VOLUME XXX

MUENSTER, COOKE COUNTY, TEXAS 76252 FEBRUARY 11, 1966

NUMBER 12

A major victory for working people of the nation was achieved in the Senate Tuesday when a cloture vote failed to produce the two thirds majority needed to stop the filibuster on repeal of 14-B. It means that the talkathon to prevent bringing the real issue to a vote can go on indefinitely, so the Senate Majority Leader, Mike Mansfield, will proceed with parliamentary maneuvers to drop the subject.

For that Mansfield deserves everyone's praise. Though he backed the administration in its demand for repeal of 14-B, he acknowledged realistically that time was being wasted on a hopeless cause and the Senate should turn its attention to other very important matters — even though, according to some political opinions, he must have been aware of disposing of the bill permanently.

There are sound reasons for believing that Tuesday's vote was the vital showdown and the matter will not come up again. Certainly not this session because the power to defeat it has already been shown twice. And there are indications that opposition will be stronger in the future.

Since 14-B first came up in congress it has had a thorough airing before the American public. Millions of people who gave it little thought before have done a great deal of thinking. They know the score. They know that the effort to eliminate Right to Work laws is a pay off by the administration to labor bosses for support in the last election. They know that eliminating Right to Work laws would serve the selfish interests of labor bosses but make industrial slaves out of the laborers.

The trend of public thinking is clearly shown by a nation wide poll recently conducted by Opinion Research Corporation of Princeton N. J. It showed that of 2062 persons polled 64 per cent favored keeping 14-B and 14 per cent favored repeal. The other 22 percent gave no opinion. Another part of the poll presented this issue: "Some states have passed Right to Work laws which provide that a worker cannot be discharged from his job for either joining or not joining a union. If you were asked to vote on such a law, would you vote for it or against it." The poll result was 61 percent for the law and 24 percent against, 15 percent not voting.

President Johnson, who is reported to be most interested in public opinion, must certainly be impressed by this one. Likewise the congressional candidates in this year's campaign. A sharp decline in allegiance to the labor bosses is a strong possibility.

Actually the big contest may turn out to be a blessing in disguise to working people of America. Now that the issue is understood so much better, there will probably be a much stronger effort to pass Right to Work laws in the 31 states not having them now.

First thought in that direction is that Congress, finally aware of public sentiment, should reverse the issue completely and pass a national Right to Work law. Sounds OK in principle but it violates another principle. This is a matter of states rights. They can and should take care of the matter themselves.

Regardless of what develops later, it can be said that a few facts are more definitely established. Every worker should be free to join or not to join a union, and unions will serve their members better when membership is founded on merit rather than compulsion. "Good unions do not need compulsory membership, bad unions do not deserve it."

The Washington Whispers page of US News & World Report says that "Opinion charts of the Truman period are kept handy by those who plan strategy in Vietnam. Those charts show that Truman's popularity was sustained, and even rose, when war was small. Then when Chinese entered and war escalated, popularity plummeted. The planners don't want this to happen again."

Many of us who remember the Korean conflict are inclined to wonder about that statement. Was the deluge of national criticism caused by the size of the war or by an order requiring General MacArthur to respect the enemy's (Continued on page 8)

Local Firms Join W. Texas C of C And Plan Chapter

Six directors of the West Texas Chamber of Commerce did a good recruiting job in Muenster Tuesday morning. They came here seeking three new memberships in their organization and got seven.

Their meeting with local people was held in the community room of Texas Power and Light Co. All the visitors spoke briefly and the substance of their talks was that the organization's purpose is to promote the development of West Texas, including development of the hundreds of separate cities and towns in the area. The help is mutual. Local units help with area projects and the area organization helps with the local projects.

The directors who came are John Ben Shepperd of Odessa, chairman of finance and membership; Dee Tomlin of Fort Worth, district vice president; Wright Armstrong of Fort Worth, J. C. Porter of Wichita Falls, Harlan Bridwell of Bridgeport and A. V. Patterson of Crane.

Hosts of the meeting were Ernest Jaska, local manager, and Bill Condon, community development specialist, of Texas Power and Light Co.

Local firms that joined the West Texas Chamber of Commerce are Cooke County Electric Co-op., Colonial Acres Farm, Community Lumber Co., Felderhoff Bros. Drilling Co., Dres-Tex Manufacturing Co., Hamric's and Texas Power & Light Co. Muenster State Bank has been a member for a number of years.

With a membership of at least four, a community is entitled to representation on the board of directors. The eight local members in a short special session elected Ernest Medders as their director.

Initial steps were also taken at the meeting toward organizing a Muenster Chamber of Commerce. One of the points emphasized by the visitors is the need of a local organization to carry out a local program of community development. It was also mentioned that West Texas Chamber of Commerce, with its know how in Austin and Washington and its experience on many projects, can and will be helpful to the local organization.

Persons present at the meeting elected Ernest Jaska as chairman in charge of organizational procedure. Date for a meeting of interested persons will be arranged soon.

Woods in Race for County Treasurer

Mary Woods of Gainesville has authorized the Enterprise to announce this week that she is a candidate for Cooke County Treasurer in the coming Democratic Primary election.

Her formal statement to county voters will be published in a later edition of this paper.

Library Settled In New Location

Muenster Public Library opened for business Thursday this week in its new location 215 W. Fourth St.

The move from cramped quarters in City Hall to the larger building took place when weather permitted during the past two weeks and no books were checked out or in last week.

Librarians expressed appreciation to everyone who helped with the move — city employees, the Jaycees, the library board, regular library staffers and others who volunteered their services. Mrs. T. S. Myrick and Mrs. J. M. Weinzaepfel helped Mrs. Joe Luke, librarian, shelve books. It was a big job packing, moving, unpacking and shelving over a hundred boxes of books.

The new location provides the library with a main room and office, children's room, magazine room, reading and reference room and a work room for mending and repairing books.

Everyone is invited to see the library in its new home. An open house is planned for a later date.

District President Is Speaker at VFW Auxiliary Meeting

February meeting of Muenster VFW Auxiliary Monday night was favored by the presence of District I President Jessie Morrison of Denison who was guest speaker. It was her annual visit with members.

She discussed membership, urged attendance at the District I meeting Feb. 19 and 20 at Denton, stressed contributions to the Cancer Research fund and the National Home scholarship fund and encouraged participation in hospital and rest home work.

The speaker was introduced by Mrs. Raymond Walterscheid, president, who also gave her a love gift from the organization.

Members were reminded of a project that will benefit the district treasury. All Auxiliaries of the district are participating. Each member is asked to donate a can of food. These will fill baskets to be auctioned at the district meeting.

Honor roll requirement for the month is participation in an Americanism program. This was done recently when the organization presented a check to Muenster Public Library for purchase of a book on Americanism, "Encyclopedia of American History," revised and enlarged, edited by Richard B. Morris.

In other business Mrs. Don Flusche reported on the March of Dimes campaign which netted \$242.45.

After adjournment, Mrs. Lee Haverkamp and Mrs. Arthur Felderhoff were hostesses for a buffet of finger foods. Twenty-seven members were present. Mrs. Wylie Lewis won the door prize.

"Conscience is a still small voice that makes us feel small."

City Applies for Federal Help on Planning Program

Members of the Muenster City Council Monday night voted to apply for federal funds to help finance a comprehensive planning program.

Included in that program are factors of growth and development, including land utilization, zoning, street improvement, expansion of water supply and sewer system, etc.

The program, as explained by City Engineer Paul Gregory of Fort Worth, is available if the city will secure the help of a professional planner, whose services do not cost the city unless the program is approved for federal grant. If the program is adopted the city pays one third of his fee and the federal government two thirds.

With Gregory was Robert W. Hollin of Wort Worth who was engaged for the city's planning job.

If the program can be secured it will be used principally to help finance work that is already planned, Mayor Earl Fisher said.

In other business the city council placed an order with Flex-Line Pipe Tool Co. of Dallas for a motorized sewer rodding unit. The equipment is used for cleaning out stopped sewer lines.

Deadline Shapes Political Ticket For Cooke County

Cooke County's political ticket for 1966 took definite shape Monday with arrival of deadline for filing. When the day had passed there were five races lined up for this community's Democratic Primary ballot plus five more names of unopposed candidates.

However one of those unopposed in the primary has an opponent for the general election in November. D. C. Norwood is on the Republican ticket seeking to unseat Graham Purcell as representative of the 13th congressional district.

Those who will get to coast into office are Kit Carson for county superintendent, Bill Sullivan for county attorney, Alonzo Jamison for state representative and Ralph Hall for state senator. All are asking for re-election.

Most wanted job on the ballot this year is that of district clerk. Four candidates are in the running for the office, which is being vacated by Milton Thomason. They are Anna Mae Shorter, Lewis Barthold, Bedford Vestal and Martin Davis.

The other races have two runners each.

For county judge incumbent Bill Carroll is opposed by O. E. Whisnand, former sheriff.

For commissioner of Precinct 4 incumbent Earl Roberkamp is opposed by Leo J. Haverkamp.

For county treasurer incumbent Ruby Davis is opposed by Mary Woods.

For county clerk incumbent J. H. Riley is opposed by Boyd Sisson.

Still another race will be that for the office of county Democratic chairman. Dr. James Atchison and W. R. "Bob" Smith are opposing incumbent Allen Fridell.

Chili Supper Set Monday, Feb. 14

Muenster Hospital Auxiliary announced this week it is sponsoring a benefit chili supper next Monday, Feb. 14, and is preparing for a big attendance.

There will be an abundance of home made chili, pie and cake, and coffee. Serving will start at 6 p.m. in the Parish Hall. Tables will be arranged for games for diners who care to stay on after eating.

Story Published

Sister Roberta, English and art instructor at Sacred Heart High School has an article she authored published in the January issue of English Journal, official journal of the second-year section of National Council of Teachers of English. Her story is a study of the poetry of Dylan Thomas. It's entitled "The Wellspring of Dylan Thomas."

For every person who wishes dreams came true, there are at least ten who thank heaven that they don't.

Curtis Hollands' House, Contents Destroyed in Fire

Mr. and Mrs. Curtis Holland — she's the former Dorothy Mae Yosten of Muenster — lost their farm home, Rt. 1, Cleburne, and all their possessions in a fire Sunday afternoon while the couple and their children Curtis Jr. and Loreta were visiting relatives in Fort Worth.

It has not been determined what caused the blaze that burned the house and its contents to the ground.

Mr. and Mrs. Clyde Walterscheid brought news of the fire back to Muenster with them after a Sunday visit in Fort Worth with her parents, the Paul Yostens. The Hollands also had visited the Yostens and were enroute home when Cleburne neighbors telephoned the Yostens in an effort to get in touch with the Hollands.

BIRTHS

Mr. and Mrs. Clyde Fisher are parents of a son born Saturday, Feb. 5, at Muenster Hospital, 12:51 p. m. He weighed 11 pounds six ounces. Welcoming a baby brother are Chuckie, Dickie, Dannie, Kathie and Jinnie. He's a grandson for Mr. and Mrs. John Fisher and Mr. and Mrs. R. J. Grill of Eureka Springs, Ark. Joe Fisher Sr. has another great-grandchild.

Proudly announcing a daughter are Mr. and Mrs. Melvin Schoech of Hebronville. The six pound girl is the first granddaughter for Mr. and Mrs. Andy Schoech. She has two brothers Mel and Arnie. She's another great-grandchild for Mrs. George Spaeth of Lindsay and Mrs. I.A. Schoech. She was born Thursday, Feb. 3 in Kingsville Hospital.

Elizabeth Ann, infant daughter of Mr. and Mrs. Kenneth Thurman of Gainesville, was baptized here Sunday in Sacred Heart Church. Father Alcuin Kubis officiated at the service for his grand-niece. Mr. and Mrs. Buster Kubis of Gainesville took the baby to church and served as proxy sponsors for their niece. Another uncle and aunt, Mr. and Mrs. Alcuin Paul Kubis of Lubbock, are the godparents. The little girl, weight five pounds ten ounces was born Feb. 2, 3 a.m. at Gainesville Hospital. She's a sister for Donna, Sherrie and Kenny, a granddaughter for Mr. and Mrs. Albert Kubis of Lindsay and Mr. and Mrs. Lloyd Thurman of Gainesville.

Mr. and Mrs. Elroy Neu of Gainesville are proud parents of a daughter born Monday, Feb. 7, at Gainesville Hospital. She weighed six pounds seven ounces. The Neus have two other children, both boys. Welcoming a granddaughter are Mrs. W. J. Neu and Mr. and Mrs. Bill Drozd of Gainesville.

Always remember that, with rare exceptions, you do not have to talk.

Extreme Weather Continues Here, 3.73 Inch Rain

This winter continues to feature extremes in weather.

Wednesday night's rainfall was a real gully washer measuring 3.73 inches, one of the hardest overnight rains to hit this community in recent years.

It followed two weeks of exceptionally severe cold and heavy snowfalls which came late in January in two separate blasts. Mercury dropped to a low of minus 2 and school kids got three winter holidays. And that in turn followed the longest stretch of winter mildness remembered here. Fall flowers were still in bloom. Spring blossoms were popping out.

Worst effects of the local rain are evident on fields and roads where gushing torrents carried away precious soil, washed out some culverts and skimmed the gravel surface off some stretches of country roads.

Flooding in the community was negligible, however. Flood detention reservoirs of the Elm watershed again served their purpose of retarding the flow of surplus water.

The story was different at Gainesville where Pecan Creek, not protected against the 5.8 inch downpour, got out of its banks and drove more than 200 people from their homes.

Local rainfall for the month now stands at 3.87 inches. The year's measure is 6.37 inches.

Election Set for Two City Aldermen

Two aldermen on the Muenster city council will be elected on Tuesday April 5 for the positions now held by Richard Grewing and B. J. Swirczynski.

The election was ordered by the council at its regular meeting Monday night and the deadline for filing in order to qualify for a place on the ballot is Saturday, March 5.

To date no one has indicated his candidacy for either of the two positions.

\$242.45 Donated In MOD Campaign

Muenster's annual March of Dimes campaign conducted by the Auxiliary to the Veterans of Foreign Wars ended Monday with a total of \$242.45 in contributions.

Report on the drive was given at the VFW Auxiliary meeting Monday night by Mrs. Don Flusche, chairman. She thanked members who solicited donations at the church doors and all who helped in any way. Other contributions came from the small banks in business houses.

A check for the amount has been mailed to Mrs. B. J. Siebel of the Cooke County Chapter.

Jamison in Race For Representative Of Cooke - Denton

Alonzo W. Jamison Jr., of Denton authorized the Enterprise to announce this week that he is a candidate for state representative of District 51 in this year's election.

Jamison has represented Denton County at Austin for the past twelve years. For the first time he is a candidate also of Cooke County, as a result of redistricting by the last legislature. This county, formerly in District 49 with Grayson County, is now in District 51 with Denton County.

Jamison's formal statement to voters will be published in the Enterprise later in the campaign.

LBJ'S RIGHT WAY

A current advertising campaign for a popular beverage proudly tells that multitudes of Italians, Germans, Hungarians, Irish, Greek and other nationalities drink tremendous quantities of this particular brand. Then it delivers the punchline: "We must be doing something right!"

We've been thinking that the slogan has a certain application to President Johnson.

It's no secret that he is the target for a lot of potent pressures in formulating his Viet Nam policy. And when so many strange forces assail

him, then, indeed, "He must be doing something right!"

One of his political techniques is his use of a "consensus." This assortment of opinion on a problem is used in arriving at decisions. Because he tries so hard, possibly too hard, to please everybody, the President is often inconsistent and he has opened himself to the charge of playing politics.

However, in one area he has, to date, been consistent. That is in his handling of the Viet Nam crisis. He has recognized, as his opponents have not, that there is no substitute for victory in Viet Nam. An example of his skill is the way he tried to get the Communists to negotiate and how this showed up Communist and left-wing hypocrisy once again.

The pressure that the President is subjected to takes different forms. Some of it can be traced to Communist sources; other pressures are obviously the cheapest of politics. There are the extremist views of such wizards on foreign policy as Senators Fulbright and Morse, the Reverend Martin Luther King, and Professors Vito Genovese (the

IN THIS WORLD

Exciting new design concepts for steel water-storage tanks provide needed water storage and beautify environment...

The designs show that steel tanks can be both handsome and efficient, complementing their natural surroundings and providing communities with maximum water storage.

The "unless" amounts to this: Those fires can be kept under control only if there are sharp cuts in domestic spending in order to offset the war spending. The inescapable need, as Representative Ford put it, "... is a reduction in non-essential domestic spending in order to avoid added taxes or a skyrocketing cost of living." Congress has no greater duty than to see this accomplished.

I think LBJ drove a poor bargain with Castro. In other words he goofed. I don't know just how many refugees we are supposed to absorb but I think we should have insisted on reciprocity. If we were

allow to export to Cuba one home grown communist for every refugee coming over here it would have helped a lot.

THE COST OF WELFARE

"Even in the Great Society, it would be cheaper to send the unemployed to Harvard." That wry editorial comment comes from the Charleston, South Carolina, News and Courier. It has to do with some revealing facts concerning projects in Virginia, as disclosed by Senator Robertson of that state. Examples: 36 unemployed kitchen helpers were being trained at a cost of \$33,601. Sixty unemployed persons were being trained as nurses' aides at a cost of \$78,390. Eighteen unemployed workers were being trained as bricklayers at a cost of \$70,579.

Senator Robertson did a little arithmetic and found it cost \$3,921 to train each bricklayer and \$5,497 to train each plumber's helper. Even in these days of inflation, you can get a good deal of college education for that kind of money.

You may be for or against the antipoverity and other welfare programs, but one thing is crystal clear: The costs, largely because the fine and grasping hand of politics is always present, run inordinately high in the light of the results obtained. And those costs are almost invariably greater than the optimistic preliminary estimates.

THE INESCAPABLE WAY

Rutgers flash) and Staughton Lynd (the Yale rock). Then there are others, not quite so extreme, who are disturbed at the idea of bombing the enemy. That contingent of dissenting pacifistic people includes Senators Gruening, Neuberger, Clark, Aiken, McCarthy and Bobby Kennedy.

Such promoters of pacifism are referred to nowadays as "doves," as opposed to the warlike "hawks" who have the idea that there's nothing wrong with shooting back at a guy who takes potshots at you. Maybe pigeons would be a better term than doves — carrier pigeons to be exact, because of the compulsion of the dissenters to disseminate defeatism.

And considering the kind and caliber of the opposition the President faces, we're convinced, we repeat: "He must be doing something right!"

The news that the Administration is requesting a huge additional sum, in the \$13 billion range, to meet vastly increased military costs brought on by the war in Viet Nam should surprise no one. That war, so far as we are concerned, has moved with appalling swiftness from the minor to the major stage and is approaching Korean War dimensions. All efforts, by this and other nations, to persuade Hanoi to enter into negotiations on fair terms have been contemptuously refused, and there is small doubt that this will continue to be the enemy's attitude in the foreseeable future.

Thus the already large budget deficit, along with that projected for the coming fiscal year, soars into the economic stratosphere. The inevitable result is to feed the fires of inflation — unless.

A LITTLE INFLATION IS LIKE A LITTLE DOPE — THERE IS NO SUCH THING

Higher and higher wages (who bothers about productivity!). More and more free government services. Bigger pensions, earlier retirement. Government competing with industry "in order to cut consumer costs". Constantly growing national debt. More and more concentration of power in national government.

Sound familiar? The United States is doing every one of these things, but it is Uruguay this time. Uruguay has been "enjoying" its welfare state a few years longer than the United States — so now it's time to pay the inevitable price — cost of living up 400%, value of its peso down in five years from 9c to 1½c. Savings, life insurance, bonds worth less and less. Always the bitter price of the welfare state. Uruguay is only one of the more recent which the something-for-nothing program always ruins.

So Uruguay comes to the United States, asking to be bailed out.

We are now doing the same things Uruguay did, under the same guise of Federal authority and "generosity". But whom do we go to, to bail us out?

Local Members Hear Report on Muenster Mutual

The Muenster district of the Muenster Mutual Fire Insurance Association met last Saturday afternoon to hear a report of the general meeting held here on January 11 and to elect their delegates to next year's general meeting. Secretary W. H. Endres told them that the association is following the trend toward higher valuations by increasing its insurance limits. For a home the figure has been boosted from \$15,000 to \$20,000. For a steel barn the limit is raised from \$7,000 to \$15,000. The limit on total insurance for one policy is raised from \$30,000 to \$50,000. Hay barns, not specifically limited before, are now limited to \$6,000 of insurance.

Members were also told that they have 680 members with 820 policies and total insured valuation of \$7,275,785. Actual cost of insurance last year was 19 cents per \$100 but the assessment for this year is 35 cents per \$100 in order to strengthen the association's resources, which were reported as \$100,034.78 at the general meeting.

Other districts of Muenster Mutual are Lindsay, Valley View, Windthorst and Electra.

Farewell Fetes 4 Leaving for Army

Muenster's four young men who entered the army Wednesday were honored Monday night at a farewell party in St. Joseph's Club.

The four are David Bayer, son of Mr. and Mrs. Martin Bayer, Clinton Endres, son of Mr. and Mrs. Ed Endres, Francis Fuhrmann, son of Mr. and Mrs. H. N. Fuhrmann, and Robert Walterscheid, son of Mr. and Mrs. Otto Walterscheid.

The parents were hosts and 60 young people were guests for games, visiting and refreshments. Father Alcuin Kubis was a special guest.

Monday was Martin Bayer's birthday and good wishes went to him, along with a birthday cake which was a surprise from his daughter-in-law, Mrs. Don Bayer. The cake was served to the group.

Mr. and Mrs. Maurice Pagel visited in Irving Sunday with her sister and family, the Jerry Henscheids.

Square Dance Class To Start Feb. 11

A class in square dancing will begin Friday, Feb. 11, sponsored by the 49ers Square Dance Club of Gainesville.

All who are interested in learning to square dance or to brush up on routines are invited to be at the National Guard Armory in Gainesville at 8 p.m. Friday to get the class organized. Anyone wishing further information is invited to call Milton Henderson, HO5-3230, Gainesville.

Family Farewell For David Bayer

David Bayer who left Wednesday this week for military service was honored at a family farewell party Sunday by his parents, Mr. and Mrs. Martin Bayer at their home. It was an all day reunion with dinner and supper. Present were Sister Damien Bayer of Fort Worth, Mr. and Mrs. Kenneth Otto of Arlington, Mr. and Mrs. Don Bayer and daughters Sonda Jean and Lea Carol, and Dale, Tommy and Billy Bayer and Miss Joyce Klement.

For the first time in their lives David and his twin brother Dale are being separated. Dale is recovering from surgery on his right knee.

Bradley Wimmer Is Birthday Honoree

Second birthday of Bradley Wimmer was occasion for a celebration and his parents, Mr. and Mrs. Tim Wimmer of Gainesville, were hosts Sunday afternoon with a party at their home. Bradley's birthday is Feb. 10.

Guests were the little honoree's grandparents, Mr. and Mrs. Lawrence Wimmer and Mr. and Mrs. Joe Knauf of Muenster, and their families; Miss Laurie Wimmer, Leon and Milton Knauf, Mr. and Mrs. Sonny Walterscheid and children Renata, Shelle and T. J., all of Muenster; Mr. and Mrs. Thomas Gressett of Dallas and Ray Wimmer of Arlington.

Birthday cake, ice cream, favors of balloons and party hats, and a shower of gifts for Bradley were party highlights.

Miss Judy Trubenbach has gone to San Antonio to be employed in inventory offices at Kelly Air Force Base. She is sharing an apartment with her cousin, Miss Loretta Schmitt who teaches in Rhodes Junior High of San Antonio. Mrs. Alois Trubenbach accompanied her daughter to San Antonio and helped her get settled. Mr. Trubenbach joined her for the return trip home.

News of the Men in Service

It's Airman Second Class Jimmy Fuhrmann now. The promotion came at McGuire AFB, N.J., where he is stationed. He is the son of Mr. and Mrs. Val Fuhrmann.

Basic At Fort Polk

Muenster's four newest inductees David Bayer, Clinton Endres, Francis Fuhrmann and Robert Walterscheid who entered the army Wednesday have gone to Fort Polk, La.

Takes Physical

Wayne Cler, son of Mr. and Mrs. Werner Cler, was in Dallas Wednesday for his army physical.

Mr. and Mrs. Clyde Fleeman have named their infant daughter Cynthia Ann. She was baptized Sunday afternoon with an uncle and aunt, James Fleitman and Mrs. Lawrence Neusch as godparents. At the christening dinner before the 3 p.m. service, guests included Mr. and Mrs. Lawrence Neusch and sons Michael, Gilbert and James of Lindsay.

Miss Margorie Schoech of Denton spent the between-semester recess with her parents, the Andy Schoechs. Her roommate at NTSU, Denton, Miss Charlotte Fine, joined her for a visit and together they drove to Port Arthur to spend the weekend with the Fine family.

Sacred Heart High Classes Start on Volley Tournament

Class rivalries at Sacred Heart School will be running high Thursday and Friday night when boys and girls of the four high school classes meet in an intramural volleyball tournament.

A special arrangement intended to add a little enthusiasm to the rivalry is a "spirit award" to be presented to the class showing the most class spirit — including the best support by friends and parents of the class.

Preliminary games will be played Thursday night: Junior and Senior boys at 7, Freshman and Sophomore boys at 8, Junior and Senior girls at 9, Freshman and Sophomore girls at 10.

Winners of those games move into the champ bracket and losers move into the consolation bracket for playoffs Friday night beginning at 7. Consolation games will be played first and champ games afterward.

Team names for the tournament are as follows. Girls: Seniors, Cowgirls; Juniors, Banglers; Sophomores, Skunks; Freshmen, Finks. Boys: Seniors, Indians; Juniors, Bunglers; Sophomores, Cool Cats; Freshmen, Hillbillies.

SOIL CONSERVATION DISTRICT NEWS

Snow — feared by some and loved by others — may be uncomfortable, but it presents great benefits to the farmer.

Extra moisture from snow and ice puts more water deep in the sub-soils for plants to use next summer, Soil Conservation Service technicians pointed out this week.

And, the below-freezing temperatures will kill many insects. These insects can survive "light" winters and eat their way through a farmer's crop the following growing period.

Extra cold weather freezes the soil and fruit trees will bloom later in the spring, thus enhancing the possibility of a good fruit crop, technicians said.

The Upper Elm-Red Soil and Water Conservation District board has ordered material for use of 60 ministers in the district on Soil Stewardship Sunday. Soil Conservation Week is slated May 15-22 and Soil Stewardship Sunday can be on either May 15 or 22. Theme for this year's message is "Crises in the Countryside".

Soil tests and soil analysis can give farmers answers to the needs of their soil. Farmers working poor soil know fertilizer is the answer to good yields. But, there's a big difference in fertilizers — some are complete while others contain only one of two major components. Determining what kind and how much of the fertilizers to use and when to use them is a technical problem — one which must be answered through soil tests and analysis.

Mr. and Mrs. J. W. Fisher and family members were weekend guests of Mr. and Mrs. Arthur Giestweid at their lake cabin at Mason. The Fishers stopped enroute to

pick up their daughter, Miss JoAnn Fisher of Fort Worth. Mr. and Mrs. Jim Fisher and children Susan and Mark, on vacation from Arvada, Colo., went with them and Mr. and

Mrs. Niel Fisher of Houston joined them. The hosts are Mrs. Niel Fisher's parents.

Relatives and friends of Mrs. Jerry Henscheid of Irving en-

joyed seeing her on television Tuesday morning. She was a contestant on "Away We Go" in Dallas and won a suit for being first in the competition.

For that Wonderful Feeling...

Flameless ELECTRIC HEATING

More than 2,000,000 families are now enjoying the gentle, even warmth and amazing cleanliness of flameless electric heating.

If you're about to build or buy a new home, or remodel your present home, consider the fact that electricity is the only fuel whose cost trend has been consistently downward. Consider, too, that TP&L's home heating rate is now as low as 1¢ per kilowatt-hour.

For all the facts, see any firm displaying the "Certified Electric Heating Dealer" emblem... or contact your nearest Texas Power & Light Company office.

**Wichita Falls Man
Is GOP Candidate
For District 13**

The following statement to voters of the 13th Congressional District of Texas, was submitted this week by D. C. Norwood of Wichita Falls.

After much soul-searching, prayerful consideration on my part, and considerable urging from many of my friends, I have decided to become a candidate for Congress from the 13th Congressional District of Texas. I will be running on the Republican ticket.

My decision to make this race is prompted by my concern of the future of my country and continuation of our two-party system of government, and is not made lightly. I intend to be a serious candidate and, if elected, to do my best to represent all the people of this district as capably as is within my capacity and ability to do so.

I feel I am qualified for this office both by education and experience. I am 52 years old and have lived most of my life in Wichita Falls where I attended public schools. I attended Southern Methodist University for two years and graduated from the University of Texas with a degree in business administration. For many years I was engaged in the contract drilling business, and was connected for a while with the banking business, all of which gives me an understanding of the problems of small business and particularly the conditions in our area.

I am a member of Floral Heights Methodist Church in Wichita Falls, have served on the official board for many years, and am past superintendent of Church School, and past chairman of the official board of my church. I have taken an active part in the affairs of my community, both locally and area-wide. For many years I have been active in the work of the YMCA, having served as president of the local board and the Southwest Area Council, and as a member of the National Council. The East Branch of the YMCA was established during the time I served as president of the local board. I have been a member and past president of the North Texas Area Council of Camp Fire Girls, and have served on the board of the Boys Club of Wichita Falls. In the past I was a member of the Board of Regents of Midwestern University and was at one time secretary of

the board. I have also served as president of the United Fund of Wichita Falls.

In business activities I am past president of the North Texas Oil & Gas Assn., a member of the board of IPAA and one time vice-president for North Texas IPAA.

I have been married for 29 years to the former Mildred Learned from Houston, Texas, have a son, Edward C., in his last year in law school in the University of Texas who is married to the former Ann Allison of Graham, Texas, and they have just presented us with a fine grandson. My daughter, Carol, is living in Houston, Texas, where she has been employed by the Tennessee Life Insurance Co.

I list these activities only to show the variety of my experience and background, and to indicate my concern in my community and area both economically and socially. I welcome the support of all the people regardless of political belief, and I will make every effort to represent the people of this District in a way that will be deserving of their support.

**Scholarships Open
To Graduates of
Area High Schools**

The 1966 Ranger Insurance four year \$2,000 scholarship was announced recently by Charles R. Rathbun, president of Ranger Insurance of Houston, Texas.

The 1966 scholarship is open to all eligible high school seniors in this area and will be awarded on the basis of academic standing, character, financial need and active participation in school activities.

Applications, additional information and sponsorship can be secured by contacting Ray J. Wilde of the Wilde Insurance Agency, at Muenster.

Purpose of the Ranger Insurance scholarship is to encourage and assist students who, otherwise, might not have the opportunity to complete work toward their first college degree. Applicants must complete their senior year of high school in the spring of 1966 and must be in the upper one-fourth of their class scholastically.

Faith in one's self is the foundation of success.

SEN. TOWER TO RUN AGAIN; FIGHTING REPEAL OF 14B

AUSTIN, Tex.—Basing his campaign on his record as a progressive conservative, U. S. Senator John G. Tower of Wichita Falls, has announced that he will stand for reelection this November.

Senator Tower, who has drawn national recognition for his fight against repeal of Texas' Right-to-Work Law, paid his filing fee here. He discussed his candidacy in a press conference in the state capitol building.

"The people of Texas should not have to worry about a vote for me," he said. "They know exactly where I stand on the issues of the day, they know I will continue to vote for the best interests of our State and Nation, and they know I will continue to help all Texans with their problems in Washington."

In his six years in Washington, Senator Tower has earned a reputation as a leader known to heads of state and key business executives throughout the world as well as a fighter for the interests of Texas.

"There are imperative national issues at stake in the 1966 elections," Senator Tower said, "but the vital importance of representing the people of Texas in Washington cannot be overlooked."

"The tremendous value of seniority in the Senate will have a great influence on Texans in the next six years," Senator Tower added.

"When the chips were down on the depletion allowance," Senator Tower said, "I fought for and obtained votes that could not be reached by anyone else in the Texas delegation or in the administration."

As examples, Senator Tower cited his service on two major subcommittees, Armed Services and Banking and Currency.

"In addition to the conduct of the war in South Vietnam, the Armed Service Committee is vitally concerned with the many military installations in Texas," Senator Tower said. "This committee, on which I represent Texas, still has a great deal more work to do in seeing that our fighting men receive everything they need to win."

Senator Tower has made one extensive trip to South Vietnam since hostilities started there. As a member of the Armed Service Committee, he has visited and worked with U. S. servicemen at most of the 36 military installations in Texas.

On the Banking and Currency Committee, Senator Tower is on five key subcommittees: Housing, Small Business, International Finance, Financial Institutions and Production and Stabilization. He also serves on the joint committee on Defense Production, the Civil War Centennial Commission and the Committee on Committees.

An active legislator, Senator Tower saw nine major bills bearing his name become law in 1965, ranging from the San Antonio Hemisfair Bill to far-reaching Soil and Water Conservation measures.

Senator Tower was born in Houston, September 29, 1925. His parents are Dr. and Mrs. Joe Z. Tower of Atlanta, Cass County. Dr. Tower is a retired Methodist clergyman who is a former executive secretary of the Texas Conference of the Methodist Church.

John Tower graduated from Beaumont High School in 1942 and then served three years aboard a Navy gunboat in Asian waters. He received a B.A. degree in Political Science from Southern Methodist University, Georgetown, Texas, in 1948; worked for a time as a radio announcer and insurance salesman; then in 1953 received an M.A. degree in Political Science from Southern Methodist University in Dallas. He did post-graduate work in 1952 and 1953 at the University of London in Great Britain. In 1951 he joined the faculty of Midwestern University in Wichita Falls, where he taught until June 1960 and where the Tower family now maintains their home.

In the old days when someone was in need ... no one would think of going over and saying, "Here, I want to give you this," instead they would say, "I don't need this right now, bring it back when you get through" ... If this same idea was used today in giving millions to others countries, I am sure the image of the "Great America" would be uplifted greatly in our foreign country transactions. The art of giving is the ability to help a man and not hurt his pride, not just giving to give because we have so much.

Baptism Service For Infant Girl

Mr. and Mrs. Leroy Schmidkofer of Gainesville have named their new daughter Rosina Maria after her mother. Mr. and Mrs. Joe Hess of Muenster attended the baptism as godparents for their niece. Father Thomas Taaffe officiated in St. Mary's Church.

Baby Rosina wore the baptismal dress that has become a tradition in the Hess family. It was made by Mrs. J. W. Hess of Muenster and was first worn by Joe Hess, later by her mother and all the Hess children and grandchildren. She also wore hand crocheted shoes worn by the three sons of Mr. and Mrs. Joe Hess and the other Schmidkopfer children, and a blue ribbon honoring the Blessed Virgin worn by all the Schmidkopfer children.

Rosina's daddy and her sisters Mary, Susan and Sharon and her brother Billy attended the ceremony along with Charles and Kevin Hess. She has another sister, Linda, 17 months old.

Auto thefts in the United States have nearly tripled since 1948, according to the Insurance Information Institute. There were 163,400 cars stolen in 1948 and 466,805 in 1964. Authorities stress that the best way to safeguard your car against thieves is to lock it and take the key with you.

If you're in the market for a new clothes dryer,

(here's why modern Gas is better than you-know-what)

SAVE MONEY Modern gas dryers are economical. They dry a whole load of laundry for about a penny — which is a lot less than the cost of doing the job electrically. 91 out of 100 self-service laundries use gas dryers! **SAVE CLOTHES** Gas dries gently. Clothes come out soft, sweet-smelling and fluffy — never stiff or yellow. Many gas dryers have special settings and cycles to protect even the daintiest things. So why lug and lift heavy baskets of wet laundry? Why let wind, dust and rain ruin your clothes?

Enjoy the convenience of a modern, automatic dryer — a gas dryer. **SAVE ON REPAIR BILLS** Like all gas equipment, dryers are well built and virtually maintenance-free. Gas is fast, safe and unlike you-know-what, it dries with just a simple burner. There's no complicated, expensive heating element to wear out. Just a simple gas burner, which hardly ever wears out. Now's the time to enjoy price savings, too. See the new gas dryers on sale at all Gas Appliance Dealers and LONE STAR GAS

Banquet Saturday To Honor Athletes Of Lindsay High

Plans have been completed for the annual sports banquet honoring boy and girl athletes of Lindsay. The big event will be held this week Saturday.

Father Alcuin Kubis of Muenster, former pastor at Lindsay, will be guest speaker. Forrest Gregg, Gainesville's Green Bay Packer, will be master of ceremonies.

The party will be held in the school cafeteria, and according to advance ticket sales a full house is expected.

Final banquet plans were made at the February meeting of the Lindsay Athletic Association, sponsors of the affair. The group met a week earlier than usual to complete the program.

In other business, plans continued on the local volleyball tournament the association will sponsor March 21. Organization of teams is in progress.

An initial donation was made to start the ball rolling for a score board on the football field and a committee was named to be in charge. Members also voted to buy a large coffee maker to use at football and basketball games.

Cooke County FB Joins State Wide Membership Week

The week of Feb. 7-12 has been officially designated "Farm Bureau Membership Week" in Cooke County. The local county farm organization is conducting a special enrollment as part of a statewide effort to push Farm Bureau membership in Texas to 100,000 by Oct. 31.

An official proclamation signed by County Judge William Carroll called for citizens "to give due recognition to this observance honoring the Cooke County Farm Bureau."

Earlier Gov. Connally proclaimed the same period as "Farm Bureau Membership Week in Texas." The statewide drive was launched with big area rallies Feb. 2 in Lubbock and Dallas and Feb. 3 in San Antonio.

The purpose of the County FB is to organize the greatest possible number of farmers and ranchers for protection of the capital, time and labor invested in their business.

The Judge's proclamation pointed out the importance of agriculture "to the economic well-being" of the country, and the high standard of living made possible by the "productive efficiency of our farmers and ranchers."

Named Pastor At Breckenridge

Father Joseph Weinzapfel has been named pastor of Sacred Heart Parish in Breckenridge which includes the parishes of Olney and Graham. He will be at home in Breckenridge.

The transfer, effective Feb. 12, takes him from Dallas where he was assistant at Holy Cross Parish and chaplain at the VA Hospital. He is the son of Mr. and Mrs. J. M. Weinzapfel of Muenster.

Birthday Honoree

Second birthday of Matt Pelzel was celebrated Thursday morning when his mother, Mrs. Gene Pelzel and his sister Michelle were hostesses in the family home.

Among guests were 17 little cousins and friends and their mothers. Mrs. John Atherton was a special guest.

Picture taking, games and displaying gifts were followed by refreshments of birthday cake, ice cream and drinks.

The cake was decorated in a western theme and had two candles and the wording "Happy Birthday Cowboy" on it. Balloons and bubble gum were party favors.

sanctuary? As we recall it, national frustration with a no-win policy was the big cause for the slump in popularity, which hit rock bottom when MacArthur was fired for insisting that there is no substitute for victory.

Opinion sleuths who find that relation between size and popularity of the Korean war had better take a second look, mindful that they may be seeing mere coincidence rather than cause.

Another implication in the statement is equally disappointing. It seems to say that the administration's popularity is the prime considera-

tion behind the extent of our effort in Vietnam. Seemingly such factors as preserving the freedom of South Vietnamese, stopping the spread of communism and giving the most effective help to our troops are only secondary.

Annual Party

Annual treat for St. Cecilia's Choir, church wardens and school trustees and their spouses was held Sunday evening in the Parish Hall with a full attendance. The group enjoyed a buffet of finger foods, singing and card games. Father John Walbe led the invocation and recognized Mrs. Ben Hermes for being a choir member 50 years.
