

One of the reasons for the high cost of government was told in the May 17 issue of US News and World Report. The federal payroll now includes almost five million persons, which amounts to 2.36 per cent of the entire population. The great bureaucracy has 211,000 clerical workers, 145,000 engineers, 13,000 lawyers, 5,000 telephone operators and 15,000 plumbers.

Another fact about your government is that it owns 761 million acres of land, which is one third of the country's total. Included in all of this acreage is 96 per cent of Alaska, 87 per cent of Nevada, 66 per cent of Utah, 64 per cent of Idaho, and 52 per cent of Oregon.

More interesting statistics: Federal office space owned and leased by the government occupies 430 million square feet. Also, your government is spending \$374 billion this year, and the gross national product is \$1,161.8 billion.

Getting back to the subject of federal employees, it is interesting to notice the amount of pay on which those people have to make ends meet and the handsome salary increases they have had in the past several years.

Despite the ridicule heaped on Ronald Reagan by President Ford's campaign organization relative to the rumored give-away of the Panama Canal by the Administration, it is appearing more and more likely that the State Department and the President are seriously considering the idea.

According to Henry Kissinger, violence in the Canal Zone is "unthinkable", and so, in keeping with a "beiter red than dead" alternative, our misguided State Department leader suggests avoiding trouble with the two-bit Panamanian dictator by turning the big ditch over to him.

It is humiliating to think that this once mighty and proud nation has reached the point of submitting to threats, especially from a power of that caliber.

Of course, anybody can understand that the canal is vulnerable. It would be most difficult to protect against modern terrorists or saboteurs. But is that a reason for giving it up? If this is the kind of logic we are going to live by, we may as well prepare to give up the entire country, rather than have a vast amount demolished by terrorism.

Mr. and Mrs. Joe Hartman and son Sam of Austin are here with his parents, the Herman Hartmans on Joe's annual "harvest" visit.

Attending the graduation of Deana Wolf at Gainesville High School Friday night were Mrs. Harvey Schmitt, Mrs. Victor Hartman, Mr. and Mrs. Alvin Hartman all of Muenster and Gene Harlan of Denton. Mrs. Gene Hartman came to Muenster to attend the graduation of Craig Richey her nephew, and a son of Mr. and Mrs. Wendell Richey. Following graduation the group visited in the home of Deana's parents, Mr. and Mrs. Walter Wolf in Gainesville.

Hostesses for the game party at Hillcrest Manor last week Wednesday May 26 were Mmes. Leonard Endres, Ray Voth, Al Wiesman and Frank Zimmerman.

The Gene Hartman family of Denton were weekend guests of relatives here.

Mr. and Mrs. Charles Felderhoff and family of Dallas were Sunday and Memorial Day guests of his parents, the Tony Felderhoffs.

Knabe Baptism

The infant son of Mr. and Mrs. Gilbert Knabe, Cory Lynn, was baptized Monday afternoon at Sacred Heart Church with Father Stephen Eckart officiating. Baptismal sponsors were his uncle and aunt, Mr. and Mrs. Chris Cagle of Dallas.

Cory Lynn was dressed in the same christening garments worn by his two brothers, Ronald and Brian. Attending the church service were his parents and Ronnie, his grandmother Mrs. Gene Hoedebeck and Freddy. Later in the afternoon there was a family gathering in the Knabe home.

Crime & Corruption And It's Major Contributing Factor

LAX, WEAK, and UNRESPONSIVE LAW ENFORCEMENT by the SHERIFF is the major contributing factor to CRIME and CORRUPTION in any county. That factor allows and encourages an increase in crime and corruption by being an open invitation to the CRIMINAL and CORRUPTING ELEMENTS to set-up shop in the county. CRIME and CORRUPTION GRAVITATE to areas of LAX, WEAK, and UNRESPONSIVE LAW ENFORCEMENT.

The big question is — WHY SHOULD WE HAVE THIS LAXNESS, WEAKNESS, AND UNRESPONSIVENESS IN COOKE COUNTY — SINCE WE HAVE AN EXPERIENCED (20 years) AND WELL TRAINED SHERIFF BY HIS OWN ADMISSION? WHY???

STOP and THINK of the CRIMES, from petty thefts to murders, missing persons to dope traffic, you read and hear of in Cooke County, and HOW FEW you ever read or hear of being solved. WHY????

I hesitate to mention the 12 year record of the SHERIFF'S predecessor, since the SHERIFF from 1952 to 1965 was my father, the late O. E. Whisnand. I believe the record shows there were no unsolved murders or major crimes, and no missing persons at the end of that administration that occurred during the years from 1952 to 1965.

We had the same Texas Ranger, and Chief of Police in Gainesville then that we have now. That record does not exist now. WHAT MADE THE DIFFERENCE? Could it be LAXNESS, WEAKNESS, and UNRESPONSIVENESS on the part of the SHERIFF????

AUSTIN — The House has passed a resolution providing for a commission to study the penitentiary question. There is concern about overcrowding in the prisons, frequent escapes, and the treatment of prisoners by the lessees of the penitentiary at Huntsville. One possibility the commission will study is building a penitentiary at Rusk to manufacture iron.

GALVESTON — Residents at Market and 7th Streets and vicinity complain of the exhibition of nudity made by men and boys, who bathe in open daylight in the newly cut channel. The bathing season being upon us, such infractions of the law as that will be frequent, unless checked at the outset.

GALVESTON — The lovers of sporting, having no races to attend yesterday, on ac-

count of rain, staked their loose change on a cock fight, the second of the season.

AUSTIN — The Senate has passed a bill to fine in the sum of \$100 the use of insulting words which provoke assault.

ARANSAS COUNTY — The schooner A. H. Belden was engaged the greater part of a week in discharging her cargo of coal. She paid laborers \$3.50 per day during the time she was discharging.

SAN ANTONIO — The "Herald" complains that the prairies have, to a great extent, been denuded of cattle, owing to the wasteful system of driving beeves, cows and calves, indiscriminately, to Kansas.

GOLIAD — The coroner's inquest upon the body of W. Killebrough resulted in the following verdict: "We the jury find that W. J. Kille-

brough was killed by pistols in the hands of Joe Luderbacher, Hy Luderbacher and Henry Hoff, in the company with about 40 others, to the jurors unknown."

FORT WORTH — From this date there will be a rapid decline in the cattle drive and it will shortly cease entirely until about September, when a few herds will pass over the trail. The total previously reported was 160,135 and this week's herds consisted of 1,876 head, bringing the total to 162,011. The drive this week has been very light, as many herds have been kept back by the high waters of the streams south of this point.

AUSTIN — Senator Terrell's jury bill has passed the Senate almost without opposition and, it is said, will pass the House without amendment. It requires that all jurors shall be able to read and write the English language. An educated German or Mexican citizen, if he lacks the English

is put on a par with the most illiterate.

Limited Income People May Apply To IRS for Checks

Dallas, Texas — Thousands of low-income North Texans may be eligible for checks of up to \$400 each from the Internal Revenue Service. All they need to do is file a tax return and ask. The Dallas office of the IRS said today that the extra cash, called Earned Income Credit, has been applied for by only 125,000 individuals in

North Texas so far this year. Earned Income Credit, a tax break for parents who supported at least one child during 1975 and earned less than \$8000, was available for the first time on 1975 tax returns. Many people who are eligible for Earned Income Credit have such low incomes that they are not legally required to file tax returns. IRS officials say there are thousands of these qualified recipients who are simply unaware that Earned Income Credit exists or do not know how to go about getting it.

Even if they paid no withholding tax and have no income tax liability, individuals eligible for Earned Income Credit will receive payments equalling ten percent of their earned income, to a maximum of \$4,000. Over \$4,000 the credit is reduced by 10 for each \$100 of income.

Individuals who feel they may qualify for Earned Income Credit should contact their local IRS office or call for advice on the IRS's toll-free number, 800-492-4830.

Hornets Lose 7-3 In Bi-District

The Hornets' bid for a second successive bi-district and regional title came to a sudden halt last week Thursday as they encountered Sanger's Indians in bi-district on Locke Field, Gainesville. The loss was 7-3 as their momentum from a 6-1 district season failed to stretch to another win.

In a pair of previous games the Hornets and Indians had broken even, each winning on the home field.

Final MHS standing through the UIL competition was 6-2 and the standing for the full season was 15-5.

The Indians made a big start in the first inning by combining three Hornet errors with a homer for two runs, and bringing in the third with a walk, a steal and a single.

Again in the third a hit, a walk and another hit brought in what turned out to be the winner. A run in the fourth and two in the sixth sweetened the margin for Sanger. Muenster made it interest-

ing in the third. Pagel doubled and went to third on a balk after which Kim Walterscheid walked and stole second, and both came home on singled advancing Wolf to third, and Wolf scored on an error. Danny Endres got the fourth hit of the inning, but he and Davidson died on base when the next batter grounded out.

Another Hornet effort fell short in the sixth when Danny Endres led off with a single, but he was left stranded by three successive outs.

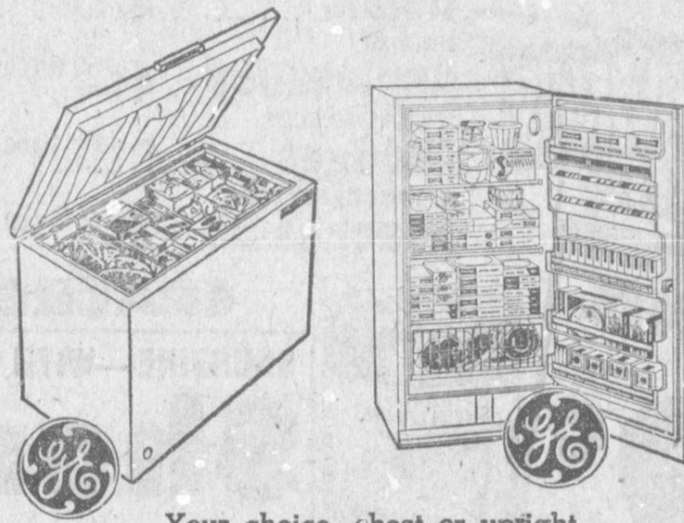

Tim Wolf started pitching for MHS and was relieved by Dan Endres after Sanger scored two. Together Wolf and Endres allowed two walks and five hits while fanning two. Sanger's pitcher gave up two walks and six hits and struck out eleven.

Muenster hitters were Dan Endres a triple and a single; Carl Pagel, a double and a single; Tim Wolf, a double, Mike Davidson a single.

Vote for Robert Hobbs

FOR PRECINCT 3 COMMISSIONER

I am an independent candidate having no one sole supporter.

I will consider all opinions fairly before arriving at a conclusion that will affect our county government.

Prior to giving up my job, so I could run for commissioner, I had worked 12 years for Precinct No. 3.

I can and have operated all equipment that the precinct owns.

I am an interested property owner and taxpayer.

I will strive to be as fair as possible with all Cooke County residents.

I will appreciate your vote and support in the June 5 Run-Off

Brights Combine Vacation With VMI Graduation

A delightful family vacation and a memorable graduation at VMI filled ten days for Mr. and Mrs. David Bright and family recently, when David Bright Jr., was a member of the graduating class.

They left here on Friday, May 7, and arrived in Lexington, Virginia the next day to celebrate Joseph Bright's 20th birthday. When the family drove to Washington, D.C. Sunday morning, David Bright, Jr., accompanied them, while Joseph and Thomas remained to complete final exams at VMI. Enroute they stopped to view Thomas Jefferson's magnificent home, Monticello.

They arrived in Washington D.C. Sunday night and spent through Thursday sightseeing and visiting famous historical sights. A highlight was attendance at the Ford Theater, where they sat just across from the Presidential Box, and saw actress Eileen Hackart portray "Eleanor". Impressive for its great beauty and magnificent size was the Kennedy Center for the Performing Arts, whose lobby, serving its three theaters, is actually "three football fields plus ten yards" in length.

The Brights and their children also toured the White House, saw six of the Smithsonian Institute's Buildings and at the Washington Monument also viewed the impressive film and lecture given by Lorne Greene. Later they saw a huge Armed Forces Display.

Thursday evening they returned to Lexington where, on Friday morning, Commissioning Ceremonies were held at VMI. Final Military Review in the afternoon, a reception in the Commandants residence and the Final Ball completed the day.

Graduation was an event of Saturday morning, May 15. David Bright, Jr., a Dean's List chemistry major, received a bachelor of science degree and was listed among Graduates With Distinction.

The family began their drive home Saturday afternoon, arriving Sunday night. David, Jr., remained to attend a classmate's wedding in Lexington and drove home later.

Also attending the graduation was an Aunt, Miss Lola Bright of Anniston, Alabama. David, Jr., is stationed at Barksdale Air Force Base at Shreveport, Louisiana, after a short leave at home.

THANKS

A death in the family is hard to accept, but with the loyal relatives, friends and neighbors that one has, grief and sorrow are made more bearable.

Our sincere and heartfelt thanks to Reverend Fathers Placidus, Stephen and Damian and to the Choral Group for the beautiful service; to the Catholic Daughters for preparing and serving the meal; to the Nick Miller Funeral Home for consideration and concern shown family members; to the Muenster Memorial Hospital Staff, and for many spiritual offerings, flowers, food and condolences. The Arthur Hellman Family

Our sincere thanks to Bishop Dangelmayr, Fathers Placidus and Stephen, Dr. Kralic, the nuns, friends and neighbors and the entire Hospital Staff for prayers, visits, cards and the good care I received during my stay at the hospital. Sincerely, Mrs. C. J. Fette and family

Air Conditioning and your electric bill.

The summer months in Texas are that time when the largest factor in most electric bills is operation of air conditioning equipment. On the average, air conditioning accounts for about half of summertime bills. The most important single factor in holding down the cost of air conditioning is insulation.

windows where the frames meet the walls. You may want to install simple "storm windows" . . . plastic sheeting attached to lightweight wooden frames which completely cover window openings. Awnings will also help. Keep fireplace dampers closed when not in use. Close blinds or drapes to block out direct sunlight.

Proper insulation blocks out heat. Six or more inches is recommended for attics, three or more inches for walls and two inches around the ducts of central systems. Insulation dealers or a TP&L Service Representative will help you determine the amounts you have and the amounts you may need to add.

Replace missing or worn weather stripping around door and window openings. Caulk around the outside of doors and

Check filters every 30 days. If you have the permanent type, clean them by manufacturer's directions; if they're the disposable type, replace them when they're dirty. Have your air conditioning equipment checked seasonally by a qualified serviceman. Set the thermostat on 78° or higher. Turn equipment off if you will be away from home for several days or longer.

Keep furniture and draperies away from air outlets and returns. Clean grills often.

Hillcrest Manor Residents Given Birthday Party

Residents of Hillcrest Manor, or their relatives and friends joined Tuesday night at the Home for the monthly birthday party.
 Honorees for June were Mrs. Jennie Schilling, Mrs. Amber Sullivan and Mrs. Minnie Kinman.
 The Cross Timber Band provided entertainment and staff members served cake, punch and coffee.

Cakes were furnished by Mrs. Alfons Walterscheid and Mrs. Bill Haverkamp for their mother, by Harry Sullivan of Gainesville for his wife and by Mr and Mrs. O. D. Garland for his aunt.

People are funny; they spend money they don't have, to buy things they don't need, to impress people they don't like.

Education does not mean teaching people to know what they do not know; it means teaching them to behave as they do not behave.

Saint Jo Plans Big Observance For Bicentennial

Enthusiasm and interest are abundant among committee members and co-workers who are sponsoring a Bicentennial Week in Saint Jo, July 1-4.

A schedule for the four days and a sampling of entertainment follows.

July 1 — Commemoration Day with introduction of visiting dignitaries by Mayor J. C. Donnell. H. D. Field will tell the history of Saint Jo. There will be a Square Dance on the Square at 7:30 p.m. Girl Scouts will sell lemonade, cookies and cake every day. Boy Scouts will be in charge of the opening and closing Flag Ceremony.

July 2 — Carnival Day with white elephant sale, fish pond, balloon and dart games, cake walk, old hen day, when the Saint Jo Tribune will give a year's subscription for the heaviest entry and all will be auctioned on Friday. Also an Art show, style show, potato and sack races, an tricycle races, an armadillo race (they hope to be able to offer Armadillo Barbecue for sale).

There will be a Kangaroo Court with Kenneth Hutson and Joe Frank Reeves on duty. A Bicentennial Clown will circulate all days. Sandwiches and Hot Dogs will be for sale. The PTO and Band Boosters will sell ice cream. A Food Fair will have wide appeal. Any 6 items may be entered for a fee of \$1. All entries will be judged. There will be a hog-calling contest and an old fiddler's contest (Jack Hogan in charge). A CB radio will be given away and is on display now.

On July 3 a parade will begin at 5 p.m. There will be a dunking board all day, with firemen in charge. Saturday is Rooster Day when two roosters will be released on the square. Anyone who catches them may keep them. The Kangaroo Court will continue and there will be a box supper.

On Sunday, July 4 all activities will move to Boggess Park. An invitation to a covered dish picnic meal is offered to all Saint Jo residents and also to all surrounding communities. There will be an old fashioned Church Service

under the trees of Boggess Park. And at night a fireworks display will be featured. The "welcome mat" is out and an invitation is extended for all activities. Visitors are urged to wear old fashioned or Bicentennial garb, bonnets, aprons, any day and especially on July 2 for the Style Show and contest. For this, interested persons may contact Billie Grisby in Saint Jo.

Poetry and Essay Contest Winners Named by CDA

Winners of the CDA-sponsored Poetry and Essay contests were announced during the May meeting of Catholic Daughters of America.

Local winners in the Division I, Poetry contest were, in order named, Jenny Felderhoff, Gene Fuhrman and Tina Hesse. All are sixth graders. In division II, were Bert Miller, Phil Walterscheid and Jamie Moster.

In the Essay contest, Division III, High School winners were Mary Margaret Rohmer, Donna Grewing and Cheryl Luke. It was also announced that Jenny Felderhoff won second place in Division I, Poetry in state competition and Cheryl Luke won first place in the State Essay contest in Division III.

Mrs. Lucille Lutkenhaus, regent, conducted the business meeting and presented a report of the CDA convention in Dallas on April 22-25, also attended by Mrs. Dorothy Fisher. They told of lectures, workshops and entertainment and mentioned that there are now 13,621 CDA members in Texas and ten new courts. Also that the State CDA Court donated \$1500 to each Bishop in Texas. All CDA members contribute \$1 a year to the Theological Fund for this purpose. Also reported was the election of Margaret Hosty, former district deputy to state regent.

The German Week committee reported the success of the sausage booth and thanked all who were involved.

The regent read an invitation from Our Lady of Good Counsel Court in Wichita Falls, to a tea on June 6 honoring retiring district deputy Anna Chancellor.

Members selected Mr. and Mrs. Lee Toothaker as representatives to the Senior Citizens Party in Gainesville and several members will accompany them.

No regular CDA meetings are held during the summer. The next meeting will be in September.

Myra Club Hears Talk on Problems Of Small Hospitals

Twenty four members of Myra Improvement Club attended the May 25 meeting to hear Muenster Memorial Hospital Administrator David Bright and Herman Carroll who talked to the group on "Problems Facing Small Hospitals."

Reports were given on the progress of the Story Hour, by Mrs. Ray Sicking and on the Youth Committee by Sally Sherrill.

Also discussed was purchase of two signs to mark the north and south city limits of Farm Road 373 which will include such information as population, etc.

Plans to enter the July 4 Bicentennial Parade in Gainesville were discussed; also the possibility of a Lending Library. Interested persons may phone Larry Vogel 736-2215.

Mrs. Thurman Reid (Marge) announced plans for Game Night at the Community Room the second Tuesday of each month. All are invited on June 15.

Refreshments were served by Mrs. Reid and Mrs. Pearl Wilkins. The next meeting will be on June 29, 3 p.m.

Etiquette: Learning to yawn with your mouth shut.

First of all want to remind our readers that Sunday, June 6 will be the Dewey Homecoming and this year the church will furnish paper plates, napkins and cold drink cups.

On Tuesday, May 25, the 3rd and 4th grade students along with Bus Driver Louise Robertson and their teacher Vesta Carter and sponsors Mrs. Judy Farrell, Betty Traylor, Olita Lanier, Alice Shultz, Patsy Bell, Merle Hudspeth

NOTICE OF PUBLIC MEETING
 The State Department of Highways and Public Transportation is engaged in a highway program to modernize U. S. 82 across Montague and Cooke Counties. The Department proposes to update that section from near the East City Limit of Saint Jo in Montague County to Main Street (F.M. 373) in Muenster which is in Cooke County. That section of U.S. 82 from 2.2 miles east of the Montague-Cooke County Line, eastward to the West City Limit of Muenster has already been improved.

The State Department of Highways and Public Transportation in cooperation with the City of Muenster, Montague County and Cooke County, will hold a public meeting on June 10, 1976 from 4:00 p.m. to 6:00 p.m. in the Texas Power and Light Meeting Room, 408 N. Main Street in Muenster, Texas. The meeting is informal, and the public is encouraged to attend at a time that is convenient to them. Representatives of the State Department of Highways and Public Transportation will be on hand to discuss the proposed project and hear the views of the public.

The proposed construction will consist of grading, drainage structures, base and surface. On the section of U.S. 82 from the East City Limit of Saint Jo to 2.2 miles east of the Montague-Cooke County Line, the proposed improvements provide for a four-lane highway. The existing right of way is usually 240 feet, 140 feet of which was acquired within the last three years. There will be no displacements as a result of these improvements.

The remaining 0.366 mile section of U.S. 82 is in the City of Muenster, beginning near the West City Limit and ending at Main Street. The proposed construction consists primarily of removing the existing two-lane M-K-T Railroad Overpass structure over the abandoned railroad and providing a four-lane divided highway at ground level. The existing right of way is usually 100' wide. The proposed width varies from 100 feet to a maximum of 215 feet. There will be no displacements as a result of these improvements.

Maps and other drawings showing the proposed geometric design, environmental studies and any other information about the proposed project are on file and available for inspection and copying at the office of the Resident Engineer, Mr. Charlie Hildebrand, I.H. 35 North, Gainesville, Texas. Information will be provided with regard to the State Relocation Assistance Program, the benefits and services for displacements and the relocation assistance office as well as information about right of way acquisition and construction.

YOU CAN BANK ON IT!

The family farm could become a vanished specie if revisions in federal and state estate tax laws aren't made soon.

Outdated estate tax exemptions and an Internal Revenue Service provision which forces settlement of estate taxes within nine months after death are forcing hundreds of family farms out of existence.

Estate tax reform has become a prime issue on Capitol Hill, and a bill before Congress would raise the personal exemption to levels more realistic for today's farm valuations.

There are two basic courses a farm family can take: 1) form a corporation and distribute shares to the children ahead of time; 2) form a legal partnership which will guarantee that half of the farm belongs to the wife.

One thing a farm wife can do to help overcome estate tax problems is to document her contributions to capitalization of the farm so that she has proof that she helped operate and finance the business and was a true business partner.

Why lose what you have worked so hard to accumulate, when a little time and effort toward estate planning will save much of your investment.

Muenster State Bank

and Cleo Lanier visited and toured the big D-FW Airport. In spite of a rainy, stormy day the group thoroughly enjoyed the trip. They took a picnic lunch but due to the rain they had to eat on the bus. A very attractive and capable lady gave the group a guided tour. For many it was the first time to board a big plane, ride the Air-Trams, escalators and elevators and visit a fabulous and beautiful hotel that accommodates air travelers. It will be a trip long remembered by students and adults alike.

On Thursday Nite May 27 graduation exercises were held at the school. Graduating into high school were: Vatori Dill, Pamela Edwards, Connie Robertson, Donna Rater, Becky Putnam, Jackie Monroe and Lisa Edwards, Bryce Boyd, Russell Shears, Johnny Riddles, Harold Maughons, Glen Johnson, Joe Evans and Curtis McMahan.

The following Forestburg folks attended a Texas Ranger ball game at Arlington Stadium Saturday May 22: Charles and Doug Edwards, Mr. and Mrs. Kenneth Woods and John, Kenneth, Kendall and Brent Holland, Rusty and Diana Fenoligo, Johnny Lanier, Ricky White, Clint Lund, Cleo Lanier, Carolyn Conway, Casey Jones and Clifford Hudspeth.

Mrs. Velma Freeman visited in Bowie Saturday p.m. May 22 with her cousins Mrs. Evelyn Kilpatrick of Mesa, Arizona and Mrs. Gracie Dell Gilbert of Houston. They are the daughters of the late Mr. and Mrs. Lewis Oldom and were here for the X-student reunion at the Montague school.

The children of Mrs. Cloud Barclay of Alvord honored her with a birthday dinner and party on Sunday May 23 at the Forestburg Community Center.

Several of our Forestburg folks have been making trips out of "town" to attend graduation exercises for their grandchildren: Mr. and Mrs. Ted Jackson left for Miami on Wed. May 19 to attend graduation exercises for their granddaughter Pamela Sue Brogdon on Thurs. the 20th. Pamela is the daughter of Mr. and Mrs. Johnny Brogdon. The Jacksons also visited Mrs. Jackson's aunt Mrs. Martha Sloan and daughter Dell Wright of Gruver.

Mrs. Decie Ellzey was in Temple for the graduating exercises for grandson Rusty Wright son of Mr. and Mrs. Sam Wright on Friday nite May 28. On the way home Sunday via AmTrack Decie was in the train wreck we all viewed on TV news — the wreck took place at Joshua. Decie was not hurt in the wreck but says she really got a scare.

Mrs. Frances Brewer attended graduation exercises for her granddaughter Billie Brewer in Denison Sat., May 29. Billie is the daughter of the Paul Brewers.

Mr. and Mrs. Howard Sockwell motored to Argyle on Friday May 28 to attend the graduation of their granddaughter Kathy Kenas from the Argyle School into high

school. Kathy is the daughter of Bill and Joyce (Sockwell) Kenas.

Mr. and Mrs. Cecil Foster attended a reunion of the Cooke Family at Possum Kingdom the week of May 24. This was a come and go affair — lasting all week.

Mr. and Mrs. Hoyt Mann of Midland and Mrs. Fred Campsey ate on a vacation trip to Bermuda to visit the Hoyt Mann's son Skipper and family.

At this writing L. D. Sirman is still a patient in the Flo Hospital in Denton. L. D. is doing very well.

Meb Dunn entered the Bowie Hospital in the first part of last week.

Ross Littell is now at home after a stint in the Nocona Hospital. Ross reports he is doing very well.

Mary Wilson is the new owner and manager of the local cafe and Maryetta Foster is lending her a big helping hand.

Sherri Wylie and friend Carla Mounce of Stephenville visited the "Red" Wylies Wed. May 26.

Wynona Riddles took sister Wanlo Magee home to Lawton, Okla., on Monday May 31. Wynona will visit with Wanlo in Lawton till Friday June 4.

Recent visitors in the Barney Brogdon home were Mrs. Pauline Deay of Nocona and Mr. and Mrs. R. L. Holland of Fowler, California.

California folks have been finding their way to the Bennett Reynolds Acres here of late. On Thursday, May 20, Mr. and Mrs. Oscar Newsome of Stockton, California arrived and stayed till Friday. They had barely departed when Mr. and Mrs. Bob Smeltz of Ventura, California arrived on the scene. The Smeltzs had been wintering in Charleston, South Carolina with their daughter and are on their way to Nevada — they departed for that state on Saturday the 29th.

Mr. and Mrs. W. E. Rinewalt of Waco and their daughter, Mrs. Herman Kuehler and daughter Amy of Harlingen visited with Mr. and Mrs. T. W. Smith the 22 and 23. Mrs. Rinewalt and Mrs. Smith are sisters. Speaking of the Smiths — Wesley had himself another abundant potato crop again this year. Imagine he would gladly part with part of 'em.

elect CARL DALLY
 Judge of the Texas Court of Criminal Appeals

"Carl Dally has been a commissioner-in-aid to the court of criminal appeals for half a decade. He has argued before the U.S. Supreme Court and has had extensive experience in both the criminal and civil branches of the law. His opponent is a man with no judicial or appellate experience in criminal cases. We urge Texas Democrats eligible to vote in the June 5 runoffs to inform themselves of the qualifications of the candidates in this and all races. We urge them not to vote for a vaguely familiar name, but to vote for the best man. In the case of the runoff for the criminal appeals court, the best candidate is clearly Carl Dally."

AUSTIN AMERICAN-STATESMAN

The Fort Worth Star-Telegram calls Carl Dally "eminently qualified" and the Houston Chronicle says he is "uniquely suited" to serve on the Texas Court of Criminal Appeals. Dally is also endorsed by newspapers in Dallas, Lubbock, Corpus Christi, San Angelo, Tyler, Bryan, Beaumont, Port Arthur, Victoria and Wichita Falls.

Ask your lawyer, your district attorney, any judge, or informed friend about the candidates in this important race. Then vote for the best man.

JON NEWTON
 Texas Railroad Commission

The Railroad Commission is one of the most powerful regulatory and conservation agencies in America. Two candidates are in the June 5th Democratic runoff election:

JERRY SADLER, 68, who entered politics in the 1930's, was defeated as Land Commissioner in 1970 after an official reprimand from the Texas House for refusal to cooperate in an investigation . . . bad absentee record in public office . . . investigated by a grand jury for using a state employee to run his private motel . . . sued for civil tax fraud by the IRS . . . in 1969 the Dallas Times Herald declared "Sadler has made Texas government a universal target of ridicule and derision," and in 1976 the San Angelo Standard echoed, "Under Sadler, the Railroad Commission just might become the laughing stock he once made of the General Land Office."

JON NEWTON, 34, three-term House member with solid record of public service . . . authored the law regulating strip mining . . . fought for a Public Utility Commission . . . serves on Interstate Oil Compact Commission, Mining Council of Texas, Governor's Energy Advisory Council, House Energy Resources Committee (vice chairman) . . . endorsed by major newspapers throughout Texas . . . described by the Lubbock Avalanche-Journal as "the resident expert on energy matters in the State Legislature" . . . In the first Democratic primary his Bee County neighbors gave him an 85% majority over his seven opponents.

Texas' energy and utility rate problems can be solved only by vigorous, responsible leadership and fresh approaches.

VOTE FOR THE QUALIFIED, RESPONSIBLE CANDIDATE.

VOTE JUNE 5 FOR JON NEWTON.

Look to Future With Confidence MHS Grads Told

"Look to the future with confidence", graduates of Muenster High School were encouraged at their commencement Friday night in the MHS auditorium. In every age people have said that the younger generation is going to the dogs, but invariably those young people carry on the tradition of progress.

The speaker was the Reverend John F. Allen, pastor of Whaley United Methodist Church of Gainesville. He urged the young grads to be optimistic and trust their abilities which derive from their creation by God.

Likewise he referred to their importance as the Creator's favorite creatures. "Astronomically speaking, man is insignificant, but man is the astronomer." The wonders and immensity of the world are facts of existence but man is the only creature aware of their presence or even of his own presence and ability.

He referred to five stages of human consciousness, all raising him above the level of other creatures. Basically there is awareness of being . . . "I am" . . . with an ability to think and the ability to formulate opinions . . . "I

believe". Deriving from belief is a consciousness of duty to live up to those beliefs or principles, and finally the decision to heed that duty.

All in all man's nature is a wonderful arrangement to bring out the wonders of the Creator's plan.

Also speaking on the program were Valedictorian Dean Sicking and Salutatorian Monty Reiter. Both expressed gratitude to parents and teachers. Both expressed best wishes for the future based on solid principles and willingness to work.

Urban Endres, president of the school board, presented diplomas and Superintendent C. O. Cash made special awards. Dean Sicking was given the valedictory trophy and a scholarship to college, and Monty Reiter received the salutatory trophy and a scholarship. As the girl graduate with the highest average, Connie Walterscheid also received a college scholarship. Also Gina Felderhoff received a certificate for participation in state finals of UIL. The award arrived too late for giving at the awards banquet a week before.

Connie Walterscheid on the flute and Milissa Weinzapfel on the piano presented two musical numbers. Adam Wolf, board vice-president gave the invocation, and Edmund Fleitman, board secretary, gave the benediction. Miss Bettye Dodds played for the processional and recessional.

Kindergarten

Forty kindergarten pupils who participated in special graduation exercises last week Wednesday at 12:15 p.m. in the MHS Auditorium gifted their teacher, Mrs. Florence Williams, with a corsage and during the program Mrs. Janie Monday presented her a hanging basket of Fantasia, a gift from mothers of pupils.

Sixth Grade

Eighteen sixth graders paid

grateful tribute to their teacher, Mrs. Prue Selby during graduation exercises, by presenting her a special corsage and, during the program, a hanging basket of Fuschia.

On the stage during the program were Superintendent Bruns, Principal Cash, PTO president Mrs. Monday and School Board Secretary Eddie Fleitman.

Processional and recessional were played by Miss Bettye Dodds. Invocation was by Traci Sawyer and Benediction by Charlotte Fleitman, both 6th graders. A talk by Mrs. Monday preceded presentation of diplomas. Mr.

Bruns announced names; Mr. Cash gave the diplomas; and Mrs. Monday and Mr. Fleitman shook hands with each student.

Mr. Cash presented perfect attendance awards to kindergarten pupils Nathan Bayer, Michael Reiter and Jennifer Chisam and to sixth graders Carla Walterscheid and Cathy Harris.

Over One Million North Texans Get Tax Refund Checks

Over one million tax refund checks averaging \$367.42 have been mailed out to North Texans this year, but IRS district director A. W. McCannless reminded taxpayers today that the receipt of a refund check is no guarantee that the IRS won't audit the tax return at a later date.

"A refund check only means the initial processing of the returns has been completed," McCannless said. "Checking the returns is time consuming, and an audit may not take place until several months after the refund check arrives."

A federal tax return can be audited at any time before the statute of limitations expires. The statute of limitations is generally three years from the date the return is filed.

The IRS suggests that taxpayers keep their financial records for at least as long as the statute of limitations is running. Complete and orderly records can help to substantiate income and expense items and itemized deductions if the return is eventually audited.

Some records, such as those concerning the sale or purchase of real estate, should be kept indefinitely.

For more information on recordkeeping requirements, North Texas taxpayers can call the IRS toll-free at 800-492-4830 and request a free copy of IRS Publication 552, "Recordkeeping Requirements and a Guide to Tax Publications."

Local News BRIEFS

Mr. and Mrs. Matt Muller and Mrs. George Gehrig spent the Memorial weekend, Friday through Monday, as guests of the Don Mullers in their brand new home in Amarillo. They also had a nice visit with Mr. and Mrs. John Furbach and with cousins Mr. and Mrs. Joe Franks of Canyon, at their ranch north of Amarillo. Besides, Matt and Don also managed for a day of fishing.

Ten month old Krista, daughter of Mr. and Mrs. James Cooley of Irving spent

five days last week with her grandparents, Mr. and Mrs. Andy Schoech while her parents vacationed in Florida and several more days with her other grandparents, the Hollis Cooleys of Gainesville, until her parents returned.

Mrs. Rob Buehrig and son Nathan of Honolulu, Hawaii arrived Monday evening for a two week visit with her parents, Mr. and Mrs. Val Fuhrmann and to attend her sister Nanci's wedding to Richard Lautenslager, Saturday. Margie was met at D-FW by her parents and other family members.

Mr. and Mrs. John C. Fisher were weekend guests of her aunt Ms. Bess Barr of Houston and attended Angie Barr's dance recital.

Official Memorandum On Auctioneer's Week

by Dolph Briscoe, Governor of Texas

GREETINGS:

The auction way of selling is one of the oldest methods of bartering known to man, dating back in history to before 1000 B.C. and today throughout the United States and all the free countries of the world the auction method of selling real or personal property is growing rapidly.

More than 60 percent of all meat animals in the United States are marketed via the auction method, and many other food products including fruits and vegetables, eggs and produce, fish and other commodities are also marketed in this way.

Valuable works of art, rare coins and antiques of all kinds are nearly always sold at auction where their true value can be effectively determined.

Liquidation sales of all types, including businesses, farm dispersals and estate sales, are very popular. No sale today should be considered too large or too small for the auction method of selling.

Leading auctioneers in Texas and the Nation are continually striving to render better services to their clients through mutual exchanges of ideas and experiences and they conduct their business according to the code of ethics set out by the National Auctioneers Association.

THEREFORE, I, as Governor of Texas, do hereby designate the week of June 7-13, 1976, as

AUCTIONEERS WEEK
