## Fleitman Sisters Back from Abroad

Every day, all day, was a highlight, said Miss Theresa (Blondie) Fleitman when asked to tell some of the highlights of her European trip. "Paris was the most fun," chimed in her younger sister, Miss Janie Fleitman. The two spent 43 days traveling abroad. Both agreed however that Rome was of paramount interest and that seeing the Holy Father and receiving his blessing in a general audience was the brightest highlight. Closely akin to that experience was

the candlelight procession at Lourdes and then there was Fatima.

Their trip began by jet from Dallas to New York, then five luxurious days at sea aboard the SS France. They disembarked at Southampton and proceeded to London for two days.

Sight-seeing continued at Windsor, Oxford, Stratford, Coventry, Cambridge and Colchester. Then a motor trip to Harwich to board a night steamer across the North Sea to Holland... touring Amsterdam a full day, then southward through picturesque countryside in Holland to Germany and Cologne, a scenic cruise on the Rhine River, and by motorcoach to Mainz, then Heidelberg and on to Lucerne for a Swiss holiday.

Venice, the city of canals and bridges, was next on the itinerary... seemingly endless sight-seeing, shopping for Venetian glass and lace and swimming at Lido Beach.

Continuing sight-seeing the trip took them to Pauda, Verona, Modena, Bologna and Florence and on to Rome... the Vatican, Castle Gondolfo, museums, basilicas, cathedrals, and a day of leisure to explore the ancient and modern splendors of the Eternal City. Then Pisa, Rapallo, Monaco, Monte Carlo and Nice. An evening train with sleepers to

## LABOR DAY

### THE WORKERS

Labor Day is dedicated to all working Americans since our whole economic system depends on the reliability of the "laboring man and woman."

For this reason it is always a pleasure to reiterate the importance of this major holiday that pays tribute to those who earn their living either by "sweat of the brow" or through intellectual pursuits.

Today, in this era of social reform, it is even of greater importance to stress this holiday as one dedicated to the living. It is well time to remember our top priority to develop job opportunities for all through the regular channels of education, apprenticeship and other specialized training and through bootstrap assistance.

As Dwight D. Eisenhower once said: "American working men are principals in the three-member team of capital, management, labor. Never have they regarded themselves as a service class that could attain freedom only through destruction of the industrial economy."

It is only through productive work that we can hope to attain ever-growing opportunities for all.

### Lourdes.

Morning arrival in the Shrine City, opportunity to attend Mass, bathe in the miraculous springs, and participating in the candlelight procession at night.

From there to Bordeaux, Tours, Versailles before arriving in Paris... seeing everything of tourist interest and a day of leisure to explore the shops of Paris, and a flight to Madrid.

An excursion to Toledo, a flight to Lisbon and then Fatima, and visiting the Shrine of Our Lady of Fatima and the Basilica and finally sight-seeing in Lisbon before boarding a jet to New York, arriving the same day, with wonderful memories of a European trip.

The Misses Fleitman were with a group of 32 accompanied by Sister Ann Madeleine and Sister Damian of Loretta Heights College faculty, Denver, Colo.

Blondie has returned to Loretta Heights where she is a junior this year. She left Sunday. Janie is getting ready to enter St. Edward's University in Austin. She will be a freshman.

### 759-4311.

School clothing is especially needed at this time of year. This includes both summer and winter wear, and shoes for both boys and girls. Clothing too torn or worn to fix, is sold as rags and is also an important source of income for the Center.

The gathering of discards completely sustains a rehabilitation center that helps over 1,000 men each year. The men are troubled by alcoholism or deep personal problems, or are parolees who do not have an "outside" sponsor to help them re-adjust and find a job.

## Dennison Reunion First in 40 Years

For the first time in 40 years seven of the eight brothers and sisters of the Dennison family were together here Saturday for a reunion with a picnic dinner in City Park. Some of them were weekend visitors with Mr. and Mrs. Jim Dennison, others came and returned home the same day.

It was such a happy time, some of the group meeting relatives for the first time, and all of them reviewing family histories, that they plan to gather at the same place next summer. At that time they hope to have their sister, Mrs. Celesta Cox of Nashville, Tenn., with them. She was the only one missing this year.

Those present were Mr. and Mrs. A. H. Dennison and children Barbara and Charles of Cherry Hill, N. J.; Mr. and Mrs. Dan Dennison and Danny and Donna of Chula Vista, Calif.; Mrs. Clara Beakley and son-in-law Sonny Henderson of Alvord; Mrs. Maude Beakley, Dennis and Bert, of Center Point; Mrs. Charlie Smith of Fort Worth, Mr. and Mrs. A. W. Dennison and Mr. and Mrs. Pete Dennison and children Leigh Ann and Chris of Gainesville, Mr. and Mrs. Jim Dennison, James and Brad of Muenster.

**Sister Regina Has Visits with Kin**

While Sister Regina Koelzer of Deal, N. J., was a visitor here recently, guest of her sister, Mrs. John Herr and family, a number of get-togethers were held and relatives were in and out for visiting. Accompanying Sister Regina was her sister, Mrs. Elbert Vance of Hereford.

Mrs. Earl Sheppard and children Earl Jr. and Debbie came from Dallas and the group spent the day with the Leonard Bengforts at Lindsay.

Mr. and Mrs. Arthur Endres took Sister Regina to Dallas to see her off by jet at Love Field for Baltimore where she was met by a niece and family, Lt. and Mrs. Don Wilson, Bobby and Danny who showed her around at Aberdeen Proving Grounds, Maryland, and took her to Deal, N. J., where she will teach this year.

**Ice Cream Party For Amarillo Kin**

Surprise visitors driving up at the Victor Koelzer home Monday evening were her cousins Mr. and Mrs. Clarence Wink and son Lloyd of Amarillo.

Telephone calls brought Lindsay and Muenster relatives over with ice cream freezers and while they visited they made ice cream, then visited some more at refreshment time.

Others present were Mr. Wink's uncle and aunt, Mr. and Mrs. Leo Neusch and Clarence Neusch, the Herbert Schmidkofers and children and the Frank Haverkamp Sr., all of Lindsay, the Joe Mosters and the Harold Knabs and their children.

Before starting back home Tuesday the Winks drove to Lindsay for a pop call with the Lawrence Neusch family who were not able to attend the Monday night party.

**Milners Reunion Has All Present**

Sunday was a happy day for Mr. and Mrs. M. F. Milner. It was the first time they had all the family together at the same time since they have five grandchildren.

Mr. and Mrs. Lawrence Milner and sons John and Marc are on vacation from Toledo, Ohio, and Mr. and Mrs. Frank Haynes Jr. and children Marie, David and Kenneth of Eules joined them for the day.

The Lawrence Milners also visited her parents at Sherman and will go from here later this week to Hurst to visit her brothers and to Eules for a visit with the Haynes family before starting back home.

Local members of the Ben Luke clan, joined by Father Eugene Luke of Subiaco, the Harold Lukes of Arlington and the Bernard Lukes of Irving, were together for a picnic supper in the city park Saturday evening. Guests of local kin for three days before that were Tim, Chris and Peggy of the Harold Lukes.

**Mrs. John Fette, 90 Feted on Birthday**

Ninetieth birthday of Mrs. John Fette, 62-year resident of Muenster, was celebrated Friday evening at a dinner party at Rohmer's Restaurant. Four generations of children,

grandchildren and their families and other relatives including the Lambert Bezners of Gainesville and three generations of the Ratliff family were present.

The Ratliffs attending were Mr. and Mrs. C. W. Ratliff and son Sam of Lubbock, the Mike

Ratliffs of Norman and the Dan Ratliffs and five children of Houston. Mrs. C. W. Ratliff is the former Miss Margie Fette.

Also present were relatives from Illinois, Mr. and Mrs. Jerry Culligan of Moline. A birthday cake, completely

covered with candles, and gifts for the 90-year honoree, including red roses and carnations, were part of the celebration.

Mrs. Joe Lehnertz, sister-in-law of the honor guest, cut the cake and served it to 35

present. Mrs. Fette has been a Muenster resident since 1905, coming with her husband from Iowa. He died in September 1962 and she makes her home with her daughter, Mrs. Ben Seyler.

## PUBLIC NOTICE

### Proposed CONSTITUTIONAL AMENDMENT NUMBER THREE ON THE BALLOT

HOUSE JOINT RESOLUTION No. 17 proposing an amendment to Section 49-b, Article III of the Constitution of Texas, so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Four Hundred Million Dollars (\$400,000,000); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for an election and the issuance of a proclamation therefor, to BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows:

Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that the Commissioner would have if present.

"The Veterans' Land Board may provide for, issue and sell not to exceed Four Hundred Million Dollars (\$400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund, Two Hundred Million Dollars (\$200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for not less than

par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half per cent (4 1/2%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas in order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds.

"Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price therefor, together with any interest and penalties due may have been received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys so attributable shall include, but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with such proceeds; the moneys received from the sale or resale of any lands, or rights therein, purchased with other moneys attributable to such bonds; the interest and penalties received from the sale or resale of such lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any such bonds to comply with his bid and accept and pay for such bonds or for the failure of any bidder for the purchase of any such bonds to comply with his bid and accept and pay for any such lands; and interest received from investments of such moneys. The principal and

interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the moneys of said Fund in conformance with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes herein provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund hereafter shall likewise be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of such Division for the purpose of retiring all such bonds, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, and who, upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above named and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas, or who has resided in Texas at least five (5) years prior to the date of filing his or her application. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds hereafter issued and sold by said Board may be used by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds.

"All of the moneys attributable to any series of bonds hereafter issued and sold by said Board (a series of bonds being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, to be sold as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds hereafter issued and sold shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the re-

retirement of any bonds hereafter issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds hereafter issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein.

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary.

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 11, 1967, at which election all ballots shall have printed thereon the following:

"FOR the amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional \$200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

"AGAINST the amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional \$200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and for the length of time as required by the Constitution and laws of this state.

Sister Cecile visited Thursday and Friday with her mother, Mrs. R. R. Endres, driving over with a friend from Denton where she had been attending summer school at NTSU. She'll teach in Dickinson again this year. Thursday night the family gathered at Mrs. Endres' home for a reunion honoring Sister Cecile.

Business and pleasure were combined on a trip to Saint Paul, Minn., by Mr. and Mrs. Eugene Klement and Mr. and Mrs. Frank Schilling on a five-day vacation the past week. They visited Mrs. Klement's brothers and sisters and bought a load of Holstein milk cows.

It was back to nurses training at St. Paul's Hospital Monday for Miss Debbie Schilling and Miss Judy Dangelmayr after a summer visit with their parents, the Frank Schillings and the Albert Dangelmayrs. The two girls had just returned from a sight-seeing trip to New Orleans with three classmates from Dallas. Family members took them to Dallas Sunday.

A family get-together with a picnic supper in Muenster City Park last Sunday brought the Albert Henscheid family together. Attending with Mr. and Mrs. Henscheid were their eight children and 46 of their 48 grandchildren. Only ones missing were a grandson fighting in Vietnam and a granddaughter of Fort Worth.

Four generations of family were together Sunday at the home of Mrs. Will Sicking for a picnic dinner in the yard under the shade trees. Forty-four attended. The Ray Sicking Family Band entertained after the meal. Mrs. Andy O'Connor was there later to join those who stayed for supper.

Mr. and Mrs. Willie Walterscheid and sons Terry and Kim enjoyed a short vacation at Houston, Galveston and Baytown. They toured the Astrodome and saw a ball game, went swimming in the Gulf, saw the Sea Arama and then stopped at Baytown for a visit with friends from Army days when the men were stationed at Fort Carson, Colo.

The Dan Hamrics had as weekend guests, friends from Monahans, the Tommy Cooks and daughter Xandra. Saturday the two families spent the day at Six Flags.

Sister Clare ended a visit with her parents and family, the Leo Sickings, Sunday and went to Lake Arthur, La., where she will teach this year. Family get-togethers to see all the relationship honored Sister Clare during her stop-over here from Jonesboro, Ark., enroute to her new assignment. She taught at Little Rock last year.

other unions did likewise. The values of wages and fixed income and savings would all be stabilized. In fact they could actually increase as better business and increased efficiency permitted prices to decrease gradually.

The column admits that this

is quite a brainstorm, a radical departure from methods of the past. But, seriously, isn't it worth some thought? The way of the past few decades has us headed for an inflationary crash. It is fundamentally

wrong because it penalizes the virtue of thrift. Something needs to be done to stop that trend and stabilize our economy — perhaps even increase the real value of earnings and savings.
