NUMBER 49

Reports of the weekend say that 50 to 60 thousand people were in that mob of demonstrators protesting in Washington against the Vietnam war. After their big show was over President Johnson publicly commended soldiers and civilian officers for their restraint in controlling a difficult situation while keeping injury down to a minimum.

Despite announcements that the demonstration would be peaceful, there were many incidents of the usual rough stuff. The police and soldiers handled them admirably. There were no serious injuries. Nevertheless Communist reports here and abroad dish out the same propaganda. "The defenseless demonstrators were savagely attacked by the brutal police. It was another orgy of police brutality."

That brings up a question. How can the go-along people of the demonstration, after seeing what actually happened, continue to throw their support behind the traitors who promote the disturbance? Just observing the behavior on both sides ought to convince any reasonable person that the demonstration was all wrong.

The irony of it is that the people charging brutality are giving their help to the organization which holds all records in brutality, American police and soldiers are the ultimate in gentleness when compared with communist police and soldiers.

It is estimated that 30 million people were executed by communists following their take over of China. More millions were slaughtered when Soviet reds took over Eastern Europe. Reports of atrocity and treachery have been told thousands of times in the Korean war and again now in South Vietnam. Procedure of the Viet Cong is well known. There is no limit to their savagery in coercing villagers into cooperation with their treacheries. Millions have been tortured and killed.

That is the nature of the enemy who is presently receiving the support of our demonstrations. It is the enemy whose announced goal is to rule the world. It is the enemy who has been the ultimate in brutality wherever he has set up his rule so far.

The story of the present struggle in Vietnam started years ago when the Ho Chi Minh mob defeated the French and took over North Vietnam. The usual treatment of political enemies started at once. More than a million refugees who escaped or survived the torture fled south before Ho set up an Iron Curtain at the 17th Parallel.

What happened to thousands of those is told by the famous doctor Tom Dooley in the book "Deliver Us from Evil" written eleven years ago, long before this war broke out. Dooley, as many of us recall, died at his hospital in South Vietnam not long afterward.

In that book he asks "What do you do for children who have had chopsticks driven into their ears?" Or for old women whose collar bones have been shattered by rifle bullets? Or for kids whose ears have been torn off with pinners? How do you treat a priest who has had nails driven into his skull to make a travesty of the Crown of Thorns?"

The incident of the chopsticks, as pieced together, revealed a diabolically brutal punishment for just believing in God. Communists caught a young teacher leading his class in the Lord's Prayer. They made him repeat it for them line by line and made a mockery of the words.

At the end they led the class into the schoolyard for a communist lesson. Viet Minh guards held the children while the leader rammed a chopstick into each ear splitting the canal and inner ear. Seven got that treatment. Then the teacher's tongue was extended with pinners and sawed off with a bayonet.

They were treated in Doolley's hospital and all survived — "one young man who never again would pray aloud, and seven children who would hear the Word of God only in their hearts."

Such was the rule of Ho Chi Minh over North Vietnam. And it was not long until he was looking south with a covetous eye.

His method of annexing South Vietnam is an old one in the red system. He trained guerrillas and had them infiltrate, recruiting "volunteers" and using atrocities to force cooperation. When they

Shut Down Asked During Memorial On All Saints' Day

Special cooperation for this community's traditional observance of All Saints Day, November 1, was asked this week by Father Alcuin Kubis.

He urges that business houses close between the hours of 2 and 4 o'clock to encourage attendance at memorial service for deceased members of the parish.

The service begins at 2:30 o'clock and a procession will go to the cemetery for a formal visit with sermon and prayers. It is expected to end before 4 o'clock.

All Saints is listed on the Catholic calendar as a holy day, to be observed as a Sunday. Both local schools have a holiday.

Garden Club Will Collect Wednesday For Cemetery Fund

The semi-annual collection for Sacred Heart Cemetery conducted by the cemetery committee of Muenster Civic League and Garden Club will be held next Wednesday, All Saints' Day.

Members of the organization will be at the church doors to accept donations after all services on that day.

Funds received are used for the cemetery's general maintenance. That includes watering, lawn mowing, and trimming and repalcing shrubbery.

Time Changing Time Is Sunday

In case anyone still needs to be reminded — Saturday night is the time to set back the clock. Officially, daylight saving time for 1967 ends at 2 a.m. on October 29, but it's okay to make the change any time during the night — remembering that church services, radio and TV programs and everything else will be back to standard time on Sunday.

Hereabouts most people have been happy with daylight saving time during the summer. It allowed more time at the end of their work day. But as days get shorter it gets less popular — especially with those who have to put children on school busses while it's still dark. They are ready to get back in time with the sun.

Hospital Auxiliary Completes Plans For Buffet-Dance

Members of Muenster Hospital Auxiliary have completed plans for their annual big event — their "Harvest Moon" buffet-dance. That was the principal business at their October meeting Thursday.

Date of the benefit is November 25, the place is the VFW Hall, Tommy Harkness and the Stardusters will furnish the rhythm, and admission will be five dollars a couple.

Auxiliary members are conducting an advance ticket sale. Tickets are available also at Hamric's and at Evelyn's Style-room. The one admission price covers the buffet and dance.

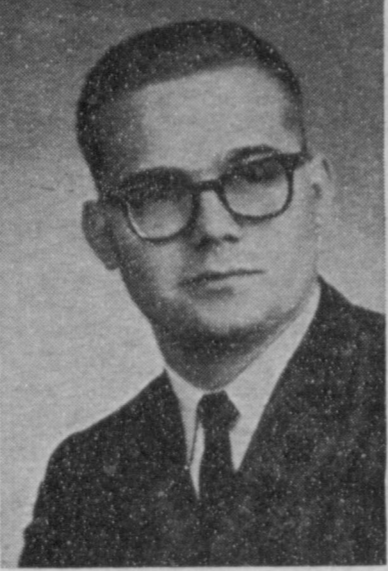

Mrs. Henry Starke, president, conducted the meeting and introduced David Bright, new hospital administrator, to the group.

Sister Mildred handed out memorial booklets on Dr. B. F. Hejduk — his life and work. And members voted to pay for Thanksgiving tray favors for hospital patients and local rest home residents.

Program for the evening was especially interesting, presented by Dr. Martin Kralicke. He showed members the cardiac equipment that the organization bought. It's the most expensive equipment donated to Muenster Hospital by the Auxiliary. The buffet-dance is a benefit for payment on the apparatus.

Dr. Kralicke, in his illustrated lecture, told that a Gainesville woman, a cardiac patient, owes her life to the complex instruments — it's the only equipment of its kind in Cooke County. This recent experience was the first time the apparatus was put to its full use.

Twenty-six members attended the meeting and lecture. Two new members, Mrs. Herbie Miller and Miss Betty Fisher, were signed up. Mrs. Paul Fisher won the door prize.

REV. BOO HEFLIN, a graduate student in the field of Old Testament at Southeastern Seminary will head a special 5 day revival November 1-5 at First Baptist Church, Muenster. Assisting with congregational singing will be Rev. Paul Dodd, pastor of Bolivar Baptist church. These revival services are the first at the Muenster church this year and everyone is invited. Starting time each evening is 7:30.

Jim Endres Wins PP&K at Sherman

Jim Endres was Muenster's only survivor in the Zone Punt, Pass and Kick elimination held at Sherman last Saturday and qualified for the district contest which will be held in Dallas this week Saturday.

He took first place in the 13 year group with a score of 315 1/2 feet. He had 316 in the local contest a week before. His award was a trophy.

Robert Hartman of the 8 year group also received an award, a certificate, for third place. Robert, with a score of 140 1/2 feet, was nudged out of second place by only three inches and out of first place by nine inches.

Fifteen boys were entered in each age bracket of the contest.

Others competing from here were Roger Endres, Mike Davidson, Dwayne Ewins, and Hank Trachta.

SH Classes Vie in Powderpuff Grid Game on Oct. 30

An intermural powderpuff football game is scheduled Monday night, Oct. 30, by Sacred Heart High felines. Plans for the event were completed at the student council meeting this week.

In the flag football tussle seniors and freshmen will vie with sophomores and juniors.

Coaches for the senior-freshman group are Tom Hess and Gilbert Hess. Joyce Schmitt and Laurie Truebenschaid are captains.

Coaching the sophomore-junior team are Lee Roy Hess and Ken Schmitz. Margaret Kralicke and Kaye Klement are captains.

Coaches, members of the Tiger football squad, are working out with their groups and indications point to a lively struggle.

Everybody's invited to attend. Proceeds will benefit the classes.

Changes Made In Membership of Football District

A new roster of teams makes up the Class B football loop in this area for next year, according to a directive sent out last week by the Interscholastic League of Texas. Re-assignments by the League apply to all classes of teams in all areas of the state.

Under the new set-up the local district, now identified as 7-B, will be identified as 9-B. And its membership will decrease from 7 to 6 as a result of adding two new members and dropping three old ones.

The newcomers are Lindsay and Windthorst. Lindsay promoted itself from 8-man to 11-man competition. Windthorst transfers from the adjoining B loop to the west.

Scratched from the list were Callisburg, which is assigned to District 11-B with Celina, Collinsville, Prosper, and Sadler-Southmayd, also Alvord and Chico which are assigned to 10-B with Masonic Home, Goodley, Lake Dallas and Perrin.

The 9-B roster now includes Muenster, Lindsay, Era, Valley View, Saint Jo and Windthorst.

Statewide the Interscholastic League football listing for next year shows 139 teams in Class B, 208 in Class A, 206 in AA, 147 in AAA and 209 in AAAA. There are 46 playing the 8-man game and 58 the 6-man game.

Revised Census of Muenster is 1375

The population of Muenster as of this week Tuesday is 1375. That is the figure reported by City Manager Steve Moster after an actual count of persons served by residential water connections.

The figure shows an increase of 185 since the official national census was taken in 1960. That's slightly over 15 percent growth for the seven years, Moster said, and slightly over 2 per cent for the average annual growth. And it is less than our previous rate of growth. Before 1960 the average growth was 30 per cent per decade, or 3 per cent a year.

A request by the Muenster Chamber of Commerce inspired the count. The figure was wanted in order to give an accurate census for reports on the town. It has also been mentioned that the census figure on the highway signs near the city limits can be changed if an official figure is given.

The census was conducted by

phone, by determining the number of persons served by each residential water meter.

Muenster, Alvord B Teams to Meet

Muenster Bees, still feeling a 14-0 loss to Pilot Point's reserves two weeks ago, are itching to mix it with the reserve Bulldogs of Alvord. Kickoff time is 7:30 Thursday on the Muenster field.

Odds are leaning in favor of the Muenster boys for this one. They have a 4-1 record so far including top heavy wins. And all are ready to play, including Clifford Sicking, who has nursed a bruised hip since the last game.

This encounter will be the second last for the Bees. Saint Jo had to cancel the remainder of its B schedule because loss of seven players left the squad too small for two teams. Whitesboro B on Nov. 9 will be next and last on the Bees' schedule.

Two School Parties Will Occupy Kids Halloween Night

Halloween programs at both of the Muenster schools are booked to keep children entertained and occupied while spooks and witches are operating next Tuesday.

The intention is to provide less hazardous fun than allowing children to wander around town on trick or treat expeditions. Parents also want to discourage nuisance activity and vandalism which sometimes occurs as Halloween fun.

First to start is Sacred Heart's, which begins at 4 o'clock. It will be held in the parish hall under sponsorship of the Home School Society and funds raised at the various concessions are earmarked for the library. Each of the twelve grades will have charge of one booth.

At 8 o'clock attention will center on the school's traditional costume contest. Characters this year are to be from fairyland, and there are two divisions — pre schoolers through third grade and fourth through eighth. After the contest there will be a dance for high school students sponsored by the CYC.

Throughout the evening refreshments of sandwiches, pie, coffee and cold drinks will be available.

The public school's traditional Halloween carnival begins at 7:30 o'clock in the main corridor and the gymnasium. It is the annual big event for the classes, the occasion on which each is permitted to operate a concession for benefit of its treasury. The booths will feature snacks and drinks and carnival entertainment.

The carnival atmosphere ends at 10 o'clock when the attraction, and finale, will be a one act mystery entitled "Whod-onit?". It will be presented by the sophomores in the auditorium.

Booklet Tells Dr. Hejduk Story

The story of Dr. B. F. Hejduk, who is gratefully and affectionately remembered as an outstanding benefactor and cherished friend of this community, appeared here last week in a twelve page biographical booklet. It was written by Miss Linda Lutkenhaus and published by J. M. Weinzapfel, administrator of his estate. Since then hundreds of copies have been presented to the beloved doctor's friends.

Because of its brevity the booklet tells only the high spots in his long, colorful career as a surgeon and patriot. Born in Czechoslovakia in June 1900, he received his medical degree in 1924 at the University of Brno. He was soon known for his surgical ability and became a professor of surgery at Brno. He held that position when his homeland was taken over by the Nazis.

He escaped to become a medical officer in the Czech army in exile, later was assigned to American medical services in England.

After World War II he returned home finding conditions under Stalin as intolerable as he had been under Hitler. He escaped again, going to West Germany, then to England, then to Ethiopia. Wherever he went he gave generously of his talent and friendship.

He came to United States in 1959, spent a year in California then went to Gaston Hospital of Dallas for the residency required to become licensed as a surgeon of this country.

Dr. Hejduk came to Muenster in August 1964 and joined the staff of Muenster Memorial Hospital, which had opened the preceding February. On December 1, 1965, he realized his long-time desire of becoming an American citizen.

His brief career in Muenster was as outstanding as it had been in other places. He became widely known for his genius in surgery, widely loved for kindness. He is warmly remembered by thousands, here and outside the community. His death by carbon monoxide asphyxiation on May 29, 1967, was a major tragedy to all those people.

Mrs. Mack McKinney of Los Angeles, Calif., flew in Tuesday to visit her mother, Mrs. Leo Rohmer, a patient at Muenster Hospital, and other relatives. Mrs. McKinney is the former Martha Rohmer. Family members met her at Dallas airport.

4 Parishes to Join in Christ-King Service

Muenster will be host next Sunday for a four-parish celebration honoring Christ the King. Catholic parishes of Lindsay, Gainesville and Valley View will join Sacred

Heart parish for procession and ceremonies observing the occasion.

The program, as announced by Father Alcuin Kubis, begins at 2:30 o'clock at the hospital. The Holy Eucharist will be carried and the rosary will be recited in a procession which goes to Sacred Heart Church for the closing service of sermon, benediction and consecration to Christ the King.

Weather will determine whether the closing service is outside or inside. If the day is clear, people will be on the lawn attending the ceremony on the rectory porch. Otherwise they will be in church.

Packed Program Awaits Exes at SH Homecoming

A warm welcome and a gala program await ex-students of Sacred Heart School at the annual homecoming celebration Saturday, Nov. 4.

Program headliners are the Tigers' game with Dallas Christian, coronation of a homecoming queen, a reunion of ex-students with a buffet and social hour before the game and two dances afterward.

With the exception of the reunion-buffet-social all events are open to the public.

Honored graduates this year will be those of 1947 and 1957. They will receive complimentary tickets to the game and dance. All ex-students are invited to the buffet. This is a free event. Mrs. Joe Lehnertz is in charge of catering.

The social hour, beginning at 6 o'clock, will include a short program. It will be held in the high school.

Kick-off time on the Tiger field is set for 8 o'clock and queen crowning ceremonies will be held at half-time.

Dancing will follow the game. In SHH Gym, teens will find The Circe; in the Parish Hall, rhythm will be provided by the Del Ray's.

Queen candidates, chosen by the football squad after high school classes selected their favorites as nominees, are Laurie Truebenschaid, senior; Beverly Koelzer, junior; Darlene Hess, sophomore; Donna Kay Endres, freshman. Three of them will be princesses in the queen's court. Identity of the one to wear the crown will not be disclosed until coronation time.

Sacred Heart Alumni, sponsors of the program, extend a general welcome to everyone to attend. Invitations were mailed to ex-students whose addresses were available but an invitation through the mail is not necessary. Everybody is invited.

Final Rites for Mrs. Jess Richey Held Wednesday

Funeral services were held in Gainesville Wednesday at 2 p.m. for Mrs. Jess Richey, 54, of La Pryor, former longtime Cooke County school teacher, who died Monday in a Uvalde hospital.

Services in Vernie Keel Chapel were followed by burial in Rest Haven Memorial Park. The Rev. I. J. Clinton of Bridgeport officiated.

Mrs. Richey, the former Ruth Travis, taught school at Marysville, Bulcher and Valley Creek before moving to La Pryor where she taught 12 years. She had been ill with a heart ailment since last spring.

Survivors include her husband; a sister Mrs. Rollon Welch of Gainesville; two stepchildren, Mrs. Agnes Orsburn of Gainesville and Charles Richey of Arlington, Va., a sister-in-law, Mrs. Gus Travis of Hamlin, and a number of nieces and nephews in Cooke County.

Adult Education Class Organized

An adult basic education class in Muenster will begin next week under sponsorship of the Texas Education Agency, Cooke County Public Schools and Muenster Public School.

First session will be held next Thursday night, November 2 in the public school at 7:30 o'clock.

George Petrus, in charge of organizing the program, said that the minimum number has been reached and more are welcome. Those who have signed are reminded to report next Thursday. Any other interested persons are encouraged to come.

The adult education program is financed by the Federal Government and conducted by the states.

Tigers Primed for Thursday Tussle With Gainesville B

The Sacred Heart Tigers expect lots of competition but they're still confident about their upcoming tussle with Gainesville B Thursday night. They'll play at Leeper stadium starting at 7:30.

Coach Tom Williams recalls that his boys looked better than the Gainesville boys in a pre season scrimmage and he's hoping they will still have the advantage. But he's wondering. The Little Leopards have shown strength even while closing. They have plenty to keep the Tigers busy.

Physically the Tigers' good fortune is holding up fine. Williams says all of the boys are in good condition and eager to mark up their fourth win.

Hornets Eager to Dump Valley View Here Friday Night

Lots of football seems to be in store here Friday night when the Hornets tangle with Valley View's Eagles.

As usual, the signs point to Muenster as the underdogs. Its record for the full season and for district play is less impressive than Valley View's.

However, the Hornets are improving. Coach Glenn Richardson said he was proud of the boys at Chico last week in spite of their 21-0 loss. They did fine offensively and defensively, and Chico's win can be credited to breaks and a few big plays.

All the boys are in good physical condition for the Eagles, says Richardson. And spirit is fine too. Prospects for this one are fair, depending mostly on how well they succeed in avoiding mistakes.

Miscues Hurt as Hornets Lose 21-0 To Chico Dragons

Lots of gallant effort by the MHS Hornets was spoiled by fumbles and interceptions at Chico last Saturday. As a result the Dragons pleased their homecoming crowd immensely with a win of 21-0.

The biggest blow came near the end of the third quarter when the Hornets ended a 74 yard drive with a fumble on the Dragon 20. They were trailing 7-0 at the time, and prospects were bright for a TD and possibly bonus points to put them ahead.

The shock seemed to inspire the Dragons as much as it stunned the Hornets. Three plays later Pierce passed to Lowrance for 33 yards and the next play Lowrance breezed to the 16. Two short gains and a pass to Wallace for 10 finished the job and put the hosts comfortably ahead.

Not long after that Lautaret broke away for an 82 yard sprint that made the Dragon score look even better.

The game started beautifully for the Hornets. On first play after kickoff a 15 yard pass from Monday to Bruns reached midfield. But the first blow struck three plays after — the first of four interceptions. The run-back reached Muenster's 45.

Chico followed with two first downs to the Hornet 16. Hornet defense braced there and allowed only 4 yards on the next four tries.

Three plays after that Lowrance intercepted another Monday pass and set up another

ANARCHY VERSUS RESPONSIBILITY

Much of the disorderly conduct and destruction of property that is carried on today in the name of freedom and independence of the individual is a sheer insult to the high principles of human liberty. Alexis De Tocqueville observed in 1835, as he commented on the unique qualities of the American experiment: "The

revolution of the United States was the result of a mature and reflecting preference for freedom, and not of a vague or ill-defined craving for independence. It contracted no alliance with the turbulent passions of anarchy; but its course was marked, on the contrary, by a love of order and law. It was never assumed in the United States that the citizen of a free country has a right to do whatever he pleases. On the contrary, more social obligations were there imposed upon him than anywhere else." De Tocqueville's words are peculiarly apt at the present time.

America is the only country in the world where men get together to talk about hard times over a \$7 steak.

THE BETTER WAY

A college professor from a large University in the Middle East told a U. S. businessman: "Granted the free enterprise system is more efficient and productive than government run industry. But I just can't justify in my own mind, the unconscionable profits of around 40 per cent, that your capitalists net at the expense of their workers." When he was told that U. S. workers get 95 per cent of net earnings and the owners only 5 per cent, net, he was shocked. After he studied U. S. government statistics showing the true relationship between wages and profits, he declared, "It is my belief that most of the people all over the world are not aware of this fact. I must blame the corporations in the free world for not widely publicizing these facts. By not doing so they have left the door open for most effective propaganda — the belief that capitalism exploits employees..."

The capitalistic system in the United States has resulted in the widest distribution of wealth the world has ever seen. All one needs to do is look at the flow of traffic on our highways, at the millions of autos, the homes, the boats, the trailers, the countless luxuries and necessities so abundant in every home, the leisure time and the manner of dress of our people. These, more than statistics, show the result of the capitalistic system.

Perhaps our corporations have been too busy turning out goods and services for 200 million people to brag about what a good job they are doing. This is a better way than that of the oppressors and dictators who use the sounding board of a controlled press to create a facade of well-being that does not exist in reality.

WHO PROFITS MOST FROM PROFIT?

Did the Liberals save millions of American women from back-breaking work by inventing the vacuum cleaner and washing machine — or was it businessmen looking for profit?

Did union leaders create modern life-giving drugs, or was it businessmen in search of profit?

Is it government bureaucracy or profit-seeking corporations which generate the millions of American jobs paying the highest wages in the world?

Was it the Welfare State or men who wanted to become millionaires who developed the automobile and the hundreds of thousands of jobs which followed?

When those who criticize and attack profit can equal this record for their country, it will be time to listen to them.

But not until.

POINTING THE FINGER

Everyone is running around today trying to put the finger of blame on someone or other for the current wave of riots and violence on the part of the civil righters. Some say it is all Lyndon Johnson's fault because he is using too much Great Society money to conduct the war in Vietnam, at least that's how baby doctor, Dr. Spock has it figured. Then there are those who would lay the blame at the feet of Nobel Peace Prize winner Martin Luther King and his advocates of civil disobedience. I rather imagine there are quite a few around who would vigorously point the finger of responsibility at H. Rap Brown and Stokely Carmichael as the ones behind the looting and bloodshed in many of our larger cities. When you consider that over half of the first thousand men arrested in Detroit during the recent riots had previous criminal records, I imagine J. Edgar Hoover would place the blame elsewhere. But no matter whom you determine to be the momentary culprit in the situation, none can deny that the real basic cause of this revolutionary trend, which is running rampant throughout America today, is the white liberal — the leaders of the left wing who figure to change the foundations of this nation.

MAKES SENSE

Congressman Wyatt of Oregon has made a statement which makes sense. He is quoted as saying: "It is about time for politicians in the country to be honest with Negroes and tell them we aren't talking about equal cars, equal houses, equal incomes. We are talking about equal opportunity, which is really anybody in this country can ask... there is a substantial number of people in the Negro areas who are employed if the are trained. I strongly favor the tax credit approach, giving a tax credit to businesses for vocational training."

It is becoming quite evident that the policy of throwing huge sums of money aimlessly at the problem will not solve it. Rebuilding cities and changing the curata environment and level of education and training of millions of our citizens overnight is beyond the financial and administrative capacity of our national government. It is time to try a different approach.

The total capacity of all electric generating plants in the United States in 1902, 65 years ago, was 1,200,000 kilowatts. By 1955 generating capacity had increased in the United States to 114,472,000 kilowatts and this capacity doubled in the next ten years so that by 1965 the total was 235.6 million kilowatts.

LET'S HAVE THE TRUTH

To our way of thinking, it is criminal negligence, bordering on treason, to subject American servicemen to death in the stinking jungles of the Far East without throwing our whole national resources behind them. And this doesn't mean just material and planes, but it means, in the main, the will to win.

It is nothing short of murder to send trained pilots in million-dollar airplanes to bomb pig trails and jungle undergrowth while we look the other way when enemy weapons of war are being unloaded at Haiphong, the better to increase the growing daily death toll of the flower of American youth.

If we are going to fight a war, for God's sake let's fight a war like wars have been fought throughout history until MacArthur was handcuffed in Korea. If we are going to be content to provide cannon fodder for the Viet Cong then let's tell the American people the truth, that we are afraid of offending the non-whites of the Far East, the communists, the peacocks, the doves, the buzzards, etc., ad nauseum.

When this nation places a rifle in an American boy's hand and tells him to defend its heritage, it has no right to tell him he can't chase his would-be killer into Cambodia, or Laos, or to the hinges of hell, for that matter.

Back to this business of not wanting to destroy North Vietnam. Didn't the British burn Washington? We didn't hear of Sherman having a Maypole rally in Atlanta during that unpleasantness. What about Hiroshima and Nagasaki? Who is making these strange rules that the enemy can shoot at you but you dare not shoot back?

If these red buzzards had the capability they would rain atomic bombs on every American city. It tears our heart out to see once proud America, fertilized with the blood of our gallant forefathers, going to seed and whimpering before one-gallus foreign upstarts that the likes of Andrew Jackson would have run into the first convenient river with a barrel stove.

The lamps of liberty are going out all over the world because of the vacillation and indecision of our leadership. It was Daniel Webster who said, "God grants liberty only to those who love it, and are always ready to guard and defend it." To us, that means hitting the enemy with everything in our arsenal, barring no holds and granting no quarter. Evidently it means something else to our highest leadership. We somehow believe that our view is also held by the mothers, fathers and wives of the men we send forth to guard and preserve our nation.

AGAINST WAR

War is sometimes necessary to preserve peace. That is the situation the world finds itself in right now with the Communists determined to rule all of the world. They are forced into that position by their own admission that Communism will not work until all of the world is converted to it.

Free people do not want any part of atheistic Communism but they haven't had much choice under the Communist takeovers, often from within. Thus to preserve the peace and freedom they want free people are required to make war at times.

Roman Catholic Archbishop Robert E. Lucey of San Antonio, Texas, expressed it aptly when he said:

"It is necessary to use force and the man who doesn't believe in force will soon be a slave. You cannot have peace in the world without force because there are evil men in the world."

"It is up to us to defend liberty and justice."

"If we bomb civilians just to win the war we would be reverting to savagery. But, if we ever stop bombing military targets in North Viet Nam they'll swoop down and we'll have a real war."

The Archbishop is of the opinion that doves advocating peace at any price or an end to the bombing are prolonging the war.

"Some people have been led to believe that we should withdraw our forces. That would be not only a tremendous cruelty but also a tremendous stupidity."

Such proposals, Lucey said, are what Hanoi is living on now.

Of course we all hate war but we should hate more any government that denies its people freedom of religion, freedom of opinion, freedom of speech and freedom of the press.

"MAN AN ANIMAL" —SO SAYS ADA

The Americans for Democratic Action (ADA), which has facilitated the rise to power in our national government of its chosen candidates, now expresses itself on the American citizen.

This is what they say: "We Socialists of the ADA believe in man as a social animal and not in a God Who does not exist or Who, if He exists, is irrelevant. We be-

lieve as does Arthur Schlesinger, major author of the Democratic platform of 1960 and 1964, that government exists to satisfy the needs of man as a social animal, and its function is to build a heaven here on earth through Socialism and not to be concerned with some mythical hereafter."

This quotation is taken from a letter in the Indianapolis News of January 29th, 1965, written by M. K. Rosen.

Surprise visitors with Mr. and Mrs. Tony Wiesman at Gainesville during the weekend were their son and daughter-in-law, Mr. and Mrs. Louis Wiesman and children Cindy and Darrell or Kermit. They also visited with Mrs. Louis Wiesman's mother, Mrs. Ed Mosier and other relatives at Lindsay and the Bill Terrys at Gainesville. Saturday night

they were joined by the Don Wiesmans and children of Fort Worth to help Bill Terry celebrate his birthday. A decorated cake, gifts and picture taking were part of the observance. Marilyn, Karen and Bob Wiesman stayed with neighbors in Kermit while their parents were away.

Mrs. T. S. Myrick has written her daughter Mrs. Pat Stelzer that she's headed for home, plans to be back early in November. She's visiting her son John Myrick and family in New Bern, N.C., after spending several months in Mexico, Maine, with a daughter and family, the Arthur Bourdeaus.

Mrs. Rudy Hellman sent greetings this week from Washington, D.C., adding that she's still touring and enjoying the sights. She's on a Fall Foliage Tour that started Oct. 6 and will take the group to Expo 67.

Mr. and Mrs. Raymond Barnhill and children were in Saint Jo Sunday visiting his parents, Mr. and Mrs. E. S. Barnhill. Other visitors were their son-in-law and daughter, Mr. and Mrs. J. D. Bell of Fort Worth. The previous Sunday family members were together for a dinner party honoring E. S. Barnhill on his 71st birthday.

Gary Henscheid, 6 Birthday Honoree

Gary Henscheid, six years old Saturday, celebrated with an afternoon party at the home of his parents, Mr. and Mrs. Rufus Henscheid. Children of the neighborhood and Gary's sister Janet and brother Johnny helped him celebrate.

Gifts, games, birthday cake, ice cream and punch and party favors of horns and whistles made it a gay event for the youngsters.

In case you're worried about what's going to become of the younger generation, it's going to grow up and start worrying about the younger generation.

Mrs. Luke Hostess For Club Meeting

Members of the Idle Eight Club were all present for their October social when Mrs. Joe Luke was hostess in her home Wednesday afternoon.

In a progressive 42 series Mrs. John Wieler was high scorer, Mrs. Joe Hoinig was runner-up, and Mrs. R. R. Endres was consolation winner.

The hostesses served pineapple cream pie, finger foods, and coffee.

Red Skelton observes that by the time a man finds greener pastures, he can't climb the fence.

Mrs. Fuhrman Has Birthday Honors

Dinner in the home of Mr. and Mrs. Gilbert Endres Sunday at noon honored her mother, Mrs. H. J. Fuhrman on her birthday. Lou Ann Endres, godchild of the honoree, helped with dinner party plans. Other guests were Mr. Fuhrman, Mrs. Werner Endres, mother of the host, and Mike Endres.

Back at home in the evening, the Fuhrmans had as visitors their daughter and son-in-law, the Robert Pultes and children Stephen and Dianne of Gainesville. And Bill Fuhrman phoned greeting to his mother from Fort Worth. Mrs. Robert Bayer and children had stopped by in the morning to greet their mother and grandmother.

Haverkamps Feted On Anniversary
Mr. and Mrs. J. J. Haverkamp had a surprise waiting for them Saturday evening when their daughter and family, the Ray Koppers of Lindsay invited them over.
Waiting there with covered dishes for supper were the couple's children and grandchildren to help them celebrate their 46th wedding anniversary. That date is Oct. 25, hence the surprise — an early observance.
Present with the host family were Messrs. and Mrs. Willard Zimmerman of Dallas, Raymond Hesse of Denison, Wally Luttmer of Lindsay, Ferd Haverkamp of Muenster, and their children, and Mr. and Mrs. Leo J. Haverkamp of Muenster.
Two other couples in the family also have October wedding anniversaries and this was mentioned. The Wally Luttmers observed their sixteenth Oct. 23 and the Leo J. Haverkamps observed their twenty-first on Oct. 2.

HANDLE MANURE AS A LIQUID
 Quickly, easily, at a low cost.

The new Clay Honey Wagon liquid manure spreader allows one man to load and spread 5,000 gallons per hour. It's the first real answer to getting valuable manure (liquid, solids and bedding) out of pits or livestock areas and spreading it on your fields. Easy loading is provided by Honey Wagon's dual purpose PTO-powered pump which produces a vacuum in the big 800 and 1,475 gallon tanks. Tank fills in 4 minutes or less. Reverse process and pump produces pressure to force manure out in exceptionally even, 25-foot-wide spray pattern. Agitator in tank homogenizes solids and liquids to keep tank from ever clogging. Isn't it time you started handling your manure the logical way... in a liquid? See us today for complete details... or better yet...

Buster Herr Gets Area FFA Award

Two Muenster persons were honored at the Area 5 banquet of Future Farmers of America held Monday night in Fort Worth.

Albert "Buster" Herr, feed store operator, received an Honorary Lone Star Farmer plaque for his long record of assisting FFA boys of the county in their projects.

Ken Stormer received a Lone Star Farmer Certificate as an Area award complementing a state award he had previously received. In his absence the certificate was accepted by his brother, David Stormer.

Herr was jointly nominated by Cooke and Denton county chapters for the award. One honorary degree is available each year to the two counties and the boys of each county alternate in supporting the others' choice.

Attending the banquet from here were Mr. and Mrs. Albert Herr; the FFA chapter officers, Don Hartman, Kenneth Swirczynski, Robin Wimmer, Bobby Bruns, David Stormer and Lynn Klement; and Chapter Adviser Edgar Dyer.

Couple Feted on 45 Anniversary

Mr. and Mrs. Jerry Reiter were hosts in their home Sunday honoring her parents, Mr. and Mrs. J. C. Schmidkofer of Lindsay on their 45th wedding anniversary.

The couple had supper in the Reiter home and afterward the rest of honorees' children gathered there for a party. Mrs. Joe Paul Fuhrmann brought an anniversary cake. It was served with finger foods and cold drinks.

Attending with the honorees and hosts were Messrs. and Mrs. George Schmidkofer and children and Leroy Schmidkofer of Gainesville, Joe Paul Fuhrmann, Joe Schmidkofer and children and Herbert Schmidkofer, all of Lindsay.

Mr. and Mrs. Paul Walterscheid and daughter Marilyn were in Dallas Sunday to get acquainted with the newest member of the family, Kelly Marie Hudspeth, born Oct. 20. Mrs. Walterscheid remained for a longer visit with her daughter and family the Daniel P. Hudspeths.

Mr. and Mrs. Vincent Taylor of Denver, Colo., are spending this week with her parents, the Joe Starkes and other relatives.

BIRTHS

Mr. and Mrs. Raymond Walterscheid announce a nine pound two and a half ounce boy born at Muenster Hospital Friday, Oct. 20, 12:10 p.m., on his daddy's birthday. Others welcoming him are two brothers and two sisters, Ramona, Glenn, Mel and Carol, the grandparents, Mr. and Mrs. Joe Hermes, and a great-grandmother, Mrs. Jos. F. Neu, all are of Lindsay.

Mr. and Mrs. Leon Fuhrmann of Myra are proud first-time parents announcing a daughter born at Muenster Hospital Thursday, Oct. 19, 6:44 p.m. She checked in at six pounds one and a fourth ounce. Welcoming another grandchild are Mr. and Mrs. Ed Cler and Mr. and Mrs. Henry N. Fuhrmann.

Proudly announcing a daughter are Mr. and Mrs. Gerald Hess. Penny Marie was born Wednesday, Oct. 25, 11:59 a.m. at Muenster Hospital. She's a sister for Glenn. Others happy over the eight pound four ounce girl's arrival are her grandparents Mr. and Mrs. Emmet Fette and Mr. and Mrs. Gary Hess. Others welcoming her are great-grandparents, Mrs. Paul Arendt Sr. of Lindsay and John Knabe.

Mr. and Mrs. Daniel P. Hudspeth of Dallas are proud parents of a daughter, Kelly Marie, born at Baylor Hospital Friday, Oct. 20, 10:50 p.m. Mr. and Mrs. Paul Walterscheid are happy first-time grandparents. Mr. and Mrs. Clarence Hudspeth are the paternal grandparents and Henry Pels Sr. is great-grandfather again.

Mr. and Mrs. Ray Beizer of Gainesville are proud parents of a daughter, their first child, born Thursday, Oct. 19, 4:15 p.m. at Gainesville Hospital. Others happy over the six pound seven ounce girl's arrival are her grandparents, Mr. and Mrs. Freddie Schmitz of Gainesville — she's their first grandchild — and Mr. and Mrs. John Neu Jr. of Lindsay. Also great-grandparents, Mrs. John P. Neu of Lindsay, Mr. and Mrs. Lee Livingston of Myra and John Schmitz of Thackerville, Okla.

Mr. and Mrs. A. T. Tuggle and son, Tommy, were in San Francisco Wednesday to Sunday visiting with their daughter, Donna and seeing the town. They flew by jet from Houston.

Hornets

opportunity on the 22. Two runs reached the 12 and Pierce bootlegged the ball across from there. Wallace made the count 7-0 with the first of his three extra point kicks. That was about midway in the first quarter.

For the rest of the first half the game was a defensive struggle featuring one loss on a fumble by each team, two interceptions by Chico and one interception by Muenster. Muenster made two scattered first downs, Chico made five.

Opening the next half the Dragons came out strong. A run by Lowrance gained 20 to the Chico 49, a penalty advanced them to the Hornet 36 and two passes got to the Hornet 8. A fine defensive stand there held the Dragons to only 2 on the next four tries and Muenster took over on its 6.

Then came the Hornets' first and best drive featuring determined power runs by Hartman and Sicking. Nine tries gained 70 to the Chico 24. The next one added 4 more but it ended in that heartbreaking fumble.

Seven plays later the Dragons were comfortably ahead with 14 points.

Still scrapping, the Hornets gained 13 to the 33 on the first series following kickoff, then sent Hartman on a 47 yard gallop to the 20. However, the drive fizzled there and the next series gained only 2.

Next play Lautaret took a pitchout, got around the left end and sailed 82 yards to pay dirt.

With time fading, the Hornets cranked up another drive after that. A pass to Hellman for 19 and a 17 yard run by Hellman were the big gainers in a 58 yard push to the 17. But the goal line jinx stopped 'em again. Their next four tries — and their last scoring chance — got only to the 12.

Honors Shared by Three at Dinner

Mr. and Mrs. Clarence Hellman were hosts in their home Sunday for noon dinner honoring three members of the family in observance of their birthdays that occur within a week.

Honor guests were Dr. Monte Hellman of Dallas, his son Pat, four years old, and Mrs. Jimmy Hellman of Gainesville. Attending with them were their families and Mr. and Mrs. C. J. Hellman and children of Gainesville, Eddie and Tim Hellman of the home, for a total of twenty, ten of them grandchildren of the hosts.

C. J. Hellman was at home for the weekend. He's in Public Safety school at Austin, has three more weeks to finish his course.

SH Mosaics Edited Again; First 1967 Issue off the Press

Sacred Heart Mosaics, official newspaper for Sacred Heart School, has resumed publication and Volume XVI, No. 1, has rolled off the press.

It is a four-page slick filled with school news and pictures. There is no advertising. High school classes assumed cost of publication and each high school student gets a free copy. This was decided by the student council in discussions concerning publishing a paper again.

Mosaics was born as a newspaper column in the Muenster Enterprise on Nov. 29, 1940, and continued as a column through 1945. As a newspaper it flourished until 1957 when it was dropped for lack of a journalism class. It was revived during 1961-63, then dropped to be revived again in October 1967. It is printed by the Muenster Enterprise.

Co-editors are Jeanne Vogel and Linda Rohmer — the latter's mother was co-editor in 1944. Joyce Schmitt and Tom Hess are associate editors, Mike Endres is photographer, students are reporters and Brother Thomas Moster is staff advisor.

Most of the work is done and supervised in the civics-journalism class taught by Brother Thomas.

Early day staff advisers included Sister Patricia and Sister Eymard.

Monsters Trample Valley View Kids

The Little Monster of Muenster Public School Elementary stormed to a 40-16 win over Valley View's youngsters Tuesday night on the latter's field.

Mixing passes and running plays to a nice advantage they moved the ball consistently all night and their defense kept the Little Eagles to very short yardage except near the end when Coach Glenn Richardson turned the job over to his rookies.

The first TD was a 60 yard gainer on a pass from Jim Endres to Henry Knabe. Knabe also went over for extra points.

Next time it was Knabe scoring on a 2 yard plunge after a 56 yard drive. Tuggle made the extra points and the count was 16-0 at half time.

The second half was a scoring spree — 3 touchdowns for Muenster and 2 for Valley View.

Shortly after kickoff Knabe went off right tackle on a 53 yard sprint and Endres followed over for extra points.

Then Endres sneaked for the final yard after Knabe gained 37 to the 1 on a pass play. Knabe's try for 2 points was also good.

Finally it was a 50 yard run by Knabe followed by Ricky Wimmer's 2-pointer.

Valley View's first TD came on a 60 yard pass. The next one on a 10 yard pass following steady gains on the ground. Bonus points were made after both.

Visitors with Mrs. John Felderhoff Sunday to Tuesday afternoon were her daughter, Mrs. John Wright and four daughters of Tulsa. The children had recess from classes while teachers attended a teachers meeting.

Mr. and Mrs. Alfons Reiter had both their in-college children at home for the weekend. Larry came from Texas A&M and Gloria came from TWU, Denton.

Two fishermen rented a boat and went out on the lake fishing. They caught fish galore. One said to the other: "Mark the spot we are fishing so when we come back we will know where to fish." As they were unloading the boat to call it a day, the first man said: "Did you mark the spot?" The other replied: "Yes I marked an X in the bottom of the boat." "But suppose when we come back," the other said, "Suppose someone else has rented that boat?" "Well! we will just have to wait till that boat comes back in."

375,000 KW Unit Will Be Built by TP&L at Savoy

Texas Power & Light Company will install a third generating unit at its Valley Steam Electric Station near Savoy in North Texas. T. L. Austin, Jr., TP&L president announced.

The new unit, Valley No. 3, will have an estimated maximum capability of 375,000 kilowatts. Construction will begin in the fall of 1968 and will be completed in the fall of 1970.

Brown & Root, Inc., of Houston, now completing the Valley No. 2 unit, has been named general contractor for the project.

The unit will be located adjacent to the two existing generating units. Valley No. 1, with an estimated maximum capability of 125,000 kilowatts, was completed in 1962. Valley No. 2, now under construction, is 95% complete and a test run of this unit is expected later this month. Valley No. 2 will have an estimated maximum capability of 550,000 kilowatts.

The more than 1 million kilowatts to be produced by the three units, will make the generating station the largest on the TP&L system.

Austin said the new unit will help furnish an abundance of electric power for the future needs of North Texas and the Red River Valley area served by TP&L. He added it will meet the demands anticipated from increases in population and industries expected in North Texas.

Valley No. 3 will be an outdoor type generating unit and feature the latest design in steam - electric generating equipment. The unit will be gas-fired as are units 1 and 2.

It will be tied into the 345,000-volt transmission system which serves the TP&L area.

The Valley Steam Electric Station is located on a 2,000-acre tract of land near the Fannin and Grayson County line. A 1,020-acre lake is located on the property and the lake provides cooling water for the steam turbine condensers.

The site was chosen for all three units because it is a load center on close proximity to available water, fuel, rail lines and a major highway.

Imagine paying as many dollars in taxes as there are crossties on the railroads. This is exactly what the railroads do. If you place one dollar on every crosstie in the 372,000 miles of U. S. railroad track, the total would add up to \$913 million. This figure is just \$1 million short of the annual corporate, property and employment taxes paid by railroads to Federal, state and local governments.

While these young people are maturing in the next 13 years, TP&L plans to provide them with three times as much electricity as our customers use today.

They'll need it, too.

A substantial growth in population, more homes, added industries and many new electrical devices will call for the three-fold increase in the production of electric power.

TP&L is constructing two additional large generating units now. Others are being planned.

"Yes," he replied, "when I was a boy and my mother used to comb my hair, I always wished I hadn't any."

A politician who had radically changed his views was congratulated by a colleague. "I'm glad you've seen the light," he said.

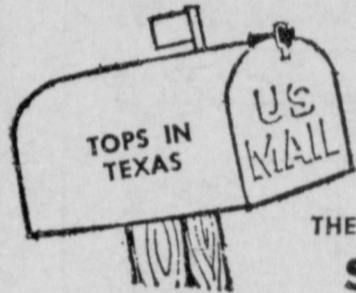

"I didn't see the light," was the terse reply, "I felt the heat."

**Hundreds Attend
Round Up Auction
At Muenster Barn**

Muenster Livestock Auction's round-up sale Thursday drew hundreds of people from far and near — a capacity crowd that made it one of the biggest days in Muenster in a long time.

Fifteen hundred cattle went through the line to the auction block and a hundred hogs added that much more activity.

And several hundred people went through the line for a free barbecue dinner at noon. Mayor Earl Fisher welcomed the crowd.

Carl Mullins and Bill Miller, owners, thank everybody who had a part in making the sale successful — those who sold cattle and those who bought cattle, those who attended and all who helped in any way.

The owners are looking forward to making it an annual event at the Muenster sale barn.

**SOIL CONSERVATION
DISTRICT NEWS**

The conservation plan on the Raymond Kupper farm, located seven miles northwest of Muenster, was revised and updated this week.

He has been installing various conservation practices on this farm over the past six-year period and the work is beginning to show. He has built about two miles of new terraces, two new farm ponds, established a two-acre waterway, and built several miles of new fences.

This fall Kupper planted 17 acres of vetch as winter cover crops and will do some more cross fencing of one of his pastures. He hopes to complete the terracing program within a few years.

Adolph Fuhrmann, district cooperater in the Lindsay community, has planted about 20 acres of vetch for winter cover, soil improvement and grazing. This was fertilized at the time of planting and doing well at

this time. It is about three to four inches high and has already made a good ground cover.

The conservation plan on the Hugo Bengfort farm, northwest of Lindsay, has been updated and revised recently. Bengfort has been cooperating with the Upper Elm-Red Soil and Water Conservation District for a number of years and has a good conservation program in operation on his land.

He completed his terracing program last summer. He has plans now to fence a five-acre waterway in with an adjoining pasture and build a new pond for livestock water. He is using commercial fertilizer with all his crops at present and plans to go back to Alfalfa or sweet clover for soil improvement in future years.

The Upper Elm-Red Soil and Water Conservation Board of Supervisors held their regular monthly meeting in Gainesville last Wednesday.

Harold Skaggs, Board Chairman, presided over the meeting. All other Board members attended, including Keith Kemplin, Valley View; J. H. Bayer, Muenster; W. H. Green, Bowie; and Hinds Clark, Nocona.

The Board was reorganized following the last supervisors election and the same officers were re-elected. They are Skaggs Chairman, Clark Vice-Chairman, and Kemplin Secretary.

A former resident Leonard Walterscheid of Moab, Utah, had a happy birthday Friday, Oct. 20, spending it here with his mother, Mrs. August Walterscheid and the rest of the family. It was a surprise visit. Leonard was trucking a load of oil field pipe to Louisiana, stopped over Thursday night to Saturday morning.

Msgr. Thomas Weinzapfel has telephoned his parents, the J. M. Weinzapfels, to let them know he's back in Dallas after a flying European tour that included England, Vienna, Greece, Athens and France. He was guide for a group of tourists making the trip.

Rev. Mother Benedicta of Holy Angels Convent, Jonesboro, Ark., was a visitor at the convent with the local Benedictine Sisters during the weekend. She was accompanied by Sister Fridolene, 92, who enjoyed visits with the nuns and with people she knows from previous visits about three years ago. From here the two went to Rhineland to visit the Benedictine Sisters there. It was one of the Reverend Mother's periodic visits with members of the order.

Mr. and Mrs. H. L. Jackson and four children of Fort Worth spent Sunday with her parents, the J. M. Weinzapfels. Other family members joining them for visiting were the Henry Weinzapfels, and the David Brights and their children. The Jacksons son Jerry reports keeping busy with an Army medical corps in a hospital in Vietnam.

Marcellene Bartell celebrated her fifth birthday Friday evening in the home of her parents, Mr. and Mrs. Walter Bartell. Family members including the maternal grandparents, Mr. and Mrs. Andy Truebenbach were guests for birthday cake and ice cream after the little honoree opened gifts.

Mr. and Mrs. Herbie Cunningham Jr. and children Brian and Kim of Fort Worth spent the weekend with their parents, the Ludwig Kieningers and Herb Cunninghams.

Visitors Sunday afternoon with Mr. and Mrs. Joe Linn were his sister and husband, the W. B. Parkers of Dallas.

Muenster friends talked up a storm Saturday afternoon with Mrs. Ernest Hayley of Wichita Falls, formerly of Saint Jo, while she spent a few hours at the Charm Shop with Mrs. Ray Evans and saw a number of other friends there.

Mrs. Larry Joe Walterscheid and daughter LaQuita spent the weekend in McKinney with their parents and grandparents.

Mr. and Mrs. A. E. Mullins of Lubbock ended a two-week visit here Sunday. They were guests of their son and daughter-in-law, Mr. and Mrs. Carl Mullins, who took them to Wichita Falls to board a bus for the rest of the trip home. In Wichita Falls they visited Mrs. Mullins' sister and also enjoyed seeing a niece who was there after seeing her soldier husband off for Guam.

Mr. and Mrs. David Trachta are baby-sitting with their grandson, five-month-old Darren Boruff, son of Mr. and Mrs. Jim Bouroff of Dallas, while they are in Grand Rapids, Mich. Jim is attending a refrigeration shortcourse. They took their small daughter Tracy with them. They'll also visit relatives and friends in Indianapolis before returning Sunday.

Mrs. Stan Wylie and sons George and Johnny of Grand Prairie spent two days last week with her parents, the Bill Kathmans. Mrs. Wylie divided time with her mother at the hospital and her father at home. George Wylie was out of school for a few days, recuperating from a tonsillectomy. A frequent visitor with the Kathmans is their other daughter, Mrs. W. E. Insel of Gainesville. Mrs. Kathman is recovering from surgery.

Muenster visitors for the first time during the weekend were friends of Sister Georgia Felderhoff, Mrs. Edith Johnson and children, 10-year-old Chuck and four-year-old Christie, of Little Rock, Ark. They were house guests of Sister Georgia's sister, Mrs. Norbert Walterscheid and family in the country — the children's first time on a farm and they were enchanted. The visitors met Sister Georgia's family and had sight-seeing trips around Muenster and a visit at the Powell Ranch near Saint Jo where horseback riding was a highlight.

Helen Rohmer, 10 Birthday Honoree

Helen Ruth Rohmer observed her tenth birthday Sunday at a party hosted by her parents Mr. and Mrs. Norbert Rohmer. Girl classmates and a cousin, Shirley Becker of Muenster, helped her celebrate.

Games and refreshments of birthday cake, ice cream and soda drinks were served to 14 including the honoree's sisters Betty, Barbara and Carol Ann and her brother Gene.

The birthday cake was a ballerina holding 10 candles and each guest received a miniature ballerina figurine as a party favor.

Celebration for Seventh Birthday

A birthday party honored Joyce Schmidkofer when she was seven. Her parents, the Joe Schmidkofers, entertained at the family home for the Sunday afternoon event.

Gifts, games, party refreshments including a decorated cake and ice cream, and picture taking were highlights for the youngsters.

Guests included cousins, girls classmates, friends, uncles and aunts.

Special guests were Sister Laura, first grade teacher, and Sister Ayleson, both of Lindsay School, and Joyce's grandparents, Mr. and Mrs. Conrad Flusche of Decatur. Also attending were her sisters and brothers Judy, Janet, Steve and Victor Schmidkofer.

Lindsay School Set For Homecoming

Lindsay is ready to welcome a homecoming crowd Saturday night when the Knights tangle with Cumby. Game time is 7:30.

At 7 o'clock in a pre-game ceremony a homecoming queen will be crowned. Her identity will not be revealed until the coronation ceremony.

There are four queen candidates: Sheila Arendt, Joanie Zimmerer, Charlotte Sandmann and Sharon Loerwald. Three of them will be princesses in the queen's court. The four were chosen by the high school student body.

Lindsay 4-H's Help in Cleanup

A group of Lindsay Community 4-H Club members pitched in on a cleanup project at the grotto behind St. Peter's Church Saturday afternoon.

Participating were Gary and Richard Bengfort, Carolyn

Block, Cindy, Joe and Linda Geray, Ronnie Hermes, Johnny Kasperek, Helen, Barbara and Betty Rohmer, Carla Schmitz, Mary Ann Voth, Judy Schmidkofer and Davy Nortman.

Adult leaders present were Mmes. Al Bengfort, James Geray and Norbert Rohmer.

Next business meeting for the club will be Thursday, Nov. 2, 7:30 p.m. in the school cafeteria.

Attend Rites for Kin in LaFeria

Mrs. Clem Hermes Sr. and her daughter, Mrs. Ed Schad were in LaFeria to attend the Monday morning funeral of Ed Wolf, 46, nephew of Mrs. Hermes, who died Friday after a week's illness following a cerebral hemorrhage.

His survivors include his wife and three children and his parents, Mr. and Mrs. Ben Wolf, all of LaFeria.

Father Sylvester Schad of Corpus Christi officiated at the 9 o'clock Requiem Mass and conducted graveside rites in

the parish cemetery. Mrs. Schad and Mrs. Hermes left Lindsay Saturday after receiving the message and were back at home Tuesday.

Confetti - - -

encountered South Vietnamese troops the entire communist world joined in calling it a civil war.

America, pledged by the Southeast Asia Treaty to help check communism if asked, answered South Vietnam's call for help. Since then red troops from the North have been sent openly to help the Cong invaders.

With such a situation existing, can any reasonable American say in his heart that we do not belong there? Are we wrong in helping save South Vietnamese from torture and salvery?

There is another motive also. We know as well as the reds that our pull-out would

clear the way for red conquest of all Asia and eventually the big effort for world domination. Common sense tells us that Vietnam is civilization's first line of defense.

Anyone who looks at those hard facts must know that

national honor and our own survival demand a complete effort in Vietnam. Our proper goal is not only to prevent further red conquest but to defeat Ho Chi Minh and restore freedom to all of Vietnam.
