mrs. Richard Pagel told of Arbor Day plans for Friday, when trees will be planted at both schools and in the park. Garden club members were urged to attend.

Mrs. August Felderhoff, who represented the garden club at planning meetings for German Week, led a discussion on club participation. Members plan to open a Sweet Shop at that event.

The hostess, Mrs. Leonard Endres served dessert and coffee to 15 members as they arrived and to two guests, the speaker and Mrs. King Koch, guest of Mrs. Harold Flusche.

Students to See "History Moments"

Friday, January 16, at 12:35 p.m. in the Sacred Heart Gym, Junior and Senior High School students will see a performance by a Bicentennial Touring Company, students of NTSU, who will present a 45 minute program "Great Moments of American History."

The junior and senior High School students and the general public are invited on Friday.

Karlyn Klement and Randy Hermes Exchange Vows at Nuptial Mass

Before an altar banked with poinsettias, in a beautiful background setting of Christmas cedars and myriad tiny golden lights, the wedding of Miss Karlyn Kay Klement and Randy Joseph Hermes was solemnized in Sacred Heart Church. Father Placidus Eckart officiated for the nuptial Mass and recita-

tion of vows on Saturday, January 3 at 5 p.m. Parents of the couple are Mr. and Mrs. Martin Klement of Muenster and Mr. and Mrs. Tony Hermes of Lindsay. Presented at the altar by her father, the bride wore a formal gown of candlelight peau de soie, the bodice designed with sheer Alencon

lace overlay, a square neckline, empire waist, sheer bell sleeves with scalloped edge, and a gathered skirt. She wore a yellow picture hat of sheer net and braid, banded with a yellow velvet ribbon and a cluster of flowers at the brim. Her bridal bouquet was a cascade of yellow roses, white stephanotis and gypsophila. For "something old, something new," in keeping with tradition and sentiment, she had the garter and handkerchief used by her mother in her own wedding, and for "something blue," the bride carried a blue rosary she bought in Rome when she visited there with her parents several years ago. Her jewelry was a diamond pendant borrowed from her mother.

Attendants

Attending the bride were a close friend and maid of honor Denise Hermes of Route 4, Gainesville, and a sister, Kellye Klement as bridesmaid. They were dressed in mint green crepe formals designed with square neckline, empire waist, olive green velvet belt and gathered skirt. To complete their attire, they wore mint green picture hats with olive green velvet ribbon and each carried a single, long stemmed yellow rose.

Best man was Francis Hermes of Lindsay, groom's brother, and groomsman was Joe Schmitz of Gainesville, a close friend. Mass servers were Kirk Klement bride's brother and Douglas Hermes groom's nephew. Ushers were brothers of the couple Karl Klement and Ralph Hermes.

Wedding music was provided by Linda Miller, organist who played for processional and recessional and a trio of singers, Diane Yosten, Mary Lou Fleitman and Mrs. Royce Martin. Selections were: "First Time" and "We've Only Just Begun", with organ and guitar accompaniment.

Preceding the ceremony, as the bride approached the altar she paused to present a yellow rose to her mother and as she turned to leave the altar she gave a similar rose to the groom's mother. During the singing of "Let It Be Me", the couple placed a floral offering on Mother Mary's altar.

Reception

A reception and dinner for 200 guests was hosted by the bride's parents in the Community Center. Miss Carol Felderhoff and Mrs. Jannell Escobedo were at the guest book and also assisted Miss Sandy Schultz of Tomball in serving wedding cake, cut by Mrs. Jerry Walterscheid.

The bride's table held the three tiered wedding cake decorated with yellow roses, and a bubbling fountain. Green and yellow candles, with accents of holly, were handmade by the bride and used on all tables. Guest tables were marked with green and yellow ribbons.

Mrs. Klement attended her daughter's wedding wearing an aqua formal and the groom's mother wore mauve pink. Their corsages were Cymbidium orchids. Grandmothers of the couple, Mrs. Joe Haverkamp of Gainesville and Mrs. Mary Koesler had white carnation corsages.

When the couple left on a wedding trip to South Texas, the bride was wearing a brown and orange ensemble with matching accessories. They

First Presentation Of Dinner Theater Is Well Attended

The first attempt at dinner-theater in Muenster was sponsored by Alumni of Sacred Heart with successful performances on Friday and Sunday evenings at 8 p.m. A three act play "LUV" by Murray Schisgal, offered by SKH Productions, presented Mary Lou Kralicke in the leading role.

Dinner, prepared by alumni members, was served from 6:30 to 7:30 both nights and featured an elegant buffet menu.

The Sacred Heart Alumni wishes to thank everyone who supported the benefit. According to chairmen of the sponsoring organization, the cast was especially pleased to have members of their families, their friends and their professor, Dr. Stanley K. Hamilton, head of the drama department of NTSU, in the audience.

Pat Hennigans Return from 10 Day California Holiday

Mr. and Mrs. Pat Hennigan and son Joe vacationed in California for 10 days with their daughter Sheila and family, the Jean Gebmans of Santa Monica. Leaving from D-FW on December 30, they spent New Year's Day there, saw the Tournament of Roses Parade and the Rose Bowl football game.

They visited Pat's sister, Miss Alma Hennigan in Palos Verdes, his sister Teresa, the William Nells in Garden Terrace, and all attended the New Year's Day festivities together. On Sunday they attended the Dallas Cowboys-Rams football game.

Much of their time was spent sightseeing. Before returning home on January 8, the Hennigans visited his aunt, Mrs. Bill Nelson in Oxnard, California.

Forestburg Teams Continue Perfect Record in District

Forestburg teams continued their perfect district record last week by rolling over the Byers teams. Both teams now have a 4-0 standing.

The Forestburg girls were on a scoring spree as their lead rocketed by counts of 20-8, 42-26, 64-30, and 80-39 ending the four periods. Top scorers were Sheree Iund 38, Susie Romine 22, Diana Fenoglio 8.

The Longhorns had to work harder for their win and were outscored in the first and fourth periods but got enough margin in the second and third. After trailing 16-14 the first period Forestburg led 35-32 at intermission and 57-48 at the third, then gave up one point of margin in the fourth in winning 68-60. Charles Self led the Longhorn scoring with 22. John Woods made 15, and Clint Iund 13.

Tigers Lose Two In KC Tournament

SH Tigers ran into too much power at the K of C basketball tournament last weekend at the University of Dallas, and were eliminated in two successive games. Cathedral High of El Paso sent them to the consolation bracket after which Bishop Lynch High of Dallas sent them home.

Playing the El Paso guys the Tigers were outscored in every period but the second as the count by quarters was 20-8, 36-24, 56-37 and 73-48. SH scorers were Roger Endres 24, Joe Hoedebeck 11, John Henscheid 6, Glenn Walterscheid 3, Mark Hess 2, Brent Hess 2.

The next one with Bishop Lynch High was more one sided. The Big D fellows gained in every period with scores of 22-16, 50-29, 73-36 and 92-52. Roger Endres led SH scoring with 21, Mark Hess had 13, Glen Walterscheid 10, Joe Hoedebeck 4, Frank Moser 2, John Henscheid 1 and Bob Hartman 1.

Overheard: "I didn't say he was 'brainless'; I only said there was a lot of space going to waste in his head."

One-third of American families feel that economic hardship may bring them back to basic values.

It's getting harder and harder to afford prosperity.

Preparing meals with a pressure cooker cuts cooking time by about two-thirds and therefore cuts two-thirds of the fuel cost. Pressure cookers are ideal for pot roasts and other cuts of meat normally done in liquid.

Forestburg News

By Myrt Denham
FORESTBURG: Funeral services were held at the Lindsey, Oklahoma, United Methodist Church at 2:30 p.m., Dec. 28 for A. C. Blankenship of Oklahoma City. He is survived by his wife, his mother, Mrs. Regina Blankenship; three brothers: Luther of Forestburg, Calvin of Oklahoma City, John of Lindsey, Okla.; two sisters: Mrs. Ed (Alta) Hunkill of Fort Worth and Mrs. Jack (Lorna Mae) Stork of Oklahoma City and a number of nieces and nephews.

Perhaps some of you missed this column last week -- well, the better half and I headed south on Dec. 30 for my home town, New Braunfels, returning back here on Jan. 5. We celebrated New Year's Eve in typical New Braunfels fashion. Upon entering New Braunfels I told my husband that it sure wasn't the same peaceful little town I had left some 30 years ago. In fact, I told him that all the places we had lived had grown and changed -- all but one -- Forestburg. It may have changed but it sure hasn't grown any.

Mr. and Mrs. Gary Brewer of Bowie are the proud parents of a baby girl born Dec. 27 at the Bowie Hospital. She was named Elisha Raeann and weighed in at 7 lb. 10 1/2 oz. Her grandparents are the Elmo Brewers of Forestburg and the W. D. Dowds of Saint Jo. Father Gary is a lab technician at the Bowie hospital.

Lonnie Rater of Denton spent Jan. 9-11 visiting his parents, the D. L. Raters of Dewey.

Newcomers on the staff are Mrs. Elizabeth Bruns LVN and Miss Debbie Hays, both of Gainesville and Mrs. Ila Chapman of Forestburg. The Home lost staffer Sara Frazier when she moved from Saint Jo. Mrs. Bruns is Supt. L. B. Bruns' mother.

Anyone needing a conversation starter can depend on staffer Kathleen Lynch, LVN, to come up with something new and amusing about her holiday vacation in Denver.

Carl Wiesman joined an all-family reunion at the home of his daughter Mrs. Billy Williams and family on Dec. 25 in Gainesville. Others there were the Ed Wiesmans and their family. Francis Wiesman in the Air Force at Sheppard AFB came with his wife and their two children, the Donald Wiesmans and family came from Houston and Mark Wiesman came from Dallas.

Visiting Jennie Schilling during the holidays were relatives including the Wilmer Walterscheids and children of College Station, Mrs. Katie Wilder and Sister Benedict Zimmerer of Lindsay, Sister Madeleine Zimmerer of Lawton, Okla., and Mr. and Mrs. Herman Schniederjahn of Gainesville.

Mrs. Mattie Blasingame, mother of 8, had all of them along with their children and grandchildren as visitors during the holidays and after. They brought gifts and goodies, took her out to eat and to shop. The groups came from Fort Worth, Abilene, Bowie, Montague, Saint Jo, Mentone, and Del City, Okla.

Sam Williamson was the special guest at a Dec. 25 reunion and dinner in the home of his daughter Mrs. Hardy Burke at Denton.

Mrs. Beulah Clements and son Paul had a holiday dinner at Gainesville in the home of their former pastor and wife the O. B. Hutsons and family.

Visitors with Mrs. Mary E. Felderhoff during the holidays included, from out of town, her sisters Mrs. H. C. Billingsley of Ardmore, Mrs. Alfred Hellams and husband of Oklahoma City and grandchildren Don Rohmer of California, Linda Rohmer of Fort Worth and Donna and Olen McCleendon of Irving.

The holidays were made happier for Mrs. Minnie Kinman by having her daughter, Mrs. Winnie Fae Carter of Sandpoint, Idaho, with her. Others coming to see their mother and sister were the E. O. Kinmans of Fort Worth, the Earl Brannons of Dallas and the Wesley Kinmans of Seymour. Also a granddaughter and family from Fort Worth bringing Mrs. Kinman's great-great-granddaughter for a visit.

Hillcrest Auxiliary hostesses for the final game party in December were Mmes. Joe Hoenic, John Kupper, Catherine Hermes, John Herr and Susie Noggler. Starting the

Recent visitor with Mrs. Bernice Covington has been her son Billy D. Hill of Dallas.

Lon Williamson's daughter from Nocona, a niece from Ardmore and a grand-niece from Houston visited him during the holidays.

Holiday visitors with Joe Knabe included the Fred Knabe family of Argyle.

A WORD TO THE WISE IS EFFICIENT

In today's world of energy, you should think of the word "Efficient" when considering how much electricity you use. The word "Sufficient" is becoming less part of the energy vocabulary as traditional sources of power threaten to fall behind demand. We felt that gasoline was sufficient beyond question. Time has taught us different. Auto buyers are now picking cars that are less sufficient in speed and size than gas-guzzlers. At the same time, electricity and its sources; natural gas, coal and fuel oil has risen in price such wise consumers are jumping at every chance to conserve power. They know that saves money, too. Cooke County Electric Cooperative has been caught in the energy price squeeze. So we are sending you these energy conservation tips to help you hold the line on rising power costs.

1. Insulate properly. This can significantly cut your heating bill.
2. Set your thermostat as low as you comfortably can—68° is a recommended setting.
3. Eliminate air leaks around windows, doors and from ceilings by caulking and weatherstripping.
4. Use insulated coverings to keep out cold when the sun goes down or does not shine.
5. Make sure fireplace damper is closed when not in use.
6. Don't unnecessarily heat your home when you are away for long periods (and shut off unused space)
7. Wear warm clothing and you will be comfortable with less heat.
8. Humidity in the air makes it feel warmer, so you can feel comfortable with less heat.
9. Maintain your heating system and change air filters frequently.

TEJAS 1876

January 15-22, 1876

GALVESTON — Ex-Gov. Seymour is to preside at the annual convention of the American Dairymen's Association in New York. Governor Seymour knows how to milk a cow dry.

DALLAS COUNTY — At Dallas, the papers quote wheat

at 90 cents to \$1; oats at 40 cents on wagons, 50 cents sacked on cars; corn 55 to 58 cents, mostly Kansas in car lots.

HOUSTON — A squabble between old and new city offices remained unchanged today. The old officers are unwilling to give up their posi-

tions, consequently cases are being heard in Recorders Court separately and independently before both judges.

SAN ANTONIO — Bold depredations by the Indians who stole nearly 100 head of horses from Captain Adams' rancho on the Leon have been reported. A party is pursuing the Indians, who had a two hour head start.

ANDERSON COUNTY — Twelve hundred dollars have

been subscribed towards building an Episcopal Church at Palestine.

GALVESTON — "The Angel of Midnight" performed last night in the Tremont Opera House. . . is one of the most nonsensical of all the mass of melodramatic twaddle with which the American stage was flooded just previous to the introduction of the claw-hammer series of modern dramas. Not only is the plot itself void of sense or reason, but the mawkish sentimentalism of the principals disgusts one completely with the whole play."

DENISON — Work on the frontier telegraph line from Fort Concho to Fort Stockton progressing from both ends as rapidly as weather will permit; and also on the line from Fort McKavatt to San Antonio.

FORT WORTH — For Sale: 80 acres of timber, about five miles from here. Price is \$6 per acre.

AURORA — Merchants have handled upwards of 300 bales of cotton this winter and will probably double that amount as about half the cotton raised here is yet to be ginned. This amount, plus the immense quantities taken to Dallas by producers from this section show that Wise and the northern part of Tarrant counties is the cotton producing part of Texas.

TRAVIS COUNTY — No winter yet. Green peas and other vegetables abound.

Advertised in the Galveston News — Joseph Labadie Hardware Co. Has for sale cheap: Pierced and plain soup ladles, milk skimmers, cups, scoops, cake turners, ash shovels, gravey strainers (only 15 cents each), splendid wash pans (only \$1); milk, cake and bread pans, spoons, waffle irons, sad irons, and carvers, kitchen, skimming, butcher, table and pocket knives.

Public School Happenings

Kindergarten

Mrs. Pat Hess entertained her son, Stuart's classmates in Kindergarten on Monday, January 5, to observe his birthday. She served cookies and punch and brought treats of candy, gum and balloons for all the children.

A new student in kindergarten is Russell Simmons, son of Mr. and Mrs. Rex Simmons. He enrolled on Tuesday, January 6 when he moved from Gainesville with his family, to a house north of Muenster on the Sylvan Walterscheid farm. Russell's father is employed by Cooke County Distributing Company.

On Friday, January 9, Vickie Walterscheid's birthday was observed when her mother, Mrs. Raymond Walterscheid brought refreshments of cupcakes and punch. Special treats were suckers and balloons.

Fifth Grade

While studying the skeletal system of the body, the fifth grade was pleased to have as guests Paul Caplinger and Mrs. Jimmy Jack Biffle. Mr. Caplinger showed X-rays with a portable X-ray viewer. He was assisted by Mrs. Biffle, in discussing various types of fractures, their detection and correction, also differences in bones of babies and older persons.

Their program was very informative, and the fifth grade wishes to thank both guests for their time and effort in preparation and presentation.

We're doing lots of things differently... to keep your electric service dependable.

The technology and methods of producing and supplying electric power have changed considerably since Texas Power & Light Company began business back in 1912. Mostly, however, these changes came about gradually, unhurried by any urgent needs for change.

But today, we're doing things differently to keep your electric service dependable.

We're reducing our dependency on scarce and costly natural gas as a generating plant fuel by building plants which use readily available and more economical lignite coal. Two such plants are now in operation and others are under construction and being planned.

To operate lignite-fueled plants, we're producing more than 40,000 tons of this coal every day from deposits located near the plants. This is equal to about 400 large railroad carloads per day. We're restoring the land involved to productive condition.

At gas-fueled plants, we have millions of gallons of fuel oil ready to keep the plants going when supplies of gas are curtailed.

Together with two other North Texas electric companies, we're building a nuclear-fueled generating plant. The first unit of the plant is scheduled to be placed in service in 1980 and the second in 1982.

At Texas Power & Light, we will continue doing what must be done to assure you a dependable supply of electricity in the years ahead.

NOTES FROM THE LIBRARY

by Mary Mosler

The newest shipment of paperbacks consisted of sixteen juvenile books. Some are of the "Let's-Find-Out Science book series — How You Talk; High Sounds, Low Sounds; and Why Frogs Are Wet". "Philip Hall Likes Me". "I Reckon Maybe" by Bette Greene is a Newbery Honor Book. "The Secret Life of T. K. Dearing" is a success story about three generations learning to live together. "David and His Grandfather" by Pamela Rogers is another story about the older generation. "The City Under Ground" is an original science fiction story set in 3,000 A.D. "Danger at Sneaker Hill" by Jane Little is a highly imaginative tale which is easy reading. For the younger children we have "A Toad for Tuesday", "Harry Cat's Pet Puppy", and the "Great Quillow." Others are "Dr. Syn" (a Walt Disney movie), "Headlines", "Guinness Book of Astounding Feats and Events for Young Readers", and "No-boy's Family is Going to Change." Library hours: Tuesdays and Thursdays — 8:30 to 5:00; Wednesdays — 3:00 to 6:00.

MHS Teams Split District Opener With Petrolia Hi

Muenster High basketball teams divided a pair of games with Petrolia last Friday night in their first encounter of the 13-A district schedule. Meanwhile Holliday won two from Callisburg and Archer City won two from Windthorst.

The Hornets pulled through for a thrilling 46-44 win after coming from behind in an amazing fourth quarter rally. For three periods the home team led comfortably by scores of 10-6, 25-18 and 37-26.

The Hornets' floor game was not bad but a miserable shooting average had them down by 11 as the last period started. Then two things happened. MHS shook Petrolia with a full court press and started hitting the basket, and closing the gap. With a 20-7 fourth quarter advantage they turned the lead around to a 46-44 win. Their shooting record for the game was 19 of 65, slightly under 29% for three periods and more than 29 for the fourth.

Dan Endres led the scoring with 13, Kirk Johnson hit 10, Mike Davidson 9, Tim Wolf 8 and Bob Endres 6.

The Hornettes did not do so well as Petrolia gained in every quarter but one. The hostesses led 10-8 and 26-17 at the first quarter and the half, and still led 32-23 ending the third after both got only 6 points. Then Petrolia took over again and gained to its 47-33 win. Deb Schneider scored 23, Tracey Klement 6 and Becky Fields 4 while Gina Felderhoff, Kim Klement, Kathy Fisher and Thelma Lewis did the defensive work.

Cub Scouts Visit At the Enterprise

Six Cub Scouts, members of Den 4, visited the Muenster Enterprise Wednesday afternoon on a field trip. Included were John and Mike Koerschner, Tim and Mark Knabe and Daniel and Luke Koerschner. Alvin Hartman conducted the boys through the shop and explained steps in printing a newspaper. The cubs were accompanied by Fred Koerschner.

Mrs. Molly Koerschner is den-mother for Den 4 and her assistant is Mrs. Fran Koerschner. Den-chiefs are Boy Scouts Ted and Joe Koerschner, and Herbert Knabe is cub-master for Muenster Troop 664.

Group Returns From Week of Ski Trip to Colorado

Jerry Fleitman and Tommy Felderhoff, Jr. accompanied by John Mason of Houston and four friends of Sherman returned Friday from a ski trip and week's vacation in Colorado. They spent 5 days skiing in Breckenridge, Colo., where the weather was ideal, and snow and scenery were beautiful. In Denver they spent a day visiting Jerry's sister, Blondie who returned to Muenster with them to visit her parents, Mr. and Mrs. Bruno Fleitman. When John Mason returned to Houston he was accompanied by his sister Kathy who had spent a weekend here with Miss Dorothy Hartman and other relatives. John and Kathy are children of Mrs. Loretta Mason of Houston.

Club Started by Mothers of Twins

A club organized especially for Cooke County mothers of twins will meet Monday, January 19 at 7:30 p.m. in the home of Mrs. Fran Hutcherston, 1204 Elmwood, Gainesville.

Purpose of the club is to attempt to understand and solve problems that arise with twins. Additional information may be obtained from Mrs. Dan Wilde at 759-4544.

Free Blood Pressure Check
A monthly free blood pressure check for persons 55 years of age and older will be offered on Monday, January 19, at Soroptimist Friendship House, 209 N. Morris St. 2-5 p.m. The only sure way to know if blood pressure is being kept under control is through regular check ups. Cooke County senior citizens are invited to participate in all services provided by Soroptimist Friendship House.

There's nothing in the world as thirsty as a four-year-old kid who has just gone to bed.

**HD Members Hear
Talk on Macrame
By Roger Taylor**

Roger Taylor presented a program on Macrame to members of Home Demonstration Club No. 2 on Tuesday, when the club met in the home of Kathy Fette. All members participated in learning several ways to do Macrame.

Durnig the business meeting, Eileen Fisher opened with prayer, Betty Rose Walterscheid gave the inspiration and Carol Naegeli gave the council report. Members were told about two programs open to the public.

The first on February 5, 9:30 a.m. in the Farm Bureau Building, will be on "Sew What's New from Old", and will be repeated at 7:30 p.m. that night in the same place.

The second program will be on Gardening, on February 9 at 2 p.m. in the Cooke County Co-op Building and repeated that night at 7:30 in the Chamber of Commerce Building in Gainesville. Both programs will be presented by Neil Sperry. He will be remembered as the landscape and horticulture specialist who was guest speaker on "Indoor Plants" sponsored by the Muenster Garden Center on December 2.

Club members made plans for the Valentine Party for patients at Hillcrest Manor. Charlotte Klement is chairman of arrangements.

The T.H.D.A. district meeting will be in Renner on April 6. Betty Rose Walterscheid is nominee from Muenster Home Demonstration Club No. 2. One nominee will be chosen from each club and two delegates will be elected from each County.

A card of thanks was received from the Cooke County Child Development Center for Christmas gifts.

The hostess served a dessert plate to members and one guest, the speaker. Next meeting will be the Valentine Party at the rest home on Tuesday, February 10.

Dr. and Mrs. Steve Kralicke of Marietta, Oklahoma, were weekend guests of their parents, Dr. and Mrs. Martin Kralicke and Mr. and Mrs. Bob Swirczynski. Another guest in the Swirczynski home was Kevin Swirczynski of Durant. They all attended the dinner-theater program on Sunday evening, when Mary Lou Kralicke was the featured performer.

**NEWS
OF THE SICK**

Mrs. Leonard Hartman is improving steadily, following surgery at Muenster Memorial Hospital on Wednesday, January 7.

Glenn Miller entered Mary Shields Hospital in Dallas Wednesday morning for a cornea transplant, after being notified Tuesday of the availability of a donor. His application for transplant was placed approximately six months ago. Glenn is the third member of the Herbert Miller family to undergo this kind of surgery.

Mrs. Al Haverkamp is a surgical patient at Wilson N. Jones Hospital in Sherman. She is in Room 338 and will appreciate hearing from friends.

Henry P. Hennigan is a patient in St. Joseph's Hospital, Fort Worth since December 31, undergoing surgery on January 13 and making a normal recovery. His children have been visiting at his bedside. A daughter, Terese, Mrs. Wm. Neil of Garden Terrace, California, is spending this week. Also visiting were Frank Hennigan and Mrs. Benny Montoya, (Martha) of Albuquerque and Mrs. Edward Baca, (Rita) of Santa Fe, and the Pat Hennigans of Muenster. Cards will reach him at St. Joseph's Hospital or his home at 139 St. Anthony, Route 1, Crowley, Texas 76036.

Tony Sicking of Gainesville is on the mend now after a long session with illness and hospitalization twice for surgery. Entering Gainesville Memorial Hospital on November 11, he was transferred after one week to Westgate in Denton, where he underwent surgery on the day after Thanksgiving. He was released on December 23 to spend the Christmas holidays at home and help his mother, Mrs. Margaret Sicking observe her 95th birthday. He returned to Westgate on December 29 and the following day surgery was performed to amputate his left foot above the ankle. His sister, Miss Teresa Sicking and his brother and family, the Steve Mosters are frequent visitors at his bedside. Latest report is that he rallied after slipping into semi-shock Sunday and now looks forward to dismissal when he will enter the Veterans Hospital to be fitted with a new limb. At present, cards can reach him at Room 243, Westgate Hospital, Denton, Texas 76201.

Hospital Notes

The following patients were dismissed during the past week from Muenster Memorial Hospital.

Friday, Jan. 9: Kim Klement and Mrs. Ann Walterscheid, Muenster; Joseph Pippin, Irving; Mrs. James Parker, Gainesville; Charles Stephens, Saint Jo.

Saturday, Jan. 10: Mrs. Gary Walterscheid and baby boy and Alan Joy, Gainesville. Frank Pennington, Saint Jo.

Sunday, Jan. 11: Harvey Hancock, Nocona, Mrs. Willie Russell and Mrs. Gary Don Kemp & baby girl, Gainesville.

Monday, Jan. 12: Mrs. Bobby Orrell, Forestburg; Louis Moore, Sweetwater; David F. Park, Saint Jo.

Tuesday, Jan. 13: Michelle Hennigan, Muenster; Joe Rust, Dallas; Mrs. Dorothy Holmes, Gainesville.

Too bad that all the people who know how to run the country are busy driving taxicabs and cutting hair.

**Myra Baptist Has
Social and Dinner**

The annual social and catered dinner honoring the Sunday School Class of Myra Baptist Church, taught by Mrs. Thurman Reid was held on January 10 in the Myra Community Center for 29 guests.

Included were guests of the young people and a group from Southside Baptist Church in Gainesville, the Starlighters who provided entertainment following dinner.

Centerpieces for five guest tables and the piano were made by Mrs. Pearl Rosson of Myra.

**MHS Teams Lose
Two and Win One
With Callisburg**

Muenster High Hornets are 2-0 in the 13-A basketball race and the Hornettes are 0-2 after their second district encounters with Callisburg Tuesday night in the Callisburg gym.

Both of the teams had hot games. The boys were kept hustling in maintaining a short lead all the way whereas the girls led for a while but failed to recover from a bad third quarter.

The Hornets got most of their winning margin in an 18-13 first quarter lead and held the identical lead in the 34-29 and 46-41 second and third quarter scores. Then in the fourth they gained 1 for the 57-51 win. Good free throw percentage helped enormously. MHS hit 9 of 11 while the visitors got 5 of 13. Field goal percentage was not so good: only 24 of 70.

Mike Davidson led the scoring with 20. Bob Endres made 18, Kirk Johnson 8, Dan Endres 6 and Tim Wolf 5.

MHS girls trailed 13-12 at the quarter and surged to a 34-29 half time lead. But they hit a slump in the third ending with a 43-36 deficit. Finally they trimmed the margin two points in the fourth and finished with a 52-47 loss. Scorers were Deb Schneider 24, Tracey Klement 20 and Becky Fields 3. Guards were Gina Felderhoff, Kim Klement, Kathy Fisher and Thelma Lewis.

Still another dandy, a treat for the fans, was the boys junior varsity game at the top of the program. It was a see saw for three quarters with ties of 4-4, 17-17 and 21-21 before Callisburg kids managed to nudge to the front in the fourth for a 35-30 decision. Terry Lewis scored 11 for MHS. Lenzy Dyer hit 9, Bert Walterscheid 6, David Felderhoff 2, Neil Walterscheid 2.

Opportunity is frequently not recognized as it is often disguised as work.

**Era Nips Muenster
In 2 of 3 Games**

Muenster High basketball teams lost two of their three contests with Era Tuesday night on the local court. The boys teams were the losers, by a count of 39-33 in the junior varsity opener and by 54-44 in the varsity. Muenster girls were 52-40 winners.

The two Hornette teams ran neck and neck through the first half, with a 10-10 tie at the first quarter and Muenster leading 23-22 at the second. Third period was the big one for MHS, a jump of the lead to 38-28, and the fourth increased the lead to 52-40.

Deb Schneider had a big night for 36 points, Tracey Klement added 12 and Becky Fields 4, as Gina Felderhoff, Kim Klement and Kathy Fisher handled the defense. Visiting scorers were Angela Kassin 22, Sandra House 12, Carol Grewing 6.

The boys varsity game was a tragedy in goal shooting, especially in the second half when Muenster hit only 6 of 32. MHS led the first two periods 16-11 and 28-27, but the visitors gained through third and fourth for leads of 41-37 and 54-44.

Bob Endres led MHS scoring with 16, Kirk Johnson hit 8, Mike Davidson 7, Dan Endres 6, Tim Wolf 4, John Eckart 3, Terry Davis and Mike Selby each scored 16 for Era.

In the JV game Era took a 19-8 first period lead and Muenster trimmed it to 21-18 at the half. Again Era gained to 30-21 in the third and MHS narrowed the gap to 39-33 in the fourth. Lenzy Dyer scored 13, Terry Lewis 9, Neil Walterscheid 6, David Felderhoff 4 and Bert Walterscheid 1. Don Bewley and Frank Barthold had 14 and 10 for Era.
