Community wide appreciation is due to both of our schools for their efforts to provide supervised entertainment for local youngsters on Halloween. By cooperating with them families can help eliminate some of the hazard and nuisance that have become a part of Halloween meanderings.

This is Muenster's second year of emphasizing school parties as occasions for the little spooks to have their Halloween fun. We hope it is a good start toward a trend which will eventually become the custom. Perhaps it isn't too much to hope also that some of the undesirable features of modern trick or treating will eventually be eliminated.

Muenster isn't the only town that's ready for the change. People in other places too complain that the original spirit of Halloween is gone. Big kids are crowding ahead of the tiny tots and their main objective, apparently, is grand scale mooching.

One person from a big city told that car loads of kids were brought into his neighborhood for a systematic collection of goodies, and remarks from the children indicated they were from another town. Likewise it is often known that the collecting parties come from other neighborhoods across the city. This isn't the old idea of Halloween, the idea that used to be a lot more fun for the small fry as well as the treating hosts.

Halloween is for little kids young enough to get a big thrill out of the spooky costumes they wear and an even bigger thrill out of the pretended fright of neighbors and kin folks they visit, for kids who proudly take off their masks to prove they had someone baffled, for kids whose age gives them a right to mooch goodies with or without costumes. Halloween is not for big kids whose only purpose is to collect the biggest possible bag of loot. They are unfair to the small fry they crowd out and to the adults they impose on.

The foregoing comment is not intended to imply that the trick or treat custom is all wrong. Rather it's a suggestion that the original spirit should be restored. It will be right again when the only spooks are little ones — all known to the people they call on.

It's meant to suggest also that a limited Halloween prouling can be adequate. The average kid can have a big night if taken to close neighbors and to friends and kin elsewhere in town. A couple of rules that might be observed: A kid too big to mooch goodies without a costume is also too big to mooch with one; a home that children do not visit without a costume should not be visited with one. Another Halloween thought: Unsupervised spook prouling is dangerous. Kiddies on the go need the restraining influence of a parent or a brother or sister of responsible age to cope with the hazards of traffic.

If anyone thinks that the remarks above are out of harmony with efforts of the two schools, it would be a good idea to think again. The plain fact is that the parties will not constitute all of the local Halloween activity. We'll also have trick or treaters. Parents can help make those prouls more proper and more safe. Drivers can help by being extra careful and alert.

No School Friday For 6 SH Grades

Pupils of Sacred Heart School's first through sixth grades will have a holiday from classes Friday when their parents go to school for parent-teacher conferences, the first of the conferences for this term.

Parents have appointments through the day to meet with teachers and discuss their children's work and progress. Dates are being set for conferences for other grades.

Another holiday, for the students of both schools, is next Monday, All Saints Day, a holy day on the church calendar.

Cooke County Electric Co-operative was represented at the Region 10 meeting in Santa Fe, N.M., by Manager Mike Sloan and J. A. Klement, Al Wiesman and T. P. Skinner. Mmes Klement, Wiesman and Skinner accompanied their husbands.

SOME OF THE 81 AIRMEN who were guests of Mr. and Mrs. Ernest Medders for a tour of Colonial Acres Farm and a buffet supper got together for this photograph October 17. The airmen are exchange students at Sheppard AFB, Wichita Falls, and hail from 14 foreign countries: Greece, Japan, Iran, Colombia, Laos, Turkey, South Viet Nam, Ethiopia, Morocco, Honduras, Afghanistan, Guatemala, Libya and The Sudan. A Proclamation

On Monday, November 1, 1965, the annual All Saints Day visit to the cemetery will be held at 2 p.m. It is fitting and proper that we stop to reflect upon the past and to remember those who have gone to their eternal reward.

Therefore, as Mayor, I urge all to attend the services and ask business firms to close, if possible, from 2 to 3 p.m. as a mark of respect to our departed friends and in order that business personnel will be able to attend the memorial services.

Hornets Survive Raid by Indians For 13-8 Decision

Lady Luck was very kind to the Muenster Hornets last week. It helped them through some mighty tight spots for an eventual 13-8 win as Sanger, sleeping giant of 9-B, suddenly came to life on the MHS field. The Indians led the Hornets in every department of the game, except on the scoreboard. They came in behind only because they failed to carry their mid field performance across the goal.

A nice run by Stormer after a hand off on the opening kickoff started Muenster with a good field position on the Indian 41. A kick ending the first series set Sanger back to its 20. Handicapped by a penalty Sanger too had to kick on its first series.

From their 38 then the Hornets went for their first TD in four plays. Stormer gained 3 on a run and took Swirzynski's pass for 11. Another pass was incomplete, then Russell took one in the clear and sailed to the goal, a 48 yard play. A kick for extra points went wide.

After the next kickoff Sanger put on a good hard drive of 68 yards in five first downs, and then fumbled. Wayne Klement recovered on the 6. Three plays later Dale Klement went to the 18 and on the

Slim Odds Favor Muenster Friday In Clash at Era

Another tough game appears to be waiting for Coach James Polk's MHS Hornets as they travel to Era Friday night to meet the other Hornets of District 9-B.

At this time Muenster has a 3-0 standing in the loop race and Era has a 2-1 standing. On paper Muenster is the favorite, however Era has shown big progress lately after a feeble start and may possibly be ready for its customary peak performance for the Muenster boys.

In case that happens, says Coach Polk, he still expects his boys to handle the situation. He was pleased with them last week considering the tremendous improvement shown by Sanger. The Indians were rugged and the MHS boys had to do a big job in nosing out 13-8. This time they are preparing for more of the same. They are confident but taking nothing for granted. And they are working hard to polish up their game.

Physically they are fine, says Polk, probably in better shape than last week when the cold bug was getting around, even keeping one of the regulars out of practice for three days.

Mr. and Mrs. Bernard McNamara and daughters Bernadette and Suzanne spent the weekend in Oklahoma City with his sister, Mrs. Harold J. Altendorf and family.

NEWS OF THE SICK

The accident happened in the concession stand where his parents were working during the football game. Brian will be hospitalized through this week according to reports Tuesday.

Frank Needham is getting back into circulation, slowly and taking it easy. He's been out and around for short periods since the weekend.

Mrs. Dan Luke and sons Ramon and Damian were dismissed from Muenster Hospital Saturday, making satisfactory recoveries after having their tonsils removed.

Mary Pels was dismissed from Muenster Hospital Sunday. She had a tonsillectomy earlier in the week.

Johnny Reiter is getting back in circulation since being dismissed from Muenster Hospital Sunday. He had hernia surgery Oct. 21.

J. M. Weinzapfel is reported doing fine in Baylor Hospital at Dallas following surgery Saturday afternoon on his left eye for glaucoma. The condition developed while he was hospitalized here after undergoing hernia surgery and he was moved to Baylor Saturday morning by ambulance. He's in Room 736.

J. W. Fletcher was dismissed from Gainesville Hospital Saturday and went on to Fort Worth where he was headed when he was in a car accident on October 18 on the highway at Lindsay. He was on his way to enter St. Joseph's Hospital for surgery and went to that hospital from Gainesville.

Mrs. Tillie Barrier sustained a broken leg at the knee in a fall Tuesday while working at French's Cafeteria in Gainesville and has the injury in a cast. She is now at her home, 317 Lindsay in Gainesville.

Rita Hellinger, 13-year-old daughter of Mr. and Mrs. Paul Hellinger, was slightly injured Saturday about 8:45 p.m. when she was accidentally shot in the right side with a .22 caliber pistol. The accident happened at the home of a friend who was reportedly displaying the pistol when it discharged. The bullet struck Rita in the side and came out her back. The accident put her in the hospital.

Mrs. Harry Dennis of Gainesville was dismissed from Gainesville Hospital during the weekend after being a medical patient.

Mr. and Mrs. Bernard McNamara and daughters Bernadette and Suzanne spent the weekend in Oklahoma City with his sister, Mrs. Harold J. Altendorf and family.

11 Parishes Meet Here to Observe Christ King Feast

Muenster's Sacred Heart Parish is the host this year to the eleven parishes of the Sherman Deanery for traditional services honoring Christ the King on the last Sunday of October.

The event includes a solemn procession followed by benediction and sermon in Sacred Heart Church.

Starting place for the procession is Muenster Memorial Hospital three blocks west of the church. Each parish is asked to assemble there in its parish group between 2:30 and 3 o'clock and if possible to be identified by parish or society banners. The procession will begin at 3 o'clock.

In church Father Benedict Buergler will deliver the sermon after which Father John Duesman, dean of the Sherman deanery, will be celebrant at a Solemn Benediction. Assisting him in the service will be Rev. James Gillespie of Pilot Point and Rev. Anthony Gajda of Valley View as deacon and sub deacon. Rev. Andrew Wewer of Muenster will be master of ceremonies.

Fourth Degree Knights of Columbus of the deanery are invited to attend in formal attire as an honor guard to the Blessed Sacrament.

The eleven parishes included in the deanery are Sacred Heart of Muenster, St. Peter's of Lindsay, St. Mary's of Gainesville, St. Patrick's of Denison, Immaculate Conception of Denton, St. Michael's of McKinney, St. Thomas of Pilot Point, St. Mary's of Sherman, St. John's of Valley View, St. Elizabeth's of Bonham, and Our Lady of Victory of Paris.

Juniors and seniors of Sacred Heart heard a talk on alcoholism Friday by C. C. Wagget of the Texas Commission on Alcoholism. Father Benedict Buergler presided for the lecture in the school library and introduced the speaker.

Mr. and Mrs. Herman Carlton, former residents, spent the weekend in Gainesville with their daughter, Mrs. Cliffo Odum and family. The Carltons moved to their present home in August.

The time has arrived for another semi-annual collection for the Sacred Heart Cemetery fund. Mrs. Tony Gremminger, co-chairman of the Garden Club cemetery committee, reminds people of the parish that it will be held, as usual, at all of the Sacred Heart Church services on All Saints' Day, next Monday.

Procedure will be usual. Garden Club members with their baskets will be at the church doors accepting contributions. Everyone in the parish is urged to remember and bring a donation.

Funds received in this collection and the Memorial Day collection are used for cemetery maintenance, which includes mowing, trimming, watering and replacement of shrubs.

CDA's to Stage Holiday Bazaar November 3, 4, 5

It was beginning to look like Christmas Wednesday at the Muenster CDA's "November Christmas" headquarters.

There amid activity akin to Santa's Workshop, members of the local court Catholic Daughters of America began assorting, assembling, and pricing Christmas surprises. And, like Santa, they've been working for the holiday bazaar all year.

The big days are Wednesday, Thursday and Friday next week, Nov. 3, 4 and 5, and the place is Muenster Pharmacy building.

Members plan to have more handmade items this year than ever. They've done all they can to make beautiful "somethings" out of ordinary "nothings." And they've planned a big bake sale in connection with the bazaar. As added features there'll be a white elephant sale and coffee break treats all three days.

Members will be baking light bread, pasteries, cookies and other goodies all three days to keep a steady flow of fresh home-baked items ready for customers.

Everybody is invited to stop in, see the displays, enjoy coffee and doughnuts or sweet rolls, and make purchases for Christmas and other gifting occasions.

Heading the event as co-chairmen are Mmes. Rufus Henschel, Ted Voth and Walter Grewing, with Mrs. Arnold Rohmer and Mrs. R. N. Fette heading the bake sale. Proceeds will go into the organization's treasury for its various charitable projects.

Texas Will Vote Next Tuesday on Ten Amendments

Next Tuesday is the day of decision for ten proposed amendments to the constitution of the state of Texas. On that day qualified voters will go to the polls to approve and reject.

At Muenster voting will follow the usual procedure. The North Muenster ballot box will be in the community room of the TP&L building under supervision of Joe Luke as election judge. The South Muenster ballot box will be in the small building at the city park entrance and Paul Fisher will be the election judge. Both places will be open from 8 a.m. to 7 p.m.

Carnivals Booked At Both Schools For Halloween

Cooperating with a request of local pastors and the city council, both Muenster schools will have carnivals during the weekend as alternatives to trick or treat wandering. The public school has it Saturday night, the parochial school Sunday afternoon and night.

The first is the annual fall carnival at the public school, which observes Halloween as an occasion to improve the condition of class treasuries. Each of the four high school classes and each of the four elementary rooms will have concessions in the gym to make money for its class and will be in business from 7:30 to 9 p.m. At that time the carnival gives way for a one act play, "The Uninvited Guest," by the Sophomore class.

The next party will be in the parish hall, starting after the close of Christ the King services, about 4 o'clock. It too will feature class concessions plus a crazy hat contest as a special feature. Sandwiches and drinks will be available. The party is expected to last until about 10 o'clock.

Plans Progress for SH Homecoming On November 6

Plans continue to progress for Sacred Heart High Homecoming festivities on Nov. 6. Sacred Heart Alumni, sponsors of the annual event, are urging all ex-students to attend the program.

Highlights will be a social hour and buffet in school at 6 p.m. followed by a program recognizing honor graduates, those from classes 1944, 1945 and 1955. Sister Geraldine who has taught all of these students will do the honors. Father Benedict Buergler will be on the program as speaker. All faculty members will attend.

Afterward the exes will go to the football field for the crowning of a homecoming queen and the game between the Tigers and Dallas Christian. The grand finale of the night will be a dance in the VFW Hall with The Coachmen playing. Everybody is invited to the dance which will be open to the public. Honor graduates will be guests of the Alumni Association for the game and dance and are reminded to return their reply cards by Oct. 30 so the committee will know how many to prepare for.

Open House Slated For Barn Nov. 23 At Colonial Acres

Newest project at Colonial Acres Farm, a show barn for livestock sales, is nearing completion and a formal opening has been set for November 23.

Open house will be held during the day and all visitors are welcome.

There will be an invitation dance at night with music by Guy Lombardo and his Royal Canadians.

Date for the formal opening was set this week after Lombardo notified Mr. and Mrs. Ernest Medders that was the only time he had free to make the trip to Muenster.

The new barn measures 100x200 feet, has heating and air conditioning and inside bleachers to seat 3000 persons.

Tigers Will Meet Cowtown Huskies Here Friday Night

The biggest team on the Tiger schedule will be here Friday night to take on Walter Wolf's boys. Fort Worth Christian with a weight advantage of more than 20 pounds per man will come into the game as a favorite.

Paper comparisons of the two teams are difficult because they do not meet common foes, but Wolf has taken a hint from the fact that the Christians beat Kennedale, a class A school. Another indication is the score in last year's encounter — Sacred Heart lost by three touchdowns.

Assuming that the visitors will have about the same strength, the margin of difference is slightly narrowed, in Wolf's opinion. The Tigers are doing better this year than last year.

In addition they are in good shape. No illness, no injury, all on the job and working hard, confident they will avenge the loss of a year ago.

Long Illness Ends Monday in Death Of Mrs. F. Kaiser

Death Monday ended a long period of suffering for Mrs. Frank A. Kaiser, 73. She died at about 10:15 a.m. in Muenster Hospital where she had been critically ill since Friday. She had been in failing health for more than a year and a shut-in at her home the past six weeks.

Funeral services with Requiem Mass were held Thursday at 9:30 a.m. in Sacred Heart Church with Father Alcuin Kubis officiating. Nick Miller Funeral Home was in charge of burial arrangements in Sacred Heart Cemetery.

Bearers were Alvin Hartman, Gene Schmitz, Lou Wolf, Tony Hoenig, Joe Horn and Ray Wilde.

Two rosary services were held at the Miller Chapel Wednesday, one by St. Anne's Society at 4 p.m. and the community rosary at 8 p.m.

Mrs. Kaiser was a native of Remsen, Iowa, the former Miss Frances Hammon, born Jan. 20, 1892, and a Muenster resident most of the time since her marriage to Frank Kaiser in 1910. They lived for some time in Fort Worth after leaving Iowa and before moving here. He was in the real estate business and operated a recreation hall. He died in June 1953.

Survivors include one son, C. J. Kaiser and two grandchildren, Melvin and Joan Kaiser of Muenster and a brother and sister in Iowa.

Jesuit B Shades Tigers 20-18 in Annual Thriller

Bonus points made the difference last Thursday night as Jesuit B of Dallas shaded the Tigers by a count of 20-18 on the local field. Each team crossed the goal line three times and the Rangers followed their first TD with a 2-pointer whereas the Tigers missed their tries.

Otherwise the teams battled it out on almost equal terms. Jesuit led 15-14 in first downs and 251-240 in total yardage.

The game opened with strong defensive work on both sides. The first three series of downs ended in kicks. Then Sacred Heart started moving — 41 yards in 12 plays before losing on downs on the Jesuit 21.

As the next quarter opened the visitors went to the air and completed 5 passes for 46 yards in the 79 yard drive to the first TD. Walkup hit Nitzel for the 6-pointer and Taylor for the 2-pointer.

A fine run back by Kralicke on the next kickoff started the Tigers on the Ranger 26. Three runs and a 5 yard penalty mended the distance. Robert Klement went over from the 7.

The next Jesuit score was not long in coming and three big passes accounted mostly for it. A pass interference call gained 18 to the Ranger 44, a run from kick formation (Continued on page 5)

Attorneys Set For Hard Defense Of Poll Tax Law

AUSTIN, Tex. —State Attorneys are set to make a hard-nosed defense of the Texas poll tax law now under federal court attack.

Pre-trial conferences in the suit were held quietly here and in San Antonio last week (Oct. 21). Trial date has been postponed from mid-November to December 1 in order to allow both sides more time for preparation.

Assistant Atty. Gen. Hawthorne Phillips scheduled a flight to Washington this week to take a deposition from U.S. Atty. Gen. Nicholas Katzenbach in effort to show that Katzenbach once testified before Senate Judiciary Committee that Texas' poll tax is not discriminatory toward Negroes.

In view of late trial date and certain appeals to U.S. Supreme Court regardless of initial ruling here, the three-judge trial court issued a statement in effect advising Texans who want to be sure they qualify to vote in state and local elections next year to pay their poll tax.

Leaders of massive poll tax drives just now getting under way already had concluded there was no other safe course.

Outlook now is that if repeal is ordered, first major state and national elections affected will be those of 1968.

Strong Majority Favors Voluntary Part of Medicare

Enrollment of the Cooke County area's older people in the medicare program indicates that an overwhelming majority of those on the social security rolls are choosing to participate in the voluntary medical insurance portion of the program, Gus Jones, social security district manager in Sherman, an-

nounced today. The Social Security Administration plans to complete its mailing information and medical insurance enrollment cards to 15½ million social security beneficiaries 65 or older by October 31, Jones reported.

"Nearly 2600 beneficiaries in Cooke County are eligible for medicare coverage," Jones said. Throughout the country, more than 85 percent of the people who have already returned the cards have chosen to take medical insurance coverage.

The medicare program, set up under the 1965 social security amendments, provides two different kinds of health insurance benefits for practically all Americans 65 or older. The basic hospital insurance plan will pay much of the cost of hospital and hospital-related expenses. A supplementary medical insurance is available on a voluntary basis at a cost of \$3 a month. This plan helps to pay doctors' fees and certain other medical expenses. The 2 health insurance programs do not begin until July 1966, and no monthly premiums for medical insurance are due before then.

Social security beneficiaries can sign up for medical in-

surance coverage just by checking "YES" on the enrollment card, signing their name, and returning the card in the prepaid, addressed envelope which comes with it. The \$3 monthly premium will be deducted from their benefit checks when the program starts in July.

Nat Houston, Field Representative from the Sherman social security office, is in Gainesville each Tuesday from 9:30 a.m. until noon, in the Federal Building to assist persons in the Gainesville area with questions pertaining to Medicare, or other social security benefits.

88th Birthday and Bon Voyage Party for Joe Fisher Sr.

A family gathering honored Joe Fisher Sr. at his home Sunday night when children, grandchildren and great-grandchildren helped him celebrate his 88th birthday on the eve of the date and wished him bon voyage. He left Tuesday for a two-week holiday in Hawaii, traveling by jet airliner.

Father Harry Fisher of Fort Worth was present to join in the birthday observance for his Dad and a granddaughter Miss Emma Fisher, also attended from Fort Worth.

Party refreshments included a decorated cake in the shape of the figures 88 baked by Mrs. Charlie Fisher.

Mr. Fisher is one of this community's best known pioneers. He has been a continuous resident since he was 12 years old and can recall more Muenster history than probably anyone else in the area. Among his fondest early-day memories is his serving at Mass soon after the community was colonized. He was one of the first altar boys at Sacred Heart Church.

Mr. Fisher has ten children living, all of them in Muenster except Father Harry Fisher and Mrs. Leo Appel who lives in Houston. Those in Muenster are John, J. W., Charlie, Pat, Paul and Earl, Mrs. Henry Pick and Mrs. Charles Taylor. He has 43 grandchildren and 21 great-grandchildren.

20-14 Tiger B Win Knots Series with Wichita Knights

Tiger B stringers evened the count with the Notre Dame Knights of Wichita Falls in their encounter Saturday night on Sacred Heart field. The score was 20-14. In the previous game the Knights had been 20-6 winners.

The first half was a stand off with the Tigers taking a 6-5 lead in first downs and the visitors taking a 124 to 75 lead in total yardage.

To start Notre Dame went 43 yards on two first downs to the 20 but a clipping penalty spoiled the drive and the Tigers took over on the 21. From there Sacred Heart made two first downs before kicking on the third series. Then ND completed one series and kicked on the next and Sacred Heart was stopped by an interception on its second series.

Four downs later the visitors booted and Sacred Heart headed for its first score. Sicking's nice kick return gave them a start on the ND 43 and another good jaunt reached the 24. Five plays later Sicking made the last 2 yards. The try for bonus points failed.

The Knights struck back with five plays including two big passes. The pay off was to Bindel for 22 yards and Bindel swept right end for extra points.

Tigers started the next half with a fumble and Knights reached the 2 before the Tigers' stout defense took over. Then Sacred Heart advanced a first down before kicking on the next series.

Two plays later an interception put Sacred Heart back in business on the Knight 45. Fifteen plays ground out the yardage and Leroy Hess made the last foot. A pass to Steve Hess added bonus points.

Next score came three plays later on a slick forward pass and lateral. Moller took a pass from Taylor and flipped it to Bindel, who came up at a full gallop and went all the way. The total gain was 71 yards. The try for points failed and the count was tied at 14-14.

Sacred Heart struck back with a passing barrage that went 62 yards, the scoring play being to Andy Klement for 9 yards.

The visitors almost matched the performance in the closing minutes. A dandy pass gained 43 yards to the 16 but an interception four plays later allowed the Tigers to run out the clock.

Hornets

third after that he broke through for an 82 yard run to the goal. His kick made the count 13-0 shortly after the start of the second quarter. The rest of the period was hectic. Swirczynski's interception stopped the Indians on their second series. From mid-field a penalty and a 17 yard pass advanced Muenster to the 15 before an interception put Sanger in possession on its 13.

Four plays later Sanger kicked. Muenster was on the Indian 45, and Sanger intercepted on the Indian 24. Next play Robison intercepted a long one and zig zagged back to the 15. Klement gained 9 from there and Swirczynski's quarterback sneak two plays later was apparently good for a first down on the 4, but a pushing penalty spoiled a scoring chance. Next Klement tried a field goal and missed.

The Sanger back trying to run the ball out was spilled a foot short of the goal. From there Sanger almost went for a score in the few remaining seconds. Interference ruling on the next play advanced Sanger to the 26. A screen pass made 16 more. Then Jerry took a long one and went to the 5 before he was spilled. There's where the half ended. After intermission Sanger got going after an exchange of kicks and made two first downs before being stopped on the 27. On the next play Muenster fumbled and the Indians were back in possession on the Hornet 25. The next play was the counter, Armstrong to Campbell, then another of the same combination for bonus points. The score was 13-8 about half way in the third period.

A good kickoff return and two first downs after that put Muenster on the Indian 21 but next series stopped on the 16. So Sanger went the other way with plenty of emphasis on passes. The drive made four first downs to the Hornet 15 before Swirczynski intercepted on the 3 and was brought down promptly.

A fine run by Klement on the next play got the Hornets out of trouble, up to the 38 and a kick four plays later set the Indians back to their 29. In the few minutes remaining Sanger got back to Muenster's 24. In addition to the two married daughters, six who are at home were present for the observance. They are Donald, Rose, Dolores, Jerry, Johnny and Steve. A daughter, Sister Lorraine, is a nurse at Mercy Hospital in Brinkley, Ark. Jimmy Eckart is in Washuena, Wash., and Mike Eckart is in school at Denton.

Hospital Auxiliary Plans Shower for First 1966 Baby

Muenster Hospital Auxiliary members, meeting for October, planned ahead for a January project — gifts for the first 1966 baby born in Muenster Memorial Hospital.

Mrs. Ervin Hamric, president, heads a committee that is contacting Muenster merchants for gift donations to be presented to the baby and its mother.

Other business was routine with reports from committee chairmen. The organization is still selling "Swip," an all-purpose cleaner which may be obtained from any of the members.

Sister Mildred gave a report on a meeting of the Texas Hospital Auxiliary Association she attended in Denton recently. She told what Muenster Auxiliary has done since it is organized and others a

the meeting were amazed that a group so newly organized had accomplished so much.

After adjournment Mrs. Hamric and Mrs. Joe Hoenic served brownies and coffee, carrying out a Halloween theme on refreshment plates with mint cups and napkins. Mrs. Hoenic won the attendance prize, handkerchiefs with hand-crocheted edging donated by Misses Anna and Mary Becker. Mrs. Bobo Jaska was a guest at the meeting.

County VA Officer Urges Support of Amendment No. 2

Robert C. Livingston, Veterans County Service Officer of Cooke County, spoke out Tuesday in strong support of Amendment No. 2 in next week's constitutional election. The amendment if passed will provide an additional \$200 million for the Veterans Land Program in Texas.

Livingston said that the veterans land program helps veterans who want to go into farming. In Cooke County 117 veterans bought 10,757 acres for \$802,971. In the state \$234 million has been invested in 34,800 tracts of land and 6,100 of the loans are paid in full.

While helping veterans, the program earns money for the state, he said, at an average of \$2.5 million a year.

If Amendment 2 is approved the program will be not only continued but expanded, Livingston said. Purchase limit for a veteran will be raised from \$7,500 to \$10,000.

Miss Judy Bezner And Roy Morisak Marry at Lindsay

Honeymooning enroute to Austin where they will be at home are Airman and Mrs. Roy Morisak who were married in St. Peter's Church Saturday in a 4 p.m. service. The bride is the former Miss Judy Bezner, daughter of Mayor and Mrs. Joe Bezner of Lindsay and the bridegroom is the son of Mr. and Mrs. Alfred Morisak of Gainesville.

The Rev. Francis Zimmerer of Little Rock, Ark., officiated at the Nuptial Mass and double ring ceremony.

The bride's three young brothers, Mike, Timmy and Charles were acolytes.

Given in marriage by her father, the bride wore a formal gown of white silk Bombazine and Chantilly lace. It was designed with a veiled lace basque bodice, long sleeves and Sabrina neckline sprinkled with seed pearls and iridescents. The voluminous Bombazine skirt was draped in front in a redingote effect. Three ruffled tiers of lace gave bouffance to the train which extended in an aisle wide chapel sweep.

A jewel crown held her tiered veil of illusion and she carried a white orchid surrounded by feathered mums and stephanotis.

Wedding Attendants
Miss Barbara Bezner was her sister's maid of honor and Misses Carol Ann Morisak, sister of the bridegroom, Margie Neu of Gainesville, Debbie Bezner of Dallas, and Marcella Neu were bridesmaids. They wore dresses of gold chiffon and satin with scooped necklines and elbow sleeves. Satin cummerbunds accented the waistline of the belled skirts. A matching fabric rose formed headresses. They carried chrysanthemums in shades of gold.

Ewald Hoelker of Lindsay served as best man and the groomsmen were Mark Dulock and Buster Bezner, Gainesville; Tommy Zimmerer, Lindsay, cousin of the bride; and Joe Bezner III, brother of the bride.

Ushering the guests were Joe Benenate and Jim Young cousins of the bride, both of Dallas.

Mrs. William Schmitz was organist and St. Cecilia's Choir sang Mass responses. Mrs. Bob Young of Dallas and Mrs. Bruno Zimmerer, aunts of the bride, sang a duet before Mass, "On This Day," and sang again after the service, "Mother at Your Feet," when the bride placed the traditional bouquet on the Blessed Virgin's altar.

Wedding Reception
Misses Betty Haverkamp, Lindsay, and Carol Ann Cutia, Dallas, registered the guests at the reception in the Parish Hall. Bouquets of gold chrysanthemums were arranged over the large room and the guest book was on a table covered with gold chiffon over taffeta. The bride's picture and a candelabra decorated this table.

For their wedding trip, the bride changed to a three-piece brown and beige knit suit. The

couple will establish their home in Austin where he is stationed at Bergstrom AFB.

Both the graduates of Lindsay High and he attended Cooke County Junior College.

S. Kitten and daughters Doris and Joyce and Mrs. Maggie Mosser and young granddaughter, all of Slaton.

Mr. and Mrs. Leo Cutia and daughter Carol Ann, Mrs. Frank Benenate and children Marguerite, Joe, Janie, Frankie and Marie, Mr. and Mrs. Bob Young and son Jimmy, Mr. and Mrs. David Blackburn and Olivia Ramos, all of Dallas.

Mr. and Mrs. Bob Bezner and children Steve and Debbie of Richardson, Mrs. Isabel Galvin of Irving, Al Bezner of Wichita Falls, Mr. and Mrs. Mike Gonzales and children of San Antonio, Mr. and Mrs. Harold Neu of Madill, Okla.

Mrs. Frank Schmidkofer writes from Downey, Calif., that it's good to be back home but she misses Texas. She spent several months here with her mother, Mrs. John P. Neu. She said she and her husband enjoyed a recent visit with Mr. and Mrs. Ed Corcoran of Baldwin Park, Calif., who were their guests for dinner and they "talked Lindsay" all night. Their son Gene Schmidkofer has also been over from Visalia for visits. He, too, misses Texas.
