

Something that seems both unnecessary and unjustifiable is the idea of printing ballots in Spanish as well as English. We are told that, because of all the Mexicans now in this country, we are a bi-lingual nation and we have an obligation to give them the kind of ballot they are able to use.

All of which seems a bit too considerate. In the first place, a big majority of US citizens of Mexican origin know English and don't need the other language on their ballot. And if there are citizens who still don't know our language, they are delinquent in their citizenship and do not deserve the right to vote.

To our way of thinking, our country should not be expected to accommodate people who prefer their mother tongue. On the other hand, it ought to be understood that people who want to be US citizens should manage to get along with our language. If they wish to be a part of this country let them adjust to our ways, not we to theirs.

Besides all this, one wonders whether the person who can't talk English would be sufficiently interested or sufficiently informed to vote. Except in a few areas of condensed population, those Latins don't get to hear or read the issues in their native language, so they are not really qualified to vote.

The same principle applies in education. We taxpayers are expected to provide instruction in Spanish because so many of the Mexican kids are not able to communicate in English. So the reasonable attitude again seems to go back to that old saying "when in Rome do as the Romans do." If they want to be in this country, let them talk and live our way. Another thought on the same subject: Is there any other country anywhere in the world which provides this kind of convenience for people who decline to learn the official language? This issue would be proper for the present election campaign. The state ought to eliminate the absurd requirement as a matter of both principle and expense.

Our sympathy is with the people of Dallas who are told they will have to bus school children whether they like it or not, just so that the races can be mixed. Some busing supporters say their reason is to assure equal opportunity to blacks and whites, but that could be achieved with less hassle and less expense simply by improving the schools that are now judged as sub-standard. Under the busing arrangement it's still necessary to equalize facilities in order to equalize opportunity. So the net result is that scholastic benefit derives from educational standards but busing serves only to mix the races.

Perhaps that fact could be tolerated if attitude were improved. But the records show that busing causes tension and friction rather than harmony. Besides, it requires daily long rides by the kids and takes them away from influence and association of their neighborhood schools. In addition to all this it runs up an exorbitant bill for taxpayers, . . . the cost of hundreds of buses and as many drivers plus the consumption of vitally needed fuel. Just suppose that someone wanted primarily to impose a useless burden on children and adults, what way could achieve it more effectively than busing? One wonders when Congress will eventually come to realize that this miserable boner needs to be eliminated.

Despite being disillusioned with Secretary of State Henry Kissinger, this column cheers proposals by himself and President Ford to put the pressure on Cuba for its help in turning Angola over to Communist control. If the Moscow and Havana mobsters have a right to support a red takeover in Africa US should have an equal right to support the anti-red people in Cuba.

Some congressmen are warning against that kind of action, reminding that we should have learned from the Vietnam disaster to avoid another such debacle. Their caution is reasonable, too. No one can foresee how involved we may become — even whether we'd take a chance of touching off the third world war. But we are in-

Final Service for Mrs. Geo. Koelzer Set Friday, 9:30

Mrs. George Koelzer, 74, died in Muenster Memorial Hospital Wednesday at 6 p.m., only eleven days after the death of her husband. She had been a hospital patient for forty days.

Rosary will be recited at 4 p.m. Thursday and wake service will be held at 8 p.m. in the Nick Miller Funeral Home chapel.

Funeral services will be held at 9:30 a.m. Friday in Sacred Heart Church with Father Placidus Eckart officiating and burial will be in the parish cemetery under direction of Miller Funeral Home. Pallbearers will be Frank Schilling Jr., Dwayne Schilling, Alcuin Schilling, Melvin Schilling, Theodore Walterscheid and Joe Pelzel Jr.

Mrs. Koelzer, the former Miss Antonia Schilling, was born on January 18, 1902, in Westphalia, Texas, a daughter of the late Mr. and Mrs. John Schilling. Her family came to Muenster when she was a child and she has lived here since then. She was married to George Koelzer in May 1925 and the couple observed their golden anniversary last year. Her husband died of a heart attack on March 20.

She is survived by two sons, Earl and Ivan of Muenster; one daughter, Mrs. Celine Dittfurth of Muenster; twelve grandchildren, six great-grandchildren; six brothers, Albert, Frank, Mike and Carl Schilling of Muenster, Andy Schilling of Seymour, and Arnold Schilling of Saint Jo; one sister, Mrs. Angeline Pelzel of Pilot Point; one half-sister, Mrs. Tony Fleitman of Muenster; and her step-mother, Mrs. John Schilling of Muenster.

Dinner and Dance Will Observe VFW 30th Anniversary

Members of the Muenster VFW Post, No. 6205, are getting set for a big observance of their thirtieth anniversary. The event on Saturday, April 24, will consist of a steak supper at 7 p.m. followed by a short program, then a dance featuring the music of Corky and the Del Rays. The cost will be \$10 per couple.

Persons planning to attend are asked to notify Archie Hess, chairman on or before Monday, April 12.

April 12 is the date for the next VFW meeting which will be headed by the annual election of officers.

Tigers Are Tops By Strong Margin In Tiger Relays

Sacred Heart Tigers had a great day Friday in claiming the champ trophy in the Tiger Relays on Saint Jo's track. State President Will Head Jaycee Banquet Program

Mike Moore, state president of the Jaycees, will headline the program of the Muenster Jaycees' Fourteenth Annual Awards and Installation Banquet Saturday night in the Community Center.

Also high in local interest is the presentation of awards to the outstanding citizen of the community and the outstanding member of the Jaycees. The identity of each is a secret until the presentation by Past President Claude Klement.

Robert Miller will direct the program as master of ceremonies and also introduce the guests. Besides presenting awards Claude Klement will give the invocation and review the past year's activity. The new president, Jim Endres, will lead in recitation of the Jaycee Creed and comment on the chapter's outlook for the coming year. Tom Flusche will lead the Pledge of Allegiance. Mayor David Bright will extend the city's welcome, John Schneider will install officers and Chris Sicking will present travel awards.

Officers to be installed are Jim Endres, president; John Schneider, first vice president; Jack Flusche, second vice president; Alan Miller, secretary; Ronnie Flusche, treasurer; Chris Sicking, state director. Directors are Wayne Klement, Willie Fisher, Tom Flusche, Dale Walterscheid, Phil Endres, Tim Endres, John Pagel, Harold Flusche, Pat Endres and Bob Endres.

Tony Fuhrmann Of Lindsay Dies

Tony Fuhrmann, 88, a long time resident of Lindsay, died Monday at 11:10 p.m. in Muenster Memorial Hospital.

Rosary services in the Geo. J. Carroll and Son chapel were held at 4 and 8:30 p.m. Tuesday and Wednesday.

Final rites with funeral mass were held Thursday morning at 10 in St. Peter's Church, Lindsay with Father Dampian Wewers officiating and burial in Lindsay cemetery was directed by the Carroll funeral home.

Pallbearers were Arnold and Larry Flusche, Keith Hess, Mike Hofbauer, Denis Fuhrmann and Steve Fuhrmann.

Mr. Fuhrmann was born in Iowa on July 26, 1887, a son of the late Mr. and Mrs. Henry Fuhrmann, and came to Lindsay with his family in the early nineties. He was married to Lucy Johnson in Lindsay on November 7, 1911, and they have lived in Lindsay since then except two years in Oklahoma and five years at Muenster. His wife died in 1967 and a daughter died in 1944. He was a retired farmer.

Survivors are two daughters, Mrs. Mike Schilling and Mrs. Ed Hess of Muenster; two sons, Willie of Gainesville and Marcus of Lindsay; one sister, Mrs. Alfons Koesler of Muenster; two brothers, Willie and H. S. of Lindsay; and 26 grandchildren and 35 great grandchildren.

Everything's Ready for German Week Festival

Everything is ready for this community's big German Week festival April 29 through May 2. Planning for it was completed in a special meeting in the KC Hall Monday night when booths were assigned for concessions in the big tent and chairmen of the feature events reported that their arrangements are on schedule.

The overall program opens Wednesday night with a bicentennial pageant in the auditorium. The next night will present a pageant in the Community Center for selection of the festival's queen. And the next three nights will be taken up with dances: Friday in the Community Center, Saturday in the KC Hall and the Community Center, and Saturday night the Bicentennial Ball in the Community Center.

Local Collections For Cancer Drive To Be Held Sunday

The annual Cancer Crusade collection in Muenster will be held Saturday and Sunday at all services in the two local churches. Arlin Naegeli, community chairman, said arrangements have been made to accept contributions at the church doors following the services.

And more donations are expected in response to letters to local business firms from the county cancer headquarters. Amounts received from that source will be credited to Muenster and added to the local donations.

Along with collecting, the Cancer Society is handing out leaflets on the warning signals of cancer, the recommended safeguards against cancer, and a review on how the cancer society spends its money.

Naegeli pointed out that 25 percent of the funds are used for cancer research, 11 per cent for professional education, fellowships and services; 22 per cent for public education; 29 per cent for service to cancer patients, 5 per cent for program development and administration; and 8 per cent to finance the annual cancer crusade.

Services Held For Al Bayer

Funeral service for Aloys (Al) Bayer, 73, a native of Muenster, were held at 10 a.m. Monday in St. Mary's Church, Gainesville, with Father James Gillespie celebrating the Mass and delivering the funeral sermon. He was assisted by Father Placidus Eckart, who gave the readings, by Father Harry Fisher, who recited the graveside prayers, and by Joe Walter as lector. Rosary was recited in the funeral home chapel Sunday at 8 p.m.

Burial in Fairview Cemetery was directed by Geo. J. Carroll and Son Funeral Home. Pallbearers were Robert Bayer, Leonard Bayer, David Bayer and Alvin Hartman of Muenster, and Robbie Loerwald of Gainesville and Wade Meador of Canyon.

Al Bayer died Saturday morning in Frontier Manor Care Center ending several years of failing health and about eight months of critical illness.

He was born in Muenster on April 8, 1902, a son of Mr. and Mrs. John Bayer, pioneer residents of the community. He spent his early years here, was married to Marie Loerwald of Lindsay on March 14, 1933. He moved to camp Howze in 1941 and to Gainesville in 1944. His wife died in 1971.

Survivors are three daughters, Loretta Davis and Lorette Trammell of Gainesville and Lavonia Brewer of Tulsa; one son, Joe, of Irving; two sisters, Mrs. Victor Hartman and Mrs. Norbert Klement of Muenster, four brothers, Frank, Martin, George and John of Muenster; and 11 grandchildren.

Donald Bayer of Waco and Nelda Bayer of Dallas were here during the weekend to visit with their parents, the Martin Bayers, and to attend the funeral of their uncle, Al Bayer.

Miller Is County Spelling Champ

Bert Miller, eighth grader of Sacred Heart School is the winner of the Cooke County Spelling Bee held last Saturday in Cooke County College.

The win qualifies him to compete in a bee in Dallas on May 8, sponsored by the Dallas Morning News. The winner of that contest will advance to the National Spelling Bee in Washington D.C.

The alternate declared at last Saturday's spell down, was Mandy Moore of Gainesville Middle School. Other contestants were Cornelia Johnson of St. Mary's, Shane Nichols of McMurray School, and Dorian Boggs of Ben Franklin School. County Superintendent Kit Carson was bee director.

Bert is the 14 year old son of Mr. and Mrs. Herbert Miller. He won in a bee of 40 contestants at Sacred Heart on February 26.

Conservation Banquet Set For May 6 at Whitesboro

Whitesboro is the host city and Thursday, May 6, is the date for the 27th annual awards banquet honoring conservation champions of the past year in the Upper Elm Red Soil and Water Conservation District.

Plans for the event were made last Thursday in a special meeting of sponsors, who include the banks, newspapers, radios and TV stations of the three county district. Its program will honor all conservation farmers and ranchers of the district and

SH Hosts County 4-H Elimination In Demonstration

The 1976 4-H Method Demonstration Eliminations for Cooke County were held Friday night at Sacred Heart High School. About 140 4-H members and adults were there as participants or spectators.

The Method Demonstration contest consists of a number of subject categories in which 4-Hers prepare an illustrated talk or demonstration presented by either an individual or a team of two and given within a specified time period. The first place winners in junior and senior divisions represent Cooke County in the district contest at TWU in Denton on April 10. First and second place senior winners in each category will represent District 4 at the State 4-H Roundup at Texas A&M University on June 1 & 2.

Muenster winners are listed below in their respective subject categories. Agronomy: Sam Hess and Troy Wolf, junior team from Sacred Heart 4-H. Paul Reiter and Doyle Klement, senior team from Sacred Heart 4-H. Community Improvement: Mark Miller and Darrell Swirczynski, junior team from Sacred Heart 4-H.

Family Resource Management Educational Activity: Bernadette Knabe, junior individual from Sacred Heart 4-H Club.

City, School and Hospital Have Elections Saturday

One of the few elections of recent years in which voters have had a choice will be held here Saturday, April 3, to decide who will occupy two places on the city council.

One of those contests is for the Place 1 position for which Incumbent Richard Grewing is being opposed by Leonard Endres. The other race is for Place 4, in which Roger Taylor and Earl Walterscheid are opposing Incumbent Leo Hess. That is the extent of action in the city election. Aubrey Tuggle, asking for re-election, has no opponent.

4 Muenster Boys Advance to State 4-H Rifle Contest

Four Sacred Heart 4-H'ers will represent Cooke County in the State 4-H Rifle Contest to be held at Texas A&M University on June 1. Team members, Billy Felderhoff, son of Mr. and Mrs. Thomas Felderhoff, Dick Dangelmayr, son of Mr. and Mrs. Albert Dangelmayr, Leon Bayer, son of Mr. and Mrs. Alfred Bayer, and Melvin Hess, son of Mr. and Mrs. Albert Hess, all of Muenster, won second place honors at the District 4-H Rifle Contest held at Arlington Saturday, March 27.

The team score of 630 points stood second behind Tarrant County's first place team. The top two teams are entitled to represent District 4 at the State Contest. Billy's score of 243 placed him as the fifth highest individual in the Senior Division.

The Rifle Contest was conducted according to N.R.A. Small Bore Rifle Rules. Contestants used 22 caliber rifles, firing on the indoor range at the University of Texas Campus in Arlington.

That also is the extent of action in all of the elections to be held here on April 3. School district and hospital district ballots both present a list of unopposed candidates.

In the school trustee election D. J. Hellman and Urban Endres have no challengers to their re-election on the board. And John David Meurer is also unopposed as a candidate to succeed Theresa Walterscheid in Position 5.

Likewise the ballot for the hospital district election has a list of five unopposed candidates. Albert Dangelmayr, Rufus Henscheid, Ray Voth and Norbert Walterscheid are seeking re-election, and William Hermes is the lone candidate asking for the position vacated by Norbert Felderhoff.

As a convenience to voters, all three of the elections again are being held in one location . . . the Muenster Public School. Voting hours are 8 a.m. to 7 p.m. Charles Cash will be election judge and Edgar Dyer the clerk in school and hospital elections. Joe Horn will be election judge and Lee Toothaker the clerk in the city election.

Doris Felderhoff Is All-American

Doris Felderhoff, a member of the Stephen F. Austin University women's basketball team and a former member of the Muenster High School team, has been selected on this year's Eastman Kodak All-American team.

Doris is a 6'0" center for the SFA Ladyjacks, a junior, and a daughter of Mr. and Mrs. Henry Felderhoff. She is one of ten girls named on the nationwide dream team.

All team members were honored last week at the Association of Intercollegiate Athletics for Women (IAAW) basketball tournament at State College, Pa., where Delta State defeated Immaculata 69-64 to win the national college title.

Teacher Attends Dallas Conference On Talent Salvage

Sister M. Alberta, specialized teacher of reading at Sacred Heart School and director of the Reading Lab, attended the fourth annual conference of the Dallas Chapter of the Orton Society, on March 26-27.

Theme of the conference and instructional programs was "Salvaging the Talents of the Child With a Language Learning Difference".

A sampling of topic sessions included lectures on "Recognition and Management of the Child with a Language Learning Difference", "Tools Needed for Development in the Pre-School Years", "The Slingerland Method", "The Orton Approach", "Learning Without Failure", "Help in the Classroom with a Language Learning Difference", "The Dyslexic Copes". A workshop and brief of the "Youth in Trouble" symposium were also included.

Sr. Alberta said that of special interest during one session studying Learning Differences was the panel of young adults who are still in college or have finished and are faced with the challenges of the business world.

Spelling is still their major difficulty. Most said they preferred to objective tests. They had to spend more time studying with only equal or less returns, grade wise.

All the students appreciate their language training which is enabling them to achieve a degree.

Rain Measures .18

Good rain prospects for the community fizzled again last Sunday as occasional drizzles added only .18 inch, and increased the month's total to 1.97 and the first quarter total to 2.47 inches.

The amount is more than that of the first quarters of '71 and '72, which had 1.73 and 1.18 respectively, however it combines with the previous six months for a total of only 11.67 in nine months.

Nevertheless grain fields have a fine color, still with apparent possibility of a fair yield.

Rev. Francis Talks At State League District Meeting

Fr. Francis Zimmerer of Decatur was guest speaker Sunday at the Northern District meeting of the Catholic State League, in Lindsay, highlighting the program and tracing the development of the Youth Section that began in 1939.

Another high-light was the

presentation of prizes and certificates to winners of the Youth Essay contest. Junior High winners were, first place Erin Shaughnessy of St. Pius X Parish, Dallas and Brian Bindel, Sacred Heart Parish of Muenster, second Carol Ostermann of St. Mary's Parish at Windthorst and John Frich of St. Pius X of Dallas; third Joyce Hermes and Roger Dieter, both of St. Peter's Parish in Lindsay.

Senior high winners were first, Barbara Lindeman of Windthorst and Arnold Yosten of Muenster; second Martha Fuhrmann and Roy Metzler, both of Lindsay; third Mary Kay Caplinger of Muenster and Christopher Lee Neeb of Windthorst.

The Catholic State League Insurance Branch of Lindsay provided prize money. Leonard Hermes, Sr., presented money awards and Wilfred Bindel presented certificates.

The Sunday meeting, held in Lindsay began with Bene-

diction at 1:30, followed by a welcoming address by Father Damian. Father Stephen of Muenster led the opening prayer. Denis Walterscheid presided, Lindsay cub scouts and cub-master Ray Hermes presented the colors and led the pledge to the flag.

Milton Schmidtinsky, state president issued an invitation to the state convention, July 17-19 in San Antonio. Substituting for Mrs. Matilda Anderle, Mrs. Denis Walterscheid, state vice president, discussed women's division projects, Masses for Missions, sewing of mission goods, such as First Communion dresses, hospital gowns, rolled bandages and Priest Kits.

Nick Block of Lindsay gave the treasurer's report. Also reporting was Mrs. Ray Lindeman, Vice-President of Windthorst. Johnny Gass, former state president mentioned the illness of spiritual advisor Father Albert Henkes, whose address is Box 597, Boerne, Texas 78006.

All officers were re-elected. Windthorst delegates invited attendance at a Youth Day on April 25. Father Stephen closed the meeting with prayer.

Ninety one registered from Dallas, Honey Creek, Fredericksburg, Scotland, Windthorst, Muenster and Lindsay.

Before the afternoon session, Kelly and Kim Zwinggi entertained with vocal selections and electric guitar accompaniment. Following the close of the meeting, members of the Christian Mother's Society of Lindsay served a turkey dinner.

Grade 7 Presents Heritage Program To Parents Group

A Bicentennial program by Dorothy Bengfort's 7th grade class on the founding and heritage of Muenster and an open forum of parent-teacher viewpoints, followed by films, were included in the March meeting of the Home-School Society last week Tuesday.

Tony Hess presided for the business meeting. Committee chairmen reported on a very successful Mardi Gras festival. Sister Georgia reported on uniform pants and shirts for boys in elementary grades and said samples will be displayed at next month's meeting. She also said that parent-teacher conferences are scheduled with the date pending. Also she called attention to the County Spelling Bee on March 27 and the 4-H Method Demonstrations on March 26.

Sister Mary John urged attendance at other bicentennial observances in the area. She also mentioned the monthly paper drive sponsored by SHS. She announced a meeting on the Diocesan School Board on Saturday, April 3 at Sacred Heart and said that it is open to anyone wishing to attend from 9 a.m. - 1 p.m.

The annual art show at SHS will be held on May 8 in the gym. Local people are invited to exhibit art work in a division for guests.

Election of officers will be held at the April meeting.

Draft Boards of State Terminated

Colonel Melvin N. Glantz, State Director of Selective Service announced that all Selective Service Local Draft Boards in Texas will be terminated on May 8, 1976. Similar actions will occur in all states on that date as Selective service continues to reduce its operational capability. On February 28th all draft board offices were closed.

Texas has 525 members assigned to the 96 draft boards of the state. These board members who have served in an uncompensated capacity were responsible for classifying Selective Service Registrants. Since all registrant processing has been halted there remains no active mission for the draft boards.

Only a small stand-by draft organization will remain to maintain emergency plans and train a small pool of reserve and national guard officers in procedures for restoring Selective Service System in the event of a National emergency.

Hornets Win Both In Double Header With Jackrabbits

Still going strong, the Muenster Hornets boosted their baseball standing to 5-0 in a double header win over Bowie's Jackrabbits on the local field last Thursday.

In spite of fewer hits and more errors they managed two runs while a bunch of Bowie's boys died on base. The score was 2-1, and the second game was 6-4.

Big thrill of the first was a triple play in which Shortstop Danny Endres caught a line drive, tagged second and fired the ball to first before those runners could get back to base.

Nick Walterscheid pitched, allowing 4 hits and 2 walks while fanning 2. The Bowie hurler gave up 2 hits and 2 walks and struck out 3. Meanwhile Muenster made 5 errors and the visitors 2.

Muenster's first score came in the first as Bob Endres singled, stole second and got home on sacrifices by Kim Walterscheid and Tim Wolf. In the fourth Nick Walterscheid singled, stole second and came in on an overthrow. Bowie got its lone run in the 7th.

The next game featured lots of hits on both sides as Dan Endres gave up nine along with 3 walks and fanned 3. Meanwhile Bowie's hurler allowed 13 hits and 5 walks and fanned 1. The Hornets started with 2 in the first and added 1 in the third and 3 in the fourth. Jackrabbits got hot in the sixth and seventh with a barrage of 7 hits for 4 runs. With 2 out and runners on base, Bowie had a chance in the final inning when Tim Wolf came in as a relief pitcher and ended the contest.

Hornet hitters were Bob Endres a double and a single,

TEJAS 1876
SAN ANTONIO — The Committee on War Expenditures of the House of Representatives has summoned several Texas men to Washington to testify before the committee. Among those summoned is James Trainer of San Antonio.

HOUSTON — Efforts are being made by the directors to make the Seventh State Fair, to be held here the first week in May, a more extensive and attractive exposition of the kind than any which has yet taken place in Texas.

RAINS COUNTY — All the prisoners in the Rains County Jail escaped last week.

GALVESTON — The number of cases docketed during the past week in the Recorder's Court were twenty-seven. Of these, thirteen were fined, the fines amounting to \$90, independent of the costs; seven were discharged, and nine continued to next week.

WACO — Last night and this morning the weather was the coldest we have had this winter — a regular old freezer. It is feared all the early fruit was killed.

HOUSTON COUNTY — There was no service of any kind in any of the churches at Crockett Sunday, in consequence of the smallpox scare. The bridge across Hurricane bayou is completed; it is a very substantial structure.

COMAL COUNTY — The penetration of Western Texas by railroad will, it is hoped,

Letters to the Editor

Dear Editor,

I am writing this letter as a rebuttal to Mr. Fette's editorial of March 19, 1976. Mr. Fette's editorial centered around nuclear energy and how its development has been stymied by environmentalists and bureaucrats. According to Mr. Fette's sources, nuclear energy is safe and the chances of a horrible accident are 300 million to one. I would like to see how this statistic was derived. Even if the statement is true the chance is still too great for any of us to consider.

Nuclear energy appears to some to be the panacea of all energy problems. It is true that nuclear energy can produce a great deal of power in the form of electricity, something which is dear to us all. Why then should its development be held up by "cranks and environmentalists". Mr. Fette mentioned only one reason for the hold up, that being the possibility of a catastrophic accident. Admittedly, the nuclear energy accident is a good scarecrow and has been used as such in the past. However there are some additional sour apples in the nuclear barrel, a barrel leveled at you, the average American.

A few problems associated with nuclear energy are thermal pollution, routine low-level emissions, uranium mining hazards, and radioactive waste disposal.

Thermal pollution or heat pollution is created when nuclear plants are cooled off using lake or river water or perhaps letting the heat go up the smokestack. Abnormally hot water introduced into a lake or stream has a tremendous environmental impact. It reduces the oxygen content of the water and adversely affects fish breeding areas. Heat introduced into the atmosphere can induce unfavorable climatic changes.

Routine low-level emissions is another way of saying radioactive isotopes released into the air and water during the normal operation of a nuclear power plant. At present the amount of radioactive isotopes released in this manner is not a serious problem but could become a real threat if nuclear power plants are developed in numbers like the AEC (Atomic Energy Commission) would like to see.

Hazards of uranium mining need no great explanation. It has been proven by former employees of the AEC that 125 uranium miners have died from lung cancer, a direct result of inhaling radioactive dust. Many more such workers are expected to die for the same reason.

The most astonishing problem created by nuclear power plants in operation today is the disposal of radioactive waste (plutonium). Nu-

clear power plants today use a process called nuclear fission. This process creates a waste product called plutonium. Plutonium can be used to make atomic bombs and is considered very dangerous. The amount of plutonium produced by nuclear fission reactors takes approximately 500,000 years to be rendered harmless. At this very moment we are paying taxes to have this waste product guarded to prevent theft by terrorists.

It is known that a device called a breeder reactor could potentially use plutonium to produce more energy and completely use up the dangerous waste. The breeder reactor is still being developed and may not be in use for another 20 years.

Another process known as nuclear fusion can create tremendous energy without a dangerous waste product. Nuclear fusion is still in the development stage. Even if the fusion process becomes a reality there still exists the sour apples previously mentioned.

Mr. Fette's editorial mentioned that our authorities are dragging their feet with regard to making better use of other energy sources. I agree with him on this but for different reasons. Mr. Fette would like to see full scale drilling operations started in every quarter. We undoubtedly need oil but let's do it right. Offshore drilling rigs must be better constructed to prevent spills; the ocean is no man's trash barrel. The Alaskan pipeline will help our present situation but it, like other petroleum oriented projects, is a short-range solution. The Alaskan reserves serviced by the pipeline could be drained in less than five years.

I wish Mr. Fette would have gone into other energy sources that are being relatively neglected. Solar energy is my favorite form of energy but it is all too slow in coming. The March issue of National Geographic has an excellent article on solar and geothermal energy for interested readers. Like the title of the article states, "Solar Energy, the Ultimate Powerhouse".

There are other forms of safe energy that are neglected such as wind and wave action but I am sure these will become increasingly important.

In closing I would like to agree with Mr. Fette on one other topic, but again for different reasons. Our country is developing at a ridiculous, break-neck pace and we had better look for new sources of energy. Safe nuclear energy is simply not available. I ask you to join hands with millions of "cranks and environmentalists" and fight hard to preserve and improve the quality of our lives. We have let economic growth and development take away many of the subtle but genuinely valuable things in our lives. To mention a few, health, beauty, and permanence.

SH Second Grade Joins in Ceremony Of Kappas Baptism

When Derek Kappas, second grade student of Sacred Heart School was baptized and received his first Holy Communion on Friday, March 26, his classmates participated in the special liturgy during the ceremonies and Mass celebrated by Father Placidus Eckart at 8 a.m. in Sacred Heart Church.

In the entrance procession were the altar boys, Derek and his paternal grandmother, Mrs. Marie Kappas, his godparents, Mr. and Mrs. Ben Voth and Father Placidus Eckart.

Francine Hudspeth and Scott Klement gave the Readings; Tammie Reiter and Donna Fuhrmann gave the Psalms and Gospel Acclamation and Father Placidus read the Gospel.

The Baptism of Derek followed, with Father Placidus officiating and Mr. and Mrs. Voth as godparents.

During the Offertory, petitions were presented by Karla Fleitman, Darren Voth, Dana Dankesreiter, John Nasche, Keith Hennigan and Penni Hess.

The Offertory procession was led by Derek carrying his first Communion candle; Karen and Sharen Wolf and Dickie Trubenbach and Timmy Bartel carrying tapers; Paula Yosten carrying the baptismal candle; Mrs. Marie Kappas bringing the cruets; Mr. and Mrs. Ben Voth with the Paten and Ciborium; Luke Koerschner carrying the Chalice and John Anderle presenting the Mass Book.

Songs used for the liturgy were "Hail Holy Queen Enthroned Above", "The Lord Is My True Shepherd", and "Sing Praise to Our Creator". Linda Miller was organist and song leaders were Susie Felderhoff, Tina Hesse and Elaine Grewing.

Derek's grandmother, Mrs. Marie Kappas represented his parents Peter and Marcellina Kappas, who live in California and were unable to attend. Derek will return to California in May when school closes, after living with his grandmother the past year to attend second grade classes here. He was given special classes in Religion by Sister Lenore in preparation for his Baptism and reception of the Holy Eucharist.

A surprise party for Derek and his second grade classmates was planned by Sister Lenore and some of her third graders to help celebrate the special day during the regular second grade religion period. Father Placidus was a special guest.

On Tuesday morning, immediately following the 8 a.m. Mass, Derek was enrolled in the Brown Scapular of the Blessed Virgin Mary by Father Stephen Eckart.

Muenster High's entry in the District 13-A one act play contest, held Monday at Vernon, resulted in the selection of Darrell Douglas as the all star cast, but failed to qualify for the regional. Holiday and Archer City were the winners over Muenster, Windthorst and Callisburg.

The MHS presentation, directed by Mrs. Rudy Koesler, was a Malliere force entitled "The Doctor in Spite of Himself." On the cast with Douglas were John Eckart, Monty Reiter, Damian Luke, Doyle Klement, Connie Walterscheid, Becky Douglas, Lisa Trubenbach and Allen Bayer. Student director was Margie Wolf and crew members were Deb Schneider and Kathy Davidson.

Critic: "It strikes me as being an impressive statue yet isn't it a rather odd posture for a general to assume?"

Sculptor: "It isn't my fault, I had the job half done when the committee decided they couldn't afford a horse for the general."

School Sponsors Drive Next Week For Salvage Paper

Sacred Heart Schools will continue the monthly paper drive as scheduled. Containers will be in place between the two buildings for use during the week of April 4-10. Since the containers are large, open-wire-construction bins, Sister Mary John urgently requests that everyone box or tie bundles. Purpose of the paper drive is two-fold. Paper saved for recycling is an aid toward good ecology and in addition is a way for students to earn money for the SH School Fund.

Communion Party For Jamie Whitt

Armed Services Caravan Coming To CCC April 11

The Armed Services Bicentennial Caravan will visit Gainesville on April 11. The four vans, representing the four major armed services, will be open to the public from 1 to 6 p.m. on the Cooke County College Parking Lot. In addition to the vans there will be entertainment by several local bands throughout the afternoon. A brief opening ceremony will be held just before the vans are open to the public. There is no admission charge to view the displays.

Using a variety of audiovisual techniques, the mobile museums represent the four major military services, and graphically illustrate the Bicentennial theme — "The History of the Armed Services and Their contributions to the Nation".

The vans depict not only contributions each service has made toward the freedom we enjoy today, but also contributions the services have made to the civilian community. These include such areas as technology, economics, education, environment, and social services.

Sherrill Family Has Big D Guests

Father Isaias Rodriguez, pastor of St. James Parish, Dallas, was a guest of the Charles Sherrill family in Myra Tuesday. He was accompanied by Mrs. Sherrill's mother, Mrs. Edward Benninger of Grand Prairie.

Father Isaias also visited Mr. and Mrs. Al Walter and went horseback riding with Mr. Walter from his farm south of Myra to Muenster. Together they attended the MAP meeting. Mrs. Benninger and granddaughter Sally also visited at MAP.

Father Isaias visited briefly with Father Placidus and he and Charles Sherrill were guests in the home of Mr. and Mrs. Bernard Haverkamp and family.

Trash Bags Did Not Arrive

This week's scheduled delivery of trash bags around town has been fouled up by transportation problems. According to City Superintendent Steve Moster they will be delivered next week Wednesday, if they arrive in time. Meanwhile, anyone who happens to run out can get a few bags from the city hall.

Mrs. Wolf Honored On 88th Birthday

A full weekend of visiting and hosting helped Mrs. J. G. Wolf observe a birthday. On Friday, a granddaughter, Mrs. Teresa Villarreal of Denton brought a special birthday cake she baked and decorated, inscribed "Happy 88th Birthday". The follow-

ing day, Mrs. Wolf's daughter and her husband, Mr. and Mrs. John McKenna came from Tulsa for the weekend. Saturday evening guests were nieces and nephews, Mr. and Mrs. Tony Hoenig, Mr. and Mrs. J. P. Flusche and Mr. and Mrs. Al Schmitt. Punch was served with the elegant cake.

Sunday afternoon guests

were local friends, Mrs. Joe Wilde and Mrs. John Otto. There was birthday cake for all guests who called and Mrs. Wolf received a shower of gifts. The McKennas returned to Tulsa Sunday.

Family members who phoned greetings and sent gifts for their mother's birthday were sons and their families, Mr. and Mrs. Jim Wolf of Borger, Texas, Mr. and Mrs. Bill Wolf of Midwest City, Oklahoma and Mr. and Mrs. J. O. Wolf of San Diego, California.

Saint Louis Kin Visit in Muenster

Mr. and Mrs. Paul Vandeven, vacationing in Texas and away from their home in Saint Louis since January 1, were guests of relatives here last week. They came from the tropical Valley area where they spent most of their time fishing and sight seeing, and on two occasions visited the Wilfred Klement family in Mission.

The Vandevens were guests of the Norbert Klements, ar-

iving Tuesday and from there visited other uncles, aunts and cousins. On Wednesday the Klements took their guests to visit uncles and an aunt, Mr. and Mrs. Bill Becker and were joined there by Albert Knabe. Mrs. Joe Wilde hosted her cousins on Thursday and took them to visit her children.

On Friday the Vandevens visited in the home of Mr. and Mrs. Gary Hess where family members and other relatives called throughout the day. The Norbert Klements took their guests to visit rela-

tives on Saturday and the following day the Vandevens were in Windthorst and Wichita Falls with Mrs. Lillian Thoele and the Charlie Meurers and on Monday drove to Hereford to visit Mr. and Mrs. Frank Knabe.

Before they arrive at their home in St. Louis after April 1, they will stop at several favorite fishing areas. The Vandevens are recently retired.

Teachers Attend Dallas Meeting

Sister Georgia Felderhoff, principal of Sacred Heart Grade School and Miss Dorothy Bengfort, seventh grade teacher, attended a conference at North Park Inn in Dallas Friday and Saturday, March 26-27. Also attending were over 850 elementary and secondary teachers, administrators, guidance personnel and parents.

Dr. William Glasser and the staff of his Educator Training Center presented the conference on "Discipline Ideas That Work". Dr. Glasser is in great demand as a speaker and has given presentations in most States plus Canada, the Near East, Far East, Pacific area, Europe and Africa. His major books have been translated into Spanish, French, Danish, German, Italian, Portuguese and Japanese. Techniques and processes developed in working with over 75,000 teachers during the past six years have generated new insights into the development of responsible behavior on the part of students at both the elementary and secondary level.

Some of Dr. William Glasser's books are "Mental Health or Mental Illness", "Reality Therapy", "Schools Without Failure" and "The Identity Society". His Reality Therapy concepts are widely used in schools as the basis for building responsible behavior and success.

Friday's conference began at 8 p.m., and Saturday's program at 9 a.m. The remainder of the day was spent in working conferences, in which small groups experienced and learned some of the techniques and processes found effective in Dr. Glasser's Institute.

Library Friends Request Items for Festival Display

"Friends of the Library" will sponsor an exhibit during German Days to display old photographs and other memorabilia of Muenster. The committee in charge suggests that townspeople begin to consider an item for display. Those who loan items of treasured material for display may be assured of utmost care in handling.

Besides photos, other items are welcome, such as copies of family histories, family trees, small antique household items, old documents, old newspapers and clippings, advertisements and anything of interest in Muenster's history. The display will be in the meeting room of Muenster Public Library.

Further information may be obtained by phoning Mrs. James Walterscheid at 759-2843.

The Tower of Pisa is 178 feet high and 14 feet out of perpendicular.

Sizing Up The Sun
To give you some idea of the size of the sun - it's a giant among men. If the sun were the size of a skyscraper, the earth would be the size of a man. And the moon would be the size of a cocker spaniel.)

"How do rising fuel prices affect my electric bill?"

Texas Power & Light generating plants require enormous quantities of natural gas, lignite coal and, when deliveries of gas are curtailed, fuel oil, to produce electricity.

In 1975, TP&L's fuel costs were \$147 million, more than five and a half times greater than in 1970. In 1970, only 15 cents of each dollar paid to TP&L by its customers was used to purchase fuel. In 1975, fuel required 37 cents of each revenue dollar.

Unlike most businesses, TP&L cannot automatically raise the basic price of electricity as the costs of producing it go up. TP&L's rates are established and altered only by resolution or ordinance of city councils. For this reason, TP&L, and almost every electric company in the nation, has a fuel adjustment provision in its rates.

When TP&L's fuel costs exceed 70 cents per million BTU's (the equivalent of 1,000 cubic feet of natural gas), the adjustment provision permits us to pass on to our customers the additional cost. TP&L makes no profit on the fuel it purchases.

"What is TP&L doing to offset rising fuel prices?"

To offset the rising prices of natural gas and fuel oil, TP&L and two other electric companies are constructing large generating units which use relatively low cost lignite coal as fuel. Two such units have been in operation since 1972, a third unit was placed in service in 1974 and a fourth in 1975. Five other lignite-fueled units are now under construction and still more are being planned.

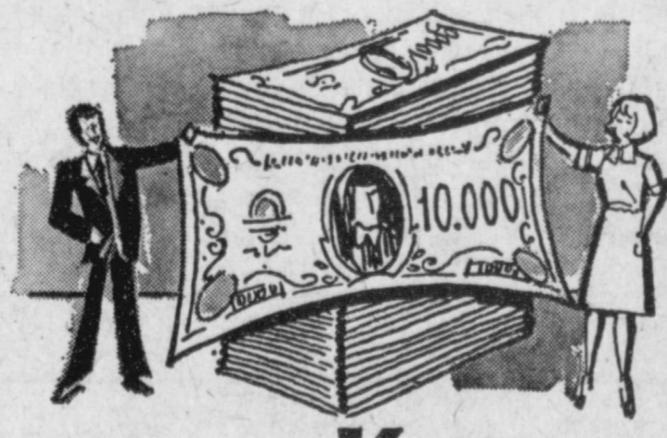

For almost sixty-four years, Texas Power & Light has supplied dependable electric service at a fair price. We're working to keep it that way.

Help Save Coupons and Labels
 Mrs. Adolph Walterscheid has received a note from Sister Ida of Sacred Heart Southern Missions in Walls, Mississippi, telling her that it is not necessary to send in the entire label from Campbell Soups and Beans cans. Labels are valid when they show the variety and weight of contents (front of label). The note was in response to a query from St. Anne's Society, in an effort to reduce the amount of postage or shipping charges. The committee asks that labels be trimmed carefully. They also stress that only the coupon area of Betty Crocker box tops is needed.

4-H Club News

by Mary E. Hinton
 Cooke County 4-H members will hopefully be bowling a few strikes after learning proper techniques in a bowling project beginning April 6. 4-H is a Youth Development Program of the Texas Agricultural Extension Service which focuses on the needs, interests, and concerns of young people. Boys and girls between the ages of 9 and 19 from all ethnic, racial, cultural and economic groups, regardless of geographic location, may participate in 4-H.

The project will run five consecutive Tuesdays beginning April 6 and ending May 4, from 4:00 p.m. to 6:00 p.m., at 77 Bowl in Gainesville. Mr. Tom Baker is organizing the project with Assistant County Extension Agents, Mary Hinton and Larry Weise. Instructors for the project include Mrs. Eva Dulock, Mr. Roger Barron, and Mrs. Linda Baker.

4-H'ers will learn bowling rules and etiquette, the proper way of picking up the ball, the pendulum swing, proper stance and pushaway, and the four step approach. Local club presidents or council delegates have application blanks, which are due in the county office in the Courthouse basement before April 2.

Public School Happenings

Kindergarten
 Brian Hess, son of Mr. and Mrs. Dennis Hess has been in the Muenster Hospital for treatment of pneumonia. The morning class cheered him with get-well cards they made for him.

Jennifer Chisam's 6th birthday was observed on Wednesday, March 24 when her mother brought refreshments of punch and special decorated rabbit cookies. Other treats were candy, gum, balloons and toy whistles.

Chuck Chambers moved with his parents, Mr. and Mrs. Charles Chambers to Myra, so he will now go to the Era School.

Fourth Grade
 Todd Fisher's birthday was March 15.

Fourth graders have two new students, Vickie Reed and Billy Hess.

Mr. Fluker visited fourth grade to talk to students about airplanes, for their unit of study. He showed four model airplanes from his collection, a stunt plane, two racers and a combat plane. Donna Reiter reported for the fourth grade.

SH Pupils Attend "Yankee Doodle" At Casa Manana

Seventh and eighth grades of Sacred Heart School enjoyed a special treat on Friday, March 26, when they attended the 10 a.m. Casa Manana showing of "Yankee Doodle", a rousing salute to the "makers and shakers" of the U.S.A.

As a bicentennial observance, the musical review was a fresh telling of a history that included chronological events with 100 Yankee Doodles from Paul Revere to Charles Lindbergh acted, sung, danced and mimed. — Also included were famous as well as forgotten figures and events. The creation of the ice cream cone, the discovery of chewing gum, the beginning of mass produced Valentines are as American as the inventions of Thomas A. Edison and the signing of the Declaration of Independence.

Transportation for the 7th and 8th grades was furnished by Wayne Richards, Fred Koerschner, Mrs. Larry Hennigan, Sister Georgia and one school bus driven by Melvin Hess. Students left school at 8 a.m., carried sack lunches and returned about 2 p.m.

Although only about one out of every 20 Americans is a farmer, at least four in every 10 jobs in the U.S. are associated with agriculture in one way or another.

I REALLY PREFER RELAXING TO PAINTING

THAT'S WHY I LIKE SATINTONE
... the easy paints

First, they are easy. They brush or roll like a dream, dry in minutes, and the tools wash up in water. More important still, they really last, and I do enjoy the longer time between repaints.

If you'd rather take it easy than paint, next time try SatinTone, the latex paint by Colony Paints. We have SatinTone for all surfaces; indoors or out.

... you'll like the difference!

 elined to wonder why someone did not think of Cuba instead of Vietnam some ten years ago. It would have been so simple to tell Moscow that we would help Cuban exiles and patriots to take over that country if the communists supported the red take-over of South Vietnam. If we had backed up that warning with determination instead of fighting the no-win war in southeast Asia, conditions might be much different today.

State Comptroller Sends Sales Tax Check for \$9,251

Muenster's latest check for city sales tax received from State Comptroller Bob Bullock indicates that the fourth quarter of last year, including Christmas business, is the largest on record here since the sales tax started.

Amount remitted was \$9,251.64. Added to \$2,243.98 which was previously received, the total is \$11,495.62, whereas it was \$10,205.60 a year before. Until now the biggest quarterly sales tax revenue was \$11,073.21 for the third quarter of 1975 and the next biggest was \$11,068.34 for the third quarter of '74. It was \$10,660.33 for the second quarter of '74.

Gross city sales tax collected for the final quarter of 1975 was \$11,475.12 indicating that total sales of taxable items for the period were \$1,147,512.

A statement with the state's check shows that the gross amount of city sales tax collected was \$9,405.46 and the 2 per cent collection fee was \$188.11. Adding the previous hold-over of 496.68 and retaining 462.39 accounts for the check's amount of 9,251.64.

Amounts reported for some other cities of the area were as follows: Gainesville, \$117,586.64; Denton, \$193,733; Lindsay, \$4,144; Nocona, \$13,917; Pilot Point, \$4,283; Saint Jo, \$3,496; Sanger, 3,476; Whitesboro, \$10,753.

Celina Nudges Hornets in Track Meet at Coppell

After winning their first three meets of the season, MHS Hornets went to Coppell Saturday for the Bobcat Relays sponsored by Celina, and came in a close second behind the hosting team.

Leading team scores were Celina 96, Muenster 91 and Carroll 80 with Van Alstyne in fourth and Pilot Point in fifth. Others competing were Frisco, Lindsay, Era, Sanger, Valley View and Boyd plus 15 to 20 more A and B teams.

Coach Don Ostermann described the meet as the best array of talent the Hornets have faced so far, and his close second place as impressive as the previous firsts had been.

Except for a tough break the Hornets could have been No. 1 again. Ken Koelzer set a new meet record of 15.4 in the 120 hurdles prelims and was leading in the final when he hit the last hurdle and almost lost his footing. So he ran sixth instead of first, a difference of 9 points which would have put MHS ahead of the mighty Bobcats.

Muenster's 91 points were earned as follows.

880 run: Albert Zimmerman, 1st, 2:04.6; Mark L. Sicking, 2nd, 2:04.8; Deryl Zimmerman, 3rd, 2:05.

120 hurdles: Jim Koelzer, 2nd, 16.1; Kenny Koelzer, 6th, 10.5.

100 yard dash: Mark W. Sicking, 4th, 10.5.

330 hurdles: Bryan Sicking, 1st, 41.0, new meet record.

220 yard dash: Mark W. Sicking, 2nd, 23.5. Ran 22.9 in prelim for a new meet record.

1 mile run: Dean Sicking, 4th, 4:47.3.

1 mile relay: Muenster 3rd, 3:36.8. Bryan Sicking, Deryl Zimmerman, Mark L. Sicking, Mark W. Sicking.

Long jump: Mark W. Sicking, 5th, 19'½".

High jump: Kirk Johnson, 2nd, 6'0".

Discus: Dan Endres, 1st, 135'9½".

This week's action will be the last for the Hornets prior to the district meet. At Bowie Friday they will run with five AA teams: Bowie, Nocona, Decatur, Henrietta and Jacksboro. Prelims start at 12:30 and finals at 4:30.

Mexican Supper Is Coach "O" Benefit

A benefit Mexican supper for Coach Don Ostermann will be sponsored by the Muenster Public School faculty on Saturday, March 10 in the school lunch room.

Funds realized therefrom will be used to help defray hospital expenses resulting from Ostermann's recent injury when hit by a discus during practice on the school ground.

Persons who want tickets are asked to call 759-4348 before Saturday the 10th, to assure that plenty of food will be prepared. No tickets will be sold at the door.

The prices are \$2.50 for adults, \$2.00 for students of grades 7 through 12 and \$1.50 for students of Kindergarten through 6th. Serving time will be 5 to 7 p.m.

Flags Presented by VFW

Thanks to the Muenster VFW Post the local hospital and both local schools have Bicentennial flags to fly during the observance of the country's 200th anniversary. In addition the VFW has presented a new American flag to each of the schools.
