Fringe benefits for this community are definitely possible on November 23 when Mr. and Mrs. Ernest Medders will have the spectacular showing of their outstanding new livestock show barn. Hundreds of visitors will be here, including many who will take notice of our town.

The purpose of their big reception is obvious. They are seeking the acquaintance and good will of important livestock producers, the kind of people who will be interested in the top quality of cattle and horses raised at Colonial Acres Farm. There will be many others too, friends and dignitaries with whom the Medders just want to share their hospitality.

It's hardly necessary to add that a crowd such as that presents about the best opportunity this community has ever had to make a good impression on lots of people. Also that this is about the best occasion we have ever had to fix up for company.

It's been suggested that we go all out to make a good impression. Mow the lawns, trim the shrubs, wash windows, wash our cars, mow the vacant lots, etc. In general show Muenster at its best, show the visitors that we're proud of our community. Let them go home convinced that Muenster is a mighty good place to live. It will be nice to have strangers think well of us, perhaps take a lasting interest in us.

This column extends best wishes to the Medders for a most successful party, and thanks for giving Muenster its best opportunity to show off.

It has been a real pleasure to watch good old American patriotism come to the front since the rash of demonstrations a few weeks ago protesting our country's intervention in the communist conquest of South Vietnam. Decent people in all parts of the nation were disgusted by the ugly shows of treason and put on demonstrations of their own protesting that they not only support the government's policy but appreciate every ounce of effort made by our fighting men in the jungles.

Next thing under way is a promotion for a massive air lift of Christmas gifts for the men over there. It's a way of putting special emphasis on an assurance that people over here do care.

As this paper is being printed Old Glory is on display at more than sixty places around Muenster in observance of Veterans Day. The occasion is to honor the millions of men and women who served in defense of our freedom in many parts of the world as far back as World War I.

Old timers recall the holiday originally was designated as Armistice Day, celebrating the signing of an armistice on Nov. 11, 1918, to end World War I. After World War II the spirit of Armistice Day applied to the other dates as well, and the honor implied by its observance applied to other veterans as well. So the name was changed to do honor to all service personnel of all wars.

A point to ponder on this Veterans Day is the fact that over 150,000 are over there right now continuing with freedom's struggle, for which the millions of other veterans are being honored today. They are doing their best to preserve a precious heritage which has been defended before but which is endangered over and over again as tyrants seek to take over. This Veterans Day would be a very empty occasion if the freedom purchased with so much blood of the past were allowed to be lost by default in Vietnam.

Contrary to claims in recent demonstrations, this war is very much our affair. Communism is widespread in Southeast Asia. There is little doubt that it would take over completely if South Vietnam were to fall. And after that there is equally little doubt that the red menace would advance faster than ever toward its goal of world conquest.

Stopping present red expansion serves our interest as well as that of the Vietnamese. A setback to communism there is a setback to the overall communist plan. And we have reason to think also it may be the beginning of eventual defeat of world communism. There are encouraging signs. Weaknesses are showing in Red China. Victory in Vietnam. SH Exes Gather for Festive Event

It was a happy homecoming crowd — and a large one — that gathered at Sacred Heart School for festivities Saturday night.

The Tigers' win over Dallas Christian, 14-0, had the crowds cheering and they cheered when Miss Barbara Schmitt was crowned homecoming queen.

The half-time formalities were conducted on the 50-yard line. Queen Barbara, a senior, is the blue-eyed blonde daughter of Mr. and Mrs. Eddie Schmitt. She received her crown from Tiger Captain Larry Hess. Three other class favorites, Debbie Fette, junior; Mary Koesler, sophomore; and Margaret Kralicke, freshman, were princesses. They wore formals and had mum corsages. Their escorts were Steve Kralicke, Sam Endres and Leroy Hess.

Also participating were last year's queen, Miss LaVerne Otto who carried the crown; 1963 Queen Patsy Streng who pinned a banner on the new queen; and 1962's queen Mrs.

Tigers Win 14-0 Over Chargers of Dallas Christian

A big revival in the second half, following a deadlock through the first two quarters, enabled the Tigers to lick Dallas Christian Chargers 14-0 in the homecoming game here Saturday night.

Until intermission the teams were battling it out on fairly even terms. Each had four scattered first downs and Sacred Heart led 10-4 to 83 in total yardage gained.

The Tigers seemed to get off to a good start as Willie Wimmer, on the very first scrimmage play, picked up 40 yards on a pass from Leon Endres. But that was all. The next four tries made only four yards.

Two plays later a recovered fumble gave them a fine opportunity to keep going and runs by Robert Klement and Leroy Hess made a first down on the 5. But again they were stopped. Three tries gained nothing and a pass over the line was intercepted by the visitors.

From then until late in the second quarter neither team made any real headway. That's when the Chargers took inspiration from a recovered fumble and followed up with 59 yards of gains.

Starting from the 29 the first play made 15 and a sprint by Barnes two plays later went to the Tiger 20 before it was stopped by Rudy Koesler. The next series ended on the 12.

During the next half the Tigers made the grade on a (Continued on page 4)

Ervin Henscheid Heads SH Alumni

Ervin Henscheid is the new president of the Sacred Heart Alumni Association since the organization's annual election of officers Tuesday night. He replaces Teddy Miller.

Other new officers are Charles Bayer as vice president succeeding Tommy Herr and Donny Hess as treasurer succeeding Roger Taylor. Mrs. Sylvan Walterscheid continues as secretary.

Planning Begins On Parish Event For Thanksgiving

A traditional observance of Thanksgiving at Muenster is in the planning stage. It started Tuesday night in a meeting of the Sacred Heart Alumni and will continue under the co-chairmanship of Herbie Miller and Ervin Henscheid. The event is sponsored jointly by the Alumni and the Sacred Heart Home-School Society and proceeds will be given to Sacred Heart parish.

As planned Tuesday night, the program features a dinner, an all day picnic and a dance, all at the parish hall. The dinner menu is topped by turkey and country sausage and serving will begin at 11:30 o'clock. After that, through the afternoon and into the night, the usual carnival concessions will be in operation. The dance will be in the parish hall. Name of the orchestra was still not decided.

Band Organizes At Sacred Heart With 39 Students

Two bands are in the process of organizing in the Sacred Heart elementary grades under direction of Sister Jean Marie, who teaches music in the classrooms and also gives private lessons. The beginners class includes 23 from grades 3, 4 and 5; the junior class includes 16 from grades 6, 7 and 8. Sister Jean Marie also has hopes of organizing a high school band.

The two present groups are scheduled for one-hour practice sessions twice a week. Their instruments are mostly rented on a plan whereby the rental payments can be applied on purchase of the instrument after a pupil has had ample time to decide whether to stay in the band.

So far there are no concert plans, however. Sister Jean Marie hopes to have a few members on the program of the annual music recital in May.

Young Farmers To Have Program On Insect Control

A program at next week's Young Farmers meeting is intended especially for farmers with insect worries. Heading the program will be Charles Davis chief entomologist of the Southern Division of Chemagro Corporation.

His talk will be on insect control on small grains and alfalfa, with emphasis on spider mites, green bugs and aphids.

Adult farmers are welcome. The meeting will be held next Monday, the 15th, at 8 p.m. in the ag building of Muenster High School.

Paul Dangelmayr (Patsy Klement), who presented a dozen red roses to Queen Barbara. Before the game, Sacred Heart Alumni Association entertained ex-students starting at 6 o'clock with a social hour and buffet in the teachers' lounge and then moved to the gym for a program honoring graduates of 1944, 1945 and 1955.

Alumni President Ted Miller welcomed the assemblage and emceed the program. Sister Arendt of Lindsay and Alvin Fuhrman and Mrs. Arnold Rohmer.

Five of the 10 graduates of 1945 were present: Mr. and Mrs. Henry Yosten, Mrs. Leonard Hartman, William J. Miller, and Robert Bayer.

Twelve of the 14 graduates of 1955 attended. They are Allen Dale Eberhart, Mrs. Walter Wolf and Mrs. Leroy Schmidtkofer all of Gainesville, Miss Cecilia Zimmerman of Fort Worth, and Paul Hesse, Grand Prairie, and Miss Clara Streng, Carl Walterscheid, Mrs. Arthur Bayer, Larry Hennigan, Mr. and Mrs. Sylvan Walterscheid and Dennis Hofbauer.

Hornets Will Meet Alford Bulldogs Here Friday Night

Now that they are out of the running for top spot in district standing the Hornets are working hard at holding to second place. That's the big idea before them this week as they get ready for the Alford Bulldogs on the local field Friday night.

One point emphasized by Coach James Polk to his boys this week is that they can't take the Bulldogs for granted, even though they are in the conference cellar. There have been other times when Alford came up as a tough opponent after poor previous showing.

In the Hornet camp conditions are good but not quite tops. One of the fellows will be out for teeth surgery and two have been on the sick list. However, the starting lineup is still intact. Handicaps will not be felt until reserves are needed.

Spirit is good too, according to Polk. Losing the big one last week was a disappointment to the boys but not a calamity. If they can't be champs they will be trying just as hard for the runner-up title.

Company's Coming November 23; Muenster Urged to Look Its Best

A city wide dress up project is recommended for the benefit of hundreds of people who will be here on Tuesday, November 23, to attend the formal opening of an elaborate livestock show barn at Colonial Acres Farm.

Commenting on the event Wednesday, Mayor Earl Fisher said that the largest gathering of big business people ever to visit our community will be here for that occasion, and many will take time to have a look at our town. So, we can do ourselves a big favor by making our town look its very best.

An over all appearance of beauty and neatness is easily possible, he said, if every home and business firm will join in the good work.

"That can be especially helpful in some of those visitors happen to be looking for a nice place to start a project. And even if no direct benefit is realized it's worth something to make a favorable impression. It's a case of much to win but nothing to lose, plus a chance to show our civic pride."

Bi-District Game In Catholic Loop Booked for Tigers

Suddenly the Sacred Heart Tigers discover they have another football game on their schedule. They will represent District 6AA of the Texas Catholic Interscholastic League in a bi-district playoff with the representative of District 4AA.

Coach Walter Wolf got the details this week. His opponent, to be definitely determined this weekend, will very likely be Saint Mary's of Fredericksburg. Time and place for the bi-district game are to be decided early next week in a meeting by Father Alcuin Kubis and Walter Wolf with the other school's representatives.

The Tigers are automatically the champs of 6AA, says Coach Wolf, because they are the only team in the district. Three other parochial schools of the area qualify for membership but do not have football. They are Tyler Catholic, St. Peter's of Dallas and St. John's of Ennis. All will participate in the coming basketball program. Tyler Catholic will play football next year and will be on the Tiger schedule.

The Texas Catholic Interscholastic League is divided into two classes: AA for high schools with less than 200 average daily attendance and AAA for high schools with more than 200 average daily attendance. To retain membership in the TCIL a school must participate in at least two of the major sports.

Panthers Wallop Hornets for Lead In District 9-B

Title dreams of the Muenster Hornets were rudely shattered here Friday night by the Panthers of Saint Jo High. They were the winners by a decisive 22-0 count in a sloshy contest on the rain soaked Hornet field.

The Panthers, apparently cinched to repeat as champs of District 9-B, iced the game away in a strong first half and added another easy score while coasting through the second half.

Troubles for Muenster started in the very beginning. Swirczynski's quarterback sneak ending the first series was good for a first down but an off sides penalty spoiled it and forced a kick.

Moments later Lovett sailed around left end for a 21 yard gain to the 22. Then came the first of four fumbles. It was recovered by Glenn Fleitman on the 20 but moments later Saint Jo had a Hornet fumble on the 25.

Next play Lovett got to the 12 and Fleitman recovered another Panther fumble, on the 12. Dale Klement plowed back to the 24 and the fourth fumble two plays later put (Continued on page 8)

Dr. Willis Quits At Saint Jo, Will Return to Tulsa

Unwelcome news on the medical front of Saint Jo and Muenster is last week's announcement by Dr. S. A. Willis of his intention to move to Tulsa. Dr. Willis had his office in Saint Jo and was a member of the Muenster Memorial Hospital staff.

He expressed regret at making the change but said it presented an opportunity he could not afford to pass up.

Dr. Willis and his family moved to Saint Jo from Tulsa in August of last year.

NEWS OF THE SICK

Chris Moster, baby son of Mr. and Mrs. Steve Moster, is recovering from double pneumonia that put him in Muenster Hospital last Thursday.

He was hospitalized two weeks. The eye surgery followed a major operation at Muenster Hospital. Mrs. Weinzapfel stayed in Dallas while he was a hospital patient.

Parish Conducts Three Day Drive For Old Clothing

Muenster's annual Thanksgiving clothing drive for the world's needy in the seventeenth annual campaign for the Holy Father's storeroom will be held next Tuesday, Wednesday and Thursday, Nov. 16, 17 and 18.

Those dates were set Sunday by the St. Anne's Society, sponsors of the drive for Sacred Heart Parish.

As in previous recent years this will be a "quickie" campaign.

The Parish Hall, upstairs, will be the collection depot. Everyone is urged to cooperate by bringing contributions on the designated days. Also emphasized is to have clothing clean and mended. Time does not permit a staff of sewers and menders.

The campaign is accepting all-weather clothing, shoes, bedding and old linens suitable for hospital bandages.

In other business at the meeting members heard a report on the NCCW diocesan convention held recently in Dallas. Mrs. Frank Herr reported. She also reminded members of the quarterly meeting of the Sherman Deaneary NCCW to be held in Pilot Point on Nov. 18.

Mrs. Al Walterscheid, president, presided and Father Andrew led the opening prayer. A program, before business, presented four girls from Sacred Heart High School in a panel discussion on alcoholism. Thirty-eight members were present and Mrs. Tony Gremminger won the attendance prize.

After adjournment the woman joined St. Joseph's Society for a social hour and refreshments.

Bishop Lynch High Is Strong Favorite Over Sacred Heart

The most rugged competition of the season awaits Sacred Heart Tigers' Saturday night when they meet Bishop Lynch High of Dallas. They will be far out of their class, bumping noggins with boys who feel more at home playing against AA and AAA teams.

By way of comparison, Bishop Lynch won 50-6 over Fort Worth Christian, which tied Sacred Heart and it won 44-14 over Dallas Christian, which lost 14-0 to the Tigers.

Coach Walter Wolf feels that chances for a Tiger win are very slim, so they are concerned mostly with looking as good as possible and preventing a scoring spree. All are in good condition and ready for action.

The game is scheduled for 8 o'clock Saturday night in the Dallas Public School Stadium at Pleasant Grove, 6228 Maddox Street.

For those who do not know how to get there, Coach Wolf passes on the following instructions. From Harry Hines Blvd. turn left at the Circle on Loop 12 and follow it to Maddox which is one block beyond Lake June Road and turn left on Maddox to the stadium. Near Lake June Road Loop 12 is also identified as Buckner Blvd. and the stadium can be seen from it some time before the turn off to Maddox.

NOTES FROM THE LIBRARY

The recent death of Thomas B. Castain, noted author, prompts the staff of Münster Public Library to remind readers that several of his books are on the shelves in the local library. Best known are "The Silver Chalice" and "They Moneyman."

"The Silver Chalice" is a work of fiction and the Chalice of Antioch prompted the author to begin the story.

The famous Chalice of Antioch, now owned by the Metropolitan Museum in New York and on display in the cloisters in that city was found in the ruins of ancient Antioch in 1910 and came into the possession of the house of Kouchakji on being sent to the United States at the outbreak of World War I.

Fahim Kouchakji in New York, convinced that it was of utmost importance, engaged the services of Dr. Gustavus Augustus Eisen, a Swedish scholar and authority on Christian art, to study it.

After nine years of research and with assistance of a circle of helpers Dr. Eisen produced a book which was published in two volumes under the title "The Great Chalice of Antioch," in which the conviction was developed that the inner part of the chalice could be the cup used at the Last Supper.

SH Names Miss and Mr. School Spirit

Miss Walterscheid James Voth Marry At Nuptial Mass

Miss Frances Elizabeth Walterscheid and James Henry Voth exchanged wedding vows in a double ring ceremony at Nuptial Mass in Sacred Heart Church Saturday with Father Alcuin Kubis officiating at the 4 p.m. service.

The bride is the daughter of Mrs. Alphonse Walterscheid and the late Mr. Walterscheid and the granddaughter of Mrs. Jennie Schilling. The bridegroom is the son of Mr. and Mrs. Joe Voth.

Mrs. David Walterscheid was vocal soloist before Mass presenting "On This Day" and again after the service singing "Mother at Your Feet" when the bride placed a bouquet of white gladioli on the Blessed Virgin's altar. Anthony Luke was organ accompanist and was at the console to assist the men's choir for Mass. Pink gladioli adorned the altar.

The bride's gown of candlelight peau de soie, with princess slim-line controlled skirt was appliqued with Chantilly lace in rosebud design. The cathedral-length train was petal-shaped, attached at the back waistline with a peau de soie rosebud.

Her bouffant shoulder-length veil fell in tiers from a cluster of flowers embroidered with seed pearls and sequins. Her flowers were white roses and English ivy. She was presented for marriage by her brother Wilmer Walterscheid.

Miss Florence Walterscheid, sister of the bride, was maid of honor and Miss Sheila Voth, sister of the bridegroom, was bridesmaid. They wore formal-length gowns of petal pink peau de soie and matching silk organza hats with a cluster of hand-rolled roses and scalloped circular veils. They carried baskets of pink gladioli and English ivy.

Robert Voth, best man, and Leon Walterscheid, groomsman, brothers of the couple, attended the bridegroom. Another brother, Mark Voth, and Melvin Voth, bride's brother-in-law were ushers.

After the church service a buffet dinner and reception

Garden Club Sets Holiday Bake Sale For December 11

Münster Civic League and Garden Club has set its annual holiday bake sale for December 11. That was the date decided on at the organization's meeting Monday night. As usual the sale will feature a variety of home baked delicacies, some suitable for freezing.

In other business Mrs. Tony Gremminger, reporting on the recent cemetery collection, advised that 28 dollars more has been added to bring the total to \$543.81.

Members of the Sanitation Committee led a discussion on a city-wide fall cleanup campaign, and Mrs. Henry Wein-

zapfel reminded members of a program, "Christmas Ideas for Gifting," which will be held in the Public School at 2 p.m. on Nov. 17.

The meeting was held in the home of Mrs. Martin Bayer with Mrs. Don Bayer as co-hostess and they presented the program on making and displaying ceramics. Mrs. Don Bayer explained procedure and showed a number of pieces in various stages of work and some finished articles. Mrs. Martin Bayer had many lovely pieces she has made on display in her home.

The hostesses served refreshments to 21 members and three guests as they arrived. Mrs. Don Bayer conducted the business session in absence of Mrs. J D Hanna who was out of town. Guests present were Mmes. Gertrude Bayer, Johnny Wimmer and Norbert Koesler.

Next month's meeting will feature Christmas items and ideas by all members. Mmes. Henry Weinzapfel and J. M. Weinzapfel will be co-hostesses.

Sanger Assigned To Class A Loop

Scratch Sanger from membership in the 9-B football district. The Indians have been advised by officials of the Texas Interscholastic League that they are promoted to Class A Competition and are assigned to District 16-A.

That leaves District 9-B with seven members: Münster, Saint Jo, Era, Valley View, Callisburg, Alvord and Chico. The district schedule remains as it was except that home teams now have an open date where Sanger was formerly listed.

The easiest thing in the world to do is to become discouraged.

big start and a big ending. The kickoff return went to the Tiger 45, the next three plays went to the Charger 43 and two more plays later Steve Kralicke broke through and found the way open for a sprint to the goal. A pass for extra points was bad and the count was 6-0.

Moments later Sacred Heart seemed to score another one on an interception and 45 yard run by Larry Hess. But a clipping penalty spoiled it all. The Tigers were back on the 41. During the rest of the quarter they made two first downs, the visitors made none.

The Chargers best threat came as the fourth period started. Three first downs in a row made 49 yards to the Tiger 42, and a penalty added another 15.

On the next play Hobbs went all the way but a holding penalty against his team rubbed out the play and put the visitors back to the 42. Four plays later the Tigers were in business on the 36.

From there Sacred Heart put on its best show of the game. Twelve plays gobbled up the 64 yards, Robert Klemment making the last 9 and also going over for bonus points.

In the opener the score was tied at 9-9 at the half and Sacred Heart took a lead in the third quarter and held on to the end. Joyce Schmitt's 10 points was high.

Next game the Tigerettes trailed 7-2 at the first quarter then took a 19-11 lead in a hot second quarter. During the second half they added 3 points to their margin for the 33-22 win. Mary Wimmer and Barbara Schmitt, with 14 and 13, were top scorers.

The same teams will meet again next Tuesday at 7 in the Sacred Heart gym.

Frank Sicking left Sunday to return to Fallon, Nevada, after a week's visit in Muenster with family members. He came especially to see his mother, Mrs. Ben Sicking, after she suffered a heart attack that sent her to Muenster Hospital. During the week he saw most of the relationship and many of the things that are new in Muenster since his previous visit 26 years ago. On the way back home he had a seven-hour lay-over at Denver, Colo., between flights and his niece and family, the Anthony Lamanas who live there, met him and he spent the time with them.

Muenster visitors for the first time Saturday were Mr. and Mrs. Raymond Henscheid of Pocatello, Idaho. They had dinner with his uncle and aunt, the Leo Henscheids, and visited in the afternoon with Bill Henscheid and the Albert Henscheids and Albert Herra. The couple came here before attending the National Savings & Loan Convention in Dallas where they are spending this week.

Mr. and Mrs. Howard Mollenkopf and daughter Jana of Denton visited over the weekend with their families, Mrs. George Mollenkopf Sr. and Arthur Endres and attended SHH Homecoming.

Sister Berencie and her brother, Harold Trachta both of San Antonio, visited here over night Saturday with their mother, Mrs. Frank Trachta, after being in Dallas to visit their brother, Roman Trachta, of Fort Worth, who is a patient at the VA Hospital in Dallas. They stopped there again for another visit on the way home Sunday. Earlier in the week other relatives visited with Roman at the hospital. These were his sisters, Mrs. Leo Henscheid and Mrs. Oris Russell and Mr. Russell of Gainesville and a brother, Vincent Trachta of Admore, Okla.

Mrs. John Chandler came from Dallas during the weekend to check on her aunt, Miss Anna Hellman, a patient at Muenster Hospital.

Helping Jim Myrick celebrate his Nov. 4 birthday were his mother Mrs. T. S. Myrick and his sister, Mrs. Pat Stelzer and daughter Rene, who went to Denton for the birthday dinner.

Among out of town former students back at SHH Homecoming celebrations Saturday was Donald Rohmer of the University of Dallas. He brought four boy friends from the university with him. They hail from New York, New Jersey, Brownsville and Houston and were seeing Muenster for the first time. They were house guests of Donnie's parents, the Arnold Rohmers, and all joined in the homecoming program.

Mr. and Mrs. Al Horn and Tony Wimmer were recent visitors in Oklahoma City and brought Mrs. Wimmer home with them. She had spent five days there with her parents, Mr. and Mrs. Henry Lueb.

A. E. Souther of Dallas was a Muenster visitor Saturday combining business and pleasure. He was the guest of old friends, the Dick Cains.

Ray Wimmer of Arlington State College and Carol Wimmer of Dallas spent the weekend with their parents, the Lawrence Wimmers, and took in SHH Homecoming celebrations.

Mr. and Mrs. Randy Bayer and children of Grapevine spent the weekend with their families the Frank Bayers and T. Miller and attended the SHH homecoming program.

Mr. and Mrs. Tony Wiesman 1605 Peterson, Gainesville, spent three days last week in Fort Worth with their son and family, the Don Wiesmans, and went to a wrestling match one night. They also visited the Albert Wiesmans. Mrs. Albert Wiesman is a patient at Harris Hospital. Mrs. Tony Wiesman has also been in Muenster to visit her mother, Mrs. Bob Yosten who is a shut in at the home of her son and family, the Leonard Yostens, making progress in recovering from a broken arm and leg.

SOIL CONSERVATION DISTRICT NEWS

Progress in the application of conservation practices in the Muenster-Saint Jo area of the Upper Elm Red Soil Conservation District continue in spite of inclement weather the past few weeks.

Albert Reiter has completed 16,000 feet of terraces on his farm southeast of Muenster. These terraces protect about 100 acres of cropland and outlet onto a King Ranch Blue-stem waterway.

Cleo Butcher of Hood has built a 1,000-foot diversion terrace and 5,700 feet of field terraces on one of his cropland fields. They empty onto a Bermuda grass waterway.

John and Joe Kleiss have built a diversion terrace to cut the hill water off one of their cropland fields west of Muenster.

Leon Young of Saint Jo is building 2,500 feet of field terraces with his farm equipment. The terraces will empty onto Midland Bermuda pasture that he sprigged in March of this year. He also built a 1,300-foot diversion and 3,200 feet of terraces earlier this year, and cleared over 100 acres of brush the past few years. He has a good stand of Midland and Coastal Bermuda on most of the land.

Howard Sockwell of Forestburg reports an excellent stand and cover of Coastal Bermuda — only six months after planting — on 40 acres of cleared land on his place. Brush was dozed and the land plowed in December. Howard gives much credit for the good cover and stand of grass to the fact that the land was plowed and left rough through the winter months.

Landowners getting in a conversation with Mr. Sockwell will be convinced that now is the time to get a seed-bed started.

Uncommonly good cooks use cool, modern gas

When you turn on a modern gas range it starts cooking—Instantly. There's no warm-up period. When you turn off a gas range it stops cooking—Instantly. There's no hangover heat to heat your kitchen or burn your food. And when you broil with gas you can keep the door closed because the gas flame consumes the smoke. You and your kitchen stay cooler, cleaner. Uncommonly good suggestion: see the modern gas ranges now on sale at Gas Appliance Dealers—or Lone Star Gas.

Lindsay News

Two boys from Lindsay, students at Subiaco Academy earned listing on the school's honor roll for the first quarter. They are Edward Schad, son of Mr. and Mrs. Ed Schad, and Norbert Fuhrmann, son of Mr. and Mrs. Joe Paul Fuhrmann. Edward is a senior and Norbert is a sophomore.

Miss Cecilia Zimmerer of Fort Worth spent the weekend with her parents, the Johnny Zimmerers, and attended SHH homecoming.

Gene Schmidkofer has returned to Lindsay after being in California on a job since last April. Before he left for Texas he visited his parents, the Frank Schmidkofers at Downey, Calif. They gave a farewell dinner for him. Also sharing honors at the time were Mr. and Mrs. Charles Green who observed a wedding anniversary, and their son who had a birthday. Herman Neu was among guests.

Annual Thanksgiving clothing drive for the Holy Father's storeroom will be held in Lindsay next week, Monday, Tuesday and Wednesday, under direction of St. Anne's Society.

On Monday, Nov. 15, CCD leaders of discussion groups will meet in the rectory with the pastor to organize for a new course of study.

The Leonard Bengforts and children were in Muenster Tuesday evening helping her father, John Herr, celebrate his birthday at a party in his home. Other guests from Lindsay were Mr. and Mrs. Martin Friske.

Muenster Juniors Lose to Lindsay

Juniors of Muenster Public School were the victims of a 24-0 drubbing at Lindsay Tuesday night. It was another case of being outclassed, and the Lindsay lads had little trouble in getting their four touchdowns — one each in the second and third and two in the fourth quarter.

Two of the scores resulted from long drives, another was set up by a long run, the other by returning a pass interception to the 20.

Weekending with the Dick Cains were their children and families the Bill McCollums of Dallas and the Gene Hartmans of Denton. Mrs. Gene Hartman and daughters spent last week with her dad and family while her mother was in Dallas at the McCollum home recuperating from dental surgery.

Saint Jo in charge on the 28. From there the Panthers made it in seven plays, Lovett going for the final 2 less than a minute from the end of the first quarter.

Following the kickoff Muenster started with a first down but then ran out of steam. A kick ended the next series. The Panthers too had to kick ending their next series.

An intercepted pass at that point put the Panthers on the way to their second touchdown. From the 40 Lovett streaked down the sideline and reached the 4 before Swirczynski bumped him out of bounds.

Bell went over the next play however a pushing penalty nullified it and set the ball back to the 19. From there Yetter went to the 1 and Bell made the last yard. Lovett followed over for bonus points.

The second half was a defensive struggle in which Muenster earned two first downs and got another for free as a result of a penalty. Saint Jo made only one first down, but kept the Hornets backed into their end of the field with fine kicking by Bell.

Muenster's only worth while gain was 38 yards on a pass to Klement.

Trouble in Muenster's kicking department is what gave the Panthers their last touchdown. Early in the fourth quarter, facing fourth down on the 15, Swirczynski dropped back to punt. The pass from center went high over his head. He went back and scooped it up but could not get away. Saint Jo had a set up on the 3. Two tries were enough. Lovett made the TD from the 2 and went over again for bonus points.

Plan Complete for Homecoming at Lindsay Nov. 20

Members of Lindsay Athletic Association have completed plans for the school's annual homecoming celebration on Saturday, Nov. 20. Plans were announced at the association's November meeting.

The program will get under way at 7 pm. with crowning of a homecoming queen before the Knights tangle with Gunter. All ex-students will be guests for a social hour and buffet in the Parish Hall and the grand finale will be a dance in the Gun Club Hall.

Queen candidates are Linda Hoelker, Diane Zimmerer, Margie Fuhrmann and Janet Arendt. From these one will be chosen by popular vote of the high school students.

Invitations have been sent to all ex-students of Lindsay School from as far back as the early 1900s. However, an invitation is not necessary. All are being urged to attend.

Special guests this year will be those who graduated from the 10th grade in 1932 and 1933 students from the first high school graduating class from the 12th grade in 1935. There'll be a door prize and a gift for the oldest ex-student attending. The CYC will sponsor the dance.

Other business at the meeting was routine. James Bezner, president, presided and Father John Walbe led the opening prayer. He announced that the bell from the old grade school has been hung in the football stands and will be used as a victory bell.
