What Are the Facts?

Strange as it seems, the months of discussion on our proposed hospital district still have not clarified all of the issues in the minds of some local voters. Remarks indicate that a number of people continue to misunderstand one point or another.

In a final effort to correct that situation the Enterprise here presents a brief summary of facts.

Tax is limited to debt and indigent care.

First in importance, probably, is a two fold question about the tax: What will it be used for, and how long will it continue? The legislative act which permits creation of the district specifies that a tax not to exceed 75 cents on \$100 of valuation on county tax rolls is authorized only to pay the hospital debt and the bills of indigents of the district. Those are the only authorized uses. No tax money can be used to make up an operating deficit, to add space, or equipment or for any other reason.

This means that when the debt is paid no more tax can be assessed except for care of indigents. If, by good fortune, contributions are received to wipe out the debt in the next year or two the tax for debt retirement will stop then and there. Furthermore, if hospital revenue is sufficient to absorb the cost of indigent care the other tax can be stopped also. In other words the tax is limited in both duration and amount to those two specified needs. When the need ends the tax ends.

Average tax is about \$10 a year.

Regarding tax rate, the definite figure will be determined by the schedule of debt payment adopted by the board. Assuming that the schedule is about the same as for present bonds, the total annual need will not be over \$25,000 — which requires a tax rate not exceeding 40 to 50 cents on the hundred. Concerning who pays what, it can be added that 43 percent of the bill will be paid by individuals, the remainder by corporations and persons receiving oil royalties. The average cost per individual will be about \$10 a year. Many will pay less, some more, depending on the value of their rendered property. And even that amount is reduced by income tax allowance. To most people that means a 20% deduction. To big income people it means a bigger deduction.

Debt default is unthinkable.

Another point that deserves thought is a claim that the hospital will continue whether or not the debt is paid, so, why tax ourselves to pay off? The remark has been made that the bonding company goofed in making the loan and (Continued on page 2)

To many people tax is a dirty word. Most likely that is because the average person is very much aware of his payments while very little aware of the values he receives for them. It is also likely that the average person would be unwilling to quit paying his taxes if he had to give up the benefits and services that they provide.

Some every day examples of benefits are roads and streets, police protection, fire protection, sewer service, schools, recreation facilities, etc. Things like that are essential to society's order and security and comfort. They are a part of our way of living. Considered in relation to them, we have to admit, tax is not just a dirty word but a reasonable and good arrangement to have benefits we could not have otherwise.

The same principle applies to the tax issue in our hospital district proposal. This tax is a good deal. Rather than condemning it outright just because it is a tax, every voter should compare his payments and his benefits. There are few indeed who will not agree that the tax they will pay is a small price for the values they will get. After all, that is the only thing that really counts, and each voter should make his decision accordingly.

Another good reason for favoring this tax concerns about 600 donors who originally gave to the hospital fund. This tax protects their investment. It stands as a guarantee that the outstanding debt will be paid and the money they have already given will not be wasted. It puts us on solid financial footing with no worries about the future of our hospital.

Actually it can be regarded as only a standby provision, if we prefer. There has been talk that the debt should not be extended over a long period, during which the interest would amount to almost as much as the principal. The idea has merit. A big drive resulting in big savings of interest would be fine. Most of us would be pleased and proud to see it succeed. But at the same time we like to be assured that our project is safe if sufficient donations fail to come in.

On the other hand there are reasons to think that a long pay schedule will be in our favor. Annual payments are smaller over the long period. The average person's share will be so small he will hardly miss it.

Another possible factor is inflation. We've seen the value of money decline in recent years, and we have not been happy about it. Well, indications are that it will continue. If we are going to be stuck with cheap money we may as well use it to pay off the debt.

As we think about taxes and debt, why not give a little extra thought to the inflation threat? While dreading how it will hurt us we might as well arrange for it to help us.

Enough on the tax issue. As we get ready to vote let's give more thought to the other side of our subject. The big consideration after all is not what each person will pay, but his individual stake in having a hospital here at home, and especially this one's high standard of excellence.

As most of us know, our hospital would be a credit to a community much larger than ours. It is something to be proud of, something on which we can depend for fine medical care. It is a definite addition to our standard of living, comparable for each one of us to added comfort and convenience in our own home.

Along with that it has real money values which most of us sooner or later will find far greater than the tax we will have to pay.

Because of it we are nearer to help when we need it. Because of it we save time and travel expense when seeing our sick friends and kin. Because of it we save time and travel expense on each visit to a doctors office. We're fully aware that the doctors are here only because the hospital is here.

Because of it we have a sizeable local payroll and additional business in our town. Because of it the town is better with increased potential (Continued on page 8)

NEWS OF THE SICK

The cast on Mrs. Joe Luke's right arm isn't for a break... it's for a strained tendon — thumb into the arm. The cast will have to stay on a month.

Mrs. Wilfred Bindel was dismissed from Muenster Hospital Monday after 12 days of hospitalization and major surgery. She's up and around the house.

Mrs. J. C. Trachta is recovering from a throat operation performed Monday at Muenster Hospital.

Joe Starke underwent surgery Tuesday at Muenster Hospital.

Mrs. Richard Swirczynski, admitted to Muenster Hospital Tuesday, underwent surgery Wednesday.

A four-year perfect attendance record at school was shattered Tuesday when Shirley Becker had to miss classes on account of illness that kept her at home. She is the daughter of Mr. and Mrs. Martin Becker, a student at Sacred Heart School.

Mr. and Mrs. Jack Hoehn of Nocona are in Nocona Hospital recovering from injuries received in a highway accident when they were returning home after taking their daughter Sheila to the University of Texas. Their car and a pickup collided and they were first hospitalized at Hamilton. Last Thursday their condition permitted transfer to Nocona Hospital. Jack has both jaws broken and his wife has a back injury. Both have cuts and bruises. Their car was demolished. Jack's sister and brother-in-law, the Ed Clers, visited them when they returned to Nocona and were happy to find them improving and able to be up some in their hospital room.

HOSPITAL NOTES

The following patients were admitted and dismissed at Muenster Memorial Hospital during the past week.

Thursday: Dismiss — Frank Rauscher, Valley View, Mrs. John Fette, Mrs. Lois Burroughs, Saint Jo.

Friday: Admit — Mrs. Arnold Knabe, C. H. Christian, Forestburg. Dismiss — Mrs. Robert Vogel and baby boy, Mrs. R. R. Endres.

Saturday: Admit — Mrs. Tony Felderhoff. Dismiss — Clarence Hellman, Lewis Lauderdale, Saint Jo.

Sunday: Admit — Mrs. J. C. Trachta, Werner Cler. Dismiss — Mrs. Nora Thompson, Saint Jo, Mrs. Lambert Beyer, Gainesville, Mrs. Arnold Knabe.

Monday: Admit — Mrs. Joe Felderhoff, Felderhoff baby girl born, Mrs. Herman Luttmer, Sharon Beyer, Lindsay, Earl Walterscheid. Dismiss — C. H. Christian, Forestburg, Mrs. Wilfred Bindel.

Tuesday: Admit — Mrs. Richard Swirczynski. Dismiss — Werner Cler, Earl Walterscheid.

Wednesday: Dismiss — Sharon Beyer, Lindsay.

Dr. B. F. Hejduk has announced that he will leave this weekend for two weeks of vacation. He will be back on October 9.

Lindsay Will Host Subiaco Benefit Picnic Sunday p.m.

Subiaco Alumni Association, North Texas Chapter, invites a general attendance at its annual benefit picnic and bazaar Sunday in Lindsay Park. If weather is unfavorable the party will be moved to Lindsay Hall.

Starting at 2 p.m. and continuing into the night, the event will include games, lunches, refreshments; a parcel post booth and an auction sale. Special attractions for the children include a grab bag and hay rides. Alumni members of Lindsay, Gainesville and Muenster, with an assist from their wives, are in charge of the program.

Contract Signed For Paving Job on FM Road 2739

A contract for 4.1 miles of construction on FM Road 2739 was announced this week by the Texas Highway Department. This is the road leading north from Highway 82 at a point 2.5 miles east of Muenster.

The contract is awarded to R. W. McKinney of Nacogdoches on a low bid of \$127,625.66. The project, to be completed in 125 working days, includes grading, structures, base and surfacing.

Hornets Face Big Job in Tilt with Iowa Park B

Muenster Hornets, after a very satisfying victory in their season opener, will have a big job keeping their record clear this weekend.

The opponent is Iowa Park B, reserve crew of that school, which distinguished itself in its first appearance by beating the powerful Rider B of Wichita Falls.

That achievement was enough to earn the respect of Coach James Polk, but not enough to discourage him. The Hornet director said his boys did a fine job against the Warriors, especially working together as a coordinated outfit. Furthermore they are about the same size as the visitors. They have a chance to win, and they will be straining to do just that.

Condition and attitude of the team is fine for the game, says Polk, with one exception. Russell has been sick, possibly will not be able to suit up.

Another slight handicap is lack of a good practice during the wet weather. The boys have been confined to the gym.

FFA Boys Elect Wayne Klement

Boys of the Muenster FFA chapter at their organizational meeting last week elected Wayne Klement as president for the current school year.

Other officers are Ken Stormer, vice president; Chris Cain, secretary; Glenn Klement, treasurer; Leon Walterscheid, reporter; Terry Wimmer, sentinel; Edgar Dyer, vocational agriculture instructor, is the chapter advisor.

BIRTHS

Mr. and Mrs. Joe Felderhoff announce a daughter, their third little girl, born at Muenster Hospital Monday, Sept. 20, 3:37 p.m. weighing seven pounds four and a half ounces. She's a sister for Christy and Jenny, a granddaughter for Mrs. William Frazier of Joliet, Ill., and Mr. and Mrs. Tony Felderhoff.

6.15 Inch Rain

This community has just had a record week of wet weather, a total of 6.15 inches since last Friday including a 3.50 downpour for the 24 hours preceding 7 a.m. Monday; 2.78 of that fell between 6 and 8 Sunday night.

Added to a reading of .84 on the first day of the month, this brings the September measure to 6.99 inches. The year's total to now is 31.71 which is about average for a full year's total.

Folks Nearing 65 Urged to Attend Medicare Meeting

A social security clinic will be held for all persons reaching age 65 before 1966. The primary purpose of the meeting will be to explain the provisions of the new Hospital and Medical benefits under the Social Security Amendments of 1965.

The meeting will be at the Cooke County Court House, Gainesville, Texas, in the District Court Room on Tuesday, September 28, at 2:00 p.m. This special meeting will be of importance to the residents of Cooke County that are 65, because they will have only one period to enroll under the Medical provisions without being penalized.

This new coverage is for the employed and self-employed (even though they may not be receiving social security benefits) as well as the retired that are receiving social security or welfare. Even though you may not be receiving benefits of any nature, you should attend the meeting to find out the provisions that apply to your case. It is important that all persons reaching age 65 before 1966 receive this information so that they can make their decision to elect (or not elect) this special coverage that is now available to them.

Tigers Break Jinx In 26-8 Victory Over Callisburg

Sacred Heart's Tigers seemed to be making up for lost time Friday night as they mauled the Callisburg Wildcats by a convincing count of 26-8. They scored in every period of the game and also took a lead of 260 to 182 in total yardage and a lead of 15 to 9 in first downs.

They seemed to be on their way after the opening kickoff as two first downs got past mid-field, but the next series was short and ended with a kick. However the visitors had to kick four plays later and Sacred Heart continued the push. Larry Hess, assisted by nice blocking, set up the score with a 32 yard gain to the 10, and four determined plays from there ground out the remaining distance.

Leon Endres made the last yard on a quarterback sneak. Callisburg retaliated promptly with a 65 yard push in six plays, the last being a real thriller. Cash swept the west side and got an all important block from Winchester in his 42 yard sprint to pay dirt. Winchester followed over for bonus points that gave his team a brief 8-6 lead.

That was early in the second quarter and the Wildcats seemed to be in charge until deep in the period. They stopped the Tigers on the first series and gained 46 yards to the Tiger 45 before fumbling away their opportunity. Again they held on the first series and followed with three first downs to the Wildcat 43, and fumbled again.

With less than two minutes to go the Tigers took inspiration from that break. In two big plays they cleared the way for Kralick's gains of 10 and 12. Next play was the only completed pass of the game, Endres to Wimmer for 14 (Continued on page 7)

SAMPLE BALLOT

(for the Hospital District Election)

Vote for the expression of your choice by marking out the statement "FOR" or the statement "AGAINST" the proposition, so that the statement remaining indicates the way you wish to vote.

"FOR the creation of Muenster Hospital District, the levy of a tax not to exceed seventy five cents (75c) on the one hundred dollars (\$100) valuation."

"AGAINST the creation of Muenster Hospital District, the levy of a tax not to exceed seventy five cents (75c) on the one hundred dollars (\$100) valuation."

Issue Includes Tax To Retire Debt, Care for Indigents

The day of decision for the proposed Muenster Hospital District has arrived. People of the Muenster School District and those in the Cooke County portion of Saint Jo School District will vote Saturday on creating the district and authorizing a tax which will have the double purpose of paying the hospital debt and providing for the care of indigents in the district.

The election will be held in the public school from 8 a.m. to 7 p.m. with Joe Luke as the election judge.

To be eligible to vote in this election a person must be a resident of the proposed district, must be qualified under the usual voting regulations of the state, and must also be listed on the county tax roll as an owner of property in the proposed district.

The election is the final step necessary for creation of the Muenster Hospital District and is permitted by a special law passed in May by the Texas Legislature. If it is approved by the election a new organization, representing the district, will become responsible for administration of Muenster Memorial Hospital. At this time Muenster Hospital Authority has the responsibility.

In taking over the hospital the District would assume all obligations including bonded debt and outstanding debts from the hospital's operation. It would also issue tax bonds to replace the present revenue bonds.

The bonded debt is \$300,000. To take over that debt, plus administrative debts, plus the legal costs of the new bond issue and transfer of administration is expected to require a bond issue of about \$315,000. Nevertheless the community can save money because additional cost will be more than offset by the savings on the lower interest rate on tax bonds.

If debt retirement schedule for the new bonds is similar to that for present bonds, yearly payments will range from \$20,000 to \$24,000. With a total district valuation of just over \$6 million, a tax rate of 40 cents is considered adequate.

District directors, if the election carries, are Al Trubenbach, pres.; J. H. Bayer, vice-pres.; Joe Galloway, secretary; and E. T. Stormer, Norbert Felderhoff, Alphonse Felderhoff, Ray Voth, Robert Bayer and Albert Dangelmayr. They are serving now as temporary directors.

Confident Tigers Seek Second Win Friday at Era

The Tigers have a confident gleam in their eyes this week as they prepare for their game at Era Friday night. They had their season's first taste of victory last week and it gave a nice lift to their morale.

Coach Walter Wolf said Wednesday that his boys are well and eager. There are no serious injuries, so he expects his full crew to be on the job.

Concerning his opinion of the opposing team Wolf is confident but not a bit cocky. The team doesn't seem to be as stout as last year and last week's decisive loss to Pilot Point marks it as the underdog. But Era has shown many times that it can't be counted out. The Tigers can take nothing for granted.

WANTED: MORE INFORMATION ABOUT THE PROPOSED TAX

The Enterprise stated an opinion poll, near the election site, would be taken on other methods of paying off the hospital indebtedness. What happened to that survey? We, too, are interested in keeping our hospital, but are opposed to the tax method. If the so-called big property owners had another solution that would save our community approximately \$300,000 why hasn't it been tried? Could it be those in favor of a tax wanted ONLY A TAX?

Why would a few people want to put the burden of a tax, that will possibly keep INCREASING over a period of 30 or 40 years on our community ahead of the welfare and education of our children? Do some of those pushing for the tax REALLY UNDERSTAND the entire possibilities of what this tax will eventually cost our community?

Why did the present hospital board oppose selling part of the land donated to the hospital to a group of private citizens that were willing to buy the land and build a Clinic for doctors' offices etc., that would benefit the hospital? Has the hospital ever received a clear, recorded title to the land? If not, why not?

Is it possible for a few people of our community to impose their will on the rest of us unless we, the people, have enough intestinal fortitude (guts) to express our own opinions and ideas. SO GET OUT AND VOTE. Think for yourself and of the future of your family!

WHICH ONE?

Some time ago we read in the paper about Muenster not being a rich community. I am inclined to agree with that statement. No community, state of nation can be classified as rich as long as the money is in the hands of too few people who are unwilling to use it to help relieve suffering.

A couple of years ago close to 100% of the people in Muenster voted against a county hospital to be built in Gainesville. Many of us opposed it because at the time Muenster was working hard to build their own. Since then a nice hospital has been built in both communities, which I am proud of. The question is: Which one do we want to help pay for?

WHO'S TO BLAME IN L. A.?

The average citizen is having difficulty understanding the news coming in the aftermath of the Los Angeles race riots. The rioters blame "police brutality." The chief of police is under fire. The highway patrol is blamed. Los Angeles' mayor is blamed. Governor Brown is blamed and in return blames others.

But—doesn't anybody blame the rioters? The ones who injured and maimed fellow Americans, the ones who looted, pillaged and destroyed property, the ones who caused millions in damage and lost time, the ones who necessitated mobilizing the national guard?

Certainly, we'll not disregard the knowledge that people's actions are motivated by social pressures, by education, by environment, etc.

But this is still a society in which an individual is responsible for his own actions.

Or is it?

'HUMAN RIGHTS' VIOLATED

Dr. Melchior Palyi, economist and writer for the Chicago Tribune, has upheld The Register's view that compulsory membership in a union is in violation of the United Nations Universal Declaration of Human Rights.

Dr. Palyi pointed out recently that the Declaration says: "Everyone has the right of freedom of peaceful assembly and association," and "No one may be compelled to belong to an association."

"This declaration," Dr. Palyi wrote, "was sponsored by Eleanor Roosevelt, before she knew on which side the unions' bread would be buttered. Thereafter, she became a passionate propagandist for what amounts to the suppression of everyone's 'right to work' and 'free choice of employment' that had been reaffirmed in article XXIII of the same declaration."

The economist said Johnson's attempt to repeal the right to work section of the Taft-Hartley act and to drive independent workers into a union is a stride toward totalitarianism. He asserted that Mussolini's workers were organized in syndicates, Hitler's in a "labor front" and Soviet workers are grouped in "meaningless unions." All of these were in the service of the state.

The drive to repeal Section 14b of Taft-Hartley is a move to increase the power of the labor bosses, who in turn are closely affiliated with the Johnson administration.

As to the U.N. Declaration, The Register several years ago asked the late Adlai Stevenson, a lawyer and U.S. Ambassador to the United Nations for an interpretation of compulsory unionism in the light of Article XX (2) which says "No one may be compelled to belong to an association." We were told Mr. Stevenson was too busy, and finally got a statement from a State Department man in Washington, contending that Section XXIII (4) ("Everyone has the right to form and join trade unions for the protection of his interests.") gave the unions the right to compel members to join. We still can't see why.

Actually, we have never considered the U.N. Declaration worth the paper on which it was written. But it has been demonstrated that those who call themselves "liberals" in government and labor unions certainly do not believe in defending rights or they would insist that one of the most basic rights of all is for a man to seek employment from a willing employer without being required to pay tribute to a third party.

NEW CARPETBAGGERS

The complaint of a woman motel owner at Prentiss, Miss., about the behavior of federal voting registrars who grabbed four units of her establishment as office space after resorting to condemnation proceedings reads like a page out of Reconstruction days. The owner, Mrs. Alagene Allen, charges that the registrars cut doors into walls in the commandeered quarters, threw out the furniture, and changed the locks, all without consultation or permission.

The federal reply is that the registrars could find no other available space in Jefferson Davis county in which to set up shop for the purpose of registering Negro voters. So the government went into federal court and got an order to invade the motel.

It is a peculiarity of the "civil rights" campaign that the civil rights of some citizens can be brusquely thrust aside in the name of promoting "rights" for others. But when Congress ignores the

What Are the Facts?

(Continued from page 1)

it's simply stuck with a bad debt. Why should we worry?

In the first place that is an irresponsible attitude, a discredit to the good name of our community. Conscience tells us it is wrong to default on this obligation. And that's not the half of it. Common sense tells us that we cannot get away with such shenanigans.

The fact is that the bonding company holds a first mortgage on our hospital. If this community defaults on its debt the company has the legal right to foreclose. And it's folly to think they would not foreclose. Does anyone in his right mind think they would not? Does anyone think they will write off a \$300,000 investment? Why should they be so generous to a community which has the means and the way to take care of the obligation?

And if forced to foreclose, what would the bonding company do to recover its investment? Obviously it could not expect to make that much from operating revenue. So the only alternative would be to salvage what it can. By stripping the place of all removable items it could get back a big portion if not all of its investment. It's been said they can't move the building, but let's remember also that our community will never have further use for it if all the contents are moved out.

Thinking this thing through leaves little doubt that it is a violation of conscience to consider defaulting on our debt and the height of folly to think we can get away with it. That's the kind of scheme we should expect from people who don't care if we lose the hospital.

The best solution to the debt problem.

Something else to consider is the fact that the hospital district is not only one way of solving our problem but the BEST way. All will admit, of course, that our worries would end immediately if sufficient contributions came in. Even if that happens the existence of a hospital district offers some very real advantages.

One of them is the interest rate on our debt. Normally the interest on a tax bond is about 1 per cent less than on a revenue bond, which we have now. That means a saving of about \$3,000 on the first year of interest, and over the duration of the debt it amounts to a saving of over \$35,000 — a sizeable item.

Next there's the protection of our own interests. By having our own district we are assured that we will not have to help support another hospital. About a year ago we were told that Gainesville Hospital had no intention of asking for tax support but it has proposed since that the county contribute to support of its indigents. What the final solution will be remains to be seen. Meanwhile it's wise for us to make sure that our help will be used only to support our own hospital.

The hospital potential is good.

A comment is in order also on the potential of our hospital. The recent audit showed losses since its opening occurred mostly in the first half year of operation when income was slim and expense included many items of supply and equipment overlooked on the original order. The deficit for the past year was small in spite of two months without a resident doctor. Present operation is good and prospects are bright for continued improvement. More people are going to hospitals because of increased coverage by hospitalization policies and still more are expected to go when Medicare becomes effective. All signs point to a bright future for our hospital if we will solve its debt problem.

To summarize: Tax can be assessed only for retirement of debt and care of indigents. It will end when the need ends. It is limited in both time and amount.

The average taxpayer's share will be about \$10 a year, less the allowance on income tax — a real bargain for the benefits received.

The debt can not be ignored either by conscience or common sense. The community cannot default and expect to keep its hospital.

The hospital district is the best solution to our problem even if contributions should eliminate the need of a tax. A better interest rate would save many thousands of dollars, and having our own district protects our local interests.

Finally, the record shows steady improvement in the hospital's operation. It definitely has the potential for a good future.

constitutional authority of states to set voter qualifications in state and local elections, why should it be expected that other rights adhering to individual citizens (among them property rights) should be accorded any more respect? A citizen's control of his own property was pretty thoroughly fractured in the public accommodations section of the 1964 civil rights act, and by the majority decision of the Supreme court in trespass cases long ante-dating the passage of that legislation.

The court minority said in the trespass cases that dangerous precedents were being established in giving sanction to the invasion of other people's property. The merit of this view is fully established by the Mississippi motel case. Article 3 of the Constitution says that in time of peace soldiers may not be quartered in any house without the consent of the owner. A federal registrar in the discharge of his particular mission will be viewed by most southerners as not dissimilar to a soldier engaged in peace time occupation and certainly in this in-

stance he has invoked force to wish himself on people who don't want him.

COUNTERFEIT PROBLEM

"Wethinks" they doest assure a bit too much — those soothsayers official and private who keep telling us that the silverless, "klunk" quarters now being minted are and ever will be every bit as valuable as the clinking silver variety to which we are so long accustomed. If the material content really has no bearing on a coin's value, we wonder why an otherwise intelligent fellow as Alexander Hamilton failed to argue against using silver and gold in our money in the first place. And when we test mathematically the contention that a coin which can be minted for only 2c, because it contains no precious metal, has and will continue to have the same value as one made with silver at a cost of 23c — for some reason it doesn't balance out. Maybe we need a course in modern math.

We'll grant that a silverless quarter dropped into a vending machine may bring forth quite as much candy, chewing gum or tobacco as will one of the old-fashioned variety. But we'll wager two of those new quarters against one of old kind that most of those who now insist that there is no difference will one day be checking as they approach that vending machine and will deposit the klunker instead of the clinker if they happen to have one of each.

Probably the most vivid proof of the difference in value between the silver and the silverless quarters is the fact that no sooner had the new ones begun klunking out of the minting machines than politicians began arguing how to spend the extra money Uncle Sam will acquire by

making coins for 2c and selling them to American citizens at 25c. That strikes us as sort of counterfeit problem.

The government is worried over the unemployment of youth not seeming to realize that laws and regulations and taxes for benefits, makes it almost impossible to hire youth.

Mrs. Lambert Bezner had been elected to serve as president of the Altar Society of St. Mary's Church in Gainesville. Members favored her for the office when they held their

annual election. Other officers elected are Mrs. Ronnie Herr, vice president; Mrs. Walter Hermes, treasurer; Mrs. Elroy Neu, secretary. Installation is yet to be planned.

Meeting was held in the First State Bank's Community Room with Mrs. Willard Kuhn presiding. Father Thomas Taaffe opened with prayer.

Mrs. R. J. Bethancourt reported on the Sherman Deary's quarterly meeting. Father Taaffe spoke briefly and closed the meeting with prayer. A social followed.

Salvation Army to Send Truck Sept. 28

The Salvation Army truck will be in Muenster next Monday or Tuesday, Sept. 27 or 28, to pick up household discards, clothing and newspapers.

The truck will call at homes or business houses for furniture or other large discards, or large boxes of clothing that will not fit in the drop box. For this service telephone 759-4311 and leave name and address. The drop box now is filled almost to capacity and the truck will stop at homes in the city for any items to be included in the pickup next week.

Salvage and discards are the sole support of the Men's Rehabilitation Center and all items are appreciated. It will help all concerned with the work if shoes are tied in pairs, if newspapers are corded and if clothing is enclosed in bags.

When I was a kid I said to my father one afternoon, "Daddy, will you take me to the zoo?" "If the zoo wants you," he answered, "let them come and get you."

The James Nehibs, Newlyweds, Make Gainesville Home

At home in Gainesville following their wedding are Mr. and Mrs. James A. Nehib who married Saturday evening, September 11, in St. Mary's Church. The bride is the former Miss Judy Kaye Hammer.

Parents of the couple are Mr. and Mrs. T. M. Hammer and Mr. and Mrs. A. F. (Tony) Nehib, all of Gainesville.

Father Thomas Taaffe officiated at the double ring vows. Don Owen furnished the organ music and Mrs. Clarence Zimmerer of Lindsay was vocalist.

Mr. Hammer presented his daughter for marriage. She wore an original gown which she designed. It was fashioned of white peau de soie and lace with an A-line skirt and sleeveless bodice topped with a long-sleeved lace coat with a trapeze back and chapel train.

A Swedish crown of crystals and pearls held her bouffant veil and she carried a white orchid and roses. Adding a bit of sentiment, she wore an ornamental pin of her grandmother's.

Mrs. Jack Batis of Irving, sister of the bridegroom, was matron of honor and Miss Jayn Patrick of Liberal, Kansas, niece of the bride, and Miss Darla Copper of Denton were bridesmaids. They wore emerald green peau de soie floor-length gowns, flat bow coifs with illusion veils and carried single long-stemmed white roses.

Johnny Schniederjan of Dallas, was his cousin's best man. Jimmy Hammer of Seminole, bride's brother, and Jack Batis, Irving, were groomsmen. Ushers were Brent Hollandsworth of Callisburg, Francis Wiesman and Mike Young, Gainesville, and Thomas Hammer of Vernon, cousin of the bride.

Wedding reception was held in the K of C Hall where white roses and chrysanthemums decorated the refreshment table. Mrs. James McCabe and Miss Helen Bumpass of Dallas served punch and Miss Karen Lindsay of Denison and Mrs. Jimmy Hammer of Seminole served the cake. Mrs. Thomas Hammer of Vernon registered guests. Also in the houseparty were Mrs. Fred Muller of Dallas and Miss Mary Joe Patrick of Liberal, Kansas.

For their wedding trip the bride changed to an avocado two-piece linen dress and black accessories. They are at home at 409 1/2 S. Taylor in Gainesville. Both plan to continue their education at CCJC where both have one year's credit. They are graduates of Gainesville High School.

Among out of town wedding guests were Mr. and Mrs. Henry Schniederjan of Dallas, Mr. and Mrs. Roland Patrick of Liberal, Kansas and Mr. and Mrs. George Hammer of Vernon.

Rehearsal dinner for the wedding party was held at the Caravan. Places were marked for 16 and gifts were presented the attendants.

Library Report Reveals Change to Winter Schedule

Monthly report from Muenster Public Library submitted by Librarian Mrs. Joe Luke at the September meeting of the Catholic Daughters of America, sponsors of the project, revealed work done during the summer reading program and a change of Library hours to the winter schedule.

Open hours at the library on Thursdays until further notice are from 9 a.m. to 5 p.m. Final tabulation of certificates presented during the summer reading program showed a total of 112. It also revealed that children checked out 4066 books from May 20 to August 17 and that library staffers volunteered 441 work hours during the period.

The report also showed that 25 books have been donated from the library to the book shelf at Muenster Memorial Hospital. The library rotates books there regularly on a lend basis. These are gifts.

Art Show Planned For Sunday, Oct. 3

Plans are moving ahead for Muenster's second annual art show to be held in the Parish Hall October 3.

Sponsored again this year by Muenster Hospital Auxiliary, the show will be open to the public and all who have art work are being invited to exhibit. There will be no entry fee for exhibitors. Admission will be fifty cents for adults and twenty-five cents for children. Proceeds will be shared by Muenster Hospital and Sister Roberta's art class.

Date and details for the event were decided at the Hospital Auxiliary's meeting Thursday night.

Hospital Auxiliary members will serve free coffee, and a Rose of France amethyst pair of ear rings will be given as a door prize. An added attraction to the art work will be a "rock show," Alex Lutkenhaus displaying his collection.

Student Council To Elect Friday

Excitement and anxiety are running high around Sacred Heart this week for this is Student Council Election Week.

Officers will be elected Friday morning at a general assembly and the winners will be announced Friday afternoon by the principal.

Candidates for president and 1st vice-president are seniors: Sam Endres and Steve Kralicke.

Running for 2nd vice-president are juniors: Joe Bayer, Leon Endres, Mary Ellen Endres and Wesley Landsfeld.

Campaigning for secretary are sophomores: Joyce Schmitt, Stanley Endres, and Linda Rohmer.

Candidates for treasurer are freshmen: Margaret Kralicke and Cynthia Bindel.

Posters, of all shapes and sizes, decorate the halls of Sacred Heart High and candidates and their campaign managers are passing out campaign cards and slogans to everyone trying to secure their votes.

Pulpit Poem

An Austin church in 1849 posted this notice to its congregation, entitled "Tobacco in Church":

"Ye chawers of that noxious weed . . . which grows on the earth's most cursed soil . . . Be pleased to clean your filthy mouths . . . Outside the sacred House of God . . . Throw out your 'plug and cavendish' . . . Your 'Pig Tail,' 'Twist' and 'Honey Dew' . . . And not presume to spit upon . . . The pulpit, aisles, or in the pew."

Jane Hess Bride Of Roy Monday in Sacred Heart Rite

Miss Jane Frances Hess became the bride of Roy Monday in a Saturday afternoon service in Sacred Heart Church with Father Alcuin Kubis celebrating the Nuptial High Mass and performing the double ring ceremony at 4 o'clock.

Parents of the couple are Mr. and Mrs. Al Hess and Mr. and Mrs. Andy Monday all of Muenster.

Mr. Hess presented his daughter for marriage. She wore a full-length sheath of white angelskin peau de soie, the front enhanced with lace appliques sprinkled with pearls. Long sleeves tapered to points over her hands and a soft fan of lace formed the petal neckline. A triangular-shaped removable train was attached to a bow at the waistline.

Her veil fell in tiers to elbow length from a peau de soie pillbox topped with a self fabric rose. She carried an aurora borealis rosary, a gift from the bridegroom, and an heirloom lace and linen handkerchief hand-made by her great-grandmother and carried by her grandmother, Mrs. Joseph Hundt and the bride's mother and older sister at their weddings. Her flowers were white roses in colonial arrangement.

Attendants

Mrs. Charles Wimmer of Oklahoma City, sister of the bridegroom, was matron of honor, Mrs. Bob Fitch of Dallas, bride's sister, was bride's matron and Miss Diane Hess, another sister, was bridesmaid.

They wore identical floor-length dresses of blue chiffon over peau de soie, the straight lines highlighted by an empire waist-line accented with a bow, and butterfly sleeves. Their veiled head pieces matched their costumes and they carried colonial bouquets of yellow cushion mums.

Dennis Hess, bride's brother, was best man. Bob Fitch and Charles Wimmer were groomsmen. David Hess and Wylie Lewis, cousins of the couple, ushered.

Vocal numbers before and after the service were presented by Miss LaVerne Otto of Dallas who sang "On This Day" and "Mother at Your Feet." Anthony Luke was organist and Sacred Heart men's choir sang the Mass.

Altar decorations were white gladioli, greenery and candles. After the ceremony the bride placed a bouquet of pink gladioli on the Blessed Virgin's altar.

Reception

Wedding reception and smorgasbord were held in the Parish Hall with Mrs. Joe Lehnertz in charge. Miss Mari-

lyn Walterscheid and Barbara Schmitt registered guests. The wedding dance was in the VFW Hall.

Live In Dallas

When the newlyweds left on their honeymoon she was wearing a royal blue knit suit with red accessories. They will make their home in Dallas where she is an operator for Southwestern Bell Telephone Company and he is employed by Goodyear Tire and Rubber Co. She is a 1965 graduate of Sacred Heart High and he was graduated from Muenster High School in 1963.

Out Of Town Guests

Among wedding guests were the couple's grandmothers, Mrs. Joseph Hundt of Lindsay and Mrs. Andy O'Connor, and from a distance Mr. and Mrs. Bill Hess and family of Lawton, Okla., Mr. and Mrs. Matt Stelzer of Post, Mr. and Mrs. A. C. Flusche of Denison.

Mrs. Bill Fry and son, Mr. and Mrs. M. W. Fitch, Mr. and Mrs. Francis Dieter, Misses Rachel Endres, Patsy Zimmerer, Angie Hess, Alma Herr and Dolores Sicking, all of Dallas.

The newlyweds visited at the bedside of grandparents, Andy O'Connor and Mrs. J. W. Hess and took them their boutonniere and corsage. Illness prevented them from attending the wedding.

How long the giant Galapagos tortoise lives is uncertain, but scientists estimate from growth rings around the plates on their backs that some are over 150 years of age.

Student: "It says here that if we study hard, don't drink or smoke or run around with girls, we'll live longer. Is that true?"

Professor: "We won't know for sure until someone tries it."

Dennis Hess has enrolled at NTSU where he is a junior.

Hospitals Expect Rush of Patients Under Medicare

Hospital administrators across the nation have already begun studying a serious space problem that seems likely to confront them next July 1, when the federal Medicare program for the elderly takes effect.

Hospitals face an increase of 30 to 50 per cent in the number of patients, some experts are predicting.

Under the program, elderly patients will be entitled to 60 days of hospital care, as part of the social security program, after they pay the first \$40 of hospital charges.

Under such a plan, hospital authorities point out, it will be only natural for more elderly persons to go to hospitals and for elderly persons to remain longer in hospitals.

A few hospitals are moving to meet the problem by expansion of facilities.

In many big city hospitals, patients must wait as long as four to six weeks to get rooms. With the added load of Medicare patients, the waiting period will become even longer.

Baby Bryan Hoenic Gets Gift Shower

A group of thirty relatives and friends gathered at the home of Mrs. Richard Wilde Sunday evening for a baby gift shower honoring infant Bryan Keith Hoenic who attended the party with his mother, Mrs. Gene Hoenic, and was the center of attraction without even trying.

After a series of paper and pencil games and a display of gifts, hostesses served a desert course and coffee. Sharing hostess duties with Mrs. Wilde were Mrs. Arthur Hennigan, Mrs. Oscar Detten and Miss Linda Lutkenhaus.

Attending from Gainesville were Mrs. Isabel Lindecker, Mrs. Sheldon Lutkenhaus and Mrs. Jim Krahl. Mrs. Fox Henderson and son Kimble attended from Dallas.

Several husbands accompanied their wives and had a party of their own.

Main Interest of CDA Court Centers On Benefit Bazaar

Principal interest and concern of members of Muenster Court Catholic Daughters of America center on the coming benefit bazaar and bake sale the organization will sponsor the first week of November. Plans for the event were discussed at the organization's September meeting and the date was set for November 3, 4 and 5.

Co-chairmen of the big event are Mmes. Rufus Henscheid, Theo Voth and Walter Grewing. The bake sale will be headed by Mrs. Arnold Rohmer as chairman and Mrs. R. N. Fette, assistant. The three-day affair will be held in Muenster Pharmacy building.

Members have already made and are continuing to make many hand-made items, fancy work, stuffed animals, etc., ideal for Christmas gifting. They plan to have a greater variety than ever and to include a white elephant sale.

Mrs. Al Schmitt, grand regent, conducted business and committee members gave reports. The meeting was held in the TP&L community room.

Mrs. Joe Hoenic volunteered to be in charge of the September birthday party the court gives each month at Golden Years Rest Home. Mrs. Steve Moser gave the library report for Mrs. Joe Luke and members voted a cash donation from treasury funds for the Zulu Missions in Africa after reading an appeal from that foreign outpost. The Christmas card committee reported on sales and advised that plenty of cards are on hand at a dollar a dozen. These cards picture Sacred Heart Church's main altar with Christmas adornment.

After adjournment Mrs. Tommy Knabe was hostess for serving refreshments.

Mr. and Mrs. H. L. Jackson and children Jerry, Julie, Janie, Thomas and Toni spent Saturday with her parents, the J. M. Weinzapfels.

Hospital Auxiliary Sees Demonstration Of New Stretcher

Members of Muenster Hospital Auxiliary at their September meeting Thursday night enjoyed seeing the stretcher they bought recently for Muenster Hospital and a demonstration on how it works. Sister Mildred, hospital administrator, explained the stretcher and its use.

It is provided as an accommodation to save people the time and-or expense of having an ambulance when conditions are favorable for the do-it-yourself service. A station wagon with the stretcher is a convenient substitute for an ambulance.

The stretcher and a station wagon will be at all home football games for use in case of injury.

Mrs. Ervin Hamric, president, conducted the business and members heard a report on their benefit ice cream supper. The event netted \$168.25. Mrs. Ted Henscheid won the mystery prize — an electric tooth brush donated by Palace Drug Store.

Mrs. Hamric thanked all who helped in any way to make the party a success. She included Ed Schneider and Ed Endres who assisted the ladies with details.

Members decided to again sponsor an art show and set October 3 for the date. Committees are organizing to take care of various duties. Members are also selling a cleaning detergent, Swip, and anyone wanting some can get it from the organization.

Mrs. Bernard McNamara and Mrs. Adam Wolf Jr. served refreshments after adjournment and Mrs. J. M. Weinzapfel won the attendance prize, ten gallons of gasoline courtesy of Willie's Mobil Station.

Four local young men are continuing college at A&M University. They are Don Vogel and Tommy Mosman, juniors; Larry Reiter and Roy Hartman, freshmen. Also with them is Buster Bezner of Gainesville. He's a junior.

Last Minute TD Wins 26-20 for Tiger Reserves

Reserves of the Sacred Heart Tigers played a lot of football last Thursday in nudging the B team of Sadler-Southmayd by the margin if one touchdown. The all important score came less than a minute from the end as Clifford Sicking went over from the 8 to break a 20-20 tie. A pass for extra points failed and the final count was 26-20.

Sicking started the game as dramatically as he ended it. On the first play after kickoff he got through the line and

found the way clear for a 73 yard romp to the goal. His try for extra points was good and the count was 8-0 in the first minute.

After that the visitors kicked ending the first series and Sacred Heart moved again. They went 55 yards to the 12 then bogged down. S&S took over on the 9, and five plays later sent their speedster on a 77 yard sprint to the goal.

About midway in the second quarter it happened again. The same hot shot got loose for 84 yards. The try for bonus points counted. The visitors led 14-8.

That situation continued for the rest of the second period

and through most of the third as the two teams battled on even terms. Then Sacred Heart got a drive under way. It went 67 yards and Alcuin Schilling made the last 4 to tie the count at 14-14.

That was the beginning of a hectic fourth quarter. On the kickoff that followed Sacred Heart won on an on-side attempt and got possession just past mid field. A few plays later Schilling went 31 yards to pay dirt. Try for points failed. Tigers led 20-14.

On the first play after the next kickoff S&S got a man almost loose. He went 59 yards before being caught on the 3 and the next play tied the

score 20-20. With about five minutes to go Sacred Heart started another drive. It went 58 yards to the 12 and fizzled out. But it got new life the very next play as the Tigers recovered a fumble on the 7. Three plays later Sicking broke the tie.

Mr. and Mrs. Victor Hartmans returned Tuesday from a ten-day vacation. They visited the Teddy Gremmings at Midland, the Leo Hartmans at Three Rivers, the Willard Hartmans at Killen, the Ed Kosels at Rosebud, the Keith Tompkins at Arlington, the Gene Hartmans at Denton, and the Walter Wolfs at Gainesville.

How Much Will The Hospital Tax Cost You?

If you are an average individual the amount is:

Only \$10 a year

HERE'S WHY

Less than 43 per cent of the total district tax is assessed against individuals, the balance against corporations, utilities, etc., and persons receiving oil royalties.

Assuming that the debt payment schedule on tax bonds is similar to that on present revenue bonds, the total tax bill will be no more than \$25,000 a year.

43 per cent of that, the amount to be paid by individual taxpayers, is less than \$11,000 a year.

The list of individual taxpayers includes almost 1100 renditions (there are fewer persons because some are listed for two or more renditions).

So, the average tax for each rendition on the list is \$10. The average individual has only one rendition so his tax is about \$10.

This is the average. To estimate your own tax more closely, take the assessment shown on your county tax receipt and figure it at a rate of 40 cents.

WANTED BY THE FBI

ALSON THOMAS WAHRlich

Wahrlich, one of the FBI's "Ten Most Wanted Fugitives," is wanted for unlawful interstate flight to avoid prosecution for the crime of kidnaping. He allegedly abducted a 6-year-old Arizona girl in Tucson, Arizona, on April 16, 1964, and brutally beat, choked, and sexually molested her before leaving her abandoned in the same city. A Federal warrant was issued at Tucson on April 28, 1964, charging Wahrlich with unlawful interstate flight to avoid prosecution for this offense.

A white American, Wahrlich was born in Rensselaer County, New York, on February 4, 1936. He is 5' 2" tall, weighs 135 to 140 pounds, wears glasses, has blue eyes, brown hair, a medium build and a medium complexion. He has a scar on his left shoulder, a vaccination scar on his left arm, a scar on each side of his abdomen, and a tattoo of a heart and the name "Cindy" on his left arm.

Wahrlich has worked as a truck driver, ranch worker, dishwasher, house trailer repairman, hospital orderly, insurance salesman, and ice cream truck vendor. He is very interested in guns and strongly prefers traveling by personally owned car. Wahrlich reportedly has mental blackouts, has been previously imprisoned for aggravated assault, child molesting, and a crime against nature. He reportedly is armed with a pistol and is said to carry a surgical scalpel in his trouser's pocket. Consider him armed and extremely dangerous.

Should you receive any information concerning the whereabouts of Alson Thomas Wahrlich, you are requested to immediately notify the nearest office of the FBI, the telephone number of which may be located on the first page of local telephone directories.

Bigger Appetites... call for more electricity!

When the subject of bigger appetites comes up at Texas Power & Light Company, it's not limited to large meals prepared by or for small boys.

The "appetites" which concern us are the amounts of electricity required for all uses... by all of our customers.

Since 1912, TP&L has been planning and building ahead to meet the increasing "appetites" for electricity in homes, on farms and in businesses and industries. During 1964, the Company spent more than \$55 million on construction of new and improved facilities to produce and deliver electric power. More than \$98 million of such expenditures are anticipated in 1965 and 1966.

Facilities now under construction and those planned for the future by TP&L... and other investor-owned electric companies throughout the nation... assure an amply supply of electric power in the years ahead.

Birthday Surprise For Tony Sicking

A surprise birthday party greeted Tony Sicking at his home, Rt. 2, Gainesville, Sunday afternoon. His mother, Mrs. Margaret Sicking, and his sister, Miss Theresa Sicking, planned the event.

Sharing in the honors, also surprised, were Bill Ege of Gainesville whose birthday is coming soon, and Steve Mosler of Muenster whose birthday was earlier this month. Bill and Steve knew about the surprise for Tony but didn't know they were being included.

All three received gifts and had their names on a handsome three-in-one cake with one candle for each. Theresa baked and decorated the cake. It was served with sandwiches, dips and chips, home-made ice cream and drinks.

Joining Mrs. Sicking and Theresa and the three honorees were Mrs. Steve Mosler and son Frank and Mr. and Mrs. Walter Robran, Mr. and Mrs. Andrew Zimmerer, Bill Otto, Jim Otto and Joe Bauer of Gainesville.

Haverkamps Host Christening Dinner

The home of Mr. and Mrs. Lee Haverkamp was the scene of a family gathering Sunday when their children and grandchildren were in Muenster to attend a christening dinner.

Mr. and Mrs. Gilbert Boydston of Dallas brought their infant daughter Sherri Ann to be baptized in Sacred Heart Church. It was the baby's first trip to Muenster to visit the relationship. They spent the weekend. Father Andrew Weaver officiated at the baptism and Mr. and Mrs. Leroy Wiesman of Fort Worth were godparents for their niece.

Other dinner guests included the Wiesman children, the Walter Haverkamps and children of Whitesboro and the Richard Schumachers and family of Gainesville.

Bert Boydston was over from Gainesville Saturday evening to see his brother and family and Muenster relatives stopped in Sunday afternoon to see the new baby.

yards and the TD. Kralicke stormed over for bonus points. The count was 14-8.

Statistically, however Callisburg had the better record. They were ahead 151-120 in yardage, 8 to 7 in first downs.

The next half was different as the Tigers led 140 to 31 in yardage and 8 to 1 in first downs.

That lone Wildcat first down followed the kickoff and the next series ended in a kick that was partly blocked. From their 45, then, the Tigers headed for their third TD. Fourteen stubborn plays did it little by little and the one that counted was a quarterback sneak for a half yard by Leon Endres. The try for extra points failed.

Callisburg on the next series of downs gambled and lost on a fourth down and 3 to go situation, and Sacred Heart was in possession again, on the Wildcat 30.

First try made 2 and on the next one Klement broke through the line and found clear sailing the rest of the way. Try for extra points failed again and the count was 26-8 with about a minute gone in the last period.

For the rest of the game Coach Walter Wolf gave his reserves lots of action and the game was deadlocked until near the end when Kralicke intercepted a long pass on the 12. After that more first downs returned the Tigers almost to midfield as the game ended.

Owen Transferred To Wichita Falls By J&L Supply Co.

Getting ready to leave Muenster for Wichita Falls are Mr. and Mrs. Leonard Owen and children Linda, Jeannine and Gregory.

J&L Supply Company has transferred Mr. Owen to be manager of the Wichita Falls store. The move is a promotion.

Owen came to Muenster in November 1952 as storeman and advanced to store manager. Since last June when sales representative and store manager duties were combined he held both jobs.

No replacement for him had been secured this week and until the vacancy is filled he will be back and forth working in both Wichita Falls and the Muenster area.

The Owens sold their almost new home to the Joe Hofbauers of Dallas and the couple and their daughter Sylvia will move to Muenster. Both moves are expected to be completed by the end of the month.

Other moves affecting local families took the Joe Russells out of the city to the Buckner farm north of town to live on the place vacated recently by the Tom Pittmans when they moved to the Buckner farm south of town after the Joe Cains moved to Pilot Point.

The Albert A. Knabe family will occupy the house the Russells vacated.

To move soon are Mr. and Mrs. Billy Don Wolf from East Sixth to West Fourth when the Arnold Henscheid family moves into their new home on North Pecan.

Birthday Honoree

Dinner in the home of his daughter Sunday at Pilot Point honored Fred Hennigan Sr. in observance of his birthday. Mr. and Mrs. Felix Pelzel were hosts assisted by their three small sons Randy, Wayne and Timothy. The honoree's wife and her mother, Mrs. Mathilda Wimmer, were guests making four generations present. Mrs. Pelzel baked and decorated the birthday cake.

Mr. and Mrs. Gene Pelzel and Michelle enjoyed spending Saturday at Six Flags. Little Matt spent the day with his neighbors and friends, the Joe Schmidkofer children.

Tech. Sgt. Nicholas J. Arend has arrived for duty at Bergstrom AFB, Austin. An in-flight refueling operator, he previously served at Sawyer AFB, Mich. He is a member of the Strategic Air Command, and the son of Mrs. Lena Arend. Nick and his wife Frances and their three children Debbie, Nickie and Doug spent a week with his mother and other relatives between the move from Michigan to Texas.

Fumbles Hurt in Game at Lone Oak, Knights Lose 32-16

Four fumbles and one interception were principally responsible for the 32-16 downfall of Lindsay's Knights at Lone Oak last Friday.

As it was the Knights turned in a better record of first downs and total yardage but too often they failed to keep going and handed over extra opportunities to their foes.

First quarter featured Lindsay defense. Lone Oak had the ball throughout except three

plays, two of which turned out to be Lindsay fumbles. But they could not score.

Next period produced 23 points, 20 for the home team and 8 for Lindsay. The Knights made theirs on a nice 25 yard gallop by Louis Gieb. A pass Mike Hundt to Davey Arend added the extra points.

After intermission Lindsay started with a good drive that fell short of the goal by a single yard. Next they did better, going 60 yards in all. Gieb went over for 2 yards and his second score and the same pass combination clicked for extra points.

Lone Oak scored twice in the fourth quarter, once on a long drive and once on an interception.

Lindsay led the hosts 11-9 in first downs and 81-52 in passing yardage. Lone Oak led 160-151 in rushing gains.

TALA At Lindsay Elects Officers

Lindsay High's Teen Age Library Club was reorganized again this year under the supervision of Sister Mary Patrick, CDP.

Forty-eight members were counted at the first meeting and the following officers have been elected: Linda Hoelker, president; Dianne Zimmerer, vice president; Linda Corcoran, secretary and Bobby Zimmerer, treasurer.

Paula Schmitz, hostess for the day, welcomed the members and served lemonade.

On display during the meeting was the antique-framed axiom, "God Bless Our School", contributed by Mrs. Schmitz.

The club will meet each first Friday of the month and its aims are to assist the school library, to learn about libraries and to practice human relations for mature teenagers. Several field trips, outings, speeches and trips to other TALA meetings throughout the state are planned by club members.

Tiger Cubs Nudge S&S Juniors 16-12

The Tiger Cubs, elementary kids of Sacred Heart, came from behind last Thursday night for a 16-12 win over Sadler-Southmayd Juniors in their first test of the current season.

The Cubs had possession of the ball for most of the game and gained regularly for short yardage but were almost beat by a couple of speedy youngsters who got loose for long runs.

To start the game the visitors kicked on their first series and Sacred Heart promptly advanced to its first TD. The drive was for 48 yards. Robert Bruns scored from the 2 and Clifford Zimmerer went over for bonus points.

Early in the second quarter one of the S&S boys went 52 for a score and near the end of the period another scored from the 41. Both attempts for extra points failed and later became the margin of Sacred Heart victory.

Through the third quarter each team made only one first down but as the last period opened the Cubs started moving. Six plays gained 39 to the 5 yard line but the next four netted a loss of 2. Four plays later the visitors had to kick and Sacred Heart started again from the 17. Five plays made the distance. Schilling got the last yard on a quarterback sneak and Bruns went over for two more points.

for continued growth and development.

Those are some of the things the hospital means to Muenster. Those are values that can be kept and expanded by favoring the hospital district in Saturday's election. Those are values that can be lost by failing to approve the district.

We hope each qualified voter will compare these values to his cost, and then be sure to vote.

Craft Club Work Quits at Lindsay

Lindsay Craft Club is no more. After several years of activity with the community's children, the organization disbanded, principally on account of lack of leaders.

Leaders still with the group met Sunday at the parish rectory with Father John, Glenn Hellman, school superintendent, and Norbert Mages, president of the Parent-Teacher Club. Craft Club equipment and supplies have been donated to Lindsay School. The Parent-Teacher Club will consider taking over the Gold Bond project.

Seven-Year-Old Is Birthday Honoree

Albert Zimmerer Jr. was the honoree at a party observing his seventh birthday Sunday at the home of his parents. Boy classmates helped him celebrate.

Games, gifts, party favors and refreshments of birthday cake, ice cream and soda pop made it a happy occasion for the youngsters. The cake, decorated to look like a train, delighted the little boys. Mary Kathryn Flusche assisted with her nephew's party. Special guests were his grandparents, the Bill Flusches and the Johnnie Zimmerers.

Priest Brothers Of Ill. Visit Kin

Two priest brothers from Illinois are visiting cousins in Muenster, Lindsay and Gainesville this week. Father John Schumacher of Toluca and Father Lawrence Schumacher of Henry, Ill., arrived Sunday for a visit until Saturday with cousins of the Tempel relationship. They arrived by jet at Dallas Air Port. The Norbert Rohmers and daughters Betty and Barbara met them.

In addition to being entertained by relatives the two priests have been sight-seeing including Muenster Hospital and Colonial Acres Farm, both new since their last visit. They are cousins of Mrs. Tony Trubenbach Sr. and headquartered at the Trubenbach home. A family reunion is planned before they return home.

Hornets were leading 20-0 at the half ended.

Penalties put too much handicap on Muenster to allow real progress in the third quarter, but that changed suddenly near the end of the period. Klement intercepted and returned the ball about 50 yards to the 11. Next two plays lost a yard then Swirszynski passed to Russell for the final Muenster touchdown and Stormer's run made the count 28-0.

Valley View got its only touchdown as a result of a steady drive for 55 yards near the end of the game. The scoring play was a 3 yard plunge by Stewart.

Plans Shaping for County Events in 4-H Club Week

Final plans for the observance of National 4-H Club Week, Sept. 25-Oct. 2, were made at the County Council meeting Saturday morning, Sept. 18.

A county wide 4-H Club party will be held Monday night, Sept. 27, at 7:30 at the Cooke County Junior College. Other activities will include radio programs throughout the week, by 4-H Club members. Slides on 4-H activities will be on view at the First State Bank. Signs will be across the street in Gainesville and Muenster and posters will be placed in all towns and communities.

In other new business it was announced that the Traveling Trophy reports will be due in the County Extension office on or before Oct. 18. Plans were made for each local 4-H Club to have a money making project to benefit the Council's 4-H Fund. A 4-H Newsletter will be put out once every two months during the coming year. The Callisburg Junior Leaders will be in charge of the next Junior Leader meeting on Oct. 25. Announcements of the coming events were made: State Dress Revue and Rural Youth Day at the State Fair, Oct. 16; Achievement Banquet, Nov. 1; Gold Star Banquet, Nov. 18.

Attending from Sacred Heart 4-H Club were Mary Ellen Endres, secretary, and Dianne Gehrig.

California Visit Was Vacation Fun

Get Mrs. Ray Evans in a conversation and she can tell many interesting tales about her vacation in California, the highlight of which was appearing on the TV show "Let's Make A Deal," and hitting the jackpot.

Mrs. Evans and her companion, Mrs. Orlen Edelen of Okla., traveled air jet from Dallas to Los Angeles where they visited friends, Messrs. and Mmes. Burl Letts and Jack Stringerland. With the latter couple they saw the Ed Sullivan Show which they'll see again on TV on Oct. 5.

Other places and things included Disneyland, Knott's Berry Farm, the Wax Museum of the Stars, Universal City and Hollywood. Out on the movie sets they saw James Stewart's dressing room, shooting of TV shows the Virginian, Hell's Navy and The Monstros and stars including Lana Turner.

After participating in "Let's Make A Deal," Mrs. Evans and Mrs. Edelen went to San Francisco where they were charmed by the city's many attractions . . . touring Fisherman's Wharf, eating sea food; touring Chinatown, eating Chinese food; riding the cable car, going atop Telegraph Hill, touring the city with its up and down streets, and touring Red Wood Forest,

visiting the Golden Gate Bridge and Oakland Bridge. They returned by jet to Dallas.

Owens Honored at Going-Away Party By Tuesday Niters

September meeting of the Tuesday Niters Club was a farewell party honoring Mr. and Mrs. Leonard Owen who will leave next week to make their home in Wichita Fall. Mrs. Owen has been a club member since the group organized.

Husbands joined their wives for the evening at TP&L community room and the group presented Mr. and Mrs. Owen a pole lamp as a parting gift.

After a series of progressive round dominoes refreshments were served to sixteen present. Prize winners in the games were Martin Bayer, high score, and Arthur Williams, consolation.

Another farewell courtesy for the Owen family was a cookout — a broiled hamburger supper — with Mr. and Mrs. Leo Lawson as hosts at their home for the two families.
